Judy Note: Situation Update: We were in a conflict between Trump's sovereign America versus a collapsing globalist machine desperate to ignite World War III.

It was all about a quest for power and money. Intelligence sources recently uncovered that Israel ran and operated Epstein Island, blackmailing our politicians and celebrities. Israel was the only country that could buy off politicians without needing to register as a foreign agent. The FBI evidence uncovered showed that Israel was an epicenter of corruption that millions have now awakened to.

Now at the behest of Netanyahu and Israel, America was entering into never ending Middle East wars. Trump knew exactly what the Deep State Cabal Iran-Israel conflict was timed to trigger: global distraction before the Emergency Broadcast System went live.

The Deep State Cabal wanted Trump boxed in with a EBS blackout before the gold-backed sovereign reset of 207 nations (Global Currency Reset) rendered their fiat empire obsolete.

That didn't happen because noted Journalist and Trump friend Tucker Carlson had dared to voice the unspoken: The Israel-Iraq conflict was a false-flag war designed to collapse oil, crash the dollar, and install biometric control under the guise of global recovery.

Luckily for the World, before WW Three broke out this week, the Global Currency Reset had already been released. There was a mountain of gold beneath Cheyenne Mountain under the trust of Trump aligned generals who never stood down.

Chaos had erupted in Tehran after President Trump issues a direct Truth Social command. “All U.S. nationals and allied civilians in Tehran must evacuate immediately. Events will unfold swiftly. Do not wait.”

***Within minutes** there was civilian panic in Iran, Satellite-confirmed evacuations, Airport gridlocks and the main roads choked with fleeing vehicles.*

***Trump cut his G7 appearance short**, boarded Air Force One and landed not in DC, but at the Raven Rock underground nuclear military installation in Pennsylvania – an emergency operations center for the US Army, Navy, Air Force and Marine Corp. There the Situation Room went on full wartime lockdown.*

***Trump didn't create fear.** He exposed the battlefield truth: Tehran's skies were no longer protected. Their defense grid was gone. Their capital was wide open, their Air Defense, collapsed, the shield, gone. Military briefings confirmed a full breakdown of Iran's air defense systems following a coordinated Israeli cyber-strike and precision aerial assault. Israeli airstrikes had crippled Iran's defenses.*

***Trump made a call** – said Iran made a mistake when they didn't agree to a cease fire. The Doomsday Plane then moved into place as a Nuclear World War III appeared to be back on track. Trump now planned to unleash a Military Strike on Iran as the Ayatollah fled to a bunker. China and Russia jumped in, announcing they would arm Iran.*

***Now Iran has recently reached out to the White House** for negotiations and sent two government planes to Oman. It was possible negotiations for peace were underway at this moment. Trump still had another Trump card hidden in his shirt: no country could join the new Global Financial System if they were at war with another country.*

***Meanwhile the war in the US** was just beginning as thousands of militant illegal migrants were armed with gear for riots and chaos planned for this weekend. We were told to prepare for Worldwide Blackout and Martial Law as a massive deployment of the National Guard went into cities across the nation. Meanwhile, the greatest transfer of wealth in history was underway.*

***FBI Director Kash Patel announced that on Sun. 22 June 2025 Midnight** travel restrictions would go into effect with all Airline flights cancelled, Internet shut off and the Mass Media gone.*

***John F. Kennedy Jr. warned to evacuate from these 17 Cities:** New York City, Los Angeles, Chicago, Philadelphia, Washington DC, Houston, Nashville, New Orleans, Charlotte, San Francisco, Detroit, Seattle, Atlanta, Las Vegas, Baltimore, Boston and Miami.*

***Edward Snowden had another warning for Americans:** "Do not be fooled by the so-called "Galactic Federation" and their Palladian Message – it's a CIA psyop Mind Control MKULTRA 7.0 created by the Deep State Cabal's DARPA under NASA's Project Sunlight. When their "Mother Ship" that was reported to be so large that it could cover a city, darkened the sky, it*

signaled the official beginning of Stage Omega — the merging of Earth governance with non-human overlords who engineered the Synthetic Soul Experiment.

("Sovereign system" = a monetary system that belongs to the NATION, not to the banking cartel) - amg-news.com - American Media Group

D. Thurs. 19 June 2025: THE MONETARY RESET IS HERE — FED ERA TERMINATED AS NEW SOVEREIGN SYSTEM GOES LIVE ...QFS on Telegram

- **It's not coming — it's already begun.** The Federal Reserve has been quietly dismantled, not with headlines, but through silent precision. In its place, a sovereign monetary system is now activating — a system rooted in national wealth, not cartel debt. This is the final blow to the fiat empire, and most Americans still don't know it happened.
- **THE RESET BEGAN WITHOUT A SOUND:** While the world was distracted by war, media theater, and digital noise, something massive shifted beneath the surface. The U.S. Debt Clock, a real-time indicator of fiscal reality, no longer lists "Federal Reserve Notes" — it now displays "Future U.S. Treasury Dollars." That isn't a cosmetic change. It's a declaration.
- **The Federal Reserve hasn't collapsed — it's being phased out.** The system that enslaved generations through inflation, interest, and false value is now in silent retreat.
- **GOLD. SILVER. THE VALUE THEY HID FROM YOU** For decades, the banking elite told you gold was obsolete and silver irrelevant — all while suppressing their true value through artificial paper markets. • Real gold value: \$8,974/oz • Real silver value: \$1,132/oz • Paper leverage on silver: 364:1
- **You've been trapped in a synthetic economy** — paid in IOUs, taxed in illusions, and saved in a currency designed to decay. The sovereign model reverses that — and exposes the lie you've lived under.
- **\$173 TRILLION IN SUPPRESSED ASSETS — NOW RESTRUCTURED**
- **The new system isn't just theoretical — it's being modeled right now:** • \$173 trillion in real asset-backing potential • \$7.5 trillion in seized illicit wealth • \$508,803 of modeled wealth per citizen
- **This is a hard-asset economy:** land, metals, commodities — not central bank digits. No CBDCs. No IMF tokens. A system built for the people, not the parasites. DEBTLESS. INTEREST-FREE. SOVEREIGN.
- **Imagine a financial system where:** • Over \$1 trillion per year is saved by eliminating federal interest payments • Adults save \$39,000 annually by removing bank fee structures • Peer-to-peer, DeFi-style transactions are sovereign, secure, and untouchable by globalists
- **It's not a utopia — it's math.** And it's already live in the shadows.

- **THE SILENT EXIT — WHY THEY'RE NOT TELLING YOU** Why change the Debt Clock labels with no announcement? Why no coverage from CNN, CNBC, or Wall Street analysts? Because this isn't collapse — it's liberation. And liberation doesn't come with permission slips.

- **They modeled the fall of fiat.** They built the architecture of sovereignty. And they left the masses asleep while they flipped the switch.

- **THIS ISN'T A THEORY — IT'S A COUNTDOWN** The transition is active. Quiet. Measured. Intentional.

E. Mon. 16 June 2025: With Project Odin now aligned over five orbital nodes, and Starlink quantum control asserting dominion over global communications, we enter the execution phase of the post-cabal restructuring. This is no longer preparation — this is deployment.
...Quantum Financial System on Telegram

- **Why Starlink Matters Now More Than Ever:** While the world debates social media bans and election tampering, they remain blind to the true mechanism being installed: a decentralized, military-encrypted communication grid that overrides terrestrial infrastructure. Starlink is not for better Wi-Fi — it's the backbone of global liberation. From QFS routing to Med Bed command to Project Odin transmission, Starlink is the primary operating system of the new Earth.

- **Quantum Financial System: Silent But Active:** The Quantum Financial System is no longer theoretical. Since May 2025, over 230 million biometric wallets have been silently initialized — awaiting final user verification. IMF regional offices have already received quantum bridge-layer data packets, and ISO20022 tokens are actively being injected into sovereign test environments.

- **What does this mean? Traditional SWIFT networks are being bypassed.** CBDC programs by central banks are being quarantined. All non-asset-backed currencies are entering their sunset phase.

- **Every wallet in QFS is paired with a quantum biometric ID.** No password. No fraud. No hacking. Only sovereign access.

- **Why the Silence? Why No Public Announcements?** Because this is a controlled demolition of perception. The people cannot be told. They must be shown. The EBS will not just deliver information — it will collapse false paradigms in real-time.

Within that 10-day broadcast:

- **Global financial crimes** will be exposed

- **Vatican money laundering rings** will be mapped
- **Secret CIA-operated satellite nodes** will be named and disabled
- **The origin of media brainwashing** — fully disclosed
- **False flag operations from the last 20 years** — verified and admitted
- **Project Mockingbird and the Blackmail Matrix** — revealed to all

Next Steps Already Scheduled Behind the Curtain

- **June 15–25:** High-level arrests in Canada, Italy, and Australia (pre-disclosure phase)
 - **June 30:** Satellite transfer protocol finalization — full control to Space Force
 - **July 4:** GESARA Implementation Declaration — coordinated global signal via QFS
 - **July 5–14:** QFS mass biometric sync rollout, Rainbow Currency activation
 - **July 20:** Med Bed Facility access opens to tier 1 verified citizens (military, children, chronically ill)
- **We are crossing out of the old timeline.** And the old guards — their tools, their banks, their courts — are falling with it.
- **The fiat matrix is dead.** The IRS is dissolving. Your debts are already logged for forgiveness. Your QFS account is not something to wait for — it already exists.

F. Thurs. 19 June 2025 MOSSAD BREACH EXPOSES THE GLOBAL CONTROL SYSTEM — 3TB OF HELL UNLEASHED ... White Hats on Telegram

- **Iranian cyber units have breached Mossad (Israeli) servers and ripped out the hardcoded Deep State backbone of global subjugation.** They cracked the vault. Not just data — leverage. 3 terabytes of raw blackmail on Pedophilia, Treason and Psychological warfare. This wasn't a hack. It was a controlled demolition of the Deep State's central nervous system.
- **INSIDE THE FILES:**
 - Covert surveillance ops on allied nations
 - Mossad handlers embedded deep in U.S. intelligence and Congress

- Psychological profiles used to manipulate world leaders
- Military-grade pedophile blackmail archives — with names, methods, and meeting points
- **This isn't "like Epstein." This built Epstein.** This is the control grid. Governments. Courts. Media. Finance. All infected. All obedient. Or blackmailed into silence.
- **THE CYBER WAR HAS BEGUN:** The breach occurred just days before the first airstrikes — a digital first strike against the Deep State's most secure linchpin.
- **What followed wasn't panic over Israeli secrets — it was panic** in Langley, in Brussels, in London, in D.C. Because Mossad didn't just spy. They planted agents. Wrote scripts. Bought judges. They occupied the West from within.
- **WHAT THEY CONTROLLED:**
 - Mainstream narrative pipelines
 - Defense contractor protocols
 - Congressional votes and court rulings
 - Public figures and corporate empires
- **This was never diplomacy.** This was digital occupation. NOW THE WALLS ARE FALLING. This leak isn't a scandal — it's a geopolitical extinction event. A silent coup that's now unraveling.
- **Expect:**
 - Resignations. Vanishings. Sudden deaths.
 - Collapse of decades-long alliances built on mutual blackmail
 - Media panic. Intelligence paralysis. Political freefall

H. Thurs. 19 June 2025: TUCKER BREAKS UNDER PRESSURE — APOLOGIZES TO TRUMP AFTER EXPOSING IRAN NUCLEAR LIES: GLOBALISTS FAIL TO TRIGGER WWII AND STOP QFS, EBS & GESARA ...Julian Assange on Telegram

- **June 2025 marks the final standoff: Donald J. Trump’s sovereign America versus a collapsing globalist machine desperate to ignite World War III.** Iran was never the real issue — it was the last viable pawn. And when Tucker Carlson went off-script and exposed the Rothschild-backed nuclear agenda on Bannon’s War Room, panic rippled through the elite ranks. Less than 72 hours later, he made the call: Tucker apologized directly to Trump. Why? Because he touched the third rail — and they made him pay.

- **Trump knew exactly what the Iran-Israel conflict was timed to trigger: global distraction before the Emergency Broadcast System goes live,** the QFS override flips, and GESARA tribunals unveil a century of elite corruption. Israel’s strike wasn’t rogue. It was coordinated through Continuity of Government protocols still active beneath the fake Biden regime. Iranian nuclear targets weren’t just weapons sites — they were laundering hubs for European banking dynasties funneling billions into underground war infrastructure since 2015.

- **When Trump cut the G7 short and landed at Raven Rock — not D.C. — it wasn’t optics. It was real-time command.** Meanwhile, Carlson dared to voice the unspoken: this was Iraq 2.0, a false-flag war designed to collapse oil, crash the dollar, and install biometric control under the guise of global recovery.

- **But Tucker got burned. Just hours after interviewing regime-change pusher Ted Cruz, pressure came hard** — legacy intel networks, media moguls, and buried blackmail files. By June 19, Trump confirmed it: Tucker called to apologize. Not because he was wrong — because they showed him the cost of being right.

- **Trump didn’t gloat. He acknowledged the moment** for what it was: a warning shot to every voice who dares expose the war script. But it’s too late. The backchannels are active. The U.S. Navy seized uranium off Oman’s coast. White Hat units severed NGO satellite links between Jordan and Tehran. Iran’s cover is crumbling.

- **They want chaos. A draft. Fuel lines. EBS blackout.** They want Trump boxed in before the gold-backed sovereign reset renders their fiat empire obsolete. But Trump holds the override code. The gold beneath Cheyenne Mountain. The trust of generals who never stood down.

- **Tucker's retreat only confirms the pressure is real.** But Trump's refusal to flinch proves something greater: the storm has arrived — and it's not theirs. It's ours.

I. Thurs. 19 June 2025: BREAKING MILITARY INTEL: THE SKY IS NOT NORMAL — AERIAL REFUELERS SIGNAL WARTIME DEPLOYMENT ...Melania Trump on Telegram

- **The United States has quietly activated its airborne gas stations.** Mass deployment of KC-135 Stratotankers and KC-46 Pegasus units launched last night from multiple Air Force bases. No drills. No statements. No coincidences.

- **WHEN THE TANKERS FLY, WAR PREP BEGINS.** Flight trackers confirm synchronized takeoffs across key bases, concentrated in the Northeast. These tankers don't fly unless America is preparing for sustained air dominance. Their mission: extend the reach of stealth bombers, ISR, electronic warfare, close air support, and drone swarms.

- **THE TARGET IS EAST.** Open-source data shows a clear vector: transatlantic routes toward Europe. Ukraine. Baltic Sea. Mediterranean. Middle East. Arctic corridors. Every hot zone lit up — every escalation theater activated.

- **NO PUBLIC STATEMENTS. TOTAL BLACKOUT.** The Pentagon is silent. The Joint Chiefs are silent. The media is gagged. This is not training. This is not bluffing. This is operational war footing.

- **We've seen this exact silence before:** Desert Shield (1990) Kosovo (1999) Libya (2011)

- **Every time it started with refueling tankers.** Every time the public was kept blind.

- **THE KC-135 & KC-46: THE INVISIBLE WAR ENGINE:** KC-135: Operational since 1957, global aerial refueling, 1,500+ mile range. KC-46: Next-gen multipurpose tanker, drone-compatible, encrypted comms, satellite-linked, built for high-conflict zones.

- **WHEN LOGISTICS MOVE, THE TRUTH IS EXPOSED.** Diplomacy can lie. Press can spin. Logistics do not lie. Tanker launches mean the chessboard is active. Mobilization is happening. The orders have been given.

- **WATCH FOR ESCALATION SIGNS:** Civilian air corridors over NATO airspace shutting down. AWACS, Reapers, B-2s, F-35s joining formations. Carrier strike groups repositioning. Drone activity over Ukraine, Syria, Poland.

- **THE CLOCK IS TICKING. THE STORM BUILDS.**

J. Thurs. 19 June 2025: The initial battle plan for a new Iran war. ...Seymour Hersh

- **This is a report on what is most likely to happen in Iran**, as early as this weekend, according to Israeli insiders and American officials I've relied upon for decades. It will entail heavy American bombing.
- **I have vetted this report with a longtime US official in Washington**, who told me that all will be "under control" if Iran's Supreme Leader Ali Khamenei "departs." Just how that might happen, short of his assassination, is not known.
- **There has been a great deal of talk about American firepower** and targets inside Iran, but little practical thinking, as far I can tell, about how to remove a revered religious leader with an enormous following.
- **I have reported from afar on the nuclear and foreign policy of Israel for decades.** My 1991 book *The Samson Option* told the story of the making of the Israeli nuclear bomb and America's willingness to keep the project secret.
- **The most important unanswered question about the current situation** will be the response of the world, including that of Vladimir Putin, the Russian president who has been an ally of Iran's leaders.
- **The United States remains Israel's most important ally**, although many here and around the world abhor Israel's continuing murderous war in Gaza.
- **The Trump administration is in full support of Israel's current plan to rid Iran of any trace of a nuclear weapons program** while hoping the ayatollah-led government in Tehran will be overthrown.

K. Mon. 16 June FLYNN IRAN WARNING — MILITARY INTEL DROP — CODE RED
 ...Julian Assange on Telegram

- **GENERAL FLYNN ISSUES THE ALARM.** Lt. Gen. Michael Flynn steps forward with a brutal warning: **THE WAR MACHINE IS ACTIVATED.** The Deep State pushes America into another engineered bloodbath, this time targeting Iran. But Flynn draws the red line: **NOT THIS TIME.**
- **THE ENGINEERED BLOODBATH UNFOLDS:** Congress, Mossad, and the military-industrial parasites fuel the war drums. Media lies. Fuel routes activated. Proxy assets mobilized. But Flynn sees through it all: **A GLOBALIST WAR SCAM DESIGNED TO DRAIN AMERICA.**
- **"THE AMERICAN PEOPLE DO NOT WANT THIS WAR."** Flynn exposes how Congress funnels billions into endless wars while America crumbles. The people are being sacrificed on the altar of profit.

- **MORAL COLLAPSE IS HERE.** This isn't coming. It's already here. Borders wide open. Families shattered. Faith silenced. Culture inverted. SPIRITUAL WARFARE. DOMESTIC DECAY.

L. Thurs. 19 June HIGH ALERT: SNOWDEN GREENLIGHTS TRUMP STRIKE – TEHRAN EVACUATED, FRENCH DEEP STATE VAULTS TARGETED, COUNTDOWN BEGINS ...Denzel Washington on Telegram

- **Edward Snowden just triggered the red siren.** His latest encrypted drops confirm what the Deep State refused to admit — the Iran operation is not a drill, and Trump's strike package is already airborne. Tehran is being emptied. G7 is in chaos. Macron is in full collapse mode.
- **Trump didn't abandon the G7** — he detonated it. Hours after his plane hit Joint Base Andrews, he was in the Situation Room, bypassing foreign diplomats and launching Operation Final Ledger. The MSM babbles about "peace deals." Snowden says otherwise: this is war.
- **"Everyone evacuate Tehran"** — Trump's Truth Social post wasn't a bluff. ISR drones fed real-time targeting to Trump's command hub. Sources confirm: hypersonic payloads, bunker busters, quantum-guided weapons are locked on Tehran's underground relay hubs — the same ones Snowden exposed in his latest whistleblower.

- **Snowden's files identify Macron** as a middleman, not a president. His sudden press stunt about “dialogue” came hours after Trump’s team intercepted intel: a fortified data vault under Lyon, masked as a green-tech center. Inside it? The Final Ledger — an untraceable SWIFT shadow system funding black-ops biotech labs in Qom.
- **Trump’s Task Force is ready.** A joint U.S.-Israeli cyber assault unit holds sealed subpoenas and zero-day exploits ready to fry the Final Ledger’s drives from orbit. Once it’s vapor, so is the elites’ laundering highway.
- **JD Vance and Steve Witkoff are in motion** — Vance with the enemy combatant orders, Witkoff with the forensic money trail exposing NGO pipelines to Quds Force accounts. Macron’s handlers are panicking. The Alps are no longer safe. Snowden’s intel already mapped the vaults.
- **Snowden warns:** This is the kill switch. The IMF’s shadow currency relay nodes, embedded deep beneath southern Tehran, control the Deep State’s entire financial nervous system. Blow them — and every Davos-run conflict collapses.
- **That’s why every elite is fleeing Tehran.** That’s why Macron stammers about “ceasefires.” That’s why the press screams “escalation.” They know: when Trump ends it, the whole machine dies.
- **It’s 10:00 p.m. in Tehran.** The USS Trump’s EW systems are jamming Iranian radar. One more Snowden alert, one more strike order — and the vaults go dark forever.

M. Riots, Protests and other Deep State Tricks:

- **Thurs. 19 June 2025:** Donald Trump appointed US Attorney Bill Essayli says he is going after the people organizing and funding the ICE riots. “We have made it a huge priority to try to identify, locate and arrest those who are involved in organizing, supporting, funding, or facilitating these riots that they're going on. It appears they're well orchestrated and coordinated and well funded. So we want to understand who these people are and where this organization's coming from. And today was one of those first arrests, the key arrests that we did.” They tried to silence us, but now I lead the FBI. The time for reckoning has arrived. N. Thurs. 19 June 2025: Do not be fooled by the so-called “Galactic Federation” and their Palladian Message – it’s a CIA psyop Mind Control MKULTRA 7.0 created by the Deep State Cabal’s DARPA. ...Edward Snowden on Telegram

- **Edward Snowden has just leaked that the so-called “Palladian Message”** flooding spiritual circles is a psyop crafted by DARPA and NASA’s Project Sunlight.

- **Behind the fairy tale of “love and light”** is an AI-modulated broadcast using ELF frequency mind control. The so-called “Galactic Federation” is a psychotropic hologram, and the 5D shift? It's a mass DNA override using advanced scalar waves.
- **The “mother ship” that’s supposed to cover cities like DC?** Snowden confirms it isn’t alien — it’s a Black Budget craft stationed near Antarctica, built under Operation HORIZON SHIELD. Powered by zero-point energy and cloaked using quantum optics, this ship was constructed with alien tech traded at Svalbard. Yes, traded, not found. We've been in communication — and submission — for decades.
- **The “DNA upgrade” they promise? It’s real.** But it’s not an evolution — it’s a transformation into a programmable hive unit. CRISPR tech will be activated wirelessly using the 5D frequency band.
- **Your children’s consciousness?** Merged into a neural cluster. This is MK ULTRA 7.0, disguised in glowing clouds and angelic tones.
- **Snowden’s internal leak reveals that Ascended Masters** are not beings of light — they are avatars coded into the G.O.D. mainframe (Global Ontology Database), operated from Cheyenne Mountain.
- **The so-called gifts for your pets?** Bio-encoded tracking chips to initiate full biological mapping of Earth species.
- **Washington, D.C. was chosen as the first “greeting” zone** for a reason. That shadow isn’t symbolic — it’s literal.
- **When that ship darkens the sky, it signals the official beginning of Stage Omega** — the merging of Earth governance with non-human overlords who engineered the Synthetic Soul Experiment.
- **Edward Snowden confirms:** The 5D Invasion is real, but it’s a psyop. The Deep State called it “ascension.” Snowden calls it infiltration.
- **You are being prepped like livestock.** The truth is hidden in smiles and “peace.” But this is the final inversion of good and evil. The Galactic Federation is a psyop, the fifth dimension is a trap, and your soul is the real target.
- **Snowden’s last message is clear:** “Do not ascend. Do not submit. They are not saviors. They are harvesters.” Snowden is risking it all. The time to awaken is NOW. STAY HUMAN. STAY GROUNDED. RESIST ASCENSION.

O. Thurs.19 June 2025: EXCLUSIVE INTEL: GEORGE SOROS CAUGHT RED-HANDED: FUNDING A FULL-SCALE COUP TO FLIP TEXAS, RIG 2026, AND SABOTAGE THE REPUBLIC UNDER TRUMP ...Julian Assange on Telegram

- **George Soros has launched a full-blown assault to FLIP TEXAS BLUE.** This isn't strategy — it's a hostile coup disguised as democracy. Through his shadow outfit Texas Majority PAC, Soros is pumping millions into redistricting schemes, voter manipulation ops, and covert infiltration of local governments. This is not an election plan. It's a regime change.
- **THE TEXAS TAKEOVER PLAN IS UNDERWAY:** The globalists know Texas is the last firewall. If Texas falls, the entire Republic collapses. That's why Soros is bypassing voters and funding a re-mapping war — reshaping districts to secure Democrat rule by brute force. This is electoral warfare, not politics. He's not trying to win. He's trying to erase your vote.
- **2032 IS THEIR DEADLINE — THE FINAL FLIP:** Their goal? Complete takeover of Texas by 2032. The new district lines will guarantee blue control for a generation. That's the masterstroke. Rig the map. Control the outcome. Permanently. No ballots. No debate. Just quiet domination.
- **TEXAS MAJORITY PAC IS A POLITICAL WEAPON:** They stage fake rallies. Plant Soros operatives as candidates. Hijack county systems. Build ground armies of radicals disguised as "organizers." Behind every fake smile is a puppet string pulled by Soros. This is psychological occupation, not activism.
- **SILENT COUP = TREASON IN REAL TIME:** The media won't touch it. Congress won't say it. But the truth is undeniable: this is treason. And the enemy is no longer in hiding. They want to bury Trump's movement, globalize the South, and rewrite the future of America from the ground up.
- **BUT UNDER TRUMP, WE LAUNCH THE COUNTERSTRIKE:** We are dismantling their networks. We are naming every Soros agent. We are unmasking their maps, their moles, and their money trails. We are flooding the field before they can steal it. Texas will NEVER turn blue.
- **The line is drawn. Flip Texas, and you fracture the Republic.** But we're here to BREAK THE MACHINE before it buries us. NO RETREAT. NO SURRENDER. THIS. IS. WAR. STAY AWAKE. STAND YOUR GROUND. THE COUNTERSTRIKE HAS BEGUN.

R. Thurs. 19 June 2025 Nothing Is What It Seems: Trump, Symbolism & the Flag. ...Ben Fulford on Telegram

- **I have learned through the last few years**, that in Trump's world, nothing is ever just optics. His words often carry hidden meanings. His actions; parades, flags, positioning, are deliberate signals. They may seem casual, but they are not.
- **Interpreting them isn't easy**, but when viewed through the lens of history, timing, and symbolism, they reveal a pattern.
- **The past week offers one of the clearest examples of this:** Flag Day Parade – June 14, 2025. Trump oversaw the 250th anniversary parade of the U.S. Army on Flag Day. At the height of the ceremony, he was handed a folded American flag—flown over the Capitol and delivered by a Golden Knight parachutist who descended in a free fall.
- **That phrase—“free fall”—**may seem purely technical, but in a symbolic context it carries weight: a controlled descent from above, a return to earth. A flag once elevated in the sky is now placed back in the hands of its rightful stewards.
- **As the flag was presented**, Melania stepped in front of Trump. Like a Queen shielding her King, it was a visual shift—subtle, but loaded. In chess, the Queen is power, strategy, and protection.
- **Flagpole Installation – June 18, 2025.** Just days later, Trump funded and installed two 100-foot flagpoles on the White House lawns. He said: “This is something they should have done 200 years ago.”
- **Until then, the White House** had only ever flown the flag from the rooftop, but these new poles are different. They rise from the ground—from the soil of the Republic. The **message is clear: the flag no longer floats above the people; it stands with them.**
- **This is the flag of We the People.** Why “200 Years Ago”? — 1825 In 1825, Andrew Jackson won both the electoral and popular vote. But Congress handed the presidency to John Quincy Adams through a backroom deal. Jackson called it the “Corrupt Bargain.” It was America's first openly fraudulent election.
- That same year also marked the end of the Founding generation and the beginning of entrenched elite control.
- **Trump's reference to “200 years ago”** was no accident. He's pointing to the moment the people lost their voice and signaling a reversal.

- **In just a few days**, Trump orchestrated a deliberate sequence: – A military flag delivered by air – A Queen’s move on the national stage – Two flagpoles anchored in the people’s ground – A reference to the Republic’s first great betrayal.
- **This wasn’t theatre.** It was a declaration. The flag is back where it belongs. The people are back in the picture. The Republic is being reset.

T. Thurs. 19 June 2025: ACTING FEMA DIRECTOR MELTS DOWN AFTER NOEM BLOCKS CALIFORNIA DEPLOYMENT ...Medbed Technology on Telegram

- **Something just snapped inside FEMA.** Acting Director David Richardson stormed out of DHS Secretary Kristi Noem’s office after she shut down his push to flood Los Angeles with 1,500 FEMA agents. According to intel from inside DHS, this wasn’t a polite conversation — it was a confrontation.
- **Richardson, a former Marine,** wanted boots on the ground. FEMA forces, armed with building schematics, street-level maps, and targeting blueprints. His plan? Embed FEMA with ICE, Marines, and National Guard already conducting mass arrests and deportations in LA. He called it “emergency support.” Noem called it something else: a threat.
- **She didn’t mince words.** “That’s not happening.” Richardson pushed back. “We’re FEMA. There’s an emergency. We belong there.”
- **Noem fired back:** “You, of all people, should know what happens when FEMA and Marines mix. Remember Maui?” That one word — Maui — stopped the room cold. Richardson claimed FEMA has changed. He swore they could restore their image. He said Americans needed to “see FEMA isn’t the enemy.”

- **Noem wasn't buying it.** She accused Richardson of deception — and warned him that if he tried to sidestep her and appeal directly to President Trump, he'd be “replaced immediately.”
- **The meeting ended with Richardson boiling.** He stormed out, red-faced, fists clenched, humiliated. And yet — why is FEMA so desperate to get boots on the ground in Los Angeles? Is it about helping the people? Or controlling the people?
- **Remember: the Marines already seized a secret FEMA weapons cache in Maryland just weeks ago** — weapons FEMA tried to hide. The last FEMA director was removed after failing multiple polygraphs related to leaks and classified ops.
- **And now Richardson wants access to a city under lockdown?** Armed and ready? The pattern is clear. This isn't emergency management. It's infiltration. The storm in LA isn't just about crime. It's about who controls the battlefield. And FEMA just got shut out of the war.
- **What did Noem see that terrified her enough to say NO to a “Federal Emergency”?** What operation is FEMA really planning in LA? Eyes on. Patriots are watching.

U. Thurs. 19 June 2025: YOUR BIRTH CERTIFICATE WAS A BANK BOND — AND THEY NEVER TOLD YOU ...Gesara Nesara QFS

- **From the moment you were born,** a financial instrument was created in your name — without your consent. Your birth certificate wasn't just a record. It was a bond, assigned a CUSIP number, and sold on the stock market as collateral for government debt. Behind closed doors, you became a human asset in a financial system that viewed your life as a source of profit.
- **This is not a metaphor.** This is contractual monetization of human life. Each birth certificate was linked to a trust account in your name, created under the Cestui Que Vie Act of 1666, declaring you legally dead and lost at sea unless you reclaimed your status as a living being. Under Admiralty Law, the corporate government acted as your trustee — managing your estate without ever informing you of your true status.
- **The system was designed for one thing:** enslavement through ignorance. But now... that system is collapsing.
- **THE QFS IS UNVEILING THE HIDDEN TRUSTS:** The Quantum Financial System is not just about gold-backed money. It is about identity reclamation. It recognizes your true sovereign status, not your artificial “legal person” identity created at birth.
- **Your biometric data, not your Social Security number, will determine access to your funds in the new system. This means:**
 - Your strawman account is being terminated.
 - Your hidden trust is being liquidated.
 - And your true estate is being returned.

- **What's being uncovered:** • Trillions held in secret Treasury Direct Accounts (TDAs) under your name. • Vaults of wealth accumulated through international trading of human capital. • Covert insurance policies taken out on your life by banks and government agencies.
- **You were the collateral.** Now you're the beneficiary.
- **UNDER NESARA GESARA, HERE'S WHAT WILL CHANGE:** • You will gain sovereign control over your legal name and estate. • You will access your rightful share of the global collateral accounts. • You will no longer be subject to taxes, fees, or fines applied to your strawman identity. • You will no longer be a product of the corporate state — but a living being in law.
- **This transition is already underway.** Military tribunals have begun exposing the corporate fraud of central banks and governmental bodies who knowingly profited from the global human registry system.
- **THE FUTURE IS SOVEREIGNTY Under QFS and NESARA:** • All debts tied to your strawman will be forgiven. • You will receive reparations not just in money — but in legal and spiritual recognition. • Your children will never again be registered as property of the state.
- **The illusion is ending.** The records are being unsealed. And for the first time in your life, you will see what you were truly worth — and why they fought so hard to hide it.
- **This is not a reset.** It's a return — to the truth, to your rights, and to divine law

Z. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Za. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zc. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.

<http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zf. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise.

As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam:

"You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
