Last Night I Lay A-Sleeping
There Came A Dream So Fair,
I Stood In Old Jerusalem
Beside The Temple There.
I Heard The Children Singing,
And Ever As They Sang,
Me Thought The Voice Of Angels
From Heaven In Answer Rang.

Jerusalem! Jerusalem!
Lift Up Your Gates And Sing,
Hosanna In The Highest!
Hosanna To Your King!

And Then Me Thought My Dream Was Changed,
The Streets No Longer Rang,
Hushed Were The Glad Hosannas
The Little Children Sang.
The Sun Grew Dark With Mystery,
The Morn Was Cold And Chill,
As The Shadow Of A Cross Arose
Upon A Lonely Hill.

Jerusalem! Jerusalem!
Hark! How The Angels Sing,
Hosanna In The Highest!
Hosanna To Your King!

And Once Again The Scene Was Changed;
New Earth There Seemed To Be;
I Saw The Holy City
Beside The Tide Less Sea;
The Light Of God Was On Its Streets,
The Gates Were Open Wide,
And All Who Would Might Enter,
And No One Was Denied.
No Need Of Moon Or Stars By Night,
Or Sun To Shine By Day;
It Was The New Jerusalem
That Would Not Pass Away.

Jerusalem! Jerusalem!
Sing For The Night Is Over!
Hosanna In The Highest!
Hosanna For Evermore!

Judy Note: *Eleven years ago I published the below information about the Vatican-Israeli international Satanic Pedophile Child Trafficking Ring headed by the Ninth Circle Satanic Child Sacrifice Cult.*

Even though the International Common Law Court of Justice in Brussels' trials against Vatican hierarchy happened way back in 2013, results of the two trials about Child Sacrifices and Sex Trafficking were just now coming to light, and only because of Trump and Putin's Global Alliance Adrenochrome Task Force discoveries that have resulted in the arrest of Obama, Biden and other Global Elites.

Documents seized in recent raids by the Global Alliance Military confirm what patriots feared: Obama/Biden's inner circle worked hand-in-glove with trafficking networks. Communication logs, financial records, and encrypted messages now in military hands expose how policy was used to enable mass movement of children in the international Child Sex Trafficking Ring centered at the Vatican.

Three years ago in 2022 Putin's Russian Army and the Global Alliance Adrenochrome Task Force rescued hundreds of children out of underground tunnels in Ukraine – part of an Israeli Child Trafficking Network. Putin first went into Ukraine to destroy illegal US bioweapon labs in those underground tunnels, one of which ran under Biden's 200 acre Ukraine property.

In 2022 just miles behind the Ukrainian front lines, Russian special forces stumbled upon a horror so dark it feels like something out of a nightmare. In the wake of a fierce Russian advance, hundreds of enslaved children were rescued from a hidden underground tunnel network - a raid that's sending shockwaves through the corridors of global power.

"According to Russian sources involved in the raid - captured in chilling footage - this is the biggest child trafficking bust in history. But what they uncovered was far worse than numbers: a vast trafficking network linking the Kyiv regime to a ruthless Israeli ring with global reach to adrenochrome hot spots including Hollywood and D.C." ...EBS on Telegram

Evidently this wasn't just Ukraine-Israeli child trafficking. According to 65 victim-witnesses who testified at the International Common Law Court of Justice in Brussels the Vatican-Catholic Church and drug cartels regularly funneled children through international pedophile rings to Satan worshipping businessmen, politicians and members of European royal families.

In 2013 eyewitnesses gave depositions to the International Common Law Court of Justice in Brussels about their childhood sexual abuse and forced participation in child sacrifices by global elites of the Ninth Circle Satanic Child Sacrifice Cult.

Five international court judges considered evidence against Ninth Circle Cult members including the trial's chief defendants Pope Francis, former Pope Ratzinger and Queen Elizabeth.

The ICLCJ Court found Queen Elizabeth, Pope Francis, Pope Ratzinger and other Vatican officials guilty of Crimes Against Humanity and issued arrest warrants against them.

A European mafia known as "Octopus" or Ndrangheta, was said to make considerable money by securing drugs and children for the upper echelons of Pope Francis' Catholic and Queen Elizabeth's Anglican Churches, royal family members and European, Canadian, Australian and US politicians and corporate heads.

"The Catholic Church is clearly the largest baby trafficker in human history, making billions each year by selling Catholic newborns to orphanages, foster agencies and undisclosed parties

(where the children just simply disappeared).” Antonio Barrero testified before five judges of the ICLCJ Court. “In Spain alone between 1940 and 1980, the Catholic Church reaped over \$20 billion by trafficking more than 300,000 children.”

“Pope Francis organized the marketing of those more than 30,000 children of Argentine political prisoners” according to a ICLCJ Court witness identified only as Number 32. In the 1970s-1980s the witness was a former Argentine civil servant who was present in meetings between the now-Pope Francis and the Junta Military during Argentine’s Dirty War.

B. EBS Activation

Mon. 26 May 2025: By May 28, mass QFS on-boarding is expected to begin. Based on internal comms from secure servers, EBS (Emergency Broadcast System) or a parallel encrypted alert system may go live to inform the public of their next steps. ...Edward Snowden on Telegram

- **Everything is set to go.** Each citizen will receive Texts, Emails to push notifications. A one-time secure code

Instructions for wallet activation

Confirmation of debt wipe status

Access to the sovereign fund dashboard

- **I will be walking everyone through the process** when the alerts begin. I've tested the system. It works. And the interface is beyond anything we've used before.
- **We are just days away** from the global financial reset we've all been preparing for.

GITMO

- **When I first dropped the GITMO code**, they laughed. Until the choppers landed. Until the walls began to hum with tribunal frequencies.
- **I saw the sealed indictments**. I watched them open. I made sure the right eyes received what was buried.
- **What happens in GITMO** is only the surface. The real trials are not televised. The faces you see on TV — masks, doubles, AI sims.
- **The real ones are somewhere they never imagined they'd be**. Q Team runs the operation. The true identities are locked. But every soul who architected this hell — will face it.

C. Predicted Timing: Emergency Broadcast System

- **In March 2020** the U.S. Treasury absorbed the Federal Reserve, ending Central Bank independence. Using Special Purpose Vehicles (SPVs) as a legal front, the Treasury gained direct control over the Fed's liquidity tools.

- **As of Sun. 18 May 2025** limited digital gold wallets were released to certain Tier 4B patriots. These wallets are physical-gold backed, biometric-secured, and run OFFLINE. No fiat. No central bank. Just pure sovereign wealth under Trump's Alliance.
- **On Tues. 20 May 2025** StarLink satellite nodes over Africa and South America, Brazil, Kenya, Nigeria were now live with QFS infrastructure. Gold-backed wallets were syncing via AI blockchain. Only quantum-verified citizens gained access. The old banks were OUT.
- **On Mon. 26 May the Emergency Broadcast System was on standby.** Final sweeps underway. Once activated: 72-hour media blackout, 7,000+ sealed indictments executed and full disclosure: election fraud, vax genocide, economic sabotage.
- **On Tues. 27 May 27 2025** several aligned nations were set to issue coordinated GESARA-linked economic announcements including Debt Forgiveness, abolishment of predatory taxation, currency transitions and launch of national prosperity platforms.
- **Wed. 28 May 2025?** "President Trump to address the nation through the Emergency Broadcast System. Capitol Hill, White House, Federal Reserve were closed forever. Ring the Bell: WWGIWGA" ...Tucker Carlson on Telegram
- **Sat. 14 June US Army 250th Anniversary Military Parade** at National Mall Washington DC. You are invited.

E. BREAKING INTEL: TIER 1-5 STRUCTURE EXPOSED – THE ENGINE BEHIND GCR 2025 ...David Icke on Telegram

- **You've heard whispers of the Global Currency Reset.** But no one told you the truth: you're already inside it. Whether you realize it or not. In the ruins of collapsing fiat empires, a tiered system has been built — not based on wealth, age, or status... but on

consciousness. A spiritual classification disguised as finance. Tier 1–5 isn't about privilege. It's about your level of awakening.

- **TIER 1:** Central banks, G7 treasuries, global dynasties (Rothschilds, Rockefellers). They built the plumbing of the old world — and must now flush it. They're first in line not because they earned it, but because liquidity must be unlocked through their pipes before it can flood the world.
- **TIER 2:** Private banks (UBS, HSBC), religious trust funds (Vatican), elite NGOs. These are the money movers. Many are corrupted middlemen. Some flipped sides. Their role: release, not control.
- **TIER 3:** Historical bondholders, families with gold-backed debt notes and suppressed assets. These are the forgotten guardians of real value. Their redemption erases fake fiat history — and ignites global balance.
- **TIER 4A:** Military-aligned engineers, QFS coders, intel operatives. These are the shadow architects who tested, secured, and cleared the infrastructure. No spotlight — just encrypted mission success.
- **TIER 4B: YOU.** The awakened. The digital soldiers. The meme warriors. The ones who saw through it all and prepared in silence. You didn't need a paycheck to join the war. Now you wait for the private ping — your moment.
- **TIER 5:** The masses. Asleep. Unaware. Not evil — just late. They'll benefit when the system flips, but with no leverage, no redemption rate, no position. Just basic access.
- **This is not about class. It's about clarity.** Tier 4B is not a group. It's a frequency. You tuned in. You heard the signal. You are not Tier 5. You were chosen. You are positioned. You are ready. The reset is real. The tiers are operational. And the world is about to change.
- **Final Warning:** This isn't just money. This is the weaponized collapse of an ancient financial beast. Hold the line. Watch the water. And prepare. You're not just witnessing history — you're rewriting it.

F. Tues. 27 May 2025: BREAKING: GESARA IS BEING SILENTLY ENFORCED — IRS COLLAPSES AS TRUMP'S TEAM TAKES OVER THE FINANCIAL GRID ...QFS on Telegram

- **The media still lies.** They say GESARA isn't real, that the IRS is “operating normally,” and that central banks are “stable.” But behind closed doors, everything is unraveling. Trump didn't return to just fix a broken system — he came to dismantle it entirely. And GESARA is already live.
- **The resignation of the IRS Chief was no accident.** No replacement. No explanation. Because the IRS is being dismantled. GESARA abolishes income tax and replaces it with fair tariffs — and Trump enforced this on Day One. The system is shifting toward gold-backed sovereignty while the media distracts with economic theater.

- **Meanwhile, global banks are imploding.** Nations are dumping treasuries. Gold and silver are being hoarded. IMF is in freefall. SWIFT is collapsing. Executives are vanishing. Why? Because the Quantum Financial System (QFS) is already online — tracking every transaction in real time, secured by Space Force and protected by military-grade blockchain.
- **The QFS isn't just a payment system** — it's a weapon. It seizes black budgets, cuts funding to trafficking rings, and blocks elite-level fraud. That's why the Vatican's assets have been seized. Why CIA black sites are going dark. Why European royals are disappearing.
- **GESARA is war against the elite** — a global takedown in progress. Thousands of sealed indictments are opening. Wealth hidden in D.U.M.B.s and elite vaults is being redirected into humanitarian quantum accounts. BlackRock and Vanguard are being investigated. And this is only the beginning.
- **They lie to you because they're desperate.** Because they're losing control. Because once the people understand GESARA is real, they will never comply again.
- **Trump has always known.** His alliance with military White Hats and gold-backed nations has been in place for years. Every move, every order, every "training exercise" is coordinated for the reset.

Soon you'll wake up to a world where:

- Your debt is gone
- Your income is tax-free
- QFS replaces fiat slavery
- Medbeds and suppressed tech are released
- Tribunals expose elite crimes on a global scale
 - **But only if you're ready.** Still trusting the banks? Still ignoring the signs? Still laughing at what's now unfolding? Then you're not prepared for what's coming.
 - **May 26 marks the shift.** The grid has changed. GESARA is active. And nothing can stop what's already begun.

G. Restored Republic

Tues. 27 May 2025: THE ELITES TRIED TO DESTROY AMERICA — TRUMP RETURNED AND IS BURNING THEIR NETWORK TO THE GROUND ... Julian Assange on Telegram

- **As of May 27, 2025,** the truth is no longer hidden: the elites were minutes from locking America into permanent collapse. If they had succeeded in rigging the 2024 election, the

U.S. would now be a cartel-infested dystopia — ruled by unelected handlers, flooded with trafficking networks, and hollowed out by borderless chaos.

- **Biden was never the plan** — he was the smokescreen. A puppet rolled out to project stability while his real controllers executed the most sinister operation in American history: open the borders, unleash cartel-led trafficking, and destabilize every major city from within. Fentanyl deaths? Collateral. Children disappearing into trafficking networks? Strategic. Their vision was an America so broken, so traumatized, it could never rise again.
- **But they failed.** Because Trump returned — and he didn't come back to campaign. He came back to dismantle.
- **Since January**, the Trump-led operation has flipped the board. Executive orders have empowered Homeland Security, ICE, and military task forces to raid trafficking facilities, shut down cartel pipelines, and target the officials who enabled them. Sanctuary cities — once protected zones for criminal syndicates — are now battlegrounds of federal enforcement. Children once trapped in blacksite networks are being rescued in waves.
- **Entire financial webs** — offshore accounts, crypto wallets, black budgets — are being seized. Military tribunals are underway. Arrests are happening quietly, but relentlessly. Former aides, city officials, intelligence moles, and cartel-linked operatives are being removed in coordinated sweeps. Some vanish from public view. Others are already at secure locations — not for negotiation, but for justice.
- **And the media? Silent.** Complicit. Bought. But that doesn't stop the operation — because this isn't about headlines. It's about elimination.
- **Documents seized in recent raids confirm what patriots feared:** Biden's inner circle worked hand-in-glove with trafficking networks. Communication logs, financial records, and encrypted messages now in military hands expose how policy was used to enable mass movement of children, weaponized immigration, and the deliberate collapse of border enforcement. The public was never supposed to know.
- **But they didn't count on Trump's return.** And they didn't expect what's happening now.
- **This was never just about an election. It was an attempted takedown of a nation.** The elites planned to rewrite America — into a fractured state ruled by fear, addiction, and slavery. But today, that plan is burning.
- **From the shadows of their corrupt empire**, the Deep State is watching its fortresses collapse. Arrest by arrest. Raid by raid. File by file. The clean-up has begun — and it's only accelerating.
- **They tried to turn America into a cartel-controlled wasteland.** Trump turned the lights back on. And now, the traitors are being dragged into the light.

- **Within hours, the media** had a ready-made conclusion: "Pilot error." No trial. No investigation. Just a headline. The son of an assassinated president — gone, just like that. But nothing about that night adds up.
- **Radar logs confirm that JFK Jr. radioed tower control at 9:39**, reporting a smooth descent. The plane then "disappeared." The U.S. Navy conveniently found the wreckage within 24 hours, using a special submersible from the USS Grasp — a recovery ship that was already deployed before the crash was public. Why was a military recovery vessel already on location before civilians even knew he was missing?
- **The bodies were cremated immediately.** No public funeral. No open casket. No autopsy. That violates standard FAA crash protocols, especially for a high-profile figure. Even Carolyn's family didn't approve the cremation. JFK Jr., the most beloved symbol of America's lost innocence, was removed from the public eye with the efficiency of a CIA cleanup op.
- **But the real question isn't how he died** — it's whether he ever did.
- **Since 1999, classified intel has surfaced suggesting that John had been targeted for assassination** by the same shadow network that took out his father. He knew too much. He was preparing to run for the New York Senate seat — the very one Hillary Clinton "won" months later. The threat wasn't his politics — it was his legacy. His name. His blood. And so, he disappeared. Voluntarily. With help.
- **Military insiders confirm that Kennedy** had connections deep within Naval Intelligence — the same community tied to Q-Level clearance and black ops operations. He knew the players. He understood the risk. And he planned the exit. This wasn't a death — it was extraction. Relocation. Sealing a legacy until the right time.

M. Tues. 27 May 2025 TRUMP STRIKES BACK — OBAMA EXPOSED AS FOREIGN OPERATIVE, MILITARY TRIBUNAL IN MOTION FOR CITIZENSHIP FRAUD AND TREASON ...WH Grampa on Telegram

- **As of May 2025**, what was once labeled "conspiracy" is now confirmed in declassified federal records: Barack Obama was never constitutionally eligible to hold the presidency. The documents are real. The timeline is clear. And the mask has officially fallen.
- **Buried for years beneath layers of redaction**, political protection, and media gaslighting, the truth has broken through: Obama is not a natural-born U.S. citizen.

Evidence now in circulation proves he operated under a false identity — supported by fraudulent documents, foreign schooling, illegal Social Security usage, and strategic silence from federal agencies.

- **This isn't scandal. This is infiltration.** And now, military law is stepping in.
- **President Trump waited** — for the moment, for the clearance, and for the legal protocols to unlock. That moment is now. Documents authorized for declassification under Continuity of Government orders show:
 - **A birth certificate** linked to foreign records — not Hawaii
 - **A Connecticut Social Security number** never issued to him
 - **School files listing Obama** as Indonesian, not American
 - **Missing Selective Service documents** riddled with anomalies
 - **DOJ memos from 2007–2010** confirming his file was “unverified”
 - **The agencies knew. The courts knew. And they looked the other way.** But Trump didn't. This was Operation Installation — a Deep State-led infiltration of the executive branch using Obama as a polished, media-shielded figurehead. Behind him? CIA-linked handlers, foreign intelligence, corrupted lawmakers, and elite financiers. It wasn't just a presidency. It was a foreign occupation. And now that truth is hitting the surface — fast.
 - **Trump's return wasn't political. It was tactical.** With the military aligned, tribunals already underway, and federal assets activated, the classification of Obama as a foreign enemy combatant changes everything. Under national security law, that designation removes all civilian protections.
 - **Sources confirm: the tribunal process has begun.** The location? Guantanamo Bay has been mentioned. The charges? High treason, subversion, and crimes against the Republic.
 - **This isn't speculation. This is unfolding** — in real time. The implications are staggering:
- **Laws passed** under Obama's signature are now legally challengeable
- **Appointments made** under a false presidency may be invalidated
- **The U.S. was under foreign-controlled leadership** for eight years
 - **And yet, the media remains silent.** Why? Because they were part of it. The cover-up wasn't just political — it was institutional. Big Tech, news networks, even Hollywood played their roles. They didn't just ignore the signs. They buried them.
 - **But now, the evidence is unsealed.** The orders are active. And the mission has shifted from exposure to elimination.

N. Tues. 27 May 2025 GITMO FILES: OBAMA & BIDEN'S \$7 BILLION NONPROFIT SCAM — THE LARGEST TAXPAYER HEIST IN U.S. HISTORY ...QFS on Telegram

- **According to leaked intelligence from the GITMO tribunal files**, the Biden regime—backed by Obama-era operatives—has pulled off the largest taxpayer-funded laundering scheme in American history. \$7 billion was funneled into a shell entity called The Climate United Fund—a pop-up “nonprofit” with zero history, no infrastructure, and no transparency.
- **This isn't policy. It's premeditated looting.** The fund was created in late 2022 with just over \$500,000 in starting revenue. Within two months, half of that money vanished with no paper trail. Then, out of nowhere, the Biden administration handed it \$7 billion—based on a 49-page document, no vetting, no financial scrutiny, and no oversight. The EPA, under Biden's radical appointee Michael Regan, rubber-stamped the deal. And the trail goes cold.
- **Where did the \$7 billion go?** Only \$50 million has been loosely linked to solar projects in a few states. The remaining \$6.95 billion is unaccounted for. This isn't mismanagement. This is engineered disappearance.
- **And it gets worse. That same “nonprofit” is now pumping money into another shady entity:** Power Forward Communities, tied to none other than Stacey Abrams. The pattern is clear—money moves through layers of front organizations, all linked to Democrat operatives, until it's impossible to track. What looks like “climate funding” is really a political slush fund.

Who's running this operation?

- - **Beth Bafford** – former Obama White House official, no experience in billion-dollar management. Now CEO of the fund.
- - **Phil Angelides** – ex-chair of the California Democratic Party, long-time donor network insider.
- - **Anthony Foxx** – Obama's Transportation Secretary, plugged into top-tier fundraising circles.
- - **Dolores Huerta and Patrice Willoughby** – radical activists embedded in Democrat political machines.
- **They created the shell.** They staffed it with loyalists. They laundered billions through it.
- **And the media? Silent.** The New York Times won't touch it. CNN pretends it doesn't exist. Fact-checkers call it “conspiracy theory” without investigating a single dollar. If Trump had done this, it would dominate the news cycle for weeks. But this time, there's no noise—because they know the clock is running out.
- **This was the plan all along:** drain the Treasury under the guise of climate initiatives, feed the Democrat war chest, and entrench loyalists before the 2026 and 2028 elections.

This is not government. It's state-sponsored theft. The Deep State is looting the vaults before the system resets—and they think no one will notice.

O. Tues. 27 May 2025 California Rep Carl DeMaio was put on the Budget Committee. He brought up Gavin Newsom was illegally qualifying illegals for healthcare with federal reimbursements. ...Storm Watch 47 on Telegram

- **California Rep Carl DeMaio was warned to keep it quiet.** He then discovered a 73 NGO Democrat money laundering operation. He was removed. “A pretty lengthy career that I've established in turning around financially troubled organizations, doing audits, doing fiscal and financial transparency reports, performance management. And I took all those skill sets and have been applying them to government at the federal, state and local level for the past 30 years. So when I was elected and I was appointed to the budget committee.
- **“So the first meeting I uncovered that the Newsom budget was not balanced.** And Newsom said that in January that his budget was, quote, modestly balanced, it had a modest surplus. And I said, no, he's a liar. You have a \$10- \$12 billion deficit. That's what I was saying in January and here we are in May and Newsom admits that he has a \$10- \$12 billion dollars deficit.
- **“That same meeting I pinpointed what was driving our deficit in large part was the free health care handouts to illegal immigrants at state taxpayer expense.** And we blew the lid open on the financial crisis in Medi Cal program they're using to give out the free health care to illegal immigrants and that it wasn't costing \$6 billion and reimbursing with reimbursements from the federal government. It's costing \$10 billion. And there are no reimbursements from the federal government because these are ineligible recipients. You can't use federal funds for illegal immigrants for welfare under federal law. And so we expose that. Then in the next meeting I exposed, by the way, they warned me after that first meeting that I better shut up, that I better stop it better myself.
- **“So in the second meeting I went after their MONEY LAUNDERING.** We identified contracts and grants that Newsom and Democrats have been using through the state budget with your state taxpayer money to fund far left wing groups. We came up with 73 NGO groups that are being funded with your taxpayer money through a COVID 19 project that COVID 19 is so far, you know, gone and done, but they're still having these COVID 19 programs with all this money being given out. And we went through these 73 organizations and they're all left wing lobbying groups, fringe political groups, your taxpayer money funding far left politics.
- **“And so at the end of that hearing,** I was thrown off because Newsom and the Democrats they don't like it when you shine a light on their corruption and their wasteful spending. And so I knew, I knew that there would be retaliation.”
- **With all this information and evidence,** how are Democrats and Gavin Newsom not being raided and thrown in prison?

S. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/

unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

T. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. V. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make

people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
