Hark, All Ye Nations Hear Heaven's Voice!

Hark, all ye nations! Hear heaven's voice
Thru ev'ry land that all may rejoice!
Angels of glory shout the refrain:
Truth is restored again!

*Oh, how glorious from the throne above
Shines the gospel light of truth and love!
Bright as the sun, this heavenly ray
Lights ev'ry land today.*

Searching in darkness, nations have wept;
Watching for dawn, their vigil they've kept.
All now rejoice; the long night is o'er.
Truth is on earth once more!

*Oh, how glorious from the throne above
Shines the gospel light of truth and love!
Bright as the sun, this heavenly ray
Lights ev'ry land today.*

Chosen by God to serve him below,
To ev'ry land and people we'll go,
Standing for truth with fervent accord,
Teaching his holy word.

*Oh, how glorious from the throne above
Shines the gospel light of truth and love!
Bright as the sun, this heavenly ray
Lights ev'ry land today.*

Judy Note: *With Central Banks across the World collapsing, JP Morgan predicting a huge US Stock Market Crash, with Bank Runs imminent, and since the Cabal's gold stolen from The People has already been seized by President Trump's Global Military Alliance, now Trump has commanded that the Final Stage of The Plan activate – meaning that the Emergency Broadcast System was due to go live Worldwide on **Thurs. 1 May 2025.***

Expected to accompany that EBS activation was an announcement about Trump's return under the Restored Republic, along with JFK Jr. as his vice president. This would include the launch of NESARA/ GESARA debt relief for citizens of the World – which meant debt would be erased for The People, wealth restored, plus everyone would have access to technologies the elites have tried to bury forever.

All this was set to be followed and explained through ten days of worldwide broadcasts designed to expose the crimes of Satan Worshipping, Child Sacrificing Pedophile Deep State politicians and Global Elites, along with their arrests and Military Tribunals.

Trust The Plan. Stay Vigilant. Be Prepared.

B. Possible Timing:

- **On Thurs. 27 March 2025** Military took control of the Federal Reserve and severed all links to the old US Treasury. Fiat printing was dead. All future currency would be asset-backed, and all debt created through fraudulent lending systems, nullified — including mortgages, student loans, credit cards and more. There would be a public announcement by **July 4 2025**.
- **On Sat. 26 April 2025** Constitutional Law and the Gold Standard returned to all citizens around the Globe. In this new World unshackled from the banking elite 207 nations would function under concepts of the original Constitution and a restored justice system under NESARA/ GESARA Law.
- **On Mon. 28 April 2025** Trump issued an Executive Order that said to prepare for Martial Law.
- **The EBS window remained between Wed. 30 April 30 and Wed. 7 May.** Mission parameters must be met: 93% of arrests completed, border zones secured, sabotage cells neutralized. Trump and the Alliance will not trigger prematurely.
- **When the EBS launches, the media blackout will be total.** Telecommunications will reroute through the Quantum Grid. Every device on Earth will broadcast the truth. Mass public tribunals will be streamed after the initial blackout.

C. Global Currency Reset:

Global Financial Crisis:

D. Wed. 30 April 2025 CONFIRMED: TRUMP COMMANDS FINAL STAGE – CENTRAL BANKS COLLAPSING, CABAL GOLD SEIZED, EBS IMMINENT ...Julian Assange on Telegram

- **There's no turning back. As of April 9, 2025,** final military operations tied to the Quantum Financial System (QFS) are obliterating the last strongholds of the cabal. These aren't drills. These are direct strikes, happening globally, under Trump's command.
- **What started during his first term through classified Executive Orders has turned into full-force takedowns.** Entire central banks are being dismantled. Vaults under estates, castles, and bunkers are emptied by force.
- **The media?** Dead silent.

THREE OPERATIONS CONFIRMED: BLACK EAGLE, SOVEREIGN SWORD, IRON JUDGMENT

- **BLACK EAGLE:** Vaults beneath the Vatican, London, and Swiss bunkers raided. Gold tied to overthrown monarchies recovered and seized.
- **SOVEREIGN SWORD:** U.S. Space Force dismantling the Digital Babylon Network—used by elites to fund bioweapons, mind control, population tracking.
- **IRON JUDGMENT:** Raids on private islands linked to Epstein's network. What's being uncovered? Quantum banking terminals used by Rothschilds, Rockefellers, royal bloodlines.
- **All assets are now absorbed** into the QFS and rerouted to NESARA/GESARA. Zero dollars returned to elites.
- **TRUMP LEADS FROM THE SHADOW COMMAND:** Trump is the true Commander-in-Chief, running ops from secure locations. He signed continuity of government protocols in 2020. The military is in control.

- **What's happening now:** Lawful asset seizures. Global cabal arrests. Wealth returned to the people
- **GITMO EXPANDED. SECRET TRIBUNALS UNDERWAY.** New black sites in Greenland, Antarctica, and Cheyenne Mountain confirmed. Over 1,700 indictments unsealed, 8,000+ arrests in past 45 days. Executions are happening behind closed doors.
- **THE FED IS DEAD On March 27,** military seized Federal Reserve servers—exposing quantum protocols used to create fake crises for profit. All fiat creation terminated. Debt under fraudulent systems: nullified.
- **NEW INTEL: MASSIVE GOLD STASH UNDER HAWAII SEIZED:** Protected since 1933 by Naval Intelligence, this “Legacy Gold” has been digitized into QFS and tied to Citizen Quantum Accounts.
- **Next Phase:** EBS Launch Window is open between April 17 and May 1
- **EBS will go live. It will:**

Announce Trump's return under the restored Republic

Expose crimes of the Deep State

Launch NESARA/GESARA

Broadcast arrests and tribunals for 10 straight days

- **THIS IS THE FINAL WAR:** The elite bloodlines are being erased. The gold is flowing. The world is flipping upside down. Trump didn't lose. He waited. And now... he strikes. Watch. Everything. Fall.

E. Wed. 30 April 2025: TREASON UNVEILED: The CIA's Downfall, Military Coups, and a Storm of Corruption! ...SGAnon on Telegram

- **Prepare yourself for the shocking revelations** that will shake the very foundations of power. We're on the brink of dismantling the notorious CIA, along with the FBI and the deep state military intelligence apparatus that shield the elite's heinous pedophilia rings and their corrupt banking systems.
- **Enter the heart of the storm,** where Trump's relentless pursuit of justice is just getting started. Brace yourself for an explosive expose that will leave you questioning everything you thought you knew.

- **And let's not forget the enigmatic figure at the center of it all**—Epstein. His connections and knowledge of the dark underbelly of the elites will send shockwaves through the corridors of power. But that's not all—remember the late McAfee? He possessed crucial information that could blow the lid off this entire web of corruption.
- **Hold on tight, because a whirlwind of events is about to unfold**, and it's set to rock the world like never before. Stay on high alert as the truth emerges from the shadows.

F. Wed. 30 April 2025 Thurs. 17 April 2025 IT'S HAPPENING: TRUMP UNLEASHES MASS ARRESTS — GITMO TRIALS LIVE, FED ERASED, ROTHSCHILD BANKS SEIZED, GLOBALISTS HUNTED, EBS COUNTDOWN ARMED ...Steve Bannon on Telegram

- **As of April 17, 2025, the covert war is over.** Trump has gone weapons-hot. The deep state is being dragged into the light as 600,000+ sealed indictments detonate into live military tribunals. They never thought this day would come.
- **This is not politics.** It's total annihilation. Trump, backed by military white hats, is dismantling a centuries-old globalist parasite built on blackmail, fiat slavery, and psychological war. These weren't leaders—they were predators.
- **GITMO has been expanded.** Three offshore hubs are now active under GESARA enforcement. Tribunals are underway for CIA bosses, pharma execs, and UN-linked child traffickers. Names you know. Crimes beyond comprehension.
- **The Quantum Intelligence Task Force**—created by NSA white hats, Space Force, and Snowden—has launched full-spectrum operations. The SWIFT system was severed on March 11. The Federal Reserve is dead. A Quantum Treasury now runs from Cheyenne Mountain.
- **Thirteen Rothschild central banks** have been seized.
- **Trump's activation of QFS triggered gold-backed currency deployment in six states.** Digital fiat is being dissected for cartel funding and election ops. This is financial warfare—and we're winning.
- **Snowden warned us. And now he's working directly with Trump's military command.** Leaks show over 40 political assassinations tied to CIA-run private hit squads—federal judges, journalists, even whistleblowers. Silenced for speaking out. Now? Justice is being served.
- **The Deep State is collapsing in four factions:** – Intel Warlords: CIA, MI6, Mossad. False flags. Mind control. – Corporate Sovereigns: WEF, CFR, BlackRock. Global collapse by design. – Pedocratic Networks: Epstein was the tip. 600K files expose global trafficking. – Bureaucratic Moles: IRS, DOJ, CDC. Internal sabotage of America.

- **Trump was sworn in January 20, 2025. Over 280 resignations followed**—not retirements. Removals. The swamp is bleeding. This is the endgame. They're eating each other. The lies are dead. Snowden sounded the alarm. Trump pulled the trigger.

Wed. 30 April 2025: Russia has been demanding a UN investigation into the US Biological network in Ukraine for 16+ months. ...SGAnon on Telegram

- **Russia claims they would cease fire** if the US was investigated and former Russian territory returned.
- **This is why Biden and the US** cannot allow Ukraine to surrender.
- **The war in Ukraine was backlash** for the creation and release of C19. Russian MIL directly accused Obama, Clinton, Soros, and Biden of being the main ideologues behind the plot.
- **This is why hundreds of billions of our tax dollars** were sent to Ukraine. Not to “protect democracy” or the Ukrainian People... it's to protect Deep State actors from the world discovering their crimes against humanity.

H. Wed. 30 April 2025: BOOM!!! TOTAL WAR: RODS OF GOD UNLEASHED — IRAN'S NUCLEAR SITES SILENTLY OBLITERATED ...WH Grampa on Telegram

- **It finally happened. The weapon they swore didn't exist has entered the battlefield. The “Rods of God” — tungsten projectiles dropped from orbit at terminal velocity** — have been deployed. No explosions. No warheads. No warnings. Just raw kinetic devastation, delivered with surgical precision from the sky. Over the weekend, Iran's underground nuclear facilities were destroyed. No jets. No missiles. Just silence — and then collapse. NASA thermal data shows massive underground heat anomalies. Iran's media is mute. Their military is paralyzed. The world just witnessed the first official kinetic orbital strike — and no one can prove it.
- **This isn't science fiction. It's the new age of warfare.** These rods fall with the force of a small nuke — but leave zero radiation. No fingerprints. No airspace violations. No radars triggered. No satellites intercepting anything. Iran's top nuclear sites were neutralized without a single air raid siren. That's not war. That's domination from the heavens. Conventional conflict is now obsolete. Globalist regimes can't hide behind alliances or defense systems. When the Rods of God fall, there's no escape. No warning. Just silence — followed by craters.

- **But this wasn't just about Iran.** This was a message to the old order. While legacy powers crumble, strategic sovereignty is being restored. At the same time, Iraq is finalizing independence from petrodollar chains. India is shifting liquidity alliances. The IMF, World Bank, and WEF are panicking. And in the West, Trump is preparing the final stage of financial reform. Quiet moves, decisive strikes, and elite strongholds falling without a single soldier deployed. The global reset isn't coming. It's already here — and it doesn't need your permission.
- **This is the invisible war.** A war without armies, without headlines, without rules. And it just exposed how vulnerable the world's most fortified sites truly are. Iran wasn't just hit — it was surgically dismantled. The mainstream press can't explain it. The globalists can't cover it up. And the deep state can't retaliate. This was the future — and now it's operational. The Rods have dropped. The world is shifting. And the silence in Tehran? That's the sound of an empire falling.

I. Wed. 30 April 2025 BREAKING: UK PULLS TROOPS FROM UKRAINE — NUCLEAR THREAT SHATTERS GLOBALIST WAR PLAN ...The 17th Letter (JFK Jr.)
on Telegram

- **Thurs. 29 April 2025 — The UK has officially canceled its troop deployment to Ukraine.** Not for peace. Out of fear. Britain's Ministry of Defence confirmed what insiders warned for months: any NATO boots on Ukrainian soil would trigger nuclear retaliation from Moscow. This wasn't diplomacy — it was retreat from the abyss.
- **Behind the curtain, NATO's rogue coalition — led by Macron's collapsing regime and Britain's deep-state networks** — had quietly prepared 30,000 troops for insertion. The goal? Provoke Russia into war, justify a global power grab, and collapse the last sovereign states under a "governance emergency system." But leaked Russian intel revealed a brutal certainty: if NATO advanced, Europe's command centers would be vaporized.
- **Ukraine was never the objective — it was the bait.** The suffering of its people was exploited to launch chaos, mask control, and fast-track a reset agenda buried in the UN, EU, and WEF. But Britain's retreat broke the illusion. Now NATO scrambles for cover, shifting to "training missions" and PR stunts while Russia prepares for the next phase. This isn't peace. It's collapse under disguise.
- **As the narrative crumbles, new threats emerge.** U.S. black ops — Project BLACKSTAR, ASGARD — are now live. Covert weapons are being activated. And on the economic front, globalist banks are rushing digital currencies, artificial shortages, and financial warfare. Ukraine was just the first match. They'll strike again. But this time, the world is watching. And the betrayal won't be forgotten.

France and Belgium have joined the blackout grid. Traffic paralyzed. People stranded underground. No alerts. No warnings. Total digital silence. And the officials? MUTE. They say the cause is “unclear.” That’s Deep State code for: We’re lying to your face. This wasn’t just a “power outage.” This was a full-on assault on Europe’s infrastructure. Transport wrecked. N. Wed. 30 April 2025: TRUMP’S RIGHT TO TRY ACT IS BLOWING THE LID OFF BIG PHARMA’S CANCER LIES ...Camp Justice Gitmo TV on Telegram

- **BOOM. The dam just broke.** Trump's Right to Try Act isn't just a law—it's an act of WAR against the cancer-industrial complex. While Big Pharma buries truth and bodies for profit, Trump handed power BACK to the people—and now patients are fighting back with Ivermectin and Fenbendazole. These aren't just drugs. They're red pills.
- **Signed into law by President Trump,** the Right to Try Act bypasses corrupt FDA roadblocks and puts experimental treatments directly in the hands of dying patients. The regime called it “dangerous.” What they meant was “dangerous to our profits.”
- **Ivermectin and Fenbendazole are curing cancer.** That's not a typo. Patients are reporting complete turnarounds. Terminal diagnoses reversed. Stage 4 obliterated. These drugs cost pennies compared to chemo—and that's exactly why Big Pharma HATES them.
- **Ivermectin—vilified during COVID**—is now killing tumors, not just parasites. Studies show it stops cancer cells from spreading. And Fenbendazole, a simple veterinary drug, is starving cancer cells to death by cutting off their fuel.
- **So why don't your doctors talk about this?** Because they're OWNED. Controlled by an industry that makes \$200B a year on “approved” treatments. They'd rather watch you die than lose a dollar.
- **Mel Gibson and rogue doctors are calling it out.** The suppression is deliberate. The cover-up is criminal. And the Right to Try Act is the tool that's shattering their grip.
- **Trump didn't just pass a bill.** He declared open season on Big Pharma's medical dictatorship. And millions are waking up.
- **The COVID lies were just the start.** These same criminals who forced lockdowns, masks, and untested injections are the ones blocking cancer cures that WORK. Ask yourself: how many lives were lost because a cheap pill threatened a billion-dollar monopoly?
- **The storm is here.** The lies are collapsing. Trump lit the fuse. You're watching the explosion. This is the future of medicine—freedom, not tyranny. Truth, not profit. Life, not slow death. And it all started with one act... and one man who couldn't be bought. Are you awake yet?

Med Beds:

O. Wed. 30 April 2025: TOP SECRET! Military Alliance Reveals the Med Bed Training Program — Full Access Denied Without Completion of the Hidden Spiritual Conditioning! ...Gitmo TV on Telegram

- **The U.S. Military Alliance has confirmed what the world was never meant to know.** As of April 16, 2025, patriots have leaked a phase of classified intel. Med Beds are real. Deployment has begun. But only those neurologically and spiritually prepared will gain access.

- **Big Pharma's nightmare is here.** No more pills. No more poison. No more lies. This tech obliterates the medical tyranny enslaving humanity. Trump's alliance seized it back, stripping it from the Deep State's underground vaults.
- **But you can't just walk in and be healed.** Med Beds read your consciousness. If your brainwaves are locked in fear, ego, doubt—you're blocked. This tech requires coherence, alignment. Brainwave mastery is life or death.
- **Training is now live**—secret programs by the Earth Alliance, monitored by quantum AI. They're watching. Scanning who's ready. Who's awake. Who's still under mind control.
- **The leaked** training structure:
- **Class A:** Deprogramming. Your brain has been weaponized. Time to break free.
- **Class B:** Unlock divine senses—telepathy, intuition, remote viewing. Remember your true self.
- **Class C:** Energetic warfare. Chi manipulation, trauma clearing. Only the strong advance.
- **Class D:** Field ops. Med Bed interaction. Live patients. Fail, and you're locked out.
- **Class E:** Interdimensional healing. Astral navigation. Reserved for commanders of consciousness.
- **Trump is behind it all.** Since before January 20, 2025, he prepared this takedown of the Deep State's medical tyranny. Now, with the Insurrection Act in force, the tech is reclaimed.
- **GESARA is tied in.** Not the fake version. The true energetic reset of humanity's soul contracts. You're not healing bodies—you're freeing souls.
- **Med Bed centers** launch in military-cleared safe zones: Montana, Texas, Tennessee. Space Force guards them. Only trained, brainwave-authenticated patriots get access.
- Final warning: Prepare or be left behind. The battlefield is your mind. Trump knows it. That's why Space Force has full control.
- **You're not here to wait.** You're here to become. April 16, 2025: The truth broke. Med Beds confirmed.
- **Trump leads.** Brainwave mastery required. Training is mandatory. GESARA linked. Only warriors of light will lead this healing revolution.
- **Rise. Cleanse. Train. Lead.** The Med Beds are here. The healing begins. Stand with Trump. Stand with the Earth Alliance. Ready or not—the new world has begun.

P. Wed. 30 April 2025: A Med Bed ExperienceTucker Carlson Network on Telegram

- **I JUST DID IT!** I'm 30, healthy-ish, but always tired. Always anxious. Always on. Today was my first session in a MedBed — and WOW. I'm still buzzing.
- **The moment I laid down,** it was like the bed knew exactly what my body needed. Gentle pulses, warm light, deep relaxation — I felt my nervous system finally let go. I didn't expect to cry, but I did — not from pain, from relief.
- **I feel lighter. My mind is quiet.** My skin even looks brighter. No drugs. No side effects. Just energy healing. I walked out smiling, glowing, alive.
- **This isn't just a trend.** This is a turning point. And I can't wait for session two.

Q. Wed. 30 April 2025: Meet Charlie ...Shadow of Ezra on Telegram

- **Today marks Day 1 of his 28-day healing journey inside the ThetaPod** — a revolutionary quantum wellness capsule designed to align body, mind, and spirit.
- **The ThetaPod uses advanced frequency therapy and PEMF** to promote deep cellular repair, calm the nervous system, and retrain the brain.
- **It's more than relaxation** — it's regeneration. From neuroplasticity to emotional balance, kids like Charlie are stepping into a future where healing is gentle, non-invasive, and full of hope.
- **Whether it's for anxiety, attention, or recovery...**28 days can change everything. And it starts with one small step. For Charlie. For all of us.

R. Wed. 30 April 2025: TRUMP'S MED BED BOMBSHELL: THE MILITARY SECRET THEY HID FROM YOU ...Julian Assange on Telegram

- **This isn't science fiction. This is suppressed reality.** The elites have known about Med Beds for decades — but they HID it while your loved ones died in hospitals. Why? Because healing you doesn't make them money.
- **DNA regeneration.** Limb reconstruction. Aging reversal. It's all real — and it's already here.
- **Trump was the FIRST to push it into the light.** During his presidency, he quietly greenlit tech that rebuilds missing organs, reverses disease, and wipes decades off your body — in MINUTES. This is the REAL reason Big Pharma declared war on him.

- **15 minutes in a Med Bed = 30 YEARS of aging reversed.** Gone. Just like that. Cancer, Alzheimer's, autism, PTSD — ERASED. Veterans with amputations? Regrown. Babies with defects? Healed. Your family was NEVER meant to suffer. They were denied this miracle.
- **Med Beds don't use knives.** They don't use pills. They use light and frequency — the same suppressed Tesla science the cabal buried. Med Beds align your body's energy, regenerate cells, and rebuild what was destroyed. The cabal knew this. They killed to keep it buried.
- **Trump said:** "Almost all hospital procedures will be obsolete." He wasn't joking. This is why they fear him. He cracked the door open — and now the flood can't be stopped.
- **And that's not all. Alongside Med Beds, a Spaceship Unit has emerged — yes, you read that right** — using plasma tech that replicates the healing frequency of the womb. Emotional trauma? Gone. Physical damage? Reversed. This isn't medicine. This is military-grade tech from the stars.
- **Why did they suppress it?** Because a healed population doesn't obey. Because diseases = cashflow. Because Med Beds = FREEDOM.
- **The truth is now irreversible.** Every second they delay, more people wake up. The age of surgery, chemo, endless pills — it's OVER. Trump opened the door. We walk through it next.
- **THE FUTURE IS NOW.** The world they promised you is already here — and the only thing standing between you and it is the cabal.
- **SHARE THIS NOW.** Red pill everyone you know. The Med Bed war has begun. And we're not turning back.

S. Wed. 30 April 3035 THE COUNTERSTRIKE HAS BEGUN — GLOBAL ELITES IN FREEFALL ...Mr. Pool on Telegram

- **The first wave was silent.** Precision-based. Untraceable. Now the gloves are off. Following the breakdown of final negotiations, White Hat coalitions have launched full-spectrum countermeasures targeting the remaining strongholds of the Deep State. Sources confirm over 600 coordinated raids across Europe, the U.S., Australia, and Israel in just 48 hours. This is no longer behind closed doors — it's tactical, visible, and escalating by the hour.
- **BREAKING: GERMANY'S BND HEADQUARTERS RAIDED** Inside Berlin, the heart of the intelligence octopus, German military units loyal to the Alliance have raided the Bundesnachrichtendienst (BND). Seized documents reportedly link the agency to child trafficking cover-ups, election interference, and backchannel operations with the World Economic Forum.
- **London's MI6 servers have gone dark.** Rome's central banking command chain has fractured. Paris, under curfew, faces "unexplained military exercises."

- **THE ROTHSCHILD CODE HAS BEEN BROKEN** Private offshore vaults in Liechtenstein and Monaco have been decrypted. Forensic blockchain units are tracing crypto laundering operations tied to Soros, BlackRock, and pharmaceutical conglomerates. \$2.3 trillion in unreported assets are now being rerouted into recovery programs.
- **According to Shanghai sources**, Dragon Family-led coders have successfully hijacked three central bank mainframes, forcing compliance with Protocol 88 — the economic override clause prepared for non-cooperating nations.
- **THE VATICAN SILENCE IS STRATEGIC — TRIBUNALS APPROACH** With the Vatican's financial lifeline severed, sources indicate the Black Pope's last attempt at negotiation has failed. Surveillance footage confirms secret flights from Rome to Buenos Aires carrying high-ranking Jesuits. The Alliance has identified them. The next step is extradition.
- **Meanwhile, tribunals in Geneva** are preparing evidence presentations involving 3 former Prime Ministers, 7 top EU bankers, and multiple WHO and WEF directors. The charges: crimes against humanity, high treason, and bio-warfare deployment.
- **QUANTUM GRID STABILIZED — CURRENCY CONVERSION WINDOW IMMINENT** With the Quantum Financial System now monitoring 96% of global transactions, the legacy banking system has 72 hours to comply or be locked out permanently. Over 70 countries have already confirmed gold-backed readiness. Zimbabwe, Iraq, and Vietnam are reportedly first in line for public-level redemption activation.
- **Expect full disconnection from SWIFT within days.** Expect revaluation shocks. Expect panic headlines. BUT DON'T PANIC. THIS IS THE PLAN.
- **THE RESET IS NO LONGER COMING. THE RESET IS HERE.** And the second strike is already underway.

T. Wed. 30 April 2025 TREASON IN GREENLAND EXPOSED: Space Force Commander Caught Sabotaging Trump's Arctic Takeover — Secret Emails, Deep State Panic, And The Shadow War For The Future Of America Has Officially Begun! ...JFK Awakening Q17 on Telegram

- **Colonel Susan Meyers is not just a rogue commander — she's Deep State to the bone.** What went down at Pituffik Space Base in March 2025 was a direct hit on Trump's America First mission, a silent coup against the Commander-in-Chief. This wasn't politics. This was treason. A deliberate betrayal at the highest military levels.
- **Greenland isn't just ice. It's power.** Rare-earth minerals. Cobalt. Uranium. Enough resources to end China's monopoly and catapult America into tech, energy, and AI dominance. That's why Trump wanted it in the first place. That's why the Deep State, NATO, and Denmark panicked.

- **Denmark doesn't own Greenland — the globalists do.** They've kept it underdeveloped, weak, and foreign-controlled to block U.S. access and feed Chinese and Russian ambitions. Trump's takeover shattered their little Arctic chessboard. Now they're scrambling.
- **Meyers' email to Pituffik staff? A declaration of war against Trump.** Her coded message: "We don't serve America First. We serve the Old World Order." Her pledge that "all flags will fly proudly together" is Deep State poison disguised as unity.
- **This is infiltration. Denmark signed secret mining deals with China.** Allowed Russian intel ops. Gutted Greenland's defense — all while pretending to be our ally. Vance called it out: "Denmark has failed the people of Greenland... America must lead — or our enemies will."
- **Behind the scenes, Trump's forces are striking back. Pentagon insiders confirm:** Space Force audits. Loyalty tests. Surveillance sweeps. Purges. Meyers is just the first domino. The Arctic purge has begun.
- **Why Greenland matters:** → Controls northern air defense → Rich in rare-earths vital for satellites & weapons → First line of missile detection → Strategic Arctic battlefield
- **This isn't a land grab — it's an act of war against the Deep State's global stronghold.** Trump knew. Vance confirmed. Meyers exposed it.
- **This is the Arctic Purge.** And it's only just beginning.

U. Wed. 30 April 2025 CIA BLOODLINES: OBAMA, HARRIS, AND THE SYNTHETIC PUPPETS BUILT TO DESTROY AMERICA ...Julian Assange on Telegram

- **What if you never voted for a real leader?** What if every "historic" candidate was just a pre-programmed puppet, engineered decades in advance to dismantle America from within? That's not speculation. That's a blueprint. Barack Obama wasn't a grassroots phenomenon — he was a CIA asset molded since childhood under black-budget mind control programs. His true name? Barry Soetoro. His origins? Kenyan-born, raised under the eye of Lolo Soetoro, a covert Indonesian operative. His role? The Agency's most polished psychological weapon ever deployed in the White House.
- **Obama's entire bloodline reads like a Langley personnel file.** His stepfather wasn't a bureaucrat — he was tasked with eliminations and suppression ops. His grandmother, Madelyn Dunham, oversaw covert CIA financial channels. His cousin? George H. W. Bush, the oil king and former CIA Director. This wasn't a family — it was a dynasty of operatives. His mother, Stanley Ann Dunham, shaped him not as a citizen, but as a tool — indoctrinated to resent America, trained to obey, and designed to fracture. Obama didn't rise — he was deployed.
- **And Kamala Harris? Another synthetic prototype.** Her mother, Shyamala Gopalan, was deeply connected to Canadian MK-style research programs, where identity manipulation was perfected. Kamala's rise wasn't earned — it was programmed. Her success was carved through

lawfare, academic gatekeeping, and deep-state orchestration. She's not the face of diversity — she's the face of design. A female psyop. Inserted. Protected. Controlled.

- **This was never about parties. This was bloodline infiltration**, spanning generations — through CIA front companies, psychological ops, and globalist banking syndicates. The public never chose. They were handed pre-approved actors from a stage built in shadows. Obama. Harris. Bush. Clinton. They all come from the same blueprint — the same dark machine. And unless we break the spell, name the networks, and burn the roots, the play continues. This is not politics. This is warfare by programming — and the puppets are still performing.

V. Wed. 30 April 2025 BOOM!!! WHITE HATS RISING: THE RECKONING HAS BEGUN This is BOOM Week. This is the STORM. ...Julian Assange on Telegram

- **The White Hats are no longer in the shadows.** They're moving. Fast.
- **Remember Extortion 17?** The day SEAL Team 6—the same warriors who brought down Bin Laden—were packed into a decrepit Vietnam-era chopper and shot out of the sky in Afghanistan? 30 elite warriors gone in a flash. Obama called it a “lucky shot.” That lie was covered in 1,300 redacted pages hidden from the public. But now?
- **The truth is detonating. White Hats are DONE playing defense.** And they're not waiting for permission from corrupt courts or fake congressional panels. They're making moves. The Benghazi betrayal? It's all surfacing. Hillary Clinton LIED to the world. On September 11, 2012, she blamed an internet video for the slaughter in Libya—then, less than 24 hours later, she told the Egyptian PM the truth: “It was a planned attack – not a protest.”
- **She knew. She lied. Over and over.** She emailed her daughter about an Al Qaeda-style group, while publicly blaming a video. She manipulated heads of state, weaponized media narratives, and ran cover for killers. And who helped? Tom Nides, her deputy at State—and key Clinton Foundation operative. Donors. Hedge fund ties. Special access. The whole thing stinks of treason.
- **Even while Americans died,** Clinton called foreign leaders like Egypt's Amr and Tunisia's Jebali—doubling down on the video hoax. She pushed for restrictions on free speech under the guise of “religious sensitivity.” In a call with Afghan President Karzai, she spoke of defamation laws. Who was she protecting? It wasn't America.
- **Two federal judges** had to force the State Department to release these buried transcripts. Eleven documents—redacted, hidden, covered up. And now they're finally coming out. Not because of justice—but because Patriots wouldn't let it go. The cover-up is collapsing.
- **This is not a drill.** This is BOOM WEEK. The White Hats are rising. The House of Cards is coming down.
- **Godspeed.** Stay armed with truth. Stay loud. Stay dangerous.

W. Wed. 30 April 2025 REAKING! GESARA Is Being Silently Enforced While The Global Banking System Implodes! Trump's Team Is Reclaiming The People's Wealth Through QFS! ...Steve Bannon on Telegram

- **Everything the media tells you is a lie.** The fake news claims GESARA “doesn’t exist” and the IRS still “functions as usual.” But behind the curtain, the financial system is under Patriot control. Trump didn’t return just to win. He came back to END the old system.
- **IRS Chief suddenly resigned.** No explanation. No successor. Because the IRS is being dismantled. Income tax is dead. GESARA demands a tariff-based economy. Trump reactivated this day one.
- **They say GESARA isn’t real.** Then why are central banks collapsing? Why is gold being hoarded? Why is the fiat system dying while the elites hide?
- **Because GESARA is being enforced militarily.** It overrides corrupt governments. It replaces Rothschild banks with truth. The IMF, World Bank, UN – all crumbling.
- **The Quantum Financial System is LIVE.** No tests. No demos. It’s online and tracking every transaction globally. Space Force is securing it. SWIFT is being dismantled. Corrupt bankers are “retiring.” They know.
- **This is the end of debt slavery.** Rothschilds lose. Traffickers lose. Your money will be YOURS. No more black budgets, no more human trafficking funds.
- **GESARA = WAR** on the Deep State. It mandates return of stolen wealth, release of forbidden tech, exposure of sealed indictments, and global tribunals.
- **You thought Epstein was big?** GESARA is bigger.
- **Child trafficking** networks taken down daily.
- **Vatican assets** seized and repurposed for humanity.
- **BlackRock**, Vanguard execs under indictment.
- **CIA** black sites shutting down.
- **Gold exfiltrated from DUMBs**, returning to the people.
- **They lie to keep you asleep.** Fact checkers are CIA. Wikipedia is mind control. The ADL, SPLC, IMF, WHO – all puppets. They fear your awakening.
- **Trump leads it all.** Every order, every appointment, every move was planned since 2017. The IRS collapses. The dollar restructures under gold. Military surrounds cities, waiting.

- **When EBS drops** – the world shifts.
- **Prepare NOW:** Secure savings in silver, gold. Exit centralized banks. Know Redemption Centers. Expect blackout comms. Kill the media virus.
- **April 16, 2025 – the cabal falls.** GESARA is HERE. Trump lit the fuse. The Patriots hold the line. The wealth returns. NOTHING can stop what is coming.

X. Wed. 30 April 2025 BOMBHELL! TRUMP ORDERED MASS DEPORTATIONS OF 532,000 ILLEGALS — OBAMA JUDGE AND SOROS-FUNDED LAWYERS BLOCKED HIM TO PROTECT BIDEN’S INVASION FORCE — FOREIGN CASH, GLOBALIST COURTS, AND TREASON FROM WITHIN! ...Steve Bannon on Telegram

- **There is no room for doubt.** This is not a legal debate — it’s sabotage of American sovereignty by a global network. On April 16, 2025, radical Obama judge Indira Talwani delivered what George Soros paid for: a blockade to halt Trump’s order to shut down Biden’s migrant parole scam.
- **532,000 unvetted foreign nationals** — allowed in under Biden’s fake “humanitarian parole” — are now protected by billionaire subversion and black-robed traitors.
- **Soros, who has fueled revolutions for decades,** now targets America. His Open Society Foundations funnels millions into Marxist lawfare. This isn’t immigration — it’s demographic warfare, and Trump is the last line of defense.
- **TRUMP’S PLAN: CLOSE THE PIPELINE AND REMOVE THE ILLEGALS** Trump’s order from March 25, 2025: revoke the fraudulent parole granted to migrants from Cuba, Haiti, Nicaragua, and Venezuela — all let in under Biden’s 2021 “CHNV parole.” No proper asylum. No vetting. Some tied to gangs and radical movements.
- **Trump exposed it:** “an illegal amnesty pipeline to overwhelm institutions, crash cities, and tilt elections.” But Soros lawfare engines — Justice Action Center and Human Rights First — struck back with a lawsuit to block Trump’s action.
- **They didn’t sue for humanitarian reasons.** They sued to buy time — to spread these 532,000 migrants into sanctuary cities and protect the globalist agenda.
- **OBAMA JUDGE TALWANI SIDES WITH THE FOREIGN OPERATIVES** Talwani’s ruling blocked Trump’s deportation order, demanding case-by-case review — an impossible delay tactic. The goal? Paralyze the system and embed illegals to shift America’s future.
- **Talwani isn’t loyal to the Constitution.** She takes orders from Soros-funded traitors. This wasn’t a ruling — it was a command.

- **FOLLOW THE MONEY: SOROS FUNDS THE WAR AGAINST AMERICA** Justice Action Center took \$450,000 from Soros in 2023. Human Rights First grabbed \$6.2 million from 2016-2021. These aren't nonprofits — they're mercenaries.
- **They've protected MS-13**, fought Trump's Alien Enemies Act, and defied federal law to keep sanctuary cities alive.
- **This is about replacing America's working class** with a dependent underclass, willing to obey tyranny.
- **Soros wants borderless control**, digital ID, and obliteration of national identity — with mass migration as the weapon.
- **Trump tried to shut it down.** The globalist machine went DEFCON 1 to stop him.
- **THIS IS WAR — AND THE ENEMY IS ALREADY INSIDE.**

Y. Wed. 30 April 2025: TOP SECRET LEAK! Trump's GESARA Rollout Is Still Moving Forward – GITMO Was Attacked and Defended by the White Hat Alliance – Military Intel Confirms Starlink Intercepted Deep State Weapons Over U.S. Cities – Massive Cabal Plan to Wipe Out NYC Exposed and Stopped! ...Quantum Financial System on Telegram

- **Trump's reinstatement was never just about returning to office. It was the green light for the greatest global military operation in human history** — a full-spectrum takedown of the ancient bloodlines, corporate overlords, and political puppets that have enslaved humanity for centuries. Today, the operations are not just active — they are accelerating beyond anything seen before.
- **GESARA Is Real** — and the Military Is Finalizing It Behind the Curtain
- **Despite the pathetic cries of denial from the dying mainstream**, GESARA is an active military operation, moving through its final classified stages.
- **Multiple military insiders confirm that as of late April 2025, GESARA's global frameworks are being quietly implemented** by the U.S. Military, coordinated with 209 allied sovereign factions worldwide. Massive sovereign debt cancellations are already processed behind the scenes. Secret asset transfers are happening under the QFS (Quantum Financial System), with full tracking and seizure of Deep State slush funds.
- **Banks that refuse to comply are being blacklisted** by the new military banking network. Already, 47 major cabal-tied financial institutions have been force-closed or nationalized. This is not a negotiation. This is domination.
- **When GESARA goes fully public** — insiders hinting as soon as early summer 2025 — every citizen across aligned nations will have debts erased, wealth restored, and access to technologies the elites tried to bury forever.

- **GITMO Attacked:** Deep State's Desperate Counterstrike Fails Miserably
- **On April 24, GITMO was the target** of the most violent and coordinated assault attempt seen since 9/11.
- **Using cloaked aircraft believed to be retrofitted from stolen TR-3B** experimental crafts, deep-state insurgents attempted to breach Guantanamo Bay to either destroy evidence or assassinate high-value detainees.
- **Names reportedly on the assassination list:** John Podesta, Bill Gates Jr., former CIA directors, and even rogue foreign dignitaries tied to child trafficking networks. But they failed.
- **Military Alliance forces — led by Division X and TRIDENT** rapid deployment teams — had already intercepted communications two weeks earlier using Starlink Quantum Surveillance Grids.
- **Within minutes, defensive grids were activated,** advanced countermeasures deployed, and the infiltrators were shot down before reaching GITMO's perimeter.

Zc. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zd. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. He was arrested almost a year ago and has been sitting in jail since.

"Things I've Learned from My Prison Temple" Part 1 of 4

Ken Note: This was delayed in sharing with you due to my multiple prison moves, the doc being lost, having to retype it, and email breakdown. Enjoy.

February 24, 2025 - Day #545 of my being falsely arrested and fraudulently prosecuted by IRS/FBI/DOJ

Tears come easily when you're stuck in prison. At least they do for me.

I'm in hell, but I'm learning so much. I'm hoping that you'll never have to suffer hell/prison. I'm writing this because I hope you might benefit in some way from what I'm learning and be blessed without your having to come to your own hell/prison temple to learn God's lessons for yourself from within hell. "He who fails to learn from history, is forever doomed to repeat it." (Santayana) Thanks for reading my little piece of history...

On December 23, 2025, I was sentenced to 6 more years imprisonment by federal judge Howard C. Nielson Jr., for a crime I did not commit. At sentencing he said, "I want to make an example out of you." He did this despite the fact his incorrect jury instructions, which if proven, completely VOIDS the jury verdict, requiring at worst a new trial, and at best throws the whole case out. The incorrect instructions to the jury were MIRACULOUSLY proven to be so just 16 days later by the Supreme Court of the United States (SCOTUS) in *Moore v. United States* (case #22-800). All nine Justices agreed on what federal income taxes are and what they are not. SCOTUS even provided a comprehensive history of income taxes from the founding of our nation from 1787 up to today. They pointed out that our nation has not had a "direct apportioned federal income tax" that applies to us Americans "since the Civil War". Not even the prosecutors' two expert, star witnesses, IRS agent veterans of 22 years (John Jensen - SLC) and 38 years (John Joseph - Denver) could point to the law that required Barbara and I to file federal income taxes. Judge Nielson chose to ignore all the important facts, the law, and SCOTUS, and sentenced me anyway.

Relating to Others Who Have Suffered Prison

I can relate to Joseph in Egypt from the Old Testament. And can relate to many others who have been falsely imprisoned throughout history. But Barbara and I knew that this "assignment" we're on would not be easy. It hasn't been. So now I'm officially federal prisoner #13871081.

This has been hard! Since January 2018 when our "IRS adventure" began, we exercised all the faith and actions we could to stand on our rights and retain our home -- and did so lawfully. The IRS and courts are the ones who broke the law, not us. So, we essentially ran towards and intentionally "jumped off the cliff". We did so fully trusting that God would provide the needed miracle "parachute" AFTER we jumped, believing that this is the Lord's battle, not ours, and that He never loses. It happened! That miracle parachute came in the form of a new Supreme Court decision of June 20, 2024, the first of its kind in nearly 60 years. This SCOTUS opinion confirmed that the Constitution and SCOTUS rulings have not changed in over 108 years!

All the meanwhile, the American people have had a great portion of their money stolen by lies, fraud and deceit -- at the point of a gun. Money families needed to survive stolen through fear by what is essentially a government sanctioned domestic terrorist cartel, when the IRS is in reality a foreign corporation. The IRS has made Americans slaves, and victims of what has been an ever-expanding wasteful government, with

ever-shrinking freedoms, and an exploded national debt. The IRS was designed in secret by selfish, wicked, parasite leaders whose objectives were gaining power and influence and control, let America and the Constitution be damned. Ancient American scripture warns us:

"...Whoso buildeth it [the secret societies] up seeketh to overthrow the freedom of all lands, nations, and countries, and it bringeth to pass the destruction of all people, for it is built up by the devil, who is the father of all lies, even that same liar who beguiled our first parents [Adam & Eve], yea, even that same liar who hath caused man to commit murder from the beginning; who hath hardened the hearts of men that they have murdered the prophets, and stoned them, and cast them out from the beginning." (Ether 8:25 -- The Book of Mormon -- Another Testament of Jesus Christ)

It appears that the Lord has other plans and may be willing to give We the People another chance. You may remember that Moses told Pharaoh that his slavery plan for the Hebrews was over when he said, "Thus saith the lord God... Let my People go, that they may serve me." (Exodus 10:3) America's Pharaoh today is a US government gone wild and out of control, whose "whip" of fear and terror is the tyranny imposed on us by the IRS and DOJ. Taxes are not bad, but un-constitutional slave master tyranny we suffer today is exactly like what inspired the Founding Fathers' revolution against the British crown (Pharaoh). God always wants His children to be free. It's coming! Will we as a nation, and as individuals decide to REPENT (return back to God's ways), and fight to keep the liberty God and our Founding Fathers sacrificed their precious blood to give us? Or will we just sit back, be fat, lazy and ignorant, and hope somebody else will fight for our freedom? If we won't protect liberty today, will there be any left to hand down to our children and grandchildren? Wasn't it Reagan who said, "Once freedom is lost, it will cost the blood of at least one generation to win it back, if it can be won back at all."?

It may take more time for Barbara and my court case appeals to find their way to the Supreme Court. Based on the Constitution and SCOTUS's own explanation about federal income taxes in *Moore v United States*, if SCOTUS takes our case we believe it highly likely that they would give us a 9-0 win in "Barbie & Ken v Goliath IRS". Judge Nielson recommended that the 7-year sentence (gave me credit for time served prior to trial) be served at the federal prison in Englewood, Colorado. I'm currently "en route" there via Pahrump, Nevada (near Las Vegas), with likely transfer stops in Victorville, California, then to be shipped to Oklahoma City, another transfer hub, and then to be moved to Colorado. What was supposed to be maybe 2 weeks has now been 53 days that I'm still stuck here in Pahrump! Don't ask me why they do things this way. I don't understand any of it. The Bureau of Prisons or BOP stands for "Backwards On Purpose". It's just how they do their "business" of warehousing people in "prisoners-for-profit" detention centers throughout the country that are often privately owned and operated. Did you know that the US has more of its people in prison per capita than any other country in the world including China's notorious prison camps? [Note: By the time I got to Oklahoma, the Englewood Colorado Prison Camp was shut down and all those there were moved to Florence, Colorado, southwest of Colorado Springs.]

Snitching Is Not Good For Your Health

Prisons are different than county jails. Each has its own pros and cons. When I first got to Pahrump, during processing in, I was threatened by another inmate and was thrown into solitary confinement for my "protection". That's what they do when someone is threatened but won't "snitch" on the person who threatened you. It was either solitary confinement for 10 days, or being thrown in with the sex offenders wing with the rapists and pedophiles, etc. "Snitching" is not good for your health. Prisoners have their own communication system that reaches into other prisons, checks on court cases, etc., to find out who people are, and why they're really in prison. Pedophiles don't fare very well. A guy I knew was facing 20 years for drug use. A pedophile, heinous criminal was put in his cell with him, and he beat him mercilessly for the victim, and for the injustice of the sentences. The inmates are unofficially organized by race, each with its own leader, who administers punishments as necessary within each race; whites 20%, Latinos (55%), Blacks (22%), other (3%) I was warned once by the Whites' leader, "If you don't tell the truth, or make problems, we have to solve it within our race. If we don't, then the other races will. You can leave if you need to, walking out because you ask the guards, or you can go out on a stretcher. Don't make problems." During meals you're not allowed to sit with other races or them with yours. Prisons are very racist -- but there is some method to the madness that seems to work.

Please support Ken and Barbara by signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

If the Petition link is not available go to: <https://www.miraclesingodwetrust.com/contact/> or Venmo to: @Talmage-Cromar

Please sign today and share the link with three or more of your friends.

Thank you and God Bless, Ken and Barbara Cromar

Zf. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
