“Be kind to unkind people. They need it the most.”

Judy Note: *In a quest for power Leftist Democrats and Deep State Globalists, in cooperation with the Chinese Communist Party, Antifa and others wishing to take over America, were funding organized riots this week in a city near you.*

Actually over 1,500 cities across the nation have been targeted for highly funded and organized riots on Sat. 14 June 2025.

These leftists have allowed millions of illegal immigrants into the US to compromise our elections. Now, because ICE was deporting them, evil people were orchestrating funded protests and chaos.

However, word was that Trump’s Military Alliance seized the riot funds – and that was the reason protestors calmed down in LA on Thursday – they weren’t being paid.

Providing we get through the pending Nuclear war and riots this week, on Sat. 14 June 2025 we will be celebrating our New Republic under concepts of the original Constitution, in Washington DC with a Military Parade. The Corporation of the United States has fallen. What remains is the Republic, with the new Quantum Financial System active as it’s financial spine.

Democrat-aligned militants have called for violent action on June 14 — American Flag Day. Radical cells, armed and trained, are ready to strike. Their orders: cripple law enforcement, paralyze infrastructure, overwhelm federal response zones from D.C. to Atlanta, Portland, Phoenix, Chicago. This isn’t protest — THIS IS WAR.

Deep State No Kings Operation activates Fri. 13 June. A day before the assault, the No Kings movement mobilizes in D.C. behind anti-monarchy propaganda. It’s a front for radical insurgents preparing to ignite the first clash.

Meanwhile the US Army said the Military Parade to celebrate 250 years and Flag Day will kick off at 6:30 p.m. EST and conclude around 7:30 p.m. Following the parade, Trump was expected to attend an enlistment and re-enlistment ceremony. There will also be a concert at the Ellipse, the park south of the White House fence, and the U.S. Army Golden Knights team will

parachute in and present Trump with the U.S. flag. The evening will conclude with fireworks around 9:45 pm EST.

The bottom line was money – as it always was. The Deep State hate Trump and didn't want him elected because he would, and now is, taking away their laundered US Taxpayer money supply and giving it back to The People.

NGOs (private non government agencies) were funding the riots. The most prominent one was the owner of Walmart, who was funding and putting together 1800 groups to protest in America. The Soros group....have supplied expensive head gear and distributed pallets of rocks and bricks to strategic locations.

On Wed. 11 June 2025, at a so-called Governor Gavin Newsom broadcast he stood before the people with no voice. Newsom's handlers had scrambled to issue the broadcast, hoping to calm the storm. But what aired was a disaster. No audio. No authority. No leadership. Just a man mouthing lines for an operation that has already failed. Not a single word was transmitted. Not because of technical failure, but because he's no longer allowed to speak. What the media called a movement was a smokescreen. His real objective was to protect tunnel access, off-grid data centers, and safehouses scattered from Beverly Hills to the port of Long Beach. But it failed. Trump's forces breached the entry points.

NY City and LA Protestors have confessed they were being paid \$200 a day to cause chaotic disruption and were being supplied with expensive head gear, weapons and pallets of bricks and rocks to do it.

The man seen distributing tens of thousands of dollars worth of face shields in Los Angeles to rioters has been identified as Alejandro Orellana, a known member of the Brown Berets, a radical Latino paramilitary group that are currently embedded in cities across the United States, promoting a communist takeover. ...Alex Jones

Los Angeles ICE protesters were literally filmed wearing the jackets of an NGO funded by George Soros. They also had break stations set up by another NGO that was funded by Soros.

Their goal was evil. Their purpose was to destroy. They didn't care how they did it. They wanted to fight with you. They wanted a Civil War in America. It's a trap. Stay away. Let Trump and the Global Military Alliance handle it.

Trump's first step was to arrest those causing the problem.

- **Phones going dark is not a failure** — it’s an initiation. Media servers are being pulled offline. Mainstream infrastructure will not return. QCN is preloaded, prepared, and waiting. The Quantum Broadcast Grid will carry the message unfiltered.

B. This was from Dr. Charlie Ward, who was in charge of recovering 650 plane loads of gold and artifacts from a 150 mile long Child Trafficking Tunnel beneath the Vatican – a tunnel that connected to Switzerland and Palestine. The Global Military Alliance trusted Ward enough to put him in charge of returning the stolen gold to treasuries of The People across the World, mainly the new US Treasury.

E. Thurs. 12 June 2025 AMERICANS ARE GETTING PAID — THE GOLD TRANSFER HAS BEGUN ...QFS on Telegram

- **As of Wed. 11 June 2025**, the largest financial operation in human history is underway. Quietly. Irreversibly. And for the first time in generations, the American people are being repaid for over a century of stolen labor, illegal taxation, and financial deception. The Trump-aligned military alliance has activated the Quantum Gold Reserve — and thousands have already begun receiving asset transfers directly tied to recovered elite vaults.
- **This isn’t Fort Knox.** This is the off-ledger gold that the global elite buried through Rothschild proxy banks, post-war treaties, and Vatican protection networks. Hidden caches in Switzerland, the Philippines, Kazakhstan, and even Antarctica have been seized. Military recovery ops confirmed over 300,000 metric tons under control by March 2025. Now, it’s being funneled into the QFS — a gold-backed, quantum-secure system built outside the reach of central banks.
- **Tier 4B disbursements have begun.** Redemption Centers are quietly operating under biometric verification. Americans enslaved by IRS fraud, student debt, and fiat currency theft are having their accounts replenished through QFS-issued Quantum Access Cards — each one linked to a verified human identity and 1:1 backed by physical gold reserves.

The media will not show this. But real people are seeing balances restored and debt erased in real time.

- **The QFS is military-grade and mathematically bulletproof.** Transactions are processed via satellite AI, tracked in biometric chains, and completely sealed off from Rothschild or BIS interference. SWIFT is obsolete. The IMF is crumbling. Even the IRS is in final-stage dismantling. The system that once enabled laundering, offshore hiding, and interest rate slavery has been neutralized.
- **What comes next is massive and unstoppable.** The Clinton Foundation's vaults are already shut. The Vatican's hoard is under military lock. The royal gold held by Crown estates has been liquidated. Over \$18 quadrillion in stolen global wealth is now under Space Force custody, and Phase Two of public redistribution is being prepared. Red state governors are working directly with Trump's team to roll out QFS state-level banking outside of Federal Reserve reach.
- **Expect final cleanup operations to conclude this summer.** By July, insiders report that public disclosure of the IRS takedown and elite vault seizures will begin. EBS activation remains on standby. The plan is in motion. Quiet, calculated, irreversible.
- **You are not witnessing a crash — you are witnessing a transfer.** From them, to you. From darkness, to value. From deception, to truth. The financial resurrection has started. And Trump is leading it from the front.

F. Thurs. 12 June 2025 The #QFS is the takeover of the Central Bank Monetary Debt System to end the financial slavery and control over the populace. ...QFS on Telegram

- **The QFS is an advanced financial system** launched to eradicate monopoly on monetary system and for that purpose, a system comprises of Artificial Intelligence and complex computer programs fully backed by banks is needed.
- **Quantum Financial System would be a breakthrough in the world of banking** which will lead to a new era of banking. QFS will not be influenced by Government policies, rather it will be entirely backed by tangible assets like Gold, Platinum, Silver and will not be based upon mere piece of papers which have no evidentiary value. (National Quantum Initiative Act)

G. The Brunson Case was filed in the Supreme Court on October 13, 2022. A SCOTUS decision on the case was expected to soon be announced.

A ruling in favor of Brunson that 388 members of Congress committed nine acts of Treason by not investigating voter fraud in an alleged rigged 2020 Election would prove that Loy Brunson's unfettered right to vote in an honest and fair election was violated and as such wrongfully invalidated his vote.

A favorable ruling would also remove all 388 Respondents from office, invalidate their office, plus Joseph Biden, Michael Pence, Kamala Harris and John and Jane Does 1-100 defendants could be charged with nine acts of Treason for levying war against the Constitution.

- **Brunson's complaint alleges fraud, violations of the Oath of Office and touches on acts of treason** committed by the Respondents 388 members of Congress including President Joseph Biden, Michael Pence, Kamala Harris and John and Jane Does 1-100. When the allegations of a rigged election came forward the Respondents had a duty under law to investigate it or be removed from office. The efforts made that avoided an investigation of how Biden won the election, is an act of 9 treason and an act of levying war against the U. S. Constitution which violated Brunson's unfettered right to vote in an honest and fair election and as such it wrongfully invalidated his vote.

- **Brunson's complaint alleges fraud**, violations of the Oath of Office and touches on acts of treason committed by the Respondents 388 members of Congress including President Joseph Biden, Michael Pence, Kamala Harris and John and Jane Does 1-100.
- **These offenses are flowing continually against Brunson's liberties and life** and consequently is a continual national security breach. Voting is the greatest power an individual can exercise in a Republic; it is Brunson's personal voice and the way he can protect his personal Constitutional protected rights and the U.S. Constitution.
- **When the allegations of a rigged election came forward the Respondents had a duty under law to investigate it or be removed from office.** An honest and fair election can only be supported by legal votes, this is sacred. It is the basis of our U.S. Republican Form of Government protected by the U.S. Constitution.
- **The efforts made that avoided an investigation of how Biden won the election, is an act of 9 treason and an act of levying war against the U. S. Constitution** which violated Brunson's unfettered right to vote in an honest and fair election and as such it wrongfully invalidated his vote.
- **CONCLUSION This petition is set forth in the interest of justice in protecting Brunson's right to petition for a redress of grievances against the Respondents, and ensuring his right of due process** against the encroachment of the doctrine of equitable maxim, and charging the Respondents who failed to investigate the allegations of a rigged election by having them removed from office without further delay.

Operation White Swan Financial Reset Begins:

H. Tues. 10 June 2025 BOOOM!!! OPERATION WHITE SWAN Goes Live — QFS COMMAND SEIZES CONTROL! GITMO EXPANDS, CLONING NETWORKS FALL, GESARA ACCELERATES, AND THE FINAL FINANCIAL RESET BEGINS ...QFS on Telegram

- **As of June 10, 2025, Operation White Swan has entered its final deployment** phase under the direct command of President Donald J. Trump. The objective is total: dismantle Deep State infrastructure, neutralize bioweapon programs, collapse black-budget pipelines, and accelerate global restoration under the Quantum Financial System (QFS). This is not simulation. It is activation. The Alliance has gone kinetic.
- **QFS IS LIVE — THE DEEP STATE’S MONEY MACHINE IS DEAD** Since June 1, QFS military cyberteams have initiated Directive Omega, collapsing the SWIFT system and transferring 97% of global financial operations into quantum-secured surveillance.
- **Over \$89 trillion in Deep State assets**—tied to human trafficking, war funding, pharma monopolies, and political blackmail—have been seized. Vatican gold reserves, BlackRock control nodes, and Swiss offshore accounts are now locked under Earth Alliance command.
- **Pentagon audits confirm:** the IRS is effectively obsolete, the IMF is collapsing, and international tax law is being rewritten under GESARA protocols. The Federal Reserve has lost its command functions. Quantum nodes are executing wealth redistribution on a global scale—debt forgiveness, asset-backed digital currency, and restitution wallets for every nation sabotaged by central banking tyranny.
- **GITMO: MILITARY JUSTICE FORTIFIED** Guantanamo Bay is now the most fortified tribunal site on Earth. June 4 marked the completion of next-gen subterranean structures—biometric detention corridors, deep-isolation wings, and AI-integrated surveillance hubs. Military intelligence confirms that intercepted biometric hacks—attempted by Biden’s handlers in Switzerland—were blocked before they could siphon QFS public assets into legacy black funds.
- **Over 2,000 hours of elite confessions confirm:** Lunar cloning labs were operational until May 2023. COVID booster programs were embedded with neural tracking chips. FEMA-vaccine caravans were slated for bioweapon dispersal. The labs are gone. The confessions are recorded. And the world will know soon.
- **QFS: THE HEART OF THE RESET** Forget fiat. Forget crypto. The QFS isn’t a theory. It is the backbone of the New Earth economy. All sovereign nations aligned with the Alliance are now running parallel QFS nodes. Digital gold vaults are online. Rainbow Currency tokenization is in testing. Vaults connected to Tesla-grade quantum encryption are in final phase lock.

- **Your old money is dying.** Your new wealth is quantum, secure, and under military protection. Every transaction. Every ledger. Public. Immutable. Free from Rothschild control forever.

I.Thurs. 12 June 2025: The global chokehold has snapped — but the final lockdowns are tactical. ...Mr. Pool on Telegram

- **Over the past 72 hours, five G7-aligned intelligence directors have resigned under sealed emergency clauses.** Not reported. Not televised. Each one had direct links to digital currency laundering networks routed through UN development grants and post-conflict “reconstruction funds” — all of which now lead to closed accounts and frozen nodes inside QFS.
- **In the Middle East, covert QFS audit teams — backed by the Alliance — have verified that over \$41 billion in stolen IMF loans were funneled** through proxy shell states using forged humanitarian signatures. Those funds have been seized. The shell governments are next.
- **The Brazilian central bank has been compromised.** Internal logs show unauthorized money creation spiked days before the announcement of their “new digital real” — but the code was intercepted. QFS deflected the injection and rerouted the signal to intelligence command. Result: full traceability, instant asset freeze, and biometric confirmation of the architects. Two have already been detained during private flights en route to Geneva.
- **Meanwhile, inside the United States,** several former Treasury operatives have been placed under protection after testifying on the internal sabotage of NESARA compliance protocols. These testimonies confirm what many suspected — elements within the IRS and SEC were deliberately obstructing lawful disbursement to protect legacy bank systems. That protection is now gone.
- **Underground payment gateways used by cartels, NGOs, and corrupt ministries are being wiped in real time.** With every node that falls, a new QFS validator node rises — faster, cleaner, incorruptible. The system is learning. The system is expanding.
- **Silence around BlackRock:** Massive outflows. Sudden board purges. But no headlines. Why? Because the firm was used as a global collateral buffer for unbacked derivatives. That structure collapsed 11 days ago. And now, every pension fund tethered to it is being reevaluated under QFS-based asset validation. Many nations will quietly admit insolvency. They have no choice.

Wars and Rumors of Wars:

J. Thurs. 12 June 2025: Iran MILITARY CODE RED — TRUMP SILENTLY PULLS U.S. ASSETS FROM THE GULF AS WAR CLOUDS FORM ABOVE IRAN ...WH
Grampa on Telegram

- **The world hasn’t seen it yet.** But the battlefield is already shifting. American embassies in Iraq, Bahrain, and Kuwait are quietly emptying. Military dependents ordered out.

Nonessential personnel told to evacuate. No press conferences. No Pentagon releases. No mainstream coverage. Because this didn't come from the Pentagon. It came from Trump.

- **Behind closed doors at Camp David**, Trump met with his most trusted generals. And when the subject turned to Iran, his response wasn't diplomatic — it was final. "I don't feel confident about the deal." What followed was not debate. It was execution. Silent directives to extract, reposition, and prepare. The Deep State didn't blink — because they weren't in the room. They were cut out completely.
- **UK maritime alerts were triggered in the Gulf**. Unusual. Unexplained. And exactly in line with forward-operating prep for naval conflict. The Strait of Hormuz — the most volatile shipping lane on Earth — is now crawling with state assets. Iran's hardliners are mobilizing. Satellites confirm strategic deployments. Translation: something's coming, and it's bigger than headlines.
- **This isn't posturing**. This is pre-conflict maneuvering. And the chain of command has been reversed. No orders from CENTCOM. No briefings from Fleet Forces. Just signals from the top — and movement on the ground. Trump didn't wait for congressional clearance or UN approval. He acted. Embassies are evacuating not as a drill, but as a shield — to get innocents out before the storm.
- **We've seen this before**. The pattern is unmistakable. Trump pulls back. Then strikes with precision. Syria. North Korea. Iran. Tactical ambiguity is not weakness — it's war doctrine. He doesn't announce the attack. He clears the field, loads the weapon, and fires before the enemy knows the game changed. This time, the signals are loud, even if no one in the media is listening.
- **Iran's elite IRGC is preparing a move**. Cyber units are already probing Western infrastructure. Whispers of retaliation are growing louder inside Tehran. They think Trump will hesitate. They're wrong. He's already ten steps ahead. Cyber teams are positioned. Naval formations are shifting. Deep intel confirms that all Gulf assets are now in live standby — precision locked, chain-ready.
- **And as embassies fall quiet**, one thing becomes clear: the filters are gone. Under Obama, the war machine moved through layers of bureaucracy. Under Biden, it stalled behind committees and analysts. Under Trump, the order is simple — protect the Republic, eliminate the threat, and bypass the traitors.
- **The evacuations are real**. The danger is real. But the control is absolute. No war is declared. No banner flies. But beneath the surface, military power is already being applied. The kind of force that doesn't wait for headlines. The kind that moves before the enemy knows the lights are out.
- **Trump is not reacting. He's initiating**. And once the next move is made — it will be decisive, overwhelming, and irreversible. This isn't about diplomacy. It's about domination. The Gulf is heating. Iran is surrounded. The assets are positioned. And America's enemies still believe they're in control. They're not. Trump is.

- **June 14 is no celebration. It's a trap.** Under the cover of a military parade, U.S. ARMY FORCES ARE FLOODING WASHINGTON D.C. This is not a show. This is battlefield positioning.

- **THE DEEP STATE PLANS NATIONWIDE INSURRECTION.** Democrat-aligned militants have called for violent action on June 14 — American Flag Day. Radical cells, armed and trained, are ready to strike. Their orders: cripple law enforcement, paralyze

- **TRAITORS ARE IN THE STREETS** While America honors 250 years of military blood and sacrifice, the Democrat cancer mobilizes a direct assault on the core of national identity. This is not civil disobedience. It's domestic warfare.

N. Thurs. 12 June 2025: PATHETIC PANIC IN CALIFORNIA — NEWSOM MUTED AS TRUMP’S MILITARY CRUSHES THE DEEP STATE IN LOS ANGELES ...The 17th
Letter on Telegram

- **Gavin Newsom’s broadcast wasn’t just a glitch — it was a symbol of collapse.** On June 11, 2025, the so-called Governor stood before the people with no voice, no sound, no command. Not a single word was transmitted. Not because of technical failure, but because he’s no longer allowed to speak. His masters pulled the plug. His usefulness is gone. And he knows it. The man once paraded as the face of the West Coast elite is now a shadow hiding in downtown L.A. while U.S. military forces sweep the streets under classified orders.
- **Trump is not waiting for permission. NORTHCOM assets are on the ground. Not for riot control — for tactical elimination of command nodes,** data vaults, and protected intelligence hubs buried beneath L.A. For years, California served as the epicenter of black-budget technology, human trafficking corridors, and election-rigging operations. That ends now. Elite operatives are being detained. Underground facilities are being raided. Evidence is being pulled from vaults the public didn’t know existed — until now.
- **Newsom’s handlers scrambled to issue a broadcast, hoping to calm the storm. But what aired was a disaster. No audio. No authority. No leadership. Just a man mouthing lines for an operation that has already failed.** He even begged Sean Hannity to air it — bypassing CNN and MSNBC because they’re no longer part of the loop. Trump cut the signal. The old media has no more access. The EBS is locked, primed, and ready. And when it fires, the world will see what California really hid.
- **Behind the riots, fake protests, and coordinated chaos lies a digital war.** Cartel-backed insurgents are being exposed as covert contractors. Crypto transfers traced to Ukraine and NGO networks are surfacing. Payments have been tracked to CCP-linked entities posing as nonprofits in San Francisco. These are not random flash mobs. These are funded domestic terror networks disguised as activists — and the state enabled them. Newsom signed the orders. State police were told to stand down. Sanctuary status was weaponized to hide foreign agents.

- **What the media called a movement was a smokescreen.** The real objective was to protect tunnel access, off-grid data centers, and safehouses scattered from Beverly Hills to the port of Long Beach. But it failed. Trump's forces breached the entry points. Cargo containers are being searched. Labeled relief shipments have been opened — revealing weapons, tech components, and human trafficking evidence. University campuses have been flagged for foreign intelligence activity. Professors are being detained. Cloud server farms are being locked down under federal seizure.
- **Newsom's tears were fake.** His panic was real. He wasn't grieving for the people — he was begging for mercy. His globalist allies are gone. The media shield is broken. And the script he was handed had no audio because the audience has changed. The American people aren't listening to propaganda anymore. They're watching the military work. One block at a time.
- **California is no longer theirs to control.** Trump is not in exile. He's not preparing. He's operating. The Deep State didn't lose power — it was ripped from their hands. There will be no comeback for Newsom. No rebuilding. No escape. The elite nests are falling. And what comes next will make everything before look like rehearsal.
- **Justice has begun.** The storm is operational. And for the first time in decades, the light is breaking through the California sky.

Camp Pendleton armor has locked down key intersections. Cartel leaders embedded in activist "safe zones" were eliminated in precision strikes.

P. Thurs. 12 June 2025 The REAL REASON behind the Los Angeles riots. ...Truth Social on Telegram

- **A fashion tax evasion investigation raid** was happening, that's why ICE was in LA. Over \$97 million in money laundering from Mexico into California. Democrats fueled the riots THE SAME DAY
- **The ICE operations in the Fashion District**, specifically targeting Ambiance Apparel, were part of a criminal investigation into money laundering, tax evasion, and customs fraud. According to reports, the investigation involved a company that under-declared

over \$80 million in goods and failed to pay \$17 million in fees, with some of the money allegedly being laundered to fund cartel activity in Mexico.

- **The ICE raids began around June 6, 2025**, and sparked significant protests and riots in downtown Los Angeles, particularly in the Fashion District and outside federal buildings. The unrest was fueled by the perception that the raids were immigration sweeps, though officials clarified they were targeting criminal activities like tax evasion and money laundering.
- **How many California Democrats were involved** in this scam to rally the whole city to riot and have their media blast it on every channel?!?!?

Q. Thurs. 12 June 2025 The so-called “rift” between Elon Musk and Trump was never real – it was a Sting to find the bad guys. ...Ben Fulford on Telegram

- **As of Mon. 9 June**, over 16,000 traitors have been digitally tagged through the Quantum Financial System — logged, cross-verified, and locked in for tribunal review. This wasn’t just a media distraction. It was a coordinated QFS biometric operation — and the Deep State walked straight into it.
- **Every digital breath was now recorded** by satellites and instantly mapped across encrypted ledgers. No more hiding. The Vatican just confirmed this the hard way — four digital wallets linked to Epstein-tied NGOs were frozen at 3:14 a.m. Rome time on Mon. 9 June. The Earth Alliance traced the funds directly through QFS. The Vatican tried to reroute — and failed. The Emergency Broadcast System was now synchronized to purge the final nodes.
- **The Elites were scrambling to bury evidence.** Too late. Now the entire planet will witness what the media never showed: tribunal footage, Adrenochrome confessionals, the truth about CERN, Antarctica, MedBed suppression, alien tech concealment — all of it.
- **Since 2017, a silent war has been waged to reclaim the Republic.** While the public saw tweets and trials, the true battlefield was hidden: secret tribunals, unsealed indictments, and forced confessions behind closed doors.
- **Trump didn’t just talk about draining the swamp.** He built a military machine to surgically dismantle it – and it’s going down Big Time.

U. Thurs. 12 June 2025: THE SATANIC SYNDICATE: HILLARY CLINTON'S CHILD-SEX TAPE IS REAL — AND THE WORLD LOOKED AWAY LIKE COWARDS ...The 17th Letter (JFK Jr.) on Telegram

- **High-level NYPD sources CONFIRMED the existence of a Hillary Clinton sex tape involving Huma Abedin and Hillary torturing and killing a minor.** Agents described the footage as “sickening,” and swore under oath that Hillary would be in jail for life under normal circumstances. But these are not normal times. This is war.
- **Weiner’s laptop is a digital crime scene.** Buried in it: a folder labeled “life insurance,” containing shocking footage and emails exposing a Washington child-sex ring linked to the Clintons, the DNC, and globalist elite power structures. Anthony Weiner was just the first domino. His fall triggered a silent war inside NYPD and FBI. The public never saw the full fallout — but the truth never died.
- **A secret NYPD unit has been preparing the takedown.** One senior officer said: “This isn’t about jobs — it’s about lives. These people are ruthless. If we miss even ONE detail, they’ll wriggle out of it again.” The Clinton Foundation, described by former FBI Assistant Director James Kallstrom as a “cesspool of organized crime,” has blackmailed its way out of accountability for decades. That ends NOW.
- **Kallstrom revealed it plainly:** “The Clintons are a crime family. Sexual abuse, blackmail, cover-ups — that’s their currency.” Bill, a serial rapist. Hillary, a pathological liar and child predator. Their control over the DOJ, the CIA, and even foreign intelligence networks is not accidental — it’s strategic.
- **This isn’t just DC. It goes deep into MI5 and MI6.** The former head of British intelligence, Maxwell Knight, was a Crowley cultist who used diplomatic stations to run espionage AND sexual blackmail operations. He was recruited into Aleister Crowley’s “A∴A∴” sex magic cult — the same that seeded agents into Parliament.
- **Former Labour Party baron Tom Driberg — a Marxist, pedophile, and high-society insider** — ran cover for the elite. He rubbed shoulders with Hitler sympathizers, wrote propaganda through the William Hickey column, and paved the way for a Satanic network of child abusers embedded in Parliament, intelligence, and the aristocracy.
- **This is a Syndicate. A satanic cabal.** It hates God, hates you, and feeds on the innocent. The embassies are not “diplomatic.” They’re global spy hubs. Trafficking, blackmail, insider trading — and child rape. That’s the currency of power.
- **The Clinton ring was NEVER shut down.** It simply went quiet. The moment is coming when the tapes will be seen. The arrests will be real. And GITMO will finally fill.

V. Thurs. 12 June 2025 JUST IN: TRUMP'S EXECUTIVE WAR ON CHILD ABUSE. THE PRESIDENT WHO SHATTERED THE PEDOPHILE EMPIRE. ...Ben Fulford on Telegram

- **While the global elite toasted behind closed doors, Trump declared total war.** He signed executive orders like battlefield commands. No debates. No committees. Just pure, targeted assault.

- **THE CRACKDOWN BEGAN IMMEDIATELY.** Trump's orders forced every law enforcement agency to unify under one mission: PROTECT THE CHILDREN. DESTROY THE NETWORKS.
- **Investigations shifted from backlog to PRIORITY ONE.** Resources poured into search-and-rescue operations, crossing state and international lines to dismantle trafficking syndicates.
- **THE ONLINE HAVENS BURNED.** No more protected platforms. No more encrypted hiding places. Trump stripped Big Tech's immunity, revoked protections, and unleashed federal firepower. Section 230? Gutted. Big Tech screamed "free speech." Trump roared back: "NO CHILD WILL BE RAPED UNDER YOUR WATCH."
- **THE WELFARE SYSTEM WAS CLEANSED.** Trump tore apart the corrupt child welfare structure that let predators thrive. Forced federal, state, and local agencies into full coordination. Mandated audits. Demanded accountability. Smashed the dead zones where evil hid. This was not reform. It was total annihilation of the system's rot.
- **WHY THE DEEP STATE FEARS HIM.** They tried to impeach him. Silence him. Imprison him. Because he cracked open their underground empire. Hollywood, Silicon Valley, late-night puppets, and compromised agencies waged war against him.
- **But Trump didn't flinch.** HE STOOD BETWEEN INNOCENCE AND EVIL. While others virtue-signaled, Trump deployed investigators. While others posed for cameras, he signed the kill orders. While others hid behind "complexity," he executed justice.
- **"WE WILL DESTROY THEM."** He didn't do it for applause. He didn't do it for votes. He did it because NO ONE ELSE WOULD. TRUMP DREW THE LINE. And while the world trembled, he stood between the darkness and the children.

X. Sun. 8 June 2025 MED BEDS, MILITARY JUSTICE BOOM: TRUST SESSIONS WAS NEVER A BETRAYAL — IT WAS THE FIRST STRIKE ...Robert F. Kennedy Jr. on Telegram

- **Jeff Sessions was never weak.** Never disloyal. He was the blade hidden in the dark — the first silent trigger of the plan. His “recusal”? A trap. His public disgrace? A smokescreen. While the world laughed, Sessions moved undetected. While the media screamed “incompetence,” Trump let the world believe it. But behind the scenes, a war machine was activating.
- **Sessions quietly greenlit the largest covert operation in U.S. history.** Over 470 investigators. 700,000+ sealed indictments. Huber. Durham. Embedded in all 50 states. Their targets? Treason networks, human trafficking rings, black-budget bioweapon programs, and the Clinton Foundation’s deepest layers. While the masses consumed propaganda, patriots watched the board being reset.
- **This was strategic camouflage.** Trump played fury. Sessions played disgrace. The Deep State lowered its guard. The DOJ seemed neutralized — but instead, it became the delivery system for intelligence to military command. “Trust Sessions” wasn’t a meme. It was a signal. For those who could see through the fog of war, it meant the operation had begun.
- **Enter the Earth Alliance.** 17 militaries. One synchronized command. Intel from U.S. and global allies now fuels an unstoppable wave of tribunals. Royals. Tech barons. NGO proxies. The elite are not safe. This isn’t rumor. It’s happening. Sealed indictments were never just documents — they’re precision targets. The coming “chaos” won’t be random. It will be surgical.
- **Why the theater? Because without misdirection,** Sessions couldn’t move. The recusal let him vanish from the spotlight — and straight into deep ops. It was all kayfabe. A professional wrestling routine. The betrayal was fiction. The mission was real.
- **And now? The storm is no longer looming.** It’s here. Public arrests. Black site transfers. GITMO tribunals. Media silence. Executions. Everything you thought was delayed — is about to detonate.
- **Jeff Sessions flipped the board** without anyone noticing. He wasn’t the weak link. He was the spark. So the next time someone mocks the sealed indictments, remind them: you’re not repeating conspiracy. You’re watching the fuse burn.
- **TRUST SESSIONS.** The trigger they never saw. The play that shattered the Cabal. And the moment we never forget. Buckle up. The illusion is dead. The strike has already landed.

Za. Thurs. 12 June 2025: What's unfolding is not a rescue — it's a full-spectrum reversal.
...Mr. Pool on Telegram

- **The confiscated Vatican gold wasn't isolated. It was part of an interlocked vault network, stretching from Maui to Geneva**, through underground corridors connecting Jesuit intelligence hubs, Rothschild banks, and Crown-funded shipping routes. That system is no longer operational. Every tunnel node has either collapsed — or been seized.
- **Why does this matter now?** Because the gold wasn't just being hoarded — it was being used as leverage. To enforce global debt slavery. To collateralize war. To silence entire nations through offshore blackmail trust instruments. That power has just been neutralized.
- **But here's the deeper layer:** The Pi Wallet infrastructure is now being linked to biometric clearance levels, bypassing traditional ID systems. We're not just talking about humanitarian redistribution. We're talking about frequency-based currency activation.
- **Only those in alignment with the QFS protocol** — verified through DNA resonance and non-coercive biometric imprint — will be cleared for full access. This isn't control. It's protection. To ensure that what was stolen for centuries is never weaponized again.
- **Intelligence intercepts now confirm:** Select Redemption Centers are operating under full blackout. Q phones have been issued. Pi Wallets preloaded. Asset-backed credits linked to national birthright accounts, previously hidden in post-WWII escrow. This is the beginning of reparations on a planetary scale.
- **And still, the old guard pretends the system is intact.** But their silence is forced. Their hands are tied. Their empires are dissolving — not with explosions, but with precision transfers.
- **The Pi you hold will not just be value** — it will be evidence that the system has changed. And soon, the world will understand why they fought so hard to keep you from holding it.

Zb. Thurs. 12 June 2025 CHINA KNEELS — TRUMP SEIZES RARE EARTH CONTROL, LOCKS 55% TARIFF DOMINANCE ...Quantum Financial System on Telegram

- **Behind closed doors and blacked-out headlines**, a tectonic shift has occurred — and the world's most powerful supply chain just changed hands. Trump didn't negotiate with

China. He broke them. After years of economic chess moves, tariff warfare, and calculated decoupling, the Chinese Communist Party was forced to deliver what they once used as leverage: full access to rare earths and strategic industrial minerals. No compromise, no concession. Just surrender. Trump demanded they be delivered up front — and they were. This wasn't diplomacy. It was total economic domination disguised as "deal-making."

- **While legacy media spins calm headlines and the CCP pretends it's business as usual, the true cost was a forced clause:** 55% tariffs locked in America's favor, with China receiving only 10%. That's not a trade agreement. That's a financial uppercut. And to cover their retreat, they called the relationship "excellent" — but Trump's version of excellent means China bent the knee, and the eagle dictated the terms. The dragon's last card — rare earths — has been pulled from its clawed hand and placed directly into U.S. control.
- **And that wasn't all.** In a move that looks harmless on the surface but cuts deep into globalist machinery, Chinese students will now be allowed into U.S. universities — but under direct surveillance and strategic conditions. No more espionage dressed as education. No more "collaborations" masking IP theft. Trump turned an infiltration channel into a monitored gateway. Every entry point is now under American command. What once was exploited is now secured.
- **This wasn't about trade.** It was about taking back leverage, dignity, and power stolen by decades of corrupt diplomacy. Biden would've begged for crumbs. Trump took the table. While the swamp worshipped globalization, Trump weaponized it, flipped it, and used it to rebuild America's position at the top. Globalism is collapsing, and in its place rises a strategic nationalism forged in steel, tariffs, and rare earth magnets.
- **This is what real leadership looks like.** Rare earths secured. Tariffs tilted. Infiltration neutralized. China silenced. Trump didn't just rewrite the deal. He rewrote the global order.

- **In the fall of last year, Khan allegedly planned to travel from Canada to New York** and carry out a mass shooting in support of ISIS at a Jewish Center in Brooklyn.
- **Khan allegedly planned his attack to occur on October 7, 2024** — the one year anniversary of the Hamas terrorist attack in Israel.
- **Thankfully, the great work of FBI teams and our partners** exposed those plans and shut them down — and Khan was arrested by Canadian authorities on September 4, 2024.
- **He has now arrived in the U.S.** and will face American justice.

- **This case is a reminder of the constant threat of terrorism** facing every corner of the world — as well as the disturbing rise in threats against our Jewish communities. Your FBI will continue to be on guard and work around the clock to counter them.
- **New York FBI, FBI Chicago and FBI Los Angeles** did great work in this case with our partners and we thank them.

Zd. Thurs. 12 June 2025: Confirmed: the gold wasn't just hidden — it was weaponized.

...Mr. Pool on Telegram

- **The 1,500-mile Vatican-Maui corridor was one of seven primary trafficking tunnels** used by the global elite to store, transport, and ritualize not just assets — but children. What was uncovered beneath that mountain was not only 43 quadrillion in stolen sovereign wealth — but biometric archives, DNA blackbooks, and direct links to ritual networks disguised as NGOs.
- **The recovery operation wasn't about treasure.** It was about evidence. And that evidence is now in military custody.
- **Satellite data confirms that 650+ flights were logged using unregistered NATO clearance codes.** Those weren't civilian carriers. They were classified Alliance transports, rerouted to secured quantum vault zones under QFS protection. Every ingot scanned. Every serial tagged. Every transfer verified.
- **And what comes next is even more disruptive:** The gold isn't going back into traditional economies. It's being reminted through quantum-backed digital value — redistributed to the people under Pi Wallet protocol.
- **Here's what they're not telling you:** The Pi System was not born as a crypto experiment. It was part of a post-9/11 contingency plan — a sovereign reserve distribution network, tied to NESARA infrastructure, frozen before deployment by coordinated false-flag delays. The 2001 sabotage delayed the human payout by 24 years. But the code was never deleted. It was preserved — and reactivated through QFS nodes in late 2023.
- **Why now? Because the Vatican grid has collapsed.** Because the GESARA handover is underway. Because the people are no longer spectators — they are shareholders in a system being rebuilt from truth, not theft.
- **This isn't just about gold.** It's about restitution. And what comes next will rewrite the concept of wealth for generations.
- **Monitor Pi.** Monitor Redemption centers. And above all — stay inside the signal.

Zg. Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade: He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call: 1-866-347-2423**

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Zh. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zi. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zj. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in prison since.

Ken is able to receive regular mail now – envelopes. Remember that all mail is opened and read by a prison employee. No stickers, glitter, 'add-ons' of any kind. Please send to: Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

Zk. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: "You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
