The Storm, QFS & GESARA Went Live & Locked Out The Deep State

TICK TOCK...TIME IS UP.

The Q Clock Has Ended.

POTUS Alert: The EBS Countdown Has Begun.

The Collapse of the Rothschild Banking Empire Is Underway.

Banks Were Closing

Blackout, Imminent.

It's Time To Begin.

Judy Note: *Trump never left power and has used Continuity of Government (COG) Protocol to protect the Constitution from the inside.*

SCOTUS was out, their jurisdiction suspended. In a May 2025 dissent, Justice Alito admitted: *“We lack jurisdiction.” Translation: Under COG, SCOTUS was legally neutered. The courts cannot act under wartime continuity and they have admitted their powerlessness.*

Special Operation Teams have been deployed *to key domestic and foreign targets. Q Force Command Centers, operating in conjunction with Space Force, were monitoring Digital infiltration attempts in real time. Safe channels for civilian alerts were now primed for activation.*

EBS Broadcasts were loaded. *High value targets have been extracted and processed. Their Tribunal footage has been cleared for release.*

The Quantum Financial Reset has been synchronized *with Military phase timelines. The Quantum Financial System (QFS) has been under intensive testing behind the scenes. The infrastructure to convert the old fiat money into new value-backed currency was now in place and active. The QFS was stable, interfaced and synchronized with legacy banking networks of 209 countries and as of now, was fully operational.*

The Quantum Financial System (QFS) *operates with instant transactions, impenetrable security and every transaction recorded on a distributed ledger that cannot be altered or deleted.*

Starting in late May, *select groups of everyday people were invited to set up QFS-linked accounts as part of a controlled pilot program. A few customers have noticed faster transfers or “glitches” that were actually QFS transactions in action. A small number of folks received instructions to download a new “digital wallet” app under the guise of a beta financial service. These were real QFS wallets, and those users were now unknowingly transacting on the quantum system.*

There have been community training sessions *run by insider volunteers (under NDA) teaching people about asset-backed currency and how to use the new system. Some banks have quietly updated their software to route certain transactions through the QFS for testing.*

In test runs debts were being erased in stealth mode, *loan balances disappearing. Individuals across various countries were waking up to find their credit card or student loan balances at \$0*

with no clear explanation. Homeowners were receiving letters about mortgage “recalculations.” Tax Debt Cancellations.

Specialized Redemption Centers have shifted from standby to activation mode. A limited number of insiders and military personnel have been called in to redeem Dinar, Dong, and historic bonds.

Since early June, centers are staffed 24/7 on rotating shifts. The funds for redemptions are already in place in QFS accounts.

According to two sources inside the Treasury as of May 23, 2025, Redemption Centers will begin processing live appointments under full GESARA protocol.

WARNING: Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments. ...Judy Byington

B. Possible Timing:

- **On Wed. 14 May 2025** President Trump, reinstated after his 2024 landslide, unleashed the final phase of Continuity of Government.
- **On Tues. 20 May 2025** President Trump officially launched the Quantum Financial System (QFS) into full-scale operation.
- **On Wed. 21 May 2025** the QFS interface unlocked for the public.
- **As of Fri. 23 May 2025**, Redemption Centers would begin processing live appointments under full GESARA protocol
- **On Sat. 24 May 2025** a high-level address will be made - potentially the first public disclosure of the NESARA protocols. According to insiders, this announcement will set the tone for a global rollout, beginning with the U.S. and quickly expanding across NATO-aligned nations. What's expected to be covered:
 - Forgiveness of household debts and student loans
 - Replacement of income taxes with a flat sales tax
 - Rollout of a gold- and resource-backed digital currency
 - Deactivation of corrupt banking networks
- **On Mon. 26 May Memorial Day President Trump was set to** address the public. An unconfirmed rumor was that he would announce the Restored Republic, results of the Brunson Case that would take down all of Congress, introduce his VP of the Restored Republic JFK Jr. and invite everyone to the Freedom Restored Republic Celebration that would last from Memorial Day through **July 4 2026. - **On Tues. 27 May 27 2025** several aligned nations were set to issue coordinated GESARA-linked economic announcements including Debt Forgiveness declarations,

abolishment of predatory taxation frameworks, Treasury-issued currency transitions and launch of national prosperity platforms (GPPs).

C. Thurs. 22 May 2025: The Storm Goes Live, GESARA in full swing, QFS locks out the Deep State. ...QFS on Telegram

- **As of May 22, 2025 we entered the active enforcement phase of the GESARA transition.** This is no longer behind the scenes — the Quantum Financial System (QFS) is online, and its impact is spreading globally. While the media remains silent, a new world order — based on sovereignty, transparency, and asset-backed currency — is replacing the corrupt fiat system in real-time. President Donald Trump is fully in command, and the Deep State is losing all control.
- **Redemption Centers are operational,** and Quantum Access Cards have begun distribution to verified Tier 4B participants. These are not mere credit cards — they are multi-biometric keys to a fully secured digital wallet system, backed by physical gold reserves stored in U.S. and BRICS bunkers. The old banks are locked out — QFS operates outside all central banks and SWIFT-based networks.
- **Meanwhile, biometric NDAs** are being enforced worldwide. These contracts bind leaders and financial operatives to GESARA terms using DNA, retina, and voiceprint validation. Any violation triggers instant expulsion from the system. Already, multiple high-ranking officials across Europe and Asia have had their access revoked and vanished from public view — quietly removed by QFS enforcement teams.
- **At GITMO, the tribunal phase is accelerating.** Detained IMF executives are now testifying under military jurisdiction. One bombshell: funds labeled as “climate relief” were funneled through WEF and Gates-linked NGOs and used to traffic children out of disaster zones. Over 4,200 missing children from Southeast Asia are now linked to these so-called loans. The evidence is mirrored inside the QFS — tamper-proof and permanently stored.
- **Simultaneously, 12 senior UN officials** are under military indictment for sabotage. Crimes include interfering with African redemption funds, sponsoring covert bioweapon development, and using refugee programs to hide ritual abuse centers. Trump has authorized a U.S.–BRICS task force to detain and dismantle these globalist networks. Diplomatic immunity no longer applies.
- **StarLink satellites, now fully weaponized** and re-tasked, are covering Kenya, Nigeria, South Africa, Brazil, Argentina, and Peru — securing QFS Phase One rollouts in regions most compromised by globalist control. All transactions are now quantum-tracked, verified by AI, and validated by quantum security keys.
- **Public release of digital gold wallets has begun** — but only for NDA-cleared patriots. These wallets: – Operate independently of central banks – Are quantum-encrypted and immune to manipulation – Require Quantum Access Cards and multi-biometric scans – Reflect the beginning of post-fiat economic freedom. And yet — this is only the middle of the storm.

- **The Emergency Broadcast System (EBS)** is prepped and tested weekly. Final sweeps in Europe and Canada are underway. Once activated: MSM will go dark permanently; A 72-hour global broadcast will expose elite crimes; Over 7,000 sealed indictments will be unsealed and executed; Crimes against humanity — including election theft, vaccine genocide, and financial sabotage will be revealed to the world

Global Currency Reset:

D. June 5–9: Scheduled Rollout Window for Tier 4B ...Nesara Gesara QFS on Telegram

- **I just finished reading the internal advisory bulletin passed to mid-level banking partners.** The onboarding for public Tier 4B users is scheduled to go active between June 5–9, depending on regional system loads.
- **This aligns with earlier test patterns** and real-time EBS synchronization signals we've been tracking. It's finally converging.

What You'll Receive:

- **SMS and email** from a secure encrypted node
- **Personal activation key**
- **Step-by-step wallet** access instructions
- **Details** on how to access your Sovereign Fund dashboard
- **One alert. One tap.** And your entire financial future will change.
- **Security Note:** Biometric login. No passwords. No banks. You — and only you — own the keys.
- **I'll walk everyone through the process** when it starts. Until then, remain vigilant. The lights are coming on, and the system is waiting for your signal.
- **We are days** — not weeks — away.

E. As of May 23, 2025, Redemption Centers will begin processing live appointments under full GESARA protocol ...Med Bed Technology on Telegram

- **According to sources inside two U.S. Treasury branches,** the schedule is already being populated with approved Tier 4B participants. This is the moment we've all prepared for.
- **The redistribution has begun.** We're no longer "about to." We're now in motion.

What happens at a Redemption Center?

- **You'll confirm your identity** through biometric authentication.
- **Your ZIM, Dinar, and Dong holdings will be verified** and exchanged at asset-backed rates.

- **You'll receive a digital quantum card** tied directly to your sovereign QFS wallet.
- **You'll be briefed on post-exchange asset management**, debt clearance, and project support funds.
- **Locations are tightly controlled.** No drop-ins. You'll receive your time slot via direct encrypted alert — be ready.
- **Security Protocols:** • These facilities are protected by military-grade encryption and surveillance. • All activity is recorded through the quantum ledger and cannot be erased.

F. Global Financial Crisis:

- **Thurs. 22 May 2025 Bank Closures:** Full list of Santander, NatWest and Lloyds closures in June with 85 branches set to close. By the end of next month, 240 banks will have closed in 2025, with dozens more set to shut in July and August.

G. Tues. 20 May 2025 TRUMP ACTIVATES QFS — THE DEEP STATE COLLAPSE IS NOW IRREVERSIBLE ...QFS on Telegram

- **As of May 20, 2025, President Donald J. Trump officially launched the Quantum Financial System (QFS) into full-scale operation.** After years of silence and covert preparation, the Global Currency Reset has been triggered. The sync is live. NESARA and GESARA are no longer theory — they are ACTIVE LAW. The Deep State's financial control grid is disintegrating.
- **Over \$1.6 trillion in assets linked to the World Economic Forum**, Swiss banking cabals, and Vatican black accounts has been seized. Starlink, under Elon Musk's tactical deployment, has obliterated the satellite systems used by the elite to coordinate international banking fraud. Their global banking web has gone dark.
- **The fallout is immediate:** France's economy has collapsed. Macron has been detained. Klaus Schwab is gone. Puppet regimes across Europe are bracing for collapse as the Great Reset lies in ruins. The Quantum Reset cannot be stopped.
- **On May 23, the next phase begins.** Tribunals. Arrests. Military enforcement. The world enters the final stage of exposure — and retribution.
- **At the center of the collapsing shadow empire:** Barack Hussein Obama. Not just a former president — but a CIA asset, globalist enforcer, and mastermind behind the installation of Biden and the globalist infiltration of America. He ran the regime through Antony Blinken, now detained under Trump's Global Military Alliance, with damning testimony exposing how Obama controlled U.S. foreign policy through illegal channels.
- **From Ukraine to the border crisis**, the entire plan was clear: flood the U.S. with migrants, destabilize the middle class, and break national sovereignty — all part of the UN's Replacement Migration agenda. But they failed.

- **With Executive Order 13848** and the Stafford Act still legally in effect since January 11, 2021, Trump retained full Presidential Emergency Powers. This includes the authority to seize assets, execute military arrests, and initiate war tribunals under the Presidential Emergency Action Documents (PEADs).
- **The Deep State's most horrific crimes** — child trafficking, ritual abuse, Adrenochrome extraction, CIA torture ops — have now been uncovered. And they will be answered.
- **This is no longer peacetime.** This is war. And the storm is here.

Restored Republic

H. Mon. 19 May 2025: The silent war is entering it's final stage. The Military has completed preparations for full public disclosure and the command structure is now unified under one objective: Restore the Republic. Remove the infiltrators. Reveal the Truth. ...Nesara Gesara on Telegram

- **Trump never left power.** He merely shifted the battlefield. While the public watched a political circus, the real operations took place in classified War Rooms, above top secret networks and under the shield of Continuity of Government (COG).
- **The Continuity Protocol has protected the Constitution from the inside** – without panic, without chaos, without collapse.
- **Special Operation Teams have been deployed to key domestic and foreign targets.**
- **Q Force Command Centers**, operating in conjunction with Space Force, were monitoring Digital infiltration attempts in real time.
- **Enemy communications** were jammed.
- **Safe channels for civilian alerts** were now primed for activation.
- **The next moves** will not be telegraphed. They will be experienced.
- **EBS Broadcasts** were loaded.
- **Tribunal footage** has been cleared for release.
- **High value targets** have been extracted and processed.
- **The Quantum Financial Reset** is synchronized with Military phase timelines.
- **The Deep State's assets** in DC, Hollywood, NATO and the World Bank System have been systematically neutralized or put under direct watch.
- **The window for counter moves** has closed.
- **The final piece is public awareness** – and it's coming. Trump is not waiting for 2026. The operation is live now.
- **This is why judges issue no rulings.** Why Congress speaks but nothing moves. Why foreign leaders hold emergency talks behind closed doors – because they know: The power structure they served is already gone.
- **The illusion is maintained only to avoid panic**, but the awakened know – the Takedown is complete.
- **And now the World will hear the signal.** The Military will speak through Truth and Humanity will witness the greatest transfer of power in history.

- **Continuity of Government remains active.** Trump remains in command. The Republic rises – one operation at a time. And, this time The People stay free.

I. Thurs. 22 May 2025 Stealth QFS Rollout: Testing Phase Completed ...Nesara Gesara QFS on Telegram

- **The Quantum Financial System (QFS) has been under intensive testing behind the scenes, and as of now, it's fully operational** without public fanfare. I want to share what I've witnessed, revealing how far we've come in this quiet phase.
- **QFS Wallet Tests Prove It's Real.** I have personally participated in and observed multiple QFS wallet tests.

The results have been extraordinary and concrete:

- **- Instant Transactions:** Peer-to-peer transfers settle in seconds, crossing borders with zero friction. In one test, I sent funds overseas and saw confirmation almost immediately – something impossible under the old SWIFT system.
- **- Impenetrable Security:** Each transaction utilized advanced quantum encryption and biometric authentication. We even attempted to breach the process, and every time, the security held firm. The system's biometric handshake ensures only intended parties access their digital wallets.
- **- Immutable Records:** Every transaction is recorded on a distributed ledger that cannot be altered or deleted. Any tricks of hiding or manipulating accounts that were possible in the old banking system are impossible now – transparency is absolute and permanent.
- **- Global Connectivity:** In a recent test, my QFS wallet actually pinged a central banking node and confirmed a direct uplink to the new global ledger. This means the QFS is interfacing with legacy banking networks. In fact, 209 countries' financial nodes are now synchronized on one secure quantum platform.
- **Every source I've checked (including insiders at major financial hubs) reports the same thing:** the core QFS infrastructure is locked-in and stable worldwide. The system is up and "awake," even if the world hasn't noticed yet.

Quiet Public Onboarding Begins

- **With the backbone proven stable, there has been a gradual, stealthy onboarding of the public.** Starting in late May, select groups of everyday people have been invited to set up QFS-linked accounts as part of a controlled pilot program. Most don't even realize they're using the new system – it's being introduced subtly:
- **Some banks have quietly updated their software** to route certain transactions through the QFS for testing. A few customers have noticed faster transfers or "glitches" that were actually QFS transactions in action.

- **A small number of folks received instructions to download a new “digital wallet”** app under the guise of a beta financial service. These are real QFS wallets, and those users are now unknowingly transacting on the quantum system.
- **There have been community training sessions** run by insider volunteers (under NDA) teaching people about asset-backed currency and how to use the new system, often framed as generic financial literacy workshops.
- **This public onboarding has been kept extremely low-key.** There’s no fanfare or official announcements yet. Instead, it’s a quiet transition where people are eased into the QFS experience. The goal is to have a core base of trained users ready so that when the switch flips, no one is caught off guard. Everything I’ve seen confirms that the QFS rollout is not just theory – it’s happening step by step. It’s been all about rigorous tests and gentle onboarding. The silence around it is intentional (more on that soon). For now, know that we have a fully functional quantum financial network in place, battle-tested and quietly expanding to the public. The stage is set; our new financial era has begun, even if it’s unfolding in the shadows.
- **Building on my previous update, I want to highlight the humanitarian side of what’s quietly unfolding.** While the tech rollout of QFS has been successful, an equally profound development is happening in parallel: debts are being erased in stealth mode.
- **Loan Balances Disappearing:** Individuals across various countries are waking up to find their credit card or student loan balances at \$0 with no clear explanation. One contact called me, astonished that his longtime credit card debt was just gone – the bank simply “adjusted” it away without notice.
- **Mortgage Forgiveness:** Homeowners are receiving letters about mortgage “recalculations.” In reality, chunks of their mortgage principal are being wiped. A friend’s parents had their remaining home loan slashed by 50% overnight, labeled as a bank error resulting in an “overpayment adjustment.”
- **Tax Debt Cancellations:** Small business owners I know logged into their government portals and found past due taxes marked paid or forgiven unexpectedly. No announcement, just a quiet database update nullifying that debt.
- **This is the beginning of NESARA’s promise:** canceling illegitimate debt. Instead of a big public decree, it’s rolling out piecemeal, under the radar, to avoid chaos.

J. Thurs. 22 May 2025 Redemption Centers Active Behind the Scenes. Specialized Redemption Centers have shifted from standby to activation mode: ...Nesara Gesara QFS on Telegram

- **Test Exchange Appointments:** A limited number of insiders and military personnel have been called in to redeem Dinar, Dong, and historic bonds. These are test runs under NDA. The feedback from these early exchanges has been extremely positive – smooth and glitch-free.

- **Staff on High Alert:** Since early June, centers are staffed 24/7 on rotating shifts. They've run multiple "drills" processing pretend clients to make sure every step is ironed out. Now they're basically just waiting at their desks for the final go-order.
- **Verified Rates & Funds:** I've been briefed on some of the rates being tested for the currency exchanges, and they align with what we expected from the asset-backed reset values. The funds for redemptions are already in place in QFS accounts, just awaiting authorization. In fact, one center quietly completed a handful of live transactions last week to ensure those funds could move – and they did, instantly, through the QFS.
- **The infrastructure to convert the old fiat money into new value-backed currency** is not theory – it's built and tested. Redemption staff were essentially at attention, ready for the floodgates to open.

Wall of Silence from Officials

- **Throughout all these monumental shifts, governments and mainstream media remain almost completely silent.** There's a deliberate information blackout in effect:
- **Media Blackout:** You won't hear a peep about "debt forgiveness" or "quantum financial system" on mainstream news. Banks quietly write off debts, and the press either ignores it or chalks it up to routine "loan write-downs."
- **Government Denials:** Officials who are asked about strange occurrences – like sudden debt cancellations or banking system outages – give vague assurances that "everything is fine" and it's business as usual. Behind closed doors, of course, they're either panicking or preparing (depending on which side they're on).
- **Strategic Secrecy:** This silence is strategic. Those coordinating this transition don't want to tip off the remaining bad actors or spark public panic until everything is 100% ready. They know once they go public, it's irreversible. So for now we get radio silence, even as evidence of change quietly accumulates in private circles.

K. Today I received verified reports from two regional banks in Texas and one in the Netherlands — they've successfully processed internal test transfers using the QFS ledger.
 ...Nesara Gesara QFS on Telegram

- **These weren't isolated pilot runs.** These were live internal settlements involving asset-backed currencies, directly routed through encrypted nodes under Treasury oversight.
- **Bank Officer Testimony:** One senior bank executive described it as: "Instant. Unblockable. And the safest transaction flow we've ever seen."
- **What This Means:** • Institutional layers of fiat are dissolving. • Treasury-tiered liquidity is in motion. • Banks no longer fully control ledger access — QFS does.

N. Thurs. 22 May 2025: BILL CLINTON’S AIR FORCE ONE ASSAULT EXPOSED!

...Robert F. Kennedy Jr. on Telegram

- **A high-level military aide just detonated a classified bombshell: Bill Clinton sexually assaulted a female Air Force flight attendant aboard Air Force One. The woman**

wore the uniform of the United States military. She served with honor. Clinton treated her like prey — at 30,000 feet.

- **Buzz Patterson, the man trusted to carry the nuclear codes, just testified under oath.** He witnessed the aftermath. He watched a decorated staff sergeant crushed in silence, destroyed behind closed doors. She didn't want fame. She didn't want scandal. She wanted an apology. What she got was a fake, scripted performance from a man who thought he was untouchable.
- **Clinton cornered her in the galley** during a return flight from Europe. Patterson reports she was violated and humiliated — and told to stay silent. A predator in chief, protected by a Deep State machine built to bury his victims. This wasn't an isolated case. This was part of a systematic pattern of abuse, camouflaged by power and shielded by cowardice.
- **A U.S. pilot relayed the assault.** A military officer had to personally request an apology from the President of the United States for a sex crime committed against a subordinate in uniform. That's how sick the system is.
- **Two weeks later, a pathetic apology** was staged. On the same plane where it happened. No remorse. No justice. No soul.
- **If a soldier had done this, he'd be in GITMO** right now. But Clinton? He walked. Just like the others. The Clinton body count isn't just about dead witnesses. It's about the souls destroyed, the uniforms disgraced, the women erased.
- **This testimony is going to military intelligence.** Tribunals are being prepared. GITMO isn't a myth. It's where traitors, rapists, and high-value predators are going. And this time, presidential immunity won't save them.
- **Buzz Patterson's final judgment** was unforgiving: "I worked for a man with absolutely no integrity and no moral fiber."

P. Thurs. 22 May 2025: TOP-LEVEL COVERUP SHATTERED — FDA EXPOSED AS A BIOWEAPON ARM OF THE GLOBAL ELITE ...Patrick B Kennedy on Telegram

- **It's official: the FDA has been exposed not as a food safety agency, but as a bioweapon distribution network masquerading as regulation.**
- **On May 16, 2025**, under direct pressure from President Trump and HHS Secretary RFK Jr., the FDA announced it would begin reviewing decades of toxic additives it approved — chemicals tied to cancer, infertility, ADHD, hormonal collapse, and yes, depopulation.
- **This isn't reform. It's damage control.** The FDA has been caught red-handed aiding a chemical war on the American people for over 70 years. From BHA and BHT to titanium dioxide and phthalates — every pantry in the country has been weaponized. The GRAS system allowed corporations to self-certify poisons as “safe” with no oversight. The result? A collapsing population, a poisoned food chain, and millions sickened in silence.

Q. Thurs. 22 May 2025: EXPOSED: BIDEN IS DEAD — AND THE CLONE IS FAILING ...Nesara Gesara 2.0 on Telegram

- **Joe Biden was NOT running this country.** What you're seeing is a collapsing puppet show — a fake White House, a malfunctioning clone, and an actor barely able to remember his lines. The man paraded in front of cameras is NOT the Joe Biden from 2008 or even 2012. He's a synthetic imposter, and the evidence is now impossible to ignore.
- **His voice is different.** His ears have changed shape. His skull structure has morphed. The gait. The eyes. The dementia. His very soul is missing. No man can deteriorate like this without something deeply sinister going on behind the curtain.
- **Why build a fake White House set just across the street from the real one?** Because he doesn't have access. Because the real White House is no longer under their control. The trees outside the windows? Lush and green — in the middle of D.C. winter. This is digital theater. A stage. A prop for an actor.
- **2006 Biden vs. "2025 Biden"** — completely different energy, tone, and politics. In 2006, he sounded like a moderate Republican. Now? A cognitively broken husk mumbling through a teleprompter on a game-show stage.
- **Why the deception? Because the real Joe Biden was compromised** — or worse — and the Deep State had to act fast.
- **They reached out to Kamino Corporation in early 2019. By April**, the clone was ready. A manufactured candidate for a rigged 2020. Now that clone is glitching. The face is falling apart. The mask is slipping.

- **Even mainstream outlets like Hannity** are starting to ask questions. The ears don't match. The voice cracks. The timeline doesn't add up. America was sold a lie. And now the lie is unraveling.
- **The Ministry of Propaganda (aka "fact-checkers") call it all "missing context."** Translation? It's TRUE and they're panicking. Facebook hides real photos. Reuters buries admissions deep in footnotes. Why? Because even THEY know this was a script — and it's been blown wide open.
- **This isn't a theory.** This is the collapse of a manufactured presidency.
- **Who's really behind the curtain?** Who installed the clone? Who's running the set? And who's next in line to be replaced?
- **WAKE UP. The stage is burning.** The actor is broken. The curtain is falling. And what comes next... will SHATTER THE WORLD.

U. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

V. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization

embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. W. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in prison since.

Update May 14, 2025 Day #624 of being Kidnapped & Held Hostage by IRS/DOJ

Dear Friends & Family,

For 3+ years Barbara & I have been blocked from access to the Utah Fourth Court and defending ourselves. This has been a gross miscarriage of justice and fraud upon the court. **As you may recall**, Barbara & I were convicted of Burglary of our own home on July 1, 2022! It was a kangaroo court trial, which now we can prove was a fraud committed on the court by the Utah County Deputy Attorney Jared Perkins and others. We didn't get justice during the trial, so, as is our right, we've been trying to Appeal since **January 4, 2024 last year**.

Judge Christine Johnson has again denied Ken's attorneys' motion to be able to appeal the state sentence. It is a blow and proves our rights were violated through fraud on the court, and that the Utah legal system is corrupt. The fight at the state level is not over, with the attorneys working on the next step. The judge just rubber stamped what the state prosecutor wrote.

THE PROBLEM: For 3+ years* (see below), all of our filings were blocked by the court because the Utah County Prosecutor convinced the Utah Fourth District Court Judge Christine Johnson to label us as "vexatious litigants", and blocked us from filing documents in our own defense. We couldn't effectively defend ourselves. So, no surprise, we were convicted July 1, 2022. Justice was denied. Our efforts to Appeal were blocked too.

During this time, the judge denied us our constitutional right to counsel of our choice requiring us to have a "state licensed BAR attorney". ** (see below) Also, the "Public Defender" Lisa Maxine Estrada forced onto us by the judge, never returning any phone calls, nor responding to any emails, and returning ALL my mail to her unopened. How can the court claim I had "due process of law" and justice when we were blocked from defending ourselves by the court? Nonsense!

Thanks to you who are reading this now. Thank you for caring. Thanks for your continued support and prayers. We have been blessed.

God Bless You! God Bless the Awakening of America!

Ken & Barbara Cromar

*** Note:** Unbelievably, for the 9 months leading up to the June 2022 trial, and then 2 1/2 years after, we were blocked from filing our own defense. This also included our post-sentencing attempts to APPEAL the kangaroo court conviction that resulted in my being sentenced to 364 days incarceration.

*** Note:** The judge ORDERED that we could only file our defense through a "state licensed BAR attorney", and without that anything we filed would be "stricken" -- or not accepted onto the record. One big problem; there's no such thing as a "state licensed BAR attorney". The state issues NO licenses to practice law. Did you know that? Also, the BAR is a private association or club that issues BAR cards that most people mistake for a license.

Ken is able to receive regular mail now – envelopes. Remember that all mail is opened and read by a prison employee. Please send to:

Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Please send any donations to help with commissary, phone calls, and other expenses to: The Cromars P.O. Box 942 Pleasant Grove, Utah 84062

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

If the Petition link is not available go to: <https://www.miraclesingodwetrust.us/contact/> or Venmo to: @Talmage-Cromar

X. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
