Trump Has Given The Green Light For The Final Phase of The Deep State’s Takedown

Including Release of the Global Currency Reset

“We the People officially declare independence from the private Federal Reserve banking system – a century-long criminal conspiracy operating outside of the Constitution to strip wealth and property of the American People.”

Fourth of July Special (Live at West Point) - Music & The Spoken Word

Judy Note: *In a carefully worded memo on Mon. 7 July 2025 the Department of Justice declared that Epstein didn't run a blackmail operation, wasn't murdered and had no client list. The FBI concurred – as did the fake Mainstream Media.*

Do they think the public is stupid? It's pretty apparent that the DOJ and FBI didn't investigate — they incinerated the evidence.

Where were the hours of surveillance footage? Hidden rooms? Servers? Hundreds of Victim Witnesses? Why were Epstein's safes emptied within days of his so-called death? Where was the Epstein List that Epstein's convicted partner-in-crime Maxwell admitted in Court existed?

The FBI can track a grandma over a meme, but can't find billionaires with known flight logs, satellite footprints and video evidence?

Hundreds of people went to Epstein's island, his ranch, townhouse mansion in NY and Wexner's mansion in New Albany, Ohio. There were thousands of files, tapes, videos, CDs, of not just Epstein committing crimes against minors, but of others who were videoed raping – some even killing children at every single location.

Trump-appointed Special Counsel Pam Bondi confirmed that a full truckload of Epstein files was delivered to her office from New York – thousands of documents, hours of video and direct evidence of blackmail.

Court hearings and filed documents have already proven all of this and more, including that for decades thousands of children were raped and trafficked – most of which activities was taped for the purpose of blackmail that supported the Cabal Deep State's Agenda.

Where was justice? The cover ups were crimes into themselves. This was clear treason by a lot of people including those involved in the FBI and DOJ.

A. What We Think We Know as of Wed. 9 July 2025:

- **The Supreme Court has overturned the Chevron Doctrine**, giving Trump total control over America's natural wealth, land and economy: enough to erase national debt, end globalist control and rebuild Sovereignty.

- **The Supreme Court has overturned the Chevron Doctrine** which gave unelected agencies such as the Federal Reserve and IRS total control over America's natural wealth, land and economy. Trump now has full access to a \$150 trillion Resource Trust, which is enough to erase national debt, end globalist control and rebuild sovereignty from the ground up.

Full reparations, asset restitution and the establishment of a sovereign, people-owned wealth reserve are now demanded. It has now been over a century since the American people lost control of their national wealth — not through war or occupation, but through the quiet establishment of a private financial Cartel, deceptively named the "Federal Reserve." The Federal Reserve is not a public institution. It is a private banking consortium, orchestrated to benefit an elite few — and through what the declaration calls a "Criminal Scheme", it has funneled the true wealth of America into offshore vaults, paper derivatives, and foreign-controlled capital, and monetary sovereignty.

Possible Timing Global Currency Reset:

B. Judy Note: Evidently, the following instructions regarding timing of the Global Currency Reset have been sent to banks worldwide: ...Gesara Nesara QFS on Telegram

Late Mon. 14 July EST Banks worldwide reset value of different nation's currencies.

Late Tues. 15 July EST Worldwide Media Blackout, EBS Active

Late Wed. 16 July EST Arrest warrants start to move worldwide.

Late Thurs. 17 July EST new value of currencies becomes active worldwide. The change in value shows up first in energy prices, then in food prices and finally on mainstream tickers.

As a side note: The Federal Reserve's implementation date is set for **July 14, 2025**. This means that on **Friday July 11, 2025, at 7pm ET** the current Fedwire® Funds Service FAIM wire format will end and when the Federal Reserve opens **Sunday July 13, 2025 at 9pm ET (business date is Mon. 14 July)** the new ISO® 20022 format supersedes. Any wires in the FAIM format will be rejected by the Federal Reserve. This implementation will bring changes to current wire terminology, requirements, wire types and fields.

- **On Mon. 14 July at 8:33 pm EST: (Tues. 15 July 2025 at 03:33 UTC Universal Time which is 8 hours ahead of Eastern Standard Time, or Mon. 14 July 8:33 pm EST),** the Bank Currency Reset to gold/ asset-backed currencies called Operation Chrysalis, goes live. Treasury nodes will switch from mirrored to primary control, which will make all old banking rails read-only. If a payment processor doesn't handshake within the first 11 milliseconds, its ledger will be frozen until a manual audit clears it.
- **On Tues. 15 July EST (Wed. 16 July 2025 UTC) the EBS locks down with a final countdown to Media Blackout.** The Global Broadcast Grid finishes its lattice swap. You won't see anything on TV, but the carrier frequency behind every network will go up from 60 Hz to 432 Hz. That spike proves that the EBS beacon is locked. The final countdown for the media blackout starts when the checksum settles down.
- **On Wed. 16 July EST (Thurs. 17 July 2025 UTC) arrest warrants start to move.** Continuity of Government sends the list of sealed indictments to Tier 1 nodes. Only military, certain courts and White list wallets will be able to see the packet at that time. The list will push in blocks of 17 KB each that are quantum-sealed and can't be faked or delayed. When the last block lands, arrest warrants start to move.

- **On Thurs. 17 July EST (Friday 18 July 2025 UTC) Rainbow currency change of value becomes active.** Take note of the liquidity paths that Tier 2 commerce hubs can use. Each country that takes part gets its first draw in twelve-hour chunks. Fiat leaves in the same heartbeat. Don't wait for the news to confirm it. The change in value shows up first in energy prices, then in food prices, and finally on mainstream tickers.

C. Tues. 8 July 2025 Wolverine: We are pleased to share a significant development: during a specialized operational conference held last night, it was officially confirmed that both the U.S. Treasury and the Department of Defense (DoD) have given final authorization for the payments. She had a stroke and was in hospital for many months but she never gave up as she knew this was a task from God and she was not going to let down millions of her followers. She ended up having a speech stutter due to her stroke. I hope that she is now able to get lawyers and start creating a law case against those criminals that tried to destroy her and her family. I for once, will not sit down and let bygones be bygones as I’m going to do everything within my powers to pursue those criminals and have them arrested for many years and have their faces plastered everywhere in social media. I’m not afraid of bullies. God bless, Wolverine

Global Financial Situation:

F. Tues. 8 July 2025: TRUMP'S \$150 TRILLION BOMBSHELL — THE 161-YEAR SECRET THAT WILL CRUSH GLOBALISM AND TRIGGER NESARA/GESARA

...Donald J. Trump WH on Telegram

- **While the world drowns in distractions, President Donald J. Trump just stepped into the most powerful economic position in modern history.** Hidden beneath the surface for 161 years lies a \$150 trillion resource trust — now legally unlocked. Copper, lithium, uranium, rare earths, oil, gold. Enough to erase national debt, end globalist control, and rebuild sovereignty from the ground up. And now, Trump has full access.
- **For decades, the Chevron Doctrine acted as the cage.** It gave unelected agencies total control over America's natural wealth, land, and economy. Globalists used it to bury this inheritance while feeding the world illusions through fiat currency, debt, and foreign trade traps. But that's over. The Supreme Court has overturned the Chevron Doctrine. The legal lock is gone. The vault is open. And Trump has the code.
- **This isn't about campaign promises.** It's about economic liberation. With Chevron dead and the trust exposed, Trump is positioned to unleash the most powerful financial reset in human history — not through banks, but through real value. Energy. Infrastructure. Sovereign-backed digital systems. Trump isn't just returning to the White House. He's returning as executor of a new operating system. And the elites are terrified.
- **This aligns with everything NESARA and GESARA stood for.** Once mocked, now unstoppable: erasing illegitimate debt, restoring sound money, and ending corporate government slavery. Trump's moves — energy independence, gold-backed systems, dismantling the Fed, expanding QFS — have all been steps toward this convergence. The \$150T trust isn't just wealth. It's the fuel for a new civilization.
- **While the media sells crisis and courtroom drama,** elites are shifting quietly: XRP, gold, rare earth ETFs, tokenized energy and land assets. The global monetary game is changing in silence. The public won't hear about it until it's too late to catch up. But patriots who understand NESARA know — this is the framework loading behind the curtain.
- **The wealth is real.** The court has ruled. The legal leash is cut. Chevron's fall means America's resource cage is broken. Trump holds the ignition key. No more globalist debt systems. No more fabricated scarcity. No more foreign dependence. The trust is real, and it's being activated. Silently. Strategically. Irrevocably.
- **This is not politics.** This is the fall of fiat, the rise of sovereignty, and the true beginning of GESARA. While others argue over headlines, the system is already being rebuilt — by Trump, by QFS, by the Constitution.
- **The silence is the signal.** The trust is the trigger. And history is about to flip.

G. Tues. 8 July 2025: MILITARY INTEL: TRUMP-PUTIN CALL TRIGGERS FINAL TAKEDOWN OF GLOBAL ELITES! ...Ben Fulford on Telegram

- **Independence Day, July 4, 2025, wasn't just fireworks. It was the fuse.** After a strategic call with Putin, Trump cut all weapons to Ukraine—then vanished from public view. Why? Because this was the greenlight. The final phase of the global Deep State takedown has begun.
- **The silence was the signal.** Trump's phrase "I didn't make any progress" wasn't defeat—it was code. Translation: NO DEALS. MILITARY OPTION ACTIVATED. Space Force, Ghost Units, and Special Ops are now executing coordinated strikes across Europe and Ukraine.
- **The truth? Trump and Putin have been coordinating through backchannels since 2017.** The "conflict" was staged to dissolve the illusion that the U.S. still answers to globalists. The Ukraine weapons halt? That was the axe falling on a covert empire of child trafficking routes, organ farms, and AI-run vote rigs.
- **Every missile sent to Ukraine was a cover-up.** They protected CIA biolabs, Rothschild-controlled banking tunnels, and quantum surveillance hubs. And now? Those labs are being raided. Those tunnels are being flooded.
- **Two days ago, a NATO comms center in Ukraine was vaporized.** Not by Russia—but by U.S. black ops eliminating rogue CIA nodes harvesting DNA and controlling elections via quantum rigs.
- **Trump's military alliance is hitting them hard and fast: Lviv:** Human experimentation labs shut down. **Odessa:** Organ trade routes severed. **Kharkiv:** Data vaults seized. **Bohemian Grove & Epstein 2.0:** Scheduled for permanent eradication.
- **EBS systems are armed. Starlink is militarized.** GITMO is operational. 230,000+ sealed indictments are being executed in real-time. Elon Musk is aligned. The tribunals? Already underway.
- **Biden was always a puppet.** EO 13818 and EO 13848 gave Trump full authority to seize assets and eliminate traitors under military law. This was never about elections. It was always about total warfare on a parasitic elite system that fed on humanity's blood, DNA, and consciousness for centuries.
- **Deutsche Bank just froze \$2.3B in Ukrainian-linked accounts.** Zelensky fled to a NATO bunker. Clinton-linked NGOs are vanishing overnight. The rats know the ship is sinking.
- **Trump never lost. He baited the trap.** And now it's snapping shut. Nothing can stop what's coming. The storm isn't coming. IT'S HERE. And they burn.

I. Tues. 8 July 2025: OFFICIAL COVER-UP EXPOSED: DOJ & FBI ERASE EPSTEIN'S BLACKMAIL RING — CLIENTS VANISH, TRUTH BURIED ...Edward Snowden on Telegram

- **07 JULY 2025 — THE PEOPLE DEMAND BLOOD.** The DOJ and FBI just declared Epstein didn't run a blackmail operation, didn't get murdered, and had no client list. They're telling us it's over. Case closed. But they didn't solve it — they buried it.
- **The DOJ didn't investigate — they incinerated the evidence.** They didn't dismantle the network — they protected it. This isn't a justice system. It's a firewall for elite pedophiles and blackmail merchants.
- **Epstein wasn't a mastermind — he was bait.** A decoy, installed to lure in targets, capture them on tape, and hand their secrets to handlers far above his paygrade. That's why his island was wired. That's why his planes were tracked. That's why heads of state, billionaires, and royals kept visiting. Not for friendship. Not for fun. For kompromat.
- **The FBI says it found nothing. NOTHING.** No blackmail network. No client list. No crimes beyond the obvious. Then where are the hours of surveillance footage? The hidden rooms? The servers? Why were the safes emptied within days of his death?
- **Maxwell admitted a list exists.** She said she knew who was involved. But she walks alone into prison while her clients vanish into the shadows. This isn't justice — it's a high-level protection racket.
- **The FBI can track a grandma over a meme. But it can't find billionaires with known flight logs, satellite footprints, and video evidence?** This is treason.
- **The kompromat machine runs D.C.** This isn't just a story about child abuse. This is about CONTROL. Entrap, record, store, manipulate. If a vote doesn't go their way, they flip a switch. That's how wars are started. That's how nations fall.
- **This isn't incompetence. It's treason.** We are watching the final phase of the cover-up. Epstein was silenced. Maxwell was muzzled. The names were erased. The tapes sealed. And you were told to forget. But WE DIDN'T.
- **We want the list.** We want the tapes. We want the network. And this time — we're not asking. PATRIOTS IN CONTROL. THE CLOCK IS TICKING. THE STORM IS HERE.

J. Tues. 8 July 2025: THE EPSTEIN FILES & THE INTELLIGENCE COVER UP. This entire operation is so much deeper than what the media, DOJ, and the FBI is telling you. ...EBS on Telegram

- **Remember, Ghislaine Maxwell was charged and found guilty of the federal sex trafficking of minors.** So who was she trafficking to?
- **This was an intelligence operation** ran by the CIA, Mossad, and the FBI. It implicates hundreds of elite individuals and our own government.
- **They can not disclose that information and nobody wants to be the one to do it.** There are so multiple layers to this and is not as simple as just implicating one person or agency.
- **We know that hundreds of people went to the island,** the ranch, and the townhouse mansion in NY, including Wexner's Mansion in New Albany, Ohio. The court documents prove this all of this and more. So much more.
- **There are also thousands of files, tapes, videos, CDs,** of not just Epstein but of others that were videoed at every single location, even Wexner's, and even camera's in the bathrooms.
- **The amount of victims who testified alone prove** there were multiple clients. So what's really going on behind closed doors, and what kind of deal was made?
- **Are they not releasing the information** and changing the narrative to blackmail the deep state and others? Was it concluded that this is the better option? Nobody is buying any of this.
- **Thousands of children were raped and trafficked** for decades. Where is the justice?

K. Tues. 8 July 2025: HOLLYWOOD PANIC: DIDDY'S SEX-RITUAL EMPIRE COLLAPSING ...Kerry Cassidy on Telegram

- **What you're witnessing is not a trial. It's an extraction operation.** Diddy's former assistant has testified under oath about elite sex rooms loaded with condoms, drugs, and sedatives — ritual chambers where celebrities were blackmailed, broken, and controlled. These weren't parties. These were psychological warfare centers, operated under intelligence protection.
- **Lie detectors. Gun threats. Surveillance tapes. This was MK-Ultra with a hip-hop beat.** And Diddy? A handler. A gatekeeper. A weaponized asset—used to normalize degeneracy, glorify drugs, and pump trauma into a generation.
- **Apple sauce laced with sedatives.** iPods preloaded with trauma loops. This wasn't accidental. It was systemized elite mind control. His staff weren't employees. They were slaves in a palace of blackmail.
- **And now it's detonating.** David James's testimony is shredding the veil. The same Diddy who forced assistants into polygraphs and blackmailed stars with hidden camera footage now stands naked before the Deep State's unraveling web. This is bigger than Combs. This is about a network that ran on fear, blood, and secrets. And it's falling apart — fast.
- **GITMO's expansion isn't a rumor. The tribunal system is preparing for blackmail-based traffickers,** not courtroom show-trials. Diddy's connections to elite political handlers and underground networks make him a liability — not just to Hollywood, but to the cabal that ran him like an op.
- **Encrypted servers tied to Epstein. Pills shaped like Obama.** Freak rooms with names. Every part of this is engineered for control, ritual, and domination.

- **Executives like Jimmy Iovine and Clive Davis? Silent.** Because they knew. Because they helped. Because they cashed in on youth trafficking and media slavery. The entire music industry was a hunting ground. The freak-offs? A tool of the Deep State.
- **And the leaks? Just starting.** Sealed witnesses. Federal protection. The rats are flipping. The walls are cracking. The façade of fame is disintegrating — and the truth is too radioactive to contain.
- **This isn't entertainment news.** It's a battlefield report.

N. On 22 May 2025 Trump Shut Down the World Health Organization, Cut \$900 Million and Rejected the Global Vax Dictatorship. ...Kerry Cassidy on Telegram

- **May 22, 2025 — It's official: the United States just declared WAR on the World Health Organization.** While 78 nations surrendered their sovereignty by signing the WHO's Pandemic Agreement (CA+), President Donald J. Trump and HHS Secretary Robert F. Kennedy Jr. executed a death blow to the globalist bioterror cartel.
- **The U.S. has REJECTED the treaty.** DEFUNDED the WHO. And EXPOSED it as a front for elite population control.
- **The WHO is not a health agency. It is a Chinese-influenced biowarfare command center,** backed by Gates, Big Pharma, and the WEF. COVID was their dry run. This treaty was their power grab. But Trump flipped the table.

- **THE TREATY WAS A TRAP:** The CA+ agreement would've granted the WHO Power to declare pandemics at will, Authority to override national health decisions, Tools to force experimental vaccines on citizens, A global surveillance system called PABS to control treatment access, Ability to seize 20% of all "pandemic" resources —without a single vote from the American people.
- **Trump said NO.** RFK Jr. said NEVER.
- **\$900 MILLION CUT OFF — INSTANT DEATH BLOW:** Trump terminated U.S. funding immediately. That \$900M was the WHO's lifeline—used not for health, but for gene-editing, mRNA bioweapons, and tyranny enforcement. With that money gone, WHO's command structure is collapsing. Their fiscal plan is in shambles. Layoffs are already underway.
- **RFK Jr. DROPPED A NUKE IN GENEVA:** Kennedy took the mic and unleashed it all: The Wuhan coverup. The fake wet market story. The censorship machine. The blood money from Pfizer and Moderna. And he said it plain: "The WHO serves CORPORATE MASTERS — not the people."
- **A NEW MEDICAL ORDER IS COMING:** Trump is forming a new global health alliance — free from elite chokeholds and pharma corruption. Nations like Hungary, Brazil, and India are joining the revolt. Even parts of Europe are breaking ranks. The WHO is hemorrhaging legitimacy.
- **This is not reform. This is REVOLUTION. THE GLOBALISTS LOST CONTROL.** This wasn't about "public safety." This was about total control. Lockdowns. Digital IDs. Climate restrictions. Food rationing. Thought policing. The WHO was the enforcement arm. Now it's crippled.
- **And the war isn't over. It's just begun.** The same hands that pushed COVID tyranny are pushing CBDCs, AI health passports, and "climate emergencies." But Trump is ten steps ahead — backed by Cyber Command, the Pentagon and global patriots.

P. Tues. 8 July 2025 33-HOUR WARNING: HUGE EARTHQUAKE SIGNALS DETECTED IN LOS ANGELES AND VENTURA — MAJOR CALIFORNIA QUAKE EXPECTED WITHIN 33 HOURS ...Julian Assange

- **BREAKING: Independent alert via Earthquake Channel** warns of a major earthquake expected to strike California within 33 hours. Seismic signals detected in Los Angeles and Ventura Counties. 33 HOURS TO IMPACT: THE ALARM NO ONE WANTS TO HEAR
- **In a stunning break from the silence of controlled institutions**, an emergency alert has surfaced: multiple independent seismic models predict a major earthquake within the next 33 hours. This data comes from EarthquakeChannel.com, ignored by mainstream outlets, but now broadcasting an unmistakable warning: signs of an imminent tectonic event are emerging from Los Angeles and Ventura Counties, the beating heart of Southern California.
- **THIS IS NOT A DRILL.** This is raw, unfiltered intel from independent researchers. They are NOT part of the Deep State apparatus. They are revealing the truth — the information you're not supposed to hear.
- **THE HOT ZONE: LOS ANGELES AND VENTURA ON EDGE:** The seismic forecast models highlight an unusual concentration of pre-seismic energy beneath Los Angeles and Ventura. The models show overlapping anomalies — suggesting a catastrophic tectonic event is imminent. This is the kind of energy that doesn't just shift plates — it reshapes lives. Yet, the media stays silent. As always.
- **THE MESSAGE THEY WON'T BROADCAST: WARN YOUR PEOPLE:** This alert isn't coming from FEMA or CNN. This is your warning. If even a 1% chance of this forecast is real, then we must act like it's 100%. Warn everyone you know. Send this message to your group chats. Post it on Telegram. Email your list. Print it out and tape it to every door.
- **HOW TO PREPARE FOR THE IMPACT ZONE:** If you're in Southern California, especially L.A. or Ventura, take action now: Turn off gas lines and secure heavy furniture. Charge all phones, radios, and battery backups. Prepare a go-bag with essentials: water, food, flashlight, batteries, first-aid. Set up a rally point with your family or neighbors. Know your exits. Trust your gut. Don't wait. WE DON'T WAIT FOR PERMISSION TO SURVIVE.
- **WHY THE MAINSTREAM STAYS SILENT:** Panic is what they fear. The Deep State thrives in silence, praying you stay uninformed. But we don't answer to them. We answer to truth.
- **THIS IS NOT CONSPIRACY.** This is counter-survival intel. Ask yourself: Why are 4 different models showing the same danger zone? Why is this source being shadowbanned instead of investigated? Because truth is dangerous. And the minute people wake up, the system cracks open.

Q. Tues. 8 July 2025: CONFIRMED: DEEP STATE LET VENEZUELAN GANGS INVADE COLORADO — TRUMP WAS RIGHT, AND NOW EVEN THE NEW YORK TIMES ADMITS IT ...WH Grampa

- **The veil has been lifted. What happened in Aurora, Colorado, was not random gang violence — it was a Deep State-sanctioned invasion.** Armed Venezuelan operatives from Tren de Aragua stormed an apartment complex, terrorized families, and unleashed military-style warfare on American soil. And now, after months of silence, even the New York Times has been forced to admit what Trump warned us about all along: the threat is real, the invasion is happening, and it was allowed.
- **This was not a failure of policy — it was the execution of one. Tren de Aragua isn't just a gang.** It's a foreign paramilitary weapon, backed by cartels and plugged into a global destabilization network. The Aurora attack was a test run. Six armed men moved like soldiers. Residents begged for protection. Police were ordered to downplay everything. Why? Because the objective wasn't safety — it was chaos.
- **Trump said it in 2024 after Aurora:** "This is what happens when you put open borders ahead of American lives." That wasn't a political line. It was a battlefield declaration. And the enemy was already inside.
- **As of July 8, 2025, Tren de Aragua is now embedded in over 21 states, using encrypted comms, burner tech, crypto wallets, and coordinated smuggling routes.** Their operations have been traced to training from former FARC insurgents and supplied through Chinese black-market channels. These aren't refugees. These are programmable chaos agents, weaponized by globalist intelligence handlers and unleashed with precision.
- **And who protected them?** Biden's puppet regime. Soros-backed NGOs. Sanctuary city officials obstructing ICE operations. And a media complex that mocked the warnings until it could no longer hide the bodies.
- **Trump responded fast.** Covert ICE units were deployed. Cartel-linked Venezuelan nationals were marked and extracted despite sabotage from local mayors and federal bureaucrats. Behind the scenes, loyal military units have been operating under presidential orders to begin neutralization of foreign-affiliated combatants on U.S. soil. This is no longer border enforcement — it's counterinsurgency.
- **This was never about "immigration."** It's a full-scale infiltration operation, dressed up in humanitarian language and funded by offshore cartels and digital warfare networks. The goal? Destabilize the U.S. from within, justify biometric surveillance, unleash social credit scores, and push CBDC-based control systems under the guise of "safety."
- **Now, Trump is finalizing the Final Border Reinforcement Act** — a sweeping plan to authorize military tribunals for sanctuary city leaders, treat cartel agents as foreign combatants, and dissolve NGO funding pipelines. It's the Deep State's worst nightmare: legal retaliation wrapped in constitutional authority, led by a man they failed to destroy.
- **The fake press smeared him for years.** The fact-checkers dismissed the cartel threat as "conspiracy." But Aurora shattered the illusion. And now, with even the Times conceding the truth, the floodgates have opened.
- **Ask yourself: how many more gangs are already embedded?** How many more attacks have been covered up? How many citizens must bleed before the rest admit what Trump has shouted for years — that America is under siege?

- **This is war. Not just of bullets, but of narratives**, of infiltration, of survival. And in this war, silence is surrender. The American people must recognize the stakes: the enemies of the Republic wear badges, hold office, and write headlines. But patriots are awakening — and they are done complying.
- **Trump stood alone when it began**. He doesn't stand alone now. Aurora was the beginning. The reckoning comes next.

R. Tues. 8 July 2025: OBAMA'S KILL LIST EXPOSED: DEMAND HIS ARREST NOW

...Julian Assange on Telegram

- **Barack Hussein Obama ran a shadow presidency of blood**. The Nobel Peace Prize was a smokescreen — behind the curtain, he became judge, jury, and executioner of American citizens and foreign leaders alike.
- **He illegally bombed Libya**, toppling Gaddafi, unleashing chaos, and turning North Africa into a jihadist breeding ground. Hillary Clinton laughed at Gaddafi's assassination. Russia, Venezuela, Nicaragua, and others called it what it was: a war crime.
- **Obama broke U.S. Executive Orders** banning political assassinations — instead he built a top secret "Kill List". He ordered drone strikes on civilians, including 16-year-old American Abdulrahman al-Awlaki. No trial. No warning. Just death from the sky.
- **SEAL Team 6 paid the price**. After taking out bin Laden, their identities were leaked — then they were blown out of the sky in the deadliest SEAL incident ever. Obama used their success for political gain... then sent them to die.
- **He armed terrorists in Syria**. Backed the Muslim Brotherhood in Egypt. Funded the Arab Spring that collapsed secular regimes. The result? ISIS was born — on his watch.
- **At home, Obama weaponized the IRS** against conservatives. He illegally spied on Americans, targeted journalists, and unleashed Fast & Furious, giving guns to cartels to push gun control propaganda.
- **He bypassed Congress**, rammed through Obamacare, and flooded America with foreign cash donations in rigged elections. He bailed out corrupt union pensions, blocked the Keystone pipeline, and used NASA for Muslim outreach instead of science.
- **He bowed to foreign dictators**, sabotaged Israel, praised Islam as the "most beautiful sound," and ordered the U.S. to apologize to terrorists after Benghazi. Meanwhile, America's credit was downgraded, unemployment soared, and the debt exploded.
- **Every single act — calculated**. Deliberate. Anti-American. This isn't incompetence. It's betrayal.
- **Indict Obama. Strip the Nobel**. Charge him for war crimes, assassination, and treason. The people demand it. GITMO is waiting.

S. Tues. 8 July 2025: EXPOSED: OBAMA WAS THE SLEEPER CELL — MAMDANI IS THE DETONATOR ...Trump Force One on Telegram

- **Barack Obama wasn't elected. He was installed.** Groomed by Communists, funded by Soros, shielded by globalist think tanks. He wasn't a leader — he was a Trojan horse, embedded to dismantle America from the inside out.
- **Now, July 2025, the mask is off. Zohran Mamdani is the next weapon.** A foreign-born, Soros-backed socialist being positioned to seize control of New York City and accelerate the collapse. His mission is simple: burn the system to the ground.
- **Mamdani isn't hiding it. He's not "reforming" capitalism — he's replacing it.** With what? Government-run grocery stores. Race-based tax policies. Forced wealth seizure. Landlord extermination. All under the banner of "social justice," while billionaires like Soros and Schwab pull the strings. Obama lit the match. Mamdani is the firestorm.
- **Obama's Marxist roots were hidden** — Mamdani flaunts his. Raised on post-colonial anti-Western ideology, trained by South African socialists, and now marching openly with the Democratic Socialists of America. He told his followers: "We're not here to raise awareness. We're here to win socialism." This isn't politics. It's a siege. Race is their weapon. Collapse is their goal.
- **Mamdani marked himself as both "Black" and "Asian"** to climb the identity ladder — the same scam Obama ran. They don't believe in equality. They believe in control. They weaponize ethnicity to divide, bankrupt, and conquer — all while the real elite stays untouched.
- **Now, July 6, 2025 — New York is on the edge.** Landlords are defaulting. Police are quitting. Banks are locking down. If Mamdani wins, the collapse will not be gradual — it will be immediate. This isn't incompetence. It's strategic destruction.
- **They don't want order. They want obedience.** Mamdani answers to Schwab. To Soros. To the UN's unelected climate cartel. He's not an outlier — he's their operative. His rise is the final signal: the globalist kill switch is being activated from within America's cities.
- **And only one man stands in their way:** Donald J. Trump. Trump is the disruption they fear. He doesn't bend, bow, or break. That's why they rigged, censored, indicted, and panicked. Because if Trump returns, their entire plan collapses — and they know it.
- **This is the final play.** Obama was the blueprint. Mamdani is the payload.

- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.

W. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

X. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Y. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. He was arrested almost a year ago and has been sitting in prison since.

Z. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zc. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you’ll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: “You’ve been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we’re offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them

(where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
