Judy Note: The “Ken & Barbie vs. Goliath IRS” Case has made it to the Supreme Court!!! To get to this important point, Patriots Ken Cromar and his wife Barbara have at their own time and expense, been fighting for the liberty of US citizens for over ten years.

Ken Cromar presently sits in a federal prison, having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS.

Despite the ruling in Cromar’s favor, the IRS made sure that fact could not be heard by the jury in their successful court case, sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested over two years ago and has been sitting in prison since on a seven year sentence.

There is no law that states you have to pay income taxes to the IRS – a corporation that, along with the Federal Reserve, were privately owned by foreign Illuminati bankers who controlled the Global Financial System.

When you fill out and sign your IRS tax papers you state that you are voluntarily contributing your monies to what is essentially the Illuminati Cabal Globalists.

Ken Cromar’s Writ of Habeas Corpus filed on **Dec. 17 2024** by Raland Brunson (of the Brunson Brothers case also at the Supreme Court), was placed on the docket **May 21 2025** and will be a subject of a SCOTUS conference on **Thurs. 12 June 2025** to decide if it’s worthy of SCOTUS clarification.

For details, see #Za of this Update. You can also follow the case online at SCOTUS.gov: <https://www.supremecourt.gov/search.aspx?filename=/docket/docketfiles/html/public/24-7258.html>

Ken is able to receive regular mail. All mail is opened and read by a prison employee. No stickers, glitter, 'add-ons' of any kind. Please send to: Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Please send any donations to help with commissary, phone calls and other expenses to: The Cromars P.O. Box 942 Pleasant Grove, Utah 84062

Letters for Barbara Cromar: P.O. Box 942 Pleasant Grove, UT 84062

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

If the Petition link is not available go to: <https://www.miraclesingodwetrust.us/contact/>

We thank you for your interest in this case that represents the God-given rights of The People.

Your continued Faith-Filled Prayers are most welcome and we send you our love, Ken and Barbara

Thurs. 5 June 2025: OPERATION ZERO TAX — THE IRS IS BEING SILENTLY DISMANTLED FROM WITHIN ...QFS on Telegram

- **The IRS is not being “reformed.” It’s being dismantled. President Trump isn’t fixing the financial slavery machine — he’s pulling the plug.**
- **Just days before Tax Day**, the IRS’s Chief Information Officer suddenly resigns. Not a coincidence. This is a controlled demolition. And the signs are no longer subtle.
- **Add to that the quiet exit of the Acting IRS Commissioner** — tied to an unlawful data-sharing operation with the Department of Homeland Security — and what you’re seeing is not a shuffle. It’s a strategic collapse.
- **The media pretends it’s nothing.** Bureaucrats keep pushing papers. But inside the system, the panic is real. The very agency that audited patriots, hunted dissenters, and turned fear into currency is bleeding out. And nobody’s stopping it.
- **Rajiv Uppal didn’t just quit. He evacuated.** No one walks away from the IRS’s top tech position right before the biggest tax surge of the year unless they see the floor cracking beneath their feet. His resignation isn’t burnout. It’s survival. He saw what’s coming and refused to go down with the ship.
- **Trump’s team has been quietly offering exit deals to IRS insiders** — packages to leave before they’re purged. The goal? Clean house. Remove loyalists. Collapse the internal structure from within. This isn’t a budget cut. This is the beginning of the end for the Deep State’s favorite tool of control.
- **And the commissioner? Gone.** Not with honor. He was caught in a covert surveillance scheme — the IRS and DHS running unauthorized data pipelines on American citizens. No apology. No transparency. Just silence. Until Trump’s DOJ finishes what it started.
- **This entire system was never about “service.” It was about submission.** The IRS was designed to be the economic leash on the American people. A leash for the global elite to tighten at will. But that leash is being cut. Quietly. Relentlessly.
- **Under Trump’s restructuring, the enforcement division is losing half its staff.** Not transferred. Not replaced. Eliminated. The old machine that punished the working class while protecting the powerful is being dismantled — bolt by bolt.
- **And this is where it gets real.** Trump isn’t just tearing down the IRS. He’s clearing the path for a new financial system — one that doesn’t rely on fear, audits, or manipulation.

A system that can't be used as a weapon. Transparent. Just. Fair. This is not reform. It's liberation.

- **Let the media ignore it.** Let the establishment laugh. Because when the IRS goes silent — that's when the real storm begins. They thought they were safe. They thought the machine would last forever.
- **But history had other plans.** Trump isn't playing by their rules. He's rewriting them.

SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: "You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more — they will then promise to release the monies to you — which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments — and none of that has occurred yet. ...Judy Byington

B. Global Currency Reset:

Judy Note: It was my understanding that Redemption Centers could give you a higher rate on exchange of your currencies than could a bank. The much higher Dinar Contract rate was only available at a Redemption Center. Zim could only be redeemed at a Redemption Center, not at a bank. They will be sending out notifications on how to obtain an appointment at a Redemption Center and such will be posted in my updates and on various Dinar websites.

- **Tues. 3 June 2025 MarkZ:** "I have a number of Bond Contacts who are very excited that things will happen this week. They won't give specifics, but are very excited."
- **Sun. 1 June 2025 Wolverine:** "I can't tell you specifics, but my contacts are very excited that things were happening this week."

Thurs. 5 June 2025 Bruce:

- **There were additional banks** that have yet to integrate into the Quantum Financial System, Starlink System, Blockchain Technology and Syntax System. That should complete by Sun evening.
- **24 currencies** were going up in value. Korean Won and Taiwan Dollar have been added.

- **According to Iraqi sources** the Iraqi Dinar will be revalued over the weekend in a four day holiday ending **Mon. 9 June** – and expected to come out on **Tues. 10 June**.
- **Some sources said the IRS was gone**, the IMF was gone, the SWIFT System was gone.
- **The new Quantum Financial System** was in place and allows you to do an immediate transfer of funds.
- **By Sun. night 8 June** our Federal Reserve USD accounts will be transferred to a USTN account.
- **USTN will be out by Tues. 10 June.**
- **Tier4b notifications should come out on Tues. 10 June**, so we could start exchanging on **Tues. 10 June or Wed. 11 June**.
- **The Q phone** that hooks up with the Quantum System or a certificate for it should be available at the Redemption Center.

Possible Timing EBS Alert, Global Currency Reset:

D. Wed. 4 June 2025: The big day is almost here. Over the next 24–48 hours, we should see the final activation steps. Official notifications may arrive at any time, signaling the start of

- **Global Activation:** The reset will go live very soon. Central banks and financial leaders worldwide will jointly confirm the switch, effectively launching the new quantum-secured monetary system.
- **Wallet Rollout:** We will be guided on how to access the QFS wallet. I'll be among the first to log in and see my new digital assets. The process will likely involve encrypted app updates or official messages, but it will be straightforward thanks to all the prep work.
- **Financial Reset:** Expect to see new currency rates posted in your wallet. Old debts may be adjusted or cancelled. All these changes will be enforced by the blockchain for full transparency – every transaction and update will be viewable on the ledger.
- **Smooth Transition:** All prior demonstrations have been successful. In fact, a recent pilot showed a completely offline quantum-safe digital currency transfer working flawlessly . With our security protocols and support teams ready, we anticipate a seamless shift with minimal delays or glitches.
- **I am fully confident in the plan.** Everything is in place for a smooth transition to the QFS. Keep your notifications on – we're just hours away from a revolutionary change in global finance!

E. Thurs. 5 June 2025: GLOBAL ONBOARDING WAVE INCOMING — QFS CARDS MARK THE TURNING POINT ...Ben Fulford on Telegram

- **Thurs. 6 June 2025** — The silence is now louder than any broadcast. I've just received confirmation that the first QFS Card test batches are no longer “pending” — they are moving. Physically. Quietly. Under military escort in key zones.
- **What began as isolated Tier 3 tests has escalated into full regional onboarding.** First reports from Utah, Bavaria, and Perth describe the arrival of quantum packets linked to physical identity vaults. The common thread? Every recipient was pre-vetted months ago — without their knowledge.
- **Each QFS Card is more than a payment method.** It's a key. A sovereign signature. A declaration that the old banking matrix has collapsed — and you're no longer part of it.

- **Encrypted biometric access will unlock:** • Sovereign digital balances (gold-pegged) • MedBed healing access credentials • Generational trust synchronization • Instant onboarding to new Quantum ID layer
- **If your portal pings you** — do not ignore it. If your card arrives — guard it. This isn't just a financial reset. It's your unshackling from centuries of controlled economics.
- **Public distribution expands June 7–10.** After that, the silence deepens. And **by July 4** — we'll enter the irreversible threshold.

F. Thurs. 5 June 2025: BREAKING — WHITE HATS LAUNCH GLOBAL MILITARY STRIKE AGAINST THE DEEP STATE: MASS ARRESTS, GOLD SEIZURES, AND TOTAL SYSTEM COLLAPSE UNDERWAY ...The 17th Letter (JFK Jr.) on Telegram

- **The final phase has begun. President Donald J. Trump, acting as Commander-in-Chief of the real Constitutional Republic, has mobilized a worldwide military alliance.** Their mission: to dismantle the Deep State, capture stolen gold, and end the globalist reign once and for all.
- **Over 3,200 top-level arrests have already been confirmed across the globe in the last seven days.** BlackRock, Pfizer, the Vatican, IMF, CIA — the heads of the beast are falling. Vast reserves of gold, data servers, and classified intel have been seized. These are not police actions. These are military operations.
- **Every order is issued directly from Cheyenne Mountain,** now reactivated as the command hub of the Trump-led alliance. Inside sources refer to it as “Trump’s Vault.” The coordination bypasses every corrupt agency and rogue court. This is not political. This is war.
- **White Hat units have just taken control of critical banking strongholds in Switzerland, including Zurich, Basel, and the notorious BIS.** Secret Nazi-era gold vaults, ritual chambers, and deep underground trafficking tunnels have been uncovered. Swiss officials have lost control. The gold — over \$300 trillion — is now being redirected into the GESARA wealth redistribution protocols.
- **Meanwhile, Antarctica is under siege.** Military activity near Queen Maud Land has intensified. What was once framed as “scientific research” is being exposed as a sanctuary for off-world trade programs, Fourth Reich science, hybridization labs, and portal technology. Space Force and allied nations now have the region surrounded. This is their last refuge — and it's collapsing.
- **The silence from the media is the loudest confirmation.** Executives from major outlets have already been arrested or disappeared. The blackout is not incompetence. It's fear. And the evidence now in possession of the White Hat alliance is overwhelming: recordings, emails, coordinates, and video footage proving every conspiracy they mocked — real.

- **The Emergency Broadcast System is fully primed.** When the green light is given, global comms will be overridden. Every crime. Every lie. Every secret. Exposed.
- **The Deep State is out of time.** GESARA will unlock the stolen wealth of the world. QFS will erase the financial prison we've lived in for generations. Suppressed technologies will be released. Deep underground bunkers will become prisons for those who built them. Even the skies are no longer safe. Starlink has been weaponized. Every escape route is tracked. Every transaction monitored. Every movement recorded. There is no more running.
- **This is not a drill. This is history.** Trump's final operation is active. The Great Awakening is no longer a theory — it is military reality.
- **Stay alert. Stay grounded.** The world you knew is gone. And what comes next... is freedom.

G. Sun. 1 June 2025: Global Military Alliance ...Lara Trump on Telegram

- **Antarctica's frequency weapon grid — SEIZED.** The U.S. Navy stormed the ice-locked mind-control base maintained by Deep State loyalists. Trump's forces now control global scalar frequencies. The mind-control net has collapsed.
- **Red auroras spotted above key military bases are NOT natural.** These are scalar pulse signals, confirming planetary frequency transfers to Alliance control. The final stage is locked in.
- **Bioweapon threats have been intercepted.** Field hospitals in Denver, Dallas, and Jacksonville are now military-grade bio-containment zones. The Deep State's virus, engineered to wipe out Trump loyalists, has FAILED.
- **The QFS is now the firewall.** Under Trump's directive, military cyber forces launched CODE BLACK lockdowns across global banking hubs. Swiss, British, and Japanese banking networks are now under covert Alliance control.
- **CBDC networks have been compromised** — not by us, but by their creators. Trump's forces turned their systems against them. Their digital weapons backfired.
- **The Emergency Broadcast System is armed and awaiting green light.** Civilian lockdown drills in Phoenix, Atlanta, and Philly are EBS deployment prep. The window: June 1–7, 2025.
- **Once triggered, the Deep State's comms will go dark.** Military tribunals and elite confessions will flood every screen. You won't miss it.
- **This is controlled demolition of the Deep State.** Trump's war is precision. Every leak, every seizure, every arrest has been engineered to collapse their global structure without panic.
- **HOLD THE LINE. PREPARE. TRUST THE PLAN. GITMO ISN'T FULL YET — BUT IT WILL BE.**

H. Thurs. 5 June 2025: THE FINAL HUNT: GITMO EXPANDS — QFS UNDER ATTACK — THE BLOODLINES ARE FALLING ...Nesara Gesara on Telegram

- **The war is no longer coming. It's HERE.** GITMO has entered its most brutal phase as of June 2025 — a phase of global tribunal executions and unstoppable military precision. And it's no longer just in Cuba. It's a worldwide purge.
- **Trump's Alliance has activated** the GLOBAL EXECUTION GRID.
- **GITMO has been replicated in classified bases:** Diego Garcia. Pine Gap. Area 801 Antarctica. Thule Air Base. Montauk. All now linked by Project ODIN and armed with Biometric Kill-Switch Systems, Quantum Behavioral Chambers, and Autonomous Tribunal AI.
- **The targets?** Rothschilds. Vatican Jesuits. Khazarian bankers. Hollywood occultists. Deep State media infiltrators.
- **In just 72 hours:**

Geneva – Rothschild tunnels raided.

Vatican – Jesuit Council chamber seized. Cardinals arrested.

Hollywood – Ritual sites dismantled. A-list handlers vanished.

New York – UN NGO sites raided for trafficking.

Singapore – Khazarian assets frozen. Globalist tech CEO detained.

CONFIRMED:

Rothschild — captured

Pope Francis — body double glitched

Klaus Schwab — in Quantum Isolation

Bill Gates — DARPA-confirmed genocide links

Soros — dead, body secured

Trudeau, Macron, Zelensky — marked for Phase Two

- **GITMO HAS BECOME THE COLLECTOR.** Quantum tech now extracts full consciousness from the elite. Vault Omega is archiving bloodline crimes. Project REQUIEM initiates AI-issued executions. No trial delays. No appeals. No escape.
- **Meanwhile, the Cabal struck the QFS.** This was not a simple cyberattack. These were occult scalar weapon strikes using CERN, rogue satellites, and frequency weapons — aimed at dismantling humanity's liberation grid. They FAILED.

- **Trump's Space Force deployed orbital jammers.** Multiple Deep State satellites shot down over the Atlantic. The QFS is UNBREAKABLE.
- **PHASE OMEGA HAS BEGUN.** This is spiritual warfare. CERN and HAARP were never about science — they were about soul traps, planetary grid manipulation, and ritual death control.
- **Trump's Alliance is dismantling them all.** Permanently. **PROJECT EAGLE STRIKE = PLANETARY FREEDOM.** Brace for EBS, Tribunal footage, NESARA and death of the bloodlines. There is no bunker deep enough. There is no clone, no tech, no lie that will shield them.
- **GITMO is the hammer.** QFS is the ark. The ancient evil WILL fall. PREPARE. THE STORM IS NOW

M. Thurs. 5 June 2025: THE COVID RAID WAS JUST THE BEGINNING — TRUMP'S DOJ STRIKES BACK ...Matt Wallace on Telegram

- **As of June 4, 2025, a covert military sting under Trump's DOJ** exposed a \$25 million COVID fraud ring, shattering yet another layer of the Deep State's engineered collapse of America. This wasn't just a scam — it was financial warfare launched under cover of "relief," using fake companies, forged records, and foreign laundering tunnels. Fourteen arrests. Four fugitives still hiding in Armenia. And the media? Silent.

- **At the center: Vahe Margaryan.** Not a lone fraudster, but a handler. He built a web of shell companies, funneled funds overseas, and operated with full protection under Biden's corrupt bureaucracy. Felix Parker stole \$2 million through a phantom company and disappeared the funds through foreign shell accounts. Aysel Markaryan laundered \$5 million in SBA loans and sent encrypted transfers to Armenian intel contacts. Sarkis Sarkisyan created a non-existent firm and drained \$700,000. Each of them part of a coordinated heist — protected by the same machine that locked down the people and crushed small businesses under pandemic tyranny.
- **This wasn't white-collar crime — it was insurgency.** During the May 28 DOJ raid, military-aligned agents seized weapons, stacks of cash, and equipment used to count and route funds. The case dates back officially to 2018, but the true origins go deeper: back to the Obama-Biden era, when "crisis capitalism" became a tool for silent conquest.
- **Intelligence drops now confirm these fake companies** weren't just stealing cash — they were fronts to receive covert surveillance tech from China, funneled through "health supply" routes and rerouted to Soros-controlled data servers in Armenia. This wasn't accidental. It was scripted.
- **Why Armenia? Because it's a protected Deep State corridor** — a buffer zone for laundering, trafficking, and black-site logistics. No extraditions. No questions. Just quiet operations. Until now.
- **This one bust is only the beginning. Over 110 additional COVID relief fraud rings are now under investigation** — many tied to NGOs, foreign nationals, and globalist banking nodes. And this time, it's not just about arrests — it's about dismantling their entire financial infrastructure. Quietly. Ruthlessly.
- **Trump's restored DOJ isn't making public speeches.** It's making moves. The QFS infrastructure is now tracking the money trail. Sleeper cells are being exposed. Hidden networks are bleeding. Every dollar stolen is being traced, every node mapped, every asset marked.
- **They used COVID as a smokescreen.** They drained America in plain sight. But the tide has turned. This isn't retribution — it's reclamation. One ring down, hundreds more in the crosshairs. This is what real justice looks like. No deals. No shadows. No escape. Justice is operational.

N. Thurs. 5 June 2025: SNOWDEN REVEALS: TRUMP'S DOJ HITS \$25M COVID FRAUD RING — DEEP STATE AGENTS EXPOSED AND HUNTED! ...Edward Snowden on Telegram

- **Edward Snowden just dropped the hammer:** this COVID relief scandal wasn't just theft — it was a covert war operation against the American people. \$25 million stolen. Foreign agents protected. And Trump's newly activated DOJ just kicked in the door.
- **This was Deep State warfare disguised as "aid."** Fourteen arrests made. Four operatives fled to Armenia — the same black site zone Snowden warned us about. These

weren't con artists. They were assets. Operatives. Embedded under Biden's fake presidency.

- **Snowden's leak confirms it:** these COVID "relief" programs were elite-designed siphons. They funneled stolen American tax money into foreign accounts, encrypted drops, and NGO-controlled safe houses. It was never about "recovery." It was a coordinated takedown of the middle class.
- **The operation took down Vahe Margaryan**, who forged tax records and moved millions through shell companies. Snowden's sources say these funds weren't just laundered — they funded surveillance tech, sleeper agent housing, and asset protection logistics. Where? Armenia. Ground zero for Deep State laundering.
- **Felix Parker stole \$2 million** with a company that never existed. But that money didn't disappear — it was rerouted through black ops financial grids tied to elite-run digital pipelines now collapsing under Trump's Quantum Financial System.
- **Axsel Markaryan moved \$5 million** in fake SBA loans. \$100,000 traced directly to an Armenian black site. Snowden confirms: this site's encrypted grid linked to AI surveillance tools shipped in under the COVID panic. "Medical shipments" were Trojan horses.
- **Sarkis Sarkisyan pulled \$700,000** using a ghost company. But that fraud wasn't random — it was permitted under Biden's rule. Snowden: "They left the vault open on purpose."
- **During the May 28 raid**, agents seized illegal firearms, raw cash, and counting gear. This was armed fraud. Deep State ops disguised in white-collar masks.
- **And here's the nuclear intel:** Snowden's internal leak shows over 110 more rings are now under active investigation. Many are tied to Soros-linked NGOs, foreign nationals, and digital surveillance contractors embedded in fake pandemic aid routes.
- **Why Armenia?** Because Snowden calls it what it is: a Deep State no-go zone. Shielded. Untouchable. Until now.
- **Trump's DOJ** is not just arresting criminals. It's surgically dismantling the pipelines of elite theft and treason.
- **This isn't a one-off.** This is Phase One. The Deep State's financial coup failed. Snowden's been trying to warn the world for years — and now, the receipts are landing on Trump's desk.
- **Tick-tock.** The QFS is live. The traitors are cornered. And Snowden's voice just became the storm.

O. Thurs. 5 June 2025 EXPOSED: U.S. FUNDED FOREIGN CENSORSHIP TO DESTROY TRUMP AND SILENCE YOU ...Ben Fulford on Telegram

- **This is the REAL insurrection.** While you were distracted, your government funneled MILLIONS of your tax dollars to a UK-based censorship machine—the Global Disinformation Index (GDI)—to annihilate Trump's online presence, erase conservative voices, and rig the public square.

- **The GDI, backed by the National Endowment for Democracy (NED)**, a CIA front, coordinated with U.S. ad tech giants to target Newsmax, The Daily Wire, New York Post, and others. Their excuse? “Disinformation.” Their real mission? Crush the America First movement and digitally assassinate Trump.
- **From 2021 to 2023, over \$1.25 million was funneled** into this operation under the lie of “foreign disinfo research.” In truth, they were creating a “Dynamic Exclusion List” to blacklist conservative outlets from ad revenue—costing them \$100 MILLION in just 15 months.
- **This wasn’t bias—it was sabotage.** A psychological and financial war. Authorized by D.C. bureaucrats. Executed by globalist agents. Funded by YOU.
- **GDI even partnered with the Southern Poverty Law Center**, branding Christian parents and veterans as “hate groups.” If you supported Trump, you were the enemy. They called you extremists. Terrorists. They buried the Hunter laptop. They stole the narrative and gaslit the nation.
- **This machine was never about “fact-checking.”** It was about obliterating dissent. And now, in 2025, that same model is being deployed worldwide through the UN, Google, the WHO, and the State Department’s GEC. The net is global. And it's tightening.
- **The NED lied.** The Biden regime lied. The Deep State cheered.
- **They used foreign tools** to silence a U.S. President.
- **They waged war on YOUR voice, YOUR freedom, and YOUR future.** This is not a conspiracy. This is a battlefield.
- **Trump was their primary target.** But YOU were always the real threat. Every time you asked about election fraud or jab injuries, you were flagged by an AI built to destroy you. Not by accident. BY DESIGN.
- **This is the line in the sand.** Truth vs. control. Freedom vs. tyranny.
- **And now, the reckoning begins.** Patriots are awake. The system is exposed. And the Deep State is on fire. What are YOU going to do about it?

**P. Thurs. 5 June 2025 OBAMA NAMED IN ADRENOCHROME TRAFFICKING RING
— OFFICIAL DOCS EXPOSE GOVERNMENT-LEVEL HORROR ...Ben Fulford**

- **The veil is ripped off.** The lies are dead. Obama’s fingerprints are all over federal adrenochrome trafficking ops, confirmed by Judicial Watch through bombshell FOIA docs. This isn’t speculation. This is the smoking gun they swore would never see daylight.
- **THE PROOF IS HERE** Government documents now confirm the U.S. taxpayer funded contracts with biotech firms handling fetal and youth-derived “biologicals.” The paper trail connects directly to Obama-era officials, the NIH, DOD, and HHS. We’re talking signed receipts, coded grants, off-the-book labs, and named bureaucrats.

- **This was a federally protected operation.** A pipeline of blood extraction under the guise of “medical research” — with adrenochrome at the center.
- **NO LONGER A THEORY** Adrenochrome harvesting was dismissed as fantasy. But the documents don’t lie. The government paid for: Neurochemical enhancement projects, Youth plasma synthetics, Monoamine oxidase substrates, Contracts with labs using unregistered facilities for procurement and Civilian contractors with top-level clearances, no oversight, no ethics
- **The evidence screams child-based chemical extraction** — ritualized, systemized, and signed off by Obama’s people.
- **WHO FUNDED IT? FOLLOW THE MONEY:** HHS wired millions to private labs in California, Maryland, and Virginia. Obama’s own biotech advisors listed as consultants. Jet manifests tie grant recipients to known trafficking zones.
- **THE COVER-UP:** Documents show language manipulation to hide atrocities — replacing “fetal blood” with clinical jargon. Subcontracts were disguised under vague trial studies. These weren’t rogue ops — this was a federal operation hidden in plain sight.
- **THE MEDIA WON’T TOUCH THIS. BUT WE WILL.**
- **They called it Q lunacy.** They called it a hoax. But now we hold the black-and-white receipts. This isn’t corruption. This is ritual abuse funded by the executive branch.
- **The time for fear is over.** This is not about politics — this is about evil. They bled children. They enriched themselves. And now — they're cornered. THEY. CAN’T. HIDE. ANYMORE. TICK TOCK.

Q. Thurs. 5 June 2025: People think "The Deep State" is just some obscure cool terminology that allude to some covert backroom conglomerate. ...EBS Activated w/Trump on Telegram

- **On the surface you would be correct.** But when we are talking about the Deep State on this channel we are talking about an entire economy, another governing body, a complete civilization, a whole ecosystem and entire functioning cities. Everything from hotels, restaurants, malls, companies, businesses, schools, farms, etc.
- **We just seen a former Bush employee come out and say that they built a 21 trillion \$ infrastructure.** But they glossed over the reason. Which they said had to do with the apocalypse that was going to be completely manufactured by the way.
- **Because we already know just based off of the Georgia Guide Stones** that they planned to kill billions through a myriad of ways. And that our politicians were promised a way out once this plan was implemented. Which is why they were all so bold & brave in their lies, thievery, and criminal behavior.
- **Which brings us to the infamous phrase..."They never thought she'd lose".** This is why all of them went into mass panic once D. Trump won. Because they realized their

plans for world dominion isn't as iron clad as they were told by their overlords. Hence Maxine Waters who constantly called for violence against D. Trump supporters.

- **This is one thing that keeps me going.** Knowing they know the end will not include them escaping into their trillion-dollar secret dungeons. And they are most likely have been destroyed by now.

R. Tues. 27 May 2025: BREAKING: GESARA IS BEING SILENTLY ENFORCED — IRS COLLAPSES AS TRUMP'S TEAM TAKES OVER THE FINANCIAL GRID ...JFK
Awakening Q17 on Telegram

- **The media still lies.** They say GESARA isn't real, that the IRS is "operating normally," and that central banks are "stable." But behind closed doors, everything is unraveling. Trump didn't return to just fix a broken system — he came to dismantle it entirely. And GESARA is already live.
- **The resignation of the IRS Chief** was no accident. No replacement. No explanation. Because the IRS is being dismantled. GESARA abolishes income tax and replaces it with fair tariffs — and Trump enforced this on Day One. The system is shifting toward gold-backed sovereignty while the media distracts with economic theater.
- **Meanwhile, global banks are imploding.** Nations are dumping treasuries. Gold and silver are being hoarded. IMF is in freefall. SWIFT is collapsing. Executives are vanishing. Why? Because the Quantum Financial System (QFS) is already online — tracking every transaction in real time, secured by Space Force and protected by military-grade blockchain.
- **The QFS isn't just a payment system** — it's a weapon. It seizes black budgets, cuts funding to trafficking rings, and blocks elite-level fraud. That's why the Vatican's assets have been seized. Why CIA black sites are going dark. Why European royals are disappearing.
- **GESARA is war against the elite** — a global takedown in progress. Thousands of sealed indictments are opening. Wealth hidden in D.U.M.B.s and elite vaults is being redirected into humanitarian quantum accounts. BlackRock and Vanguard are being investigated. And this is only the beginning.
- **They lie to you because they're desperate.** Because they're losing control. Because once the people understand GESARA is real, they will never comply again.
- **Trump has always known.** His alliance with military White Hats and gold-backed nations has been in place for years. Every move, every order, every "training exercise" is coordinated for the reset.
- **Soon you'll wake up to a world where:** • Your debt is gone • Your income is tax-free • QFS replaces fiat slavery • Medbeds and suppressed tech are released • Tribunals expose elite crimes on a global scale
- **But only if you're ready.** Still trusting the banks? Still ignoring the signs? Still laughing at what's now unfolding? Then you're not prepared for what's coming.

- **May 26 marks the shift.** The grid has changed. GESARA is active. And nothing can stop what's already begun.

S. Thurs. 5 June 2025: Q is a United States Military Intelligence operation, working hand-in-hand with the President of the United States. Some could easily argue that Donald J. Trump was hand chosen years ago by the United States Military to aid them in this critical and historic operation. ...Q on Telegram

- **Q is not a single person**, but a team of high-ranking persons with "Q" level security clearance, executing operations that have been planned for many years (the plan). Some of the objectives are: A) A massive information dissemination program meant to 1) expose massive global corruption and conspiracy to the people. 2) Cause the people to research further to aid further in their "great awakening". B) Root out corruption, fraud and human rights violations worldwide. C) Return the Republic of the United States to the Constitutional rule of law and also return "the People" worldwide to their own rule. In short, the Q operation is the greatest criminal sting and anti-treason/sedition event in world history.
- **It certainly does appear** that we as a country are lawfully living out The Declaration of Independence once again.
- **"That to secure these rights**, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness."
- **The Declaration of Independence:** Due to the classified nature of much of the information/evidence Q team holds, they can not just come right out with it, however, they can drop breadcrumbs that the people, often the 8chan "Anons", can dig into and help us all discover the truth. Further, it must be understood that the enemies in this war are monitoring Q as well. Therefore, some of the information Q drops is strategically misinformation/disinformation. Think Military game theory and "The Art of War" by Sun Tzu. Sure, none of us want to filter through and try to discern truth from falsehood, however these warfare tactics really cause "We The People" no harm when they must be used, however they are devastating to the enemy and a necessary part of warfare. T. Thurs. 5 June 2025: OPERATION JUSTICE STORM — TRUMP’S FBI LAUNCHES FULL-SCALE ASSAULT TO UNMASK BIDEN’S DARKEST COVER-UPS ...WH
Grampa on Telegram

- **The purge has begun. Under President Trump’s direct command, the newly restructured FBI** — now led by Kash Patel and Dan Bongino — has reopened three buried scandals that once defined the Biden regime’s decay. The Dobbs Supreme Court leak. The unsolved January 6 pipe bomb operation. And the infamous cocaine scandal inside the White House. This is no longer about investigations. This is about reckoning.
- **The Dobbs leak was never just a breach.** It was an act of warfare against the highest court in the land — a premeditated attempt to destabilize the nation and intimidate Trump’s judicial appointees. Under Biden, it was buried. Under Trump, it’s now a national security case. Patel has reopened the files, subpoenaed hidden records, and tracked digital trails that point to operatives inside the Court itself. “This wasn’t a leak — it was an attack,” Bongino confirmed. And the names are coming out.
- **Next, the forgotten bombs. January 5, 2021** — while the stage was being set for the narrative of “insurrection,” someone planted pipe bombs near both RNC and DNC offices. Surveillance caught the suspect. GPS data existed. Yet no one was caught. Why? Because they were never meant to be. The case was a false flag shelved to preserve a bigger lie. Now, with Trump back in control, the task force has been tripled, suppressed files unlocked, and Capitol communications traced. Witnesses are speaking. The silence is cracking.
- **And then there’s the cocaine. July 2023** — a powder substance was found inside one of the most secure facilities on Earth: the West Wing of the White House. The substance? Cocaine. The result? No suspects. No arrests. No answers. The Biden regime called it “unsolvable” and shut it down. Trump’s FBI is tearing that excuse to pieces.
- **Patel has brought in forensic techs**, facial recognition experts, and subpoenaed visitor logs with a clear mission — follow the trail directly to the source. Hunter Biden is no longer protected. Surveillance is no longer sealed. And the narrative is no longer in the regime’s hands.
- **All three cases were once deemed “unsolvable.”** Now, they’re open battlefronts in a war for the truth. This is Operation Justice Storm — and it’s not stopping with files. It ends with consequences. The era of cover-ups is over. What comes next is exposure. And for the first time in years, the truth has teeth.

U. Thurs. 5 June 2025: GLOBAL FINANCIAL EMERGENCY! GLOBAL CURRENCY RESET IS HERE! ...Ben Fulford on Telegram

- **The world is on the brink of a catastrophic financial collapse!** The Global Currency Reset (GCR), NESARA GESARA, and the Quantum Financial System (QFS) are no longer whispers in the dark. The storm is here, and the elites are scrambling to contain the fallout before the truth reaches YOU!
- **The black swan event is unfolding before our eyes!** The world's top economies are INSOLVENT! The U.S., Canada, Europe, Japan, Israel, the U.K., Taiwan, Australia, and New Zealand CANNOT sustain their debt any longer. The financial system is crumbling, and a monumental shift is coming that will change everything!
- **THE GREAT RESET VS. THE PEOPLE'S RESET!** They want you distracted while they rewrite the financial order behind closed doors. But here's the TRUTH: The QFS is set to replace the corrupt banking system that has enslaved us for centuries! This system, rumored to be gold-backed and fully decentralized, will eliminate the central banks and their criminal grip on global finance.
- **The elites know they are running out of time.** They NEED the crash to happen on THEIR terms. They NEED you to be unprepared. But we see through their deception!
- **THE EMERGENCY BROADCAST SYSTEM (EBS) IS COMING!** In the midst of this chaos, the EBS is primed for activation! Why? Because when the markets implode, when the banks fail, when the truth about NESARA GESARA is finally revealed, the world will enter a new era of financial sovereignty!
- **We are at the point of no return.** The Federal Reserve is dead. The IMF is scrambling. The dollar is collapsing, and the fiat money system is burning to the ground. What will rise from the ashes? A fair, asset-backed system that restores power to the people!
- **WHAT YOU NEED TO DO NOW!** Get cash in hand before bank closures hit! Exit fiat currency NOW – gold, silver, and cryptos (XRP, XLM, XDC) will be the new financial foundation!
- **Watch for EBS activation** – the final revelation is coming! The elites are terrified because the people are waking up. The storm is here, and NOTHING can stop what's coming! Prepare for impact, because the financial war is about to reach its climax.

Y. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

Z. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. He was arrested over two years ago and has been sitting in prison since.

June 4, 2025 - Day #644 of my being kidnapped & held hostage by IRS,
One year anniversary of my federal jury trial verdict in SLC

Dear Patriot Friends and Family,

We're finally at the SUPREME COURT!

Can you imagine what it would be like to be sitting in prison on a seven year sentence for an IRS "crime" you did not commit, and to get a letter from the United States Supreme Court, Office of the Clerk, Washington, D.C. 20543-0001? I got the letter. It was only one sentence, but it was simple & beautiful to me:

May 21, 2025

Re: In Re Paul Kenneth Cromar, Petitioner No. 24-7258

Dear Mr. Cromar:

The petition for a writ of habeas corpus in the above entitled case was filed on December 17, 2024 and placed on the docket **May 21, 2025** as No. 24-7258.

Sincerely, Scott S. Harris / Clerk

Then, a couple of days ago I received notice from Raland that the docket added that "filing distributed to justices for conference on June 12". This means that on June 12, the Justices will meet behind closed doors to decide which, if any, of the many cases that have come in, they think have a significant enough Constitutional question worthy of a SCOTUS clarification. We've long believed that our "Barbie & Ken vs Goliath IRS" is clearly a question of Constitutional law that requires the nine Justices to step up, weigh in, and establish the Law on this critical matter. **Like so many before me** I am being punished for obeying the law as it's written. So, if four Justices think our case worthy to hear, then all nine will have to hear it. Barbara & I believe they will. We believe in Miracles.

You can find our case online at the SCOTUS.gov website to read our filing and follow our case here...
<https://www.supremecourt.gov/search.aspx?filename=/docket/docketfiles/html/public/24-7258.html>

Remember, getting to the Supreme Court is NOT an easy thing to do. No guarantee our case will be selected. Our chances are not good.

I have a new HERO. I just read Justice Neal Gorsuch's new book "OVER RULED -- The Human Toll of Too Much Law", which documents the many over-reaches of law in the federal court system, so many of which are nonsense, and too often tyrannical and destructive of real everyday people like you and me. He wrote: "...Even seasoned lawyers, lawmakers, and (yes) judges sometimes struggle to make sense of it all. Of course, our country has always been a nation of laws. As children, we learn about the Boston Tea Party, how colonists objected to unjust laws announced by a capricious king, and how our founders chafed at taxation without representation." (pg 14)

Contrary to the courts & prosecutors & others, Barbara & I are NOT anti-tax, not "tax defiers", not "lying tax cheats", nor "frivolous tax protesters" as they keep chanting. But instead, what we absolutely are is AGAINST un-Constitutional taxes. The Constitution allows for taxation, but only in very specific ways. And we've been willing to put our lives, home, reputation and future on the line to make this stand -- for us, for YOU, and all Americans! If our case does end up coming to national attention, it might become known as "The Collins/Moore/Cromar Constitutional Tax Question".

Gorsuch pointed out in "Over Ruled" that, "By 2018, the U.S. Code encompasses 54 volumes and approximately 60,000 pages." (pg 16) And, "...The Supreme Court agrees to hear only about one percent of the thousands of petitions it receives every year." (pg 14) So, according to those impossible odds, no one will take a bet, and we're going to need a Miracle. Well, that's ok, because we know that with God, -- nothing is impossible.

It took SIX filings before this one was accepted. The first four times we filed our appeal directly to Justice Neal Gorsuch (Dec 17, Jan 24, Feb 12 and Mar 28th) as is allowed by federal law and SCOTUS Rules, but they kept sending it back claiming we had to file for my Writ of Habeas Corpus to the entire court's 9 Justices. However, the law is very clear:

USC Title 28 section 2241 - Power to grant writ

(a) **Writs of habeas corpus may be granted by the SUPREME COURT**, ANY JUSTICE THEREOF, the circuit courts and any circuit judge within their respective jurisdictions. ...". (emphasis added)

Pretty clear, right? So is SCOTUS' own Rule #22 that tells how to file directly to a specific Justice, saying it must immediately be given to the Justice without delay. But, they kept insisting that it had to go to all 9 justices. Not true. It seemed as though there was some unseen power blocking or causing my case to be blocked from THE one justice, Neal Gorsuch, (who not coincidentally was a 10th Circuit Judge out of Denver before he became a SCOTUS Justice), who really might understand and champion our correct standing on the Law. Hmm. So, rather than filing a friendly lawsuit against the Clerk and Justice Gorsuch personally (which would have guaranteed he would have gotten a copy instantly) which is something we considered, we decided to make our application for a Writ to all nine

justices. And, after a fifth try on May 17th, finally the SIXTH time was the charm and we got our case docketed on May 21st -- but bizarrely, it's listed as having been filed on December 17, 2024. Strange, but Hallelujah!

I must now highlight how grateful I am to Tom Freed (Scambos) who has patiently and tenaciously guided me through the minefields of the courts and filings many, many times since 2018 when I first found this tax genius expert. I know of no one who knows more about the federal income tax than Tom.

The two IRS agents -- 22 and 38 year veteran IRS expert witnesses for the prosecution -- upon my cross-examination could not point to the law for the jury, that required me to file federal income taxes. Tom has been patient with me, and generous with his time and considerable legal talent. He has stood on the facts and the law, and inspired me and others to do the same. He has been relentless!

The judges and prosecutors have not known how to deal with our arguments -- except to shout "frivolous!" The Bible says, "They shall turn away their ears from the truth, and shall be turned unto fables". (2 Timothy 4:4) "For my mouth shall speak truth and wickedness is an abomination to my lips." (Proverbs 8:7)

If you know of anyone who is curious or needs some tax law guidance, Tom is your man. But beware, Explore his website or email him at: Tom@IRSZoom.com

Note: Even if we were to lose this application for an Extraordinary Writ of Habeas Corpus to SCOTUS, we still have two Circuit Court filings from case #25-4002 (federal jury trial where I was convicted on two counts, acquitted of one), and #25-4007 (Habeas Corpus Judge Neilson unlawfully ignored in federal court), and a last opportunity under USC Title 28 section 2255. There's a reason David had "five smooth stones" in his bag ready to put in his sling to take down Goliath. We'll use all five "stones" if that's what it takes to take Goliath down!

Justice Gorsuch -- who not coincidentally served at our 10th Circuit Court of Appeals (Denver) -- and has been assigned oversight over this 10th Circuit, concluded his book OVER RULED with his hopeful outlook:

"...Solzhenitsyn gave an address in the United States in which he warned that while the rise of an authoritarian state may seem unthinkable here, "It can happen. It is possible."...

"**Despite my real concerns**, though, I confess I remain an incorrigible optimist. America has overcome daunting odds time and again. ...Still, America remains the greatest beacon of liberty the world has ever knownrich. The ideals embodied in our Declaration of Independence -- that each of us enjoys certain inalienable rights, that all of us are created equal, that governments derive their just power from the consent of the governed -- have inspired billions of people around the world and captured truths that resonate in every human heart. I would never bet against the American people. NMG"

Truth always wins out in the end. And, if, God willing, "Barbie & Ken vs Goliath IRS" results in this Supreme Court victory, it will be a restored Liberty for ALL Americans, and it will be done without ever firing a single shot!

I pray dear Lord that the Supreme Court will Hear our case and that He wins this battle, so I can shout, "Bring my soul out of prison, that I may praise thy Name...". (Psalm 142:7) Like Moses declared, "Thus saith the Lord God,... Let my people go, that they may serve me." (Exodus 10:3)

Your continued Faith-Filled Prayers are Welcome,

Ken (and Barbara)

Zb. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
