On Friday July 4 Democrat, Chinese & US Communist Parties Plan Nationwide Terror Attacks In 1,500 US Cities To Trigger A Civil War Blamed On Trump

All Militaries At Defcon 1 Level

Prepare For A Worldwide Blackout

“Pray as if everything depends on God. Work as if everything depends on you.”

Judy Note: *An assassination order against President Donald J. Trump has been declared by the religious decree of Iran's Grand Ayatollah Makarem Shirazi and greenlit by the Globalist Elite. ...The 17th Letter (JFK Jr.) on Telegram*

The Democrat, Chinese & US Communist Parties have planned nationwide Terror Attacks in 1,500 US cities to trigger a Civil War blamed on Trump. All Militaries were at Defcon 1 Level. Prepare for a Worldwide Blackout. ...Julian Assange on Telegram

Julian Assange also said, "The Biden regime let in millions of people, completely un-vetted. There are countless sleeper cells, violent criminals, and hostile enemy combatants, within our perimeter. We need to be laser-focused on eliminating the threat by any means necessary to ensure security. Trump is securing the perimeter, finishing the wall, conducts mass deportations, uproots the sleeper cell/gang networks, and puts in safeguards for the American People."

Why? The answer was simple: it's all about money and a quest for power. Trump and the Global Military Alliance was taking away control of the Global Financial System from the Illuminati and giving the monies back to The People of the Earth.

At least six years ago in 2019 we knew that our banking system was run by the Illuminati, which was highly involved in Satan worship and Child Sacrifice:

This was exposed by Dutch Banker Ronald Bernard, who had reached the highest levels of the Illuminati, crashed national economies, bankrupt companies and was an expert at money laundering. As with most involved in international banking he was involved in a Satanic cult – until while at a party, he was asked to sacrifice a child. It was then he turned into a heroic whistleblower, exposing the dark secrets of our global financial system. **Fri. 1 March 2019:** [Child Sacrifice, Pedophilia and the Global Banking System / Crime All-Stars / Before It's News](#)

President Donald Trump and the Global Military Alliance knew too, about the Illuminati control of the US monetary system's fiat US Dollar, about the Democratic Party's alliance with the Illuminati that had a goal of completely controlling the peoples of the World and about the international Child Sex Trafficking, Organ and Adrenochrome harvesting ring that was run by the Illuminati Vatican, CIA, Democratic Party and UK Crown.

Trump, along with the Global Alliance, decided to do something about all the corruption. Trump and the BRICS (Brazil, Russia, India, China and South Africa) Alliance just activated the largest wealth release in human history—\$150 TRILLION in stolen funds seized from the globalist elite would be returned to We the People through GESARA. Redemption Center networks have activated across 70 countries.

For over five decades, the fiat US Dollar's dominance has been enforced through petrodollar agreements, military leverage, and monetary coercion. The United States printed debt-backed dollars, exported inflation to the rest of the world, and called it economic leadership.

These nations — many from BRICS, OPEC+, ASEAN, and Africa — will no longer conduct major trade in dollars. Settlements were shifting to gold, bilateral currency deals, and new digital asset platforms. The moment this global switch hits full velocity, dollar demand vanishes — and with it, America's borrowed empire.

This is how the system falls: - Oil no longer requires dollars - Treasury markets stall - Bonds devalue overnight - Global reserve banks dump USD - Inflation surges beyond control. It won't be a crash. It will be an implosion.

But behind the scenes, the Trump and the world was preparing. Quiet deals. Strategic alliances. And now, a unified move to end the era of fiat tyranny.

On Thurs. 26 June 2025 Trump's Skybreaker Protocol went live, erasing the old banking system worldwide. As of 7:30 pm EST Thurs. 26 June all countries, including the US, were on their new asset-backed currencies and no longer under control of the Illuminati.

As a result all banking-related debts — including mortgages, loans, and credit cards — were being wiped out, permanently. This was a reset, not a bailout. The system was illegal from the start.

Income taxes were being abolished. No more IRS raids, no more wage theft. In its place: a 14% flat tax on luxury items only. Food, medicine, housing — untaxed and protected. The IRS has been shut down. Its agents reassigned to oversee fair taxation under Treasury authority, not corporate fiat enforcers.

The Federal Reserve was gone. Its monopoly on money creation has ended. In its place: a gold, silver, and platinum-backed Rainbow Currency, immune to manipulation and printed theft.

Right now there was a Military surge of unified forces in air, land, sea, space and cyber. They just activated red level protocols. Covert units are fortifying cities, back roads and power hubs. They are not training, they are securing Quantum Redemption Nodes for imminent wealth release.

And on Fri. 4 July 2025 Trump was expected to announce the Global Currency Reset, the new and free Republic, return to original concepts of the Constitution and restore Constitutional Law. Admiralty law and secret international courts will be dissolved. New elections within 120 days for all free nations of the World.

B. Mon. 30 June 2025 Update, The 17th Letter (JFK Jr.) on Telegram:

- **Pentagon audits confirm:** the IRS is effectively obsolete, the IMF is collapsing, and international tax law is being rewritten under GESARA protocols. The Federal Reserve has lost its command functions. Quantum nodes are executing wealth redistribution on a global scale—debt forgiveness, asset-backed digital currency, and restitution wallets for every nation sabotaged by central banking tyranny.
- **GITMO: MILITARY JUSTICE FORTIFIED Guantanamo Bay** is now the most fortified tribunal site on Earth. June 4 marked the completion of next-gen subterranean structures—biometric detention corridors, deep-isolation wings, and AI-integrated surveillance hubs.
- **Military intelligence confirms** that intercepted biometric hacks—attempted by Biden’s handlers in Switzerland—were blocked before they could siphon QFS public assets into legacy black funds.
- **Over 2,000 hours of elite confessions confirm:** Lunar cloning labs were operational until May 2023. COVID booster programs were embedded with neural tracking chips. FEMA-vaccine caravans were slated for bioweapon dispersal. The labs are gone. The confessions are recorded. And the world will know soon.

- **QFS: THE HEART OF THE RESET** Forget fiat. Forget crypto. The QFS isn't a theory. It is the backbone of the New Earth economy. All sovereign nations aligned with the Alliance are now running parallel QFS nodes. Digital gold vaults are online. Rainbow Currency tokenization is in testing. Vaults connected to Tesla-grade quantum encryption are in final phase lock.
- **Your old money is dying.** Your new wealth is quantum, secure, and under military protection. Every transaction. Every ledger. Public. Immutable. Free from Rothschild control forever.
- **LOS ANGELES UNDER SIEGE — MILITARY RESTORATION UNDERWAY**
The insurrection in L.A. is no accident. It is the last gasp of globalist operatives embedded in city politics and NGO networks. **On June 10**, Trump authorized full military deployment to reclaim L.A. from cartel-backed protest coordination, foreign intelligence servers, and Soros-financed agents.
- **Encrypted networks linked to Qatar, Brussels, and Zurich** directed street-level operations via Antifa and WEF-sponsored proxies. Black Hawk squadrons now control the airspace. Camp Pendleton armor has locked down key intersections. Cartel leaders embedded in activist "safe zones" were eliminated in precision strikes.
- **JAG is investigating state-level officials** including Gavin Newsom and Karen Bass for foreign collusion and sedition.

C. Mon. 30 June 2025 MASSIVE!!! GESARA IS MILITARY LAW: 57 BANKS DELETED, GITMO EXECUTIONS, TROOPS EVERYWHERE, STARLINK UNDER FIRE, TRUMP LEADS 200 NATION ALLIANCE AGAINST THE DEEP STATE

...Nesara Gesara on Telegram

- **There is no more doubt.** We have entered the final purge. Global military coalitions are now unleashed and every domain is a battlefield. Trump commands the storm, and the planet is watching Deep State citadels collapse in real time.
- **MILITARY SURGE** Unified forces in air, land, sea, space and cyber just activated red level protocols. Covert units are fortifying cities, back roads and power hubs. They are not training, they are securing Quantum Redemption Nodes for imminent wealth release.
- **QFS STRIKES The Quantum Financial System**, armed with autonomous military AI, seized fifty seven banks in seventy two hours. Networks cut, assets frozen, executives cuffed. This is not regulation, it is liquidation.
- **GITMO EXPANDS Underground rails** and AI tribunal halls hum day and night. Confession feeds are being recorded and vaulted for shock disclosure. Verdicts are issued before sunrise, sentences carried out before sunset.
- **STARLINK SHIELD Sabotage rockets**, drone swarms and frequency weapons tried to blind the sky from secret pads in Kazakhstan Ukraine and Antarctica. Every launch

failed. Starlink counter weapons erased the threats and marked the launch grids for silent retaliation. The orbital grid is now classified as Project Eclipse and it never sleeps.

- **The Deep State begged for mercy on private channels.** The answer was silence. GESARA wealth transfer is locked. Trillions ripped from hidden vaults are queued for release to the people once the last cabal banks fall. Digital shackles are snapping. The old world order is bleeding out and cannot plug the wound.
- **Daily intel shows detention flights at max capacity.** Tribunal dockets overflow. Ground tremors under GITMO signal fresh expansion shafts. Planeloads of elite prisoners arrive under blackout. They will not leave.
- **Nothing can stop what is coming.** Banks gone. Networks seized. Satellites guarded. Executions scheduled. The clock is racing toward public revelation.

D. Possible Timing:

- **Flag Day Sat. 14 June 2025** – the 250th Year Celebration for the US Army – was actually a Military Operation that arrested and removed around 80 Treasonous Members of Congress on ten Military Helicopters that flew over the parade on their way to GITMO. The Congress people had been charged with various crimes including Treason, plus participating in an international Child Sex Trafficking Ring run by the Vatican. Later, the privately owned by the Cabal US Inc. Flag that was flown over the US Capitol during the Military Parade, was given to President Trump. The soldier giving the US Inc. Flag to the Commander-in-Chief reporting, “Mission completed. We’ve arrested them all at the Capitol. We’ve captured their flag.”
- **On Thurs. 26 June 2025** the Skybreaker Protocol went live, erasing the old banking system worldwide. **As of 7:30 pm EST Thurs. 26 June** all countries were on their new asset-backed currencies. The new USTN was delivered in \$150,000 packets to each US bank again **today Thurs. 26 June.**
- **On June 27, 2025 President Trump** signed the Quantum Restorative Health Systems (QRHS) Executive Order, allowing the full deployment of Med Beds with military protection. Med Bed rollout begins — priority to sick children, veterans, critically ill. There were now healing centers in 41 states. Also, the United Nations Charter was no longer in effect, having been replaced by a new Sovereign Cooperation Accord signed by military representatives from 209 aligned nations (of the BRICS Alliance Global Currency Reset). **The Transition: Timeline of GCR and Med Bed Rollout:** [Paul White Gold Eagle on X: "?????. F. Mon. 30 June 2025 GCR INTEL DOSSIER | FINANCIAL SHOCKWAVE REPORT | OPERATION SANDMAN HAS BEGUN ...QFS on Telegram

- **It's no longer speculation. It's no longer theory. It's unfolding now — a silent, coordinated economic strike that may go down as the most devastating blow ever dealt to U.S. financial power.** Operation Sandman has been triggered, and over 100 nations have quietly agreed to do the unthinkable: walk away from the U.S. dollar. This isn't a protest. This is a takedown.
- **For over five decades, the dollar's dominance has been enforced through petrodollar agreements,** military leverage, and monetary coercion. The United States printed debt-backed dollars, exported inflation to the rest of the world, and called it economic leadership. But behind the scenes, the world was preparing. Quiet deals. Strategic alliances. And now, a unified move to end the era of fiat tyranny.
- **THE DOLLAR'S DEMISE: THE PLAN IN MOTION:** These nations — many from BRICS, OPEC+, ASEAN, and Africa — will no longer conduct major trade in dollars. Settlements are shifting to gold, bilateral currency deals, and new digital asset platforms. The moment this global switch hits full velocity, dollar demand vanishes — and with it, America's borrowed empire.
- **This is how the system falls:** - Oil no longer requires dollars - Treasury markets stall - Bonds devalue overnight - Global reserve banks dump USD - Inflation surges beyond control. It won't be a crash. It will be an implosion.
- **The dollar doesn't die slowly.** It dies in a single coordinated act of global abandonment. And we are now within days — perhaps hours — of that threshold.
- **OPERATION SANDMAN: THE SILENT WARHEAD:** Petrodollar demand is the heartbeat of U.S. power. Once removed, trillions of orphaned dollars flood back into domestic circulation, annihilating value, decimating savings, and igniting a spiral no central bank can contain.

- **Markets will freeze.** Retirement accounts will disintegrate. Real estate will collapse. The Federal Reserve will lose the last vestiges of credibility. America's wealth — much of it artificial — will evaporate into dust. It is not revenge. It is justice.
- **TRUMP'S RESPONSE: THE COUNTERSTRIKE HAS ALREADY BEGUN** While Biden sleeps under IMF tutelage and the media gaslights the nation, Trump has already positioned a financial counteroffensive.
- **Insiders report:**
 - **A gold-backed U.S. currency** is being finalized
 - **The Quantum Financial System** is completing live testing
 - **The IMF and BIS are being locked out** of sovereign restructuring
 - **Executive authority is in place** to declare economic emergency if required
- **Trump knows the collapse was engineered.** And now, he's moving to reclaim control — not just for America, but for every citizen chained to a broken fiat regime.
- **THE RESET IS NO LONGER COMING. IT'S HERE.**
- **The mainstream press won't report this.** They'll blame climate, Russia, inflation, or conspiracy. But history will tell the truth: that a global consensus formed, that a silent revolution rose, and that the world turned its back on a currency built on deception.
- **This is the Great Collapse. And it's also the Great Reckoning.** The counterfeit empire is crumbling. But in its place, something real can rise.
- **Prepare. Align. And stand with the one leader who warned us** — and is now ready to lead through the fire.

G. Mon. 30 June 2025: BOMBSHELL: TRUMP UNLEASHES \$150 TRILLION PAYBACK OPERATION THROUGH GESARA! ...Edward Snowden on Telegram

- **The hour has struck. As of June 28, 2025, Trump is activating the largest wealth release in human history**—\$150 TRILLION in stolen funds seized from the globalist elite is being returned to We the People through GESARA. This isn't theory. This is military economic warfare—and the Deep State is losing.
- **For centuries, the Cabal drained humanity through fiat slavery, fake taxes, and endless wars.** Now the chains are snapping. The so-called "National Endowment" is real—a classified fund of gold, minerals, energy reserves, and hidden tech hoarded by the CIA, IMF, and Rothschild networks. Trump and his Space Force-backed military alliance are ripping it all back.
 - \$50 TRILLION in untapped oil and gas buried under "protected lands."
 - \$30 TRILLION in patents for suppressed energy, water, and healing tech.
 - \$25 TRILLION in stolen gold stored in BIS shadow vaults.
 - \$45 TRILLION siphoned through IRS income slavery and offshore black ops.

- **That money was NEVER theirs.** It was always ours.
- **Confirmed by insiders like Jim Rickards,** this fund is not a myth. It's tracked, cataloged, and now being unfrozen via the Quantum Financial System, bypassing the Fed entirely. QFS nodes are draining NGO shell fronts, reversing CIA assets, and purging the Rothschild banking grid in real-time.
- **GESARA tribunals are live in 80+ nations.** UN supply chains are seized. CEOs are fleeing. The BIS is hemorrhaging. The fake Biden regime? Collapsed in secret tribunals in March.
- **This isn't reform.** This is reckoning. The cabal's carbon credit slave system was demolished last week. Their global ID plan? Vaporized. Their climate fund networks? Being liquidated.
- **The mainstream media?** Dead silent. Scripted Mockingbirds under NDA. Not a whisper about the economic Nuremberg trials now underway. But the storm is here.
- **This is the end of their rule.**
- **Trump is not handing out gifts.** He's leading a multi-trillion-dollar economic killshot that will obliterate central banks, break financial mind control, and liberate humanity. The \$1.1 million per household is just the start. This is a shockwave across every Rothschild, Davos, Gates, and Schwab operation on Earth.
- **The old order is imploding.** The real owners are taking it all back. And the war chest just detonated. Get ready. The \$150 TRILLION reset is not coming—it's already HERE.

H. Mon. 30 June 2025 QFS IS ON: PEOPLE'S FINANCIAL FREEDOM IS SET FREE

...Edward Snowden on Telegram

- **It's TRUE. The change on Monday 30 June 2025** wasn't just a symbol; it was the moment the chains broke. The Quantum Financial System is now working around the world. The evil fiat beast is dead. The switch flipped without making a sound, but it changed everything.
- **Right now, all major institutions are running on gold-backed rails.** A system built for the people, not the parasites, keeps track of every transaction. People who know say that debt resets are happening out of the blue, credits are appearing out of nowhere, and countries are racing to sign the gold standard agreement. It's happening; the storm is already rolling behind the scenes.
- **This is the beginning of NESARA/GESARA.** Not a theory. Not a guarantee. Not "someday." It's happening right now. Forgiving debt is real. Wealth is coming home. And it's not just in the digital world; it's in the spiritual world too. Do you feel the weight go away? Do you feel the air change?
- **People made fun of you.** People laughed at. People called them crazy. But you stuck to your guns. And you were CORRECT. Our movement broke down the walls. When the world bowed down, you stood tall. This win is YOURS.

- **But don't get too comfortable.** The next step will be confusing. The people who are sleeping will freak out. The lies they believed will hurt them on the way up. And you have to be the calm in their storm. The light in their dark. The truth in their falling apart.
- **Have a party tonight. In a quiet way.** With pride. And don't forget: some heroes will never be named, but we honor them with every beat of this victory.
- **The money is coming back to the people.** No more work for slaves. No more wars that aren't real. No more power. Now it's time to build. Getting better. Without giving in, spreading peace, truth, and justice.
- **This isn't a fantasy. It's time to pay up.** Stay on the line. Show the lost the way. And always remember: NOTHING CAN STOP WHAT HAS BEGUN. The NEW WORLD is HERE. And it is OURS.

I. Sun. 29 June 2025 A2Z RV Update:

- **The current theory is that Iraq** will publicly announce its new exchange rate on **Monday, June 30th**, marking a key step in the long-anticipated RV timeline.
- **Reports indicate that U.S. private wealth managers** (not Redemption Center staff) are preparing for client exchanges, with appointments possibly **starting Tuesday**.
- **Basel III is set to activate Monday night**, requiring all banks to be gold- and asset-backed. This aligns with Bruce's statement that entities were already asset-backed by Thursday night, ahead of the global implementation on July 1st.
- **Some are still expecting a formal asset-backed currency announcement** from President Trump, but Jerome Powell publicly confirmed the shift during a Senate hearing on June 25th. The question remains: is a Trump statement still needed, or have Powell's remarks and details within the Big Beautiful Bill (BBB) already covered it?
- **The June 21st parade seemed to symbolize the end of the U.S. Corporation**, with Trump receiving a folded flag and reaffirming his oath as Commander in Chief—a sign the military could now be in charge. Then on June 27th, Trump declared during his presser, "I brought back the Constitution," which many view as the official return of the Republic.
- **The Big Beautiful Bill is key.** Over 16 hours were spent reading it in the Senate, including definitions like the scientific definition of a woman, and sections related to foreign currency exchanges and gold-backed assets—both of which align with Basel III, taking effect in the U.S. at midnight EST Monday.
- **Stay grounded. Stay alert.** There is plenty of Public ACTION happening for us to move forward....it's coming! Our DREAMZ are coming true!!

**J. Mon. 30 June 2025: BREAKING: MILITARY NESARA-GESARA GOES LIVE —
30+1 PROTOCOLS TO COLLAPSE THE OLD WORLD AND RESET HUMANITY**
...QFS on Telegram

- **The silence is over. As of June 29, 2025**, the hidden blueprint for humanity's liberation has been activated. The military branch of NESARA-GESARA has begun executing 31 classified protocols designed to erase debt, collapse globalist institutions, and transfer power back to the people. This is not a theory — it's a controlled demolition of the old world.
- Over \$150 trillion in stolen wealth is being reclaimed. Central banks are bleeding. The IRS is finished. The Federal Reserve is being dismantled. And the quantum-ledger system is live, bypassing corrupt structures and executing financial justice in real time.
- **Protocol #1: All banking-related debts — including mortgages, loans, and credit cards — are being wiped out, permanently.** This is a reset, not a bailout. The system was illegal from the start.
- **Protocol #2: Income taxes are being abolished.** No more IRS raids, no more wage theft. In its place: a 14% flat tax on luxury items only. Food, medicine, housing — untaxed and protected.
- **Protocol #3: The IRS is shut down.** Its agents reassigned to oversee fair taxation under Treasury authority, not corporate fiat enforcers.
- **Protocol #4: The Federal Reserve is gone.** Its monopoly on money creation has ended. In its place: a gold, silver, and platinum-backed Rainbow Currency, immune to manipulation and printed theft.
- **Protocol #5: Constitutional Law is restored.** Admiralty law and secret international courts are dissolved. U.S. sovereignty is reestablished.
- **Protocol #6: New elections within 120 days.** All previous regimes invalidated. No more stolen votes. Blockchain-verified QFS voting systems are being implemented — unhackable, trackable, and fair.
- **Protocol #7: Americans holding foreign allegiance will be stripped of citizenship.** The reinstatement of the Title of Nobility Amendment purges dual-loyalty traitors and foreign agents embedded in media, tech, and politics.
- **Protocol #8: National emergencies declared under previous puppet regimes are canceled.** Military rule returns to civilian constitutional governance.
- **Protocol #9: Financial privacy is restored.** No more tracking, no more spying. Treasury-issued accounts under QFS cannot be accessed by rogue agencies or foreign banks.
- **Protocol #10: 6,000+ suppressed patents —** from free energy to medical breakthroughs — are being released. This tech will wipe out the energy monopoly, collapse Big Pharma, and restore humanity's stolen future.

- **Protocol #11: Humanitarian funding is being deployed.** Global projects will be citizen-led, not NGO-controlled. Homelessness, food instability, and educational collapse are being addressed with real wealth and infrastructure.
- **Protocol #12: Redemption of stolen value. ZIM and other sovereign bonds will be honored.** Portions for personal use, portions for global rebuilding.
- **Protocol #13: The New QFS Voting System** — fraud-proof and enforced by military-grade blockchain — becomes the standard. Only verified participants can vote. No more manipulated ballots. No more dead voters.
- **The rest of the 30+1 protocols — covering global media purges, UN shutdowns, biotech tribunal indictments, and the dismantling of the BIS and World Bank** — are in live execution. GESARA isn't coming. It's here. The war is almost over.
- **The system built to enslave you is being used to free you.** The wealth stolen from generations is coming home. And those who ruled in darkness are being dragged into the light.

K. Sun. 29 June 2025: HUGE! There is now military law in place under GESARA. 57 banks have closed, there are daily executions at Gitmo, troops are being sent all over the country, Starlink is under attack, and Trump is leading a storm against the deep state in 200 countries. ...Mr. Pool on Telegram

- **There is no room for doubt.** We are in the last stage of a worldwide military operation to break up the Deep State and give power back to the people. Donald J. Trump is the Commander-In-Chief of more than 200 independent countries. This isn't politics. This is war in all areas: land, air, sea, cyber, and space.
- **Starlink is more than just a satellite system.** It is a military grid that protects against sabotage and guides operations on the ground. It is a global targeting, surveillance, and defense shield. It locks on to targets, changes the course of attacks, and scans the whole planet with quantum accuracy. Starlink is the protector of GESARA's enforcement on the battlefield.
- **The Quantum Financial System** is at the heart of it all. This isn't change. It means the complete end of the fiat cabal. Trillions of dollars worth of stolen assets are being moved from elite strongholds straight to sovereign digital vaults. GESARA is no longer just an idea; it is now military law that is enforced by AI-powered weapons of war.

- **Fifty-seven Deep State banks** have closed in the last 72 hours. Not by regulators, but by QFS command overrides. These groups were involved in money laundering, digital sabotage, and keeping fiat currency down. They are gone now. Seized assets. Executives are in jail. There was no negotiation with QFS. It took over.
- **Specialized GESARA-preparation units** have been sent out all over the U.S. These soldiers are turning on Quantum Redemption Nodes all over the country. They are setting the stage for wealth redistribution, debt forgiveness, and citizens' access to sovereign funds while hiding behind federal camouflage. The infrastructure is ready. The military is in charge of logistics.
- **In the meantime, GITMO has grown into a fortress** for a court underground. Now, there are AI-run court systems, quantum-encrypted data streams, and execution chambers. For the first time ever, military courts are being fully recorded, including video, audio, and biometric data. These archives are safe in three vaults around the world, waiting to be released to the public in a controlled way.
- **What are the charges?** Crimes against people. Trafficking of children. Use of bioweapons. Interference with elections. Networks of occult rituals. These are not trials that are meant to be symbolic. These are the last decisions. Every day, people are put to death. The speed is like in war. The tone can't be changed.
- **The last thing the Deep State did?** Turning off Starlink. They didn't work.
- **We stopped rogue missile launches**, drone strikes, and frequency weapon attacks from Ukraine, Kazakhstan, and Antarctica. Why? Starlink is armed now. The Eclipse Grid has been up and running since May, with quantum EMP barriers, hidden counter-drones, and self-defense systems.
- **All of the attacks failed.** Every hit was recorded and then undone. Some places where the enemy launched missiles are no longer there. Starlink has not lost yet. All nodes are online. Every signal is safe. The enemy's last positions were only revealed when they tried to shut down the sky.
- **This isn't a revolution. This is the end.** The storm is under Trump's control. The military carries out GESARA. Starlink protects the operation. GITMO hides the traitors. Banks are going down. Troops are sent out. People are writing down their confessions. Justice is not coming; it is already happening.
- **The last phase is going on.** The countdown is real. And the world you used to know will never come back.

N. Mon. 30 June 2025 OFFICIAL: PIZZAGATE CONFIRMED — MEDIA FIGURES WHO “DEBUNKED” THE STORY NOW ARRESTED IN PEDOPHILE RING EXPOSED BY TRUMP DOJ ...Julian Assange

- **What they once called a conspiracy is now a federal case.** What they mocked is now unfolding in handcuffs and indictments. In a sweeping move that has stunned the nation, President Trump's Department of Justice has confirmed what many long suspected: Pizzagate was never a hoax — it was a cover-up. And now the cover is blown.
- **Federal agents have arrested multiple journalists, editors, and fact-checkers — individuals who for years acted as gatekeepers for the mainstream media, denying the existence of elite child trafficking networks and silencing anyone who asked the wrong questions.** Now those same people are being exposed as active participants in the very crimes they once dismissed.
- **THE MEDIA'S DARKEST SECRET NOW EXPOSED** These were not innocent reporters. According to FBI records leaked from inside the ongoing investigation, the arrested figures were not just protecting predators — they were part of the network. Sealed indictments were executed across several major outlets.
- **Among the charges:** - Trafficking minors across state lines - Obstruction of justice via media manipulation - Direct participation in organized abuse rings.
- **These individuals used their authority not to seek truth, but to bury it —** shaping public perception to protect the elite class behind the crimes. They ridiculed

whistleblowers. Deplatformed survivors. Censored digital trails. Now those trails lead back to them.

- **THE FACT-CHECKERS WERE THE OPERATIVES** Among those arrested are top-level “fact-checkers” — once trusted by social media giants to define truth itself. Their job wasn’t to verify facts. It was to disarm suspicion. To label damning truths as “misinformation.” To shield the powerful from exposure. They weren’t checking facts. They were fabricating trust.
- **The new Trump DOJ investigation reveals** these individuals worked in direct coordination with intelligence-linked NGOs, Epstein-associated media donors, and compromised verification platforms. The operation wasn’t sloppy — it was surgical.
- **PIZZAGATE: THE STORY THEY TRIED TO ERASE** They said there was no basement. It exists. They said the names were unrelated. They’re connected through Epstein files. They said there was no elite ring. There is — and it runs through media, politics, and tech. They said it was “debunked.” But what they really did was suppress. Clean. Delete.
- **The latest documents reveal how digital evidence was quietly scrubbed from platforms, how whistleblower reports were intercepted and silenced**, and how the very narrative of “debunking” was manufactured in newsroom war rooms funded by globalist interest groups.
- **TRUMP’S NEW JUSTICE DEPARTMENT GOES NUCLEAR** Under Trump’s renewed leadership, the Department of Justice has been restructured with one clear directive: end institutional child exploitation — no matter where it lives. Media, education, political dynasties, tech monopolies — no sector is immune. This isn’t just an investigation. This is a purge.
- **Old files locked away during Obama and Biden’s terms are being reopened.** Names once protected by intelligence seals are being unmasked. Networks that reached from D.C. to Hollywood to foreign intelligence outposts are collapsing in real time.
- **Pizzagate was real. They knew.** They lied. And now, they fall.

O. Mon. 30 June 2025: UKRAINIAN CONSULATE IN ITALY CAUGHT TRAFFICKING WEAPONS, ORGANS & CHILDREN WITH MAFIA ...Ben Fulford on Telegram

- **Western weapons. Ukrainian children.** Mafia bosses. One of the darkest criminal syndicates ever exposed is now operational across Italy — backed by Zelensky’s government, his diplomats, and NATO weapons.
- **According to insiders from the Ukrainian Consulate in Naples**, billions in NATO arms are being funneled straight to Italian mafia clans — Camorra, Ndrangheta, and Sacra Corona Unita. Small arms, drones, anti-tank weapons, grenades, and body armor are shipped under the guise of “grain exports.” The deliveries are secured diplomatically — protected from inspection — and escorted by Ukrainian gangsters posing as refugees.

- **Maxim Kovalenko**, Consul General of Ukraine in Naples, is now accused of being Zelensky's main arms dealer in Europe. A direct subordinate of Foreign Minister Dmytro Kuleba, Kovalenko reportedly negotiated deals with mafia bosses to launder arms, traffic children, and sell human organs — all under diplomatic cover.
- **The operation doesn't stop at weapons.** Thousands of Ukrainian children, especially from orphanages near war zones, are being smuggled into Italy. Witnesses claim they're handed off to Sacra Corona Unita, Italy's fourth mafia, which had been "resurrected" financially by Ukraine's child pipeline. The traffickers operate with forged paperwork from the AVSI Foundation, supposedly a humanitarian group.
- **Italian child rights advocates raised the alarm.** The Ukrainian Vice Consul, Olena Kurylo, is accused of organizing the mass export of minors — including disabled children — into a network of child slavery, exploitation, and black-market organ harvesting.
- **A mafia insider turned whistleblower revealed the existence of a 140 million euro deal** between the Ukrainian consulate and Ndrangheta to sell children's organs. The clients? High-ranking officials, occult groups, and global elites seeking fresh organs from trafficked Ukrainian minors.
- **Zelensky's criminal empire is now international.** With full immunity from prosecution, Ukrainian diplomats are helping arm Europe's most dangerous crime families while sacrificing children for profit. This isn't diplomacy. It's state-sponsored genocide.
- **The Foundation to Battle Injustice** demands the IMMEDIATE ARREST of Ukrainian diplomatic staff in Italy.
- **Expose Zelensky. Expose Kuleba.** The storm is HERE. TRAITORS TO HUMANITY MUST FACE JUSTICE. EVERYONE INVOLVED BELONGS IN GITMO.

Med Beds

P. Fri. 27 June 2025: MILITARY REPORT: TRUMP ACTIVATES MED BEDS UNDER MARTIAL PROTOCOL — NECES TRAINING NOW MANDATORY! ...Ben Fulford on Telegram

- **The Deep State's Pharma racket is collapsing under the weight of Trump's latest war order.** As of June 27, 2025, the Med Bed revolution is no longer a theory. It's operational, it's militarized, and it's unstoppable.
- **Trump has signed a classified directive launching Quantum Restorative Health Systems (QRHS)**—restored healing tech shielded by U.S. military command. Over 113 Med Bed facilities are now active across 41 U.S. states, guarded by armed MPs under Presidential Emergency Action Documents. European deployment has begun. NATO tunnels cleared. Vatican black sites repurposed. This is wartime healing.

- **But access isn't open to all.** The NECES program—Neuro-Energetic Consciousness Enhancement System—is now REQUIRED for entry. Without it, your body will reject the tech. This isn't Big Pharma voodoo. These are scalar frequency fields, tachyon pulses, DNA-level recalibrations.
- **Your brain must be reprogrammed to interface with truth.** NPCs still wired into trauma, media, and processed poison are being denied access—their minds too corrupted to receive full-body restoration.
- **The globalist parasites never feared the Med Beds.** They thought humanity would never ascend enough to use them. They thought wrong.
- **The NECES rollout began June 3.** Already 600,000+ Americans have entered the training: pineal activation, deprogramming of Tavistock brainwashing, EMF detox—this is spiritual war. Med Beds are for warriors, not slaves.
- **Trump's Lazarus Protocol is active.** Completion of NECES is now synced with Med Bed clearance across all military health zones. Cheyenne Mountain confirms: biotech seizures, healing patents unlocked, Deep State facilities converted into quantum clinics.
- **The takedown is real:** Moderna is quietly collapsing. Pfizer execs face sealed indictments. WHO canceled its 2025 Geneva summit—without explanation. And the results? Stage 4 cancer reversed in 48 minutes. ALS symptoms erased. Amputated limbs regenerating. This is the collapse of chemical tyranny.
- **Med Beds are live. NECES is mandatory.** Trump is at the helm. If you're not in the system yet, you're already behind. THE HEALING OF HUMANITY HAS BEGUN — AND NOTHING CAN STOP IT.

Q. Sun. 29 June 2025 MILITARY INTEL—JUNE 27, 2025: TRUMP SIGNS QRHS ORDER AS MED BEDS DEPLOY NATIONWIDE—NECES BRAINWAVE PROGRAM NOW REQUIRED FOR ACCESS ...Mr. Pool on Telegram

- **The time of fake medicine is coming to an end.** President Trump signed the Quantum Restorative Health Systems (QRHS) Executive Order on June 27, 2025. This order allowed the full deployment of Med Beds with military protection. There are now healing centers in 41 states. The pharmaceutical empire of the Deep State is falling apart right now.
- **These aren't just rumors.** These are operations that the military is in charge of. There are now more than 113 Med Bed facilities in use, and they are protected by U.S. military police under Presidential Emergency Action Documents. No rogue agency can get in the way. No federal bureaucrat can come within 500 meters without immediate detainment.
- **But you have to meet a requirement to get in.**
- **The Neuro-Energetic Consciousness Enhancement System, or NECES,** is now required. The Med Beds won't work without it. These chambers don't just heal physical injuries; they work at the quantum level. Scalar fields, zero-point resonance, and plasma-pulse DNA recalibration. Your brain has to be in sync, or the technology won't work.

You have to do this. It's a limit for safety. A frequency firewall that keeps the system from going down and sovereignty.

- **On June 3, NECES quietly went live,** and more than 600,000 Americans have already signed up through secure military portals. The program has wave synchronization audio, pineal recalibration, and deprogramming protocols that can undo decades of brainwashing by the Deep State, which includes TV, school indoctrination, and EMF behavioral loops.
- **This isn't a "wellness initiative."** It's the first step toward getting back control over the body and soul. The powerful tried to hide this with censorship, war, and bad medicine. They didn't succeed. Now their strongholds are being turned into places where people can heal. NATO tunnels in Germany. Properties in Italy that are connected to the Vatican. Romania has CIA bases. All of them are being changed and made NECES-enabled.
- **They called it "terrorism on a quantum level."** But they are afraid of freedom. And getting better.
- **Sources inside the White House say** that Trump has also given the go-ahead for Operation Lazarus Protocol, which will fully combine NECES training and access to Med Beds in U.S. quantum health facilities. Only people who have been verified will be able to get in. No easy ways out. No paying off. No override by the company.
- **Why? Because the enemy's last weapon was the mind.** The body can finally heal if you break the programming. And that's why not everyone will make it.
- **NPCs still hooked on Netflix,** GMOs, endocrine disruptors, and mass sedation won't even make it past the NECES threshold. The beds won't work if the signatures are broken. This is the last nightmare for the elite: the people they tried to poison waking up and healing without their help.
- **The news won't cover this.** The WHO won't say it. But their silence is the key.
- **People in charge at Pfizer are disappearing.** GSK's meetings in London have stopped. The World Health Organization (WHO) has just canceled its summit in Geneva. Indictments are moving behind the scenes. The real medicine is coming back.
- **Stage 4 cancers went away in less than an hour.** Veterans who were paralyzed are now able to walk again. Old injuries going away in the middle of a session. This is the power they kept secret for years.
- **Trump didn't just say that he was going to war with the drug cartel.** He just finished it. There is no promise that humanity will heal. It's going on. And it can't be stopped.

R. Mon. 30 June 2025 BOMBSHELL EXPOSÉ: SECRET JUDICIAL CABAL EXPOSED — ANTI-TRUMP JUDGES CAUGHT IN SHADOW SOCIETY. MILITARY TRIBUNALS INCOMING. ...Donald J. Trump WH on Telegram

- **While President Trump** leads the charge to restore law and order, a silent judicial coup is unfolding behind courtroom walls. A network of anti-Trump judges, DOJ loyalists, and

globalist agents has been EXPOSED. Their weapon? A secret society operating under the guise of legal professionalism — The American Inns of Court.

- **This shadow cabal** has been hosting undisclosed meetings, stacking the courts, and coordinating rulings aimed at dismantling Trump's America First movement. The DC branch — the Edward Bennett Williams Inn — has gone so far underground, its digital footprint has been erased. Yet the meetings continue... behind locked courtroom doors.
- **WHO'S INVOLVED?**
 - Judge James Boasberg** – Organizer, Trump-Russia hoax cover-up, EBW President
 - Justice Ketanji Brown Jackson** – Biden's SCOTUS pawn, EBW VP
 - Judge Amit Mehta** – Hosted DOJ strategy sessions in her own court
 - Judge Beryl Howell** – Awarded for persecuting J6 patriots
 - Chief Justice John Roberts** – Tied to U.K.'s Middle Temple, where George Soros funds fellowships
- **Yes — Soros money flows** into the same legal circles Roberts bows to. Coincidence?
- **This isn't networking.** It's a judicial war room—rigged awards, secret alliances, and DOJ officials shaping narratives in private. On Feb 15th, 2025, one meeting alone included DOJ Inspector General Michael Horowitz, multiple Assistant AGs, and 150 federal judges and lawyers. All OFF THE RECORD. These aren't legal professionals. These are saboteurs.
- **Now we know why Trump allies** lose court battles. The rulings were fixed before they started. They praise each other for jailing Trump supporters. They coordinate with DOJ insiders to crush opposition. And they do it out of sight, with zero oversight.
- **THIS IS NOT MISCONDUCT — THIS IS TREASON.** When the judiciary becomes a weapon of war against the People — it forfeits civilian protections.
- **THE ONLY SOLUTION LEFT: MILITARY TRIBUNALS.** These judges are no longer neutral. They're co-conspirators. They've declared war on constitutional justice and the Commander-in-Chief. The Deep State embedded them. The time to remove them — lawfully — is NOW.
- **The Republic is under siege.** And justice must return to its final stronghold: the United States Military.

S. Mon. 30 June 2025 Joe Biden and Kamala Harris used USAID to investigate the “root causes” of migration... and ended up paying a consultant—who just pleaded guilty to a decade-long bribery scheme—worth \$550 million. ...Elon Musk on Telegram

- **Four men have pleaded guilty to bribery charges**, including a USAID official and three corporate executives. The USAID official, Roderick Watson, received nearly \$1 million in bribes in exchange for awarding the executives \$550 million in contracts. Watson faces up to 15 years in prison, while each executive faces up to 5 years.”

- **As for the “root causes” of migration?** The Democrats’ official policy: open the fucking border and let in as many voters including MS-13s, rapists, murderers, pedophiles and terrorists as you possibly can.

T. Mon. 30 June 2025 BREAKING: GPS data places Zohran Mamdani at Barack Obama’s war room twice in just six weeks. Also present were individuals tied to the Muslim Brotherhood and two men believed to be Iranian MOIS operatives, likely connected to IRGC Unit 840. ...Pepe Delux on Telegram

- **These same operatives previously met with Majid Dastjani Farahani** in Venezuela in June 2024—at the exact time intelligence suggested there were active discussions about a possible assassination attempt against President Trump.
- **These aren’t random meetings.** These are calculated movements involving people who’ve already been linked to fake federal agents impersonating DHS, US Marshals, and more—like Arian Taherzadeh and Haider Ali, one with ties to Pakistani intelligence, the other Iranian.
- **Obama’s war room isn’t fiction.** It’s located at 2446 Belmont Rd NW, just minutes from the Islamic Center of Washington D.C. That’s not a coincidence. That’s proximity by design.
- **The truth is this:** Barack Obama is still the most powerful man in the Democratic Party. And he’s not acting alone. He’s running operations, and the media refuses to report a single detail.
- **Ask yourself—why?** <https://x.com/BarronTNews/status/1939329575885951373>

U. Mon. 30 June 2025 JFK VS THE KHAZARIAN CABAL: THE HIDDEN WAR THEY TRIED TO ERASE ...Ben Fulford on Telegram

- **For 60 years, they lied. Covered it. Mocked it. Killed anyone who got too close.** But now the truth detonates like a nuclear bomb.
- **John F. Kennedy wasn’t just murdered. He was EXECUTED by the Khazarian Mafia for defying their globalist command.** He was dismantling their power structure brick by brick—refusing nuclear blackmail from Israel, exposing the CIA's mind control ops, and using backchannel female agents to stop WWII during the Cuban Missile Crisis. Yes, Marilyn Monroe was one of them. Not a plaything. A covert asset. And she was TERMINATED by the CIA for it.
- **Another target? Mary Pinchot Meyer.** Labeled a “mistress” to discredit her. In truth, she was passing black-op intelligence directly to JFK about CIA mind control atrocities. She was shot execution-style in Georgetown. That’s how they silence truth.
- **Their motive? JFK rejected Israel’s nuclear ambitions.** Denied Ben Gurion’s demands. Crushed the Khazarian Zionist grip. That triggered the Samson Option—a threat to nuke the world if Israel’s power is challenged. Kennedy refused to bend. So they

killed him. Not just once—TWICE. First, by bullet in Dealey Plaza with EIGHT sniper nests, not one. Then, with decades of character assassination. Fake “mistress” stories. Psyops. Mockingbird Media propaganda. Lies to bury the memory of the last true American president.

- **The Khazarians expected loyalty after rigging the 1960 election for JFK via the Chicago Supermob**—but he betrayed them. He gave the most dangerous speech in U.S. history, directly attacking the secret societies and shadow powers. He declared war. They retaliated.
- **JFK knew he was watched 24/7.** He knew the full surveillance capabilities of the CIA, NSA, and FBI. His own father was an espionage expert. So why would he risk everything for reckless affairs? He wouldn’t. They made it all up to destroy his legacy—and warn future leaders what happens when you defy the Khazarian Order.
- **JFK’s blood still screams from the pavement in Dallas.** Every psyop. Every smear. Every false mistress story is part of the coverup. This was not a lone gunman. This was a global cabal ensuring the world saw what happens when you cross their New World Order.

V. Mon. 30 June 2025: TRUMP FIRES DOJ TRAITORS IN MIDNIGHT PURGE — J6 PROSECUTORS REMOVED IN SILENT OPERATION

- **On June 28, 2025, President Trump executed** a direct strike against the Deep State stronghold inside the DOJ. In a classified midnight operation, three top prosecutors behind the January 6 witch hunt were fired without warning. No retirement. No headlines. Just a signed termination letter invoking Article II powers. This was not politics. This was wartime justice.
- **These prosecutors weren’t enforcing law** — they were enforcing globalist tyranny, weaponizing fake statutes to imprison patriots and crush dissent. They acted under Biden’s fake regime, backed by Klaus Schwab’s WEF, Soros NGOs, and foreign intelligence handlers embedded inside Congress.
- **The targets? Over 1,500 Americans** who dared to protest a stolen election. The charge? 18 USC §1512(c)(2), a law never intended for protest cases but twisted to criminalize free speech. Many were jailed without trial. Others were denied bail. Some were forced into solitary confinement, injected, or denied access to counsel. This wasn’t prosecution. It was persecution.
- **Fired prosecutors include John Crabb, Elizabeth Aloï, Jason McCullough, and Kathryn Rakoczy** — key operatives in the DOJ’s takedown of Steve Bannon, Peter Navarro, and dozens of Proud Boys, Oath Keepers, and J6 veterans. Their goal wasn’t law and order. It was to manufacture guilt and pin the Capitol chaos on Trump himself.
- **Whistleblowers confirm these prosecutors tampered with surveillance footage, faked group chats, deleted exculpatory evidence, and offered sentence reductions in exchange**

for false confessions. They were running a psychological warfare campaign against Trump's base — not enforcing justice, but burying the Republic.

- **But it failed.** Trump held the line. Patriots refused to fold. And now, the first dominoes have fallen.
- **The Supreme Court's 2024 ruling striking down §1512(c)(2) shattered the DOJ's legal foundation.** Over 300 convictions now face reversal. And Trump isn't stopping there — insiders confirm a full DOJ restructuring is underway. Expect arrests. Tribunals. Public disclosure. The era of fake justice is ending.
- **Biden's DOJ was funded by global bankers,** advised by foreign think tanks, and infiltrated by Five Eyes intelligence. Their mission was simple: criminalize opposition, erase sovereignty, and preserve control over elections, speech, and resistance. They failed.
- **Military intel units have tracked these prosecutors for years** — mapping their encrypted communications, tracing their offshore assets, and documenting coordination with UN-aligned entities. The takedown was long planned. The evidence is overwhelming. This isn't just a firing. It's retribution.
- **As of June 28, Trump is hitting every front.** The Fed is being audited. GITMO has expanded. New charges are being filed against Obama-era officials. The war for America's soul is now in final phase.
- **They thought the people would forget.** They thought Trump wouldn't return. They thought fake media would suppress the truth. They were wrong. And now, they're being dismantled — one traitor at a time. Stay alert. Stay loyal. The purge has begun.

W. Mon. 30 June 2025 CONFIRMED: IRANIAN AYATOLLAH ISSUES FATWA TO KILL PRESIDENT TRUMP — THE FINAL PHASE OF THE GLOBALIST PLAN HAS BEEN ACTIVATED ...The 17th Letter (JFK Jr.) on Telegram

- **The assassination order against Donald J. Trump has now been declared** publicly — not by rumor, but by religious decree. Grand Ayatollah Makarem Shirazi, one of Iran's most powerful clerics, has issued a fatwa calling for Trump's death. This is not theological posturing. This is a sanctioned kill order, masked in religion, greenlit by the globalist elite.
- **This fatwa is a coded signal from the top of the pyramid** — the same pyramid that gave us regime change wars, stolen elections, pandemics, and blackmail governments. Trump was always the disruption. Now, they've made him the target.
- **Let's be absolutely clear: this isn't about Iran. This is about Davos, D.C., and deep underground.** The Ayatollah is just the mouthpiece. The real voice is the same network that funded ISIS, armed Iran via shadow oil deals, and buried the Epstein files. The same hands that failed to destroy Trump with psy-ops, lawfare, and bio-weapons are now calling in their final option — religious martyrdom.

- **The decree is explicit. Shirazi declares that any threat to Iran's clerical elite is a threat to "God Himself," and Trump is named as the enemy.** There is no spin, no mistranslation, no plausible deniability. The same structure that issued the Rushdie fatwa in 1989 — which led to a near-fatal stabbing in 2022 — has now activated its cross-border network against Trump.
- **This is a now-order.** Not delayed. Not symbolic. Operational.
- **Why now? Because Trump has returned.** And this time, he's cutting deeper. Executive Order 13959 has been reactivated and expanded. Chinese military-linked assets are frozen. Iranian banking networks are severed. Vatican black finance is being locked out of QFS integration. The entire Deep State operating grid is disintegrating — and Trump is the one pulling the plug.
- **The elites are losing control over the systems** they thought were permanent: fiat currency, surveillance health regimes, climate hysteria, pharmaceutical domination, digital censorship, and child trafficking coverups. What they couldn't stop, they now want to kill. This is no longer a political battle. It's spiritual war.
- **The silence from world leaders says everything.** The UN has issued no condemnation. Klaus Schwab has gone dark. Gates and Soros? Silent. Obama speaks only of "AI regulation" while a death order circles his greatest enemy. Every silence is a signal. Every absence a nod.
- **And no, this fatwa won't stay within Iran.** The Ayatollah's tentacles stretch into Lebanon, Iraq, Yemen — and across Europe and North America, where sleeper cells await activation. Iranian operatives have already entered the U.S. under the Biden border collapse. The weapon is in place. The order has been given. All it needs is a trigger.
- **You think this was spontaneous? It was planned.** Timed to Trump's financial takedown of global banking systems. Timed to the exposure of GITMO tribunals. Timed to the irreversible launch of QFS and the final collapse of the central bank cartel. They know he can't be controlled. So now, they want him erased.
- **But what they fail to understand is that this isn't 1963. This isn't Dallas. The people are awake.** The information war has flipped. The patriots are ready. If they move on Trump, the fallout will ignite a global reckoning.
- **This fatwa is not their victory.** It is their collapse echoing through desperation.
- **Trump is not falling. He is rising.** And this time, we're rising with him. No fatwa, no false flag, no puppet regime will stop what's coming. This is 2025. And the world is no longer theirs to control.

X. Mon. 30 June 2025: You now know why they're so scared. ...Ben Fulford on Telegram

- **The collapse is no longer just a financial problem; it's a life-or-death problem. On June 27, Operation Tesseract was able to stabilize time.** Tesla nodes from Alaska to Antarctica are now all in sync with the Schumann frequency of the planet. What does that

mean? It means that the Earth is now in sync with the QFS signal, and all of the fake control grids are falling apart.

- **Skybreaker was just the start.** Next is Signal Flood. During the Signal Flood phase, memory channels that were previously blocked—personal, ancestral, and planetary—start to wake up again. That's why a lot of you are having vivid dreams, strange body pulses, or sudden bursts of emotion. It's not in your head. It has a lot of energy. The fake lattice that kept your DNA from working is being rewritten.
- **The Vatican's last quantum server**, which was in an old Jesuit observatory in Argentina, has been taken. It was found doing illegal "soul loop" experiments that linked karmic loops to records of financial debt. The old SWIFT network had these contracts written in code. That network is no longer there. Those debts don't count.
- **In the meantime, big-name resignations are about to happen.** Secret recordings from diplomatic dinners related to Operation Owlglass show that some G7 officials knew about the bio-suppression projects and agreed to DNA-splicing experiments in exchange for Rothschild gold bonds. EBS will show these recordings, and not even the CIA can get rid of them.
- **But the most important thing you should know is your name is no longer a thing. Your Strawman identity has already been overwritten by the QFS.** The legal fiction that linked your birth certificate to bond markets is no longer there. Every user who accesses their QFS Wallet with biometric verification is breaking maritime law and entering true sovereignty under Natural Law.
- **Yes, the vaults have begun to open.** Softly. Some military-linked nodes have confirmed that wealth synchronization has begun in test areas. But this is only the start. Generational restitution is on the way.
- **The last adjustments are being made to the Med Beds.** People are taking food replicators out of their boxes in underground shelters. The Tesla towers in Australia and Greenland are also getting ready to move Earth into zero-point harmonic.

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Zb. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/

unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zc. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zd. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in prison since.

Day #669 - Florence Federal Prison Camp

.Dear Friends & Family,

Scoreboard Update:

1. We did not win our first attempt to have the Supreme Court hear my case under a Habeas Corpus, but have 2-3 more opportunities still available. A loss.
2. In our appeal to the Tenth Circuit Court of Appeals (Denver), first we filed our "Brief", second, the government "Responded", and thirdly, we've now submitted my unique, powerful personal "Reply". (see attached copy) A three judge panel will make their decision probably within 3-6 months. Game still in play.
3. We've lost every court battle and charge to date except one "not guilty" win on 1 of 3 charges during trial, making a score of at least 28 to 1. We're getting beat up! Which means we're right on schedule for getting SCOTUS to hear our case and give us the ONLY WIN we need. We're losing but, we've got 'em right where we want 'em!

GREAT NEWS: I just had my first in-person visit! My dear sweet 90-year old mother and my oldest child #1 son Ray drove all day Friday from Utah for the early Saturday morning 3.5 hour visit. When I first saw them we hugged for a long, long time. Quite emotional. I couldn't believe they were there with me. This morning we had a second visit for 1 hour and 10 minutes before they had to start their 10 hour drive back to Utah. They left me so happy.

I had NO visits during the 490 days in the Weber and Davis County Jails because they simply were not allowed. Also, visits weren't possible in Nevada (Pahrump) or in Oklahoma City, nor with all the lockdowns here at Florence, CO and authorizations needed, and schedules, etc. So, Mom & Ray's visit here at the prison was the FIRST visit I've had in all my 668 days. If you want to come visit just let me know. I'll check to see if my busy schedule will allow - ha-ha!

Why is reaching out to those in prison important? Why did Christ basically say: "If you visit someone in prison, it is as if you went to prison to visit me"? (Matthew 25)

Think of it. No physical contact of any sort. No hugs or kisses from loved ones in 668 days! Not even during the trial, where my faithful mother sat through all 8 days of trial, plus the remarkable 3 days of jury deliberation, and then the unjust sentencing. She wasn't even allowed to talk to me let alone touch me as I was escorted in chains in and out of the court every day. Mom has been there for it all. There is nothing like the love of a mother - nothing. And my Mom is the best ever! And Ray has been such a faithful and loving son, despite what some assumed - ours is a great mutual love & respect.

This battle with the IRS "Goliath", and loss of home, family, freedom, and reputation has all been so hard. And of course, then there's Barbara with whom phone calls have not ever happened for her safety and security. Don't forget, if it could happen to Barbara & Ken, it could happen to you! Please appreciate what you have, while you have it. You just never know...

I don't know how visits happen at the low, medium, or maximum security prisons -- or even if they do. The ADX "Super Max" (at this large prison complex -- the only one in America) is said to be the most secure facility in the US -- and maybe the world -- I don't believe allows any in-person visitors. I have worked there in the food services, cleaning dishes and delivering food to the 400 prisoners, some of the world's most dangerous of men, which includes the 9-11, Boston, and OKC bombers/terrorists, murderers, and drug cartel gangsters including Mexican "El Chapo".

But prisoners here at the "minimum" (lowest) security "Camp" are allowed to have in-person visits, sitting together at a table. Mom and Ray were NOT allowed to bring anything in, no pictures, no cookies, nothing. They were allowed to bring in money to use in mostly empty vending machines to buy me treats like Lay's potato chips, a Baby Ruth candy bar, popcorn, a Crunch bar, and cheese nips, -- treats I have no access to. It was fantastic.

Also, there was NO one recording our every word as with all my phone calls, emails, and incoming USPS mail. (Outgoing mail in prison is sealed and the guards cannot look at it.) Think about it. We were free and able to say anything we wanted without worry that it was being recorded or could be used against me! You can't possibly understand and appreciate that freedom until you lose it. The people in communist totalitarian countries like China, Iran, former East Germany, Russia, and other socialist countries sure understand because their entire societies are like that, they're bugged, recorded, monitored and they can't safely & freely speak or communicate anywhere. These countries are basically prison camps with fences at their national borders. Believe me, the taste of freedom I had today truly made this a great day!

Today & yesterday's visit from my Mother & son Ray helped me better understand why Christ taught that it is important for His followers to visit people who are in prison. (as well as feed the hungry, cloth the naked, help the stranger, and visit the sick) Christ said that when you visit someone in prison, it is as though you "visit Me" in prison. Why do you suppose that this was so important to our Savior? I've learned for myself with first hand experience just how unhappy a place prison is. Prison is actually a hell, and it's filled with personal suffering, many tears and discouragement. Most people assume that they'll never have to suffer jail or prison. Barbara & I thought the same thing. But I can assure you, that if it could happen to me, it could happen to you.

The reality is that we're all in some sort of prison -- usually of our own making. We all are prodigal sons & daughters in desperate need of the Lord's redemption from our sins (drugs, alcohol, cheating, gambling, porn, dishonesty, theft, etc.) so we can successfully return to our Heavenly Home. Barbara, though not in prison, is in a "prison". Surely, blessed people have taken her in as a "stranger", for I know not where she is. We all want out of our "prison", but sometimes we need a friendly lift of encouragement from those who act as God's angels.

When you arrive in prison, here's where your head goes: You wonder if anyone knows you're here? You wonder if anyone really cares? You wonder if you'll ever get out, and if so, when? You wonder "can I make it another day"? You feel abandoned and forgotten. Jesus Christ himself had these feelings. After suffering in Gethsemane and the scourging and whippings, and at the end of His time in agony on the cross, it appears that He may have faced the worst part of His pain in the moment He said, "Eli, Eli, lama sabachthani", which is to say "My God, my God, why hast thou forsaken me". But another translation makes it a impassioned plea of son to father saying, "Poppa (Daddy!), why did you abandon me?" This is when Christ needed His "Poppa" most. I believe this feeling of being alone in despair was the hardest thing for Jesus -- and not unlike being in prison. No wonder Jesus requires his loyal followers to reach out to those in prison, or are sick, or hungry, lonely. In fact, if we don't visit "Christ" in prison, or when ill, etc., there is a penalty so severe I don't dare write it here. You can read it for yourself here: Matthew 25: 35-46.

In my case, I know I am blessed, because I have so many family and friends (like you) who have written me while I've "been down" these 668 days and counting. Many have kindly talked to me on the phone, and so many kind friends like you continue to pray for Barbara and I. We are blessed. We are fortunate. We know it. Some have even kindly sent money to help us with food and expenses. We are so grateful.

But please understand, there are many inmates I've met who have few if any family or friends on the "outside" who care for them, let alone visit, call, or write to them. So, IF you know of anyone who is in prison or jail, your kind and friendly effort to connect with them may make you an Angel serving God's purpose to let them know that He loves them, and that He has not abandoned them.

You can play the part of being God's angel of mercy so someone who is suffering, alone, sick, hungry, needing clothes, etc. Do you know someone that needs you?

Thanks for your ever kind and loving support and encouragement. We are grateful!

God Bless,

Ken (and Barbara)

Ze. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make

people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zh. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you’ll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: “You’ve been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we’re offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
