Judy Note: The Whiz Kid Elon Musk was redefining homeownership. Trump was restoring energy dominance. RFK Jr. was taking on Big Pharma. The truth about COVID-19’s origins was surfacing, and those responsible may finally face justice.

“We Are At War – A War Against Evil. They have deceived us. They have terrorized us. They have poisoned our food and water. They have destroyed our homes in Hawaii, California, Texas and North Carolina. They have tortured, raped and killed our innocent children,” John F. Kennedy Jr. recently said. “All in honor of Satan. They are the Committee of 300, the Khazarian Mafia, the Illuminati. Their puppets are installed at the very highest levels of our society. They must be destroyed before they destroy us. Pray for Trump & the Global Military Alliance. Pray for our freedom. Pray for our children.”

Upon Trump’s order, the FBI has finally declassified files on the CIA’s Involvement in Satanic Ritual Abuse and Child Sex Trafficking. Back in the late 1940s California FBI Director Ted Gunderson discovered that in the U.S. there was a secret widespread network of groups who kidnapped children and infants, and subjected them to Satanic ritual abuse and subsequent human sacrifice. This involved an international Child Sex Trafficking Ring run by the Vatican – the same who held the US’s stolen Gold.

That steal of the nation's wealth came gradually over many years as the Deep State Global Elites, who had control over the US monetary system, spent the US Dollar into the ground – which by the **2008** so-called “Mortgage Crisis” – became a problem for **international trade**.

We could go on and on about where trillions of laundered US Taxpayer monies landed, mainly in the pockets of corrupt politicians. One of the biggest drain was where the US spent \$350 Billion on fighting a war in Ukraine – the center of Child Sex Trafficking where Putin saved thousands of children. Now with Putin's goal of Saving hundreds of children from Ukraine Underground Tunnels, destroying illegal bio-weapon labs in Ukraine and Trump in power, President Putin has announced that Russia and the United States have officially agreed to restore diplomatic relations.

Way back long before the fraudulent 2020 Presidential Election a Global Military Alliance representing all major countries joined together. When the Military realized that the Democrats had stolen the 2020 Election – such proven through their counting of Watermarked Ballots – they asked Trump to step down from the US presidency to become the Commander In Chief of the Military, which he did.

And, so far Trump's 3-D Chess moves have been amazing in this deadly battle between Good Against Evil.

First, in 2021 he hired US Attorney General for Utah John Huber and 740 investigators. They proceeded to gather evidence against Deep State Elites, hold Grand Juries in various states and come out with over 700,000 indictments.

With the US under soft Martial Law, the Military then began to secretly arrest those found guilty to have committed Crimes Against Humanity (mainly Child Sex Trafficking and pedophilia party politicians) and then who were blackmailed by the Deep State to commit Treason against their individual countries.

It was all about money – with the Deep State having control of the US Taxpayer dollars since the turn of the 19th Century. Trump's Military backers had known since at least the days of Presidents Lincoln and Kennedy that the Deep State had turned the entire DC Swamp into one big illegal money laundering machine.

That became obvious this week when Musk's DOGE (Department of Government Efficiency) uncovered the biggest US Taxpayer monies waste, fraud and abuse scandal in US history – verified by a DOGE investigation of the privately owned by foreign bankers' Federal Reserve's gold that was supposed to be in Fort Knox. Rand Paul fought for TEN YEARS to access Fort Knox, but Treasury Secretary Janet Yellen BLOCKED him. Trump simply ordered it.

The DOGE audit found no gold in Fort Knox, at least none that belonged to the Fed.

It was just like the gold that was supposed to be inside the much larger than Fort Knox NY Fed vault connected via a secret tunnel to the JPMorgan gold vault ... located below 1 Chase Manhattan Plaza right across Liberty Street in NY. Not much gold there anymore either. The same for the Bank of England's gold vault. In 2012 it was packed, but was far emptier today.

Trump was moving all the gold back into the hands of the Republic for the United States of America's new Treasury, including 650 plane loads out of a 150 mile long tunnel beneath the Vatican. Why? Because of Musk's DOGE audit investigations of the Fed. It was US owned gold – not the Deep State's.

Yet, many criticized Elon Musk for helping American Patriots save the Country. Secretary of Treasury Scott Bessent said that Democrats were spreading fear about DOGE because they were involved in the fraud: "This kind of fearmongering doesn't help... it tells me that people are worried that they're part of the waste, fraud, and abuse."

DOGE just exposed that, until now, the US Treasury Department had no traceability for nearly \$4.7 trillion in U.S. taxpayer funds. Among a host of other abuses, Elon Musk said that a government database showed that five million people over 140 years old still received Social Security benefits.

People thought all the fraud found in USAID records was bad. Wait until they see what's been happening at the IRS. Stephen Miller just confirmed that foreign fraud rings have been using fake social security numbers & identities to steal billions of taxpayer benefits through the IRS and Social Security. "Over a 10-year normal budget window, you could be talking about saving over a trillion dollars by clamping down on massive fraud in our tax and entitlement systems, including again those carried out by organized fraud and theft rings."

Who were the thieves? The White Hat Global Military Alliance has already dismantled the control of Zionists and Global Elites. They arrested, executed or had under control those at the top, including the 13 Illuminati families, the Vatican, royal families, the Rothschilds, Rockefellers, Soros, Bill Gates, Mark Zuckerberg, the Obamas and Clintons. We don't know all of their outcomes, but have word that Bill Gates, the Obamas, Clintons, John Podesta, Anthony Fauci and 13 Illuminati families had been executed.

100% CONFIRMED: Trump's Secret Orders Activated – The Military Alliance was also executing the biggest Wealth Transfer in History, ensuring the complete dismantling of the Deep State's financial and political control. The Globalists, bankers, and puppet leaders who believed they could enslave humanity indefinitely were now in full retreat.

Trump was returning the stolen wealth to The People. Millions of Americans were witnessing their debts erased—student loans, fraudulent mortgages, and manipulated credit systems were being systematically dismantled. The global debt relief program was nullifying illegal IMF and World Bank contracts, freeing nations from economic slavery. The Quantum

Financial System was fully operational, replacing the corrupt fiat structure with a gold-backed economy.

Over 209 nations have committed to the new gold/asset-backed Quantum Financial System (QFS), ensuring total transparency and eliminating financial manipulation.

Trump's February 10, 2025, Executive Order has accelerated the dismantling of the IRS, phasing out illegal taxation in favor of a fair consumption-based system. Offshore accounts used by multinational elites have been seized, with those funds redirected into public wealth programs.

The Deep State's grip on media deception was collapsing. CNN, BBC, and other propaganda outlets were crumbling under insider leaks revealing their role in covering up human trafficking, war profiteering, and mass psychological warfare.

Soon, classified documents would expose their collusion, forever shattering their ability to manipulate the masses. Guantanamo Bay and other secured locations were now holding those responsible for Crimes Against Humanity, as the Military Alliance ensures that no one escapes justice.

Even Blackrock, the Deep State money launderer and world's biggest asset manager has paused its shareholder activism due to the threat of investigation by the Trump White House.

Kelly on Telegram said it best, *"The world is waking up, that is the point! We the People are now demanding the fraudulent government who used and abused our funds for their own personal gain, while laundering our hard earned money back into their pockets; now are being called out by We the People far and wide. It had to be this way! You couldn't tell them, they had to be shown. And all these \$ figures you see being talked about are not the Point! The point is it all needs to be returned and until it starts to become a discussion within the people it cannot move forward. The discussion has started and people are pissed!"*

Now the Deep State Cabal faced an angry public, an empty pocketbook and could only look forward to the entire financial system collapsing – something they originally wanted, but now had no digital currency system to replace it with. The illusion of gold backing vanished, and their U.S. fiat dollar plummeting.

PRESS RELEASE

February 20, 2025

Utah Couple Fights for the Rights of the American Taxpayer “Barbie & Ken vs. Goliath IRS”

Have trillions of dollars in income tax paid by the American public over decades been UN-Constitutional?

That is what Ken & Barbara Cromar say, and they have sacrificed their very freedom for the cause.

Ken Cromar cites Article 1, Section 8, Clause 1, which states, “The Congress shall have Power To lay and collect taxes,... but all Duties, Imposts and excises shall be uniform throughout the United States.” And, “No...direct, Tax shall be laid unless in Proportion to the Census...”. (Article 1, Section 9, Clause 4).

All nine Supreme Court Justices have agreed that the only federal income tax allowed is an “indirect unapportioned income tax”. But this is not what the IRS has been enforcing; they fraudulently claim the 16th Amendment allows for a “direct non-apportioned income tax”.

This statement by SCOTUS raises legitimate legal questions on the validity of whether the forms of income taxes paid by Americans for decades have been legal.

Cromar states, “Barbara and I have sacrificed everything we have in the world - our freedom, our home, many of our friendships and church associations, to be the torch bearers for this seminal cause. We as Americans must stand up and fight for our sacred rights protected by the Constitution. If we don't, the very foundation and bedrock of America is threatened.”

Cromar further states, “Barbara and I have been politically persecuted for standing up to the limitless power of the IRS, we have been wrongfully convicted of 'tax crimes' we never

committed, and I have been imprisoned, all because we want for us, our children and grandchildren, and all our fellow Americans to have our Constitutional rights respected and protected, especially when it comes to taxes.”

Cromar says, “Barbara and I hope that the Trump Administration and President Trump, who we feel has been a victim of this same type of 'government weaponization' and 'lawfare', would consider a Presidential Pardon for us in our 'Barbie & Ken vs. Goliath IRS' battle, so we can continue the fight for tax reform and champion the cause on behalf of the Constitution and all Americans.”

The Cromars are 30-year residents of Cedar Hills, Utah, have been married for 40 years, have 7 children and 11 grandchildren. Ken served as a Cedar Hills City Councilman (July 1994 to Jan. 2000) and has vigorously exposed city corruption which may have led to a weaponized IRS via anonymous whistle-blower attack on the Cromars. We pray we are Pardoned and returned to our home soon.

January 2018 — a weaponized IRS was unleashed on a Cedar Hills, Utah family, with a lawsuit in USA vs. Paul Kenneth Cromar and Barbara Ann Cromar (2:17-cv-01223-RJS) falsely claiming they owed \$1,053,028.65 in federal income tax from 1998 to 2005. Without so much as a hearing before Chief Judge Robert J. Shelby, let alone a trial to prove the claim, IRS violated their rights and on June 25, 2019 sent in a US Marshal led SWAT of 13 with weapons drawn, and kicked them out of their house, making them homeless, without due process of law. When the IRS auction bidder failed to make the payment within 30-days, the Cromars moved back into their own home on April 23, 2020, which was still listed on the Utah County Record in their name. The Cromars used multiple lawful means to protect their home and property, including registered their Land Patent backed by 180 years of numerous unanimous Supreme Court decisions (no SCOTUS Justice has ever voted against them), from an illegal follow-up sale by IRS agent Gary Chapman, done in direct violation of USC 28 section 2001 and court order.

Five months after moving back into their home, the Cromars were hit September 24th, 2020, with a multi-jurisdictional para-military 75-man SWAT, which included 2 helicopters, 2 MRAPS (tanks), and multiple snipers, to remove the Cromars from their home of almost 30 years, when all they had to do is knock on the door and present a lawful warrant. Then, the State of Utah criminally prosecuted the Cromars for “burglary” of their own home, and convicted them while denying them their Constitutionally guaranteed choice of assistance of counsel (Sixth Amendment) Eugene Paul Richardson because he is not a “state licensed BAR attorney” and granting the prosecution's motion to label the Cromars as “vexatious litigants” blocking all their court filings and critical preparation during the 9 months leading up to the June 27, 2022 trial, including Constitutionally guaranteed subpoenas to be compelled to testify (Sixth Amendment), including then IRS Commissioner of the IRS Charles Rettig.

April 19, 2023, federal prosecutors sought a secret grand jury sealed indictment against Ken, who again defended himself when his Constitutionally protected right to assistance of counsel was denied.

During trial in federal case 2:24-cr-00159-HCN-DBP, Ken cross-examined the US Attorneys' two veteran IRS star witnesses; 22 year "expert witness" agent John Jensen (SLC) and 38 year veteran John Joseph (Denver), and asked them both under cross-examination, "Can you point to the law that requires me to file federal income tax returns?" Under oath to tell the truth, neither IRS agent could do so. Both admitted they couldn't identify the law that requires Ken (or anyone) to file federal income taxes.

During the 8-day trial, May 21-31, 2024, where he had stood without help alone against a US attorney team of 4, it took a sympathetic jury 3 days of deliberation, where he won one "NOT guilty", but lost on two counts because of factually incorrect jury instructions by Judge Howard C. Neilson Jr., who incorrectly declared "ALL U.S. Citizens and residents" are required to pay federal income taxes, which insured conviction because they were sworn in to follow the judge's interpretations on "the law".

Then, December 23, 2024, this same judge decided to "make an example" of Ken and sentenced him to seven years in federal prison despite being challenged by Cromar regarding the SUPREME COURT's newest IRS ruling in Moore vs US (June 20, 2024) that came out just days after the jury verdict, which provided a never-before-seen comprehensive historical overview of the federal income tax, from America's founding to present date, documenting what it is, and what it isn't. According to SCOTUS all nine justices agreed that there has NOT been a constitutionally authorized "direct apportioned income tax" since the Civil War, and that the 16th Amendment does NOT allow for a "direct non-apportioned federal income tax" as fraudulently claimed by the IRS for the last 60 years!

Additionally, JUSTICE and due process of law was denied Ken Cromar in the federal case which violated constitutional protections and 14th Amendment right to due process of law:

- DENIED right to subpoenas to compel witnesses to testify in his favor (violation 6th Amendment)
- DENIED right to assistance of counsel of choice because he was not a "licensed BAR attorney" (violation 6th Amendment)
- DENIED right to access "papers and effects" on laptop needed for defense (violation 4th Amendment)
- DENIED right to require testimony from IRS lead investigator though in court entire trial, and testimony of three critical witnesses (UN-indicted co-conspirators), two who left country and one who left because "mother was gravely ill" on deathbed (violation 6th Amendment)

Barbie and Ken are innocent! The federal and state judges were duped by the IRS into allowing an unlawful prosecution of the Cromars and convicted them of breaking “laws” they did not break, and which were falsely applied — terrorizing and stealing trillions of dollars from working Americans for decades while enriching the privately owned “Federal Reserve”, bankrupting the nation, and enslaving We the People. But thanks to “Barbie’s & Ken’s” courageous stand and eminent victory over “Goliath IRS” the giant is now falling!

It's time to awaken this nation and expose the fraud and deceit imposed by the IRS's fraudulent application of the 16th Amendment, their domestic terrorism, and set Americans free! It's time to return to funding the federal government as was Constitutionally and successfully done for the first 100+ years of our history with Imposts, Duties and Excise taxes, which provided all the money that legitimate government needed. Audit the Fed & IRS! (President Trump's new “E.R.S.” — Eternal Revenue Service is the first step in returning to the proper Constitutional funding our wise Founding Fathers gave us.)

As Moses told Pharaoh, *“Thus saith the Lord God, Let my People go, that they may serve me.”*
(Exodus 10:3)

1) It was the most sinister and sophisticated false flag attack in history.

- 3) It was used to destroy human freedom through the Patriot Act, Homeland Security, the TSA, torture and indefinite detention without trial.
- 4) The thousands of people who died when the Twin Towers were blown up still deserve justice.
- 5) Many of the perpetrators of the 9/11 cover-up and their allies are still in positions of power... and who knows what they are planning next.

It's rumored that it took over 2 years to rig the twin towers for demolition on 9/11, disguised as repairs being performed to replace corroded rivets holding the exterior metal sheathing to the frame. The noise was terrible according to employees.

- **Wed. 19 Feb. 2025 Trump:** WE THE PEOPLE have the power! So-called independent agencies like the Federal Trade Commission (FTC), Federal Communications Commission (FCC), and Securities and Exchange Commission (SEC) have exercised enormous power over the American people without Presidential oversight. These agencies issue rules and regulations that cost billions of dollars and implicate some of the most controversial policy matters, and they do so without the review of the democratically elected President. They also spend American tax dollars and set priorities without consulting the President, while setting their own performance standards. Now THEY WILL NO LONGER IMPOSE RULES on the American people without oversight or accountability.

J. Wed. 19 Feb. 2025 BOMBSHELL: OPERATION FLICKER – 5,000+ PENTAGON, NSA, NASA & MILITARY OFFICIALS LINKED TO CHILD PORN RING! ...John F. Kennedy Jr. on Telegram

- **The TRUTH has been buried for years**—until now. Over 5,000 officials from the Pentagon, Department of Defense, U.S. Military, NSA, and NASA were identified in a massive child pornography scandal. These weren’t just low-level employees. Some of them held Top Secret security clearances, raising terrifying questions about blackmail, espionage, and the total moral rot inside America’s most powerful institutions.
- **THE PENTAGON PEDOPHILES** An internal investigation exposed that thousands of government employees—including those with access to classified military intelligence—were involved in the darkest crimes imaginable. The Department of Defense’s own records confirm that some of these monsters had access to some of the most restricted secrets in the U.S. government.
- **Children as young as three years-old** were sexually exploited in these operations. But the so-called “investigation” was shut down after just 8 months. Over 1,700 of these individuals were NEVER investigated. Let that sink in.
- **TOP-LEVEL COVER-UP Project Flicker**, launched by U.S. Immigration and Customs Enforcement (ICE), identified over 5,000 suspects purchasing child pornography through government networks. The Department of Defense's own criminal investigation service (DCIS) confirmed the findings, yet the Pentagon refused to investigate hundreds of cases.

- **264 DoD-affiliated individuals** were confirmed.

- **76 had Secret or higher security** clearances.

- **9 had Top Secret Sensitive Compartmented Information** clearances.

- **ONLY 10 PEOPLE WERE EVER CHARGED.** The rest? Protected. Shielded. Allowed to continue their careers.
- **NASA EMPLOYEES CAUGHT—NAMES HIDDEN** Investigators confirmed that NASA employees also purchased access to child pornography websites, paying with credit cards and PayPal accounts while on the job. But guess what? Their names were REDACTED. They were NEVER prosecuted. Some of these individuals likely still work inside NASA today.
- **THE DEEP STATE’S ACHILLES’ HEEL** This is the ultimate control mechanism. Pedophilia is the glue that binds the Deep State together. It’s how they recruit. It’s how they blackmail. It’s how they maintain total control.
- **If the American people truly knew how deep this corruption runs,** everything would collapse overnight. The Pentagon, the intelligence agencies, the political elite—they all depend on keeping this horror in the shadows.

M. America Republic for the USA: [How To Save America | Republic for USA](#)

The Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when the US Inc. corporation took over Washington DC and eventually every level of government in the country.

- **In 1871 the United States was abandoned and the US Inc. Corporation** (controlled by foreign powers) took over.
- **By 1913 US Inc.** had managed to change the Constitution. Even though the act was never ratified by Congress, the independent foreign bankers formed the Federal Reserve and Internal Revenue Service (IRS) so that all US Taxpayer monies were paid to themselves as international bankers.
- **The privately owned Rothschild family Bank** also owned the Federal Reserve and IRS. Through their privately owned US Inc. corporation, they had complete control of US Taxpayer dollars and were charging the US Government interest to use their own monies.
- **When President Trump formed “The Republic for the USA,”** it changed all that. By **Aug. 2020** Trump was able to roll US Taxpayer dollars that had been going to the Federal Reserve since **1918**, into the new US Treasury near Reno Nevada.
- **The de jure restored Republic for the United States of America** is recognized by over 80 Countries and documented.
- **The original plan to restore the republic**, abandoned by corrupt, unprincipled men, was reviewed and approved by the Military from its inception relying on the Northwest ordinance to reinhabit the Republic.
- **The original president of the Restored Republic, Tim Turner, was offered a trillion dollars** to walk away from the Republic, or he would be assassinated. He refused.
- **In May of 2010** while in a business meeting in Seattle Washington, many of his associates warned him they all had "a bad feeling" in the hotel that something was not right. Tim had the same feeling. His NATO military intelligence told to disable all electronics, and his cell phone and get out of the hotel.
- **His group split up into three groups and went different ways** to loose anyone following and were to meet at a special location. Two armed men were seen in the hotel. He later found out six mercenaries were hired for the job. He was almost caught in Omaha and Kansas City prior. Shortly thereafter the enemy was neutralized and God's grace, like with Trump, protected him from the enemy. (Re-inhabited Vol II. page 38-39).
- **After Tim Turner’s assassination attempt**, he was advised that God's grace continued to protect him like Daniel in the lion's den. Those who ordered his assassination and those at the highest level of the Cabal were surprised when they were told to leave him alone, apparently by those good guys who assisted in the past to save his life.
- **In July of 2010 the Republic leaders** were sequestered for several days in a secured location. Though it was believed, and still is, that government officials are bought off as seen by USAID, what occurred in saving Turners, life and protecting him, proves there

are "the good guys" in this covert war for the soul of our country. (Re Inhabited Vol. II page 39-40)

- **In January of 2021** The president of the now Restored Republic, Tim Turner, who they attempted to assassinate, was being interviewed on Morning Liberty radio speaking on the continued attacks.
- **He revealed that the American Republic** had experienced heavy attacks by corrupt agents of the CORPORATION OF THE UNITED STATES/Obama administration, and that they had infiltrated the Republic and were planted in office positions in the Republic.
- **Tim Turner stated that the tactics shouldn't be surprising** after the attempted payoff and assassination attempts on his life, and here is the reason why.
- **When we fully awake the people and establish the de jure Republic again**, that's going to take away 379 million slaves away from the international bankers, IRS, freeing the debt slaves, so do you think they are going to just lie down and let that happen — certainly not. They're going to fight and they're going to do their normal deception, their division, and their divide-and-conquer tactics, with the help of the media we now see being paid off through USAID and unfortunately will see the first martyr for the republic. Wake up people, this is an unconventional war for our country.
- **The bottom line is, like President Donald Trump said** when they attacked him also, it's not a personal attack on me, it's an attack against your Republic and the people of this nation. (Re-Inhabited Vol. II page 88-89).
- **More hardships were incurred when President Turner** had been prevented from leaving the country, as he was seeking to fly to Europe and meet various heads of state of foreign countries by Clinton as Secretary Of State. With the exposure of Benghazi, the email server scandal and her "pay to play" treasonous tactics, this is just one more move to prevent further damage. One can well imagine the importance of accomplishing relationships with other countries via treaties or compacts for the American Republic. To succeed in this venture would affirm international status and adversely affect the CORPORATE UNITED STATES, which was eventually accomplished in part.
- **Tragically, Arizona Chief Justice William Dale Foster was shot to death** by a local police officer at Mr. Foust's business co-owned with his wife. It was Father's Day 2011 when William "Bill" Foust was shot and killed in front of his wife and two daughters. The National leaders acknowledged him as a modern-day Founding Father of the Republic as well as a dear friend of President Tim Turner and "a great inspiration to many in the Republic."
- **Justice Foust was having tremendous success** in the *de facto* CORPORATE COURTS assisting in preventing unlawful foreclosures of Arizonans' homes. We believed that in a large part that may have been the reason Mr. Foust was killed instead of arrested and did not use lawfare like they did to Tim Turner on September 18, 2012 and Trump several times.
- **President Turner in light of this tragic obstacle stated:** "God also gave me a message for those of you who have concerns about our Republic. He showed me a single flower growing up through a small crack in a sidewalk. The flower was white with a yellowish tint and in full bloom. The Lord said to let the People of the Republic (and now the country) know that it doesn't matter the hardships we face or obstacles we must

overcome. He has planted the seed of this Republic and no matter what is thrown at us we will not only take root but will grow and flourish. As the flower overcame the concrete that tried to withhold it from sprouting the Republic will overcome all obstacles and be successful because this is HIS Republic. " Re-inhabited Volume II pages 120-121.

O. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

P. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Q. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

R. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwq4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
