**Judy Note:** *It's time to get out of our easy chairs, throw away the popcorn and take a look beyond the four year old movie scripted for us since the fake actor Biden took office as President of US Inc, a private corporation owned by Satan worshipping, Child Sacrificing Pedophile Deep State Cabal Bankers. Sat. 7 Nov. 2020: [Biden Elected President of a Defunct US Inc. Via Voter Fraud | Politics | Before It's News](#)*

*With the inauguration of Trump as President of that bankrupt US Inc. fast coming up on Mon. 20 January, we really need to get ourselves back to reality.*

*We know that both the White House and US Capitol where the US President and Congress reside, have been empty since Trump left Washington DC in Jan. 2021 to set up headquarters at Mar a Largo in Florida.*

*For those past four unbelievably frustrating crime ridden years when the Deep State Cabal's Agenda took over (in order for Trump's Military to catch them in their crimes), people in Washington DC have walked by the White House and US Capitol, only to find just the janitors there.*

*The lights weren't even on – except for those times in the middle of the night when tortured children were seen being rescued by Trump's Military Alliance out of prison tunnels beneath Capitol Hill.*

*Just as for these last years since Trump first took office, the Military Alliance have rescued millions of children out of Underground Biolab Tunnels across the World. Mon. 13 May 2024: [Tortured Children Rescued From Capitol Hill; Obama, Clinton, Biden Caught Raping, Killing Children in Satanic Rites | Crime All-Stars | Before It's News](#)*

*Fri. 28 Aug. 2020 [Trump Heads Rescue of Thousands of Tortured Children from Underground Tunnels | Politics | Before It's News](#)*

*In the past 72 hours alone, over 3,000 children and adults have been rescued from newly identified DUMBs in Europe and Central America. Tues. 7 Jan. 2025: [BREAKING: DUMBs Raided Worldwide! Thousands Rescued from Elite's Underground Nightmare—Shocking Details Inside! - Gazetteller](#)*

*As Dr. William Mount said, “How can they certify an Election if the lights aren't even on? ...I think they (Congress) was meeting at Fort MacPherson in Atlanta Georgia in the fake Congressional Chambers to do it.”*

**What We Think We Know as of Tues. 7 Jan. 2025:**

- **On Dec. 10 2024 the Supreme Court ruled in favor of the Brunson Case** – that Congress certified the 2020 Election of a bankrupt US Inc. without investigating 50 formally filed allegations of voter fraud in the 2020 Election.

- **Therefore the Biden Administration and all of Congress** were not legally elected and the 2020 Election could be considered null and void – which really wasn't a big deal anyway because US Inc. (a private corporation owned by Deep State Cabal Bankers) that had been running on a fiat US Dollar was broke and without even a Taxpayer dollar income as of **Wed. 1 Jan. 2025**.
- **You see, the gold/asset-backed currencies of the Global Currency Reset happened on that Wed. 1 Jan. 2025** – which took away US Taxpayer Dollars from US Inc. (the Cabal) and gave it back to The People in the new US Treasury.
- **Reality was that elected officials assumed office under fraudulent circumstances**, so every law, mandate and stolen tax dollar they enacted was null and void. In other words, all of the past four years of legislation has been illegal.

*So, what will happen on Trump's so-called "Inauguration Day" Mon. 20 Jan 2025?*

*Our only choice was to recognize that we were under Martial Law, and have been since Nov. 5 2016 when Commander-in-chief War Times President Trump turned his Presidential powers over to the Military so he could operate the fall of the Cabal and rescue their millions of tortured children with full backing of that Military – combined with the Military Alliance forces across the World.*

*That meant Trump never left office and we would remain under Martial Law until a new Election could be held – but this time Trump made sure it would be a transparent and fair Election for the new American Restored Republic – perhaps adding in a few more countries which wanted to join us as states under original concepts of the US Constitution.*

*And guess who's already set himself up to run for President of the new American Republic?*

*Trump's really good at making Checkmate!*

## D. Tues. 8 Jan. 2025: BOOM! Loy Brunson's Supreme Court Case Unleashes a Tidal Wave: Corrupt Taxation and Government Lies Exposed! ...Mr. Pool Secrets on Telegram

- **Loy Brunson's case isn't just a legal battle—it's a revolution.** This is the fight the elites have dreaded for decades, exposing fraud, tyranny, and unconstitutional mandates that have plagued America. The system is trembling, and justice is on the horizon.
- **This case strikes at the heart of corruption, revealing the unthinkable:** if elected officials assumed office under fraudulent circumstances, every law, mandate, and tax they enacted is null and void. Every stolen tax dollar, every assault on liberty—it's all illegal. The establishment is in full panic mode because Brunson's case isn't just a challenge; it's a declaration of war against those who've weaponized power to oppress the people.
- The silent war for America's soul is escalating. From the Twitter Files to the Durham revelations, the lies of corrupt officials, Big Tech, and shadowy elites have been laid bare. This case is part of a broader battle to expose the system's coordinated deceit. The Supreme Court, fully aware of the stakes, waits for the perfect moment to strike.

- And what about January 6th? It wasn't about patriotism—it was a staged event designed to crush dissent and silence patriots. Brunson's case pierces through the smokescreen, forcing us to confront the systemic corruption that permeates every level of governance.
- Then there's taxation—the ultimate heist. If Brunson's case proves illegitimacy, what happens to the taxes stolen from the American people? Every dollar collected by fraudulent officials is a crime. The reckoning could be seismic: billions reclaimed, economic freedom restored, and generations freed from financial enslavement.
- This isn't just a case; it's a revolution. The momentum is unstoppable as scandal after scandal awakens more Americans. The establishment is collapsing under the weight of its lies, and the Supreme Court knows the moment of reckoning is near.
- This is our time, patriots. Justice is coming, and it will be fierce. Hold the line, for the storm is here. The system's lies are crumbling, and liberty will prevail. Stay vigilant, stay strong, and stand your ground—Brunson's case is the rallying cry for justice, freedom, and the America we've been fighting to restore.

**E. Tues. 7 Jan. 2025 BREAKING: GET YOUR POPCORN! THE FINANCIAL MELTDOWN YOU'VE BEEN WAITING FOR! THE ELITES ARE FALLING! THE EXECUTIVE ORDERS THAT CHANGED THE GAME! ...Julian Assange on Telegram**

- **The Collapse Begins:** Banks are crashing, the Rothschilds are selling estates, and BlackRock is filing for bankruptcy—thanks to Executive Orders 13818 and 13848. The global reset you've awaited is unfolding now!
- **Grab your popcorn! This isn't a drill.** The global financial collapse is happening right before our eyes. Untouchable elites like the Rothschilds and corporations like BlackRock are tumbling down. This inferno of justice is unstoppable and it's happening now.
- **The Elites Are Scrambling:** Their assets are hitting the market in a fire sale, and BlackRock's bankruptcy is not a rumor—it's a fact. These top-tier players are losing trillions, and there's no bailout in sight. This is the Armageddon for the corrupt elite.
- **Executive Orders Strike:** Orders 13818 and 13848 are wiping the smirks off the faces of these so-called gods of finance. They've manipulated markets and human rights without consequence—until now. Sanctions are crippling them, marking the end of their financial empires.
- **The Fall of the Cabal is Here: Bank Collapses:** It's not bad management; it's calculated destruction. From Silicon Valley Bank to Credit Suisse, these financial giants are crumbling. This isn't random; it's justice.
- **Elite Sell-Off:** The Rothschilds and other top-tier elites are dumping properties they've held for generations. They know their empire's end is near, and they're scrambling to salvage anything they can.
- **BlackRock's Downfall:** Once a financial behemoth, BlackRock is now a cautionary tale of what happens when sanctions cut off the lifelines of corrupt practices.

- **Trillions Gone:** The vast fortunes of these institutions are vanishing. Executive Order 13818 targets human rights abusers, while 13848 clamps down on foreign election interference. Together, they're dismantling the financial underpinnings of the global elite.
- **The Global Reset:** This isn't just a financial reset; it's a complete overhaul of power dynamics. The elites are losing, and transparency, fairness, and justice are on the rise.
- **What's Next?** As we witness the greatest financial reset in history, prepare for a new era free from the shadow of the Cabal. The future is bright, and it belongs to us, not the corrupt elite.
- **LET'S GOOOOOOOOOOO!!!** The financial collapse is not just the beginning—it's the definitive end for the Cabal.

[hiddenfromhistory1@gmail.com](mailto:hiddenfromhistory1@gmail.com) [www.murderbydecree.com](http://www.murderbydecree.com)

**For years I lived** just down the road from where it happened.

**The native children were brought into the Nanaimo Indian Hospital by RCMP officers,** usually at night. They were locked in padded cells to await assessment. The children whom the doctors figured could endure the experiments were segregated by sex and sent off to the basement laboratories. The others were either trafficked or killed.

**The official experiments were conducted by doctors of the Defense Research Board and the United Church of Canada.** They involved strapping down children on gurneys in pitch-black cells for months to study the effect of such sensory and motor deprivation: a service performed for the NASA space program.

**They also tested a gamut of experimental drugs on the children,** including sterilizing agents, on behalf of pharmaceutical companies like Pfizer, Bayer, Eli Lilly, and Glaxo that financially subsidized the Nanaimo Indian Hospital and the United Church.

**The unofficial tests were performed by expatriate Nazi scientists** operating under Royal Canadian Air Force cover identities, like "Major Bob Armstrong", a former Waffen SS Colonel named Heinz Lehmann (SS Tattoo Number 9370115) who was a protégé of Dr. Josef Mengele. "Armstrong" had pioneered pain threshold and mind control experiments for the US military at the Lincoln Park Airforce Base outside Calgary during the mid-1950's.

**These latter, military-funded tests involved slowly torturing children to death** with scalpels, blowtorches, chemicals, and radiation and recording the effect on their mental abilities. Very few of the children survived any of these monstrous tortures. Being indigenous, they could disappear without a trace of public concern or legal consequence.

**Joan Morris, Esther Morris, and Kenny Quatell were three of those who survived.** I spoke with them during 2005 and 2006. *"I couldn't have any babies after they tied my tubes,"* Esther said during our interview. *"They did that to all the girls in our group. They had me strapped into a crouching position for weeks at a time. I lost the use of my muscles. It was Doctor Weinrib who did it to me, he was a local Nanaimo doctor. He told me I was performing a patriotic service, that it would help put men on the moon."*

**Esther's cousin Joan was held in the Nanaimo Indian Hospital for nine years** after she was kidnapped from her home on the Songhees native reserve when she was six years old. *"They made me and my sister Nancy drink this horrible tasting stuff that made us throw up,"* Joan remembered. *"It was radioactive, I heard from one of the nurses. Nancy died of cancer when she got out of there. I've been sick my whole life from it, and from all the shit they kept shooting into me. Every week they tried out some new drugs on me. That Doctor Schmidt who ran everything, he could barely speak English. He used to boast about how much he was getting paid to kill Indians, blacks and Jews."*

**Kenny Quatell, a Kwakwaka'wakw native from Campbell River,** was sterilized at the hospital along with all five of his brothers from Albert Bay, B.C. *"We all went under the X-Ray machine. I got burned all over from it and my balls shrunk to nothing. Then they had me in the dark room for so long I can't remember. They'd take me out every so often and give me shocks to my head. But my brothers got it worse. They all got sent downstairs. I could hear them screaming and crying for help. I had to bury them later. I saw what they did to them. They ripped them apart. They were missing their noses and ears and eyes."*

**The abandoned wooden huts of the Nanaimo Indian Hospital** were still standing in the fall of 2004, when my first article on its murderous experiments appeared in *The Nav* student newspaper at the neighbouring Malaspina College (now Vancouver Island University). But the week my article was printed, bulldozers destroyed all the hospital buildings and the site was padlocked shut. That same day, *The Nav* was pressured to retract my article and all the copies of that issue were seized by campus security.

**During the same time, all the records of the Nanaimo Indian Hospital** and similar facilities held in the National Archives in Ottawa were officially sealed, closing them to public scrutiny.

**Fortunately, copies of their files had been obtained earlier** by the sole survivor of the Lincoln Park experiments, Gail Barclay. Gail identified to me the Nazi experimenter "Bob Armstrong" and his pain threshold tortures. She also received confirmation from Canadian military intelligence officers that "Armstrong" and other Nazi doctors had conducted their experiments on children in B.C., Alberta, and three other military hospital facilities across Canada. **Early in 2020, as part of the Church-State cover up of medical genocide among Indian children,** a 'class action lawsuit' was launched for Nanaimo Indian Hospital survivors by a shadowy law firm in Calgary called the Masuch Group. The only charges made against the government by these lawyers involved "negligence" and "failure of duty of care". No mention was made of torture, medical genocide, Nazi doctors, or murder.

**O. Tues. 7 Jan. 2025 BREAKING NEWS: RFK Jr. Declares War on Fluoride in U.S. Water**

- **RFK Jr. is exposing the truth they never wanted you to hear: fluoride in your water is poisoning America.** IQ loss, bone cancer, thyroid damage, and even spiritual suppression—the dangers are undeniable. And yet, public health officials have stayed silent for decades.
- **"Fluoride is an industrial waste,"** RFK Jr. declared, tearing apart the long-running narrative that it's a health benefit. In reality, this toxic byproduct of aluminum and fertilizer industries has infiltrated our water under the guise of dental health. But the studies are clear: fluoride isn't saving your teeth—it's stealing your future.
- **IQ Loss and Brain Damage:** RFK Jr. sounded the alarm on fluoride's impact on intelligence: "It causes dramatic IQ loss, particularly in unborn fetuses." Research proves it. Prenatal fluoride exposure leads to cognitive impairments in children, stripping them of their potential before they're even born.
- **Spiritual Assault:** Fluoride doesn't stop at harming your body—it invades your very mind. By calcifying the pineal gland, it cuts off your connection to higher awareness. "It's the part of our brain that creates spiritual feelings," RFK Jr. explained. This isn't just a health issue; it's an existential threat.
- **Bone Cancer and Fractures:** Prolonged fluoride exposure weakens bones, increasing the risk of fractures and deadly bone cancer. Meanwhile, your thyroid—the gland regulating your metabolism—is under siege, leading to fatigue, weight gain, and depression.
- **The Great Fluoride Scam:** It all started in the 1940s. Industries needed a way to dump their toxic waste—and we became their dumping ground. They sold fluoride as a health miracle while laughing all the way to the bank. But RFK Jr. isn't fooled.
- **"We already get fluoride in toothpaste.** We don't need it in our water," he said. And yet, fluoride continues to flow—because it's profitable. Follow the money, and you'll see who's really benefiting: chemical manufacturers, Big Pharma, and corrupt officials.

- **A Nation at Risk:** Millions of Americans drink this poison daily, unknowingly putting their health—and their children’s futures—on the line. The evidence is clear. The solution is simple. “Just get the fluoride out of the water,” RFK Jr. demands.
- **This is a Fight for Freedom:** This is bigger than health—it’s about reclaiming control. Fluoridation is a violation of your rights, your body, and your mind. RFK Jr. is leading the charge to end this toxic legacy, but he can’t do it alone.
- **It’s time to rise up.** Demand accountability. Fight for a fluoride-free America. The future of our children, our health, and our nation depends on it.

**R. Tues. 7 Jan. 2024 Big Tech’s Preemptive Business Model Changes and Accountability**  
...GeorgeNews on Telegram

- **Mark Zuckerberg's recent announcement of major changes to Meta’s operations has sparked widespread speculation about the true motivation.** While framed as a response to First Amendment principles or platform evolution, the reality may be far deeper. For over two decades, California courts have misapplied Section 230 of the Communications Decency Act, granting platforms unprecedented immunity Congress never intended. My fight to realign Section 230(c)(1) with its original text, the "Good

Samaritan" intent, and constitutional principles has exposed a judicial system that systematically shields Big Tech. Now, after years of advocacy, these business model shifts appear to be a direct response to the looming inevitability of accountability.

- **The Misapplication of Section 230:** California courts made a pivotal grammatical error in interpreting Section 230, turning it into a blanket shield of absolute immunity. Platforms have been allowed to act as publishers while evading responsibility for content decisions—actions that should never have been protected under 230(c)(1). Over the last seven years, I've challenged this misinterpretation, showing how it undermines due process and the Constitution. Despite persistent resistance, this fight has laid bare the systemic bias enabling Big Tech's unchecked power.
- **Judicial Bias and Systemic Failures:** As detailed in my recent en banc petition, the courts have not just misapplied the law but have done so in ethically questionable ways:
- **Conflicts of Interest:** A federal judge in my case held millions in tech stocks. He ruled in favor of Facebook, preserving his investments, before recusing himself—five years too late.
- **Inconsistent Rulings:** The Ninth Circuit continues to ignore its own precedent and conflicting rulings from other circuits. Cases like *Henderson v. Public Data* and *Anderson v. TikTok* show how other courts correctly apply Section 230, starkly contrasting with California's judiciary.
- **These systemic issues have deprived me of justice** while allowing Big Tech to weaponize Section 230 against competition and free speech. This is no longer just a fight against Facebook; it's a battle against a judiciary that has entrenched itself as Big Tech's protector.
- **Turning the tide:** The sudden shifts in Big Tech's business models seem directly tied to growing public and legal pressures. It's increasingly clear these companies recognize the inevitability of accountability. By reorienting now, they aim to soften the blow when the absurd immunity shield they've exploited for decades finally falls. This aligns with the arguments raised in my en banc petition.
- **The Larger Implications:** The misuse of Section 230 has profound consequences:

1. **Censorship and Free Speech:** Platforms use immunity to suppress speech under the guise of moderation, as seen in cases like *Missouri v. Biden*.

2. **Economic Harm:** Small businesses and creators like myself—and millions of users—have suffered from unchecked anti-competitive practices.

3. **Judicial Complicity:** Courts' refusal to correct these misinterpretations has turned the internet into a "lawless no-man's-land."

- **Why This Matters: If Section 230 is applied as written, platforms will face accountability for their moderation decisions**, forcing fundamental changes to how they operate. Accountability is critical to restoring fairness, protecting free speech, and

dismantling the censorship industrial complex. Fixing Section 230 would not only resolve these issues but set a precedent for competition and constitutional adherence.

- **This fight has been grueling, but it's yielding results.** Big Tech's preemptive changes signal that reform is inevitable. As detailed in my pinned post, the courts now face a defining choice: perpetuate injustice or align Section 230 with the law, the Constitution, and public interest. Justice is on trial as much as Big Tech.
- **Mark Zuckerberg announces sweeping changes to Facebook** and Instagram to move toward Free Speech including: Ending Third-Party Fact Checking and Replacing it with Community Notes like X. Removing Reduction of Political Content & Lifting Topic Restrictions. Moving content moderation teams to Texas to avoid toxic left-wing political censors.
- **MZ said that he will be working with Trump** to end censorship globally. The "new" FB will reflect the will of the American voters who want more freedom and less censorship.
- **While this is great news,** the questions have to be asked; Will we ever get justice for all the wrong they did over the 2020 election? Will the many pro MAGA and "anti big Pharma" accounts get reinstated?
- **Some would say that MZ has no other option,** but to go this route, if FB were to survive over the next four years.
- **A little too late, if you ask me.**

**W. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.*

*"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
