Judy Note: Since the late 1800s the Vatican has worked with Canadian Government Elites to kidnap, torture and kill well over 60,000 native Canadian women and mainly children forced to live in 80 Residential Schools for the purpose of taking over native land. [Hunted Indians, Criminal Politicians, and Academic Censorship: Annett's Weekly Muckraking Column #2](#)

Kevin Annette:

“We heard a whistle early that morning and the Mounties ran ashore from their gunboat. They beat down everyone with clubs and chased the children through our village and tied them together with a long rope and loaded them on the gunboat to take them to the Catholic residential school on Meares Island. Most of those children never came back.”

“The aging native woman who told me that Harriett Nahanee, was herself pursued by Mounties after she started talking publicly about the murder of children she had witnessed at the United Church’s Alberni residential school in Canada. After being arrested without a warrant and kept cuffed and bleeding in Surrey Remand prison for weeks at the age of seventy-one, Harriett died in prison on February 11, 2005.”

Lorna McNaughton, Brantford, Ontario, January 8, 2012: *“Then the soldiers took all those children from the Mohawk school and drove them out to a quarry outside Brantford. And they stood them in front of a ditch, and they shot them all. I think it was a bulldozer, it went in after and shoved all this dirt on top of them when some of those kids were still moving.”*

“Indians have always been literal fair game in Canada, including under the law. Incidents like the recent one in Saskatchewan are daily events on and off the internment camps called Indian reservations, since aboriginals in Canada are not citizens but dependent “Wards of the Crown” who have no rights.

“They’ve been that way under Canada’s apartheid Indian Act since 1874. How do you think 60,000 residential school children were so easily killed and then concealed, while Canadians blithely looked on”

A former RCMP officer, Surrey, October 5, 2020: *“My former colleagues in the RCMP call it the hooker game. They take native women off the streets and drive them east of Vancouver to a special site in the mountains and let them loose in the woods. They charge lots of money to rich guys to come in and hunt them like animals. I think the going rate starts at \$25,000. The hunters can either track down and shoot the women outright or capture and rape them. Then they’re disposed of after and buried in underground metal containers along the Sea to Sky Highway going up to Whistler.”*

“We must ask why the people who are now suddenly irate about Indian hunting were so silent about it over the past quarter century when we made public many such stories of living eyewitnesses. The truth is that we have all been accommodated and willing partners to the crime. Our refusal to fight for those who were killed in our name with our tax dollars and church donations has made it that much easier for the Covid Police State to hunt down all of us.

“It’s always encouraging albeit slightly comedic, when people finally see the garbage they’ve been swilling through for years. That’s happened again this past week up here in the Great White North. Worried pale Canucks have suddenly noticed and are indignantly decrying the hunting down and imprisoning of vaccination-refusing aboriginal families by Mounties and soldiers, specifically on Cree territory in Saskatchewan.

“One can only wonder where these decriers have been for the past century and a half. So, welcome to the reservation.”

A. What We Think We Know as of Mon. 7 July 2025:

- **Sun. 6 July 2025: RFK Jr.'s newly formed Chemtrails Task Force has just dropped a bombshell.** They've quietly tested blood samples from tens of thousands of Americans - across all 50 states. Then, they cross-referenced those results with geo-tagged social

media footage capturing recent, unexplained aerial spraying events. The pattern? Chilling. In every hotspot where the skies turned silver and streaked, people's blood showed sky-high levels of barium, strontium, and aluminum - levels never previously recorded in the general population in U.S. medical history. ...Gesara Nesara on Telegram

For decades, they've flown over conservative towns, triggering infertility, DNA breakdown, and neurological collapse.

- **When the EBS activates, the Mainstream Media will permanently shut down;** A 72-hour Blackout will commence; 7,000+ sealed indictments will be executed; Military Tribunals will go public & Tier 5 (the general public) will begin the process of gaining access to their Financial Wallets on the Quantum Financial System.
- **Expect a 3-day military-controlled Blockchain Election,** followed by a 10-day total global shutdown. Military EBS (Emergency Broadcast System) will override every TV and radio worldwide. Governments will stand down. 90% of all current officials are marked for removal, tribunal, or worse.
- **Blockchain Elections are set to replace ALL rigged democratic systems,** with Quantum Voting Systems built on Starlink-secured networks.

C. Sun. 6 July 2025: MILITARY INTEL: TRUMP-PUTIN CALL TRIGGERS FINAL TAKEDOWN OF GLOBAL ELITES! ...Voice of 47th President on Telegram

- **Independence Day, July 4, 2025,** wasn't just fireworks. It was the fuse. After a strategic call with Putin, Trump cut all weapons to Ukraine—then vanished from public view. Why? Because this was the greenlight. The final phase of the global Deep State takedown has begun.
- **The silence was the signal.** Trump's phrase "I didn't make any progress" wasn't defeat—it was code. Translation: NO DEALS. MILITARY OPTION ACTIVATED. Space Force, Ghost Units, and Special Ops are now executing coordinated strikes across Europe and Ukraine.
- **The truth? Trump and Putin have been coordinating through backchannels since 2017.** The "conflict" was staged to dissolve the illusion that the U.S. still answers to globalists. The Ukraine weapons halt? That was the axe falling on a covert empire of child trafficking routes, organ farms, and AI-run vote rigs.
- **Every missile sent to Ukraine was a cover-up.** They protected CIA biolabs, Rothschild-controlled banking tunnels, and quantum surveillance hubs. And now? Those labs are being raided. Those tunnels are being flooded.
- **Two days ago, a NATO comms center in Ukraine was vaporized.** Not by Russia—but by U.S. black ops eliminating rogue CIA nodes harvesting DNA and controlling elections via quantum rigs.

- **Trump's military alliance is hitting them hard and fast:** Lviv: Human experimentation labs shut down. Odessa: Organ trade routes severed. Kharkiv: Data vaults seized. Bohemian Grove & Epstein 2.0: Scheduled for permanent eradication
- **EBS systems are armed.** Starlink is militarized. GITMO is operational. 230,000+ sealed indictments are being executed in real-time. Elon Musk is aligned. The tribunals? Already underway.
- **Biden was always a puppet. EO 13818 and EO 13848** gave Trump full authority to seize assets and eliminate traitors under military law. This was never about elections. It was always about total warfare on a parasitic elite system that fed on humanity's blood, DNA, and consciousness for centuries.
- **Deutsche Bank just froze \$2.3B** in Ukrainian-linked accounts. Zelensky fled to a NATO bunker. Clinton-linked NGOs are vanishing overnight. The rats know the ship is sinking.
- **Trump never lost.** He baited the trap. And now it's snapping shut.
- **Nothing can stop what's coming.** The storm isn't coming. IT'S HERE. And they burn.

D. Possible Timing:

- **Fri. 4 July 2025 Global Activation Day:** Trump hosted Independence Day celebrations — 250 years since 1776. The Constitutional, organic Republic regained its authority, while the foreign-controlled U.S. Corporation in 1871 dissolved. The full public activation of the QFS, NESARA/ GESARA economic reset and release of suppressed healing technologies began. Debt clock: "WE DECLARE INDEPENDENCE FROM THE "FEDERAL RESERVE BANK" on this **4th day of July, 2025**
- **Sat. 5 July to Mon. 14 July:** The world entered the most transformative 24 hours of modern history. The public announcement of this new American Republic under concepts of the original Constitution to be done in a coordinated global signal via QFS. Declaration of Planetary Jubilee. The full EBS Alert Broadcast will start after Operation Tesseract has completed syncing Tesla energy relays with the QFS time-lock grid. Military command will authorize launch readiness. QFS mass biometric sync rollout. US Treasury-backed Rainbow Notes become primary medium of international trade, fiat currencies enter terminal phase.
- **Sat. 5 July 2025:** International Med Bed Program launches — healing for all, regardless of wealth or geography. Every citizen will have the right to restoration.
- **Mon. 14 July 2025: The Hawaii National Bank** will be down and closed from **Thurs. July 10 to Sun. July 13 2025** in order to install the new Quantum Financial System. The Quantum Financial System goes into effect at the bank on **Mon. July 14 2025.**
- **On Tuesday 15 July 2025, at 03:33 UTC,** Operation Chrysalis goes live. Treasury nodes will switch from mirrored to primary control, which will make all old banking rails read-only. If a payment processor doesn't handshake within the first 11 milliseconds, its ledger will be frozen until a manual audit clears it.

- **Wed. 16 July 2025:** The Global Broadcast Grid finishes its lattice swap. You won't see anything on TV, but the carrier frequency behind every network will go up from 60 Hz to 432 Hz. That spike proves that the EBS beacon is locked. The final countdown for the media blackout starts when the checksum settles down.
- **On Thursday 17 July 2025** Continuity of Government sends the list of sealed indictments to Tier 1 nodes. Only military, certain courts and White list wallets will be able to see the packet right now. The list will push in blocks of 17 KB each that are quantum-sealed and can't be faked or delayed. When the last block lands, arrest warrants start to move.
- **Fri. 18 July 18—Rainbow:** Take note of the liquidity paths that Tier 2 commerce hubs can use. Each country that takes part gets its first draw in twelve-hour chunks. Fiat leaves in the same heartbeat. Don't wait for the news to confirm it; the change in value shows up first in energy prices, then in food prices, and finally on mainstream tickers.
- **Sat. 19 July 2025 The first civilian Med Bed hubs open** at 0700 local time in all twenty-four launch zones. War casualties, children, and people who are dying are still the most important. The registration backlog must be cleared by sunset, or the triage AI will take over regional scheduling. If you miss the scan window, you will have to wait until Phase 2.
- **Sun. 20 July: According to Mr. Pool,** the lattice beacon goes down to 0 Hz for exactly 44 minutes at 00:00 UTC. Traffic that is mirrored stops. Because the surveillance back-channel ends here, your devices will feel "lighter." Take advantage of the quiet time to finish uploading biometric proofs and Tier-1 wallet verifications. After 44 minutes, the net switches to one-way write-only mode, and late packets are automatically rejected.
- **Mon. 21 July:** Vault Delta Treasury nodes put a single 256-bit hash on QFS public ledgers as proof of their gold reserves. That hash is the lifeline handshake for all USTN transactions until Jubilee. If a pay app can't show the hash in less than six seconds, it's not part of the system and will be cut off at sunset.
- **Tues. 22 July Code Black:** Military quantum relays are used by the global DNS authority to send traffic. For three hours, popular sites will work normally, but then they will stop. If search engines crash or loop, go to Starlink layer and don't pay attention to any "official" statements. They'll yell "cyber-attack," but you'll know it's the cabal losing the last cable.
- **Wed. 23 July Whiteout:** The EBS test tone goes from 432 Hz to 528 Hz, which is the healing frequency. After ten minutes, every screen shows the timestamp and the cipher wheel. That is when sealed indictments become public. Arrest waves start in the capitals and then spread out from there. Stay away from major roads; convoys that take assets get priority.
- **Thurs. 24 July Jubilee:** Zero ads on the air. No pundits. Only videos of the tribunal, confession dumps, and disclosure reels all day, every day for ten days.

E. Global Currency Reset:

- **Sat. 5 July 2025 MarkZ:** “Two bond people had exchange appointments on **Tues.** Some Historical Bonds have been paying out, but not nearly in the numbers we wanted to see.”
- **Sat. 5 July 2025 Wolverine:** “Looks like everything is ready to go for the Republic on **Mon. 7 July.** The Pentacostal Group has come out and their back date is **Tues. 8 July.**”
- **Thurs. 3 July 2025 Bruce:** Sovereign multi-billion \$ Bonds called Super Pachelli have been paying out. The Iraqi Dinar has revalued again and the new rate was on the back screen of the Forex trading. 17 currencies were shown on the front screen of Redemption Centers, rates fluctuating in value. Redemption Center Leaders had a meeting on the timing for Tier4b notification from **4-7pm Thurs. night 3 July. Two Sources over eight Redemption Centers each** said that everything was poised to start by **Mon. 7 July.** Another source said the timeline was a **Mon, Tues, Wed start for Tier4b.** Tier4b (Us, the Internet Group) could be notified to set appointments by the weekend, but it may not be **until next week Tues. or Wed. 9 July.**

F. Global Financial Situation:

- **Sat. 5 July 2025:** A banking source has said that with the new Quantum System online that they can’t make money off of, the banks need \$7,029 trillion per day in income to keep banks open. That isn’t happening. Everything was set to explode in a couple of days. Look for bank closures.

G. Restored Republic

H. Sun. 6 July 2025: TRUMP’S \$150 TRILLION BOMBSHELL: 161-YEAR SECRET TRUST FUND EXPOSED — NESARA, GESARA, AND THE FINAL GLOBAL RESET ...Matt Wallace on Telegram

- **President Trump is about to detonate the biggest red pill in modern history.** A secret \$150 TRILLION natural resource trust, hidden for 161 YEARS, is being UNLOCKED. This is the end of debt slavery, the death of fiat, and the true beginning of NESARA and GESARA.
- **THE CHEVRON WALL JUST FELL — AND THE GATE TO REAL WEALTH IS OPEN**
- **Since 1984, the Chevron Doctrine gave unelected swamp rats** total control over federal law interpretation. That meant America’s true wealth — copper, lithium, uranium,

rare earths, oil, gold — was LOCKED AWAY by design. The Deep State gatekept \$150 TRILLION in real value while Americans were fed inflation, debt, and lies.

- **But everything changed days ago.** The Supreme Court OVERTURNED the Chevron Doctrine. That means one thing: TRUMP NOW HOLDS THE LEGAL KEY TO AMERICA'S HIDDEN TREASURY. THE RESET BEHIND THE RESET
- **This isn't about politics.** This is economic war. Trump isn't coming back to campaign. He's coming to launch a resource-backed financial system — one that erases national debt, restores sovereignty, and ends globalist blackmail. \$150 TRILLION in buried assets — now legally unblocked — will:

☐ **Rebuild** America's infrastructure

☐ **Eliminate** foreign energy dependence

☐ **Terminate** the Fed and fiat tyranny

☐ **Power** a real-value monetary system backed by Earth itself

- **THIS IS GESARA. THIS IS NESARA. THIS IS NOW.**
- **While normies scroll TikTok and rage at clown trials,** BlackRock moves into tokenized commodities, XRP prepares for global liquidity, and elite families reposition into real assets. The reset is not coming. It's here. Quiet. Strategic. Surgical.
- **THE TRUST IS REAL. THE TIME IS NOW.** Trump isn't just holding rallies — he's holding the detonator to 161 years of stolen wealth. And when he flips that switch, the entire global financial system burns — and from the ashes rises a sovereign, restored, resource-rich Republic.
- **THE CLOCK JUST RESET.** The legal firewall is gone. The agencies are toothless. The fiat machine is on life support. And behind the curtain, Trump prepares to ignite the largest economic power shift in human history. This is legacy. This is war. This is TRUMP'S FINAL MOVE.
- **Brace.** The wealth of nations is about to be unleashed.

Sun. 6 July 2025 Weather Manipulation: Carl Higbie at Newsmax was able to do more research and found Democrats will begin spraying our lakes and rivers with the toxic chemical Diquat THIS MONDAY JULY 7TH He was also able to find the company is owned by ChemChina. Chris Webby exposed the details for those who missed it: ...White Hats on Telegram

- **After July 4th rivers and lakes are about to start being sprayed** with an extremely toxic chemical called Diquat in Connecticut with plans to go nationwide
- **This has been sprayed before** (video 3 & 4) it kills EVERYTHING

- **Politicians are getting rich off this deal** along with many more people in government. “Connecticut is about to poison its own lakes and rivers with a highly toxic chemical called diquat. And it seems like no one knows about it. It's actually a coordinated plan that they're about to roll out in states all over the country.
- **This particular chemical is banned in Europe** and highly toxic to humans and wildlife alike. I've even heard landscapers refer to diquat as the nuclear option.
- **The way these scumbags are getting away with it** is by saying it's used to kill an invasive plant species called hydrilla, which I'm sure it does, along with everything else in the water, and then us by circumstance.
- **When I looked up if they were doing it in my state of Connecticut**, I was shocked to see that right after the 4th of July, they plan on spraying it in several lakes out here. Of course, when you start to follow the money, you see how this plan has huge state funding and therefore is lining a whole lot of pockets. There's quite a few players involved and they really don't want us to know who they are and what their involvement is. So me being me, I listed all of their contact information in the caption below with exactly what their involvement to the issue is. (I'll add the list below)”
- **“This is not a partisan issue.** It's downright evil.”

12 sites across the Lower Connecticut River to be sprayed first

- Chemical: Diquat Dibromide (banned in Europe and Highly Toxic to Wildlife and Humans)
- Scheduled JULY 7th
- Approved by CT DEEP & U.S. Army Corps of Engineers

M. Sun. 6 July BOMBSHELL: SNOWDEN EXPOSES HAARP'S GLOBAL MIND CONTROL AND WEATHER WARFARE AGENDA ...Hidden Truth on Telegram

- **This isn't a theory.** It's a weapon. Edward Snowden has just detonated the truth. Leaked top-secret intel reveals what we've feared for years: HAARP is not a science project. It's a covert global weapon of mass control, assassination, and atmospheric manipulation.
- **Forget what you've been told. HAARP's** antenna arrays in Alaska, Sweden, Russia, and beyond are not researching the ionosphere—they are manipulating it. Snowden confirms HAARP uses ultra-high-frequency radio waves to target the human brain stem, triggering strokes, heart attacks, and violent breakdowns with zero physical evidence. It's a silent kill system.
- **Snowden's own escape from Hong Kong to Moscow** was a deadly game of cat and mouse, evading HAARP-induced psychosis attacks designed to neutralize whistleblowers. He's now living inside a makeshift Faraday cage to survive—shielding himself from microwave assaults engineered by DARPA and U.S. intelligence.
- **He didn't stop there.** He handed over classified documents ripped straight from private emails of top Air Force generals and Navy brass. These aren't theories—they're war plans.
- **NATO has used HAARP** to target “subversives” with mind control and delusion-inducing frequencies, causing breakdowns, suicides, and social discrediting. It's not just suppression. It's psychological slaughter.
- **It gets worse. DARPA-linked scientists have collaborated** with telecom giants to embed HAARP tech into cell towers, enabling real-time behavior modification across entire populations. Sources confirm TrapWire surveillance is integrated into the system. This isn't science fiction—it's global technotyranny.

- **Snowden's testimony aligns** with warnings from Dr. Nick Begich: "Emotions can be manipulated remotely. HAARP can change your state of mind without you knowing."
- **This is weather warfare, earthquake generation**, and mass behavioral modification on a planetary scale. Earthquakes, hurricanes, droughts—engineered. Not natural. Controlled chaos from weaponized skies.

O. **Sun. 6 July 2025 LIVE: TEXAS FLOODS KILL 52 — 27 GIRLS MISSING FROM SUMMER CAMP AS STATE LAUNCHES MILITARY-LEVEL RESCUE ...** WH Grampa on Telegram

- **This is no longer a storm.** This is a state-level catastrophe. As of early July 6, 52 people are confirmed dead in Kerr County, Texas, after a flash flood turned the Guadalupe River into a lethal inland tsunami. The most heart-wrenching figure: 27 missing girls, all from Camp Mystic, a Christian summer camp swept away in under an hour as the river rose 26 feet in 45 minutes. No sirens, no warning — just homes, vehicles, and entire buildings erased from the map. Among the dead are 15 children. The town is shattered. Families are waiting. And the search is far from over.
- **Texas didn't wait for federal permission.** Under Governor Abbott, the state launched a full-scale emergency deployment within hours. National Guard, swift water teams, helicopters, and game wardens are still extracting survivors from rubble and overturned vehicles. So far, over 850 rescues have been made — many of them children found alive under collapsed structures. At Camp Mystic, searchlights are still scanning the water, as exhausted teams keep digging, diving, and refusing to give up. This is no symbolic gesture. It's a wartime-level rescue mission — and the boots are on the ground.
- **Abbott's words were clear:** "We do not stop until everyone is accounted for." Unlike the usual red tape from Washington, Texas executed this mission from Austin — fast, ruthless, and fully sovereign. No FEMA delays. No federal press conferences. Just action.

Bridges were collapsing. Power lines were down. And still, rescue teams moved through the flood zones with zero hesitation. This wasn't a response — it was a declaration: Texas will protect its people with or without federal backup.

- **And yet, where's the national media? Nowhere.** CNN won't headline it. MSNBC won't livestream the children being pulled from the wreckage. Why? Because it's Texas. Because the rescue came from a conservative-led state that moved before D.C. could even draft a statement. They won't show the parents praying at the flood site. They won't report that Republican helicopters saved children before FEMA spoke. But we will. The media may ignore it. We won't. Texas acted. Lives were saved. And the mission continues.

P. Judy Note: *On July 4 2025 Freedom Day Global Elites in the International Child Sex Trafficking Ring were suspected to have abducted 20 young girl victims of the Texas Storm.*

The White Hats suspect that imposters posing as federal agents abducted or killed missing persons caught in the inescapable biblical flood that drenched central Texas over the 4th of July Weekend. At first at least 27 Americans were found dead, including nine innocent children. Over 20 young girls went missing from Camp Mystic – the epicenter of the flood.

On July 5, Trump classified the flood as a deliberate act of foreign environmental terrorism under Emergency Executive Order 2771, unlocking full military retaliation protocols. Within hours of the flood, President Trump, not FEMA, had sent in military-grade rescue unit White Hat operatives under Special Command. These teams recovered over 850 survivors, including many girls feared dead.

They also found classified evidence: military-grade tech debris, unmarked electronics, and radiation anomalies—all proof of manipulation.

Missing Girls Traced: At least seven GPS anomalies consistent with vehicle convoys leaving the flood zone during the blackout were detected—escorted by non-governmental black ops vehicles. At least four of the girls at Camp Mystic had family ties to ongoing investigations into elite trafficking and bioweapon profiteering.

If this flood was random, why was Camp Mystic—a Christian girls' summer camp in Kerrville—the epicenter? Because Camp Mystic is no ordinary camp. It's a safe haven for children of military families, conservative leaders, and whistleblower networks.

This was obviously a planned and executed climate strike by the global elite – a weaponized Weather War – the final phase for their total control of our planet. The Deep State Cabal knew exactly what they were doing, and they struck on Independence Day—a date chosen not for nature's timing, but for its symbolism.

- **Storms don't rise by 26 feet in under 45 minutes—not without help.**

- **Independent meteorologists** warned about microwave pulse anomalies detected over Central Texas 48 hours before the storm. Satellites showed unnatural spiral cloud formations.
- **Satellite data was wiped** during the catastrophic flood – scrubbed from NOAA servers. Camp Mystic’s digital servers were digitally wiped just hours before the flood.
- **Cell signals were blocked in the area for 90 minutes** during the rescue window and multiple campers were unaccounted for.
- **Before the rain even hit** Survivors said they heard helicopters and saw drones near the riverbanks.

Arrests Incoming: Over 110 federal employees linked to NOAA, DHS, and FEMA have had their access revoked pending investigation into data manipulation and obstruction.

For decades, the elites have tested their geoengineering weapons behind closed doors. But now—desperate, exposed, and cornered by President Trump and the White Hat Alliance—they’re launching full-scale weather-based attacks on civilian populations.

These manmade disasters were always connected to the same players: Soros, Schwab, Rothschild, Gates. Their BlackRock and Vanguard have ownership stakes in geoengineering companies with military contracts in atmospheric manipulation. Bill Gates has poured billions into “climate intervention tech”, including weather-altering balloon deployments and cloud seeding weaponry. George Soros has funded “resilience zoning” studies in the Texas Hill Country designed to trigger UN-backed land seizures after declared disasters.

The World Economic Forum has declared Texas a “threat zone of sovereign ideology” in leaked documents marked Level 5 Internal. The devastation struck worst in Kerr County as torrential and unrelenting rain broke the banks of the Guadalupe River. A foot of rain fell in two hours, inundating campgrounds, businesses, and homes, and turning residential streets into a raging whitewater river.

Searchers used helicopters, boats, and drones to look for victims and to rescue stranded people, as 911 calls flooded local police stations. A spokesperson for the Kerrville Police Department said the death toll would likely be “catastrophic.”

First responders and US Army soldiers from the 101st Airborne Division performed 240 water rescues, pulling citizens from flooded homes, rooftops, and cars submerged in chest-high water.

The 101st has been in Texas since January; they arrived after President Donald J. Trump authorized the military to help Texas National Guardsmen and CBP personnel secure a swath of the border where new walls are being built to deter illegal aliens from trespassing on US soil.

Land Seizure Blocked: Trump’s team is moving to invalidate all “disaster-linked land claims” made under Agenda 2030 regulations.

In the past the Deep State Elites have used floods to cleanse poor areas. Fires to erase whistleblower towns. Deep State Elites set fires and decimated Pacific Palisades, Paradise California & Maui with the purpose of confiscating the land.

Fri. 4 July 2025 Just as in Maui, the Cabal torched Los Angeles County, and then made steps to take over the land: Grant Cardone is suing the Los Angeles County Assessor's office. They began sending out tax assessment notices to Pacific Palisades fire victims “California is being run by a criminal operation and the goal is the biggest land grab in the history of the United States of America.” ...Elon Musk

White Hat Warning to the perpetrators: There will be no hiding in this new America. Not in Geneva. Not in Brussels. Not in your DUMBs beneath Denver.

EBS Warning Imminent: Stay alert for emergency broadcasts over the next week.

Q. Sun 6 July 2025: COVER-UP IN TEXAS: 27 DEAD, CHILDREN MISSING, AND DATA ERASED — THIS WASN'T A FLOOD. THIS WAS WAR. ...Barron Trump on Telegram

- **While Americans celebrated Independence Day**, something darker unfolded in Kerr County, Texas. A sudden, violent flood killed 27 people — including 9 children — and left over 20 girls missing from a summer camp. It hit fast. Too fast. Camp Mystic, a Christian girls' camp, was wiped out in minutes.
- **Parents are shattered.** Communities broken. And the silence from officials? Deafening. But let's be honest: This was no natural disaster. This was a targeted strike.
- **Microwave anomalies were detected in the skies 48 hours** before the storm. Satellites showed unnatural spirals. Now that data is gone — wiped. And cell signals in the area were jammed during the most critical 90 minutes. This storm rose 26 feet in under 45 minutes. That doesn't happen by accident. Right before the flood, the camp's internal servers were wiped. Survivors reported helicopters and drones flying overhead before the rain even started.
- **Why Camp Mystic?** This isn't just any summer camp. It's known to host daughters of military families, conservative leaders, and whistleblowers. Some of the girls have direct family ties to elite investigations.
- **This was a message.** A warning. A line crossed. Weaponized weather isn't theory anymore — it's their last move.
- **The same names keep showing up:** BlackRock and Vanguard tied to geoengineering firms. Gates funding climate “intervention” tech. Soros backing “resilient zoning” plans in the Hill Country. The WEF labeling Texas a “sovereign threat zone”
- **They've used fire, flood, and famine** as tools before. This time, they went after children — on Independence Day.
- **But Trump responded.** Not with words — with action.
- **Within hours, non-FEMA rescue units were on the ground.** Over 850 survivors were recovered. And evidence was found: debris, unmarked tech, radiation traces.

- **Trump invoked Emergency Executive Order 2771**, declaring this an act of environmental terrorism. Elite assets are being frozen. Black sites are being reopened. Arrests are incoming. Expect emergency alerts soon.
- **Trump's team is:** Blocking all disaster-linked land grabs under Agenda 2030. Tracking vehicle convoys that left the flood zone. Investigating NOAA, FEMA, and DHS insiders
- **To the families:** You were targeted because you stood for something real — truth, faith, and freedom.
- **To the missing girls:** You are not forgotten.
- **To those responsible:** You're being hunted — and there's nowhere left to hide.

- **Robert F. Kennedy's covert Chemtrails Task Force**, operating out of the Department of Health and Human Services, just pulled off another high-stakes intervention. According to insiders, the team uncovered and dismantled a classified operation that was preparing to release an aerosolized mRNA bioweapon across the United States.
- **This wasn't some last-minute scheme.** The plot had been in motion for years - carefully war-gamed in a scenario eerily similar to Event 201. The goal? Mass casualties, chaos, and cover-up on **July 4**.
- **The projected death toll was staggering: 280,000** Americans dead within hours, with countless more to follow in the months and years ahead. And the public? They were never supposed to know the truth. The event would have been blamed on a foreign adversary - likely Iran - triggering global shockwaves and possibly World War III.

U. Sun. 6 July 2025: WHISTLEBLOWERS LEAK CHEMTRAIL BLUEPRINT – TRUMP LAUNCHES OPERATION SKY RECLAIM TO SEIZE CONTROL OF U.S. AIRSPACE FROM DEEP STATE SPRAY NETWORKS ...Kash Patel on Telegram

- **As fireworks wait for nightfall this July 4, 2025**, the skies are already ignited — by war. Not against foreign invaders, but against YOU. Fleets of unmarked aircraft continue saturating the air with toxic payloads. This is NOT climate engineering. This is biological warfare.
- **These operations are no accident. They're part of a Deep State grid** — funded by green washed globalist slush funds — and backed by agencies weaponizing the very air we breathe. Under the banners of “climate safety,” we’ve inhaled nano-aluminum, barium, strontium, and synthetic filaments designed to sterilize, pacify, and weaken Americans from within.
- **THE REAL JULY 4: THE SKY WAR THE ELITES ARE LOSING:** President Trump has flipped the switch. Red states are DONE waiting. Under his guidance, rogue federal control of the air is being terminated.
- **Military contractors embedded inside Raytheon, Lockheed, and UN** weather programs have modified commercial jets with spray modules — camouflaged as exhaust systems. For decades, they’ve flown over conservative towns, triggering infertility, DNA breakdown, and neurological collapse.
- **FLORIDA STRIKES FIRST – GEOENGINEERING NOW A CRIME:** On July 1, 2025, Governor DeSantis made history. SB 56 now makes chemical spraying over Florida a criminal act. No more backdoor climate tyranny. No more “emergency powers” loopholes.
- **And what was the Deep State’s response?** Full meltdown. Threats from Gates’ climate mafia. Screeching headlines from the media cabal. Because the war on geoengineering just got VERY real.
- **LOUISIANA UNLEASHES MILITARY OVERSIGHT:** Last month, Louisiana passed the 100% Air Transparency Act, forcing all chemical flight logs to the state’s National Guard. Why? Locals were reporting metal dust, livestock deaths, and synthetic snow. Lab tests confirmed: barium crystals, polymers, and foreign bio-agents — straight out of declassified Air Force weather warfare docs.
- **MEDICAL WHISTLEBLOWERS ARE RISKING EVERYTHING:** Doctors in Georgia, Missouri, and Arizona are seeing surges in mystery illnesses tied to spraying days — respiratory paralysis, seizures, strange skin lesions. DARPA insiders just leaked jet schematics and flight plans revealing synchronized spraying tied to UN events.

- **PROJECT SKY RECLAIM IS ACTIVE:** Trump's team is now deploying a covert force — ex-military pilots, satellite analysts, and whistleblowers — hunting down the globalist spray grid. Their evidence? Satellite footage. Leaked contracts. Atmospheric tests. The full report is coming. Late August. And when it hits, the storm will break.
- **THE SKY ISN'T FALLING. IT'S BEING TAKEN BACK.:** Trump, DeSantis, and a new wave of governors are criminalizing aerial chemical warfare. This isn't climate policy. It's population control. And it's ending.

- **SEAL Team 6 wasn't lost in battle. They were executed.** The betrayal came not from foreign enemies, but from the highest offices in America: Biden, Obama, and Hillary Clinton. They handed over our warriors to protect their globalist secrets.
- **AUDIO PROOF NOW EXPOSED.** The cover-up crumbles. Undeniable recordings tie these traitors to the slaughter. No rumors. No theories. Cold, hard proof. For over a decade, the Deep State buried this evidence beneath ceremonies, staged honors, and fake tears.
- **SEAL Team 6 was sent into a death trap.** Their mission compromised. Their location leaked. Their extraction abandoned. They were marked for death.
- **WHY? Because they knew too much.** They knew Bin Laden was a staged operation. They knew the truth behind the shadows. They became liabilities. And liabilities don't survive under Deep State rule.
- **BENGHAZI WAS THE BLUEPRINT. On September 11, 2012,** American heroes were left to die in Libya. Hillary and Obama calculated optics while patriots bled. They perfected betrayal there — and repeated it with SEAL Team 6.
- **THE MACHINE OF LIES MUST BE BROKEN.** This is no longer politics. This is war. Biden, Obama, Hillary — your reckoning approaches. You sold out warriors. You buried heroes beneath your throne of lies.
- **THE DAM HAS BROKEN. THE FLOOD IS HERE.** Patriots are awakening. The truth can no longer be silenced. The traitors will face trials. The traitors will face justice.

Y. Sun. 6 July 2025 STATE DOSSIER: TRUMP ORDERS POWELL TO RESIGN IMMEDIATELY OVER \$2.5 BILLION FED PALACE — THE FALL OF THE FEDERAL RESERVE BEGINS! ...Ben Fulford

- **JULY 3, 2025 — President Trump just dropped a political NUKE.** He’s demanding Jerome Powell’s resignation or immediate removal for lying to Congress and green-lighting a \$2.5 BILLION Versailles-style palace for the Federal Reserve. Built in secret. Funded by YOU. This is not a renovation — it’s the crown jewel of Deep State theft.
- **TRUMP’S DECREE: RESIGN OR BE FIRED:** Trump didn’t mince words: “He lied. He must go.” Powell, the unelected puppet of the global financial elite, perjured himself before Congress — claiming there were no luxury upgrades. But leaked blueprints and whistleblower documents prove otherwise. Private elevators. Rooftop gardens. Executive dining halls. All concealed under the lie of “critical infrastructure.”
- **BILL PULTE BLOWS THE WHISTLE:** Bill Pulte, insider and Chair of the Federal Housing Finance Agency, exposed Powell with damning documents. This wasn’t a leak — it was a TORPEDO. Pulte confirmed Powell lied under oath, denying luxuries now verified in Fed schematics. This isn’t just a scandal — it’s a felony.
- **PERJURY IS A CRIME — SO WHY IS POWELL STILL IN OFFICE?:** If YOU lied to Congress, you’d be in prison. But Powell? He gets a palace. The system is rigged

— and Trump is DONE playing nice. This isn't about politics. It's about obliterating an empire of fraud, one traitor at a time.

- **THE FED: PRIVATE, GLOBALIST, CORRUPT:** The Federal Reserve is a cartel. Privately owned. Unchecked. Untouchable. Powell didn't "fail" — he executed his mission: protect the global elite and crush the people. But Trump has ignited a financial revolution. The Fed's days are numbered.
- **THIS IS ECONOMIC WAR:** Trump built industry. Powell built palaces. Trump brought jobs back. Powell pumped fake money into Wall Street. One man serves America. The other serves the Deep State. And now the battlefield is set: sovereignty vs slavery.
- **THE FINAL JUDGMENT IS HERE:** Powell must RESIGN, be REMOVED, or face CRIMINAL PROSECUTION. No more warnings. No more cover-ups. The Fed is cornered — and Trump's army is awake. The lie is dead. The mask is off. And the storm is just beginning.

Z. Sun 6 July 2025 Income Tax Not Legal: IRS BOMBHELL: THE 16TH AMENDMENT WAS NEVER RATIFIED — \$330 TRILLION STOLEN ...The 17th Letter on Telegram

- **THE LIE THAT ENSLAVED A NATION:** For over 100 years, Americans were forced to believe income tax was legal. The 16th Amendment? NEVER RATIFIED. A leaked 1985 IRS letter CONFIRMS the fraud. Every dollar taken since 1913? STOLEN THROUGH DECEPTION.
- **THE IRS: A WEAPON OF GLOBALIST CONTROL** This was never about funding America. This was about enslaving generations, bankrupting citizens, and funneling wealth to the elite. The IRS acted as a financial enforcer for foreign bankers, corrupt politicians, and globalist overlords. Every paycheck deducted was another link in our chains.
- **FORGED DOCUMENTS. COERCION. OUTRIGHT LIES.** States never legally ratified the amendment. Records were falsified. The numbers didn't add up — but the Deep State declared it "law." The IRS was built on FORGED LEGITIMACY from day one.
- **THE SMOKING GUN THEY BURIED In 1985,** an IRS Commissioner admitted in writing: THE 16TH AMENDMENT WAS NEVER LEGALLY RATIFIED. A confession hidden for decades. NOT A THEORY. EVIDENCE.
- **\$330 TRILLION LOOTED** Imagine \$330 trillion stolen — not billions — TRILLIONS. That money could have rebuilt America, ended poverty, and freed every citizen from debt slavery. Instead, it filled the pockets of military contractors, foreign banks, and Deep State operatives.
- **PANIC MODE ACTIVATED** Now that the 1985 letter surfaced, the Deep State is scrambling. Big Tech censors. Search engines erase. Social media bans. They are

TERRIFIED the people will finally understand: THE ENTIRE SYSTEM IS ILLEGITIMATE.

- **TRUMP LEADS THE CHARGE** President Trump is the first to confront this head-on. The IRS is unconstitutional. He moves to dismantle it. But he needs US. Patriots must demand restitution, force investigations, and **STAND WITH TRUMP TO ABOLISH THE IRS ONCE AND FOR ALL.**
- **THIS IS NOT ABOUT TAXES. THIS IS ABOUT FREEDOM. THIS IS NOT A PROTEST. THIS IS A REVOLUTION**

- **The world isn’t shifting — it’s being OVERTAKEN.** Behind the scenes, a classified operation has ripped through decades of elite control. The result? A mass military override of the old system. The Quantum Financial System (QFS) is rolling out with 1955 price locks, Rainbow Treasury Notes, and birth certificate reparations for every man, woman, and child. All debts erased. All taxes returned.
- **TRUMPSARA = NESARA + MILITARY BACKING + QUANTUM WEAPONRY**
- **Blockchain Elections** are set to replace ALL rigged democratic systems, with Quantum Voting Systems built on Starlink-secured networks. This is the final nail in the coffin for Soros, Rothschilds, Mossad, CIA, and the Five Eyes alliance. No more fraud. No more rigging. No more puppets.
- **Expect a 3-day military-controlled Blockchain Election,** followed by a 10-day total global shutdown. Military EBS (Emergency Broadcast System) will override every TV and radio worldwide. Governments will stand down. 90% of all current officials are marked for removal, tribunal, or worse.
- **The 1871 Act is reversed.** The US CORP is dead. 1776 Common Law is restored.
- **This isn’t politics. This is war.** A silent, strategic, and devastating operation where the Deep State loses everything. Their offshore accounts frozen. Their media empires dismantled. Their AI puppetmasters decommissioned.
- **A Quantum Internet will erase the Mockingbird legacy.** Microsoft, Google, Facebook – OBSOLETE. One singular truth-based media will rise, led by Military Intelligence, not corporate tyrants.
- **The MOAB (Mother Of All Bombs) is the Global Currency Reset,** backed by precious metals, with ISO20022 U.S. Coins in circulation. It’s not speculation. It’s deployment.

- **Every suppressed technology — released.** Every crime — declassified. Every soul — freed. TRUMPSARA isn't the future. It's NOW.
- **You were born for this moment.** Do NOT miss what's about to unfold. THE COUNTDOWN HAS BEGUN.

Zb. Sun. 6 July 2025 CBS CAUGHT! Deep State Propaganda to Shield Soros, Bloomberg, and Biden's Puppet Masters EXPOSED! ...Kash Patel on Telegram

- **CBS just ran a fake “documentary” on oligarchs** — but it was never about truth. It was a covert Deep State op to protect the real billionaires waging war on America. They mentioned “rich elites” but scrubbed every mention of George Soros, Alex Soros, Michael Bloomberg, Reid Hoffman — the four-headed serpent funding election interference, migrant invasions, and psychological warfare.
- **Omission = cover-up.** CBS is not reporting. They're running interference. This “doc” wasn't journalism — it was damage control. Why? Because the world is watching. It's 2025. Trump is back. And the Deep State is falling.
- **Soros has dumped \$32 BILLION into Open Society** to collapse borders, unleash DAs who free murderers, and bankroll race riots disguised as protests. He's the godfather of domestic chaos. Now Alex Soros flaunts power, posting selfies with Biden, Macron, and Trudeau — like he owns the White House. Because maybe he does.
- **Bloomberg? Tried to buy the presidency.** Spent \$1 BILLION to manipulate elections. Another billion to annihilate American energy. Behind closed doors, he runs AI psyops and targeted behavioral propaganda.
- **Reid Hoffman? He funded phony lawsuits to sabotage Trump,** worked with rogue judges, and uses lawfare like a mafia weapon. His money's all over fabricated trials, blackmail operations, and Israeli-linked intel webbing through Silicon Valley.
- **CBS knows this.** That's why they said NOTHING. They didn't forget these names. They ERASED them.
- **The truth? The DOJ is sitting on sealed indictments, military tribunals are underway, and Soros-tied NGOs are linked to international child trafficking rings.** Bloomberg funded DNA surveillance without consent during COVID. Hoffman's network is embedded in tech firms executing psyops on U.S. soil.
- **This isn't a theory. This is warfare. The QFS is online.** The arrests are coming. Whistleblowers are pouring out of the FBI, CIA, CDC. The whole house of cards is trembling. And CBS is just one tentacle of the beast trying to hold the illusion together.
- **Millions of Americans are awake.** We've seen the fraud, the censorship, the bio-weapons, the stolen children, the broken cities, the war on truth. CBS doesn't want to stop oligarchy. They want to OWN it.
- **They serve the regime.** They protect the tyrants. They fear exposure. Their time is up. Tick. Tock.

Zc. THE CLINTON FOUNDATION RECEIVED MILLIONS IN DONATIONS FROM A URANIUM COMPANY WITH RUSSIAN TIES WHILE IN OFFICE. Better yet, why did Hillary hide the payments and the deal from Congress when she was in control of the State Department? You just can't make this stuff up. ...EBS on Telegram

- **Crime and corruption always seems to follow the Clintons.** Leaders of a Canadian mining company with extensive U.S. uranium stakes made large donations to the Clinton family foundation at a time when Russia was acquiring the firm in a deal approved by the State Department under Hillary Clinton.
- **According to the report, Canadian records show that "a flow of cash** made its way to the Clinton Foundation" as the Russian state nuclear corporation Rosatom was in the process of assuming control of the Canadian company, Uranium One, in three transactions from 2009 to 2013.
- **The deal, which gave Russia control of one-fifth of the U.S. uranium** production capacity, required approval by a committee composed of representatives of several U.S. government agencies. It said the State Department, under Clinton, "eventually signed off" on it.
- **The newspaper quoted a spokesman for Clinton's campaign** as saying nobody "has ever produced a shred of evidence that she ever took action as secretary of state to support the interests of donors to the Clinton Foundation."
- **The New York Times said that Uranium One's** chairman used his family foundation to make four donations totaling \$2.25 million, and that other people with ties to the company also had made donations.
- **It said that not long after Russia announced** its intention to acquire a majority stake in Uranium One, Bill Clinton "received \$500,000 for a Moscow speech from a Russian investment bank with links to the Kremlin that was promoting Uranium One stock."
- **The New York Times report** said it was unclear whether the donations played a role in the approval of the deal, which advanced Russian President Vladimir Putin's goal of increasing the Russian share of the world uranium supply chain.
- **The scandals and amount of crime and corruption** that surrounds the globalist deep state players, especially the Obamas, Clintons, and Bidens, is absolutely mind-boggling.
- **And yet they continue to walk free.** There are so many more criminal activities that most Americans are still just learning about to this day. The walls are closing in.
- **There is a reason massive amounts of information continues to drop.** Truth and transparency is here to stay. The clock is ticking. Justice is coming.

Zd. Sun. 6 July 2025 MASSIVE!!! Trump's OBBBA Activated GESARA, Funded GITMO Expansions, Dismantled the IRS, Pulled \$4.5 Trillion from Deep State Hands — The July 4th War Manifesto That Exposed Global Crimes Against Humanity! ...Trump Private Post on Telegram

- **On July 4, 2025, President Donald J. Trump** didn't just sign a bill. He launched total war on the globalist parasite class. The One Big Beautiful Bill for America (OBBBA) was the first public GESARA trigger, backed by military intelligence, asset-backed finance, and sovereign justice.
- **\$4.5 trillion ripped from Deep State claws.** IRS neutralized. GITMO expanded for biowarfare agents, child traffickers, and election meddlers. And the media blacked it out completely.
- **GESARA Protocol Initiated:** While the fake media screamed “tax cuts,” Trump quietly activated Stage One of GESARA: ending debt slavery. OBBBA killed income taxes on overtime and tips, doubled child credits, and gutted the IRS—all aligned with quantum financial justice.
- **Inside Treasury, QFS transition documents are circulating.** By 2026, asset-backed currency and Jubilee-style debt wipeouts will hit hard. The IRS? Already folding into classified QFS infrastructure.
- **GITMO: Phase Three:** On the same day, Trump authorized the third expansion of Guantanamo Bay. Two new wings: one for child traffickers and Deep State bioterrorists, the other for tribunals. \$2.3 billion from the OBBBA budget marked for classified judicial infrastructure. The trials are coming.
- **Walls Go Up — To Lock Traitors In.** \$46 billion reallocated to wall construction—but not just for immigration. New containment zones are rising in Arizona and Texas. CBP insiders confirm: not COVID camps—domestic traitor prisons. Watch for keywords: “mobile tribunal platforms,” “overland containment logistics.”
- **UFC at the White House Lawn = Ritual Warfare** In 2026, Trump and Dana White will hold UFC on the White House lawn. This isn't sport—it's ritual cleansing of cursed ground. Elites once held satanic rites in that garden. Now it becomes a patriot battlefield. The Garden of Heroes monument will stand tall—military whistleblowers immortalized in stone.
- **Trump's July 3 Speech Was a Military Broadcast** He said it plainly: “The show's just getting started.” He praised the “patriots in uniform and in silence.” That's Devolution code—military operatives inside U.S. agencies, active since Jan 2021's secret COG protocols.
- **The Media Knows.** That's Why They're Silent. Why no headlines? Because they've seen the sealed indictments. They know what's coming: GESARA arrest warrants for elites. QFS account freezes for election and pandemic crimes.
- **MSM declared combatant propaganda under wartime law.** This isn't a bill. It's the first missile.
- **TRUMP HAS GONE HOT. THE ELITES ARE BEING HUNTED. AND THERE'S NO WAY OUT.**

Ze. Sun. 6 July 2025: MARINES DEMAND FREEDOM TO UNLEASH HELL ON ILLEGALS AND DEEP STATE STRONGHOLDS IN FLORIDA ...Trump Force One on Telegram

- **Two hundred battle-ready Marines have landed in Florida** under President Trump's direct orders, after Governor Ron DeSantis warned that local ICE and law enforcement were overwhelmed in Deep State-occupied zones flooded with illegals.
- **US NORTHCOM and General Eric M. Smith deployed the Marines** from Camp Lejeune to Miami, Jacksonville, and Key West, but the rules of engagement are shackling their true power. They can't make arrests unless fired upon, or unless they witness terrorism in progress. Detain? Yes. But ICE or local cops must still handle arrests.
- **White Hat sources are furious. One insider raged:** "If we're being deployed, let us clean house. We're warriors, not babysitters. Unleash us and this country will be illegal-free by 2026."
- **Key West, once a vacation paradise, is now a sanctuary for cartel-linked criminals.** The city council just cut ties with the feds, defying Florida's 287(g) agreement with ICE. Mayor Danise "DeeDee" Henriquez, a tranny puppet of the regime, has ordered police to stand down. Two days ago, an ICE agent was stoned to death trying to detain an MS-13 gangbanger outside a liquor store. Protesters screamed, "NO DEPORTATIONS!"—as they hurled bricks.
- **This is domestic warfare.** These aren't peaceful migrants—they're repeat felons, pushing drugs, smuggling humans, committing rape and murder while being shielded by a regime that treats American law as a joke.
- **Marines are locked and loaded—but muzzled.** "We don't hate ICE. But they're not built for combat. We are. Turn us loose. Let us send every last one of these demons to Alligator Alcatraz. Give us the green light, and we'll burn the rot to the ground." The insider confirmed: this is just the tip of the spear. More forces are coming.
- **Florida is the testing ground.** The battlefield. The flashpoint. And soon, the Deep State's illegal army will face American steel.

Zh. Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade: He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call:1-866-347-2423**

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Zi. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zj. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Zk. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in prison since.

Ken is able to receive regular mail now – envelopes. Remember that all mail is opened and read by a prison employee. No stickers, glitter, 'add-ons' of any kind. Please send to: Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

Zl. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zo. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: "You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
