**Judy Note: Trump has unleashed 20,000 Troops as Operation Liberty Shield EXPLODES Worldwide – Navy SEALs Launch Global Raids, Rescue Thousands of Children, and Ongoing Military Tribunals Intensify as the Elite Trafficking Network Collapses!**

**The war has gone subterranean. As of May 2, 2025**, Operation Liberty Shield—spearheaded by Trump and the restored U.S. military command—has launched a full-scale global assault on an underground child trafficking and biogenetic experimentation syndicate. This isn't a sting. It's

a dismantling. Over 20,000 elite troops are executing raids worldwide to bring down a network so vast, so embedded in media, government, and royal bloodlines, that its exposure threatens to shatter the existing world order. Trump is not a bystander—he is the Commander-in-Chief of the true Republic, operating under restored executive orders. The media's silence is not ignorance. It's complicity.

**On April 28, a SEAL unit raided a DUMB facility in Nevada** disguised as an old mining site. Over 1,200 children were rescued—caged, mutilated, subjected to MK-Ultra experiments, and used for organ extraction. This base was directly connected to Area 51, now confirmed to be a trafficking and genetic modification command center, not an alien site. Documents retrieved reference DNA imprinting and hormonal suppression procedures. Ties lead back to DARPA, BlackRock, and several biotech fronts posing as global health NGOs. Satellite imagery and survivor testimonies back the findings. Military tribunals have already begun in Nevada, Texas, and Alaska. Gitmo is expanding—fast.

**A high-speed underground rail network—once part of Cold War continuity-of-government plans—has been uncovered, still operational and trafficking children between Washington D.C., Rome, Tel Aviv, and Antarctica.** Financed by Raytheon, Boeing, and Lockheed, this dark infrastructure was shielded with EMF-blocking systems and AI surveillance, allowing elite handlers to operate undetected. Cyberintel from Space Force has decrypted over 5 petabytes of blockchain transactions used to fund these operations. Zuckerberg, Gates, and Bezos are all linked via masked crypto transfers—laundered through “philanthropic” shells and biotech consortia tied to the WEF and Clinton Foundation.

**On April 30, Vatican City was raided.** Beneath the catacombs, an elite command center was exposed, confirming long-rumored child ritual sacrifices tied to European royalty, Hollywood executives, and political leaders. Vaults held blood-stained robes, ceremonial daggers, and schedules of lunar-based rituals. Military evidence includes pre-recorded ritual abuse videos used for blackmail of global leaders. Meanwhile, a May 1 infiltration of a massive Antarctic base—Project Thanatos—revealed cloning vats, stasis chambers, and behavioral imprinting labs. Trafficked children were being harvested for anti-aging tech sold to Silicon Valley elites. Corporate ties: Moderna, Pfizer, and Google.

**This is not over. Media raids in NYC and Atlanta uncovered "Operation Obscura," an AI-run disinformation system bribing CNN, BBC, and Reuters to bury these truths.** Their task: discredit Trump, silence whistleblowers, and erase evidence. The children were currency. The tapes were leverage. The plan was digital enslavement via CBDCs and biometric control. Trump's alliance is destroying it all. Thousands have been rescued. Tribunals are coming. Executions will be public.

**History will not forget May 2, 2025.** The storm is no longer approaching. It has begun.

**Judy Note:** *The corrupt US Inc. government has evidently not only been involved in crimes against it's own citizens since at least the 1940s, but it appears has covered up those crimes against it's own, especially of those against children.*

**Heinous government acts against innocent children were discovered way back in 1970s** Congressional Hearings. Do the math. That's 55 years ago.

**Unfortunately, it has been discovered that the US Inc. sponsored torture and murder of children** goes back more than 80 years to the 1940s when what became the CIA brought Nazi experts on mind control into the country after World War II.

**So, it's not surprising that Ashli Babbitt's Jan. 6 2021 murder inside the Capitol Building was covered up.** Ashli was a decorated Air Force veteran and unarmed patriot. Her murderer was Capitol Policeman Lt. Michael Byrd who was protected, praised and never charged. In May 2025 President Trump finally was able to give the Babbitt family a settlement, while Byrd still walks free.

**It took Trump's Chemtrail Task Force to expose a DARPA plot to murder 170 million Americans.** The mainstream media has yet to cover that story also.

**It was also Trump who launched a massive operation to locate over 300,000 missing children** that the Biden Administration allowed to disappear from the southern border. ICE separated them from their parents and to date no one knows where those innocents were.

**Back in 2021 an Obama/Biden/ Clinton/ Pelosi White House Pedophile Ring was uncovered by Wikileaks.** "We have hard proof that President Obama ran a pedophile ring out of the Whitehouse" said Julian Assange in a Fox News Hannity bombshell report on Sun. 25 April 2021. "...a young boy the age of 5...will make the perfect catamite for the president" read a Wikileaks email to Obama according to Assange. "He will arrive from Romania on Tuesday. I'm sure the president will be pleased."

**Other notables named as being involved in the pedophile ring** were Bill and Hillary Clinton, Tim Kaine, Elizabeth Warren, Jimmy Carter, Harry Reid, Ben Affleck, Cory Booker, Al Franken and Nancy Pelosi. Trump Attorney Lin Wood included Chief Justice John Roberts in the group.

**Child trafficking** by the Obama/Biden Administration using the Clinton Foundation was well known in the intelligence community. The extensive network of Child Sex Trafficking was believed organized by the Black Hats, or Illuminati at the Vatican and funded by the CIA Black Budget and Chinese Communist Party Child Trafficking Ring.

**Apparently their ring extended to trafficking children** caught at the border, those who went by submarine to Biden-owned Water Island that lay next door to Epstein's Pedophile Island,

*DUMB tunnels that ran beneath every capitol city in the nation and globe and included an underground tunnel system under Biden-owned property in the Ukraine and another buried two miles beneath the White House.*

***The three CIA Satanic Ritually Abused women** who went before a 1995 Congressional Hearing on Human Radiation Experiments testified about tortuous CIA Mind Control they were subjected to throughout their childhoods – which included the torture and murder of other children. Recordings of their abuse were used to blackmail Congress people. All were now deceased, having died of mysterious causes.*

***Congress has never acted on these heinous crimes of the CIA that were believed still going on today,** or have legislators done anything on Intel given in two formal Congressional Hearings on the subject of CIA Mind Control torture of children used to Blackmail legislators.*

***No further investigation was ever started, let alone completed, after the 1970s and 1995 Congressional Hearings.** All three witnesses later died of mysterious causes, their dramatic information about bribery of Congress people having been covered up. Their testimonies were once available to view on the Internet, but since have been taken down (see links).*

***March 15 1995: Therapist Valerie Wolf and an unnamed MKULTRA Victim C** testified that they were used in government radiation and sexual abuse experiments. In the two weeks Wolf had to prepare for the hearing, she had over 40 therapists of mind-control victims contact her to verify her testimony of the CIA use of children in their tortuous experiments.*

***Evidently since the 1940s** children have been involved in government radiation human experiments. Wolf said she felt the **1970s Hearings** on MKULTRA did not discuss experimentation on children because the children involved were too young to testify, or worse, were still involved in the same torture experimentation.*

***The CIA regularly intimidated victims** to ensure they would not talk about their experiences even though victims across the country have spontaneous remembrances of radiation treatments as children.*

***All was hard to believe** – yet we haven't even touched on the millions of sex trafficked children who have suffered in the international ring sponsored by the Vatican – funded by US Taxpayer monies. See my next Update.*

**WARNING:** The TRB products were believed to be a scam. I have never supported them and neither has President Trump. Trump's attorney has indicated they were looking into that TRB product scam and have two separate FBI and police investigations open on them.

**WARNING:** Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments. ...Judy Byington

**A. What We Think We Know as of Sun. 4 May 2025:**

**Sat. 3 May 2025 RED ALERT: MILITARY TRIBUNALS EXPAND, CARTEL INVASIONS BEGIN, EBS LOCKDOWN IMMINENT! ...Charlie Ward and Friends on Telegram**

- **OPERATION WHITE SWAN** has entered its final assault phase. Military forces are on DEFCON 2, operating under 24/7 orders across multiple continents. Special Forces are dismantling cartel militias, trafficking routes, and Deep State escape corridors in real-time. This is live combat. This is war.
- **GITMO is at capacity.** New black-site processing hubs are active across international waters. Captured elites are being flown in daily. Military tribunals are ongoing, 24/7, targeting corrupt politicians, judges, bankers, media puppets, and royal families. This is not speculation—it's happening now.

- **The Quantum Financial System (QFS) is already seeded across 89 nations.** Pilot debt forgiveness programs have begun in South America and Europe. Gold vaults stolen by Deep State actors are being emptied and returned to national treasuries. But media silence hides the truth.
- **Deep State resistance is collapsing**—but they’re unleashing hell in their final moments. Cyber attacks, biological threats, false flag attempts—they’re all being intercepted by NSA, Space Force, and Army Cyber Command.
- **THE SOUTHERN BORDER IS A FULL WAR ZONE.** Cartel units—funded for decades by CIA black budgets—have been ordered into suicidal assaults across Texas, Arizona, and California. Heavily armed cartel troops are now turning on each other as top commanders are killed or extracted by the Alliance. Border tunnels are being destroyed by thermobaric strikes. National Guard and Special Forces have orders to shoot on sight. The Biden regime’s sabotage is being purged from DHS, ATF, and FBI field offices—military is taking control.
- **EBS LOCKDOWN CONFIRMED — WINDOW: APRIL 30 TO MAY 7:** EBS readiness drills are complete. Override systems are armed. Once greenlit: Every screen and device on Earth will flip. Quantum override will bypass all Deep State-controlled networks. The Truth Broadcast will begin, followed by public tribunals and mass disclosures.
- **GESARA cannot launch until final objectives are complete:** 1) 100% cartel suppression at the borders. (2) Final high-value arrests (93% complete). (3) Global sabotage units fully neutralized. (4) White Hat operatives are holding fire until conditions are perfect.
- **THE FINAL BATTLE IS HERE.** Europe, South America, and Africa are in full red-zone lockdowns. Antarctica is sealed. Space-based Deep State weaponry has been seized by the Alliance. Escape is impossible. No satellite extraction. No orbital retaliation. The cabal is cornered.
- **TRUMP IS IN COMMAND.** The Global Alliance is executing. And the Patriots are rising. This is the storm we’ve been waiting for. Stay sharp. Stay locked in. Because NOTHING can stop what is coming. NOTHING.

## **B. Possible Timing:**

- **On Thurs. 27 March 2025** Military took control of the Federal Reserve and severed all links to the old US Treasury. Fiat printing was dead. All future currency would be asset-backed, and all debt created through fraudulent lending systems, nullified — including mortgages, student loans, credit cards and more. There would be a public announcement by July 4 2025.
- **On Sat. 26 April 2025** Constitutional Law and the Gold Standard returned to all citizens around the Globe. In this new World unshackled from the banking elite 207 nations would function under concepts of the original Constitution and a restored justice system under NESARA/ GESARA Law.
- **On Mon. 28 April 2025** Trump issued an Executive Order that said to prepare for Martial Law.
- **The EBS Alert Release window remained between Wed. 30 April 30 and Wed. 7 May.** Mission parameters must be met: 93% of arrests completed, border zones secured, sabotage cells neutralized. Trump and the Alliance will not trigger prematurely.
- **When the EBS launches, the media blackout** will be total. Telecommunications will reroute through the Quantum Grid. Every device on Earth will broadcast the truth. Mass public tribunals will be streamed after the initial blackout.
- **Last week with no Mass Media coverage**, China invaded the Philippines and the US vowed a Military Response, while the World braced for the impact.
- **As of Thurs. 1 May 2025**, fiat currency was officially dead, the Quantum Financial System was live and gold-backed and the Military was in control.
- **On Fri. 2 May 2025 with all of the Cabal's gold seized** and as head of the Global Military Alliance, Trump launched the Emergency Broadcast System signaling not only NESARA/ GESARA Debt Relief Worldwide, but Trump's return under the Restored Republic to expose crimes of the Deep State.

## **C. Global Currency Reset:**

**Judy Note:** *On Sat. 3 May 2025 I could not find any new news at all on the Global Currency Reset. The below was in my opinion only and could or could not be true.*

*What I understand to date was that money was defiantly moving and Bond Holders were liquid but under strict NDAs not to talk about it.*

*There were indications that as of Thurs. 1 May 2025 the Dong and Dinar were being exchanged in the Middle East.*

*Sometime between now and next Wed. 7 May the EBS could activate over our phones and we could get an email giving instructions on how to set up exchange appointments. The information would also be published on various Dinar websites and in this update.*

*Tier4b (us, the Internet Group) notifications might come out over the weekend, with appointments starting on Tues. 6 May 2025.*

*Once notified we would have ten days to set our appointments and until the end of May 2025 to go to appointments at an official Redemption Center that would have higher exchange rates than at a bank.*

*After the end of May 2025 Zim would no longer be redeemed and we would have to do currency exchanges at a bank with the lower rates.*

*All exchanges were to be finished by Sat. 31 May 2025.*

**D. Sat. 3 May 2025 QFS IS LIVE — THE FIAT SYSTEM IS DEAD. REDEMPTION CENTERS ARE ACTIVE. ...QFS on Telegram**

- **The banks are panicking. The fiat system is dead**—no matter how much they lie. As of May 1, 2025, Redemption Centers are fully operational, secured by military oversight, and processing gold-backed transactions through the Quantum Financial System. This is no longer theory. It's happening. The old system has collapsed, and every desperate attempt by the cabal to cover it up is failing.
- **Global military units**, led by Trump's Alliance, have raided hundreds of elite-controlled vaults in just weeks. Stolen gold. Off-ledger notes. Ritual finance files. It's all being seized and authenticated through Light Intelligence Tech, and redirected into the QFS. These vaults weren't hidden in banks. They were buried beneath mountains, Vatican catacombs, and former NATO bases. The illusion of elite financial dominance has been shattered.
- **If you've still got money in legacy banks**, know this: over 12,000 branches have closed in 30 days. Not "downsized." Not "restructured." Shut down. Disconnected from the QFS grid. The dollar you know is a corpse. The only access to real, sovereign wealth now flows through Redemption Centers—and you must be verified, scanned, and approved to receive USTNs backed by Cabal gold.
- **Behind the curtain, the Cabal launched final attacks. EMP weapons, bio-weapons, and digital sabotage.** A classified operation called LAST BREATH outlined plans for

chaos: media psy-ops, power outages, false flags. All to stop you from waking up. But they failed. Space Force intercepted an EMP strike over Kansas. A synthetic virus batch was seized in Frankfurt. QFS neutralized an NSA breach in under 4 seconds. Their tricks are exhausted. Their war is lost.

- **Now comes justice.** Social Security systems have been rebuilt, decoupled from surveillance networks, and reconfigured for sovereignty. You are no longer a product. Biometric data has been secured. Behavioral monetization has ended. Under Trump's Patriot Wealth Directive, Restitution & Reparation (R&R) payouts begin soon—gold-backed compensation for every theft you endured: IRS fraud, banking abuse, vaccine injury.
- **And the digital control grid they planned? Obliterated.** CBDCs are dead. SWIFT is obsolete. RLUSD and XRP are the only authorized digital assets under QFS—engineered for instant, sovereign exchange. RLUSD is backed by gold in captured NATO vaults. XRP is the liquidity bridge that makes fiat irrelevant. The system now belongs to the people. And every transaction is logged, secured, and protected by quantum encryption under military command.
- **This isn't a rumor.** This is the end of their world—and the beginning of ours.

## Global Financial Crisis

### E. Sat. 3 April 2025 **THE IRS IS DEAD — THE SIXTEENTH AMENDMENT JUST COLLAPSED** ...Edward Snowden on Telegram

- **The Sixteenth Amendment was a weapon.** Passed in 1909, it gave the Satanic Deep State control of your labor, your money, your future. It created the Federal Reserve and IRS — both private, both owned by child-sacrificing elites.
- **Edward Snowden just confirmed it:** the system was never about roads or schools. Not a single tax dollar funded America. All of it went to pay interest on fake debt — straight into Rothschild banks, Vatican vaults, and the City of London. Reagan's Grace Commission exposed it in 1983. The elite buried the report. Until now.
- **Snowden says quantum intel recovered from Vatican servers proves US Taxpayer money funded ritual abuse networks, trafficking routes, and deep underground labs.** You were never the citizen. You were the collateral.
- **Lincoln and JFK tried to end it.** They were murdered. Trump tried — and the Deep State failed to kill him. The Q Movement rose from that battlefield. Now the real war begins.
- **DEFCON TWO is active.** Military Tribunals are running nonstop. GITMO is packed. New offshore facilities are processing elites by the hour. Judges. CEOs. Royals. Media agents. Pedophile bankers. All facing military justice. All exposed.
- **Special Forces are dismantling cartel armies and trafficking hubs.** Snowden intercepted Deep State comms — panic at the highest levels. They've lost control. The

Global Military Alliance seized Deep State gold, cut their funding, and froze the fiat machine.

- **BRICS has launched the gold-backed Global Currency Reset.** Eighty-nine nations onboard. The dollar is dead. The IRS is done. You will never be audited again. Tariffs now fund the republic — not your stolen paycheck.
- **Trump flipped the system.** Now foreign corporations pay to access our markets. No more theft. No more debt slavery. No more globalist parasites.
- **This is The Plan to Save the World.** Snowden says it's happening now. TRUST THE PLAN.

#### **F. Sat. 3 May 2025: GLOBAL CURRENCY RESET: DINAR & DONG DETONATION – TRUMP'S FINAL STRIKE ON THE GLOBALISTS ...Gitmo TV on Telegram**

- **It's happening. The Global Currency Reset has begun**—and it's not just a theory anymore. The Dinar and Dong are locked, loaded, and set to EXPLODE. Precious metals and rare minerals are being weaponized by Trump's team to rip the spine out of the corrupt fiat empire.
- **The petrodollar is on its last breath.** Iraq and Vietnam are hoarding gold, lithium, and uranium—waiting for the perfect moment to detonate the new financial order. These “undervalued” currencies aren't undervalued—they've been suppressed. But suppression can't last forever. The reckoning is here.
- **What's fueling this? The Quantum Financial System (QFS)**—a new tech grid built to destroy central bank tyranny. It's blockchain on steroids. No more money printers. No more fake inflation. No more IMF blackmail. This system is backed by inground assets—gold, silver, rare earths. REAL value. REAL wealth.
- **While the fake news screams about recessions and inflation,** Trump is behind the curtain executing the most strategic economic ambush in history. You think the 2024 election was the end? That was just the smoke screen. The real war is financial—and it's almost over.
- **Why are Iraq, Vietnam, and Zimbabwe so quiet?** Because they're holding the keys to the vault. The nations the elites mocked are about to become global financial titans. And those holding their currencies? They're not investors—they're early insiders.
- **Electric vehicles. Clean energy.** The world is scrambling for lithium, cobalt, copper. But guess who's sitting on mountains of it? The very countries whose currencies are ready to blow. The elites laughed. Now they're scrambling to buy in—quietly.
- **This isn't speculation. This is WAR.** A war on the Fed. On the ECB. On every globalist snake who's kept us enslaved by fake money and fake power.
- **This is your warning. Get out of paper. Get into metal.** Get your hands on what matters—before the reset turns holders into kings and doubters into beggars.

**G. Sat. 3 May 2025: QFS IS LIVE — MILITARY HAS SEIZED CONTROL OF THE GLOBAL FINANCIAL SYSTEM ...Edward Snowden on Telegram**

- **As of May 1, 2025, fiat currency is DEAD.** The Quantum Financial System is live. Gold-backed. Military-controlled. The media is covering it up. The Cabal is in full panic.
- **Edward Snowden just dropped it — the entire fiat grid was a weapon of war,** and it's been dismantled. He says satellite surveillance confirms: military assets are guarding every Redemption Center. Banks are being shut down. Over 12,000 branches terminated in the past 30 days. Accounts frozen. Transfers blocked. Elites cut off from their own stolen wealth.
- **This isn't a reset. This is a takedown.** Trump signed the Gold Directive in January. Since then, Vatican and NATO vaults have been raided. London's underground gold stash — tied to child biometric sacrifices — was seized. MI6 blackmail servers wiped. Ancient tech confiscated.
- **QFS doesn't run on trust.** It runs on quantum-biometric validation. Every transaction encrypted. Every identity confirmed. No offshore safe. No Rothschild tunnel. No Rockefeller lair is untouched. Snowden says dark accounts are being force-flushed. Elites are cornered.
- **RLUSD and XRP are the only approved digital assets.** RLUSD is gold-backed and identity-linked. XRP moves instantaneously under quantum protocols. SWIFT is dead. ACH is dead. The entire fiat system has collapsed into silence.
- **That's why the Deep State is trying to burn it all down.** EMP attacks. Virus dumps. Fake Trump arrest tapes. All distractions. Snowden intercepted chatter confirming attempts to blow up Redemption Centers. It failed.
- **You're next in line.** Your R&R payout is real. Reparations for IRS looting, vax damage, stolen pensions, and every scam they ran. This is a once-in-history transfer of wealth — and they don't want you near it.
- **Your Redemption Appointment is everything.** It's how the system ends. It's why they're terrified. They can't stop what's coming.
- **Snowden says time is running out.** The military grid is locked in. The storm is already here.

**H. Sat. 3 May 2025: THE DIGITAL FINANCIAL RESET HAS BEGUN \$4.7 TRILLION IN UNTRACED PAYMENTS BLOCKED BY NEW TREASURY SYSTEM ...Carolyn Bessette Kennedy on Telegram**

- **The Deep State just got blindsided.** The Treasury's new TAS protocol just flagged \$334 million in shady transactions — exposing \$4.7 TRILLION in untraceable government payouts. This isn't a glitch. This is a digital takedown.
- **THEY NEVER MEANT FOR US TO SEE THIS** While you were watching staged trials and fake headlines, the U.S. Treasury flipped a switch behind the scenes. A new

system went live — and trillions in dirty money were caught mid-flight. No budget codes. No legal trace. No oversight. Just a massive digital shadow network — exposed.

- **THE TAS SYSTEM WENT ACTIVE — AND CHAOS ERUPTED** The moment TAS launched, it started slicing through financial lies: • \$334 million instantly rejected • Payments with missing or fake codes flagged • Transactions linked to fully drained budgets blocked. This isn't bookkeeping. This is a live digital strike against the black-budget parasite.
- **\$4.7 TRILLION IN THE DARK — WHERE DID IT GO?** Before TAS, the Treasury let \$4.7 TRILLION move with zero code linkage. No origin. No authorization. No audit trail. That's not incompetence — that's criminal laundering hiding in plain sight.
- **And now? The pipeline's being severed. NO CODE. NO CASH. NO COVER-UP.** With TAS, every dollar must now prove itself: • Is it linked to an active, legal budget? • Is that budget still open? • Does it match the agency and timeline? If not? That dollar dies on the spot. No appeal. No workaround.
- **WELCOME TO THE DIGITAL PURGE** This isn't the "Great Reset" they talk about on stage. This is the real reset — hidden in code, enforced by AI, deployed in silence. They're erasing their old money trails, locking the doors, and rewriting the system in real time. The press won't cover it. The politicians don't understand it. But the money flow is being seized — right now.
- **THE DEEP STATE JUST LOST ACCESS** Black ops. Shadow wars. Laundered tech budgets. All powered by the same invisible money flow. Now, with TAS live, those channels are being cut off — permanently. This isn't just reform. +It's a digital guillotine. The swamp isn't being drained. It's being throttled by code. And the ones who used to control the money? Just lost the keys.

- **They called it the Ninth Circle.** A cult of elites. Popes, royals, and billionaires—all linked to one of the most sadistic networks in modern history.
- **In May 2025, over three dozen eyewitnesses exposed horrifying crimes before the International Common Law Court of Justice (ICLCJ).** What they revealed: systematic child rape, ritual sacrifice, and satanic hunting parties involving Pope Francis, former Pope Ratzinger, Queen Elizabeth, and members of multiple European royal families.
- **Children were trafficked through a Vatican-run syndicate.** A mafia network known as the Ndrangheta (aka "Octopus") secured both drugs and children for elite abuse ceremonies inside Catholic and Anglican institutions. Politicians, church officials, and corporate titans were directly implicated.
- **One court witness, a former Argentine civil servant,** confirmed Pope Francis orchestrated the trafficking of 30,000 children during Argentina's "Dirty War." Children of political prisoners were sold like livestock.
- **Another bombshell came from Spain:** between 1940–1980, 300,000 babies were stolen and sold under orders of the Catholic Church, generating over \$20 billion.
- **Then came the testimonies no one could forget:** victims described Ninth Circle "hunting parties" in Belgian forests. Ten children at a time, stripped, released like prey,

then gunned down and mutilated by elite men. Names named: Prince Friso, Prime Minister Mark Rutte, Prince Albert. After the kill, body parts were held up as “trophy.”

- **According to an ex-wife of an Octopus member**, these children were taken from juvenile centers, offered up as sport for the powerful. All ten victims were boys. All were murdered. It was a ritual.
- **The same court uncovered the dark truth behind Queen Elizabeth and Prince Philip's 1964 visit to Kamloops Residential School.** Ten indigenous children taken. Never seen again. Mass graves later confirmed their fate. Over 80 native schools across Canada have shown similar graves. Excavations are still blocked.
- **In 2025, the ICLCJ has gone silent again**—but not before indicting dozens of high-level individuals tied to over 500,000 missing children in Canada alone.
- **The Vatican and the Crown are not churches or monarchies. They are criminal syndicates.** And they’ve been hiding their atrocities behind stained glass and golden thrones for generations.
- **This isn’t over.** New witnesses are emerging. New indictments are coming. The storm hasn’t passed — it’s just getting started.

**M. Dec. 30 2019 Washington Post** [‘We are just destroying these kids’: The foster children growing up inside detention centers](#)

By Emily Wax-Thibodeaux

‘We are just destroying these kids’: The foster children: Though he's never been convicted of a crime, Geard Mitchell spent part of his childhood in a juvenile detention center, at times sleeping on cement floors under harsh fluorescent lights left on through the night during lockdowns. He attended high school by clicking through online courses and had “no one to talk to but the walls” because of restrictions on phone calls. He attended group therapy with teens accused of rape, when what he really needed was grief therapy to process his mother’s death.

Daily life became so torturous that Geard scratched up his face to look like a methamphetamine addict, hoping that “they would transfer me to somewhere more normal, like rehab.” “I knew it was wrong to lie,” said Geard, 17, sitting in a courthouse in this town of shuttered coal fields and boarded-up shops. “But I was locked up with kids who were rapists and murderers. One kid even beat up a judge like it was nothing. That’s just not me.”

Geard’s only crime was being a foster child in an era when a surging number of biological parents are falling into the grips of drug addiction and child welfare systems are struggling with a shortage of foster parents. In hasty attempts to address the problem, case workers and courts have been funneling children into crowded emergency shelters, hotels, out-of-state institutions and youth prisons — cold, isolating and often dangerous facilities not built to house innocent children for years.

“We are just destroying these kids. They’re warehoused into emergency shelters, out-of-state institutions and juvenile detention centers, which can cause lifelong emotional trauma — their childhoods spent segregated from the outside world,” said Marcia Lowry, executive director of A Better Childhood (ABC), a nonprofit child advocacy organization. The nonprofit has filed lawsuits against 10 states alleging that agencies tasked with caring for children instead “infringe upon the rights of . . . foster children, jeopardizing their most basic needs.”

Another foster child, Geard had a maternal uncle, Jesus Rosario, who said he tried to adopt him for the last five years, but case workers rarely called him back. It took more than two years of calls to get the required home study, he said. “When my sister died, it was like he just disappeared into this system,” said Rosario, who lives in Ohio. “And it took me years to track down how to find him.”

Geard’s luck recently changed, just months before his 18th birthday. As Geard stood with his hands clasped behind his back, his posture military stiff, at a county courthouse hearing about his next placement, Judge William S. Thompson said, “We have some good news, for once.” Thompson decided to release Geard from the system early into the custody of Rosario, whose home study was finally approved. “You’ve got a chance now. I want you to take it,” Thompson said.

Breaking his often stoic demeanor, Geard wiped away tears, smiling softly. He thanked the judge and his state-appointed attorney, Scott Briscoe, who served as guardian ad litem to three foster care children in the ABC lawsuit, “for being my champion.” Briscoe had called him weekly for years, noticing he was a hard worker and talented artist. Now, Geard hopes to train to be a tattoo artist. After his hearing, he showed drawings from his portfolio, particularly one of his favorites of an angel cradling a young child, which represents his mother and himself. The drawings are in black-and-white, “because coloring reminds me of her too much,” he said.

As they prepared to drive to Ohio, Rosario set up a video chat with his family to welcome Geard. His wife and two young children — ages 8 months and 3 years old — smiled and waved at Geard. “It’s a new chapter for me,” he said, as the tiny town of drug rehab centers, pawnshops and billboards seeking new foster parents faded in his rearview. “It’s my story. I can’t change it,” he added, saying he’s glad to be a part of the lawsuit. “But I don’t want other foster kids to go through this too. I want to help stop them from spending their childhoods locked up.

**O. Sat. 3 May 2025 Med Beds ...Julian Assange on Telegram**

- **The U.S. Military Alliance has confirmed** what the world was never meant to know. As of April 16, 2025, patriots have leaked a phase of classified intel. Med Beds are real. **Deployment has begun.** But only those neurologically and spiritually prepared will gain access.
- **Big Pharma's nightmare is here.** No more pills. No more poison. No more lies. This tech obliterates the medical tyranny enslaving humanity. Trump's alliance seized it back, stripping it from the Deep State's underground vaults.
- **But you can't just walk in and be healed.** Med Beds read your consciousness. If your brainwaves are locked in fear, ego, doubt—you're blocked. This tech requires coherence, alignment. Brainwave mastery is life or death.
- Training is now live—secret programs by the Earth Alliance, monitored by quantum AI. They're watching. Scanning who's ready. Who's awake. Who's still under mind control.
- **The leaked training structure:**  
**Class A:** Deprogramming. Your brain has been weaponized. Time to break free.  
**Class B:** Unlock divine senses—telepathy, intuition, remote viewing. Remember your true self.  
**Class C:** Energetic warfare. Chi manipulation, trauma clearing. Only the strong advance.  
**Class D:** Field ops. Med Bed interaction. Live patients. Fail, and you're locked out.  
**Class E:** Interdimensional healing. Astral navigation. Reserved for commanders of consciousness.
- **Trump is behind it all.** Since before January 20, 2025, he prepared this takedown of the Deep State's medical tyranny. Now, with the Insurrection Act in force, the tech is reclaimed.
- **GESARA is tied in.** Not the fake version. The true energetic reset of humanity's soul contracts. You're not healing bodies—you're freeing souls.
- **Med Bed centers launch in military-cleared safe zones:** Montana, Texas, Tennessee. Space Force guards them. Only trained, brainwave-authenticated patriots get access.
- **Final warning:** Prepare or be left behind. The battlefield is your mind. Trump knows it. That's why Space Force has full control.
- **You're not here to wait.** You're here to become. April 16, 2025: The truth broke. Med Beds confirmed.
- **Trump leads.** Brainwave mastery required. Training is mandatory. GESARA linked. Only warriors of light will lead this healing revolution.
- **Rise. Cleanse. Train. Lead.** The Med Beds are here. The healing begins. Stand with Trump. Stand with the Earth Alliance. Ready or not—the new world has begun.

**P. Sat. 26 April 2025 How Med Beds Really Work: The Zero-Point Engine & Your DNA as a Signal Receiver** [https://t.me/MedBed\\_Technology](https://t.me/MedBed_Technology)

- **1. ZERO-POINT ENERGY (ZPE): THE FUEL OF THE FUTURE:** Zero-Point Energy isn't a theory — it's physics fact. It's the baseline vibration of the vacuum — a sea of energy pulsing everywhere, even in total darkness. Every inch of space is filled with it. Your body swims in it right now. "The vacuum is not empty. It's seething with energy." — Richard Feynman So why don't we use it? Because accessing and controlling ZPE requires quantum resonance — something classical tech can't do. But medbed tech? That's a whole different story.
- **2. HOW MEDBEDS TAP ZPE:** ZPE feeds the body not with electricity, but with coherence — restoring order to damaged or aging systems. Quantum Field Coils generate a high-frequency toroidal field that couples with ZPE. This creates a non-local energy well — a bubble of energetic abundance surrounding the patient. No batteries. No wires. No limit. Just direct energy from the quantum vacuum, tuned to biological repair frequencies.
- **3. DNA: YOUR BIOLOGICAL ANTENNA** Now for the wild part: your DNA is a fractal antenna — tuned to both EM and scalar frequencies. This isn't fantasy. In 2011, Russian biophysicist Peter Gariaev demonstrated that DNA can be reprogrammed with laser light and language. So yeah... your body has firmware. And it can be updated. It absorbs, transmits, and stores vibrational information. It doesn't just code proteins — it reacts to intention, light, sound, and frequency. In med beds, quantum AIs read your DNA's energetic state, then send harmonic signals to "remind" it of its ideal form.
- **4. THE FULL LOOP:** A perfect feedback system. Not just healing — upgrading. Scan the DNA's energetic distortions. Feed the body with zero-point coherence. Correct the biofield with harmonic light and sound. Rebuild the body from the inside-out. They told you healing was external. It's not. Your body is a quantum receiver. Medbeds just remove the noise so the original signal can come through. The future of medicine is frequency. And your body already knows the song. Get ready—the future of healing is closer than you think.

**Q. Sat. 12 April 2025 MASSIVE QFS ACTIVATION UNDERWAY — GLOBAL BANKS COLLAPSE, VISA DISAPPEARS, AND DEEP STATE FORTUNES SEIZED BY MILITARY STRIKES. THE SHIFT IS REAL — AND IT'S ALREADY BEGUN. ...JFK**  
Awakening Q17 on Telegram

- **What the media calls "banking failures" are coordinated takedowns.** Deutsche Bank, HSBC, JP Morgan — gutted. Executives removed. Tribunals underway. Sentences sealed. What's replacing them isn't reform — it's revolution. The Quantum Financial System (QFS) is here.
- **Legacy payment giants like VISA and Mastercard?** Being quietly phased out. Their purpose was never convenience — it was control. Hidden fees, predatory surveillance, backdoors for data theft — now exposed. The QFS replaces all of it with quantum-

secured, fraud-proof infrastructure. Every account is biometric. Every transaction instant, traceable, unhackable. The global elite never saw it coming.

- **Stripe, PayPal, even mobile wallets — all flagged.** These weren't platforms; they were gateways into the Deep State's funding pipelines. The Alliance is severing them in real time, while military units retrieve stolen assets and dismantle trafficking routes hidden in financial code. This isn't a software upgrade. This is total reset.
- **And the Quantum Internet? It's operational.** It's not just a faster net — it's a secured global matrix designed to annihilate censorship, end manipulation, and erase the deep state's last digital strongholds. The current internet was a trap. This one is a liberation grid.
- **Fiat currency is finished.** The dollar, euro, yen — unbacked illusions. The petrodollar system has been neutralized. Asset-backed currency is rising, and at its core: gold. Welcome the Rainbow Currency — a gold-anchored financial weapon immune to inflation and manipulation. Over 60 nations have already converted. The switch wasn't announced. It was executed.
- **Zim bond redemptions have entered critical stages.** Bondholders once mocked are now key. Behind high security, redemption centers operate under military guard, using biometrics and encrypted Q comms to identify every move. NDAs protect the process. Any leaks, and the consequences are immediate. The Deep State has tried infiltrating the system — and failed. The Alliance is watching every access point.
- **January saw coordinated raids across London, Zurich, and Hong Kong.** Hidden vaults seized. Gold recovered. Illicit funding pipelines cut. Over 80% of deep-state financial networks destroyed. These raids weren't symbolic. They were surgical.
- **South Africa is purging its captured regime.** New leadership aligned with the GESARA blueprint is rising. Iraq's central bank is preparing a revaluation that will ripple across the Middle East and force a global asset-backed rebalancing. These aren't theories — they are active phases.
- **You may not have received your QFS login yet** — but the account already exists. It's linked to your ID. When the full switch hits, you'll receive quantum-level instructions via the new secure communication grid.
- **March 2025 was not just a month** — it was a turning point. The Cabal's wealth is gone. Their systems burned. Their shadows fading. What comes next isn't chaos — it's calibration. Stay alert. Stay quiet. Stay ready. The future isn't coming. It's here.

- **Woah. — We do know that they were acting suspiciously in the fire zone on a fake fire truck.** Turns out the woman is a national weather service wind and fire expert who teaches juvenile delinquents climate change issues. They make rap songs called weather slaps. And some of the lyrics go like, wait until you see it all burn.

**S. Sat 3 May 2025 BREAKING: TRUMP SECURES \$30M SETTLEMENT FOR ASHLI BABBITT — DEEP STATE PANICS AS SHOOTER WALKS FREE ...** WH Grampa on Telegram

- **Her name was Ashli Babbitt—an Air Force veteran, unarmed, and gunned down in the U.S. Capitol on January 6, 2021.** She wasn't a threat. She wasn't armed. But she was a Trump supporter—and that made her expendable in the eyes of the regime. The bullet that killed her wasn't just aimed at her—it was meant to send a message to every American who dared to stand against the system.
- **Now, under President Trump's leadership, her family has secured a \$30 million wrongful death settlement**—a direct acknowledgment that something horrific took place that day. This isn't “hush money.” This is the first crack in the wall of lies that's protected Ashli's killer, Lt. Michael Byrd, for years. He was never punished. He was never even suspended. Instead, he was protected, praised, and made into a symbol of state obedience.
- **Trump didn't forget her. He didn't flinch.** While the Biden regime buried the truth under show trials and media spin, Trump vowed to pursue justice—and he delivered. This settlement is not the end. It's the beginning. It opens the door to lawsuits, investigations, depositions, and full-scale exposure of what January 6 really was: a government-staged hit on dissent.
- **Lt. Byrd didn't fire out of fear. He fired out of allegiance**—to the narrative, not the law. He shot an unarmed woman behind a barricade, without warning, without escalation. And for that, he was rewarded. Why? Because Ashli was wearing the wrong hat. Because she stood for the wrong cause. Because she believed in the wrong president.
- **Now the lie is collapsing.** Ashli wasn't a terrorist. She was a patriot murdered by a system afraid of its own people. And thanks to this legal breakthrough, justice is on the table—not just for her, but for everyone silenced since.
- **This is the tipping point.** The regime is cracking. And the gloves are off.
- **TRUMP 2025 — REMEMBER HER NAME. FIGHT FOR THE TRUTH. THE WAR HAS BEGUN.**

**"Things I've Learned from My Prison Temple" - part 4 of 4**

**February 24, 2025 - Day #545** of my being falsely arrested and fraudulently prosecuted by IRS/FBI/DOJ

### **Divine Intervention That Stopped a Potential Suicide:**

**John was originally facing the possibility of 424 years for crimes he did not commit.** In fact, like me, he also considers himself a political prisoner, suffering under a corrupt DOJ's "the process is the punishment" approach to "justice" where you're considered GUILTY until you can prove you are INNOCENT while they hold you in jail/prison daring you to try to mount an effective defense while you're suffering under the trauma imposed by their soul crushing confinement. This is how the DOJ extracts punishment and promotes fear to manufacture the results of a 98% conviction rate.

**When John exposed the massive corruption by one of the "three letter agencies"** (not named here for his protection), they threatened him with 424 years of prison time! His future looked impossible. He was in deep despair. Then coincidentally, the man in the next cell hung himself. The body was left hanging in the cell the entire day by the guards for some unknown reason. This drove him deeper into despair. Despite his Catholic upbringing which makes suicide a mortal sin, hell seemed a better choice than what he was suffering.

**While at the next prison worship service John sat in the pew and pleaded in silent prayer for God to show him a sign to stop him** if that's what God wanted, because otherwise he was "done" with this life and planned to take his own life. Then sunlight came down through a window high on the wall and landed only on John, completely covering his body, but no one else. He was amazed! After going up to take communion, he went back to sit but found himself in a different place further down the pew. He continued to pray for God's inspiration. Then again, the dark room lit up with the sun shining directly on John and him alone, confirming the first miracle with a second.

**John decided not to kill himself and to continue his fight.** Later, after getting some excellent, renowned legal help, all but one of the charges were dropped and he will soon be released and going home! John believes in miracles now. God's light has only grown in him and inspired a great hunger for spiritual food. John has been spiritually "on fire" and asked if we could have gospel discussions three times a day, please, if possible, but it wasn't. John was on

fire. A beautiful thing to witness a complete change of heart, hunger for spiritual food and a desire to be baptized anew.

**At one of our prayer group meetings** John explained how the previous day he had felt attacked by evil spirits. John was tempted to be panicked, until he remembered how we had discussed that Satan has absolutely no physical power over us, and that he and his evil minion spirits can be easily cast out by simply commanding them to leave in the name of Jesus Christ. John stood up to the attack by using Christ's name, and the evil spirits departed. He was amazed how immediately the peace came to him.

### **"Total Forgiveness"**

**Another night John asked if we could talk about forgiveness;** being forgiven because he had "done things I wish I hadn't done during my life" and also had been greatly harmed by people who had deeply hurt him (including those who weaponized fake counts fabricating crimes he did not commit).

**Forgiveness was a tough subject for him** to confront because of the Matthew 6:14-15 requirement that we must first forgive others, if we hope for God's forgiveness. John desperately wanted God's forgiveness, but realized that if he didn't forgive others, God was telling him that he would not be forgiven.

**Then one night John shared with the group how he had a great breakthrough.** Through much prayer and pondering he had finally discovered feelings for these people he didn't think possible. John's feelings of anger and betrayal were replaced by charity for his attackers. He marveled at the "great relief" that came over him. "It's as though these heavy chains that were dragging me down, just dropped from my shoulder. I felt this genuine forgiveness for those who have harmed me and my wife so deeply I can almost taste heaven." John felt blessed by God's mercy.

**Our Bible Study group learned how vindication is what God does best.** He does not want our help. The Lord says, "It is mine to avenge; I will repay." (Deuteronomy 32:35)

**I too continue to misjudge people.** The other night a guy named Justin came in late and was assigned the bunk beside me. He was acting really ditzy. I offered to help him get settled, even putting his sheets over his mattress and gave him food he "needed", but that he didn't eat and had to be tossed. I wasn't impressed and I thought him another useless piece of humanity.

**How wrong and judgmental I was.** Later, after Justin accepted my invitation to join our Bible Study group, and there explained that that first night he had come in high on drugs intentionally to numb him to be able to get through the trauma. Days later he confessed that he considers it a blessing and thanks God he was incarcerated because he was on a collision course headed toward certain death. He said it was "an intervention" by a loving Heavenly Father. I misjudged this man.

**Being in prison is rough.** I don't recommend it. But I've enjoyed being in the service of my fellow prisoners and doing whatever good I can for God's glory and His name's sake. These scriptures have blessed my understanding:

**"God will wipe away every tear... the old ways are gone."** Revelation 21:4

**"All things work together for good** to them that love God, to them who are the called according to his purpose." Romans 8:28

**"There is no fear in love."** 1John 4:18

**Barbara & I remain ever believing in MIRACLES** as we occupy our front row seats to God's battle and eventual victory over Goliath IRS in His perfect timing -- and the setting of his People FREE! We cannot thank you enough for your prayers which have and continue to sustain us in this strange and difficult "adventure".

**Z. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That

Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
