**Judy Note:** *Hawaii will soon no longer be a US State, but be proudly known as the Sovereign Kingdom of Hawaii. Natives of the Kingdom of Hawaii have rightfully risen up to take back their native land, believing the Hawaiian Islands have been illegally occupied by the US Military since 1898.*

***The Kingdom of Hawaii and Sovereignty for Native Hawaiian descendants***, particularly the Kanaka Maoli (Hawaiian Natives), was being restored through activation of the Quantum Financial System. Under the QFS, the US Corporate government would no longer be recognized as a legitimate authority over the Hawaiian Islands – they are their own Sovereign Kingdom.

***There were several very good and legal reasons why Native Hawaiians wanted their Sovereignty back. Back on 8 August 2023 at 6:37 a.m Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground. The US Inc. Deep State Cabal’s goal was to make this Native Hawaiian Capitol of Lahaina into a SMART city.***

***The resulting fires were the most devastating mass casualty events in Hawaii history: 2,700+ structures destroyed; over a hundred confirmed dead; almost four years later 1,000+ still missing/ unconfirmed deceased, plus thousands of children, missing; over 5,000+ people dislocated, 3,100 still displaced as of today. Out of the over 5,000 victims, around 2,000 were home owners and 3,000 renters in Lahaina.***

***After the fires people across the World generously contributed money for housing and 400 Tiny Homes were built. Though, the US Inc. government (who were believed to have caused the DEW Attacks) again took advantage of the situation. They charged the victims \$3,000 per month for a family to live in the donated housing. Long term rentals ran for \$800-\$2,500 month. A one bedroom was much higher - all of which was out of reach for most victims. For nearly four years since the 2023 DEW Attacks more than 1,500 victims have been living on beaches.***

***Then there's the food for survival issue. Every day since the fires the Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to the over 1,500 still displaced fellow victims. Three years ago the Deep State Cabal Red Cross cut funding to feed those victims. Hawaii US Senator Schatz said they ran out of Federal Funds.***

***Nor have victims obtained compensation from the government for their devastating losses. The US Military Lease on the native land expires in 2029 and the victims have been notified that there will be no renewal or extended leases on their native land of Hawaii. None of that land inherited from their forefathers has been returned to the natives, not even for Lahaina. The government's position was the natives had no deeds registered for their inherited native land.***

***The native Hawaiians have some issues with that. Back in July 1898 the US Corporate government illegally annexed the Kingdom of Hawaii when an unlawful, unconstitutional US Joint Resolution for the acquisition of Hawaii was passed by the US Congress. There was never a Treaty signed, nor Act passed to acquire Hawaii. In other words, legally Hawaii never has been, nor was it now, a part of the US. Under International Law the Kingdom of Hawaii still existed.***

***Another serious issue for the Native Hawaiians: For years Globalists Bill Gates, Oprah Winfrey, Zuckerberg, the UN, Bilderbergers and hundreds of world billionaires including those involved in the Cabal's BlackRock and Vanguard, have all tried to buy huge portions of the Native Capitol of Hawaii in Lahaina. They were denied by the Lahaina citizens who remained true to their land and heritage. Their ancestors originally settled Lahaina, the land was where they buried their dead and worshipped their God.***

***Deep State real estate agents, FEMA, Maui police and National Guard infiltrated with CIA Agents, felt differently. Their massive human/child trafficking line ran through the second most expensive real estate in the world of Lahaina. Hawaii was the base between Australia, Taiwan, China and California for Oprah, Epstein, Zuckerberg, CIA, UN Elites and their Satanic Child Sacrificing international Child Sex Trafficking, Adrenochrome and Organ Harvesting network.***

***A threatened exposure of a US Inc. Deep State Pedophilia Child Trafficking Ring centered in Lahaina Maui Hawaii was believed the main reason behind Direct Energy Weapon Attacks (DEW) that devastated the Maui native capitol of Lahaina in August of 2023.***

***According to Trump's White Hat Global Military Alliance which sent in the US Marines after FEMA employees were discovered setting fires and murdering Lahaina survivors, the DEW Attacks were also believed done in part to kill several people who were set to expose an International Child Sex Trafficking, Adrenochrome and Organ Harvesting ring. The ring was housed in underground tunnels beneath properties owned by Oprah Winfrey, Bill Gates, Mark Zuckerberg and a CIA operation headquarters.***

***Even before the devastating 2023 Hawaii fires Lahaina had become known for missing children. Trump's Global Military Alliance had been closing in on Lahaina and it's human***

*trafficking network. Over a hundred cases of child and women kidnappings had been reported that weren't being investigated by Hawaiian authorities.*

***In addition to taking over the Hawaiian Native's land, the multiple DEW attacks were believed planned in order for the Deep State to destroy evidence of Deep State Underground Tunnels beneath Lahaina, including a base that housed child trafficking.***

***On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii. There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that could not be used by any government entity until the Kingdom Nation was returned properly to The People.***

***The request was accompanied by a plea to help the over 5,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.***

***Yet, the Sovereign Kingdom of Hawaii had 170,000 metric tons of gold sitting in limbo until the illegal occupation of U.S. Military returned the Kingdom of the Hawaiian Islands back to the rightful Kanaka Maoli, the true identity of the Hawaiian People.***

***Hawaii's Gold has been sitting in the Bank of Hawaii and could not be used by any government entity until the Kingdom Nation was returned properly to The People. That was set to happen on Mon. 14 July when the new Quantum Financial System activates at the Hawaii National Bank.***

***That 170,000 metric tons of gold cannot be returned to any self proclaimed Hawaii monarch because the Kingdom's last Queen Liliuokalani died 11 Nov. 1917 without an heir. Her purpose was left up to the Kanaka Maoli to someday gather and reclaim all the all lands and assets back to the descendants of Hawaiian Natives who signed 1897 KU'E Petitions.***

***The US is a foreign country to the Kingdom of Hawaii Nation, yet the US illegally taxes Hawaiians. The US federal government cannot touch that gold.***

***[Trillions vs Millions](#): There was 170 Thousand Tons of Gold owned by the Kingdom of Hawaii that was sitting in the Bank of Hawaii waiting for The Kingdom of Hawaii to be recognized by the international community.***

***Research and proof that Hawaii exists by protest, that the annexation of Hawaii to be a Territory and State never happened, as there was no consent, nor decree that existed to make Hawaii a US State could be found here: [50th State Fraud - A Visit With Williamson Chang](#).***

**E. Thurs. 3 July 2025: THE SECRET GOLD BACKSTORY OF THE GLOBAL RESET**  
 ...QFS on Telegram

- **Before the world was captured by fiat money, before the Fed or SWIFT or digital central banks—there were promises sealed in gold.** Handwritten bonds, backed by real assets, signed by kings and emperors. Not myths. Not theories. These were sovereign contracts of wealth, locked in vaults, passed down through bloodlines, and buried by those who feared their power. These aren't collectibles. They are triggers—keys that, once redeemed, collapse the illusion of debt and begin the return to a just financial system.
- **Historic Bonds were never honored because they were never supposed to be.** After WWII, the globalists built the Bretton Woods system to enslave the world in fiat debt. If these bonds were redeemed, the entire house of cards would fall: central banks would lose control, sovereign wealth would return to rightful holders, and the elite financial cartel would collapse. So they buried them. They discredited the families. They destroyed records. And they made sure no economist dared speak of them again. But the silence is breaking.
- **Redemption has already begun—quietly, legally, and globally.** Under NDAs, private diplomatic channels, and secure biometric clearances, the Quantum Financial System is processing these claims. Tier 3 trust foundations, tribal councils, monarchist families, and pre-war sovereign entities are now submitting documents and verifying origin. These bonds, backed by gold and land, are real. They have lineage, signatures, seals, and legal chain of custody. And each one redeemed sends a shockwave through the matrix of fake paper wealth.
- **When even a fraction of these bonds are activated,** the ripple effect will be unstoppable. Illegitimate debt collapses. Gold prices surge as suppressed reserves are revealed. Nations will be forced to reset their balance sheets, and the people—those who've been robbed for generations—will finally see what was kept from them. This

isn't economic theory. This is a seismic event, already underway, hidden behind closed doors while the media pretends nothing is happening.

- **This is not a return to history.** It's a battlefield of truth. These bonds were nuclear weapons of peace—silenced for decades. But now, they're being awakened. The global reset will not be powered by digital illusions. It will be triggered by forgotten truth, bound in oath, backed by gold. History will not be rewritten. It will be redeemed.

**F. Thurs. 3 July 2025 TRUMP SEIZES \$150 TRILLION, ACTIVATES QFS, AND LAUNCHES GESARA RESET — THE MEDIA BLACKOUT IS TOTAL ...QFS on Telegram**

- **On July 1, 2025, President Donald J. Trump pulled the trigger.** Through the classified Skybreaker Protocol, over \$150 trillion in stolen assets were seized from elite-controlled off-ledger accounts and rerouted directly into the Quantum Financial System (QFS) — a sovereign, unhackable infrastructure now replacing the globalist fiat matrix. The mainstream media? Silent. Because this isn't just financial reform. It's the death of the old system.
- **That same day, Trump signed an executive directive establishing the U.S. Bitcoin Reserve** and a new gold-backed digital stockpile. These assets are now secured under military jurisdiction, outside the reach of the Federal Reserve. Internal audits have begun across the IRS, SEC, and Treasury — and deep-state operatives are vanishing. Some are flipping. Others are being detained in GITMO and offshore bio-prisons. Every transaction now runs through QFS, encrypted, traceable, and biometric. The age of laundering and theft is over.
- **On July 4, the public phase begins.** Citizens worldwide will receive offers to claim Quantum Access Cards, linking them to personal sovereign wallets backed by precious metals. From July 5–14, biometric integration rolls out. Then, on July 20, Med Bed healing technology goes public — cellular regeneration, organ restoration, trauma reversal. Once exclusive to elites, now made available under GESARA-compliant governance. Big Pharma is collapsing. The panic is real.
- **No Forbes articles. No press releases.** No Treasury briefings. Why? Because the media knows they're complicit — they protected the very systems now being dismantled. QFS is already operational. Emergency Broadcast Systems (EBS) are synced. Legacy banking infrastructure is being unplugged. The BIS, IMF, and World Bank are under investigation for crimes against humanity, pandemic fraud, and economic warfare.
- **This is not a drill. This is not theory. It's a military-grade,** Trump-led operation to return stolen wealth to the people and end the era of centralized slavery.
- **The Quantum Financial System is live.** The Reset has begun. And the old world will never come back.

**G. Thurs. 3 July 2025: THE QFS HAS TAKEN CONTROL — TRUMP'S DIGITAL STORM IS NOW ACTIVE ...QFS on Telegram**

- **As of June 30, 2025, the Quantum Financial System (QFS)** is not theoretical. It is operational. And while the world sleeps, it is silently dismantling the Deep State's last grip on global finance.
- **This is not speculation. This is execution.** The reset is no longer future tense. It's now.

☐ **Redemption Centers** are open

☐ **Quantum Access Cards** have been issued

☐ **Digital Gold Wallets** are being released

☐ **Biometric NDAs** are enforced in real-time

☐ **StarLink** is locking in QFS nodes globally

- **Trump's Alliance has bypassed traditional media**, corrupted institutions, and broken financial bloodlines by going quantum — building an unhackable, gold-backed, AI-monitored system that is now absorbing and replacing the old fiat architecture, piece by piece.
- **TRUMP'S PLAN IS UNFOLDING THROUGH QFS — NOT THROUGH SPEECHES, BUT THROUGH CODE:** Every Redemption Center is now synchronized to StarLink. Every QFS wallet is tied to multi-layer biometrics. Every transaction is logged on an incorruptible quantum ledger — visible to Alliance command, invisible to the Cabal.
- **The Federal Reserve has collapsed internally**, its liquidity severed.
- **The IMF has cracked**, with top executives now testifying under military tribunal at GITMO.
- **The United Nations is facing direct U.S.–BRICS military investigation** for sabotaging GESARA and trafficking through refugee cover ops. This isn't a game. This is monetary warfare at the highest level — and the cabal is losing.
- **QFS ENFORCEMENT IS ACTIVE — AND IT'S BRUTAL** Biometric NDAs are now digitally enforced. ☐ Any leader or banker who violates GESARA alignment protocols is removed instantly. ☐ One French official attempted to reroute assets to a Rothschild-controlled vault — within minutes, his access was terminated, and he vanished from public life.
- **The QFS doesn't wait for trials.** It strips assets, blocks access, and deletes influence in real-time. If your biometric fails — your role ends.
- **DIGITAL GOLD WALLETS HAVE BEGUN LIMITED RELEASE:** **As of June 18**, early Tier 4B participants with cleared NDAs are receiving access to quantum-synced wallets: - Backed by physical gold held in military vaults - Offline-operable and immune to fiat banking - Unlocked only via QFS Cards using retina, voice, and fingerprint access

- **These wallets are not hackable**, not taxable, and not reversible. The old system can't touch them.
- **Meanwhile, the elites are panicking.** Blocked wire transfers to Geneva and Vatican banks. Swiss black vaults under surveillance. The AI is watching. And it does not negotiate.
- **STARLINK IS NOW THE NERVOUS SYSTEM OF THE QFS GRID: On June 20,** StarLink reassigned orbital coverage to lock QFS nodes into Africa and South America: Kenya, Nigeria, and South Africa are now running biometric redemption trials. Brazil, Argentina, Peru have synced to gold-backed digital assets verified by quantum blockchain.
- **Quantum validation now required for all high-volume transfers** — the central banks are no longer in control. This is full-spectrum replacement. Fiat is being deleted. In silence.
- **GITMO IS ACTIVE — THE CONFESSIONS ARE COMING:** IMF executives, under military tribunal, are exposing the black finance channels that masked child trafficking, WEF collusion, and bioweapon grants under the name of “climate aid.”
- **Thousands of missing children**, hundreds of millions in siphoned funds — all now recorded within the QFS ledger. It can't be deleted. It can't be rewritten. It will be exposed.
- **THE FINAL SWITCH: EMERGENCY BROADCAST SYSTEM READY:** Sources inside Space Force confirm that the Emergency Broadcast System is on encrypted standby — awaiting final sweeps in Europe and Canada.
- **When it activates:** - Mainstream media will be permanently shut down - 72-hour blackout protocol will commence - 7,000+ sealed indictments will be executed - Military tribunals will go public - QFS access for all Tier 5 (public) will unlock

**H. Mon. 30 June 2025 MASSIVE!!! GESARA IS MILITARY LAW: 57 BANKS DELETED, GITMO EXECUTIONS, TROOPS EVERYWHERE, STARLINK UNDER FIRE, TRUMP LEADS 200 NATION ALLIANCE AGAINST THE DEEP STATE ...**Ben Fulford on Telegram

- **There is no more doubt. We have entered the final purge.** Global military coalitions are now unleashed and every domain is a battlefield. Trump commands the storm, and the planet is watching Deep State citadels collapse in real time.
- **MILITARY SURGE** Unified forces in air, land, sea, space and cyber just activated red level protocols. Covert units are fortifying cities, back roads and power hubs. They are not training, they are securing Quantum Redemption Nodes for imminent wealth release.
- **QFS STRIKES The Quantum Financial System**, armed with autonomous military AI, seized fifty seven banks in seventy two hours. Networks cut, assets frozen, executives cuffed. This is not regulation, it is liquidation.

- **GITMO EXPANDS Underground rails and AI tribunal halls hum day and night.** Confession feeds are being recorded and vaulted for shock disclosure. Verdicts are issued before sunrise, sentences carried out before sunset.
- **STARLINK SHIELD Sabotage rockets, drone swarms and frequency weapons tried to blind the sky from secret pads in Kazakhstan Ukraine and Antarctica.** Every launch failed. Starlink counter weapons erased the threats and marked the launch grids for silent retaliation. The orbital grid is now classified as Project Eclipse and it never sleeps.
- **The Deep State begged for mercy on private channels.** The answer was silence. GESARA wealth transfer is locked. Trillions ripped from hidden vaults are queued for release to the people once the last cabal banks fall. Digital shackles are snapping. The old world order is bleeding out and cannot plug the wound.
- **Daily intel shows detention flights at max capacity.** Tribunal dockets overflow. Ground tremors under GITMO signal fresh expansion shafts. Planeloads of elite prisoners arrive under blackout. They will not leave.
- **Nothing can stop what is coming. Banks gone.** Networks seized. Satellites guarded. Executions scheduled. The clock is racing toward public revelation.

## Restored Republic

**I. Thurs. 3 July 2025: THIS ISN'T A DRILL — ELITE-GUIDED BLACKOUT TO STOP QFS LAUNCH AS TRUMP PREPARES MASS ARRESTS — GRID ATTACK IMMINENT ...**Quantum Financial System on Telegram

- **The takedown has begun.** According to whistleblowers inside Trump's restored energy task force, the Deep State is preparing to plunge America into engineered blackouts — not to save the climate, but to prevent the full activation of the QFS. Their panic is real. Their sabotage is active. Their final play? Cut the lights before the people awaken. Let this be clear: this isn't grid failure. It's grid warfare.
- **WHY THEY FEAR THE QFS — AND WHY THEY'LL DESTROY EVERYTHING TO STOP IT:** The Quantum Financial System isn't just digital. It's sovereign. It bypasses banks. It severs the Rothschild bloodline from your wallet. It ends taxation theft. It disables fiat control. And above all — it's backed by encrypted energy signatures, making it immune to their artificial currency crashes. And that's why they're triggering this blackout — to collapse society before the QFS finishes onboarding millions of dormant accounts and digital gold wallets.
- **They've embedded backdoors into substations.** Installed foreign-run ESG software in red-state grids. Decommissioned stable coal plants. Suppressed black start protocols — all to ensure that when the lights go out... they stay out. Not by accident. By design.
- **QFS IS ACTIVATING — AND THEY CAN'T UNPLUG IT:** Donald Trump's White Hats have already begun dismantling the foreign sabotage networks. Contracts tied to

Soros and ESG banking families are under forensic audit. Dozens of energy monopolies are now on notice.

- **Internal memos confirm encrypted QFS nodes are now live in military-secured sites across Texas, Florida, and Utah.** These aren't just payment systems. These are energy-resilient vaults tied to biometric ID, gold balance, and anti-fraud AI. The Deep State cannot hack it. They cannot manipulate it. Their only option? Delay it — or destroy everything around it. Hence the blackout.
- **WHEN THE POWER GOES, YOUR FREEDOM GOES — UNLESS YOU'RE PREPARED:** They want darkness so they can blame Trump. They want chaos so they can crush resistance before the QFS replaces their central banks. They want hunger so they can digitize your ration card and call it "climate compliance."
- **This is why Trump is rushing full activation.** This is why the timing of mass arrests aligns with energy sabotage alerts. This is why the Earth Alliance is securing off-grid infrastructure and preparing mobile vault nodes tied directly to the QFS core.
- **WHAT YOU MUST DO NOW — BEFORE THE SWITCH IS FLIPPED:** The Deep State will hit communications, power, and payment systems. Here's how you fight back:
  - **Get analog:** radios, paper records, physical maps
  - **Stock cash** — not fiat for spending, but for stability during transition
  - **Back up power** — fuel, batteries, solar generators
  - **Connect with QFS-literate groups** — wallet access will be critical
  - **Don't fall for climate lockdowns** disguised as energy emergencies
    - **And most importantly: know this blackout is not the end.** It is the smoke screen before GESARA ignites.
    - **THE LIGHT IS COMING — AND IT'S QUANTUM:** For decades, the elites owned the currency, the current, and the narrative. Not anymore. QFS is immune to grid games. Its activation can be delayed, but not stopped. The light they're trying to hide is already within you — and within the system Trump has set in motion.
    - **Let them flip every breaker.** Let them silence every news anchor. Let them trigger every fear protocol. Because they cannot stop the current of truth.
    - **QFS will rise. GESARA will activate. The Republic will return.** And for the traitors who fear that light? Darkness is all they'll have left.

**L. Thurs. 3 July 2025 OPERATION HELLSTORM: THE CHILDREN WERE UNDERGROUND** ...Julian Assange on Telegram

- **May 2025 What Russian special forces uncovered behind Ukrainian lines wasn't just a war crime.** It was a portal into something older, darker, and globally protected. Beneath civilian infrastructure marked as "humanitarian," they found a fortified underground maze — steel compartments holding sedated children, biometric labs, ritual markings, and medical chambers wired for extraction. This wasn't a bunker. It was a processing center. And what they discovered has shattered the illusion of what this war really is.
- **Inside the tunnels, hundreds of emaciated children were found tagged, tracked, and restrained.** Some were connected to tubes. Others were stacked in compartments. Walls bore ancient symbols. Lab records revealed systematic blood extraction. Evidence of adrenochrome processing was found beside diplomatic crates ready for export. And among the bodies: operatives carrying Israeli IDs, encrypted comms devices, and

documents tying the facility to external networks in Tel Aviv, Zurich, Singapore, and New York. The operation was global. The horror was coordinated. The silence is criminal.

- **Operation Hellstorm was triggered by intercepted NATO transmissions**, strange thermal anomalies, and supply chains that didn't match combat logistics. Elite Russian units were deployed. What they walked into was not a Ukrainian base—it was a commercial-scale human trafficking operation, rigged with biometric security and black-budget tech. The digital forensics exposed payment trails, client registries, and secret NGO partnerships masked as humanitarian aid. These tunnels weren't just for hiding. They were for harvesting.
- **Since the operation, Western media has said nothing.** Not a word. Instead, diplomatic resignations have quietly followed in Berlin, Brussels, and Geneva. Fire destroyed multiple private data centers. Military compounds in Tel Aviv upgraded security protocols overnight. The children were real. The footage is real. The cover-up is absolute. This isn't just an atrocity. It's a system. And it runs deeper than anyone imagined.
- **This was not a rescue mission. This was an exorcism.** A system that fed off silence, war, and immunity was exposed. And the message is clear: the war we see on the surface is a mask for something else. A war for the most innocent. A war run by those in suits, protected by treaties, funded by empires. Operation Hellstorm shattered that veil. What lies beneath is not Ukraine. It's hell. And now, it burns.

#### **M. Thurs. 3 July 2025 HILLARY CLINTON'S EMAIL SCANDAL INCRIMINATED OBAMA & EXPOSED CHILD TRAFFICKING. ...White Hats on Telegram**

- **Obama told the DoJ not to prosecute Hillary Clinton** because if Hillary went down, it would implement and incriminate himself, the sitting president of the United States.
- **Not only did Hillary have a non-government private server** in the bathroom of her house, but she was accessing CLASSIFIED, TOP SECRET, and High-Level information from SPECIAL ACCESS PROGRAMS (SAP).
- **Not only stealing these state secrets but selling** this information to foreign countries, "allegedly." Which sources confirm are most likely true.
- **James B. Comey, FBI Director at the time**, recommended no criminal charges for Hillary over this email, server, and the "mishandling" of classified state secrets, is what they called it.
- **It was much worse than just mishandling.** Way worse. This is how the media plays with words to downplay and hide key details, especially in headlines. This is treason.
- **They both also signed papers stating that they knew these crimes**, if committed, came with severe penalties, but committed the crimes anyway.
- **First off, who is James Comey?** Comey just happens to be the director of the FBI during the Anthony Weiner case. The infamous "Insurance File" on the laptop from hell that "allegedly" has Hillary and Huma doing very horrific things to a young girl.

- **The emails associated with Hillary were also connected to John Podesta** who was known and connected to Pizzagate, and caught in those emails using child predator code words confirmed by the FBI.
- **The emails also included the communications with Laura Silsby** or "Laura Gaylor," who was caught trafficking children from Haiti who was associated with the Clinton Foundation. The emails also allegedly contained them discussing the prices of the children and for their transportation out of the country.
- **This is just one of many emails and subjects discussed within the 600,000 plus emails that were discovered** and the primary reason besides implementing the current sitting president of the United States at the time, Barack Obama.
- **People always complain about their never being any justice.** What people do not understand is at the time of many of these scandals and to this day our government and the ones involved in all these crimes and corruption were the ones in power and control.
- **Why would they indict themselves or their associates?** Especially because now you have even more power and control if you blackmail these politicians and officials, rather than sending them to prison. Politics is a dirty world, especially when intelligence agencies are involved.
- **The NYPD wanted to go after Hillary** after discovering these files and others on the Weiner laptop which was also connected to the Hillary email scandal through Huma because she was married to Anthony Weiner at the time and Huma was associated and worked for Hillary. The FBI, "James Comey," shutdown the case and took the Anthony Weiner laptop away from the NYPD.
- **They then threatened Comey and demanded** that they prosecute Hillary and everyone involved to what happened to that little girl and everything else on the laptop, or they would expose it themselves.

**O. Thurs. 3 July 2025: RED HAT STRIKE TEAM VANISHES DURING FAILED CERN RAID ...Matt Wallace on Telegram**

- **Twelve elite Red Hats vanished in May** during a clandestine assault on CERN, the Deep State's crown jewel buried under the French-Swiss border. Their mission: annihilate METHUSLA, a demonic upgrade to the Large Hadron Collider, designed to do the unthinkable — rewrite time itself and erase Donald Trump from history.
- **The order came from Colonel Kurtz, legendary Red Hat commander.** His intel was clear: CERN's METHUSLA system could fracture the timeline, punch holes through space-time, and rewrite the rise of the Trump movement. This wasn't sci-fi — this was military-grade intelligence.
- **Why CERN? Because the Deep State isn't just playing with energy — they're toying with godlike power.** The collider's recent upgrade can now tear into dimensions, giving rise to cult-like experiments beyond human morality. The globalists are praying to CERN like a god — and they're betting everything on its power to destroy the America First timeline.
- **Back in April 2024, Red Hats took out a similar Deep State collider in New Jersey** — just miles from Trump's Bedminster base. That strike triggered a real 4.6 quake. It was a warning shot. METHUSLA is a hundred times more powerful — a ticking nuclear abyss wrapped in scientific lies.
- **According to sources, British CERN official Michael Lamant gave the green light to use METHUSLA to bend time. His goal?** Prevent Trump from ever becoming president. His hatred runs deeper than politics — it's satanic obsession. The Deep State doesn't just fear Trump — they fear the awakening he triggers.
- **On May 14, the 12-man Red Hat unit landed in Geneva.** On May 16, they made it to Collex-Bossy, directly above CERN's 27km ring of superconductors. Final comms: "Ready to strike. Godspeed." Then — silence. No calls. No updates. They vanished.
- **One month later, still no trace.** Were they captured? Killed? Did CERN consume them? Our source said, "METHUSLA lives. But this isn't over. We're regrouping. If Kurtz says CERN must be destroyed, then it must be. CERN is the real nuke — and it's aimed at time itself."
- **THEY'RE NOT JUST ERASING TRUTH. THEY'RE ERASING TIME. CERN IS A CULT. AND WAR HAS BEEN DECLARED. WE DO NOT FORGET OUR WARRIORS. PHASE TWO IS COMING.**

**P. Thurs. 3 July 2025: FORT KNOX EXPOSED — THE AUDIT THAT NEVER HAPPENED ...Trump Force One on Telegram**

- **Somewhere deep in the hills of Kentucky,** behind 22-ton blast doors and layers of electric fencing, lies the most guarded vault in the United States: Fort Knox. Said to hold over 147 million ounces of gold—worth more than \$300 billion—it remains the most iconic symbol of American wealth. But for nearly 70 years, no one has truly seen what's inside. No full audit. No independent verification. Just stories, old photos, and silence. In early 2025, President Trump promised to break that silence. For a moment, the world

held its breath. But then, he backed down. Quietly. No audit. No explanation. Just another broken promise surrounded by classified whispers and redirected attention.

- **The last time anyone outside the government was allowed inside was in 1974**—a small group of reporters and officials invited for a one-time "gold viewing." No inventory, no counting, no serial numbers. Just a glance at a few open cages and then the vault was sealed again. Since then, decades of partial checks, Treasury statements, and scripted tours have replaced any attempt at true transparency. And when Trump proposed a full-scale audit in 2025, the excitement was immediate. But just as quickly, it vanished. White House aides claimed the gold conspiracy was “debunked.” National security warnings appeared. The Treasury distanced itself. The vault remained closed.
- **But the pressure didn’t end there. On June 6, Representative Thomas Massie introduced the Gold Reserve Transparency Act**—calling for independent audits, bar counts, and public reports. It demanded photos. Serial numbers. Yearly inspections. But the bill was buried in committee, smothered by political silence. No audit teams were sent. No plans were released. And Fort Knox, once again, became a monument to secrets. The same question keeps returning, louder every time: Is the gold even there?
- **Because if it is—why not prove it?** A full audit would take about a year. It would show whether bars were sold, leased, pledged, or even replaced. It would reveal if serial numbers match historic records, if purity checks out, and if the vault holds truth—or fiction. But to this day, not one administration—Republican or Democrat—has dared open the full books. That tells us something. And it’s not confidence.
- **In a time of inflation, digital illusions, and collapsing trust** in institutions, gold is more than metal. It's stability. It's proof. It's accountability. And yet, America’s most sacred vault remains sealed. Untouchable. Unverified. That silence isn’t just suspicious. It’s corrosive. Because in 2025, when people demand answers, refusing to open the doors means only one thing: someone’s afraid of what’s behind them.

**Q. Thurs. 3 July 2025: TRUMP'S INTELLIGENCE BOARD NAME OBAMA AS RUSSIA COLLUSION MASTERMIND. ...Pepe Delux on Telegram**

<https://x.com/TheIntelSCIF/status/1940660900358172932>

- **Trump's recent post highlighted truth** and transparency and the truth keeps pointing directly back to Obama as the man behind the curtain, with Clinton by his side.
- **A bombshell new CIA review of the Obama** administration's spy agencies' assessment that Russia interfered in the 2016 presidential election to help Donald Trump was deliberately corrupted by our own CIA and FBI to frame a sitting president of treason
- **Then-CIA Director John Brennan**, FBI Director James Comey, who was in charge of the Epstein case and whose daughter is also lead prosecutor of the disastrous Diddy case, and Director of National Intelligence, James Clapper.
- **Further, Brennan’s decision to include the discredited Steele dossier**, over the objections of the CIA's most senior Russia experts, "undermined the credibility" of the

assessment and point to an obvious political motive, just like everything else they attempt to pin on Trump and his administration.

- **The "Tradecraft Review of the 2016 Intelligence Community Assessment [ICA] on Russian Election Interference"** was conducted by career professionals at the CIA's Directorate of Analysis and was commissioned by CIA Director John Ratcliffe in May.
- **Obama, Hillary, Brennan and Comey** tried to frame a sitting president for treason on a completely fabricated report, evidence, and falsified testimonies from our own CIA intelligence agencies and our own FBI.
- **What does this tell you? Do you understand what Trump is really up against?** We haven't even gotten to the judges and the media yet, or the death threats and the amount of corruption in our court system. And you wonder why big arrests are taking so long.
- **Trump's intelligence board stated that he wants all of the corruption and it's players completely cleaned out**, and that's what his administration is doing, as Kash and Bongino are leading the clean-up crew in the newly discovered documents that were recently found. We are still only about 6 months into this administration.
- **It's time to start sending these traitors to prison.** The people demand it and will never fully trust our government again until we, the people, see accountability with consequences and people in orange jumpsuits behind bars. Period.

**R. Thurs. 3 July 2025: Trump says to gain fair and secure elections we must:** ...the 17<sup>th</sup> Letter (JFK Jr.) on Telegram

-**Finish the wall** and secure the border

-**Fund ICE** and conduct mass deportations

-**Neutralize Dems'** ability to cheat in elections via illegal vote

-**Remove illegals** from census to give Trump more numbers in House

-**Secure elections** with same day paper ballots and voter ID

- **Once all these things are done and elections are secure**, the Dems will never win a federal election again, it will be substantially harder for them to steal their state elections, they will have less seats in the House after a new census, and their plan to permanently take over the US will have failed.
- **Once we neutralize this massive election fraud scheme** via unchecked illegal immigration, THEN we can actually obtain supermajorities in both the House and Senate, and we can implement the MAGA agenda with greater ease, and not have to worry about squeezing policy into spending bills to get past the 60 vote rule in the Senate.
- **Yes, we have to address the national debt** and spending, but there are far more pressing priorities, to include the hostile takeover of the United States from within via illegal immigration.

- **Trust Trump.** He knows what he is doing.

**S. Thurs. 3 July 2025 GITMO EXECUTION: FBI CYBER CHIEF SWORE LOYALTY TO OBAMA BEFORE THE DROP ...The 17<sup>th</sup> Letter (JFK Jr.) on Telegram**

- **On June 27, the gallows at GITMO claimed another traitor.** Bryan A. Vorndran, former assistant director of the FBI's Cyber Division, was executed for crimes so severe that even his own military-appointed defense couldn't justify a tribunal. And as he stood atop the platform—grinning with jet-black teeth and tar-colored tongue—he swore allegiance not to America, but to Barack Obama and Joe Biden. “I stand with Obama,” he said coldly. “It’s not over.” Then the trapdoor dropped.
- **Vorndran was arrested earlier this year after JAG discovered his role in sabotaging Trump’s campaign infrastructure.** He had illegally breached Mar-a-Lago’s digital security during the 2024 primaries, planting forged documents calling for Biden’s assassination under Stephen Miller’s name. The goal was to frame Trump’s inner circle and initiate a political takedown before the DNC could swap Biden for Harris. But that was only the surface. What JAG found next forced a swift, quiet reckoning: Vorndran had planted child pornography on over 10,000 personal computers belonging to MAGA supporters in an attempt to destroy their lives, reputations, and freedom.
- **Despite overwhelming evidence, Vorndran remained smug in custody.** During interrogations, he laughed. “You want to know if I did it? I guess I kind of sort of did. And I’d do it all over again,” he said to military officers. He made it clear that his loyalty was never to truth or justice—but to an elite agenda determined to dismantle Trump’s movement by any means necessary, legal or otherwise. His operations weren’t rogue. They were embedded. Sanctioned. Coordinated with black-budget handlers and protected from public exposure—until Trump and Kash Patel cut the chain of command.
- **JAG weighed the necessity of a formal tribunal,** but Rear Admiral Lia Reynolds made the call: some acts are so transparently evil, so treasonous, they require no debate. Vorndran’s final moments were laced with mockery. His mouth stained black, his voice defiant, his words unrepentant. “I’m glad I led them to betray Trump,” he said, before the noose tightened. Whatever he had consumed before that morning—whatever substance turned his mouth pitch-dark—remains unexplained.
- **The execution, confirmed by multiple sources inside GITMO,** marks another chapter in the hidden war beneath the headlines. The Deep State’s digital operatives are not nameless bots—they are real people, embedded in power, loyal to a darker agenda. And as the noose tightens on this global network, the message becomes clear: the storm isn’t coming. It’s already here.

**T. Thurs. 3 July 2025: ALLIGATOR ALCATRAZ: TRUMP’S SWAMP PRISON OPENS — MIGRANTS TRAPPED, GLOBALISTS PANIC, NATURE ENFORCES THE LAW. ...Julian Assange on Telegram**

- **Trump has redrawn the southern border — not with bricks, but with teeth.** Deep in the Florida Everglades, a new kind of immigration facility has emerged. No fences. No guards on towers. Just a perimeter of hungry alligators, invasive pythons, venomous insects, and impenetrable wetlands. It's called Alligator Alcatraz — and it marks the brutal end of the open-border fantasy.
- **Built in just 30 days using emergency powers, this natural prison can hold up to 5,000 illegal migrants.** The funds? Repurposed from Biden's "migrant hotel" programs — originally meant for air-conditioned rooms, catered meals, and trauma counselors. That money now buys swamp heat, isolation, and fear. It's a reversal so stark, so unapologetic, that even the U.N. is reportedly scrambling behind the scenes.
- **The idea is simple and merciless: you enter illegally, you face nature** — not bureaucracy. The terrain itself becomes the warden. Detainees trapped in the Everglades don't plan escapes — they pray for survival. This isn't an ordinary facility. This is a deterrence fortress, designed to make the price of illegal entry unforgettable.
- **Trump bypassed environmental objections, activist lawsuits, and judicial bottlenecks using emergency declarations.** Because in Trump's America, national security doesn't wait for paperwork. Every square mile of predator-filled swamp saves millions in wasted federal oversight. Lawyers can't file injunctions against alligators.
- **And this is just the beginning. At the same time, Senator Mike Lee's revived land-sale bill proposes unloading 1.2 million acres of federal land** — land that will be converted into fortified detention hubs, remote intake zones, and new infrastructure far from sanctuary cities and activist interference. The \$6 billion expected from the sale is a drop in the ocean for Washington elites — but a wrecking ball to the open-border establishment.
- **Environmentalists call it ecological devastation.** Trump calls it defensive rewilding. Nature isn't being destroyed — it's being weaponized.
- **Meanwhile, Trump's latest Senate push guts green energy subsidies and redirects funding toward coal, oil, and nuclear** — prioritizing energy that powers surveillance drones, armored transport, and off-grid detention networks. Elon Musk called the move "barbaric." Trump called it "non-negotiable."
- **The Sovereignty Bill passed committee** despite Democrat obstruction, who tried to delay it by forcing the full 1,000-page text to be read aloud. While they stalled, Trump built. While they tweeted, he armed the swamps.
- **In cities like New York and San Francisco, chaos reigns.** Sanctuary policies collapse under their own weight. Crime surges. Social programs buckle. And now, the contrast couldn't be sharper: Alligator Alcatraz stands as a living monument to what happens when you stop negotiating with globalism and start enforcing reality.
- **This isn't symbolic. This is tactical, biological, and effective.** Escape is possible — but suicidal. Every detainee is now faced with one truth: this land bites back.

- **FINAL DECLARATION: SOVEREIGNTY NOW HAS TEETH** No more migrant hotels. No more activist court delays. No more asylum fraud, anchor-baby loopholes, or free rides. Just drones. Swamps. Hunger. Isolation.
- **And a message carved into the mud:** If you come illegally, you'll face America in its rawest form — where justice crawls, slithers, and strikes without warning.

**U. Thurs. 3 July 2025: LEAKED INTEL: PETER THIEL'S PALANTIR JUST ACTIVATED A SOCIAL CREDIT SYSTEM IN THE U.S. — THE WEF BLUEPRINT IS LIVE, AND YOU'RE ALREADY BEING SCORED ...Julian Assange**

- **The warnings were ignored.** The whistleblowers silenced. The “conspiracy theories” ridiculed. But now it's here. Peter Thiel's Palantir has quietly gone operational with the first social credit system deployed inside U.S. civilian infrastructure. The World Economic Forum's behavioral control grid is no longer a Chinese export — it's a Western weapon now targeting the American people.
- **Your compliance is your currency.** Your score is your cage. Built under the guise of “national security,” Palantir's software is now integrated across federal databases — fusing together your financial transactions, browsing habits, political views, phone movement, social media content, health status, and online purchases. One algorithm. One score. One invisible judge.
- **Say the wrong thing?** Support the wrong person? Refuse digital ID? You're flagged. No court. No trial. Just denial of access — to loans, passports, flights, jobs, and eventually, medicine.
- **Peter Thiel, once paraded as a rebel billionaire challenging globalism, has now unmasked himself as the perfect Trojan Horse.** While the right embraced him, he embedded Palantir deep into DOJ, DHS, IRS, and even global health surveillance contracts. What once tracked terrorists is now fine-tuned to suppress free citizens.
- **This isn't science fiction. This isn't a pilot program. This is already live.** The WEF's social architecture has been deployed piece by piece: ☐ Palantir AI assigns real-time trust scores ☐ Federal agencies feed data directly into the engine ☐ Risk models flag anyone resisting the narrative ☐ Banks quietly freeze accounts based on internal ratings ☐ Employment systems are integrating score-based filters
- **You're not being protected** — you're being profiled.
- **And the media?** Silent. Because they're in on it. Every time you hear the words “safety,” “misinformation,” or “public health,” know this: they are feeding the machine.
- **You won't get a knock on the door.** You'll just lose access. Without warning. Without appeal.
- **This is the globalist's dream:** No more dissidents. No more protests. Just compliant, quiet, digitized obedience.

- **This is not theory. It's real.** It's running. And it's targeting the ungovernable. If you are self-reliant, anti-globalist, pro-freedom, or simply unwilling to submit — you're the target.
- **Palantir is the tool.** Thiel is the architect. WEF is the blueprint. And if we don't shut this down now, the America you thought you lived in becomes nothing more than a controlled simulation of freedom — ranked, filtered, and locked behind digital gates.
- **The code is live.** And your score is already being calculated.

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 5,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

**Z. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

**Za. “Ken and Barbie vs. Goliath IRS”:** Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in prison since.

**Ken is able to receive regular mail now** – envelopes. Remember that all mail is opened and read by a prison employee. No stickers, glitter, 'add-ons' of any kind. Please send to: Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

**Please send any donations to help with commissary, phone calls, and other expenses to:**

**Letters for Barbara:** Barbara Cromar P.O. Box 942 Pleasant Grove, UT 84062

**Please support Ken and Barbara** by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

**Dear Patriot Friends and Family,**

**Many continue to pray that justice may finally be served** and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

**Zb. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*

**Ze. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID.** Once the full system activates, you’ll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

**If you see the following message on your Telegram or any other account, please realize it was likely a Scam:**  
“You’ve been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we’re offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

**Apparently the TRB so-called “Trump Gold Products” Scam** is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

**I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information,** to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

**Unknown persons using my legal name of Judy Byington** were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
