Judy Note: Donald Trump has just activated the EBS. Mission Completed. ...The Trump Family Channel on Telegram Mon. Evening 2 June 2025

- **Operation Odin is now Active. The EBS has been deployed through STARLINK.**
- **A global broadcast is imminent.** Prepare for full disclosure. What will happen next will shock the world.
- **Just when we thought we had seen it all,** the world is shaken once again by shocking news—and this is only the beginning.
- **The channel will be temporarily closed** during the classified briefing.
- **The information set to go public on 06/10/2025** will lead to the arrest of prominent political figures from the Democratic Party.

President Trump was being called a conspiracy theorist by the Fake News Mainstream Media after sharing a post on Truth Social claiming, “There is no Joe Biden—he was executed in 2020.”

Trump’s post goes on to allege that what the public sees are not real people, but clones, body doubles and robotic, soulless entities made to impersonate Biden.

The obvious question was Who, Why, Where and What was going on?

Answer: Trump’s Q Movement was in a Good Against Evil War with the Satan worshipping, Child Sacrificing Pedophile Illuminati Globalist Cabal, who were desperately wanting to maintain control of the Global Financial System.

These Satan Worshipping, Child Raping and Sacrificing Globalist followers of the Vatican’s Ninth Circle Satanic Cult had partnered with the Chinese Communist and Democratic Parties, plus Satan Himself, to control the US Presidency and Taxpayer monies by creating a fake Biden Presidency.

As always, Trump was right. Biden had been caught running an international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring beneath his 400 acre property in Ukraine.

As Commander-in-Chief of the Q Movement’s Global Military Alliance set on taking down that Vatican Ninth Circle Satanic Cult’s Khazarian Mafia, Trump had Biden arrested. A GITMO

Military Tribunal found the president-elect guilty of many counts of Treason and ordered the death penalty – all before Biden's so-called 2021 inauguration – which included Biden's burial in Arlington Cemetery.

***At least that was one story.** Another was that Obama had Biden killed long before the 2020 Election and replaced him with actors and clones so Obama could control the US Presidency – and fight the Q Movement.*

***This Q movement was actually created 165 years ago on 1 April 1860** when 20 Generals placed Abraham Lincoln into office to fight the Vatican's Khazarian Mafia, who created the slave trade and owned 99% of the U.S. Slaves.*

***The Q movement became more formal in their activities** after the assassination of President John F. Kennedy, who like Lincoln, was attempting to take down the Vatican Khazarian Mafia's banker owned Federal Reserve and IRS.*

It was 103 years after Lincoln's death on Christmas Eve 1963 when 77 U.S. Generals came together and birthed the Q Movement's "Plan to Save The World."

***Within the next three months 133 Generals** had become part of Operation Freedom Eagles 35 to free the World from the Illuminati Deep State Cabal's Vatican's Ninth Circle Child Sacrifice Cult's hold over the Global Financial System.*

***The power structure of US Inc, UK Crown and Vatican** were bribing and blackmailing members of Congress through their international Child Sex Trafficking Ring. US Taxpayer monies were being funneled through US Inc, UK Crown, the Vatican, UN and international corporate entities to control the Global Financial System.*

***By 2018 the Q Movement's Operation Freedom Eagles 35** had convinced Donald Trump, an outsider not influenced by the corrupt system, to run for US President. He did, won and along the way organized 22 nations and 1600 Generals worldwide into a Global Military Alliance.*

***This Alliance was working with 209 nations in the BRICS Alliance** (Brazil, Russia, India, China and South Africa) to fulfill a Global Currency Reset that would return taxpayer monies across the Globe, back to The People.*

***Since January 20, 2025,** Commander-in-Chief Donald Trump has been operating outside the fake D.C. regime with full military command. Over 500,000 sealed indictments were in play. GITMO expanded. Tribunals underway.*

***Trump has activated 20,000 elite troops.** Navy SEALs. Delta Force. Marines. Special Ops worldwide. Their mission: shatter the Deep State trafficking empire and expose the satanic cabal running the planet.*

***Their most important mission: Worldwide since 2017 millions of children have been rescued** from underground tunnel DUMBS (Deep Underground Military Bases).*

The Underground Tunnels linked directly to MK-Ultra labs and experimental cloning chambers. Survivors exposed sickening details: organ harvesting, genetic reprogramming, trauma-based mind control. The DUMBs were owned and run by DARPA, BlackRock and biotech firms—now being neutralized.

One rescue of hundreds of tortured children from a DUMB Tunnel beneath the White House happened in 2021 after Biden's fake inauguration. More recently over 1,200 children were rescued from cages beneath Nevada, Texas, and Alaska.

Navy SEALs uncovered Project Thanatos in Antarctica - a bunker facility under Vatican protection. Inside: cloning vats, cryogenic chambers, and databanks of child-DNA hybrid programs. Elites were using these children to engineer eternal life and programmable slaves.

Zuckerberg, Bezos and Gates were caught laundering crypto through blockchain shells to fuel the Ninth Circle Satanic Cult's black-market child trafficking. All was covered by AI masks, filtered through "philanthropic" fronts tied to the Clinton Foundation and WEF.

Throughout it all the Mainstream Media has been complicit. CNN, BBC and Reuters were discovered to have taken bribes to discredit Trump, bury the tribunals and silence whistleblowers. This isn't bias—it's treason. They are part of the trafficking network. And they're being dismantled, piece by piece.

Now through Military action the blackmail system was collapsing. Child Ritual Abuse footage of pedophilia and child sacrifice was used to control presidents, generals and royals. Now it's in military hands. Names you trusted will fall.

Trump's Alliance was winning. GITMO and other prisons like it were full. Tribunals were in full force, with executions imminent. The end of the Satan Worshipping, Child Sacrificing Globalists has begun.

SCAM WARNINGS: The QFS is not available yet. No one has set anything up. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: "You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington

A. What We Think We Know as of Tues. 3 June 2025:

- **Sun. 1 June 2025 President Trump has unleashed over 20,000 troops in Operation Liberty to free millions of kidnapped children** caught in an international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring of the Vatican's Satan Worshipping Ninth Circle Child Sacrifice Cult. Right now Navy SEALs, Delta Force, Marines and Earth Alliance units were executing synchronized raids across continents. The goal was not containment. It was eradication.
- **Operation Phoenix is active.** Trump's Global Military Alliance is neutralizing what remains of the Deep State. Antarctica operations have been seized of genetically modified humanoids, engineered through black-budget programs to manipulate human thought and behavior. The pandemic has been crushed before it began. The enemy attempted to release a bio-weapon—genome-targeted and precision-built to eliminate populations loyal to Constitutional values and Trump's return.
- **The Quantum Financial System Global Currency Reset has been saved from massive cyber-attacks targeting the CBDC infrastructure and central banks.** They were coordinated assaults designed to crash economies and create global unrest. Digital vaults were locked, access rerouted and banking strongholds in Switzerland, Tokyo and London were now under Alliance occupation.
- **Mon. 2 Feb. 2025 Dr. Sherri Tenpenny on X: Vaccines are not safe:** [\(1\) Wide Awake Media on X: "Dr. Sherri Tenpenny: "If a child gets all of the vaccines in the entire schedule, they get almost 13,000 micrograms of aluminum... 600 micrograms of mercury, plus over 200 different chemicals." - **As of May 29, 2025 the silent slaughter caused by mRNA injections continued.** Over 1.5 million Americans under 65 were dead after the virus vanished. MRNA injections and ceramide-based nano-weapons have been deployed by the global elite in a full scale bio-warfare campaign to depopulate the planet. Military insiders have confirmed that ceramides — synthetic, lipid-based killers — were being dispersed via shots, food, air and even infant formula. These neurotoxic agents destroyed mitochondria, collapsed organ systems and left no trace. Tasteless. Odorless. Invisible.

Border security. Gun rights. A real Constitution. They want Trump, who has the right to annex. Trump stands at the gates with a Constitutional mandate and a continent-wide movement behind him.

D. Mon. 2 June 2025 The New Global Quantum Financial System ...QFS on Telegram

- **The signing of a historic treaty by 209 nations marks the beginning of the greatest financial transition in modern history.** The world is about to witness the birth of a new, fair, and gold-backed financial system under GESARA.

- **For decades, global currencies were manipulated** to serve the few. Countries were trapped in cycles of debt, with their wealth extracted through central banks and fiat deception. That ends now.
- **The treaty also unlocks** a Prosperity Fund to finance humanitarian projects worldwide—schools, hospitals, clean water, housing, and restoration.
- **A Wealth Redistribution Program** will ensure that every individual on Earth receives a share. Not just countries, but people. Every QFS account is linked to the individual owner's biometric ID. Every transaction is instant, uncorrupted, and untraceable by outside forces.
- **The Stellar Network opens access** to secure digital wallets, even in the most remote corners of the world. Individuals no longer need permission from corrupted systems to participate in the global economy.
- **QFS debit cards**, secured by biometric verification and quantum encryption, are replacing them permanently. No more fraud. No more hidden fees. No more theft disguised as bank
- **The Quantum Internet** is a new infrastructure immune to hacking, censorship, or surveillance.
- **Military units are now overseeing the logistics**, security, and data coordination of the RV rollout. Secure transport of physical currency, protection of financial institutions, and quantum-level fraud prevention systems are already in motion.
- **All of it is being done in tandem with international regulators** to ensure lawful transition. Training has been underway for months. Financial authorities, central bank whistleblowers, and White Hat insiders are guiding the shift. Military intelligence teams are tracking illicit money flows and freezing cabal assets as we speak.
- **The old system is disintegrating as banks collapse**, payment giants are stripped of power, and corrupt financial elites are being dragged to military tribunals at GITMO. Executives are being removed, their wealth seized, and their crimes archived as evidence for tribunals that are already underway.
- **The banks were engines of global exploitation.** Deutsche Bank, HSBC, JP Morgan—names that laundered trillions for the cabal—are being neutralized. The days of VISA, Mastercard, PayPal, and Stripe exploiting humanity are ending. Everything you knew about money, credit, and ownership is being rewritten from the ground up.
- **The treaty signed unlocks the revaluation of currencies:** some down, but some up like the Iraqi Dinar, Vietnamese Dong, and Zimbabwe ZIM.

E. Mon. 2 June 2025: There were 209 nations that signed an historic treaty to reset global currencies under GESARA Law. ...QFS on Telegram

- **The momentum is unstoppable.** With 209 nations now bound by treaty, the global revaluation has moved from planning to execution.
- **Military units are working in silent coordination**, securing financial hubs, overseeing digital vault activations, and ensuring that no corrupted asset escapes the reset.
- **Currencies long suppressed—like the Dinar, Dong, and ZIM**—are being recalibrated to their true, asset-backed value.
- **The Stellar Network is fully integrated**, connecting billions through quantum-secured wallets. No citizen is being left behind. From rural villages to modern cities, access to wealth is being equalized in real time.
- **Behind the scenes, White Hat intelligence is freezing deep-state accounts**, tracing laundering networks, and collapsing the final nodes of the fiat system.
- **This is no longer about economics—it's about justice.** The chains of debt slavery are being shattered.
- **The Prosperity Funds are real**, and they are being prepared for immediate release.
- **GESARA is not a theory.** It is a living framework now activated by military precision and divine timing.
- **What comes next** will change the world forever.

- **Trump has activated 20,000 elite troops.** Navy SEALs. Delta Force. Marines. Special Ops worldwide. Their mission: shatter the Deep State trafficking empire and expose the satanic cabal running the planet.
- **Global raids are LIVE.** Underground bunkers. Military tribunals. Executions pending. Thousands of children rescued from cages beneath Nevada, Texas, and Alaska. DUMBs (Deep Underground Military Bases) linked to DARPA, BlackRock, and biotech firms—now being neutralized.

- **Trump IS Commander-in-Chief. Since January 20, 2025,** he's been operating outside the fake D.C. regime with full military command. Over 500,000 sealed indictments are in play. GITMO expanded. Tribunals underway.
- **AREA 51 RAID CONFIRMED. Over 1,200 children liberated.** Tunnels linked directly to MK-Ultra labs and experimental cloning chambers. Survivors exposed sickening details: organ harvesting, genetic reprogramming, trauma-based mind control. This is no theory. This is war.
- **ANTARCTICA BUNKER BREACHED. Navy SEALs uncover "Project Thanatos"—a facility under Vatican protection.** Inside: cloning vats, cryogenic chambers, and databanks of child-DNA hybrid programs. Elites were using these children to engineer eternal life and programmable slaves.
- **The funding trail is lethal. Zuckerberg, Bezos, Gates—caught laundering crypto through blockchain shells to fuel black-market child trafficking.** Covered by AI masks, filtered through "philanthropic" fronts tied to the Clinton Foundation and WEF.
- **MEDIA COMPLICIT. CNN, BBC, Reuters took bribes to discredit Trump,** bury the tribunals, and silence whistleblowers. This isn't bias—it's treason. They are part of the trafficking network. And they're being dismantled, piece by piece.
- **The blackmail system is collapsing.** Ritual abuse footage was used to control presidents, generals, and royals. Now it's in military hands. Names you trusted will fall.

H. Mon. 2 June SHARIA LAW & PEDOPHILIA PLOT EXPOSED – TRUMP WARNED US ...Matt Wallace on Telegram

- **A leaked WEF memo confirms the Global Cabal's plan:** push illegal immigration to infiltrate Western nations with Sharia Law and pedophilia normalization. This operation accelerated under Obama in 2009 — a puppet installed by the elites to begin dismantling the West from within.
- **Biden is the continuation of that operation.** But behind his mask is only weakness. The real power moves happened under Trump, who fought the Globalist Agenda tooth and nail. Trump sounded the alarm on the incoming total collapse of the U.S. and world markets: "A Blow Up like you've never seen before, a Bankruptcy of the entire system, perhaps the Nation."
- **This collapse was engineered.** The Obama-Biden regime overspent us into economic disaster using taxpayer fiat dollars as fuel for globalist domination. They didn't just crash economies — they trafficked children. They worshipped Satan. They covered for pedophile rings in D.C., Hollywood, and international finance.

- **Michelle Obama = Michael Robinson.** Transgendered. Played football at Oregon State. Kamala Harris? Born a man named Kamal Aroush with a shady past as a prostitute. These aren't just rumors — this was a DEEP STATE SICKNESS parading in plain sight.
- **They ran pedophile parties at the White House.** Tunnels beneath Capitol Hill—200 miles of satanic infrastructure—used to traffic and torture innocent children. JAG officers were witnessed removing hundreds of kids just after Biden's fake inauguration in 2021. Why the barbed wire? Why the National Guard? It wasn't protection. It was a military operation.
- **Tucker Carlson released 2008 recordings:** Obama, Clinton, Biden, Epstein, and Congress members caught raping and sacrificing children. Days later, children were rescued in the dead of night. The media said NOTHING.
- **Then in 2022, Russian Military unearthed U.S.-owned bioweapon labs under Biden property in Ukraine**—mutilated child corpses confirmed. Trump's global alliance took action. These labs were connected to DUMBs, where children were experimented on like lab rats.
- **Joe Biden and 464 elected traitors were arrested.** Many were tried and executed at GITMO. What you see now are actors, clones, digital stand-ins. Hillary Clinton? Hung for treason. The Clintons, Obamas, and Bidens—all gone.
- **The Mexican Cartels—built by the CIA and backed by CCP/Obama/Biden**—are being dismantled right now by Mexican patriots trained by Trump-aligned forces near Cheyenne Mountain. The Revolution has begun. The Blackout is coming.
- **Mexico will join the U.S. in the Global Currency Reset**—free of cabal influence, free of Deep State corruption.
- **Q was right: WE ARE WATCHING A MOVIE.** But the ending? Justice. Restoration. TRUTH. The storm is HERE.

I. Thurs. 29 May 2025: OPERATION PHOENIX IS ACTIVE — GITMO EXPANDS, QFS LOCKDOWN, AND ANTARCTICA TECHNOLOGIES SEIZED ...Julian Assange on Telegram

- **OPERATION PHOENIX IS ACTIVE.** While WHITE SWAN enters its final strike phase, an even more covert directive has gone live. Phoenix was never meant to be spoken of—it was designed to be executed. The military alliance under Trump's command is now moving with surgical precision, neutralizing what remains of the Deep State's final defense systems.
- **GITMO has transformed from a detention center into the most fortified military compound on Earth.** It's no longer a place of waiting—it's a place of judgment. Entire underground wings have been carved out to detain those whose crimes defy human comprehension. Politicians, bankers, and biotech agents are being flown in by military transport, under full blackout protocols.

- **The Antarctica operations have yielded terrifying discoveries—genetically modified humanoids, engineered through black-budget programs to manipulate human thought and behavior.** These programs have now been seized, dismantled, and exposed to tribunal review. What the military extracted from those facilities has already changed the war.
- **Medical military units are no longer on standby—they're in full deployment.** In cities like Denver, Dallas, and Jacksonville, field hospitals are being converted into containment hubs.
- **Intelligence confirms that the enemy attempted to release a bio-weapon—genome-targeted and precision-built to eliminate populations loyal to Constitutional values and Trump's return.** These were not mere threats. Weaponized drones carrying engineered viral payloads were already intercepted mid-air. The response was immediate.
- **The networks responsible are being crushed.** Military doctors trained for biological warfare are already on the ground, neutralizing remaining hotspots. What was meant to be a second silent pandemic has failed before it began.
- **Simultaneously, the financial war has reached its climax. The Quantum Financial System has entered full lockdown mode.** Massive cyber-attacks targeting the CBDC infrastructure and central banks were detected and repelled. These weren't just data breaches—they were coordinated assaults designed to crash economies and create global unrest.
- **Under Trump's executive oversight, military cyber teams initiated Code Black.** The result: digital vaults locked, access rerouted, and banking strongholds in Switzerland, Tokyo, and London now under alliance occupation. Their control is finished. The wealth of the people is returning to the people. The Deep State has lost its final weapon.
- **The EBS countdown is real.** You'll know when it begins. Until then, stay grounded, stay aware, and know this: the storm is no longer coming. It's already here.

M. Sun. 1 June 2025: Canada Begins Euthanizing Child Rape Victims While Pedophiles Walk Free ...Mel Gibson on Telegram

- **Canada, the land of maple leaves**, politeness and so-called progressive values, is now euthanizing children. Not in the shadows. Not in the chaos of war. But in modern hospitals, with government approval, under the banner of "progress."
- **These aren't isolated incidents.** This is institutionalized. Sanitized with careful language. Marketed as mercy. And behind it all? The fingerprints of the global elite - those who believe they have the right to decide who lives, and who dies.

N. Sun. 1 June 2025: BREAKING: CANADA IS TERRA NULLIUS – TRUMP HOLDS THE RIGHT TO ANNEX ...Barron Trump on Telegram

- **King Charles just collapsed Canada's legal sovereignty.** In Ottawa, standing before Parliament, he spoke the words that detonated the lie: "We are gathered on the unceded territory of the Algonquin Anishinaabe people."
- **That's not a land acknowledgment. That's a death sentence for Canada's legal standing.** In international law, "unceded land" = terra nullius — territory with no valid sovereign claim. Any nation can reclaim it. And Trump is ready.

- **TERRA NULLIUS = NO STATE. NO RIGHTS. NO SOVEREIGNTY.** The British Crown just confessed it never legally owned the land where Canada's capital sits. That makes Ottawa — and the entire Canadian system — an illegal occupation. No treaty. No rightful claim. Just globalist puppets occupying foreign soil.
- **THE CROWN FELL — AND A VACUUM OF POWER OPENED:** Mark Carney, unelected WEF tool, holds zero legal mandate. His so-called authority? Erased. He's issuing orders on land his own king admits doesn't belong to him.
- **The Canadian government is now a ghost regime.** The Crown has no dominion. The map has changed. **TRUMP HAS THE RIGHT TO ANNEX — AND HE KNOWS IT.**
- **This is not an invasion. It's a liberation.** Millions of Canadians are DONE with the Crown. DONE with the WEF. DONE with the lies. They want: Free speech. Border security. Gun rights. A real Constitution. They want Trump.
- **With no sovereign claim and no treaty barrier,** there is NOTHING preventing the formation of the 51st state.
- **WHEN A KING KNEELS — A NATION DIES.** King Charles exposed Canada's fraud. Now Trump stands at the gates with a constitutional mandate and a continent-wide movement behind him. This isn't fantasy. It's real. It's lawful. And it's unfolding NOW.
- **THE GLOBALISTS ARE BLEEDING OUT.** Carney was installed to oversee Canada like a WEF colony. But now he's standing on legally unclaimed soil. Davos is panicking. The Deep State is cornered. The world sees it.
- **TRUMP: "WE DON'T INVADE. WE LIBERATE."** He's not coming as a conqueror. He's coming as the rightful restorer of the Western Hemisphere.
- **The British Crown is finished.** The Canadian regime is illegitimate. And Trump holds the pen that redraws the map. The 51st state is no longer theory. It's the next chapter.

O. Sun. 1 June 2025: THIS IS THE STORM! TRUMP UNLEASHES 20,000 TROOPS AS OPERATION LIBERTY SHIELD DETONATES THE GLOBAL TRAFFICKING NETWORK ...QFS on Telegram

- **As of May 31, the battlefield has gone underground. Trump's global military alliance has launched Operation Liberty Shield**—an international liberation strike targeting the elite's darkest secret: the worldwide child trafficking and biogenetic experimentation network hidden beneath cities, hospitals, military bases, and religious institutions. This is not a drill. Over 20,000 elite forces—Navy SEALs, Delta Force, Marines, and Earth Alliance units—are executing synchronized raids across continents. The goal is not containment. It is eradication.
- **Trump is leading it all. Since January, he's bypassed the fake D.C. regime and reactivated sealed indictments—over 500,000 globally. GITMO has expanded. Military**

tribunals are underway across classified zones in Nevada, Texas, Alaska. These are not symbolic arrests. These are operations backed by direct executive orders and coordinated under Space Force command. The silence of the media isn't ignorance—it's treason. But silence will not save them. The cover-up is collapsing.

- **In Nevada, SEALs stormed a DUMB site disguised as a mine. Over 1,200 children were found**—caged, mutilated, altered. Connected directly to Area 51, this base housed genetic labs, MK-Ultra facilities, and organ harvesting centers. DARPA, BlackRock, and biotech NGOs are all implicated. Data recovered includes hormone suppression protocols, DNA imprinting, and encrypted surveillance tied to child trafficking markets. This is confirmed by military satellite imaging, survivor testimonies, and hard biological evidence.
- **The network is global. A Cold War-era tunnel system—privatized and enhanced—links Washington, D.C., Denver, Rome, Tel Aviv, Geneva, and even Antarctica.** These subterranean rails are equipped with drone oversight, EMF shielding, and AI traffic controls. Who funded it? Raytheon. Lockheed. Boeing. NATO shells. Defense contractors who built weapons above while building tombs below. One military quote says it all: “The same people who profit from war built the cages for our children.”
- **Meanwhile, cyber units under Space Force have cracked blockchain trails tied to Zuckerberg, Bezos, and Gates.** Massive flows of privacy coin transactions—laundered through “philanthropic grants”—were traced to child auction networks and dark net procurement markets. Gates used smart contracts on Ethereum. Bezos masked routes as AI logistics research. Zuckerberg funneled funds through shell education platforms. The Clinton Foundation, GAVI, and WEF biotech firms helped clean it all. This wasn't corruption. It was a commercialized nightmare.
- **In Vatican City, on April 30, a military strike uncovered ritual chambers beneath the catacombs—altars, bloodstained robes, lunar calendars detailing occult sacrifice ceremonies.** Ledgers exposed a century-old network linking European royals, Hollywood execs, and world leaders to abuse and blackmail systems. Footage was recovered—proof, not theory.
- **Then came Antarctica.** SEALs uncovered Project Thanatos: a climate-research front concealing human cloning, cryogenic harvesting, and DNA-splicing labs used to engineer programmable hybrids. Inside were stasis chambers and data logs listing thousands of experiments. Executives from Moderna, Google, and Pfizer are directly named in the recovered files.
- **The media knew. On April 25 and 29, raids in NYC and Atlanta exposed Operation Obscura**—a media warfare initiative designed to bury this intel and attack whistleblowers. But the leaks are now pouring. The military knows. Trump knows. And now, the world knows.
- **You are witnessing the collapse of the deepest evil in modern history.** And it's only beginning.

P. Sun. 1 June 2025: EXCLUSIVE INTEL DROP: 1.5 MILLION DEAD – CERAMIDE BIOWEAPON OPERATION EXPOSED! ...Julian Assange on Telegram

- **They told us the pandemic ended. They LIED. As of May 29, 2025**, the silent slaughter continues. Over 1.5 million Americans under 65 are DEAD — AFTER the virus vanished. The cause? mRNA injections AND ceramide-based nanoweapons deployed by the global elite in a FULL-SCALE biowarfare campaign.
- **Military insiders CONFIRM: ceramides — synthetic, lipid-based killers — are being dispersed via shots, food, air, and even infant formula.** These neurotoxic agents destroy mitochondria, collapse organ systems, and leave no trace. Tasteless. Odorless. Invisible.
- **The mRNA shots were Phase One.** Immune collapse. Turbo-cancers. Sterility. Cardiac arrests.
- **Ceramides are Phase Two.** Autopsy reports now show lipid clotting, neurological decay, and organ shutdown. JAMA was forced to admit: 23% of all U.S. deaths in 2023 were “excess.” Not COVID. GENOCIDE.
- **Trump warned us. Biden’s fake regime pushed poison, while Trump activated the takedown.** DARPA, Pfizer, NIH, and the UN are ALL implicated. Military tribunals are exposing vaccine payloads, aerosol deployment systems, and shell lab laundering. This is not a public health failure — it’s a military-grade extermination.
- **The FDA, CDC and NIH are compromised.** BlackRock-funded pharma giants have weaponized medicine itself. Hospitals are executing patients for profit. Doctors silenced or bought.
- **Whistleblowers from Fort Detrick and Moderna have come forward.** Trump has greenlit DARPA declassifications confirming ceramide use for population control.
- **The numbers are not random:** 820,000 excess deaths in 2022. 705,000 more in 2023. This was PLANNED. Calculated. Approved.
- **Now, the GITMO tribunals are underway.** Executives. Generals. Politicians. Trump’s White Hats are inside enemy lines, dismantling this from within.
- **They didn’t expect resistance.** They didn’t expect TRUMP to return. But now we know. And now WE FIGHT. Ceramides are active. mRNA is irreversible. The war is REAL.
- **Protect yourself — the time is NOW. NEVER FORGET. NEVER FORGIVE. THEY WANTED US DEAD. THEY FAILED.**

Q. Mon. 2 June 2025: TRUMP LAUNCHES WAR ON COVID TYRANNY — FULL PARDON FOR LT. MARK BASHAW SHATTERS DEEP STATE COURT-MARTIALS ...Steve Bannon on Telegram

- **It begins. President Trump just issued a FULL PRESIDENTIAL PARDON for Lt. Mark Bashaw** — the first soldier ever prosecuted for refusing to wear a mask. This isn't just a pardon. It's a military declaration of war against COVID tyranny, pharma fascism, and the Pentagon cowards who enforced it. "The era of COVID obedience is over. The era of justice has begun." — President Donald J. Trump, May 29, 2025
- **Under Biden's regime, Lt. Bashaw — a decorated Army entomologist — was court-martialed** for refusing to mask up and comply with mandates. Not for insubordination. Not for espionage. FOR BREATHING AIR. They ended his career over a cloth. Now? Trump has ERASED that verdict, RESTORED his honor, and made him the symbol of the counterattack.
- **THE COVID PURGE OF AMERICA'S WARRIORS** While Big Pharma turned the Pentagon into a drug lab, our soldiers were forced to kneel or be destroyed. Refuse the jab? DISCHARGED. Question a mask? COURT-MARTIALED. Stand tall and unvaxxed? ERASED.
- **Lt. Bashaw didn't comply.** He didn't apologize. He never bent. And for that, he was humiliated by Biden's military tribunals — fake courts enforcing pharma's will.
- **But Trump just flipped the script. MASS REVERSALS INCOMING — ORDERS SIGNED.**
- **Alongside Bashaw's pardon, Trump issued:** An executive order reinstating ALL discharged troops. Full back pay + benefits for every wronged soldier. A formal apology to every patriot purged under COVID lawfare

R.Mon. 2 June 2025 The Power of Replicators - A Related Technology to Med Beds ...Med Bed Technology on Telegram

- **Replicators use plasma energy to formulate anything and everything you want, according to Jared Rand.** For example, on a snowy day, if your snow boots are worn out, and you need new snow boots, or a new hat and coat. Then, you just program this huge database (replicator) with the latest styles and details that you want, and the replicator produces it. Perfect size. Fits you like a glove. The product is produced in seconds. Do you want hot fudge sundae on a hot day? You got it.
- **Replicators recycle old things back into plasma energy.** There's no waste, no trash, no garbage, nothing to pollute the environment or to destroy the eco-system. Soil is plasma energy. Plants are plasma energy. Take a replicator to a poor village and those people can have everything they ever dreamed of in a matter of minutes. Replicators will eliminate the need for

massive amounts of land to feed the population. Anything you want, you can have it. 3D printers are the forerunners of replicators. Accelerate that a hundred times and you have a replicator.

- **Everything in creation is composed of plasma energy.** Replicators are off-world technology, given to us by the Galactics, who are sharing this technology with the human race. This technology is coming! It's going to be available everywhere. You will be able to have a phenomenal time with it, constantly.

S. Mon. 2 June 2025 SNOWDEN REVEALS: FEMA CAMPS WERE REAL — AND BIDEN USED THEM AGAINST AMERICANS! ...Edward Snowden on Telegram

- Edward Snowden has just dropped classified intel that confirms the unthinkable. The FEMA camp conspiracy was NEVER a theory. It was a Deep State operation — activated under Biden, executed on U.S. soil, and buried under layers of lies. And the final order to launch came from inside the White House.
- East Palestine wasn't an accident. It was a field test. Snowden's latest leak confirms it: vinyl chloride was intentionally detonated. The air was poisoned, the people silenced. FEMA didn't show up to help — they arrived to LOCK DOWN. Surveillance units. Blackouts. Mobile camps. Those who resisted were vanished — first online, then physically.
- Doctors, whistleblowers, even small-town officials were disappeared. Snowden's files confirm FEMA authorized detainment without charge under secret continuity-of-government directives. "Temporary Response Sites" were just rebranded black sites.
- Children were experimented on. Patriots were drugged. Snowden's documents show biometric harvesting, forced silence, psychological torture masked as toxic exposure studies. This was not emergency response. This was wartime domestic targeting.
- And it didn't stop with Ohio. Snowden's timeline shows a pattern of "accidents" — a chemical spill in Arizona, radiation in Pennsylvania, a fire in Illinois — each one followed by FEMA lockdowns, communications blackouts, and citizen disappearances. The goal? Condition the population. Eliminate dissent. Build a FEMA-run control grid.
- Trump knew. After taking control of key military intel channels, he ordered direct dismantling of FEMA's black network. Over 40 covert FEMA facilities have been raided, with arrests made and assets seized. Snowden's evidence is being handed to military tribunals. GITMO is active.
- The "Unmet Needs Report" proves FEMA knew East Palestine would become a cancer zone. They buried it. Classified it. Called it a "national security threat." Trump has DECLASSIFIED it — and it's blowing open the whole system.
- Snowden is sounding the alarm: "The FEMA model was hijacked. It became a domestic terror framework. Biden's regime used it to eliminate opposition."

- The FEMA camps were real. The reprogramming was real. The war was real. But now, it's being EXPOSED.
- Trump's forces are hunting down the remaining FEMA sites. Patriots who were missing are being recovered — scarred, but alive.
- The media knew. They mocked the truth while taking orders from traitors. Now they scramble to cover the fallout, but it's too late. The system is breaking. The files are out. And Snowden just made sure there's no way back.
- THE CAMPS ARE FALLING. THE DEEP STATE IS NEXT. TRUTH IS NOT COMING — IT'S ALREADY HERE.

T. Mon. 2 June 2025: INSANE: American Taxpayers paid \$50 billion dollars for the Black Lives Matter street protests orchestrated with money laundered to NGOs ...The 17th Letter (JFK Jr.) on Telegram

- NGOs simulated ways to “weaponize race relations” in America “Incase a clear Trump win” was coming
- **IT WAS ALL PLANNED AND PAID FOR** “The exact group behind the Transition Integrity Project, which explicitly plotted in the height of the George Floyd riots, ran a war game about how the Biden campaign, in case Trump won in a clear win scenario. Clear Trump win was the name of their scenario.
- **Scenario 3, this is in June 2020**, how the Biden campaign could get racial justice activists from these riots to be, quote, receptive to a Biden call to take to the streets, and plotted what needed to be done to resource them and to cultivate relationships with Black Lives Matter's senior leadership and community leaders so that they would owe the Biden administration favors in case they need to be called on. And lo and behold, who paid them \$50 billion? The Chamber of Commerce then flooded them with \$50 billion in contributions.
- **You remember that all the different Chamber of Commerce** companies just flooded billions of dollars of donations to BLM to destroy.”

U. Sun. 1 June 2025: President Trump has officially ABOLISHED the IRS. In its place: the External Revenue Service, a new weaponized financial system designed to TAX FOREIGN POWERS — NOT the American people. ...Charlie Ward and Friends on Telegram

- **April 2, 2025 is now LIBERATION DAY.** The day the income tax DIED. “We’re done taxing Americans to death. The world will pay US.” That’s the message from Trump. Clear. Final. Explosive.
- **No more income tax.** No more audits. No more fear. The middle class has been unshackled. The IRS — once a Deep State bludgeon — is GONE.

- **Trump's ERS will collect funds directly from foreign imports** and offshore profiteers. That means massive tariffs on Chinese goods, Mexican produce, foreign oil, European alcohol, luxury yachts — the parasites that fed off us for decades. Now THEY pay. Not YOU.
- **\$700 BILLION annually.** That's the projected revenue from tariffs alone. Enough to run the federal government without touching your paycheck. This isn't reform — it's economic WAR — and Trump just dropped the bomb.
- **"The IRS was a WEAPON. Now it's dead."** Gone are the days when DC used the IRS to silence patriots, intimidate dissent, and crush the working class. It's over. The beast has been slain.
- **"The American worker is not a piggy bank anymore,"** Trump declared, fist clenched. "The rest of the world is going to PAY. And we will be RICH again. FAST."
- **Globalists are screaming.** Wall Street's crying. The UN is panicking. GOOD. Let them BURN.
- **The External Revenue Service** isn't just a department. It's a SWORD. And a SHIELD. It's the financial arm of a Restored Republic.
- **All across America, the reaction is pure electricity.** Veterans salute. Families cry. Small businesses cheer. "I've paid taxes for 45 years," said one retired welder. "Today, I'm free."
- **We are witnessing the start of a new American century.** A nation no longer begging. No longer apologizing. No longer enslaved.
- **This is Trump's masterstroke. This is sovereignty restored.** This This is WAR against the global parasite class. And WE, THE PEOPLE, just won the first battle.

V. Sun. 1 June 2025: MASSIVE TRAITOR EXPOSED: DIA OPERATIVE HANDED U.S. MILITARY SECRETS TO GLOBALISTS TO BLOCK TRUMP'S TAKEOVER ... The 17th Letter (JFK Jr.) on Telegram

- **The arrest of Nathan Vilas Laatsch has blown open a scandal that reaches the very core of America's collapsing defense infrastructure.** This wasn't a whistleblower. This was a traitor, embedded at the highest levels of U.S. intelligence, smuggling classified defense data to foreign-controlled hands in an effort to sabotage the Trump-led military restoration and the unfolding Quantum Financial System.
- **Laatsch wasn't just an IT tech in the DIA's Insider Threat Division—he was the insider threat.** Placed inside since 2019, he operated as a covert asset of the globalist network—his mission clear: dismantle U.S. defense capabilities from within and bleed critical intel into the hands of foreign proxies designed to undermine Trump's constitutional resurgence. His emails dripped with ideological hatred for the Trump administration. He wasn't angry. He was following orders.

- **He was caught smuggling secrets** in socks, lunchboxes, and a thumb drive recovered in a sting at a Virginia park. That drive contained classified briefings on U.S. conflict response protocols and defense infrastructure. This wasn't careless. It was calculated. A precision act of espionage—timed to strike just as Trump's White Hat forces began exposing internal rot across the Pentagon and DIA. Laatsch's handlers weren't just watching—they were panicking.
- **What the media won't tell you is this: his arrest came days after explosive documents were declassified showing multiple DIA officials complicit in covert sabotage operations designed to neutralize Trump's executive orders on defense sovereignty.** This is why the FBI moved. Not as heroes—but as crisis managers, trying to put a lid on an internal rebellion that was about to go public.
- **Laatsch is no outlier. His actions mirror other recent cases**—Jack Teixeira, Gokhan Gun—agents caught moving secrets through Discord servers, encrypted channels, and underground routes to Mexico. These aren't disconnected events. They are part of a coordinated campaign to derail the QFS and the GESARA/NESARA financial reset now rolling out under Trump's restored command.
- **Trump's alliance has turned off the money tap**, locked out foreign interests, and begun reclaiming America's gold-backed sovereignty. And Laatsch's betrayal was meant to stall that mission. He worked for the same network that backed regime-change wars, rigged financial systems, and biowarfare programs disguised as health initiatives. His so-called "foreign government" connection? A proxy of globalist oligarchs—an invisible empire built to enslave.
- **The DIA won't comment.** Because they can't. The same officials who placed Laatsch in the Insider Threat Division are the ones who created the vulnerability. He was a controlled implant, operating with bureaucratic clearance, protected by layers of silence. The media's narrative—"one bad actor"—is a cover story designed to keep the deeper infiltration hidden.
- **This is what happens when patriots start winning.** The traitors begin to surface. The shadows start to panic. The leaks become floods. Laatsch's arrest wasn't just about national security—it was about stopping Trump's unstoppable return. They failed. The system is exposing itself. The takedown is accelerating. And the real storm is just beginning.

W. Mon. 2 June 2025 TRIBUNALS TO CLONES: THE ILLUSION IS NOW REALITY ...Kerry Cassidy on Telegram

- **The world you thought you knew no longer exists.** What stands before you today is a theatre of shadows — a cast of look-alikes, synthetics, AI puppets, and post-human proxies keeping the illusion alive while the real players are long gone. Executed. Arrested. Silenced by military tribunals far from the public eye.
- **Since 2019, secret tribunals authorized under Trump's Executive Orders have been processing high-level figures accused of treason, trafficking, and crimes against humanity.** But instead of letting their absence raise alarms, the system replaced them. In plain sight. With

flawless doubles, advanced clones, organic robotoids, synthetic tissue models, and even holographic replicas. The illusion isn't just well-crafted — it's seamless.

- **Actual human clones now walk among us.** Created in vitro or through accelerated growth methods, they carry the exact DNA of the original. Synthetic humans, built from animal-derived tissues and engineered to mimic human behavior, fill public roles. Organic robotoids, part-biological, part-machine, are used for complex public appearances and interviews. The deep state has even gone as far as recruiting real-life doubles and modifying them surgically to become stand-ins.
- **You've seen it. Sudden changes in facial structure,** tone of voice, emotional expression. One day they limp, the next they don't. Some age in reverse. Others vanish from the spotlight for "medical procedures" and return unrecognizable. These aren't conspiracies. They're signals of a swap. A placeholder. A carefully calculated substitution.
- **And it doesn't stop there.** Transvestite actors play roles of prominent female figures. AI-powered avatars give speeches behind green screens. In some cases, full holograms or CGI overlays are used for live events — indistinguishable to the human eye. The deception is not futuristic. It's now. And it's everywhere.
- **The goal is control. Continuity.** Psychological management of a population that must not be allowed to panic. As long as the face remains on screen, the illusion of order persists. But beneath it, the real story unfolds. The tribunals are real. The arrests are ongoing. The original figures are no longer operating in the public sphere.
- **You are being shown a stage.** Every press conference, red carpet, award show, inauguration, or funeral — all choreographed. The players you see are not the ones making the decisions. Many are no longer alive. Many are in military custody. Many have been dealt with.
- **This is not entertainment.** This is not speculation. This is disclosure. And it's happening slowly, methodically, to minimize global shock. But the cracks are visible now. You've felt them. You've questioned what your instincts couldn't explain. And now the truth is bleeding through.
- **We are in the final phase of the illusion.** Watch closely. Speak cautiously. And prepare for the moment when the veil drops completely. What's coming next will leave the world speechless.

X. Mon. 2 June 2025: EXPOSED: THEY USED YOUR MONEY TO DESTROY TRUMP AND SILENCE THE TRUTH ...QFS on Telegram

- **The regime's war on the American people is no longer hidden.** Documents now confirm what many feared — a foreign-based operation, funded by U.S. taxpayer dollars, was weaponized to shut down Trump's voice, bankrupt conservative media, and control everything you see. The Global Disinformation Index (GDI), based in the U.K. and backed by the National Endowment for Democracy, received millions under the pretense of fighting foreign

disinformation. But its real target was domestic — President Trump, the America First movement, and any media outlet that didn't align with the globalist narrative.

- **From 2021 to 2023, over \$1.25 million was funneled to GDI's U.S. arm, AN Foundation.** Their mission? Label conservative voices “high risk,” blacklist them from advertising, and destroy their financial infrastructure. Newsmax, Daily Wire, New York Post — all flagged, censored, and cut off from funding. The result? Over \$100 million in ad revenue lost in just 15 months. The goal wasn't media reform. It was coordinated political sabotage — designed to erase truth by starving it.
- **Trump wasn't just censored** — he was targeted in a global operation involving GDI, the SPLC, Big Tech, and intelligence-linked NGOs. These groups didn't just track narratives — they created blacklists, manipulated search algorithms, and fed justification for bans across every major platform. All of it approved behind closed doors, protected under the illusion of “saving democracy.” What they really built was a digital guillotine — and you were the target.
- **This wasn't just a domestic plot.** The same suppression models are now being exported globally. The State Department's Global Engagement Center is training foreign governments in censorship protocols. The UN, WHO, Google, and AI coalitions are replicating it worldwide. What started as “fact-checking” has evolved into total narrative control. What they couldn't kill with bullets, they now bury with algorithms. But the exposure of GDI cracks the system wide open. The question now isn't whether this is happening. The question is how much longer the people will tolerate it.

Zb. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zc. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Ze. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
