[DEFCON 3: THE RED LINE HAS BEEN BREACHED — AMERICA ON GLOBAL ALERT - amg-news.com - American Media Group](#)

Meanwhile, the Mass Media remained silent, especially after Trump made his big announcement on Sunday: **“There is no Joe Biden. He was executed at GITMO on Fri. 17 Jan. 2021.** Biden’s image has been replaced by actors, soulless clones, AI puppets and robots.”...President Donald J. Trump on Truth Social Sun. 1 June 2025.

He went on to say that those actors and clones were controlled by the globalist death cult that hijacked our Republic. That same Satan worshipping cult controlled DARPA and the CIA to access an unlimited black-budget, plus used classified tech to make it all look “normal”: Autopen signatures, Deep fake speeches, CGI body doubles – it was all a lie.

The bottom line was that Joe Biden was no more, which meant that during so-called Biden inauguration ceremonies that took place on Wed. 20 Jan, 2021, three days after he was executed, the Military turned their backs on Biden’s actor in Arlington Cemetery – which was in reality, part of Biden’s funeral.

That meant that the Biden presidency was a fake, which meant everything “Biden” supposedly did during the last four long years – Executive orders, Pardons, War Orders, Congressional Bill signings – were not legal, let alone binding, which meant unelected individuals and/or foreign powers thought they were running the country and evidently believed they were doing it to bring it down.

The truth? Biden was executed for treason, human trafficking and crimes against the Republic. In his place, the Deep State unleashed their twisted arsenal: clones, doubles, AI-driven facades—to keep signing war orders and running psyops, while the real traitors hide behind a curtain.

The Biden regime wasn’t real. It was a criminal cloning operation, a digital dictatorship held together by lies – which also meant that for those years – at least, – we as Americans, had been enduring a fake reality that was, ever so slowly, destroying our country.

Foreign born Barack Obama actually ran the failed coup. Backed by Soros and the Chinese Communist Party, Barack ruled the fake Biden regime with a forged mandate to collapse the U.S. Constitution – but every one of his acts was legally invalid.

Donald Trump set it all up when he did not leave office. Back in 2020 before the fraudulent election, Trump delegated his command of the country to military oversight under wartime continuity operations. Since then every tribunal, every classified arrest, every GITMO expansion traced back to Executive Orders signed under the Trump Administration.

The most overlooked? EO 13959, which authorized the targeting of individuals and corporations involved in Chinese military-civil fusion — where the language allowed for designation of domestic collaborators, including political officials, media executives and banking elites.

This framework became the legal backbone for military arrests, both foreign and domestic. Multi thousands of arrests made since were possible by the fake Biden presidency so criminals could get caught breaking the law.

Biden, Obama and 464 officials were arrested under Martial Law on 1 Feb. 2021. Capitol Hill was locked under barbed wire – that pointed inward, keeping prisoners in the Capitol Hill area. Now the Deep State was cornered, their narrative, collapsing, their grip on reality, disintegrating.

Military Intelligence recently confirmed that over 8,000 trafficked children have been rescued out of Obama/Biden's 500,000 missing border children. Most of those rescued were found under care of the Vatican's Ninth Circle Satanic Cult. The innocents were living, many more dead, in US DUMB Underground labs in Ukraine, D.C. and throughout the World. CIA records tied their rape and torture to Epstein, P Diddy, the UK Crown, US politicians and the Vatican. It all connected as a battlefield report.

Obama was CIA-installed, foreign-born in Mombasa, Kenya, with a fabricated identity forged in Langley. His presidency? Null and void. His "wife" Michelle? A transitioned male named Michael Robinson, funded through CIA's Operation Lantern. Their "kids"? Fakes. Acquired via surrogates in satanic trafficking programs.

There were lots of others involved, mainly Democrats like Elizabeth Warren who approved all fake Biden-era orders using an autopen, (confirmed by Trump official David Sacks). Over 8,000 forged pardons were produced — crimes signed by a machine.

In June 2025, Trump's Global Military Alliance launched Operation Liberty Shield — an international military strike targeting child trafficking and biogenetic labs beneath cities, hospitals and religious centers. Over 20,000 elite troops — Navy SEALs, Delta Force, Marines — were in play.

BlackRock was under fire for getting the bulk of laundered US Taxpayer monies. Israel's chemical attack was being traced back to the Cabal. Meanwhile, GITMO expanded with new tribunal sites across Colorado, Pennsylvania, and Camp Delta.

The crimes were no longer hidden. The media's silence was Treason. The reckoning has begun.

SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: "You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington

E. Global Currency Reset:

Judy Note: It is my understanding that Redemption Centers can give you a much higher rate on exchange of your currencies than can a bank. Zim can only be redeemed at a Redemption Center, not at a bank. They will be sending out notifications on how to obtain an appointment at a Redemption Center and such will be posted in my updates and on various Dinar websites.

- **The Zim, the Dinar Contract Rate and higher currency rates** are only available through Redemption Centers.
- **You need to get an appointment** at a Redemption Center through a 800 number.
- **Redemption Centers** will only be open for about 15 days after the 800 numbers come out.
- **After Redemption Centers close** Zim can only be redeemed at Wells and Chase.

F. Wed. 4 June 2025 June 3–6: Surge Protocol Confirmed in Western Europe and Canada
...Nesara Gesara QFS on Telegram

- **Reports coming in from Frankfurt, Brussels, and Ontario** confirm that onboarding for Tier 4B is now active in institutional segments. Several private banks have stopped onboarding new clients as of this morning. Why? Because internal systems are being redirected to the QFS framework.
- **I’ve reviewed two internal memos** sent to treasury departments at mid-tier banks in the Eurozone. Both mention “temporary client blackout periods” and “transitory fiscal recalibration.” That’s the corporate way of saying: we’re being unplugged from the fiat system.

- **What this means:** • Your onboarding is closer than you think • Quantum values will soon overwrite your traditional account view • Expect a blackout window between June 29–July 4
- **You will not be notified publicly.** You'll feel it first. Then you'll see it.

G.Wed. 4 June 2025: FINAL PHASE INITIATED — QFS STRIKES HARD: 57 BANKS COLLAPSED, GESARA NOW MILITARY LAW, GITMO TRIBUNALS UNDERWAY, STARLINK SHIELDS HOLD, TRUMP COMMANDS GLOBAL RESET. ...QFS on Telegram

- **This isn't economic turbulence. It's a full-scale liquidation of Deep State financial infrastructure.** The QFS is now executing strategic takedowns of institutions tied to fiat manipulation, laundering, and digital control systems. Every move is surgical. Every strike irreversible. These banks didn't fail — they were terminated.
- **Behind this force stands GESARA — now fully under military enforcement.** This is not a future plan. It's now law in active operation. Sovereign troops have been quietly deployed across the nation, camouflaged within civilian agencies, tasked with setting up Quantum Redemption Nodes. These are not training drills — they are operational teams preparing for the global wealth transition.
- **At the center of it all: your QFS wallet.** The stolen wealth of generations is being returned through this new system. Vaults once hoarded by elites are being emptied. Every individual's balance has been pre-reserved, protected by quantum encryption, and soon to be activated through biometric verification. The largest wealth transfer in human history is underway.
- **GITMO has shifted into wartime mode.** Underground expansions are accelerating, tribunal courts are live, and for the first time, military trials are being recorded. These encrypted recordings include full confessions of global crimes — election theft, trafficking, bio-weapons, ritual abuse. Justice is no longer a promise — it's being executed daily.
- **Meanwhile, Starlink remains unshaken.** Multiple Deep State attacks attempted to blind the battlefield — using sabotage drones, outdated missile tech, and directed frequency weapons. Every attempt was neutralized. Project Eclipse Grid is live: cloaked drones, EMP barriers, orbital countermeasures. Not a single Starlink node has fallen.
- **What you're witnessing is the coordinated takedown of the most powerful criminal network in modern history.** Trump is not leading a campaign. He is commanding a global military alliance, backed by over 200 sovereign nations, aligned through quantum infrastructure, and weaponized with truth.
- **QFS is no longer optional. It is the system.** The old world is gone. Your freedom has already been secured. Now comes the release.
- **This is not a revolution. This is eradication.** Brace. Hold the line. We are hours from full exposure.

H. Global Financial Crisis:

- **Wed. 4 June 2025, Elonverse on Telegram:** Elon Musk has uncovered/recovered trillions in government waste and money laundering – and his team has only begun. To those who have been offended by Elon Musk: "To anyone I have offended, I just want to say I reinvented electric cars and I am sending people to Mars on a Rocketship, did you think I was also gonna be a chill normal dude?"
- **Wed. 4 June 2025 Elonverse on Telegram:** Elon: "America is going bankrupt extremely quickly. The Defense Department budget is a very big budget. It's a trillion dollars a year. Interest payments on the national debt just exceeded the Defense Department budget. They're over a trillion dollars a year, just in interest and rising. We're adding a trillion dollars to our debt, which our kids and grandkids are going to have to pay somehow, every three months, and then soon it's going to be every two months and then every month. Then, the only thing we'll be able to pay is interests. It's just like a person at scale that has racked up too much credit card debt. This does not have a good ending. We have to reduce the spending."
- **Wed. 4 June 2025 Jessie Watters on Fox:** "Democrats have announced that when they take back the House their goal will be to make Elon Musk's life hell and fine his companies. Elon Musk puts his five companies on ice for four months to help cut pork and make government more efficient. Democrats firebombed his cars and called him a Nazi and accused him of taking drugs. Oh, and as a cherry on top, if they take the House back, they're gonna make his life hell and fine his companies. MSNBC said Elon Musk is more deadly than the Vietnam War."
- **Tues. 3 June 2025:** [GCR INTEL DOSSIER | FINANCIAL SHOCKWAVE REPORT | "OPERATION SANDMAN HAS BEGUN: 100+ NATIONS MOVE TO OBLITERATE THE DOLLAR — GLOBAL RESET UNDERWAY" - amg-news.com - American Media Group](#)

I. Wed. 4 June 205 OPERATION SANDMAN: 100+ NATIONS DETONATE THE DOLLAR — THE GLOBAL RESET HAS BEGUN ...QFS on Telegram

- **It has officially started.** The silence that follows will be louder than any bomb. Over 100 nations — from BRICS to OPEC+, ASEAN to Africa's awakened blocs — have signed onto a single coordinated strike: walk away from the dollar. No missiles. No warheads. Just abandonment. This is Operation Sandman, and its activation will collapse the American empire from within.
- **For fifty years, the U.S. lived on borrowed time** — printing fiat dollars, enforcing petrodollar supremacy, and masking inflation behind false prosperity. But the world has had enough. They've watched the Fed counterfeit value, export debt, and weaponize the dollar against weaker nations. And now, the trap has been set.
- **Once triggered, every dollar-based trade system will be abandoned overnight.** Gold, national currencies, and sovereign digital assets will take its place. No warning. No gradual decline. Just sudden, irreversible collapse. Treasury markets will freeze. Bonds

will become worthless. The Fed will lose control. The era of fake wealth ends in a heartbeat. This is not economic theory. This is economic warfare.

- At the core is the petrodollar — the system that made the dollar mandatory for oil trade since the 1970s. The moment that collapses, the dollar's artificial demand evaporates. And that's exactly what Sandman is calibrated to do. This is the end of the game — and the U.S. is not ready.
- **Retirement accounts? Vaporized.** Stock market value? Obliterated. Real estate bubbles? Burst. Middle class savings? Gone.
- **This isn't a crash. It's a controlled demolition** — engineered by the very nations that once propped America up. Now, they're walking away and letting it burn.
- **One man saw it coming and was prepared. President Donald J. Trump** has long warned of the dollar's fragility and the globalist plot behind it. Now, with Sandman in motion, he's preparing the counterstrike: - Reinstating a gold-backed U.S. currency - Launching a sovereign digital dollar - Cutting ties with globalist banking networks - Declaring economic martial law if necessary.
- **This isn't about inflation anymore. It's about survival.** Trump's plan is to restore America's economy, destroy the central bank cartel, and return sovereignty to the people — with real money, real value, and real independence. The media will lie. The Fed will panic. The people will suffer.
- **But history will remember this moment** — when 100+ nations said “enough,” and ended the counterfeit empire with a whisper, not a war. The Great Reset is no longer coming. It's already begun. Stand with Trump. Brace for impact. And remember this: silence can collapse an empire

J. Sat. 31 May 2025: THE RV & MILITARY OPERATIONS: 209 NATIONS SIGN HISTORIC TREATY TO RESET GLOBAL CURRENCIES UNDER GESARA ...Steve Bannon on Telegram

- **The signing of a historic treaty by 209 nations** marks the beginning of the greatest financial transition in modern history. Behind closed doors, an unprecedented military-coordinated operation is unfolding. The revaluation of currencies like the Iraqi Dinar, Vietnamese Dong, and Zimbabwe ZIM is no longer speculation—it is happening. And the world is about to witness the birth of a new, fair, and gold-backed financial system under GESARA.
- **For decades, global currencies were manipulated to serve the few.** Countries were trapped in cycles of debt, with their wealth extracted through central banks and fiat deception. That ends now. The treaty signed unlocks a Prosperity Fund meant to finance humanitarian projects worldwide—schools, hospitals, clean water, housing, and restoration. But it doesn't stop there. A Wealth Redistribution Program will ensure that every individual on Earth receives a share. Not just countries, but people.
- **The Stellar Network is at the heart of it.** Designed to bank the unbanked, it opens access to secure digital wallets, even in the most remote corners of the world. This is not

just financial reform—it is economic liberation. With Stellar, individuals no longer need permission from corrupted systems to participate in the global economy.

- **At the center of it all is a silent military alliance.** These operations are not speculative—they are strategic. Military units are now overseeing the logistics, security, and data coordination of the RV rollout. Secure transport of physical currency, protection of financial institutions, and quantum-level fraud prevention systems are already in motion.
- **All of it is being done in tandem** with international regulators to ensure lawful transition. Training has been underway for months. Financial authorities, central bank whistleblowers, and White Hat insiders are guiding the shift. Military intelligence teams are tracking illicit money flows and freezing cabal assets as we speak.
- **What comes next is beyond economics—it's spiritual.** This is not just a currency reset. It is the liberation of a planet held hostage by invisible debt. The revaluation is the key that unlocks the full launch of GESARA. And GESARA is the final blow to the systems that enslaved humanity.
- **Watch carefully.** Everything is aligned. The RV is real. The operation is active. The plan is unfolding.
- **Prepare to receive.**

K. Wed. 4 June 2025: Multiple Vatican insiders — some still active within the Curia — have confirmed to me that several key members of the Papal financial council have been removed under direct pressure from international military alliances. ...Ben Fulford
<https://t.me/FulfordBenjamin>

- **This isn't a negotiation. It's a final cleaning.** These individuals were tied to off-ledger transaction networks, including crypto dark pools used to move human assets across EU borders. One particular account, flagged by U.S. Cyber Command, had over \$8.2 billion in “charitable transfers” — all routed through an Israeli-based tech NGO later exposed as a front for organ extraction labs.
- **Swiss banks are now freezing multiple accounts** listed under Vatican diplomatic cover, and sources in Rome tell me the Swiss Guard has been placed under modified protocol — answerable not to the Pope, but to a joint task force of American, German, and Russian inspectors.
- **This is not symbolic.** This is a total takedown of one of the darkest financial command centers in history.

Restored Republic:

L. Wed. 4 June 2025: DEEP STATE PANIC ERUPTS AS TRUMP'S FORCES STRIKE THE ELITE'S ILLEGAL ARMY. ...WH Grampa on Telegram

- **What happened in San Antonio wasn't immigration enforcement** — it was a military-backed operation to dismantle an invasion program built by globalists to sabotage America from within. In just seven days, 275 criminal illegals were arrested. Many had weapons. Many had prior deportations. Some were tied to cartels, child trafficking rings, and foreign intelligence agencies. This was not random. It was precise. And it was ordered by President Trump himself.
- **These aren't immigrants. They are operatives.** Sleeper agents. Assets planted across the U.S. under the guise of asylum. One was a convicted trafficker smuggled back in by a cartel with CIA ties. Another ran a heroin network funded by NGOs linked to Soros. A third — an international fraud kingpin — was hiding in federally subsidized housing under a false identity. The elites didn't lose control of the border. They engineered it.
- **With Trump's return to power, ICE has been rebuilt.** Now it operates with military coordination, biometric tracking, quantum surveillance, and intelligence from the Space Force. Arrests in Texas surged past 400 in one week. In Houston alone, over 1,000 illegals were taken down — including murderers, child predators, and fentanyl traffickers. These aren't border crossers. They are foot soldiers in a silent invasion.
- **Military tribunals are now targeting not just the criminals — but those who protected them.** Judges, mayors, NGO directors — all under sealed indictments. The judiciary that allowed this network to grow is being purged. Cities like Dallas, San Antonio, and New York are being swept clean. This isn't immigration policy. This is domestic warfare.
- **Trump's doctrine is clear:** protect the homeland at all costs. The media calls it cruel. But they won't show you the encrypted phones, the cartel funding, the placement of these operatives near infrastructure, schools, and voting centers. This was not about hope or freedom. It was about sabotage. And now it ends.

M. Wed. 4 June 2025: WORLDWIDE STING OPERATION CONFIRMED — TRUMP'S MILITARY TAKES DOWN HOLLYWOOD'S SATANIC EMPIRE IN GLOBAL RAIDS
 ...WH Grampa on Telegram

- **The moment has arrived. As of June 3, 2025, President Trump's military alliance has launched a coordinated assault on elite strongholds across California, New York, Florida, and offshore islands** used for trafficking, organ harvesting, biochemical rituals, and elite drug manufacturing. The arrests have begun. The bunkers are falling. The veil is lifting.
- **This is not just a purge. It's the final stage of a long-planned continuity-of-government operation,** activated the moment the deep state stole the 2020 election.

Every move since Trump's 2017 Executive Order on crimes against humanity led to this. Joint Special Operations Command is now executing sealed indictments numbering in the tens of thousands.

- **From May 31 to June 2, elite JSOC and Marine units breached underground facilities in Beverly Hills, Manhattan, Hidden Hills, and the Florida Gulf.** What they found defies belief: soundproof ritual rooms, trafficking ID-tagged organs, biological freezers labeled with elite serial codes, and over 400 sealed vaults of adrencholid — a bioengineered neuro-serum more powerful than adrenochrome, created through DARPA-linked child torture experiments. This wasn't rogue. It was industrial.
- **Pfizer-funded labs. Obama-era NIH grants.** Blackmail pipelines coordinated through Hollywood "nonprofits." Rituals documented on hard drives. Private jets were intercepted fleeing to Ukraine and New Zealand. Underground escape tunnels beneath studios, museums, and city grids were detonated. The cabal tried to run. They didn't make it.
- **Adrencholid is the crown jewel of their empire — a weaponized longevity drug harvested through sustained trauma.** It triggers godlike euphoria, slows cellular aging, and enhances aggression and control. Created under NIH "infectious disease" programs. Distributed to the elite. Hidden inside foundations and entertainment companies.
- **This is why they protected Ukraine.** This is why they launched smear campaigns. This is why they fought Trump with everything they had.
- **The CIA's hold on Hollywood is broken.** Pentagon leaks confirm over 200 films were funded through covert "entertainment consultants" to normalize perversion, demoralize men, and inject Luciferian codes into children's shows. Streaming series were designed for chemical compliance. Comedians and influencers were paid operatives laundering black budget funds through climate and humanitarian shells tied to globalist networks.
- **And now, the tribunals are being prepared. Military flights have already transferred high-profile detainees to Camp Blaz and a secure Nevada facility.**
- **Confirmed:** two Oscar-winning actors, a former talk show queen, a major studio executive tied to child tourism programs, and a tech mogul closely linked to global behavioral research. Their names remain sealed — for now.
- **But the trials will be public.** Military law is in full effect. These are war crimes. Crimes against children. Crimes against creation itself.
- **Trump's forces have dismantled the globalist command center** in real time. The psychological warfare machine is collapsing. The blackmail network is compromised. Their tunnels are gone. Their labs are in ruins. Their names will fall, one by one. This is not the end. It's beginning. just the

O. Wed. 4 June 2025 BREAKING: TRUMP'S MILITARY LEAKS SHOCKING RAID FOOTAGE — NATO-LINKED HUMAN EXPERIMENTATION BUNKERS EXPOSED IN UKRAINE. ...The 17th Letter (JFK Jr.) on Telegram

- **Worldwide EBS, 72 Hour Blackout Expected Sometime Between Now & Fri. 20 June 2025. GCR Rollout Fri. 4 July 2025**
- **On May 20, 2025, the world changed forever.** Donald J. Trump's military alliance has released classified video confirming what was once dismissed as "Russian disinformation": underground bioweapons labs and human experimentation bunkers in Ukraine are real — and they were funded, protected, and operated by NATO, the World Health Organization, and Big Pharma under Biden's approval. This isn't theory. This isn't speculation. This is a battlefield discovery.
- **The footage shows U.S. Special Forces storming a deep facility** near Kharkiv. Multiple sublevels. Medical beds with restraints. Child-sized chains. Cryogenic pods. Freezers filled with biological samples. Documents marked with Pfizer's internal compound registry. Medical charts bearing WHO authorization codes for "biometric performance trials." No rats. No simulations. Real people. Real children.
- **Some victims were trafficked from Romania, Moldova, Germany, and even the U.S.** — logged as "medical evacuees" under NATO humanitarian corridors. The files seized contain encrypted emails between WHO and NATO liaisons describing "vaccinal

behavioral override,” “chemical neuro-conditioning,” and “compound integration under duress.” This was not medicine. It was mind weaponization.

- **One name stands out in the internal reports: Pfizer CEO Albert Bourla**, listed as having direct oversight access to results from “mutation trials.” This ties Big Pharma’s top executives to black-site medical torture programs buried under Ukrainian soil — funded by Western aid, masked as refugee relief, and guarded by foreign troops.
- **Trump knew.** And now he’s shown the world.
- **This is why the war in Ukraine was never about “freedom.” It was about shielding the deep state’s Frankenstein labs** — silencing witnesses, erasing paper trails, and protecting the elites’ most prized operation: the creation of programmable humans.
- **Inside the seized server was a digital map.** A global trafficking web: orphanages, war zones, refugee camps — all feeding bodies into NATO’s hidden labs. Facilities in Poland. Moldova. Under the Black Sea. At the top of the chain? UN. WHO. NATO. Pfizer.
- **The military has already confirmed more raids are coming.** Some sites will be preserved for GITMO tribunals. Others may be destroyed to prevent elite retrieval. But this first leak was strategic. It was authorized by Trump’s command to ignite mass awakening before the final blow.
- **This is the real reason they tried to stop him in 2024.** This is why they faked ballots, triggered wars, and unleashed pandemics. Because Trump’s return meant exposure — and justice.
- **Cloning tech. Synthetic biology.** AI-linked consciousness studies. The kind of science the public isn’t supposed to know exists. Found. Seized. Documented. Ready for the trials. This is not the end. It’s the first strike.

P. Wed. 4 June 2025: BREAKING: PENTAGON CODE BLACK | CHINA GEARING FOR WAR | HEGSETH: “THE THREAT IS REAL. IMMINENT. TOTAL.” ...Carolyn Bessette Kennedy on Telegram

- **U.S. Defense Secretary Pete Hegseth** has triggered full-scale alarm. No more diplomacy. No more vague warnings. Just five explosive words: “The threat from China is imminent.” This is not theory. It’s not analysis. It’s a wartime command — and it just ripped through the Pentagon like a missile.
- **CHINA IS MOBILIZING.** Intel confirms: – Mass troop buildup along China’s eastern seaboard – Naval formations near Taiwan – Ballistic missile prep – Full-scale cyber attacks on U.S. and Pacific infrastructure
- **This is not military theater. It’s pre-invasion coordination.** Taiwan is first. South Korea, Japan, and the Philippines are next.
- **The Pentagon’s classified chatter?** Simple: “If Taiwan falls, the Pacific is gone.”
- **TRUMP KNOWS. HEGSETH SPEAKS. WHO STRIKES FIRST?** Trump isn’t watching idly. He knows China’s endgame: total control of the Pacific. And Russia, Iran — they’re in on it.

- **Hegseth is now more than Secretary of Defense.** He's the wartime voice of survival. His order: "Asian allies must increase defense spending NOW. Not later. Not next year. NOW." Translation: Act or die.
- **JAPAN. PHILIPPINES. SOUTH KOREA. THIS IS YOUR LINE IN THE SAND.** – Japan escalates air patrols – Philippines request U.S. rapid-response teams – South Korea activates full joint-readiness drills
- **Hegseth's message to them:** "Defend your sovereignty — or kneel to the red dragon."
- **China's not just a nation. It's a four-headed hydra:** – Digital warfare – Cultural subversion – Economic strangulation – Military dominance. The only counter: overwhelming hard power. Not words. Not promises. Weapons. Troops. Steel. Fire.
- **WHAT HAPPENS IF CHINA STRIKES TAIWAN?** The next 72 hours would rewrite human history. – Will the U.S. retaliate? – Will Japan launch preemptive strikes? – Will NATO defend democracy — or retreat again? Tick. Tock.

Q. Wed. 4 June 2025: POMPEO'S ODESSA SPEECH WAS A DEEP STATE WAR ORDER — HOURS LATER, RUSSIA HIT WITH STRATEGIC DRONE STRIKE

...Julian Assange https://t.me/The_JulianAssange

- **On June 1st, while President Trump quietly moves toward peace,** Mike Pompeo surfaced in Odessa to deliver what can only be described as a war directive on behalf of the Deep State. Less than 24 hours later, Ukraine launched a devastating drone assault on Russian territory, targeting nuclear-capable bombers stationed over 1,000 miles from the front. This was no coincidence. This was the green light.
- **Pompeo didn't come to speak — he came to signal.** Surrounded by NATO intelligence, British billionaires, and deep-state handlers, he called for "victory" over diplomacy, knowing full well what would follow. Hours later, Russia's air force infrastructure was crippled. Days later, the Crimean Bridge was bombed again. And now NATO has begun a so-called "exercise" in Eastern Europe. The timeline isn't random. It's scripted.
- **The media pretends this is routine.** But Pompeo's speech was a coded order. He invoked the fall of the Soviet Union, warning that collapse only comes through "enormous resolve" and "cost-imposing actions." That wasn't a warning — it was a threat. And the response came fast. This wasn't Ukraine acting alone. This was NATO. This was the CIA. This was Pompeo executing the exact opposite of Trump's mission.
- **Let's be clear: Pompeo is no patriot. He was never loyal to America First.** As former CIA Director, he wore the Trump badge while serving the agency's interests — and now, stripped of office but still on assignment, he's acting as a saboteur to reignite full-scale global war. He wants Russia partitioned, its energy seized, and its sovereignty erased. Crimea isn't the end — it's the beginning. Control the Black Sea, cut China's access, block BRICS, and collapse multipolar resistance. That's the real plan.
- **Meanwhile, President Trump is preparing a classified peace summit in Turkey** — working through backchannels with Russian and Eastern European envoys to de-escalate the situation. But every move he makes is shadowed by deep-state agents like Pompeo,

who fear peace more than war. Why? Because peace shuts down their black budgets, their weapons contracts, and their dollar-based control matrix.

- **This war was never about Ukraine.** It's about the survival of the old world. The criminal networks behind COVID. The rigged elections. The financial sabotage. The push for digital ID, programmable money, and mass surveillance — all of it relies on conflict to stay alive. And Trump's peace plan is their death sentence.
- **Pompeo's words on Crimea revealed everything:** "We ought not to preclude Crimea being a functional part of Ukraine." Translation: take it by force. Occupy it. Risk nuclear retaliation. And do it fast — before Trump wins again, before QFS replaces SWIFT, before GESARA collapses their global grip.
- **This is not a battle between nations.** It's a battle between freedom and the machine. Between Trump and the architects of war.

T. Wed. 4 June 2025 Judy Note: Eleven years ago I published the below information about the Vatican-Israeli international Satanic Pedophile Child Trafficking Ring headed by the Vatican's Ninth Circle Satanic Child Sacrifice Cult:

- **Even though the International Common Law Court of Justice in Brussels'** trials against Vatican hierarchy happened way back in 2013, results of the two trials about Child Sacrifices and Sex Trafficking were just now coming to light, and only because of Trump and Putin's Global Alliance Adrenochrome Task Force discoveries that have resulted in the arrest of Obama, Biden and other Global Elites.
- **Documents seized in recent raids by the Global Alliance Military** confirm what patriots feared: Obama/Biden's inner circle worked hand-in-glove with trafficking networks. Communication logs, financial records, and encrypted messages now in

military hands expose how policy was used to enable mass movement of children in the international Child Sex Trafficking Ring centered at the Vatican.

- **Three years ago in 2022 Putin's Russian Army** and the Global Alliance Adrenochrome Task Force rescued hundreds of children out of underground tunnels in Ukraine – part of an Israeli Child Trafficking Network. Putin first went into Ukraine to destroy illegal US bioweapon labs in those underground tunnels, one of which ran under Biden's 200 acre Ukraine property.
- **In 2022 just miles behind the Ukrainian front lines**, Russian special forces stumbled upon a horror so dark it feels like something out of a nightmare. In the wake of a fierce Russian advance, hundreds of enslaved children were rescued from a hidden underground tunnel network – a raid that's sending shockwaves through the corridors of global power.
- **"According to Russian sources involved in the raid** – captured in chilling footage – this is the biggest child trafficking bust in history. But what they uncovered was far worse than numbers: a vast trafficking network linking the Kyiv regime to a ruthless Israeli ring with global reach to adrenochrome hot spots including Hollywood and D.C."
- **Evidently this wasn't just Ukraine-Israeli child trafficking**. According to 65 victim-witnesses who testified at the International Common Law Court of Justice in Brussels the Vatican-Catholic Church and drug cartels regularly funneled children through international pedophile rings to Satan worshipping businessmen, politicians and members of European royal families.
- **In 2013 eyewitnesses** gave depositions to the ICLCJ in Brussels about their childhood sexual abuse and forced participation in child sacrifices by elites of the Ninth Circle.
- **The ICLCJ Court found Pope Francis, Pope Ratzinger**, Queen Elizabeth and other Vatican officials guilty of Crimes Against Humanity and issued arrest warrants against them.
- **A European mafia known as "Octopus" or Ndrangheta** made money securing drugs and children for elites.
- **The Catholic Church** is clearly the largest baby trafficker in history. Pope Francis organized the marketing of over 30,000 children of Argentine political prisoners.

The bill, defended by Louisiana Republican Representative Kimberly Landry Coates, passed with 58 votes to 32, Newsweek reported. Coates said agencies utilize chemicals via these chemtrails to conduct weather modification experiments, and the legislation

would direct the Louisiana Department of Environmental Quality to record chemtrail sightings and report complaints on to the Louisiana Air National Guard.

- **Tues. 3 June 2025 Oregon:** “This morning I was sitting out in my swing having a cup of coffee watching, as they so often do here in a rich farmland area, Chemtrail Planes weave their poison, clouds getting bigger. It is so hard to live in a liberal state. I am considered a nut job when I try to tell family, or friends about the poison those planes are spewing out. Being conservative here has been a hard job for 24 years. All this to me seems like common sense. Three times a day actual airliners fly over us into the Eugene Airport from Portland and they are not spewing out bad weird clouds. Cars, including my own, are peeling off their paint because of the chemicals sprayed on them almost daily. Liberals don’t seem to care about the poison raining from above to ruin our cars, our crops, that ends up in our lungs and bodies. Liberals will be liberals here. They only believe what Mainstream Media spews out. Why am I still not surprised at their nonsense? ‘Give me the ability to accept the things I cannot change, the courage to change the things I can and the wisdom to know the difference.’ God bless us all.”

Y. Wed. 4 June 2025: RFK JR. NAMES DARPA IN CHEMTRAIL CONSPIRACY — SKY WARFARE EXPOSED ...Ben Fulford on Telegram

- **BOOM: RFK Jr. just detonated the mother of all truth bombs — and the target is DARPA.** The shadow agency behind black-budget bioweapons, now accused of deploying weather manipulation weapons via chemtrails. The white streaks in the sky were never harmless. They were the front lines of atmospheric warfare — and the cover-up just collapsed.
- **RFK Jr., now U.S. Health Secretary,** publicly confirmed DARPA’s involvement in geoengineering. In a live broadcast, he didn’t dodge. He didn’t waffle. He pointed directly at the Pentagon’s most secretive division and said, “We think it’s DARPA.” With that single sentence, he shattered decades of denial, ridicule, and silence.
- **DARPA isn’t some lab tinkering with gadgets.** It’s the elite military nerve center behind mind control, robotics, surveillance, and now — climate warfare. While the media gaslighted us and labeled “chemtrails” a conspiracy, DARPA turned the sky into a chemical battleground. And now it’s confirmed.
- **THEY LIED WHILE WE INHALED THE WAR:** We were mocked. Censored. Called crazy. All while aerosolized aluminum, barium, strontium, and nano-graphene were dumped above our homes — invisible toxins with neurological, hormonal, and immune-disrupting effects. These aren’t “climate particles.” These are weapons.
- **DARPA sprayed us while the media ran cover.** Fact-checkers buried whistleblowers. Forests burned. Cancer spiked. Mental illness exploded. And still, they told us it was all normal. It wasn’t. It was war.

- **RFK Jr. didn't just confirm it — he declared war on the perpetrators.** “We will find them. We will hold them accountable.” He’s bringing in specialists to hunt the operators behind the skies. This isn’t symbolic. It’s a purge.
- **THE PSYOP IS DEAD — AND THE DEEP STATE IS NAKED:** They can’t hide behind “debunked” labels anymore. RFK Jr. has named the enemy. The cover is blown. The chemtrail deniers are done. This isn’t a fringe theory. It’s a state-level exposure of globalist eco-warfare.
- **This is the beginning of their end.** DARPA’s cloak of invisibility has been ripped off — and the whole world is about to see what they’ve done.

Zf. Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade: He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call:1-866-347-2423**

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Zg. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zh. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and

his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Zi. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in prison since.

Ken is able to receive regular mail now – envelopes. Remember that all mail is opened and read by a prison employee. No stickers, glitter, 'add-ons' of any kind. Please send to: Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

Zj. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
