***“Those who dare to fail miserably can achieve greatly.”***

***“A revolution is coming – a revolution which will be peaceful if we are wise enough; compassionate if we care enough; successful if we are fortunate enough – but a revolution which is coming whether we will it or not. We can affect its character; we cannot alter its inevitability.”***

...President John F. Kennedy

**Judy Note:** *On Fri. 14 Feb. 2025 President Trump and Elon Musk announced the most dramatic results (at least so far) of their DOGE Investigation:*

*“For decades the American People have been robbed blind while the Washington Elite, Defense Contractors & special interest groups have gorged themselves on Taxpayer money.*

**“Obama ordered the FBI to coverup all of Hillary Clinton’s criminal activities.”**

**“Washington DC was believed to be the Child Sex Trafficking Capitol of the World.”**

**According to Melania Trump, “My husband’s Assassination Attempt was an inside job.”**

*To cope with the fallout from these dramatic discoveries, Mass Media networks have been notified of a soon-to-be globally coordinated broadcast aimed at exposing criminal activities of the Deep State Cabal Satan Worshippers who have been running this World.*

*“The broadcast would also explain the principles of GESARA that was rolling out right now – the greatest transfer of wealth in human history(away from the corrupt rich) that would change the way the World does banking.*

*This broadcast over the new Star Link Satellite Emergency System (EBS), was expected to reach billions worldwide through direct communication with individual cell phones.*

*The populous would be advised to have cash on hand as Banks would be closed, while ATMs and credit/debit cards would be unusable because of the transfer to the new Global Financial System on Star Link Satellites. Because of some chaos that could occur, it would also be wise to have at least three weeks' worth of food, water and essentials, though the military will provide resources if needed.*

*Why? Because Trump just exposed the largest transnational criminal organization in human history and the information needed to be out to people of the World, while the Global Military Alliance made mass arrests of hundreds of thousands of perpetrators Worldwide.*

*People across the Globe needed to understand the scope of what was going on. The Trump-Musk DOGE investigation, through use of a lightning fast Star Link Satellite System, uncovered everything:A Shadow Government Cabal that was engaged in money laundering, regime changes, bioweapon development and psychological Mind Control operations.*

*And, as if it couldn’t get any worse, it does. The Deep State Cabal had a plan to depopulate and control the World’s population. These Satan Worshipping, Child Sacrificing criminal Global Elites were being blackmailed to do the Cabal’s bidding through their participation in an international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring run by the Vatican.*

**A. Judy Note: Elon Musk has brought to light what may be one of the biggest financial scandals in U.S. history. So far his DOGE Probe has uncovered evidence that:**

- **Obama orchestrated the biggest criminal cover up in US History** to protect Hillary Clinton.
- **For decades, the American people have been systematically robbed blind** while the Washington elite, defense contractors, and special interests gorged themselves on taxpayer money.
- **Millions in Taxpayer Dollars** were given to the Mass Media including *The New York Times* and *Reuters* to promote a Leftist Agenda that included the cover up of Child Sex Trafficking in Washington DC.
- **Washington DC** was considered the Child Sex Trafficking Capitol of the World.
- **MS-13 members** were being used as foot soldiers to traffic children for our corrupt elected bureaucrats.
- **Child Sex Trafficking has been going on for a long time in Washington DC.** It was used to blackmail politicians to do the Cabal's bidding and keep US Taxpayer monies under their control.
- **The Front Page of the 29 June 1989 Washington Times read:** "Homosexual prostitution inquiry ensnares VIPs with Ronald Reagan, George Bush Sr 'CALL BOYS' Who Took Midnight Tours Of White House."
- **FBI Agents and NYPD officers** attempted to bring charges against Hillary Clinton & Huma Abedin after video evidence was discovered of the two skinning the face of a young girl whom they tortured to death, but the FBI and New York police officers were prevented from taking their evidence to court by their higher-ups.
- **There were emails proving US President Barak Obama paid \$65,000** in US Taxpayer monies for young children to be brought to the White House for a Child Sex party with Elites and politicians including Hillary Clinton and Ben Affleck.
- **There was evidence that Pedogate was discredited as 'fake news' by the Mainstream Media despite NBC's (11 June 2013) televised report regarding Hillary Clinton** using her position as US Secretary of State to cease an investigation into child trafficking within the State Department.
- **There was video evidence** that hundreds of naked children were being held in underground tunnels that ran beneath Washington DC, Epstein Island and major cities across the US.
- **The Clinton Foundation received \$88 million from Australian taxpayers** at the same time evidence surfaced that Hillary Clinton's campaign chairman John Podesta and his brother Tony Podesta, plus Welsh-born Australian ALP Prime Minister Julia Gillard were connected to the kidnapping of the British child Madeleine McCann.
- **Evidence that Nobel Peace Prize recipient Mother Teresa, Hillary and Bill Clinton, Epstein,** Harvard law professor Alan Dershowitz, Prince Andrew, Kevin Spacey and multiple other Global and political elites were involved in Child Sex Trafficking.
- **Massive Fraud in Treasury Department:** Social Security makes \$100 Billion in yearly payments to individuals lacking SSNs or IDs. Treasury officials estimate that at least half

of these payments — around \$50 billion each year, or roughly \$1 billion per week, are undeniably fraudulent.

- **The Pentagon** spends \$600 million a year on sushi.
- **The IRS is shelling out \$230,000 a month** on Starbucks Cinnamon Roast K-Cups—costing an unbelievable \$1,280 per tiny disposable cup. This is happening at the IRS headquarters, where 92% of employees are working from home. That means out of every 100 employees assigned to the building, 92 aren't even there—yet the agency is still spending nearly a quarter of a million dollars every month just on cinnamon K-Cups from Starbucks.
- **And that's just the beginning...**To everyone about to get fired in DC: "Learn to cope!"

- **The moment we've all been waiting for is here.** Donald Trump's impending declaration of a National Emergency will mark the turning point in the battle for America's soul. This isn't just about reversing Biden's disastrous policies—it's about dismantling an entrenched, shadowy cabal that has controlled global power for decades. Behind the scenes, a powerful Military Alliance composed of generals, intelligence operatives, and whistleblowers has been meticulously preparing for this historic moment. This global network of patriots has gathered intelligence, executed covert operations, and positioned itself to strike with unprecedented force, dismantling the infrastructure of corruption and ushering in a new era of freedom and sovereignty.
- **The mass arrests of elite figures tied to child trafficking,** financial schemes, and election fraud have already begun. Reports from Alliance insiders confirm that detention facilities across the country are ready to house those implicated in treason and crimes against humanity. These individuals—corporate CEOs, media executives, and political operatives—are being transported to secure locations where they will face military tribunals, ensuring swift and fair justice outside the corrupted civilian court system. Trump's National Emergency declaration will accelerate this process, exposing the Biden

regime as a puppet government tied to foreign powers like China and Iran. Leaked intelligence reveals that the administration's open-border policies and chaotic governance were part of a globalist plan to destabilize America, overwhelm public services, and impose centralized control.

- **The battle is reaching its climax.** Trump and the Military Alliance are ready to strike, dismantling the entrenched systems of corruption, exposing the cabal's atrocities, and restoring freedom to America and the world. The storm is here, and justice is inevitable.

**I. Fri. 14 Feb. 2025 Buckle up. There's a massive move happening in the gold market that almost nobody's talking about. Huge physical deliveries. Shortages in London. Gold flowing into the U.S. at record levels. Someone with deep pockets is scooping up gold—likely the U.S. Treasury or Fed. ...Carolyn Bessette Kennedy on Telegram**

- **Why? The theory:** They're preparing for a full-on gold audit—meaning they're re-shoring gold they might've leased out. Once audited, that gold could form the backbone of a new monetary system. This could signal a seismic shift in the dollar's status and value.
- **The endgame:** A major devaluation of the U.S. dollar to reset America's global competitiveness. Think back to 1971 (Nixon shutting the gold window) or 1985 (Plaza Accord). This time, it might be even bigger—some call it the “Mar-a-Lago Accord.”
- **Tariffs are key.** They aren't just about steel, aluminum, or stopping fentanyl. They're the cudgel to force other countries to accept a new currency regime. The U.S. wants to drive down the dollar's value vs. the yuan, euro, yen, etc. to boost exports and domestic industry.
- **Bottom line:** Prepare for a major monetary reset. One that's orchestrated (they hope) rather than chaotic. These aren't half-baked theories. You can see it in gold flows, Trump's policy picks, the talk of a Sovereign Wealth Fund, and a looming forced revaluation.

- **Silver-Backed Certificates & Debt Relief Incoming! In January 2025,** silver-backed certificates launched within the QFS! Less money on military, more money for the People. Trump is turning off the war machine, creating diplomatic and peaceful relationships with our perceived "enemies", and reversing our trajectory leading

**N. Fri. 14 Fwv. 2025 Washington DC Child Sex Trafficking, Part 1 of 2: The Masonic Grand Central: The Oval Office ...CBKNews on Telegram**

- **Washington DC is the a human trafficking capital of the world.** The mere fact that they are on salary is cause for concern. Our Founding Fathers wanted our political figures to be paid per diem for hours worked. Nothing more. You are not supposed to even be paid while on vacation.
- **How do you rectify knowing children were being taken under the oval office to be sexually abused by our congress** as a politician and receive payments that are

supposed to be an honorarium that you are not supposed to even receive after you leave the jurisdiction?

- **MS-13 members even admitted that they are used as foot soldiers to traffic children for our corrupt elected bureaucrats.** We all seen the footage of children being removed late at night who were wrapped in blankets and escorted off the property. And your congress knew the entire time.
- **This is why Donald Trump never accepted a salary** while he was president because he knew it was blood money. Which was a moral righteous choice as he knew while serving kids were being rescued by US Military.
- **Child prostitutes visiting the Whitehouse is old news. On 29 June 1989,** the front page of the Washington Times read: "Homosexual prostitution inquiry ensnares VIPs with Ronald Reagan, George Bush Sr 'CALL BOYS' Who Took Midnight Tours Of White House."
- **Do you know what made things peculiar and very suspicious about the \$65,000 worth of fast food** (hot dogs & pizza) Barrack Obama ordered from emails that was also sent to Ben Affleck that many suspect is code for little children?
- **That you are stipulated for security risk** as a president to only order all of your food on site as a rule. Which means no outside deliveries to the White House. Unless you are doing it for staff or special guest as a gesture. An example would be D. Trump who bought fast food for those students. Aside from that as a policy all food must be prepared in-house using raw ingredients.
- **Listen many may not know this but it has to be brought up.** This is regarding Frazzle Drip. Which is footage of Hillary Clinton & Huma Abedin skinning the face of a young girl. People in the FBI along with NYPD officers who are clean and not compromised or corrupt attempted to bring charges to Clinton & Abedin but were prevented by higher-ups who were of higher rank.
- **Because those officials also knew that in Washington DC children** were being held on transit cellars in local businesses in that area including restaurants. Remember the global shutdown of YouTube back in October 2018? That was said to be due from the footage of the little girl that was being tortured in the video.
- **Mainstream media giants launched a cover-up campaign** that year against the leaked Podesta emails and related crimes, to muddy the waters and leave the general public confused about the truth. People have no idea how diabolical the situation is.
- **Did you all know that when those Podesta emails leaked that 100 H. Clinton staff members** and associates ended up dead in quick succession? That is not including the 45 people listed under her body count. Just like the many witnesses to JFK'S assassination, and witnesses to Kevin Spacey's sexual assaults.
- **Pedogate was discredited as 'fake news' despite NBC's (11 June 2013) televised report regarding Hillary Clinton** using her position as US Secretary of State to cease an

investigation into child trafficking within the State Department. Despite the MSM mediablackout, Pedogate reached the public via social media.

### **O. Fri. 14 Feb. 2025 Washington DC Child Sex Trafficking, Part 2 of 2: CIA Child Sex Trafficking with US Politicians ...CBK News on Telegram**

- **YouTube featured interviews with credible witnesses** who testified to the existence of an international child sex trafficking operation involving US politicians and the CIA. Bill and Hilary's trafficking network implicated campaign chairman John Podesta, Jeffrey Epstein, and 'Saint' Mother Teresa.
- **In 1995, the Nobel Peace Prize recipient opened a Mother Teresa Home for Infant Children adoption centre in DC** with Hillary Clinton which quietly closed in 2002. Mother Teresa's Roman Catholic order, Missionaries of Charity, came under Indian government investigation for Child Sex Trafficking with a nun arrested for selling babies. This info can be found in Fiona Barnett book.
- **J. Epstein sex trafficked minors to VIPs** including Harvard law professor Alan Dershowitz, Prince Andrew, Kevin Spacey, and Bill Clinton who flew aboard the Lolita Express to Epstein's 'Little St. James' pedo island in the Caribbean.
- **Surveillance camera footage allegedly leaked from the island showed children locked in underground rooms.** The island conveniently caught fire due to a massive explosion in early 2019, destroying all evidence. J. Epstein is among the many VIPs and government heads who knowingly donated money to the Clinton Foundation child trafficking operation.
- **The Clinton Foundation received \$88 million from Australian taxpayers** between 2006 and 2014, peaking during Welsh-born Australian ALP Prime Minister Julia Gillard's term. Hilary Clinton's campaign chairman John Podesta and his brother Tony Podesta were staying in a Portuguese villa owned by UK politician Sir Clement Freud, in the same resort where British child Madeleine McCann was when she disappeared.
- **Clement Freud was Sigmund Freud's grandson.** British media outed Clement Freud as a violent child rapist. John & Tony Podesta perfectly matched the identikit images Scotland Yard released of Madeleine's abductors. End quote. ~Fiona Barnett
- **People do you now see why it would have been diabolical for not only America but the planet as a whole if Hillary Clinton would have won the election in 2016?** People like her only enter the campaign trail for presidency because they can maximize resources to cover up their crimes. This is why she was the 1st candidate in history to never concede. Now you can see why politicians went insane and was out for blood during that time.
- **Look at the vast network involved.** Look at the people who were religious figures. Look at the people who entertainers of our time. We are truly lucky to have dodged a H. Clinton administration. Because most of your favorite whistleblowers wouldn't even be

**P. Fri. 14 Feb. 2025 Court Injustice. The excerpt below is from a conversation I recently had with an incarcerated American in Virginia, USA. ...SGAnon on Telegram #DarkToLight #LiberateAmericaFromTheBAR #EnemyOfTheRepublic**

- **This individual was incarcerated for 12months** on a \$1,000,000 USD “payable in full” bail bond (separate from the 10%-down bonds that are standard inside US prisons), w/ no parole option available ... for a misdemeanor contempt of Court charge; specifically, defiance of a Court order.
- **The judge presiding over the case**, which is a family law civil-action and not a criminal case, retired from the bench in 2020 but was subsequently recalled by a separate Virginia judge to preside over this particular case. It is worth noting there are large amounts of assets involved in the case.
- **The name of the judge** in the case is Randall D Smith of Chesapeake, Virginia.
- **The Court order that was defied?** The defendant was instructed by the judge to reallocate the assets involved in the case, and the defendant agreed to do so; defendant then requested either a laptop computer or access to his cellular phone inside the Courtroom, in order to move the monies around, and offered to do so under supervision. The judge refused the request, and sentenced him to the above, essentially declaring that his lack of access was equivalent to willful defiance of a Court order.
- **This individual**, having no violent or criminal past record, has now been more than 50 days straight in solitary confinement inside the local jail.
- **Bonus Round:** Did you know this same person received approx. 1/3 of the citizenry’s vote in a recent local election for county Sheriff, and openly declared his intent on the campaign trail to impanel “citizen grand juries”, to begin hearing evidence of public corruption activities and abuses inside the local judiciary?
- **One wonders if this coincidence** is related to the Court conduct described above.

**R. Fri. 14 Feb. 2025: Congressman Michael McCaul spoke at the House Foreign Affairs Committee saying USAID should be preserved and merged with the State Department ...President Q45-Q47 on Telegram**

- **Let's take a look at why Congressman Michael McCaul would say that:**

- **Michael McCaul insider trading** has made him \$576 million dollars. He makes \$24 million per month and owns a \$20 million dollar private jet

- **Michael McCaul is who wrote the TikTok Ban Bill** and then invested \$1.15 Million into META, AFTER writing the bill

**This US politician makes an average** of \$24,000,000 every single month

- **Congressman Michael McCaul** lives in a \$10 million dollar mansion

- **This is where he keeps his \$1,100,000 car collection**, including his Rolls Royce Wraith and a Ferrari 488 GTB.

- **He even bought a \$20 million dollar private jet** to fly from his mansion in Texas to his job in Washington, DC.

- **In the past 3 years alone**, Michael McCaul has traded \$576,000,000 in the stock market”

**Now, why would Congressman Michael McCaul** want to make sure USAID continues and is merged with the State Department?

- **Well, that answer is simple** when you understand that Tucker Carlson has had many people on his show with evidence the State Department is who's behind the global censorship push, they're organizing it and have successfully installed censorship in countries like Brazil already.

- **USAID** is how they're funding that operation overseas

**So you see, Congressman Michael McCaul wants to make sure the USAID** money laundering operation no longer has to go through any more departments, they can merge directly with the agency abusing it

**If the State Department can once again bring back censorship**, as Congressman Michael McCaul CLEARLY wants by authoring the TikTok Ban Bill, he could make a fortune

**S. Fri. 14 Feb. 2024 THE KING JAMES BIBLE IS THE WORD OF GOD ...Steve Bannon**

- **I'm going to lose many of you with this one.** Oh well. I'll drop a docu below further proving the KJV is the word of God and all modern versions were created with the NWO agenda hidden within. God promised to preserve His word.
- **King James Bible** was the attack on the Vatican Pope and Catholic Alexandrian texts that were originally in Latin. During this time the people had to go to the Catholic priests just to know what the Bible said because nobody spoke Latin.

- **When King James authorized** the translation into English the Jesuits tried to have him assassinated right before the release. Look up the Gun Powder Plot by the Jesuits of 1605 a year after the KJV was commissioned in 1604.
- **It removed the monopoly** the Catholics had on the Bible and gave the people an English version that used 58 of the worlds top scholars and translators of the day whom each spoke over 13 languages each. The Catholics were pissed. They even tried to rush out a Catholic English version right before the KJV and it that tanked.
- **The canonization of the KJV** by leaving out certain books like the Jewish-Christian gospels were for good reason. They were deemed by the KJV translators as having major issues that were either frauds, didn't line up with main authors of bible, contradictions of scripture, written way after Jesus Christ, or just weren't inspired text etc. I think they did an excellent job leaving the books in the Bible they did.
- **The decision to leave out certain books** as non inspired took 7 years to complete Bible, it wasn't an overnight decision, while other denominations consider them included canon. I tend to side with the expert translators of the KJV after reviewing all apocryphal books etc..
- **Some are just crazy like the gospel of Thomas** where Jesus said a woman must become as a man to enter into Heaven. There are certain books I do like and believe they are historical but not actually God inspired because of writing style and many contradictions to actual scripture but very accurate in other places.
- **Anyway, there is 2 lines of text**, Alexandrian and Traditional. Alexandrian is catholic and that's where we get all out modern NWO bible translations because they are using corrupted manuscripts to begin with...
- **The fact that the Jesuits tried to assassinate King James** on behalf of the Jesuit pope because they would lose their monopoly on Gods word should be enough to get people questioning what the true word of God was. Before the KJV, William Tyndale also tried to make an English Bible and was quoted as saying "I defy the pope, and all his laws,"
- **In 1534, before William Tyndale** was burned at the stake for making an English version of the Bible his last words were "Lord, open the King of England's eyes."

**T. Fri. 14 Feb. 2025 MASSIVE SCANDAL! OBAMA CAUGHT ORCHESTRATING THE BIGGEST CRIMINAL COVER-UP IN U.S. HISTORY TO PROTECT HILLARY CLINTON!** ...Benjamin Fulford on Telegram

- **CIA Director John Ratcliffe has CONFIRMED** what patriots suspected for years: The Obama administration ORDERED the FBI NOT to arrest Hillary Clinton for espionage, despite clear violations of 18 U.S. Code § 793.
- **This is not incompetence.** This is a coordinated crime at the highest level. Obama and Clinton conspired to subvert the rule of law, crushing it under their boots to protect their empire.

- **THE ORDER CAME FROM OBAMA HIMSELF** For years, patriots asked: Why wasn't Hillary prosecuted? The answer is clear: Obama personally intervened.
- **Disgraced former FBI lawyer Lisa Page** admitted under oath that the DOJ directly instructed the FBI to let Clinton walk free. Ratcliffe: "They told you outright: 'We are NOT prosecuting Hillary Clinton for gross negligence'?" Lisa Page: "That is correct."
- **This wasn't a mistake.** It was a deliberate, high-level cover-up. Clinton was supposed to secure the Deep State's future in 2016. But when Trump won, their entire plan collapsed.
- **THE FBI: OBAMA'S PERSONAL ENFORCERS** Under Obama, the FBI ceased to be law enforcement and became the enforcement arm of the Democratic Party. Clinton was given a free pass for crimes that would have put any American behind bars for life. The FBI turned its full power toward fabricating crimes against Trump. Russia hoax, FISA fraud, Trump indictments—ALL from the same criminals who protected Clinton.
- **WHY DID OBAMA PROTECT CLINTON?** Because her emails were the smoking gun. Pay-for-play deals with foreign governments. Collusion between the Obama White House and foreign spies to manipulate U.S. elections. Classified intel leaked to foreign actors for political favors. If Clinton had been arrested, the investigation wouldn't have stopped with her—it would have led straight to Obama.
- **THE DEEP STATE'S FINAL MOVE: DESTROY TRUMP AT ALL COSTS** Clinton's escape was only the beginning. The moment Trump announced his candidacy, the Deep State activated its full arsenal. They fabricated the Russia hoax. They weaponized intelligence agencies to spy on Trump. They rigged the 2020 election. They orchestrated multiple indictments to block him from 2024. And yet, Trump is BACK. In 2025, he is leading the charge to dismantle the corrupt empire Obama and Clinton built.
- **THE MEDIA: COMPLICIT IN TREASON** The mainstream media covered up the biggest crime in U.S. history. They called Clinton's email scandal a "nothingburger." They ignored leaked documents proving Obama's direct involvement. They pushed fabricated Trump charges while burying evidence of the real criminals. These are not journalists—they are propagandists for the Deep State.
- **THE TIME FOR JUSTICE IS NOW:** We now have undeniable proof that the highest levels of government engaged in a criminal conspiracy to protect Clinton, destroy Trump, and manipulate the justice system. Obama must be investigated for obstructing justice. Clinton must face the full force of the law. The FBI must be purged of Deep State operatives. The DOJ must be overhauled to restore integrity.
- **AMERICA STANDS AT A CROSSROADS** The Deep State is clinging to power. But now, with Trump leading the charge and the truth exposed, the American people are awake.
- **February 10, 2025—THE DAY THE FINAL VEIL WAS LIFTED.** Will justice be served? The time for action is NOW.

- **By 1913 US Inc.** had managed to change the Constitution. Even though the act was never ratified by Congress, the independent foreign bankers formed the Federal Reserve and Internal Revenue Service (IRS) so that all US Taxpayer monies were paid to themselves as international bankers.
- **The privately owned Rothschild family Bank** also owned the Federal Reserve and IRS. Through their privately owned US Inc. corporation, they had complete control of US Taxpayer dollars and were charging the US Government interest to use their own monies.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. **ZZ. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
