Aboriginal Holocaust Memorial Day 20th Anniversary

**Exposing 80 Native Residential School Death Camps Where Canadian Church & State
Regularly Slaughtered Children.**

[Memorial Day: Promise of Liberty \(5/30/2021\) | Music & The Spoken Word](#)

“Prayer is powerful because it activates God in our lives.”

Judy Note: *Tues. 15 April 2025 was the 20th Anniversary of Aboriginal Holocaust Memorial Day and the 30th Anniversary of when Harriett Nahanee and Kevin Annett first exposed the existence of 80 Native Residential School Death Camps across Canada where Canadian Church and State regularly slaughtered native children.*

With More than Remembrance: Staying True to all the Fallen: A Reflection on the Twentieth Anniversary of Aboriginal Holocaust Memorial Day by Kevin Annett Eagle Strong Voice April 15, 2025 <https://youtube/uUREmF4ZDTY>

There were only nine of us that first day. Then as now, those who should have stood with us shrank back from confronting the churches that slaughtered generations of children. But fear had no room in we few that Sunday morning, for our minds and hearts were with the fallen.

It was April 15, 2005 in downtown Vancouver, where we first fired the shot that would be heard around the world.

A decade had passed since 1995 when Harriett Nahanee and I first made headlines about the Christian death camps falsely called “Indian residential schools”. Harriett was an indigenous witness to murders at the United Church ‘school’ in Port Alberni. She met me soon after my firing for speaking of the crime from my pulpit. Together we organized public teach-ins and the first Tribunal into residential school crimes. But talking had done little. It was time to confront the Catholic, Anglican, and United Church and bring those child killers to justice.

And so began our escalating protests and eventually church occupations that forced Canadian Church and State to admit to genocide, and sparked a global movement that toppled a pope. But with that victory came a counterassault that killed a dozen of our people and buried the truth we had briefly surfaced at a cost beyond measure. [Exclusive! The day we turned the tables on child killing churches: Historic footage of the church occupation that forced out the truth – Murder by Decree](#)

Like the crime itself, this grassroots campaign that made Goliath stumble is mostly forgotten now, even among those who claim to know the story. We few survivors and the evidence have been scrubbed from the public memory and lost in the official Night and Fog required by any genocidal regime. So complete has been this erasure that the perpetrators now claim that the crime never happened. Canada’s denial of its homegrown Holocaust has come full circle. And that’s hardly surprising, since the extermination of native people has never stopped.

A few years ago, some of the serial killers of native children dug under their own house and “reported” that they didn’t find much there. Now that’s a surprise, eh?

The staged “dig” at the former Kamloops Indian School was conducted by the RCMP, Catholics, and band council puppet chiefs – in short, the very people who had killed the children. Based on that duplicitous whitewash, various blockhead bloggers are now saying “*See? There never were any mass graves of children!*” Poof! 60,000 corpses are gone in a flash!

In their hurry to be stupid, the genocide-denying bloggers forget or never knew that even the Canadian government has admitted that half the children were dying in the ‘schools’ for many decades because of deliberate exposure to disease. In 1998, we published the death records from government and church archives proving that fact. We excavated children’s remains at the Mohawk ‘school’ in Brantford in 2011 and had them forensically verified as human. The Principal of that facility, John Zimmerman, wrote in 1948, “*We have been forced to bury children two and three to a grave*”.

The fact is that the burial teams at the death camps ran out of room, and often the little corpses were incinerated. That’s what war criminals do. I’ve spoken to the people who dug the graves and shoved the bodies into the school furnaces. That’s all been on the public record for a quarter century. See: www.murderbydecree.com

In the face of this evidence, anyone who still denies this atrocity and how we exposed it is not simply ignorant. They are complicit in the crime. They are also pissing on all those murdered children and on my friends who died to bring out the truth.

Regardless, the crime remains, as does the example of the few of us who named the names and knocked on the front door of evil. The proof that we revealed stands, as does the guilt of these criminal churches. As Harriett Nahanee remarked to me at one of our early church protests, as Catholics yelled obscenities at us,

“You can tell these people are guilty. Just look at how they’re reacting to us.”

The same is true for all of Canada. We can deny who we are and what we have done, but we cannot avoid the consequences of our actions, which are blowing back on all of us now.

For centuries, North Americans have participated in and profited from the worst mass murder in human history and are still concealing the crime and wiping out any of us who reveal it. The continued trafficking and killing of children elicit barely a yawn from so-called “awake” Canadians. Too long an association with this institutionalized evil has killed our conscience and morality as a people and has produced the present madness engulfing this continent. Now we are all on the Indian reservation and are facing the same extermination. That’s known as the Law of Return. It’s also called justice. And Judgement.

In other words, folks, we deserve everything we get. And we ain’t seen nothing yet.

Now, two decades after we began our seemingly hopeless struggle, what speaks in my heart are the faces and voices of my fallen friends, and those who they fought and died for. I see their radiant expressions as we stood down the priests and cops and turned the tables on the killers. I see Harriett Nahanee. William Combes. Johnny Bingo Dawson. Harry Wilson. Ricky Lavallee. Ron Barbour ... and so many others, beaten to death by police or killed in hospitals or in lonely jail cells. But their death is their victory, for they never gave up. And their spirit lives on in any of us who carry on the fight to shut down the genocidal churches and governments and corporations that continue to ravage the earth and the law and the innocent.

It's time for all of you to break the web of complicity and ignorance that is the price of your participation in this bloody, lying culture. So, honor yourselves as well as the fallen by joining the fight they died to win. Join our campaign to banish those genocidal churches and reclaim their wealth and properties as lawful reparations for their centuries of crime; and to stop the continued extermination of children. What else is there for a free and living soul to do?

For in the words of Thomas Paine, *"The valiant are forever triumphant, and even in defeat do they remain great. Such a fall echoes down the ages with an immortality as great as glorious victories."*

To you from failing hands we throw the torch; be yours to hold it high. If you break faith with us who die, we shall not sleep. <https://youtu.be/uUREmF4ZDTY>

Global Currency Reset:

It will trade up, plus have a Contract Rate. The banks are ready for us. The Dinar went live today and will be exchanged within 48 hours.
- **There are 5 crypto coins** that are gold backed.
- **Tier4b (us, the Internet Group)** could get notified **tomorrow or Thursday**.
- **DOGE payments will also start this week.**
- **The R&R** will be in accounts at the Redemption Centers.
- **17 currencies** are going up in value. The Dinar, Dong, Bolivar are going up substantially (\$4-\$7 for Bolivar).

D. Tues. 15 April 2025 Global Currency Reset ...EBS Activated With Trump on Telegram

- **Sat. 12 April 2025 The U.S. just triggered the Global Currency Reset (GCR)** and the Revaluation (RV), shattering the corrupt system that's enslaved the world for decades.
- **On Fri. 11 April 2025 a classified Tier 1 operation quietly began.** A financial injection of \$500 trillion is now moving through the global system through perfectly timed veils of tariffs.
- **Trump's trade war was about taking down the rigged currency game.** The U.S. Trade Representative is now enforcing currency revaluations as part of new deals. No more manipulation. No more fake valuations. No more China cheating the dollar.
- **The Federal Reserve plans to print \$9.5 trillion to buy out global gold.** But the moment they move, the dollar hits ZERO. Gold will shoot to infinity.
- **Inside the Tier 1 Blueprint for a Silent \$500 Trillion Reset** as Global Financial Realignment Is Already in Motion
- **Over \$500 trillion in frozen or hidden assets** is now being introduced back into circulation under humanitarian cover. This structure prevents manipulation, bypasses corruption, and protects the mission: 80% of the funds directed toward humanitarian infrastructure, 1% for logistical discretion, and 19% anchored in U.S. Treasury bonds to stabilize the sovereign narrative and avoid inflationary shocks.
- **Tariffs provide the smokescreen.** Governments declare economic wins as hidden financial pathways quietly funnel resources through redemption frameworks unknown to the public.
- **This operation will never be called a reset.** It will be labeled as "liquidity flow alignment," "sovereign debt stabilization," or "post-pandemic optimization." But make no mistake: this is a reverse-engineered correction of economic plunder. The theft of

wealth, time, and global potential is being quietly reversed—without ever admitting the theft occurred.

Global Financial Crisis:

E. Tues. 15 April 2025 QFS GLOBAL TAKEOVER: 209 NATIONS. 97 OF TOP 100 BANKS. IT'S HAPPENING. ...Carolyn Bessette Kennedy on Telegram

- Boom. What we've been warning about is now undeniable. The Quantum Financial System (QFS) is no longer a theory. It's rolling out—right now.
- 97 out of the world's top 100 central banks are in the middle of a silent transformation. Not tomorrow. Now. They're being hardwired into the QFS + RTGS architecture—the final phase before full activation.
- What does this mean? It means the current monetary regime—the fiat parasite system run by Deep State bankers—is being dismantled. Fast. Quiet. Global.

An inside source from military intelligence confirms:

- 179+ central banks are either already linked or in the final stages of integration. Another 80 regional banks are next. That's 209 total. The entire planet is being absorbed into a new digital command grid—not controlled by governments, but by something far more powerful.
- This isn't about "faster payments." It's about total surveillance. Total control. Total reset. No transaction left unseen. No asset left untagged. The financial panopticon has arrived.
- Banks involved include: People's Bank of China – \$5.1T assets, Bank of Japan – \$5.2T assets, Deutsche Bundesbank – \$2T assets, Bank of England – \$758B assets, Swiss National Bank, Reserve Bank of India, Bank of France, Bank of Italy — all are in. Even the Federal Reserve regional branches in the U.S. are locked in.
- Why aren't you hearing this on the news? Because once the public connects the dots, it's over. This isn't just a financial shift—this is the backbone of the New World Order.
- The RTGS system ensures real-time, unstoppable transactions. Combine it with QFS and you get a weaponized, blockchain-driven grid with the power to erase wealth, deny access, or approve purchases—based on your compliance.
- Gold-backed currencies. Centralized digital IDs. Total obedience. The BIS, IMF, and WEF want one network to rule them all.
- This is the storm. If your country's bank is on that list, you're already in the system.

F. Sat. 12 April 2025 MILITARY INTEL DROP: STARLINK, QFS & PROJECT ODIN — THE FINAL SATELLITE WAR HAS BEGUN. ...John F. Kennedy Jr. on Telegram

- **While the world sleeps, the skies above us are being weaponized** — not with missiles, but with information, frequencies, and control. What you thought was just internet from space is actually the front line in the final war against the Deep State. The moment has arrived. The curtain is lifting. And what's revealed is beyond imagination.
- **Starlink — Elon Musk's constellation of satellites** — is not what it seems. Sold to the public as a communications system, it was always something more: a Trojan Horse positioned in Earth's low orbit, building an invisible grid designed to replace the corrupted infrastructure of global surveillance. But Starlink doesn't stand alone. It is the delivery system for Project Odin — a classified military protocol created to neutralize Deep State control over media, finance, and psychological warfare.
- **And it's already begun. The Mossad's media satellites** — long used to hijack global narratives, influence elections, and manipulate reality — are being taken offline. Not hacked. Not interrupted. Obliterated. This silent takedown will trigger a communication blackout that reshapes the world. No more CNN. No more BBC. No more puppeteered talking heads spinning lies for the elite. When the lights go out, the truth will come in. This isn't just about satellites. It's about freedom.
- **Behind the scenes, the Quantum Financial System (QFS) is already live** — bypassing central banks, bypassing SWIFT, bypassing the IMF, BIS, and every globalist institution that built a prison out of paper money. QFS is quantum-secured, military-run, and incorruptible. It records every transaction with unbreakable encryption, immune to manipulation, fraud, or theft. For the first time in history, money will serve the people — not enslave them.
- **And while QFS restores financial sovereignty**, Project Odin serves as the sword. Designed to replace the current media matrix, Odin will unleash a secured Emergency Broadcast System — Starlink-powered, White Hat controlled. When the Deep State's web collapses, Odin will take over. It will broadcast truth directly, bypassing every gatekeeper that once controlled what the world was allowed to know.
- **Some say the Mossad satellites are already down.** Others say the command has been issued and the sequence is underway. Either way, the outcome is the same: a total blackout followed by revelation. Imagine a world where the screens go dark — and then flicker back on, not with propaganda, but with tribunals, confessions, and undeniable proof. This is not fantasy. This is the plan.
- **Even Elon Musk has dropped clues:** trillions in phantom payments uncovered. Fraud systems built by the Deep State to drain the people dry. That system is dying — and QFS

is the kill shot. Meanwhile, RFK Jr. and Trump's war council are attacking from every front — ending forced medication, exposing fluoride toxicity, and dismantling the health cabal piece by piece.

- **This is a Biblical shift. A cosmic war.** And we are in the final act. Starlink is the grid. QFS is the engine. Odin is the trigger. You are living through the takedown of a global control system older than most nations — and when it ends, everything will change. Time will split. Reality will shift. And a New Earth — powered by energy, frequency, and truth — will emerge from the ruins of deception.
- **Stay grounded. Stay alert.** The storm above is real. PROJECT ODIN IS LIVE.

G. Tues. 15 April 2025 EXPOSED: TRIAL INTERNATIONAL UNCOVERS DEEP STATE CRIMES AGAINST HUMANITY ...SGAnon Q on Telegram

- **The curtain is ripping open.** The Deep State is being dragged into the light. TRIAL International is naming names and pushing prosecutions—no more shadows to hide in. Mass murder, forced disappearance, systematic torture, sexual slavery, biological experimentation, and extermination operations—this isn't history. It's happening NOW.
- **Crimes against humanity aren't just battlefield atrocities.** They're systemic, planned attacks on civilians. And they can happen in peacetime—under the guise of policy, safety, and progress. These crimes are personal. Every name behind the orders is guilty.
- **Since 1998, the Rome Statute has legally defined these horrors.** Under Article 7, these are the charges: Murder, Torture, Enslavement, Sexual violence, Persecution, Extermination, Deportation, Enforced disappearance, Apartheid, Inhumane acts causing great suffering.
- **This isn't vague. This is codified law**—and it targets individuals, not just states. That means no immunity for the elite. No safety for war criminals. No escape for traitors hiding behind political thrones.
- **TRIAL International is forcing open the gates.** They assist victims, file lawsuits, and pressure courts to prosecute under universal jurisdiction. And still, the globalist-controlled governments deny everything. They stall, lie, and bury the dead.
- **But here's the real red pill:** the guilty are in OUR government. Barry Soetoro—installed, not elected—orchestrated murders, including Breitbart and Clancy. Their sin? Writing about his illegal regime. 18 U.S.C. §2381 – Treason. Death penalty.
- **Cassidy Hutchinson. Nancy Pelosi. Lloyd Austin. Marc Elias. Kamala Harris. George Soros.** All named. All indicted by truth. The law is clear: conspiring to overthrow the United States = 20 years or DEATH.
- **The Anons are the last firewall.** We don't forget. We don't forgive. We don't fear. This isn't theory. This is the final chapter.
- **TRUTH = TREASON to tyrants. JUSTICE = DEATH to the Deep State. The Storm is HERE.**

H. Sun. 13 April 2025 White Hats Lead the Greatest Sting Operation Ever—Trump’s Global Military Alliance Mobilizes Worldwide to Hunt Down The Deep State, Seize Stolen Gold, and Annihilate The Globalists Forever!...Mr. Pool on Telegram

- **April 13, 2025 — the turning point in human history.** A silent global war has erupted into its final and most ruthless phase. And at the helm of this unstoppable liberation campaign is President Donald J. Trump — not as a politician, but as Commander-in-Chief of the real America, leading the worldwide takedown of the satanic elite.
- **Forget the lies from CNN, BBC, and every Deep-State-infested outlet** still clinging to survival. The real story? Military justice has replaced political theater. The largest coordinated military operation in human history is now fully engaged — targeting traitors, child traffickers, corrupt bankers, and pharmaceutical warlords.
- **Cheyenne Mountain — now referred to as “Trump’s Vault”** — is the command center. From deep within this secure fortress, Task Force Phoenix directs global operations under Trump’s orders. Every corrupt court, agency, and politician has been bypassed. Nothing is left to chance.
- **Over 3,200 high-level arrests have taken place in just the past 7 days.** We’re talking CIA traffickers, Vatican treasurers, BlackRock architects, Pfizer bosses, and royal bloodline handlers. Entire central banks have been gutted. Vaults, cash, diamonds, servers — seized. The tribunals are real, and the sentences are final.
- **Switzerland has fallen.** Zurich, Basel, and the Bank for International Settlements have been raided by White Hat units. Hidden vaults filled with Nazi gold, dark ritual chambers, human trafficking tunnels, and weaponized currency systems have been exposed. The gold — over \$300 trillion in value — is now in Alliance hands, designated for redistribution under GESARA protocols.
- **Meanwhile, the Vatican has collapsed.** On April 11, elite units stormed its underground networks. Inside? Labs for genetic experiments, stolen healing tech, ancient documents on extraterrestrial contact, and massive trafficking corridors. All of it seized. The Vatican is no longer a sovereign black site — it is under Alliance control.
- **And then there’s Antarctica.** The final hiding place of the Deep State — Queen Maud Land — is now surrounded. U.S. Space Force, Russian loyalists, and special units from Brazil and India are converging on Nazi-era bases used for advanced tech, cloning, portal travel, and off-world operations. These bloodlines thought they could outlive humanity’s awakening. They were wrong.
- **Still wondering why the media is silent?** Because they’re gone. Executives from CNN, BBC, FOX, and Reuters have either fled or been detained. The Emergency Broadcast System is armed and awaiting activation. Data leaks are prepped: footage of elite ritual abuse, audio of depopulation meetings, coordinates of global bunkers, and undeniable proof the Plandemic was orchestrated.
- **The world will see it all.** Even Starlink — now weaponized by Elon Musk in full coordination with Trump — has transformed into a global surveillance and strike network. Every transaction, every location, every private signal... logged. There is nowhere left to hide.
- **The Quantum Financial System is being activated.** Rainbow currencies and gold-backed tokens are replacing fiat scams. Debt slavery is being wiped. Healing

technologies once locked away are being released. And GESARA wealth redistribution is just the beginning.

- **This isn't speculation.** This is military execution.
- **The Vatican has fallen.** The banks have fallen. Antarctica is falling. The traitors are running, but the walls are closing. The White Hat Alliance has dismantled 80% of the Deep State's infrastructure — and the final 20% is now in full retreat. Trump wasn't bluffing when he said, "We caught them all."
- **This is the final phase of world liberation.** Stay ready. Stay silent. Watch history unfold. The Storm is no longer coming. The Storm is now. And nothing can stop what happens next.

I. Tues. 15 April 2025 Washington State To Give Officials Authority To Enforce Deadly Vaccine Mandates

Call To Action: Washington State HB 1531, a blueprint for tyranny, has passed Washington State House and Senate. If it's signed into law by Governor Bob Ferguson unelected authorities will mandate deadly vaccines, the concept could sweep across America—and freedom will never look the same.

Governor Bob Ferguson phone number: 360-9024-111

ALERT: HB 1531 has passed both the Washington House and Senate. It is now heading to Governor Bob Ferguson's desk for signature. This bill is not just dangerous—it's the most aggressive and extreme law of its kind in the United States. No other state has gone this far. Washington is about to become the national testing ground for government overreach.

If signed, HB 1531 gives unelected public health officials total authority to enforce mandates—vaccines, restrictions, and more—while wiping out religious, medical, and even philosophical exemptions.

Who will this hurt?

- Firefighters, nurses, teachers, police, and healthcare workers could be fired again—no exemptions honored.
- Schools will have no choice but to comply with mandates—even if it harms students and families.
- Private businesses will be forced to follow mandates, regardless of the owners' beliefs or values.
- Parents will lose say over what goes into their children's bodies.
- Private citizens will be treated as threats unless they comply with every future mandate—no questions asked.

This bill is out of control.

- It shreds the First Amendment by denying religious freedom.

- It violates federal civil rights laws, including protections for employees.
- It erases local control, nullifying any community-level decisions.
- It hands power to “evidence-based” ideology, without checks, balance, or accountability.
- And worst of all—this will be the first law of its kind in the country.

Where it stands now:

- HB 1531 has cleared the House and Senate.
- It’s on Governor Bob Ferguson’s desk.
- If he signs it—it becomes law.
- If he vetoes it—we still have a chance to preserve freedom in Washington.

What you must do NOW:

- Contact Governor Ferguson IMMEDIATELY. 360-902-4111
Call, email, tag, and flood his office.
- Tell him this bill is unconstitutional, unethical, and unacceptable.
- Demand a veto.
- Share this post. Rally your community.
- Get loud. Get organized. We do not comply.

Washington State HB 1531 is the blueprint for tyranny. If it’s signed into law, it will sweep across America—and freedom will never look the same. Washington: we are the firewall. This is the line in the sand.

Trump’s team is planning drone strikes on cartel figures and logistics hubs inside Mexico. The same CIA that once ran global drug ops is being ordered by Trump to take down the very cartels they used to protect. Trump is forcing the Mexican government to choose: work with us to destroy the cartels — or be exposed. No more payoffs. No more backroom deals. Mexico is being squeezed militarily, diplomatically, economically.”

CANCER WAS NEVER NATURAL — THE ELITES MADE IT HAPPEN: They’re Pumping Ceramides Into Your Food And Water To FORCE Tumors To Grow And Keep You Hooked On Chemo Till You Die! This was never about calories. This was never about exercise. This was never about “bad genetics.” The truth is far darker, far more calculated, and infinitely more evil. N. Tues. 15 April 2025: ALERT! CANCER WAS NEVER NATURAL — THE ELITES MADE IT HAPPEN ...Patrick B. Kennedy on Telegram

- **They’re Pumping Ceramides Into Your Food And Water To FORCE Tumors To Grow** And Keep You Hooked On Chemo Till You Die!
- **This was NEVER about calories.** NEVER about exercise. NEVER about “bad genetics.” The truth is far darker: the collapse of human health was engineered — molecule by molecule — and ceramides are the smoking gun. Ceramides weren’t just there. They were planted.
- **Biochemical warfare masked as nutrition.** Population control masked as medicine. GENOCIDE masked as “modern living.” Ceramides — The Kill Switch Inside You
- **Big Pharma and the food industry have pumped these TOXIC lipids** into your daily life. Seed oils. GMO grains. Processed sludge. Even your water. This is a coordinated biochemical siege.
- **They’re not just making you fat.** They’re programming you to die. Your cancer? Not random. Your brain fog? Not accidental. Your infertility? Not a fluke. It’s all engineered. You were systematically poisoned to keep you sick, tired, and profitable.

- **Fauci's \$100 Billion Scam.** Anthony Fauci didn't "fight disease." He managed it like a business. He funded decades of research NOT to heal you — but to turn your cells into cash machines. Ceramides were central to this.
- **Create the disease. Sell the cure.** Profit from pain. And repeat — endlessly. Your Fat Cells = Death Warehouses Ceramides hijack your fat cells, turning your body into a slow-kill prison. Your metabolism? Crashed. Your organs? Suffocating. Your cells? Feeding cancer.
- **They never wanted to cure cancer.** They wanted to turn it into a subscription plan.
- **But There's One Thing They FEAR A TOTAL CERAMIDE FLUSH.** And it's possible. Ikaria Lean Belly Juice isn't "weight loss." It's biochemical defiance. A direct attack on their poison system. It uses: Fucoxanthin to shatter ceramides. Ginseng to reboot immune surveillance. Bioperine to firebomb toxins. Resveratrol to starve tumors. Milk Thistle to cleanse your liver. EGCG to rewrite your DNA.
- **This isn't a diet. It's WAR.** Every scoop = a strike. Every detox = a rebellion. Every pound lost = a system collapsing.
- **You were never meant to be sick.** You were MADE sick. Now it's time to FLUSH THE POISON and burn their system to the ground. The war is real. Your body is the battlefield. And it's time to FIGHT BACK.

O. Tues. 15 April 2025 MUST-SEE VIDEO: Trump's Right to Try Act Revolutionizes Cancer Treatment! How Ivermectin and Fenbendazole Are Saving Lives While Big Pharma Fights to Hide the Truth! WATCH NOW! ...WH Grampa on Telegram

- **President Trump's Right to Try Act** has ignited a revolution in cancer treatment — and Big Pharma is terrified. With Ivermectin and Fenbendazole now saving lives across the world, the pharmaceutical cartel's monopoly is under direct assault. The truth is finally breaking through: cancer doesn't need to be a death sentence, and the treatments that work aren't locked behind billion-dollar paywalls anymore.
- **Trump's law didn't just cut red tape.** It gave people the right to fight for their lives with every tool available — even the ones the FDA and Big Pharma tried to bury. Since its signing, thousands of patients have turned to repurposed drugs, bypassing the corrupt gatekeepers who profit from their suffering. And now? The results are shattering everything we were told.
- **Ivermectin, mocked during COVID,** is showing powerful anti-cancer effects. It disrupts tumor growth, halts metastasis, and leaves healthy cells untouched. Fenbendazole, a humble veterinary drug, is starving cancer cells of glucose, choking out their lifeline — and it's working. Stories of miraculous recoveries are everywhere. Stage 4 patients walking free. Families reuniting. Lives restored. These drugs are not fantasy. They are reality. And the cartel can't stop it.
- **Mel Gibson has spoken out.** Brave doctors are publishing lists of alternative protocols. And millions of people are waking up to the lie: that only chemotherapy and radiation are

“real” treatment. In truth, there is an entire world of safe, effective therapies — therapies that cost pennies, that threaten no one but the shareholders of Big Pharma giants. That’s why they fight so hard to silence them.

- **But Trump knew this. That’s why he pushed the Right to Try Act.** That’s why he bypassed the bureaucrats. That’s why he gave the power back to the people. And now, the ripple effect is global. More doctors are defecting from the narrative. More patients are rejecting the script. And more lives are being saved than ever before.
- **This isn’t just about medicine. It’s about the freedom to choose.** The freedom to survive. Trump’s bold move has shattered the illusion that we must suffer under corporate medicine. It has opened the floodgates for suppressed treatments, courageous voices, and undeniable results.
- **And Big Pharma? They can’t contain it.** Because once the people see the truth — once they realize healing doesn’t have to come with a six-figure price tag — it’s game over for the empire of illness. The cartel is falling. The cure revolution is here. And the future of medicine belongs to the brave.

P. Fri. 11 April 2025 MED BEDS ROLL OUT ACROSS AMERICA UNDER MILITARY COMMAND — BIG PHARMA COLLAPSE IMMINENT

- **They KNEW. They HID it. Now it’s OVER.** For decades, Med Beds—once dismissed as myth—were real, functioning, and weaponized against the people. Developed in black ops programs using reverse-engineered alien tech, suppressed by corrupt agencies, and used secretly by elites... until NOW.
- **As of April 9, 2025, RFK Jr., now Secretary of Health and Human Services, has launched the most explosive mission in U.S. medical history**—backed directly by President Trump and U.S. Military White Hats. Med Beds are real. They’re active. And they’re being deployed across America.
- **Why were they hidden?** Because these beds cure EVERYTHING:
 - Cancer, autism, Alzheimer’s – gone.
 - Spike proteins, graphene oxide, heavy metals – purged.
 - Organs, limbs, tissue – regenerated.
 - DNA mutations – repaired.
 - Trauma – wiped at the cellular level.Some prototypes even reverse age by up to 30 years. You were never meant to know. Because if you did, the trillion-dollar sickness industry collapses overnight.
- **Trump’s role? Strategic. Ruthless. Relentless.** Upon returning to power, he signed emergency orders targeting Pfizer, Merck, WHO, CDC, FDA, and seized hidden patents.
- **On March 29, 2025, in Cheyenne Mountain,** he and RFK Jr. finalized Phase II Med Bed rollout.
- **Healing began April 1 with 27 military-protected hubs** already operational. The general public starts May 2025, prioritizing veterans, children and the vaccine injured.

- **Quantum Restorative Health Systems**—a secret HHS unit—has taken full control.
- **Big Pharma is in meltdown.** Pfizer's own internal docs call it a "Catastrophic Disruption Model."
- **The media is blacked out.** Wall Street silent. WHO in chaos. They can't stop it.
- **Come June 2025, healed civilians will speak.** Their testimonies will detonate across StarLink, PatriotCast, and QuantumNet. Cancer survivors. Amputees. Children maimed by poison shots.
- **This is not a rumor. It's WAR. Trump. RFK Jr. The military.** The Great Awakening has entered the medical arena. You are watching the collapse of the medical-industrial complex in real time. They lied. They killed. They enslaved. Now they FALL.

Q. Tues. 15 April 2025 CONFIRMED: RFK Jr. UNLEASHES PROOF OF A FOOD WAR — CERAMIDE TRIGGERING TOXINS ARE BEING PUMPED INTO YOUR BODY TO PARALYZE METABOLISM AND CONTROL THE POPULATION! ...Voice of 47th President on Telegram

- On March 20, RFK Jr. and HHS dropped a nuke on the Deep State's toxic empire — the Chemical Contaminants Transparency Tool (CCT Tool). It's not just a list. It's a classified dossier on how they've been quietly poisoning your food for decades.
- Heavy metals. Pesticide residues. Endocrine disruptors. These aren't "additives"—they're biochemical weapons. And their target is your metabolism. Their method? Ceramides—the fat molecules weaponized from within.
- These Ceramides, triggered by hidden contaminants, hijack your metabolic engine. Fat floods your bloodstream after eating and gets rerouted—into your liver, pancreas, and heart. This isn't a malfunction. It's a blueprint for biological collapse.
- You were never meant to thrive. You were meant to slow down, swell up, shut down. That's how they keep you sedated. Weak. Obedient. Dependent.
- They call it "starvation mode." But the truth? It's chemical imprisonment. This is warfare through food.
- And now — the mask is off. The CCT Tool confirms it all. The contaminants are real. The metabolic destruction is deliberate. And Ceramides are their switchblade.
- They engineered the epidemic: obesity, heart failure, chronic fatigue — all programmed outcomes of molecular sabotage.
- You think it's just bad food? No — it's a system. A biochemical cage. And now you hold the key. This is not about calories. It's about control.
- Kennedy didn't just launch a tool. He fired the first shot. The war has been biochemical. Silent. Lethal. But now it's visible. And you're the battlefield.
- They taught you to blame yourself. They said it was aging. They said it was genetics. They said it was stress.
- LIES. It was poison. Deliberate poison. And now that poison has a name, a level, and a fingerprint. The CCT Tool exposes it all. The codes of suppression are broken.

- Now it's your move. Stay in the cycle—or burn it down. Reject their food. Reject their lies. Reject their control. This isn't about health. It's about survival. Kennedy opened the gates. Now charge through them. Your body isn't broken. It's been attacked. And now... you have the proof.

R. Tues. 15 April 2025 BOOM — Bill Gates has just admitted what many have long suspected: he is working directly with China to spray radioactive chemtrails over U.S. cities. ...EBS Activated with Trump on Telegram

- **This isn't geoengineering. This is chemical warfare** — a quiet, coordinated assault on the American people from above. The skies are laced with aluminum, lithium, strontium, and psychotropic agents. You breathe it. You feel it. But you're told it's just "clouds."
- **While the media floods your screen with distractions** and processed lies, the real battle is taking place overhead. You've seen the unnatural gridlines in the sky. You've felt the headaches, the fatigue, the irritability, the fog that never seems to lift. These aren't symptoms. These are effects. Effects of an operation designed not to heal — but to disable.
- **They say it's for the climate.** But the truth is darker: they're not spraying to cool the Earth — they're spraying to control the people.
- **This agenda is being driven by two of the most dangerous entities** on the planet: Bill Gates and the Chinese Communist Party. One provides the chemical technology. The other supplies the flight corridors and expertise. Together, they've launched a quiet war against the West — and the American people are the test subjects.
- **China has been running aerosol-based control programs** on its own people for decades. Their skies have been drenched in chemicals that suppress emotion, sterilize fertility, and subdue rebellion. Neuro-disruptors. Hormone blockers. Radiation-laced fog. Lithium-based mind control. These are not guesses. They're documented tools of psychological warfare.
- **Now, that same technology is being unleashed on the U.S.** — with Gates leading the charge. Gates is no philanthropist. He's a control addict. A eugenics sympathizer. The man who pushed experimental mRNA injections, bought up American farmland, and now controls the air you breathe. He claims it's to "block the sun." But whistleblowers say otherwise. His aircraft aren't spraying harmless particles. They're deploying Chinese-engineered toxins, the same formulas used to pacify Shanghai and Hong Kong — now spread over Phoenix, Dallas, and Chicago.
- **What's in the air?** Independent lab tests from post-spray residues have uncovered a terrifying cocktail:

Aluminum oxide — linked to brain fog, memory loss, and Alzheimer's.

Barium salts — known to suppress the immune system and interfere with heart function.

Strontium-90 — a radioactive isotope with direct ties to organ failure and cancer.

Graphene oxide — a nanomaterial that responds to EMF and wireless frequencies.

Lithium — used to suppress mood, emotion, and resistance.

And even biological agents — viral and bacterial strains capable of genetic manipulation.

- **This is not “climate control.”** This is bio-chemical conditioning, masked as science.
- **The question is: why the silence?** Why do meteorologists ignore the obvious? Why did chemtrail reporting vanish from every major outlet overnight? Why does social media ban any mention of aerosol spraying?
- **Because this isn’t a conspiracy. It’s a contract.** With full government cooperation. With media silence bought and enforced. With private contractors flying unmarked planes through unregulated airspace. This isn’t happening by accident. It’s a planned assault, cloaked in environmental rhetoric and protected by billion-dollar disinformation campaigns.
- **What’s happening above your head is not a drill.** It’s not theory. And it’s not going away.
- **This is the weaponization of the air itself** — and it’s happening right now.

S. Tues. 15 April 2025 EXPOSED: Fauci’s Bioweapons Plot, Biden’s Dirty Pardon, and the Globalist Coup Against Humanity ...QFS on Telegram

- They tried to seal the truth behind redacted memos, secret pardons, and media distractions — but it’s all coming out now. As of April 15, 2025, leaked documents have torn down the final curtain: Dr. Anthony Fauci wasn’t just complicit — he was central. The architect of bioweapons funding, the hidden hand behind gain-of-function research, and the trusted face of public health turned out to be the key player in a decades-long plot to weaponize pandemics for profit and control.
- It all begins with classified meetings at the World Economic Forum in 2014, where “Operation Viral Shield” was laid out — a plan to initiate viral outbreaks and use them as leverage for global governance, digital surveillance, and population submission. Fauci didn’t just attend — he led. As head of NIAID, he channeled taxpayer funds into EcoHealth Alliance and other cutouts that funneled millions into black-budget biowarfare programs in Wuhan and beyond. The intent was never prevention — it was creation.
- Newly exposed financial records confirm Fauci’s unreported payments from Pfizer, Moderna, and biotech firms conducting human-targeted pathogen research. These weren’t donations — they were bribes, anchoring Fauci’s allegiance to an agenda that had nothing to do with health. At the height of vaccine rollouts, his financial interest was buried under fake altruism. Behind the scenes, he held personal investments in the very firms profiting from the chaos.

- The Wuhan Institute wasn't just a lab. It was a weapons facility. Engineered viruses were created to target genetic markers — a level of precision far beyond “accidental leaks.” Internal NIH whistleblowers now confirm Fauci approved and directed these projects, often in coordination with Chinese Communist Party officials. Leaked emails show him relaying sensitive U.S. pandemic intel to CCP operatives, while publicly smearing anyone who questioned the lab origin theory.
- Then came Biden's pardon. Quiet. Backdated to 2014. A strategic shield covering the exact timeline of Fauci's rise in clandestine operations. It wasn't an act of clemency — it was a calculated block on justice. Internal White House memos now reveal Biden ordered the destruction of evidence tying Fauci to bioengineering programs. This isn't speculation. It's documented. And it implicates the entire administration.
- But the plan didn't stop with COVID. The next phase is already here: global biometric tracking, digital ID wallets, and health-based social control systems. Whistleblowers from inside HHS confirm that Fauci is advising on these frameworks worldwide. Vaccine passports tied to currency access. Biometric scans determining mobility. Countries across Europe and Asia are piloting it now — all under the narrative of “pandemic preparedness.” The system is almost ready.
- But so are the people. Mass protests are erupting across the U.S., fueled not by partisanship but by a shared understanding: we were lied to, manipulated, and betrayed. Fauci's pardon can't erase the blood on his hands. Biden's complicity won't go unnoticed. The media won't be able to silence this movement.
- This isn't just about one man — it's about taking down a structure of global control. The evidence is real. The outrage is growing. And the storm has only just begun.

T. Tues. 15 April 2025 BREAKING: THE DEAGEL REPORT, VACCINES & THE 5G KILL SWITCH — 2025 IS THE YEAR OF THE GREAT CULL ... Julian Assange on Telegram

- **The Deagel Report was never a prediction. It was a playbook.** A silent contract between global power brokers — outlining not what might happen — but what would happen. And now, in 2025, it's unfolding right in front of us.
- **Billions were injected. Towers were built.** Frequencies were calibrated. And now, the final stage is drawing near: The Switch-On — a synchronized event designed to trigger mass biological collapse using what's already inside the vaccinated. This isn't speculation. This is preparation for extermination.
- **Deagel.com was tied to U.S. military contractors and intelligence agencies. In 2014,** it published projections that should have triggered global alarms. The U.S. population slashed from 327 million to 100 million. UK down to 15 million. Germany, France, Australia — all gutted. No nuclear war. No plagues. Just... “economic decline” and “migration.” But that was the cover. The real mechanism was hidden — until now.

- **Enter 2020. The COVID campaign begins.** Fear spreads. And so do the “vaccines.” mRNA shots rushed to market under emergency protocols. No long-term studies. No liability. No informed consent. But something else slipped in — something never approved for human use: Graphene Oxide.
- **Independent researchers like Dr. Pablo Campra and Dr. Geinel Rodriguez uncovered it.** A substance with extreme sensitivity to electromagnetic frequencies. It interacts with blood, nerves, and brain tissue. And in the presence of certain signals, it becomes active. Magnetic. Coagulating. Deadly.
- **At the same time, while people were locked in their homes,** an invisible infrastructure was being built. Not just cell towers — but a global frequency web. 5G and now 6G systems deployed at breakneck speed. Schools. Hospitals. Rural farmlands. No debate. No safety data. Just an unstoppable rollout disguised as telecom advancement.
- **But what if the real purpose wasn't faster video calls...** but remote activation? What if the injected weren't “protected” ... but prepped?
- **That brings us to The Switch-On** — the final phase of a plan that began decades ago. One synchronized signal, globally broadcasted, triggering a response in the Graphene Oxide embedded within human bodies.

The body reacts instantly:

- Blood clots form
- Organs overheat
- Neural pathways short-circuit
- Collapse without warning

No sirens. No bombs. Just people falling where they stand. The perfect silent weapon.

- **And 2025? That's not just a year. That's the deadline.** The exact moment Deagel cited. The timeline was never random — it was engineered. And everything aligns.
- **This isn't about fear — it's about truth.** Stay unvaccinated. Stay aware. Every system you've trusted — media, medicine, government — has been hijacked to serve a darker agenda. The Great Cull isn't coming. It's already begun.
- **What's next? Watch the skies.** Listen to the silence. And remember: They don't need to fight a war when they've already built the switch.

U. Tues. 15 April 2025: IT'S COMING: Flynn Confirms the Tech That Could Have Changed the World ...Joe Rogan on Telegram

- **General Michael Flynn just blew the lid off one of the Deep State's most protected secrets:** suppressed military technology capable of reshaping civilization overnight — free energy, instant transport, space-based internet — and they HID IT ALL.

- **This isn't fiction. It's WAR.** Flynn doesn't post unless it's a strategic strike. And this time, he dropped a bombshell: a speech by General Steven Kwast, a high-ranking U.S. Air Force officer, revealing tech that could end fossil fuel slavery, globalist borders, and Big Tech censorship in one blow.

What Kwast exposed:

- **Free energy:** No wires. No bills. No fuel.
- **Teleportation-level travel:** Anywhere on Earth in under an hour.
- **Automated manufacturing:** Ends slave labor. Ends dependency.
- **Internet from space:** Beyond the Deep State's reach.
- **This tech exists. It's built, tested, buried.** Locked away in black-budget bunkers. Why? Because once it's released, the elite are DONE.
- **Flynn posted it NOW — in 2025 — not by chance, but by mission.** Trump is back. The illusion is collapsing. This is a tactical broadcast: "It's coming."
- **New Zealand = Globalist Hideout?** Kwast drops a strange name: New Zealand. Random? Hell no. That's been whispered for years — billionaires buying bunkers, strange military hubs, hidden comms centers. Escape zone for the elite when the world turns on them.
- **Why mention it now? Because everything's connected.** This is about tech. But it's also about TREASON. The tools to set humanity free were seized. Buried. Not to protect us. But to ENSLAVE us. The Deep State built a prison using oil, borders, censorship, and war. This tech? Destroys all four.
- **Flynn knows the time is short.** The enemy is cornered. The leaks are turning into floods. They tried to silence Flynn. Failed. They tried to destroy Trump. Failed. They tried to bury truth. FAILED.
- **The storm is no longer coming. It's HERE.** And when these suppressed technologies erupt into the public eye — there's no going back.
- **You're not just witnessing a revelation.** You're living the ignition of a revolution. Brace yourself. Because the tech that sets us free is about to be UNLEASHED.

"It's time we stop burning the past and start powering the future," Musk said. The system could end global dependence on fossil fuels **by 2040.**

- **Musk Launches World's First AI University** — Tuition-Free With a vision to democratize education, Musk opened NovaMind University, where AI tutors teach students via immersive VR. Subjects include space science, neural tech, and clean energy systems. “No child should be limited by geography or money,” Musk said at the launch. Over 3 million students enrolled in 72 hours.

Z. Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade:
He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call: 1-866-347-2423**

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Za. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zb. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Zc. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Zd. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make

people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
