Judy Note: *"Within the next ten days the Gold/asset-backed Quantum Financial System will officially replace the Cabal's old and bankrupt SWIFT Financial System." ...SGAnon on Telegram Fri. 2 May 2025*

This will include a takedown of the Mainstream Media. Major media platforms have already received "Continuity of Government" broadcast orders.

By Mon. 5 May and over the new Star Link Satellite System, the Global Military Alliance's Operation Nightfall will begin public disclosures that will include:

- **Off-the-books arms contracts** signed by UN delegates.
- **1980s-era virus engineering blueprints** tied to Rockefeller labs.
- **Secret agreements between Central Banks and media conglomerates** outlining "perception control" operations through trauma-based narratives.

- **The Covert Alliance between Jesuit command,** Windsor royal agents and WEF operatives, mapping out global social engineering directives launched after 9/11 and accelerated post-COVID.

Nicole Schwab, the daughter of Klaus Schwab, was reportedly working with international prosecutors, spilling secrets of the Satan Worshipping, Child Sacrificing Cabal's World Economic Forum (WEF). Nicole was exposing their blueprints for population control, forced compliance via digital surveillance, lab-grown pandemics, engineered starvation, fertility collapse and food chain sabotage across the Globe.

The Cabal had silenced doctors and censored truth, while entire nations had been coerced into fear and obedience. The bottom line: the WEF's Great Reset was a codeword for Mass Murder.

For years Global Elites of the Cabal had been engineering a silent genocide. Chemtrails, HAARP and RF storm weapons pulsed the ionosphere, steering jet streams and triggering chaos. Droughts, cyclones, dry lightning, flash floods — all engineered. Forests were dying, crops collapsing, people sick, oceans, acidifying, with UV-B radiation frying the planet and fake winters manufactured through chemical ice nucleation. Rain samples revealed neurological toxins, with Aluminum in people's brains, Barium in the soil and a rash of Autism, Alzheimer's and cancers exploding.

These classified Deep State programs operated under black budgets filled to the brim with US Taxpayer monies. They had put the National Weather Service and NOAA under illegal gag orders. Whistleblowers were hunted down and dealt with. Even environmental groups were bought off, or silenced.

This was biological warfare, geo-engineering genocide, climate treason — that was paid for with our stolen tax dollars.

To help make the World Great Again FBI Director Kash Patel has unleashed a Polygraph crackdown to crush Deep State leakers. These weren't harmless leaks. They were coordinated acts of sabotage. They leaked ICE raid details, sabotaged surveillance of Cartel-linked targets and weaponized the press to manipulate the public and derail Trump's agenda.

CNN whines. The Washington Post trembles. MSNBC mourns their "martyrs," but if you leaked classified intel, you're not a Whistleblower — you're an enemy of the Republic, a criminal, a traitor.

FBI, DHS, and ATF offices were being purged and restructured by military command. The CIA was going down completely. Major Banks were collapsing. Deep State gold reserves were being confiscated as the Quantum Financial System was seeded across 89 nations. Public debt

forgiveness has silently begun in Iceland, Hungary and select South American regions, hidden under a strict media blackout.

Special Forces and National Guard units under Alliance control, had lethal force orders against infiltrators who were crossing the border into Texas, Arizona and California. Globally, Deep State operatives were being hunted across Europe, South America and Africa. Rogue cells have attempted to establish fallback positions in France, Germany, Argentina, Uruguay and Bolivia—but they were systematically being dismantled.

High-value arrests included politicians, bankers, media moguls, judges and royalty. Now charged with Treason against The People of the World, the Satanists faced indictments, arrests, incarceration, tribunals and likely hangings. GITMO's capacity had tripled, while offshore sites processed detainees daily. The Global Military Alliance's other prisons included the Globalists own man made Hell Hole beneath Antarctica.

Now it was time for the Grand Finale. An Emergency Broadcast System (EBS) Activation Window would close on Wed. 7 May, but only if 93% of arrests were completed, border zones secured and sabotage cells, neutralized.

With the EBS Trumpets will sound over phones, radio and TV worldwide. Trump will be announced as the Commander in Chief. He will introduce the EBS and takeover of mainstream media. At that point 34 Satanic Landmarks across the Globe will be bombed, while GESARA funds are enacted.

The EBS will blackout all media systems globally and reroute through the Quantum Grid so every device on Earth could broadcast the truth, including mass public tribunals and We The People can rebuild a World of Peace for Humanity.

WARNING: The TRB products were believed to be a scam. I have never supported them and neither has President Trump. Trump's attorney has indicated they were looking into that TRB product scam and have two FBI and police investigations open on them. ...Judy Byington

WARNING: Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments. ...Judy Byington

E. Fri. 2 May 2025: Quantum Financial System Activation is imminent. ...Steve Bannon on Telegram

- **They're building it behind closed doors — and it's almost complete.** While the media floods you with distractions, banks, governments, and Big Tech have declared WAR on the current system. They're not “testing” quantum tech — they're operationalizing it. Quietly. Aggressively.
- **April 29, 2025 — South Korea signs a deal between KB Kookmin Bank and Orientum to roll out quantum computing in finance.** Simulations, blockchain enhancements, and security upgrades are on the menu.
- **The UK is pumping \$159M into quantum crime detection,** partnering with HSBC to hunt “illicit transactions.”
- **Abu Dhabi? Pouring billions into a Quantum Research Center** to dominate finance in the Middle East. This isn't theoretical anymore. It's a controlled demolition of the old system.
- **NVIDIA is now integrating QPUs directly into financial simulations. Their new quantum center in Boston just went live,** powered by 576 Blackwell GPUs. They've partnered with MIT, Quantinuum, and QuEra to blur the line between classical and quantum.
- **Microsoft's Majorana 1 chip is a ticking time bomb for the blockchain.** It's already threatening to crack RSA and ECC encryption — the backbone of crypto wallets worldwide.
- **Banks like JPMorgan and HSBC are going quantum NOW.** JPMorgan already pumped \$300M into Quantinuum and achieved a 100x leap in quantum fidelity. They're using it to optimize portfolios and shield assets. HSBC, meanwhile, is encrypting gold trades and forex with quantum key distribution.
- **But here's the kicker: Quantum computing is not just enabling a new system — it's EXPOSING the old one.** Blockchain is on the brink. D-Wave's new “quantum blockchain” makes legacy coins look like fossils. Quantum eMotion's hardware wallets claim to cut theft risk by 98%. And the “quantum killshot” looms — Shor's algorithm could wipe out every unprotected wallet in one strike.
- **Microsoft and Google have crossed red lines.** Hudson Institute warned last year: data being harvested TODAY can be decrypted TOMORROW. NIST's post-quantum encryption isn't ready for global rollout, and time is running out.
- **This is the transition phase. A hybrid war between classical and quantum systems.** XRP is already being floated as the token that could bridge it all — a transparent QFS anchored in quantum and blockchain fusion.
- **Make no mistake: this isn't 10 years away. It's here.** The tech is ready. The banks are onboard. The security protocols are shifting. They aren't planning for quantum — they're racing to control it.
- **The storm has already started.** Prepare for the flip. THE QFS IS NO LONGER A THEORY. IT'S THE SYSTEM THEY'RE ABOUT TO FORCE ON THE WORLD.

G. Fri. 2 May 2025: Operation WHITE SWAN is in full assault phase, but the battlefield is still live and dangerous. ...Charlie Ward and Friends on Telegram

- **Special Forces are executing nonstop kinetic strikes** against cartel paramilitaries, trafficking routes, and Deep State escape corridors worldwide.
- **Military readiness remains locked at DEFCON 2 across multiple critical regions.** Trump’s Global Military Alliance holds battlefield dominance, yet Deep State remnants are launching desperate sabotage attempts, from cyberattacks to destabilization ops.
- **GESARA protocols are progressing methodically. The Quantum Financial System is seeded across 89 nations.** Public debt forgiveness has silently begun in Iceland, Hungary, and select South American regions, hidden under strict media blackout.
- **Behind closed doors, major Central Banks are collapsing.** Deep State gold reserves are being confiscated. Treasury systems backed by quantum assets are standing by for deployment post-EBS to stabilize global economies.
- **Security threats persist. Space Force, NSA, and Army Cyber Command are intercepting cyberattacks targeting critical infrastructure.** Deep State loyalists are being neutralized rapidly, but vigilance remains critical as we approach the final stage.
- **The southern U.S. border has become an invisible war zone.** Following the collapse of Biden’s puppet regime, CIA-backed cartel forces have been forced into final suicidal assaults against American territory. Sinaloa, CJNG, and Los Zetas, stripped of leadership through Alliance extractions, are locked in violent infighting.
- **FBI, DHS, and ATF offices are being purged and restructured by military command.**
- **Smuggling tunnels** are systematically destroyed using thermobaric charges.
- **Special Forces and National Guard units under Alliance control** have lethal force orders against infiltrators crossing into Texas, Arizona, and California. Reports of loud explosions and strange lights at night are not accidents—they are echoes of hidden battles raging at the frontier. This is no longer about immigration. It is full-scale asymmetric warfare.

- **Globally, Deep State operatives are being hunted across Europe, South America, and Africa.** Rogue cells attempt to establish fallback positions in France, Germany, Argentina, Uruguay, and Bolivia—but they are being dismantled systematically.
- **Antarctica remains completely sealed under classified operations** targeting ancient hidden technologies once controlled by elite bloodlines. Space-based weapon systems have been seized by the Alliance, ensuring no escape routes for Deep State survivors.
- **Military tribunals are operating nonstop.**
- **High-value arrests include politicians, bankers, media moguls, judges, and royalty.**
- **GITMO's capacity has been tripled**, with offshore sites processing detainees daily.
- **The Emergency Broadcast System is fully armed** and in final readiness. Communications engineers are running override drills to ensure all media systems are captured globally once the activation triggers.
- **The EBS window remains between April 30 and May 7.** Mission parameters must be met: 93% of arrests completed, border zones secured, sabotage cells neutralized. Trump and the Alliance will not trigger prematurely.
- **When the EBS launches, the media blackout will be total.** Telecommunications will reroute through the Quantum Grid. Every device on Earth will broadcast the truth. Mass public tribunals will be streamed after the initial blackout.
- **This is the most dangerous and transformative moment in human history.** Every move must be perfect. The globalist system is collapsing. Their leadership is imprisoned, dead, or fleeing. But their machine—cartels, gangs, AI farms, and synthetic infiltrators—still thrashes violently.
- **Patriots must stay vigilant.** Citizens must hold the line.

Wars and Rumors of Wars:

H. Fri. 2 May 2025: BOOM!!! TOTAL WAR: RODS OF GOD UNLEASHED — THE INVISIBLE WAR HAS BEGUN ...Nesara Gesara 2.0 on Telegram

- **Iran's nuclear facilities were destroyed this weekend** — and no one saw it coming. No missiles. No aircraft. No explosions caught on radar. But deep underground, fortified bunkers were torn apart. Why? Because space-based kinetic weapons have been deployed. The “Rods of God” are no longer a theory — they are active and operational.
- **PURE GRAVITY AS A WEAPON — UNTRACEABLE, UNSTOPPABLE** Tungsten rods the size of telephone poles, dropped from orbit at terminal velocity. No warheads. No radiation. No radar signature. Just a strike force equivalent to a tactical nuke, leaving no fingerprints. You don't see them coming. You just see the aftermath: obliteration without explanation.
- **THE STRIKE: IRAN'S NUCLEAR HEART TAKEN OUT IN SILENCE** This past weekend, massive heat anomalies were recorded deep inside Iran's most secure nuclear facilities. No evidence of incoming fire. No defensive intercepts. Just sudden destruction

from within. Iran's media? Silent. Military? Frozen. Global allies? Speechless. This wasn't terrorism. This wasn't sabotage. This was strategic dominance from the heavens.

- **WHY NOW? BECAUSE THE RESET HAS BEGUN** This wasn't just about Iran. It's about collapsing the globalist machine. While the world watches clown shows on the news, the real war is being fought in silence: Iraq reclaiming economic sovereignty. India rewiring liquidity pipelines. Petrodollar chains snapping. Trump preparing financial detonations
- **Meanwhile, the WEF, IMF, and World Bank** are in freefall. Their masters are panicking — because they're no longer in control.
- **THE INVISIBLE WAR JUST WENT VISIBLE** This is what it looks like when covert warfare steps into the light: Facilities vanish without a trace. Regimes collapse with no invasion. Economies reset with no headlines. We are witnessing the end of their system — and the rise of ours.
- **THE MESSAGE: STAY FOCUSED. STAY ARMED WITH TRUTH.** The globalists aren't done. But their desperation is obvious. Their weapons are tired. Their media has lost control. And the next strike could land anywhere — without warning.
- **This is not the end.** It's the beginning of total collapse.

J. Fri. 2 May 2025 FBI Insider: Epstein Victims Are Being Murdered to Protect VIP Pedophiles ...Emergency Broadcast System on Telegram

<https://t.me/EmergencyBroadcastSystem> <https://t.me/+gsgoKMvMYMQ4M2I0>

- **An FBI insider has stepped forward**, blowing the lid off the silent purge of Jeffrey Epstein's victims. According to him, Virginia Giuffre's death was only the beginning - just the first crack in a much larger, much darker operation.
- **Dozens of Epstein survivors** - many of them not famous, not household names - are being quietly purged, their deaths buried without a trace. But each of them was a threat to the elite, and now they're being removed, one by one, before they can expose the truth.
- **The FBI, instead of protecting these victims**, has been complicit in covering up their murders, all to shield the VIPs who have everything to lose if the full scope of Epstein's crimes ever comes to light.

L. Fri. 2 May 2025: SHOCK REPORT: THE IVERMECTIN SCANDAL — WHAT BIG PHARMA NEVER WANTED YOU TO KNOW ...Steve Bannon on Telegram

- **EXPOSED [28 April 2025]** — Ivermectin wasn’t just safe. It was a miracle drug. The Deep State buried it. Now the truth ignites a fire they can’t put out.
- **They mocked.** They lied. **MILLIONS DIED.**
- **They called it “horse paste.”** They smeared doctors. They silenced whistleblowers. Now the studies they tried to destroy are coming back to HAUNT them.
- **Ivermectin was FDA-approved for humans in 1987.** Not livestock. And it **WORKED.** It was the antidote — and they knew it.
- **Ivermectin blocks Spike Protein invasion.** It halts C-virus replication in the bloodstream. It reverses vaccine injury.
- **It could’ve saved MILLIONS.** So why did they ban it? Because healing doesn’t make money. Big Pharma’s nightmare is a drug that cures without addiction, without side effects, and without \$500 price tags.
- **Ivermectin is anti-inflammatory.** It rebuilds nerves. It restores muscle. It heals autoimmune hell — RA, lupus, Crohn’s, psoriasis. It detoxes the damage **THEY INJECTED INTO US.** And it goes deeper...Cancer. Heart Disease. Neurodegeneration. It protects the heart from embolic death. It suppresses tumor growth. It enhances chemo — even kills chemo-resistant cells. It repairs the nervous system. Alzheimer’s? Parkinson’s? MS? The cure was here. They hid it.
- **Metabolic disorders? Reversed.** Fatty liver? Cleaned. Chronic herpes viruses? Eliminated. Type II diabetes? Regulated. Immunity? Restored.
- **They chose control over cure.** They kept the world sick while raking in billions. They knew hospitals didn’t have to overflow. They knew lockdowns didn’t have to happen. And they knew you didn’t have to die. This wasn’t ignorance. It was **GENOCIDE.**
- **The medical cartel, the alphabet agencies, the media** — they **ALL** colluded. Now their web is unraveling. The curtain is falling. The paper trail is real. The awakening is unstoppable.
- **There will be justice.** And there will be vengeance. The war for truth has only just begun.

M. Fri. 2 May 2025 BREAKING: THE TRAITOR HUNT BEGINS. FBI Director Kash Patel Unleashes Polygraph Crackdown to Crush Deep State Leakers. ...EBS Activated With Trump on Telegram

- **April 30, 2025. The gloves are off. Under direct orders from Director Kash Patel, the FBI has launched a massive polygraph purge to expose the embedded traitors leaking classified intel to the leftist media.** This isn't oversight — it's warfare.
- **President Trump is back in the Oval Office** — not to compromise, but to clean house. The silent coup from within ends now. No more whispers in the dark. No more immunity for subversives cloaked in government uniforms. The system is turning on its infiltrators — and they're finally afraid.
- **Inside the FBI: Polygraph Warfare Begins:** Forget policy memos. Every suspected leaker is being hauled in for mandatory polygraph testing. The tests aren't coming next month. They already started. Agents are being interrogated, scanned, watched. Kash Patel has declared open war on the Deep State's internal army — and he's not holding back.
- **These weren't harmless leaks. They were coordinated acts of sabotage.** Internal comms, classified ops, surveillance plans — all dumped to the media before reaching senior leadership. That's not journalism. That's treason.
- **This Is How You Dismantle a Shadow Government:** The Deep State moles inside our federal agencies thought they were untouchable. They leaked ICE raid details. They sabotaged surveillance of cartel-linked targets. They weaponized the press to manipulate the public and derail Trump's agenda.
- **But now the system is fighting back. DHS and FEMA are joining the purge.** More polygraphs. More traitors exposed. Two federal employees just got tracked, interrogated, and referred for prosecution after leaking ICE data. No applause. No safe landing. Just consequences.
- **The Media Meltdown Begins:** CNN whines. The Washington Post trembles. MSNBC mourns their "martyrs." That's not journalism we're watching — it's a panic spiral. Their pipeline of curated lies is crumbling, and Patriots are winning.
- **Director Patel isn't going after "dissent." He's going after lawbreakers who used their clearance as weapons.** If you leaked classified intel, you're not a whistleblower — you're an enemy of the Republic.
- **We Stand With Kash Patel — And Trump:** Director Patel doesn't answer to the media. He answers to Trump. And Trump answers to us. They're building a government that serves the people — not the parasites, not the press, not the NGOs.
- **This is just the beginning. The message is clear:** If you leak — you'll be hunted. If you protect traitors — you'll fall with them. If you miss the old regime — you're obsolete.

**N. Fri. 2 May 2025 EXPOSED: KLAUS SCHWAB'S DAUGHTER FLIPS —
CONFESSES WEF'S PLAN TO MURDER BILLIONS ...SGAnonQ on Telegram**

- **Nicole Schwab has broken the code of silence. The daughter of Klaus Schwab is now reportedly working with international prosecutors,** spilling secrets that were never meant to see the light of day. She just detonated the WEF's dirtiest secret: a plan to depopulate the Earth — by billions. World Economic Forum Goal: To Depopulate the Planet For Use of the Elite

- **The elite are in meltdown.** Arrests are no longer a theory. Nuremberg 2.0 is coming. The puppet masters are trembling in their bunkers.
- **The Globalist Death Agenda Is Cracking Wide Open.** For decades, the world was ruled by faceless tyrants hiding behind three-letter shields: WEF. WHO. UN. IMF. Now, those shields are falling. Nicole's alleged testimony rips open the heart of the Cabal's operations — exposing blueprints for population control, engineered pandemics, and forced compliance via digital surveillance. This wasn't conspiracy. It was policy.
- **Fertility collapsed. Food was sabotaged. Injections were rushed.** Entire nations were coerced into a cage of fear and obedience. The endgame? A culling. Masked as “sustainability.”
- **The Untouchables Are Now the Hunted.** Sources say Nicole's cooperation has sparked panic inside Davos. Immunities may be stripped. Secret deals unraveling. WEF insiders are lawyering up. The so-called “untouchables” are turning on each other — because they know what's coming.
- **Digital ID systems. Lab-grown pandemics. Engineered starvation.** All of it meticulously planned — and now, systematically exposed.
- **The Great Reset Was a Codeword for Mass Murder.** Behind the smiling speeches and climate summits, the WEF built a death machine. Nicole grew up inside it. She knows the names. The timelines. The intentions. And now, she's putting it all on the table.
- **This isn't just a leak** — it's a detonation. The Storm Is Here — And Justice Is Coming
- **The whispers in the Hague were growing into a roar.** Real indictments. Real names. Real trials. The age of secrecy was dead. The age of reckoning has begun.
- **They silenced doctors. They censored truth. They manipulated nations.** And now, they will face the judgment they never imagined possible.
- **Nicole Schwab may have just flipped the final switch.** They wanted silence. They're getting a global uprising. They wanted control. They're getting collapse.
- **We are not victims.** We are the storm. Nuremberg 2.0 isn't a meme — it's destiny.

Chemtrails and Weather Modification:

O. Fri. 2 May 2025 CLASSIFIED: WEATHER WARFARE IS REAL — AND IT'S HAPPENING RIGHT NOW. ...Steve Bannon on Telegram

- **They are not “fixing” the climate. They're weaponizing it.** The Dimming isn't a theory — it's a covert military operation unfolding above our heads. Chemtrails, HAARP, RF storms, climate chaos — all of it is part of the same beast. Earth is under assault. Humanity is the test subject. And the elites are the engineers of a silent genocide.
- **THE SKY IS A BATTLEFIELD. WE ARE THE TARGET. High-bypass turbofan engines can't make persistent contrails.** So what's falling from the sky? Aluminum. Barium. Strontium. Nanoparticles. It's not condensation — it's chemical warfare disguised as climate protection. The trails don't vanish — they spread, haze, and rain down poison.

- **Forests are dying. Crops are collapsing. People are getting sick. The oceans are acidifying, UV-B radiation is frying the planet, and fake winters are being manufactured through chemical ice nucleation.** Trees burn hotter than ever. Wildfires explode in every direction. Entire ecosystems are being erased.
- **The real goal? Control. “Global dimming” is sold as climate protection — but it’s about sunlight suppression,** rainfall disruption, weather domination, and human subjugation. The military-industrial complex has hijacked the sky. Vietnam saw weather weapons. Today, they’re perfected.
- **HAARP and RF weapons pulse the ionosphere,** steering jet streams and triggering chaos. Droughts, cyclones, dry lightning, flash floods — all engineered. Entire nations have accused NATO of stealing their rain. This isn’t environmentalism. This is silent slaughter.
- **Classified programs operate under black budgets.** The National Weather Service and NOAA are under illegal gag orders. Whistleblowers are hunted. Even environmental groups are bought off or silenced.
- **Rain samples reveal neurological toxins.** Aluminum in the brain. Barium in the soil. Autism, Alzheimer’s, and cancers are exploding — and no one dares link them to the sky. This is biological warfare, geoengineering genocide, climate treason — and it’s being paid for with our stolen tax dollars.
- **IF WE DON’T FIGHT THIS NOW — WE BURN, STARVE, AND DIE.** They’re not saving the planet. They’re destroying it. And they think no one’s brave enough to call it out.

P. WED. 9 APRIL 2025: TOP SECRET: TRUMP’S DEEP STATE PRISON IN GREENLAND — THE SECOND GUANTANAMO IS REAL ...Julian Assange on Telegram

- **A classified facility beneath Thule Air Base in Greenland** has been confirmed by defense insiders. It’s not for foreign enemies. It’s for traitors of the Republic. And Trump isn’t waiting on trials — he’s burying the Deep State under the Arctic ice.
- **THE DUNGEON THEY SWORE DIDN’T EXIST — CONFIRMED** Rumors of a secret prison in Greenland were denied for years. But now, insiders confirm it: a subterranean black site beneath permafrost, more isolated than Guantanamo, where domestic enemies of America are held in silence.
- **This facility isn’t on any books.** No oversight. No accountability. Just cold, ruthless justice for individuals who betrayed the nation at the highest levels. Trials? Public hearings? Not anymore. These people are too dangerous to expose. They’re evidence — and evidence gets buried.
- **WHY GREENLAND? BECAUSE YOU NEVER ESCAPE THE ICE** Thule Air Base is America’s most isolated military fortress. Total lockdown. Brutal weather. Full surveillance. No one gets in, no one gets out. Greenland offers more than isolation — it’s a legal and tactical dead zone, where American power operates without interference.

- **WHO'S DOWN THERE? THE WORST OF THE WORST** Whistleblowers confirm: this prison holds high-level operatives tied to human trafficking, bioweapon experiments, international espionage, and media manipulation. Not foreign agents — but insiders embedded in government, media, finance, and intelligence. No trials. No cameras. No names. They've been erased, not by censorship, but by confinement.
- **TRUMP WARNED US — THEN ACTED** When Trump declared in March 2025 that America “needs Greenland for security,” the media mocked him. But patriots knew — it was operational language. Greenland isn't a future plan. It's already under U.S. control, and already in use.
- **THE STORM WAS NEVER A METAPHOR** This isn't a prediction. It's a confirmation. The storm came — and it crushed the Deep State in silence. No leaks. No lawyers. No escape. Just strategic retribution in the Arctic dark.

Q. Fri. 2 May 2025: WORLDWIDE MILITARY TAKEOVER — EBS ACTIVATION BEGINS NOW! ...JFK Awakening Q17 on Telegram

- **300,000 TROOPS DEPLOYED. MASS ARRESTS. GESARA. TOTAL DEEP STATE DESTRUCTION.**
- **The wait is over.** The storm is no longer coming — it's HERE. A global military alliance led by Donald J. Trump has launched the final phase of a centuries-long war. Over 300,000 troops have been activated worldwide. As of April 12, 2025, the Emergency Broadcast System is locked and loaded for a global truth detonation.
- **Phase Zero is COMPLETE.** Underground bases neutralized. Escape routes destroyed. DS leaders detained. Their networks are collapsing — FAST. False flag plots? Intercepted. Financial sabotage? Blocked. Bioweapons? Seized. The Deep State is cornered and crumbling.
- **GLOBAL STRIKES — NO PLACE TO HIDE:** From Ukraine to New Mexico, from the Vatican to Los Angeles, military raids have uncovered biolabs, cloning centers, and satanic trafficking tunnels. Shocking evidence has been secured. DS assets captured. Every major hub of evil is being wiped off the map.
- **STARLINK GOES WEAPONIZED:** Elon Musk's Starlink isn't just internet. It's the AI-powered digital sword of the operation. Codenamed “Prometheus,” it now controls global comms, intercepts DS chatter, and is armed with EMP tech — already used to vaporize DS labs in Greenland and the South Pacific.
- **THE EBS CONTENT IS UNLIKE ANYTHING YOU EXPECTED** – Robotic Biden & Macron EXPOSED. Units seized. Handlers arrested. – Secret Moon & Mars bases RAIDED. DS escape plans obliterated. – Weather control devices confiscated — proof of weaponized hurricanes, quakes, and droughts.
- **THE ELITE FALL ONE BY ONE** – Rothschilds and Rockefellers DETAINED. Their wealth is being dismantled. – Hollywood elites VANISHING. Arrested for roles in trafficking and mind-control ops. – Mainstream media CEOs TAKEN DOWN. Their scripts came from intel agencies — now exposed.

- **GESARA INITIATED — THE PEOPLE RISE** The Quantum Financial System is live. Debt is vanishing. The Federal Reserve is finished. Trillions in stolen wealth is being **returned to the people. New banks under patriot control are coming online.**
- **THE FINAL HOURS ARE UPON US:** Expect blackouts. Expect silence before the storm. But make no mistake: this is liberation. This is vengeance. This is history being made. This is the end of the Deep State. And the rebirth of humanity.

R. Fri. 2 May 2025: INSANE One of the Federal Judges blocking Donald Trump's orders had just become a US Citizen MONTHS BEFORE Biden appointed him a Federal Judge.
 ...Q Into The Storm on Telegram

All these judges are INSTALLED and are LONG TIME DEMOCRAT DONORS “A few of the high profile examples for you:

- **- Biden appointee, Amir Ali.** Now he was born and raised in Canada by Egyptian parents. Ali has just become a US citizen in 2019, and he's a federal judge? Wow. And he's been a federal judge for less than four months. He's the guy who blocked Trump's ninety day freeze on foreign aid
- **- Then there's Obama's appointee, Beryl Howell,** who ruled against Trump's firing of members of the National Labor Relations Board.
- **- Then Biden's appointee, Loren AliKhan,** who blocked the Trump administration from freezing federal grants and loans.
- **The list goes on and on and on.** And the judges, this is gonna come as a surprise, are all long term Democratic party donors and our Obama - Biden loyalists taking sledgehammers to president Trump's attempt to do some spring cleaning in the executive branch. I don't know. Pattern here seems pretty obvious.”
- **CIA BLOODLINES: OBAMA, HARRIS, AND THE SYNTHETIC PUPPETS OF GLOBAL CONTROL THIS WAS NEVER POLITICS. THIS WAS PROGRAMMING.** Barack Obama was not “elected” — he was engineered. A CIA-manufactured Manchurian candidate, born in Kenya, raised abroad, and conditioned like a weapon. Barry Soetoro was the Agency's first full-scale success: an MKUltra asset wrapped in a Harvard diploma and sold to America as “hope.” His stepfather, Lolo Soetoro, was not a loving parent — he was an Agency asset embedded in Indonesia, trained in psychological suppression and eliminations. Obama wasn't raised. He was programmed.
- The Dunham bloodline? A CIA payroll list. His grandmother, Madelyn Dunham, was linked to covert banking ops. The family's cousin? George H.W. Bush — the shadow president and CIA godfather. These bloodlines didn't rise by accident. They were selected for loyalty, psychological pliability, and elite obedience.
- Stanley Ann Dunham, Barack's mother, wasn't a peaceful anthropologist. She was deeply embedded in globalist academic networks, a handler in disguise who filled her son with anti-American hatred, globalist loyalty, and strategic detachment. Obama didn't become president. He was activated.

- Now look at Kamala Harris — the next synthetic prototype. Her mother, Shyamala Gopalan, was connected to classified Canadian mind-control experiments. Kamala's entire persona was shaped by deep state handlers, fast-tracked with blackmail protection, and installed as the next obedient face of the machine. Nothing about her is real. She is the female version of the same MK asset template: emotionless, soulless, controlled.
- This is not about parties. This is about families. Bloodlines cultivated like weapons. Generations of synthetic leaders, programmed and unleashed to fracture America from the inside. From Bush to Obama to Harris, every step has been coordinated through CIA front companies, psychological warfare labs, and energy manipulation networks.
- **You weren't voting. You were selecting from pre-approved actors.** This isn't a conspiracy. It's a classified blueprint. And unless this machine is exposed, named, and dismantled — it will continue. This is war by infiltration. And it's far from over.

S. Fri. 2 May 2025 BOMBSHELL: Bush Jr. EXECUTED for 9/11 — Obama, Clinton, Biden Now at GITMO ...Charlie Ward and Friends on Telegram

- **The storm is no longer coming.** It's HERE.
- **George W. Bush Jr.** has been EXECUTED after turning state's evidence on the Deep State and his own father, George H.W. Bush. The trigger was 9/11. Bush Jr. reportedly confessed before a military tribunal at GITMO, implicating his father, the Clintons, Obama, and Biden in a web of treason, child trafficking, and mass murder.
- **All five — Obama, Hillary, Bill, Biden, and Bush Jr.** — received sealed indictments during Bush Sr.'s funeral. The envelopes. You remember. They knew what was coming. They were already on the GITMO list.
- **They're not walking free.** They're in Camp 7, the elite high-value prison built with \$69 million of your taxpayer dollars — designed for exactly this moment. Fifteen targets. Fifteen cells. The elites who thought they were untouchable are now prisoners of war.
- **Obama is said to be flipping.** Facing execution, he's now giving up the names — Benghazi, Uranium One, child trafficking, and the Deep State hierarchy. Hillary Clinton faces identical charges. Both Clintons are believed to have laundered billions through the Clinton Foundation.
- **Senator John McCain?** Executed. George H.W. Bush? Executed. Tony and John Podesta? Indicted and interrogated. Their crimes? Child trafficking, pedophilia, uranium deals with foreign powers.
- **George Soros?** Captured and undergoing interrogation in a classified bunker in Switzerland. His crimes go far beyond election tampering. He was the architect of the migrant invasion and a top-tier handler in the Ninth Circle child sacrifice cult. His empire is burning.
- **Military pretrials for 9/11 crimes have begun.** Black sites. No press. No cameras. No mercy. This isn't politics. This is WAR.

- **Everything they feared is now unfolding.** The black helicopters aren't a theory. They're coming in loaded.
- **GITMO is active.** The cages are full. And justice is now a live round in the chamber.
- **Pain is no longer coming. Pain is now.** [THE HUNTERS HAVE BECOME THE HUNTED.]

T. Fri. 2 May 2025: Cheyenne Mountain — now referred to as “Trump’s Vault” — is the command center. ...Charlie Ward and Friends on Telegram

- **From deep within this secure fortress,** Task Force Phoenix directs global operations under Trump's orders. Every corrupt court, agency, and politician has been bypassed. Nothing is left to chance.
- **Over 3,200 high-level arrests have taken place in just the past 7 days.** We're talking CIA traffickers, Vatican treasurers, BlackRock architects, Pfizer bosses, and royal bloodline handlers. Entire central banks have been gutted. Vaults, cash, diamonds, servers — seized. The tribunals are real, and the sentences are final.
- **Switzerland has fallen.** Zurich, Basel, and the Bank for International Settlements have been raided by White Hat units. Hidden vaults filled with N**i gold, dark ritual chambers, human t*****g tunnels, and weaponized currency systems have been exposed. The gold — over \$300 trillion in value — is now in Alliance hands, designated for redistribution under GESARA protocols.
- **Meanwhile, the Vatican has collapsed. On April 11,** elite units stormed its underground networks. Inside? Labs for genetic experiments, stolen healing tech, ancient documents on extraterrestrial contact, and massive sex trafficking corridors. All of it seized. The Vatican is no longer a sovereign black site — it is under Alliance control.
- **And then there's Antarctica.** The final hiding place of the Deep State — Queen Maud Land — is now surrounded. U.S. Space Force, Russian loyalists, and special units from Brazil and India are converging on N**i-era bases used for advanced tech, cloning, portal travel, and off-world operations. These bloodlines thought they could outlive humanity's awakening. They were wrong.
- **Still wondering why the media is silent?** Because they're gone. Executives from CNN, BBC, FOX, and Reuters have either fled or been detained. The Emergency Broadcast System is armed and awaiting activation. Data leaks are prepped: footage of elite ritual abuse, audio of depopulation meetings, coordinates of global bunkers, and undeniable proof the Plandemic was orchestrated.
- **The world will see it all.** Even Starlink — now weaponized by Elon Musk in full coordination with Trump — has transformed into a global surveillance and strike network. Every transaction, every location, every private signal... logged. There is nowhere left to hide.
- **The Quantum Financial System is being activated.** Rainbow currencies and gold-backed tokens are replacing fiat scams. Debt slavery is being wiped. Healing

technologies once locked away are being released. And GESARA wealth redistribution is just the beginning.

- **This isn't speculation.** This is military execution.
- **The Vatican has fallen.** The banks have fallen. Antarctica is falling. The traitors are running, but the walls are closing. The White Hat Alliance has dismantled 80% of the Deep State's infrastructure — and the final 20% is now in full retreat. Trump wasn't bluffing when he said, "We caught them all."
- **This is the final phase of world liberation.** Stay ready. Stay silent. Watch history unfold. The Storm is no longer coming. The Storm is now. And nothing can stop what happens next.

U. Fri. 2 May 2025: DOGE Audits and Investigations ...Elon Musk with Fox News on Telegram

- **DOGE exposed that taxpayer money was spent** renting out Caesars Palace and stadiums—for parties. "The computers at Treasury pay about \$5 trillion per year. When payments are made, there was formerly not a budget code on there. So if a payment was made you didn't know what it was for."
- **"There was a \$4 billion COVID fund in the Department of Education.** There was no receipts required so people could just draw down on it. They found out money was being used to rent out Ceasers Palace for parties, rent out stadiums, etc."
- **"So the one change that DOGE made** was the simple requirement that if you drawdown money, you must first upload a receipt, and upon doing so, nobody drew down any money anymore."
- **"Generally, the fraud starts out small** and they try to hide it. But year after year, if nobody stops the fraud, it gets more and more brazen, and every year it gets bigger until they are literally renting out stadium."

V. Fri. 2 May 2025 BOOM! EXPOSING THE LIE: THEY OWE YOU \$495,000 — THE U.S. DEBT CLOCK, HIDDEN WEALTH & THE SILENT FINANCIAL COUP ...Matt Wallace on Telegram

- **The U.S. Debt Clock isn't just numbers—it's the blueprint of a silent war on your freedom.** Every spinning digit represents stolen wealth, broken trust, and a system built to enslave you while pretending to serve you.
- **\$169 TRILLION.** That's the hidden wealth funneled from Americans into the hands of globalist parasites. \$495,000 per citizen. Gone. Stolen. Where's your cut?
- **You were never in debt.** You were the collateral. Your birth certificate? A bond. Your labor? A financial instrument. Your name in ALL CAPS? A Strawman used to enslave your real identity. And you never consented.
- **America was hijacked in 1871.** The United States became a corporation, not a country. Maritime law replaced constitutional law. And in 1933, the scam deepened: the gold

standard was abolished, and Executive Order 6102 confiscated private gold under the guise of recovery.

- **They stole real money and replaced it with paper** backed by NOTHING—except your labor, your trust, your silence.
- **Your identity is traded.** Your future is sold. And your consent is manufactured. Every tax form, every bank signature, every government document reinforces the illusion that YOU are the Strawman. But the real you? A sovereign being—trapped in a financial prison.
- **And here's the punchline:** The money never disappeared. It changed hands. YOURS TO THEIRS. You fund your own enslavement every minute you clock in.
- **But what happens when people wake up?** When they realize they're not debtors—they're the rightful owners of stolen wealth? That's when the Debt Jubilee isn't a fantasy—it's an inevitability.
- **This isn't about forgiving credit cards.** This is about resetting the world, collapsing a rigged machine, and exposing the central bank mafia.
- **And they know it's coming.** That's why they fear blockchain, XRP, tokenized assets—because it shatters their shadow economy. Transparency + decentralization = checkmate.
- **Trump knows.** He's the only one who called out the Fed, threatened the dollar, and hinted at a gold-backed reset.
- **He's not just battling Democrats.** He's at war with the entire financial deep state.
- **1776 is repeating.** Pluto in Aquarius again. A cosmic signal. Last time it birthed America. This time—it births the Second Republic.
- **You are not a bond.** You are not a debtor. You are a weapon. And the system is about to feel your full power. Get ready.

W. Fri. 2 May 2025 MASS DEPORTATIONS ORDERED — TRUMP'S IMMIGRATION STRIKE HAS BEGUN! ...Julian Assange on Telegram

- **On April 30, 2025, President Trump launched the largest legal takedown of globalist-led immigration fraud in modern U.S. history.** Over 350,000 Venezuelan TPS holders—embedded into American cities during the Obama-Biden years—are now officially targeted for removal under a Supreme Court petition filed directly by Trump's administration.
- **This wasn't a humanitarian program. It was a covert infiltration strategy.** These weren't innocent refugees—they were economic infiltrators, cartel-linked agents, and radical loyalists deployed to destabilize the U.S. from within. The goal: collapse the Republic from the inside and replace it with chaos-dependent urban blocs controlled by the elite. That plan is now being dismantled.
- **Trump's return isn't just a political victory—it's an active battlefield operation against the Deep State's immigration machine.** The TPS system is the first domino. Backed by a Trump-majority Supreme Court and military-aligned enforcement channels,

Operation Sovereign Law has already begun. ICE units are reactivated, field teams trained, and civilian intelligence cells are compiling flagged records for mass extractions.

- **The media pretends this is a “legal debate.” It’s not.** Cities like New York, Chicago, and Miami—elite strongholds—are already under surveillance. Strategic raids are imminent. DHS is coordinating with the DOJ, National Guard, and Space Force surveillance divisions to ensure total control. Those who resist will be neutralized.
- **This isn’t just about immigration. It’s a war to destroy the infrastructure used by the Deep State to inject chaos, launder cartel money, traffic people, and rig voting blocs.** NGOs, religious fronts, and “humanitarian resettlement” schemes are all under audit. Internal military reports trace covert trafficking operations as far back as 2014—now fully exposed.
- **Trump’s team knows the stakes. These deportations won’t be quiet.** They’ll be public. Loud. Documented. Broadcasted. Every arrest is psychological warfare—reminding the elite that America is no longer theirs to control. This is about deterrence. Dominance. Restoration.
- **The storm isn’t coming.** It’s already here.

Z. Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade:
He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call:1-866-347-2423**

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Za. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zb. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zc. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

Begging for Forgiveness But Being Denied

Just one painful lesson about forgiveness we learned: Years ago, Don had caught his wife cheating on him. She was rather proud and defiant when she was caught. Hurt, Don immediately filed for divorce and kicked her out of the house, requiring that she get nothing except 50/50 visitation with their two kids. The family was devastated. The kids suffered because their parents weren't together. Over the next few months, in depression, she lost lots of weight. One day she came back to their house to beg Don for forgiveness. He wouldn't. She fell to the floor and held onto his leg as he walked around, but he rejected her plea, until her brother picked her up and took her away. Within four years, this broken woman died of breast cancer and the broken heart for what she had done. Don deeply, deeply regrets what he did. He was grateful for our scriptural exploration of total forgiveness. It hit him deeply when we read together that if we do not forgive others of their sins against us, we won't be forgiven for our sins. Don now looks forward to meeting her in the next life and reconciling with his wife who he misses.

"For if you forgive men when they sin against you, your heavenly Father will also forgive you. But if you do not forgive men their sin, your Father will not forgive your sin."
(Matthew 6: 14-15)

It is not uncommon to run into inmates who say they are frustrated with themselves because every time they come to jail/prison (70% come back to prison!) they "find God", and find a "change of heart", and promise to never repeat their mistakes. But, like clockwork, they go right back to their old friends, old places, and get sucked in their old way and land back in jail/prison. Satan is so clever. With over thousands of years of perfecting his skills of deception and tempting mankind, Lucifer has perfected his diabolical skills and knows all the human nature weakness buttons to push.

"Will You Remember Me This Time"

For example: My friend Albert has been back many times for drug charges during most of his adult 55 years. He said when he feels he gets "close to God" while here in prison, but when he gets out he goes back to his old ways. The other day he was pleading in prayer for God to deliver him again from prison. Albert then felt a voice tenderly say, "Will you remember me this time?" He felt appropriately but kindly chastised and humbled. Then Albert told me that he had prayed me to be there. We're of the same Mormon faith, and he needed someone he could relate to to help him. He was not surprised that I was dropped right into the exact middle of the 95+ man pod and assigned the bunk directly beside his. We had many discussions, and after many days he finally started coming to the nightly Bible Study. I was surprised by his being able to drop to his knees to pray at whatever time of the day, no matter how many people were milling around him. Though he was grateful for my coming to his pod, he blessed me with his great example.

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Zd. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make

people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
