Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade: He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call: 1-866-347-2423**

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Help Save Ourselves And Our Future – Report Chemtrails: President Trump is fighting a battle with the Cabal against deadly Chemtrails in the skies that are poisoning our environment and food supply. **Judy Note:** This is for research only. Global Currency Reset Possible Timing:

A. Quantum Financial System Goes Live: Cabal Wealth Seized, Global Currency Reset in Motion, Quantum Satellites and Military-Guarded Nodes Secure the Greatest Financial Revolution of Our Time! ...Melania Trump on Telegram

- **The Quantum Financial System (QFS) is no longer in testing—it's here,** actively running, exposing and recording every elite move as it rolls out globally. The countdown to full-scale launch has begun, and with it, the world's financial landscape is about to change forever.
- **October 2024 QFS Deployment Updates:** Since the start of the year, QFS has been in "beta" trials within select regions aligned against the global Cabal. These test areas now experience instant, secure transactions bypassing traditional banking, feeding data into the quantum ledger that's invulnerable and transparent. Over 100 million real-time transactions daily pass through QFS, each transaction documented and tracked within the world's most secure ledger.
- **Quantum Satellites Guarding the Revolution:** Thirteen quantum satellites, guarded by military alliances, now secure QFS's global network. These satellites, far beyond mainstream agencies like NASA, are developed by classified military contractors and form an unbreakable connection that shields data from hacking. Each transaction is encrypted, every byte safeguarded, ensuring zero vulnerability.
- **Operation Dark Mirror: Exposing Corruption:** Operation Dark Mirror uses QFS to map out corrupt networks in the traditional banking system. Every shadow account, offshore haven, and illicit transfer tied to human trafficking or drug smuggling is now cataloged in real-time. High-profile arrests across Europe and Asia have already quietly traced back to QFS data—and these are just the beginning. A permanent record now exists that corrupt elites can't erase, hide, or manipulate.
- **Banks in Turmoil: System "Glitches" as QFS Interferes: Since mid-November 2024,** banks in key regions report "technical glitches" with frozen transactions and fluctuating balances. These are no random errors; they're the first signs of QFS challenging traditional banking. As QFS runs parallel to legacy systems, it exposes every inconsistency, revealing fraudulent transfers and artificial inflation schemes. The Cabal's banks are scrambling, terrified by QFS's presence, which audits every move and shines a light on embezzled funds and manufactured scarcity.
- **Countdown to Global Currency Reset (GCR):** The Global Currency Reset (GCR) is on the horizon, bringing an asset-backed currency to replace fiat. Governments are already liquidating gold reserves into QFS, preparing for the largest wealth transition in history.

Once this reset completes, fiat currencies will be worthless, replaced by an incorruptible system.

- **Military Oversight: Final Preparations for QFS Rollout:** Military forces worldwide are securing key QFS nodes and testing sites, ensuring the system remains uncompromised. November 2024 marks a pivotal month, with special ops safeguarding regional hubs. This presence shows the stakes: if QFS fails, the Cabal regains control, but with soldiers securing these hubs, the elites' last vestiges of power crumble.
- **Prepare Yourself: The Storm Will Break with QFS: From November 6, 2024,** QFS is no longer a test—it's the dawn of transparency, accountability, and freedom from Cabal control. The countdown has begun, and there's nowhere left for the elites to hide. The Quantum Financial System is here to end every lie and deception ever used against us.

B. Fri. 21 Feb. 2025 Crucial Announcement: The Tier 4 B Internet Group is officially active. ...QFS on Telegram

- **This is the beginning of a new era!** The revolutionary ideas and the concept of NESARA are taking the final form of execution and implementation. It is our great honor to announce the launch of the Tier 4 B Internet Group.
- **With the activation of the Quantum Financial System QFS** the need of the specialized platform, administration and services were much needed. The utilization and the unification under the Tier 4B is making all of the systems flawless. If you want to secure your future and be among the smartest individuals you should most definitely join this group and stay informed about the updates. Let's make our lives worthy and protect our financial freedom together.
- **Sat. 22 Feb. 2025 Iraq** will make the new Dinar Rate public as ordered by Trump and according to a high up source.
- **Sun. 23 Feb. QFS set to become fully operational** with intense military operations against Satan Worshipping Elites.
- **Mon. 24 Feb. 2025** should be a go for Tier4b (Us, the Internet Group) according to a high up source.
- **It was rumored that the Chinese Elders, who were backing the Global Currency Reset with their gold,** had bought all the Cabal's Central Banks across the World. Those banks had long been bankrupt and running on fiat monies that their leader, US Inc, printed at their convenience. Those international Banks were now merging with the QFS and taking a different role – they would no longer have access to individual bank accounts. All banks were converting to XRP Ripple digital gold/asset-backed currency.

C. Thurs. 20 Feb. 2025 Bruce:

IRS Fraud and Corruption:

D. Thurs. 20 Feb. 2025 “Barbie & Ken vs. Goliath IRS” — A fight that exposes DECADES of IRS Fraud and Corruption. ...Julian Assange on Telegram “I risked everything so you could know the truth. Don't turn away now! Join my channel immediately!”

<https://t.me/JulianAssangeWiki>

- **Ken & Barbara Cromar dared to challenge the IRS, exposing what they call the biggest theft in American history** — trillions stolen from hardworking Americans under UNCONSTITUTIONAL taxes. They've lost everything — their freedom, their home — but their fight continues.
- **Cromar points to Article 1, Section 9, Clause 4** — NO direct tax without apportionment. Yet, the IRS ignores this, enforcing fraudulent taxes, weaponizing government power, and destroying lives. The Supreme Court agrees — the IRS has twisted the 16th Amendment, pushing illegal “direct taxes” for 60+ years.
- **In 2019, SWAT teams stormed the Cromars' home**, guns drawn, making them homeless — all WITHOUT due process. They returned to their house only to face a 75-man SWAT raid in 2020, including snipers and helicopters. Their crime? Standing up for the truth.
- **In court, Cromar grilled IRS agents under oath:** “Show me the law that requires Americans to file federal income tax.” They couldn't. THERE IS NO LAW. But the court, under Judge Howard C. Neilson Jr., still forced a guilty verdict with false jury instructions — a blatant attack on justice.
- **In 2024, the Supreme Court's decision in Moore vs. US** shattered the IRS's decades-long lies — affirming the 16th Amendment NEVER authorized a direct income tax. Yet, the judge sentenced Ken to 7 YEARS in prison, ignoring the ruling.
- **This is government weaponization at its worst** — the same tactics used against Trump, J6 patriots, and now, the Cromars.
- **The IRS is a tool of control, not taxation.** The Cromars exposed it, and now the storm is breaking.
- **It's time to ABOLISH the corrupt IRS**, Audit the Fed, and reclaim America's freedom.

International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and housed in China's Three Gorges Dam in a tunnel that eventually connects to a 1,500 mile long tunnel that runs between the Vatican and Jerusalem:

F. Sat. 22 Feb. 2025 BOOM! Epstein & Diddy List Set for Release – Trump Orders Full Disclosure – The Floodgates Are Opening – Justice Is Coming

Judy Note: Epstein & Diddy are about one thing: The very lucrative money laundering International Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring run by the Vatican done to blackmail politicians and other Elites.

- **February 21, 2025 – The moment we've all been waiting for is here.** Attorney General Pam Bondi has announced that the Epstein and Diddy list will be made public imminently. This is not speculation. This is the truth being unleashed upon the world. Bondi confirmed a massive trove of documents ready for release—ones that will shake the highest levels of power. And this is happening under direct orders from President Donald J. Trump.
- **Trump's Unyielding Order:** The Truth Will Not Be Buried: Unlike past administrations that buried the Epstein case, Trump has issued a clear directive: No redactions. No cover-ups. No more protection for the elite predators. The American people have demanded answers, and now they will get them.
- **Epstein, Diddy, and the Web of Deception:** The mainstream media treated Epstein's crimes as an isolated act—but we all knew better. Who else was involved? Who were the

powerful figures that traveled to his private island? Bondi's announcement confirms: this isn't just about Epstein. It's about a vast network of elites, including celebrities, CEOs, politicians, and media moguls. And yes, Sean "Diddy" Combs is at the center of it.

- **The FBI Holds Every Piece of Surveillance Footage:** The FBI has it all—every video, every conversation, every secret deal. For years, the powerful operated in the shadows, believing their influence would protect them. Not anymore.
- **The Media's Complicity – They Knew, and Stayed Silent:** Where were CNN, MSNBC, and The New York Times when survivors came forward? Why did so many in Hollywood, finance, and government fight to keep this buried? The answer is clear: they were involved. The media spent years protecting these elites while silencing those who sought the truth. But the truth always wins.
- **Pam Bondi's Role in the Unveiling:** Bondi, known for taking on corruption, confirmed that under the Biden-era DOJ, the Epstein case was suppressed. But that era is over. Under Trump's leadership, the DOJ is exposing the truth. Bondi made one thing clear: "Every single name will be released." No more delays. No more excuses.
- **Diddy's Fall – The Beginning of the End:** Sean "Diddy" Combs, once a music industry giant, now faces a reckoning. Rumors have swirled about his ties to Epstein, and now, the proof is coming. His influence stretches beyond entertainment—deep into politics and business. If sources are correct, Diddy is just the beginning. How many more will fall? We are about to find out.
- **Trump's Fight Against the Deep State:** Let's be clear: this would NOT be happening under any other president. The establishment wanted this buried forever. But Trump is a warrior for the American people. He is not owned by the elites. He is not afraid of the Deep State. And he will not let these criminals escape justice. The swamp is finally being drained.
- **The American People Demand Justice:** For decades, the powerful escaped accountability. They laughed at the idea of consequences. But now, their time is up. The Epstein and Diddy list will expose the truth in ways we never imagined. The elites are panicking. They know what's coming. We, the American people, will NOT be silenced.
- **Final Word: Stay Tuned for the Truth**

G. Sat. 22 Feb. 2025: The Epstein and Diddy documents are about to be released. Trump has ordered FULL disclosure. The FBI holds every piece of evidence. The biggest scandal in modern history is about to explode wide open. Stay tuned. Stay alert.

- **PizzaGate. The Pedophile Scandal of The American Elites:** Hillary Clinton, Obama, Podesta emails, Alefantis, and Comet Ping Pong Pizza
- **PIZZAGATE IS REAL.** Hillary Clinton, Obama, Podesta emails, Alefantis, and Comet Ping Pong Pizza. The light is piercing through the darkness, and the world will see. Fear us. The Pizzagate scandal exposed a network of pedophiles operating in Washington, using coded symbols and keywords hidden in emails and linked to family pizzerias.

Researchers from Reddit and 4Chan uncovered disturbing patterns in Podesta's leaked emails—strange references to pizza, ping pong, and Comet Ping Pong Pizza, a DC establishment with deep ties to political elites. Within the thousands of emails that implicated Hillary Clinton in Libya and Syria, researchers found encrypted language—a code long used in elite pedophile circles. Words like pizza, hot dogs, cheese, and sauce weren't about food. They were coded references to child trafficking.

- **The FBI has confirmed that these terms are commonly used** in high-level pedophile networks, referring to unspeakable acts against children. John and Tony Podesta, close friends of Hillary and Obama, were linked to the disappearance of Madeleine McCann in Portugal. Witnesses described two suspicious men matching their appearance, seen near the crime scene on the night Madeleine vanished. The Podesta brothers were staying less than a kilometer away, at the home of Clemence Freud—a known pedophile and the grandson of Sigmund Freud.
- **But it goes deeper. Podesta's inner circle includes Marina Abramovic**, a so-called artist obsessed with occult rituals and human sacrifice. She popularized "Spirit Cooking", a practice involving menstrual blood, semen, urine, and breast milk—a ritual inspired by black magician Aleister Crowley. Who attended these grotesque gatherings? John and Tony Podesta, Hillary Clinton, and other elites. Abramovic is celebrated by Hollywood figures like Lady Gaga and Jay-Z, further exposing the entertainment industry's connection to these dark forces.
- **Then there's James Alefantis, the owner of Comet Ping Pong Pizza.** His name translates in French to "J'aime les enfants" (I love children). Despite owning a small pizza shop, he's ranked among the 50 most powerful people in Washington. Why? Because his establishment is a front for something far darker. His pizzeria hosted fundraising events for Hillary Clinton, featuring artwork and performances laden with pedophilic symbolism.
- **Obama is implicated too.** Leaked emails reveal he spent \$65,000 in taxpayer money flying in "pizza and hot dogs" from Chicago for a White House party. Code words again. Not a food order—a child trafficking transaction. The network of corruption extends into the highest offices of power, involving satanic practices, MK-Ultra mind control, and elite Hollywood puppets.
- **The media rushed to silence Pizzagate, labeling it "fake news."** Investigative journalist Andrew Breitbart—one of the first to expose this network—died under suspicious circumstances. The cover-up was so aggressive that a false flag operation was staged at Comet Ping Pong, with a "lone gunman" firing shots inside the pizzeria to discredit the investigation.
- **This is how the dark elite protects their own.** But no matter how much they suppress the truth, karma is inescapable. The veil is lifting, and soon, they will face justice.

Wars and Rumors of Wars:

I. Sat. 22 Feb. Ukraine: Trump Demands Zelensky's Exit – Military leaders prepare to remove him. ...The 17th Letter (JFK Jr.) on Telegram

- **Volodymyr Zelensky's time is running out.** His removal is no longer speculation—it is in motion. The Trump administration has made its stance clear: Zelensky is done. His best option now is a quiet exile to France. The alternative is far worse.
- **For years, Zelensky has been a tool of the globalist elites,** funneling billions through Ukraine's corrupt system. But Trump and his allies are no longer playing along. The narrative that kept him in power is collapsing, and the world is watching his downfall unfold.
- **Zelensky's Betrayal of the U.S.:** His problems did not begin with one mistake. He engineered his own downfall. It started when he double-crossed the Trump administration over Ukraine's rare earth elements, resources critical to military and technological supremacy. In exchange for billions in military aid, the U.S. was supposed to gain access to these materials. Instead, Zelensky humiliated U.S. Treasury Secretary Scott Bessent, denying him entry to Kyiv.
- **He then went further, publicly attacking Trump's diplomatic efforts** and dismissing Trump's approach as "Russian disinformation." That was the turning point. The Trump administration decided: Zelensky is no longer an asset—he is a liability.
- **Trump's Team Moves Against Zelensky:** High-level sources confirm that Zelensky is being phased out. Trump's advisors have made it clear: Ukraine must hold elections, and Zelensky must go.
- **An insider speaking to the New York Post put it bluntly:** "The best case for Zelensky is that he leaves to France immediately."

- **Congress is already pulling support.** Mike Waltz, a Trump ally, confirmed that military aid to Ukraine is being cut off. The Ukrainian parliament is panicking, with reports that arms shipments have stopped.
- **A high-ranking Ukrainian military official confirmed Trump's objective:** "Trump wants elections immediately and Zelensky replaced with someone more negotiable." This could mean a military leader or businessman—someone Trump trusts.
- **Zelensky's refusal** to hold elections under the pretense of martial law has only reinforced the image of him as a dictator clinging to power.
- **The Deep State, the CIA, and Ukraine's Money Laundering Operation.** Ukraine has served as a financial hub for Western intelligence, defense contractors, and corrupt politicians. Billions sent as "aid" never reached the people but were funneled into offshore accounts through a vast laundering network. Zelensky enabled this corruption, allowing foreign actors to strip Ukraine of its wealth. But Trump is shutting it down. The cutoff of funding and weapons isn't just a diplomatic move—it's a direct strike against the power players who profited from Ukraine's war. The Final Act: Zelensky's Downfall. Zelensky is now a man without a country. His attacks on Trump were political suicide, but his greatest mistake was alienating the last remaining allies he had. His recent attack on Tucker Carlson—one of the most powerful voices in Trump's movement—was the final nail in his coffin. By publicly mocking Trump's allies, Zelensky ensured his own political demise. The message is clear: Ukraine will have new leadership. Zelensky's time is up.

J. Sat. 22 Feb. LEAKED! The CIA's Ukraine Operation Is Falling Apart—And They're Erasing Every Trace! ...Final Warning on Telegram

- **The CIA's shadow war in Ukraine is far darker than anyone dares to admit.** This isn't just about covert ops or "intel sharing." It's about bioweapons labs, human trafficking rings, and sabotage missions—all funded and orchestrated by the global elites.
- **The 2014 Maidan coup? A CIA-engineered bloodbath,** designed to topple Ukraine's elected government and install a puppet regime. Snipers, trained in secret CIA camps, fired on protesters AND police—igniting chaos and giving the West its perfect excuse for regime change. Ukraine was never sovereign after that. It was a CIA-controlled proxy, weaponized against Russia.
- **But that was just the beginning. Biolabs. Bioweapons. Human Experimentation.** For years, the existence of U.S.-funded biolabs in Ukraine was dismissed as conspiracy—until insiders blew the lid off. These labs weren't for "public health." They were for bioweapons research and human testing, all under CIA oversight. Leaks confirm these bioweapons were field-tested in conflict zones—Ukrainian civilians became human guinea pigs in a war they never chose.
- **Operation Goldfish: Deep-Cover Saboteurs:** The CIA didn't stop at bioweapons. Under Operation Goldfish, they trained deep-cover operatives to infiltrate Russia, plant

explosives, and carry out targeted assassinations—all while manipulating the media to blame Russia for the chaos. It's a dirty war, where truth is buried beneath layers of propaganda.

- **The Refugee Crisis: A Human Trafficking Jackpot:** Millions fled Ukraine—but for the CIA, the refugee wave was a goldmine. Under the guise of “humanitarian aid,” CIA-linked NGOs funneled refugees into trafficking networks. Women and children vanished, sold into underground markets. The elites made billions—while the world looked away.
- **The Media Machine: Lies on Repeat: Mainstream media?** Bought and paid for. The narrative of “Ukrainian victory” is a lie, scripted by the CIA to justify endless funding. Fake casualty numbers, staged photos, and glorified failures—all designed to keep the money flowing and the public blind.

K. Sat. 22 Feb. 2025 Shadow Strategies: The Soros Legacy of Political Intrigue and Economic Dominance ...JFK Awakening Q17 on Telegram

- **In the chaotic storm of world politics,** a pattern of control emerges, a shadowy grip on the socio-political destinies of nations. Behind this stands the Soros family—George Soros and his heir Alex Soros—crafting a new world order. Their influence stretches from the heart of Eastern Europe to the volatile battlegrounds of Ukraine, using the facade of democracy to establish a dark agenda. This isn't just political theater. It's a multi-decade campaign to collapse economies, destabilize governments, and replace them with systems designed to serve one elite circle.
- **For years, George Soros has been accused of wrecking economies** only to step in with his solutions, all while hiding under the mask of his so-called philanthropy. His Open Society Foundations claim to support democracy, but it's hard to ignore how conveniently these “charitable efforts” align with the global agenda of the elites. Soros' involvement isn't about freedom—it's about control. This is particularly clear in Hungary, where Viktor Orban has been a leading voice against Soros. The Stop Soros laws were created for a reason, and it's no secret that Soros has been accused of using migration to destabilize entire regions. Mass migration isn't just humanitarian; it's a weapon.
- **Ukraine is the next chess piece on Soros' board.** Back in the early '90s, Soros planted his seeds in Ukraine, creating foundations that would later help shape its chaotic future. His \$25 million “investment” in Ukraine in 2022, under the guise of defending against Russia, looks more like an opportunity to lock Ukraine into his web of influence. The truth is, this is a play for power—a manipulated crisis that gives Soros the perfect backdrop for a takeover.
- **Alex Soros, taking the reins, promises to “never abandon Ukraine.” But this isn't about loyalty—it's about positioning Ukraine** as a geopolitical tool against Russia. The younger Soros isn't just following orders—he's crafting a new reality. Behind closed doors, Alex meets with Ukrainian leaders, discussing plans to seize and redistribute Russian assets. This isn't democracy, it's a blueprint for domination. With allies like

Larry Fink of BlackRock, Ukraine is being shaped into an “open society” controlled by a few, with the masses none the wiser.

- **Look closer at the involvement of Soros-backed entities** across Eastern Europe. This isn't about helping minorities or expanding civil liberties—it's about undermining national sovereignty. The Soros agenda is a direct threat to national identity, pushing nations to the brink, forcing them to accept a globalist vision. As Hungary's Orban has said, this isn't just about one man; it's about a fight for the soul of Europe. Soros and his cronies are architects of destruction, aiming to erase borders and cultures, leaving behind a puppet world that answers only to the financial and political elite.
- **The Soros legacy is not philanthropy.** It's a calculated power grab, reshaping entire nations from the shadows, one crisis at a time. Ukraine is just the latest battleground in their long-running war against national sovereignty and freedom. The stakes have never been higher.

L. TUES. 18 FEB. 2025: DOGE UNCOVERS \$5 TRILLION IN FRAUD, Fires 300,000, and Exposes Social Security & IRS Corruption ...John F. Kennedy Jr.

- **Just days into its investigation**, the Department of Government Efficiency (DOGE), led by Elon Musk, has cut \$5 trillion from the budget and fired 300,000 non-essential employees. Musk has accused the Social Security Administration of massive fraud, revealing that millions of fake beneficiaries—including over five million individuals listed as 140+ years old—have been receiving benefits. Foreign fraud rings have exploited fake Social Security numbers to steal trillions.
- **Meanwhile, President Trump** is ordering mass layoffs at the IRS, citing its Mafia-style operations that prey on the public while protecting elites. Trump is pushing to abolish the IRS altogether, replacing it with a 14% national sales tax, exempting food and medicine. House Rule 25 has already been introduced in Congress to make it happen.
- **DOGE** is now turning its audit focus to the Securities and Exchange Commission (SEC), with more revelations expected soon.
- **FBI Declassifies CIA's** Involvement in Satanic Ritual Abuse & Child Trafficking

N. America Republic for the USA: [How To Save America | Republic for USA](#)

The Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when the US Inc. corporation took over Washington DC and eventually every level of government in the country.

- **In 1871 the United States was abandoned and the US Inc. Corporation** (controlled by foreign powers) took over.
- **By 1913 US Inc.** had managed to change the Constitution. Even though the act was never ratified by Congress, the independent foreign bankers formed the Federal Reserve and Internal Revenue Service (IRS) so that all US Taxpayer monies were paid to themselves as international bankers.
- **The privately owned Rothschild family Bank** also owned the Federal Reserve and IRS. Through their privately owned US Inc. corporation, they had complete control of US Taxpayer dollars and were charging the US Government interest to use their own monies.
- **When President Trump formed "The Republic for the USA,"** it changed all that. By **Aug. 2020** Trump was able to roll US Taxpayer dollars that had been going to the Federal Reserve since **1918**, into the new US Treasury near Reno Nevada.
- **The de jure restored Republic for the United States of America** is recognized by over 80 Countries and documented.
- **The original plan to restore the republic**, abandoned by corrupt, unprincipled men, was reviewed and approved by the Military from its inception relying on the Northwest ordinance to reinhabit the Republic.
- **The original president of the Restored Republic, Tim Turner, was offered a trillion dollars** to walk away from the Republic, or he would be assassinated. He refused.
- **In May of 2010** while in a business meeting in Seattle Washington, many of his associates warned him they all had "a bad feeling" in the hotel that something was not right. Tim had the same feeling. His NATO military intelligence told to disable all electronics, and his cell phone and get out of the hotel.
- **His group split up into three groups and went different ways** to loose anyone following and were to meet at a special location. Two armed men were seen in the hotel. He later found out six mercenaries were hired for the job. He was almost caught in Omaha and Kansas City prior. Shortly thereafter the enemy was neutralized and God's grace, like with Trump, protected him from the enemy. (Re-inhabited Vol II. page 38-39).
- **After Tim Turner's assassination attempt**, he was advised that God's grace continued to protect him like Daniel in the lion's den. Those who ordered his assassination and

those at the highest level of the Cabal were surprised when they were told to leave him alone, apparently by those good guys who assisted in the past to save his life.

- **In July of 2010 the Republic leaders** were sequestered for several days in a secured location. Though it was believed, and still is, that government officials are bought off as seen by USAID, what occurred in saving Turners, life and protecting him, proves there are "the good guys" in this covert war for the soul of our country. (Re Inhabited Vol. II page 39-40)
- **In January of 2021** The president of the now Restored Republic, Tim Turner, who they attempted to assassinate, was being interviewed on Morning Liberty radio speaking on the continued attacks.
- **He revealed that the American Republic** had experienced heavy attacks by corrupt agents of the CORPORATION OF THE UNITED STATES/Obama administration, and that they had infiltrated the Republic and were planted in office positions in the Republic.
- **Tim Turner stated that the tactics shouldn't be surprising** after the attempted payoff and assassination attempts on his life, and here is the reason why.
- **When we fully awake the people and establish the de jure Republic again**, that's going to take away 379 million slaves away from the international bankers, IRS, freeing the debt slaves, so do you think they are going to just lie down and let that happen — certainly not. They're going to fight and they're going to do their normal deception, their division, and their divide-and-conquer tactics, with the help of the media we now see being paid off through USAID and unfortunately will see the first martyr for the republic. Wake up people, this is an unconventional war for our country.
- **The bottom line is, like President Donald Trump said** when they attacked him also, it's not a personal attack on me, it's an attack against your Republic and the people of this nation. (Re-Inhabited Vol. II page 88-89).
- **More hardships were incurred when President Turner** had been prevented from leaving the country, as he was seeking to fly to Europe and meet various heads of state of foreign countries by Clinton as Secretary Of State. With the exposure of Benghazi, the email server scandal and her "pay to play" treasonous tactics, this is just one more move to prevent further damage. One can well imagine the importance of accomplishing relationships with other countries via treaties or compacts for the American Republic. To succeed in this venture would affirm international status and adversely affect the CORPORATE UNITED STATES, which was eventually accomplished in part.
- **Tragically, Arizona Chief Justice William Dale Foster was shot to death** by a local police officer at Mr. Foust's business co-owned with his wife. It was Father's Day 2011 when William "Bill" Foust was shot and killed in front of his wife and two daughters. The National leaders acknowledged him as a modern-day Founding Father of the Republic as well as a dear friend of President Tim Turner and "a great inspiration to many in the Republic."
- **Justice Foust was having tremendous success** in the *de facto* CORPORATE COURTS assisting in preventing unlawful foreclosures of Arizonans' homes. We believed that in a large part that may have been the reason Mr. Foust was killed instead of arrested and did not use lawfare like they did to Tim Turner on September 18, 2012 and Trump several times.

- **President Turner in light of this tragic obstacle stated:** "God also gave me a message for those of you who have concerns about our Republic. He showed me a single flower growing up through a small crack in a sidewalk. The flower was white with a yellowish tint and in full bloom. The Lord said to let the People of the Republic (and now the country) know that it doesn't matter the hardships we face or obstacles we must overcome. He has planted the seed of this Republic and no matter what is thrown at us we will not only take root but will grow and flourish. As the flower overcame the concrete that tried to withhold it from sprouting the Republic will overcome all obstacles and be successful because this is HIS Republic. P. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Q. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. S. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
