Judy Note: Freedom Day Wed. 2 April 2025 meant that Gesara/Nesara – the largest wealth redistribution in history – has been quietly phased in.

Guarded by the Military Alliance with Trump as Commander in Chief, the Quantum Financial System was now operational across the World.

Debt Forgiveness was in motion; Quantum Accounts tied to trafficking and black ops, drained. Worldwide Financial Armageddon, avoided.

All of which meant that no more would US Inc, UK Crown and Vatican Central Banks have control over your pocketbook. This great feat was accomplished through takedowns of thousands of treasonous Satan Worshipping, Child Sacrificing Global Elites, holding their Military Tribunals and thereby collapsing regimes of over 170 countries. In silence, their strategic assets were being seized. Underground networks—financial, technological, human trafficking, dismantled.

Trump was back, though as head of the Global Military Alliance, he never left. Alongside him was the Alliance headed by high-level patriots in the U.S., Russia, Brazil, India, South Africa and even China (now void of the CPC).

This historic Q Operation has been in motion since JFK's assassination; has been in planning since the Lincoln assassination; has been activated since 2016 when Trump first took office.

The panicked Deep State was now in sabotage mode: Chemical spills. Train derailments. Underground detonations blamed on "earthquakes." Banking "glitches." Digital currency mandates. Biological threats.

The US, Canada, UK, Australia, New Zealand, Germany, France, Italy, Poland were in secret talks to initiate Worldwide Martial Law as over 700,000 Indictments on the Global Elite Swamp were being served Worldwide and the US Judicial System was converted from Maritime Law to Constitutional Law.

French PM Macron was cracking; Canadian PM Trudeau, missing; Ukraine's Zelensky, lost; the Vatican, sealed; Hollywood, gutted; Big Tech, flipped; Globalists, Executives, Royals, even

ex-presidents and many public figures, now clones; GITMO, full; thousands of Military Tribunals, offshore; former governors, senators, judges— disappeared under quiet arrests, deals and executions; Federal Reserve, gutted; IRS no more; Central banks, imploding.

Intelligence Agencies across the Globe were set to initiate Cyber War Communication Blackouts, with the Emergency Broadcast System activated to override everything Worldwide; Quantum Grid, shift; Mainstream Media, to vanish, so the World could hear the truth.

Throughout it all the Mainstream Media remained silent – they’re ordered to pretend as Special Forces, U.S. Marshals and global task forces locked in targets for the final waves of arrests, while AI stand-ins, or Deep Fake placeholders kept the illusion intact as reality reset behind the curtain.

“The beginning of Q & Trump's first four years was to set the stage & build the Army of Anons. The next four years was an example to show the people that needed to see it to believe it. The stage we're in now is disclosure to prove what's been said in the past eight years, & to pick the system apart brick by brick. Everything that's been done was to wake people up & get to this point. The system isn't going to be dismantled all at once just like all information isn't going to come out all at once. Everything has to be done systematically.” ...Capt.Kyle Patriots on Telegram

A. What We Think We Know as of Mon. 31 March 2025:

- **Commander In Chief Donald Trump has activated the Global Military Alliance** as a Judicial Coup from Justice Roberts of the Supreme Court on down went underway to destroy the US Republic and Globalists Sex Trafficked thousands of children as the FBI hid evidence.
- **Supreme Court Chief Justice John Roberts was leading a covert legal coup against Donald Trump**, the Constitution, and the American people as the commanding operator of a globalist-backed judicial mafia called the American Inns of Court – a shadowy legal cult imported from the British Crown’s Middle Temple — a monarchic legal lodge system designed to crush republics and control nations from behind the bench.
- **Sun. 30 March 2025 What a coincidence:** Nearly Every Federal Judge obstructing Trump has a spouse or family member tied to a Democratic NGO paycheck:

- **President Trump charges that the CIA, FBI, Democrats rigged 2020 Election.** In a fierce new interview, Trump confirmed the 2020 election was a rigged operation, not just

by rogue politicians—but by the CIA, FBI and Biden himself. Sources confirmed that Trump was preparing to declassify Crossfire File documents of the 2020 steal, exposing operatives who went from fake collusion claims to ballot harvesting coordination.

- Internal FBI messages showing collusion with tech giants to silence election truth.
- Ballot fraud in key swing states: duplicate votes, no ID checks, and illegal mail-ins.
- Foreign vote interference, routed through servers in Europe and Asia.
- Proof governors and secretaries of state took foreign-backed payouts to change election laws illegally.

--Covid was used as a Trojan horse—a manufactured crisis to justify unconstitutional rule changes. Ballot boxes appeared overnight. Signature standards vanished. Voter rolls were bloated with ghosts.

- **“Whatever happened to the \$8,000,000 given by our “government” to Radical Left Politico magazine, or whatever you would call it? Owned by wealthy guys, this money should be taken back by DOGE, ASAP. Also, is Stacey Abrams going to give back the two billion dollars they funneled into her “environmental fund” just prior to my assuming office. She went from \$100 in donations to \$2,000,000,000 in just one day? Not bad!!! Get back the money.” ...Donald Trump on Telegram**
- **Sun. 30 March 2025: Trump has cut all funding to GAVI** – the globalist-run vaccine alliance backed by Gates, WHO, and WEF that functions as a front for medical tyranny, digital surveillance, and global population control. GAVI was created to bypass governments, override national laws and funnel public wealth into private hands. For years, the American people were unknowingly financing their own medical enslavement—over \$2.2 billion pumped into a cartel that crushed free speech, censored doctors and rewarded Pharma giants with blank checks while silencing dissent.
- **Sat. 29 March 2025:** “I'm thrilled to announce that we're ending pharmaceutical ads in television. America is corrupted by Big Pharma. For years, they've pushed drugs like candy, silenced critics, lobbied the Congress and the White House, and cashed in on manufactured fear. Big Pharma, through drug advertisements, are also a huge source of income for mainstream media, effectively controlling the media outlets. Soros and USAID aren't the only ones who use the mainstream media to perpetuate propaganda.” ...Robert F. Kennedy Jr. on X

The so-called "Four Blasphemies Ritual" was supposed to be staged in the days leading up to Easter, aimed at mocking Christians and promoting Satanic worship. Despite backlash, Democratic Governor Laura Kelly allowed the event to proceed. B. Possible Timing:

- **On Tues. 25 March 2025** President Trump activated the new gold/asset- backed Global Quantum Financial System (QFS) powered by XRP.
- **Trump has declared Wed. 2 April 2015 as Liberation Day.** Why? – because April 2 was the anniversary of the **April 2 1792** birth of the US Dollar under a gold and silver standard. Back then the US Dollar was Real. Valid. Honest – before the Central Banks corrupted it into worthless debt paper.
- **On April 2 Liberation Day**, gold/asset-backed monies of Nesara/ Gesara would be released to The People of the World. With that, corrupted banks all over the Globe were

expected to fall, the Stock Market, collapse; the Federal Reserve with their abusive and criminal IRS would be no more; the Rothschilds, out; Khazarian banking mafia, finished forever, plus Liberation Day marked the eventual demise of the large Global corporations at the Vatican that were only being held up by stolen US Taxpayer now-fiat dollars.

C. Global Currency Reset:

- **Tues. 25 March 2025** President Trump activated the new gold/asset- backed Global Quantum Financial System (QFS) powered by XRP, which destroys the Globalist Banking Cartel – the QFS is live, XRP is the weapon. The Fed is dead.
- **Tues. 25 March 2025 Mr. Pool:** Reports from Reno suggest that the first batches of ZIM holders have been escorted under military guard to classified exchange points.

- **Thurs. 27 March 2025 Bruce: Bond Holder Paymasters** were saying Bond Holders would have access to their accounts over the weekend. **As of ten am Thurs. 27 March** 12% of Bond Holders had gone through. Multiple sources said Tier4b (Us, The Internet Group) would likely get notification to set appointments very soon. The full revaluation will happen after **Tues. 1 April 2025**. **The month of April** will see an increase in Social Security payments. **On Thurs. 27 March** the 800 number was being loaded into the various systems.
- **Wed. 2 April 2025 is Liberation Day** (the anniversary of the **April 2 1792** birth of the US Dollar under a gold and silver standard) when gold/asset-backed monies of Nesara/ Gesara would be released to The People of the World.
- **On Sat. 5 April 2025** far-left radicals funded by George Soros were preparing coordinated attacks across the U.S., targeting Tesla dealerships, private businesses, and core symbols of American freedom. This isn't protest. This is organized chaos. And the goal is simple—undermine President Trump's return, destabilize the country, and set fire to any trace of sovereignty.

D. Sat. 29 March 2025: TRUMP DETONATES THE GLOBAL BANKING SCAM: QFS IS LIVE, POWERED BY XRP — THE ROTHSCHILD SYSTEM IS DEAD! ...Quantum Financial System

- **On March 25, 2025, President Donald J. Trump** executed the single most devastating blow ever delivered to the globalist financial system. With one signature, the Quantum Financial System was activated and officially linked to the U.S. Treasury — cutting out the privately owned Federal Reserve once and for all.
- **The new financial era has begun**, and it runs on the XRP Ledger. The Federal Reserve is dead. The Rothschild dynasty's grip on America has been broken. And the fiat-based, debt-slavery system that kept nations in chains has collapsed under the weight of its own lies. The Quantum Financial System (QFS) is now live — a sovereign, incorruptible infrastructure that bypasses the corrupt SWIFT network and fractional-reserve central banking. Every transaction is traceable. Every dollar is accounted for. There's no more printing fake money out of thin air. No more secret bailouts. No more Wall Street casino. The dollar is reborn — not as a Federal Reserve Note, but as the U.S. Treasury Dollar, secured by QFS and powered by XRP. This isn't speculation. It's happening. Trump's Executive Order dismantled the globalist framework brick by brick: BIS, IMF, World Bank, Vatican finance — all cut off from control.
- **The Khazarian banking mafia**, which funneled money through bloodlines and blackmail, just lost their greatest weapon: the ability to control nations through currency. And here's the kicker — XRP, the same digital asset they tried to destroy, is now the foundation for America's new economic sovereignty. Fast. Scalable. Energy-efficient. XRP wasn't created to make traders rich — it was designed to free the world from financial tyranny. And now, it's doing just that. With QFS active, every dollar is traceable, every transaction transparent, and every corrupt entity exposed. Asset seizures are next. Offshore wealth stolen from the people will be repatriated. Fake banks will fall as their hollow balance sheets are revealed for the fraud they are. The end of fiat is here. The beginning of sound money, gold-backed value, and sovereign digital transactions has arrived. Inflation? Gone. Taxpayer theft? Over. Globalist manipulation? Finished. This is more than reform.
- **This is the reset we were never supposed to see.** The media won't touch it. The economists will lie. But the truth is simple — **March 25, 2025**, is the day the chains came off. The fake president in Washington didn't do this. Trump did. The real President just pulled the plug on a centuries-old parasitic system and gave the people their power back. And the best part? This is only the beginning. The Deep State can't stop what's coming. The Treasury now answers to the people. The banks answer to the law. The money is real. The system is clean. And for the first time in over 100 years, America is

financially free. Let the globalists scream. Let Wall Street tremble. Trump just flipped the switch — and the QFS is running hot.

E. Wed. 26 March 2025: The Greatest Wealth Transfer in History Is HAPPENING NOW—Trump's Quantum Strike Activates GESARA and Shatters the Globalist Financial System FOREVER! ...Quantum Financial System on Telegram

- **The Globalist regime is collapsing**—and it's no accident. The entire system was designed to enslave you. Central banks, fiat currency, fake prosperity—it was all a trap. But now the trap has been sprung. And the hunter is Donald J. Trump.
- **This isn't just a collapse**—it's a coordinated takedown of a satanic control grid. Behind the fake economic news, the real operation is underway: a precision-triggered quantum financial reset that will destroy the debt matrix and return stolen wealth to the people.
- **GESARA is live.** The Quantum Financial System is real. Asset-backed currency is coming. The elite's offshore trillions are being seized, rerouted, and repurposed—to fuel a sovereign economic rebirth.
- **The Deep State's financial war machine** is being dismantled in real time: USAID slush funds frozen, CIA money tunnels collapsed, Globalist credit lines terminated.
- **Trump is launching tactical financial strikes**, not policy tweaks. Every move is a military-grade detonation aimed at collapsing the old regime's infrastructure.
- **Retail is dying.** Tech is imploding. Banks are falling. It's not chaos—it's a controlled demolition. And underneath the rubble, the new system is rising.

TRUMP'S TRIPLE STRIKE IS ACTIVATED:

- **1. Globalist Wealth Seizure:** Trillions from black ops, cartel accounts, and NGO vaults are being seized via military tribunals. The Rothschilds are cornered. Soros networks—cut off. This wealth is going back to the people.
- **2. Return to Gold-Backed Currency:** The fiat dollar is dead. Trump's QFS currency—secured by gold, protected by biometrics—is incorruptible. Every transaction, transparent. Every asset, real.
- **3. Quantum Wealth Distribution:** No more Fed. No more IRS. Direct credit to the people. Universal abundance protected by encrypted systems the elites can't touch.
- **GESARA's full rollout includes:** Debt erasure, Constitutional restoration, Quantum elections, Suppressed tech release, Military-enforced peace.
- **But the collapse is NECESSARY.** Every layoff, every crash, every panic—it's part of the purge. The parasite class must be wiped out, root and stem.
- **The enemy knows what's coming**—and they're desperate. Civil unrest, false flags, planned chaos—it's all to stop Trump's final move. But they're too late.
- **The New Republic is coming.** GESARA is real. The QFS is online. And NOTHING can stop what's coming.

F. Fri. 28 March 2025: The Quantum Financial System is no longer theory. It's live, active, and operating beneath the surface as the old banking system quietly loses ground. While most remain distracted, QFS is already capturing and redirecting the global flow of money, with full deployment closer than ever. ...Quantum Financial System on Telegram

- **Insiders confirm that QFS is processing over 100 million transactions** daily in selected nations. These test regions are bypassing traditional banks entirely, using quantum technology to ensure every transfer is instant, unhackable, and fully transparent.
- **Each transaction is stored** on a tamper-proof ledger that records every detail permanently. This is not just a financial tool—it's a weapon against corruption, built to expose hidden funds and dismantle the Cabal's control over global wealth.
- **At the core of this system are underground testing hubs** in 11 strategic cities worldwide. These secret nodes are guarded by military units and run by AI protocols that detect anomalies and block any attempts at interference.
- **All of it is connected through 13 classified quantum satellites** in low Earth orbit, developed not by public agencies but by hidden military alliances. These satellites protect QFS communications, creating a shielded global network that cannot be hacked or disrupted.
- **QFS is learning, evolving, and securing itself** with every transaction. The countdown has begun. The reset is no longer coming—it's already happening.

G. Sat. 29 March 2025 BOOM! TRUMP DECLARES APRIL 2ND "LIBERATION DAY" — A FINANCIAL WAR HAS BEGUN!

- **April 2, 2025** — Donald J. Trump has officially declared it "Liberation Day," and it's not just talk. It's a signal. A declaration of war on the globalist economic machine. Massive tariffs incoming, whispers of a gold-backed dollar, and the fiat system trembling in fear. This isn't a policy tweak. This is the start of a total takedown.
- **TRUMP: "THEY'VE CHARGED US SO MUCH..."** — NOW IT'S OUR TURN At a White House briefing, Trump dropped a warning shot. New tariffs. Massive ones. Starting April 2. "They've charged us so much... I'm embarrassed to charge them what they've charged us. But it'll be substantial." He's not negotiating. He's going for the jugular.
- **APRIL 2 — NOT JUST A DATE, A DIRECT HIT Why April 2?** Because in 1792, the U.S. Dollar was born under a gold and silver standard. It was real. Honest. Before the central banks corrupted it into worthless debt paper.
- **Trump's message?** It's time to return to real value, monetary sovereignty, and America First economics.
- **THEORIES EXPLODING: WHAT'S COMING?** Trump isn't dropping hints. He's lighting the fuse. And patriots are putting the pieces together:

- **DEBT JUBILEE?** Erasing illegitimate Fed/IRS debt? Wiping the slate clean from rigged systems?
- **GOLD-BACKED TREASURY DOLLAR?** Cutting the Fed out. Ending fiat slavery. Issuing real money again.
- **TOTAL TRADE RESET?** No more backroom sellouts. No more foreign manipulation. A hammer on globalist parasites.
- **THIS IS A RECLAMATION “Liberation Day” is not symbolic. It’s systemic. It means:**
 Freedom from fiat chains.
 Freedom from globalist bloodsuckers.
 Freedom from Deep State financial control.
 Freedom for the American people.
 The global elite? Panicking.
 The media? Silent.
 The Deep State? Cornered.
 But Trump’s army? Wide awake. Locked in. Ready.
- **APRIL 2 — CIRCLE IT IN RED** This is not politics as usual. This is a battlefield declaration. And the enemy knows their time is up. Liberation Day is coming. The system will fall. And WE will rise.

H. Sat. 29 March 2025 QFS – A New Era of Financial Freedom ...Med Bed Technology on Telegram

- **The global financial system is collapsing.** Bank failures aren’t random — they’re part of a coordinated takedown operation. Giants like Deutsche Bank, HSBC, and JP Morgan are being dismantled internally. Many executives have already faced military tribunals.
- **VISA and Mastercard are being phased out,** replaced by QFS debit cards secured with quantum encryption. Legacy systems like PayPal and Stripe will become obsolete. The Quantum Internet doesn’t upgrade the old — it replaces it entirely.
- **QFS accounts are live now** — biometric-linked, instant global transactions, fraud-free, with no middlemen. Final activation will be announced via the Quantum Communication Network.
- **Fiat currencies are dying.** Gold is reclaiming dominance. The Rainbow Currency, backed by real assets like gold and silver, is already being adopted by over 60 nations.
- **Meanwhile, the Alliance’s military operations continue** — seizing deep-state funds and dismantling trafficking networks. Over 80% of cabal funding has been neutralized.

- **South Africa is witnessing the fall of the ANC.** Iraq is preparing for a currency revaluation.
- **March 2025:** The collapse of the old world is complete. QFS is here. A new era has begun.

Judicial Coup Headed by Chief Justice Roberts Against Trump and the Constitution

K. Sun. 30 March 2025 EXPOSED: Chief Justice John Roberts Is Running a Hidden Judicial Cartel to DESTROY Trump and the Republic! ...Patrick B. Kennedy on Telegram

- **Chief Justice John Roberts isn't just part of a corrupt court — he's leading a covert legal coup against Donald Trump,** the Constitution, and the American people. Behind the mask of judicial neutrality, Roberts is the commanding operator of a globalist-backed judicial mafia hiding in plain sight.
- **The network? It's called the American Inns of Court,** a shadowy legal cult imported from the British Crown's Middle Temple — a monarchic legal lodge system designed to crush republics and control nations from behind the bench. This system isn't American. It's foreign, ritualistic, and deadly to freedom.
- **At its core are the very judges weaponized against Trump:** James Boasberg — President of the cartel, rabid anti-Trump enforcer. Ketanji Brown Jackson — Supreme Court insider, executing the regime's doctrine. Amit Mehta — hosting secret strategy meetings in her courtroom. Beryl Howell — rewarded for jailing peaceful J6 protesters like a regime attack dog.
- **Sitting above them all as an Honorary Bencher of Middle Temple — John Roberts,** fully embedded in a foreign legal system designed to subvert U.S. sovereignty.
- **This is not theory. It's a fact. Feb 15, 2025: 150 judges and regime lawyers held a covert meeting in D.C. at Mehta's courtroom. Present? DOJ Inspector General**

Michael Horowitz, Deputy AG Seth Eichenholtz, and Chief Deputy AG Seth Rosenthal. They met under the pretense of “prison reform” — but the real agenda? Silencing dissent, jailing Trump supporters, and fortifying their hidden regime.

- **Even LinkedIn posts are unintentionally exposing the web** — DOJ lawyers bragging about “panels” and “strategy sessions” that perfectly mirror attacks on Trump and his base. This is pre-meditated treason.
- **Beryl Howell was celebrated by this cartel** for crushing patriots. That’s their reward system: Punish Trump’s movement = get promoted. Obey the cartel = rise. Dissent = destroyed.
- **Roberts shields them all.** Why? Because he’s commanding the operation. His allegiance is not to America — it’s to a British legal order, funded by Soros and run through a secret society masquerading as a professional legal group.
- **This isn’t just corruption. It’s war from the bench.** And Roberts is wearing the enemy’s colors. The black robes are no longer symbols of justice — they are cloaks of tyranny. The judicial coup is real. The time to fight back is NOW.

N. Sat. 29 March 2025 DEEP STATE EXPOSED – Trump Secures Peace in Ukraine, But Russia Warns: NO SANCTION RELIEF, NO DEAL – Globalist War Plan COLLAPSING! ...Gitmo TV on Telegram

- **Trump just pulled off what Biden never dared to attempt:** a real, enforceable ceasefire between Ukraine and Russia. The Black Sea is quiet. Energy infrastructure strikes are halted. And both sides are under Trump's command.
- **But peace was never their plan.** The Deep State engineered this war to launder billions through "aid," rig energy routes, and expand NATO control. Ukraine was their puppet stage. The bloodshed was real—but the war was scripted.
- **Until Trump shattered it. On March 25, 2025,** in Riyadh, Trump's team did the unthinkable: secured simultaneous security deals with both nations. No U.N. interference. No NATO strings. Just raw diplomacy—and a ceasefire locked in.
- **But there's a catch the media won't touch:** Russia demands full sanctions lifted. Their terms: – Immediate reconnection of Russia's agricultural bank to SWIFT – Unrestricted

access to shipping and logistics – Full restoration of all trade routes blocked by Western elites. Why? Because food and fertilizer were never meant to be sanctioned. But the Deep State choked Russia's economy using blacklists, payment blocks, and cargo sabotage.

- **Trump exposed the whole scam.** Do you remember the “grain deal” of 2022? Russia kept its word. The West broke every promise. In 2023, Moscow walked away. Now in 2025, Trump steps in and delivers the truth.
- **Lavrov made it clear:** Zelensky is not in charge. He takes orders from D.C.—and not from Biden. From Trump. Let that sink in: The war can end with one order. Because it started with one.
- **Biden never wanted peace.** The goal was chaos. Energy collapse. NATO tyranny. And the iron grip of the Great Reset.
- **Trump didn't just threaten their plan.** He blew it up.
- **And now?** – War profiteers lost billions overnight. – Think tanks are scrambling. – The U.N. is silent. – MSM is in full cover-up mode.
- **But it's too late.** The truth is out. Trump forced the deal. Russia agreed. Ukraine submitted. Only one obstacle remains: the Deep State's sanctions. If Washington refuses to lift them, the ceasefire collapses. The Black Sea burns again. And the world will know exactly who lit the match.
- **Trump did his part.** Now we see who stands for peace— And who serves the empire of lies.

O. Sun. 30 March 2025: BOOM! GITMO EXPANDS: MASS ARRESTS UNDERWAY – THE DEEP STATE IS DONE! ...Gitmo TV on Telegram

- **Guantanamo Bay just EXPLODED in size.** 175+ new high-security structures have been built in just two weeks. This is not for illegal migrants. This is the beginning of mass arrests. Military tribunals. Traitors in chains. The Deep State is being hunted down.
- **Trump is back.** And this time, there's no mercy. The Storm Has Arrived – And It's Unforgiving.
- **The traitors who sold America out**—the Clintons, the Bidens, the Obamas—they know what's coming. Gitmo has been supercharged to hold the worst of them. This is a war plan, not a detention upgrade. This is the final stage.
- **175 buildings in 2 weeks? That's a MILITARY OPERATION.** That's urgency. That's a takedown. And it's already in motion.
- **Who Are the Targets?** We're talking about the real enemy: corrupt politicians, Hollywood perverts, media puppets, globalist bankers, and treasonous tech tyrants. The elites thought they were safe. But they can't hide from military justice.
- **Trump's Vision Is Clear: No negotiations.** No delays. No escape. The mission is total takedown of the Deep State. Not just arrests—exposure, confession, conviction. This isn't about politics anymore. It's survival.

- **The Financial Web Is COLLAPSING.** Globalist money trails are being tracked. Blockchain is turning on them. Trillions in stolen funds, traced and frozen. Their cash cow is dead. Their time is up.
- **The Media Is Silent Because They're COMPLICIT.** Where's CNN? Where's MSNBC? Nowhere. Because they're part of it. They were the cover story for the Deep State. But now, WE KNOW. And there's no running from the TRUTH.
- **The Countdown Is Over.** Gitmo wasn't expanded for show. It's ready. The lists are printed. The shackles are real. The military is activated. Trump gave them one last chance—and they blew it.
- **This is history.** This is justice. This is WAR. The storm isn't coming. The storm is HERE.

Q. Fri. 28 March 2025: Former FBI Agents Implicated in Child Trafficking Industry

...John F. Kennedy Jr. on Telegram

- **What you're about to read isn't speculation—it's a glimpse behind the curtain of something far more sinister than most dare to imagine.** According to internal testimony, former FBI agents—now detained at GITMO and Camp Blaz—were not just corrupt. They were monsters. Fired from their positions, 162 agents are currently facing charges ranging from embezzlement to outright treason. But what triggered the tribunals wasn't just theft or conspiracy. It was what a few of them confessed to in a desperate attempt to save their own necks.
- **These were not ordinary agents.** They were embedded in the FBI's own Child Exploitation and Human Trafficking Task Force. And what they revealed to JAG investigators is a story so disturbing that it defies belief: the Task Force itself had become the trafficker. Children abducted under the pretense of federal investigation were being sold, not rescued. The operation exploited the FBI's jurisdiction over child disappearances. Under federal guidelines, the bureau gets involved in any child kidnapping case after 72 hours—or immediately if the child is under 12. With over 800,000 children going missing each year in the U.S., including half a million who are never even reported, the scope for abuse was staggering. And abuse is exactly what happened. In April 2022, in Seattle, three boys between the ages of 7 and 10 vanished from a popular mall in broad daylight. Surveillance showed nothing. Of 60 cameras, many were mysteriously offline.

- **The FBI claimed to investigate.** What they actually did was wait. And watch. Three weeks later, agents on surveillance spotted two white men shadowing a mother and her young son in a boutique store. The boy was tired, pulling at his mother's hand. She, distracted, told him to sit outside. That's when one of the men drugged the boy with a syringe jabbed into his neck. Instead of intervening, the agents followed as the child was carried away. He was put into a sedan and driven four miles to a quiet residential house. The agents never called for backup, never warned local authorities. They kicked in the door themselves and started shooting. Three men were gunned down—one while making coffee. A fourth was hit in the leg and collapsed. Upstairs, five children were found. One of them—unconscious—was the boy from the mall. The rest were in shackles. The wounded suspect refused to talk. That didn't matter. His phone did.
- **A notes file confirmed the house had been used for trafficking children for over two years.** Then came the part that would never be found in any official report. One agent pulled the man's phone and used facial recognition to unlock it. After reading the notes, he mocked the suspect—then shot the unconscious boy in the head, framed the man for the killing, and executed him with his own weapon. The remaining children were not returned to safety. They were sold to a South American cartel for \$165,000. That's the version told by four agents now in custody.
- **Only one confessed to being present.** Dates, names, and exact times have been withheld, but JAG believes this was not a one-off incident. It was a window into a deeply embedded rot within the system. A system that, under Biden and Wray, allowed its own child protection unit to become a marketplace for human lives. This is not over. This is only the beginning.

- **U.S. Cuts All Funding to GAVI** — The Globalist Health Grid Begins to Collapse. President Trump just dropped a nuclear strike on Bill Gates' vaccine empire. All U.S. funding to GAVI is TERMINATED. The cartel's cash flow is severed. This isn't diplomacy. This is war.
- **GAVI—the globalist-run vaccine alliance backed by Gates, the WHO, and the WEF**—has been leeching billions from American taxpayers for decades. Sold to the public as “health aid,” it's been a front for medical tyranny, digital surveillance, and global population control. Trump didn't just pause the funding. He detonated the foundation.
- **GAVI was created to bypass governments**, override national laws, and funnel public wealth into private hands. It gave Gates more power than presidents, all under the mask of humanitarianism. Now, that mask has been ripped off. No more backdoor deals. No more billions to the elites. The U.S. is OUT.
- **For years, the American people were unknowingly financing their own medical enslavement**—over \$2.2 BILLION pumped into a cartel that crushed free speech, censored doctors, and rewarded pharma giants with blank checks while silencing dissent.
- **Trump's message is loud and clear:** We will NOT fund tyranny. We will NOT be ruled by unelected billionaires. We will NOT submit to the WHO-WEF pipeline of control.
- **By cutting GAVI's lifeline**, Trump has exposed the entire globalist illusion. The empire is bleeding. Gates is scrambling. And the technocrats who believed they were untouchable are now in panic mode.

Y. Sat. 29 March 2025: CAUGHT RED-HANDED: FBI Documents EXPOSE Biden's War on Christians — April 30 Deadline Set! ...John F. Kennedy on Telegram

- **22 internal FBI documents just confirmed what we've known all along** — Biden waged WAR on Christians. Under his regime, the FBI tracked, surveilled, and marked the faithful as enemies. And now, Senator Hawley is demanding those documents be released by April 30 — no more games, no more coverups.
- **Under orders from the top, the FBI was twisted into a weapon of religious persecution.** Catholics were labeled "domestic threats." Pro-life Americans were hunted

down under the FACE Act. Your grandmother praying the rosary? Labeled a security risk. This wasn't about safety. It was about power.

- **The infamous Richmond memo** wasn't some mistake. It was a plan. A roadmap. The Deep State blueprint for silencing the Church—for criminalizing faith in America.
- **Kash Patel is in.** Trump is back. And now, it's OUR TURN.
- **Senator Hawley's demand isn't about "transparency." It's about reckoning.** The documents he's calling for include: Emails from FBI leadership. Memos from field offices targeting Christians. Directives on weaponizing the FACE Act. State/local coordination to crack down on believers.
- **This is the paper trail of tyranny.** Kash Patel knows it too. In his confirmation hearing, he vowed to expose everything. He's not there to play nice. He's there to dismantle a weaponized FBI and burn the corruption to the ground.
- **This isn't just politics—it's spiritual war.** The Biden regime used the pandemic to shut churches while keeping casinos open. They replaced prayer with perversion. Pushed satanic curriculum. Banned God and praised the beast.
- **Why? Because traditional Christianity** is the last wall standing between humanity and the globalist hellscape: open borders, gender insanity, transhumanist experiments, and family destruction. They had to break the faithful to enslave the nation. But they failed. The Church didn't fall. It rose.
- **Now the regime is cornered.** And April 30 is the deadline. These documents, once revealed, will blow the lid off everything. The fake news can't bury this. The DOJ can't spin it. To every believer who stood firm—you were right. You were targeted. But you weren't broken. The line is drawn. The reckoning is coming. The war on Christianity is real. But now—so is the resistance. And this time... we're not backing down. ...John F. Kennedy on Telegram

Z. Sat. 29 March 2025: ALERT!!! Massive False Flag Operation: NATO Plans to Bomb a European City, Stage a Crisis, and FORCE America Into World War III! ...Ezra A. Cohen
on Telegram

- **The final battle is here.** Donald J. Trump has been reinstated, and the Deep State is unraveling. NATO, the corrupt European elites, and the globalist war machine are spiraling into chaos as their empire collapses. Their money-laundering in Ukraine, their endless wars, their siphoning of American wealth—it's all falling apart under Trump's unshakable resolve.
- **But they're not done yet.** They have one last move: a catastrophic false flag attack, designed to ignite World War III and frame Russia as the villain. This is their trap. If America takes the bait, it will mark the point of no return.
- **Ukraine was never about defending democracy.** It was a Deep State playground—a black hole for American tax dollars, a testing ground for NATO bioweapons, and a front for military-industrial profiteering. Since 2014, NATO has manipulated Ukraine into

conflict with Russia. The 2014 coup was orchestrated by Obama, Clinton, and their CIA puppets, installing a regime that served their agenda. Zelenskyy, the actor-president, was handpicked to keep the war going because peace would dismantle NATO's racket.

- **Now Trump has returned, and he's cutting the strings.** Billions flowing into Ukraine? Cut. NATO's lies? Exposed. Endless war? Denied. Without Trump's America, NATO is powerless—and they know it.
- **That's why NATO is preparing a final provocation.** They'll stage an attack and blame it on Russia. The media will scream for war. Congress will demand retaliation. The goal? Trap Trump, ignite a global conflict, and regain control. The methods? Devastating.
- **A cyberattack takes down U.S. infrastructure.** A "Russian missile" hits a NATO country. A convoy "ambushed" in Ukraine. Even a terrorist attack on U.S. soil—each one designed to trigger war and force Trump's hand. They've done it before. Gulf of Tonkin. 9/11. They know how to manufacture a crisis and control the narrative.
- **But Trump sees through it.** He's already working to dismantle NATO. And he's not alone. Elon Musk has joined the chorus calling for withdrawal. The 2020 law blocks Trump from leaving NATO directly—but he doesn't need to. He can defund NATO, end military aid to Ukraine, halt U.S. troop involvement, and declassify intelligence exposing NATO's crimes. That's what they fear.
- **NATO is cornered. Europe is on the brink**—economic collapse, soaring debt, social unrest. War is their only exit strategy. If they spark it, trade stops. Fuel prices skyrocket. Conscription returns. Your sons and daughters will be sent to fight for the elites' survival, while their own families remain untouched.
- **Trump is the final obstacle.** They'll try everything—assassinations, fabricated scandals, rigged elections. But if they fail, they'll use war to destroy him.
- **We must not fall for the false flag.** When it happens—and it will—we must resist the lie, reject the war, and stand firm. NATO is dying. The Deep State is cornered. But they are most dangerous when defeated.
- **The months ahead will determine everything.** Stay vigilant. This is the final stand.

Za. Sat. 29 March 2025: BREAKING — Supreme Court Sides with Trump, Stripping Power from Rogue Judges! ...Nesara Gesara on Telegram

- **The Supreme Court is moving to DESTROY the Left's favorite legal weapon:** nationwide injunctions. The same corrupt tactic used to block Trump's agenda—now on the chopping block. Judicial tyranny is being dismantled. Trump is rising. The Deep State is bleeding.
- **THE COURT IS TAKING BACK AMERICA** For years, unelected judges hijacked the Constitution—paralyzing the presidency with a single stroke of a pen. They blocked Trump's orders. Froze national security actions. Sided with foreign interests. All under the illusion of neutrality.

- **That era is ENDING.** The Supreme Court is ready to crush the abuse of injunctions—sending shockwaves through the legal elite. It's a nuclear strike on the Deep State's last stronghold.
- **ONE JUDGE, NATIONWIDE POWER — IT'S OVER** This wasn't law. It was sabotage. A single judge halting policies for 330 million Americans? That's not democracy. That's tyranny wrapped in a black robe. Now, that weapon is being torn away from them. No more sabotage. No more judicial coups.
- **THE MEDIA LIED. TRUMP NEVER SLOWED DOWN.** While they said he was finished, Trump was outmaneuvering every trap. His approval is skyrocketing. His agenda is accelerating. The people are rallying behind him like never before. The regime wanted silence. What they got was a thunderclap.
- **THE LEFT'S LEGAL SHIELD IS SHATTERING** They lost the narrative. They lost the elections. So they crawled into the courts. Backed by NGOs, fake law firms, and Soros puppets, they tried to halt America's rebirth through endless lawsuits. But now, with SCOTUS stepping in, their game is OVER.
- **TRUMP BUILT WHILE THEY BLOCKED** While corrupt judges stalled, Trump rebuilt the economy. He brought manufacturing back. Sparked innovation. Took bold risks others wouldn't. This is real leadership—while the Left played courtroom games.
- **THE STORM IS HERE.** This isn't just a legal shift. It's a declaration: Power returns to the people. The courts will no longer be weapons of war against a sitting president.
- **Trump isn't just winning. He's reclaiming the Republic.** But the fight continues. The saboteurs still lurk. The media still lies. And the machine won't stop unless WE shut it down. One president. One mission. One reckoning. The people are awake. And we're not backing down.

Zb. Sat. 29 March 2025: PROJECT ODIN: The Fall of the Cabal Is Now Unstoppable

- **The world is on the edge of a Biblical event. PROJECT ODIN** is about to flip the switch—obliterating the Mossad-controlled media, launching a global blackout, and activating the Emergency Broadcast System. Once it hits, nothing will be the same. This isn't speculation. This is a military operation decades in the making.
- **Starlink satellites are armed and ready.** This is the Quantum backbone, built for one purpose: erasing the old system. When communications go dark, the lies end. When EBS begins, the truth explodes worldwide. Mass arrests. Tribunals. Justice.
- **The Mossad-run media machine will collapse.** Every mockingbird asset, every scripted narrative—wiped. The silence will be loud. It will shake the world awake.
- **Targets? Vatican. Buckingham. White House. CERN. Wuhan.** These aren't just buildings. They're fortresses of evil—34 in total. The Rods of God are locked on, and when they strike, the Satanic Illuminati's reign ends in fire.

- **Bitcoin? Gone.** Servers and data centers will be obliterated. 99.5% of all crypto—vanished. Only ISO20022 coins, backed by gold, will survive. The fiat system dies. The stock market craters. NESARA GESARA floods in.
- **World War 3?** It's the greatest psyop of all time. A scare event to trigger martial law. Sirens. Blackouts. Floods. It's all scripted—to wake the sheep, shield the patriots, and remove the cabal in one final stroke.
- **Behind it all is CASTLE ROCK.** Military tribunals. Election fraud exposed. Secret deals revealed. And when the air clears, John F. Kennedy Jr. returns. His reappearance will ignite the final flame—the resurrection of truth, justice, and the American soul.
- **This isn't a theory.** This is the moment. The Quantum System is here. The blackout is coming. And when it's over, the chains break forever.

Zc. The World is Changing From Dark to Light:

- **Get Ready For Three Days of Communication Darkness and Ten Days of Disclosure.** The power to the entire World could switch off briefly to install our new Starlink Satellite Internet. Shutdowns will occur, but only in certain areas. Banks will close. ATMs and Credit Cards will stop working. Have at least a month's supply of food, water, cash, medicine and essential items on hand for yourself, your family and to share with others in case of emergency. If you're unprepared, don't worry. The Military will supply what you need. Nonstop education will be broadcast, teaching everyone about the true principles of Freedom and Justice.

Zd. Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade: He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call:1-866-347-2423**

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Ze. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zf. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Zg. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

If the Petition link is not available go to: <https://www.miraclesingodwetrust.com/contact/> or Venmo to: @Talmage-Cromar

Zh. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
