**Judy Note: Donald Trump is back** as USA President. JFK Jr. has arisen from the dead to be his Vice President. The Swamp is draining, the new Republic of the United States of America, rising as the movie reaches its climax.

**With Donald Trump returning** as President, Brandon Briggs prophesized that more than a thousand terrorists will target over ten US cities!

**A highly organized group** with advanced drone technology has allegedly colluded with foreign actors and Deep State elements within U.S. agencies to transport stolen nuclear materials to underground facilities across the Appalachian Mountains. The planned nuclear attacks on Industrial and urban zones—schools, hospitals and financial districts would cause maximum psychological impact on the American public.

**The plan:** false-flag attacks, sniper and advanced EMP devices deployed to disrupt communications, gangs to incite violence, framing patriots as domestic terrorists. Weaponized Pathogens and Bio-Warfare release during the inauguration and blame Trump supporters, paving the way for martial law and draconian lockdowns. Major networks are already framing Trump supporters as threats, while social media platforms are silencing patriots exposing the truth. Algorithms shadow-ban posts, delete accounts, and throttle dissent. Journalists are complicit, working directly with Deep State operatives to spin their narrative.

**White Hats fight back:** Patriots in military intelligence organized raids that have neutralized key Deep State hubs in Virginia and Arizona, uncovering encrypted communications and plans to deploy drones armed with chemical agents. Directed-energy weapons and psychotronic devices aimed at creating chaos have been intercepted and disabled. On Mon. 20 Jan. during his inauguration activities Trump will issue over a hundred signed Executive Orders including one that will keep TikTok running. From New York to California, Canada to Mexico, a bunch of politicians are about to become felons.

- **“Trump's Rally on Jan. 19 (9/11) is his farewell rally.** People just don't realize it yet. It's the last time Trump will have a chance to talk to us before he departs. Like I said, the shot heard around the World will come on Inauguration Day while the World is watching. Remember, POTUS is insulated, but he can't show you he knows what's coming, so it will be portrayed as a Victory Celebration. Get your popcorn and the tissues ready. **B. Sun. 19 Jan. 2025: Donald Trump's Historic Return: The Moment That Changes Everything ...EBS Activated With Trump on Telegram**

- **January 20, 2025—The day that shakes the Deep State** to its core. Donald Trump's return as the 47th President of the United States has sparked a storm like no other
- **The Pentagon is in chaos.** A top advisor was fired after exposing a sinister plan by rogue military leaders to sabotage Trump. Alex Jones declared that Trump's inauguration faces a direct threat from Deep State terrorists. He claimed the CIA, DOJ, and Pentagon orchestrated an attempted coup against Trump.
- **And where is Biden?** Many believe he's been gone for years, executed at GITMO. What we've been watching, they say, were mere actors playing a part in the illusion of power. Could Trump have been in control all along, operating behind the scenes as Commander in Chief to oversee mass arrests of Deep State operatives?
- **Theories swirl about an earlier inauguration. Rumors suggest Trump was sworn in on January 16, 2025, away from prying eyes.**
- **On Saturday Trump, Melania, and Barron** reportedly flew to D.C. on Air Force One—something only a sitting president could do. Could this signal the dawn of the Republic of the United States, free from the defunct US Inc.?
- **Washington D.C. is on edge.** Deep State-aligned local police refuse to secure the inauguration. Drastic last-minute schedule changes have thrown plans into disarray. Initially set for the Capitol, then moved to the White House, the actual location is now a mystery. The parade? Canceled. Barricades? Coming down.
- **And the warnings? Chilling.** Brandon Biggs, renowned for his accurate predictions, has sounded the alarm: an attack on ten cities targeting the inauguration. Over a thousand operatives are allegedly ready to strike. Is this fearmongering—or the storm we've been waiting for?
- **Imagine the optics:** Deep State elites gather for what they believe is a victory, only to be ambushed in a Military Sting Operation. Could this be the ultimate trap? The culmination of years of strategic planning, arrests, and exposure?
- **The swamp is draining.** The fake Biden administration is crumbling. We are at the brink of a new era. The Republic rises. Buckle up, patriots. The movie is reaching its climax.

**C. Sun. 19 Jan. 2025: Jersey Drones Were the Tip of the Iceberg: Nuclear Material Stolen, Secret Military Convoys on the Move, Underground Bunkers Found—A Deadly Operation Is Happening RIGHT NOW! ...QAnon Warriors on Telegram**

- **The situation that began with unusual drone sightings** in New Jersey has escalated into a dire national security threat. What seemed like isolated incidents has blown up into a full-blown conspiracy involving stolen nuclear materials and covert operations on American soil.
- **The “Stealth Network”** Behind the NJ Drones Insiders have revealed a "Stealth Network," a highly organized group with advanced drone technology and tactics surpassing typical rogue operations. This network is allegedly colluding with foreign actors and deep elements within U.S. agencies, orchestrating a meticulous plan to acquire and transport stolen nuclear materials.
- **Stolen Nuclear Material—Where Is It Going?** Evidence suggests the stolen nuclear material is being moved across the U.S. in unmarked convoys, escorted by drones. These movements are happening under the cover of darkness, bypassing standard tracking and oversight, hinting at a deep-seated conspiracy involving elements within the government.
- **Underground Facilities—What Are They Hiding?** The trajectory of these convoys leads to underground facilities, including bunkers and black sites across the Appalachian mountains, equipped to house significant operations far from public scrutiny and satellite surveillance.
- **The Timeline Aligns with Global Escalation** Recent global events and anonymous leaks indicate that this operation could be part of a planned "false flag" event intended to provoke chaos and fear. Upcoming federal emergency drills in major U.S. cities, described as preparations for "radiological scenarios," seem to conveniently align with these suspicious activities, suggesting a cover-up.
- **The Target: Civilian Population** Investigations into the drone flights reveal they were not only surveying industrial targets but also urban zones—schools, hospitals, financial districts. The stolen nuclear material is feared to be intended for an attack designed to cause maximum psychological impact on the American public.
- **The Clock Is Ticking—What Comes Next With the material now active and mobile,** and black sites operational, the stage is set for a potentially devastating attack. The orchestration of these events points to a sinister plot by elite forces poised to profit from the ensuing chaos.
- **Final Thought: The Truth Is a Weapon** This crisis transcends mere policy failure; it's a calculated assault on the fabric of American society. The elite may control the narrative, but spreading awareness and demanding transparency can dismantle their plans. The truth is powerful, and it's time to wield it against those who would manipulate and destroy.
- **Keep vigilant, question everything,** and recognize that while New Jersey was the starting point, the real targets are spread far wider.

#### **D. Sun. 19 Jan. 2025: TERROR PREDICTION: Prophecy of More Than a Thousand Terrorists Targeting Over 10 US Cities! ...Gitmo TV on Telegram**

- **The countdown to Donald Trump's historic return as the 47th president of the United States on January 20, 2025** is under siege with a chilling prophecy. Brandon Biggs, famed for his unnervingly accurate foresight of a past assassination attempt on Trump, warns of an unprecedented, multi-city terrorist attack targeting the inauguration and beyond.
- **Biggs' vision details coordinated bombings** using unassuming vehicles like trucks laden with explosives, hidden in underground garages, waiting to unleash chaos on the most pivotal day in modern American history. His warnings go beyond speculation, drawing from a track record that's silenced skeptics before.
- **"Unstoppable Chaos: A Chilling Warning"**: The attack, Biggs claims, is designed to shake the very core of American democracy. Trucks parked where no one would suspect, poised to turn celebrations into carnage. Fertilizer bombs, precision-timed detonations—this isn't an isolated event but a synchronized strike on freedom itself. Biggs insists these warnings are not mere speculation. Supporters see him as a modern prophet, a patriot risking everything to expose hidden threats. Critics, however, dismiss him as a fear monger. But his previous accurate predictions leave no room for complacency.
- **A Nation at a Crossroads**: Trump's return marks a battle for the heart of the nation. His supporters see it as the ultimate revival of American greatness, while opponents rally against him with equal fervor. The stakes couldn't be higher, with massive crowds expected in Washington, D.C., and tensions running sky-high.
- **Behind the scenes, heightened security measures are in place**. Sources close to Trump confirm additional layers of protection to counter the potential for disaster. Homeland Security urges vigilance, urging citizens to report any suspicious activity immediately. But even with advanced surveillance, bomb-sniffing dogs, and reinforced checkpoints, the scale of Biggs' prophecy demands unprecedented vigilance. The imagery is haunting: coordinated teams, hidden weapons, a day of celebration transformed into unimaginable devastation.
- **January 20, 2025: Triumph or Tragedy?** This inauguration isn't just about a president. It's about the survival of America's ideals. Biggs' warning isn't just a prophecy—it's a rallying cry. The question is, will America rise to defend its legacy, or will it fall prey to the shadows lurking within?
- **The Storm is brewing. Stay vigilant. Everything is at stake**

#### **E. BREAKING! WHITE HATS EXPOSE DEEP STATE PLOT TO ATTACK TRUMP'S INAUGURATION! ...Steve Bannon on Telegram Thurs. 16 Jan. 2025**

- **The Deep State's plan to unleash chaos on January 20, 2025, has been exposed.** Leaked intel reveals a coordinated assault on Trump's inauguration, involving explosives,

bio-weapons, and infiltrators aimed at framing patriots and recreating January 6 chaos. This isn't just an attack on Trump; it's a direct assault on the American people.

- **Operation Midnight Sabotage: The Deep State's Darkest Plan:** White Hats have uncovered chilling details of the Deep State's Operation Midnight Sabotage, a blueprint for chaos. The plan includes false-flag attacks, sniper deployments, and advanced EMP devices to disrupt communications. Explosives are being smuggled into critical areas, and infiltrators within pro-Trump groups are poised to incite violence, framing patriots as domestic terrorists.
- **Weaponized Pathogens and Bio-Warfare:** The most sinister revelation? The use of weaponized pathogens. Secret biolabs have engineered a virus codenamed "Viper-X," designed for maximum panic. The goal is to release it during the inauguration and blame Trump supporters, paving the way for martial law and draconian lockdowns.
- **Globalist Puppeteers Behind the Curtain:** This isn't just a domestic attack. Leaked communications link the World Economic Forum and United Nations to funding Operation Midnight Sabotage. Their goal? Prevent Trump's presidency and fast-track their globalist agenda, sacrificing American sovereignty for centralized control.
- **Mainstream Media and Social Media Collusion:** Major networks are already framing Trump supporters as threats, while social media platforms are silencing patriots exposing the truth. Algorithms shadow-ban posts, delete accounts, and throttle dissent. Journalists are complicit, working directly with Deep State operatives to spin their narrative.
- **White Hats Strike Back:** Patriots in military intelligence are two steps ahead. Covert raids have neutralized key Deep State hubs in Virginia and Arizona, uncovering encrypted communications and plans to deploy drones armed with chemical agents. Directed-energy weapons and psychotronic devices aimed at creating chaos have been intercepted and disabled.

- **A revolutionary treaty signed by 209 countries** aims to redefine global currencies, ensure economic equality, and foster unprecedented prosperity worldwide. This bold move is transforming financial systems, releasing prosperity funds, and igniting humanitarian projects that promise to uplift lives across the globe.
- **A Financial Revolution Like No Other:** The global financial system has long favored a few powerful nations, leaving others in economic instability. This treaty changes everything. By revaluing currencies like the Iraqi Dinar, Vietnamese Dong, and Zimbabwean ZIM, the playing field is being leveled for all nations. This is more than financial reform—it's a declaration of fairness, equality, and hope.
- **The Prosperity Fund:** At the heart of this initiative is the Prosperity Fund, a massive pool aimed at empowering “We The People.” It will fund humanitarian projects, wealth redistribution, and community reconstruction, addressing critical issues like poverty, education, and access to clean water. This is about transforming lives and ensuring everyone benefits from this new era.
- **Key Currency Revaluations**

**Iraqi Dinar:** Long undervalued, now poised to unlock Iraq's economic potential.

**Vietnamese Dong:** Reflecting Vietnam's growth, the Dong will match the strength of the US Dollar.

**Zimbabwean ZIM:** Ending years of hyperinflation, the ZIM's revaluation is a turning point for Zimbabwe.

- **The Stellar Network: Banking for All:** Millions of people have been excluded from banking systems—until now. The Stellar Network is bringing secure, accessible financial services to the unbanked, empowering them to take control of their futures. This isn't just about money; it's about inclusion and opportunity for all humanity.

From securing currency transportation to preventing fraud, their oversight guarantees a stable and seamless transition. This is a testament to meticulous planning, international collaboration, and unwavering commitment to economic stability.
- **A New Dawn of Equality and Prosperity:** This treaty is more than a financial shift—it's a revolution that will change lives forever. The world is on the brink of a brighter future, where fairness and opportunity replace greed and inequality.

**I.Sun. 19 Jan. 2025 BQQQQM! How to Make the Swamp Believe They Killed You! What a Time to Be Alive! ...Final Warning on Telegram**

- **The Kennedy legacy has always been shrouded in mystery**, but nothing captures the imagination more than the fate of John F. Kennedy Jr. Did he truly perish in a tragic plane crash, or did he outsmart the Deep State by faking his own death? This is the story that shakes the foundations of the swamp and ignites the fire of patriotism like never before!
- **The JFK Jr. Enigma: On July 16, 1999**, the world mourned as JFK Jr.'s plane reportedly crashed into the Atlantic. The official narrative blamed pilot error. But patriots know better. This wasn't an accident—it was an assassination attempt by the Deep State, desperate to eliminate a man poised to expose their corruption.
- **What they didn't expect? JFK Jr. had a plan.** Using military precision and the loyalty of silent patriots, he orchestrated his escape, leaving behind a staged disaster that fooled even the swamp's elite. Navy divers, covert operatives, and advanced tactics ensured his survival, while the media spun a tale of tragedy.
- **The Plan to Outsmart the Swamp** Evidence of tampering on JFK Jr.'s plane points to a sinister plot. A C-4 explosive, disguised as harmless putty, was rigged with a remote trigger. On that fateful night, a Navy pilot posing as JFK Jr. took the controls, parachuting to safety moments before the staged explosion. The plane's destruction and the subsequent media frenzy cemented the illusion.
- **Behind the scenes, patriots worked tirelessly to protect JFK Jr.** and prepare for the fight ahead. The Deep State believed they'd won, but they had no idea they were outmaneuvered by their own arrogance.
- **JFK Jr. and Trump: An Alliance to Save America:** The alliance between JFK Jr. and Donald Trump is no accident. Both men share a vision: to dismantle the Deep State and restore America's greatness. Patriots have long speculated that JFK Jr. faked his death to join forces with Trump and Q, working in the shadows to expose the cabal's lies.
- **This isn't just a theory; it's a movement.** Cryptic messages, symbolism, and undeniable connections point to JFK Jr.'s involvement in a grand plan to reclaim America from the clutches of globalist elites.
- **A Reckoning Is Coming:** The swamp's days are numbered. The truth about JFK Jr. will soon be revealed, and with it, the entire facade of the Deep State will crumble. The patriots are in control, and the storm is here.
- **Dare to believe.** The fight for freedom is real, and the Kennedy legacy lives on in the hearts of those who refuse to bow to tyranny. JFK Jr. lives. The Republic rises. God wins!

- **In a world that increasingly feels like a dystopian nightmare,** a shocking and deeply disturbing revelation has emerged from within the hallowed halls of the Bill and Melinda Gates Foundation. A courageous whistleblower has stepped forward, risking everything to expose a horrifying plan that could plunge the world into chaos. This is not a conspiracy theory. This is the stark reality that we are now facing.
- **The Unveiling of Project Skypox:** A senior scientist from within the Gates Foundation, who has chosen to remain anonymous for fear of retribution, has blown the lid off a covert operation known as "Project Skypox."
- **According to this brave insider, Project Skypox is a clandestine effort to use the existing chemtrail operations**—those persistent, mysterious streaks across our skies—to unleash a highly contagious and aerosolized form of monkeypox (Mpox) on unsuspecting civilian populations. The goal? To spark a new pandemic, one that would pave the way for draconian vaccine mandates and severe restrictions on personal freedoms.
- **This revelation is not just a mere rumor or speculation.** The whistleblower, a senior scientist deeply embedded within the foundation, has provided compelling evidence of this plot. The existence of Project Skypox, if proven true, represents one of the most

egregious abuses of power and science in modern history. The implications are vast and terrifying.

#### V. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**W. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **20 Dec. 2024**.

**Y. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
