Judy Note: *The US has been operating under the Law of War Manual since Bush signed a State of Emergency Order after 9/11. By renewing that order and invoking PEADS, the Stafford Act and signing Executive Order 13848, President Donald Trump has remained Commander-in-Chief over the US Military since elected in 2016.*

Trump has used such authority to organize the Global Military Alliance for the purpose of taking down the Satan worshipping, Child Sacrificing Illuminati Deep State Cabal. Since Trump took office more than seven million women and children have been rescued by the Military from Sex Trafficking and Slavery in the US alone. Some were imprisoned in deeply buried DUMB Tunnels that crossed the US, one below the White House.

Under leadership of 1,700 strong Military leaders worldwide and in cooperation with local legal authorities throughout the Globe, most all of the biggest players in the Satan Worshipping, Child Sacrificing, Sex Trafficking Illuminati Deep State Cabal have been arrested and prosecuted, most executed for their Treason and heinous Crimes Against Humanity.

All was about to be announced. On Wed. 14 May 2025 Q said: “Three More Days. Be Ready. Blackout. The World is Connected. The World is Watching. All or Nothing. TRUST THE PLAN.”

On Sat. 17 May 2025 the Armed Forces Holiday was on the schedule, along with a Supreme Court announcement on the Brunson Case – an expected reveal on whether or not Congress investigated 50 allegations of voter fraud before certifying the 2020 Election – which they did not. A decision in Brunson’s favor would automatically nullify the whole Biden Administration and take down all of Congress.

Even with a Biden/Obama takedown, this war of Good Against Evil was not yet won. Restored Republic VP JFK Jr. announced, “My Fellow Americans, what you are about to go through will be very painful. JP Morgan predicts a huge US Stock Market Crash. Bank Runs were imminent.”

Trump and the Global Alliance along with the BRICS nations, have well prepared for the Market Crash. They have already set in motion a Global Currency Reset for 207 nations. Such would take down the fiat US Dollar and assure gold/asset-backed World currencies would trade at a 1:1 with each other.

The Emergency Broadcast System would soon activate Worldwide to protect The People, explain what was going on and wake up the masses. Prepare for a fake news Mass Media takedown, Blackouts and ten days of exposure regarding the Satan Worshipping, Child Sacrificing, Sex Trafficking, Illuminati Deep State Cabal’s Treason and Crimes Against Humanity.

What Comes Next?

- Debt forgiveness: Illegitimate debt will be canceled under GESARA reforms.
- Account access: QFS wallets will unlock via biometric authentication.
- Global currency revaluation: All currencies adjust to reflect true national wealth.
- Central bank phase-out: National treasuries reclaim issuance power.
- End of SWIFT & tax slavery: Outdated systems dissolve as sovereignty returns.

B. Global Currency Reset Possible Timing:

- **On Wed. 14 May 2025 Q announced on Telegram:** “Three More Days. Be Ready. Blackout. The World is Connected. The World is Watching. All or Nothing. TRUST THE PLAN.”
- **That leads us to Sat. 17 May 2025, which was Armed Forces Day** – when a Supreme Court announcement was scheduled on the Brunson Case about whether or not Congress investigated 50 allegations of voter fraud before certifying the 2020 Election – which they did not. If they announce a decision in Brunson's favor, it would nullify the Biden Administration and take down all of Congress.
- **Nesara Gesara QFS on Telegram said that this weekend and beyond was time for the QFS Access & Rollout.** Once the announcements were made, the Quantum Financial System would go live for the public. You'll receive official guidance on accessing your QFS wallet and any exchange/redemption appointments if applicable. Funds from global prosperity programs may start to be distributed in phases. Simultaneously, NESARA provisions (like relief from certain debts and taxes) will quietly begin implementation. Life-changing blessings will roll out step by step, in a controlled manner, to ensure a smooth and joyous transition for all.

C. Wed. 14 May 2025 What to Expect Next – This Week's Timeline: Many of you are asking what comes next. Barring any unforeseen delays, here's a general sequence anticipated in the coming days. ...Nesara Gesara QFS on Telegram

- **1. Final Briefings & Tests (Early Week):** In the first part of this week, last-minute system tests and briefings have been underway behind closed doors. Technical teams and military alliance members are making sure everything is 100% prepared. Quiet confirmations have been flowing in, signaling that “all systems are go.”

- **2. Initial Public Alerts (Mid-Week):** By mid-week, we expect the first public confirmations to start surfacing. This could include subtle announcements or emergency test messages that prepare the way for broader disclosures. Keep an eye out for any unusual “breaking news” or official statements. The aim here is to get the word out gently without causing panic, while bypassing the mainstream media blackout.
- **3. Major Disclosures Begin (Late Week):** Toward the end of the week, coordinated public disclosures are likely to kick off. We anticipate a series of global announcements revealing the activation of NESARA/GESARA reforms and the launch of the QFS to the world. This might involve the **Emergency Broadcast System or special televised briefings** so that everyone, everywhere, hears the truth. Expect clarity on debt forgiveness, new currencies, and the restored freedoms that come with this shift. The mainstream media won’t be able to stay quiet at this point – the news will be simply too big.
- **4. QFS Access & Rollout (Weekend & Beyond):** Once the announcements are made, the Quantum Financial System goes live for the public. You’ll receive official guidance on accessing your QFS wallet and any exchange/redemption appointments if applicable. Funds from global prosperity programs may start to be distributed in phases. Simultaneously, NESARA provisions (like relief from certain debts and taxes) will quietly begin implementation. Life-changing blessings will roll out step by step, in a controlled manner, to ensure a smooth and joyous transition for all.
- **Each stage of this process will bring more confirmations out in the open.** Every day, new proof of this grand plan is emerging – whether through insider leaks, minor news reports, or your own personal experiences (many are already noticing things like odd bank quirks or hints of financial changes). Stay alert but calm as events unfold. I will continue updating you with verified information as I receive it.
- **Remember, we are on the threshold of an amazing new world.** Stay unified, positive, and prepared. More confirmations are coming, and with each passing day, the vision of GESARA becomes less theory and more reality. We’ve got this, together!

D. Thurs. 15 May 2025 Bruce The Big Call:

- **This morning Thurs. 15 May** Redemption Center leaders received new codes to get into their accounts, but their screens went dark.
- **There will not be any more currency revaluation dates** and new currencies have been added to the basket for this one. One was the Syrian currency called the Pound. North and South Korea currencies may be added. Burma, China Yuan, Cambodia, Myanmar are also added to be increasing in value.
- **Notification to Bond Holders and Tier4b (us, the Internet Group)** was supposed to happen over the weekend with exchange appointments beginning next week.
- **There were 61,000 IRS agents** who were let go from their jobs in 30 hours. That likely meant that there would not be a tax on the exchange.
- **DOGE checks & increases in Social Security payments** should come this month of **May**.

- **R&R payments** will be in our accounts at the Redemption Center.

E. Thurs. 15 May 2025 Julian Assange on Telegram:

- **The Global Currency Reset has been triggered.** Treasury-backed Rainbow Notes are live in test markets. The old fiat system is disintegrating. A 10-day shutdown will activate the Emergency Broadcast System (EBS), and following a three-day Quantum Blockchain Election, governments will reset under new leadership—downsized by 90%.
- **Global Debt Cancellation Has Quietly Begun:** Alliance operatives confirm that nations across Southeast Asia and the Balkans are undergoing total sovereign debt erasure under biometric NDAs.
- **The IMF and BIS are DONE.** Redemption Centers are live at secure locations in Reno, Zurich and Shanghai. Quantum Access Cards are being issued to those who pass retina, voice and DNA verification. Gold-backed wallets are untouchable until full global sync.
- **Alliance operatives confirm:** nations across Southeast Asia and the Balkans are undergoing total sovereign debt erasure under active GESARA protocols.

G. Sun. 11 May 2025 UPDATE! QFS Is Replacing the Banking System—Redemption Centers Are Secure and Processing Gold-Backed Payments—Banks Are Desperately Freezing Accounts, Blocking Access to Your QFS Funds, and Spreading Media Lies to Keep You Trapped in the Dying Fiat System! ...Gitmo TV

- **There's no turning back.** As of May 9, 2025, the old financial system ruled by elite bloodlines has collapsed beyond repair. The mainstream media will lie. Banks will stall. Puppet governments will push recession spin. But the truth is coded in military servers: the Cabal's financial matrix has been dismantled, and Redemption Centers are processing the greatest wealth transfer in history.
- **This isn't reform—it's warfare.** A global military operation is underway to terminate a centuries-old regime built on debt, control, and human trafficking. The Quantum

Financial System (QFS) is no longer theory—it's active, independent, and cleansing the global grid. Since January 15, vaults hidden under mountains, Vatican sites, NATO outposts, and elite estates have been raided. Seized assets include off-ledger gold, ancient tech, and biometric blackmail archives. In April, a Crown-controlled vault beneath London's Financial District revealed unrecorded reserves, trafficking ledgers, and biometric data tied to occult financing. All contents are now being processed into the QFS.

- **Redemption Centers are now the only valid financial access points.** Each is military-guarded, quantum-logged, and biometrically secured. USTNs are fully gold-backed. Over 12,000 banks have gone dark in the last month. They've been cut from the new system. The fiat dollar is dead—it only appears alive because the media refuses to report the funeral.
- **The QFS is military-engineered.** Developed in black sites beneath Cheyenne Mountain and Greenland, it runs on light-speed encryption and biometric tracking. Every shell company, dark account, and offshore puppet has been frozen. The system is now operated by U.S. Space Force cyber units and Trump-aligned quantum teams. RLUSD and XRP form the core. RLUSD is backed by secured vaults in former NATO facilities. XRP has replaced SWIFT and ACH entirely. Ripple execs were attacked because the Cabal knows it's over. Their cyberattacks failed. Their servers are locked.
- **But the Deep State is desperate. Operation LAST BREATH was exposed**—outlining EMP threats, virus drops, and false flags to scare the public from Redemption Centers. A pulse weapon was intercepted over Kansas. Bioweapon shipments were seized in Frankfurt. Biometric slavery has ended. Your DNA is no longer traded data.
- **Trump's Patriot Wealth Directive activates Restitution & Reparation (R&R) payments** within 30 days. Every adult American will receive gold-backed reparations based on QFS registration and damages from IRS fraud, bank theft, and medical abuse. Pharma trials are underway at GITMO and Diego Garcia. Medical debt will be erased.
- **The final counterattack will come fast:** AI-generated footage, crash panic, and a staged Trump takedown. Don't believe a second of it. Trump is secured, guarded, and operating from command posts unknown to the enemy. The only real mission: claim your redemption. Verify your identity. Restore your sovereignty.
- **This is not a policy change. It's the collapse of an ancient parasite** that fed on fear and enslavement. The war is almost over. The QFS is your shield. Your gold-backed future is waiting. And this time, it belongs to you.

Restored Republic

H. President Donald Trump never left the US Presidency. He has been our continuous Commander-in-Chief over the US Military since elected in 2016. ...Judy Note

- **On January 11, 2021 Trump signed the Stafford Act**, initiating in case of a national emergency, the activation of PEADs—Presidential Emergency Action Documents – that

invoked Executive Order 13848 – that granted him as Commander-in-Chief, the ultimate authority to authorize Military arrests, Asset seizures, Communications blackouts, Military Tribunals and a full-blown wartime response to foreign subversion.

- **The moment that national emergency occurred** with the stolen 2020 Election, Trump, as the real Commander-in-Chief, began striking his hammer at the Deep State Cabal.

I. Thurs. 15 May 2025 President Biden never led – the Shadow Regime Exposed: Joe Biden was never in charge. The Deep State knew it. And they hid it. ...Julian Assange on Telegram

- **While the public was told Biden was “fit and strong,”** the reality was a decaying puppet stage-managed by shadow operatives. From day one, Biden was cognitively broken.
- **Obama, Pelosi, and Schumer** ran the show. Tapper and CNN lied. And now the mask is off.
- **What we’re witnessing isn’t a scandal**—it’s the collapse of the greatest fraud in modern American history.
- **They mocked us when we questioned.** Labeled patriots as “conspiracy theorists.” But behind the scenes, they planned “emergency handovers” in case Biden froze live on camera.
- **Governors were briefed.** Military protocols were quietly shifted. Biden’s presidency was a placeholder — a deception to keep globalist power intact.
- **Meanwhile, handlers used his name** to sign war authorizations, fund Ukraine, and meet with world leaders.
- **But it was never him.** He didn’t lead — he was led. CNN helped scrub the evidence. The Obama “freeze moment” was called a deep fake — but the footage was real. Biden froze. Obama guided him like a child. The media ran cover. Fact-checkers moved in like SWAT teams.
- **But millions saw it.** And millions remember. They tried to erase that moment, but it’s now tattooed in the national consciousness. This wasn’t incompetence. This was treason disguised as governance.
- **The numbers lied.** The charts lied. Jobs that didn’t exist. Inflation that was blamed on everything but them. Americans suffered while the media praised the illusion.
- **Now the “truth” is slowly being admitted** by the same people who shamed, censored, and gaslit anyone who dared question the script.
- **They don’t get a second chance.** We’re naming names. Auditing signatures. And preparing a full political purge.
- **This isn’t just about Biden.** It’s about the system that protected the lie. The Deep State gambled on silence.
- **But we are that silence broken.** Trump has returned. The mission is active. And every institution infected by this betrayal will be torn out by the roots. The illusion is dead. The reckoning has begun.

J. Thurs. 15 May 2025: BOOM! PEADs Activated 2025, Stafford Act 2021: OPERATION TAKE BACK AMERICA – Trump Activated the Emergency Powers. FEMA Reorganized. DHS Realigned. The Military Stays Quiet ...Benjamin Fulford on Telegram

- **While the media screamed distraction, Trump pulled the trigger.** PEADs activated. Stafford Act invoked. EO 13848 enforced. This was never a retreat. It was an ambush.
- **They told you it was over. That Biden “won.” That Trump “left.” But on January 11, 2021, Trump signed the Stafford Act,** initiating a national emergency that flipped the entire legal structure of the Republic. At that moment, PEADs—Presidential Emergency Action Documents—were activated. Silent. Undisclosed. Deadly.
- **These aren’t laws. They’re wartime kill codes.** No Congress. No debates. These documents grant the President ultimate authority in a state of national emergency. They authorize: Military arrests. Asset seizures. Communications blackouts. Tribunals. Full-blown wartime response to foreign subversion.
- **And here’s the shocker: they were never deactivated.** The military isn’t “waiting” on orders. It’s already operating under them.
- **Executive Order 13848 was the trap. Signed in 2018. Designed for one thing:** foreign interference in a U.S. election. Renewed repeatedly. Ignored by the media. Now it’s active. With this EO, Trump doesn’t need approval to strike. The moment 2020 was stolen, the hammer came down.
- **FEMA has been restructured**—not for hurricanes, but for national control.
- **DHS is now a shadow force,** neutralizing threats under domestic emergency law.
- **The DoD is running under the Law of War Manual,** designed specifically for this kind of irregular conflict.
- **The chain of command is silent—but aligned.** They know exactly who the real Commander-in-Chief is. It’s Trump. And legally, he never left.
- **This isn’t politics. It’s war.** The Deep State mocked the storm. Now they’re drowning in it. Trump didn’t just walk away. He launched the most devastating counteroffensive in U.S. history.
- **This is why the media’s in meltdown.** Why indictments keep failing. Why the White House feels like a movie set.
- **The storm is not coming. It’s here.** And the final moves are about to be unleashed. Trump never surrendered. He rearmed. The clock is ticking.

K. Wars and Rumors of Wars:

Judy Note: *It is my understanding that in order for a nation to participate in the new Global Financial System and Global Currency Reset, that nation could not be at war with another nation. This was likely the reason for Trump’s present tour of the Mid East and why Syria just confirmed peace.*

L. Thurs. 15 May 2025: TOTAL SURRENDER: SYRIA SIGNS WITH TRUMP — OIL, PRISONS, QFS & FULL POWER TRANSFER ...WH Grampa on Telegram

- **May 14, 2025. Riyadh. The moment history pivoted. In a meeting that shattered decades of globalist domination, President Donald J. Trump secured a seismic deal with Syrian leader Ahmed al-Sharaa** — the former Al-Qaeda warlord turned regional president. This isn't peace through paperwork. This is absolute surrender. Syria handed over its oil fields, ISIS detention sites, and full alignment under Trump's military and economic leadership. The Deep State was neither informed nor invited. And now they're in total panic.
- **This was no mere handshake. With Crown Prince MBS hosting and Erdoğan joining via secure channel, Trump activated a three-nation axis — Saudi Arabia, Turkey, and Syria** — locking down the Middle East's power corridor. Behind closed doors, Sharaa signed the Ibrahimi Agreement: a classified pact ejecting all CIA, Mossad, and NATO actors, transferring black sites to Trump's command, and anchoring Syria's entire economy under the Quantum Financial System. It wasn't just diplomacy — it was regime replacement. Quiet. Total. Irreversible.
- **The world just watched a former jihadist surrender his nation to Trump** — not the UN, not NATO, not Schwab — but to the only leader operating outside the cabal's leash. Al-Sharaa offered oil, trade routes, and even a Trump Tower in Damascus as tribute. And Trump accepted — not for ego, but as a signal: the age of Rothschild wars is over. QFS now expands through the Levant. Syria will ditch the petrodollar and enter the gold-backed future under Trump's post-dollar alliance. This is economic warfare — and Trump just took a frontline without firing a shot.
- **Globalist channels erupted in crisis.** Langley scrambled. Brussels froze. The Biden regime was blindsided. Trump's real State Department, led by Marco Rubio, is already forming treaties while the fake administration reads teleprompts. This wasn't a leak — it was a broadcast. And it made one thing clear: Trump is no longer just America's president. He's now the geopolitical architect of a post-cabal world. Media silence won't stop what was just triggered. The power centers of the Middle East now report to one man.
- **Trump. Erdoğan. Bin Salman. That is the new triangle of order.** Turkey commands NATO's blind spot. Saudi controls the oil spigot and Islamic epicenter. Syria holds the bridge between Iran, Iraq, and Israel. And Trump holds them all together. Not with threats. With gold. With law. With leverage. The Ibrahimi Agreement is real. QFS is expanding. And the countdown to the Emergency Broadcast System is no longer a question of if. It's a question of which day ends the silence.

M. World Economic Forum Collapse: April 23, 2025 marked the end of the Great Reset.

Thurs. 15 May 2025: IT'S OVER FOR SCHWAB: GITMO FILES UNSEALED – THE MILITARY MOVES IN! ...Benjamin Fulford on Telegram

- **The World Economic Forum has COLLAPSED.** Klaus Schwab—the architect of global tyranny—EXPOSED. Military forces have SEIZED WEF servers revealing decades of theft, staff exploitation, occult rituals, and a vast blackmail network. Schwab’s so-called “retirement”? A cover-up. The elites are sacrificing their own as the walls close in.
- **Schwab was NEVER free.** Under constant military surveillance, every transaction, every encrypted message, every trafficked intern tracked. Guantanamo Bay isn’t just a name anymore. It’s real-time justice. Schwab’s sealed indictment is already UNSEALED at GITMO’s secret tribunal.
- **Davos wasn’t a think tank—it was a human lab.** Inside “Villa Mundi,” DARPA-backed bio-hacking experiments on human minds took place. This wasn’t theory. This was live manipulation, orchestrated by Schwab’s direct command.
- **The “internships”? A front.** Military intelligence intercepted private footage—*grooming dinners, bankers and tech elites, and ritual abuse masked as diplomacy. Proof in hand, already mirrored by NSA archives since **2019**.
- **Brabeck-Letmathe, Schwab’s replacement, is no savior.** This Bilderberg pawn, a Knight of Malta, has taken control. The message? The elite are doubling down. But it’s too late.
- **Trump’s Executive Order 13818 has frozen \$1.6 TRILLION in WEF-linked offshore accounts.** Elon Musk, Starlink, and Space Force have already shut down Schwab’s private satellites used for global asset theft.
- **France is burning. Macron under arrest.** GESARA is activating. QFS syncing across global gold reserves.
- **Tribunals at GITMO are in full swing.** Schwab’s top planners? Some flipped, some vanished. The fall of the WEF is the start. We want Rothschilds, Pfizer, BlackRock, every name behind this global slavery.
- **This is WAR. Schwab was extracted —not retired. April 23, 2025,** marks the end of the Great Reset. The storm is here. No escape. Justice is military. GITMO is active.

N. The Real News for Thurs. 15 May 2025:

- **Thurs. 15 May 2025:** Declassified US government documents from the late 20th century show that remote-viewing operators attached to a CIA project code named "Sun Streak", claimed the Biblical Ark of the Covenant was located underground in either the Middle East or Eastern Africa, and was being protected by "Guardians". The viewers described the artifact as a coffin-shaped relic made of wood, gold, and silver, adorned with a 6-winged Angel on its top, and containing an inner chest. It has long been believed that the Ark of Covenant holds Moses' original 10 Commandments, along with other relics.

O. Thurs. 15 May 2025: As early as May 23rd it will be decided if JBS, the largest meat packer in the world, will be allowed to trade on the New York Stock Exchange.

- **This is a foreign owned company** that has captured and controls our meat supply.
- **It gets worse:** “If there is one company that should never be allowed on the New York Stock Exchange, it's JBS, and here's why. In case you don't know, JBS is the largest meatpacking company in the world. And as recent as last September in my home state of Colorado, they have been brought up on some pretty serious allegations by the union leader for human trafficking.
- **They've also been found guilty of corruption charges** as well, and they've served time.
- **The Batista brothers who own JBS**, they are Brazilian. This is a completely foreign owned company.
- **Here's some of the recent allegations that they're facing:** Cramming between 40 and 50 people in a apartment to live, charging them between \$60 and \$120 bucks a week per head to live there, then charging them \$40 or \$50 bucks to go to and from work and it's a 5 mile trip.
- **These guys are convicted criminals** charged with bribery in America and Brazil.
- **They're having a meeting as early as May 23rd** to decide whether or not JBS gets to be on the New York Stock Exchange.

P. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and housed in China's Three Gorges Dam in a tunnel that eventually connects to a 1,500 mile long tunnel that runs between the Vatican and Jerusalem:

- **On August 3, 1977, Satanic Ritual Abuse Survivor Cathy O'Brien testified** to the 95th U.S. Congress and accused Hillary Clinton of rape, and that she was a sex slave for Hillary and Bill Clinton ‘who are bisexuals’ affiliated in an elite sex trafficking and drug ring that abuse and sacrifice children. (The Congress took no action as a result of O'Brien's testimony, as they took no action after Congressional testimonies of other SRA Survivors who confirmed O'Brien's information about politician's rape, torture and murder of children).

- **On Thurs. 15 May 2025 Mel Gibson published on Telegram a map** of the US that showed over the last 30 days, 111,000 red dots, each dot representing at least one unique IP address of individuals downloading, sharing, distributing child abuse and rape images of children under the age of 12. 55% to 85% of the offenders were hands on, with the average offender having at least 13 victims in their lifetime. So many of these images were brutal, brutal abuses of children. Of the 50,000 boys and girls images that were unknown, over 3,000 of them were infants or toddlers.”

Q. Thurs. 15 May 2025: Biden’s Regime Fueled a Child Trafficking Empire—500,000 Lost, Trump and RFK Jr. Strike Back with Unrelenting Force! ...Deep State Exposed on Telegram

- **Biden’s administration ran the largest child trafficking operation in history—** 500,000 children stolen. This evil, drenched in innocent blood, masqueraded as immigration aid. Health Secretary Robert F. Kennedy Jr. exposed the truth in a historic Cabinet address.
- **The Department of Health and Human Services** executed the scheme, delivering children to unvetted sponsors—foreign operatives, NGOs, elite blackmail networks—with zero oversight. Not errors, but intentional design.
- **A weapon for depopulation and chaos**, intensified after Biden’s 2020 takeover. DHS data reveals 32,000 children vanished from immigration proceedings between 2018 and 2023, plus 300,000 unprocessed.
- **Trump and RFK Jr. now lead a merciless federal purge.** HHS trafficking pipelines are destroyed. Military intelligence unseals Biden-era dossiers. Offshore accounts funding child markets are seized. Border czar Tom Homan spearheads raids on cartel-linked NGO fronts. Ex-special forces hunt globally for the missing—100 days of relentless operations.
- **The Deep State’s trafficking web**, decades deep, unravels. Epstein was the tip—this is the core. God bless the relentless.

R. Sun. 20 April 2025: AS WE ENTER THE FINAL PHASE – Trust The Plan. ...JFK Awakening on Telegram

- **Donald Trump is the Storm.** Just prior to his presidential inauguration in 2016 Trump made a surprise visit to CIA Headquarters to declare a war on the Globalist Satan-worshipping Child Sex Trafficking network.
- **That mandate – to destroy Satanic Rings** who torture and kill children – has remained the core priority of his administration, and later was carried forward through his role as Commander-in-Chief of the Global White Hat Military Operations.
- **As of April 2025 the mission continues.** Millions of children have already been rescued from DUMB Tunnels worldwide. Countless others were found dead, mutilated, dismembered and stripped of organs.

- **This battle is not yet over.** There are still coven members operating in neighborhoods right now.
- **In the book “Twenty Two Faces,”** survivor Jenny Hill described in gruesome detail how, at just five years old, she was raped, tortured, forced to watch a child sacrifice, and nearly murdered – saved only by divine intervention. Her story mirrors thousands of others. <http://www.youtube.com/watch?v=F626Lsrdwg4>
- **These Satanic operatives stretch from the CIA, Illuminati Banking dynasties, the Vatican’s Ninth Circle, to the Clintons, Hollywood, Pizza-gate and even local teenage covens.** They are funded by taxpayer dollars through the CIA – part of the same Cabal that controlled our global financial system.
- **That system is collapsing.** The Global Currency Reset is being activated. Restored Republics are forming as we speak. The Cabal is being exposed and taken down. President Trump has said it clearly: “These People are Sick.”
- **Fast and Pray.** Millions of children are still being rescued from Cabal tunnels right now. Others are being tortured and killed by covens operating in secret – even next door. Honor the White Hat troops Worldwide who risk everything to save them.
- **May God Bless Donald Trump and his Q battalion of warriors,** who right now are finalizing The Plan to Save the Children.

Judy Note: In my opinion only there appeared to be two technologies for Med Bed Ionic Care treatments. Both were backed by Robert F. Kennedy Jr. and President Donald Trump:

(1) Soon-to-be available free Med Bed treatments in centers and hospitals that covers full health revitalization.

(2) Ionic Care: an in-home device for game-changing Terahertz Technology. Costs \$1,400, though half is covered by the government so your cost is \$700 per device.

W. SAT. 20 APRIL 2025: Quantum GESARA aka TRUMPSARA: G.E.S.A.R.A, Farmers Plan & More – Power Back to the People! ...The 17th Letter (JFK Jr.) on Telegram

- **QUANTUM GESARA: THE FINAL RESET HAS BEGUN** In the midst of global turmoil and a crumbling fiat economy, a revolutionary system is emerging: Quantum

GESARA, also called TRUMPSARA. It fuses NESARA/GESARA, quantum technology, the 1955 Price Reset, and the long-hidden Farmers Plan into one coordinated strike against the Deep State's economic empire. The reset isn't coming—it's underway.

- **A RETURN TO 1955: THE AMERICAN DREAM REBORN:** Imagine a world where you can buy a home for the cost of a modern-day appliance. That's the promise of the 1955 reset. Through the resurrection of suppressed executive orders and sovereign common law, we're entering a phase where inflation is crushed, debt is erased, and life becomes affordable again. This isn't nostalgia—it's policy. History is being reversed.
- **The U.S. Treasury is aligning with ISO20022 and Rainbow Treasury Notes** backed by gold and silver. The Federal Reserve? Gone. Star Link is the new nervous system of commerce. And with Quantum Internet on the rise, censorship will be obliterated as the truth floods the globe.
- **QUANTUM TECHNOLOGY IS HERE: FINANCE, VOTING, INTERNET, HEALING** The Quantum Financial System (QFS) now replaces the corrupt banking grid, routing transactions via secure Star Link satellites. QFS is incorruptible, decentralized, and tied to asset-backed currencies. Quantum Voting Systems (QVS) eliminate election fraud with blockchain-based precision. The Quantum Internet is replacing legacy systems and purging Operation Mockingbird influence from med.
- **Even our health is being revolutionized:** Med Beds, DNA repair, and energy healing tech are no longer science fiction—they are being quietly deployed under military supervision. Suppressed patents from black-budget programs are now emerging to serve humanity.
- **THE GLOBAL CURRENCY RESET (GCR): THE MOAB HAS DETONATED** The GCR—aka The Mother of All Bombs—has been triggered. Treasury-backed Rainbow Notes are live in test markets. The old fiat system is disintegrating. A 10-day shutdown will activate the Emergency Broadcast System (EBS), and following a three-day Quantum Blockchain Election, governments will reset under new leadership—downsized by 90%.
- **RESTITUTION AND JUSTICE: NESARA, GESARA, AND THE ST GERMAIN TRUST** Where is the stolen wealth? Who hijacked the prosperity programs? The answers are being exposed. The return of taxes paid, reparations for illegal foreclosures, and justice for the stolen St Germain Trust are at the core of NESARA/GESARA. This is not theory—it's restitution.
- **WHITE HATS UNITED: TRUMP, XI, PUTIN, AND THE EARTH ALLIANCE** This isn't about one nation. It's global. Leaders like Trump, Putin, and Xi—alongside military-backed alliances and civilian awakenings—are restoring sovereignty, exposing the cabal, and executing long-planned tribunals. The criminal banking matrix is being dismantled. The Deep State's end is mathematically certain.
- **THE FINAL PHASE HAS BEGUN** A new governance structure is forming. GESARA Blockchain Elections will permanently remove corruption. Media monopolies are collapsing. The CIA, Mossad, and MI6 will be replaced by Military Intelligence. With one global news channel, truth becomes the standard. The countdown is ticking.

X. Sat. 10 May 2025 QFS IS LIVE — THE BANKING SYSTEM HAS COLLAPSED, AND REDEMPTION CENTERS ARE SECURE ...Nesara Gesara 2.0 on Telegram

- **The global banking system is collapsing—this time, for good. As of May 9, 2025,** the elite's fiat empire is finished. Media lies can't hide it. Banks are freezing accounts. Governments are spreading fear. But the truth is this: QFS is fully live. Redemption Centers are operational. And the greatest wealth transfer in human history is underway.
- **Trump's Gold Directive, signed on January 15,** launched a global military offensive. Since then, over 100 elite vaults have been seized—hidden beneath the Vatican, London, and NATO-controlled sites. Inside? Gold reserves off the books, ancient bonds, suppressed tech, and biometric blackmail files. Every asset is now transferred into QFS, authenticated with light-based intelligence, and shielded by military encryption.
- **The banks aren't adapting—they're dying.** Over 12,000 branches have shut down quietly in the past 30 days. Why? Cut off from QFS, they've lost access to gold-backed liquidity. Meanwhile, the Redemption Centers are running at full power—quantum-verifying every citizen, issuing new U.S. Treasury Notes (USTNs), and unlocking sovereign digital assets. Each transaction is logged, each person scanned. No fraud. No interference. No Cabal.
- **Behind the curtain, Space Force cyber divisions now run QFS command nodes.** These were built in secret for decades—under Cheyenne Mountain, Utah's Area B, and Greenland's Site Delta. The system runs on photonic quantum cores—monitoring every financial move on Earth in real time. Every elite backdoor has been closed. Every hidden trust account exposed. Every dirty cent frozen.
- **The new currency layer is RLUSD,** backed by physical gold in secure Alliance vaults. It's non-confiscatable, biometric-locked, and immune to inflation. XRP now handles instant liquidity, replacing the SWIFT and ACH systems in full. Attempts to crash the QFS—using stolen NSA cyberweapons—have already failed. The AI neutralized the breach in under 4 seconds. Their tricks are obsolete. Their grid is broken.
- **The Deep State is cornered.** Their final moves—Operation LAST BREATH—have been activated. Expect blackout attempts, false flag shootings, and resurrected pandemic narratives. But their EMP attacks have been intercepted. Their virus shipments seized. Their bio-surveillance programs, once run through Israel's Unit 8200 and the Vatican servers, have been neutralized. Your biometric identity is no longer for sale. Your financial sovereignty is secured.
- **And it gets better. Under Trump's Patriot Wealth Directive, Americans will begin receiving Restitution & Reparation (R&R) payouts—**gold-backed compensation for decades of theft, fraud, and medical abuse. These payments are not loans. They are reparations for vaccine damage, IRS crimes, and enforced poverty. Medical debt? Wiped. Big Pharma trials? Ongoing at GITMO, Pine Gap, and Diego Garcia. Justice is real. And it's just beginning.
- **The old system is dead.** QFS is the new reality. And your freedom is no longer theoretical. It's operational.

Y. Thurs. 15 May 2025: BOOM! HILLARY BUSTED: TRUMP UNLEASHES FULL DECLASSIFICATION — DURHAM FILES EXPOSE DOJ, FBI & CIA IN RUSSIA HOAX CONSPIRACY ...EBS Activated W/Trump on Telegram

- **THE DEEP STATE IS BURNING. May 13, 2025** — President Donald J. Trump has detonated the final bomb on the Russia collusion hoax. With one stroke, he released EVERY file tied to the corrupt "Crossfire Hurricane" investigation — and what's inside is treason at the highest level.
- **NO MORE REDACTIONS. NO MORE LIES.** These files name names. Clinton, Obama, Biden, Brennan, Comey — ALL implicated. Documents confirm Hillary Clinton personally authorized the scheme to smear Trump with fake Russia ties in 2016 — while Obama and Biden were briefed and said nothing. This was not politics. It was a coup.
- **TRUMP'S COUNTERSTRIKE: THE DEEP STATE HAS NO ESCAPE ROUTE** The entire Trump-Russia narrative was built on Clinton's orders, fueled by British-funded disinformation, and weaponized through Obama's DOJ, Brennan's CIA, and Comey's FBI. These agencies lied to FISA courts, spied on a sitting President, and fed fake stories to media operatives. All while knowing it was fabricated.
- **DURHAM FILES CONFIRM THE CONSPIRACY** Now unsealed: emails, financial records, testimonies, phone logs, intel reports. FBI agents caught communicating with Clinton operatives. Meetings denied under oath — now verified. The Steele Dossier? Known to be false before it was ever used in court. Durham's findings aren't allegations — they're a death sentence for the narrative.
- **THIS WAS AN ASSAULT ON THE REPUBLIC:** The intelligence community turned its tools inward — not to protect America, but to sabotage it. Whistleblowers silenced. Evidence buried. Elections rigged with psychological warfare disguised as justice.
- **HILLARY'S FORTRESS HAS COLLAPSED:** The media won't protect her. The lies won't save her. She is surrounded by irrefutable proof that she led a criminal conspiracy against the United States. Every page released pushes her closer to one destination: GITMO.
- **THIS IS NOT THE END. THIS IS THE PURGE.** Criminal charges are no longer speculative. Treason, election interference, abuse of power, obstruction — ALL on the table. This is the beginning of tribunals. Patriots want blood. They want arrests. And they want justice NOW.
- **THE STORM IS HERE. AND THIS TIME, IT'S UNFORGIVING.** Trump has pulled the pin. The Deep State has nowhere to hide. This is AMERICA'S MOMENT — and NOTHING will stop what's coming. TRUMP IS COMMANDER-IN-CHIEF. THE PEOPLE ARE AWAKE. AND THE TRAITORS ARE OUT OF TIME.

Z. Thurs. 15 May 2025: Lawsuits show California NGOs have been targeting farms relentlessly for over a decade, bleeding them financially with litigation. ...Mel Gibson

- **As a group of farmers just beat the lawsuits, three California NGOs filed brand new lawsuits to finish them off financially.** “NGOs, Resource Renewal Institute, Western Watershed Project, and Center for Biological Diversity decided they didn't get enough. They wanted them gone. So they filed another lawsuit and stuck them in litigation and kept bleeding them dry until they got what they wanted. That's like going after somebody with a baseball bat. And when that doesn't work, you come after them with a bulldozer, which is exactly what they did. These NGOs are shutting down the American food system, and they are hurting farmers.
- **In the meantime, they are getting rid of everything we need.** We need good, quality, local, organic food, but they're getting rid of it. Why? Because they got a bunch of Silicone Valley billionaires that decided they want the property.”

Za. Thurs. 15 May 2025: G.E.S.A.R.A Activated: The Rise of a Sovereign, Asset-Backed World. ...Nesara Gesara QFS on Telegram

- With Global Wealth Distribution (GWD) now operational and the Quantum Financial System (QFS) structure live, humanity enters the long-foretold Golden Age. Every individual now holds the right to true sovereign wealth, as control shifts from institutions back to the people.
- QFS Protocol & Sovereign Ownership: Under QFS, every account is secured by quantum encryption — you own it, not the bank. There are no intermediaries, no seizure, no censorship. The old banking model fades as centralized control collapses. Transactions become instant, transparent, and incorruptible.
- The Asset-Backed Economy Emerges: Currencies are now aligning with real value — gold, commodities, and productivity. Fiat is being reconciled 1:1 into new formats (e.g., USD → USN). Inflation, debt manipulation, and speculative markets will dissolve as every nation transitions into honest trade and balanced valuation.
- What Comes Next? – Debt forgiveness: Illegitimate debt will be canceled under GESARA reforms. – Account access: QFS wallets will unlock via biometric authentication. – Global currency revaluation: All currencies adjust to reflect true national wealth. – Central bank phase-out: National treasuries reclaim issuance power. – End of SWIFT & tax slavery: Outdated systems dissolve as sovereignty returns.
- A New Golden Age Begins: Humanitarian projects, innovation, and personal freedom will bloom as suppressed resources flow where they're needed most. Education, infrastructure, and opportunity will lift humanity into a future defined by equity, truth, and abundance.

Zc. Thurs. 15 May 2025: THE FAKE ECONOMY COLLAPSES — TRUMP EXPOSES 800,000 PHANTOM JOBS AND ELECTION FRAUD ON AN UNIMAGINABLE SCALE ...QFS on Telegram

- **They didn't just fake numbers — they faked an entire economy.** What was presented as an economic recovery under Biden was a carefully coordinated lie, exposed only now that President Trump has returned to office. As of May 13, 2025, the Department of Labor has admitted that over 800,000 jobs were fabricated during the lead-up to the 2024 election — an election rigged not just with ballots and censorship, but with fake economic data used to psychologically manipulate a nation.
- **The real numbers tell a darker story.** Instead of job creation, the U.S. economy likely lost over 160,000 jobs during the very months the Biden regime was claiming historic growth. These weren't errors — they were deliberate data operations timed precisely to rig public sentiment and preserve the illusion of competence. And it worked, at least temporarily. The headlines ran with it. The media parroted it. Social media platforms throttled dissent. And the American people — living with skyrocketing prices, closed businesses, and maxed-out credit cards — were told their suffering wasn't real.
- **This wasn't economics. This was information warfare.** Now under Trump, the real audits have begun. The networks that orchestrated this lie are being dismantled. Evidence shows that private contractors tied to the Deep State used AI to fabricate job listings, inflate employer data, and create the appearance of "growth." They called it "Project Obelisk." It was nothing less than a digital false flag, a synthetic recovery engineered to save a collapsing regime.
- **The goal was never prosperity — it was control.** Big Tech boosted the lie. BlackRock and Vanguard helped launder it through algorithmic sentiment manipulation. Legacy media regurgitated the script on cue. And when real Americans spoke out, they were shadow banned, de-banked, or silenced.
- **The fake 800,000 jobs were used to prop up Biden's re-election campaign.** But despite all their fraud, all their digital rigging, they couldn't stop the inevitable. Trump won — and now the reckoning begins. Internal investigations are underway. Bureau of Labor Statistics insiders are under review. Tribunals are being prepared for economic treason — because this wasn't a spreadsheet error. It was a coordinated attack on the American mind.
- **The Deep State weaponized hope.** They took suffering and painted it gold. They convinced millions they were imagining the collapse — all while hiding the truth in plain sight. And now, as that truth pours out, the betrayal is undeniable.
- **But we are done being lied to.** Trump's return isn't just symbolic — it's strategic. The fiat economy is collapsing, the gold standard is rising, and the criminal networks who sold out this country for numbers on a screen are about to face the one thing they fear most: exposure. The storm is not coming. The storm is here.

Zd. Thurs. 15 May 2025: BOOM! TRUMP SLASHES DEBT, FIRES 45,000, ENDS REFUGEE SCAMS – THE DEEP STATE IS BLEEDING OUT ...QFS on Telegram

- **From January 20 to May 5, 2025,** under Trump's restored presidency, the U.S. debt grew by just \$37.2 billion — a staggering 92% reduction compared to Biden's \$478.4

billion in the same period last year. This isn't just fiscal restraint — it's a direct assault on the Deep State's economic control system.

- **Behind it: DOGE — the Department of Government Efficiency** — led by Elon Musk, has already cut \$150 billion in waste, shut down \$2.9 billion in refugee resettlement fraud, and terminated over 7,000 corrupt federal contracts that funneled money to globalist NGOs and foreign interests.
- **Trump is dismantling the cabal's economic engine piece by piece.** Globalist “foreign aid” has been exposed as elite money laundering. Vaccine research slush funds are drying up. And military contracts tied to black-site trafficking rings are being cut off. Musk's audits have turned into precision strikes.
- **Despite gutting the IRS by a third,** revenues are surging — corporate taxes are up 15%, tariffs have added billions, and payroll tax revenue is exploding. Proof: the Deep State's system was parasitic. Now, real productivity is taking over.
- **Tariffs are being weaponized** strategically to cripple foreign-controlled trade routes while boosting American self-sufficiency. Meanwhile, \$42 billion has been redirected from migrant processing to border defense, wall expansion, and military-led operations — crushing trafficking channels long protected by the old regime.
- **Trump's team has one goal:** obliterate the shadow economy and restore sovereignty. Congress must now act or die with the swamp. Republicans are preparing a “fiscal nuke” to codify Trump's reforms — a final blow to elite corruption.
- **This is economic war.** And Trump is winning it.

Chemtrails

**Ze. Thurs. 15 May 2025 FLORIDA DECLARES WAR ON CHEMTRAILS —
GEOENGINEERING IS NOW A FELONY ...Charlie Ward and Friends on Telegram**

- **As of May 12, 2025, Florida has made WEATHER WARFARE ILLEGAL.** Senate Bill 56 is on Governor DeSantis' desk, turning geoengineering into a THIRD-DEGREE FELONY. For the first time in U.S. history, spraying chemicals into the sky to modify weather, sunlight, or temperature is a CRIMINAL ACT.
- **This is not politics. This is a counterstrike.** Trump's return to power isn't just symbolic — it's operational. The Deep State has used the skies as a silent battlefield, dumping aluminum, barium, and strontium over entire populations. Now, Florida is striking back.
- **SB 56 doesn't just ban geoengineering — it forces every airport in Florida to REPORT any aircraft outfitted for weather manipulation.** If they don't comply, they lose state funding. That's not regulation — that's WARFARE PROTOCOL.
- **The Florida DEP is now BANNED** from even studying weather modification. Why? Because it's already happening. Because it was never “theory.” Because the state knows and is finally cutting ties with the cover up.

- **An online reporting portal is being launched.** Citizens will now have state-backed power to report chemtrail operations and trigger real investigations. The people are the surveillance net. The hunters become the hunted.
- **These aren't just contrails. They are bio-weaponized aerosols.** Aluminum attacks your brain. Barium weakens your heart. Strontium poisons your bones. All sprayed above schools, homes, crops. Your DNA is under attack.
- **But the chemicals are only part of the operation.** EMFs are being used to weaponize the weather itself — steering storms, disrupting emotions, targeting regions. Remember Hurricane Ian? It didn't move naturally. It was redirected. A warning shot to Florida's resistance.
- **This bill doesn't just expose crimes — it marks the start of takedown operations.** Stand for Health Freedom, Friends of the Earth, and other groups are backing SB 56. Over 100,000 patriots flooded the state with demands: TAKE BACK OUR SKIES.
- **This is what Trump meant when he said the people would reclaim power.** This is biological sovereignty. Environmental warfare accountability. A mass awakening.
- **Florida has just TORN UP THE GLOBALIST SKY AGENDA.**
- **Other states: Are you watching?** Because Trump is.
- **The firewall has collapsed.** The weather war has started. We are NO LONGER VICTIMS. We are the COUNTERSTRIKE.

Zi. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zj. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

If the Petition link is not available go to: <https://www.miraclesingodwetrust.com/contact/> or Venmo to: @Talmage-Cromar

Please sign today and share the link with three or more of your friends.

Thank you and God Bless, Ken and Barbara Cromar

Zl. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
