Judy Note: Trump and the Global Military Alliance's takedown of the Satan worshipping, Child Sacrificing Cabal and restoration of freedom concepts of the original Constitution was in full swing Worldwide.

- **Day One: Sun. 4 May Trump Activated Operation Liberty Shield**
- **Day Two: Mon. 5 May Trump boarded Air Force One**, where he ordered: "Troop Deployment to Border, Strikes on Mexican Cartel, Economic Warfare against China & a Restoration of the Constitution."
- **Day Three: Tues. 6 May Trump & Team Took Down the CIA & Moved To A Blackout Mode**
- **Day Four: Wed. 7 May Trump Scheduled to Make Big Announcement 11:00 am EST.**
- **Day Five: Thurs. 8 May EBS Activation, Restored Republic & Ten Days of Exposure Begin?**

Trump's Executive Orders have activated Martial Law protocols. The Federal Reserve has been seized. Fiat currency is DEAD. The Quantum Financial System is now LIVE and was Gold-backed. Un-hackable. Un-stoppable.

Trump's Global Military Alliance has taken control and executing precision strikes across every continent. Underground tunnels, cloning labs, child trafficking routes — all being obliterated.

Trump's Operation Liberty Shield has launched 20,000+ troops that were deployed globally. Raids have occurred in NYC, Atlanta, Rome, Geneva and Tel Aviv. High-speed rail tunnels built by Lockheed and NATO that were used to traffic children, were now destroyed.

On Mon. 28 April 2025 Navy SEALs stormed an Underground DUMB Tunnel near Area 51. Over 1,200 children were rescued from cages - tortured MKULTRA victims. Organ harvesting, DNA tampering and biowarfare experiments — all EXPOSED.

On Wed. 30 April 2025 Trump-loyal German units raided BND HQ in Berlin. Documents revealed child trafficking, WEF backchannels, and blackmail files with names the media will NEVER speak.

On Thurs. 1 May 2025 Navy SEALs breached a hidden base in Antarctica. Inside? Cloning vats. Cryo tanks. Hormone harvesting. Pfizer and Moderna biotech logos everywhere.

Simultaneously the 1,500 mile Vatican tunnel that ran to Jerusalem and Switzerland was raided. They found Satanic decorated chambers, gold-lined vaults, blood-soaked robes and elite payment ledgers tied to Satanic Child Sacrifices. Well known politicians, celebs and Royals were all implicated.

Back in the US under the Obama/Biden Administrations, the Office of Refugee Resettlement (ORR) had imprisoned over half a million migrant children into slavery with NGOs tied to

Soros, Clinton & foreign intelligence fronts. Many ended up in Underground Bunkers, Organ Harvesting Rings & Elite Compounds shielded by diplomatic immunity.

Recently Trump's Global Military Alliance rescued over 14,000 of those children from the Underground Tunnel Systems that ran beneath cities like Chicago, Atlanta & Los Angeles.

From the evidence gained Military cyber teams decrypted five petabytes of dark web blockchain. They found that Zuckerberg funded black markets, Bezos ran human cargo logistics and Gates financed AI-run child auctions – all under the guise of “charity” fronts – and all were now busted.

Over 500,000 sealed indictments were now actively being served. Gitmo has expanded x5. Public tribunals have begun in Nevada, Texas and Alaska. Executions were on their way.

Public announcement of the activation of the Emergency Broadcast System was imminent. We were witnessing the fall of the media, banks and elite, along with their demonic empire. Every screen across the Globe will soon broadcast the Truth.

THIS WAS IT. No more warnings. No more illusions. The children were being avenged. The traitors would BURN. THE STORM WAS NOW. ...Deep State Exposed on Telegram, **Tues. 6 May 2025**

A. What We Think We Know as of Wed. 7 May 2025:

- **What Happens Next: (1) Phase 3 of the reset enters forced disclosure mode. (2) Media blackouts will expand** to prevent false-flag distractions. (3) **A coordinated currency stabilization protocol** will be deployed through BRICS and select U.S. Treasury channels. (4) **Public revelations about suppressed technologies** — including Tesla energy patents and advanced regeneration chambers — are imminent.
- **For decades, the Vatican served as the spiritual control center of the New World Order — a state, a bank, a blackmail archive** that laundered money, trafficking intel and protected the world's dirtiest elites. Trump retrieved 650 plane loads of stolen US gold out of the Vatican tunnel and now the Vatican Bank — a globalist weapon — was no longer sovereign. For years, it funneled billions, hid black-budget operations, and sheltered Deep State paymasters. The Vatican archives also held blackmail files — secrets that control presidents, kings, and billionaires. From child trafficking to cartel dealings, those files aren't history — they're leverage. Now Trump had them under his possession and the entire Deep State structure was compromised.
- **On Tues. 6 May 2025 Trump and Team** took down the CIA.
- **On Tues. 6 May 2025 RFK Jr. reported that HHS under Biden collaborated with traffickers.** The Office of Refugee Resettlement (ORR) handed children to un-vetted names with fake signatures. NGOs tied to Soros, Clinton, and foreign intelligence fronts — no oversight, no justice, no accountability. Children were delivered into slavery. Many ended up in underground bunkers, organ harvesting rings, and elite compounds shielded by diplomatic immunity. Trump's military task forces have recently rescued over 14,000 children from tunnel systems under cities like Chicago, Atlanta and Los Angeles. 143 traffickers have been neutralized.
- **Tues. 6 May 2025: FEMA was an autonomous institution that has sought to enslave and subjugate patriots since the Clinton era.** When throngs of FEMA goons arrived in Florida following Hurricane Michael in **2018** to terrorize dispossessed citizens, White Hats repelled the FEMA invasion. Just this year, Marines kicked FEMA marauders out of Kentucky after a biblical flood inundated entire communities. RRN has published over 140 articles detailing FEMA's criminality, including a dozen on the military vs. FEMA battle for Maui in **2023**. White Hat leadership has repeatedly asked Trump to abolish FEMA, but the president has yet to heed their advice. [Marines Raid FEMA Training Center; Seize MASSIVE Armory | Real Raw News](#)

- **On Tues. 6 May 2025 US Director for National Intelligence Tulsi Gabbard** confirmed that US-funded biological weapons laboratories have been operating in

Ukraine, and said Dr. Anthony Fauci perjured himself multiple times when he was asked if the US government funded research that may have caused the COVID-19 pandemic.

- **Mon. 14 April 2025: Over the weekend** Trump signed Executive Orders that officially dismantled the CIA, with black sites shuttered, assets frozen and high level operatives either detained or fleeing. The NSA, DHS and FBI face the same chopping block.
- **Elon Musk's DOGE task force found CIA front companies** interfering with elections, funding riots, manufacturing viruses, trafficking children, and silencing whistleblowers worldwide — all under the mask of “national security.”

D. Tues. 6 May 2025 QFS REPLACES FIAT — MILITARY NOW CONTROLS YOUR MONEY ...Steve Bannon on Telegram

- **As of May 1, 2025, the fiat banking system is DEAD.** The media is lying. The Cabal's grip is broken. Redemption Centers are active, and gold-backed funds are being distributed globally through the Quantum Financial System (QFS) — the final weapon in a military war against centuries of elite rule.
- **The banks are panicking.** They're freezing accounts, blocking transfers, shutting down over 12,000 branches in 30 days. Why? Because they've been cut off from the QFS.
- **This isn't economics — it's war.** Since Trump signed the Gold Directive in January, underground vaults have been seized from Vatican properties, NATO bases, MI6 bunkers, and elite estates. Inside: off-ledger gold, ancient tech, biometric blackmail, human trafficking records — all now secured under QFS control.
- **One vault beneath London's Financial District held unregistered gold and child biometric data tied to occult finance rituals.** That gold now backs the USTN, and only Redemption Centers — secured by military satellite grids — can distribute it.
- **Every QFS transaction is verified** by quantum-biometric encryption. No cabal trick can bypass it. No dark account is hidden. No bloodline safe is untouched. The elite are exposed.
- **RLUSD and XRP are the only authorized digital assets.** RLUSD is biometric-linked and gold-backed. XRP moves the wealth instantly. SWIFT, ACH, and the entire fiat web are dead code. That's why Ripple leaders were targeted for assassination. It failed.
- **The Deep State is striking back:** failed EMP blasts, virus smuggling, and fake Trump arrest footage are part of their last push. They want to keep you from claiming what's yours.
- **Don't let them. Your Redemption Appointment is your freedom.** Your R&R payout is coming — reparations for stolen pensions, IRS theft, pharma crimes, and more. QFS is here to restore your wealth, your identity, and your sovereignty.

- **This is the collapse of a satanic empire.** Get to your Redemption Center. Claim what's yours. The war is almost over.

Global Financial Crisis:

E. Tues. 6 May 2025 THE OLD SYSTEM DIES HERE — GOLD. RV. BASEL III. QFS.

...QFS on Telegram

- **The illusion is over. The final breath of the fiat empire is fading,** and in its place, a new architecture of wealth is taking shape — silent, unstoppable, and rooted in truth. Gold has been restored as a Tier 1 asset. Basel III is active. RV is real. The Quantum Financial System is alive. Together, these forces are not theories. They are the pillars of a reset the elites cannot control — and it has already begun.
- **While the media distracts and the central banks panic-print** their way toward oblivion, the foundation of the New World Economy is being laid in full view. Gold, once mocked as a relic, is now recognized as the ultimate store of value — legally equal to cash under Basel III protocols. Its intrinsic worth is unshakable. Banks know it. Governments know it. And they're all rushing to stockpile what they once denied. This is not nostalgia. This is survival.
- **At the same time, the long-whispered RV** — the global revaluation of currency based on real assets — is accelerating. Once dismissed as conspiracy, it's now backed by quiet moves among sovereign nations, wealth funds, and energy-rich states aligning their currencies to gold, oil, and tangible resources. As fake paper currencies begin to wobble, suppressed currencies like the Iraqi dinar and Zimbabwean dollar are being reexamined through an entirely new lens. This isn't about overnight wealth. It's about global fairness — recalibrating value to reflect reality, not manipulation.
- **Basel III is the enforcement arm.** It forces banks to comply with hard rules — real assets over imaginary credit. Transparency over fraud. The hidden games of shadow finance are ending because Basel III makes it illegal to hide behind derivatives and debt. It's not optional. It's mandatory. And it's already bleeding through the balance sheets of corrupt institutions worldwide.
- **And then comes QFS — the digital backbone of it all.** Powered by quantum tech, immune to fraud, traceable in real time, and entirely asset-backed. This system doesn't just patch holes in the old framework. It replaces it. QFS ensures every transaction is clean, verified, and incorruptible. No more dark money. No more double books. The black-budget parasites are being flushed out — and they know it. That's why they fear this moment. Because for the first time in modern history, truth has become the most valuable currency on Earth.

Restored Republic

F. Tues. 6 May 2025 EBS Activation, Return to Restored Republic, Banks Crash, NESARA/GESARA Release, Ten Days of Broadcasts Worldwide to Expose the Satan Worshipping Cabal ...Charlie Ward and Friends on Telegram

- **With Central Banks across the World collapsing**, JP Morgan predicting a huge US Stock Market Crash, with Bank Runs imminent, and since the Cabal's gold stolen from The People has already been seized by President Trump's Global Military Alliance, now Trump has commanded that the Final Stage of The Plan activate – meaning that the Emergency Broadcast System would go live Worldwide.
- **Expected to accompany that EBS activation was an announcement about Trump's return under the Restored Republic**, along with JFK Jr. as his vice president. This would include the launch of NESARA/ GESARA debt relief for citizens of the World – which meant debt would be erased for The People, wealth restored, plus everyone would have access to technologies the elites have tried to bury forever.
- **All this was set to be followed and explained through ten days of worldwide broadcasts** designed to expose the crimes of Satan Worshipping, Child Sacrificing Pedophile Deep State politicians and Global Elites, along with their arrests and Military Tribunals.
- **Trust The Plan.** Stay Vigilant. Be Prepared. “My Fellow Americans What You Are About To Go Through Will be Very Painful.”

G. Tues. 6 May 2025 THE GLOBAL RESET ENTERS THE ENFORCEMENT PHASE — ELITES FLEE AS WHITE HAT COALITIONS SEIZE CONTROL ...SGAnon on Telegram

- **Following the collapse of negotiations and the activation of Protocol 88, the military coalitions behind the Global Currency Reset** have begun full-spectrum enforcement operations targeting remaining resistance cells within the old financial and political structures.
- **Sources from within the Russian FSB and Chinese MSS confirm that former IMF executives, central bank governors, and top NATO officials have been placed under “protective detention” pending tribunal indictments.** Multiple Rothschild estates in Austria, France, and the UK have been abandoned overnight. Surveillance drones captured aircraft departing to undisclosed South American jungles — now tracked in real-time by Space Force assets.
- **Meanwhile, Japan's top three banking houses are in emergency talks following asset freezes linked to child trafficking** foundations masquerading as “educational charities.” At the center of the scandal: cross-border accounts connecting the Bank of Japan, UBS, and Goldman Sachs with black-budget arms contractors and human experimentation labs in Ukraine and Sudan.
- **IN THE U.S., FEDERAL AGENCIES HAVE BEEN SPLIT** White Hat-aligned agents within the FBI, DHS, and NSA are actively dismantling Deep State operations, while

rogue elements continue sabotage efforts — including recent attempts to disable Quantum Financial System nodes in Dallas and Frankfurt. Both attacks failed.

- **The Vatican's silence has turned into panic.** Over a dozen senior cardinals have vanished, and satellite footage shows unusual activity beneath the catacombs. Swiss Guard officers have begun cooperating with investigators. This marks the first time in history that high-ranking clergy are offering full confessions regarding ritual abuse networks.

WHAT HAPPENS NEXT:

- **Phase 3 of the reset enters forced disclosure mode.**
- **Media blackouts will expand** to prevent false-flag distractions.
- **A coordinated currency stabilization protocol** will be deployed through BRICS and select U.S. Treasury channels.
- **Public revelations about suppressed technologies** — including Tesla energy patents and advanced regeneration chambers — are imminent.
- **The global elite are no longer in control of the timeline.** The White Hat Alliance is.
- **Prepare for the next broadcast.** The tribunals are coming — and nothing will stop the truth now.

H. Tues. 6 May 2025: EMERGENCY REPORT: GLOBAL MILITARY ON HIGH ALERT — OPERATION WHITE SWAN GOES LIVE ... WH Grampa on Telegram

- **We've entered the final combat phase of Operation WHITE SWAN.** Military forces worldwide are now at DEFCON 2, running continuous operations against cartel militias, Deep State escape networks, and human trafficking routes. Secret tribunals are expanding, Gitmo is overflowing, and EBS activation is now confirmed between May 7–20, pending total mission security.
- **The Quantum Financial System (QFS) is live in 89 nations.** Public debt forgiveness pilots have quietly begun, while gold confiscations and Deep State banking collapses escalate behind closed doors. GESARA is progressing — but the final switch is guarded by cyber and kinetic threats. Space Force, NSA, and Army Cyber Command remain on full intercept to neutralize sabotage efforts targeting the post-reset rollout.
- **Meanwhile, the southern U.S. border is a warzone.** Mexican cartels, backed by decades of CIA black ops funding, are being used as shock troops by the dying Deep State. Suicide raids, underground tunnel detonations, and lethal-force engagements are active in Texas, Arizona, and California. Entire regions are under military lockdown. Reports of booms and lights at night are not anomalies — they're signs of the ongoing battlefield.

- **Global red zones remain hot:** France, Germany, Argentina, South Africa, and Antarctica. Space-based weapons have been seized and reactivated by Alliance forces — ensuring no orbital escape for elite operatives. High-value targets — politicians, bankers, judges, media figures — are either captured, tribunal-bound, or flagged for immediate extraction. Gitmo capacity has tripled, and off-shore tribunals now run 24/7.
- **The EBS is armed and ready.** Once the green light is issued, all networks will be seized, all devices will stream truth feeds, and the public will witness history in real time. No mistakes. No delays. This is the final threshold. Brace for impact — the storm is not coming. It's here.

I. Wars and Rumors of Wars:

- **Tues. 6 May 2025 BREAKING:** President Trump just announced that the United States will stop the bombings of the Houthis in Yemen, effective IMMEDIATELY, after they called and conceded defeat. L. Tues. 6 May 2025 Bondi and Kash Deserve Credit — They Just Took Down a Global Pedophile Cult ...Julian Assange on Telegram

- **Pam Bondi and Kash Patel aren't getting nearly enough recognition** for what may be one of the most significant child exploitation takedowns in recent history — the arrests of the leaders behind the network known as "764 Inferno."
- **This wasn't just another online predator ring.** 764 Inferno was a highly organized, international nihilistic violent extremist (NVE) group, deeply entrenched in the production

and global distribution of child sexual abuse material (CSAM). Their crimes went beyond exploitation — they engaged in psychological torture, coercing children to perform on camera, carve symbols into their skin, and even mutilate themselves.

- **These monsters didn't stop there. They groomed victims, threatened them, and forced them into abusing animals,** harming their siblings, and producing more material under threat. The scale and cruelty of this operation is beyond comprehension. (The DOJ's full report is linked below, but be warned — the contents are deeply disturbing.)
- **Yet despite this major victory, Bondi and Kash have received little to no public credit.** While people still obsess over Epstein — whose network has long been dormant — these two just took down an active, satanic pedophile cult, operating right now, in real time, on the digital front lines.
- **So let's be clear: Bondi and Kash are doing the work that matters.** They are hunting real threats, dismantling live operations, and protecting children from unspeakable evil. Maybe it's time we stop criticizing them — and start acknowledging the war they're fighting on behalf of those who cannot defend themselves.

M . Tues. 6 May 2025 BREAKING: 500,000 CHILDREN GONE — TRUMP & RFK JR. STRIKE BACK ...Kash Patel on Telegram

- **As of May 3, 2025, America is no longer a country. It's a battlefield.** The Biden regime lost track of half a million children — and it wasn't by accident. This was a coordinated trafficking operation, run through HHS, protected by fake “sponsors,” and covered up by DOJ raids on whistleblowers.
- **RFK Jr. has dropped the bombshell: HHS under Biden collaborated with traffickers.** Not speculation — confirmation. Children weren't lost. They were delivered into slavery. Many ended up in underground bunkers, organ harvesting rings, and elite compounds shielded by diplomatic immunity.
- **Trump's military task forces are now striking back.** Over 14,000 children have already been rescued from tunnel systems under cities like Chicago, Atlanta, and Los Angeles. 143 traffickers have been neutralized. And the worst is yet to be revealed.
- **These are not isolated incidents.** The Office of Refugee Resettlement (ORR) handed children to un-vetted names with fake signatures. NGOs tied to Soros, Clinton, and foreign intelligence fronts received these kids — no oversight, no justice, no accountability.
- **RFK Jr. is now inside. As Trump's Strategic Health Secretary, he's exposing classified records.** The elite are panicking. Democrats like Schiff and Warren are scrambling to deflect blame. But it's too late.
- **This is the FINAL PHASE. The Emergency Broadcast System is locked and loaded.** Biden hasn't been seen in weeks. Rumors say he's hiding under Vatican protection in Switzerland while the cabal prepares a false flag cyber attack to silence the truth.
- **But the storm is here. And it won't be stopped.** 300,000+ children vanished. No trial. No outrage. No media coverage. That ends NOW. The reckoning has begun. Trump's forces are in motion. RFK is sounding the alarm. The world will never be the same.

N. Tues. 6 May 2025 Planned Parenthood is quickly becoming one of the number one providers of puberty blockers to teenagers in America ...JFK AwakeningQ17 on Telegram

- **“Almost 12,000 teenagers, aged 12 to 17,** have been treated with puberty blockers or pro trans counseling by Planned Parenthood.”
- **“I guess after the overturning of Roe v Wade** and the consequential closure of Planned Parenthood abortion clinics all over the country, the company hit the drawing board and asked how can we make up for this loss of revenue? The answer, it turns out, was pretty simple. And as a result, to date, almost twelve thousand teenagers, aged 12 to 17, have been treated, I hate even using that word, with puberty blockers or pro trans counseling by planned parenthood.
- **More often than not,** with zero history of gender dysphoria and no actual medical diagnostic process.
- **Stories of detransitioners like Helena Kirschner** are starting to expose just how bad Planned Parenthood's counseling actually is. This beautiful young woman walked into a Planned Parenthood clinic, and in less than an hour, she was given 4x the typical starting dose of testosterone hormone replacement therapy by a nurse practitioner. Less than an hour.
- **Pat Catterson, another young woman,** less than an hour, expected that she would have to go through some sort of diagnostic process, but instead called a doctor from Planned Parenthood for 30 minutes on the phone and was given a prescription for testosterone. Thirty minutes.
- **When you also consider that Planned Parenthood** is probably the number one author of sex ed curriculum in our country today, influencing millions upon millions of young men and women in conversations about gender identity at school every day. How are people not realizing this is literally just a pyramid scheme to indoctrinate kids into thinking I was born in the wrong body, to call these clinics on the phone for half an hour, and to be given prescriptions of these drugs from Planned Parenthood themselves.
- **This organization receives \$700,000,000 from the United States government taxpayer money** every single year. Turns out, you can destroy the family in a whole lot more ways than just abortion, and this organization is committed to figuring out how to do”

O. Mon. 14 April 2025: Trump Has Eliminated the CIA, NSA, DHS, FBI on Chopping Block While Deep State is in Free Fall. ...JFK Awakening Q17 on Telegram

- **This is the moment we’ve been waiting for.** The noose around the Deep State’s neck just tightened — and Trump’s enemies are panicking. The CIA has officially been dismantled.
- **Inside sources confirm: the final executive order was signed in secret over the weekend,** with black sites shuttered, assets frozen, and high-level operatives either detained or fleeing. This isn’t a re-organization. It’s a decapitation. And it’s not just the CIA. The NSA, DHS, and FBI are all on the chopping block, with internal purges sweeping through every agency tied to the shadow government.

- **Elon Musk's DOGE task force** has initiated a full-spectrum data purge, tracing decades of illegal surveillance, foreign psyops, and election interference. What they've uncovered is darker than anything we imagined: CIA front companies funding riots, manufacturing viruses, trafficking children, and silencing whistleblowers worldwide — all under the mask of “national security.”
- **The agency that killed Kennedy, sabotaged Trump, and installed puppets from Bush to Biden** is now being bled dry. Military tribunals are active. Thousands of sealed indictments are being unsealed. Flights out of Langley have been grounded. The command structure has collapsed.
- **Former spooks are turning on each other.** A rogue unit attempted to breach a DoD data vault in Colorado but was neutralized by Space Force assets. Yes, you read that right — Space Force is fully activated. Their mission? Prevent CIA-backed globalist forces from launching false flags to cover their retreat.
- **Trump is executing a domestic version of Operation Gladio**, using intelligence warfare to destroy the Deep State from within. Biden has been silent. Kamala has vanished. And Obama's “shadow office” in D.C. was raided at 3AM this morning. No word yet on arrests, but sources say classified materials linked to Ukraine, Iran, and Epstein were seized.
- **This is it. The intel war is going hot. The CIA is dead.** The Deep State is cornered. The reckoning has begun.

P. Tues. 6 May 2025 Kash Patel on X & Telegram: “I'd encourage everyone to read about the violent 764 network and how the FBI is working with local law enforcement to fight back. It's deeply disturbing, but critically important to understand what's out there and be aware of the threats American kids and families are facing every day. The criminals in these networks use online platforms to target vulnerable kids, coerce victims, and recruit others - often resulting in horrible cases of abuse. It is absolutely tragic - and I want people to know we're cracking down hard. Remember, last week we announced our agents and partners arrested two alleged leaders within 764. We've opened hundreds of cases around the country and our field offices are fully engaged. This is a priority for myself, FBI, D of D, Bongino and our leadership team. Those who come after America's children will face justice. We will be relentless in pursuing them. We hope to have more updates very soon. Thank you to our teams and partners who are treating this issue with the gravity it deserves and working around the clock to protect children.” ...Kash Patel X

Q. Tues. 6 May 2025 Steve Bannon on Telegram: A January 6th Political Prisoner says he was kept for four years without trial because, “They wanted me to do a false statement about Roger Stone and how he made me go there and everything else. They actually offered me no charges at one point if I would do this false statement about Roger Stone and how he made me go there and because I have a buddy that is like that with Roger Stone. It's disgusting what the United States government did.” **Bannon:** “He was offered NO CHARGES if he agreed to lie. I have 5,000 pages of documentation. I've put it out there on open source. Anyone can read it. It shows torture of pretrial American citizens. Democrats wouldn't let Jan 6 defendants have trials unless THEY LIED to further their narrative.”

R. Tues. 6 May 2025 Tulsi Gabbard Exposes Fauci's Ukraine Biolabs as Adrenochrome Factories ...EBS on Telegram

- **For years, they told us it was all a conspiracy theory** - a wild fantasy with no basis in reality. U.S.-funded biolabs in Ukraine? Nonsense, they said. Adrenochrome? Doesn't exist, they said. But now the truth is clawing its way to the surface.
- **Director of National Intelligence Tulsi Gabbard**, alongside Health Secretary Robert F. Kennedy Jr., has just blown the lid off one of the most chilling cover-ups of our time. The U.S.-funded biolabs in Ukraine weren't just real - they were key players in a covert global operation that played a role in unleashing the COVID plandemic. But it doesn't stop there.
- **Under the leadership of a former NIH director Anthony Fauci, these facilities** were trafficking something far darker: high-grade medical adrenochrome, obtained via experimentation and torture on young children - and distributing it through a network that reaches into the highest echelons of power.

- **Tues. 6 May 2025 RFK Jr: "Part of the responsibility of being a parent... is to not trust everything your doctor says.** Doctors have been co-opted by the medical cartel. The medical schools are now run by pharmaceutical companies. Pediatricians who vaccinate 80 or 85% of the kids in their office get these giant bonuses... You know, hundreds of thousands of dollars... making sure that 85% of the kids are vaccinated. And that's why they throw you out of the office if you fight back. It's not because they care so much about your particular kid. It's that... you'll lose them their bonuses. And so your job in a democracy... is to do your own research. And that's hard to do, but you need to do it to protect your child." ...RFK Jr. on Telegram

Med Beds

- **Tues. 6 May 2025: BOMBSHELL! First MED BEDS 5D Setup: The Incredible NEW Tech THEY Don't Want You to Know! (Hidden Truth About Future Healing - Video!) - amg-news.com - American Media Group**

T. Tues. 6 May 2025 How Med Beds Really Work: The Zero-Point Engine & Your DNA as a Signal Receiver ...QFS on Telegram

- **ZERO-POINT ENERGY (ZPE): THE FUEL OF THE FUTURE:** Zero-Point Energy isn't a theory — it's physics fact. It's the baseline vibration of the vacuum — a sea of energy

pulsing everywhere, even in total darkness. Every inch of space is filled with it. Your body swims in it right now. “The vacuum is not empty. It’s seething with energy.” — Richard Feynman So why don’t we use it? Because accessing and controlling ZPE requires quantum resonance — something classical tech can’t do. But medbed tech? That’s a whole different story.

- **HOW MEDBEDS TAP ZPE:** ZPE feeds the body not with electricity, but with coherence — restoring order to damaged or aging systems. Quantum Field Coils generate a high-frequency toroidal field that couples with ZPE. This creates a non-local energy well — a bubble of energetic abundance surrounding the patient. No batteries. No wires. No limit. Just direct energy from the quantum vacuum, tuned to biological repair frequencies.
- **DNA: YOUR BIOLOGICAL ANTENNA** Now for the wild part: your DNA is a fractal antenna — tuned to both EM and scalar frequencies. This isn’t fantasy. In 2011, Russian biophysicist Peter Gariaev demonstrated that DNA can be reprogrammed with laser light and language. So yeah... your body has firmware. And it can be updated. It absorbs, transmits, and stores vibrational information. It doesn’t just code proteins — it reacts to intention, light, sound, and frequency. In med beds, quantum AIs read your DNA’s energetic state, then send harmonic signals to “remind” it of its ideal form.
- **THE FULL LOOP:** A perfect feedback system. Not just healing — upgrading. Scan the DNA’s energetic distortions. Feed the body with zero-point coherence. Correct the biofield with harmonic light and sound. Rebuild the body from the inside-out. They told you healing was external. It’s not. Your body is a quantum receiver. Medbeds just remove the noise so the original signal can come through. The future of medicine is frequency. And your body already knows the song. Get ready—the future of healing is closer than you think.

U. Tues. 6 May 2025 BREAKING: TRUMP’S PAPAL STRIKE – THE VATICAN HAS FALLEN ...Nesara Gesara on Telegram

- **This was never a meme. It was a warning.** When Trump appeared in papal robes, the media laughed. The elites didn’t. They knew exactly what it meant — the Deep State’s holiest command post had been breached. The Vatican’s gold is no longer safe. The throne no longer sacred. And the secrets? They’re exposed.
- **This was psychological warfare** — and Trump fired the first shot. For decades, the Vatican served as the spiritual control center of the New World Order. Not just a church — a state, a bank, a blackmail archive. A fortress cloaked in holiness while laundering money, trafficking intel, and protecting the world’s dirtiest elites.
- **Trump’s 2017 visit to the Vatican wasn’t ceremonial. It was strategic.** That handshake with the Pope wasn’t respect — it was dominance. From there, royals collapsed, regimes shifted, and now, the symbol of conquest has gone public. The papal image wasn’t just parody — it was a coded declaration: “I’ve taken the throne.”
- **The Vatican Bank — a globalist weapon** — is no longer sovereign. For years, it funneled billions, hid black-budget operations, and sheltered Deep State paymasters. But that era just

ended. Trump's symbolism sends a message clearer than words: the world's most powerful religious financial institution is now under new management.

- **Even more terrifying? The Vatican archives.** Beyond the gold, behind the vaults, lie blackmail files — secrets that control presidents, kings, and billionaires. From child trafficking to cartel dealings, those files aren't history — they're leverage. If Trump has accessed them, the entire Deep State structure is now compromised.
- **This isn't cosplay.** This is conquest. While the sheep laugh, the wolves panic. He has the gold. He has the secrets. He has the throne.
- **THE VATICAN HAS FALLEN — AND THE WORLD DOESN'T EVEN KNOW IT YET.**

V. Tues. 6 May 2025: THEY'VE BEEN DOING THIS TO CHILDREN FOR 80 YEARS

...Nesara Gesara on Telegram

- **The fake US government hasn't just failed the people** — it has slaughtered and tortured innocent children for over 80 years. And every president who covered it up is complicit in treason.
- **Since the 1940s, US Inc. brought in Nazi mind control experts** under Operation Paperclip. What followed was a decades-long reign of CIA-run horror programs: MKULTRA, radiation experiments, torture, murder, and child sex trafficking.
- **By the 1970s, Congress already had evidence.** Hearings revealed unspeakable crimes against children. But instead of arrests, there was a cover-up. Those hearings were buried. The victims who testified are all dead. The pattern? Expose the truth — end up dead.
- **In 1995, three women who survived CIA Satanic Ritual Abuse** and child experimentation testified before Congress. They described how Congress was blackmailed with recordings of child torture and murder. Nothing happened. All three women died mysteriously.
- **It was President Trump, not the Deep State,** who finally exposed part of this. His Chemtrail Task Force revealed a DARPA plan to kill 170 million Americans. His efforts to locate 300,000+ missing border children blocked by Biden's DHS. No one knows where those kids went.
- **Ashli Babbitt — a patriot and veteran** — was executed inside the Capitol on Jan 6, 2021. She was unarmed. Her killer? Lt. Michael Byrd — protected by the regime. In May 2025, Trump gave her family a settlement. But the killer walks free.
- **The Obama/Biden/Clinton/Pelosi White House?** Named in a pedophile ring. WikiLeaks exposed the emails. Julian Assange blew the whistle. A 5-year-old boy trafficked to the White House. "He'll make the perfect catamite for the president." That's the level of evil we're dealing with.
- **Hollywood. Congress. The Vatican. The CCP.** All linked through tunnels, DUMBs, and a CIA-funded global child trafficking network. Biden's Water Island. Epstein's Island. Tunnels under DC. Tunnels under the White House.
- **No one has been arrested.** No one has been stopped. The media is silent. The government is complicit. The CIA still runs these operations today.

- **This isn't a conspiracy theory.** This is a national emergency. And we're running out of time. The storm isn't coming. It's HERE.

- Coincidentally, now there's been an increased risk of wildfires in the areas surrounding the proposed sites. And you guessed it, now insurance companies are starting to cancel wildfire policies in the areas."
- "Sounds familiar to something else (Pacific Palisades in Los Angeles)... but I'm not saying anything. I'm just giving you some facts."

Za. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zb. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zd. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
