“If we are to continue to have the freedoms which came of the inspiration of the Almighty to our Founding Fathers, we must return to the God who is their true author...May we look to him as the author of our liberty.”

...President Gordon B. Hinckley

Judy Note: *According to Alex Jones there was total proof that ANTIFA was run by the CIA and was planning to launch a nationwide insurrection using the “No Kings” front group on Sat. 14 June. The Bottom Line was that the Deep State was attempting to run a CIA regime change operation in the US to try to stop Trump from Saving America.*

As always, Trump was several hundred steps ahead. On Tues. 10 June 2025 Trump, the Global Military Alliance and BRICS nations took control of the Deep State Globalists quest for power over people of the Earth.

Under command of Trump and the Global Military Alliance, over 300,000 troops have been deployed across the globe in a coordinated military operation to dismantle the Deep State, initiate mass arrests and activate the Emergency Broadcast System.

Military raids in Ukraine, the U.S. and beneath the Vatican have revealed Child Sex Trafficking Tunnels, Bioweapon Labs, Black Ops financing, off-ledger accounts and generations of global wealth theft. As Deep State networks are neutralized in underground bases and foreign strongholds, the QFS is intercepting every financial transaction, freezing illicit funds, and redirecting stolen wealth back to The People.

Starlink’s classified AI, codenamed Prometheus, is now operating as QFS’s eyes and ears. Every corrupt communication is intercepted. The Deep State has lost its money, its networks and its future.

The final straw for Trump came when Al-Qaeda publically encouraged US Muslims to wage Jihad and assassinate Trump, Vance and Musk, plus 200 Democrat-backed NGOs planned to launch coordinated Antifa Attacks on 1,500 U.S. cities on Sat. 4 June – Trump’s birthday, Flag Day and the 250th celebration of the Military.

All was in coordination with that US Army 250th Anniversary Military Parade in Washington DC that celebrated America’s return to concepts of the original Constitution in the new Republic. The Fall of the Deep State Globalist Cabal had already been accomplished through last week’s activation of the Global Currency Reset of 209 nation’s gold/asset-backed currencies.

Three days after Trump and company took control of Deep State Globalists and on Fri. 13 June 2025 with 2,000 National Guard troops on the ground, Trump activated full federal authority over illegal alien overrun California and Los Angeles – the crown jewel of the Deep State – a cesspool of CIA Fentanyl Pipelines, Child Trafficking networks, Antifa War Rooms and Big Tech Censorship Bunkers.

Deep State California Governor Gavin Newsom had been presented with an ultimatum — relinquish all control of the Guard, or face tribunal-level prosecution. He cracked and the California National Guard was federalized with a chain of command that ran straight to Trump. Los Angeles was no longer under state control and Deep State assets were trapped, with the Guard answering to the Constitution, not corruption.

Trump had invoked 10 U.S. Code § 12406, authorizing full military control in defiant states. He was now enforcing federal authority with force — starting with California, but extending to every sanctuary city harboring cartel-linked criminals and foreign assets.

A Department of Homeland Security Memo confirmed that twenty million illegals faced deportation. Cartel operatives, foreign agitators and domestic collaborators would be processed through temporary offshore detention sites before facing GITMO Military Tribunals. Charges of sedition and treason loomed for LA Mayor Karen Bass, California Governor Gavin Newsom and multiple Democrat Congress people.

You won't hear about any of this on the News. Although Trump had control over the Mainstream Media through a recent takeover of news satellites via the Quantum Starlink Satellite System, newscasters had been ordered quiet – which gave the Global Military Alliance better control to accomplish their task of taking down the Deep State.

On Fri. 13 June Julian Assange reported that, “LA was under Military Occupation as Trump crushed Globalist insurrection:”

- **Los Angeles has become GROUND ZERO** in a foreign-funded war against America. George Soros, Klaus Schwab, and the Democrat cartel have unleashed their final assault—weaponizing mobs, cartels, and Deep State puppets to collapse the Republic from within.
- **TRUMP STRIKES BACK. On June 10, 2025**, President Trump deployed Marines, National Guard, and federal tactical units to retake the city. Armored convoys roll through East L.A. Black Hawks dominate the sky. Armed federal units hunt cartel death squads hiding in sanctuary zones protected by treasonous local officials.
- **This isn't protest. This is engineered warfare.** Encrypted foreign transmissions guide flash mobs. DHS confirms foreign operatives embedded among agitators. Massive funding flows from Soros-backed NGOs, WEF-linked shell corps, and elite-controlled crypto networks tied to Qatar, Davos, and Switzerland.

- **GAVIN NEWSOM AND DEEP STATE TRAITORS EXPOSED.** Whistleblowers leaked documents showing California's government laundering foreign funds through WEF-connected fronts to bankroll sanctuary cities and protect foreign insurgents.
- **TARGET ICE:** The mobs are directed to attack ICE strongholds—the final line defending U.S. sovereignty. MS-13 guides the riots. Protesters chant “No borders, no nations” as they torch American flags.
- **TRUMP UNLEASHES THE PURGE.** DHS memos confirm: 20 MILLION ILLEGALS to face deportation. Cartel operatives, foreign agitators, and domestic collaborators will be processed through temporary offshore detention sites before facing GITMO MILITARY TRIBUNALS. Charges of sedition and treason loom for Karen Bass, Gavin Newsom, and multiple Democrat Congressmen.
- **THIS IS WAR.** The Deep State seeks total domination: biometric control, social credit tyranny, and open borders chaos. L.A. is the first battlefield. If Trump wins, the globalist machine crumbles. If not, Phoenix, Dallas, Miami are next.

Be prepared: Phones may briefly go dark, the Internet restricted and Mainstream Media crashed, while the Global Military Alliance performed thousands of Mass Arrests on treasonous traitors Worldwide. The Quantum Grid under Military protection, would broadcast news to cell phones, radio and tvs across the Globe.

Ten Days of Darkness ...Nesara Gesara on Telegram

- **The “10 Days of Darkness” – the Military’s Final Play:** Preparations for a global blackout — dubbed the “10 Days of Darkness” — were now in final countdown.
- **During this period,** mass arrests will be executed, and the Emergency Broadcast System (EBS) will disseminate unfiltered truths.
- **Special Forces were being deployed** to eliminate rogue elements while critical infrastructure is secured.
- **On Tues. 10 June** the first wave of public disclosures began— not through CNN or BBC — but through raw, unfiltered QFS-verified broadcasts across secure global nodes. Every piece of documentation, every tribunal session, every sealed indictment will be opened.
- **The EBS was imminent.** When it hits, you’ll witness the fall of the media, the banks, the elite, and their demonic empire. Every screen will broadcast the TRUTH.

E. Global Financial Crisis:

The #QFS was the takeover of the Central Bank Monetary Debt System to end the financial slavery and control over the populace. The QFS is an advanced financial system launched to eradicate monopoly on monetary system and for that purpose, a system comprises of Artificial Intelligence and complex computer programs fully backed by banks is needed.

The Quantum Financial System was a breakthrough in the world of banking which will lead to a new era of banking. QFS will not be influenced by Government policies, rather it will be entirely backed by tangible assets like Gold, Platinum, Silver and will not be based upon mere piece of papers which have no evidentiary value. Fri. 13 June 2025: MASSIVE INTEL DROP: QFS ACCOUNTS ACTIVATED WORLDWIDE — BANKS COLLAPSE, VISA VANISHES, GITMO TRIALS BEGIN.
...Nesara Gesara QFS on Telegram

- **The financial war has hit terminal velocity.** The Quantum Financial System (QFS) is not a theory — it's now LIVE. Military operations are underway. Elite bankers are being

dragged from luxury towers to GITMO cells. Trillions are being seized. The entire global economy is undergoing a controlled demolition.

- **The collapses you're seeing? Deliberate Alliance strikes.** Deutsche Bank, HSBC, JP Morgan — already gutted from within. Executives are vanishing. Tribunals have begun. Some have already faced military sentencing. This isn't just reform — this is a purge.
- **VISA and Mastercard are being phased out.** Public excuses like “digital upgrades” are distractions. Behind the scenes: full QFS integration. Outdated systems are crumbling. QFS debit cards are on standby. Biometrically secured. Fraud-proof. No middlemen. No fees. No delays.
- **Stripe, PayPal — next to fall.** Long used as Deep State money tunnels. Their monopolies are over. The Quantum Internet is coming online. Every move will be instant, unhackable, irreversible. The elite relied on backdoors. QFS closes every last one.
- **You already have a QFS account.** It's been created and linked to your national ID. You just haven't been told yet. When the switch flips, you'll be notified via Quantum Communication Network. This is global. Inevitable. There is no going back.
- **The Rainbow Currency is LIVE.** Not crypto. Not fiat. Gold-backed. Untouchable. Immune to speculation. 60+ nations have already transitioned. Central banks are hoarding gold behind the scenes. Fiat is in cardiac arrest. The petrodollar is DONE.
- **Zim Bonds are being redeemed NOW.** Bondholders are being contacted. NDAs are MANDATORY — leaks = blacklisting. Redemption Centers are under military lockdown. Biometric scanners. Encrypted systems. Infiltrators are being identified and detained.
- **Behind the scenes? Massive raids. In London. Zurich. Hong Kong.** Gold, weapons, blackmail seized. Used to stabilize the QFS. Deep-state tunnels collapsed. 80% of the cabal's income routes are GONE.
- **South Africa's ANC regime is crumbling.** Pro-GESARA forces rising. Iraq's currency is next to revalue. The Middle East is aligning. The BRICS nations are the new foundation. The cabal is losing its grip by the hour.
- **This is it. May 2025 will be remembered forever.** The illusion is dying. The QFS is here. Prepare. Watch. And NEVER forget — this is war.

F. Tues. 10 June 2025: New intel confirms that over 60% of all major central bank communication hubs was no longer under Cabal Control. ...Ben Fulford on Telegram

- **What replaced them isn't just a monitoring system** — it's a live quantum oversight protocol, governed by AI-integrated alliance nodes. Every transfer, every internal ledger adjustment, every fiat-based swap is logged, intercepted, and permanently blocked if noncompliant with asset-backed standards.
- **In Berlin, high-level Deutsche Bundesbank officials** have been forced into blackout sessions. Translation: diplomatic immunity revoked, data logs seized, private servers extracted by Space Force units under protective jurisdiction. Germany's digital gold

certificate program — once a covert slush fund — is now under QFS audit. What they promised to governments doesn't exist. But what they stole from the people does.

- **The World Bank has entered collapse protocol.** Their Nairobi satellite office — a key node for siphoning climate funds through synthetic ESG initiatives — was shut down yesterday under military enforcement. Files recovered include hundreds of forged development contracts tied to shell tribes, extinct zones, and ghost villages — all fake recipients for decades of funding diversion.
- **At the same time, U.S. Federal Reserve branches** in Atlanta and Minneapolis experienced “technical anomalies” — the term used internally for grid disconnection from legacy SWIFT rails. What it really means: they've been cut off.
- **All attempts to bypass QFS** validation through international crypto corridors have failed. Binance data centers are under surveillance. Ripple has complied. Tether is next.
- **And yet, the public still believes** the economy is recovering. Because the façade hasn't fallen — yet.
- **But when it does, it will happen fast.** Legacy credit scores? Obsolete. Taxation tracking systems? Archived. Personal debt structures? Already mapped for erasure.
- **The final phase involves mass psychological transition.** This is why the Quantum Communication Network (QCN) was built in parallel — to replace media control and guide the awakening without panic. Trial broadcasts have already occurred in 11 zones. If you didn't notice them, you weren't tuned to the right signal.
- **This isn't theory.** This is what happens when the script flips. The people were never meant to lose. They were meant to rise once the parasites collapsed under their own greed.
- **Stay sharp.** Monitor every tremor. The silence is strategic. And it won't last much longer.

Restored Republic

G. Fri. 13 June 2025: WORLDWIDE MILITARY TAKEOVER — QFS IS NOW IN FULL CONTROL ...QFS on Telegram

- **The final phase has begun. Over 300,000 troops have been deployed across the globe in a coordinated military operation to dismantle the Deep State,** initiate mass arrests, and activate the Emergency Broadcast System. But behind the scenes of this historic takedown lies the true power shift — the Quantum Financial System has silently seized control of the entire global financial grid. The collapse of the old world is not coming. It's happening.
- **As Deep State networks are neutralized in underground bases and foreign strongholds, QFS is intercepting every financial transaction, freezing illicit funds, and redirecting stolen wealth back to the people.** The Federal Reserve has already been rendered obsolete. Central banks are collapsing like dominoes. The fiat matrix has been overtaken by military-grade quantum protocols — unhackable, sovereign, and out

of reach of globalist influence. This is no longer theoretical. QFS is online, active, and issuing full control over monetary flows in real time.

- **Military raids in Ukraine, the U.S., and beneath the Vatican have revealed more than trafficking tunnels and bioweapons. Inside elite vaults and hidden archives were QFS-detectable ledgers** — evidence of black ops financing, off-ledger accounts, and generations of global wealth theft. These ledgers are now in the hands of the Alliance. With them, QFS is mapping and recovering every dollar, gold bar, and asset ever laundered through the system.
- **Starlink's classified AI, codenamed Prometheus, is now operating as QFS's eyes and ears.** Every corrupt communication intercepted. Every shadow fund tracked. EMP-enabled satellites have already wiped out major DS command nodes across Greenland, Norway, and the Pacific. This isn't just about war. This is about total financial liberation. QFS is not the future. It is the present.
- **The Emergency Broadcast System will reveal** what the world was never meant to know: that for over a century, humanity was enslaved through debt, interest, and digital illusion. Now, student loans, mortgages, and credit cards are vanishing. New QFS-linked banks are forming under military oversight — free of interest, fraud, or globalist control. Wealth once buried in offshore accounts is now being reassigned through secure biometric access to citizens around the world.
- **This is the real storm. The Deep State has lost its money, its networks, and its future.** The Quantum Financial System now holds the power. And nothing can stop what comes next.

H. Fri. 13 June 2025: DEEP STATE BUNKERS BEING DESTROYED: GITMO TRANSFERS UNDERWAY ...Mr. Pool on Telegram

- **OVER 35 EARTHQUAKES IN 24 HOURS. NOT NATURAL. NOT RANDOM.** TARGETED STRIKES. Stanley, Idaho. Population under 150. Now the epicenter of a war beneath the surface. Earthquakes from 1.9 to 4.0 are hammering the Sawtooth Fault. But this isn't geology. This is White Hat warfare.
- **The Sawtooth Fault was "discovered" in 2010** — AFTER Deep State labs already mapped it decades earlier. A 40-mile weaponized rift, capable of 7.0+ quakes, running directly beneath covert military installations, hidden DUMBs, and black ops labs.
- **In 2020, a 6.5 quake liquefied the land.** Beaches vanished. That was not nature — it was a test run.
- **June 2025: the swarm returns.** But this time it's TRUMP'S TURN. Locals report black helicopters, unmarked trucks, roadblocks disguised as "fire control." Classified seismic imaging CONFIRMS underground facilities.
- **HAARP, deep drilling, and seismic weapons now targeting these DUMBs.** This isn't natural. This is precisely engineered takedowns of Deep State bunkers. Trump's 2025 military operations are collapsing their final hideouts, turning Idaho into the next GITMO — but underground.

- **The USGS calls it “natural.” The media stays silent.** Why? Because the same elites behind BlackRock, Vanguard, and Gates control seismic suppression tech, geo-surveillance, and media outlets. They BUILT these labs. Now they’re watching them fall.
- **The Department of Energy secretly dispatched geological teams.** Starlink satellites ran low-orbit scans over the fault. Trump’s Quantum Communications warned: “WATCH THE MOUNTAINS.”
- **THE ASSAULT HAS BEGUN.** Idaho holds hydroelectric facilities and critical freshwater reserves. If the Deep State can’t protect their bunkers, they’ll sabotage America’s water and power. The Texas blackout of 2021 was only the rehearsal.
- **THIS IS RESOURCE WARFARE DISGUISED AS NATURE.** The earthquakes are the opening cracks. The collapse is imminent. They’re scrambling to bury evidence, collapse entrances, or unleash chaos. BUT IT'S TOO LATE.
- **TRUMP KNOWS. MILITARY INTEL KNOWS. NOW YOU KNOW.** Stanley, Idaho is becoming THE GRAVEYARD OF THE DEEP STATE. The quakes are the sound of THEIR CAGE DOOR SLAMMING SHUT.
- **PREPARE. THE EXPOSURE PHASE HAS BEGUN.** TRUMP'S SILENT WAR IS NOW ROARING. WATCH THE QUAKES. FOLLOW THE SILENCE. TRUST NOTHING.

I. Fri. 13 June 2025: CIVIL WAR ALERT: U.S. ARMY MASSES TROOPS IN D.C. UNDER COVER OF PARADE AS DEMOCRAT MILITANTS PLAN ATTACKS ON FLAG DAY – JUNE 14 ...Julian Assange on Telegram

- **What they’re calling a “celebration” is a battlefield staging.** On June 14 — Flag Day and President Trump’s birthday — the U.S. Army will be fully deployed in Washington D.C., not for show, but for shield. Sources confirm armored units, surveillance drones, and heavy infantry now positioned across the capital, masked behind the banner of a patriotic parade. But behind the curtain, a domestic insurgency brews.
- **Democrat-aligned militant networks have declared June 14 a national day of “direct action.”** These aren’t protestors. These are tactically connected cells instructed to sabotage infrastructure, overwhelm federal zones, and ignite chaos in multiple U.S. cities simultaneously. From Portland to Phoenix, D.C. to Atlanta — every pressure point is being targeted. Their goal: cripple law enforcement, fracture national unity, and force a constitutional crisis on live television.
- **The launch begins June 13.** A day before the parade, a new insurgent umbrella group calling itself the “No Kings” movement plans to occupy central D.C. in a false protest framed around “anti-fascism” and “anti-monarchy” rhetoric. But behind the slogans, this is cover for militant entry and confrontation. Over 6,000 troops are now stationed in the region. If a spark hits, the city becomes a flashpoint.
- **The Biden-loyal media is silent.** And the Trump administration? Quiet. Not in fear — but in strategy. Multiple insiders suggest Trump’s military planners are letting the enemy

walk into its own exposure. Flag Day could become a trap. A day of arrests. A day of reckoning.

- **Meanwhile, more than 4,000 National Guard troops have just landed in Los Angeles.** Reports of pre-positioned tactical teams in Arizona, Georgia, and Florida point to a multi-state readiness protocol now in motion. This is not training. This is not symbolic. The U.S. is on the edge of coordinated civil conflict.
- **The narrative is being held together with duct tape.** But patriots see the pattern. Controlled riots. Funded unrest. Strategic timing. Always near key dates. Always under Deep State protection. But not this time. With Trump back in command, and real-time intelligence flowing through uncorrupted channels, the ambush may flip. And those sent to destabilize could be the ones surrounded.
- **June 14 is no longer just Flag Day.** It's war protocol. And the battle for America may be hours away.

J. Fri. 13 June 2025: BREAKING: TRUMP DEPLOYS NATIONAL GUARD IN LOS ANGELES – CALIFORNIA UNDER MILITARY LIBERATION ...Ben Fulford on Telegram

- **CODE GREEN. Trump has activated full federal authority.** Over 2,000 National Guard troops are now on the ground in Los Angeles — under direct command from President Donald J. Trump. This is not peacekeeping. This is battlefield control.
- **California is LOCKED DOWN.** Not for the people — but against the traitors.
- **Newsom has surrendered.** Deep State assets are trapped. Los Angeles is no longer under state control. The California National Guard is now federalized. The chain of command runs straight to Trump.
- **At exactly 19:00 PST, convoys rolled in.** Checkpoints formed. Federal IDs only. Power surges, blackouts, airspace reroutes — all signals of an active military operation. This isn't symbolic. This is WAR.
- **WHY CALIFORNIA?** Because it was the crown jewel of the Deep State. A cesspool of: — CIA fentanyl pipelines — Child trafficking networks — Antifa war rooms — Big Tech censorship bunkers.
- **Trump didn't just pick a target** — he chose Ground Zero.
- **THE MOMENT NEWSOM FOLDED** Sources confirm: Newsom was presented with an ultimatum — relinquish all control of the Guard or face tribunal-level prosecution. He cracked. The Guard is now answering to the Constitution, not corruption.
- **This shift is legal** — activated under Title 32 and covert EOs from Trump's first term that were never revoked.
- **ON THE GROUND REPORTS POURING IN:** — Black vans marked "U.S. MIL" seen extracting targets — Federal troops blocking major intersections — Zero local insignia — these are federal enforcers — Communications blackouts in targeted zones
- **THE PLAN: RECLAIM. SEIZE. ARREST.**

- **This is a multi-phase sting op. Goals:** – Reclaim the streets – Seize cartel infrastructure – Arrest embedded Deep State agents – Lock down voter fraud hubs
- **The mainstream media won't cover it.** That's not neglect — that's part of the op. Disinfo and silence are the smoke cover for precision takedowns.
- **NEXT STEPS: – Full blackout in LA** – Classified leaks hit backchannels – Arrests in Portland, Chicago, NYC – COG protocols activated nationwide
- **This is not the beginning of martial law.** This is the end of Deep State control.
- **TRUMP HOLDS THE SWORD. THE REPUBLIC RISES.** They never thought he'd do it. They thought he lost. But tonight, he's back — as Commander-in-Chief.
- **This is 1776 reborn.** Phase One has ignited. Brace for Phase Two.

K. Fri. 13 June 2025: THE CIA & USAID PLAYBOOK FOR THE LA RIOTS. Classified documents have been uncovered that reveals how the CIA plans out and sets off riots to destabilize governments. As for civil unrest here in the US, Department of Homeland Security Secretary Kristi Noem claimed on Monday that demonstrators in Los Angeles were being paid and that the ongoing riots were part of a professional operation. ...Mel Gibson on Telegram

- **'These are organized.** These are people that are being paid to do this. You can follow how they behave, the signals they give to each other in these crowds and these protests to instigate violence,' - Kristi Noem
- **Noem claimed the Trump Administration** now has evidence that the Los Angeles riots are an organized plot against the US government but did not reveal what they had found out.
- **These declassified documents** were recently brought to light that protesters in Los Angeles were being paid thousands of dollars to riot against the Trump Administration.
- **In a 92-page 'playbook' written in 1983,** officials mapped out how they would pay criminals and other 'agitators' to ramp up anger among ethnic minorities and students with the goal of having them riot in the streets.
- **The secret CIA dossier exposes its playbook** for hiring professional protestors to start violent riots which are then used to topple and takeover governments. This is Operation Gladio, and it's been going on for decades.
- **USAID explicitly organized riots then blocked even the CIA's top analyst** and Congress from asking questions because "people will die" if anyone found out. The "peaceful protest" facade is just a mask for a planned, and highly funded, color revolution on our own government.
- **The JFK files showed and exposed the secret CIA dossier** and their playbook for hiring professional protestors to start violent riots. Mass propaganda, Political/Psychological warfare, Biological warfare, Global media control, Regime change, etc.
- **There's so many obvious connections from back then to now** which expose exactly how they do it, while they continue doing it today. It's the same dog doing the same

tricks, and the majority of it is from taxpayer dollars in the form of "humanitarian aid." This is why USAID and other programs were so important to them, to be exposed to show the people, and to shut off their money machine.

- **The CIA document, declassified in 2023**, explained how agents would take control and organize mass gatherings and steer them towards violence against governments believed to be acting against the interests of the US intelligence community.
- **'The control of mass meetings in support of guerrilla warfare** is carried out internally through a covert commando element, bodyguards, messengers, shock troops (incident initiators), poster carriers (also used to give signals), and slogan shouters, all under the control of the external commando element,' CIA officials wrote.
- **Intelligence officials broke down this plot into several steps**, starting with a 'front organization.' Guerrillas infiltrate groups like labor unions or student organizations, secretly controlling them to push anti-government ideas.
- **Next, guerrillas used 'armed propaganda,'** acting friendly, helping communities, and showing that their weapons protect the people, not control them, in order to gain their trust.
- **Slogans and speeches would then provide** simple, emotional sayings to excite crowds and focus their anger on the government.

N. Fri. 13 June 2025 EXPOSED: U.S. FUNDED FOREIGN CENSORSHIP TO DESTROY TRUMP AND SILENCE YOU ...Kerry Cassidy on Telegram

- **This is the REAL insurrection.** While you were distracted, your government funneled MILLIONS of your tax dollars to a UK-based censorship machine—the Global Disinformation Index (GDI)—to annihilate Trump's online presence, erase conservative voices, and rig the public square.
- **The GDI, backed by the National Endowment for Democracy (NED),** a CIA front, coordinated with U.S. ad tech giants to target Newsmax, The Daily Wire, New York Post, and others. Their excuse? “Disinformation.” Their real mission? Crush the America First movement and digitally assassinate Trump.
- **From 2021 to 2023, over \$1.25 million was funneled into this operation under the lie of “foreign disinfo research.”** In truth, they were creating a “Dynamic Exclusion List” to blacklist conservative outlets from ad revenue—costing them \$100 MILLION in just 15 months.
- **This wasn't bias—it was sabotage.** A psychological and financial war. Authorized by D.C. bureaucrats. Executed by globalist agents. Funded by YOU.
- **GDI even partnered with the Southern Poverty Law Center,** branding Christian parents and veterans as “hate groups.” If you supported Trump, you were the enemy. They called you extremists. Terrorists. They buried the Hunter laptop. They stole the narrative and gas lit the nation.
- **This machine was never about “fact-checking.”** It was about obliterating dissent. And now, in 2025, that same model is being deployed worldwide through the UN, Google, the WHO, and the State Department's GEC. The net is global. And it's tightening.

- **The NED lied.** The Biden regime lied. The Deep State cheered. They used foreign tools to silence a U.S. President. They waged war on YOUR voice, YOUR freedom, and YOUR future. This is not a conspiracy. This is a battlefield.
- **Trump was their primary target.** But YOU were always the real threat. Every time you asked about election fraud or jab injuries, you were flagged by an AI built to destroy you. Not by accident. BY DESIGN.
- **This is the line in the sand.** Truth vs. control. Freedom vs. tyranny.

O. Fri. 13 June 2025: HISTORIC ESCALATION — MILITARY DEPLOYED TO CRUSH DEEP STATE INSURRECTION IN CALIFORNIA ...Charlie Ward and Friends on Telegram

- **June 8, 2025 — Everything changed.** President Donald J. Trump federalized 2,000 California National Guard troops — without approval from the Democrat regime. Camp Pendleton Marines are now on federal standby. The gloves are off.
- **This is not about protests.** It's a direct military response to a coordinated insurgency — backed by globalist financiers, foreign agents, and shadow intel networks still loyal to Obama and Soros. The tipping point has been crossed — and crossed in blood.
- **ICE agents have been ambushed.** DHS officers body-slammed. Federal buildings besieged. In Los Angeles, over 1,000 radicals funded by Soros-tied NGOs and foreign fronts swarmed a federal compound. DHS intel confirms the attackers used military-grade disruptor devices, EMP emitters, encrypted comms, and foreign-supplied gear.
- **Trump invoked 10 U.S. Code § 12406,** authorizing full military control in defiant states. He's now enforcing federal authority with force — starting with California, but extending to every sanctuary city harboring cartel-linked criminals and foreign assets.
- **This is war. On American soil.** Traitor politicians like Newsom and Bass are shielding cartel money-laundering fronts under the guise of “refugee relief.” These aren't policies — they're fronts for human trafficking, organ harvesting, and fentanyl pipelines. Cities like New York, Chicago, Minneapolis, and Los Angeles are being used as warzones by Deep State insurgents — and Trump just ordered the takedown.
- **Pete Hegseth confirmed Marine readiness.** Leaked orders show 1st Marine Division on federal alert. They're not preparing for overseas combat. They're preparing for urban warfare in blue cities.
- **In San Diego, ICE had to use non-lethal weapons** just to escape human barricades. In Minneapolis, Democrat operatives deployed acoustic weaponry against agents. This is not civil unrest. It's foreign-backed rebellion.
- **The Deep State was banking on chaos,** delay, and media cover. But Trump is cleansing the system — city by city, traitor by traitor.
- **The military is deployed.** The arrests are coming. The rebellion is collapsing.

- **The QFS Exposes the Shadow Grid:** The Quantum Financial System (QFS) has dismantled a clandestine banking network used by elites to fund illicit activities, including trafficking and bioweapons research. T. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

U. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. W. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That

Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Z. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise.

As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you’ll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam:

“You’ve been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we’re offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
