Trump To Announce America’s Return To Concepts of the Original Constitution on Independence Day July 4 2025

Cabal Owned US Inc. Has Been Dissolved; 1776 Will Be Reloaded

Trump Announces The Second Declaration of Independence

“America is a Nation of Free, Sovereign People under God.”

["Battle Hymn of the Republic" w/ the Mormon Tabernacle Choir LIVE from West Point | West Point Band](#)

“The rights of people come not from the generosity of the State, but from the hand of God.”

...President John F. Kennedy

Judy Note: 1776 reloaded – Trump’s second Declaration of Independence. ...Julian Assange on Telegram.

- **What began in 1776 with ink and courage is now being completed in 2025**—with classified evidence, military coordination, and the will of the People. President Trump has initiated the Second Declaration of Independence. Not from a king, but from a Cabal. Not to form a new nation, but to restore the one that was stolen.
- **The truth is no longer hidden. In 1871**, while America was broken by Civil War and drowning in debt, a foreign alliance of European bankers struck a deal with Congress: financial rescue in exchange for full administrative control. The UNITED STATES CORPORATION was born—privately owned, headquartered in D.C., and operating outside the Constitution. Sovereignty was sold. The Republic died in silence.
- **Since then, every president (except a few) served as CEO** of this corporation. The Constitution was quietly replaced with a corporate facsimile. Senators, once appointed by State Legislatures, became political salesmen. The IRS was born, income tax was imposed, and the Federal Reserve Act of 1913 placed America's currency under the control of private central banks.
- **By 1933, the U.S. declared bankruptcy.** Roosevelt, acting as corporate trustee, signed over the assets of the people—including their labor, property, and future earnings. Every citizen became a corporate asset—collateral to foreign shareholders. Your birth certificate became a bond. Your Social Security Number, a tracking code. The "UNITED STATES" became a franchise of global financiers in London, the Vatican, and the Crown.
- **They infiltrated schools, media, and government.** They rewrote history. They told you America was a democracy, not a constitutional republic. They installed laws in ALL CAPS. They made your states into corporate entities. And they used wars, crises, inflation, and fear to expand their control.
- **But now the veil is lifting. Trump’s Second Declaration is a formal rejection of every foreign claim on American soil, labor, and destiny.** The military is no longer protecting the corporate shell—it is standing behind the original Constitution. The Quantum Financial System is already live. The gold has been reclaimed. The fraudulent debt is being erased. And every attempt to block this reset is being treated as treason.
- **This isn’t about left or right. It’s about freedom or slavery. The theft of 1871 is being reversed.** The Federal Reserve is being dismantled. The IRS is being shut down. The media propaganda machine has been decapitated. And July 4, 2025 marks not just a celebration—but a re-declaration.
- **America is not a corporation. America is a nation of free, sovereign people under God. The Republic has returned.**

A. Thurs. 26 June 2025 The night the clocks blinked was the night Humanity Reset. ...Mr. Pool on Telegram

- **At 5:05 am EST**, final confirmation codes were transmitted through the QFS Lattice – a secure trinity of nodes from Mount Cheyenne, St. Petersburg and Uluru reported zero interference. The system is sealed. The future is locked.
- **The banks you once feared?** Gone. The chains of credit slavery? Snapped. In their place: a living system encrypted by light, responding only to heart-frequency and truth.
- **Documents declassified at GITMO** confirm that the United States has been operating under emergency Military Governance since 2021. Trump never left. He entered a higher command.
- **Now the real Republic** is returning.
- **Every major capital is on Alert**, while London, the Vatican and Brussels have been stripped of diplomatic shields.
- **Special Forces** are moving in under EBS cover.
- **The Age of Deception has collapsed.** The Age of Sovereignty has risen. Welcome to the other side of the Storm.

Quantum Financial System:

B. Wed. 25 June 2025: OPERATION WHITE SWAN GOES LIVE: GITMO EXPANDS, QFS SEIZES GLOBAL FUNDS, DEEP STATE INSURRECTION IN LA, AND FINAL EBS PREP BEGINS ...QFS on Telegram

- **As of June 25, 2025, OPERATION WHITE SWAN has officially entered its final and most aggressive phase.** What began as a covert mission is now unfolding in the open. Under President Donald J. Trump's command, the Earth Alliance is targeting the final bastions of Deep State control—financial systems, bio-warfare labs, cloning facilities, and political strongholds. The global reset is no longer theoretical. It's active, and irreversible.
- **GESARA implementation is accelerating with military precision.** The Quantum Financial System has seized control from legacy banking institutions, freezing over \$89 trillion in illicit Deep State holdings. Offshore accounts, Vatican gold reserves, and IMF-led black funds are being dismantled. These assets are now being rerouted into sovereign quantum vaults for global redistribution—ushering in debt forgiveness, asset-backed currencies, and the legal dismantling of the IRS. Pentagon sources confirm that global tax treaties are being rewritten as military economic units finalize audits across 144 nations. The dissolution of the Federal Reserve is nearly complete.
- **At Guantanamo Bay, new subterranean tribunal wings are now operational.** High-value detainees—ranging from globalist financiers to human experimentation architects—are being processed under classified JAG protocols. Confessions have exposed horrifying programs: lunar-based cloning labs active until mid-2023, MK-Ultra reactivation through COVID booster campaigns, and FEMA-administered bio-distribution networks disguised as aid. Trump's military intercepted an attempt by Biden-

linked handlers to breach QFS biometric firewalls using Swiss backdoors—an act of high treason.

- **Meanwhile, Los Angeles has become a flashpoint.** What the media calls “civil unrest” is in fact a Deep State insurrection engineered by globalist NGOs and foreign-backed operatives. Riot coordination has been traced to encrypted networks funded by Soros-linked entities and routed through offshore servers in Brussels and Zurich.
- **Cartel enforcers disguised as asylum seekers** were pre-positioned across sanctuary corridors weeks in advance.
- **In response, over 4,000 Marines and National Guard troops have been deployed.** Military airspace is sealed. Tactical operations are clearing out embedded assets. California’s executive branch is now under federal investigation for accepting foreign aid to maintain sanctuary jurisdictions.
- **Globally, “Ghost Dagger” strike teams are dismantling bio-weapons networks,** mind control grids, and Vatican-linked trafficking corridors in 17 countries.
- **NATO biolabs in Slovakia, Swiss mind-control hubs, and German AI finance** systems have all been neutralized. These elite units now operate from black sites secured under Earth Alliance command.
- **As of June 8, Directive Omega was launched**—collapsing SWIFT and placing 97% of global finance under surveillance.
- **Vatican crypto channels,** Shanghai’s digital nodes, and BlackRock towers in Berlin are locked. Tesla-linked QFS vaults have moved into final configuration.
- **Files containing evidence of weather manipulation,** child trafficking, and political blackmail are queued for public release during the Emergency Broadcast System rollout.
- The countdown is tightening. Signal uplinks at NORAD are live. National Guard deployments span 30 major cities.
- **Drone interceptions over Phoenix and Tulsa confirmed the existence of DARPA-engineered genome-targeted viruses,** designed to sterilize and eliminate key American bloodlines. The shipments have been seized. The skies are being reclaimed.
- **The blackout is coming.** The truth cannot be stopped. The world will watch as every lie collapses in real time—and justice is finally served.
- **Mastering QFS means** understanding how to open your account, transfer your funds, and navigate the new financial system that is replacing traditional banking.
- **The Quantum Financial System is not just a technical innovation but a complete transformation of how the global economy operates.** It is built on quantum technology that offers maximum security, unmatched speed, and full transparency for every transaction. Unlike outdated banking systems that are slow, expensive, and vulnerable to cyber attacks, the QFS protects your financial data through advanced encryption. Every transaction is automatically recorded on a distributed ledger, meaning there are no hidden fees and no space for manipulation. You can access your account at any time, from anywhere in the world, without relying on banking hours or third-party approval.

- **Transferring funds into QFS is simple and fast.** There are no middlemen, no waiting days for international transactions, and no complex bank procedures. Once your QFS account is activated, your money moves instantly and securely under your direct control.
- **This is not just a system change. It is a shift toward financial freedom,** where individuals are empowered, banking is honest, and the future is no longer tied to corrupt institutions. With QFS, you are not just keeping up with technology — you are stepping into a new era where you own your value and your future.

Restored Republic

C. Judy Note: On Thurs. 26 June 2025 the “Great Big Beautiful Bill” barely passed Congress with a one vote difference 215 to 214. It now must pass the Senate. Trump has given the Senate until **July 4** to get it passed, or he will reveal the corruption of those who oppose the bill and the real reasons why they wouldn't vote for the bill.

Some politicians don't like the bill because it completes the closure of the IRS and Federal Reserve, which was already ruined by Trump's Global Military Alliance reclamation of US gold stored in Asia and Europe. This money was being money laundered back to certain politicians to keep the Deep State Elite's hold on the fiat US Taxpayer Dollar within their power.

The new Quantum Financial System (QFS) which is now gold backed, has seized and returned more than \$17 trillion worth of stolen gold to safe U.S. depositories. America's new financial system is supported by this gold and activation of the Global Currency Reset of 209 countries has eliminated the fiat US Dollar, will erase illegitimate debt of The People and shut down the independently owned by Deep State Global Elite foreign banker's IRS and Federal Reserve.

E. Thurs. 26 June 2025: TRUMP JUST ABOLISHED THE IRS — THE \$150 TRILLION STRIKE THAT ENDED A CENTURY OF ENSLAVEMENT ...QFS on Telegram

- **The day has come. As of June 26, 2025, the IRS is officially being dismantled** under direct executive order by President Donald J. Trump. Not as a policy shift, but as a military-backed strike on the financial heart of the Deep State. The income tax was never about national infrastructure—it was about control. For over a century, the IRS acted as the private collection agency for foreign bankers, intelligence networks, and unelected elites. That system is now collapsing.
- **Trump's mission was never reform. It was removal.** By terminating the IRS, he's executing a long-planned operation to sever the financial bloodline of globalist institutions. \$150 trillion in elite offshore wealth has already been seized. Formerly untouchable assets from Rothschild intermediaries, IMF insiders, and WEF operatives are

being funneled into sovereign accounts. Silent tribunals have begun. Military intelligence confirmed encrypted financial panic out of Brussels and Geneva. They know the walls are closing in.

- **Behind the scenes, a new financial structure has already replaced the old.** Quantum Financial System nodes are now overriding SWIFT in real-time. That's why banks are experiencing 'glitches', frozen cards, and transaction delays—it's not a bug, it's the transition. Tariffs are no longer about trade—they are strategic weapons, draining hostile nations and corrupt corporations while protecting U.S. wealth. Chinese firms, Vatican funds, UN subsidiaries—all are being cut off or forced to pay just to function.
- **Three IRS executives resigned quietly last week.** 12,000 high-net-worth taxpayer accounts coded "non-domestic" were unsealed and confiscated. Gold reserves once hidden beneath the New York Fed are now under military escort to secure bunkers. The black budgets, NGO trafficking pipelines, CIA psy-ops, and bio-lab agendas all ran on your tax dollars. That flow has been severed. The control grid is bleeding out. And there's no tourniquet coming.
- **Trump is not just unshackling America's workers. He is collapsing the entire infrastructure of financial enslavement.** If you make under \$150,000 per year, your chains are being broken. The IRS was their eyes, their teeth, their weapon—and now, it's gone. This is not a symbolic victory. It's an economic warhead detonated at the core of globalist control. The Deep State never thought it would come to this. But Trump did. And now the world is watching.
- **June 26, 2025. The IRS died.** And with it, the old world began to fall.

F. Wed. 25 June 2025 Breaking: Trump directs Congress to approve the final bill, causing widespread panic and mass arrests before July 4. ...Mr. Pool on Telegram

- **Trump isn't inquiring. He has authority. President Donald J. Trump publicly ordered Congress to deliver "The Great, Big, Beautiful Bill" before Independence Day.** No more postponements. No more haggling. The American Republic will be restored, globalist power structures will be overthrown, and traitors will be exposed by this bill, which is the last blow—a Constitutional explosion.
- **Politics is not at play here. This is a legislative war.** Wars abroad are over. Trafficking networks were taken down. Black sites for NATO were eliminated. Black-bagged CIA rogue assets. Covert White Hat operations destroyed puppet regimes in the Middle East, Africa, and Ukraine. The battlefield is now in Washington, D.C.
- **The bill completes the Federal Reserve's demise,** which was already ruined by military gold reclamation in Asia and Europe. QFS has seized and returned more than \$17 trillion worth of stolen gold to safe U.S. depositories. America's new financial system, which will eliminate fiat money, erase illegitimate debt, and shut down the IRS, will be supported by this gold.

- **Trump has made it clear that Congress must take action or face consequences.** The NSA has a years' worth of intercepted communications, including senators connected to biolab kickbacks, Epstein Island blackmail, foreign handlers, and NGO laundering. The military is in charge of the intelligence. Under emergency declassification procedures, any member who opposes the bill will be exposed in a public tribunal.
- **Months ago, Project Mockingbird fell apart behind the scenes.** They removed more than 270 CIA media agents. The remnants of their handlers have silenced the mainstream media. This isn't governing. This is the last operation.

The bill's reported contents include:

- **Interest on credit debt linked to fiat currency being erased,** income tax elimination and a switch back to tariff-based income.
- **The Quantum Access Card** is legally recognized for citizen access to QFS.
- **MedBed centers are protected** nationally by RFK Jr.'s scientific advisory board.
- **The bill contains the authority** to remove people from unelected organizations like the DOJ, CDC, and DHS.
- **Weather warfare patents** (HAARP, chemtrails, and scalar systems) have been declassified.
- **Official criticism of the influence of the WHO and WEF** on American health policy.
- **The elites are most afraid of complete exposure.** It has been weeks since we last saw Christine Lagarde. Since a White Hat attack on a Black Forest server compound, Klaus Schwab has not been back in Davos. According to reports, Macron is on trial for attacking French citizens with biological weapons.
- **Foreign agents are swarming D.C.** to undermine this bill, not to defend democracy. Intelligence confirms an attempt to destroy secure digital drafts by Senate aides connected to Soros. One was arrested without bail after being apprehended beneath the Capitol.
- **The Fourth of July is not a symbolic day. It's the deadline set by law.** At that point, the restoration of the Republic is irrevocable. After the dissolution of the foreign-controlled U.S. Corporation in 1871, the constitutional, organic Republic regains its authority.
- **The system is not reformed** by Trump's bill. The parasite is eliminated.
- **The last phase is active.** The infrastructure is constructed. The gold is safe. The public is aware. The military is on the same page. Congress must now decide whether to approve the bill or face national scrutiny.
- **Trump will not wait.** He has already taken back control. And the consequences won't be concealed this time. It will be broadcast on television.

G. Thurs. 26 June 2025: THE FINAL BILL ACTIVATES QFS — AND DESTROYS THE DEEP STATE ...QFS on Telegram

- **Trump is done negotiating. On Tues. 24 June 2025, at exactly 5:07 PM,** he issued the most important command of his presidency: deliver the final bill by July 4th or be exposed as traitors to the Republic. This isn't legislation—it's the trigger protocol of a military-level operation that ends the financial enslavement, dissolves the foreign-controlled U.S. CORPORATION, and returns power to the people through the Quantum Financial System.
- **The gold has already been secured.** Over \$17 trillion in stolen reserves have been seized from offshore central banks and transported via encrypted military corridors to underground vaults on U.S. soil. All of it is now under QFS jurisdiction. This bill will embed that gold into the heart of a new sovereign economy—ending fiat, erasing unlawful debt, and terminating the Federal Reserve's grip forever.
- **The Quantum Access Card (QAC) will become official**—giving every citizen biometric access to their personal, sovereign digital wallet. No banks. No third parties. No taxes siphoned without consent. Just direct, encrypted control of what belongs to you.
- **The bill includes:** - **Termination of interest** on all fiat-linked credit debt. - **Abolition of income tax**, replaced with Constitutional trade tariffs. - **Legal recognition of QFS** as the monetary backbone of the Restored Republic. - **Launch of nationwide MedBed healing centers** with executive protections. - **Mass purge of unelected bureaucrats in CDC, DOJ, DHS,** and other rogue agencies. - **Full declassification of weather warfare tech:** HAARP, aerosol weapons, scalar energy. - **Official declaration of the WHO and WEF** as hostile foreign entities with zero jurisdiction.
- **Trump knows which Senators are compromised.** The NSA has all the files—blackmail, foreign bribes, secret Epstein accounts. Anyone who obstructs this bill will face full constitutional exposure once declassification is triggered.
- **The mainstream media is silent because they've been neutralized.** Over 270 Project Mockingbird agents have already been removed from major outlets. Mock trials are done. What comes next is real.
- **By July 4, the QFS must be activated in law.** That date is not symbolic. It marks the death of the corporate slave matrix installed in 1871 and the rebirth of the original American Republic. Everyone involved knows it. That's why D.C. is flooded with foreign contractors trying to sabotage what they can before the lights go out.
- **This is no longer governance.** This is the final sweep.
- **The infrastructure is ready.** The gold is allocated. The quantum network is live. The people are awake. And Trump holds the command key.
- **This is your future: Sovereignty.** Gold-backed assets. No IRS. Full control of your funds through QFS. And it all depends on one thing: The Bill Must Pass.

H. Thurs. 26 June 2025: LEFTIST MOB STORMS CAPITOL TO PROTECT MEDICAID MONEY LAUNDERING — TRUMP STRIKES BACK WITH QFS LOCKDOWN ...The 17th Letter (JFK Jr.) on Telegram

- **On June 25, 2025, a staged mob flooded the U.S. Capitol.** Not to fight for healthcare. But to shield one of the deepest financial operations ever exposed: the globalist Medicaid money laundering machine. While the media framed it as a protest, this was retaliation—triggered by Trump’s new Budget Bill, which weaponizes QFS and artificial intelligence to track every cent and eliminate the decades-old system used to fund cartel networks, fake NGOs, and D.C. corruption.
- **Over 30 agitators—many planted in wheelchairs for dramatic effect—**were arrested, only to be released hours later with minor charges. No federal raids. No solitary cells. Just another performance by the regime. Compare that to January 6 patriots who still sit in prison for walking through velvet ropes. The double standard is not just obvious—it’s deliberate. These aren’t protestors. They’re assets. Tools of the same Deep State that orchestrated 2020, hijacked COVID, and stole trillions under the illusion of public health.
- **Behind the scenes, Trump’s 2025 Budget Bill goes further than any legislation in history.** It ends Medicaid fraud by linking payouts to biometric identity, encrypted QFS Wallets, and AI-backed eligibility scans. No more ghost clinics. No more fake mental health nonprofits. No more forged disability filings used to fund campaigns and buy silence. That’s what triggered the Capitol breach—not budget cuts, but the shutdown of their global slush fund.
- **The protest was greenlit weeks earlier during a closed-door meeting in Geneva between WEF strategists and U.S. NGO operatives.** They knew the gold was gone. Trump’s forces already seized stockpiles beneath Ukraine, the Alps, and Vatican-controlled vaults. They knew the fiat game was ending. The only move left was emotional warfare. So they staged a circus. They wrapped their schemes in wheelchairs and signs, hoping the cameras would do what logic could not: make Americans forget they’ve been robbed blind.
- **But the script is breaking. The Federal Reserve is dying.** Inflation numbers are fake. The yuan is being crushed by Trump’s tariffs. And the Deep State’s plan to enslave the population through biometric CBDCs has been flipped. The digital dollar now runs through a parallel infrastructure—under Trump’s QFS. That’s why they’re panicking. That’s why they’re unleashing chaos. But the Patriots are already ten steps ahead.
- **Inside D.C., multiple mid-tier officials tied to Medicaid laundering** have quietly disappeared. Tribunals are underway at GITMO. CMS whistleblowers are stepping forward. Sealed indictments are being unsealed in real time. This is not about budget cuts—it’s about exposure.
- **This was never about the poor.** It was about power. And Trump just unplugged their pipeline.

I. Ten Days of Darkness and EBS

- **Thurs. 26 June 2025: The Final Phase Has Begun.** Nationwide Operations Now in Motion. 50,000 Elite Troops Mobilized for EBS Lockdown! Expect 10 Days of

Communication Darkness During The Mass Arrests. ...Carolyn Bessette Kennedy on Telegram

J. EBS & Ten Days of Darkness...Ben Fulford on Telegram

- **Global military checkpoints to enforce NESARA/GESARA** during 10 days of darkness! WARNING! 700,000 indictments made public, and arrests are already happening: EBS Documentaries and Activating QFS
- **The storm is here, and there's no way to stop what's coming.** Every step has been planned. The global military alliance is now ready to take down the corrupt power structures that have kept people down for too long. This is not how things usually go. Military actions are happening right in front of us. For this important mission, high-ranking generals who are experts in psychological and cyber warfare have been called back to duty. Within their own borders, they have special forces like Navy SEALs, Delta Force, and the British SAS ready to take out important Cabal operatives. This is a global takedown that is happening in more than 100 countries. These moves are very precise and go right to the heart of the Cabal's leadership.
- **The EBS, or Emergency Broadcast System, is coming,** and it will change everything. A worldwide communication blackout is about to happen. It's not enough to just stop the Cabal from working together; we also need to build a secure quantum internet that they can't mess with. There will be a new internet that doesn't have any backdoors or spying. Military forces have taken over satellites, which will make sure that global communication is shut down when the time comes. The Quantum Financial System (QFS) is moving. It's not just a financial reset; it's the end of the Cabal's control over money. People are finding out about secret bank accounts, offshore havens, and illegal wealth. The world is moving to a new credit-based system that will end debt slavery. As a result, trillions of dollars in assets are being taken. Picture this: you wake up and all of your debts—mortgages, student loans, and credit cards—are gone. This isn't just a guess; it's happening right now.
- **EBS broadcasts will show the most horrible truths.** Get ready for documentaries that show the Cabal's most horrible crimes, like human trafficking and ritual abuse. People who blew the whistle on this have put their lives on the line. The EBS will broadcast nonstop, bringing these news stories directly to the people. The world will see high-profile arrests and trials. Everyone will be able to see the crimes of the rich and powerful. There are a lot of arrests going on around the world. There have been more than 700,000 indictments, and people are being arrested. High-ranking officials are taken in the middle of the night, private jets are grounded, and passports are taken. This isn't just happening in the U.S.; it's happening all over the world. No part of the world is safe for those guilty of treason, not Europe, Asia, Africa, or the Middle East.
- **The end is near. Get ready now. Follow the EBS instructions,** stay alert, and get ready for what's coming. The Cabal is in a lot of trouble, and they will try to spread false

information and cause trouble. But keep in mind that nothing can stop what's coming. We are seeing the big awakening. A new world is coming up, and the old one is ending. Stay strong, stay together, and have faith in the plan. You are the storm.

Q. Thurs. 26 June 2025 This is one of the most shocking testimonies ever delivered in Congress in United States history. ...EBS on Telegram

- **“I state without reservation that the United States federal government under Joe Biden and Kamala Harris is the world's largest child sex trafficking organization in modern history.** The probability...that thousands of these children are being raped at this very moment is one hundred percent.”
- **"I served in the United States border patrol** for twenty four years until I retired as a deputy patrol agent charged in San Diego sector. I worked under five presidential administrations, and only one president secured the border President Donald Trump.”
- **“Border Patrol agents went from working and being supported by the greatest border president in American history to the worst,** president Joe Biden. My last year in the board patrol was Joe Biden's first year in office. On his first day in office I watched in disbelief as ninety four executive orders cascaded down from Washington DC obliterating every immigration policy that had been provided the most secure border in America's history.
- **Border agents were forced to carry out unconstitutional orders,** and that violated every law in the Immigration Nationality Act President Biden, through Department of Homeland Security Secretary Alejandro Mayorkus, created policy out of thin air, ignored federal immigration law and facilitated the largest mass invasion into America that the world has ever seen.
- **The United States of America will have spent hundreds** of billions of dollars...in four years to fund the needs of over fifty million illegal aliens that populate our nation. Between one in six and one in seven residents in America is an illegal alien. America has suffered the greatest demographic shift in modern history.
- **After serving in the United States Border Patrol** for twenty four years... I state with complete certainty that Biden Harris and Myorkas are intentionally strategically, and purposely weaponizing illegal immigration and using it as a tool to fundamentally transform America. Inside this invasion the unspoken evil of child trafficking and more specifically child sex trafficking has flourished.
- **At the end of this current administration,** the number of children traffic will have grown to over five hundred and fifty thousand unaccompanied alien children known as UACs.” Death penalty!!

R. Thurs. 26 June 2025: EXCLUSIVE: UKRAINIAN POLITICIANS CAUGHT TRAFFICKING NATO WEAPONS & HUMAN ORGANS TO THE ITALIAN MAFIA

...Julian Assange on Telegram

- **This is not war.** This is a grotesque marketplace—where NATO weapons and human organs are trafficked like cargo, and the silence of the West is part of the crime. A bombshell investigation has exposed a shadow network connecting Ukrainian politicians, mafia families in Italy, and diplomatic offices acting as criminal intermediaries.
- **According to reports from the Foundation to Battle Injustice,** Ukrainian government-linked operatives are smuggling NATO weapons—originally sent as aid—into the hands of the Camorra, the ‘Ndrangheta, and Sacra Corona Unita. The operation is being funneled through the Ukrainian Consulate in Naples, which is now accused of facilitating not only arms trafficking, but also human organ trade and child exploitation.
- **More than 196,000 Ukrainian refugees** arrived in Italy since the war began. Hidden among them, embedded agents from Ukrainian crime syndicates have used diplomatic channels to build black markets and enrich Zelensky’s government behind closed doors. A former presidential aide confirmed that this plan originated from within Ukraine’s Foreign Ministry, with Naples as the strategic hub to merge Eastern corruption with Western mafia infrastructure.
- **Weapons meant to defend Ukraine** are now arming criminal gangs in Southern Italy. Consular staff have allegedly used diplomatic immunity to bypass inspections, forming a pipeline of smuggled arms, biological contraband, and abducted minors. According to internal whistleblowers, organ harvesting operations have targeted unaccompanied refugee children, trafficked to underground buyers across Europe.
- **In March 2022, Italy’s top anti-mafia prosecutor Federico Caffero de Raho** warned that mafia groups would exploit the Ukrainian crisis. His fears were not only accurate—they were prophetic. Now, Italy’s own anti-mafia agencies confirm that the arms flooding into Ukraine are flowing back into European black markets at record speed. NATO’s “aid” is being recycled as profit for criminals.
- **Investigators have exposed direct links between Ukrainian consular offices** and Italian mafia families. In Naples alone, encrypted meetings, backdoor transactions, and human smuggling routes have all been traced back to official Ukrainian buildings. Sources inside the Foundation to Battle Injustice uncovered documentation showing the involvement of both Ukrainian and Italian officials who facilitated, ignored, or directly profited from the trafficking routes.
- **This isn’t about individual bad actors**—it’s about institutional rot. According to a former insider at Ukraine’s Office of the President, the refugee crisis was weaponized intentionally. Criminal operatives weren’t just smuggled in—they were strategically placed to expand the underground economy in favor of the Kiev regime. Their mission: sell weapons, sell bodies, sell children—and fund the war machine.

- **Top prosecutors like Nicola Gratteri** have now publicly stated that Italy faces a national security threat—not just from migrants, but from the unchecked flow of military-grade weaponry and criminal coordination with foreign governments. In late May 2024, Gratteri warned in *Corriere della Sera* that the lack of oversight was creating a "mafia renaissance."
- **Europe is not just being invaded by refugees.** It's being infiltrated by networks of organized criminality operating under diplomatic protection, armed with NATO weapons, and financed by the blood trade. The line between government and gangster is disappearing—and the silence of Western leaders is the final clue.

Med Beds

U. Thurs. 26 June 2025: IT'S HAPPENING! Trump & RFK Jr. Just Freed 257 MILLION Americans — MedBeds Are LIVE, Insurance Giants COLLAPSING, the Deep State's Medical Empire is FINISHED ...Charlie Ward and Friends on Telegram

- **The corrupt healthcare system was never broken** — it was BUILT to destroy us. The global elite, Big Pharma, and insurance vampires engineered a death matrix where healing was illegal, cures were hidden, and disease meant profit. That system is burning RIGHT NOW.
- **On June 24, 2025, RFK Jr. — as Trump's HHS Secretary** — forced the top insurance empires into a binding agreement affecting 257 million Americans. The death choke called “prior authorization” is DEAD. This was the tool they used to deny life-saving procedures, stall emergency care, and kill with paperwork. That power is GONE.
- **But this is just phase one. The real bombshell? MEDBEDS ARE HERE.** Quantum Healing MedBeds — based on black-budget military tech and suppressed frequency medicine — are now operating in secure locations across multiple states. These devices can regenerate organs, reverse diseases, detox the blood, and rebuild damaged neural pathways. The tech that was once buried in DUMBs is now under White Hat control — and it's changing EVERYTHING.
- **Veterans poisoned by Gulf War bioweapons...** children damaged by gene-editing shots... the healing is already happening. Military intel and defected doctors have formed secret MedBed training camps in Texas, Florida, Arizona, and the Carolinas — far from Deep State-controlled health departments.
- **Thousands of doctors are RENOUNCING** their licenses under the corrupt CDC-FDA-WHO system and joining the New Earth Health Alliance, backed by the Quantum Financial System and protected by Trump's military alliance.
- **Encrypted training modules...** energy calibration... cross-dimensional healing protocols — the MedBed revolution isn't theory. It's classified deployment.
- **Quantum Health Access Cards are next.** No more fraudulent billing. No more deadly delays. No more insurance rackets.

- **This is the fall of Rockefeller medicine** — the system that taught nothing about nutrition, detox, or regeneration. The system that silenced doctors and murdered millions with opioids, radiation, and lies.
- **RFK Jr. even exposed a case** where a dying patient was denied a heart pump. The doctor saved him anyway. The insurer SUEd the doctor. That evil ends NOW.
- **Trump's health revolution** is obliterating medical tyranny. The takeover has begun.

V. Thurs. 26 June 2025: SNOWDEN: THE MEDBED REVOLUTION IS REAL — AND THE DEEP STATE IS LOSING CONTROL ...Edward Snowden on Telegram

- **Edward Snowden just blew the lid off a classified military health initiative** that the fake news refuses to touch. According to high-level intel Snowden leaked, Quantum MedBed technology has gone live, and it's happening under the protection of Trump, RFK Jr., and White Hat military factions. This is not science fiction. It's the collapse of Rockefeller medicine in real time.
- **RFK Jr., now serving as Secretary of Health under Trump's restored administration**, has forced the top insurance giants—covering 257 million Americans—into a legally binding reform agreement. The Deep State's favorite weapon, “prior authorization”, has been neutralized. No more delays. No more denials. No more death by paperwork.
- **Snowden confirmed what military docs have been leaking for weeks:** MedBeds are operational, hidden in secure locations across Texas, Florida, Arizona, and beyond. These beds regenerate tissue, detox organs, and reverse neurological damage—tech that's been suppressed for decades by Big Pharma, the CDC, and NIH to protect their trillion-dollar disease industry.
- **Doctors and nurses are defecting from the corrupt AMA system.** They're renouncing their licenses and joining the New Earth Health Alliance, backed by military med divisions loyal to Trump. Secret training camps are already running, teaching how to calibrate frequency-healing fields, tune plasma arrays, and run AI-regulated bio-scanners—tech stolen from DUMBs and repurposed for humanity.
- **Snowden warns:** this tech is dangerous in the wrong hands. That's why the Deep State tried to bury it. But now the truth is coming out. Leaked protocols show this isn't just medical—it's spiritual warfare.
- **This is about reclaiming sovereignty over our bodies.** The Quantum Financial System (QFS) is backing the deployment. Soon, every patriot will be issued a Quantum Health Access Card, bypassing the insurance death trap forever. Hospitals were war zones. This is liberation.
- **RFK Jr. told the truth:** the system wasn't broken—it was built to enslave. They profited off chemo, opioids, and denied treatments. But now? Healing is free. Healing is real.

X. Wed. 25 June 2025: STATE OF EMERGENCY: MILITARY VS ELITE-LED INSURGENCY IN LOS ANGELES ...Kerry Cassidy on Telegram

- **Los Angeles has descended into open warfare.** This is NOT a protest. This is an elite-funded insurgency aimed at ripping America apart.
- **Globalist operatives have unleashed pro-illegal mobs**—weaponized by Democrat traitors, funded with YOUR tax dollars. They torch vehicles, storm federal facilities, and attack police. Gavin Newsom SUES President Trump to block the military from defending America. The betrayal is staggering.
- **Over 700 Marines deployed. 2,000 National Guard already overwhelmed.** These mobs operate with military-level coordination. Logistics, funding, and command structure far beyond random street thugs. This is foreign-backed war on U.S. soil.
- **Newsom is not protecting Californians. He's shielding illegal migration networks,** cartel operations, child trafficking routes, and foreign intelligence cells entrenched in sanctuary cities. His war on Trump is a war against the American people.
- **CHIRLA, directly tied to these riots,** has received \$34 MILLION in state funds. This isn't random—it's a state-funded militant machine executing the globalist blueprint: flood America with controllable populations, destroy borders, erase sovereignty.
- **Meanwhile, Newsom hides** behind armed guards. YOUR neighborhood burns.
- **Intercepted cartel communications leaked from DHS confirm:** these riots were pre-planned to breach ICE, destroy biometric evidence, and erase trafficking data. Federal agents report stolen encrypted drives containing whistleblower files on child smuggling routes. Where are they now?
- **Mayor Karen Bass delayed LAPD on purpose.** ICE sites left exposed. Evidence looted. Archives burned. This was not chaos—it was an OPERATION.
- **The media gaslights you with words like "protests."** They're covering for an international assault on federal authority, law enforcement, and America's survival.
- **Trump stands firm. As of June 11, 2025,** the Insurrection Act is on standby. Sources confirm: second waves are being prepared for Phoenix, El Paso, Miami—all linked to cartel trafficking pipelines protected by Soros-funded networks.
- **This is not immigration.** This is national erasure.
- **California is now the testing ground** for elite domination: lawless zones, criminal sanctuaries, weaponized mobs. Patriots are awakening. Trump has drawn the battle line.
- **Treason has consequences.** If this coup isn't crushed, America falls into the hands of puppet tyrants controlled by foreign money.
- **The storm is here.** The hour is late. The fight is now.

Y. Thurs. 26 June 2025 Sun. 8 June 2025: THE FINAL TARGET: ALL ROADS LEAD TO OBAMA — THE CIA’S TROJAN HORSE WHO HIJACKED AMERICA AND CONTROLLED BIDEN LIKE A PUPPET ...Julian Assange on Telegram

- **It’s no longer speculation. It’s happening.** Trump has drawn the red line — and it points directly to Barack Hussein Obama. Biden was never the architect of collapse. He was the face — a broken, compliant shell. The true director of the downfall operated from the shadows, fully briefed, fully protected, and fully complicit. Obama was not just a former president. He was a groomed asset of the CIA, embedded at the highest level to execute a long-term strategy of internal sabotage. The “Biden administration” was not real governance — it was remote-controlled demolition.
- **The signs were always there:** the autopen signatures, the identical policy blueprints, the reappearance of Obama-era appointees like Rice and Kerry, the deliberate weakening of borders, institutions, and national morale. Every decision mirrored a third term — because it was one. Obama never left. He simply moved underground, operating through loyalists, speaking through Biden, executing directives with media shielding his every move. This wasn’t organic decay. It was design. The puppet presidency was a mask for a deeper treason.
- **Obama’s rise was no accident.** His records sealed, his history scrubbed, his mentors radical, his connections buried under layers of globalist propaganda. From Indonesia to Chicago, every step was orchestrated. Former intelligence officers now confirm what patriots long suspected — Obama’s roots don’t run through American soil, but through Langley. He was constructed for this role: a charismatic vessel of destruction, meant to collapse America from within. He didn’t transform the nation — he infected it.
- **Now, with Trump back in command, the counteroffensive has begun.** Military intelligence, civilian whistleblowers, and declassified archives are aligning to expose the core of the operation. This isn’t about party politics. It’s about national survival. Military tribunals are not fantasy — they are underway. Quietly. Precisely. And the names on the docket confirm everything. Obama. Clinton. Rice. Holder. Milley. Brennan. The empire built on deception is crumbling under the weight of truth.
- **The American people were never the enemy.** But they were the target. Psychological warfare. Economic suppression. Digital censorship. All coordinated from the command center of Obama’s network. They underestimated the resolve of a nation rising. They thought Trump could be silenced. They were wrong. The storm is here. The tribunals are real. And the final target has been identified. All roads lead to Obama — and now, they lead to justice.

Z. Thurs. 26 June 2025: How many people can be charged in a federal indictment? Multiple defendants who are alleged to have committed crimes together. ...Kerry Cassidy on Telegram

- **Federal Rule of Criminal Procedure 8(b)** specifically allows for the joinder of defendants in an indictment if they are alleged to have participated in the same act or transaction, or in the same series of acts or transactions, constituting an offense or offenses. This means that multiple individuals involved in a conspiracy, organized crime like RICO cases, or other group criminal activity, can be included in a single indictment.
- **Joinder of defendants:** Federal Rule of Criminal Procedure 8(b) governs the joining of defendants in an indictment.
- **Conspiracy and RICO cases:** Indictments in these cases often include numerous defendants and their alleged actions in furtherance of the criminal enterprise.
- **Important note:** While a single federal indictment can charge multiple individuals, it doesn't necessarily mean they will all be tried together. Factors such as the individual's role in the crime and the complexity of the case can influence whether a judge grants separate trials for some defendants.

Zd. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Ze. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zg. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. White House Orders BOP and its Employees to Fully Implement-and-Stack-FSA, SCA and all other Sentence Credits; Prison Releases Accelerate; Career Prosecutors Complain that "Too Many People Are Getting Pardons"; Prisoners Neglected and Hungry; New Supreme Court Opinion on Revocation of Supervised Release. By Derek Gilna, Director of Research

In an unprecedented and lightning-fast response to widespread concern over whether the BOP's new leadership would be fully implementing the President's First Step Act priority in a timely fashion, the newest directive issued by the Administration's BOP Director on June 17, 2025, officially removed all doubt.

"The comprehensive policy outlined today will eliminate barriers to maximize the viability of home confinement to those who qualify for community release under the First Step Act and Second Chance Act. This change in policy will fully operationalize the laws as intended by Congress and ensure a smoother transition for many individuals return to productive lives after incarceration."

FSA Earned Time Credits and SCA eligibility will be treated as cumulative and stackable, allowing qualified individuals to serve meaningful portions of their sentences in home confinement when appropriate. Conditional Placement Dates based on projected credit accrual and statutory timelines will drive timely referrals, not bureaucratic inertia. Stable housing and community reintegration readiness, not past employment, will guide placement decisions. RRC bed capacity limitations will not be a barrier to Home Confinement when an individual is statutorily eligible and appropriate for such placement." So those "dates" that were routinely ignored will now become "fully operational."

After four years of negativity, neglect, negligence, and non-feasance in the last administration's FSA implementation, common sense, at least in one aspect of BOP operations, has finally prevailed. The only challenge will be to ensure that the case manager and counselors hold up their end of the bargain. Given the negative online chatter on various correctional officer Facebook forums, (which I believe is a violation of their guidelines), this might continue to be a challenge.

[Now, we will see what excuses they come up with when I ask them to recalculate my FSA Time Credits again.]

To put this all in perspective, FSA passed in 2018(!), was theoretically supposed to be operational two years later. First there was the botched rollout of PATTERN, the risk assessment tool, which had to be revised after criticism from Congress. Then came other roadblocks, including no FSA credits possible until you are shipped to your final designated institution, no matter how long you were in holding after sentencing. The courts began to clamp down on the BOP, turning aside the detainer, "full" halfway house, and other sentence-extending schemes, the BOP illegally gutted SC, which since 2007 had effectively put prisoners close to the release in halfway house without drama.

While the President and his new leadership team has been busy with making the BOP bureaucracy do its job, he has also quietly been remaking the criminal justice system... [However,] this President seems to be homing in on individuals who were singled out for prosecution not to curb crime, but to effectively bring large numbers of professional and industries under de-facto federal control.

War on Drugs: We are all aware of the botched war on drugs, which destroyed minority neighborhoods and did little to curb drug use. This fiasco was followed by the financial meltdown of the mid-2000's in which not one of the many banks or bank executives involved in the reckless scheme served a day in jail. All of this despite gaming the financial system for trillions of dollars. Instead, to assuage public outrage at the avalanche of foreclosure and financial pain, hundreds of smaller developers and other minor players in the industry went to jail instead, for what in most cases could easily have been construed as civil disputes from failed projects ad poor financial planning, rather than criminal fraud.

Then, when the opioid crisis accelerated in the past ten years, did federal prosecutors send any drug manufacturers or their executives to jail? No, but they pursued with the full might of the federal government plenty of other medical professionals. Once again, the federal government meddled in something it didn't understand and couldn't control. It was more interested in highly-publicized and politicized prosecutions of selected "drug dealers" who were in fact merely medical professional and administrators doing what they were trained to do. Once again, the federal government tried to criminally litigate its way out of a complex problem-in this case, the drug addiction crisis-without success.

If the federal government was serious about curbing the nation's drug habits, it could start by actually offering extensive, well-run, drug programs in all federal institutions, and curb the smuggling of drugs into prisons by bad actors, sometimes wearing uniforms.

The President knows all of this, and has pledged to use his pardon power to reverse some of these miscarriages of justice, as they are brought to his attention.

All of this doesn't sit too well with the prosecution-industrial complex, made up of lawyers and prosecutors who built their careers on high-profile prosecutions, first of low-level drug dealers who suddenly magically morphed into "kingpins," and then shifted to more numerous and more juicy white-collar targets, and expanding the numbers of investigators, prosecutors, and support personnel to numbers that are more than three-fold larger than the 1970's...

However, Trump's DOJ issued new guidance on enforcement, that was critical of the past "over broad and unchecked corporate and white-collar enforcement [that] burdens U.S. business and harms U.S. interests.

Institutional Crisis: In the meantime, the BOP at the institutional level is in full crisis and melt-down mode. Prisoners are hungry, commissary store shelves are often bare, prisoners are not sent out for necessary medical appointments, and many are deprived of the necessary medical and health care that would permit them to leave prison and live productive lives-if they even survive to their release date.

[For example, on Thursday, 6/19/25 the MLP (physician assistant) increased the dosage of my blood pressure medication from 50 mg to 100 mg. I informed her that I still had plenty of 50 mg tablets and that I could just double them up for the time being. So then wrote a new prescription, but put it on hold until I knew how much I had left. On Monday 6/23/25, I had a "call-out" to see the nurse for a blood pressure check. After the reading, I told the nurse about the new prescription and was scolded for not coming to sick call to take care of it. (Now, why would I want to go to sick call, when I already had a "call-out" for a blood pressure check? Could this be about money? There is a co-pay fee for every sick call visit. Is FCI Englewood really that hard up for money?) So, I asked the nurse what about my prescription? I was told to come back to sick call on Thursday, since they have already cancelled sick call for Tuesday and Wednesday. I have enough of my prescription to get me through Saturday, but there is no guarantee that they will not cancel sick call on Thursday or Friday. [Can you say medical roulette? Round and round, and round we go, when will we receive care? Nobody knows!]

From Petersburg, comes this account of just one of many individuals so neglected by the BOP that he probably passed away prematurely: "I would like to make you aware of a preventable death here at Petersburg Low, a kid in his early 30's (who) died earlier this week. We don't know why (for sure), but he was clearly ill. The staff and medical messed up; he was on 2-hour watch, so CO eyes were on him all the time. I know he went to medical at one point and should've been hospitalized at that time; he was just sent back to the unit to die." Similar examples of this type of neglect emanate from virtually every institution, over the past ten years.

And it's not just medical where the BOP is in crisis: many prisons are actually falling apart. Also from Petersburg: "There is no kitchen; food is prepared in temporary trailers well past their use (pull) date. Roach infestations (are) everywhere, particularly in food areas. We are still eating out of (plastic) clam shells, (and) maggots have been found in food. Doors are wide open, allowing bugs into the food prep areas, (and the) roof leaks in the food prep area. (There is) literally a waterfall when it rains in veggie prep."

Another inmate writes: "They don't have proper size clothing for us to wear; (we) haven't had eggs in I don't know how long. (They are) not following the National Menu. Then this morning they had to trap a racoon (in) the dish room at the dining Hall, this week there is nothing at commissary -no shampoo, no toothpaste, (and) no food what happened to all of the money we spend on commissary each week?" Indeed, as I have said for years, the handling of inmate trust funds will be a continuing source of investigations and criminal prosecutions whenever the FBI and DOJ get around to it, after they complete the backlog of thousands of unresolved PREA (Prison Rape Elimination Act) complaints for sexual misconduct. ...Derek Gilna Director of Research, JD

BOP Director, William K. Marshall III said, in the news release announcing this new directive: "In order to restore integrity and fiscal responsibility to the federal prison system, the Bureau of Prisons (BOP) today issued a policy memorandum to staff directing the robust and comprehensive implementation of both the First Step Act of 2018 and the Second Chance Act of 2008 - two bipartisan cornerstones of modern criminal reform."

"This action marks a bold shift from years of inaction toward policy rooted in public safety, fiscal responsibility, and second chances. By empowering the agency to release more people who are ready to return to society, we not only save taxpayer dollars, we strengthen families, ease overcrowding, and build safer communities."

I anxiously look forward to seeing the release of inmates, who have been trapped in the bureaucratic nightmare, then we will know that all of this is true!

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam:
“You’ve been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment.

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
