***WARNING Med Bed Scam:**

Re: Med Bed Scam Skye's Prince Med Beds: Ryanbud10250@hotmail.com

I am contacting you about a Med Bed scam that is operating from Telegram. They are posing as a Med Bed Registration Center. They have a Med Bed insignia on their e-mail letterhead. They claim to be the official Med Bed Center for Treatment Training and purchase.

Because I am in excruciating pain for 2 years I decided to check it out, plus my husband is declining from Parkinson's. We are in need of a Treatment. They acted and sounded official. It's \$500 registration fee. I questioned it and they said they needed it for registration. So I paid \$1000 by PayPal. They requested a selfie and then the next day they sent me an e-mail of our official badges.

Then the next day we were supposed to hook up a session via Telegram. The session was not completely successful due to poor reception. It was supposedly with some doctor. I did see a short video of the doctor showing the Med bed treatment. Instead they just sent e some medical questions. After that they said that we both would be accepted and we would be sent all the documentation the next day. They said we would qualify to have a Pick up team to take us to the treatment center.

Before they could send the documents and schedule the treatment they would need \$2000 to cover the special needs and for a meal and other things we might need. I told them these treatments are supposed to be free. I was able to get them down to \$1000 since I would be driving myself.

Luckily my band refused the PayPal payment. I finally figured that this was a scam. Last night I did some research and found the attached. These people are scamming people that are desperate for treatment for their condition just like me. I am in so much pain I got fooled into this scam. I am not the only one.

These people need to be stopped from defrauding people of their money. Since you are in the know about the real Med Beds that you would want to notify the authorities to investigate. I doubt I will ever get my money back but we can at least stop them from scamming anyone else.

C. Tues. 11 Feb. QFS on Telegram

- The city of Basel, located in the north-west of Switzerland, is one of the most dynamic economic regions of Switzerland and home to the world headquarters of the Bank for International Settlements.
- The Basel Committee on Banking Supervision was created in 1974.
- Its 45 members comprise central banks and bank supervisors from 28 jurisdictions, the South African Reserve Bank is part of it.
- The Basel Accords were formed with the goal of creating an international regulatory framework to reduce various risks.
- Basel 4's higher thresholds will further restrict banks' ability to lend.
- Basel 4 was originally intended to start on 1 Jan. 2022, but in March 2020 but was delayed due to the pandemic till Jan. 2023, and will be enforced over 5 years (2027).
- All banks across the Globe have to be Basel 4 Compliant (meaning their money had to be asset-backed), many banks have since consolidated, or closed completely.
- Since Friday 3 Feb. 2023 all Basel 4 Compliant banks were expected to go public with the new Gold / Commodity-backed currency International Rates as required by the GESARA Law, this is the Re-evaluation of all the global currencies (meaning the global currency reset) - the Iraqi Dinar will be the first indicator that will trigger the rest: [bloomberg.com/news/articles/](https://www.bloomberg.com/news/articles/)
- FIAT money is backed by a country's government instead of a physical commodity or financial instrument, this means most coin and paper currencies that are used throughout

the world are FIAT money, this includes the US Dollar, the British Pound, the Euro and the SA Rand.

- All Basel 4 compliant countries will then put out their new currencies and take the old money in, so the FIAT Dollar will become obsolete outside of the US and millions hidden will become worthless.
- The world will use the FIAT and then transition over to the precious metals / commodity backed currencies and the USD / Sterling Pound and Euro will have no value whatsoever anymore.
- **The use of the FIAT will be used for up to 90 days Feb. / March / April** parallel with the new United States Note (USN), they may cut it off of by April 30th or soon thereafter.
- No FIAT currency or any other form of currency or cash can be deposited into the QFS without going through an exchange process and having a digital gold certificate assigned. Without the gold certificate the computer will not recognize it as money.
- The redemption of Zim Bonds creates a transaction where the gold certificates are activated and put into your account(s) in the QFS.
- No currency is automatically activated in the QFS.
- When the time comes, each owner of a bank account will access the QFS portal and can exchange their FIAT currency in that bank account to the QFS.
- The QFS already knows if the money is clean and non-terroristic and will allow the exchange to take place, it will then be assigned the gold certificate and become active for use.
- 11 Global Banks Probing The Wonderful World of Quantum Technologies since 2021 already: thequantuminsider.com/2021/06/23/11
- Is your bank Basel 4 and QFS compliant? No need to worry, you will get a QFS wallet and operate your wallet from your phone.
- There are 3 Main Groups driving this initiative: 1 - Swiss Banking Group AG 2 - INDUS – BRICS 3 - US SPACE FORCE

D. Tues. 11 Feb. 2025 NESARA: The Revolution in American Economic System Unraveled ...JFK Awakening Q17 on Telegram

- **Imagine a world where all your credit card, mortgage, and bank debt vanished.** Where the Federal Reserve, the core of modern capitalism, is gone. Sounds impossible? Hold on. This could be reality, triggering the ultimate financial revolution under NESARA, the National Economic Security and Recovery Act.
- **The Rising Shadow of NESARA.** Society is on the verge of a seismic shift, one that could transform the global economy forever. NESARA is the storm on the horizon, quietly talked about by those ‘in the know.’ What does it promise? A debt jubilee, where all credit card, mortgage, and bank debt are wiped out. The Federal Reserve’s worst nightmare is coming true.

- **The name NESARA makes the elite in Wall Street nervous.** Why? Because if it's fully implemented, NESARA will cripple the profit-making systems that thrive on your debt. The pillars of capitalism are cracking, and the shockwaves are just beginning.
- **Abolishment of Income Tax and the IRS.** NESARA will also eliminate income tax, ending the IRS as we know it. Those who have feared tax audits will be relieved, as the IRS will be transitioned to a national sales tax department.
- **The Promise of a Flat Sales Tax.** NESARA proposes a 14% flat sales tax on new, non-essential items. This means no tax on food, medicine, or used items, protecting the everyday citizen. The government will now depend on luxury consumption for revenue—a drastic shift from the current system.
- **A Return to Constitutional Law.** NESARA seeks to restore Constitutional Law across the nation. This means realigning our legal system with the founding principles of America, restoring true justice.
- **The Original Title of Nobility Amendment.** NESARA will enforce the deportation of Americans under foreign influences, stripping them of their citizenship. Thousands could lose their status and college degrees overnight, reduced to worthless paper.
- **New Presidential and Congressional Elections.** Within 120 days of NESARA's announcement, new elections will be held. The deep state's grip on government is about to be shattered. All national emergencies will be canceled, restoring constitutional order.
- **The Birth of a New U.S. Treasury Currency.** The U.S. Treasury will introduce a gold, silver, and platinum-backed currency—a rainbow currency that will finally end the U.S. bankruptcy of 1933. This marks the beginning of a new financial era.
- **Humanitarian Efforts and Technology Suppression.** NESARA will release billions for humanitarian projects and reveal over 6,000 suppressed technologies, from free energy devices to healing machines—technologies hidden under the pretense of national security.
- **NESARA's Forced Inception.** Legend has it that in October 2000, a clone of President Clinton was forced by U.S. military generals to sign NESARA into law—at gunpoint. The White House security, under orders, stood down and watched as the law that could change everything was signed.
- **NESARA is more than just legislation.** It's a paradigm shift that challenges everything we know about the economy and power structures. Is the world ready for NESARA? Whether viewed as liberation or chaos, its impact will be unavoidable. The future is here, and it's NESARA.

E. Tues. 11 Feb. 2025 Golden Redemption: The Birth of USN US Note Backed by QFS Gold-Backed Digital Currency. ...QFS on Telegram

- **The collapse of the fiat system has been a long time coming.** Historically, fiat money, which lacks intrinsic value, became the global standard in the 20th century. This shift allowed governments and central banks to print money freely, unbound by the tangible

value of precious metals. Over time, this led to rampant inflation, economic bubbles, and numerous financial crises. The 2008 financial crisis, fueled by reckless lending practices and inadequate oversight, exposed the vulnerabilities of the fiat system. Governments responded by printing even more money, further eroding the value of currencies and deepening the crisis of confidence.

- **In the wake of the 2008 crisis, digital currencies like Bitcoin emerged, offering a decentralized alternative free from the grip of central banks and government control.** However, these digital currencies were not without their own issues-high volatility, lack of intrinsic value, and associations with illegal activities limited their ability to truly replace the flawed systems they sought to disrupt.
- **Enter the USN US Note, a new currency that promises to bridge the gap between the stability of traditional assets and the innovation of digital finance.** As the sun rises over the horizon, casting its golden hue across the land, the USN US Note emerges like a phoenix from the ashes of a broken financial system. This currency is more than just a means of exchange; it is a symbol of financial redemption, a return to an era where money was backed by real value-gold. The USN US Note, backed by the Quantum Financial System (QFS) and the undeniable value of gold, stands as a beacon of hope against the backdrop of economic despair and deceit that has plagued us for generations.
- **For far too long, our financial systems have been mired in manipulation, deceit, and instability.** The fiat currency system, with its lack of intrinsic value, has led us down a path of endless debt and economic uncertainty. Central banks, with unchecked power, have manipulated markets, eroded savings, and fostered financial inequality. But now, with the advent of the USN US Note, there is a bold departure from this flawed past.
- **At the core of the USN US Note's promise is the Quantum Financial System (QFS), a revolutionary financial network that utilizes quantum computing technology to ensure the highest levels of security, transparency, and efficiency.** Unlike traditional financial systems, which are susceptible to hacking, fraud, and manipulation, the QFS is virtually impenetrable. It guarantees that every transaction is secure, transparent, and immutable, restoring trust in our financial systems.
- **The cornerstone of the USN US Note is its gold backing.** Each note is backed by a specific amount of gold, ensuring that it retains intrinsic value. This gold-backed stability provides a safeguard against inflation, making the USN US Note a reliable store of value. It embodies a time-honored principle: money should be grounded in real, tangible assets. By merging the stability of a gold-backed currency with the efficiency and transparency of digital systems, the USN US Note addresses the shortcomings of both fiat and digital currencies.
- **This new currency represents not just a financial instrument but a revolution in how we perceive and interact with money.** The USN US Note, underpinned by the QFS, is set to redefine the future of finance, offering stability, transparency, and true economic redemption. A new era in finance has dawned, bringing with it the promise of a stable and prosperous future.

F. Elon Musk DODGE Audits

- **Tues. 11 Feb. 2025: When DOGE found empty fields in Treasury's payment system, they uncovered more than missing data.** They found a mechanism. Simple things were left blank: Payment categories, Payment rationales, Basic audit controls. The kind of fields any small business would require. The kind that let you track where money goes. The kind that stop a billion dollars of fraud. Every week. Here's what Treasury didn't want exposed: Over \$100 billion flowing annually to accounts without Social Security numbers. No temporary ID numbers. No verification. Nothing. When Musk asked Treasury officials how much was "unequivocal and obvious fraud," the answer revealed decades of corruption: Half. Let that sink in. \$50 billion per year. A billion dollars every week disappearing into accounts that shouldn't exist.

- **Tues. 11 Feb. 2025:** Chelsea Clinton's net worth is estimated at \$70 million, while her husband's is around \$45 million. Their total inheritance amounts to \$52 million. She receives annual funding from USAID, a budget approved by Obama for her foundation, which provides afternoon meals to children in Africa, India, and Bangladesh. Yet, to date, the total number of meals reportedly served is 11,886—equating to an astonishing

\$1,410 per meal. USAID Funding: \$3.9 million per year; Real Estate Holdings: \$25 million; Monthly Expenses: \$100,000; Car Collection: Eight vehicles; Notable Achievements: None

- **Sun. 9 Feb. 2025 John F. Kennedy Jr.:** USAID is providing money to the CIA for coups to overthrow democratically elected leaders. How many? ALL OF THEM. It's a legalized Deep State dark money spigot. They have been writing checks for years without someone saying "No". How much money has been laundered is beyond comprehension. Elon and Trump are coming at them, unexpectedly. No warnings. No hearings. This is how you drain a swamp.
- **Sun. 9 Feb. 2025 USAID:** "Wait until we get to Larry Garber, the DIRECTOR of the USAID's "WEST BANK/GAZA AGENDA and also the CEO of NEW ISRAEL FUND. He helped STEAL AMERICAN ELECTIONS for YEARS, working for the PROTECT DEMOCRACY PROJECT and its NATIONAL TASK FORCE ON ELECTIONS CRISES. (Protect Democracy Project and ADL operative, David Andrew Weinberg, wrote the J6 Committee's Final Report.) On the NTFEC, GARBER served alongside such foreign intelligence operative classics as:
MICHAEL CHERTOFF (Mossad, 9/11)
MERYL CHERTOFF (Mossad, Aspen)
AMBER MCREYNOLDS (GCHQ)
YASMIN GREEN (ADL/Google/JigSaw)
NORMAN ORNSTEIN (AEI/J6 entrapment)
MICHAEL OSTERHOLM (Gupta/Wolfe/COVID)
DAVID BECKER (ERIC/Pew/PFAW/Mossad)
He was a "COUNTRY DIRECTOR" for "ELECTIONS CRISES" at the CARTER CENTER, because JEWS just LOVE them some JEWMMY CARTER these days, amirite? NOTE: By "elections crises", they mean "elections results that would be unfavorable to Talmudic global Jew supremacy and Bolshevik Revolution 2 without their intervention (Jews stealing elections)".

G. Tues. 11 Feb. 2025 Dem Senator Ron Wyden says DOGE auditing the U.S. government is equivalent to a "coup."

- "The henchmen, the Musk henchmen, were going in there to cut off payments they didn't like. And the reality is Musk is about subverting the Constitution... And I think people need to know that these are the elements of a coup.
- **Meanwhile, MSNBC forgot to report that Elon Musk recently discovered over \$100 billion in government payments flowing** to individuals with no Social Security Numbers or proper identification. Instead of addressing the corruption, Wyden and the media are smearing Musk for demanding government transparency.

H. Tues. 11 Feb. 2025: More resignations from unelected bureaucrats, as the result of DOGE audits. This time at the Consumer Financial Protection Bureau.

- **Do you really think this bureau was protecting taxpayers?** Have banking fees gone up or down since this bureau came into existence?
- **“Two senior leaders at the Consumer Financial Protection Bureau** announced their resignations the day after acting director Russell Vought instructed all staff to cease working.”
- **“CFPB employees have been on edge since operatives of Elon Musk’s Department of Government Efficiency** arrived at the regulator late last week. Then Vought was named acting director, effective Friday, and he quickly said he would refuse fresh funding for the agency, shuttered its Washington D.C. headquarters, and instructed staff to freeze all bureau work.”
- **Scaramucci model.** “Acting” CFPB director Russell Vought shut down the entire bureau. This bureau is just another money laundering operation, set up to force banks to fund leftwing groups. Leftwing groups that then donate a lot of that money back into the pockets of the politicians that are supposedly conducting oversight and supporting this bureau.
- **But guess who else funds this bureau?** Guess who the CFPB is DIRECTLY connected to? “The Consumer Financial Protection Bureau (CFPB) oversees banks and holds vast troves of consumer data.
- **As part of the US Federal Reserve, the CFPB is an independent agency,** however Trump's budget director was installed as its director on Friday, and Doge officials have gained access to the agency's computer systems.”
- **Did you know that the CFPB was part of the Federal Reserve?** The Federal Reserve is not part of the government. They are a private banking cartel that has ruled the world’s financial debt system since WWII.
- **Can you see how important this little bureau is** and why individuals like Maxine Waters and Elizabeth Warren are in a total meltdown? “Top Democrat on the House Financial Services Committee, Maxine Waters, has released a statement that claimed Doge was "systematically killing the CFPB".
- **"Musk's takeover of the CFPB is a five-alarm crisis and a frightening violation of millions of Americans' data privacy.** As it stands, Musk can now see the personal information of people who, after being swindled by bad actors, reached out to the CFPB in a moment of desperation," Waters said.
- **“The agency has long been a target of Republicans who have accused it of overreach,** unduly restricting banks, and using money from fines and settlements to fund left-wing activist groups.” The leftist political groups have ALWAYS been funded by taxpayers, one way or the other. They have NEVER been the majority in America.
- **I wonder how much money collected by this bureau,** finds its way into the politicians pockets who are supposed to be overseeing this it? We are going to find out, that’s why there is so much panic?
- **DOGE now has access to the CFPB computer systems which are also linked to the FED.** Do you think that the CFPB is the real target? Is the FED also funding leftwing

groups? How much of the globalist leftwing agenda has the Federal Reserve been funding with hidden slush funds? How much taxpayers money has been used to prop up the world's central banks debt system as it's going bankrupt? How many bailouts of banks around the world, including the central banks of the UK, Switzerland and Japan have been put on the backs of American taxpayers?

- **The entire world has been funded by American taxpayers** in so many ways. We are barely at the beginning of the evidence being gathered and revealed by DOGE. Trump has refocused the entire government in order to protect the American taxpayer.

I. Tues. 11 Feb. 2025 Victory for the White Hats: Zuckerberg and Truss Expose the Deep State Agenda ...The 17th Letter (JFK Jr.) on Telegram

- **In what can only be described as a monumental win for the White Hats, major players in the establishment are finally coming clean about the sinister forces at play.** Mark Zuckerberg, CEO of Meta, recently revealed that the Biden administration relentlessly pressured his company to censor critical COVID-19 information. This isn't just about free speech—it's about control. The fact that Zuckerberg, a known associate of the Rockefeller family, is speaking out suggests that the tide is turning. Could it be that the Rockefellers are now aligning with the White Hats, or have they been replaced? Either way, this signals a massive shift in power dynamics.
- **Adding to this momentum, former UK Prime Minister Liz Truss openly admitted that the real power in the UK lies not with the Prime Minister but with the Governor of the Bank of England.** This is a clear acknowledgment that democratically elected leaders are mere puppets of a deeper, darker power structure. MI6 is reportedly aware of this hijacking and is finally ready to take action. The fact that these admissions are coming from high-level insiders shows that the deep state's grip is weakening.
- **Zuckerberg's confession is also closely tied to Donald Trump's accusations that Zuckerberg conspired against him during the 2020 election.** Trump has promised that Zuckerberg will face the consequences if he attempts such treachery again. This isn't just rhetoric; it's a warning shot across the bow of the entire establishment.
- **As the truth continues to surface, the reality of the globalist agenda becomes undeniable. These elites have been orchestrating plans to depopulate the planet** and enslave the survivors through their control of central banks and media empires. But with social media now under White Hat control, the narrative is changing. The public is waking up, and war crimes trials are on the horizon.
- **The Satanic forces that have long controlled the West are being exposed, and their blackmail operations are unraveling.** From Obama to Macron, and even Trudeau, the truth about their puppet masters and the dark secrets they harbor is coming to light. Queen Elizabeth herself was reportedly blackmailed with horrific footage, a tactic used across the G7 leadership to enforce compliance.
- **But the White Hats are winning.** The BRICS alliance is proving that the globalist agenda is failing. They control the real economy, and no amount of digital currency

manipulation can change that. The West's desperate attempts to cling to power, including begging China for financial aid, are falling flat.

- **As the White Hats and the BRICS reshape the world**, the old order is crumbling. The truth is unstoppable, and soon, even the most deeply entrenched figures of the deep state will face justice. The endgame is near, and the White Hats are on the brink of total victory.

K. Tues. 11 Feb. 2025 Tucker Carlson: Ukraine Is Selling US Weapons to Mexican Drug Cartels

- **Western weapons meant for Ukraine are flooding international black markets**, with up to half of the military aid being resold, according to US journalist Tucker Carlson. During an interview with retired US Army Lieutenant Colonel Daniel Davis, Carlson claimed that a significant portion of the arms sent by Washington to Kiev is being “stolen and sold to our actual enemies,” including Mexican drug cartels. He described the situation as a “crime” and a “nightmare,” adding that these weapons are easily available for purchase online. However, he did not disclose his sources or provide concrete evidence.
- **Reports of Ukrainian weapons appearing in criminal hands have emerged repeatedly.** Europol warned as early as April 2022 that weapons were being trafficked out of Ukraine and into the EU, supplying organized crime groups. Later that year, Finnish authorities confirmed that arms originally sent to Kiev had surfaced among local criminals, with similar cases reported in Sweden, Denmark, and the Netherlands. In 2023, Israeli Prime Minister Benjamin Netanyahu stated that Western anti-tank weapons intended for Ukraine had been found on Israel’s border, ready to be used against the Jewish state. By mid-2024, Spanish media revealed that criminal gangs in southern Spain had obtained modern military-grade weapons, allegedly smuggled from Ukraine.
- **Moscow has repeatedly warned that the unchecked supply of Western weapons to Ukraine is fueling global arms trafficking**, with these weapons ending up in the hands of organized criminal groups and extremists. Even Western officials and media outlets have acknowledged these concerns.
- **Meanwhile, US funding for Ukraine has been a topic of controversy.** Since 2022, the US Congress has authorized around \$175 billion in aid for Ukraine, though much of it has reportedly gone to American industries and related government activities. In January, former US President Donald Trump claimed that Washington had spent “\$200 billion more than the EU” on Ukraine, while Ukrainian leader Vladimir Zelensky insisted that Kiev had only received around \$75 billion in military and other assistance, dismissing Trump's estimate.
- **Carlson’s claims highlight ongoing concerns over accountability** in Ukraine’s handling of Western aid. If true, the large-scale resale of US-supplied weapons poses serious security risks worldwide, reinforcing fears that the conflict is fueling not just geopolitical instability but also global crime networks.

O. Tues. 11 Feb. 2025 WARNING: The Green Agenda Is a Mass Extermination Program— They Are Killing Billions, Not “Saving the Planet”! ...EBS Activated With Trump on Telegram

- **The globalist elite—through the WEF, UN, and billionaire-funded NGOs—have declared war on humanity.** Their so-called “climate crisis” is a smokescreen for depopulation and total control. They openly say billions must be “removed” for their twisted utopia. Their methods? Food manipulation, toxic skies, engineered pandemics, and climate lockdowns—all designed to weaken, enslave, or eliminate us.
- **They're weaponizing our food** by targeting independent farmers, shutting down natural production, and replacing real food with synthetic garbage. Bill Gates, now the largest

farmland owner, isn't "helping"—he's tightening the noose. Starvation is power: if they control our food, they control us.

- **They're spraying our skies with metallic toxins** under the guise of "geo-engineering." These chemicals erode our health, shatter our immune systems, and make us docile consumers of their poisonous pharmaceuticals.
- **They're plotting new pandemics deadlier than COVID-19.** Their "Disease X" will be unleashed with precision. The WHO is readying a treaty to seize global authority over all medical decisions, from forced injections to indefinite lockdowns. Resist, and you'll be labeled a "threat" to be removed.
- **They're rolling out climate lockdowns next.** Watch as they introduce "carbon passports," ration your energy, and trap you in 15-minute "smart cities." Once inside their digital prison, every move you make will be monitored, scored, and controlled. Noncompliance = shut off from society.
- **Worst of all, these elites don't just want fewer people; they want no real humans left.** They're pushing AI and transhumanism to replace us with cyborg slaves. They dream of merging with machines, living forever while we get culled and replaced by programmable genetically modified drones.
- **This is do-or-die.** Their plan is accelerating, and they think we're too distracted to notice. It's time to refuse their "green" lies, protect your food supply, reject their injections, and shatter their surveillance grip. Wake up others before it's too late. The stakes? Our very existence.
- **They want a future with no free humans.** We must stand together and say: No more. We are the storm they fear.

P. Tues. 11 Feb. 2025: February 10, 2025—History will remember this day. The moment when the American people finally saw the truth laid bare. The criminal conspiracy that protected Hillary Clinton, manipulated justice, and waged war against Donald Trump has now been fully exposed. ...Carolyn Bessette Kennedy on Telegram

- **For years, patriots demanded answers.** Why did the FBI refuse to prosecute Clinton for her blatant violations of 18 U.S. Code § 793? Why was justice obstructed at the highest levels? The answer has now been confirmed by none other than former CIA Director John Ratcliffe—Barack Obama himself ordered the FBI NOT to arrest Hillary Clinton for espionage.
- **THE ORDER CAME FROM OBAMA HIMSELF:** The conspiracy went straight to the top. Lisa Page, former FBI lawyer, admitted under oath that the Department of Justice explicitly instructed the FBI to stand down.
- **John Ratcliffe:** "So, just to be clear, when you say you got instructions from the DOJ, they told you outright: 'We are NOT prosecuting Hillary Clinton for gross negligence'?"
Lisa Page: "That is correct."

- **This was not an accident.** This was a deliberate cover-up, orchestrated at the highest levels. Clinton was meant to secure the presidency in 2016, ensuring the Deep State's grip on America remained unchallenged. But when Trump won, their house of cards collapsed—sending them into full panic mode.
- **THE CLASSIFIED EMAILS: OBAMA'S REAL MOTIVE:** Why did Obama go to such lengths to protect Clinton? Because her private email server contained secrets so explosive they could have destroyed the Deep State.
- **Emails confirming pay-for-play schemes with foreign governments.** Direct collusion between the Obama administration and foreign intelligence agencies to manipulate U.S. politics. Evidence of classified leaks to foreign actors in exchange for political favors. Had Clinton been prosecuted, the case wouldn't have stopped with her—it would have led straight to Obama himself.
- **THE FBI: OBAMA'S PERSONAL ENFORCERS:** The FBI, once a respected law enforcement agency, was weaponized under Obama to serve the Democratic Party. While Clinton was shielded from justice, the Bureau focused its efforts on manufacturing crimes against Trump.

• **They launched the Russia collusion hoax,** fabricating evidence to cripple Trump's presidency.

• **They illegally spied on his campaign using FISA warrants** based on false information.

• **They persecuted Trump allies** to silence dissent.

The same criminals who protected Clinton tried to destroy Trump, using the FBI as their personal attack dogs.

- **THE DEEP STATE'S FINAL GAMBIT: THE WAR AGAINST TRUMP:** Clinton's exoneration was only the beginning. The moment Trump stepped onto the political stage, the Deep State launched a full-scale assault.

• **They engineered the 2020 election** to ensure he was removed from office.

• **They used the intelligence agencies** to spy on his campaign and presidency.

• **They filed multiple indictments** in a desperate attempt to block his 2024 run.

Yet, they failed. Trump is back, and now, the truth is finally coming to light.

- **THE MEDIA'S COMPLICITY:** The mainstream media played its role perfectly. Instead of reporting the truth, they became the Deep State's propaganda arm.

• **They dismissed Clinton's email scandal** as a “nothingburger.”

• **They refused to cover leaked documents** proving Obama's direct orders to protect her.

- **They pushed every fabricated charge against Trump** while burying the real crimes of the Democratic elite.

These are not journalists. These are political operatives, masquerading as the press.

- **THE TIME FOR JUSTICE IS NOW:** The evidence is undeniable. The Obama administration, the DOJ, the FBI, and the media conspired to protect Hillary Clinton, silence Trump, and manipulate the justice system to serve their agenda. This cannot be allowed to stand.
- **Obama must be investigated** for obstruction of justice.
- **Clinton must finally face prosecution** for espionage.
- **The FBI must be purged** of political corruption.
- **The DOJ must be rebuilt** from the ground up.

The only question left: Will justice finally be served?

Q. Tues. 11 Feb. 2025: What does a transformed government look like? ...Edward Snowden on Telegram <https://t.me/EdwardSnowden> <https://t.me/EdwardSnowdenTG>

- **How do you remove all the corruption and prevent it again in the future?** How do you maintain the rule of law and prevent the constitution from being corrupted again? It's really simple. You give ALL of the power back to the people. But how? You transform four main things.
- **1) Elections.** When all the election fraud is exposed and Biden proven to be illegitimate, the American people will demand a transformation of our entire election system. Everything Trump mentions will happen. Voter ID. Paper ballots. No machines. One day voting. Very limited mail in ballots. All voting rolls cleaned up and protected on a decentralized and protected blockchain. (Post Office). Vote counts put on a blockchain so they can't be manipulated. When the American people have full control of hiring and firing their representatives, that will change everything.
- **2) Government:** When the entire government is put on a decentralized blockchain ledger, it will make the entire government transparent. Every taxpayer dollar will be easily tracked and accounted for, ending corruption. Preventing taxpayers money from being laundered overseas or being spent on anything that doesn't benefit the American people. Lobbyists out of work. And this: Every bill proposed in Congress, put on a blockchain ledger BEFORE they get voted on. Giving the American people a say and the opportunity to contact their representatives before they vote.
- **3) Financial System:** No more central banks. No more fiat money. A new dollar backed by gold/bitcoin. A financial system on a blockchain ledger so that all the money is accounted for. Our reserves all on a decentralized blockchain and held in the Treasury for

the people. The new dollar/cash redeemable again for gold or bitcoin. Honest money in an honest system.

- **4) Rule of Law:** Mass arrests for corruption and treason. The end of the two tier justice system. Past presidents prosecuted for their crimes. Assets confiscated and placed in the newly created Sovereign Wealth Fund in order to benefit the American people. This is what's coming. The result will be a Constitution restored and the power given back to the people. A representative republic again...if we can hold it.

. Tues. 11 Feb. 2025 Grace Chong on X- Bannon: “The real existential threat to Trump's administration—and I mean to Elon Musk, Secretary of Treasury Scott Bessent, Russ Vought, Stephen Miller, all of his people—is right here in this city. It's Letitia James. Right now, Soros has a DA running unopposed who can call a grand jury anytime and set up criminal charges in the most bogus ways. Letitia James runs this operation. She's got a compliant left-wing media playing along, a jury pool of radical leftists from the Upper West Side, and judges who are all in on it. She's got total control. I'm calling on Attorney General Pam Bondi to launch an immediate criminal investigation into Letitia James, Alvin Bragg, and all of them for what they did to President Trump. Trump laid it out again today on Truth Social—this is the real existential threat

to his administration. And Elon Musk, Scott Bessent, and all of them should be worried about this out-of-control city.

V. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

W. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Y. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
