**That is Hanging By a Thread**

**Judy Note:** *Providing we get through the riots this week, on Sat. 14 June 2025 we will be celebrating our New Republic in Washington DC with a Military Parade. The Corporation of the United States has fallen. What remains is the Republic, with the new Quantum Financial System active as it's financial spine.*

**The Emergency Broadcast System (EBS)** is now fully under Military Alliance control. Worldwide, phones may go dark briefly and the Internet may be restricted – while the Quantum Grid will remain live across the Globe.

**The EBS rollout will begin in the U.S.,** Canada, Australia, U.K., France, Germany, Italy, Japan, Eastern Europe, and even parts of Africa and South America.

**Worldwide arrests have already begun.** As of June 5, over 6,700 sealed indictments have been executed.

**The so-called “rift” between Elon Musk and Trump was never real – it was a Sting to find the bad guys.** As of Mon. 9 June, over 16,000 traitors have been digitally tagged through the Quantum Financial System — logged, cross-verified, and locked in for tribunal review. This wasn't just a media distraction. It was a coordinated QFS biometric operation — and the Deep State walked straight into it.

**Every digital breath was now recorded by satellites** and instantly mapped across encrypted ledgers. No more hiding. The Vatican just confirmed this the hard way — four digital wallets linked to Epstein-tied NGOs were frozen at 3:14 a.m. Rome time on Mon. 9 June. The Earth Alliance traced the funds directly through QFS. The Vatican tried to reroute — and failed. The Emergency Broadcast System was now synchronized to purge the final nodes.

**The Elites were scrambling to bury evidence. Too late.** Now the entire planet will witness what the media never showed: tribunal footage, Adrenochrome confessionals, the truth about CERN, Antarctica, MedBed suppression, alien tech concealment — all of it.

**Since 2017, a silent war has been waged to reclaim the Republic.** While the public saw tweets and trials, the true battlefield was hidden: secret tribunals, unsealed indictments, and forced confessions behind closed doors.

*Trump didn't just talk about draining the swamp. He built a military machine to surgically dismantle it – and it's going down Big Time.*

**A. What We Think We Know as of Tues. 10 June 2025:**

Flynn declares: the American Deep State is deliberately provoking Russia, sabotaging peace, and using Ukraine as a proxy weapon against both Russia and the American people. ...Q on Telegram

- **Mon. 9 June 2025: The 22 billion gallons of raw sewage flowing into San Diego, California from Mexico started in 2020 and is because of Gavin Newsom.** “Why has the sewage crisis in San Diego gotten worse in the past five years? There are 2 main reasons that have caused 22 billion gallons of sewage to flow into the United States annually since 2020. First is the 2020 Gavin Newsom SB507 bill, which decommissioned pumps and lift stations and allowed sewage to flow into the United States via the Tijuana river valley. The second is a pipe break by Mexico in August 2022 from their viaduct toll road project. This led to Mexico sewage instead being pumped 10 miles south to free flowing into the United States by the millions of gallons daily. This has led to over a thousand plus days of beach closures, our communities being exposed daily to harmful chemicals and toxins, no access to public lands, and no answers from the government. ...JFK Awakening Q17

**B. Worldwide EBS Alert, 72 Hour Blackout, GCR Rollout**

- **We are just days away** from the global financial reset we've all been preparing for.
- **FBI Director Kash Patel: By Jun 15**, mass QFS onboarding is expected to begin. Based on internal comms from secure servers, EBS (Emergency Broadcast System) or a parallel encrypted alert system may go live to inform the public of their next steps.
- **Texts. Emails. Push notifications.** Everything is set to go.
- **Each citizen will receive:**
  - A one-time secure code
  - Instructions for wallet activation
  - Confirmation of debt wipe status

- Access to the sovereign fund dashboard
- **I (FBI Director Kash Patel) will be walking everyone through the process** when the alerts begin. I've tested the system. It works. And the interface is beyond anything we've used before.

**C. Fri. 6 June 2025 QFS & MILITARY ALLIANCE CRUSH GLOBAL SABOTAGE — EBS LAUNCH WILL TRIGGER FINAL COLLAPSE OF THE DEEP STATE ...Nesara Gesara on Telegram**

- **Trump's Operation Phoenix wasn't just successful — it was surgical.** After weeks of nonstop sabotage attempts, the final strongholds of elite signal warfare have fallen. The Emergency Broadcast System (EBS) is now fully under Military Alliance control, and the countdown has shifted into detonation mode. Deep State panic is global. And irreversible.
- **For 60 days, rogue actors tried everything to block the EBS.** They weaponized CERN frequencies. Launched jamming from black-budget satellites. Activated AI war protocols tied to deep underground signal bunkers stretching from Switzerland to Antarctica. They failed. Space Force Generals executed OPERATION IRON SHIELD, launching direct-strike quantum pulses that shut down 214 enemy satellites and crushed 17 key jamming stations. No escape. No override. No more illusions.
- **Then came the breakthrough. On May 7, 2025, inside a classified Greenland base, the Quantum EBS Node was tested — and succeeded.** Penetration of 100% of global media grids. Every screen, every phone, every satellite — hijacked by military encryption and mirrored through Quantum Financial System (QFS) relays. No censorship. No interference. The first global transmission is now locked in.
- **This wasn't just about emergency alerts.** It was about activating the Quantum Grid of Human Liberation — the backbone of QFS, now fused with EBS command.
- **The QFS is no longer theoretical. It's operational.** Its expansion — now called the Quantum Freedom Grid — is the final deathblow to every Deep State infrastructure. Encrypted comms. Instant global wealth transfers. Military broadcasting. MedBed booking interfaces. Quantum biometric shields. All on one unbreakable network. This is what they feared the most.
- **And now? The arrests have begun. As of June 5, over 6,700 sealed indictments have been executed.** Coordinated night raids across Canada, Australia, Switzerland, Germany, and the U.K. have taken down 143 elite operatives. Multiple Vatican officials have been exposed in Malta, tied to Project Dominus survival cells. Panic comms from intercepted nodes say it all: "They control the sky now. We have nowhere left to run."
- **The EBS rollout will begin in the U.S., Canada, Australia, U.K., France, Germany, Italy, Japan, Eastern Europe, and even parts of Africa and South America.** The entire planet will witness what the media never showed: tribunal footage, adrenochrome confessionals, the truth about CERN, Antarctica, MedBed suppression, alien tech concealment — all of it.

- **QFS will serve as the infrastructure for every verified truth drop.** Every transaction, testimony, and proof will be time stamped and mirrored across the military's digital vaults. The age of secrets is over.
- **This is not just a U.S. broadcast.** It is a planetary reckoning. And the signal cannot be stopped.
- **Phones may go dark briefly.** Internet may be restricted. But the Quantum Grid will remain live. If you're reading this — you're already inside it.
- **Trust the Plan. Trust the QFS. Trust the Storm.** The Gates of the Old World are closing. The Quantum Age begins now.

- **Today Mon. 9 June 2025 at precisely 08:44 UTC**, the first verified USTN disbursements were confirmed through QFS biometric wallets in sectors across Florida, South Africa, Brazil, and the Philippines. Each transfer was linked to live asset backing — gold bars recovered from cabal-controlled vaults — and executed under triple-encrypted quantum relay.
- **The age of false banking is over.** This is sovereign restitution in motion.
- **Recipients in Tier 1 categories** — whistleblowers, veterans, unlawfully taxed citizens, and those injured by globalist systems — have begun receiving Phase 1 compensations. No intermediaries. No banks. No central permission. Just direct, secured value delivered through the only remaining lawful system: the QFS.
- **Behind the scenes, Redemption Centers have entered Phase Green**, signaling readiness for higher-volume processing. Over 90,000 new verifications are underway globally, and over 11 million USTN credits have been locked for scheduled issuance in the next 72 hours. If you're verified, the clock is ticking.
- **Meanwhile, emergency response nodes have been activated in Italy, Belgium, and Ontario** — after QFS intel flagged deep-state-triggered energy disruptions aimed at blocking access to satellite uplinks. Counter-operations are succeeding. Quantum override protocols are holding fast. Their grip is dissolving by the hour.
- **And here's what they're not telling you: mainstream financial media has now received formal EBS blackout warnings.** Every major network is on silent standby. Treasury-level insiders confirm that a full media purge of legacy economic lies is imminent. When the final node syncs, the flood begins.
- **XRP rails are now handling transition liquidity**, while RLUSD finalizes its global peg to the BRICS+ sovereign basket. This is no longer speculative. This is the future replacing the fraud — in real time, under military protection.
- **The wait is over.**

## Restored Republic

**F. Mon. 9 June 2025: The global financial stage has already shifted, though the elite are desperately trying to hide it. The Quantum Financial System (QFS) is no longer a theory — it is live. Behind the scenes, the Alliance is dismantling the corrupt, exploitative systems of old and cutting off the last escape routes of global financial control.** ...Gesara Nesara QFS on Telegram

- **The collapsing banks we see today are not a result of mismanagement — they're deliberate takedowns.** Institutions like Deutsche Bank, HSBC, and JP Morgan have already been silently gutted from the inside. Senior executives are being detained. Secret military

tribunals have issued swift verdicts, with some already executed at GITMO. The financial cartel that stole from the people for generations is imploding.

- **Payment networks like VISA and Mastercard** are quietly dissolving. Their systems, built to extract and deceive, are being replaced by QFS-integrated infrastructure. The so-called “digital transition” is a smokescreen — this is a military-engineered reset. The era of hidden fees and systemic theft is ending. New QFS-issued cards will offer absolute security, erasing fraud, manipulation, and third-party exploitation.
- **PayPal and Stripe are next.** These platforms, praised for convenience, were used to funnel wealth into deep-state projects and harvest user data. Now, they're being exposed and neutralized. Their monopolies will not survive the QFS rollout. Instead, commerce will flow through the Quantum Internet — a completely new digital framework that renders traditional systems irrelevant.
- **The Quantum Internet is the Deep State's worst nightmare.** Every transaction is encrypted at the quantum level — unhackable, untraceable, and out of their reach. This system is beyond surveillance and cannot be hijacked. It has turned their digital weapons against them.
- **QFS accounts are not just secure — they're revolutionary.** Tied directly to your biometric ID, there's no fraud, no bank middlemen, no fees. Transactions are instant, global, and incorruptible. And here's what most people don't know: every citizen already has a QFS account silently created and connected to their national ID. When the full system goes live, you'll be notified via the new Quantum Communication Network (QCN) to activate and access your funds.
- **The fiat system is already in its death spiral.** The petrodollar is gone. Over 60 nations have shifted to asset-backed currencies, converting reserves into gold. Central banks are no longer hiding it — they're preparing for the end. Rainbow Tokens are leading this new financial order. Backed by gold, silver, and tangible assets in quantum vaults, they are immune to speculation and built to preserve real value.
- **The Zim Bond redemption has entered its final phase.** Once mocked, bondholders are now essential to the reset — with funds quietly channeled into humanitarian projects. But sabotage attempts have forced new security protocols: biometric screening, encrypted communications, and military oversight at Redemption Centers. Violators are being detained in real time.
- **Military operations are quietly shaping this transition. In January 2025,** covert raids in London, Zurich, and Hong Kong recovered gold, cash, and blackmail archives from deep-state vaults. The recovered assets are being transferred into QFS reserves to stabilize global payout phases. Dark money routes — from trafficking to laundering — are being severed. Over 80% of the cabal's funding channels have already been eliminated.
- **South Africa is rising.** The ANC regime is collapsing from within. New leadership aligned with GESARA is emerging. Iraq, with over \$115B in reserves and rising gold stores, is preparing to revalue its currency — setting the standard for the region. The world is pivoting.

- **As of May 2025**, the collapse of the old guard is undeniable. The QFS is not coming — it is here. The cabal's wealth is being seized. Their control is vanishing. The message from the Alliance is simple: be alert.

**G. Mon. 9 June 2025 BREAKING: SNOWDEN TRIGGERED THE FINAL DROP — TRUMP'S WAR MACHINE IS NOW UNLEASHED ...Edward Snowden on Telegram**

- **Sat. 7 June 2025 — Intel Flashpoint:** Edward Snowden just lit the fuse. White Hats activated final phase ops. Trump's global military network is in full takedown mode.
- **Snowden has been embedded in Cheyenne Mountain since May.** He decoded Vatican AI grids, exposed BIS kill-switch protocols, and decrypted the Deep State's FINAL command servers buried beneath Antarctica. This is why the media has gone dark. This is why panic is consuming the elites.
- **Over 3,200 Deep State kingpins terminated in the past 7 days.** Pfizer. Black Rock. IMF. CIA. Rothschilds.
- **Snowden's AI-intercepted data flows shattered the globalist web.** Every comms line. Every vault. Every hideout.
- **Antarctica is under siege.** Snowden's maps revealed a portal network beneath Queen Maud Land. U.S. Space Force, Russian patriots, and Indian commandos are in. Cloning labs, Atlantean weapon tech, and hybrid-engineered children were discovered. The last Deep State command post is being neutralized.
- **Cheyenne Mountain** — Trump's digital command center — is online. Task Force Phoenix is executing Snowden's drop protocols in real-time.
- **Gold caches, diamond stashes, and hard drives** were seized from BIS in Switzerland — now redirected into GESARA accounts for humanity's liberation.
- **Snowden's decrypted kill-codes** are overriding global media. FOX, BBC, CNN execs are gone. Their crimes: child rituals, mind control networks, population reduction ops. Snowden holds the footage. It's coming.
- **Trump's EBS is locked and loaded.** When it hits, the planet will shake. Expect ritual videos, DNA files, maps of DUMBs, names, faces, and orders signed in blood.
- **This is not a game.** The elite are fleeing. Private jets dropping off radar. Starlink's pulse grid is tagging every escapee. Their bunkers are now their tombs.
- **The QFS is replacing the Fed.** GESARA debt erasure is already underway.
- **Ancient healing tech will surface.** The enslaved will rise.
- **Snowden was never a runaway.** He was a plant. A code bearer. A justice trigger.
- **And now the hammer is falling.** We warned them. They laughed. Now they beg. This is the STORM. It's real. It's global. It's irreversible. BOOM.

**H. Mon. 9 June 2025: The Corporation of the United States has fallen. What remains is the Republic. And the QFS is now its financial spine. ...Tucker Carlson on Telegram**

- **In the last 48 hours, over 200 offshore shell entities** tied to World Bank officials, NGO executives, and IMF-aligned cartels have been seized.
- **Military cyber units traced encrypted gold transfers through Swiss AI fronts** connected to Epstein-linked trusts. That route is gone — permanently disabled.
- **Inside the locked rooms of the BIS in Basel**, emergency meetings are underway — not to save the system, but to negotiate surrender. Several European finance ministers have already submitted quantum compliance documents.
- **Their banks won't be rescued.** They'll be absorbed.
- **In the United States**, the IRS is silently collapsing. Thousands of agents are being reassigned — not to audit, but to face investigation. Many are under sealed indictments tied to unlawful enforcement under corporate statutes from 1871.
- **Military tribunals are expanding.**
- **A classified facility in Greenland** is processing detainees linked to global currency manipulation, NGO trafficking networks, and digital warfare against the QFS.
- **Testimonies are being recorded** — not for public trials, but for future history.
- **The silence from mainstream media is not ignorance — it's control.** They know exactly what's happening. They're just forbidden to speak.
- **Meanwhile, "glitches" are spreading.** ATMs offline. Payment apps stalling. Bank portals crashing. This isn't malfunction. It's forced obsolescence. The old system is being drained — live.
- **New Quantum Internet nodes are activating** across Africa, Southeast Asia, and South America. Not redistribution. Rebalancing.
- **The final veils are lifting.** What they once dismissed as conspiracy... is now unfolding in silence. And very soon — it won't be silent anymore. The new system doesn't request permission. It replaces. Hold steady. The chains are breaking.

**J. Mon. 9 June 2025: HISTORIC ESCALATION: TRUMP DEPLOYS TROOPS AGAINST DEEP STATE INSURRECTION IN CALIFORNIA ...WH Grampa on Telegram**

- **On June 8, 2025, President Donald J. Trump** made a move no modern president dared: he federalized 2,000 National Guard troops in California—without the governor's consent. This isn't about protests. It's about war. A domestic insurgency, bankrolled by globalist networks, has crossed the red line. And Trump just flipped the switch.
- **For weeks federal ICE teams and agents have been under siege.** DHS officers ambushed. Federal buildings stormed by organized mobs flying foreign flags and wearing tactical gear. In Los Angeles, over 1,000 radicals launched a full-scale assault on a federal complex. One female ICE agent was body-slammed on camera. These weren't organic protests—they were battlefield tactics.
- **Trump responded with the rarely used 10 U.S. Code §12406**—emergency authority triggered when a rebellion against the federal government is underway. That threshold has now been crossed. This is not unrest. This is insurrection.
- **The rebellion is being staged through sanctuary cities** and shielded by corrupt governors, Soros-funded NGOs, and foreign-backed agitators embedded in city governments. Mayors like Karen Bass and council members like Jason Chavez are openly collaborating with organizations tied to cartels, CCP fronts, and even Nicaraguan revolutionary cells. This isn't political theater. This is a coordinated takedown of the Republic.

- **In San Diego, federal agents were forced into urban warfare.** Agitators formed human shields around cartel-linked businesses. Non-lethal weapons were deployed to break through. In Minneapolis, ICE vehicles were hit with suspected EMP disruptors and acoustic confusion tech—gear not legally available to the public. These groups are being supplied. The funding is foreign. The silence from officials is betrayal.
- **Newsom called Trump’s move “dangerous.”** But what’s truly dangerous is the transnational criminal syndicate operating through California’s state machinery—laundering cartel money, sheltering traffickers, and weaponizing migrant waves to overwhelm federal authority. This is not about immigration. This is about control.
- **Trump has authorized not just the Guard, but regular military support.** Camp Pendleton’s Marines are now on “federal readiness standby.” The 1st Marine Division has been placed on alert. Armed Forces are being repositioned to crush the insurrection before it spreads further. Federal law will be enforced. With or without permission.
- **The collapse of the fake Biden regime** exposed just how deep the rot had spread. States like California became strongholds for foreign infiltration. Tech billionaires funneled money into street armies. Legal foundations rewrote state policy to shield criminals. And blue-state officials fortified their cities not for public safety—but against federal reassertion.
- **But the resistance is crumbling:** Whistleblowers inside NYPD and DHS are quietly assisting Trump’s team. Internal loyalty is shifting. The military is no longer restrained by politics. The White House is once again aligned with the Constitution.
- **Stephen Miller released footage of the attacks** and declared the truth: this is not protest—it is invasion. The deep state governors are not neutral. They are complicit. They’ve chosen to shield gang members, cartel operatives, and foreign disruptors—at the expense of their own citizens. And now, federal power is being unleashed against them.
- **The Globalists thought Trump would be isolated.** They didn’t expect him to return with the military behind him. They didn’t expect this level of coordination. They didn’t expect the people to be this awake.

Trump’s national birthday celebration and the 250th anniversary of the U.S. Army. The enemy sees it as a day to strike. We see it as the day they reveal themselves.
- **Antifa’s rebranded “50501 Movement” is not a grassroots protest. It is an insurgent militia, globally funded and domestically embedded,** prepared to unleash disruption masked as civil dissent. This is an ideological war — tactical, scripted, designed to mimic outrage but engineered to destabilize. Under the illusion of peaceful demonstration, trained

agitators will deploy to paralyze major cities, overwhelm law enforcement, and ignite digital chaos for media exploitation. This is not about rights. This is not about voices. This is about collapse.

- **Antifa is not a movement** — it is a decentralized paramilitary force. Its foot soldiers are indoctrinated, its leaders are hidden, and its mission is destruction. They claim to fight fascism, yet they burn flags, attack families, erase history, and shut down speech. What they fear is unity. What they despise is sovereignty. And what they cannot control is a free people led by a Commander-in-Chief who refuses to kneel.
- **June 14 represents everything they hate** — Trump's legacy, the strength of the U.S. Army, and the resilience of America's heartland. That's why they chose it. Not to protest, but to sabotage. While patriots prepare for parades, Antifa prepares for infiltration. While Americans raise flags, Antifa maps choke points. Their targets: major roads, monuments, courthouses, and the media narrative itself.
- **The threat is not localized. It is nationwide.** From New York to Seattle, from Phoenix to Minneapolis, synchronized disruption will be triggered under the illusion of spontaneity. Expect highway blockades. Expect staged ICE raids. Expect vandalism and fires. Expect pre-scripted footage uploaded in real time to paint a false picture of "revolution." But this time, the patriots are ready.
- **Trump is not watching from a distance.** He's commanding the response. From Homeland Security to activated Guard units, from QFS surveillance nodes to civilian protection groups, the firewall is being built. This is not defensive preparation. This is strategic containment. The insurgents will not be allowed to break the Republic — not under Trump's watch.
- **The Deep State has miscalculated.** Again. They believe they can control optics. They believe chaos will erase the message. But the real message is already clear — the American people are not afraid. They know what's coming. They've seen the script. And they are no longer playing by the old rules.
- **This is not the protest summer of 2020.** This is a wartime scenario in 2025. And this time, the masks will not protect them.
- **Be aware. Be prepared. Stay sharp.** Do not walk blindly into staged flashpoints. Trump's birthday is not a weakness — it is a red line. And any attempt to cross it will be met not with tolerance, but with consequence. This isn't just a parade. It's a declaration.

### **Military Tribunals:**

**L. Mon. 9 June 2025: TRIBUNALS UNDERWAY, GLOBALISTS IN HIDING, AND THE RECKONING BEGINS ...Gesara Nesara QFS on Telegram**

- **June 7, 2025 — While the lights dim across the world,** something far brighter is igniting behind military lines: the long-awaited tribunals.
- **Inside secured locations in GITMO, Diego Garcia, Guam, and a facility near Greenland,** over 2,000 hours of high-level confessions have been recorded. Each session is

quantum-stamped, facially verified, and sealed with biometric integrity. These are not depositions. They are the final testimonies of a fallen system.

- **Trump's Military Prosecutorial Division has confirmed Phase 1 is complete.** Among those recorded are global health czars, media executives, defense contractors, and financial manipulators — all testifying to their roles in child trafficking, bioweapon funding, media lies, and economic slavery.
- **These confessions are being mirrored to 300+ satellite relays across the EBS network,** preloaded for multi-language global release. This isn't entertainment. It's exposure. It will not be censored. It will not be edited. It will play everywhere — once the switch is flipped.
- **At the same time, the collapse of globalist infrastructure is accelerating.** WHO directors have been detained. IMF banking heads are under military watch. Davos-linked NGOs are locked out of the QFS and their assets frozen. Humanitarian “foundations” are being raided. Servers in Brussels, Geneva, and Singapore have been seized — revealing files marked “behavioral sterilization,” “climate lockdown beta,” and “mass influence algorithms.”
- **Interpol White Hat divisions are now bypassing corrupt global law enforcement** structures and extracting high-value targets in silence. There are no more safe zones. There is no more immunity.

**M. Mon. 9 June 2025: MASS PANIC: 16,000+ TRAITORS TRIGGER QFS  
SURVEILLANCE — GITMO TRIBUNALS ACCELERATE AS VATICAN FREEZES  
ASSETS ...QFS on Telegram**

- **The so-called “rift” between Elon Musk and Trump was never real.** It was a sting. And now, the trap has closed. As of June 9, over 16,000 traitors have been digitally tagged through the Quantum Financial System — logged, cross-verified, and locked in for tribunal review. This wasn't just a media distraction. It was a coordinated QFS biometric operation — and the Deep State just walked straight into it.
- **The numbers don't lie. Since June 5, QFS has received 16,382 direct data inputs:** financial transfers, biometric logins, and NGO access pings. The majority are linked to three clusters — UN-affiliated NGOs, Soros-funded boards laundering money through Ukraine, and EU digital warfare units. They believed Musk had turned on Trump. They dropped their guard. They accessed dormant QFS portals. And the system recorded everything.
- **That's how QFS works.** Every login, every transfer, every digital breath is recorded by satellites and instantly mapped across encrypted ledgers. No more hiding. The Vatican just confirmed this the hard way — four digital wallets linked to Epstein-tied NGOs were frozen at 3:14 a.m. Rome time. The Earth Alliance traced the funds directly through QFS. The Vatican tried to reroute — and failed. The Emergency Broadcast System is now synchronized to purge the final nodes. The elites are scrambling to bury evidence. Too late.
- **Tech giants are complicit.** Cross-platform scans reveal Google, Meta, and Microsoft began throttling QFS broadcast nodes on June 7. Their AI systems attempted to block

QFS-EBS trigger terms, reroute Starlink telemetry, and bury the Trump-Musk data merge. It didn't work. Musk locked the system. The Alliance holds the encryption keys.

- **Meanwhile, Starlink satellites over the Southern Hemisphere were activated in pinpoint tracking mode**, monitoring the escape routes of globalist families fleeing through Argentina, Uruguay, and Antarctica. One Rothschild-linked unit has been confirmed en route to Patagonia via a blacklisted airstrip. These families are not just running from media exposure — they're fleeing the QFS-linked indictments being fed into GITMO tribunal systems in real time.
- **And Epstein? He's back in the spotlight** because the operation forced it. Since June 6, the Clintons have vanished from public view. Their private Gulfstream sits idle in Arkansas, under federal watch. Two former Epstein staffers have entered protective custody. Their testimony includes unlogged Clinton Foundation flights tracked by Space Force satellites in 2022. Those logs are now QFS-validated. The shadow network is collapsing.
- **As of this week, final preparations for the Emergency Broadcast System are underway.** Satellite sync trials have passed. Three sealed indictments linked to Obama-era cyber sabotage are queued for GITMO release. A list of over 1,000 media operatives who ran anti-QFS propaganda is being processed under EO 13848. The betrayal post was the trigger. The logs are real. The files are captured. The network is exposed.
- **The elites were told this was a game.** That they could outmaneuver the system. But this system is quantum. It watches everything. It verifies instantly. It cannot be bribed, hacked, or tricked.
- **Final warning to the traitors of Earth:** The QFS is online. The satellites are tracking. The data is sealed. And your time is up. This is not politics. This is not revenge. This is the global takedown.

#### **N. Mon. 9 June 2025: THE GREAT MILITARY TRIBUNALS: HILLARY, OBAMA, BIDEN, AND ALL THEIR FRIENDS ...The 17<sup>th</sup> Letter on Telegram**

- **It's no longer speculation. The tribunals are real.** The arrests are real. The executions? Already underway. Behind the scenes, while the media played its distraction game, President Trump and the U.S. Military launched the most sophisticated takedown in history. The key traitors—Clinton, Obama, Biden—have already been tried. And their fates are sealed.
- **Since 2017, a silent war has been waged to reclaim the Republic.** While the public saw tweets and trials, the true battlefield was hidden: secret tribunals, unsealed indictments, and forced confessions behind closed doors. Trump didn't just talk about draining the swamp. He built a military machine to surgically dismantle it.
- **Hillary was one of the first.** Convicted of treason, she faced a decision: execution or cooperation. What followed is the playbook for all high-level traitors. Sign a full confession. Appear on camera. Hand over all stolen wealth. Accept 24/7 surveillance.

Implant tracking. Obey every order—forever. One misstep, and the deal is revoked. The sentence is death.

- **Why not just execute them outright? Leverage.** Trump's team is using them to destroy the system they once controlled. That's why their public appearances look off. Their speeches are nonsensical. Their influence is evaporating. Because their humiliation is part of the plan. They're not heroes of the left anymore. They're broken tools, dismantling the deep state from within.
- **And it goes far beyond individuals.** This is about dismantling institutions—media, finance, intelligence networks—all of it. The deep state is collapsing under its own weight, forced by Trump's hand to eat itself alive. When the truth emerges, the American people will see the final act: the criminals taking the blame, the system shattering, and Trump rising as the one who never surrendered.
- **The script is brilliant.** Few high-profile arrests, maximum psychological impact. Hillary, Obama, Biden—each one forced to play a role that further discredits their legacy and triggers mass awakening. They chose to cooperate. But justice is not paused—it's delayed. Their usefulness will end, and when it does, their protection ends too.
- **And the tribunals are far from over. By the end of 2025,** over 50,000 sealed indictments are expected to be unsealed. Military tribunals are ramping up. Every level of the globalist pyramid is being exposed—NGO heads, financial operatives, foreign agents embedded in domestic institutions. The hammer is falling.
- **The media? They were never innocent.** Every headline, every smear, every blackout was part of the protection racket. But the curtain is lifting. The more they censor, the more obvious their guilt becomes. They're not journalists—they're co-conspirators. And their names are on the lists. The fake news giants won't escape this storm. They'll fall with the regime they protected.
- **GITMO is no longer just a symbol.** It's operational. The traitors are being held, interrogated, monitored. And if you think this ends with the Clintons or Bidens, think again. This is just phase one. The next wave is incoming. You'll see CEOs vanish. Media moguls disappear. Tech overlords go silent. What you're witnessing is the collapse of an empire—quiet to the untrained eye, but roaring for those who see.
- **This isn't a dream. It's the real plan,** unfolding now. The tribunals are here. The takedown is active. And no traitor will walk away untouched.

#### **O. The Real News for Mon. 9 June 2025:**

- **Mon. 9 June 2025:** Mike Benz disclosed how Barack Obama's ambassador recently called for "People Powered" protests in America against Trump. These protests are a Democrat Globalist regime operation.

**Q. Mon. 9 June 2025: BIDEN'S CHILD TRAFFICKING EMPIRE COLLAPSING: 500,000 CHILDREN RESCUED AS MILITARY TRIBUNALS LAUNCH! ...**The 17<sup>th</sup> Letter on Telegram

- **This is not a drill. This is a full-scale takedown of the darkest network on Earth.**
- **As of May 29, 2025, the illusion is dead.** The Biden regime is being dismantled in real time, and the largest child rescue mission in human history is underway.
- **Half a million children weren't just lost**—they were funneled into hell. Sold, tortured, erased. Trafficked under the direction of Biden's handlers, rogue CIA agents, and foreign operatives. The same agencies meant to protect them turned them into commodities.
- **Trump and RFK Jr. are done warning. They've activated military tribunals under Continuity of Government protocols.** Sources confirm operations are live at GITMO, deep sites in Utah and Colorado, and BlackSite Sierra-11. Top Deep State operatives have already been extracted.
- **The Department of Health and Human Services has been seized.** Under Trump's Directive 421B, HHS is now under emergency control. RFK Jr. is dismantling it piece by piece—targeting CIA-linked NGOs like Southwest Key, IRC, and Children First—all exposed as trafficking hubs.
- **What's been uncovered? Bio-experiments. Adrenochrome farms. Organ harvesting. MK-Ultra revival centers.** DARPA-linked labs in Nevada and Southern California posing as “psychiatric care” were in fact black-budget butcher houses.
- **The same Dominion servers used to steal the 2020 election were repurposed to route children**—confirmed by whistleblowers now under White Hat protection. These children were moved via UN cargo, under Vatican seals, disappearing into a global shadow grid.
- **Containers found in Long Beach and Florida** held soundproofed cells, surgical scars, and removed GPS implants. This was a system engineered for permanent disappearance—and they thought they'd never be caught.
- **But the arrests have started: 347 so far.** Epstein-linked officials, Pentagon liaisons, NGO heads—all flipping, all exposed. Over 2,200 sealed indictments opened since April. And now the world sees the monster's face.

- **Project RECLAMATION** has already rescued **61,000 children from Texas, New Mexico, Romania, and the Philippines**. What they're finding is beyond horror: chemical implants, torture logs, evidence of generational evil.
- **The global elite is panicking. WHO, UNICEF, USAID**—named in classified docs as knowing participants. The Treasury is freezing trafficking-linked accounts. The QFS is tracking every transaction.
- **This isn't politics. This is retribution.** And it's just beginning. We are coming. And this time—they don't get to run.

### **PLASMA-LIGHT HEALING IS HERE**

- **These aren't ordinary gadgets**—they are quantum field generators that use plasma resonance to rewrite cell memory.
- **Within the next 12 months:** Cancer cells will self-destruct, guided by frequency modulation. Degenerated organs will regrow on-site within hours. Spinal repairs will be done softly, without surgery. Eye sight, hearing, and motor functions will return to healthy youthfulness. No metals. No blades. No poisons.
- **Bypassing the FDA hustle,** Med Beds will be deployed discreetly—at first through private clinics, then into public hospitals as supply ramps up.

### **DNA RE-ALIGNMENT & RESET PROGRAM**

- **Every Med Bed session** involves a DNA repair sequence.
- **Your telomeres** will stretch.
- **Your gene mutations** will correct.
- **Your epigenetic expression** will revert to healthier patterns.
- **Imagine your body saying,** “Yes. I remember how to be well.”
- **Patients recovering from trauma, stroke, PTSD—even birth defects—are already scheduled for early access trials.** The results are unanimous: radical restoration.

### **BREAKING THE PHARMA PRISON**

- **Big Pharma has bled humanity for a century**—funding disease, resisting cures, and lobbying for profits. Now, those walls are rusting.
- **Med Beds don't need recovery wards.** They don't require prescriptions. They don't care about patents. They obliterate disease, not manage symptoms.
- **Cancer specialists** are redundant.
- **Diabetes clinics** are obsolete.
- **Chemotherapy budgets** will evaporate overnight.

## THE FIRST PUBLIC ROLLOUT Expect these waves:

- **Phase 1:** Corporate executive clinics — hush-hush roll-out by late 2025.
- **Phase 2:** Redemption Centers in QFS nodes — free to all citizens, starting early 2026.
- **Phase 3:** National medical systems — integrated by mid-2026.
- **Public clinics will open**, documentary proof will air, and demand will overwhelm Big Pharma inertia.

## TECHNOLOGY DETAILS Three Med Bed types are verified:

- **Regeneration Model:** organ growth, spinal repair, fusion of missing limbs.
- **Rejuvenation Bed** age reversal, pain resolution, memory and emotional healing.
- **Regression Unit:** childhood memory restoration, trauma clearing, DNA harmonization.
- **Every session includes real-time biofeedback.** Patients emerge healed—without scars, without fear.

## KEEP ETHICS FRONT AND CENTER

- **These tools are miracles**, but fragile miracles.
- **They must remain unhacked**, uncorrupted, and unbanked.
- **Private labs** will train licensed operators.
- **Blockchain records** will track every seed used in every session.
- **Public council oversight** will ensure equality, transparency, and accountability.

## THE REALITY CHECK

- **You don't have to wait for a Disney film** or a Netflix special. This is not a futuristic promise.
- **It is an active arms race** — technology vs disease, healing vs control, freedom vs fear.
- **By 2026**, the biggest donors to cancer research will be healing funds, not chemical compounds.
- **Hospitals** won't bill you for death-by-treatment.
- Med Beds in schools? That's next — to erase ADHD, depression, and illness before childhood even begins.

## WHAT YOU CAN DO NOW

- **Support clinics testing Med Beds** — donate, volunteer, share.
- **Protect your future healing rights** — follow QFS-aligned networks.
- **Educate your community** — share verified stories, testimonials, and peer-reviewed case data.
- **Prepare for scale-up** — build networks, backups, and trust nodes in your area.

## THE MIRACLE IS WITHIN REACH.

- **The final barrier** is outdated bureaucracy—and that barrier is failing.
- **Together**, we step into an age where healing is not a profit game—but a human right.
- **The Med Bed Revolution** is now unstoppable.
- **The Pharma Prison** is crumbling.
- **And tomorrow's healing** belongs to humanity again.

## U. Mon. 9 June 2025: BIG PHARMA VS. MEDBED: THE FIGHT AGAINST TRUE HEALING ...Med Bed Technology on Telegram

- **Big Pharma has always been threatened by revolutionary technologies** like the MedBed, which operates using Terahertz frequencies. Why? Because they know the truth: MedBed technology has the power to extend life, heal all diseases, and keep people young—all without the need for expensive pills or ongoing treatments.
- **MedBed and Terahertz frequencies work together** to stimulate the body's natural regeneration, restoring cells, boosting immunity, and reversing aging. Big Pharma feared this innovation because it would expose their outdated, profit-driven methods of keeping humanity dependent on medication.
- **They fought hard to suppress MedBed**, but the truth is unstoppable. This technology is now transforming lives, offering hope for a healthier, longer, and happier future.

I suffer from osteoarthritis and am in daily pain that can be irritating to crippling, use a cane, and sometimes can barely walk. I am faithfully and hopefully waiting on medbed availability. This product intrigued me enough that I thought I'd try it, still being wary and somewhat skeptical. Yes, it takes about 3 weeks to get here as it is coming from China. I used it on my thighs and knees and it feels wonderful, like a mobile soothing heating pad. I was surprised to feel substantial pain relief after my first try. I am now on my 4th day and yesterday I walked all day for the first time with no or minimal pain. I love it and feel it was already all worth the the gamble, the time and the cost of getting it. Thank you Judy for posting the info on it.

**W. Mon. 9 June 2025 SNOWDEN: GEOENGINEERING IS A WEAPON OF WAR. THIS ISN'T WEATHER. THIS IS A MILITARY OPERATION.** ...Edward Snowden on Telegram

- **Edward Snowden has dropped the warning — the skies are under occupation. Geoengineering is no longer covert.** It's OPERATIONAL. The Deep State has militarized the atmosphere to cripple food supply, destroy ecosystems, and wage silent war on humanity — all while gaslighting you with “climate change” propaganda.
- **SNOW IN 38°F. ICE STORMS IN 42°F.** Tennessee. Kansas. Gulf Coast. June 2025. Rainfall that burns skin. Snow that won't melt. Apple-sized hail after 96°F heat. Weather isn't broken. It's being WEAPONIZED. The military-industrial complex is hijacking jet streams, seeding clouds with neurotoxins, and deploying aerosols of aluminum, barium, and strontium. You're not witnessing nature — you're breathing in war.
- **SNOWDEN SAYS: THE COVER-UP IS DEEPER THAN ANYONE KNOWS** Hospitals are recording surges in respiratory collapse, nosebleeds, and neurological disorders — especially after storms. Coincidence? No. It's coordinated. Whistleblowers have confirmed that agrochemical agents are being sprayed to simulate plant dormancy — triggering mass die-offs of fruit trees, berries, and wheat. 58% of Midwest crops are GONE.
- **THIS IS AGRICULTURAL GENOCIDE.** Insects are vanishing. Bees. Butterflies. Pollinators. Gone. Fisheries collapsing from chemical storms. Trout, salmon, herring — dying by the millions. Independent labs in Montana and California now confirm trillions of nanoparticle metals per liter of rainfall. These particles cause neurodegeneration, immune collapse, infertility — and they're everywhere.
- **SNOWDEN: “THIS IS POPULATION CONTROL MASQUERADING AS WEATHER.”** The sky has been weaponized to weaken the population, destroy independent food, and force the world into submission. The next step? “Climate lockdowns,” carbon passports, and digital food rationing. You will own nothing — not your seeds, not your soil, not even your lungs.
- **YOU WERE NEVER SUPPOSED TO KNOW.** But Snowden made sure the intel leaked. The death grid is live. And the clock is ticking. Document everything. Grow your own food. Purify your water. Build off-grid. And above all — **DO NOT COMPLY.** Because if they control the sky, they control survival itself. And Snowden is screaming the warning louder than ever.

**X. Mon. 9 June 2025: TOXIC SNOW, DEAD SOIL & GEOENGINEERED COLLAPSE: THE WAR HAS GONE AIRBORNE** ...Julian Assange

- **It's no longer a theory. It's not weather. It's warfare.** Snow is falling in 38°F temperatures across Tennessee, hail the size of apples just struck the Gulf Coast after a 96°F spike, and Kansas is reporting ice storms in spring. These anomalies are not

random. They are manufactured — and the fingerprints point to classified geoengineering programs using military-grade aerosol dispersal, cloud modification, and jetstream manipulation. The elites aren't warning you. They're orchestrating it.

- **Across North America, citizens are recording sky grids,** oily residues, and chemical-scented rainfall. Hospitals have reported a 320% spike in respiratory distress since March. Crops are dying mid-season from unnatural freeze-thaw cycles. Orchards bloom and wilt within days. Independent labs have confirmed shocking levels of aerosolized nanometals — aluminum, barium, and strontium — saturating rain and snow. This is not climate management. This is deliberate destabilization of the biosphere, agriculture, and the human body itself.
- **This is genocide through the weather.** Whistleblowers confirm “dormancy agents” are being sprayed to halt plant growth. Farmers are watching their soil die — microbial life is vanishing. Fruit trees in Iowa and Nebraska are dropping leaves as if it's November. Pollinators are collapsing. Bees, butterflies, even dragonflies — gone. Fisheries in the Pacific Northwest are crashing due to chemical dumping. Entire food chains are being cut down at the root while the media says nothing. No alerts. No headlines. Only silence.
- **This is a full-spectrum takedown.** Step one: destroy the food system. Step two: force lab-grown alternatives. Step three: condition the public to accept rationed digital meals, carbon-tracked consumption, and biometric compliance. They are building a synthetic world: artificial air, synthetic meat, GMO everything — while real life is systematically erased. This is climate trauma as a weapon. This is psychological warfare disguised as planetary stewardship.
- **If you see streaks in the sky, if your lungs burn after rain,** if your garden dies for no reason — you're not imagining it. You're witnessing an undeclared war from above. And if they can engineer the sky, they can collapse the economy, trigger chaos, and declare martial law under the excuse of “climate emergency.” That's where this is going. Climate lockdowns. Power rationing. Mandatory relocations. And total submission to the technocratic grid.
- **Document. Prepare. Warn others.** Grow food, store seeds, and filter your air and water. Because this isn't just about weather — it's about who controls the future. And if they control the sky... they control everything.

**Y. Mon. 9 June 2025: THE BIDEN ILLUSION: TRUMP DROPS CLASSIFIED PROOF DEEP STATE USED ACTORS, CLONES, AND HOLOGRAMS TO FAKE A PRESIDENCY ...Julian Assange on Telegram**

- **Trump just confirmed what patriots have screamed for years:** Joe Biden was never president. The man on the screen was a rotating cast of doubles, holograms, AI constructs, and military-grade clones. The illusion is dead. The storm is here. This wasn't dementia. This was deception.

- **From January 20, 2021, the real Biden was incapacitated or eliminated.** What replaced him? A charade engineered by intel puppeteers, backed by Hollywood tech, and enforced by media cowards.
- **Trump just dropped classified proof that:** The Deep State never allowed real Biden near power. Body doubles were deployed based on public events. Holograms and deepfake overlays were used to sell lies. CGI manipulation concealed facial shifts, ear shape changes, and eye glitches. Malfunctions exposed them — phantom handshakes, teleprompter freezes, AI spasms
- **You weren't imagining it. You were being mocked for seeing it.** They called you a “conspiracy theorist.” Now you're the witness to the biggest fraud in U.S. history.
- **They stole the election — but couldn't sell the puppet.** So they sold you a ghost. A mask. A malfunctioning mirage. They needed a shell to sign orders, pose for optics, recite lines.
- **But it was never about Biden. It was about power — absolute,** faceless tyranny. The regime is illegitimate. Every handshake with a fake. Every speech, every executive order — null and void. Foreign policy? Fraud. Domestic mandates? Illegal.
- **This wasn't a presidency. It was a projection.** Trump just detonated the narrative. This is vindication for the silenced — the banned, mocked, and censored warriors who knew. And it's a death sentence for the sleepers who laughed at “clone Biden” memes.
- **You watched CGI hands phase through mics.** You saw the shapeshifting face. You noticed the missing Secret Service around the fake Oval Office.
- **Now ask yourself why.** Because it. Was. All. Fake. And now the world must face the fallout.

**Z. Thurs. 5 June 2025: OPERATION ZERO TAX — THE IRS IS BEING SILENTLY DISMANTLED FROM WITHIN ...Nesara Gesara on Telegram**

- **The IRS is not being “reformed.” It's being dismantled.** President Trump isn't fixing the financial slavery machine — he's pulling the plug.
- **Just days before Tax Day,** the IRS's Chief Information Officer suddenly resigns. Not a coincidence. This is a controlled demolition. And the signs are no longer subtle.
- **Add to that the quiet exit of the Acting IRS Commissioner** — tied to an unlawful data-sharing operation with the Department of Homeland Security — and what you're seeing is not a shuffle. It's a strategic collapse.
- **The media pretends it's nothing.** Bureaucrats keep pushing papers. But inside the system, the panic is real. The very agency that audited patriots, hunted dissenters, and turned fear into currency is bleeding out. And nobody's stopping it.
- **Rajiv Uppal didn't just quit. He evacuated.** No one walks away from the IRS's top tech position right before the biggest tax surge of the year unless they see the floor cracking beneath their feet. His resignation isn't burnout. It's survival. He saw what's coming and refused to go down with the ship.

- **Trump’s team has been quietly offering exit deals to IRS insiders** — packages to leave before they’re purged. The goal? Clean house. Remove loyalists. Collapse the internal structure from within. This isn’t a budget cut. This is the beginning of the end for the Deep State’s favorite tool of control.
- **And the commissioner? Gone. Not with honor. He was caught in a covert surveillance scheme — the IRS and DHS running unauthorized data pipelines on American citizens.** No apology. No transparency. Just silence. Until Trump’s DOJ finishes what it started.
- **This entire system was never about “service.” It was about submission.** The IRS was designed to be the economic leash on the American people. A leash for the global elite to tighten at will. But that leash is being cut. Quietly. Relentlessly.
- **Under Trump’s restructuring, the enforcement division is losing half its staff. Not transferred.** Not replaced. Eliminated. The old machine that punished the working class while protecting the powerful is being dismantled — bolt by bolt.
- **And this is where it gets real.** Trump isn’t just tearing down the IRS. He’s clearing the path for a new financial system — one that doesn’t rely on fear, audits, or manipulation. A system that can’t be used as a weapon. Transparent. Just. Fair. This is not reform. It’s liberation.
- **Let the media ignore it.** Let the establishment laugh. Because when the IRS goes silent — that’s when the real storm begins. They thought they were safe. They thought the machine would last forever.
- **But history had other plans.** Trump isn’t playing by their rules. He’s rewriting them.

## **Za. Mon. 9 June 2025 ARREST THEM ALL NOW: Biden’s NGO Empire Has Fallen**

...Quantum Financial System on Telegram

- **The charade is over. The same NGOs once praised as “humanitarian saviors” have now been unmasked as covert tools of state-sponsored subversion.** What the Biden regime called climate justice and equity reform was, in truth, an orchestrated assault on American sovereignty—run through hundreds of camouflaged organizations designed to bypass Congress and sabotage the nation from within. Under the guise of aid, these nonprofits laundered billions in taxpayer money into operations that trafficked minors, funded gender mutilation programs, and imported chaos through CIA-backed smuggling corridors. It wasn’t charity. It was insurgency.
- **From 2021 to early 2025, entities like Power Forward Communities, Rewiring America, and the National Low Income Housing Coalition** functioned as operational arms of a domestic takedown strategy—routed through agencies like EPA and HUD, and cloaked in progressive slogans. The money trail reveals \$20 billion handed to shell groups linked to political campaigns and foreign donors. Housing programs were converted into secretive migrant transition hubs. Climate grants became pipelines for ideological programming. DHS leaks now confirm that these NGOs had \$150 billion in

long-term contracts for resettlement operations across U.S. cities—approved without congressional oversight.

- **Now that Trump has returned, the counteroffensive has begun.** Over 220 NGOs are under active federal investigation. Using the Foreign Corrupt Practices Act and RICO statutes, Trump’s Justice Department is executing a full-spectrum takedown of these networks. Forensic teams are tracing every dollar back to Soros affiliates, Rothschild foundations, and CCP-linked “climate partners.” The GOLEAD Act—fast-tracked through Congress—will force all NGOs to disclose foreign funding, political ties, and any covert operations they’ve run under the veil of charity. This isn’t reform. It’s demolition.
- **The panic from the Democrat side is now visible.** Screaming about racism, transphobia, and fascism, they’re trying to shield what’s no longer defensible. Whistleblower files prove these NGOs taught minors how to bypass parental consent for surgery, how to avoid ICE, and how to exploit the asylum system. They even mirrored school shooting PSAs to push trauma-based compliance programming. This wasn’t just policy corruption—it was psychological warfare, executed on American soil, with American dollars.
- **As of June 6, Trump has authorized the freezing of NGO** assets tied to foreign collusion, election tampering, and border destabilization. Treasury teams and military intel units are already disabling the funding channels behind digital ID agendas, ESG compliance, and vaccine passport enforcement. This is not cleanup. It’s collapse. The weaponized nonprofit system built to replace the Republic is being dismantled piece by piece. The Great NGO Purge has begun. And it cannot be stopped.

**Zb. Mon. 9 June 2025: QFS is merging with biometric authentication grids in 29 countries.**

...Mr. Pool on Telegram

- **The technology was classified until April.** The Now it’s operational. Each confirmed identity unlocks not only access to personal vaults, but triggers node-based payouts tied to sovereign claim rights — stolen generations are being reconciled through energy-mapped trust accounts. Quietly. Systematically.
- **In the background, the World Economic Forum has gone dark.** Several board members have vanished from public view. Their communications have been intercepted by military SIGINT teams operating under Executive Order continuity. Internal chatter confirms: they are preparing for mass asset forfeiture and jurisdictional disbandment.
- **The Federal Reserve is no longer printing** — and no one is talking about it. The last emergency issuance, hidden under “bank liquidity assistance,” was denied clearance by Space Force protocols. The note was rejected at the digital signature layer. Translation: their system has no power left.
- **In Asia, unexpected tremors beneath underground vaults in Taiwan and Cambodia were not natural.** Tactical seismic pulses were deployed to collapse illegal tunnel networks connected to historic opium trafficking routes and gold smuggling caches. The

physical gold recovered from these zones is being weighed and digitized under QFS validation systems, not IMF oversight.

- **And then there's the Vatican.** Multiple armored convoys left Rome in the early hours last Thursday. Their destination: classified. But intercepted drone footage shows movement toward covert storage near Monte Carlo — a known Rothschild archive zone. Alliance forces now control it. What they found will rewrite modern history.
- **The people still waiting for “a sign” are already behind.** The reset is not a single moment — it's a thousand silent takedowns, each one severing a link in the chain.

## **Zf. Native Hawaiian DEW Victims of Maui Hawaii**

**On Wed. 29 Jan. 2025 an Open Letter** was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

**There was 170,000 metric tons of Gold** sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

**The request was accompanied** by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

**Zg. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **Zi. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*

Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.
