**Believe It Or Not**

**We Are Under Martial Law**

**With Trump as Commander-In-Chief**

**Of the Global Military Alliance**

**Who Were Fulfilling a Mandate To Take Down the Globalist Empire**

**And Restore Concepts of the Original Constitution To Free Nations Across The World**

**Trust The Plan**

[Slow Down - Sissel \(2019 Pioneer Concert with The Tabernacle Choir\)](#)

*“Prepare to reveal to friends, family and acquaintances, the most complicated and excruciating “I Told You So” in the history of the World.”*

**Judy Note:** *Right now with a full-blown World War going on between Good and Evil, we were in America and around the World, functioning under Martial Law, with Donald Trump as Commander-in-Chief of the Global Military Alliance.*

**The Global Military Alliance mandate was to restore Freedom to the Constitution & Republics of the World – and give it back to The People – take down a Satan Worshipping, Child Sacrificing Pedophile Globalist Empire, remove infiltrators, reveal the Truth and Save The Children.**

**There was a lot to do.** *The Satan Worshipping Globalist Empire better known as the Illuminati or Deep State Cabal, was far advanced on their Depopulation Agenda that was designed to maintain control of the Global Monetary System so Pedophile Power Hungry Control Freak Satan Worshipers could rule the World.*

**Their Pfizer's Covid Shot had already killed more Americans than WWI, WWII and Vietnam combined.** *Yet, it was funded, as was Covid, using US Taxpayer dollars and developed, as was Covid, by the Deep State Cabal led by Obama. All fit into their Illuminati World Depopulation Agenda.*

**The Deep State Cabal under leadership of Obama, Fauci, Biden, Clinton, and Soros transformed Ukraine into a breeding ground for biological weapons that engineered death.** *Ukraine was the perfect cover for the death labs designed to depopulate society: no rules. No press. No limits. No trace.*

**The labs were funded through US taxpayer dollars** *hidden in foreign aid, and laundered through the CIA Black Budget – all overseen by drug addict pedophile Hunter Biden.*

**Hillary legalized the bioweapons,** *Fauci oversaw the EcoHealth Alliance that funneled taxpayer dollars into rogue experiments tailored for mass infection. Soros pumped millions into the traitorous project through his NGOs to build, expand, and defend these labs. He orchestrated media blackouts, funded propaganda, and turned whistleblowers into enemies of the state.*

**Former Secretary of State and traitor Antony Blinken's May 2025 Military Tribunal** *exposed a scheme aimed at bankrupting the country while enriching Deep Staters including himself, overthrowing Putin and eliminating Trump – all of which would be done under instructions of Barack Hussein Obama.*

**On May 19, 2025, U.S. military intelligence intercepted and neutralized** *a massive Deep State assault on America's power grid, digital infrastructure and EBS broadcast towers. The target: Trump's QFS. Rogue CIA remnants, globalist agents, and Biden holdovers coordinated remote EMPs, transformer hacks, and AI-controlled sabotage in Florida, Texas, and California—QFS strongholds.*

*It didn't work. Navy SEALs and Delta Force raided over a dozen CIA-run black site facilities disguised as research labs – that were actually QFS disruption centers, and black-budget laundering fronts. Over 300 arrests were made in under 48 hours with prisoners flown to Cheyenne Mountain and Site 17. Tribunals have begun.*

*Meanwhile, Trump's command center is mobile, airborne, and active. Sources confirm final preparations were underway for the Emergency Broadcast transmission—which will unleash video proof of election interference servers in Frankfurt and Ukraine, testimony from Epstein-connected defectors, financial trails linking the Vatican, WHO and CIA to Child Sex Trafficking and resource plundering. Rothschild accounts have been frozen, Rockefeller bunkers breached and Windsor assets seized.*

**E. Fri. 23 May 2025 Onboarding Underway: Citizens Receiving QFS Wallets ...**Nesara Gesara QFS on Telegram

- **Breaking news from around the globe:** ordinary people are now reporting successful access to their Quantum Financial System accounts. In the past 24 hours I've heard from contacts in New York, Nairobi, and Singapore who confirm that their official one-time codes arrived and their new wallets activated. Each user sees everything we've been describing: gold-backed balances, zero-debt status, and a fully transparent sovereign ledger. These firsthand accounts prove the system is live and functioning.

**Notable user experiences:**

- **Biometric Entry:** Logins are seamless with retina or fingerprint verification — no passwords needed, just your unique biometric handshake.
- **Bank Integration:** Bank branches are buzzing as tellers and staff access updated QFS terminals. Some banks have paused legacy systems to complete the quantum upgrade.
- **Currency Update:** Digital wallet balances now reflect the new asset-backed currency rates (instead of outdated fiat values). Early adopters report seeing immediate revaluations into gold and SDR-pegged units.
- **Debt Forgiveness:** "Paid in Full" notifications appear instantly under each cleared loan. One family's mortgage vanished overnight; student loans and credit cards were wiped clean in real time.
- **This is not a drill: QFS onboarding has begun in earnest.** If you haven't received your code yet, stay near your phone or email — official notifications will reach you soon. Keep your wallet app ready and review any pre-sent instructions. Everything is unfolding exactly as planned.

**H. Fri. 23 May 2025 Global Currency Reset Mon. 19 May 2025 NESARA & QFS REDEMPTION EXPOSED: THE FINAL PHASE HAS BEGUN ...The 47<sup>th</sup> on Telegram**

- **The RV Redemption is LIVE.** The final trigger has been pulled — the floodgates are opening. This isn't theory. This isn't rumor. This is the launch of global financial warfare against the Deep State's stranglehold on humanity.
- **Redemption Centers are ACTIVE — not banks.** Only Redemption Centers offer the HIGH RATES, the Quantum Access Cards, the QPhones, the Rainbow Currency, and your entry into the QFS.
- **This is the final audit of humanity's enslavement.** The cabal turned YOU into a financial product — birth certificate bonds, secret social security accounts, mortgage traps, illegal income tax. All of it is being undone. Reclamation, Restitution, Redemption — this is the Alliance's revenge.

- **GROUP PAYOUTS HAVE BEEN STRUCTURED:** 61+ years: up to \$61M; 45–60: up to \$38M; 24–44: up to \$23M
- **Based on values established in a 1994** meeting with Rep. Dan Rostenkowski — coded into the plan decades ago.
- **ZIM, Dong, and Dinar will be exchanged at rates** you were never supposed to see. ZIM = gold-backed. Dinar/Dong = double-digit USD equivalents. The Redemption Center is not just where the exchange happens — it's where the future is handed back to YOU.
- **Type 2 Redemption:** XRP Buyback. XRP is being mirrored into the QFS right now. It wasn't created for trading — it was designed to stabilize \$100 Quadrillion in liquidity. Its GOD-ASSIGNED VALUE: \$1,000,000 PER TOKEN.
- **The NDAs are real.** The post-redemption plans are written. If you don't know what to do in the first 30, 60, 90 days — you're not ready. If you don't have your trust documents, goals, and declaration sheets — get them NOW.
- **Phase 1-2 COMPLETE. Notification Phase underway.** You will receive instructions. Call. Ask questions. Act like you're ready. Every call, every message, every whisper — monitored by the Alliance.
- **Once you enter the Center — NOTHING LEAVES.** NDAs will be signed. Plans locked. QFS access revealed. Only 1% will be released immediately. The rest? Structured over time. Because this isn't just about wealth — it's about responsibility. This isn't a redemption. It's a reckoning.
- **DO NOT SPEAK. DO NOT POST. DO NOT VIOLATE YOUR NDA.** The Alliance is tracking. This is not a game. Choose the LIGHT. Prepare your documents. The clock is ticking.

**I. Fri. 23 May 2025 Mel Gibson, Telegram: June 5–9:** Scheduled Rollout Window for Tier 4B

- **I just finished reading the internal advisory bulletin** passed to mid-level banking partners. The on-boarding for public Tier 4B users is scheduled to go active between **Thurs. 5 June and Mon. 9 June**, depending on regional system loads.
- **This aligns with earlier test patterns and real-time EBS** synchronization signals we've been tracking. It's finally converging.
- **What You'll Receive:** • SMS and email from a secure encrypted node • Personal activation key • Step-by-step wallet access instructions • Details on how to access your Sovereign Fund dashboard
- **One alert. One tap.** And your entire financial future will change.
- **Security Note:** Biometric login. No passwords. No banks. You — and only you — own the keys.
- **I'll walk everyone through the process when it starts.** Until then, remain vigilant. The lights are coming on, and the system is waiting for your signal.

**J. Thurs. 22 May 2025 Bruce: On Wed. 21 2025 Redemption Center Staff received a memo that gave the following instructions:**

- **Biometric Recognition:** When you get to Redemption Center you will have a camera taking a picture of you that records your biometric outline and tells them who you are.
- **Everything you say** will be recorded and kept in your record.
- **When we call for an appointment** we will be calling the actual Redemption Center where you will be exchanging.
- **They will confirm** your time slot in an email or text.
- **All exchanges** on Dinar, Dong and Zim are asset-backed.
- **After your exchange** you will have people to help you with investments, management and your project.
- **Quantum Cards are in the RC** and have your name on them. The card gives you access to your Quantum Account (called Sovereign Wallet).
- **When you move monies from your Quantum Account and into your bank accounts**, you can then earn interest on your monies.
- **SS increases** will happen **this month**, but won't get paid on it until **June**.
- **DOGE payments will start in the month of June**. Ages 34-60 will receive \$500-\$600 a month for two years. 60 and older will be a lot, lot more.
- **R&R payments will be in our Quantum Accounts** (wallet) or sent by direct deposit.
- **Debt Jubilee** (debt relief from mortgages, loans, credit cards – all wiped out) starts **June 3, completes by July 4**.

**K. Thurs. 22 May 2025 Today, for the first time, I witnessed real public users accessing their QFS wallets. ...Nesara Gesara QFS on Telegram**

- **Friends from California, London, and Seoul** reached out within minutes of each other — all confirming that they had received official on-boarding codes. Once inside the system, they saw everything we've been describing for months: gold-backed balances, zero-debt status, and a sovereign ledger that felt... final.
- **Their exact experiences:**
  - (1) Logins required a biometric handshake — no passwords, just you.
  - (2) Balances reflected asset-pegged amounts — not fiat.
  - (3) "Debt Cleared" notifications appeared instantly under Financial History.
  - (4) One user's mortgage vanished.
  - (5) Another saw credit card lines wiped clean.

- **These aren't rumors anymore** — they're receipts. QFS has shifted into active on-boarding, and the stories will only grow from here.
- **If you haven't received your notification yet**, stay close — your moment is coming.

## N. Thurs. 22 May 2025: BIOWEAPON BLACKLIST: FAUCI, OBAMA, BIDEN, CLINTON & SOROS – DEADLY ALLIANCE BEHIND UKRAINE’S SECRET MILITARY LABS ...Steve Bannon on Telegram

- **The cabal is exposed. Obama, Fauci, Biden, Clinton, and Soros transformed Ukraine into a covert battlefield** — a breeding ground for next-gen biological weapons. Funded by black budgets, hidden by “humanitarian” lies, and aimed at us.
- **TRUMP KNEW.** He saw through the smokescreen. Now the world does too. This isn’t theory. It’s TREASON.
- **This cartel built labs — not clinics.** They weren’t studying medicine. They were engineering death. And it wasn’t in Africa or Asia — it was right on Russia’s doorstep, far from U.S. oversight.
- **OBAMA planted the seed in 2005** with a “cooperation agreement” masking the insertion of CIA-controlled biolabs. It was never about defense — it was about global deployment of experimental pathogens.
- **BIDEN took the reins.** As Vice President, he wasn’t just a figurehead. He was the architect, funding labs through “aid,” laundering cash through Metabiota, and placing his own son Hunter in the heart of the operation. Ukraine wasn’t a war zone. It was a bio-crime scene.
- **HILLARY built the shield.** She legalized bioweapons under the euphemism of “dual-use research.” Pathogens that could heal — or kill — were granted legal sanctuary under her global policies. Clinton didn’t just protect the system. She hardwired it into international law.
- **FAUCI kept the engine running.** He oversaw “health” fronts like EcoHealth Alliance, funneling taxpayer dollars into rogue experiments. His signature is on documents that authorized enhanced pathogens — tailored for mass infection.

- **SOROS funded it all.** Behind the curtains, Soros pumped millions through his NGOs to build, expand, and defend these labs. He orchestrated media blackouts, funded propaganda, and turned whistleblowers into enemies of the state.
- **UKRAINE: THE PERFECT COVER** Lawless. Corrupt. Exploitable. They built the labs there for one reason — no rules. No press. No limits. No trace. When the war started, it gave them an excuse to erase the evidence. But they failed. We found it. And now it's GAME OVER.
- **TRIBUNALS ARE COMING.** The documents are out. The alliances are crumbling. And the military is watching.

- **Fri. 23 May 2025:** Democrats laundered so much money before Donald Trump took office. In the 76 day period between Trump winning and Biden leaving office \$93 billion was sent from the DOE, who gave it away with no oversight, to entities with no financials. “The 76-day period you're talking about, that's the period between the time that President Trump was elected and President Biden left office — How much taxpayer money went out the door of the Department of Energy? From the Loan Program Office in Loans and Commitments \$93 billion. Well over twice as much as in the previous 15 years.” — You're you're telling me that the Department of Energy in the 76-day period before their boss was gonna leave office gave our own money to entities that had no business plan? “Correct.” “No financials?” “Correct.”
- **Fri. 23 May 2025:** RFK Jr and Senator Mullin just exposed the insane misuse of the \$1.7 TRILLION budget for HHS. Universities like Harvard and Yale were receiving hundreds of millions of dollars for “research”, but most of the money was going to “indirect costs”. In other words, the money wasn't even being used for research. WTF? This sounds like one massive money laundering scheme with zero oversight. It's no wonder all these Democrat politicians are throwing tantrums.

- **Fri. 23 May 2025 1939 CANCER ACT — Illegal to cure CANCER:** Passed by Parliament in England. This was also being applied by the U.S. Did you know that under the 1939 Cancer Act, it's actually a criminal offense for medical practitioners to even advise patients on potential cancer cures? This raises the question: wouldn't it be

considered fraudulent for cancer charities to accept donations under the assumption that they are searching for a cure, when it's actually a criminal act for them to publicize such cures? It's still in effect today, and medical practitioners have been prosecuted for attempting to cure cancer. In the England, some have even been jailed for doing so.

- **On May 21, 2025, Congresswoman Marjorie Taylor Greene** reintroduced the Protect Children’s Innocence Act, a historic bill that criminalizes gender surgeries, puberty blockers, and hormone injections for minors at the federal level — a direct blow to the Deep State’s most depraved weapon.
- **Backed by President Trump’s executive order**, the bill delivers 10-year federal prison sentences to anyone involved in child mutilation — no exceptions, no loopholes. The days of hiding behind “gender-affirming care” are over.
- **This is not about culture. This is warfare** — a multi-billion-dollar assault on children, backed by Big Pharma, the WEF, and radical NGOs. From puberty blockers like Lupron to secret HHS-funded gender clinics, the goal has been clear: sterilize a generation, erase biological truth, and dismantle the family.
- **Greene’s bill exposes the language games** — redefining “top surgery” and “affirmation care” as what they are: genital mutilation and chemical castration. Psychiatrists, hospitals, and activists who pushed children into irreversible abuse are now in the crosshairs.
- **Military intel is active.** GITMO is expanding. Arrests are underway.
- **Whistleblowers confirm that top executives** and clinic heads are under investigation, with sealed indictments turning into classified detentions.
- **This isn’t about tolerance. It’s about justice.** And the war has entered its final phase.
- **They mutilated in the name of profit.** Now, they’ll answer for it. The children will be protected. And the predators — hunted.

**S. Fri. 23 May 2025: BOOM! Trump’s “Right to Try” Law Breaks Big Pharma – Ivermectin & Fenbendazole Saving Lives in Cancer Revolution! ...WH Grampa on Telegram**

- **President Trump’s Right to Try Act** is changing everything. For the first time, patients with terminal cancer are legally empowered to bypass FDA delays and try powerful alternative treatments like Ivermectin and Fenbendazole — repurposed drugs that Big Pharma desperately wants to keep hidden.

- **Signed into law in 2018**, this act is now saving thousands of lives and fueling a global awakening to low-cost, high-impact cancer therapies that threaten Big Pharma's profits. These treatments are cheap, effective, and working, and patients around the world are speaking out.
- **Ivermectin** – once smeared during COVID – is now being hailed for its ability to disrupt tumor growth and protect healthy cells.
- **Fenbendazole**, a veterinary drug, is gaining popularity for its potential to starve cancer cells and halt metastasis — and the recoveries are real.
- **Doctors, whistleblowers, and even Mel Gibson** are joining the fight, exposing how mainstream medicine covered up these life-saving cures while pushing billion-dollar chemo regimens.
- **The Right to Try Act** is Trump's gift to the people: giving power back to patients, not pharmaceutical giants. It opens the door to over 18 alternative therapies, combining repurposed drugs, diet, and naturopathic medicine.
- **This isn't fringe anymore** — it's the front line of the cancer revolution.
- **Big Pharma is losing control.** The people are waking up. And thanks to President Trump, the truth is finally winning.

**T. Fri. 23 May 2025: TRUMP ACTIVATES GLOBAL CURRENCY RESET – THE FINAL BLOW TO THE DEEP STATE! ...JFK Awakening Q17 on Telegram**

- **On Mon. 21 April 2025, President Trump activated the Global Currency Reset.** The collapse of the Deep State in March 2025 opened the gates. The Quantum Financial System (QFS) is now in full control.
- **Globalist bankers** – the same Satan-worshipping Cabal enslaving us for centuries – are in free fall. Their fiat empires are crumbling as gold-backed Rainbow Currency replaces their worthless dollars. London, Zurich, Hong Kong – their strongholds **RAIDED** by the White Hat Military Alliance. Central bankers **ARRESTED**. Now they rot in GITMO.
- **Americans already hold QFS accounts** – gold-backed, secure, free from Cabal theft. BRICS nations follow. The Quantum Internet, powered by Star Link, locks it down. Each patriot will receive private notification when to access their wealth – without banks, without Cabal control.
- **It all began with the Vatican's Ninth Circle** – the Child-Sacrificing Satanic Cult. Since 1871, they owned America's money, controlling everything by 1913. On 11 Feb. 2013, Pope Benedict was convicted of child rape, murder, and leading this global cult. Forced to resign, exposed as head of an international child sex ring controlling politicians by blackmail.
- **Kevin Annett and ITCCS exposed it all.** Queen Elizabeth, Pope Francis – convicted for child sacrifices. The Jesuits, 1.3 billion strong, worked to enslave us through climate tyranny, open borders, and digital financial control.

- **Ronald Bernard, a top banker**, exposed the Satanic heart of this system. He refused to sacrifice a child, turned whistleblower, and paid the ultimate price. “They use child sacrifice for power and blackmail.” He didn’t survive, but his message did.
- **Trump is cutting the serpent’s head**. Since 2016, the Global Military Alliance, led by Trump, seized 650 plane loads of gold from the Vatican. The 13 demon-bloodline families, the Pope, Mafia bosses – all arrested. The Vatican’s loot? Taken to Fort Knox.
- **Over 6,000 Vatican bank accounts closed**. Their money-laundering machine shut down. Their blackmail empire destroyed. Secret tribunals at GITMO are overflowing – 74,000+ sealed indictments. The swamp is being drained.
- **By April 2025, the Global Military Alliance struck back**, and the Global Currency Reset was RELEASED. This is the end of the Cabal’s reign. Our money, our freedom, our justice – restored

**U. Fri. 23 May 2025: BREAKING! SCHWAB REMOVED AS WHISTLEBLOWERS EXPOSE MASSIVE GLOBALIST CORRUPTION! ...The 17<sup>th</sup> Letter (JFK Jr.) on Telegram**

- **Klaus Schwab wasn’t just a puppet**. He was the mastermind of global control. Now, the walls are crashing down.
- **Schwab was REMOVED, not retired**. A wave of WEF whistleblowers detonated the bombshells. Internal documents, secret memos, and classified testimonies left even BlackRock and UN elites scrambling. His wife Hilde is in deep too.
- **Black budgets**. Biometric surveillance. Population control.
- **WEF funds were weaponized**: private intelligence ops, election meddling, hush money. Schwab’s so-called “Great Reset” was a military-grade psychological war — an active blueprint for world domination.
- **“Project 2030-ALPHA” has now surfaced** — vaccine ID tracking, biometric harvesting, financial monitoring, secretly tested in Africa and Eastern Europe. Funded by stolen “climate funds.” The evidence? Emails, transactions, and internal chat logs — now in the hands of Alliance operatives.
- **Schwab’s luxury life?** All paid for by YOU. Private jets, off-grid bunkers, ex-intel bodyguards silencing staff and destroying evidence. He didn’t fear the public — he feared the truth.
- **Documents seized from WEF’s Geneva servers** reveal ties to Pfizer, Moderna, and plans for vaccine passport systems YEARS before COVID. His 2020 quote about a “rare window”? Not theory. It was premeditated.
- **Hilde wasn’t just his wife**. She ran Shadow Delegations — secret Davos meetings plotting food control, water privatization, digital currency enslavement.
- **Why was Klaus building an intelligence-grade bunker** in the Alps? Because he knew. He planned the collapse.

- **April 21:** Swiss federal agents, backed by the Alliance, seized WEF servers. Inside? Communications on digital ID enforcement, contracts for neural tech to control workers, social credit systems modeled after China.
- **This is not just about Schwab.** This is the unveiling of a globalist machine. Peter Brabeck-Letmathe is no savior — he's there to keep it alive. He believes water isn't a human right.
- **The reckoning has started.** Sealed indictments. Arrest warrants. They're coming for more than Klaus. They're coming for the network.
- **They hid in shadows.** Now, there's no place left to run.

#### V. Mon. 19 May 2025 QFS Wallet ...Ezra A. Cohen on Telegram

- **I'm thrilled to confirm that on May 19, 2025** I personally accessed the new QFS wallet and ran a series of live tests. The user interface is clean, modern and extremely intuitive – it feels like a top-tier banking app. Under the hood, the wallet uses quantum computing to make transactions lightning-fast and quantum encryption to keep data highly secure . All test transfers I initiated were confirmed in seconds, and each transaction is immutably recorded on the blockchain ledger, providing total transparency. So far, every check has come back 100% functional and secure.
- **Encryption & Speed:** Our QFS wallet leverages next-gen quantum algorithms, making transactions nearly instant while encrypting them with advanced quantum cryptography. This means transfers are not only faster than ever but also shielded from fraud.
- **Bank Confirmations:** I completed a test transfer and immediately received an official confirmation from my bank (via a secure email alert). Leading banks are already moving in this direction – for example, HSBC just trialled quantum-secure tech for tokenized gold transfers. The same kind of quantum-proof security underpins our QFS wallet.
- **Seamless Interface:** The wallet dashboard is fully user-friendly. Balances, transfer logs, and security settings were all clearly laid out. It took me only moments to navigate and authorize transactions, indicating the system is ready for public use.
- **Global-Ready Technology:** I even tested cross-border transfers (USD to EUR) and they cleared instantly with no extra fees. This matches real-world breakthroughs – an international consortium just completed the first-ever quantum-secure cross-border trade transaction on a distributed ledger, proving such global transfers work smoothly.
- **Each of these results gives me full confidence:** the QFS wallet is fully operational, ultra-secure, and ready for wider rollout.
- **After the initial setup, I expanded the evaluation** to a full system stress test. I ran simultaneous transfers across multiple devices, banks, and even different countries. In every case, the network remained rock-solid and lightning-fast. All components – wallet apps, blockchain nodes, and bank APIs – coordinated perfectly under load. The funds I moved settled instantly in each recipient account, with bank logs updating in real time. This flawless performance matches industry pilots: for instance, the world's first

quantum-secure cross-border trade transaction was just demonstrated successfully, and our system is operating at that same level of capability.

- **Cross-Border Transaction:** I sent test payments between accounts in Asia and Europe. Each transfer executed in seconds, with both banks sending instant confirmations. This replicates the recently proven quantum-secure cross-border trade transaction, showing our QFS transfer mechanism is truly global.
- **Full Integration:** Every part of the system worked together seamlessly. Blockchain nodes updated instantly, the wallet showed real-time status, and partner bank servers confirmed settlement. The infrastructure is fully integrated and live.
- **No Glitches:** Throughout dozens of transactions there was not a single error or delay. Each transfer was immutably recorded by the distributed ledger (which, as experts note, provides immutability and transparency). This means no one can alter or roll back payments – everything is permanently logged.
- **Industry Alignment:** Even outside tests, banks report similar quantum-ready developments. HSBC, JPMorgan, and others are exploring these technologies. Our successful tests put us right alongside those efforts, indicating that global deployment is on the horizon.

#### **W. Mon. 19 May 2025 BREAKING! MILITARY MOBILIZATION STOPS DEEP STATE GRID ATTACK – QFS, TRIBUNALS, EBS INITIATED ...Steve Bannon on Telegram**

- **On May 19, 2025, U.S. military intelligence** intercepted and neutralized a massive Deep State assault on America's power grid, digital infrastructure, and EBS broadcast towers. The target: Trump's QFS. The objective: TOTAL BLACKOUT BEFORE FULL DISCLOSURE.
- **Rogue CIA remnants, globalist agents, and Biden holdovers coordinated remote EMPs, transformer hacks, and AI-controlled sabotage** in Florida, Texas, and California—QFS strongholds. Why? Because NESARA/GESARA activation was already underway.
- **But they failed.** White Hat units activated Project Backshield. Space Force Cyber Command went dark.
- **Navy SEALs and Delta Force raided over a dozen CIA-run black sites.** Facilities disguised as research labs were exposed as bio-surveillance hubs, QFS disruption centers, and black-budget laundering fronts.
- **Over 300 arrests in under 48 hours:** ex-DARPA chiefs, Obama-era security operatives, billionaire tech execs—all seized and flown to Cheyenne Mountain and Site 17. Tribunals are not pending—they've already begun.
- **Gitmo is at capacity.** Expansion modules have been activated.
- **Fort Bragg launched Red Protocol.** NORAD scrambled ISR drones. The order was not to respond—but to PREVENT. Satellites are tracking every traitor's move. Trump's AI systems are recording every keystroke.

- **And the QFS? STILL OPERATIONAL. UNTOUCHABLE.** Developed under Project ZIRCON, QFS uses scalar-based encryption, DNA-coded access, and biometric gatekeeping. No public internet. No backdoors. Not even the Deep State's top-tier quantum assault teams breached a single node.
- **Meanwhile, Trump's command center is mobile, airborne, and active.** Sources confirm final preparations are underway for the Emergency Broadcast transmission—which will unleash: – Video proof of election interference servers in Frankfurt and Ukraine – Testimony from Epstein-connected defectors – Financial trails linking the Vatican, WHO, and CIA to trafficking and resource plundering.
- **The EBS won't be an update. It'll be a weapon.** And when it hits, GESARA will activate. Quantum Access Cards go live. Redemption Centers open. The greatest wealth transfer in human history begins. The fiat slave economy dies in one blast.
- **The elites have LOST.** Rothschild accounts: FROZEN. Rockefeller bunkers: BREACHED. Windsor assets: SEIZED.

**Dear Faithful Patriot Friends and Family,**

**It has been an intense week.** So much is happening on many different battlefronts as we chased our ultimate goal of reaching the Supreme Court of the United States in Washington D.C.

**It all began on Thursday** when Raland mailed in for me a Petition for Extraordinary Writ of Habeas Corpus, prepared by genius Tom Freed. It was the SIXTH attempt. Would they accept it this time? When I wrote about "a Miracle appears to be in the works" back in December, it was because that was when I filed the FIRST attempt. But, they kept sending it back with what appeared to be lame excuses about form, which didn't make sense because we were following their own rules. Seemed calculated to stop the kind of filing to SCOTUS we wanted. Hmm. But, I consider it a small bump in the road.

**Then on Saturday the 17th,** While laying on my bunk looking out my prison cell (cubicle) window, I saw a beautiful American Bald Eagle circling above me for a few minutes. I've been told that this is a good omen, particularly in Native American culture. I had never seen one around here since my arrival to this Federal Prison Camp on March 11th. Then...

**Bad NEWS: Monday May 19th,** I got bad news that the Tenth Circuit Court (Denver) decided to DENY my Habeas Corpus appeal. \*sigh\* The District Court had denied my Writ of Habeas Corpus petition around November 17th, which by federal statute required an answer within 3 days, or "no longer than twenty days" but only if they request it. The court simply ignored it. So, at my December 23, 2024 sentencing hearing I asked Judge Neilson to do me the courtesy of at least putting a ruling on the record so we could appeal. He finally did that on about January 9th. We immediately filed our appeal in docket #25-4007. The court politely said it was "premature", but favorably left the door open for future appeal. It was bad NEWS. Then...

**Bad NEWS: Tuesday May 20th,** Utah State Fourth District Court Judge Christine Johnson (Provo, Utah) DENIED my request for "time to be restored" to allow us to file an appeal to the Utah Court of Appeals. We did this because our filing for an Emergency Motion to Set Aside Verdict and Stay Time for Appeal on Jan 4, 2024 (one year ago) was ignored but finally ruled on January of this year 2025. The court had blocked Barbara & I from filing papers because we were declared "vexatious litigants" by a clever and vindictive prosecutor when we documented his lying about providing us the original warrant and discovery, using his own words from the transcript. It appears he was embarrassed and cleverly manipulated the rules and his long relationship of prosecuting before this judge, to deny us due process of law. However, we have another way we can pursue this Utah state appeal and plan to do so immediately. So, it was Bad NEWS. Then...

**Wednesday May 21,** was the one year anniversary of my first day of trial in the Federal District Court (Salt Lake), where I, a legal novice, had defended myself for eight days all alone, against four Prosecutors in front of a 12 man jury. Normally, in this situation, I've been told by many that all counts are found GUILTY within just a couple of hours.

**GREAT NEWS!:** This morning, while walking the track with my friend Gordon, coincidentally also from Cedar Hills, UT, -- we saw an American Bald Eagle do a flyover. Then a few minutes later, a young golden eagle flew circles over us. Two beautiful omens. Then, at about 2:10 in the afternoon I learned from Raland Brunson that my case had been received and docketed for consideration by the Supreme Court of the United States of America -- or SCOTUS! We have an official case #24-7258! What that means in essence is that my case is in the Green Room waiting, in hopes that the NINE Supreme Court Justices will consider hearing my case. How cool is that? You can pull up our case at this SCOTUS link and see it for yourself...

<https://www.supremecourt.gov/search.aspx?filename=/docket/docketfiles/html/public/24-7258.html>

**When I had written back in December** that "a small Miracle appears to be in the works" it was because that was when we made the FIRST attempt. But they kept sending it back claiming we had mistakes and that we couldn't file it the way we wanted, but it wasn't true, as we were following their rules exactly. It appeared as if the IRS / DOJ didn't want us to file the kind of application for writ a certain unique way we wanted to, because it would be super effective, and we could win. So, finally, they couldn't block us in the end.

**Getting to SCOTUS to challenge the validity of the IRS's false interpretation of federal income tax law**, -- has always been our goal since this nightmare began **January of 2018**. We've gone through 18 court cases to get to this point. Very few cases get heard by SCOTUS. There's no guarantee they'll hear my case. But, you can't win a landmark case at the Supreme Court unless the 9 Justices hear your case. They won't hear your case if it's not first on the docket for their consideration. You can't win at SCOTUS unless you file. And, we had to lose every one of the 18 cases to be able to get to the Supreme Court. Now, it will take a small Miracle for the Justices to be willing to Hear the false and fraudulent application of "the tax law" and TEST it. Well, here we are! Congratulations to ALL of We the People, -- not just "Barbie & Ken vs. Goliath IRS". So your prayers are more important now than ever please?!

**Remember, please don't pray that Barbara and I are freed from this tyranny**, but rather that we fulfill what we've always felt was our "assignment" to get to this point. This is the good Lord's battle, not ours. We don't want to get 98% through the terrorism we've suffered, and get out before completing the assignment. We feel so inadequate. We're not smart enough, or rich enough, nor fast enough to do this thing, but:

**"But God hath chosen the foolish things of the world to confound the wise, and God hath chosen the weak things of the world to confound the things which are mighty." (BIBLE - 1 Corinthians 1:27)**

**Well we certainly qualify as "foolish", and "weak", and simple.** This could end quickly with victory. Or, it could require multiple attempts at SCOTUS from different angles before our assignment is completed. But, Barbara & I are determined to go 100% for Him, humbly remembering we're just willing pawns, who trust Him, however this plays out. We understand that it's the Lord who wants to "set His people free, that they may serve me", (Exodus 10:3) as we anticipate the Second Coming of His Son Jesus Christ, who will rule and reign over a liberated world for the 1,000 years of Millennial peace and glory.

**If you've read this far, thank you.** We are so grateful for your love, concern, support in resources and especially your prayers. Ours is a GREAT God. We believe in Him, and look forward to his MIRACLES.

**May God Bless You and all We the People,**

**Ken (and Barbara)**

**Please support Ken and Barbara** by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

**Dear Patriot Friends and Family,**

**Many continue to pray that justice may finally be served** and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

**Zf. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

**Judy Note:** *I am writing a book about Near Death Experiences of extreme abuse survivors. If you are an extreme abuse survivor, or know of one who has had such an experience, I would appreciate hearing from you. Write Judy Byington at: [info22faces@yahoo.com](mailto:info22faces@yahoo.com)*

**Jenny Hill and I spent 20 years writing her biography, “22 Faces”** to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

**“22 Faces” explains how childhood torture separates a young developing brain's** thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

**When the first edition of “22 Faces” was released** the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

**Through these Satanist's negative comments** and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
