Judy Note: Geo-Engineering Weather Modification or Chemtrails: The EPA National Response Center to report Chemtrails in your area: 1-800-424-8802

For many years in a very coordinated and secret biowarfare, traitors to The People's Freedom have been spraying over our nation and Earth, synthetic organisms disguised as Geo-Engineering Weather Modification or Chemtrails – that were actually bio-machined life forms with shells, connectors and self-replicating patterns that contained military grade heavy metals like aluminum, barium and strontium.

It has been a mass poisoning sanctioned by traitors inside rogue federal agencies and disguised as “climate control.”

Under Trump, Space Force was tracking the flight paths, drones and satellites dumping this toxic garbage over our soil. Patriots embedded inside the military were actively dismantling the weaponized systems used to carry out this silent genocide. Trump's military teams were investigating frequency warfare and how it was being used to trigger dormant bioweapons inside us. They are intercepting aerial bioweapon units; arresting Deep State contractors; dismantling UN-run bio-grids, plus have begun military tribunals, expanded Gitmo and prepared EBS disclosures to expose it all.

The Deep State tried to sterilize us, poison us and replace human life with programmable biology. But they couldn't stop Trump.

And they can't stop you. Trust your instincts—not their lies. Act Now: Filter your water and air; document local sky fall and prepare for EBS truth drops.

The majority of States were now passing bills banning Geo-Engineering Weather Modification, which once passed, will mean an end to those toxic trails we all see in the sky everywhere. Contact your state politicians and make sure they are part of this movement to protect ourselves and our planet.

A. President Trump and RFK Jr. have declared war on the Chemtrail Agenda. A historic task force — Operation Skywatch — has been activated.

- **Operation Skywatch** has full legal and military authority to dismantle the global spraying program. Pilots, scientists, and elite financiers are being hunted down. No immunity. No more cover-ups.

- **TRUMP: “THIS IS NUREMBERG 2.0”** They called us crazy. They told us the lines in the sky were harmless. Now? The curtain has dropped. Trump and RFK Jr. are moving in — and the arrests are coming.
- **Aircraft involved in geo-engineering will be forced to land.** Forensic teams are standing by. Evidence is already pouring in. Private defense contractors, foreign actors, deep state scientists — no one is safe.
- **THE AIR IS TOXIC — AND THEY KNEW** Independent labs across the U.S. confirm what we've been screaming for years: aluminum, barium, strontium raining down on us. Neurological decay, dying crops, poisoned water. This was never a theory. It's a chemical assault.
- **Farmers in the Midwest and South** are reporting massive soil collapse. “The soil is dying,” one farmer said. “And it's falling from the sky.”
- **THE PEOPLE STRIKE BACK** The task force is calling on PATRIOTS NATIONWIDE to document chemtrail activity. Post time stamped images to Soju. Build the archive. Flood the system. “Your camera is a weapon now,” one insider said. “Use it.”
- **NO MORE CENSORSHIP. NO MORE SILENCE.** Soju — the only uncensored platform — is now being pushed directly by the Trump team. No algorithms. No filters. The truth will be seen.
- **RFK JR: “WE’RE BEING POISONED FROM ALL SIDES”** Chemtrails are just one battlefield. RFK Jr. is connecting the dots: fluoride, Big Pharma, toxic food. They've been attacking us for decades — and this is the counterstrike.
- **ARRESTS WON’T STOP AT PILOTS** This isn't just about spraying. It's about crimes against humanity.
- **The task force is targeting: Pilots, Scientists, Agencies who funded the ops, Media outlets** who helped bury the truth. “This isn't a probe,” a senior official said. “It's a reckoning.”
- **FINAL WARNING: THE SKIES AREN’T THEIR ANYMORE** Trump and RFK Jr. have flipped the script. The silent war in the skies is no longer silent. The traitors will be exposed. The poisoners will be prosecuted. This is Nuremberg 2.0. And it's happening NOW.

B. April 2025: Bioweapons Are Falling from the Sky — Synthetic Life Confirmed, Mass Poisoning Exposed, and Trump’s Military Strikes Back! ...Steve Bannon on Telegram

- **They’re not spraying “chemicals.” They’re deploying synthetic death.** And it's happening right now over Florida skies—targeting civilians in a coordinated biowarfare campaign.
- **This isn’t theory anymore.** It's happening. Lab results from West Palm Beach have exposed intelligent synthetic organisms—not dust, not pollen, but bio-machined life forms with shells, connectors, and self-replicating patterns. These weaponized aerosols

contain engineered life and heavy metals like aluminum, barium, and strontium in levels that scream military-grade deployment.

- **This is mass poisoning**, sanctioned by traitors inside rogue federal agencies and disguised as “climate control.” But while the fake Biden regime turned a blind eye, President Trump is moving to destroy the entire operation. He warned us. He knew. And now—he fights.
- **Under Trump’s return in January 2025**, military tribunals have begun. Gitmo is expanding. Space Force and MI are tracking the flight paths, drones, and satellites dumping this toxic garbage over our soil. Patriots embedded inside the military are actively dismantling the weaponized systems used to carry out this silent genocide.
- **The Sample That Blew the Lid Off:** Six months of skyfall collected from a plastic sheet in West Palm Beach exposed egg-like, synthetic biological entities that activate when touched by water or cells. Some even emit low-frequency bioelectric signals—living systems waiting to be triggered.
- **We are under attack by remote-activated nanotech**—likely tied to 5G towers or classified frequency arrays. Trump’s military teams are already investigating frequency warfare and how it’s being used to trigger dormant bioweapons inside us.
- **They’ve done this for decades:** 1931: Cancer cells injected. 1947: Radioactive injections. 1950: Bacterial sprays over San Francisco. 2007–2017: Anthrax & ricin “mistakes.”
- **Now in 2025**—no syringes. No warnings. Just spray, activate, and kill. But this time, they failed. Trump returned.
- **Right now, Trump’s forces are:** Intercepting aerial bioweapon units. Arresting Deep State contractors. Dismantling UN-run bio-grids. Preparing EBS disclosures to expose everything.
- **This is about your survival.** The Deep State tried to sterilize us, poison us, and replace human life with programmable biology. But they couldn’t stop Trump. And they can’t stop you.
- **Act Now:** Filter your water & air. Document local skyfall. Prepare for EBS truth drops. Trust your instincts—not their lies.
- **The war is here. But we’ve got a real Commander now.** Trump is striking back. The sky will be cleared. And the traitors will burn.

Global Financial Crisis:

F. Sun. 6 2025 CNBC's Jim Cramer Warns of 'Black Monday'-Style Market Crash Amid Trump Tariff Shock ...QFS on Telegram

- **CNBC host and veteran market analyst Jim Cramer** has issued a dramatic warning following President Trump's sweeping new tariff policy, cautioning that the economic shock could rival the infamous Black Monday crash of 1987. In a heated segment, Cramer called the administration's actions "a direct hit on the global economy" and said investors should brace for "violent volatility."
- **The warning comes just days after Trump announced a baseline 10% tariff on all imports**, with elevated rates targeting key trade rivals like China. Markets responded swiftly and sharply: the S&P 500 dropped 6%, the Nasdaq 5.8%, and the Dow plummeted over 2,200 points in a single session — the worst trading day in years.
- **Cramer compared the sudden economic jolt to the events of October 19, 1987**, when the stock market crashed by over 22% in one day. "We are entering dangerous territory," he said. "You cannot shock the system this violently and expect orderly reactions. We're playing with fire."
- **While the Trump administration insists the tariffs are necessary to protect U.S. jobs and sovereignty**, critics like Cramer warn of rising inflation, supply chain disruptions, and a possible recession. JPMorgan recently raised the probability of a U.S. recession to 60% in response to the unfolding trade war.

- **As global markets continue to reel**, Cramer's prediction hangs in the air: "This could be the beginning of something much worse if cooler heads don't prevail — and fast."

G. Restored Republic: WHITE SWAN Initiated – Trump's Final Operation Is Underway.

...Quantum Financial System on Telegram

- **March 29, 2025. Etch it into your memory. History will remember this date, even if the world around you pretends it never happened.** The silence in the media is deafening because what's unfolding now is not a drill—it's the real thing. The world is being quietly but forcefully reshaped by an operation decades in the making. "WHITE SWAN" has been initiated. And this isn't just a military maneuver—it's the final stage of a spiritual war that has lasted generations. Trump didn't just return. He never left. While the fake stage played out, the real mission advanced in silence. And now, the final sweep is underway. Military tribunals are expanding, deep state puppets are vanishing, and elite strongholds are crumbling across continents. It's not disorder—it's the restoration of true order. Theirs is ending. Ours is rising.
- **GESARA is no longer theory—it's becoming structure.** As the dark web of globalist power dissolves, the Quantum Financial System quietly takes its place. The IRS is losing grip. Central banks are bleeding. Gold is no longer an antique—it's the backbone of what's coming. Trump's team, alongside the Global Military Alliance, has already begun simulations for debt cancellation and asset redistribution. Hidden accounts tied to trafficking, war, and corruption are being seized under Executive Orders they thought were dormant. But nothing was left to chance. Every step has been planned since JFK's assassination. And now, the final triggers are being pulled. Underground facilities, trafficking tunnels, black sites—all being dismantled under your feet while the media distracts with chaos.
- **Look around: unexplained explosions, strange "earthquakes," digital currency pushes, and desperate last moves from regimes on their last breath.** Zelensky has lost control. Trudeau is silent. Macron's mask is cracking. The Vatican is sealed. GITMO is overflowing. And tribunals have begun expanding to secondary locations as more high-level arrests take place. Former governors, senators, and federal judges are quietly "disappearing." But these aren't retirements. These are takedowns. Some made deals. Some didn't. And what you see in the public eye now—many of them aren't who they seem. AI stand-ins, deepfakes, body doubles. The illusion holds because it has to—for now. But when the time comes, the veil will lift in an instant.
- **They've tried everything to stop him. Rigged elections. Bioweapons. Indictments. Psychological warfare.** But Trump held the line. He didn't retreat—he repositioned. And now he commands the most advanced strategic operation in modern history. This isn't just American. It's global. White Hats embedded in Russia, India, Brazil, and beyond are executing the final phase of a coordinated takedown centuries in the making. They knew the storm would come. And now it's here. Not with announcements or parades—but with silence, precision, and force. The Emergency Broadcast System waits for the final signal.

The quantum grid is ready. And when it flips, the blackout will come—not as fear, but as truth. The broadcast will cut through every lie. Every illusion. Every false narrative.

- **Stay grounded. Stay alert. Because “WHITE SWAN” isn’t a warning—it’s a signal.** The last move before checkmate. The final gust that clears the board. Hold the line. The world we were promised is no longer a dream—it’s rising through the shadows, unstoppable, unshakable. And nothing can stop what is coming.

H. Sun. 6 April 2025 EBS ALERT: TRUMP’S NATIONAL EMERGENCY UNLEASHED

...Patrick B. Kennedy on Telegram

- **Military Alliance Mobilizes for Mass Arrests to End Biden’s Corruption and Restore America’s Sovereignty.** The wait is over. The signal has been given.
- **President Donald J. Trump is preparing to declare a National Emergency** — and with it, unleash the final phase of a long-planned operation to reclaim the Republic. This is far more than politics. It’s the beginning of the end for a criminal syndicate that has held America — and the world — in chains for generations.
- **Behind the scenes, a Military Alliance of patriots has been silently working:** generals, intelligence insiders, digital soldiers, and whistleblowers united by one mission — to restore the Constitution and remove traitors from power. They’ve mapped the networks, infiltrated the strongholds, and now, they’re ready to move. The mass arrests have already begun. Names you know. Faces you’ve seen. Executives, politicians, media gatekeepers — all tied to child trafficking, blackmail operations, rigged elections, and treasonous deals with foreign adversaries.
- **Detention centers are prepped.** Military tribunals are operational. This is not revenge — it’s restoration. Justice, swift and uncorrupted, will be delivered outside the compromised civilian courts.
- **Sources confirm: the Biden regime is the final mask of a dying machine.** Its open borders, economic sabotage, and lawless policies were never incompetence — they were deliberate acts of betrayal orchestrated by foreign-controlled globalists. But the plan failed. The American people woke up. And the Alliance never stopped watching.
- **Now comes the reckoning.** The Emergency Broadcast System will activate when the time is right — cutting through censorship, bypassing fake news, and delivering truth directly to the people. You will witness history. You will see justice. You will be part of the storm.
- **Stay ready. Trust the Mission.** The Republic will rise again.

M. April 2025 Dr. Ardis Show: The 2020 p@ndemic not only disrupted our lives, but it also left a lasting scar on our bodies. Millions of people worldwide are now suffering from POTS (Postural Orthostatic Tachycardia Syndrome) – a disorder that silently destroys the autonomic nervous system. It's not simply about being exhausted or stressed. It is about a hidden crisis, which causes: Standing causes dizziness and a racing heartbeat; Severe brain fog and excessive fatigue; Persistent digestive disorders, such as nausea and bloating; A rollercoaster of nervousness, depression and physical pain. If you've felt "off" since the p@ndemic, as if your body hasn't recovered, it's not your imagination. According to the NIH: "A slight increase in people developing Postural Orthostatic Tachycardia Syndrome (POTS) after receiving a C-19 jab, but this is much less common compared to those who developed POTS after having C-19 itself. The study, published in Nature Cardiovascular Research, analyzed data from over 284,000 jabbed adults. Among these, 763 experienced POTS after the jab. In comparison, more than 12,000 adults who had C19 saw 2,086 cases of POTS post-infection." N. Sun 6 April 2025 RFK Jr. Just Crushed the Deep State's Bioweapon Empire — 19,000 Fauci Loyalists Purged. Vaccine High Priest Peter Marks Forced Out by Trump's Inner Circle. ...Gitmo TV on Telegram

- **The war isn't overseas.** It's inside our own health system. And RFK Jr. just fired the first nuclear shot.
- **19,000 employees at HHS — GONE.** These weren't harmless paper-pushers. These were Fauci's operatives. The same traitors who ran cover for Gates, silenced whistleblowers, funneled NIH cash into bioweapon research, and pushed experimental gene therapies on the world. Gone.
- **Peter Marks is OUT.** The man who blessed the mRNA shots, the one who worked hand-in-glove with Kadlec and the CIA to turn vaccines into psychological weapons — resigned under threat. Sources confirm: Trump's shadow team and RFK gave the order. Resign or face trials. He ran.
- **But his resignation letter says it all.** He warned America that questioning vaccines is a "threat to national security." Translation: the Deep State is terrified.
- **And now it gets bigger. March 26, 2025.** The vaccine-autism investigation is officially ON. A full-scale federal probe, led by David Geier — the man who exposed the thimerosal cover-up — is opening the vault. If what VAERS and whistleblowers have said is confirmed, you're looking at tribunals, billions in lawsuits, and the fall of Big Pharma.
- **Fauci? He's vanished.** But insiders confirm he's scrambling behind the scenes, begging to have his name erased from RFK's investigation files. He's cornered. He's guilty. And he knows it's over.
- **As for Susan Monarez — Kennedy didn't stumble.** That was a tactical exposure. He dragged this DARPA-linked AI queen out of the shadows, forced her into the spotlight, and now the Patriot network has her in full view. She was the cabal's Trojan Horse. And now we see her.
- **The real plan was never public health.** It was control through illness. Sterilization, dependency, surveillance, obedience. Every shot, every pill, every lie — part of a larger system to enslave humanity.
- **But RFK Jr. is dismantling it piece by piece.** This isn't reform. This is war. The Deep State is collapsing. Their generals are fleeing. And patriots are rising. The storm isn't coming. It's already here. WHAT COMES NEXT WILL SHOCK YOU

O. Sun. 6 April 2025 Elon Musk CONFIRMS with Jesse Watters Democrats are laundering money through a network of NGO's, the money is coming back to them, and that's how they've gotten so rich ... White Hats on Telegram

- **Elon Musk also confirms Democrats need to start being arrested for the fake NGO money laundering scam.** “With respect to the non-governmental organizations, these sort of fake NGOs, I think there needs to be a number of arrests in that regard as well.
- **Because these are fake charities where mostly Democrats** and what's it called, and I want to be clear, there's sometimes a little bit of Republican in there — So that's where you start getting the uniparty thing going on. But it is overwhelmingly to Democrats and they give these billions of dollars to NGOs run by Democrats that then go through a whole network of additional NGOs. It's a giant money laundering scheme. Really at this point, I think the word NGO and money laundering are almost synonymous.”

More on Democrats Social Security fraud:

- **Jesse Watters “You said the other day uncovered some evidence** that there was massive Social Security fraud and that arrests were imminent. What can you tell us about that? And what can you tell us about what you've seen politicians do to make massive amounts of money off of the federal government Like Nancy Pelosi?”
- **Elon Musk “So we've encountered.** There's really so much for it. It's deciding what should be prosecuted first. Because it's such a long list, you have to actually prioritize list. We convey the list to the Department of Justice.
- **The DOJ has a process that they go through to review and think about it.** The wheels of justice turn slowly. In fact, obviously I have a maniacal sense of urgency. So to me, when I see that terrible fraud has happened, I'm like, why haven't we arrested someone already? But as the saying goes, the wheels of justice turned slowly but surely.
- **I think probably the person that stole 400,000 Social Security numbers,** at least, maybe more will be arrested hopefully this week”
- **Why Democrats are terrified:** <https://beforeitsnews.com/prophecy/2025/04/doge-reveals-exactly-why-democrats-are-terrified-trump-says-they-found-something-horrible-2571901.html>

P. Sun. 6 April 2025 INSANE Elon Musk's DOGE found an employee at the VA (Veteran Affairs): ...JFK Awakening, Q17 on Telegram

- **The job was paying \$8,700 an hour.** The job only requires probably about 10 hours of work per week
- **“DOGE found that there was a software engineer** who was paid to do light modifications on the website, which takes about 10 hours per week. And they were paying him \$380,000 a month to do that, which comes out to roughly about \$4.5 million

a year. And if you break that down into 10 hours a week of work, that's roughly \$8,700 an hour.”

- **“That's not okay. That's my tax dollars.** That's your tax dollars being paid to someone to do very light modifications to a website for 10 hours a f*cking week”

Q. Sun. 6 April 2025 BOMBSHELL: Biden & Obama Just Stole \$7 Billion—In Plain Sight! THIS is the biggest taxpayer heist in U.S. history. ...Quantum Financial System on Telegram

- **No oversight. No transparency. No consequences.** A fake “climate nonprofit” created out of thin air—handed \$7 BILLION by the Biden regime. And guess who’s behind it? The same Obama-era swamp that’s been bleeding this country dry for over a decade.
- **The so-called “Climate United Fund” had just \$547K in startup revenue.** In two months, they burned \$451K without any explanation. Then in April 2024, Biden’s EPA handed them \$7,000,000,000 of YOUR money.
- **No audit.** No vetting. Just a 49-page report and a rubber stamp.
- **Where is the \$7 billion now?** Allegedly, a tiny \$50 million is going to solar projects in Idaho, Arkansas, and Oregon. That leaves \$6.95 BILLION unaccounted for. No answers. No media outrage.
- **Who’s running this scam? Obama insiders.** Swamp puppets. Radical leftists: Beth Bafford – No experience. Obama loyalist. Now controls \$7B. Phil Angelides – Tied to big Dem donors. Anthony Foxx – Obama’s Transportation Secretary. Dolores Huerta – Far-left activist. Patrice Willoughby – Operative in the Congressional Black Caucus. They stacked the deck, funneled the cash, and you’re left holding the bag.
- **But it doesn’t stop there.** The Climate United Fund already funneled cash into Power Forward Communities—another fake “nonprofit” with Stacey Abrams sitting quietly in the shadows. This is a laundering machine: shell groups feeding other shells, vanishing billions before anyone can trace it.
- **This isn’t about climate.** It’s about CONTROL. It’s about EMPIRE.
- **And the media? DEAD SILENT.** If Trump had done this, it would be a nuclear news cycle. But because it’s Biden and Obama, they bury the truth and call it a “conspiracy theory.”
- **This is the final warning.** They are not governing. They are LOOTING. \$7 billion GONE. Democrats cashing out before 2026. The clock is ticking—and they know it.
- **America is being stolen.** What are you going to do about it?

R. Sun. 6 April 2025: We may have found who’s organizing the protests in America. It always leads back to Barack Obama. ...45-47 on Telegram

- **Obama’s former U.S Ambassador Norm Eisen** called to use these tactics against Trump: This needs to be a legal fight. It needs to be a media fight. People-powered revolution (Protestors)

- **The warning signs to look for:** In an MSNBC appearance this week U.S ambassador turned legal hatchet man, Norm Eisen, called the Trump administration an autocratic regime, and said that we have tools to displace autocrat regimes around the world with people powered revolutions.
- **This was the man who basically spearheaded nearly every law fair push against Trump world for the past 8 years** - Everything from the Trump impeachment to the, to the J6impeachment - He was responsible for the Ukraine affairs - He was running a group called crew, which sued the Trump administration hundreds of times. He was the former U.S Ambassador to the Czech Republic for, for President Obama and even wrote a playbook basically on how to, how to orchestrate color revolutions against movements that were rising in Europe while he was at the Brookings Institution just a few years ago.
- **He's openly calling on live television** to take that same playbook for overthrowing foreign governments and to find a way to IMPLEMENT IT HERE (To overthrow our elected government)
- **The first two things that he said off the top** were that this needs to be a legal fight and it needs to be a media fight. So taking it to the courts and taking it to the media for hearts and minds.
- **But what you've seen, one of the warning signs that I'm very concerned about is that a fundamental part of these people-powered revolutions,** the so-called color revolutions is, is on the street action to destabilize countries, which also provides a sort of patina, a predicate to the rest of the world. That this is the genuine reflection of the democratic people being underserved by an autocratic government.” (They use fake rent-a-riots and then have the media pretend it’s the will of the people to overthrow Trump)

S. Sun. 6 April 2025: HAARP EXPOSED: Snowden Unleashes the Truth – Global Assassination & Mind Control Network CONFIRMED ...Steve Bannon on Telegram

- **NSA whistleblower Edward Snowden has shattered the illusion.** HAARP isn’t a research station. It’s a weapon. And it’s active right now. The so-called High-Frequency Active Auroral Research Program is no experiment—it’s an electromagnetic WAR MACHINE.
- **According to Snowden, HAARP can kill silently.** High-powered frequencies target brain stems, triggering strokes and heart attacks that leave no trace of foul play. These “natural deaths” are engineered executions—covert assassinations of patriots, whistleblowers, and anyone labeled a “threat.”
- **But that’s just the beginning.** HAARP is a global mind control grid. NATO deploys it to warp thought, induce hysteria, and discredit truth-tellers. This is psychological warfare at its highest level. During his flight to Russia, Snowden had to defend against waves of radio-triggered homicidal delusions. He built a Faraday cage just to survive.
- **The documents Snowden released weren’t theories.** They came directly from private accounts of high-ranking military officials—Air Force generals, naval intelligence officers, and DARPA insiders. These aren’t rumors. These are battle plans.

- **And there's more.** Cell towers are HAARP extensions. TrapWire systems and university “collaborators” are knowingly aiding a mass manipulation operation. Weather warfare? Earthquakes? Food system sabotage? Every disaster is now suspect.
- **This is not sci-fi.** This is not “down the road.” It’s happening now. Global installations in Alaska, Sweden, Russia, and beyond are positioned to strike at will. Their purpose? To depopulate, destabilize, and destroy.
- **This tech was born from Tesla’s genius,** twisted by the deep state, and hidden in plain sight for over a century. Now, thanks to Snowden, the mask is off.
- **No more silence.** No more pretending it’s “just weather experiments.” This is the weaponization of Earth itself. Gakona, Alaska is ground zero. The 36 million-watt array, built by BAE Advanced Technologies, is not observing the skies—it’s targeting YOU.
- **Every storm, every quake, every blackout— question it.** HAARP is the invisible enemy. If we don’t act, humanity falls under electromagnetic tyranny.
- **WAKE UP. RISE UP. FIGHT BACK. THE STORM IS HERE.**

T. Sun 6 April 2025 Older American explains “How the middle class was destroyed”

...Wall Street Apes on Telegram

- **“In 1978, I worked in a steel mill.** I was getting paid between \$16 and \$18 an hour in a steel mill. My house payment was \$125 a month. I was doing well. Then we started not putting tariffs on China Steel, steel coming in from China and other countries.
- **They were supplementing their industry,** and they took our steel industry away from us. So I lost my job. They shut the mill down, and then I had to go figure it out.
- **At the time, I was married with three kids, and this was in the 80s, early 80s, and I had to figure it out.** I couldn't get a job that was going to pay sufficient to be able to survive. So I had to create my own businesses, and I've done that ever since. But it was the taking of the steel mills from this country and all these others that they've taken the auto industry and everything else that's killed our economy.
- **Now you start making a fair playing field is what Mr. Trump is doing.** President Trump is doing. Those jobs will come back, people will start making money. And you say, oh, well, you know, now we're not going to get cheap products.
- **Now we're not going to get cheap products.** But all the money that we're paying those countries for those cheap products will stay in this country and we will start manufacturing and we will have those jobs that pay good again. You'll see.”

U. Sun. 6 April 2025: Sources now confirm that a secret tribunal is already forming in Moscow—outside the reach of Western influence. A place where names like Schwab, Soros, and even Biden are whispered with increasing urgency. ...General Patton on Telegram

- **The storm has broken. Behind closed doors, emergency meetings are unfolding in Brussels, Washington, and Davos.** Phone lines are burning. Intelligence chiefs are scrambling to contain the leak—but it’s already too late. Russia’s ultimatum shattered the

silence. The files are real. The accusations are backed by hard evidence, not speculation. Lab records. Financial transfers. Classified NATO communications. There's no walking this back.

- **Sources now confirm that a secret tribunal is already forming in Moscow—outside the reach of Western influence.** A place where names like Schwab, Soros, and even Biden are whispered with increasing urgency. If Gates and Fauci fall, the dominoes won't stop. The global web of influence—the WEF, WHO, IMF—everything they built is one exposure away from collapse.
- **And now, something even darker is surfacing. Intercepted communications hint at a covert Western response: “Project Eclipse.”** A contingency plan designed to plunge the world into chaos if the elite face trial. Economic sabotage. Cyberattacks. Media blackouts. The aim? Confuse the public, reset the narrative, and delay justice. But Russia isn't playing along. They've hardened their networks, mobilized cyber defenses, and fortified their alliances with China, BRICS, and others ready to reject the globalist grip.
- **Meanwhile, deep within the Pentagon, quiet resignations are stacking up.** Whistleblowers are leaking. A silent rebellion is brewing within the intelligence community—those who swore to protect the Constitution, now faced with a government run by deception. Their message is simple: The people must know the truth.
- **The question is no longer if the truth will emerge. It's when.** The final phase has begun. Trust is evaporating. Institutions are cracking. And in the shadows of collapsing power, a new force rises—one that refuses to kneel.

Y. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Z. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Za. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Zb. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
