Your thoughts are Powerful, control your future, attract those who think like you and can remind you of how Powerful you really are.

Judy Note: *As of Sat. 7 June 2025 joint Military Special Operation units under codename Operation Stonefire, had permanently neutralized the final strongholds of the Deep State Globalist financial, human trafficking and cloning syndicates located in underground vaults beneath Geneva, Tel Aviv, and the Colorado Rockies.*

What was uncovered in those final red zones was beyond anything previously disclosed — human cloning chambers used for political substitution, ARPANET-based mind control frequency hubs, and direct evidence of extraterrestrial trade deals brokered in exchange for human genetic material. All of it logged. All of it documented. All of it now in the hands of Trump's Military Intelligence Corps.

Military Intelligence also found encrypted messages between Iranian satellites and sleeper cells in the U.S. that confirmed a blackout and bioweapon attack on the U.S. was set to happen Sat. 21 June or Sun. 22 June.

EMP devices had been smuggled into several cities such as Dallas, Atlanta and Chicago. The military-grade electromagnetic weapons were made to take down power grids, cut off communications and destabilize QFS infrastructure all at once.

At the same time synthetic bioweapons were ready for release. The engineered pathogens were made to attack immune systems that had been weakened by mRNA shots.

People in FEMA, DHS, and blue-state National Guard units who were traitors were told to stay out of the way during the chaos.

On Thurs. 19 June two convoys carrying bioweapon canisters that looked like oxygen tanks were stopped by military forces near El Paso. The destination was an underground storage facility near Austin that was connected to Soros-backed NGOs that pretended to be emergency response units. The operatives, who were trained in Iran and pretended to be civilian contractors, were arrested and moved according to GITMO military rules.

Then the operation was made public. On June 21, 2025, Donald J. Trump, through the restored U.S. Military Command, gave the order for a full-spectrum attack on Iran's Fordow, Natanz, and Isfahan Nuclear facilities. These bombings weren't in response to something; they were planned ahead of time.

Stealth bombers and submarines were already in place. At the same time, QFS data centers and StarLink grid nodes went into defense mode, getting ready for EMP and cyber attacks. Cyber

Command stopped foreign firmware changes in Chinese-made smart grid parts. These are the same systems that have been linked to recent unexplained blackouts in Phoenix, Detroit, and parts of Florida. Those "accidents" were practice runs for the real Grid attack that would paralyze the nation.

But, as usual, Trump was several moves ahead. By the end of the day on Mon. 23 June Trump had secured a peace treaty between Iran and Israel.

Then came the betrayal: The next day on Tues. 24 June Israel broke the ceasefire Trump had just secured. Without warning, they dropped the biggest payload on Tehran in over 40 years. Trump didn't hold back: "As soon as we made the deal, they dropped a load of bombs like I've never seen before."

Iran responded by sending missiles to bomb a US Base. Though, that didn't convince Trump to enter and cause a World War III. You see, Iran had already collapsed. Maybe. Intel obtained by the new StarLink Satellite system indicated that the people of Iran didn't want war. They were working toward a regime change. New elections would also bring them the ability to participate in the Global Currency Reset and be able to trade with 207 other nations – something forbidden if they were at war.

Trump knew that this entire operation by both Israel and Iran was meant to halt MedBed rollouts, kill the GESARA timeline, and stop the Emergency Broadcast System from going live.

Instead, it triggered tribunals at GITMO and Camp Blaz. Data nodes tied to Vatican AI operations were vaporized in the Iranian strikes. And resistance factions worldwide were now activating.

On the other side of the coin, Israel's New World Order proponent Netanyahu felt that with no cease fire, the vision of a Greater Israel was nearing fulfillment. The next phase involved war through expanding Israel's borders, alongside efforts to eliminate the Palestinian population, as well as the people of Jordan and Lebanon. Saudi Arabia was seen as a covert ally of Israel throughout this process.

Intel gathered by the new StarLink Satellite System indicated that these Mid Eastern countries didn't quite agree. In order to participate in the Global Currency Reset (which was in the process of completing this week) and trade with 207 other nations, the Mid East nations could not be at war. There was no way they would support Netanyahu's quest for war and elimination of the Palestinian population.

The June ceasefire didn't end the war. It revealed the war. The next move was exposure on a global scale. The first wave of public disclosures about the Deep State Global Elite's plan to rule the World had begun way back on Tues. 10 June — not through CNN or BBC — but through

raw, unfiltered QFS-verified broadcasts across secure global nodes. Every piece of documentation, every tribunal session, every sealed indictment will be opened.

Trump was now at the NATO Summit not as a puppet — but as the commander of the real America. Sovereign. Constitutional. Unapologetic.

Arrests have begun in all Five Eyes Nations. High-level corporate executives, media anchors, and NGO directors were being quietly extracted to face Military Tribunals. Their crimes involved human experimentation, bioweapon coordination and mass financial theft under humanitarian disguise.

The internal courts have already started. At least 14 U.S. officials and 5 corporate executives have been arrested. Leaks say that top people from FEMA and Silicon Valley biotech are involved.

The Emergency Broadcast System is now ready to go. Insider chatter confirms that final calibration tests were completed on **June 5**, and emergency signal override has been installed in over 87 countries. Frequencies were being rerouted. Airspace is being locked down. Major media satellites are now under Q-Command Authority.

In the next few days, there will be a 72-hour blackout drill to practice what to do if the grid goes down while there is a threat.

Trump was leading the charge. Prepare accordingly. Patriots should stock up on supplies, back up their digital files on Q-chip wallets, and stay alert.

C. Global Financial Crisis:

- **Mon. 23 June 2025:** [THE U.S. DEBT CLOCK JUST EXPOSED THE FUTURE OF THE FINANCIAL SYSTEM — TRUMP IS HOLDING THE KEY TO THE GOLDEN AGE! HERE'S WHAT YOU NEED TO KNOW - amg-news.com - American Media Group](https://www.amg-news.com/news/mon-23-june-2025-the-u-s-debt-clock-just-exposed-the-future-of-the-financial-system-trump-is-holding-the-key-to-the-golden-age-here-s-what-you-need-to-know)

D. Tues. 2 June 2025: The Fed is Dead ...Nesara Gesara QFS on Telegram

- **The Federal Reserve has come to an end.** No vote. No news. There was no coverage in the news. But behind the scenes, a sovereign, asset-backed monetary system is already being put into place, and the reset is no longer a future event. It's here.
- **The phrase "sovereign system"** means what it always should have: a national currency that belongs to the people and not to a private banking cartel. For more than 100 years, Americans have lived under a fiat system run by central bankers who were not elected. That time is coming to an end, quietly.
- **The U.S. Debt Clock**, which is one of the few public signs that shows real systemic change, has moved. "Federal Reserve Notes" have been changed to "Future U.S. Treasury Dollars." They didn't change that language by accident. It was a sign. The Federal

Reserve is being phased out, and a currency issued by the sovereign Treasury is already in the modeling stage. It will probably be put into use soon with military oversight.

- **The media fills people's heads with noise**, distractions, and cultural decay, but the real work of changing America's financial system is already going on. And it's not just a theory. It's measured.
- **The real price of gold is \$8,974 an ounce**. The real value of silver is \$1,132 per ounce. There are 364 paper claims on silver for every real ounce.
- **These numbers show that the system you've been stuck in is rigged**. Your wages, savings, and buying power are all based on fake prices, manipulated indexes, and fake debt. You're not just getting paid less than you should. You've been made a slave to a currency that was never meant to help you.
- **But that system is falling apart**. The same models say that there is now more than \$173 trillion in asset-backing potential, including land, metals, hard commodities, and money that was stolen from corrupt globalists over the years. Fraud operations, black budgets, and offshore laundering channels have brought back another \$7.5 trillion.
- **This isn't a dream**. The numbers show that each citizen could get more than \$508,000 in sovereign wealth, not as handouts but as the start of an economy without debt or interest.
- **No loans from the central bank**. No traps for compound interest. No skimming by a third party. Simply direct sovereign value, which is measured, issued, and traded peer-to-peer on safe, decentralized networks.
- **This new model would save more than \$1 trillion a year** just by getting rid of federal interest payments. By eliminating middleman banking fees, each adult saves another \$39,000 a year. That's not a hypothesis. That's a model that already exists; it's now active but not spoken about.
- **So why isn't CNN covering it?** Why hasn't Bloomberg explained why the Debt Clock's terms have changed? Why hasn't financial Twitter said anything?
- **Because you weren't meant to know**. The elites who built the fiat empire are watching it fall apart. The fewer people who know what's going to happen next, the easier it is for them to stay in charge during the collapse.
- **This has nothing to do with crypto**. This isn't just a belief system. This is the last fight between freedom and slavery, debt and sovereignty.
- **Trump was aware**. Trump got ready. Trump carried out. And the sovereign system he helped start is now a reality. It's alive, and the clock is already ticking.
- **You can stay loyal** to the old system's last gasps...Or enter a new economy that is meant to set you free.

- **June 24, 2025 — Trump breaks the silence and drops the hammer.** In a scorching statement, he exposed what the media wouldn’t touch: the Israel-Iran escalation was a Deep State false flag designed to halt QFS progress, trigger martial law, and justify global lockdowns. But Trump caught them mid-play. And now the entire machine is collapsing.
- **“They’ve been fighting so long, they don’t know what the f*ck they’re doing,”** Trump said. But we know better. They were following a script — authored by WEF war planners, CIA cutouts, and Rothschild-linked operators. Their goal? Ignite chaos. Distract the world. Delay the digital gold reset. And above all, stop Trump.
- **Instead, Trump launched surgical B-2 bomber strikes on Iran’s deep-state nuclear bunkers** — not civilian targets, but elite-controlled complexes used for quantum-lattice tech hidden for decades. “That place is demolished,” he confirmed. “It’s gone.”
- **Iran’s “retaliation”?** A staged missile launch. Symbolic, pre-notified, and bloodless. It was never real. It was theater — and Trump knew it.
- **Then came the betrayal:** Israel broke the ceasefire Trump had just secured. Without warning, they dropped the biggest payload on Tehran in over 40 years. Trump didn’t hold back: “As soon as we made the deal, they dropped a load of bombs like I’ve never seen before.”
- **This wasn’t defense. This was provocation** — led by the same Israeli factions behind Pegasus surveillance, Operation Talpiot, and global blackmail rings. They wanted escalation. Trump gave them exposure.

- **He named names. He called out the press.** “CNN is scum. MSDNC is gutless.” They lied about the strike, buried the strategic victory, and tried to spin the narrative. But the truth broke through: the elite’s secret weapons are gone, and Trump didn’t fall for the trap.
- **This entire operation was meant to halt MedBed rollouts,** kill the GESARA timeline, and stop the Emergency Broadcast System from going live. Instead, it triggered tribunals at GITMO and Camp Blaz. Data nodes tied to Vatican AI operations were vaporized in the Iranian strikes. And resistance factions worldwide are now activating.
- **Trump is heading to the NATO Summit** not as a puppet — but as the commander of the real America. Sovereign. Constitutional. Unapologetic.
- **This isn’t about Iran. It’s not about Israel.** It’s about the people vs. the parasites. The June ceasefire didn’t end the war. It revealed the war. The next move is exposure on a global scale. The EBS is coming. And Trump is leading the charge. Prepare accordingly.

G. Tues. 2 June 2025: LEAKED: HUGE BIOWEAPON AND GRID ATTACK ON THE U.S. STOPPED—DEEP STATE TRAITORS EXPOSED ...Mr. Pool on Telegram

- **A classified military alert has leaked,** confirming what many feared: America was hours away from a coordinated EMP and bioweapon attack, with sleeper agents working for the government. The news is quiet. But now, internal sources have confirmed the truth, and the military that supports Trump stopped it just in time.
- **For weeks, military intelligence watched encrypted messages between Iranian satellites, sleeper cells in the U.S., and cargo routes that went through Mexico and Venezuela.** What they found was shocking: EMP devices had been smuggled into several cities, such as Dallas, Atlanta, and Chicago. These weren't just regular tools; they were military-grade electromagnetic weapons made to take down power grids, cut off communications, and destabilize QFS infrastructure all at once.
- **At the same time, synthetic bioweapons** made from stolen data from a Wuhan biolab were being readied for release. These weren't normal viruses; they were engineered pathogens made to attack immune systems that had been weakened by mRNA shots. They were made to look like autoimmune disorders and get around CDC detection.
- **But the real betrayal came from the inside.** People in FEMA, DHS, and blue-state National Guard units who were traitors were told to stay out of the way during the chaos. In return, they were promised safety and protection in bunkers controlled by the elite.
- **Then the operation was made public. On June 21, 2025,** Donald J. Trump, through the restored U.S. Military Command, gave the order for a full-spectrum attack on Iran's Fordow, Natanz, and Isfahan facilities. These bombings weren't in response to something; they were planned ahead of time.
- **Intel said that the blackout and bioweapon attack** on the U.S. was set to start **within 48 hours of Sat. 21 June 2025.**
- **Stealth bombers and submarines were already in place.** At the same time, QFS data centers and StarLink grid nodes went into defense mode, getting ready for EMP and cyber

attacks. CyberCommand stopped foreign firmware changes in Chinese-made smart grid parts. These are the same systems that have been linked to recent unexplained blackouts in Phoenix, Detroit, and parts of Florida. Those "accidents" were practice runs.

- **Two convoys carrying bioweapon canisters that looked like oxygen tanks were stopped by military forces near El Paso on June 19.** The destination was an underground storage facility near Austin that was connected to Soros-backed NGOs that pretended to be emergency response units. The operatives, who were trained in Iran and pretended to be civilian contractors, were arrested and moved according to GITMO military rules.
- **The internal courts have already started.** At least 14 U.S. officials and 5 corporate executives have been arrested for working together and trying to hurt the company. Their names are kept secret for national security reasons, but leaks say that top people from FEMA and Silicon Valley biotech are involved.
- **The Emergency Broadcast System is now ready to go.** In the next few days, there will be a 72-hour blackout drill to practice what to do if the grid goes down while there is a threat. Patriots should stock up on supplies, back up their digital files on Q-chip wallets, and stay alert.
- **This was the Deep State's last chance to stop Trump** from coming back, stop the QFS transition, and bury NESARA for good.
- **It didn't work. But this war isn't done yet.** Stay sharp. Keep your independence. Justice is on the move

H. Sat. 7 June 2025 THE CLEANSE BEGINS: OPERATION STONEFIRE ENGAGED — THE CABAL'S FINAL BASTIONS UNDER SIEGE ...The 17th Letter (JFK Jr.) on Telegram

- **As of June 7, 2025,** the military phase has shifted. The containment is over. The purge has begun.
- **Under the codename Operation Stonefire,** Joint Special Operations units — operating across 17 synchronized time zones — have now penetrated the final strongholds of the financial warlords, human trafficking syndicates, and globalist defense bunkers. These were the fallback zones: underground vaults beneath Geneva, Tel Aviv, and the Colorado Rockies. Now neutralized. Permanently.
- **What was uncovered in those final red zones** is beyond anything previously disclosed — human cloning chambers used for political substitution, ARPANET-based mind control frequency hubs, and direct evidence of extraterrestrial trade deals brokered in exchange for human genetic material. All of it logged. All of it documented. All of it now in the hands of Trump's Military Intelligence Corps.
- **The EBS system is now on direct standby.** Insider chatter confirms that final calibration tests were completed on June 5, and emergency signal override has been installed in over 87 countries. You will not see this on television. But you will feel the shift. Frequencies are being rerouted. Airspace is being locked down. Major media satellites are now under Q-Command Authority.

- **In the civilian realm, coordinated arrests have begun in all five Eyes nations.** High-level corporate executives, media anchors, and NGO directors are being quietly extracted for tribunal processing. What looks like “resignations” and “health complications” in the news are cover scripts. In reality: these are takedowns. The crimes involve human experimentation, bioweapon coordination, and mass financial theft under humanitarian disguise.
- **By June 10, the first wave of public disclosures began** — not through CNN or BBC — but through raw, unfiltered QFS-verified broadcasts across secure global nodes. Every piece of documentation, every tribunal session, every sealed indictment will be opened.

I. Tues. 2 June 2024: What We Missed While Watching Iran. While all eyes were on missile strikes, uranium stockpiles, and Tehran’s retaliation, some serious developments slid under the radar: ...Laura Aboli on Telegram

- **Bilderberg quietly met in Sweden.** Tech CEOs, NATO heads, and EU officials all gathered behind closed doors. No press, no footage. AI, migration, and ‘depopulation’ were reportedly on the agenda. No one’s talking—but they were all there.
- **Spain’s ruling party raided for corruption.** Police stormed PSOE offices in Madrid. Allegations include kickbacks, ghost contracts, and links to escorts. It’s messy, and Sánchez looks exposed.
- **UK opens formal inquiry into grooming gangs.** Years of pressure finally pushed the government to act. The new Home Secretary had to apologize for decades of failure to victims. Some say it’s too little, too late.
- **Labour’s polling at a seven-year low.** Reform UK is leading. Yes, leading. That shift is no longer fringe—Farage has mainstream pull now.
- **Farage drops his “Britannia Card” idea:** charge wealthy foreigners £250k for tax residency and use the money to top up low-income Brits. He’s pitching it as “Robin Hood economics.” Critics are screaming, but it’s landing.
- **Massive protests erupt in Ireland** against open borders and unchecked migration. Crowds in Dublin, Cork, and smaller towns have taken to the streets. What used to be a taboo issue is now spilling over into the mainstream. The media’s struggling to keep the lid on it.
- **Macron’s doubling down on EU power.** From calling for a European space program to strategic autonomy in defense, he’s positioning himself as the one still thinking long-term while everyone else reacts to fires.

J. Tues. 2 June 2025: What if this Near Death of Civilization Nuclear World War III threat wasn’t an act of war...but an act of silence? ...Gesara, Nesara QFS on Telegram

- **Not escalation. Interruption.** Trump once released a fragment—carefully chosen—an old video of Jeffrey Sachs. No mainstream filter. No campaign spin. Just raw truth. Sachs naming Netanyahu as the architect behind the Iraq invasion, the Syria disaster, and the never-ending push for war with Iran.

- **That post wasn't a glitch. It was a breadcrumb.** Trump wanted you to see it. In the clip, Sachs unmask the real pressure point—not American interests, not security, not oil. But a single, calculated narrative: “Iran is weeks away from a nuclear bomb.”
- **The same line, recycled for decades.** The same phrase used to justify assassinations, drone strikes, sanctions, regime change, and U.S. troops sent to bleed for someone else's agenda.
- **And now? With one single move**—a strike ordered without applause or explanation—Trump may have cut the fuse. If Iran had nuclear sites, they've just been neutralized. If they didn't, then the illusion has been dismantled in public. Either way, the excuse is gone.
- **No more “imminent threat.”** No more “weeks away.” No more leash to drag America into the flames again.
- **That might've been the plan.** A strike that looks hawkish to the blind. But surgical to those awake. A removal of the last domino Netanyahu had left.
- **Now go back to January.** Trump's repost of the Sachs video. Why then? Why that? Because the signal was being sent. Quietly. Intentionally.
- **He's known who pulls the wires.** He's watched this game for decades. And now, with the world staring in the wrong direction, he flips the table again—without a speech. Without a press release. Just action.
- **This isn't noise. This is the clearing of the field.** While the world yells “war,” Trump just removed the last excuse for it. The silence is the message. And if you heard it— You're already ahead.

- **Over 2 weeks, 60 KIDS** are safe, in custody.
- **This involved over 20 agencies and 100+ people.** 8 people were arrested, charged with human trafficking, child endangerment, drug possession and trafficking.
- **US MARSHAL:** "Operation Dragonfly, the largest in the history of the US Marshals Service, if not the largest in the United States. Ranging from 9 to 17 years of age."

N. Tues. 24 June 2025: BIDEN'S CHILD TRAFFICKING EMPIRE COLLAPSING: 500,000 CHILDREN RESCUED AS MILITARY TRIBUNALS LAUNCH! ...Kerry Cassidy on Telegram

- **This is not a drill. This is a full-scale takedown of the darkest network on Earth.** As of May 29, 2025, the illusion is dead. The Biden regime is being dismantled in real time, and the largest child rescue mission in human history is underway.
- **Half a million children weren’t just lost**—they were funneled into hell. Sold, tortured, erased. Trafficked under the direction of Biden’s handlers, rogue CIA agents, and foreign operatives. The same agencies meant to protect them turned them into commodities.

- **Trump and RFK Jr. are done warning.** They've activated military tribunals under Continuity of Government protocols. Sources confirm operations are live at GITMO, deep sites in Utah and Colorado, and BlackSite Sierra-11. Top Deep State operatives have already been extracted.
- **The Department of Health and Human Services has been seized.** Under Trump's Directive 421B, HHS is now under emergency control. RFK Jr. is dismantling it piece by piece—targeting CIA-linked NGOs like Southwest Key, IRC, and Children First—all exposed as trafficking hubs.
- **What's been uncovered? Bio-experiments.** Adrenochrome farms. Organ harvesting. MK-Ultra revival centers. DARPA-linked labs in Nevada and Southern California posing as “psychiatric care” were in fact black-budget butcher houses.
- **The same Dominion servers used to steal the 2020 election were repurposed to route children**—confirmed by whistleblowers now under White Hat protection. These children were moved via UN cargo, under Vatican seals, disappearing into a global shadow grid.
- **Containers found in Long Beach and Florida held soundproofed cells,** surgical scars, and removed GPS implants. This was a system engineered for permanent disappearance—and they thought they'd never be caught.
- **But the arrests have started: 347 so far.** Epstein-linked officials, Pentagon liaisons, NGO heads—all flipping, all exposed. Over 2,200 sealed indictments opened since April. And now the world sees the monster's face.
- **Project RECLAMATION has already rescued 61,000 children from Texas, New Mexico, Romania, and the Philippines.** What they're finding is beyond horror: chemical implants, torture logs, evidence of generational evil.
- **The global elite were panicking. WHO, UNICEF, USAID—named in classified docs as knowing participants. The Treasury is freezing trafficking-linked accounts. The QFS is tracking every transaction.**
- **This isn't politics. This is retribution.** And it's just beginning. We are coming. And this time—they don't get to run.

O. Tues. 24 June 2025 JUST IN: TRUMP'S EXECUTIVE WAR ON CHILD ABUSE

...Kerry Cassidy on Telegram

- **THE PRESIDENT WHO SHATTERED THE PEDOPHILE EMPIRE** While the global elite toasted behind closed doors, Trump declared total war. He signed executive orders like battlefield commands. No debates. No committees. Just pure, targeted assault.
- **THE CRACKDOWN BEGAN IMMEDIATELY.** Trump's orders forced every law enforcement agency to unify under one mission: PROTECT THE CHILDREN. DESTROY THE NETWORKS.
- **Investigations shifted from backlog to PRIORITY ONE.** Resources poured into search-and-rescue operations, crossing state and international lines to dismantle trafficking syndicates.
- **THE ONLINE HAVENS BURNED.** No more protected platforms. No more encrypted hiding places. Trump stripped Big Tech's immunity, revoked protections, and unleashed federal firepower.
- **Section 230? Gutted.** Big Tech screamed “free speech.” Trump roared back: “NO CHILD WILL BE RAPED UNDER YOUR WATCH.”

- **THE WELFARE SYSTEM WAS CLEANSED.** Trump tore apart the corrupt child welfare structure that let predators thrive. Forced federal, state, and local agencies into full coordination. Mandated audits. Demanded accountability. Smashed the dead zones where evil hid.
- **This was not reform.** It was total annihilation of the system's rot.
- **WHY THE DEEP STATE FEARS HIM.** They tried to impeach him. Silence him. Imprison him. Because he cracked open their underground empire. Hollywood, Silicon Valley, late-night puppets, and compromised agencies waged war against him. But Trump didn't flinch. HE STOOD BETWEEN INNOCENCE AND EVIL. While others virtue-signaled, Trump deployed investigators. While others posed for cameras, he signed the kill orders. While others hid behind "complexity," he executed justice. "WE WILL DESTROY THEM." He didn't do it for applause. He didn't do it for votes. He did it because NO ONE ELSE WOULD. TRUMP DREW THE LINE. And while the world trembled, he stood between the darkness and the children.

Med Beds:

P. Tues. 24 June 2025: MED BED ACCESS DENIED WITHOUT NEUROASCENSION – THE FINAL TEST IS HERE ...Gesara Nesara QFS on Telegram

- **As of June 21, 2025, Med Bed Healing Centers** are operational across U.S. military zones. Patriots are being healed — DNA regenerated, organs restored, lifespans extended — but only those who've completed the Brainwave Ascension Protocol are being accepted. This isn't about belief. This is about frequency mastery.
- **Trump's military alliance**, fully in control since January 20, 2025, is now operating Med Bed units in Texas, South Dakota, Tennessee, and Montana. These centers are cloaked, underground, guarded by Space Force quantum biometric forces. You will not get near them unless your frequency is cleared.
- **The technology is conscious.** It rejects fear. It rejects fluoride-brainwashed zombies.
- **Med Beds are quantum bio-intelligence machines.** If your brainwaves are still infected by trauma, AI thought loops, or EMF poison, you're flagged as a biohazard. You'll be denied access — or worse, trigger a global healing grid alert that locks your DNA signature out permanently.
- **This is not a suggestion.** It's an ultimatum. Only those who complete the Neurospiritual Conditioning Protocol (NCP) are allowed through:

CLASS A: DEPROGRAMMING – Erase TV brainwashing, trauma cycles, fluoride blocks, 5G codes.

CLASS B: DNA REMEMBRANCE – Reactivate your ancestral strands. Remote viewing, emotional memory.

CLASS C: ENERGETIC WARFARE – Master chi. Clear trauma fields. Control your emotional signal.

CLASS D: GAMMA SIMULATION – Enter real Med Beds. Gamma spikes monitored.
Deviate = locked out.

CLASS E: ASTRAL COMMAND – Navigate higher planes. Retrieve healing codes. Become a Quantum Medic Commander.

- **WARNING: Cabal agents tried to bypass the firewall.** Every single one was neutralized. The system purges darkness on contact.
- **GESARA and QFS are tied to this.** No frequency, no credit access. Redemption Centers are cross-checking NCP completions before issuing payouts. The New Earth economy demands neurological coherence.

TIMELINE:

June 28: Arizona, Florida, NC centers activate.

July 7: Global Med Bed Registry opens — only for frequency-cleared patriots.

August: D-class simulation training opens in select zones.

September–October: Class E missions to heal survivors of cloning, biowarfare, cabal trauma.

- **FINAL WARNING:** This isn't a game. If you aren't training, you aren't entering. The Med Beds answer only to warriors of frequency. If your brain is compromised, you are the threat.
- **This is your trial.** This is your initiation. Align, or be locked out of the New Earth.
- **Train. Ascend. Or be left behind.** The battlefield is your brain. And time is running out.

Q. Tues. 24 June 2025: GEOENGINEERED SNOW IS REAL — TOXIC SKY WARFARE NOW TARGETING FOOD SUPPLY, HEALTH, AND HUMAN SOVEREIGNTY ...The 17th Letter on Telegram

- **It's no longer a theory. It's not accidental. And it's definitely not natural. What we're witnessing in the skies over America and beyond is the largest covert operation against life ever documented** — weaponized weather, engineered scarcity, and silent population control executed under the camouflage of "climate crisis." On June 24, 2025, it snowed in Tennessee at 38°F, froze crops in Kansas at 42°F, and dropped hail the size of apples across the Gulf Coast — all within 48 hours. This isn't weather. This is geoengineering warfare.
- **Videos now flood the internet showing snow that doesn't melt, strange metallic smells during storms, oily residues in fresh ice, and military flight patterns painting chemical grids across the sky.** Moisture is being chemically altered, jet streams

manipulated, and pressure zones hijacked to redirect storm systems, creating chaos disguised as climate. The air is laced with aerosolized nanometals — aluminum, barium, strontium — confirmed by independent labs in Montana, Ohio, and California. This isn't background pollution. This is military-scale dispersal with provable health consequences: nosebleeds, burning eyes, metallic taste, sudden fatigue, and respiratory inflammation now spiking 300% in northern states since March.

- **And it's not just human health being attacked** — it's the food system. Farmers in the Midwest are reporting mass crop loss due to unnatural freeze-thaw cycles. Orchards bloom and die within the same week. Leaves curl and fall in May. The soil is dead, stripped of microbial life by years of overhead spraying. Whistleblowers confirm “dormancy agents” have been dumped from planes — chemicals designed to force plants into shock, sabotaging growth on a systemic scale. This isn't failed farming. This is strategic biological sabotage.
- **Simultaneously, insect populations are collapsing** — bees, butterflies, pollinators — all vanishing. Not by slow decline, but by targeted erasure. Without them, pollination halts. Without pollination, food stops. Fisheries are next: mass die-offs of trout, salmon, and herring have been documented from Alaska to Oregon following unexplained oceanic chemical plumes. What's being wiped out isn't just crops — it's the base of the food chain. This is controlled extinction.
- **Hospitals are seeing a surge in “multi-organ collapses” and “weather-triggered syndromes” in young adults** — but no one is asking why. The answer is in the air. These particles invade the bloodstream, cross the blood-brain barrier, suppress immunity, and spark neurological disorders. And yet the media says nothing. Because this is not environmental mismanagement — it's population conditioning. Slow kill. Chronic weakening. And preparation for total control through synthetic air, lab-grown food, and digital rationing.
- **They poison from above while selling climate lockdowns below.** They destroy farms while pushing QR-coded protein substitutes. They collapse ecosystems while engineering a population too sick to resist. The sky has become a weapon — and it's being used to erase nature, sabotage independence, and break the human body into permanent compliance.
- **Document everything.** Collect water samples. Grow your own food. Protect heirloom seeds. Educate your circle. And above all — resist the coming climate emergency mandates. Because this is not about saving the earth. It's about owning the atmosphere. And if they own the sky, they own you.

R. Tues. 24 June 2025: BREAKING: OBAMA AND BIDEN GAVE MONEY TO IRAN'S WAR MACHINE—INDICTMENTS ARE COMING FROM THE GRAND JURY

...Nesara Gesara QFS on Telegram

- **Obama sent \$400 million in foreign cash to Tehran on January 17, 2016**, without telling anyone. Two days later, there were thirteen wire transfers of almost \$100 million

each. The total is \$1.3 billion. This wasn't diplomacy. They wanted money. The hostages weren't let go until the money hit the ground. And it didn't end there.

- **That money caused fear to spread throughout the Middle East.** Hamas doubled the number of rockets it had, Hezbollah improved its precision missile program, and the Houthis got Iranian drones that made holes in Red Sea shipping. The serial numbers on the cash that was taken matched pictures taken in Tehran. Washington, on the other hand, stayed quiet. The press called it "brave diplomacy." Americans who were real buried their sons.
- **Then Biden showed up. His administration quietly freed up \$10 billion in frozen Iranian assets in 2024.** The money went through high-end banks that were linked to Davos. Iranian-funded militias stormed Israel's borders, funded Hamas command centers, and sent drone swarms that shook the world's energy markets. At the same time, people who worked at BlackRock made record short positions on U.S. gas. It wasn't a coincidence that the timing was right.
- **When Trump took office again on January 20, 2025, he froze all accounts linked to Iran and called for a full forensic audit.** What it found was much worse than the original scandal: more than \$5.6 billion had been funneled through fake companies in Frankfurt, Doha, and Johannesburg, with links to IMF members and WEF advisors. Intelligence reports had warned about this years ago, but Obama supporters hid them by putting them under classified labels.
- **Kash Patel, the Attorney General, called a federal grand jury on June 3, 2025.** John Kerry, Victoria Nuland, and Janet Yellen all got subpoenas. Sources say that Obama could be charged with giving material support to terrorism. Biden is named in a plot to get around U.S. sanctions. There is no doubt about the trail.
- **Special Ops even stopped a drone carrying encrypted Iranian communication equipment that had been bought with money that Biden had given away.** The supplier? A shell company in Shanghai that is linked to the son-in-law of a World Bank official. They preached "climate justice," but they gave weapons to people who were against the Republic.
- **The media isn't saying anything.** Big Tech is stopping all leaks. But the people are aware. Trump's Executive Order 0033 now lets the government take assets from any bank or NGO that is connected to these operations. The Treasury is already raiding. HR-2184 is making its way through Congress to take away immunity from all officials involved.
- **June 23, 2025: This is not politics anymore.** It's the survival of the nation. Either traitors are caught, or betrayal becomes the norm. The grand jury is ready. The whole country is watching. The elite's fear is real. It's time for them to go.

S. Tues. 24 June 2025: ASSANGE EXPOSES HOLLYWOOD'S WAR PROPAGANDA MACHINE — IRAN WAS SCRIPTED LONG BEFORE IT WAS TARGETED ... Julian Assange on Telegram

- **They told us it was fiction. Just storytelling. But Julian Assange proved otherwise** — and now the system is scrambling to bury the truth. For years, Hollywood has been programming the public mind for war with Iran. Not with facts, but with frames. Not with speeches, but with scripts. From Top Gun: Maverick to 24, Homeland, and The Fifth Estate, Assange exposed it all — the invisible battlefield where the weapons aren't bullets, but belief.
- **Top Gun:** Maverick wasn't just a sequel. It was a military operation. Cleared line-by-line by the Pentagon, the film fed millions a subconscious narrative: a brave U.S. pilot takes on a nameless enemy with "unauthorized nuclear facilities" buried in mountainous terrain. No names are mentioned, but the signs all scream Iran. That film didn't prepare the public for entertainment. It prepared them for war. The terrain, the uniforms, the enemy's secrecy — all carefully molded to seed a justification. The message was subtle but surgical: war with Iran is necessary, heroic, and inevitable.
- **Then came the shows. 24 injected paranoia into every American living room.** Every episode a countdown to disaster. Every villain Middle Eastern. Every hero a white operative willing to torture for "freedom." Over the years, the line blurred between fiction and policy — and the American mind internalized the idea that surveillance, drone strikes, and civil liberty erosion were not just acceptable — they were patriotic. Homeland took it even further. Co-written with CIA input, it was a recruitment tool masquerading as drama. Every narrative arc centered around Muslim threats, Iranian plots, and righteous intelligence agents. It normalized the abnormal. It sold war as a necessary evil — and made sure no one questioned it.
- **And then came The Fifth Estate, the final insult.** A film about Assange — not to honor his work, but to assassinate his character. Funded by DreamWorks, timed with diplomatic attacks, and designed to paint him as unstable, erratic, and egotistical. The goal was simple: destroy the messenger, so the message could be ignored. What he exposed — war crimes, surveillance networks, globalist lies — was never challenged. So they attacked the man instead.
- **Assange didn't speculate. He documented.** WikiLeaks released internal communications proving the Pentagon and intelligence agencies directly influence film scripts, fund productions, and approve narratives. This isn't a theory. It's a strategy. The battlefield isn't the desert — it's your mind. And unless we unmask these psychological operations, we're not resisting war. We're reciting lines from its screenplay.

T. Tues. 24 June 2025 Over 3,200 top-level targets neutralized in 7 days. This includes BlackRock execs, Pfizer leadership, Vatican treasurers, IMF, CIA child traffickers, and media moguls tied to MK Ultra. ...JFK Awakening Q17 on Telegram

- **The banks have fallen.** Gold, diamonds, hard drives, and documents have been seized from BIS vaults in Switzerland. Over \$300 trillion in stolen wealth is now being funneled into GESARA and humanity's final liberation.

- **White Hat operatives, under the guise of humanitarian missions**, were dismantling black market economies linked to the Federal Reserve and Vatican Bank using encrypted Star Link communication systems. A raid on the Vatican's archives in May 2025 unearthed the "Black Vault," a repository of documents exposing centuries of manipulation. From financial tyranny to mass mind control through religion, and the deliberate suppression of free energy technologies, the revelations are staggering. Among the findings are agreements between the Vatican, Rothschild banks, and global intelligence agencies, designed to control humanity.
- **Notably, the original NESARA legislation**, proposed during the Kennedy administration, was buried following his assassination — a plot orchestrated by the cabal. With these documents now retrieved, NESARA's legitimacy as a mission to free humanity is irrefutable.
- **In the civilian realm, coordinated arrests have begun in all five Eyes nations.** High-level corporate executives, media anchors, and NGO directors are being quietly extracted for tribunal processing. What looks like "resignations" and "health complications" in the news are cover scripts. In reality: these are takedowns. The crimes involve human experimentation, bioweapon coordination, and mass financial theft under humanitarian disguise.
- **What was uncovered in those final red zones is beyond anything previously disclosed** — human cloning chambers used for political substitution, ARPANET-based mind control frequency hubs, and direct evidence of extraterrestrial trade deals brokered in exchange for human genetic material. All of it logged. All of it documented. All of it now in the hands of Trump's Military Intelligence Corps.
- **Antarctica is under siege.** Queen Maud Land — once a Nazi fortress — is being overrun by U.S. Space Force, Russian patriots, and allies from India and Brazil. Inside: portals, hybrid labs, Atlantean tech, ritual chambers, and the Deep State's last holdouts.
- **Media silence = proof of panic. CNN, BBC, FOX, and Reuters execs have vanished.** Military ops have dismantled their command structures. Their crimes? Depopulation. Mind control. Ritual abuse.
- **The EBS system was now on direct standby.** Insider chatter confirms that final calibration tests were completed on June 5, and emergency signal override has been installed in over 87 countries. You will not see this on television. But you will feel the shift. Frequencies were being rerouted. Airspace was being locked down. Major media satellites were now under Q-Command Authority.

X. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Y. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Za. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
