When I am down and, oh my soul, so weary;
When troubles come and my heart burdened be;
Then, I am still and wait here in the silence,
Until you come and sit awhile with me.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up... To more than I can be.

There is no life - no life without its hunger;
Each restless heart beats so imperfectly;
But when you come and I am filled with wonder,
Sometimes, I think I glimpse eternity.

You raise me up... To more than I can be.

Judy Note: *The Satan worshipping practices of Pedophilia, Child Sex Trafficking and Child Sacrifice were said handed down by the descendants of Cain in a worship of Satan.*

Noted Jewish Historian Flavious Josephus wrote of the ancient Quintus Tribe who claimed to be descendants of Cain, also known as Khazarians – and for their kidnapping of young children and infants for their blood sacrifice ceremonies to their Satanic God Baal.

Khazarian written history began in the late 6th Century when the nomadic Turkic child sacrificing Satan worshipping Khazars, settled in the country of Khazaria. Their area covered the modern southeast section of Russia, Crimea, Kazakhstan and southern Ukraine.

The Khazarian king and his inner court of criminals and murderers came to be known as the Khazarian Mafia (KM) by neighboring countries. By around 1,200 AD Russia and the surrounding nations had enough of the Khazarians who were rampant in crime including kidnapping of young children and infants for their blood sacrifice ceremonies to Baal. The Russians took action and led a group of nations surrounding Khazaria to successfully invade it.

Modern Ukraine was known to be the center of the Illuminati Deep State Cabal International Child Sex Trafficking. In 2014 Ukraine had been taken over by German Nazis with help of the CIA. There they practiced ancient Babylonian black-magic Baal Worship to honor their God Satan.

Some called the first Satan Worshipper Cain, the Master Mahan. The Hebrew word “Maha” meant “to destroy,” or with the “n” added “Mind Destroyer.” The word was possibly related to an Arabic word-counterpart word meaning “Keeper of a Great Secret.”

These “Great Secret” Satanic practices of child torture, pedophilia and human sacrifice were practiced by Hitler in his search for power and glory. Satanic worship was used in Nazi concentration camps to do mind control experiments on children. There it was found that the developing brain of child under ongoing trauma would create multiple personalities that could be later accessed in a victim’s life to have complete control over them – a practice Hitler’s mind control experts brought into the US after World War II to establish the CIA Mind Control programs under the umbrella name of MKULTRA.

The purpose of the CIA Mind-control Programming was to secure life-long power over an individual in order to create Super Spies, Terrorists, Assassins and/or have life-long control over a victim. That preferred victim was likely a young child because Multiple Personalities controlled by the perpetrator could only occur in the developing brain of a child subjected to prolonged trauma. The torture to separate brain patterns began at a very early age – sometimes even in the womb through electroshock treatments on the mother.

In 1950 CIA Mind Control experiments were said to have begun on humans, many of whom were innocent children. Although, since the techniques came out of World War II Nazi Germany Concentration camps, the torture based experiments on children were believed to have started much earlier, perhaps used in Pagan worship of their gods.

Survivors of the program say it involved international child kidnapping, sex abuse and exploitation networks – that were run out of the Vatican with help of the Khazarian Mafia.

The CIA program eventually known as MKULTRA consisted of 149 sub-projects, plus another 33 closely related programs. There were 80 participating US and Canadian institutions including 44 colleges and universities. All were, and it is suspected, still were presently being funded by US taxpayers through a CIA Black Budget.

In 1964 after a successful lawsuit by mind-control survivor Linda MacDonald (of the McDonald Franchises), Congressional inquiries supposedly ended MKULTRA – not true. Victims claimed it was going on today in secret neighborhood Satanic Covens using children of multi-generational families – often they were descendants of Cain.

It wasn't surprising that Congress failed to act after two hearings on the CIA and Child Sex Trafficking. The problem reached all the way to Washington DC Politicians. Back in 1972, NYPD Detective James Rothstein arrested one of the five Watergate burglars, CIA operative Frank Sturgis. During a two-hour interrogation he discovered that the burglars weren't trying to obtain election strategies as the mainstream media proposed, but were looking for a book which listed Democrat and Republican politicians who accessed child prostitutes, their sexual proclivities and the amounts they paid to rape kids. Rothstein maintained that "The Watergate break-in was strictly based on one thing – the pedophile records that were being kept at the Democratic National Headquarters."

On Mon. 26 May 2025 Russian forces launched a multi-pronged operation in Ukraine's northeastern Sumy region, capturing four villages: Novenke, Basivka, Veselivka, and Zhuravka. These weren't random military targets. Drone surveillance confirmed the presence of 51 kidnapped Russian children hidden within the occupied settlements — children who had been marked for trafficking.

The result: all 51 children rescued. Some were malnourished. Others showed signs of abuse. All were meant to be sold. A Russian soldier said: "We got there in time. Some of these kids had hours left. This was not a war conquest. It was a liberation. Ukraine crossed into our lands. They steal our children. What do you expect us to do — nothing? We have the right to fight back."

Putin has been accused of entering Ukraine to start a war and take over the country. His real purpose has always been to take down illegal US bio-weapon labs (which were developing viruses specific to be released on the Russian people) and rescue kidnapped children from their underground tunnels. The international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring had long ago been centered in Ukraine using mainly homeless Asian children.

Putin's real "War on Ukraine" has actually been a takedown of Ukraine's extensive Child Sex Trafficking Syndicate that extended worldwide, funded by the CIA (with US Taxpayer monies) and run by the Vatican.

D. Tues. 28 May 2025: OPERATION PHOENIX IS LIVE – GITMO IS READY TO DETAIN THE WORLD'S WORST! ...Robert F. Kennedy Jr. on Telegram

- **Trump's military strike teams have activated OPERATION PHOENIX.** GITMO isn't just expanding — it's becoming a global command center for elite extractions, military tribunals, and real-time takedowns. This is the final sweep.
- **Under Trump's orders, GITMO has transformed into a high-security military fortress** built to process and detain the cabal. Underground wings now hold globalist criminals, bioengineered infiltrators, and satanic elites from secret Antarctic projects.
- **Blackhawks are in the air.** Flights to GITMO are increasing. Military transports are funneling Deep State assets into holding zones for tribunal proceedings. The facility is fully operational. No more deals. No more delays.
- **Antarctica's frequency weapon grid — SEIZED.** The U.S. Navy stormed the ice-locked mind-control base maintained by Deep State loyalists. Trump's forces now control global scalar frequencies. The mind-control net has collapsed.
- **Red auroras spotted above key military bases are NOT natural.** These are scalar pulse signals, confirming planetary frequency transfers to Alliance control. The final stage is locked in.

- **Bioweapon threats have been intercepted.** Field hospitals in Denver, Dallas, and Jacksonville are now military-grade bio-containment zones. The Deep State's virus, engineered to wipe out Trump loyalists, has FAILED.
- **The QFS is now the firewall.** Under Trump's directive, military cyber forces launched CODE BLACK lockdowns across global banking hubs. Swiss, British, and Japanese banking networks are now under covert Alliance control.
- **CBDC networks have been compromised** — not by us, but by their creators. Trump's forces turned their systems against them. Their digital weapons backfired.
- **The Emergency Broadcast System** is armed and awaiting green light. Civilian lockdown drills in Phoenix, Atlanta, and Philly are EBS deployment prep. The window: June 1–7, 2025.
- **Once triggered, the Deep State's comms** will go dark. Military tribunals and elite confessions will flood every screen. You won't miss it.
- **This is controlled demolition of the Deep State.** Trump's war is precision. Every leak, every seizure, every arrest has been engineered to collapse their global structure without panic.
- **HOLD THE LINE. PREPARE. TRUST THE PLAN. GITMO ISN'T FULL YET — BUT IT WILL BE.**

E. Wed. 28 May 2025: OPERATION PHOENIX IS ACTIVE — GITMO EXPANDS, QFS LOCKDOWN, AND ANTARCTICA TECHNOLOGIES SEIZED ...QFS on Telegram

- **OPERATION PHOENIX IS ACTIVE.** While WHITE SWAN enters its final strike phase, an even more covert directive has gone live. Phoenix was never meant to be spoken of—it was designed to be executed. The military alliance under Trump's command is now moving with surgical precision, neutralizing what remains of the Deep State's final defense systems. GITMO has transformed from a detention center into the most fortified military compound on Earth. It's no longer a place of waiting—it's a place of judgment. Entire underground wings have been carved out to detain those whose crimes defy human comprehension. Politicians, bankers, and biotech agents are being flown in by military transport, under full blackout protocols. The Antarctica operations have yielded terrifying discoveries—genetically modified humanoids, engineered through black-budget programs to manipulate human thought and behavior. These programs have now been seized, dismantled, and exposed to tribunal review. What the military extracted from those facilities has already changed the war.
- **Medical military units are no longer on standby—they're in full deployment. In cities like Denver, Dallas, and Jacksonville,** field hospitals are being converted into containment hubs. Intelligence confirms that the enemy attempted to release a bio-weapon—genome-targeted and precision-built to eliminate populations loyal to constitutional values and Trump's return. These were not mere threats. Weaponized drones carrying engineered viral payloads were already intercepted mid-air. The response was immediate. The networks responsible are being crushed. Military doctors trained for biological warfare are already on

the ground, neutralizing remaining hotspots. What was meant to be a second silent pandemic has failed before it began.

- **Simultaneously, the financial war has reached its climax.** The Quantum Financial System has entered full lockdown mode. Massive cyber-attacks targeting the CBDC infrastructure and central banks were detected and repelled. These weren't just data breaches—they were coordinated assaults designed to crash economies and create global unrest. Under Trump's executive oversight, military cyberteams initiated Code Black. The result: digital vaults locked, access rerouted, and banking strongholds in Switzerland, Tokyo, and London now under alliance occupation. Their control is finished. The wealth of the people is returning to the people. The Deep State has lost its final weapon.
- **The EBS countdown is real.** You'll know when it begins. Until then, stay grounded, stay aware, and know this: the storm is no longer coming. It's already here.

F. Global Currency Reset:

- **Tues. 27 May 2025 Big Call, Bruce: According to an Iraqi contact** we have a solid international rate on the Dinar on the Forex in the Middle East. It will be a managed float on the Forex to get it to the level they want it to (3-4 days). **DOGE payments** will start in the first 12 days of **June. Your R&R allowance** will be on your account that you can see at the Redemption Center when you go in for your appointment. **SS increases should happen in June. Nesara/Gesara debt relief** will occur **Thurs. 5 June to Sun. 15 June.**
- **Tues. 27 May 2025 Texas Snake:** "What the Banker heard was that certain Bondholders were allowed to exchange and they should begin **liquidity Wed. 28 May 2025.**"
- **Tues. 27 May 2025 Specialized Redemption Centers have shifted from standby to activation mode.** A limited number of insiders and military personnel have been called in to redeem Dinar, Dong, and historic bonds. **Since early June,** centers are to be staffed 24/7 on rotating shifts. The funds for redemptions are already in place in QFS accounts. According to two sources inside the Treasury as of **May 23, 2025,** Redemption Centers began processing live appointments under full GESARA protocol. ...JFK Awakening Q17 on Telegram
- **Thurs. 5 June to Mon. 9 June 2025 possible Rollout Window for Tier 4B:** "I just finished reading the internal advisory bulletin passed to mid-level banking partners. The on-boarding for public Tier 4B users is scheduled to go active between **June 5–9,** depending on regional system loads." ...Mel Gibson on Telegram
- **Then, from June 10 to June 13, appointment notifications will be issued for all Tier 4B participants.**
- **Minor banking downtimes are expected around June 15–16,** signaling the final switchover to full QFS integration.
- **The General Public Rollout will be from June 14 to June 17.** Internal banking advisories indicate public redemption will begin regionally, based on QFS load-balancing and readiness reports. "Don't be alarmed if you see notices of brief banking downtimes

or maintenance windows around **June 15 or 16** – this is likely the final switchover to QFS integration.” ...Nesara Gesara QFS on Telegram

- **On Saturday, June 14**, the U.S. Army’s 250th Anniversary Parade on the National Mall will serve not just as a celebration — but as confirmation that America is back under constitutional rule.
- **This is it. The QFS transition is no longer a theory.** It’s real. It’s unfolding. And we’re in the final phase. Stay vigilant. Be ready. The new financial era has begun.

G. Global Financial Crisis:

- **Wed. 28 May 2025: [BREAKING – IS THE FORT KNOX GOLD GONE? TRUMP WAS READY TO EXPOSE THE GREATEST FINANCIAL COVER-UP IN AMERICAN HISTORY... AND THEN HE WENT SILENT. WHY? - amg-news.com - American Media Group](#)**

H. Wed. 28 May 2025: BREAKING: GESARA IS BEING SILENTLY ENFORCED — IRS COLLAPSES AS TRUMP’S TEAM TAKES OVER THE FINANCIAL GRID ...Quantum Financial System on Telegram

- **The media still lies.** They say GESARA isn’t real, that the IRS is “operating normally,” and that central banks are “stable.” But behind closed doors, everything is unraveling. Trump didn’t return to just fix a broken system — he came to dismantle it entirely. And GESARA is already live.
- **The resignation of the IRS Chief was no accident.** No replacement. No explanation. Because the IRS is being dismantled. GESARA abolishes income tax and replaces it with fair tariffs — and Trump enforced this on Day One. The system is shifting toward gold-backed sovereignty while the media distracts with economic theater.
- **Meanwhile, global banks are imploding.** Nations are dumping treasuries. Gold and silver are being hoarded. IMF is in freefall. SWIFT is collapsing. Executives are vanishing. Why? Because the Quantum Financial System (QFS) is already online — tracking every transaction in real time, secured by Space Force and protected by military-grade blockchain.
- **The QFS isn’t just a payment system — it’s a weapon.** It seizes black budgets, cuts funding to trafficking rings, and blocks elite-level fraud. That’s why the Vatican’s assets have been seized. Why CIA black sites are going dark. Why European royals are disappearing.
- **GESARA is war against the elite** — a global takedown in progress. Thousands of sealed indictments are opening. Wealth hidden in D.U.M.B.s and elite vaults is being redirected into humanitarian quantum accounts. BlackRock and Vanguard are being investigated. And this is only the beginning.
- **They lie to you because they’re desperate.** Because they’re losing control. Because once the people understand GESARA is real, they will never comply again.

- **Trump has always known.** His alliance with military White Hats and gold-backed nations has been in place for years. Every move, every order, every “training exercise” is coordinated for the reset.
- **Soon you’ll wake up to a world where:** • Your debt is gone • Your income is tax-free • QFS replaces fiat slavery • Medbeds and suppressed tech are released • Tribunals expose elite crimes on a global scale
- **But only if you’re ready.** Still trusting the banks? Still ignoring the signs? Still laughing at what’s now unfolding? Then you’re not prepared for what’s coming.
- **May 26 marks the shift.** The grid has changed. GESARA is active. And nothing can stop what’s already begun.

I. Wars and Rumors of Wars:

- **Wed. 28 May 2025:** Russia has now massed at least 50,000 troops on the its border with Ukraine after a failed assassination attempt against President Putin using drones. M. Wed. 28 May 2025 BREAKING: RUSSIA SEIZES FOUR VILLAGES TO RESCUE KIDNAPPED CHILDREN — WESTERN MEDIA IN FULL COVER-UP MODE ...WH Grampa on Telegram

- **The truth isn't what they're showing you.** While mainstream outlets blast headlines of "Russian aggression" and circulate blood-stained images of fleeing mothers, Russian FSB agent Andrei Zakharov claims a very different reality — one that Western media will never show you. According to Zakharov, Putin's recent strikes in Ukraine targeted deeply embedded pedophile networks operating under the protection of NATO-backed forces.
- **Zakharov told independent sources that the viral images of wounded civilians are AI-generated propaganda, fed to the public to demonize Putin.** "This is a battle for the souls of children," he said. "There are casualties, yes — but the Western media invents scenes that never happened. They want Putin gone, not because of war, but because he dares to go after their protected networks."
- **On Monday, Russian forces launched a multi-pronged operation in Ukraine's northeastern Sumy region, capturing four villages:** Novenke, Basivka, Veselivka, and Zhuravka. These weren't random military targets.
- **Zakharov said drone surveillance confirmed the presence of 51 kidnapped Russian children** hidden within the occupied settlements — children who had been marked for trafficking.
- **The result: all 51 children rescued.** Some were malnourished. Others showed signs of abuse. All were meant to be sold. "We got there in time," Zakharov stated. "Some of these kids had hours left. This was not a war conquest. It was a liberation."
- **Western leaders — including even Donald Trump —** have publicly distanced themselves from Putin's actions, painting him as a rogue actor. But inside military intelligence circles, there is growing awareness of the true nature of Russia's mission. This isn't just geopolitical chess. It's a takedown of a cross-border child trafficking syndicate.
- **Zakharov drew direct comparisons to Israel's operations in Gaza,** noting that while motives differ, both confront existential threats at their borders. "Ukraine crossed into our lands. They steal our children. What do you expect us to do — nothing? We have the right to fight back," he said.
- **This narrative is being buried.** The same media that defends gender clinics and ignores elite trafficking now wants you to believe Putin is the villain for saving children. But the facts remain: four villages liberated, fifty-one lives saved, and a trafficking hub dismantled.

- **And the Western press? Silent.** Because the war on children doesn't fit their script. And Putin's success exposes their complicity.

O. The Storm Has Landed: Full Spectrum Disclosure Begins ...The 17th Letter (JFK Jr.) on Telegram

- **On Mon. 26 May 2025, at precisely 02:00 UTC, the world crossed a threshold it will never return from. Starlink initiated global lockdown of rogue comms.** Blackout zones were lit up in red. And then — the signal dropped. The Emergency Broadcast System entered live operational deployment. Ten days. Unfiltered. Uncensored. Unstoppable.
- **The world is now witnessing, in real-time, the collapse of everything it once trusted —** and the unveiling of what has always been hidden in plain sight.
- **EBS Transmission #001: Project Perseus Activated:** The first wave of footage aired this morning — beginning with military tribunals conducted between 2020–2024. Names once thought untouchable now flash across tribunal boards: John Brennan, Christine Lagarde, Klaus Schwab, Hillary Clinton, Yuval Harari. Their crimes? Crimes against humanity. Their verdicts? Sealed, then delivered.
- **What followed shook even seasoned analysts:** real-time footage from beneath the Vatican, where stolen art, gold, and trafficked children's remains were unearthed beneath shrines of ritual sacrifice. These broadcasts are no longer speculation. They are evidence.
- **Starlink Override: All Broadcast Channels Seized:** Every major news outlet — CNN, BBC, MSNBC — went dark at 01:57. Their satellite uplinks overridden. The mockingbird system has been decapitated. Starlink's AI command, Prometheus, has assumed total control of global bandwidth, now rerouting signals exclusively through White Hat quantum encryption relays. This ensures that no distortion, no spin, and no censorship will block the cascade of truths prepared for release.
- **Phase Two Begins: The Storm Goes Global:** Mass arrests are now underway in Canada, France, Germany, Australia, and Japan. Alliance forces have neutralized over 9,400 Deep State assets in the past 48 hours alone. Among them: bankers, scientists, AI architects, and public health officials who orchestrated the biowarfare campaigns disguised as "public safety."

- **In a newly aired segment, quantum-verified documents proved the World Economic Forum had issued scripted lockdown protocols years in advance** — synced with weather manipulation systems and fiat collapse cycles. The coordination was industrial. The consequences were genocidal.
- **GESARA Phase II: Civilian Wealth Transfer Underway:** Newly digitized, gold-backed funds are being injected directly into QFS-verified accounts. Citizens with biometric clearances are receiving notifications for Redemption Appointments, which include: • Full debt nullification • Revaluation exchanges • Quantum ID registration • Sovereign asset inheritance packages
- **Private banking cartels have been fully collapsed.** Over \$84 trillion in cabal-seized offshore assets are now being filtered into public trust funds. These disbursements are pre-coded by nation, population density, and consciousness resonance scores.
- **Incoming Broadcasts: What Comes Next** • Footage from secret Antarctica bases showing hybrid experimentation and inter-dimensional gate tech • Confessions from cloned political leaders revealing how long synthetic agents have ruled • Recovered documents from Area 51 and Montauk proving time manipulation and reality distortion fields • Real-time testimonies from rescued children, shielded until now for their safety — their voices will be heard
- **You were told to prepare. Now you know why.**

P. Wed. 28 May 2025: AUTO-PEN COUP EXPOSED: SHADOW REGIME FORGED A FAKE PRESIDENCY ...Barron Trump on Telegram

- **BOOM: The Biden autopen scandal just detonated.** Over 1,499 commutations signed by machine, not man. Biden wasn't in charge — a circle of unelected handlers ruled from the shadows. As Joe slipped into cognitive collapse, Jill Biden, Donilon, Ricchetti, Bernal, Reed, and others seized power, issuing mass pardons and executive orders with a robot. Trump's DOJ has launched a full-blown criminal investigation.
- **THIS WAS NEVER A PRESIDENCY — THIS WAS A COUP.** Rep. Byron Donalds didn't hold back: "You can't use an autopen to run the country." He compared this to Watergate — but said it's worse. Pardons for Hunter Biden, Adam Schiff, and Anthony Fauci were reportedly signed by machine. Null and void. Criminal.
- **INSIDERS NOW ACCUSED OF SELLING PARDONS:** Leaked reports suggest pardons were not only forged — they were sold. High-level Biden aides are lawyering up, preparing for federal subpoenas. Trump-appointed Pardon Attorney Ed Martin is hunting every name in this treasonous scheme: "This is the biggest abuse of clemency in U.S. history."
- **THE SMOKING GUN: AUTOPEN** A The Oversight Project traced mass clemency orders directly to a mechanical device called Autopen A — used to sign:

June 2022: Brittany Krambeck

Dec 2022: 7 pardons incl. De Coito III & Jackson

April 2023: 31 commutations

Sept 2023: 6 Iranian-linked names

Dec 2023: 11 commutations

Dec 2024: 39 pardons + 1,499 commutations

- **These weren't signatures.** They were digital forgeries rubber-stamped by tyrants in suits.
- **GOVERNANCE BY FRAUD — OR ELDER ABUSE?** Even mainstream outlets now admit: this could be elder abuse disguised as governance. Instead of invoking the 25th Amendment, they kept Joe breathing long enough to sign blank pages.
- **BUT THE STORM HAS ARRIVED.** Under President Trump, the charade ends. House Oversight is demanding records. The SIGN Act — introduced by Rep. Buddy Carter — will ban autopen use in all clemency cases. The Deep State's favorite toy is getting torched.
- **This wasn't democracy.** This was dictatorship by deception. And now, heads will roll.
- **THE CLOCK HAS RUN OUT. EVERY NAME. EVERY ORDER. EVERY LIE. THEY'RE ALL GOING TO GITMO.**

Q. Where is JFK Jr.? ...Juan O Savin on Telegram

- **He appears at Trump rallies.** Always close. Always watching. Dark glasses. Black MAGA hat. Sometimes with a woman who looks uncannily like Carolyn Bessette. The media brushes it off — a harmless Trump supporter named Vincent Fusca. But digital analysts and forensic artists disagree.
- **Let's start with the face.** Overlay comparisons between JFK Jr. and Fusca show near-perfect alignment in jawline, nose bridge, and ear structure — key identifiers used in biometric analysis. The facial growth and aging trajectory match what John would look like 25 years later. Dental markers are consistent. Even the slight curvature of the right brow — a JFK family trait — is there.
- **Then there's the voice. In 2020,** during an unlisted livestream in Dallas, "Fusca" was filmed speaking briefly to a small group. Audio engineers ran voice-matching software using archived JFK Jr. interviews from the 1990s. The result: 96.7% match. Tone, cadence, vowel flattening — all within tolerance for age progression. Not conclusive, but statistically impossible to ignore.
- **But perhaps most compelling:** He's always placed directly behind Trump. At rally after rally, "Fusca" is positioned in VIP zones, sometimes next to Trump family members, often captured by official camera feeds. Not once has he been removed by security. Not once has his presence been questioned by campaign officials. Why would an unknown civilian have that level of access at multiple high-security events?
- **A leaked email from within the Trump 2016 digital team contained the phrase:** "JFK will rise, not in name but in purpose. The blood never broke." Sent to a restricted clearance

group three days before the Pittsburgh rally where Fusca first appeared. Coincidence? They laughed at the thought. Until the man in the crowd kept showing up. Again. And again. And again.

- **The media will never ask. But you can.** What if this was always the plan? What if the greatest lie they ever told — his death — was the beginning of their undoing?
- **Long before the first Q drop appeared in 2017, there was already a plan.** A deeply embedded operation seeded inside U.S. Military Intelligence — designed to counter the globalist infiltration of America. Its initiators weren't keyboard warriors or bloggers. They were top-clearance patriots. And one of the names whispered in the shadows? John Fitzgerald Kennedy Jr.
- **JFK Jr. had been working closely with military White Hats since the early 1990s.** Sources connected to the Office of Naval Intelligence confirm that he was approached after the murder of his father had been unofficially reclassified as an internal coup — not a lone gunman. From that moment, his mission changed. Journalism was the front. But beneath it, he was collecting names. Tracking networks. Building alliances.
- **Q Operation wasn't born online. It began decades earlier — in classified briefings, covert training programs, and long-game scenarios.** By 1997, documents suggest that JFK Jr. had been read into multiple non-civilian frameworks, including a continuity-of-government contingency referred to only as "North Star." The same codename later appears in a 2014 Pentagon audit flagged as "restricted – JFK."
- **There is one more thread. In Drop #35, Q stated:** "Rest assured, the safety and well-being of select individuals is being maintained to preserve future missions." Who were they talking about? Why the emphasis on preservation?
- **JFK Jr. was never a civilian.** He was a symbol. A trigger. A bridge between the old Republic and the awakened generation. And his disappearance wasn't surrender — it was activation. The closing of one door... so another could open, when the people were finally ready.
- **Trump knew. The inner circle knew. That's why, since 2016, every real operation has carried the same undercurrent — the restoration of the Kennedy legacy.** Not as revenge. But as prophecy fulfilled. Because the moment John returns — whether in body or in revelation — the illusion ends. The lie collapses. And the true Republic, buried beneath decades of corruption, will rise again.
- **They say if he were alive, he would've come back by now.** But those who say that don't understand the stakes. You don't return in the middle of the crime. You wait for the moment when your presence collapses the entire structure. Not just symbolically — but surgically. JFK Jr.'s silence hasn't been hesitation. It's been timing.
- **The world wasn't ready in 2000. Or 2010.** Hell, it wasn't even ready in 2016. Too many still believed the media. Still trusted the courts. Still worshipped false icons wrapped in suits and smiles. The corruption wasn't exposed yet. The darkness hadn't shown its full face. But now? Now the veil is gone. The people are awake — and starving for justice.
- **The military has completed over 20 years of sealed investigations.** The quantum financial structure is ready. Global power centers have been mapped, infiltrated, and legally

neutralized. The tribunals are real — and ongoing. What's missing? Closure. The final moment that destroys the illusion once and for all.

- **Imagine what happens when he steps forward.** The son of the man they murdered in broad daylight. The one they swore was gone. Imagine the ripple effect: — The media collapses overnight. — The deep state fractures. — Trump is no longer alone. — The world realizes the plan was never political. It was surgical. Biblical.
- **You think it's a fantasy? That's what they counted on.** But they didn't count on digital archives. On facial analysis. On pattern recognition. They didn't count on the people paying attention. Or surviving this long.
- **Why now? Because this is the endgame.** The perfect storm of exposure, accountability, and resurrection. Not of a man — but of a nation. His return wouldn't just be vindication. It would be declaration. That the Republic still lives. That bloodlines do matter. And that evil never had the last word.
- **They tried to erase him.** But they couldn't erase the plan. Now he doesn't need to convince the world. He just needs to appear.

R. Wed. 28 May 2025: BREAKING: GITMO FILES EXPOSE OBAMA & BIDEN'S \$7 BILLION TAXPAYER HEIST — LARGEST FINANCIAL CRIME IN U.S. HISTORY

...Julian Assange on Telegram

- **While the media distracts you with theater, the real criminals are looting America in broad daylight.** A \$7 billion payout — not to citizens, not to veterans, not to infrastructure — but to a fake climate nonprofit created by Democrat insiders, with zero oversight and zero transparency.
- **It's called The Climate United Fund.** • Formed in late 2022 with just \$547K in startup revenue • Blew through nearly all funds in 60 days with no clear record • Then in April 2024, Biden's EPA handed it \$7 billion taxpayer dollars — no audits, no hearings, no accountability.
- **This wasn't a mistake. It was engineered.** A slush fund disguised as “climate investment.” The official explanation? Solar projects in three states worth just \$50 million. So where is the other \$6.95 billion? Answer: laundered through a Democrat-linked network of nonprofits and operatives.
- **It gets worse. That same fund funneled money to Power Forward Communities,** another so-called nonprofit led by Stacey Abrams. This is a pattern. One fake shell pays another, and the money disappears into Democrat coffers, campaign war chests, and private foundations.
- **Who's running the scheme?** • Beth Bafford — Obama loyalist, now in charge of \$7B with no large-scale financial experience • Phil Angelides — former CA treasurer, DNC power player • Anthony Foxx — Obama's Transportation Secretary, deeply connected to donor pipelines • Dolores Huerta, Patrice Willoughby, and more — all handpicked political enforcers. These are not climate experts. They are money movers — installed to build the illusion of progress while stealing billions from you and your family.

- **Where is the press? Nowhere. Total blackout.** • NYT: Silent • WaPo: Complicit • “Fact checkers”: Already labeling it a “conspiracy” Because it’s not just about corruption. It’s about control. The same machine that censors truth, rigs elections, and injects propaganda is now looting the nation’s treasury — openly, arrogantly, and without consequences.
- **Trump was impeached over a phone call.** Biden hands \$7 billion to a shell company and the media says nothing. This isn’t governance. It’s organized theft. And they think you won’t notice. They’re counting on your silence. They’re counting on distraction. They’re counting on the system never holding them accountable.
- **But they’ve underestimated us.** This isn’t just another scandal — it’s financial warfare against the American people. Your tax dollars are being hijacked by career criminals in suits, hiding behind the word “nonprofit” while laundering wealth into Democrat strongholds.
- **What You Must Do Now:** • Share this message — the media won’t • Demand your representatives investigate this shell scheme • Pull your support from every media outlet that stays silent • Get ready — this is just one layer of the GITMO files
- **\$7 billion gone.** No headlines. No outrage. The Obama-Biden network is still looting the country — and unless we expose them now, it won’t stop.

S. Wed. 28 May 2025: The US State Department put together an entire network to PROTECT GEORGE SOROS ...Storm Watch 7

- **This was funded by American Tax Dollars**, our money was even used to pay off Congress to fund this (INSANE)
- **Mike Benz** “The state Department was concerned that Lithuanian media and Lithuanian political parties were criticizing George Soros. So the State Department writes this big cable that WikiLeaks published
- **The State Department lays out** this action plan to protect George Soros from criticism and how they're going to back channel with their allies in the the government, how they're going to back channel to shut down these media outlets, how they're going to increase funding to offset. Now this is all just to protect one guy's foundation. We're paying for this as taxpayers.
- **We're paying for the US Embassy in Lithuania** to work with the main State Department in Foggy Bottom to also lobby Congress for more funding and to hold all these meetings and coordination and all these counter strategies just to protect a random NGO halfway across the globe in low GDP country like Lithuania.
- **But in this particular WikiLeaks document**, you see just how much of a lynchpin it is to the strategy. The State Department openly says that the Open Society Institution there is critical to U.S. statecraft, that they have all these relationships and network connections to key people in the in power political party that the State Department effectively cooed into office.
- **And so you have this relationship where they're self confessing** that what is being reported about Soros and his role in intelligence, Soros and his role in American statecraft, they're self reporting that it's true while coming up with a strategy about how to paint it as

false and then while mobilizing all of our American resources and diplomatic muscle in order to quiet down the criticism and stop the circulation of critiques on Soros.

- **Because it is an attack on the embassy itself**, which is therefore an attack on all of the embassy's network assets, including in the intelligence world and in the NGO, the diplomatic and the military vectors.”

T. Wed. 28 May 2025 EU SPENDS \$736 MILLION TO KILL FREE SPEECH — TRUMP & MUSK FIGHT BACK ...WH Grampa on Telegram

- **May 28, 2025 — The European Union just launched its most aggressive attack yet on digital freedom.** With \$736 million in taxpayer money, Brussels is building a censorship superstructure designed to crush dissent, silence truth, and hunt down resistance. They call it “anti-misinformation.” We know it for what it is: digital warfare.
- **This isn’t about stopping hate. It’s about erasing political opposition.** While Europe faces rising poverty, failing healthcare, and mass migration chaos, EU leaders are spending more on silencing people than curing cancer. They’ve openly shifted from governing to controlling — using AI tools like FAST LISA and VIGILANT to scan speech in real-time, erase non-approved narratives, and mark dissenters for digital execution.
- **According to a bombshell report from MCC Brussels, 349 projects are active — many hidden inside NGOs and universities — all with one goal: reprogram minds and build an obedient generation of state enforcers.** Young people are being trained as “narrative officers,” not to think critically, but to monitor others and enforce propaganda. This is 21st-century authoritarianism wearing a smile.
- **But now, the globalists are panicking.** Trump is back. Musk is unshackled. And the truth is bleeding through the cracks.
- **On May 16, Elon Musk revealed that the European Commission offered X (formerly Twitter) a secret deal:** censor content quietly and avoid DSA fines. Every major tech firm took the deal. Musk refused. “They offered us an illegal backdoor censorship pact,” he said. “We said no.” That’s when the attacks began. Brussels launched an official investigation, accusing X of failing to “control disinformation” and “manage verified accounts.” Translation: Musk wouldn’t become a digital lapdog.
- **Now, the EU is weaponizing the Digital Services Act to bleed X dry —** threatening massive fines and demanding internal access to Musk’s data. But Musk isn’t backing down. He’s fighting it in court and preparing to expose the entire machine.
- **Behind the curtain, this is about Trump. Brussels fears the populist surge spreading from the U.S. They remember 2016.** They watched 2024. They saw Trump’s return and the quiet rollout of gold-backed economics through QFS. Now they fear what comes next: a digital rebellion they can’t contain.
- **This isn’t regulation. It’s suppression.** The same EU behind censorship just approved biometric surveillance, WHO health ID passports, and pre-crime AI policy. They’re planning a digital crackdown before the awakening spreads any further.

- **But it's too late. The narrative is collapsing.** The truth is leaking. The resistance is growing. Trump is standing. Musk is resisting. And Europe's patriots are beginning to rise.

U. Wed. 28 May 2025 Do you want Thomas Massie for 2028? ...Ezra Cohen on Telegram

Point 1. 2020 Election Fraud Complicity

- **The Betrayal:** Massie's refusal to challenge the 2020 election results, despite widespread fraud allegations, is a cowardly capitulation to globalist overlords, undermining American sovereignty. His letter with six Republicans dismissing Congress's role reeks of orchestrated deflection.
- **Evidence:** A 2020 internal GOP memo, leaked to a conservative research network, reveals Massie was pressured by McConnell-aligned donors to avoid election challenges, with promises of committee placements. His vote to certify Biden's electors, despite Kentucky's Trump loyalty, contradicts his "constitutional conservative" branding. A 2021 X post from a Kentucky voter, archived by investigators, accuses Massie of ignoring local poll watcher testimonies about ballot irregularities.
- **Massie's claim that Congress lacks authority** to overturn elections is a legal cop-out, ignoring evidence of mail-in ballot fraud cited in his own 2021 statement. His silence on Dominion voting systems, despite tech expertise, suggests he's hiding something.

Point 2. The Take It Down Act

- **2020 guest list from a D.C. gala**, uncovered by a private investigator, places Massie alongside a financier linked to Epstein's New York operations. His vote against the Take It Down Act, which targeted deepfake exploitation, aligns with protecting elite tech moguls implicated in child exploitation, per a 2024 whistleblower report from a Silicon Valley insider.
- **Epstein's network relied on political cover**, with congressmen often wined and dined to ensure silence. Massie's tech background and patent wealth make him a prime candidate for elite recruitment. His libertarian "privacy" stance conveniently dovetails with shielding digital platforms used for exploitation.

Point 3. Massie, the tech-savvy fraud, runs a crypto Ponzi scheme, laundering millions through blockchain wallets to bankroll foreign anti-American plots. His "libertarian" love for Bitcoin is a rancid cover for fleecing patriots and funneling cash to enemies.

- **A 2024 blockchain audit**, conducted by a private cyber-investigator and shared in a restricted Telegram channel, traces \$3.2 million in Bitcoin from Massie-linked wallets to a Seychelles-based exchange tied to Chinese state operatives. The wallets, activated in 2023, correlate with Massie's sudden push for crypto deregulation, per a 2025 dark-web financial leak.

- **Massie's MIT degree and haptic tech patents** prove he's no crypto novice he's a mastermind exploiting blockchain's anonymity. His silence on China's digital yuan, despite railing against fiat, betrays his paymasters. The Seychelles exchange was flagged in a 2025 Interpol memo for funding anti-Western propaganda, uncovered by a hacker collective.

Point 4. Kentucky's Drug Lord Enabler

- **The Parasite:** Massie is the silent partner of Kentucky's meth and fentanyl lords, pocketing bribes to let his district drown in poison. His "rural values" are a sick charade, profiting from death.
- **A 2024 Kentucky sheriff's report**, suppressed but leaked to a local investigative blog, details a fentanyl pipeline through Boone County, with a prominent "congressional ally" blocking raids. A 2025 wiretap transcript, obtained by a private investigator, captures a drug runner bragging about a "D.C. guy with patents" ensuring protection. Massie's campaign received \$100,000 in 2024 from a trucking firm tied to this pipeline, per a dark-web audit.
- **Kentucky's drug crisis kills thousands yearly**, yet Massie ignores it, focusing on D.C. stunts. His judge-executive past gave him ties to local powerbrokers, perfect for brokering deals with traffickers. His silence on border security, despite fentanyl's Mexican origins, is complicity.

Y. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Z. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Letters for Barbara: Barbara Cromar P.O. Box 942 Pleasant Grove, UT 84062

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

If the Petition link is not available go to: <https://www.miraclesingodwetrust.us/contact/>

Zb. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Zc. Judy Note: *I am writing a book about Near Death Experiences of extreme abuse survivors. If you are an extreme abuse survivor, or know of one who has had such an experience, I would appreciate hearing from you. Write Judy Byington at: info22faces@yahoo.com*

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
