Judy Note: On Tues. 18 Feb. Musk took cameras into Fort Knox to do an audit of the Federal Reserve, where the privately owned by foreign bankers US Inc. claimed there was tons of gold to back the fiat US Dollar. No one has questioned where that gold was since 1974.

Gold was there, but it wasn't the Fed's gold. It was placed by Trump in 2020 when he took 650 plane loads of gold back from the Vatican, which was holding it for the Cabal.

<https://x.com/JackStr42679640/status/1891784470031892634?t=cSQWerIo0xOgJZ0FGm3Qtw&s=09>

Musk was auditing the privately owned by foreign bankers Federal Reserve, which was now exposed as a fraud, having stolen US Taxpayer monies while using a fiat and collapsed US Dollar backed by nothing.

Musk's DOGE audit had already shown that since 1918 with the beginning of the privately owned by foreign bankers Federal Reserve and IRS, foreign fraud rings infiltrated the IRS, using fake Social Security numbers and fabricated identities to steal billions of the US Taxpayer's dollars.

The expected result of Trump and Musk exposing all this Federal Reserve and IRS Fraud: Wall Street would implode, inflation would skyrocket, the World's Economy would implode and the Deep State would be finished.

Though, knowing Trump and his Three D Chess Game that was playing Good Against Evil, a gold/asset-backed Global Currency Reset of 209 nations including the gold-backed US Note of the Republic of the USA, would already be in effect to save the US and World's Economy.

Another item that the Deep State Elite have hidden for themselves were the high technology of Med Beds. Med Beds work with your DNA and Body rhythms so it can heal itself from all health problems. Trump headed the manufacturing of Med Beds when he first went into office in 2016. Medical personnel were presently being trained on how to use Med Beds.

Trump put the Military in charge of Med Beds, where treatments are free. Don't allow any business to charge you for their use. Trump has said they will be in all hospitals and in special Med Bed Centers by around March 15 2025.

Speaking of the Global Currency reset: it involved people who have bought Zim Bonds which will be used to heal the World with Humanitarian Projects. The Alliance recently revealed the amount of monies actually received on a Zim Bond Redemption: Your Primary Principal—the

face value times the rate—is NOT what goes into your account. What you actually get—the Secondary Principal—feeds your payouts for decades. Controlled by the Alliance, out of your reach, but fueling your mission.

A. What We Think We Know as of Wed. 18 Feb. 2025:

- **Tues. 18 Feb. 2025:** Trump has deployed the Military to replace hospital equipment with Med Beds. The MedBed rollout, suppressed for years by Biden and his corrupt Big Pharma cronies, is finally unleashed! Trump is smashing the medical-industrial complex that profited from keeping you sick and enslaved. Med Beds were expected to be available to the general public by **mid March 2025**. Med Beds would be in all hospitals and treatments would be free.
- **Med Bed Scams:** Do not fall for any private corporation or organization which says they have Med Beds, but charge you for their use. The Military is in charge of Med Beds, they will be in all hospitals and in special Med Bed Centers across the World by around March 15 2025 and all treatments are free.

E. An Open Letter to President Trump

RE: The Board of Prison's Implementation Failure of the First Step Act, Diversity - Equity - Inclusion, and the Fiscal Train Wreck of Human Trafficking

Dear President Trump:

As one of the many inmates here in Englewood FCI, we were delighted when you were inaugurated and NOT surprised by the resignation of the Director of the BOP, Colette Peters.

FSA

We have been watching with great interest the concerns of Senators Dick Durbin (D-Ill) and Chuck Grassley (R-Iowa) over the implementation of the First Step Act dated November 2022.

A Forbes article dated January 3, 2025 acknowledged that "the BOP has struggled in implementing FSA, which allows thousands of mostly minimum-security prisoners to both reduce their sentence and spend more of their sentence in prerelease custody in the community.

"The American Civil Liberties Union filed a class action lawsuit on behalf of thousands of prisoners... According to the lawsuit, the BOP has unlawfully treated credits earned under FSA... The result was that many prisoners did not even receive a single credit even though they participated in the required programming... Thousands of prisoners were affected by this and the BOP later relented and provided the credits retroactively. However, for many, it was too late.

"As one prisoner wrote, 'My formal attempts to remedy this issue with the prison's administration and staff have [been] met with negative results due to their refusal to take remedial action.' Based on reviews of several FSA calculations, not only is the BOP not releasing prisoners as soon as it could, many prisoners believe they are being retaliated against for bringing attention to the problem. The ACLU's press release on its lawsuit states that 'the BOP's failure to implement the First Step Act according to its plain language violates the rights of thousands of people who should be returning to their communities and rebuilding their lives but instead remain incarcerated.

"The BOP has been open about its embrace of the FSA despite these lagging problems. There are signs that FSA is doing what congress intended as prison camps have seen their populations decrease. The BOP announced earlier this month that it would be closing six (6) Federal Prison Camps (minimum-security) across the country as a result of decreasing populations and to reduce costs of incarceration, a goal of the BOP."

What? Camps are being closed due to a decrease in population? One of the reasons I was sent here to Englewood was because of the camp. Inmates have the opportunity to reduce their security level through participation in FSA programming. Once an inmate drops his point score below 11 points they are/were moved to the minimum-security level camp. – So, the claim that camps are closing due to declining populations makes no sense at all. Englewood FCI houses approximately 800 inmates, each given the opportunity to participate with the positive effects of FSA.

Imagine my surprise, after I arrived here at Englewood to see Chris, who was housed with me in the Weber County Jail. At first, I didn't recognize him when he asked me about those who were in Weber County when he left last September. I asked, "What are you doing here? We thought you had been released on home confinement!" Chris was not only brought to Englewood FCI where the BOP was arranging for his release on home confinement, Chris never received any of his FSA credits and he was just released in January 2025 after serving about four (4) months more than his sentence. Chris and countless others throughout the BOP have significant financial claims for the excess time served in the BOP, which makes this story about the BOP's failure even bigger than anyone had imagined.

In Chris' attempts to find out why he was still at Englewood, he received two (2) reprimands for bothering prison staff and the second reprimand was for "stalking" because it was Chris' wife who kept calling and asking when her husband was going to come home.

Sadly, Chris' story is not the only one in here, they have already filled out my paperwork for my home confinement. So, now this is personal. Every one of the 800 inmates in here is affected by the BOP's failure to implement the First Step Act. The associated damages for excessive prison time quickly becomes astronomical to the BOP especially when you multiply those damages with the number of Federal Correctional Facilities across the nation. - Where there is smoke, there is fire!

DEI

From my front row position and observation, the BOP's failure to implement the First Step Act is a result of the BOP's adoption of DEI policies and lack of leadership.

These policies and leadership produce questionable results which also create dangerous and adverse effects on incarcerated prisoners. For example, on the day I was being transferred from Weber County Jail to Core Civic in Pahrump, Nevada, I began passing blood. The emergency stop to allow me to relieve myself was the first of several stops along the way making our arrival more than 2 1/2 hours late. The officer in charge had asked me if I needed to be taken to the hospital. After I had said that I needed medical attention, he radioed the nurse at Pahrump, who instructed him to keep coming because we were only five (5) hours away. Our late night arrival in Pahrump brought me the much needed medical attention. A bloody urine sample was provided and I was immediately started on an antibiotic regimen. However, about a week later, it was discovered that I needed a different antibiotic. I began the new course of treatment just before I was transferred to the Grady County Jail in Oklahoma and my medications were disrupted again. By the time my medicine showed up in Oklahoma, I was transferred to Englewood FCI and my treatment was interrupted again. By the time I had met with medical, the timeframe of the second treatment had expired so I never completed taking the required medication. About a week later, I was examined by the medical staff and provided another urine sample. Finding blood and signs of an infection, I was started on another antibiotic regimen. Now, almost 4 months later, it appears that the infection has been cleared up and I am now being diagnosed by an outside urologist to determine where the blood is coming from. But sadly, now I am on my 4th cold and have an infection in both of my eyes, as well.

On the day we were flown from Oklahoma to Colorado, the buses from Englewood did not arrive. Prisoners for deployment to Florence were taken off the plane, processed, and fed while those scheduled for Englewood stood outside for hours waiting to be processed and fed. When the buses from Englewood failed to arrive, the buses for Florence were unloaded and prisoners for both facilities were resorted on to the two buses for Florence. We were all driven to Florence, where the Florence prisoners were unloaded and processed. Pleas for food and water were

ignored. Hours later the prisoners for Englewood were driven by the unresponsive drivers of Florence to Englewood in Littleton, Colorado, arriving about 10:00 pm - a 17-18 hour ordeal without food or water.

I was one of about a dozen prisoners who were taken to the Englewood Jail Detention Center because of overcrowding concerns at Englewood FCI. At age 71, I was assigned to a top bunk without a mattress in a 6-man cell. A new mattress was provided and 2 days later, a younger cellmate gave me his bottom bunk. However, it took almost a full week for us to receive our clothing and an opportunity to take a shower, following complaints to the unit manager. The "flaming" homosexual male who was the unit counselor expressed his unhappiness that he was reprimanded by his supervisor for not taking care of our clothing needs.

A few days later, the unit counselor assigned on of my cellmates and I to a 2-man cell without any power or light. We spent more than 2 weeks in a cell with limited daylight where we were locked down between 17-20 hours a day. Not wanting to be classified as problem prisoners, we waited patiently to be moved to another cell, but finally filed a complaint with the unit manager over the cruel and unusual punishment.

On the 2nd of December, I was finally transferred across the street to Englewood FCI. The transfer was confused and unorganized. Physical beds had been removed from the system records and remained unused as a result of a somewhat recent lawsuit brought about by the inmates for the overcrowded conditions. We were told to just go pick out an open bed and the following day we would receive our bunk assignments. My bed assignment came when they simply added beds back into the system.

We were taken to laundry and measured for our clothing and then we were told to return the next morning at 9:00 am for pick up. It took another 3 days to receive our clothing and an opportunity to take a shower. - It became obvious to us that the effects of DEI were having an effect here. My experience is but a small part of the hundreds of horror stories just from Englewood FCI. Unfortunately, dysfunctional communications between staff and prisoners places inmates in an uncomfortable position to be reprimanded for not following instructions. Preferential treatment of gay and transgendered people, both in the hiring process as well as the inmates, has a priority.

So, we gratefully accepted your executive order stating that there were only 2 genders. It was interesting to see the number of those who became depressed over your announcement along with the removal of transgender items from the commissary list and the end of payments for transition medications. - Thank you indeed for the firm clarification of what should be clearly evident.

Fiscal Irresponsibility

Englewood FCI was built and opened in 1938 and I have been old it was originally a boy's home. I was assigned to a 2-man cell on the south range of the lower eastside of the facility lovingly

referred to as the "Ghetto." My cell was located toward the end of a long hallway and the HVAC system blew colder and colder air the closer you got to the end of the hall. The large meshed window panes allowed daylight into the small 7 X 11 foot cell. One of the mesh window panes was broken out and was stuffed with rags and covered with cardboard in an attempt to block out the -9 degree temperature outside from coming in. My cellmate and I had to sleep fully clothed, and in our coats, just to keep warm. Our small cell had a bunk bed, a locker for both of us, a small desk with a stool, a flushable toilet, and a non-working sink. We were one of the lucky ones; most of the other cells on the south range had non-working toilets. The cells on the north range had no toilets or sinks. Each night the inmates were locked in their cells without access to a toilet and inmates were left to the use of various kinds of "chamber pots," a rather unsanitary condition and inhumane treatment of prisoners. In addition to the locked cell doors, there was a lockable gate at the end of the range holding between 50-60 inmates, which was locked after hours. There were 2 shower rooms (4 showers) that served the prisoners who were housed on the south range. Signs of rust, mildew, cracked - broken and missing tiles, along with low water pressure give evidence that "deferred maintenance" or "non-maintenance" is the preferred method for upkeep. There does not appear to be any signs of significant improvement to Englewood FCI since 1938.

As a result of the closing of the camp at Englewood, I was moved to the upper west range of the facility. I am now housed in an open dormitory separated into 4-man cells. The physical conditions seem to be identical to those on the eastside.

We were told that the closing of the camp, in fact, was to adjust for the necessary \$200,000 of required improvements. I was told the camp was built in 1979. If it requires \$200,000 in improvements, God only knows how much is needed to improve Englewood FCI. Humorously, Englewood FCI is considered to be "Club Fed" (one of the nicest facilities) in the BOP. - One can only imagine how much worse the problems are throughout the BOP!

The BOP receives an untold amount of funding from multiple sources, including the Veterans Administration for the care and upkeep of prisoners and their programming. The commissary unit has an estimated weekly income from the inmates at approximately \$800,000 with a 30% markup (\$4,160,000 per year). The proceeds from the 30% markup (\$24,000 per week or \$1,248,000 per year) is to be used for the prisoners and equipment. - What has happened to all of that money over all of these years? Englewood is just one of the many thousands of prisons and state facilities who receive federal funding and an audit of the BOP, its policies and practice by DOGE just might reveal the largest "financial leak" in the entire nation.

Summary

Attorney/Author Bryan Stevenson produced a book and movie titled, "Just Mercy" (copyright 2014-2019) who said:

"America is an unprecedentedly harsh and punitive nation and in mass incarceration that has no historical parallel. Today we have the highest rate of incarceration in the world. The prison population has increased from 300,000 people in the early 1970s to 2.3 million people today (2019). There are nearly 6 million people on probation or on parole. One in every fifteen people born in the United States in 2001 is expected to go to jail or prison; one in every 3 black male babies born in the country is expected to be incarcerated.

"We have shot, hanged, gassed, electrocuted, and lethally injected hundreds of people to carry out legally sentenced executions. Thousands more await their executions on death row. Some states have no minimum age for prosecuting children as adults; we've sent a quarter million kids to adult jails and prisons to serve long prison terms, some under the age of 12. For years, we've been the only country in the world that condemns children to life imprisonment without parole; nearly three thousand juveniles have been sentenced to die in prison.

"Hundreds of thousands of nonviolent offenders have been forced to spend decades in prisons. We've created laws that make writing a bad check or committing a petty theft or minor property crime an offense that can result in life imprisonment. We have declared war on people with substance abuse problems. There are more than a half million people in state or federal prison for drug offenses today, up from just 41,000 in 1980.

"We have abolished parole in many states. We have invented slogans like 'three strikes and you're out' to communicate our toughness. We've given up on rehabilitation, education, and services for the imprisoned because providing assistance to the incarcerated is apparently too kind and compassionate. We've institutionalized policies that reduce people to their worst acts and permanently labeled the 'criminal,' 'murderer,' 'rapist,' 'thief,' 'drug dealer,' 'sex offender,' 'felon,' - identities they cannot change regardless of the circumstances of their (whether real or alleged) crimes or any improvements they might make in their lives...

"We also make terrible mistakes. Scores of innocent people have been exonerated after being sentenced to death and nearly electrocuted. Hundreds more have been released after being proved innocent of noncapital crimes through DNA testing. Presumptions of guilt, poverty, racial bias, and a host of other social, structural, and political dynamics have created a system that is defined by error, a system in which thousands of innocent people now suffer in prison.

"Finally, we spent lots of money. Spending on jails and prisons by state and federal governments has risen from \$6.9 billion in 1980 to nearly \$80 billion today (2019). Private prison builders and prison service companies have spent millions of dollars to persuade state and local governments to create new crimes, impose harsher sentences, and keep more people locked up so that they can earn more profits. Private profit has corrupted incentives to improve public safety, reduce the cost of mass incarceration. State governments have been forced to shift funds from public services, education, health and welfare to pay for incarceration, and they now face unprecedented economic crises as a result. The privatization of prison health care, prison commerce, and a range

of services has made mass incarcerations a money making windfall for a few and a costly nightmare for the rest of us."

I am confident that those numbers have dramatically increased since they were published in 2019. Sadly, from my front row position, I have seen first-hand how we have created a system that profits from slavery and human trafficking that we call a justice system, when in reality, for the incarcerated, it's "Just Us!"

- **The Zim is not a currency, but a bond with the purpose of being used for humanitarian projects,** although a certain percentage can be for your own use.
- **If you have Zim but do not have a humanitarian project** to fund, you can choose from the many international projects that will be shown to you at your redemption appointment.
- **All Zim payout is put on a long term structured payout:** YOU decide how long that will be—10, 25, 50, even 100+ years—ALL under your control.
- **Zim Rate:** The length of your long term payout and the amount of Zim you have will determine the rate given on your Zim.
- **Payments are secured in your QFS account,** but the Alliance controls access to the money so you have a consistent cash flow for your Humanitarian Project.
- **Amount of monies you actually receive on your Zim:** Your Primary Principal—the face value times the rate—is NOT what goes into your account. What you actually get—the Secondary Principal—feeds your payouts for decades. Controlled by the Alliance, out of your reach, but fueling your mission.

L. The Real News for Tues. 18 Feb. 2025:

- **Tues. 18 Feb. 2025:** The Kamala Harris campaign admits it conducted a massive online misinformation scheme with the help of Google. Google claims a glitch in its system allowed the Harris campaign to run counterfeit headlines that appeared to originate from the AP and Reuters.
- **Tues. 18 Feb. 2025:** Ready for some of the most inane information about Gavin Newsom? While driving California \$30 billion dollars into debt, Newsom spent his time flying to China and making secret deals. During meetings like this “cash and diamonds” are given to Democrats as bribes - Jesse Watters. “Newsom is getting groomed by the Chinese and he is enjoying it. Just like China bribed the bidens with cash and diamonds because they knew Joe was gonna be president. They have their eyes on Newsom and they are lathering him up. Look at the entourage the governor showed up to China with, whoa.” Clearly after the meetings Gavin Newsom must have been paid extremely well with “cash and diamonds.” Because immediately after the meetings “He just announced a new California China alliance.” - Jesse Watter

- **Trump strikes back!** Unmarked planes flood the skies with deadly toxins, but President Trump is unleashing the military to intercept and eliminate them. The Deep State's geoengineering lies are exposed—THIS IS WAR!
- **February 18, 2025—America is under attack from above.** The invisible war has gone public. Chemtrails—once dismissed as conspiracy—are back, and deadlier than ever. Unmarked planes, under rogue commands, poison the skies over U.S. cities and towns.
- **But now, PRESIDENT TRUMP IS FIGHTING BACK.** His administration is launching military operations to track and destroy these aircraft. Executive orders are signed. Special task forces are deployed. The battle for America's skies has begun!
- **THEY NEVER STOPPED—THEY WENT PRIVATE.** Under Trump's previous term, Deep State geoengineering projects were cut—but the elite went underground. Private entities, backed by shadowy billionaires, took over. Now, planes with no markings spray aluminum, barium, and toxic agents linked to neurological damage, sterility, and cancer.
- **THIS ISN'T CLIMATE CONTROL—IT'S POPULATION CONTROL.** The chemicals do more than poison—they control. Weather warfare, mass psychological manipulation, and biological attacks—this is the Deep State's game.

- **Maryland: Trafficking Hotspot:** Maryland ranks second in trafficking cases. Is Congress covering up Clinton's crimes? Politicians turn a blind eye while lives are destroyed.
- **EOs and the Power Shift:** Executive Orders 13818, 13848, and 13959 target human rights abusers and election fraud. Assets of elites are frozen. Clinton's empire crumbles.

O. Tues. 18 Feb. 2025: BOMBSHELL: Clintons' Secret Pedophile and Cannibal Club in Haiti Exposed By Locals – The Satanic Cabal: Bohemian Grove Redux! ...Gitmo TV on Telegram

- **In the heart of Haiti lies a sinister secret**, whispered among locals and shrouded in fear. It's a tale of power, privilege, and perversion, where the names Clinton echo like a haunting melody. What begins as a story of humanitarian efforts quickly unravels into a nightmare of unspeakable horrors: the Clintons' involvement in a clandestine cabal of pedophiles and cannibals.
- **The Clinton Connection runs deep.** Haiti, long a playground for their ambitions, hides more than meets the eye. Their so-called "benevolence" masks a web of corruption, where private jets of the global elite descend on Port-au-Prince, ferrying passengers to their playground of depravity. The island isn't just a place of suffering—it's the center of a satanic cabal, a den of evil masked by philanthropy.
- **In the jungles of Haiti**, whispers tell of dark rituals, where the powerful elite cavort in secret, hiding behind masks of deceit. This isn't Bohemian Grove; it's Clinton's den. Here, children are subjected to unimaginable horrors, their innocence destroyed by the elite, where power reigns supreme, and morality holds no sway. What happens here is beyond comprehension—it is a nightmare of abuse and terror, hidden from the world, yet known by those who dare to speak.
- **Locals have had enough.** Generations of Haitian children grow up in fear, knowing that Bill and Hillary Clinton are not saviors but monsters. Their tales are not rumors; they are cries for justice, ignored by a world blinded by power and privilege. The cries of these voiceless innocents are growing louder.
- **The Clinton legacy is one of evil**, its roots deep in a web of lies and darkness. We must peel back the layers of deception and confront this wickedness head-on. The truth is there, festering like a wound, waiting to be revealed. We must summon the courage to shine a light on the darkness that surrounds them.
- **But there is hope.** Exposing their heinous acts is the first step. We are at a crossroads, a call to action that demands we face this evil and strike a blow for justice. The time for silence is over. We will not be stopped.

- **Justice may be deferred**, but it will not be denied. The reckoning is near, and when it comes, we will be armed with the truth, ready to face the darkness.

Q. Tues. 18 Feb. 2025 MASSIVE GOVERNMENT PURGE! RFK Jr. ERADICATES 1,300 CDC DEEP-STATE SCIENTISTS WHO ENGINEERED BIOWEAPONS & FORCED DEADLY VACCINES ON AMERICANS! ...QFS on Telegram

- **Robert F. Kennedy Jr. has launched a radical purge of America's health institutions**, dismantling the corrupt foundations of the CDC, FDA, NIH, and CMS. Backed by Trump and Musk, his first move as Secretary of HHS was revolutionary—1,300 firings at the CDC, striking at the core of Bill Gates' pandemic empire. This wasn't just restructuring; it was a direct assault on the globalist grip over public health.
- **The Epidemic Intelligence Service (EIS)**, Gates' handpicked enforcers of pandemic narratives and vaccine compliance, has been completely eradicated. The dismissal of all incoming EIS trainees and thousands of probationary employees across federal health agencies proves Kennedy's intent—not to negotiate, but to dismantle a system built on toxic food, experimental vaccines, and fraudulent policies.
- **The CDC has long operated as Big Pharma's front**, manufacturing crises and enforcing corporate interests. The fired employees weren't just bureaucrats—they were enforcers of a corrupt medical cartel. New intelligence leaks reveal EIS operatives had

ties to CIA-run operations, trained in biological warfare disguised as public health measures. Further, WHO memos expose sterilization agents hidden in vaccines, confirming Gates' eugenics agenda.

- **Kennedy's purge extended beyond the CDC—5,200 employees were cut from the FDA, NIH, and CMS, breaking Big Pharma's grip on public health.** The FDA has suppressed holistic medicine for decades, ensuring only pharmaceutical-backed treatments thrive. The NIH funneled billions into fraudulent studies justifying forced vaccinations while burying research on natural immunity. Classified documents reveal NIH trials aimed at genetically modifying populations through vaccines, creating a lifetime dependency on pharmaceuticals.
- **RFK Jr. has vowed to dismantle health mandates** that serve billionaires, not the people. His reforms include full transparency in vaccine safety, banning harmful food additives, exposing depopulation agendas, and cutting Big Pharma's control over medical education. The CDC purge is just the beginning—Kennedy's actions mark the end of the corrupt medical-industrial complex.
- **This is not just a shake-up; it's a declaration of war** on entrenched corruption. Bureaucratic elites who profited from pandemics and medical tyranny are now facing judgment.
- **With Trump's support and Musk's expertise,** Kennedy is leading the most radical health reform in modern history. The era of unchecked pharmaceutical control, corporate collusion, and population manipulation is over. The globalists have lost their grip, and with it, their ability to manufacture pandemics for profit.
- **The fight for health freedom has begun,** and RFK Jr. is proving he's willing to take it all the way.

R. America Republic for the USA: [How To Save America | Republic for USA](#)

The Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when the US Inc. corporation took over Washington DC and eventually every level of government in the country.

- **In 1871 the United States was abandoned and the US Inc. Corporation** (controlled by foreign powers) took over.
- **By 1913 US Inc.** had managed to change the Constitution. Even though the act was never ratified by Congress, the independent foreign bankers formed the Federal Reserve and Internal Revenue Service (IRS) so that all US Taxpayer monies were paid to themselves as international bankers.
- **The privately owned Rothschild family Bank** also owned the Federal Reserve and IRS. Through their privately owned US Inc. corporation, they had complete control of US Taxpayer dollars and were charging the US Government interest to use their own monies.

- **When President Trump formed “The Republic for the USA,”** it changed all that. By **Aug. 2020** Trump was able to roll US Taxpayer dollars that had been going to the Federal Reserve since **1918**, into the new US Treasury near Reno Nevada.
- **The de jure restored Republic for the United States of America** is recognized by over 80 Countries and documented.
- **The original plan to restore the republic**, abandoned by corrupt, unprincipled men, was reviewed and approved by the Military from its inception relying on the Northwest ordnance to reinhabit the Republic.
- **The original president of the Restored Republic, Tim Turner, was offered a trillion dollars** to walk away from the Republic, or he would be assassinated. He refused.
- **In May of 2010** while in a business meeting in Seattle Washington, many of his associates warned him they all had "a bad feeling" in the hotel that something was not right. Tim had the same feeling. His NATO military intelligence told to disable all electronics, and his cell phone and get out of the hotel.
- **His group split up into three groups and went different ways** to loose anyone following and were to meet at a special location. Two armed men were seen in the hotel. He later found out six mercenaries were hired for the job. He was almost caught in Omaha and Kansas City prior. Shortly thereafter the enemy was neutralized and God's grace, like with Trump, protected him from the enemy. (Re-inhabited Vol II. page 38-39).
- **After Tim Turner’s assassination attempt**, he was advised that God's grace continued to protect him like Daniel in the lion's den. Those who ordered his assassination and those at the highest level of the Cabal were surprised when they were told to leave him alone, apparently by those good guys who assisted in the past to save his life.
- **In July of 2010 the Republic leaders** were sequestered for several days in a secured location. Though it was believed, and still is, that government officials are bought off as seen by USAID, what occurred in saving Turners, life and protecting him, proves there are "the good guys" in this covert war for the soul of our country. (Re Inhabited Vol. II page 39-40)
- **In January of 2021** The president of the now Restored Republic, Tim Turner, who they attempted to assassinate, was being interviewed on Morning Liberty radio speaking on the continued attacks.
- **He revealed that the American Republic** had experienced heavy attacks by corrupt agents of the CORPORATION OF THE UNITED STATES/Obama administration, and that they had infiltrated the Republic and were planted in office positions in the Republic.
- **Tim Turner stated that the tactics shouldn't be surprising** after the attempted payoff and assassination attempts on his life, and here is the reason why.
- **When we fully awake the people and establish the de jure Republic again**, that's going to take away 379 million slaves away from the international bankers, IRS, freeing the debt slaves, so do you think they are going to just lie down and let that happen — certainly not. They're going to fight and they're going to do their normal deception, their division, and their divide-and-conquer tactics, with the help of the media we now see

being paid off through USAID and unfortunately will see the first martyr for the republic. Wake up people, this is an unconventional war for our country.

- **The bottom line is, like President Donald Trump said** when they attacked him also, it's not a personal attack on me, it's an attack against your Republic and the people of this nation. (Re-Inhabited Vol. II page 88-89).
- **More hardships were incurred when President Turner** had been prevented from leaving the country, as he was seeking to fly to Europe and meet various heads of state of foreign countries by Clinton as Secretary Of State. With the exposure of Benghazi, the email server scandal and her "pay to play" treasonous tactics, this is just one more move to prevent further damage. One can well imagine the importance of accomplishing relationships with other countries via treaties or compacts for the American Republic. To succeed in this venture would affirm international status and adversely affect the CORPORATE UNITED STATES, which was eventually accomplished in part.
- **Tragically, Arizona Chief Justice William Dale Foster was shot to death** by a local police officer at Mr. Foust's business co-owned with his wife. It was Father's Day 2011 when William "Bill" Foust was shot and killed in front of his wife and two daughters. The National leaders acknowledged him as a modern-day Founding Father of the Republic as well as a dear friend of President Tim Turner and "a great inspiration to many in the Republic."
- **Justice Foust was having tremendous success** in the *de facto* CORPORATE COURTS assisting in preventing unlawful foreclosures of Arizonans' homes. We believed that in a large part that may have been the reason Mr. Foust was killed instead of arrested and did not use lawfare like they did to Tim Turner on September 18, 2012 and Trump several times.
- **President Turner in light of this tragic obstacle stated:** "God also gave me a message for those of you who have concerns about our Republic. He showed me a single flower growing up through a small crack in a sidewalk. The flower was white with a yellowish tint and in full bloom. The Lord said to let the People of the Republic (and now the country) know that it doesn't matter the hardships we face or obstacles we must overcome. He has planted the seed of this Republic and no matter what is thrown at us we will not only take root but will grow and flourish. As the flower overcame the concrete that tried to withhold it from sprouting the Republic will overcome all obstacles and be successful because this is HIS Republic. " Re-inhabited Volume II pages 120-121.

S. Tues. 18 Feb. 2025 The Storm is HERE! EBS Activation Imminent, Military Positioning Troops, GITMO Expanding for Arrests, Med Beds to Cure Vaccine Damage, SCOTUS Announcement, and Ongoing Military Tribunals Unveiled! ...JFK Awakening Q17 on Telegram

- **Wake up! What you've been told is nothing but a smokescreen**, designed to keep you blind to the real power moves happening right under your nose. Since March 2020, the United States has been controlled by a covert force—the federalized active-duty National Guard—operating under the radar with military precision. This is no defense; it's an offensive strike against the deep corruption that's poisoned the world for decades.
- **Operation Castle Rock is the master move** in this global chess game. The Biden administration? Nothing but puppets, moving to the rhythm of a hidden agenda. But Castle Rock is the checkmate—the final blow that will expose the real power brokers and bring their empire down. It's not just about Trump returning—it's about justice on a scale the world has never seen.
- **Military tribunals are already underway.** High-ranking officials who thought they were untouchable are now facing justice. SCOTUS has ruled in favor of Brunson, declaring Congress's failure to investigate the 2020 voter fraud as treason. And treason comes with one punishment: the dismantling of the corrupt government and the overthrow of the Biden administration—not in months, but within days.
- **On September 1, 2024, intel from the Carden Group confirmed:** SCOTUS will soon announce a ruling that shuts down the government within 24-48 hours. The Emergency Broadcast System (EBS) is ready, the airwaves are clear, and when the switch is flipped, the truth will flood every device worldwide. This is Disclosure Day—the global awakening.
- **Expect 10 days of darkness.** Bank shutdowns, ATMs offline, and credit cards useless. Prepare yourself with three weeks of supplies, because this isn't just a financial reset—this is survival. The Military is already mobilizing to manage the blackout zones. They've been positioning troops to ensure the safety of the new Quantum Financial System (QFS) and Project Odin.
- **GITMO is expanding**—new cells, new facilities, all being prepped for the influx of high-profile arrests. These are the global players who engineered the suffering of millions, and their time has run out. Expect trials and sentences to be carried out with military speed. Washington D.C. has turned into a fortress—not to protect, but to detain.
- **This isn't just America's fight—it's a global military operation to dismantle the corruption across the planet.** Project Odin is already intercepting communications, and

Operation Omicron Variant has been liberating children from the deepest layers of darkness. These raids are being conducted in secret, but they're happening now.

- **Castle Rock isn't just the takedown of the elite—it's the restoration of 1776 principles.** The corrupt laws of 1871 and the Balfour Declaration are being reversed. Judges, police, and lawyers are being retrained, while others are being arrested. This is more than a legal shift—this is a revolution. The people's sovereignty is being restored.
- **And here's the bombshell:** vaccines will soon be declared illegal. Med Beds are coming, set to reverse vaccine damage and cure ailments once thought incurable. This is the end of medical tyranny. The pharmaceutical industry will collapse under the weight of its lies, as the truth comes out about the damage they've inflicted.
- **The Storm is HERE, and there's no turning back.** Castle Rock is the endgame. Prepare, because nothing can stop what's coming! The world is on the brink of a monumental shift. The Military is in control, the truth is being revealed, and the corrupt are being taken down. This is not a drill, and it's not a game. The world is waking up, and when it does, there will be no turning back. The revolution has begun, and nothing will ever be the same.

- **The Current Farming System: Poisoning America for Profit.** The USDA has turned farming into a weapon against the people: Small farmers crushed by Big Ag's monopolies and impossible regulations. This isn't farming—it's WAR. But RFK Jr. is here to fight back!

- **Step 2: Heal the Soil, Clean the Water—RESTORE the Land!** Decades of chemical abuse have left our land dying and our food toxic. RFK Jr. will: Promote regenerative farming to rebuild soil health. Ban toxic pesticides and GMOs that poison our crops. Protect water resources, ending reckless corporate exploitation.
- **Step 3: BAN Toxic Chemicals—Crush Big Ag’s Poison Empire!** The U.S. allows chemicals banned worldwide—WHY? MONEY! Big Ag and Big Pharma profit from your sickness. Under MAHA: Banned in Europe? - **RFK Jr. & Trump: The Deep State’s WORST Nightmare!** Trump fights globalist corruption. RFK Jr. destroys fake science and Big Ag lies. Together, they are UNSTOPPABLE.
- **This Is War—For Our Farms, Families, and Future!** The USDA sold out to corporate parasites. But now, we have a once-in-a-lifetime shot to take our farms back! The MAHA Plan isn’t just a policy—it’s a movement. Farmers, patriots, freedom-lovers: RISE UP and FIGHT!

V. Tues. 18 Feb. 2025: JUSTICE IS COMING! BlackRock Executives Arrested, Corrupt Politicians Caught, and GITMO Is Preparing for the Biggest Military Trials in History!

...Secrets Exposed on Telegram

- **The Storm is here, and the world is witnessing the downfall of the most powerful financial empire ever constructed.** BlackRock, the silent hand behind economic collapses, political corruption, and human suffering, is now crumbling under the weight of its own crimes. The elite’s financial weapon has been dismantled, and its reign of terror is coming to an end.
- **For decades, BlackRock, alongside Vanguard and State Street, operated as a financial Hydra**—controlling corporations, governments, and entire industries. They engineered market crashes, manipulated elections, and enriched themselves while impoverishing the masses. But now, February 2025 marks their reckoning. White Hat military forces, quantum surveillance systems, and a global coalition of patriots have exposed their hidden agenda and brought them to their knees.
- **The Vanguard-State Street Nexus**, once untouchable, is unraveling. The COVID-19 pandemic was just another scheme in their playbook—lockdowns, mandates, and financial bailouts all designed to consolidate their wealth while crushing small businesses. They orchestrated supply chain crises to inflate prices, ensuring that everyday citizens suffered while they profited. Now, the evidence is irrefutable. Military tribunals

are being prepared, and key executives from these financial institutions are being detained.

- **The White Hat operations have uncovered shocking truths.** BlackRock wasn't merely an economic manipulator—it was a central player in global human trafficking, drug smuggling, and organ harvesting. Secret offshore accounts linked to child trafficking networks, hidden facilities, and black-market transactions have all been exposed. For years, the mainstream media—owned and controlled by these very entities—buried the truth, silenced whistleblowers, and ridiculed those who dared question the narrative. But now, there is nowhere left to hide.
- **High-profile arrests have already begun.** Sources confirm that executives, politicians, and media moguls who served BlackRock's interests have been taken into custody. Their crimes range from financial terrorism to crimes against humanity. This isn't just happening in the United States—nations across the world, including Canada, the UK, Germany, Australia, and Ukraine, are purging deep-state operatives installed by BlackRock's influence. Trudeau, Sunak, and others are under military scrutiny, and the days of their control are numbered.
- **BlackRock's collapse is a seismic shift in the global power structure.** The company that once controlled \$11.6 trillion in assets, dictated monetary policies, and owned governments is now a shell of its former self. The Federal Reserve, long entwined with BlackRock's manipulations, is also under intense investigation. Trillions in stolen wealth have been tracked, seized, and are being prepared for redistribution under NESARA/GESARA initiatives.
- **With Gitmo expanded and special courts convened, the world is about to witness justice on an unprecedented scale.** The trials will be public, and the truth will no longer be suppressed. Those who preyed on humanity for generations will finally answer for their crimes.
- **But this isn't just about retribution—it's about rebuilding a world free from their grip.** Financial systems are being transitioned to quantum platforms that ensure full transparency. Every dollar, every transaction, every institution will be monitored to prevent corruption from ever taking root again.
- **This is more than a takedown—it's the birth of a new world order of justice.** The elite's empire has fallen, and what comes next is a society built on truth, fairness, and the power of the people. Stay vigilant, patriots. The storm is here, and the best is yet to come.

W. Tues. 18 Feb. 2025: Top-Secret HAARP Facilities Exposed – Edward Snowden Unveils HAARP's Sinister Global Agenda! ...The 17th Letter (JFK Jr.) on Telegram

- **NSA whistleblower Edward Snowden** has just blown the lid off a terrifying agenda hidden deep in Alaska. Documents reveal that HAARP, which they claimed was about "scientific research," is in reality a weapon designed to control and manipulate humanity on a global scale.

- **HAARP's Dark Purpose:** For years, the military has disguised HAARP as a research station, keeping its true mission hidden from the public. According to Snowden's leaks, HAARP is no innocent experiment—it's a weapon of mass manipulation, targeting people's brains, causing what seem like natural deaths—strokes, heart attacks. This is more than a conspiracy theory. It's happening now, right under our noses.
- **Mind Control at an Unimaginable Level:** Snowden revealed that HAARP can remotely control the minds of those who speak out, turning people into irrational, “crazy” individuals in the eyes of the world. Their goal? Silencing dissenters, using these frequency waves to make their opposition crumble from within. Think about it—the world leaders, media moguls, and CEOs you see on TV are just puppets, controlled through advanced technology. Ever wonder why some of the most powerful voices for truth go silent overnight?
- **Faraday Cage Defense:** Snowden has taken refuge in a Faraday cage, cutting off external radio waves, shielding himself from this global mind-control weapon. Why? Because once you know the truth, you're a target. This technology can destroy lives, discrediting those who dare speak up, reducing them to nothing but “conspiracy theorists.” It's already happening.
- **The Smoking Gun – Proof of HAARP's Control:** These documents aren't just hearsay. Snowden shared secret emails from top military officials confirming the horrific truth behind HAARP's operations. This is no longer speculation—it's fact. You're either awake or you're being played. They want you docile, blind, and submissive, all while the elite pull the strings behind the scenes.
- **HAARP's Reach – More Than Just Alaska:** It's not just Alaska. There are multiple HAARP facilities worldwide. In Sweden, Russia, even beneath the cover of cell towers right here at home. They've built a global network to keep their control tight. It's not just a weapon. It's a system of domination, creating chaos, fear, and confusion across the world. Just look at the strange weather patterns, natural disasters, and public figures dropping dead out of nowhere.
- **The Time To Rise Is Now:** Snowden's revelations have shown us that the storm is already here. The truth is far darker than we could ever imagine. But now you know—what will you do with this knowledge? Will you sit back and let the global elites tighten their grip, or will you fight back? Your country, your freedom, your very life could depend on it.
- **Wake Up, Patriots! This is the moment.** The truth is out, and they can't silence us all. Together, we can expose the shadow government and the military machine that's been pulling the strings for far too long. The time has come for action—before it's too late.

X. February 18, 2025—The MedBed rollout is advancing at lightning speed, bringing a revolution in healthcare unlike anything seen before. Hundreds of centers are preparing to open, and the latest developments confirm that these devices are more powerful and

transformative than anyone imagined. Humanity is entering an era of health, empowerment, and freedom from the corruption that kept it enslaved. ...Julian Assange

- **As of today, over 200 MedBed Healing Centers are near completion**, with the first phase of public access set for March 15, 2025. These centers will prioritize veterans, terminally ill patients, and survivors of human trafficking, ensuring the most vulnerable receive treatment first. By year's end, over 700 centers will be operational worldwide, replacing the profit-driven medical system with one centered on true healing.
- **Trump's team has also unveiled major advancements in MedBed technology.** DNA restoration now activates dormant genetic sequences, unlocking heightened intuition, faster learning, and physical endurance. Neurological healing reverses paralysis and brain injuries, while quantum emotional recalibration eliminates PTSD, anxiety, and depression. MedBeds don't just heal—they optimize the immune system, making future illness nearly impossible.
- **The connection between MedBeds and the Quantum Financial System** is becoming clearer. Starting in April 2025, patients will receive Quantum Identification Cards (QICs) linked to QFS. These cards grant free access to MedBeds, erase medical debt, and connect users to universal income programs, ensuring financial freedom alongside physical healing.
- **To operate MedBeds**, Trump's administration is training a new generation of quantum healers. These specialists undergo intensive mental, emotional, and intuitive training to align with the quantum frequencies of the technology. Cellular Resonance Therapy is now recognized as the driving force behind MedBeds, harmonizing the body's energy field to accelerate healing.
- **Trump's upcoming speech on February 25, 2025**, will outline the next steps. March 15 marks the first wave of public access, expanding to the general public by June. By July, cognitive and emotional healing capabilities will be further enhanced. The deep state's grip on humanity is unraveling, and nothing can stop this transformation.
- **This isn't just about healing—it's about liberation.** The MedBed rollout is ushering in a world where disease, suffering, and financial oppression are relics of the past. Humanity stands on the brink of its greatest evolution, and the age of healing is here. Prepare for the future, because nothing will ever be the same.

Y. UNDER NESARA LAW:

- **The IRS and Income Tax** will be abolished. There will be a 14% flat rate sales tax, applied only to new, non-essential items. Food and medicine will be tax-free as will the sale of all used items including homes.
- **Benefits to senior citizens** will increase.
- **All courts and legal matters** will return to Constitutional Law with a retraining of all judges and attorneys that will ensure that the judiciary remains the ultimate guardian of the Constitution.

- **The original Title of Nobility Amendment** will be in effect. Americans under foreign influences will lose their citizenship, be deported and barred from re-entry for life. College degrees will be worthless.
- **New Presidential and Congressional elections** will be held within 120 days of a NESARA announcement. Elections will be monitored to prevent illegal activities by special interest groups. The interim government will cancel all “National Emergencies.”
- **The U.S. Treasury will roll out a ‘rainbow currency,’** backed by gold, silver and platinum precious metals. This move will end the U.S. bankruptcy initiated by Franklin Roosevelt in 1933, replacing it with a solid, tangible financial foundation.
- **Forbidden will be the sale of American Birth Certificate** records as chattel property bonds by the US Department of Transportation.
- **A new U.S. Treasury Bank System** will be in force designed to align with Constitutional Law. The current Federal Reserve System will be phased out over a year-long transition period, eventually rendering it obsolete.
- **Financial privacy** will be restored.
- **U.S. Military Actions** will cease Worldwide.
- **Enormous sums of money** will be released for humanitarian purposes.
- **Over 6,000 patents of suppressed technologies** will be unveiled including innovations like free energy devices, antigravity and sonic healing machines.

Z. The World is Changing From Dark to Light:

- **Get Ready For Ten Days of Communication Darkness.** The power to the entire World will switch off briefly to install our new Starlink Satellite Internet. Shutdowns will occur, but only in certain areas. Banks will close. ATMs and Credit Cards will stop working. Have at least a month’s supply of food, water, cash, medicine and essential items on hand for yourself, your family and to share with others in case of emergency. If you’re unprepared, don’t worry. The Military will supply what you need. Nonstop education will be broadcast, teaching everyone about the true principles of Freedom and Justice.

Za. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zb. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zc. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted. Zd. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwq4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
