Judy Note: Mon. 17 May 2017: All nineteen Ninth Circle Child Sacrifice Cult members arrested for holding eight badly abused children believed slated for human sacrifice, were released without being questioned, fingerprinted, nor charged according to a **May 1 2017** International Tribunal into Crimes of Church and State (ITCCS) press release.

Global elite members of the Ninth Circle thought to hold child sacrifice rites on a regular basis across the globe, were believed to take direction from the Vatican, while the ITCCS worked under direction of six judges of the International Common Law Court of Justice in Brussels.

The traumatized children and babies were found in small padlocked cages among frozen body parts of prior victims and had been sexually abused, beaten and starved. Global elite Ninth Circle members were believed to have scheduled on April 30 human sacrifice rites at Catholic facilities in Rome, Montreal, London, Paris, Brussels, Geneva, Frankfurt, Tara, Ireland and Washington (DC).

The rescued babies came from a Catholic orphanage in Amsterdam where single parent mothers were urged to give up their babies, making the child hard to trace. One child abducted from their family has been returned, while three others kidnapped from Romanian immigrants, were in the process of being reunited with their parents. The remaining children, some of whom were thought parented by Ninth Circle members, remained under medical and psychological care until suitable permanent placements could be located.

Evidently the political influence of the Vatican's Ninth Circle is vast. Several police officers who assisted ITCCS action units in saving the children have been transferred, while two Netherland police officers were suspended after the royal palace requested their disciplining.

One rescuer remained unaccounted for after being arrested for protesting the Vancouver Club kidnapping and killing of native children and runaway teens. Vancouver was also the center of the Ninth Circle Chinese mafia said to be strongly involved in organ trafficking. [Global Elites Kidnapping, Murdering Native Children and Disposing of their Bodies in the Ocean](#)

“The Ninth Circle through its Vatican, judicial and government allies, have counter attacked quickly to contain and undermine our breakthrough” stated the release. “Our sources indicate that an unofficial media blackout has been imposed over the issue by the

governments of France, Holland, Belgium and Switzerland. That forbids any politician or police officer to acknowledge or comment on the actions against the Ninth Circle or the cult itself.”

“The apparent back channel messenger from a faction in the Vatican who requested a meeting with our Directorate has gone silent. Either he was shut down or the Vatican is imposing a general blackout now on the entire issue as part of its damage control.”

The Vatican was well documented to run the Ninth Circle Cult. Cardinal Gerald Lacroix of Quebec and the former Pope Joseph Ratzinger were reported to be active participants in a Ninth Circle ritual killing of a young boy on **February 22, 2014** at the San Lorenzo Jesuit Church in Rome, along with Pope Francis, Jorge Bergoglio, and Denis Lebel, a federal cabinet minister in the Canadian government of former Prime Minister Stephen Harper. Lacroix was also said by victims to be at a March 2014 human sacrifice in Rome.

“In Switzerland, France and Holland, where we successfully stopped the cult rituals, police officials are now being politically pressured to conduct a “witch hunt” in their departments to locate and discipline the officers who assisted us. This pressure is being brought to bear through domestic politicians funded by the Catholic Church, like France’s Francois Fillon, and those who are personally associated with the Ninth Circle themselves, like Belgium’s former Prime Minister Elio Di Rupo.

“In France, the Papal Nuncio, Cardinal Luigi Ventura, is directly involved in leading this witch hunt purging of the police. Cardinal Ventura himself is personally tied to Ninth Circle crimes in Canada through his cover up of Indian residential school murders and Satanic-related child trafficking in Cornwall, Ontario. This occurred after he was appointed Papal Nuncio to Canada in 2001 by convicted criminal and Ninth Circle leader Pope Benedict, Joseph Ratzinger.

“As part of this counter attack, a broad public disinformation campaign has been launched by the Vatican’s “Holy Alliance” espionage service to discredit and misrepresent our actions while searching for the identity of our action unit members and those who assist them.

“The Alliance’s standard method of exposing and then eliminating our action unit members involves pressuring ITCCS workers to divulge their identities and disclose other confidential information by bringing a contrived “public pressure” to bear demanding “proof” of the truth of the ITCCS reports. Concerned internet and media investigators thereby become the unwitting tools of the Vatican death squads, by pressuring ITCCS to disclose evidence prematurely.”

A recent update interview with an ITCCS spokesperson and broadcaster Ella Ster from the Netherlands explained the Ninth Circle take down. [Findings of ITCCS during raids remind of Marc Dutroux case](#)

D. Wed. 16 April 2025 Quantum GESARA aka TRUMPSARA: G.E.S.A.R.A, Farmers Plan & More – Power Back to the People! ...QFS on Telegram

- **QUANTUM GESARA: THE FINAL RESET HAS BEGUN** In the midst of global turmoil and a crumbling fiat economy, a revolutionary system is emerging: Quantum GESARA, also called TRUMPSARA. It fuses NESARA/GESARA, quantum technology, the 1955 Price Reset, and the long-hidden Farmers Plan into one coordinated strike against the Deep State's economic empire. The reset isn't coming—it's underway.
- **A RETURN TO 1955: THE AMERICAN DREAM REBORN:** Imagine a world where you can buy a home for the cost of a modern-day appliance. That's the promise of the 1955 reset. Through the resurrection of suppressed executive orders and sovereign common law, we're entering a phase where inflation is crushed, debt is erased, and life becomes affordable again. This isn't nostalgia—it's policy. History is being reversed.
- **The U.S. Treasury is aligning with ISO20022 and Rainbow Treasury Notes** backed by gold and silver. The Federal Reserve? Gone. StarLink is the new nervous system of commerce. And with Quantum Internet on the rise, censorship will be obliterated as the truth floods the globe.
- **QUANTUM TECHNOLOGY IS HERE: FINANCE, VOTING, INTERNET, HEALING** The Quantum Financial System (QFS) now replaces the corrupt banking grid, routing transactions via secure StarLink satellites. QFS is incorruptible, decentralized, and tied to asset-backed currencies. Quantum Voting Systems (QVS) eliminate election fraud with blockchain-based precision. The Quantum Internet is replacing legacy systems and purging Operation Mockingbird influence from media.
- **Even our health is being revolutionized:** Med Beds, DNA repair, and energy healing tech are no longer science fiction—they are being quietly deployed under military supervision. Suppressed patents from black-budget programs are now emerging to serve humanity.
- **THE GLOBAL CURRENCY RESET (GCR): THE MOAB HAS DETONATED** The GCR—aka **The Mother of All Bombs**—has been triggered. Treasury-backed Rainbow Notes are live in test markets. The old fiat system is disintegrating. A 10-day shutdown will activate the Emergency Broadcast System (EBS), and following a three-day Quantum Blockchain Election, governments will reset under new leadership—downsized by 90%.
- **RESTITUTION AND JUSTICE: NESARA, GESARA, AND THE ST GERMAIN TRUST** Where is the stolen wealth? Who hijacked the prosperity programs? The answers are being exposed. The return of taxes paid, reparations for illegal foreclosures, and justice for the stolen St Germain Trust are at the core of NESARA/GESARA. This is not theory—it's restitution.

- **WHITE HATS UNITED: TRUMP, XI, PUTIN, AND THE EARTH ALLIANCE** This isn't about one nation. It's global. Leaders like Trump, Putin, and Xi—alongside military-backed alliances and civilian awakenings—are restoring sovereignty, exposing the cabal, and executing long-planned tribunals. The criminal banking matrix is being dismantled. The Deep State's end is mathematically certain.
- **THE FINAL PHASE HAS BEGUN** A new governance structure is forming. GESARA Blockchain Elections will permanently remove corruption. Media monopolies are collapsing. The CIA, Mossad, and MI6 will be replaced by Military Intelligence. With one global news channel, truth becomes the standard. The countdown is ticking.

E. Wed. 16 April 2025 BOMBHELL: GESARA Is LIVE — Trump's Executive Order Has Triggered the Final Phase! ...SGAnonQ on Telegram

- **As of April 14, 2025, the storm is no longer coming — it's HERE.** Redemption Centers are active. Biometric NDAs are enforced. Quantum Access Cards are being distributed. Behind the curtain of silence, Trump has detonated the financial nuke that will dismantle the globalist control system once and for all.
- **Global Debt Cancellation Has Quietly Begun:** Alliance operatives confirm: nations across Southeast Asia and the Balkans are undergoing total sovereign debt erasure under biometric NDAs. The IMF and BIS are DONE. These aren't paper contracts — these are quantum-enforced. Break them, and you're locked out of the system forever. This is war — financial, digital, and absolute.
- **Redemption Centers Are LIVE:** Secure locations in Reno, Zurich, and Shanghai are issuing Quantum Access Cards — but only to those who pass retina, voice, and DNA verification. Gold-backed wallets are already loaded. Funds are real, visible, but untouchable until full global sync. The Cabal is locked out. The people are locking in.
- **Trump's April 10 Executive Order Has KILLED the Fed:** It's over. The Federal Reserve is now under U.S. Treasury control, operating fully under the QFS. This Executive Order also activated the Quantum Voting System — every transaction is now monitored under constitutional law. The cabal's money laundering playground has been vaporized.
- **StarLink = QFS Backbone:** Elon Musk's satellites are now military-grade financial relays. Every transaction — decentralized, encrypted, unstoppable. The world's largest banks are being forced to "upgrade" — their codes overwritten by GESARA protocols. Surveillance nodes are live. Resistance is futile.
- **IMF, BIS, World Bank Executives DETAINED:** GITMO is full. Secret military tribunals are underway. The charges? Enslaving nations, redirecting funds, laundering child trafficking money under the guise of "foreign aid." Their time is up.
- **EBS Protocol Is Armed:** The Emergency Broadcast System is primed. 72-hour blackout. No warning. When it hits, all media goes dark and full disclosure begins.

- **The Collapse of Fiat Is GUARANTEED:** Asset-backed currencies are quantum-synchronized, AI-guarded, and now in sandbox rollout across Brazil, Vietnam, and beyond. The dollar, the euro, the yuan? Dead men walking.
- **GESARA Is NOT a Theory.** It's HAPPENING: Trump's Alliance is executing it step by step. Iceland, Hungary, Brazil — already onboard. The restored U.S. Republic is next. The system is cleansing itself. The storm is in motion.
- **April 14, 2025 — This is the MIDPOINT.** Not a drill. Not a theory. A takedown. Trump is in control. The Cabal is cornered. And the final blow is imminent.

Chemtrails:

G. Wed. 16 April 2025 BOOM — Bill Gates has just admitted what many have long suspected: he is working directly with China to spray radioactive chemtrails over U.S. cities. ...EBS Activated with Trump on Telegram

- **This isn't geoengineering.** This is chemical warfare — a quiet, coordinated assault on the American people from above. The skies are laced with aluminum, lithium, strontium, and psychotropic agents. You breathe it. You feel it. But you're told it's just "clouds."
- **While the media floods your screen with distractions** and processed lies, the real battle is taking place overhead. You've seen the unnatural gridlines in the sky. You've felt the headaches, the fatigue, the irritability, the fog that never seems to lift. These aren't symptoms. These are effects. Effects of an operation designed not to heal — but to disable.
- **They say it's for the climate.** But the truth is darker: they're not spraying to cool the Earth — they're spraying to control the people.
- **This agenda is being driven by two of the most dangerous entities on the planet:** Bill Gates and the Chinese Communist Party. One provides the chemical technology. The other supplies the flight corridors and expertise. Together, they've launched a quiet war against the West — and the American people are the test subjects.
- **China has been running aerosol-based control programs** on its own people for decades. Their skies have been drenched in chemicals that suppress emotion, sterilize fertility, and subdue rebellion. Neuro-disruptors. Hormone blockers. Radiation-laced fog. Lithium-based mind control. These are not guesses. They're documented tools of psychological warfare.
- **Now, that same technology is being unleashed on the U.S.** — with Gates leading the charge. Gates is no philanthropist. He's a control addict. A eugenics sympathizer. The man who pushed experimental mRNA injections, bought up American farmland, and now controls the air you breathe. He claims it's to "block the sun." But whistleblowers say otherwise. His aircraft aren't spraying harmless particles. They're deploying Chinese-engineered toxins, the same formulas used to pacify Shanghai and Hong Kong — now spread over Phoenix, Dallas, and Chicago.
- **What's in the air?** Independent lab tests from post-spray residues have uncovered a terrifying cocktail:

Aluminum oxide — linked to brain fog, memory loss, and Alzheimer's.

Barium salts — known to suppress the immune system and interfere with heart function.

Strontium-90 — a radioactive isotope with direct ties to organ failure and cancer.

Graphene oxide — a nanomaterial that responds to EMF and wireless frequencies.

Lithium — used to suppress mood, emotion, and resistance.

And even biological agents — viral and bacterial strains capable of genetic manipulation.

- **This is not "climate control."** This is bio-chemical conditioning, masked as science.

- **The question is: why the silence?** Why do meteorologists ignore the obvious? Why did chemtrail reporting vanish from every major outlet overnight? Why does social media ban any mention of aerosol spraying? Because this isn't a conspiracy. It's a contract. With full government cooperation. With media silence bought and enforced. With private contractors flying unmarked planes through unregulated airspace. This isn't happening by accident. It's a planned assault, cloaked in environmental rhetoric and protected by billion-dollar disinformation campaigns.
- **What's happening above your head is not a drill.** It's not theory. And it's not going away. This is the weaponization of the air itself — and it's happening right now.

H. Wed. 16 April 2025: BREAKING! TRUMP'S COUNTERSTRIKE: CHEMTRAIL TASK FORCE GOES OPERATIONAL — DEEP STATE SPRAY NETWORK EXPOSED!

...Julian Assange on Telegram

- **They mocked us. Laughed. Called us conspiracy theorists.** But we were right. The lines in the sky weren't harmless — they were a chemical assault. And now, Trump has had ENOUGH.
- **The Chemtrails Task Force is LIVE.** No more theories. No more denials. Under direct orders from President Trump, this elite unit is dismantling the Deep State's weather warfare program, targeting rogue operations embedded within NOAA — the so-called "National Oceanic and Atmospheric Administration."
- **But NOAA wasn't protecting the climate.** It was waging war on the American people.
- **NOAA: The Deep State's Trojan Horse:** What looked like a climate agency was in fact a chemical weapons division, hidden under "climate research." Inside sources now confirm: — **Chemtrail flights** were launched from NOAA-controlled runways — **Internal data models tracked** population response to chemical exposure — **A secret group of "Spray Chiefs"** orchestrated the entire operation
- **This wasn't research.** This was biological experimentation. Population suppression. Atmospheric control. And the public was NEVER supposed to know.
- **The Silent Sky War is OVER** — and Justice is Coming: Trump's Task Force is naming names. Indictments are being drawn. These Spray Chiefs — the bureaucrats in lab coats — believed they were immune, protected by fake credentials and media silence. They were wrong.
- **Evidence has been seized.** Comms intercepted. Prosecutions are moving forward. Some of these operatives are already flipping to avoid treason charges.
- **Treason from 30,000 feet.** Now they fall. Total Media Blackout = Total Complicity Where's the press? Where's the outrage? NOWHERE. The MSM has gone dark. CNN, NYT, all of them — silent. They're not ignoring the story because it's false — they're covering up the crime. Every second they stay quiet, they prove they were in on it. This is federal treason. And the media is guilty, too.

- **The Reckoning Has Just Begun:** ✓ Pilots are testifying ✓ Servers are being raided ✓ More insiders are flipping
- **And this is just the beginning.** Other agencies are next. The sky war was Phase One — the clean sweep is here. President Trump’s message is clear: “You don’t own the skies. WE DO. THE PEOPLE DO.”
- **This is not just payback. It’s a declaration:** The Deep State sprayed poison on us. Now they’ll choke on their own lies.

I. Wed. 16 April 2025: Gold & Bioweapons — Military Locks Down Oceans Under Trump’s Orders ...Gitmo TV on Telegram

- **As of April 14, 2025, the U.S. Navy has locked down the Atlantic and Pacific in a massive military sting** targeting elite-run trafficking, bioweapon transport, and deep-sea blackmail ops. This isn’t routine patrol — this is war.
- **Trafficking victims.** Mobile CIA servers. Gold bars. Bioweapons. All being extracted from vessels linked to billionaires, ex-agency operatives, and foreign “diplomats.”
- **These aren’t pirates. These are floating Deep State hideouts** — and they’re being wiped off the map. Trump is back. This operation is under direct military command — not civilian leadership.
- **GITMO is active.** EBS is locked and loaded. Tribunals are not coming — they’ve begun.
- **On the East Coast, naval strike teams seized ships disguised as luxury liners.** Below deck: surgical rooms, soundproof chambers, biometric systems, and unregistered children with no records. DNA matches tie them to CPS abductions across U.S. states.
- **One server retrieved mapped over 600 trafficking routes since 2012** — running through Italy, the Netherlands, Israel, and U.K. ports. Funded by “charities” tied to Clinton donors. The Epstein network didn’t die — it went mobile. Now it’s caught.
- **On the West Coast, it's even darker.** A submersible tied to a “research foundation” was captured leaving San Diego — carrying precursor agents for aerosolized behavioral control, encrypted tablets, and night-vision tech meant for offshore “medical” camps.
- **Crew included former CIA, UN peacekeepers, and a WEF consultant** — all under fake identities.
- **Some vessels carried gold stamped with central bank seals,** believed stolen during the 2008 collapse and laundered through IMF fronts. Others had sealed crates of bio-compounds traced back to DARPA and WHO partners.
- **Nine vessels silenced in 48 hours.** No GPS. No distress calls. Just vanished.
- **Naval divers are pulling up deep-sea data vaults dumped overboard — containing:** Blackmail dossiers on European leaders. Human trafficking-finance links with Big Pharma. Files on Antarctic underground cities marked for “climate relocation” by elite surnames. This is military justice, not courtroom theater. No arrests. No media coverage. Just elimination. No escape. No more oceans to hide behind.

- **If you're tied to child trafficking, gold laundering, stolen intel, or elite escape ops — you will be hunted.** You will be erased. There are no more safe harbors. The storm is here.

J. Wed. 16 April 2025 UVB-76 JUST SENT THE SIGNAL — AND NO ONE IS RESPONDING ...Julian Assange on Telegram

- **In the last 24 hours, Russia's infamous UVB-76 shortwave station** — long dormant, long mysterious — broke protocol with four chilling transmissions: Neptune. Thymus. Foxcloak. Nootabu. These aren't random. These are signals. And someone, somewhere, just got activated.
- **For over four decades, UVB-76, known as The Buzzer**, has pulsed across the airwaves — a monotonous hum ignored by the world, feared by the few who understand what it truly is: a Cold War ghost still breathing. Not officially acknowledged, not claimed by any agency — yet always there. And now, louder than ever.
- **This isn't a drill. This isn't atmospheric noise. These four words were sent within a 24-hour window.** That alone changes the game. Each one carries potential symbolism: Neptune — naval operations. Thymus — internal immune response, readiness. Foxcloak — stealth and infiltration. Nootabu — pure code, possibly a trigger term.
- **Before Crimea in 2014, it spoke.** Before Ukraine in 2022, it surged. And now — 2025 — it calls again. As tensions rise globally, as Taiwan teeters, as NATO quietly deploys, the signal comes alive. Coincidence? Not a chance.
- **Analysts believe one of three possibilities is now in play.** All three are catastrophic.

1. **Strategic Activation** — Covert units receiving direct orders under blackout protocols.
2. **Dead Hand System Test** — Russia flexing its doomsday architecture in response to Western threats.
3. **PsyOps Offensive** — A psychological blitz meant to destabilize global intelligence agencies and provoke premature moves.

- **Shortwave radio may seem outdated**, but in shadow warfare, it's gold. Immune to cyberattacks, resistant to EMPs, and capable of transmitting across continents — it is the ultimate fallback in a world racing toward digital collapse. And UVB-76 is its beating heart.
- **You won't hear about this on CNN.** No press conference is coming. The State Department won't release a statement. If war ignites, it will come from the shadows, not headlines. And by the time the public is informed, it'll be too late.
- **So ask yourself: If this station is active, why is Washington silent?** Is our leadership asleep? Or are they no longer in control?

- **Because when a system this ancient and secret begins to speak again — with this precision, in this moment — it means escalation is already underway.** And if we ignore the buzz now, we may wake up to the boom tomorrow.

N. Wed. 16 April 2025 The Illegal Immigrant Exodus: This is not something I would want to continue to hear if I was in America illegally. ...Edward Snowden on Telegram

- **The days of easy access to public assistance are over.** States like Texas and Florida are cracking down hard. As of 2025, federal policies under tightened administrations have slashed non-citizen eligibility for SNAP (food stamps), Medicaid, and TANF (cash aid). You think you're sneaking through the cracks? Wrong! ICE is cross-referencing data with welfare rolls, and undoc- folks are getting flagged faster than you can say "deportation notice." Why stay when the food pantry's locked?
- **You think hospitals are your free clinic anymore?** Think again! New rules in states like Arizona and Georgia require proof of legal status for non-emergency care. Emergency rooms might still treat you barely but don't expect follow-ups or meds. Community clinics that used to turn a blind eye? They're audited now, scared stiff of losing funding. If you're undocumented with a chronic illness, you're gambling with your life staying here. Pack up that's not courage, that's foolish!
- **Section 8? HUD vouchers? Kiss 'em goodbye.** Federal housing programs are purging non-citizen applicants, and private landlords in hot spots like California are under pressure to verify tenants' status or face fines. Squatting in a shelter? They're overflowed, prioritizing citizens, and local cops are circling. You wanna sleep under a bridge for pride? That's your call, but it's a dumb one when the safety net's cut.
- **Don't tell me you're hustling construction or picking fruit like it's 2010.** E-Verify is mandatory in half the states now, and employers are running scared of ICE raids. Raids in 2024 hit meatpacking plants, farms, even restaurants hundreds detained, jobs gone. Cash-under-the-table gigs? Drying up as locals snitch for bounties. You're risking arrest for pennies why? There's no future in that hustle!
- **What is the end goal at this point for you?** Sure, public schools can't kick out your kids yet. But in states like Oklahoma, they're sniffing out undocumented families through enrollment records. College? Forget it. DACA's on life support, and in-state tuition for illegals is dead in most red states. Your kid's dreaming of a degree? They're getting a

dead-end job instead, dodging ICE all the way. You're not building a legacy here it's a trap!

- **Sanctuary cities? They're crumbling.** Federal funding cuts in 2025 gutted places like San Francisco and Chicago, forcing them to cooperate with ICE or lose cops and firefighters. Local sheriffs are handing over detainees left and right check the stats: ICE holds spiked 40% last year. You think you're safe because you're "low priority"? There's no such thing anymore. One traffic stop, one nosy neighbor, and you're in cuffs. Why play roulette with your freedom?
- **Why put yourself through all of this?** ICE's budget jumped in 2025 more agents, more buses, more planes. Over 500,000 removals last year, and they're not slowing down. Courts are fast-tracking cases; backlog's down 20%. You think you'll dodge the radar? They've got facial recognition, license plate readers, and snitches galore. Staying's like hiding in a lion's den with a pork chop necklace good luck, but don't cry when they catch you!

- **These Quantum Therapy Med-Beds come in three different modules and three unique combinations** ; they all work on various vibrational and frequency levels with refracting lenses and 3D scanners, as well as surgically precise lasers for opening and closing wounds.
- **These quantum healing devices contain vast monitoring technologies allowing the health practitioner** to be fully informed throughout the diagnostic and repair sessions. Med-Beds create maximum human repair via minimal invasion by way of light and energy through tachyonic particles and plasma energy.
- **Since we live in a vibrational universe**, and humans are vibrational beings, the healing occurs through a homeopathic frequency realignment approach with little to no side effects.
- **All three of the Med-Beds** work with similar technologies; they have just been converted for three divergent treatments.
- **The Holographic Med Bed** is built with advanced but limited artificial intelligence that works together with the human connection of a health professional to ensure the full measure of healing. They come equipped with features containing air-tight and see-through operating shields, reducing germs and claustrophobia, comfortable limb rests, liquid spray anesthetics, laser scalpels, laser mirrors, vital sign sensory and display diagnostic and analysis identification, and computer-controlled surgical arms. The

computer used in operations is similar to that of an MRI machine, yet instead of radiation and magnetics, Med-Beds use plasmatic energy on a subatomic and vibrational level.

- **Performs live scans of the human body;** diagnosis and treats any imperfections and illnesses within a short amount of time and great accuracy; scanning every inch and system within the physical body, diagnosing and interpreting of blood, skin, bones, organs, muscles, neurological, glands, and hormonal deficiencies. This Med-Bed will also perform a painless blood and DNA analysis, searching and correcting any hereditary markers leading to various predisposed illnesses.
- **Any surgery will be completed immediately through laser,** including heart surgery, appendix, C-sections, and others within this Holographic Med Bed.
- **The Regeneration Med Bed Resonance field benefits those who require organ transplants, missing or severed limbs,** skin grafts work with cell memory, stem cells, and DNA templates; its endless applications regenerate old tissues and missing organs.
- **The Rejuvenation & Regression Bed rejuvenates cells;** offers age and memory regression therapy; and heals all the senses, especially sight, sound, and taste, that have become dull through trauma or age; this therapy bed also eliminates unwanted suppressed memory; which will support and heal so many victims who have endured mental and emotional anguish. PTSD and traumatic memory sufferers will benefit from the use of this Med Bed as it heals the heart-mind connection ridding disparity. This is also considered the foundation of youth. It will return the appearance of yesteryear, returning muscle tone, tightened skin, working with our individual DNA templates, and multiple refractory lenses and body's internal clock; these procedures are performed pain-free.
- **Before the deployment of Med Beds meets with the arrival of the world, trained technology and manufacturing crews must be established** to keep up with the world's supply in the creation and infrastructure along with the environment of society's weaponized forces dissipated to prevent future greed and control.

Trump/Musk DOGE Audit Investigations

P. Wed. 16 April 2025 EXCLUSIVE: \$400 MILLION DEEP STATE OPERATION EXPOSED IN MISSISSIPPI ...SGAnonQ

- **Trump's War on Financial Treason Just Went Local** — And It's About to Go Nuclear. The Deep State got sloppy — and now their \$400 million laundering scheme in Mississippi has been BLOWN WIDE OPEN. On April 14, 2025, State Auditor Shad White detonated an 800-page war file that exposes how elites have been bleeding America dry, not just in D.C. — but right inside red states they thought were safe.
- **This is state-level treason disguised as “public good.”** Welfare programs used to fund beauty pageants. DEI indoctrination paid for by stolen relief money. “Community gardens” paid for but never built. \$11 million funneled into social justice yoga for preschoolers. Medicaid dollars rerouted by design to collapse healthcare sustainability.

\$6,000 TVs bought by agencies to enrich vendors in secret kickback chains. Every dollar was a weapon — used against YOU.

- **White's office, now operating as MOGE** — Mississippi's Office of Government Efficiency — just joined forces with Trump and Musk's DOGE to wage TOTAL FINANCIAL WAR on the Deep State machine. This isn't a cleanup. It's a purge. And it's spreading.
- **These aren't random mistakes.** These are deliberate ops designed to collapse state sovereignty, feed globalist NGOs, and replace elected power with unelected technocrats pushing CRT, transgender propaganda, and open borders — all funded by your stolen taxes.
- **Trump is done waiting.** The audits are no longer federal — they're state by state. Oklahoma's Cindy Byrd is next. They're forming a resistance: elite-tier financial black-ops teams, armed with quantum-led audits and QFS-level tracking systems that detect theft in real time. Every name logged. No more shadows.
- **This is the Trump Doctrine in action:** Expose. Dismantle. Rebuild.
- **The Deep State mocked red states.** They never thought Mississippi would be the first hammer blow. But now the door is open. And what's crawling out of it is the truth. 800 pages of treason. \$400 million in proof. And this is only the beginning.
- **They should be afraid because what's coming next doesn't stop at audits.** THE PURGE HAS BEGUN. EVERY STATE IS NOW A TARGET.

Q. Sun. 13 April 2025 BOOM! UNSTOPPABLE: Military Forces Annihilate Deep State Sabotage on the Emergency Broadcast System — GLOBAL EBS Imminent! ...Julian Assange

- **Trump's Operation Phoenix has SHUT DOWN the final Deep State attempts to block the Emergency Broadcast System.** The Military Alliance now holds total control of the global EBS infrastructure. The signal is secured. The storm is ready.
- **The Elites FAILED** — Their Panic Is GLOBAL For the past 60 days, Deep State forces deployed rogue satellites, signal jammers, CERN-based frequency warfare, and black AI systems to halt the EBS. They were CRUSHED.
- **OPERATION IRON SHIELD**, led by Trump's Space Force and Cyber Command out of Cheyenne Mountain, unleashed devastating countermeasures:

→ **214 elite-controlled satellites neutralized**

→ **17 underground jamming bunkers destroyed** (Switzerland to Antarctica)

→ **Quantum Pulse tech disabled AI black-grid operations.**

- **The Deep State LOST the digital war.**
- **On April 7, 2025, a classified Quantum Broadcast Node** in Greenland successfully tested the EBS system:

→ **100% global media penetration**

→ **ZERO censorship**, overrides, or shutdowns possible

→ **Every screen**, every phone, every satellite — now under Alliance control

- **That's why NATO, EU, and Vatican** enclaves went into full lockdown. The blackout is theirs — not ours.
- **Emergency Raids Unleashed Worldwide** As of April 10, 2025:

→ 6,700+ sealed indictments unsealed

→ 143 elite operatives arrested across Switzerland, Australia, UK, Germany, and Canada

→ Multiple Vatican figures detained in Malta — exposed in Project Dominus

- **Intercepted chatter from elite operatives**: “They control the sky now. We have nowhere left to run.”
- **Quantum Freedom Grid Online**: The QFS was the beginning — now the Quantum Freedom Grid (QFG) is active.

→ **Military comms** bypass Big Tech

→ **Instant wealth transfers** beyond Central Banks

→ **EBS immune** to sabotage

→ **Quantum ID** shields active

→ **MedBed networks** syncing globally

- **First Wave of EBS Goes Global Confirmed rollout in**: USA, Canada, UK, Germany, France, Australia, Eastern Europe, Japan, parts of Africa/South America
- **Final Military Message to the Cabal** (Leaked April 9, 2025): “We hold the keys now. You will face the world.”
- **Prepare for 10 Days of Truth** → Elite confessions → Military tribunal footage → Child trafficking revelations → Medical crimes exposed → Suppressed alien tech revealed → Names. Faces. Dates. No Censorship.
- **Get ready. The storm is not coming** — IT’S HERE. Stay awake. Stay strong. Nothing Can Stop What Is Coming.
- **WORLDWIDE MILITARY TAKEOVER** — EBS ACTIVATION BEGINS NOW!

R. Wed. 16 April 2025 BREAKING! White Hats Launch Final Phase — Trump’s Global Military Alliance Strikes the Deep State Worldwide! ...Carolyn Bessette Kennedy on Telegram

- **The war for Earth's soul is raging** at full throttle. President Donald J. Trump is commanding a military juggernaut aimed at eradicating the Deep State once and for all. No more negotiations. No more waiting. The Great Awakening is now a military operation.
- **Over 3,200 top-level arrests** have already been confirmed in just the last 7 days. Executives from BlackRock, Pfizer, the Vatican, IMF, and CIA-linked media moguls are being silently seized. The stolen trillions are being reclaimed, the pedophile tunnels collapsed, the globalist cult dismantled.
- **Cheyenne Mountain is active.** "Trump's Vault" is coordinating everything. The heart of the White Hat Alliance, bypassing every corrupt politician, every rogue agency. All orders come directly from Trump's inner circle — Task Force Phoenix.
- **Switzerland has FALLEN.** White Hat forces took Zurich, Basel, and the BIS — exposing Nazi treasure, child trafficking tunnels, and ritual chambers beneath financial strongholds. Over \$300 TRILLION in gold has been confiscated for global wealth redistribution under GESARA.
- **The Vatican has been STORMED.** Elite forces uncovered genetic labs, ancient healing tech, ET documents, and tunnels used for centuries of trafficking. It's all in Trump's hands now. The satanic empire is crumbling.
- **Antarctica is under siege.** Special forces are surrounding Deep State bunkers near Queen Maud Land. These were the last safe zones of the Fourth Reich — sites of off-world trade, cloning programs, and ancient tech. They're now war zones.
- **Media blackout = PANIC.** Executives from CNN, FOX, BBC — gone. Military raids have seized their servers. Coming soon: audio, emails, and videos of globalist crimes — ritual abuse, depopulation plots, bioweapon plans. All of it will explode through EBS when Trump gives the green light.
- **Elon Musk is IN.** Starlink has been weaponized as a global surveillance net — tracking every escape attempt, every dirty transaction, every secret comm.
- **The Quantum Financial System** is set to erase debt slavery. GESARA wealth is being transferred. Suppressed healing tech is ready for release. And secret space programs? About to go public.
- **This isn't politics. This is war.** The Deep State is cornered. Trump has triggered the final phase. No escape. No mercy. No survivors. April 13, 2025 — the day the world changed forever. Trust the Plan. Trump's Plan. The Final Plan.

S. Wed. 16 April 2025 BOMBSHELL REPORT: Mount Weather — The Home Base of the Deep State Underground Government Exposed Inside America's D.U.M.B.S Network
 ...WH Grampa on Telegram

- Mount Weather isn't just an emergency facility. It's the crown jewel of the Deep State's underground shadow government — a fully operational command center complete with its own leadership, infrastructure, and martial law protocols. Hidden beneath the Blue

Ridge Mountains of Virginia, it operates as a backup capital — but not for continuity. For control.

- Most Americans don't even know it exists, yet it stands at the center of over 90 federal relocation centers across the country. According to insiders and whistleblowers, Mount Weather isn't dormant. It's staffed, secured, and ready. It holds a separate chain of command — a parallel presidency, cabinet, and structure that can assume full governance if triggered by a national emergency. And it doesn't need Congress to do it.
- This isn't about emergency preparedness. It's about a built-in mechanism for bypassing constitutional government under the cover of crisis. FEMA, empowered by executive orders dating back to Nixon, has the authority to suspend civil liberties indefinitely. Once activated, there's no legal requirement to restore the republic. That's not oversight — that's quiet dictatorship.
- Mount Weather isn't alone. It's part of a vast underground web known as the DUMBS network — Deep Underground Military Bases — a network of black-budget facilities connected by high-speed tunnels and sealed from public accountability. These bases have their own power grids, food supplies, communication systems, and weaponry. They are fully autonomous, designed not just to survive catastrophe, but to continue command and control in total isolation from democratic systems.
- From Cheyenne Mountain's NORAD facility to Schriever Air Force Base's rumored AI command centers, from the symbolic depths beneath Denver International Airport to mysterious disappearances in U.S. National Parks linked to subterranean networks — the evidence points to a covert infrastructure designed to outlive and overpower the visible government.
- One of the loudest whistleblowers, Phil Schneider, a geologist who worked on deep underground projects, was found dead after revealing the existence of hybrid programs and child trafficking tunnels linked to these bases. His testimony, dismissed as conspiracy at the time, aligns disturbingly with patterns seen around classified sites, black budgets, and unexplained mass disappearances.
- Mount Weather is more than a bunker. It's a city beneath the earth — with encrypted servers, housing units, surveillance command rooms, and a standing order system ready to seize control in moments. This system doesn't answer to presidents. It survives them. It doesn't dissolve with elections. It ignores them. The personnel inside are not elected, not temporary, and not held accountable by law. They operate in the shadows, through transitions, loyal not to the people, but to the structure itself.
- If power is held by those who cannot be voted out, is it still a republic? Or is it a managed illusion?
- We are told government is public. But what if the true government is buried? What if elections are a sideshow while control has already shifted below?
- Mount Weather answers that question.
- It was never just a contingency plan. It was the plan.

T. Wed. 16 April 2025 Federal income tax has always been a voluntary system—unless you reside in the foreign jurisdiction known as Washington, D.C., or are employed by the Federal government. ...Julian Assange on Telegram

- **The moment you filed your first 1040**, you unknowingly volunteered to be a taxpayer. To me, that's outright fraud.
- **The Federal government has functioned like the world's largest criminal cartel.** President Trump has been working to dismantle this corrupt system. It's time to stop volunteering. It's time to stop supporting these traitorous, morally bankrupt elites.
- **In truth, any income tax that was unlawfully taken from us will eventually be returned.** What's more, we're owed restitution for the massive fraud surrounding our Birth Certificates. They turned us into tradable assets—human collateral. As U.S. Citizens, we've been treated as property of the federal machine.
- **The IRS and its associates have no real power** over those who understand and assert their rights.
- **Did you know that driver's licenses are only legally required for those engaged in commercial activity on public roads**—like truckers, cab drivers, and rideshare operators? The DMV only has authority over commerce, not the private travel of everyday people.
- **That so-called "DL performance contract"** is what gives law enforcement the ability to fine and harass you for minor traffic violations. But if you never agreed to that contract by obtaining a license, their jurisdiction over you vanishes—unless you've harmed someone, damaged property, or committed fraud.
- **No license = No contract = No authority** = No legal ground for stops over things like window tint, busted tail lights, or rolling a stop sign. No victim, no crime.
- **State registration of your private automobile?** Not required either. Your car is a consumer good, just like your fridge. You don't register your refrigerator, do you?
- **Auto insurance?** Also voluntary—if you didn't sign on to that DL contract in the first place. No one can force you into a contract. Not even for insurance.
- **Make no mistake:** the real enemy isn't on the streets, it's within our own government. And they serve no one but themselves... and something far darker.

W. Wed. 16 April 2025 EXPOSED: THE BIGGEST LIE EVER — YOUR BIRTH CERTIFICATE IS A BOND. YOU ARE THE COLLATERAL. ...John F. Kennedy Jr. on Telegram

- **From the moment you were born, you were SOLD.** Labeled. Tracked. Branded with a birth certificate that doesn't signify life—it signifies ownership. You weren't given freedom. You were given a contract of bondage. You became a financial instrument in a global slave system hiding in plain sight. You are not a citizen. You are an asset.
- **That piece of paper? It's a negotiable security.** The red serial numbers? Stock exchange codes. Your name in all caps? Legal fiction. A corporation. A shell entity built to harvest your labor, your data, your soul.
- **In 1933, when the United States declared bankruptcy,** every American was pledged as collateral for national debt.
- **Roosevelt didn't just seize the gold—he seized YOU.** Executive Orders 6073, 6102, 6111, and 6260 made sure of that. They needed a new resource to back their fake paper money. So they created a new currency: YOU.
- **Senate Report 93-549 confirms it.** You were entered into a system called Exemption. Not freedom—EXEMPTION. Why? Because your birth was converted into credit—estimated between 1 and 2 million dollars—used to fund the government's financial black hole. Bonds based on your existence are traded, hypothecated, and sold repeatedly—all behind closed doors.
- **Your Social Security Number?** That's your Exemption Identification Number. It's the key to the vault they've sealed you in.

- **They never told you the rules.** They just made you play. A certificate = ownership. Stock certificate: shares. Land certificate: property. Birth certificate: YOU.
- **This is a rigged game. A legal trick.** A global con so deep, so sinister, it makes slavery look subtle.
- **Woodrow Wilson ADMITTED IT:** “Every American will be required to register their biological property... to submit to our agenda... as charge-back for our fiat paper currency.”
- **This is not a theory. This is the hidden operating system of the world.** You were BORN FREE. But the system treats you like livestock—taxed, tracked, exploited.
- **You are the product. You are the battery. You are the currency.** WAKE UP. The lie ends NOW. Take back your sovereignty—or remain a slave forever. THEY OWN YOU — UNTIL YOU SAY OTHERWISE.

X. Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade:

Look For:

- Children who are in places they shouldn’t be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Y. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Z. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Za. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

If the Petition link is not available go to: <https://www.miraclesingodwetrust.com/contact/> or Venmo to: @Talmage-Cromar

Please sign today and share the link with three or more of your friends.

**Thank you and God Bless,

Zb. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
