World Wide Black Swan Event In Progress

Trump’s Global Military Alliance Executing Largest Military Operation in History

Trump & BRICS Nations Launched NESARA GESARA on Sun. 1 June 2025

Cabal’s Fiat Financial System, Dead

[Battle Hymn of the Republic | The Tabernacle Choir - YouTube](#)

“As you draw nearer to the Lord, He will guide you to become the best version of yourself.”

... M. Russell Ballard

Judy Note: A Black Swan Event was in progress. The U.S., Canada, Europe, Japan, Israel, U.K., Taiwan, Australia and New Zealand could not sustain their debt any longer. With the Cabal's fiat Financial System dead, Trump & BRICS nations launched NESARA GESARA on **Sun. 1 June 2025**.

From their Cheyenne Mountain Command Center, Trump's Global Military Alliance was executing the largest military operation in history with arrests, seizing gold, dismantling Globalist infrastructure and obliterating the Deep State. **As of June 7, 2025**, the military phase shifted. The containment was over. The purge has begun.

Task Force Phoenix was issuing direct orders — bypassing all corrupt systems. In the last seven days over 3,200 targets were neutralized including Blackrock, Pfizer, IMF, Mainstream Media, Vatican execs & CIA Child Traffickers.

Under the codename Operation Stonefire, Joint Special Operations units — operating across 17 synchronized time zones and penetrated the final strongholds of the financial warlords, human trafficking syndicates, and globalist defense bunkers. These were the fallback zones: underground vaults beneath Geneva, Tel Aviv, and the Colorado Rockies. Now neutralized. Permanently.

Over 3,200 top-level targets neutralized in 7 days. This includes BlackRock execs, Pfizer leadership, Vatican treasurers, IMF, CIA child traffickers, and media moguls tied to MK Ultra.

The banks have fallen. Gold, diamonds, hard drives, and documents have been seized from BIS vaults in Switzerland. Over \$300 trillion in stolen wealth is now being funneled into GESARA and humanity's final liberation.

White Hat operatives, under the guise of humanitarian missions, were dismantling black market economies linked to the Federal Reserve and Vatican Bank using encrypted Star Link communication systems. A raid on the Vatican's archives in **May 2025** unearthed the "Black Vault," a repository of documents exposing centuries of manipulation. From financial tyranny to mass mind control through religion, and the deliberate suppression of free energy technologies, the revelations are staggering. Among the findings are agreements between the Vatican, Rothschild banks, and global intelligence agencies, designed to control humanity.

Notably, the original NESARA legislation, proposed during the Kennedy administration, was buried following his assassination — a plot orchestrated by the cabal. With these documents now retrieved, NESARA's legitimacy as a mission to free humanity is irrefutable.

In the civilian realm, coordinated arrests have begun in all five Eyes nations. High-level corporate executives, media anchors, and NGO directors are being quietly extracted for tribunal processing. What looks like "resignations" and "health complications" in the news are cover scripts. In reality: these are takedowns. The crimes involve human experimentation, bioweapon coordination, and mass financial theft under humanitarian disguise.

What was uncovered in those final red zones is beyond anything previously disclosed — human cloning chambers used for political substitution, ARPANET-based mind control frequency hubs, and direct evidence of extraterrestrial trade deals brokered in exchange for human genetic material. All of it logged. All of it documented. All of it now in the hands of Trump's Military Intelligence Corps.

Antarctica is under siege. Queen Maud Land — once a Nazi fortress — is being overrun by U.S. Space Force, Russian patriots, and allies from India and Brazil. Inside: portals, hybrid labs, Atlantean tech, ritual chambers, and the Deep State's last holdouts.

Media silence = proof of panic. CNN, BBC, FOX, and Reuters execs have vanished. Military ops have dismantled their command structures. Their crimes? Depopulation. Mind control. Ritual abuse.

The EBS system was now on direct standby. Insider chatter confirms that final calibration tests were completed on **June 5**, and emergency signal override has been installed in over 87 countries. You will not see this on television. But you will feel the shift. Frequencies were being rerouted. Airspace was being locked down. Major media satellites were now under Q-Command Authority.

The "10 Days of Darkness" – the Military's Final Play: Preparations for a global blackout — dubbed the "10 Days of Darkness" — were now in final countdown. During this period, mass arrests will be executed, and the Emergency Broadcast System (EBS) will disseminate unfiltered truths. Special Forces are being deployed to eliminate rogue elements while critical infrastructure is secured.

By June 10, the first wave of public disclosures was expected to begin — not through CNN or BBC — but through raw, unfiltered QFS-verified broadcasts across secure global nodes. Every piece of documentation, every tribunal session, every sealed indictment will be opened.

SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: "You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which

they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington

A. What We Think We Know as of Sun. 8 June 2025:

- **Sat. 7 June 2025:** Trump Releases Evidence Deep State Replaced Biden With Actors Before He Took Office.
- **Sat. 7 June 2025: Edward Snowden just confirmed it:** the "nonprofits" were NEVER about aid—they were Deep State weapons. Snowden's new classified dump exposes the truth Q already knew—Biden's NGO network was a military-grade infiltration tool used to funnel \$150 BILLION into child mutilation, open borders and full-scale cultural demolition.
- **Sat. 7 June 2025:** Estimated total cost taxpayers spent on illegals the last 4 years is \$603 billion. Estimated cost to remove them over 4 years is \$347 billion. American taxpayers are spending \$950 BILLION on illegals Democrats imported to rig our elections and NOT ONE DEMOCRAT has gone to prison
- **Sat. 7 June 2025:** “**The CIA works for military contractors**, providing a steady pipeline of forever wars. The health agencies are controlled by the pharmaceutical industry, which profits from chronic disease. The Fed, held captive by big banks, floods the canyons of Wall Street with money. The agencies that are supposed to be stewards of American security, prosperity, and health are no longer working on behalf of you and me. They’ve become sock puppets for the industries they are supposed to regulate.” ...Robert F. Kennedy Jr. on Telegram

- **Sat. 7 June 2025:** It’s all theater. The so-called feud between Trump and Elon Musk isn’t a falling out — it’s a well-rehearsed script designed to cloak classified operations and reroute the Deep State’s attention. This is Sessions 2.0, and for those who remember 2017, the pattern is unmistakable. Back then, Trump blasted Jeff Sessions publicly while Q warned: “Trust Sessions.” Behind the curtain, Sessions appointed Huber and Durham, igniting a

wave of over 50,000 sealed indictments. The betrayal was never real. It was cover. ...Julian Assange on Telegram

- **Sat. 7 June 2025:** Bank account records show Senator Lindsey Graham is laundering money from the Ukraine war back into his personal bank accounts. CIA Officer says it's "significant amounts of money" being laundered back to Senator Lindsey Graham. "Let me say something about Senator Graham. There will be news coming out in the next couple of months about how he has profited financially off of money that came out of Ukraine, laundered through Latvia and made it way into his bank account. And now we're talking significant amounts of money. Department of justice is looking at it. Those are serious allegations leveled by CIA officer, former CIA officer Larry Johnson." ...Tucker Carlson on Telegram

C. Global Currency Reset:

Judy Note: It was my understanding that Redemption Centers could give you a higher rate on exchange of your currencies than could a bank. The much higher Dinar Contract rate was only available at a Redemption Center. Zim could only be redeemed at a Redemption Center, not at a

bank. They will be sending out notifications on how to obtain an appointment at a Redemption Center and such will be posted in my updates and on various Dinar websites.

- **As of Sun. 1 June 2025 some Redemption Centers** became fully operational, secured by military oversight, and processing gold-backed transactions through the Quantum Financial System.

- **On Sat. 7 June QFS Payouts began** to certain qualified groups and individuals.
- **Mid June 2025** Under Trump's Patriot Wealth Directive, Restitution & Reparation (R&R) payouts begin mid-June — gold-backed compensation for every theft you endured: IRS fraud, banking abuse, vaccine injury.
- **Thurs. 5 June 2025 Bruce: According to Iraqi sources** the Iraqi Dinar will be revalued over the weekend in a four day holiday ending **Mon. 9 June** — and expected to come out on **Tues. 10 June. By Sun. night 8 June** our Federal Reserve USD accounts will be transferred to a USTN account. USTN will be out by **Tues. 10 June. Tier4b** notification should come out on **Tues. 10 June**, so we could start exchanging on **Tues. 10 June or Wed. 11 June.**

Global Financial Crisis:

D. Wed. 4 June 205 OPERATION SANDMAN: 100+ NATIONS DETONATE THE DOLLAR — THE GLOBAL RESET HAS BEGUN ...Nesara Gesara on Telegram

- **It has officially started. The silence that follows will be louder than any bomb. Over 100 nations — from BRICS to OPEC+, ASEAN to Africa's awakened blocs — have signed onto a single coordinated strike:** walk away from the dollar. No missiles. No warheads. Just abandonment. This is Operation Sandman, and its activation will collapse the American empire from within.
- **For fifty years, the U.S. lived on borrowed time** — printing fiat dollars, enforcing petrodollar supremacy, and masking inflation behind false prosperity. But the world has had enough. They've watched the Fed counterfeit value, export debt, and weaponize the dollar against weaker nations. And now, the trap has been set.
- **Once triggered, every dollar-based trade system will be abandoned overnight.** Gold, national currencies, and sovereign digital assets will take its place. No warning. No gradual decline. Just sudden, irreversible collapse. Treasury markets will freeze. Bonds will become worthless. The Fed will lose control. The era of fake wealth ends in a heartbeat. This is not economic theory. This is economic warfare.
- **At the core is the petrodollar** — the system that made the dollar mandatory for oil trade since the 1970s. The moment that collapses, the dollar's artificial demand evaporates. And

that's exactly what Sandman is calibrated to do. This is the end of the game — and the U.S. is not ready.

- **Retirement accounts? Vaporized.** Stock market value? Obliterated. Real estate bubbles? Burst. Middle class savings? Gone.
- **This isn't a crash. It's a controlled demolition** — engineered by the very nations that once propped America up. Now, they're walking away and letting it burn.
- **One man saw it coming and was prepared.** President Donald J. Trump has long warned of the dollar's fragility and the globalist plot behind it. Now, with Sandman in motion, he's preparing the counterstrike: – Reinstating a gold-backed U.S. currency – Launching a sovereign digital dollar – Cutting ties with globalist banking networks – Declaring economic martial law if necessary.
- **This isn't about inflation anymore. It's about survival.** Trump's plan is to restore America's economy, destroy the central bank cartel, and return sovereignty to the people — with real money, real value, and real independence. The media will lie. The Fed will panic. The people will suffer.
- **But history will remember this moment** — when 100+ nations said “enough,” and ended the counterfeit empire with a whisper, not a war. The Great Reset is no longer coming. It's already begun. Stand with Trump. Brace for impact. And remember this: silence can collapse an empire.

Restored Republic Black Swan Event, EBS ALERT, Defcon 3, NESARA GESARA Launched:

E. Sat. 7 June 2025: DEFCON 3: THE RED LINE HAS BEEN BREACHED — AMERICA ON GLOBAL ALERT ...Nesara Gesara on Telegram

- **DEFCON 3 has been activated.** The Pentagon just shifted America into a heightened state of readiness — a move reserved for imminent global escalation. This isn't a drill. Surveillance grids are hot, missile systems armed, and strategic bombers repositioned. But the media says nothing. Silence is the strategy of cowards.
- **DEFCON isn't theory.** It's the military's code for “prepare for war.” We're now at Level 3 — one breath below DEFCON 2, where deployment happens in under 6 hours. That means forces are standing by. Air command is primed. Naval fleets are in motion. And yet the public remains asleep.
- **Multi-front ignition:** Ukraine. China. Iran. North Korea. This isn't just tension. It's a synchronized pressure campaign:
Ukraine: On June 1, 2025, Ukrainian drones pierced over 4,000 km into Russian nuclear airbases. Entire strategic bomber fleets hit. Western tech suspected. \$7 billion in losses.
China: The PLA Navy is shadowing U.S. patrols near Taiwan. Cyber units have breached critical Pacific port systems. This is no exercise.

Iran: Militias backed by Tehran are probing U.S. base defenses across the Middle East. War games? No — war signals.

North Korea: After months of silence, ICBM launches resumed, aimed toward the Pacific. Rogue BRICS+ states are watching — and waiting.

- **The global chessboard is collapsing.** The Deep State sold off readiness for ribbon-cutting ceremonies and backdoor deals. Now, the Pentagon's scrambling to undo years of sabotage. Bases were neglected. Allies armed enemies. Intel blacked out.
- **Now? Submarines vanish under Arctic silence.** Cyber Command is at CODE CRIMSON. Satellites locked in full-spectrum surveillance. No announcements. No pressers. Just silent war.
- **DEFCON 3 is the final checkpoint before kinetic hell.** Once DEFCON 2 hits — it's deployment. Once DEFCON 1 hits — it's war.
- **The elite want panic suppressed.** But what they fear most isn't conflict — it's a nation waking up too soon. A population that sees through the smokescreen and realizes:
- **This isn't a future threat. It's now.** And it was engineered. DEFCON 3 is not a warning. It's the sound of the machine turning back on. The storm is no longer coming. It's here. And someone just cut the brakes.

F. Sat. 7 June 2025: MASSIVE!!! GESARA Is Now Military Law — 57 Banks Deleted by QFS, GITMO Processing Daily Executions, Troops Deployed Nationwide, Starlink Under Attack, and Trump Leading 200+ Nation Alliance to Annihilate Deep State Leaders!

...Nesara Gesara on Telegram

- **No more theories.** No more waiting. The cleansing has begun.
- **Trump is commanding over 200 military alliances.** The battlefield is global. The mission: annihilate the Deep State and transfer power back to the people — by force.
- **Starlink isn't a tech brand.** It's a military-grade weapon grid. It tracks, locks, and neutralizes enemy positions. Every Deep State launch attempt against it has FAILED. Missiles, drones, frequency weapons — all intercepted and destroyed. The attackers? Gone.
- **The Quantum Financial System just erased 57 banks in 72 hours.** These weren't bankruptcies — they were military seizures. Executives are vanishing. Servers wiped. Assets frozen. GESARA is no longer theory — it's being enforced by MILITARY LAW.
- **Troops are being deployed across America.** Quietly. Strategically. Urban centers, rural zones, power grids — all reinforced by covert GESARA forces preparing for wealth transfer ops. They're not there to protect Wall Street. They're there to replace it.
- **And GITMO?** It's not just open — it's operating at wartime speed.
- **Tunnels deepening.** Chambers expanding. Military tribunals are now being recorded. These aren't legal hearings — they're kill-switch trials.
- **Encrypted evidence** is already stored in three global vaults for public disclosure: child trafficking, election interference, bioweapons, ritual abuse.

- **Executions are daily.** This is not punishment — this is erasure.
- **Trump is leading the charge.** Starlink is watching the skies. GESARA is draining the Cabal's bloodline currency. And GITMO is the final stop for traitors.
- **This is the final phase.** We are at war — and we are WINNING. Nothing can stop what's coming. Hold the line. Stay awake. The days ahead will shake the world.

H. Sat. 7 June 2025 RED ALERT! Military Operations Expose Secret Underground Bunkers, Human Cloning Labs, and Declassified NESARA Documents – QFS, 10 Days of Darkness, Mass Arrests Signal the Rollout of NESARA's Revolutionary Plan! ...Nesara Gesara QFS on Telegram

- **The Floodgates Have Opened: June 2025 — The Great Unveiling: Fri. 6 June 2025, will be remembered** as the day the veil of secrecy was torn apart, exposing a labyrinth of deceit that has shaped humanity's existence for centuries. From the deep state's collapsing strongholds to the rise of NESARA and GESARA, and the revelation of suppressed alien technologies, the truth is no longer a whisper — it's a roar.
- **NESARA and GESARA:** The Global Reset in Motion: The execution of NESARA and GESARA has entered a decisive phase. Redemption Centers across the world, hidden within ordinary buildings, are now fully operational, staffed by agents verified through DNA-based biometric protocols.
- **Leaked documents, however, reveal that some nations — Canada and Australia among them — are being excluded from early GESARA benefits** due to their governments' continued allegiance to the cabal. Meanwhile, White Hat operatives, under the guise of humanitarian missions, are dismantling black market economies linked to the Federal Reserve and Vatican Bank using encrypted Star Link communication systems.
- **The Vatican's Dark Secrets Unveiled.** A raid on the Vatican's archives in May 2025 unearthed the "Black Vault," a repository of documents exposing centuries of manipulation. With these documents now retrieved, NESARA's legitimacy as a mission to free humanity is irrefutable.
- **Alien Technology and the Shadow Space Race:** The so-called "Space Force" has been reclaiming alien technologies hoarded by corporations. Advanced devices such as gravitational manipulators, teleportation systems, and vibrational healing chambers have been seized.
- **A raid on June 3, 2025, in Antarctica** uncovered an underground base holding crystalline power generators capable of providing free energy and healing technologies. These were weaponized by the cabal to control global energy and healthcare markets.
- **The operation, carried out by U.S., Russian, and Chinese forces under the BRICS Alliance,** marks a pivotal moment in dismantling the cabal's technological monopoly.
- **The QFS Exposes the Shadow Grid:** The Quantum Financial System (QFS) has dismantled a clandestine banking network used by elites to fund illicit activities, including trafficking and bioweapons research. Dubbed the "Shadow Grid," this system funneled trillions undetected. With over 300 arrests already made, high-profile figures are set to face public tribunals throughout July 2025, signaling the end of financial tyranny.
- **DNA Manipulation and the Global Vaccine Agenda.** Whistleblowers have exposed the use of mRNA vaccines as a front for CRISPR-based genetic manipulation, aimed at

creating a compliant, genetically modified workforce. White Hat scientists, however, have developed countermeasures to reverse these modifications, restoring human DNA.

- **The "10 Days of Darkness": The Military's Final Play:** Preparations for a global blackout — dubbed the "10 Days of Darkness" — are now in final countdown. During this period, mass arrests will be executed, and the Emergency Broadcast System (EBS) will disseminate unfiltered truths. Special Forces are being deployed to eliminate rogue elements while critical infrastructure is secured.

I. Sat. 7 June: QFS IS LIVE! THE FIAT SYSTEM IS DEAD. REDEMPTION CENTERS ARE ACTIVE. ...Ben Fulford on Telegram

- **The banks are panicking. The fiat system is dead** — no matter how much they lie. As of June 1, 2025, Redemption Centers are fully operational, secured by military oversight, and processing gold-backed transactions through the Quantum Financial System. This is no longer theory. It's happening. The old system has collapsed, and every desperate attempt by the cabal to cover it up is failing.
- **Global military units, led by Trump's Alliance**, have raided hundreds of elite-controlled vaults in just weeks. Stolen gold. Off-ledger notes. Ritual finance files. It's all being seized and authenticated through Light Intelligence Tech, and redirected into the QFS. These vaults weren't hidden in banks. They were buried beneath mountains, Vatican catacombs, and former NATO bases. The illusion of elite financial dominance has been shattered.
- **If you've still got money in legacy banks, know this:** over 12,000 branches have closed in the past 30 days. Not "downsized." Not "restructured." Shut down. Disconnected from the QFS grid. The dollar you know is a corpse. The only access to real, sovereign wealth now flows through Redemption Centers — and you must be verified, scanned, and approved to receive USTNs backed by Cabal gold.
- **Behind the curtain, the Cabal launched final attacks.** EMP weapons, bio-weapons, and digital sabotage. A classified operation called LAST BREATH outlined plans for chaos: media psy-ops, power outages, false flags. All to stop you from waking up. But they failed. Space Force intercepted an EMP strike over Kansas on May 29. A synthetic virus batch was seized in Frankfurt on May 31. QFS neutralized an NSA breach in under 4 seconds. Their tricks are exhausted. Their war is lost.
- **Now comes justice. Social Security systems have been rebuilt, decoupled from surveillance networks, and reconfigured for sovereignty.** You are no longer a product. Biometric data has been secured. Behavioral monetization has ended. Under Trump's Patriot Wealth Directive, Restitution & Reparation (R&R) payouts begin mid-June — gold-backed compensation for every theft you endured: IRS fraud, banking abuse, vaccine injury.
- **And the digital control grid they planned? Obliterated.** CBDCs are dead. SWIFT is obsolete. RLUSD and XRP are the only authorized digital assets under QFS —

engineered for instant, sovereign exchange. RLUSD is backed by gold in captured NATO vaults. XRP is the liquidity bridge that makes fiat irrelevant. The system now belongs to the people. And every transaction is logged, secured, and protected by quantum encryption under military command.

- **This isn't a rumor. This is the end of their world** — and the beginning of ours.

J. Sat. 7 June 2025 QFS PAYOUTS HAVE BEGUN!! FIRST GOLD-LINKED TRANSACTIONS CONFIRMED WORLDWIDE ...Gesara-QFS https://t.me/Gesara_QFS

- **It's real. It's live. And it has started. Today Sat. 7 June 2025** at precisely 08:44 UTC, the first verified USTN disbursements were confirmed through QFS biometric wallets in sectors across Florida, South Africa, Brazil, and the Philippines. Each transfer was linked to live asset backing — gold bars recovered from cabal-controlled vaults — and executed under triple-encrypted quantum relay.
- **The age of false banking is over.** This is sovereign restitution in motion.
- **Recipients in Tier 1 categories** — whistleblowers, veterans, unlawfully taxed citizens, and those injured by globalist systems — have begun receiving Phase 1 compensations. No intermediaries. No banks. No central permission. Just direct, secured value delivered through the only remaining lawful system: the QFS.
- **Behind the scenes, Redemption Centers have entered Phase Green**, signaling readiness for higher-volume processing. Over 90,000 new verifications are underway globally, and over 11 million USTN credits have been locked for scheduled issuance in the next 72 hours. If you're verified, the clock is ticking.
- **Meanwhile, emergency response nodes have been activated in Italy, Belgium, and Ontario** — after QFS intel flagged deep-state-triggered energy disruptions aimed at blocking access to satellite uplinks. Counter-operations are succeeding. Quantum override protocols are holding fast. Their grip is dissolving by the hour.
- **And here's what they're not telling you:** mainstream financial media has now received formal EBS blackout warnings. Every major network is on silent standby. Treasury-level insiders confirm that a full media purge of legacy economic lies is imminent. When the final node syncs, the flood begins.
- **XRP rails are now handling transition liquidity**, while RLUSD finalizes its global peg to the BRICS+ sovereign basket. This is no longer speculative. This is the future replacing the fraud — in real time, under military protection.
- **The wait is over.**

K. Sat. 7 June 2025: GLOBAL FINANCIAL EMERGENCY! GLOBAL CURRENCY RESET IS HERE! ...Emergency Broadcast System on Telegram

- **The world is on the brink of a catastrophic financial collapse!** The Global Currency Reset (GCR), NESARA GESARA, and the Quantum Financial System (QFS) are no longer

whispers in the dark. The storm is here, and the elites are scrambling to contain the fallout before the truth reaches YOU!

- **The Black Swan event** is unfolding before our eyes! The world's top economies are INSOLVENT! The U.S., Canada, Europe, Japan, Israel, the U.K., Taiwan, Australia, and New Zealand CANNOT sustain their debt any longer. The financial system is crumbling, and a monumental shift is coming that will change everything!
- **THE GREAT RESET VS. THE PEOPLE'S RESET!** They want you distracted while they rewrite the financial order behind closed doors. But here's the TRUTH: The QFS is set to replace the corrupt banking system that has enslaved us for centuries! This system, rumored to be gold-backed and fully decentralized, will eliminate the central banks and their criminal grip on global finance.
- **The elites know they are running out of time.** They NEED the crash to happen on THEIR terms. They NEED you to be unprepared. But we see through their deception!

L. Sat. 7 June 2025: BREAKING! WHITE HATS LAUNCH FINAL GLOBAL STING— TRUMP'S MILITARY ALLIANCE UNLEASHES JUDGMENT ON THE DEEP STATE!

...Quantum Financial System on Telegram

- **The largest coordinated military operation in world history** is happening RIGHT NOW. This is not a drill. Trump's global alliance is executing arrests, seizing gold, dismantling globalist infrastructure, and obliterating the Deep State from the inside out.
- **Over 3,200 top-level targets neutralized in 7 days.** This includes BlackRock execs, Pfizer leadership, Vatican treasurers, IMF, CIA child traffickers, and media moguls tied to MK Ultra.
- **Cheyenne Mountain is fully active.** Known as "Trump's Vault," it's the new command center of the global military alliance. Task Force Phoenix is issuing direct orders — bypassing all corrupt systems.
- **The banks have fallen.** Gold, diamonds, hard drives, and documents have been seized from BIS vaults in Switzerland. Over \$300 trillion in stolen wealth is now being funneled into GESARA and humanity's final liberation.
- **Antarctica is under siege.** Queen Maud Land — once a Nazi fortress — is being overrun by U.S. Space Force, Russian patriots, and allies from India and Brazil. Inside: portals, hybrid labs, Atlantean tech, ritual chambers, and the Deep State's last holdouts.
- **Media silence = proof of panic.** CNN, BBC, FOX, and Reuters execs have vanished. Military ops have dismantled their command structures. Their crimes? Depopulation. Mind control. Ritual abuse.
- **Trump's EBS is armed and standing by.** What's coming will override every broadcast. Prepare for leaks of unfiltered truth: ritual videos, banker plots, depop emails, and global bunker maps.
- **The final war has begun.** GESARA will wipe out global debt. QFS will end the Fed. Hidden healing tech will be released. Bunkers will become prisons.

- **Private jets are fleeing like rats.** The elite are running—but there is nowhere left to hide. Starlink is now a weapon. Every signal is tracked. Every bunker is compromised.
- **This is the final phase.** The world will never return to what it was.
- **Trump’s plan is global.** It’s surgical. And it’s unstoppable.

M. Sat. 7 June 2025: We are at the edge of EVENT FINALIZATION — the last calibration before global acknowledgment of GESARA law, the EBS, and irreversible system-wide disclosure. ...Gesara QFS on Telegram https://t.me/Gesara_QFS

Behind the Scenes:

- **All 34 targeted structures** are now confirmed to be mapped by orbital DEW systems.
- **Vatican server backups** were extracted during last week’s blackout drills.
- **Rothschild-owned clearinghouses** in Belgium, Israel, and New York were seized in silent night raids under the cover of “cyber disruptions.”
- **Chinese crypto-fraud networks** (controlled by Khazarian intermediaries) are being wiped — permanently — and replaced with ISO20022 rails tethered to gold.
- **The EBS, contrary to media silence,** has already completed a successful trial across 10 strategic regions, each running pre-broadcast suppression diagnostics under Project Odin’s oversight.
- **This is how you flip the switch** without collapsing the psyche of an unprepared world.
- **Quantum Systems Check:**
 - **Starlink** lattice is now in full quantum grid sync across 5 orbital tiers.
 - **Project Odin** uplinks confirmed to override Mossad-media satellite feeds.
 - **QFS data** injection trials began silently across IMF outposts last week.
 - **ISO token pathways** were tested for 72 hours inside EU central clearing hubs.
- **The event** itself is biblical — not in metaphor, but in consequence.
- **The fake WW3** panic will act as the ignition event — the emotional catalyst to bring every sleeping citizen to full attention. Sirens will blare. TV signals will vanish. Markets will plunge. People will scream. And then... silence.
- **In that void, everything shifts. EXPECT:**
 - **Tesla energy relay** pulses activating across 9 test zones
 - **Media asset purges** (coordinated and irreversible)
 - **Vaulted execution footage** from tribunals to air via secure EBS protocol
 - **Activation of Rainbow-backed** digital wallets in all aligned nations
 - **Strategic resignation** or arrests of remaining public cabal figures
- **The illusion is collapsing.** The real structure is already in place. QFS. MedBeds. Biometric sovereign systems. Justice grids. Quantum Truth Hubs.

- **Everything we told you was coming** — is already functional. We're not waiting for permission. We're not hoping for approval. The storm is mathematical, spiritual, and surgical.

You are in the final hour before the light pierces the veil. Let it come. Let it all fall. Because what rises next... is not the old world reborn. It's humanity, finally sovereign.

N. Wars and Rumors of Wars:

- **Sat. 7 June 2025** illegal immigrant rioters in LA were being supported by Soros funded organizations. The National Guard has been called out. Hundreds of pallets of bricks have been placed by ICE facilities for rioters to throw.

O . Sat. 7 June 2025: HIGH-LEVEL MILITARY WARNING – CODE RED: FLYNN SOUNDS THE ALARM ON WWII. ...Charlie Ward and Friends on Telegram

- **June 5, 2025 — LTG Michael T. Flynn (Ret.) issues an EMERGENCY ALERT:** The Deep State is plotting World War III to secure its final grasp on global power. What you're about to read is not a theory — it's a BATTLEFIELD BRIEFING.
- **THE DEEP STATE WANTS WAR. TRUMP WANTS PEACE.**
- **Flynn exposes the shadow network orchestrating global destabilization** — not for security, but for absolute control. Flynn declares: the American Deep State is deliberately provoking Russia, sabotaging peace, and using Ukraine as a proxy weapon against both Russia and the American people.
- **U.S. strategic bombers could be next.** Ukraine's attack on Russia's bomber fleet was unauthorized, unprovoked, and possibly an act of war — orchestrated without Trump's knowledge. These attacks threaten U.S. security, not defend it.
- **Flynn calls out the traitors:** Lindsay Graham, the war machine, and Western puppets like Germany's Fred Merz. They do NOT speak for America. They serve the Deep State.
- **FLYNN'S DEMANDS TO TRUMP:** Purge Deep State loyalists across agencies NOW. Interrogate all U.S. personnel involved in Ukraine operations — and prosecute. Cut all aid to Ukraine. End alliance with foreign warmongers. Reclaim command over military actions before WWII is triggered.
- **He reminds the world:** President Kennedy was assassinated for resisting this same monster. Trump has already survived multiple assassination attempts. This is the final round.
- **Flynn's words are not political** — they're pre-war protocol. He urges every patriot to stand with Trump, and reject the suicidal obedience demanded by the CIA's war lobby.
- **The enemy is inside the wire.** This is not a drill.
- **We're not looking at a possible war** — we're watching it unfold in real time.
- **The Deep State wants America distracted, divided, and destroyed.**

- **This is a final stand.** TRUMP KNOWS. FLYNN KNOWS. NOW YOU KNOW. Will you stay silent, or will you rise? The time is NOW. The price is FREEDOM. Tick tock.

Q. Sat. 7 June 2025: Q ...Capt.Patriot on Telegram

- **Q is a United States Military Intelligence operation**, working hand-in-hand with the President of the United States. Some could easily argue that Donald J. Trump was hand chosen years ago by the United States Military to aid them in this critical and historic operation.
- **Q is not a single person, but a team of high-ranking persons** with "Q" level security clearance, executing operations that have been planned for many years (the plan). Some of the objectives are: A) A massive information dissemination program meant to 1) expose massive global corruption and conspiracy to the people. 2) Cause the people to research further to aid further in their "great awakening". B) Root out corruption, fraud and human rights violations worldwide. C) Return the Republic of the United States to the Constitutional rule of law and also return "the People" worldwide to their own rule. In short, the Q operation is the greatest criminal sting and anti-treason/sedition event in world history.
- **It certainly does appear that we as a country are lawfully living out The Declaration of Independence once again.** "That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness." — The Declaration of Independence
- **Due to the classified nature of much of the information/evidence Q team holds, they cannot just come right out with it**, however, they can drop breadcrumbs that the people, often the 8chan "Anons", can dig into and help us all discover the truth. Further, it must be understood that the enemies in this war are monitoring Q as well. Therefore, some of the information Q drops is strategically misinformation/disinformation. Think Military game theory and "The Art of War" by Sun Tzu. Sure, none of us want to filter through and try to discern truth from falsehood, however these warfare tactics really cause "We The People" no harm when they must be used, however they are devastating to the enemy and a necessary part of warfare. Military planning at its finest!

- **New to Q?** Check out the excellent videos by "Storm Is Upon Us" as well as many others on the Research Resources page.
- **First Amendment Protections & 18 U.S. Code § 241:** This site and all content within it is protected by the First Amendment of the United States Constitution. Per Article VI, Clause 2, said Constitution is the supreme law of the land and no other law may supersede it. Furthermore, any attempts or conspiracies to interfere with, limit or restrict, censor or deny these Constitutionally protected rights, nor any other rights granted by law to the site operator/creator as a United States citizen shall be subject to Federal prosecution according to 18 U.S. Code § 241 and/or any other applicable law, not to mention the pursuit of any and all available civil remedies.

- **Sat. 7 June 2025:** “The vaccines are killing people...and they tried to bribe me to shut me up. They said the truth about the ‘Covid Vaccines’ won’t come out for 20 years. They also said that I’m vaccinated...and that I’ll soon have cancer.” ...Andrew Bridgen

S. On April 6, 2000 (YES almost 25 years ago), a group of parents sat before Congress and poured their hearts out about how vaccines caused their child’s autism. ...The White Rabbit on Telegram

- **25 years ago we knew what caused autism!** 25 years ago Congress was told, AND THEY HAVE DONE NOTHING BUT COVERED IT UP AND HID THE TRUTH. How many more kids have developed autism as a result of this coverup?!?!
- **I’m sorry, but for any Senator to still rant** and rave that “Vaccines Don’t Cause Autism,” is simply bought by Pharma or plain stupid. And for the general public to parrot that stupid lie just makes me outraged.
- **This has been a crime against children**, a crime against parents and a crime against humanity that has gone on for too long.
- **I pray to God that Bobby Kennedy** makes it through the Senate vote and finally closes the book on these lies and the “safe and effective” narrative! VACCINES CAUSE AUTISM! And it’s time to finally do something about it!!

T. Sat. 7 June 2025: HAARP’S DEATH GRID IS BLASTING AMERICA WITH ENERGY PULSES RIGHT NOW – THE SILENT WAR HAS GONE HOT! ...QFS on Telegram

- **The silent war isn’t coming — it’s already HERE.** HAARP and GWEN towers are flooding the skies and the ground with electromagnetic death waves, hammering your

nervous system and hijacking your mind. The air feels off because it IS off. You're breathing in weaponized frequencies designed to break you down.

- **HAARP ISN'T JUST IN ALASKA — THAT'S A COVER STORY.** There are installations scattered across the U.S., buried inside military zones, fake "weather stations," and even overseas bases. These antennas blast the ionosphere, altering the jet stream, triggering earthquakes, and targeting your brainwaves.
- **GWEN TOWERS ARE THE KILL GRID'S BACKBONE.** They're not cell towers. These Ground Wave Emergency Network systems operate on ultra-low frequencies meant to disrupt human biology. They're programmed to induce depression, confusion, and submission.
- **Are you constantly tired? Angry for no reason?** Foggy, anxious, or dizzy? That's not "life." That's frequency warfare. They want compliance through exhaustion. They want obedience through sickness. They want submission without firing a single shot. And guess what? It's working. **THE OBJECTIVE IS TOTAL CONTROL.** You're being conditioned. Every wave has a purpose: weaken the will, dull the mind, poison the body. Why? Because an awakened people can't be enslaved. But a sick, distracted, numb population? Perfect for global control.
- **THIS IS NOT A TEST. THIS IS HAPPENING NOW.**

What can you do?

1. **Shield your home.** Faraday cages. EMF paint. Kill the smart meters.
2. **Clean your body.** No fluoride. No GMOs. No heavy metals.
3. **Disconnect.** Turn off Wi-Fi. Cut Bluetooth. Avoid screen hypnosis.
4. **Spread this message.** If you don't, they win.
5. **STAY STRONG.** Their nightmare? A people who remember how to fight.
 - **THE FREQUENCY WAR HAS GONE ACTIVE.** This is a full-scale attack on the soul of humanity. You are under siege from above and below. And every second you wait, the grid tightens.
 - **You're not crazy — you're under attack.** You're not paranoid — you're AWAKE. They control the towers. But we control the storm. **WAKE UP. FIGHT BACK.**

U. Med Beds THE TRUE STORY BEHIND MEDBED ...Tucker Carlson on Telegram

- **1936:** In a quiet lab, far from the public eye, the first real MedBed was created — a device that didn't just heal, but restored cellular memory.
- **1938:** The elite discovered the truth. The technology vanished. Not to protect humanity but to keep it for themselves.

- **1967:** After decades of silence, MedBed technology resurfaced. It became a beacon of hope for the future. But not for long.
- **1989:** “Public destruction.” Global headlines: “MedBed is dangerous!” The truth? Only the copies were destroyed. The originals were hidden — deeper than ever.
- **1997:** For the first time, a portable version was born — IONICCARE, the so-called “Mini MedBed.” Handheld. Built for everyday use. Accessible to the people.
- **2017:** IonicCare hits the public. The results are incredible. Sales skyrocket. Big Pharma retaliates. They ban it in key markets. But it’s too late. The old system starts to collapse. Pharma profits drop by 78%.
- **2025 (NOW):** IonicCare is now fully integrated with the official MedBed chipset. It runs the same scalar activation engine. The tech they hid — is now in your hands.
- **2027–2028:** The next-gen MedBeds will be released. For all. No VIPs. No waiting lists. This time — for the people.

V. Sat. 7 June 2025: Yes, medbeds are currently in centers and are in the process of being prepared for public use. An initial testing group has already been introduced to these facilities. Currently, all testing centers are located on the east coast. ...MedBed Technology on Telegram

There are three main types of medbeds that will eventually be available:

1. Major Reconstruction or Illness Medbeds: These are designed for individuals who require extensive reconstruction or are dealing with severe illnesses. Patients can lie down in these beds and may need to use them for extended periods, possibly spanning several days.

2. Virus and Minor Ailments Medbeds: This category is for treating viruses, minor complaints, and injuries such as setting broken bones or knee issues. Patients will stand in these units for their treatments.

3. Home Version or Portable Medbeds: These smaller versions of medbeds are intended for use in clinics, emergencies, and eventually for home use

W. Judy Note I received the below email from a reader regarding the Ionic-Care product:

Greetings Judy,

I am guessing that you are aware of or have seen the Ionic-Care product that is virtually all over Telegram and endorsed by very notable people, like President Trump, RFK Jr., Ben Carson, Dr. Oz and the list goes on.

My 82 year old wife is suffering from terrible pain and discomfort due to spinal stenosis, peripheral neuropathy, arthritis, and and old broken neck injury that has come back to haunt her. The doctors are all at a loss to help her. We have been to specialist after specialist and the consensus seems to be that operating on her spine and neck are as risky as *not* operating, the recovery process is long and painful. They refuse to give her pain meds and we are kind of ok with that because we don't like drugs.

So as a last resort, I ordered an Ionic-Care device to the tune of \$700.00. I did this after what I thought was sufficient research. And guess what? They took my money, we have received nothing and it is impossible to contact them except by email which is answered (I believe) by a BOT or AI. I get answers like, "please be patient, we are very busy"...stuff like that. My bank has been alerted and they are looking into getting my money back.

Have you had any experience with or heard anything about this? I did a negative review on Trust Pilot and noticed 3 other reviews that basically say the same thing I am telling you. I thought that with all of your connections you might be able to suggest something.

God Bless You Judy. I read your report everyday and value it (and you!) greatly.
Blessings

X. Sat. 7 June 2025 ARREST THEM ALL NOW: Biden's NGO Empire Has Fallen ...QFS on Telegram

- **The charade is over.** The same NGOs once praised as “humanitarian saviors” have now been unmasked as covert tools of state-sponsored subversion. What the Biden regime called climate justice and equity reform was, in truth, an orchestrated assault on American sovereignty—run through hundreds of camouflaged organizations designed to bypass Congress and sabotage the nation from within. Under the guise of aid, these nonprofits laundered billions in taxpayer money into operations that trafficked minors, funded gender mutilation programs, and imported chaos through CIA-backed smuggling corridors. It wasn't charity. It was insurgency.
- **From 2021 to early 2025**, entities like Power Forward Communities, Rewiring America, and the National Low Income Housing Coalition functioned as operational arms of a domestic takedown strategy—routed through agencies like EPA and HUD, and cloaked in progressive slogans. The money trail reveals \$20 billion handed to shell groups linked to political campaigns and foreign donors. Housing programs were converted into secretive migrant transition hubs. Climate grants became pipelines for ideological programming. DHS leaks now confirm that these NGOs had \$150 billion in long-term contracts for resettlement operations across U.S. cities—approved without congressional oversight.
- **Now that Trump has returned**, the counteroffensive has begun. Over 220 NGOs are under active federal investigation. Using the Foreign Corrupt Practices Act and RICO statutes, Trump's Justice Department is executing a full-spectrum takedown of these networks. Forensic teams are tracing every dollar back to Soros affiliates, Rothschild foundations, and CCP-linked “climate partners.” The GOLEAD Act—fast-tracked through Congress—will force all NGOs to disclose foreign funding, political ties, and any covert operations they've run under the veil of charity. This isn't reform. It's demolition.
- **The panic from the Democrat side is now visible.** Screaming about racism, transphobia, and fascism, they're trying to shield what's no longer defensible. Whistleblower files prove these NGOs taught minors how to bypass parental consent for surgery, how to avoid ICE, and how to exploit the asylum system. They even mirrored school shooting PSAs to push trauma-based compliance programming. This wasn't just policy corruption—it was psychological warfare, executed on American soil, with American dollars.

- **As of June 6, Trump has authorized the freezing of NGO assets** tied to foreign collusion, election tampering, and border destabilization. Treasury teams and military intel units are already disabling the funding channels behind digital ID agendas, ESG compliance, and vaccine passport enforcement. This is not cleanup. It's collapse. The weaponized nonprofit system built to replace the Republic is being dismantled piece by piece. The Great NGO Purge has begun. And it cannot be stopped.

Y. Sat. 7 June 2025 The DEEPSTATE'S WEAPONIZATION of the CIA & FBI. ...Mel Gibson on Telegram

- **Presidents are believed to be the ultimate power and authority in government, but they serve their term and go.** Then there are the people in government, intelligence, and other agencies who spend 25-30+ years in government. These are the people who usually end up being corrupted or compromised and bought by the highest bidder, and are not working for the people or have the best interest, if any, for the country.
- **They're working for themselves** and an authority higher than themselves in dark places. The real power brokers of the world. The ones at the top of the "pyramid." The bankers, the technocrats, the cult members if they're not already a part of the cult themselves. These people are the ones who are ultimately in control. This ladies and gentleman is known as the deep state.
- **Ex-CIA officer John Kiriakou sits down with Tucker Carlson** and breaks down his time in the agency and explains just how evil and corrupt the deep state really is. From ex-CIA Dir. John Brennan to Bush Jr. to the cold blooded Barack Obama himself unaliving the most people, and American citizens, while in office, with drone strikes.
- **Obama then later went on** and literally stated that, quote, "I didn't think I'd be this good at killing." This is beyond sick. Some of the drone strike casualties were also children that were purposely targeted. It's beyond disturbing.
- **John goes through the wild and remarkable story of how the Deep State's weaponized** and infiltrated CIA and FBI attempted to set him up multiple times and tried to get him executed on false espionage charges and or spend the rest of his life in a dark prison cell all for standing up to the deep state and the infiltrated CIA's top authority's for lying to the American people and exposed the CIA's torture program to the media.
- **This whole story as John breaks it down is just absolutely wild and shows just how ruthless and corrupt our government really is** just for being a patriot and airing out the CIA's dirty laundry and torture program and purposely targeting American patriots, that has unalived many prisoners, and to this day, have no remorse or have ever faced any justice whatsoever.
- **This is only the tip of the iceberg but every American needs to understand just how corrupt and psychotic these heads of state, agencies, and organizations really are.** It's time to finish draining the swamp, because you and I both know that we can not and will not ever move forward until we do.

Z. Sat. 7 June 2025 Elon Musk opposing the “Big Beautiful Bill” shouldn’t be a shock to anyone. He literally sat next to Donald Trump and explained we need to cut spending, not pass more spending. ...Elon Musk on Telegram

- **Elon Musk explains** how to end inflation and drop interest payments forever, “Provided the economy grows faster than the money supply, which means you stop the government overspending and the waste and the output of real useful goods and services exceeds the increase in money supply. You have no inflation and you also drop the interest payments that people pay
- **The reason the interest payments are so high** is because the national debt keeps increasing. So the government is competing to sell debt with the private citizens. This drives up the interest rate.
- **If you cut back on the deficit**, you actually have an amazing situation for people because you get rid of inflation and you drop the interest rates.
- **That means people's mortgage payments go down**, the credit card payments go down, their car payments go down, their student loans go down. Their life becomes more affordable and their standard of living improves.”

Za. Sat. 7 June 2025: CAUGHT ON CAMERA: BIDEN CLONE COLLAPSES LIVE — SYNTHETIC FACE DROOPS, SYSTEM FAILS, TRUMP RETURNS. ...WH Grampa on Telegram

- **Joe Biden is gone. Executed in 2020 after being found guilty of treason by a secret U.S. military tribunal.** What the world has been watching since then was not a president — but a synthetic shell, an artificially engineered clone operated by the Deep State to sustain their illusion of control. But that illusion is now dead.
- **On June 7, 2025, the Biden clone was officially decommissioned.** The AI-driven body broke down live on camera — jaw dropping unnaturally, neck folding in glitch-like movements, and ocular malfunctions exposing the mask. The footage cannot be explained away. No human being moves like that. Military intelligence confirms: the system failed. The cover collapsed. And so did the puppet presidency it upheld.
- **For years, we were told we were crazy.** That ear shape, eye color, facial structure could change because of “angles” or “lighting.” But now the biological inconsistencies, mechanical misfires, and mask-slipping moments have become undeniable. Earlobes that changed overnight. Eye color shifting from blue to black. Speech glitches and freezing mid-sentence. This wasn’t aging. It was synthetic degradation — the final phase of a system unraveling.
- **As the clone collapsed, the globalist media launched full damage control.** Emergency segments labeled the claims as “dangerous disinformation,” while comedians were deployed to mock what they were ordered to deny. But Trump had already said it. Days

earlier, he posted: “There is no Joe Biden. He was executed in 2020. What you see is engineered soulless replacements.” It wasn’t metaphor. It was disclosure.

- **The final blow came with the June 6 White House blackout.** Simultaneous power failures hit Camp David and Langley. Military insiders confirm: the clone’s quantum-bio interface failed completely. With it, the last digital asset of the Deep State crumbled. The fake presidency is over. The digital war is ending. Trump is not returning — he already has. And the Republic has begun its restoration. June 7, 2025 — the day the lie died.

Zb. Sat. 7 June 2025: SNOWDEN DROP: NGOs Were CIA WEAPONS—TRUMP LAUNCHES PURGE OPERATION ...Edward Snowden on Telegram

- **Edward Snowden just confirmed it:** the "nonprofits" were NEVER about aid—they were Deep State weapons.
- **Snowden's new classified dump exposes** the truth Q already knew—Biden’s NGO network was a military-grade infiltration tool used to funnel \$150 BILLION into child mutilation, open borders, and full-scale cultural demolition. These weren't charities. They were covert CIA fronts. This was a COLOR REVOLUTION—inside the U.S. border.
- **Trump’s new intel unit has begun** opening sealed indictments. The NGO cartels are being HUNTED.
- **From 2021 to 2025, Biden’s regime funneled billions to shell orgs** like Power Forward Communities and NLIHC, under phony “climate” and “housing” agendas. But Snowden’s leak shows these were UN-backed psychological warfare platforms, designed to destabilize sovereignty, traffic minors, and erase American identity.
- **Snowden revealed CIMA—a known CIA-linked NGO**—received \$14 billion under Biden. It ran migrant smuggling operations with UN backing, straight from Central America into collapsed U.S. cities.
- **Rewiring America? Funded with EPA cash,** tasked with pushing ESG scoring, smart grid surveillance, and vaccine tracking under the guise of “green justice.” But Snowden traced its founders to former intelligence operatives working out of Langley’s NGO division. This was military-grade social engineering.
- **Trump's Operation NGO Shutdown is now freezing assets,** launching RICO cases, and preparing military tribunal-level audits. 220 NGOs flagged. Treasury authorized to seize funds. New GOLEAD Act forces disclosure of every foreign penny.
- **Snowden’s documents prove:** Rothschild-funded groups coordinated this from Geneva. CCP-connected fronts pushed digital ID and climate lockdown pilots. Stacey Abrams’ affiliates directly received energy grants that went missing.
- **Rep. Brandon Gill exposed NLIHC** for coaching minors into “gender transition” clinics—with federal housing dollars. Illegal aliens were given relocation packages and fake IDs, while American veterans slept in the streets.

- **THIS WAS WAR.** Snowden called it “Operation Domestic Reprogram.” The plan? Collapse the U.S. from within and rebuild it under foreign control. But Trump is reversing the collapse. The counterstrike has begun. GITMO awaits.
- **This isn’t charity. It’s treason.** And justice is coming. THE GREAT NGO PURGE HAS BEGUN.

Zc. Sat. 7 June 2025: THE TRUTH ABOUT TRUMP & EPSTEIN. ...Ben Fulford on Telegram <https://t.me/FulfordBenjamin>

- **The truth must be stated and not overlooked.** Yes, Trump is in the Epstein files but not as many would think. So technically, Elon is not lying. Trump just is not implicated in the Epstein files in a nefarious sick way like many others are such as have half of Hollywood and people like Bill Clinton, Prince Andrew, and other wealthy elite individuals are.
- **Everyone always shows the same video** and same couple pictures and say's, see? He's guilty. But this couldn't be farther from the truth. Yes Trump is had another wealthy person at his events and knew Epstein before he was ever arrested in 2005-2006 for sexual crimes against a minor, Trump broke off his relationship and banned him from ever stepping foot in Mar-a-Lago ever again for hitting on another members young daughter.
- **When it comes to being on the flight logs, yes,** Trump is on it as well from the little time they spent together before anything was ever known or public or before he was ever even arrested.
- **Epstein's own pilot admitted that Trump did fly** from West Palm Beach to Newark New Jersey, on January 5, 1997, and it wasn't even on the Lolita Express that was the Epstein Island's main shuttle jet. It was on a completely other aircraft.
- **Finally another huge revelation is the prosecutor in the Epstein case who admitted that out of every single person, politician, and celebrity he asked for help to prosecute Epstein, Trump was the ONLY ONE** who helped him prosecute Epstein to make sure he made it behind bars and cooperated and gave him as much time as he needed.
- **All the victims of Epstein** and others also all supported Trump throughout the case and his presidency and many have stated that Trump has never done anything to them and that they have never seen him on the Island.
- **Do you really believe if Trump was guilty in anyway, all his dirty laundry wouldn't have been aired out in 2016,** or the 2 previous elections with Biden and Kamala? Give me a break. They'd be watering at the mouth the first chance they'd get to drop the news.
- **There's nothing there folks.** Stop buying everything at the surface level. This operation has never ended. Sometimes you need to force or push your opposition to make a move or expose themselves.

- **Remember, there are layers, optics, and timing** to everything you see happening. Don't buy everything at the surface level. Think deeper. Lastly, I am strictly for the people, the children, the country, and the truth. It doesn't matter who you are, what side your own, or your beliefs. As long as your for the same things, your good in my book.
- **And if Donald Trump** was involved in a nefarious way, then he can go down too. But one thing I will tell you is that many would have never supported him if he was ever guilty in the first place. The man cannot be bought and is not compromised. He genuinely cares about people and his country. Think bigger people. The show must go on. There are no coincidences.

Zf. Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade: He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call:1-866-347-2423**

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Zg. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zh. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zi. “Ken and Barbie vs. Goliath IRS”: Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in prison since.

Ken is able to receive regular mail now – envelopes. Remember that all mail is opened and read by a prison employee. No stickers, glitter, 'add-ons' of any kind. Please send to: Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Zj. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
