Trump’s Global Military Alliance

Restoring Freedom & The Constitution

Releasing a Global Currency Reset To Gold Backed Currencies of 209 Nations

Because Obama Sold Out America

2020 Election Fraud votes were hijacked with data rerouted through Israeli, Ukrainian and Chinese hackers paid for out of US Taxpayer monies laundered through the UN, WEF and CFR. Such allowed Hitler’s grandson Obama to install Biden as his puppet so he could sell out America to fellow Globalist Tyrants.

Judy Note: *“In May 2025 the Emergency Alert System to initiate Martial Law across the Globe, make mass arrests, hold Military Tribunals and permanently defeat the Deep State, while GESARA implementation resets Global wealth and free Med Bed treatments begin Worldwide to cure all health problems.” ...Julian Assange on Telegram*

This, the result of the biggest act of treason in U.S. history that happened on 3 Nov. 2020 when America was hijacked by Democratic Party corruption in collusion with China, Germany and other communist parties. Their Dominion and Smartmatic voting machines flipped the vote from Trump to Biden in 2,000 US counties and 30 states.

Military intelligence already has the data. Combine that with Continuity of Government ops already in motion, and you’ve got a scenario where the Commander in Chief Donald Trump returns—lawfully, constitutionally, and backed by the people.

On 14 May 2025 President Trump unleashed the final phase of Continuity of Government by triggering Executive Order 13848, resulting in Military raids that seized foreign servers.

With the servers decrypted, definite proof was found of 2020 Election Fraud where the vote was hijacked, puppet Biden installed and Obama in the process of selling out America to Globalist tyrants.

The U.S. Army Cyber Command conducted their classified operations in Frankfurt, Germany where they found that hacked servers rerouted 2020 election data through Israeli, Ukrainian and China. The proxies were paid by the UN, WEF and CFR.

As a result, Cyber Command took down thousands of foreign-linked IPs tied to NGOs and tech conglomerates. Swiss banks, Rothschild-linked financial institutions were put under audit and lockdown. Biden-backing hedge funds were now collapsing, dumping crypto and the New York Stock Market that tanked last Thursday 22 May has as of Sun. 25 May remained frozen deep in the red.

You would think we would need a Global Currency Reset (GCR) to gold/asset-backed currencies to get us out of this debt hole and save the Global economy. Maybe that’s what Trump

*had in mind when on **Tues. 20 May 2025** he officially launched the Quantum Financial System (QFS) into full-scale operation Worldwide.*

***Trump and the Global Military Alliance** was also going after a secret judicial shadow Cabal according to Edward Snowden. While President Trump has led a charge to restore law and order, this silent judicial coup – a network of anti-Trump judges, DOJ loyalists and globalist agents called the American Inns of Court – has been hosting undisclosed meetings, stacking the courts, and coordinating rulings aimed at dismantling Trump's America First movement.*

***You would think we would need Worldwide Martial Law** to straighten it all out. Maybe that's what Trump had in mind when on **Wed. 14 May 2025** he unleashed the final phase of Continuity of Government by triggering Executive Order 13848, resulting in Military raids that seized foreign servers.*

WARNING: Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments. ...Judy Byington

- **Sat. 24 May 2025: SCOTUS HANDS TRUMP FULL CONTROL OF FEDERAL AGENCIES — LAWFARE ERA IS OVER** ...The 17th Letter (JFK Jr.) on Telegram. The Supreme Court just detonated the Deep State's last defense line. In a historic ruling, President Donald J. Trump has been granted full constitutional authority to remove the heads of all so-called "independent" federal agencies — without cause, delay, or interference. This is the collapse of an empire built in the shadows — the unelected regime of agency heads, Obama-era loyalists, and lawfare architects who thought they could rule from the back rooms while pretending Trump was just a figurehead. The Court's decision confirms Trump can immediately terminate entrenched operatives like Gwynne Wilcox (NLRB) and Cathy Harris (Merit Systems Protection Board), along with anyone else weaponizing federal authority against the people. No hearings. No negotiations. Just direct executive power — as defined in Article II of the Constitution.

J. Sat. 24 May 2025: HOLLYWOOD PANIC: DIDDY'S SEX-RITUAL EMPIRE COLLAPSING ...Benjamin Fulford on Telegram

- **What you're witnessing is not a trial. It's an extraction operation.** Diddy's former assistant has testified under oath about elite sex rooms loaded with condoms, drugs, and sedatives — ritual chambers where celebrities were blackmailed, broken, and controlled. These weren't parties. These were psychological warfare centers, operated under intelligence protection.
- **Lie detectors. Gun threats. Surveillance tapes. This was MK-Ultra** with a hip-hop beat. And Diddy? A handler. A gatekeeper. A weaponized asset—used to normalize degeneracy, glorify drugs, and pump trauma into a generation.
- **Apple sauce laced with sedatives.** iPods preloaded with trauma loops. This wasn't accidental. It was systemized elite mind control. His staff weren't employees. They were slaves in a palace of blackmail. And now it's detonating.
- **David James's testimony is shredding the veil.** The same Diddy who forced assistants into polygraphs and blackmailed stars with hidden camera footage now stands naked before the Deep State's unraveling web. This is bigger than Combs. This is about a network that ran on fear, blood, and secrets. And it's falling apart — fast.
- **GITMO's expansion isn't a rumor.** The tribunal system is preparing for blackmail-based traffickers, not courtroom show-trials. Diddy's connections to elite political handlers and underground networks make him a liability — not just to Hollywood, but to the cabal that ran him like an op.
- **Encrypted servers tied to Epstein.** Pills shaped like Obama. Freak rooms with names. Every part of this is engineered for control, ritual, and domination.
- **Executives like Jimmy Iovine and Clive Davis?** Silent. Because they knew. Because they helped. Because they cashed in on youth trafficking and media slavery. The entire music industry was a hunting ground. The freak-offs? A tool of the Deep State.
- **And the leaks? Just starting. Sealed witnesses. Federal protection.** The rats are flipping. The walls are cracking. The façade of fame is disintegrating — and the truth is too radioactive to contain.
- **This isn't entertainment news. It's a battlefield report. THE STORM IS HERE. THE GATEKEEPERS ARE FALLING. AND THE PEOPLE ARE WAKING UP.**

- **TRUMP ENDS ANNUAL VAX PUSH FOR YOUNG & HEALTHY:** The Trump administration, backed by RFK Jr. as Secretary of Health, just **TORPEDOED** Big Pharma's golden goose. Annual COVID shots for the young and healthy? **OVER**. Effective immediately. This isn't a policy shift — this is an **EXTERMINATION** of the **pandemic cartel's cash cow**.
- **THE NARRATIVE COLLAPSES IN BROAD DAYLIGHT:** Obey. Inject. Repeat. That was their script. But now? Trump just blew the whole operation wide open. RFK Jr. is unleashing the suppressed data, shredding the gag orders, and throwing the doors open on the crimes of the century.

Sudden deaths, fertility collapse, autoimmune chaos — what they once called "conspiracy" is now **EVIDENCE**. Lawsuits are exploding. Their empire was built on blood money and fraud, and it's going down in flames.
- **RFK JR. GOES TO WAR:** Once silenced. Now commanding. RFK Jr. isn't running a department — he's leading a counteroffensive. He's exposing the NIH bribes. Releasing sealed trials. And preparing **CRIMINAL CHARGES** for every perpetrator of medical tyranny.
- **FAUCI UNDER INVESTIGATION. CDC BEING REBUILT.** This isn't reform. This is a purge.
- **THE GLOBAL COVID SCAM UNMASKED:** Every lockdown. Every mask. Every emergency order. Psychological warfare, bought and paid for by the CCP, the WHO, and Deep State engineers. They wanted control through infection. QR codes. Digital health passes. AI surveillance.

- **Trump ripped the wires out.** Now the WHO is cornered. The WEF is in meltdown. Their playbook is useless in the light.
- **EUROPE REVOLTS. AUSTRALIA TURNS. AFRICA STANDS TALL.** The world is rejecting the COVID industry. Vax factories are shuttering. Contracts shredded. The silence from the media? TERRIFIED COMPLICITY.
- **THE RESET OF THE RESET** Trump's medical order is here. Built on truth. Driven by vengeance. Those who injected poison into our veins — they will face tribunals.
- **This isn't healing.** This is retaliation. And we're just getting started. Buckle up.

- **Today, American kids receive 72 doses of 17 vaccines between birth and age 18.** Just to enroll in kindergarten, they're hit with 29 doses of 9 different vaccines. Daycare kids face multiple rounds of 13. And few parents even realize this.
- **Rogan questioned the logic behind that kind of medical regimen,** especially when it comes to the very first days of life. "Why would you give a baby a Hep B shot on DAY ONE for a sexually transmitted disease? Totally unnecessary and crazy."
- **He also took aim at the fear-driven messaging around diseases like tetanus.** "Tetanus is not dangerous. If you have an open wound with tetanus, you just wash it out and you won't get tetanus. The number of cases? ZERO."
- **Rodgers, echoing a frustration felt by many parents,** said the entire system has moved far from informed consent—and deep into financial conflicts of interest.
- **Doctors aren't just recommending vaccines, he argued—they're being paid to.** Behind it all, they pointed to a turning point in 1986, when the federal government passed the National Childhood Vaccine Injury Act. That legislation gave vaccine manufacturers blanket immunity from lawsuits, effectively removing the last guardrail. Since then, chronic illness among children has skyrocketed. Coincidence? They don't think so.

N. Sat. 24 May 2025: BOMBSHELL: 2020 WAS A MILITARY-GRADE COUP – BRUNSON CASE COULD EXPLODE IT ALL! ...Wikileaks Secrets on Telegram

- **The biggest act of treason in U.S. history wasn't a war. It was an inside job. On November 3, 2020,** America was hijacked. Not by soldiers—but by code, corruption, and collusion. Dominion and Smartmatic flipped the vote. This wasn't fraud. It was cyber warfare—2,000 counties, 30 states, and millions of stolen voices.
- **This was a silent coup.** And the Deep State thought you'd never find out.
- **The New York Times' own report admits what they couldn't cover up fast enough:** 104,984 stolen votes in Georgia. 347,768 in Pennsylvania. These are just the confirmed digital manipulations—not even counting dead voters, duplicate ballots, or truckloads of illegal midnight dumps. We're talking half a million flipped votes in two states alone.

- **They thought they were clever.** They thought you'd trust the machines. But now the algorithm's out of the bag. Dominion and Smartmatic didn't just "malfunction." They were engineered for subversion, with backdoors built for real-time vote tampering. This wasn't some local-level fraud—it was national, coordinated, and weaponized.
- **And now? The Brunson Brothers** just lit the fuse.
- **This Supreme Court case isn't some long-shot. It's active, real, and terrifying the establishment.** Why? Because it targets Congress directly—for refusing to investigate the 2020 coup. If the Court sides with Brunson, the entire fraudulent certification collapses. Every complicit member of Congress? Exposed. Indictable. Removable.
- **This isn't fantasy. It's already on the docket.** And the Deep State is panicking.
- **The media is silent because they're part of it.** This wasn't just about getting Biden in office. It was about ending America's sovereignty, crushing resistance, and installing a controlled puppet state. But we still have one shot left—and it's nuclear.
- **TRUMP DOESN'T NEED A NEW ELECTION. HE JUST NEEDS JUSTICE.**
- **Military intelligence already has the data.** The Court case cracks the narrative. Combine that with continuity of government ops already in motion, and you've got a scenario where the Commander in Chief returns—lawfully, constitutionally, and backed by the people.
- **You've been lied to.** Now it's time to fight like hell.
- **STAND BY FOR TRIBUNALS. STAND BY FOR GITMO. STAND BY FOR TRUMP. THE STORM IS HERE. BQQQM!!!**

O. Sat. 24 May 2025: BOMBSHELL EXPOSÉ: SECRET JUDICIAL CABAL EXPOSED — ANTI-TRUMP JUDGES CAUGHT IN SHADOW SOCIETY. MILITARY TRIBUNALS INCOMING. ...Edward Snowden on Telegram

- **While President Trump leads the charge to restore law and order,** a silent judicial coup is unfolding behind courtroom walls. A network of anti-Trump judges, DOJ loyalists, and globalist agents has been EXPOSED. Their weapon? A secret society operating under the guise of legal professionalism — The American Inns of Court.
- **This shadow Cabal** has been hosting undisclosed meetings, stacking the courts, and coordinating rulings aimed at dismantling Trump's America First movement. The DC branch — the Edward Bennett Williams Inn — has gone so far underground, its digital footprint has been erased. Yet the meetings continue... behind locked courtroom doors.
- **WHO'S INVOLVED?** Judge James Boasberg – Organizer, Trump-Russia hoax cover-up, EBW President. Justice Ketanji Brown Jackson – Biden's SCOTUS pawn, EBW VP. Judge Amit Mehta – Hosted DOJ strategy sessions in her own court. Judge Beryl Howell – Awarded for persecuting J6 patriots. Chief Justice John Roberts – Tied to U.K.'s Middle Temple, where George Soros funds fellowships
- **Yes — Soros money flows into the same legal circles Roberts bows to.** Coincidence?
- **This isn't networking. It's a judicial war room**—rigged awards, secret alliances, and DOJ officials shaping narratives in private. On Feb 15th, 2025, one meeting alone

included DOJ Inspector General Michael Horowitz, multiple Assistant AGs, and 150 federal judges and lawyers. All OFF THE RECORD. These aren't legal professionals. These are saboteurs.

- **Now we know why Trump allies lose court battles.** The rulings were fixed before they started. They praise each other for jailing Trump supporters. They coordinate with DOJ insiders to crush opposition. And they do it out of sight, with zero oversight.
- **THIS IS NOT MISCONDUCT — THIS IS TREASON.** When the judiciary becomes a weapon of war against the People — it forfeits civilian protections.
- **THE ONLY SOLUTION LEFT: MILITARY TRIBUNALS.** These judges are no longer neutral. They're co-conspirators. They've declared war on constitutional justice and the Commander-in-Chief. The Deep State embedded them. The time to remove them — lawfully — is NOW.
- **The Republic is under siege.** And justice must return to its final stronghold: the United States Military.
- **PATRIOTS IN CONTROL. THE CLOCK IS TICKING. GITMO AWAITS.**

P. Sat. 24 May 2025 THE DEATH TOWERS ARE ACTIVE — COURT LEGALIZES RADIATION WARFARE AGAINST AMERICANS. ...Julian Assange on Telegram

- **It's done. The 9th Circuit just declared open season on your body,** your brain, your children. Telecom death towers can now bathe you in radiation — LEGALLY. No liability. No lawsuits. No escape.
- **The ruling says cell towers aren't "public accommodations" under the ADA.** That means if you're bleeding, seizing, or dying from EMF radiation, you have no legal ground to stand on. The court threw Americans under the bus to serve Big Telecom and the Deep State.
- **Let's say it plain:** this is SOFT-KILL GENOCIDE. These towers aren't for speed. They're for control. A microwave matrix designed to fry your cells, hijack your thoughts, and dismantle your biology — piece by piece.
- **Trump warned us.** He knew the truth about EMFs, 5G, and military-grade tech. He tried to expose the FCC. But the Deep State blocked him, just like they've blocked Henry Allen and Marcia Haller — both denied justice after suffering radiation-induced strokes, insomnia, heart failure, neurological collapse.
- **The courts say it's fine.** Your pain doesn't matter. The towers "aren't places," so the ADA doesn't apply. This is psychotic legal alchemy, weaponized against the people.
- **RF radiation is proven to destroy human cells.** It causes gliomas, neuromas, infertility, DNA fragmentation. Even Italy's Supreme Court admitted it. But in America? Courts kneel to Verizon like it's a god.
- **Children are collapsing.** Cancer is rising. Brain tumors now kill more kids than leukemia. Still think this is accidental?
- **This is deliberate.** The FCC is a puppet regime. The Telecom Act of 1996? A globalist weapon. Section 704 must be torn out by the roots. Trump is the only one who ever tried.

- **This isn't wireless tech.** This is wireless WARFARE.
- **Your town can't stop it.** Your mayor can't ban it. The towers go up — and YOU go down.
- **But there is one path forward:** Trump. Nullify 704. Crush the FCC. Charge the traitors. Dismantle the death grid.
- **The courts won't save you.**
- **This is the red line.** This is the WAR SIGNAL. ACT NOW — or be irradiated into silence.

Q. Tues. 20 May 2025 BOMBSHELL: TRUMP ACTIVATES E.O. 13848 — MILITARY SEIZES FOREIGN SERVERS PROVING GLOBAL ELITE RIGGED 2020 ELECTION

...Matt Wallace on Telegram

- **As of May 14, 2025, the silent war has entered open combat.** President Trump, reinstated after his 2024 landslide, unleashed the final phase of Continuity of Government. The trigger? Executive Order 13848. The result? Military raids. Foreign servers seized. Digital proof decrypted.
- **The traitors' firewall has been breached.** They thought they got away with it in 2020 — hijacking the vote, installing a puppet, and selling out America to globalist tyrants. But Trump never left. He operated in silence, backed by military intelligence. Now, the order has been given.
- **U.S. Army Cyber Command has conducted classified operations in Frankfurt, Germany. Servers rerouting 2020 election data through Israeli, Ukrainian, and Chinese proxies were taken.** These weren't hackers — they were mercenaries paid by the UN, WEF, and CFR, all protected by Biden's fake regime.
- **That regime collapsed on January 20, 2025.** What replaced it? A Commander in Chief with sealed indictments, military tribunals, and Space Force satellite intel. While the media mocked Space Force, it quietly captured real-time digital interference. Every packet. Every jump. Every trace.
- **Now decrypted and in Trump's hands, that evidence has triggered global panic.** Thousands of foreign-linked IPs tied to NGOs and tech conglomerates — gone. Swiss banks, Rothschild-linked financial institutions — under "routine audit" lockdowns. Biden-backing hedge funds are collapsing, dumping crypto in desperation.
- **Trump's Treasury task force under General Christopher Miller** is executing a precision financial strike. The Deep State's funding arteries are being cut. This is wartime economics.
- **Military tribunals at GITMO, Raven Rock, and Cheyenne Mountain** are in full motion. Processed: CIA operatives, tech CEOs, DNC contractors, and foreign agents in media. No DOJ. No civilian courts. Real justice.
- **The media mocks "military rumors"** as black-site flights, D.C. no-fly zones, and Federal Reserve cyber lockdowns unfold before their eyes. Trump is personally

overseeing ops from a secure Florida command post — flanked by loyal patriots from NSA, Space Force, and cyber units.

- **The enemy knows. UN “emergency meetings”** are cover-ups. Global elites are fleeing. The kill switch has been pulled. The takedown is live.
- **Brace for: Confessions under interrogation.** Seized assets from billionaire traitors. Leaked intelligence proving foreign control. Mass arrests of WEF collaborators
- **Trump is not coming back. He’s already back.** The Republic is rising. The traitors are falling. E.O. 13848 is now active. This is the reckoning.

U. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

V. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. W. “Ken and Barbie vs. Goliath IRS”: Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in prison since.

Dear Faithful Patriot Friends and Family,

It has been an intense week. So much is happening on many different battlefronts as we chased our ultimate goal of reaching the Supreme Court of the United States in Washington D.C.

It all began on Thursday when Raland mailed in for me a Petition for Extraordinary Writ of Habeas Corpus, prepared by genius Tom Freed. It was the SIXTH attempt. Would they accept it this time? When I wrote about "a Miracle appears to be in the works" back in December, it was because that was when I filed the FIRST attempt. But, they kept sending it back with what appeared to be lame excuses about form, which didn't make sense because we were following their own rules. Seemed calculated to stop the kind of filing to SCOTUS we wanted. Hmm. But, I consider it a small bump in the road.

Then on Saturday the 17th, While laying on my bunk looking out my prison cell (cubicle) window, I saw a beautiful American Bald Eagle circling above me for a few minutes. I've been told that this is a good omen, particularly in Native American culture. I had never seen one around here since my arrival to this Federal Prison Camp on March 11th.

Wednesday May 21, was the one year anniversary of my first day of trial in the Federal District Court (Salt Lake), where I, a legal novice, had defended myself for eight days all alone, against four Prosecutors in front of a 12 man jury. Normally, in this situation, I've been told by many that all counts are found GUILTY within just a couple of hours.

GREAT NEWS!: This morning, while walking the track with my friend Gordon, coincidentally also from Cedar Hills, UT, -- we saw an American Bald Eagle do a flyover. Then a few minutes later, a young golden eagle flew circles over us. Two beautiful omens. Then, at about 2:10 in the afternoon I learned from Raland Brunson that my case had been received and docketed for consideration by the Supreme Court of the United States of America -- or SCOTUS! We have an official case #24-7258! What that means in essence is that my case is in the Green Room waiting, in hopes that the NINE Supreme Court Justices will consider hearing my case. How cool is that? You can pull up our case at this SCOTUS link and see it for yourself...

<https://www.supremecourt.gov/search.aspx?filename=/docket/docketfiles/html/public/24-7258.html>

When I had written back in December that "a small Miracle appears to be in the works" it was because that was when we made the FIRST attempt. But they kept sending it back claiming we had mistakes and that we couldn't file it the way we wanted, but it wasn't true, as we were following their rules exactly. It appeared as if the IRS / DOJ didn't want us to file the kind of application for writ a certain unique way we wanted to, because it would be super effective, and we could win. So, finally, they couldn't block us in the end.

Getting to SCOTUS to challenge the validity of the IRS's false interpretation of federal income tax law, -- has always been our goal since this nightmare began **January of 2018**. We've gone through 18 court cases to get to this point. Very few cases get heard by SCOTUS. There's no guarantee they'll hear my case. But, you can't win a landmark case at the Supreme Court unless the 9 Justices hear your case. They won't hear your case if it's not first on the docket for their consideration. You can't win at SCOTUS unless you file. And, we had to lose every one of the 18 cases to be able to get to the Supreme Court. Now, it will take a small Miracle for the Justices to be willing to Hear the false and fraudulent application of "the tax law" and TEST it. Well, here we are! Congratulations to ALL of We the People, -- not just "Barbie & Ken vs. Goliath IRS". So your prayers are more important now than ever please?!

Remember, please don't pray that Barbara and I are freed from this tyranny, but rather that we fulfill what we've always felt was our "assignment" to get to this point. This is the good Lord's battle, not ours. We don't want to get 98% through the terrorism we've suffered, and get out before completing the assignment. We feel so inadequate. We're not smart enough, or rich enough, nor fast enough to do this thing, but:

"But God hath chosen the foolish things of the world to confound the wise, and God hath chosen the weak things of the world to confound the things which are mighty." (BIBLE - 1 Corinthians 1:27)

Well we certainly qualify as "foolish", and "weak", and simple. This could end quickly with victory. Or, it could require multiple attempts at SCOTUS from different angles before our assignment is completed. But, Barbara & I are determined to go 100% for Him, humbly remembering we're just willing pawns, who trust Him, however this plays out. We understand that it's the Lord who wants to "set His people free, that they may serve me", (Exodus 10:3) as we anticipate the Second Coming of His Son Jesus Christ, who will rule and reign over a liberated world for the 1,000 years of Millennial peace and glory.

If you've read this far, thank you. We are so grateful for your love, concern, support in resources and especially your prayers. Ours is a GREAT God. We believe in Him, and look forward to his MIRACLES.

**May God Bless You and all We the People,
Ken (and Barbara)**

X. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so

when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
