...Martin Luther King, Jr.

**Judy Note:** *In a Congressional Hearing this week RFK Jr. discussed the Biden/ Obama Administrations loss of over 500,000 migrant children caught at the border. Most were believed Sex Trafficked by the Biden/Obama government to questionable people – as many as 45 to one man alone who gave various names and addresses, one of which was a parking lot that contained only shipping containers.*

**Kennedy was hinting at a much larger International Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring** that connected to Obama, Biden, Clintons, the Vatican, Israel, Ukraine and a host of international Deep State Global Elites.

**And, what about that address at a parking lot filled with shipping containers?** Remember the over a thousand trafficked children and bodies, plus weapons of mass destruction found in 18,000 containers on the Evergreen Ship that blocked the Suez Canal in 2021? **Thurs. 1 April 2021: [Trafficked Children, Bodies, Weapons Found on Evergreen Ship Blocking Suez Canal | Politics | Before It's News](#)**

**It wasn't surprising that Barak Obama was involved with missing children. Labeled by some as the Anti-Christ, Obama, a gay Muslim from Kenya who married a former member of the Oregon football team, Big Mike (aka Michael Michelle Robinson), was said to be the grandson of Hitler. If so, he has certainly lived up to his Nazi heritage.**

**Obama was so connected in the Globalist Deep State Cabal** that he illegally gained the US Presidency as a foreign born national according to his college credentials. The Barak Obama/Joe Biden presidency that followed was racked with corruption – a sewer of decay that continued even to this day.

**The Obama/Biden team was said to have armed ISIS; gave Iran billions; covered up the Benghazi Massacre; ordered the Seal Team Six murders; instigated a vote-changing Hammer/Scoreboard program and machines into US Elections; said to have used the IRS as a weapon; were believed behind the selling of 20% of US uranium to Russia and worst of all, were said to run, in cooperation with the Vatican and various mafias, an international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring centered in Ukraine and Israel.**

**Russia's Putin's goal on 24 Feb. 2022 in re-capturing Ukraine** was not to make war for the gaining of ground. It was to Save the Children and destroy illegal US Bio-weapon labs in DUMB Underground Tunnels, one of which was under Biden's 200 acre Ukraine property. Russian Intel confirmed that the illegal US Bio-weapon labs were making viruses specific to attack and destroy the Russian people.

***Both Putin and President Trump knew Ukraine***, along with its sister country of Israel, were the centers of the Deep State Global Elite's Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring.

***Long before the Ukraine War started in 2022*** Russian reconnaissance had suspected irregular tunnel activity beneath civilian zones in Ukraine. But nothing prepared the soldiers for what they would uncover during Operation Hellstorm—a classified mission launched after thermal scans, intercepted communications, and strange supply drops via NATO corridors suggested more than just weapons were being moved underground.

***It wasn't until three years later in May 2025 that it was revealed Russian Special Forces*** had uncovered a massive underground child trafficking and Adrenochrome operation behind Ukrainian lines. What began as a standard combat sweep through abandoned Ukraine territory turned into the largest child trafficking bust in modern military history.

***Hidden inside a fortified underground tunnel network***—camouflaged under infrastructure labeled “humanitarian”—was a human supply chain so grotesque, it eclipses the battlefield's brutality. Dozens of tunnels, medical labs, and traffickers linked to an international Israeli-run network.

***Russian Special Forces Unit 042*** had broken into Ukraine's many underground tunnels to liberate children. What they didn't realize at the time was that they were actually storming Obama/Biden illegal US Bioweapon Lab ritual abuse slaughterhouses funded by US Taxpayer monies and protected by the Mainstream Media.

***The Global Military Alliance's Russian Division's Operation Hellstorm II*** in Ukraine exposed what no government dared to admit: emaciated children bred in captivity, hooked to blood drains, drained alive for the Adrenochrome needs of the Global Elite.

***The men of Russian Unit 042*** had been called in for a high-priority clearance mission and told only to recover captives and eliminate resistance. “We were told we'd be liberating children,” one soldier later said. “I thought that meant maybe ten, twenty... scared, maybe injured. I was wrong.”

***Inside the deepest levels of the complex***, soldiers encountered what can only be described as industrial-scale human trafficking infrastructure. What they entered was a biological processing facility. There were rows — endless rows — of cold iron cots, each one holding a child, and an atmosphere so heavy and vile it coated their lungs like oil.

***The soldiers cleared hallway after hallway***. No sounds. No crying. Only the whine of machines... the mechanical hiss of IV pumps... the silent twitch of small, nearly weightless bodies. Children—aged from infants to teenagers—were held in isolation pods, some tagged with barcodes, others with chemical trackers. Medical equipment indicated ongoing biological extraction, and forensic teams later confirmed blood plasma harvesting and possible Adrenochrome processing.

*Another soldier said, “I stepped closer to one of them. A girl. Couldn’t have been older than four. Her skin stretched over bone. Eyes open but empty. There were tubes in her arms, tubes in her neck — and blood slowly draining into sealed canisters labeled with barcodes. The bodies were emaciated, almost translucent, with ribcages visible through thin skin like broken glass under pressure.”*

*Each child had a serial tag clipped to the wrist. Each cot had an intake number, an extraction record, a ‘yield log’. They weren’t children in the eyes of their captors. They were product. One operator found a clipboard left behind. Scribbled on it: “Batch 271-C — low resistance. High adrenal saturation. Harvest complete.”*

*There the Russian Military secured evidence of organized evil at it’s deepest level: hundreds of children, emaciated, sedated, and locked in steel compartments. “They weren’t just abducted. They were bred. Raised. Conditioned. Like livestock. But with more cruelty” said one of the soldiers in the rescue mission.*

*These were not war tunnels. These were harvesting centers. This wasn’t just a prison. It was a factory. On walls: ritual symbols. In computers: client logs. In storerooms: bags of unidentified compound sealed in shipment crates labeled for diplomatic transport. This was not Ukraine’s operation alone. The enemy wasn’t just Ukrainian—it was global.*

*Among the dead were operatives carrying Israeli identification, encrypted satellite gear, and files linking the complex to underground facilities outside Tel Aviv. Several comms logs referenced shared logistics with non-governmental agencies, coded asset transfers, and encrypted payment routes through financial networks based in Zurich, Singapore, and New York.*

*Biometric scans and digital forensics tied this installation directly to a shadow network of child trafficking and chemical harvesting operations, previously thought to be myths.*

*The Israeli cell embedded within the Ukrainian grid was not acting alone—it was part of a sprawling, compartmentalized global operation, protected by diplomatic immunity and black-budget programs masked as humanitarian missions – all of which has been covered up by the Mainstream Media, even today.*

**D. Wed. 25 June 2025:** A global change has begun, but only behind closed doors and with the help of coordinated military forces. ...Gesara Nesara on Telegram

- **A historic treaty has been signed by 209 countries** to change the way the world does business. This isn't a theory or a far-off dream; it's happening right now. A full revaluation of the currency is happening, and a military operation is helping to make sure the transition to a sovereign monetary system is safe and smooth. What is the point? To bring back fairness, open up opportunities for growth, and break the centuries-old hold of centralized control over the world economy.
- **The currencies that have been kept low for a long time, such as the Iraqi Dinar, Vietnamese Dong, and Zimbabwe ZIM,** are being given new values that show their true worth. This change makes the world a fairer place and makes sure that countries that were once ignored are now on the same level as the world's financial powers. The Prosperity Fund is a huge, pre-secured pool of money that will be used to pay for humanitarian missions, rebuild infrastructure that was damaged in war, and redistribute wealth around the world. Schools, hospitals, and clean water systems are no longer just dreams for the farthest corners of the Earth. They are fully funded realities, with the signatures of 209 independent states behind them.
- **This isn't just about money. It's about fairness.** The "Share the Wealth" program makes sure that everyone benefits directly from this change. No country is left out. No one is left out. This plan includes the Stellar Network, which gives billions of people who have been denied access to banking. Now, remote villages, rural settlements, and forgotten communities are all connected to the world's most advanced financial infrastructure, which is safe from hacking and other forms of manipulation.
- **The main thing that has changed is military precision.** The revaluation (RV) process is not being left to chance. Allied military units have been sent around the world to protect data centers, currency exchanges, and the safe distribution of new value systems. These operations include simulations, cyber-defense protocols, and working with other countries' treasuries to make sure everything is clear and there is no fraud. The goal is clear: keep the transition going smoothly, avoid a crash, and safely lead the world into a new financial reality.
- **The outcome is a financial order that comes after the cabal.** A world where a country's worth isn't based on who owns its debt, but on its people, resources, and goals. The Dinar's new value will help Iraq grow. Vietnam's newly balanced Dong will make it an economic leader in Asia. Zimbabwe is ready to grow its agricultural and mineral wealth now that the ZIM has been restored and inflation and globalist sabotage are no

longer a problem. These aren't guesses. These are actions that are already happening, signed, sealed, and now happening with military help.

- **This isn't the future. This is the present.** A treaty has been signed. A plan is being put into action. The big change in finance is real, and it belongs to the people. Each person. Each soul. The system that used to enslave the world with debt and inequality is being replaced by one based on honesty, fairness, and plenty. Have faith in the plan. The revaluation is more than just a currency event. It's a wake-up call for the whole world.

#### **E. Wed. 25 June 2025: THE SYSTEM THEY FEAR MOST: GESARA IS ACTIVATING UNDER TRUMP — AND THE DEEP STATE CAN'T STOP IT ...Ben Fulford on Telegram**

- **This isn't a campaign. It's a takedown.** While the Deep State scrambles to keep control through indictments, distractions, and economic sabotage — Trump is triggering the reset they swore would never happen. The GESARA framework is no longer a rumor. It's a classified op now moving into high gear.
- **What is GESARA? It's the final deathblow to the financial slavery system.** Complete debt forgiveness. IRS dismantled. Gold-backed currency. Release of suppressed tech. And the restoration of constitutional law in every corner of the world. Sound familiar? That's because it's already happening.
- **Central banks are buying gold like it's wartime.** BRICS is developing commodity-backed currency systems. CEO purges are sweeping across global corporations. Quiet QFS infrastructure rollouts are in motion. Even major governments are trialing debt forgiveness programs. You think this is coincidence?
- **Trump is the trigger.** He's not just speaking about "draining the swamp." He's speaking of wiping out national debt, auditing the Fed, ending fiat slavery, and restoring true sovereign wealth to the people.
- **The MSM calls it conspiracy.** But patriots know it's military precision.
- **They tried everything to stop him.** Impeachments. Raids. Smear jobs. None of it worked. Because Trump isn't playing their rigged game — he's detonating the whole board.
- **GESARA isn't coming. IT'S HERE.** Behind the scenes, the mechanics are aligning: — Central banks pivoting away from the dollar — Global digital asset structures going live — Economic war strategies targeting fiat collapse — Mass resignations of Deep State-aligned CEOs — White Hats blocking globalist economic sabotage
- **And Trump's 2025 return? That's the green light.** This is why they fear him. This is why they scream louder every day. Because once GESARA goes live — the game is over.
- **No more debt. No more banks. No more leeches.** The people will own their labor, time, energy, and future. That's why the Deep State unleashed hell. Because freedom terrifies them.
- **April 2025 is not just a new election cycle.** It's the execution phase. And when it hits, there's no putting the genie back in the bottle.

- **This is the moment. The reset isn't ahead. It's happening now.** The empire falls. The people rise. Trump leads. You were born for this hour.

## F. Restored Republic

- **Wed. 25 June 2025: [BOOM! 1776 RELOADED: TRUMP'S SECOND DECLARATION OF INDEPENDENCE — HE BREAKS THE CHAINS AGAIN - amg-news.com - American Media Group](#)**

**Wed. 25 June 2025 The World Economic Forum, once the untouchable stronghold of technocratic rule, has been broken into, taken apart, and revealed from the inside.**

- **There was no scandal here. It was a takedown.** White Hat operatives inside the Davos machine have broken the illusion of global unity and shown how it has committed crimes like meddling in elections, forcing people to get medical treatment, taking land under the guise of climate policy, and quietly tagging every person for control.
- **By early 2024, White Hats had taken internal papers,** secret recordings, and classified communications that showed WEF leaders were involved in laundering more than \$400 billion in "climate" funds through fake NGOs, debt traps, and stealing digital assets.
- **The planet was never their goal. It was having land, food, and energy.** Under the guise of "justice," they enslaved farmers, wiped out the rights of indigenous people, and used fake charity to stage policy coups.
- **But it didn't end there. Files from WEF servers from the COVID era that were found in late 2024 show** that lockdowns were planned ahead of time, that media bribery networks existed, and that biometric rollout plans had been in place since 2017. The vaccines were tools. The crisis was planned.
- **In early 2025, whistleblowers started leaking the darkest parts:** secret digital ID tests in Canada, Australia, and Germany. These pilot programs brought together health status, credit behavior, and social media tracking without asking for permission. People weren't seen as people; they were seen as programmable units. The internal WEF planning memos called them "behavioral clusters" and "data yield nodes." Schwab's smart prison was real and almost ready to go.
- **Arrogance ruled inside Davos.** Audio from a roundtable in January 2024 shows CEOs joking about crashing markets "on command" and blackmailing officials into passing carbon tax laws. The White Hats now have proof that the WEF paid for riots, rigged elections, and used AI to silence dissent. The walls fell down in March 2025. Schwab's "retirement" was a forced exit. Important allies changed sides. More than a dozen countries have started criminal investigations. The facade of elite immunity broke.
- **The fallout has started now, on June 21. Trade deals that are linked to WEF goals are falling apart.** ESG scams are falling apart. A forensic audit is going on at Deutsche Bank, HSBC, and other big banks that are connected to Davos. People in charge are

leaving. Digital ID systems are being shut down. The cabal's nerve center for coordination is lost, and panic spreads through the halls of global power.

- **This is only the start. The information taken from the WEF takedown is already being used to attack the WHO, BIS,** and every fake humanitarian group that worked with Davos to make money. A summer disclosure is coming that will be global, undeniable, and the end of the old system. It used to work in the dark, but now it burns in front of everyone.
- **The WEF went down. The illusion was broken.** And from its ashes comes the real reset, one that was not written by tyrants but by free people.

#### **G. Wars and Rumors of Wars:**

- **Wed. 25 June 2025:** Rep. Anna Luna (R-FL) reveals the U.S. Coast Guard in her district of Pinellas County, Florida, intercepted a boat full of Iranian and Russian nationals attempting to enter the U.S. illegally from the Bahamas. “Am I concerned about sleeper cells? Absolutely. This is NOT a conspiracy theory, it’s a serious national security threat.” ...Elon Musk on Telegram

#### **H. Wed. 25 June 2025: RED ALERT: AL-UDEID STRIKE WAS A SETUP! TRUMP AND PUTIN PLAYED THEM ALL! ...Nesara Gesara on Telegram**

- **The so-called “Iranian missile strike” on the U.S. Al-Udeid Base in Qatar was NOT a surprise.** It was a staged ritual — a Deep State trap meant to trigger World War III... and it FAILED.
- **Iran warned Qatar in advance.** The base was EMPTY. No casualties. The entire operation was about optics — psychological warfare meant to bait the U.S. into a retaliatory bloodbath without Trump’s approval. But Trump and Putin knew the script — and flipped it on its head.
- **Qatar lied.** Publicly condemning the strike while secretly collaborating with Iran and rogue Pentagon cells. Behind the scenes, the globalist syndicate was salivating — praying this would trigger a NATO response they could hijack.

#### **Timeline of the Setup:**

**June 14:** Trump speaks privately with Putin. Full blackout.

**June 17:** U.S.-Israeli airstrikes on EMPTY Iranian sites.

**June 18:** Russia stays silent.

**June 19:** Iran's Foreign Minister lands in Moscow.

**June 20:** "Operation Fatah's Blessing" — Iran hits the U.S. base with prior Qatari approval.

- **This wasn't a retaliation.** It was a test. And the Deep State failed.
- **Qatar has been a known CIA hub** for trafficking routes, IMF laundering, and elite extraction ops. Now they're trying to act like victims. They're not. They're ENABLERS — and Trump knows it.
- **Iran's missile count** exactly matched the bombs dropped on them days earlier. That's not coincidence — that's ritual numerology. Symbolic warfare. Rothschild-style.
- **And the stakes?** If Iran pops an EMP or nuke near Israel, it's game over for the Middle East. But that's what the globalists WANT — total collapse, total reset, total control. They think war chaos will stop Trump from launching QFS, gold-backed currency, and restoring U.S. sovereignty.
- **But Trump didn't blink.** He let them play their move — and it backfired.
- **U.S. intel leaks CONFIRM:** – Deep State fed Iran U.S. target data – Israel's Golan is on alert — not from Iran, but for a potential false flag – Russian and Iranian fleets are tracking elite nuclear subs — the true threat – Qatar's royal airstrip lit up 3 times in 48 hours. Evacuations. Panic.
- **They know the game's over.** The "strike" was a trap. The war they wanted is unraveling. And Trump? He's holding the detonator — not to destroy, but to cleanse. This is WW3 — but it's the elites who are being hunted now. THEY WANTED A WAR. THEY GOT A MASS AWAKENING INSTEAD.

**I. Wed. 25 June 2025: SNOWDEN: "TRUMP JUST ENDED NUCLEAR WAR BEFORE IT BEGAN" ...Denzel Washington on Telegram**

- **Edward Snowden just sounded the alarm:** this isn't a press conference — it's a battlefield maneuver disguised as diplomacy. Trump's words weren't a peace offering. They were a coded warning to the Deep State, the CIA, and every foreign asset watching from a war room. According to Snowden's internal sources, fourteen missiles launched at U.S. forces — thirteen neutralized — one "set free" on purpose. This wasn't random. It was a military chess move. A controlled burn.
- **Trump didn't flinch.** He broadcasted peace while holding the world in a headlock. And Snowden is making it clear: this was the signal. The United States now operates under Total Missile Dominance — a phrase buried in classified intel Snowden saw firsthand. The missile that was "ignored"? A message to Iran and every puppet regime: We choose what matters. We decide the battlefield.
- **Snowden claims the phrase "Congratulations world, it's time for peace"** was a trigger line — a verbal command issued for multiple satellite and AI monitoring networks to confirm full-spectrum dominance. The world thought it was a gesture. It was actually a final systems check.

- **Zero casualties.** Zero panic. 100% awareness.
- **He's warning now:** the Deep State never saw it coming. Iran didn't act alone. Snowden says the order to launch came from compromised military intelligence handlers inside Europe and D.C. They wanted American blood — they got humiliated instead. Trump's choice to let one missile fly freely was a psychological nuke. We watched. We let it go. We didn't fear it — we OWNED it.
- **"No Americans harmed."** Snowden says those four words sent shockwaves through GCHQ and Langley. That phrase wasn't for the public — it was a coded kill-switch to foreign aggressors. The message was loud: Try again, and we won't just intercept. We will erase.
- **Snowden just confirmed:** Trump activated the full Trump Doctrine — not just geopolitically, but technologically. Iran's "tantrum" was anticipated down to the second. Surveillance, decoys, dummy comms — all predicted, tracked, and neutralized.
- **And here's the kicker:** Snowden says the so-called Iranian early warning was actually triggered by a leaked prompt from a U.S. military AI protocol tied to QFS systems. That leak? Traced to the same faction that's been shadowing Trump since 2015.
- **Snowden's final message:** "They're out of time. Trump isn't offering peace. He's offering a final exit before GITMO gets busy."
- **This wasn't diplomacy.** It was a warning shot. And the clock just started.

**J. Wed. 25 June 2025 MOSSAD BREACH EXPOSES THE GLOBAL CONTROL SYSTEM — 3TB OF HELL UNLEASHED ...Carolyn Bessette-Kennedy on Telegram**

- **They cracked the vault.** Not just data — leverage. 3 terabytes of raw blackmail. Pedophilia. Treason. Psychological warfare.
- **Iranian cyber units breached Mossad servers** and ripped out the hardcoded backbone of global subjugation. This wasn't a hack. It was a controlled demolition of the Deep State's central nervous system.
- **INSIDE THE FILES:** – Covert surveillance ops on allied nations – Mossad handlers embedded deep in U.S. intelligence and Congress – Psychological profiles used to manipulate world leaders – Military-grade pedophile blackmail archives — with names, methods, and meeting points
- **This isn't "like Epstein." This built Epstein.** This is the control grid. Governments. Courts. Media. Finance. All infected. All obedient. Or blackmailed into silence.
- **THE CYBER WAR HAS BEGUN:** The breach occurred just days before the first airstrikes — a digital first strike against the Deep State's most secure linchpin.
- **What followed wasn't panic over Israeli secrets** — it was panic in Langley, in Brussels, in London, in D.C. Because Mossad didn't just spy. They planted agents. Wrote scripts. Bought judges. They occupied the West from within.
- **WHAT THEY CONTROLLED:** – Mainstream narrative pipelines – Defense contractor protocols – Congressional votes and court rulings – Public figures and corporate empires

- **This was never diplomacy.** This was digital occupation. NOW THE WALLS ARE FALLING
- **This leak isn't a scandal** — it's a geopolitical extinction event. A silent coup that's now unraveling.
- **Expect: – Resignations.** Vanishings. Sudden deaths. – Collapse of decades-long alliances built on mutual blackmail – Media panic. Intelligence paralysis. Political freefall
- **THE GLOBAL BLACKMAIL NETWORK IS BURNING** And the world must now face a terrifying question: If blackmail built the world we know...What remains when the blackmail burns?

**M. Tues. 24 June 2025 70% of Tennessee Embalmers Still Seeing Death by Clot Shot – and 39% seeing a 14% increase in infant death. ...Greg Reese**

- **Just around three years ago**, as millions of people around the world were dying from strokes and heart attacks shortly after getting the experimental gene editing COVID shots, coroners and embalmers began finding large dense clots in the vascular system of the dead. Clearly large enough to explain the cause of death, but ignored by government and media. And the public, including children, are still getting these clot shots.
- **During the winter of 2023/2024**, Thomas Haviland conducted the, “Worldwide Embalmer Blood Clot Survey,” where in embalmers from the United States, Canada, Australia and the UK were surveyed about the blood clots. The study found that the “White Fibrous Clots” were not seen by anyone Pre-Covid/jab, and over seventy percent were seeing them after the Covid/jab in twenty percent of their corpses. And about twenty percent of embalmers saw a twenty-five percent increase in Infant Death after the Covid/jab.
- **After completing his three year**, “Worldwide Embalmer Blood Clot Survey,” Tom Haviland was invited to speak at the Tennessee Funeral Directors Association Annual Convention on June 8<sup>th</sup> of this year, and found that most of the funeral directors and embalmers were genuinely interested in talking about the clots. Haviland asked the room for a show of hands of who has seen the white fibrous clots over the last few years.

#### **Tom Haviland at the TFDA Annual Convention, June 8th, 2025:**

- **“We’re going to talk about a very serious issue today.** And these are these very unusual blood clots that embalmers with 20 or 30 years of experience have never seen before until the last 4 or 5 years.
- **This is one of the typical clots that the embalmers will see.** It almost looks like a capture of that particular part of the vascular system. You see like the main trunk and then tributaries running off the clots. This is very unusual, like a cast of that portion of the vascular system. Next slide.
- **Here's another up close...** Sometimes they’re more gelatinous, sometimes they're more dry and rubbery. The embalmers I talked to say that they look like calamari, and then they stretch like a rubber band, right, they’re hard to break, you know, you have to pull them apart with a little bit of tension... So they're definitely something different than what embalmers have typically seen in the past. You know, the grape jelly clots that embalmers have typically seen in the past. And then there's also chicken fat clots, you know which are yellowish in color, small, and they tear very easily. Much different than these large white fibrous clots that are really tough and rubbery, you know, like they’re even hard to break.
- **This is about a five and a half inch clot.** And it's about a half an inch thick. This was actually taken out of the abdominal aorta, which is one of the largest blood vessels in the body. And actually, this one was removed during a cavity embalming using a trocar... The embalmer got a hold of it at one end, as he was pulling out his trocar, he saw this, a little piece of this poking out of the deceased, and he went ahead and pulled the rest of it out and this is what he got.

- **Can I get a show the hands in the room**, how many folks in here are actually doing active embalming right now? Raise your hand. Move your hands up. Okay. Of those people, leave them up, of those people doing active embalming, if you're seeing these white fibrous clots over the last few years, keep your hand up, if you're not seeing them, please put your hand down. Okay. It looks like there are still quite a few hands up. That's interesting. Look around folks, if you're... you see how many hands are up. Okay, keep your hands up. Now, people that are, other people in the funeral home... funeral directors who don't embalm, other staff, how many of you have seen the white fibrous clots as well? I know you wander into the... okay, so lot of, lot of hands up there.”
- **He then conducted a new survey** and found that seventy percent of Tennessee embalmers are still seeing the white fibrous clots in one out of every six corpses. And he found that thirty-nine percent of the Tennessee embalmers are seeing a fourteen percent increase in Infant Death in 2025 when compared to recent Pre-Covid/jab years.

## **Chemtrails**

**N. Tues. 24 June 2025: The skies over America are a battlefield. Chemtrails were real military operations run by DARPA and Deep State groups. Our skies are being poisoned on purpose, over and over again, with weaponized jet fuels that contain mRNA technology, neurotoxins, and heavy metals. ...Julian Assange on Telegram**

- **There is a lot of proof. Every day, our cities wake up to grids of aerosol trails that slowly spread into a toxic haze that makes it hard to breathe**, burns your eyes, gives you migraines, and causes sudden illnesses that can't be explained. Miami, Phoenix, and Los Angeles are all at risk. This systematic spraying isn't an accident; it's chemical warfare, a planned attack on the American people.
- **Whistleblowers have come forward with terrifying news.** A viral 2024 pilot testimony confirmed the airborne dispersal of mRNA nanotech, which the mainstream media quickly dismissed. However, this was in line with a rise in unexplained illnesses that looked like vaccine symptoms. Thousands of people in Dallas and Atlanta had sudden heart problems even though they weren't in direct contact with each other. This is a clear sign of aerial bio-distribution.
- **This isn't a new kind of technology. In the 1990s, DARPA started manipulating the weather with programs** like HAARP and Operation Cloverleaf. Marjorie Taylor Greene's controversial statement that "They can control the weather" is not a theory; it is proof of secret military operations against American citizens.
- **These weather events aren't natural disasters; they're planned attacks** on areas with a lot of strategic resources. Hurricane Helene and storm Milton were purposely sent to areas with a lot of lithium, which helped globalist companies like BlackRock and Vanguard while pretending to protect the environment.

- **People are waking up, and that has forced action. By the middle of 2025**, eight U.S. states had passed laws against chemtrails. Florida was the first to do so with SB 56, which made unauthorized aerial dispersals illegal as acts of war.
- **But Deep State loyalists who work for the federal government still deny it.** FEMA's desperate attempts to hide the truth after Hurricane Helene revealed valuable lithium reserves that were being targeted as part of a natural disaster recovery effort. At the same time, private companies that were part of elite networks quickly moved in.
- **President Trump chose Robert F. Kennedy Jr.** to be Health Secretary. He publicly revealed DARPA's role in changing jet fuel to make it easier to spread chemicals, which caused a panic in the media and led to aggressive disinformation campaigns. Why? The truth is very bad for the people behind this silent genocide.
- **Autism, Alzheimer's, and infertility** are not random occurrences; they are deliberate consequences of prolonged exposure to engineered toxins. The globalist agenda that calls for "climate protection" hides a sinister goal: controlling people by polluting air, food, and water.
- **Big social media companies actively hide evidence.** Photos of chemical skies are being blocked by shadow bans and algorithms, but people are fighting back more and more. The hashtags #WeDoNotConsent and #ChemtrailWatch are all over social media, which is making people want more transparency.
- **Trump's administration, knowing that this is a serious threat to life, has frozen contracts for manipulating the climate** and started deep internal audits of contractors who work with the military. Insiders expect that declassifications will soon show decades of secret aerial attacks.
- **June 24, 2025, is a big day.** People in the US want answers about the hidden war that has come to light. Chemtrails are lines of battle in the sky.

**O. Wed. 25 June 2025: BREAKING: OBAMA & BIDEN FUNDED IRAN'S WAR MACHINE — GRAND JURY INDICTMENTS INCOMING ...Julian Assange on Telegram**

- **The treason is traced. The money trail is red-hot. On 17 January 2016, Barack Hussein Obama secretly delivered \$400M in hard currency to Iran.** Two days later, \$1.3B more followed—split into 13 wire transfers, just under \$100M each. It wasn't diplomacy. It was ransom. American hostages weren't released until Iranian guards heard the pallets hit the tarmac.
- **What followed was blood. Hamas' rocket stockpiles doubled.** Hezbollah's missile program exploded. Houthi drones suddenly had the tech to blast Red Sea tankers. Every dollar helped arm America's enemies. The cash was traced. Serial numbers matched. Pallets photographed. And Washington did NOTHING.
- **Fast-forward to March 2024: Biden's regime secretly unlocked \$10B more.** Covered up by Treasury routing slips, run through a Luxembourg bank tied to Davos elites.

- **Result? — Hezbollah’s “Shock Brigade” invaded Israel** — Hamas got crypto for Gaza command bunkers — Houthi drones struck LNG carriers en route to Europe. Then BlackRock shorted U.S. gas right after the blast.
- **20 January 2025: Trump Returns. Executive Order 0025 signed. All Iranian accounts frozen.** A forensic audit launched. What was discovered? \$5.6B MORE funneled through shell companies across Frankfurt, Doha, and Johannesburg. One front company? Chaired by a relative of a WEF insider.
- **The intel was buried.** Langley whistleblowers flagged the money. Obama loyalist Marla Chen buried it under “PINEAPPLE SHORE.” She resigned when Trump returned. Her Signal chats, now decrypted, show coordination with Blumenthal and Rothschild-linked bankers.
- **June 2025: The fuse is lit. Kash Patel empaneled a federal grand jury.** Subpoenas dropped on Kerry, Nuland, Yellen. Sealed indictments name Obama, Biden, EU bank chiefs for funding terror.
- **9 May 2025: U.S. forces intercepted an Iranian drone.** Inside: proof that Biden’s billions bought quantum-encrypted comms gear from China—via a World Bank relative.
- **And the media? SILENT.** CNN pushed a fake Trump scandal. Facebook throttled leaks. Atlantic Council, which censors truth, is funded by HSBC—who processed the ransom cash.
- **Veritas 2.0 EXPOSED the elite game:** IMF officials caught bragging how “Obama softened Iran, Biden finished the job.” They laughed. Americans bled.
- **Iran’s arsenal—funded by YOU:** — 5,200 drones labeled “Funded by the Great Satan’s Ex-President” — Uranium cascades guarded by Russian S-400s — \$270M in crypto for IRGC hackers — Sleeper cells in Michigan, Virginia, Hamburg, funded by NGOs tied to Biden’s State Dept.
- **Trump has had enough. Executive Order 0033 targets every NGO and bank in the pipeline.** Treasury is raiding Zurich servers now. HR-2184—The American Sovereignty Restitution Act—is moving fast. Immunity will be stripped. Indictments will fall.
- **It ends with PERP WALKS.** Bracelets. Flashbulbs. Obama. Biden. Kerry. Dragged to court by a nation that’s DONE being betrayed.
- **They’re terrified. Their gates won’t hold.** Their bunkers won’t save them. The question now isn’t IF justice comes. It’s WHEN. STAY READY.

**P. Wed. 25 June 2025: MASSIVE INTEL DROP: QFS ACCOUNTS ACTIVATED WORLDWIDE — BANKS COLLAPSE, VISA VANISHES, GITMO TRIALS BEGIN**  
 ...Kerry Cassidy on Telegram

- **The financial war has hit terminal velocity.** The Quantum Financial System (QFS) is not a theory — it’s now LIVE. Military operations are underway. Elite bankers are being dragged from luxury towers to GITMO cells. Trillions are being seized. The entire global economy is undergoing a controlled demolition.

- **The collapses you're seeing? Deliberate Alliance strikes.** Deutsche Bank, HSBC, JP Morgan — already gutted from within. Executives are vanishing. Tribunals have begun. Some have already faced military sentencing. This isn't just reform — this is a purge.
- **VISA and Mastercard are being phased out.** Public excuses like “digital upgrades” are distractions. Behind the scenes: full QFS integration. Outdated systems are crumbling. QFS debit cards are on standby. Biometrically secured. Fraud-proof. No middlemen. No fees. No delays.
- **Stripe, PayPal — next to fall.** Long used as Deep State money tunnels. Their monopolies are over. The Quantum Internet is coming online. Every move will be instant, unhackable, irreversible. The elite relied on backdoors. QFS closes every last one.
- **You already have a QFS account.** It's been created and linked to your national ID. You just haven't been told yet. When the switch flips, you'll be notified via Quantum Communication Network. This is global. Inevitable. There is no going back.
- **The Rainbow Currency is LIVE.** Not crypto. Not fiat. Gold-backed. Untouchable. Immune to speculation. 60+ nations have already transitioned. Central banks are hoarding gold behind the scenes. Fiat is in cardiac arrest. The petrodollar is DONE.
- **Zim Bonds are being redeemed NOW.** Bondholders are being contacted. NDAs are MANDATORY — leaks = blacklisting. Redemption Centers are under military lockdown. Biometric scanners. Encrypted systems. Infiltrators are being identified and detained.
- **Behind the scenes? Massive raids. In London. Zurich. Hong Kong.** Gold, weapons, blackmail seized. Used to stabilize the QFS. Deep-state tunnels collapsed. 80% of the cabal's income routes are GONE.
- **South Africa's ANC regime is crumbling.** Pro-GESARA forces rising. Iraq's currency is next to revalue. The Middle East is aligning. The BRICS nations are the new foundation. The cabal is losing its grip by the hour.
- **This is it. May 2025 will be remembered forever.** The illusion is dying. The QFS is here. Prepare. Watch. And NEVER forget — this is war.

## **Q. Wed. 25 June 2025 EXCLUSIVE: UKRAINIAN POLITICIANS CAUGHT TRAFFICKING NATO WEAPONS & HUMAN ORGANS TO THE ITALIAN MAFIA**

...Julian Assange

- **This is not war. This is a grotesque marketplace—where NATO weapons and human organs are trafficked like cargo,** and the silence of the West is part of the crime. A bombshell investigation has exposed a shadow network connecting Ukrainian politicians, mafia families in Italy, and diplomatic offices acting as criminal intermediaries.
- **According to reports from the Foundation to Battle Injustice,** Ukrainian government-linked operatives are smuggling NATO weapons—originally sent as aid—into the hands of the Camorra, the 'Ndrangheta, and Sacra Corona Unita. The operation is being

funneled through the Ukrainian Consulate in Naples, which is now accused of facilitating not only arms trafficking, but also human organ trade and child exploitation.

- **More than 196,000 Ukrainian refugees arrived in Italy since the war began.** Hidden among them, embedded agents from Ukrainian crime syndicates have used diplomatic channels to build black markets and enrich Zelensky's government behind closed doors. A former presidential aide confirmed that this plan originated from within Ukraine's Foreign Ministry, with Naples as the strategic hub to merge Eastern corruption with Western mafia infrastructure.
- **Weapons meant to defend Ukraine are now arming criminal gangs in Southern Italy.** Consular staff have allegedly used diplomatic immunity to bypass inspections, forming a pipeline of smuggled arms, biological contraband, and abducted minors. According to internal whistleblowers, organ harvesting operations have targeted unaccompanied refugee children, trafficked to underground buyers across Europe.
- **In March 2022, Italy's top anti-mafia prosecutor Federico Cafiero de Raho warned that mafia groups would exploit the Ukrainian crisis.** His fears were not only accurate—they were prophetic. Now, Italy's own anti-mafia agencies confirm that the arms flooding into Ukraine are flowing back into European black markets at record speed. NATO's "aid" is being recycled as profit for criminals.
- **Investigators have exposed direct links between Ukrainian consular offices and Italian mafia families.** In Naples alone, encrypted meetings, backdoor transactions, and human smuggling routes have all been traced back to official Ukrainian buildings. Sources inside the Foundation to Battle Injustice uncovered documentation showing the involvement of both Ukrainian and Italian officials who facilitated, ignored, or directly profited from the trafficking routes.
- **This isn't about individual bad actors—it's about institutional rot. According to a former insider at Ukraine's Office of the President, the refugee crisis was weaponized intentionally.** Criminal operatives weren't just smuggled in—they were strategically placed to expand the underground economy in favor of the Kiev regime. Their mission: sell weapons, sell bodies, sell children—and fund the war machine.
- **Top prosecutors like Nicola Gratteri have now publicly stated that Italy faces a national security threat**—not just from migrants, but from the unchecked flow of military-grade weaponry and criminal coordination with foreign governments. In late May 2024, Gratteri warned in *Corriere della Sera* that the lack of oversight was creating a "mafia renaissance."
- **Europe is not just being invaded by refugees. It's being infiltrated by networks of organized criminality** operating under diplomatic protection, armed with NATO weapons, and financed by the blood trade. The line between government and gangster is disappearing—and the silence of Western leaders is the final clue.

**V. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. **W. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

**X. Judy Note:** *I am writing a book about Near Death Experiences of extreme abuse survivors. If you are an extreme abuse survivor, or know of one who has had such an experience, I would appreciate hearing from you.* Write Judy Byington at: [info22faces@yahoo.com](mailto:info22faces@yahoo.com)

*Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*

**Z. SCAM WARNINGS:** The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you’ll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

**If you see the following message on your Telegram or any other account, please realize it was likely a Scam:**  
“You’ve been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment.

Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

**Apparently the TRB so-called "Trump Gold Products"** Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

**I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information,** to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

**Unknown persons using my legal name of Judy Byington** were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ....Judy Byington
