Trump Restoring New Republic Constitutional Order By Fri. 15 Aug.

Federalized Washington DC, Revokes Autonomous Status Shared With London, Vatican

**Makes Washington DC Free From Corporate Beholding To Foreign Banking Interests
Established Back in 1871**

Erases Internal Revenue Service; Launches External Revenue Service

An EBS message will be sent over phones, TV and radio around the Globe saying that in the next five hours or so, everyone needed to be home for a global lockdown that would last 10 to 12 days.

Even in moments when you feel unnoticed or unheard, God always sees you. You are deeply loved, valued and cared for by Him.

Judy Note: *The Deep State Removal Process – the next seven days according to the White Hats on Telegram:*

- **The federalization of Washington, DC, initiated through executive directives on August 8, 2025,** marks a pivotal fracture in the entrenched power matrix, stripping away layers of autonomy that shielded Deep State operatives from accountability.
- **This maneuver, deploying federal oversight across key agencies including the DEA, FBI, US Attorney's Office, Metro Police, US Marshals, Pre-Trial Services, Court Services and Offender Supervision Agency, and ATF,** dismantles localized corruption hubs, paving the way for a broader reconfiguration of governance, economy, and disclosure protocols. Backchannel assessments indicate this is no isolated crime crackdown but a strategic precursor to reinstalling foundational structures long suppressed by globalist influences.
- **Integration with The New Republic Framework:** DC's status as a federal enclave under Article 1, Section 8 of the Constitution has been exploited for decades as a semi-sovereign entity, enabling unchecked operations by entities like the Council on Foreign Relations and Bilderberg affiliates. Federalization reasserts direct presidential authority, aligning with blueprints for a New Republic a restored constitutional order where the District reverts to a pure administrative seat, free from corporate municipal overlays established in 1871.
- **Historical precedents trace to the Organic Act of 1871,** which transformed DC into a corporation beholden to foreign banking interests; reversing this through federal control initiates the dissolution of that charter, enabling a republic-wide audit of federal lands and assets. Insiders project this leads to the formal declaration of a New Republic by Q4 2025, where states reclaim sovereignty over unceded territories, echoing George Washington's vision of a people's governance model.
- **Key interconnections:** With Epstein-related testimonies commencing in September 2025, federalized courts in DC expedite prosecutions under unified jurisdiction, targeting figures like Obama, Brennan, Comey, and Clapper for treasonous acts tied to the 2016-2020 interference operations. This purges remnants of the old guard, installing interim councils drawn from military and civilian patriots to oversee the transition.

A. EBS ACTIVATION POSSIBLY Fri. 15 Aug. 2025 if not before: Fri. 15 Aug. 2025 the EBS (Emergency Broadcast System) is scheduled to activate once global compliance hits 90% — projected by August 15. ...The 17th Letter (JFK Jr.) on Telegram

WHAT TO EXPECT:

- **There will be a EBS message sent over phones, TV and radio around the Globe saying that in the next five hours or so, everyone needed to be home for a global lockdown that would last 10 to 12 days.**
- **NESARA will be announced to the world**, which will show that EVERYTHING NEW is beginning.
- **Then through the EBS**, they will show documentaries of everything that has happened to wake up the masses.
- **At the end of the 12 days, they will give out an 800 number** for individuals to call to obtain an appointment to set up your Quantum money account on the new Star Link Satellite System.

B. What We Think We Know as of Mon. 11 August 2025:

- **Sun. 10 Aug. 2025:** [The Greatest Show On Earth: ALERT ALERT ALERT! MORE THAN 200,000 ACTORS FROM CENTRAL CASTING USING CGI, AI, MASKS, AND VOICE MODULATION WERE USED IN THIS MOVIE - amg-news.com - American Media Group](#)
- **The reason the FBI wouldn't let the Epstein client list come out in court** is because if they did, their blackmail would no longer be useful, and the CIA would lose their control over all the powerful people they spent decades setting up. ...Julian Assange
- **The primary goal of the Deep State** is to poison your food, land and children by 2030 in order to take control of the planet.
- **An American took out a student loan.** She borrowed under \$28k. She's paid back \$38k. Her current balance owed is \$58k. That's \$68k of interest on a \$28k loan (so far). I don't care what anyone says, this is criminal. Interest terms like this need to be illegal
- **The Clinton Foundation is one of the world's largest money laundering schemes** that ever existed that involves some of the wealthiest elites, front companies, NGOs, and our own government. The Russian Collusion hoax, Epstein, the private Clinton server and email scandal, Haiti, Benghazi, pay to play politics, money laundering, human trafficking, etc., are all connected.
- **High-ranking FBI officials have been arrested to face GITMO Tribunals for Treason.** For decades their criminal intelligence regime has operated above the law waging domestic psychological warfare, burying evidence, partnering with Mossad-linked Black Cube, the World Economic Forum, and private cyber defense firms using AI technology to profile and monitor American citizens and control the digital battlefield. "Operation Spindle," a CCP-modeled surveillance program was harvesting biometric and emotional data from millions of Americans — targeting Christians, conservatives, veterans, parents at school boards, and anyone daring to speak of MedBeds, GESARA, or election fraud.
- **Trump's first undisclosed executive orders routed military oversight into the FBI, CIA, and DOJ under Continuity of Government protocols. U.S. Cyber Command**

seized the FBI's cloud infrastructure. Inside was a treason-level file system: cross-border wiretaps on journalists, facial recognition data from political rallies, private call recordings flagged for keywords like "QFS" and "EBS," and encrypted blackmail dossiers on members of Congress. This wasn't security — it was regime control. Their mission: discredit Trump loyalists, disrupt grassroots momentum, and prevent pro-sovereignty leadership from returning to power.

C. On August 5 2025 Director of US National Intelligence Tulsi Gabbard exposed the CIA's psychological warfare program against the public called Operation Mockingbird. ...Nesara Gesara Exposed on Telegram

- **International media outlets, algorithms of digitized AI systems** and paid influencers were being used to manipulate public thought, bury dissent, sabotage thinking and shape what you hear and fear to influence your perception of reality – all done by the Deep State Cabal in preparation for a New World Order.
- **Trump, Putin and the Global Military Alliance** has been coordinating efforts to bring down this Deep State Cabal. "Behind the curtain, justice is moving fast. Unknown criminals, secret power players, and hidden traitors are being rounded up one by one. The arrests are real. The list is longer than anyone imagined." ...Robert F. Kennedy Jr. on Telegram
- **As of August 2025 the world was functioning on the new Global Financial System** of gold/ asset-backed currencies, where debt to the Cabal was being erased and currencies of 209 nations were traded at a 1:1 with each other.
- **Prepare:** There will be a EBS message sent over phones, TV and radio around the Globe saying that in the next five hours or so, everyone needed to be home for a global lockdown that would last 10 to 12 days.
- **NESARA/GESARA debt relief will be announced to the world**, which will show that EVERYTHING NEW is beginning.
- **Then through the EBS**, they will show documentaries of everything that has happened to wake up the masses.
- **At the end of the 12 days**, they will give out an 800 number for individuals to call to obtain an appointment to set up your Quantum money account on the new Star Link Satellite System.

D. Possible Timing: There appears to be no information available on the timing of the Tier4b (Us, the Internet Group) redemption of foreign currency process for the Global Currency Reset, only that everything has been done, currencies were trading on the back screens of the Forex and we were awaiting the Green Light to receive our appointments.

It contains an independent publisher's opinion and is not official information. The information was not published in the Gazette. There are questionable statements in the video including indicating

E. On Tues. 19 Aug. 2025 NESARA + GESARA Planet Earth is entering The Great Shift of Consciousness — The Great Awakening into Unity Consciousness. Mother Earth is returning as a sacred planet and taking with her all who choose to go. A Golden Age beyond imagination is dawning, bringing global prosperity, peace, and an end to poverty, hunger, and debt. ...QFS on Telegram

- **GESARA (Global Economic Stabilization and Recovery Act)**, as ratified by all 209 sovereign nations under the 2015 Paris Agreement, is now set to launch alongside NESARA (National Economic Stabilization and Recovery Act) in the restored Republic of the United States. Together, they will reshape economies, laws, and daily life worldwide.
- **Under NESARA, all credit card, mortgage, and bank debt will be canceled** — a true “jubilee” — due to decades of illegal banking and government practices. Federal income tax will be abolished in the U.S., replaced by a 17% flat sales tax on new non-essential goods only, exempting food, medicine, and used items. The IRS will be dismantled, its employees reassigned to the Treasury’s national sales tax division. Constitutional Law will be fully restored, all judges and attorneys retrained, and all unconstitutional officials and members of Congress removed from office.
- **GESARA extends these transformations globally**, integrating the new quantum-secure financial system. The IMF will announce a global gold-standard monetary system, converting all remaining fiat currencies into gold-backed digital money. National debts will be erased, taxes lowered, and paper money gradually phased out. This quantum-hosted system has been online for months, immune to hacking and unauthorized access.
- **The release of suppressed technologies** — some hidden for over 70 years — will slash energy costs, provide free energy, clean the planet, and revolutionize transportation, medicine, and daily living. A new health system will enable organ and limb regeneration, age reversal, and the eradication of disease. With replicators, free energy, and advanced transport, humanity will no longer be enslaved to scarcity. People will have the freedom to create, grow their own food, and contribute in ways that bring meaning, joy, and purpose.
- **This is the transition from a world of survival to a world of abundance**, respect, and unity. As pain and suffering dissolve, a new era begins — one of peace, prosperity, and shared destiny for all

G. What You Need to Know. ...QFS on Telegram

- **Reclamation: The return to a better state.** This is about more than just land or money; it’s about restoring what was taken by the elites through their criminal systems. NESARA will do that for U.S. citizens.
- **Restitution/Reparation:** Compensating for the years of illegal taxes, loans and the financial enslavement we’ve suffered. The income taxes, mortgages and credit cards? They’ve been used to keep us as chattel, with bonds taken out against our very lives from birth certificates to social security numbers.
- **Who’s Eligible?** Those aged 24 to 61+ are in line for massive lump sums depending on their age group: • 61+: Up to \$61 million • 45-60: Up to \$38 million • 24-44: Up to \$23 million. This payout is reparation for the wrongs committed against us.
- **NESARA & QFS Plan:** The Process of RV Redemption Started, Actual Signature Forms like NDA and Post-Redemption Plan Documents – Inside the Exclusive World of Redemption Centers!
- **The process of RV redemption is unfolding,** and it’s about more than just money. This is about reclaiming what’s been stolen from us by the cabal, Deep State, and banksters. Redemption Centers are where we take back control, where NESARA/GESARA protocols are in full effect. At these centers, we the people will receive higher exchange rates, QPhones, QLaptops, and even Rainbow Currency. If you’ve prepared your Humanitarian Initiative Trust, you’re in prime position to benefit. This isn’t just a financial reset-it’s God’s plan, working through us to help humanity.
- **Redemption Types:** Currency Exchange: For those with ZIM bonds, dinar, and dong, you’re looking at double-digit rates at Redemption Centers, with gold-backed values. The ZIM bond is 1:1 to the new USTN dollar. You’ll be asked to allocate a portion of your funds for humanitarian projects-we’re not just saving ourselves; we’re saving the world.
- **XRP Buyback:** There’s a \$1 million per token value on XRP set by the QFS, already mirrored into Quantum Accounts. This buyback is part of a larger strategy to stabilize global markets and root out the evil.

- **This is About More Than Money.** This is about justice, about freedom, and about taking back what's ours. The deep state's grip is slipping, and this process is the path to redemption. The time is now, Patriots-we must stand ready to rebuild and restore.

Worldwide EBS, 72 Hour Blackout, GCR Rollout. FBI Director Kash Patel:

- **On Sun. 15 Jun mass QFS onboarding began.** Based on internal comms from secure servers, EBS (Emergency Broadcast System) or a parallel encrypted alert system may go live to inform the public of their next steps. Texts. Emails. Push notifications. Everything is set to go.
- **Each citizen will receive:** • A one-time secure code
- **Instructions for wallet activation** • Confirmation of debt wipe status • Access to the sovereign fund dashboard.
- **I (FBI Director Kash Patel)** will be walking everyone through the process when the alerts begin. I've tested the system. It works. And the interface is beyond anything we've used before.
- **We are just days away** from the global financial reset we've all been preparing for.

H. High Up Rumors were that it would be wise to stay inside for the next couple of days as chaos was about to hit nations across the Globe.

- **Trump has given the Green Light** for the new Quantum Financial System to slide into place, while his Military Alliance makes (8 million) mass arrests across the Globe.
- **To control the expected chaos** happening upon the arrests and closure of the Deep State Cabal's Central Banks, the Emergency Broadcast System was expected to be activated (over cell phones) worldwide sometime within the next week, or by Memorial Day Weekend beginning Fri. 15 Aug.
- **For decades, the Federal Reserve,** CIA and Deep State Global Elite War Profiteers ran the world's biggest con — a debt-based illusion powered by fiat printing and endless war, according to the QFS Platform on Telegram,
- **Hiding behind their diplomatic immunity,** during those decades of rule the Globalists have held pedophile parties and child sacrifice rites that were dedicated to Satan in a supposed return for riches, power and glory.
- **All centered around a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring** financed by US taxpayer monies funneled through the CIA's black budget, under direction of US Inc. and the Zionists, centered in Ohio and Ukraine and run by the Vatican.
- **In reality, the Elites attending those Satanic ceremonies** were blackmailed to do the bidding of the Illuminati Deep State Cabal – all in preparation for a New World Order where a select few evil ones would rule the World.

- **The Global Military Alliance and BRICS Nations'** recent implementation of the Quantum Financial System changed all. Now every stolen dollar, every offshore vault, every hidden transaction — was tracked, blocked and reversed.
- **In a classified joint operation spanning three continents**, elite Trump-aligned forces have dismantled a human trafficking ring operating out of Ohio — run by CIA contractors, Vatican agents, and embedded government officials. Dozens of foster children were rescued. This was a coordinated strike backed by the same alliance now using Quantum Financial System to expose and bankrupt these monsters.
- **The QFS didn't just bypass the banks.** It replaced them.

STATUS: GREEN-LIGHT CONFIRMED

- **Trump's go-code hit the board an hour ago.** No sirens, no press leak-just a quiet signature across the Quantum feed. Everything since has been dominoes.
- **MEDIA GRID:** Satellite transponders over Atlanta, NYC, London now under provisional military control. When they flip the switch, prime-time turns into courtroom.
- **FORCE MOVEMENT:** C-17s lifted from Ramstein, Diego Garcia, Andrews-flight plans sealed. Not troop drills. Extraction lists.
- **CIVIL CHANNELS:** Apple & Android just received a dormant update-flagged EBS-PREP.

NEXT 72-HOUR SEQUENCE: If your phone chirps three short, one long-stand by.

- 1. **Market Pause:** "Technical maintenance" across CME & NYSE (real reason: ledger drain).
- 2. **Bank Holiday:** announced as "cyber review," buys 48 hrs for QFS hard cut-over.
- 3. **EBS Rollout:** every screen, every band, unskippable.
- 4. **Mass Arrests:** sealed indictments become flight manifests.
- 5. **GESARA Credits:** debt slate wiped, gold weight assigned to biometric wallets.
- **When step 3 lands**, the world you know archives itself in a single frame. After that, history restarts.
- **REMEMBER:** There will be no second feed. No mainstream hand-holding. You're either watching from the inside-or refreshing a dead webpage. Stay aligned. Stay ready. GOD WINS.

K. Tues. 6 Aug. 2025: BOMBSHELL OPERATION: 214 CHILD PREDATORS TAKEN DOWN IN TEXAS — TRUMP’S MILITARY ALLIANCE STRIKES FIRST BLOW IN DEEP STATE CHILD TRAFFICKING TAKEDOWN ...The 17th Letter on Telegram

- **214 child predators**—illegals protected by globalist-backed NGOs and Soros-funded lawyers—have been captured in Southeast Texas since February 2025. Not “refugees.” Not “migrants.” Repeat sex offenders, many previously deported, reinserted by the same elite networks now panicking as Trump’s Military Alliance closes in.
- **These were not isolated criminals.** They were assets—used to destabilize American communities, inflict trauma, and protect elite trafficking supply lines stretching from El Salvador to Washington, D.C.
- **Their names were tracked.** Their locations flagged. And under Trump’s Continuity of Government protocols, they’ve been hunted. They’re now in custody.
- **Convicted monsters like: Jose Guadalupe Meza** — Deported 4 times. Sex assault of a child. Jesus Mireles — Deported 3 times. Aggravated child rape. Sergio Guerrero — 3-time deportee. Aggravated child rape.
- **This isn’t ICE under Biden.** This is Task Force Children’s Shield—a fusion cell of U.S. Marshals, White Hat FBI, Military Intel, and ICE ERO. HQ: a reactivated DoD black site near San Antonio.
- **Facial recognition.** Heat tracking. Biometric behavior grids. They’re using quantum surveillance to intercept comms, identify handlers, map the web. Over 9,000 targets have already been logged for staggered extraction.
- **Phase One:** Texas. Next: Chicago, NYC, Phoenix, Miami. This is WAR.
- **Why now?** Because August 2025 kicks off Operation Earth Purge—a classified dismantling of trafficking networks in 42 states. The Quantum Financial System is freezing NGO accounts tied to cartel ops. Every “charity,” every “sanctuary city” complicit in trafficking is being digitally marked for economic erasure and arrest.
- **The elite’s child pipeline was NEVER about immigration.** It was an invasion. It was infiltration. And it was orchestrated.
- **Trump’s reactivated wartime powers** now authorize Classified Detain-and-Remove Orders. No bail. No delay. No escape. And the Emergency Broadcast System is armed and waiting for hostile cartel-backed resistance in Democrat strongholds.
- **Final Warning to the Traitors:** DA’s who buried evidence—you’re marked. Judges who blocked deportations—recorded. Churches that ran trafficking fronts—exposed. Globalists who profited—YOU. ARE. DONE.

L. Sun. 10 Aug. 2025 WORLD EXCLUSIVE: RUSSIA SEIZES MEGA-ADRENOCROME SHIPMENT — ‘BLOOD OF 10,000 CHILDREN’ DESTINED FOR HOLLYWOOD ...The 17th Letter (JFK Jr.) on Telegram

- **Russian forces have intercepted the largest adrenochrome shipment** in recorded history at Syria’s Tartus naval base. Intelligence reveals the cargo — disguised as humanitarian aid — was refined from the blood of 10,000 children, bound for Hollywood’s elite.
- **OPERATION BLACK VEIN** A tip to the Kremlin’s Adrenochrome Task Force triggered a midnight assault on an Israeli-flagged vessel. The ship had been tracked for months as it moved across the Mediterranean. Its final destination — the Port of Los Angeles, long suspected as a hub for elite adrenochrome distribution.
- **HUMANITARIAN AID?** Instead of medicine, Russian operatives found: • Cryo-canisters built for preserving bio-material. • Military-grade cold storage units used for organ transport. • Vials with serial codes linked to black-site hospitals notorious for child disappearances. Forensic teams are cross-referencing the codes with global missing children reports from war zones.
- **THE BLOOD TRAIL** Sources allege the victims were taken from: • Ukraine — humanitarian corridors exploited during wartime. • Syria — refugee camps stripped of oversight. • Gaza — where missing children vanish without investigation.
- **Extraction is described as industrialized** — a global machine harvesting blood, refining it in covert labs, and funneling it to the West’s most powerful circles.
- **PUTIN BRIEFED DIRECTLY** President Putin was updated within hours. Orders were given to seize every scrap of evidence — shipping manifests, encrypted comms, financial trails. Russian media hints “names will be named,” targeting Hollywood, politics, and global finance.
- **HOLLYWOOD’S SHADOW** For years, whispers claimed Hollywood’s elite used adrenochrome under the cover of “wellness treatments” and exclusive parties. Now, the shipment’s direct link to Los Angeles has blown that door wide open.
- **THE LARGEST BUST IN HISTORY** Multi-nation chain: Israel as point of origin, Syria as interception site, Hollywood as the buyer’s den. The Kremlin’s next move could trigger a diplomatic earthquake — and expose an empire built on the blood of the innocent.
- **If this evidence is made public**, it won’t just rattle cages. It will burn the entire house down. The storm isn’t coming. It’s here.

N. Sun. 10 Aug. 2025 BQQM! TRUMP, WIKILEAKS, ASHTON KUTCHER, AND THE FINAL STRIKE AGAINST THE DEEP STATE PEDO EMPIRE ...Wikileaks Database on Telegram

- **The truth is about to detonate across the planet.** A military operation decades in the making is now reaching its final phase — and it’s targeting the darkest networks ever constructed by the global elite. WikiLeaks wasn’t just a leak hub. Ashton Kutcher wasn’t just an actor. Epstein wasn’t just a scandal. And Trump wasn’t just a president. All of it was a coordinated campaign to hunt, expose, and destroy a child trafficking empire so

vile it operated above governments — protected by Hollywood, Silicon Valley, the CIA, and globalist strongholds like the DNC and WEF.

- **Julian Assange didn't survive because they couldn't find him.** He survived because he was part of the operation. WikiLeaks had the ultimate fail-safe: a kill switch tied to military servers, quantum encrypted, programmed to unleash data if Assange was taken out. That data? Blackmail rings, organ harvesting, trafficking networks, CIA operations, Clinton files, ICMEC scandals — the kind of information that would collapse every major institution in the world if released. So they stood down. And now that time bomb is ticking.
- **Ashton Kutcher, once seen as a savior with “THORN,” is being unmasked.** His involvement in child trafficking parties, backed by P. Diddy and sanctioned by intelligence assets, is no longer hidden. His rise wasn't random — it was engineered. His girlfriend's death? Not a coincidence, but a sacrifice. The CIA used it to ensnare him, and THORN — supposedly a rescue tool — was repurposed to locate children for elite buyers. The very tech that claimed to protect the innocent became the system's own tracking tool for abuse. Welcome to the Hollywood you were never meant to see.
- **And then there's Epstein — the elite's handler.** His private island was just one hub in a global trade system of minors, blackmail, and ritual. But now the military has everything. Every list. Every video. Every visitor. Epstein wasn't the end — he was the doorway. And when the military flips that switch, names like Kamala Harris, Bill Gates, Obama, and global media titans will be front and center in the biggest mass exposure in history.
- **Trump knew all of it.** His executive orders were only the first strike. He handed power back to the military, empowered sealed indictments, and cleared legal pathways for tribunals. And with Elon Musk — the largest military contractor on Earth — running surveillance via Starlink, they've tracked every movement, every encrypted exchange, every offshore signal. The trap is set.
- **You're not just watching headlines. You're witnessing a global exorcism.** The takedown of a demonic system that operated through smiles, fame, and slogans — while hiding the darkest crimes against children. The next phase is military. The next phase is irreversible. And when it begins, the world will never look the same again.

Q. HARVESTED ALIVE – SECRETARY KENNEDY DECLARES WAR ON U.S. HOSPITALS ...The 17th Letter (JFK Jr.) on Telegram

- **A bombshell has shattered** the façade of America's "compassionate" healthcare. On August 7, 2025, Secretary Kennedy exposed a crime so monstrous it rips the soul from the nation: U.S. hospitals have been harvesting organs from patients **STILL ALIVE**. Not brain-dead. Not gone. Alive. Breathing. And cut open for profit.
- **"This is horrifying** — and it ends now," Kennedy declared. This wasn't rumor. It was a direct admission from the highest public health authority. The government has confirmed that death in America has been redefined to feed a billion-dollar black market in human parts.
- **For decades, hospitals operated as factories for the death industry**, pressured by organ procurement cartels to declare "brain death" early, to blur diagnostic lines, to make the scalpel fall before the soul had left the body. Physicians were told: "If the heart's still beating — harvest anyway." Legal teams twisted definitions. Families were misled. Consent was a formality. And every organ stolen meant another payday in a supply chain that turned human life into inventory.
- **Kennedy isn't talking reforms. He's talking a federal purge.** The HHS has unleashed: Immediate nationwide audits of transplant programs. License suspensions for hospitals tied to premature harvesting. Criminal referrals to DOJ. Exposure of collusion between OPOs and "ethics" boards.
- **The question now:** How many were murdered for science and profit? How many were declared "dead" only because their organs were needed? How many families mourn loved ones who were alive on the table, dying under bright hospital lights as their bodies were stripped?
- **This isn't a few rogue actors. This is systemic.** Hospitals. Universities. Nonprofits. Insurers. All under the microscope. No immunity. No escape.
- **Kennedy's vow is surgical and merciless:** any institution caught will face total decertification, federal seizure of authority, permanent expulsion from transplant networks, and prosecution under homicide laws.
- **The mask is off. The rot is exposed.** America is staring into the face of medical murder — and for those who profited while hearts still beat, there will be no anesthesia.

R. Sun. 10 Aug. 2025: EXPLOSIVE LEAK – TRUMP & RFK JR. DESTROY BIG PHARMA’S mRNA PROGRAM TO UNLEASH THE HEALING WAVE ...WH Grampa
on Telegram

- **Robert F. Kennedy Jr., Health Secretary under President Donald J. Trump, just detonated a \$500 million charge under Big Pharma’s control grid. On August 5, 2025, he shut down 22 federally funded mRNA projects** — not minor grants, but the core of a global biological control network. Pfizer, Sanofi, and the remnants of Moderna’s bird flu division were cut off in a single strike, severing the chemical leash the Biden regime tried to lock around the nation before Trump’s return. This wasn’t just about “vaccine effectiveness.” It was clearing the battlefield for something the elites fought to bury for decades — the Healing Wave. Discovered in classified Med Bed trials, this regenerative frequency mirrors Earth’s Schumann resonance and the deep-meditation brainwave patterns of Tibetan monks. In one case, a patient with severe nerve damage kept healing long after the device shut down. The body didn’t just hold the frequency — it generated it, and once active, it spread.
- **Initially locked inside military Med Bed units, civilian scientists confirmed in early 2025 that the Healing Wave could be triggered without machines.** Once a person experiences it — through a Med Bed or proximity to someone who has — it can be reactivated anywhere. Heart-brain coherence, barefoot grounding, emotional alignment, and contact with an active generator are enough to start it. The results are stunning: rapid tissue regeneration, normalized blood pressure, deep restorative sleep, enhanced cognition, even DNA correction. In Tennessee, a man with bone-on-bone knees walked without a cane after five days of activation exercises. In Idaho, a family practicing nightly coherence saw immune scores surge and synchronized biofields detected on EM scanners. In Pennsylvania, a firefighter cut spinal inflammation by 70% in nine days. This is what terrifies the pharmaceutical elite — healing with no pills, no needles, no corporate permission.
- **The reason for their fear is simple: this would collapse their empire.** Hundreds of drugs, vaccines, and surgeries would become obsolete overnight, along with the dependency model that keeps populations compliant. WHO and WEF operatives are already pushing “global health treaties” to criminalize unsanctioned healing under the guise of biosecurity. Military intelligence has seized patents for devices designed to block frequencies between 7Hz and 30Hz — the exact range of the Healing Wave. These were jammers meant to keep it from the public. By shutting down mRNA projects, Kennedy cut their supply lines. Raids on biolabs tied to canceled contracts have yielded hard drives, prototypes, and plans proving the intent to suppress this technology before it could spread.
- **Trump’s Phase II directive for the Quantum Regenerative Health System is now underway.** Centers in Florida, Texas, and South Dakota are training civilian teams to trigger, sustain, and spread the Healing Wave independently. This is not a wellness fad

— it's health sovereignty under military urgency. The frequency is moving through communities, measurable and repeatable, beyond elite control. Time is short, and those waiting for official confirmation will be too late. Start now — grounding, coherence breathing, emotional alignment — and prepare your body for full Med Bed calibration when your turn comes. The vaccine war is over, and the health war is slipping from the elites' grasp. For the first time in generations, the power to heal — fully, naturally, and permanently — is returning to the people.

S. Sun. 10 Aug. 2025 IT'S HAPPENING — TRUMP'S SILENT ARMY DEPLOYED

...The 17th Letter (JFK Jr.) on Telegram

- **The elites are trembling.** President Donald J. Trump — the real Commander-in-Chief — has unleashed 78,000 ICE agents in a secret nationwide op to dismantle elite trafficking networks, raid Deep State bunkers, and take back the Republic.
- **This is no hiring cycle.** This is a wartime enlistment surge. The “Big Beautiful Bill” gives ICE unprecedented power the Obama-Biden machine tried to destroy. Why? Because ICE knows the trafficking routes, the shell corporations, the sleeper cells — and now they have the green light to strike.
- **Under Trump's directive:** • \$50,000 signing bonuses for immediate deployment. • Reinstatement of purged ICE veterans with unfinished missions. • Direct recruitment from military units already operating under Continuity of Government protocols.
- **DHS's new “Defend the Homeland” campaign isn't PR** — it's a covert military op. Recruiters are embedded in police precincts, campuses, even corporate HR, identifying patriots and flushing out infiltrators. This task force answers directly to Trump's shadow command.
- **These aren't just agents. They're whistleblowers with names, intel,** and scores to settle. They remember which judges protected cartel safehouses. They know which NGOs masked trafficking as “refugee programs.” Now they're back — with federal jurisdiction and Trump's full backing.
- **ICE training has shifted to urban warfare:** biometric threat ID, QFS-linked financial tracking, and seizure drills on “humanitarian” fronts tied to organ harvesting and medical experiments. HSI agents are targeting UN and WEF-linked syndicates, CIA logistics hubs, Epstein-connected safehouses, and underground bunkers used for child experimentation.
- **The Deep State's open borders weren't about compassion** — they were about weaponized migration, biometric data mining, and embedding trained operatives in sanctuary cities. Now Trump's ICE is ripping the entire network apart.
- **This surge is just the beginning.** Each recruit is armed with mission briefings and tribunal coordination orders. The agency they tried to kill is now the spear tip of America's liberation.
- **The globalists can't hide.** Not in universities. Not in NGOs. Not in their bunkers.

- **ICE is coming** — and this time, it's personal.

T. Sun. 10 Aug. 2025: PANIC ERUPTS INSIDE FBI HEADQUARTERS – TRUMP'S SECRET MILITARY TRIBUNALS HAVE BEGUN ...Trump Force One on Telegram

- **The purge is no longer rumor — it's reality.** Federal buildings are quietly emptying as high-ranking FBI officials vanish without press conferences, without resignation letters, and without return. Escorted by silent, black-suited operatives, these insiders are not stepping into retirement; they are being pulled into a shadow war the public was never meant to see.
- **For decades, a criminal intelligence regime has operated above the law, using the FBI as its crown jewel.** They weren't simply spying on Trump — they were waging domestic psychological warfare, burying evidence, and using foreign AI technology to profile and monitor American citizens. Through shell programs and "fusion centers," rogue agents partnered with foreign contractors to map and destabilize America First figures, masking it as "counter-extremism."
- **That façade collapsed when U.S. Cyber Command, under Trump's direct orders, seized the Bureau's cloud infrastructure.** Inside was a treason-level file system: cross-border wiretaps on journalists, facial recognition data from political rallies, private call recordings flagged for keywords like "QFS" and "EBS," and encrypted blackmail dossiers on members of Congress. This wasn't security — it was regime control.
- **The network behind it was institutional, meeting regularly with Mossad-linked BlackCube, WEF's Digital Trust Council, and cyber defense firms contracted to control the digital battlefield.** Their mission: discredit Trump loyalists, disrupt grassroots momentum, and prevent pro-sovereignty leadership from returning to power. That mission failed. Trump returned — and his first undisclosed executive order routed military oversight into the FBI, CIA, and DOJ under Continuity of Government protocols. Civilian control was never restored.
- **Biden's fake presidency saw the FBI running "Operation Spindle,"** a CCP-modeled surveillance program harvesting biometric and emotional data from millions of Americans — targeting Christians, conservatives, veterans, parents at school boards, and anyone daring to speak of MedBeds, GESARA, or election fraud. That database is now in U.S. Space Force hands and is being used to track and dismantle the architects themselves.
- **These removals are not corporate firings. They are extractions to Tier-1 detention sites** — GITMO, Alaska Site-14, Guam's Echo Base, and a covert Azores facility — all converted into tribunal hubs. Military judges are presiding under Maritime Law, and sentencing orders are being signed by presidential authority. The trials aren't "coming." They're underway.
- **Trump's teams are operating with "Project HALO"** — Quantum tech integrating DNA resonance scans, behavioral AI, and voiceprint threat detection, deployed via

Starlink military networks to locate and extract traitors anywhere in the world. Even safe havens in Geneva, Brussels, and Dubai are no longer beyond reach.

- **This is phase three of the war:** the dismantling of institutional power structures, not just visible traitors. The UN's backdoors into U.S. intel? Closed. Vatican-linked funding pipelines? Frozen. Interpol's shadow dissident files? Seized and under review.
- **We are no longer under occupation.** The re-conquest has begun. The elites thought they were untouchable — but they bleed. And this is only the beginning.

U. Fri. 8 Aug. 2025: ICE OFFICE FIREBOMBED! PROOF GLOBALISTS ARE ACTIVATING SLEEPER CELLS TO SABOTAGE TRUMP'S QFS AND MASS DEPORTATION ORDERS! ...The 17th Letter (JFK Jr.) on Telegram

- **August 6, 2025 — Yakima, Washington.** A firebomb detonated at a federal ICE office. Not a random act. A coordinated message. A warning shot from globalist sleeper cells. The target: Trump's deportation machine and the QFS infrastructure that's collapsing their shadow empire.
- **The Deep State is in full-blown panic mode.** Since Trump took back power on January 20, ICE has morphed from an immigration agency into an armed strike force against trafficking cartels, election fraud networks, and Deep State black sites. Their fear is real. They're lashing out.
- **This wasn't vandalism. It was terrorism.** A coded assault timed with precision. Assaults on ICE agents have surged over 830% in the last 30 days. Why? Because Trump's orders are draining the swamp's lifeblood — their human cargo, drug cash, and illegal voting base. And now, they're burning down buildings to stop it.
- **Yakima's ICE office housed servers tied to Operation SENTINEL** — a classified cyber-military joint task force targeting fake passport rings, child smuggling, and foreign-backed election mules. That's why they hit it. That wasn't just fire — that was sabotage.
- **Meanwhile, sanctuary politicians like Hakeem Jeffries, Tim Walz, Karen Bass, and Michelle Wu** are running parallel insurgencies inside U.S. cities. They've turned states into launchpads for cartel ops, backed by shell NGOs laundering billions. They aren't just soft on crime — they're waging war on ICE.
- **ICE agents have been intercepting elite child trafficking tunnels**, hacking cartel comms, and even disrupting satellites tied to Epstein-linked networks. This is no longer immigration enforcement — this is war.
- **And as Trump's QFS implementation shuts off the globalists' black money circuits, attacks like Yakima will escalate.** Expect more fires. Expect more psy-ops. Expect activation of insurgents inside blue states as we approach the 2026 midterms
- **President Trump's Executive Order 14573** now classifies attacks on federal law enforcement as acts of war. Military tribunals are locked in. Assets will be seized. GITMO is expanding.
- **This isn't protest. This is treason.** And under Trump, treason gets prosecuted.

- **The final phase has begun.** Yakima was just the beginning.

V. IT'S HAPPENING — TRUMP'S SILENT ARMY DEPLOYED

W. Sat. 9 Aug. 2025 COMBAT ORDER ISSUED – TRUMP UNLEASHES U.S. MILITARY ON FOREIGN DRUG CARTELS ...Nesara Gesara Exposed on Telegram

- **President Donald J. Trump** has authorized the Pentagon to deploy the full spectrum of American military power against foreign drug cartels — with no diplomacy, no mercy, and no safe haven. Navy battle groups, Special Forces strike teams, cyber warfare units, and covert operatives are now tasked with dismantling the cartels’ operations on land, sea, and in cyberspace. This is not a continuation of the old “War on Drugs” — this is a military campaign with one mission: total destruction of the enemy.
- **Cartels will be officially designated as Foreign Terrorist Organizations**, granting the same legal authority to strike them as ISIS or Al-Qaeda. Engagement rules have been rewritten to permit pre-emptive raids, targeted killings, and infrastructure demolition without waiting for foreign government approval. The order extends to freezing cartel assets worldwide, cutting them off from SWIFT, and seizing their real estate, businesses, and laundering channels. Trump’s strategy attacks the cartels on every front — military, financial, and psychological — until their networks collapse.
- **The U.S. Navy will enforce a naval embargo** across the Western Hemisphere, intercepting and seizing vessels suspected of transporting narcotics. Maritime logistics — from fishing boats to container ships — will be dismantled vessel by vessel. Special Forces will execute precision night raids deep inside cartel territory, while cyber units will cripple communications, hack financial accounts, and erase encrypted networks. Intelligence collected over years will be weaponized, exposing the corruption and bribery that shield these syndicates in Mexico, Venezuela, and beyond.
- **Trump has also pushed for a national death penalty** mandate for major traffickers, cutting short the appeals process and ensuring that convicted cartel leaders face swift execution. His message to foreign governments is blunt: cooperate fully, or face public exposure of every corrupt official enabling the cartels’ reign of terror.
- **This is the shift from defense to offense** — a relentless campaign designed to ensure that drug kingpins and their networks never operate in peace again. For the cartels, the era of impunity is over. For the United States, the era of decisive action has begun.

X. Sat. 9 Aug. 2025: TOP SECRET FILES: BidenGate 2.0 – CIA, Blood Money, and the Biden Crime Cartel: How America’s Traitors Used Ukraine and Woke NGOs to Rob a Nation Blind ...The 17th Letter (JFK Jr.) on Telegram

- **Explosive documents EXPOSE** the Biden crime family: CIA-backed money laundering in Ukraine, woke NGO fronts, and globalist treason at the highest level. Biden is exposed. The system is rotting.

- **The Forbidden Files** – Classified Proof of Biden’s Global Crime Web: In August 2025, while mainstream media pushes distractions, classified intelligence documents have leaked from within the FBI. These files paint an unfiltered picture
- **Joe Biden wasn’t a president** – he was a broker. A broker of power, influence, and cold, hard cash.
- **Inside the documents:** Encrypted wire transfers linking Hunter Biden to shadow firms in Ukraine and China.
- **A network of woke NGOs** acting as laundering machines for millions in diverted foreign aid.
- **Fake humanitarian projects** built to hide real criminal intent: theft, coercion, and treason.
- **Hunter Biden shows up in over 70 flagged financial operations**, with connections to offshore accounts in Cyprus, the Cayman Islands, and Hong Kong. Every dollar traceable. Every signature incriminating. Every action – an act of betrayal.
- **Ukraine** – The Deep State’s Dirty ATM
- **While CNN cried for “Ukrainian democracy,”** the Biden family quietly drained billions from America’s pockets, disguised as “foreign aid” and “rebuilding packages.” Behind closed doors, Burisma Holdings, infamous for Hunter Biden’s shady board position, was just the tip of the iceberg.
- **New shell companies**, registered post-2022, received large injections of U.S. tax dollars, rerouted from military and humanitarian budgets. These companies, tied to Biden cronies and Soros-aligned operatives, funneled the cash back into NGOs, media influence campaigns, and political slush funds.
- **“Rebuilding Ukraine”** became code for rearming the globalist elite.
- **By 2024, Congress demanded an audit** on \$9 billion “missing” from Ukrainian aid. FBI stalled. DOJ stonewalled. But now, with TRUMP back in the White House, the blockade is broken. Subpoenas fly. Grand juries gather. The storm is here.
- **The Woke NGO Network** – Money Launderers in Rainbow Camouflage
- **The Biden family’s corruption** didn’t operate in shadows—it marched in parades.
- **From Black Lives Matter Global Network** to the Open Society Foundations, to climate and gender justice funds sprouting across college campuses, the Biden apparatus used “social justice” as a disguise to launder money, influence elections, and buy silence.
- **These NGOs paid “consulting” fees** to Biden-linked firms. Meanwhile, America’s sovereignty was auctioned off.
- **The Biden Regime** – Puppet of the Deep State, Executioner of Freedom
- **Joe Biden didn’t lead America.** He obeyed orders from the intelligence apparatus, corporate elites, foreign banks, and legacy media barons.
- **Under his regime:** DOJ became a blunt instrument for silencing patriots. FBI became a political police. The First Amendment was throttled by Big Tech censorship.

- **The Biden administration** wasn't just incompetent – it was calculated treason. Every policy served the globalist agenda.
- **What Comes Next** – Trials, Arrests, and a Purge of the Rotten Core
- **The evidence is overwhelming.** The betrayal is unforgivable. Indictments are imminent:
- **Hunter Biden** – facing charges for fraud, money laundering.
- **James Biden** – linked to offshore slush funds. Top-tier NGOs – under investigation for racketeering.
- **And Joe Biden?** No immunity. No plea deal. Only the truth, and the punishment that comes with it. The Age of Betrayal Ends NOW.

Y. Sun. 10 Aug. 2025 ASSANGE CALLS TRUMP FOR PRIVATE TRANSFER OF EXPLOSIVE CORRUPTION FILES ...Wikileaks Database on Telegram

- **Julian Assange is back** — not begging for a pardon, but demanding a direct line to President Trump. According to high-level sources, the WikiLeaks founder has requested a private meeting with Trump to hand over bombshell evidence targeting the Democrat power structure. The files reportedly expose blackmail networks, criminal financial operations, and direct coordination between DNC elites and foreign entities. This isn't a leak. It's a detonation.
- **After over a decade of solitary confinement** and global persecution, Assange has resurfaced — not broken, not silenced, but prepared. From the shadows of Belmarsh, he's been collecting data, preserving digital and physical records, and waiting for the right moment. That moment is now. The trigger is Trump.
- **Sources confirm that Assange bypassed intermediaries**, law firms, and NGOs to send one clear message: "I have documents. I have names. I have proof." These files reportedly go far beyond the 2010 Cablegate leaks. They include internal DNC communications, memos on media collusion, and financial trails tied to Obama-Biden era shell corporations. Everything timestamped. Everything verifiable.
- **Why Trump?** Because Assange knows who's fighting the system — and who built it. Trump remains the only political figure who challenged the globalist cabal, media censorship, and intelligence operations that tried to bury the truth. Assange isn't looking for mercy. He's seeking justice. And he's placing his final card in the hands of the one man who might actually play it.
- **Democrat staffers** are already panicking. Whispers of Assange's request have triggered silence protocols and legal lockdowns across D.C. The deep state knows: if these files are released, their entire structure of protected crime could collapse. This isn't about politics. It's about survival.
- **Assange has always been more than a journalist.** He's a symbol — of truth, defiance, and consequence. He revealed war crimes, exposed election fraud, and built a platform free from corporate manipulation. They tried to destroy him. But they failed. And now,

the man they tried to erase is preparing to hand the match to Trump — with the fuse already lit.

- **This isn't just a warning shot.** This is the beginning of the end. The final operation to collapse the lie.

Z. Sun. 10 Aug. 2025 ASSANGE EXPOSES HOLLYWOOD'S WAR PROPAGANDA MACHINE — IRAN WAS SCRIPTED LONG BEFORE IT WAS TARGETED... Wikileaks Database on Telegram

- **They told us it was fiction.** Just storytelling. But Julian Assange proved otherwise — and now the system is scrambling to bury the truth. For years, Hollywood has been programming the public mind for war with Iran. Not with facts, but with frames. Not with speeches, but with scripts. From *Top Gun: Maverick* to *24*, *Homeland*, and *The Fifth Estate*, Assange exposed it all — the invisible battlefield where the weapons aren't bullets, but belief.
- **Top Gun: Maverick wasn't just a sequel.** It was a military operation. Cleared line-by-line by the Pentagon, the film fed millions a subconscious narrative: a brave U.S. pilot takes on a nameless enemy with “unauthorized nuclear facilities” buried in mountainous terrain. No names are mentioned, but the signs all scream Iran. That film didn't prepare the public for entertainment. It prepared them for war. The terrain, the uniforms, the enemy's secrecy — all carefully molded to seed a justification. The message was subtle but surgical: war with Iran is necessary, heroic, and inevitable.
- **Then came the shows.** *24* injected paranoia into every American living room. Every episode a countdown to disaster. Every villain Middle Eastern. Every hero a white operative willing to torture for “freedom.” Over the years, the line blurred between fiction and policy — and the American mind internalized the idea that surveillance, drone strikes, and civil liberty erosion were not just acceptable — they were patriotic. *Homeland* took it even further. Co-written with CIA input, it was a recruitment tool masquerading as drama. Every narrative arc centered around Muslim threats, Iranian plots, and righteous intelligence agents. It normalized the abnormal. It sold war as a necessary evil — and made sure no one questioned it.
- **And then came *The Fifth Estate*,** the final insult. A film about Assange — not to honor his work, but to assassinate his character. Funded by DreamWorks, timed with diplomatic attacks, and designed to paint him as unstable, erratic, and egotistical. The goal was simple: destroy the messenger, so the message could be ignored. What he exposed — war crimes, surveillance networks, globalist lies — was never challenged. So they attacked the man instead.
- **Assange didn't speculate.** He documented. WikiLeaks released internal communications proving the Pentagon and intelligence agencies directly influence film scripts, fund productions, and approve narratives. This isn't a theory. It's a strategy. The battlefield

isn't the desert — it's your mind. And unless we unmask these psychological operations, we're not resisting war. We're reciting lines from its screenplay.

Za. Sun. 10 Aug. 2025: TRUMP CRUSHES SIX GLOBAL CONFLICTS IN EIGHT MONTHS — ELITE WAR MACHINE BLEEDS BILLIONS ...The 17th Letter (JFK Jr.) on Telegram

- **Eight months into his rightful second term, President Donald J. Trump has done what the global elite swore was impossible** — ending or preventing six major wars in less than a year. These were not isolated peace gestures. They were precision strikes against the very machinery that has fed the military-industrial complex for decades, shutting down the covert pipelines of money, minerals, and influence that fuel the globalist war economy.
- **On August 8, 2025, Trump brought the Armenia–Azerbaijan conflict to a halt**, locking in the Trump Route for International Peace and Prosperity — a U.S.-controlled corridor choking off Eurasian smuggling lines long used for weapons, drugs, and black-market tech. In May, he disarmed the India–Pakistan flashpoint over Kashmir, cutting short a staged nuclear crisis designed to justify massive arms deals. By June, he had forced Rwanda and the DRC into a U.S.-monitored framework that slammed shut the blood-mineral trade supplying elite tech empires.
- **In July, Trump broke the Cambodia–Thailand standoff, killing a decades-old laundering route for weapons, human trafficking, and stolen artifacts.** In the Balkans, his warning to Serbia ended a NATO-backed escalation before it ignited, cutting off an elite plan to flood the region with private military contractors. And when Israel struck Iran's nuclear sites in June, Trump flipped the war script, destroying key facilities and brokering a ceasefire in record time — denying the war profiteers their oil-spike payday and new “security laws.”
- **From the Caucasus to South Asia, from Africa to Southeast Asia, the fingerprints are the same:** financiers, corrupt intelligence networks, multinational corporations. These wars were not accidents; they were business models. Trump isn't just ending them — he's dismantling the infrastructure that sustains them. That is why the media pretends it isn't happening, why every elite-controlled outlet still paints him as “dangerous.” He is dangerous — to them.
- **As of August 9, 2025, the scoreboard is clear:** six conflicts neutralized, NATO forced to pay its share, EU pressured into trade concessions, border crossings slashed by 95%, and the war industry losing billions in projected revenue. With over three years left in his term, the real question is not whether Trump will keep going — but how far the elites will go to try to stop him before he dismantles their system entirely.

Ze. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zf. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Zg. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in prison since.

Ken is able to receive regular mail now – envelopes. Remember that all mail is opened and read by a prison employee. No stickers, glitter, 'add-ons' of any kind. Please send to: Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Please send any donations to help with commissary, phone calls, and other expenses to:
The Cromars P.O. Box 942 Pleasant Grove, Utah 84062

Letters for Barbara: Barbara Cromar P.O. Box 942 Pleasant Grove, UT 84062

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

If the Petition link is not available go to: <https://www.miraclesingodwetrust.us/contact/>

Zh. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zk. Judy Note: Please do not think I am ignoring your emails. I am only one person without a staff and work 8-10 hours each day on the Update. I have close to 4,000 emails I have not had the time to even read. In answer to many of the inquiries: I do not know any more about the time and date of the GCR than what has already been printed in my updates. I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Keep in mind the Quantum Computer has all your information gathered and likely knows of your changes of address, emails, etc. Any questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

Zl. Judy Note Please Be Aware: Although there are several platforms on Telegram published under my name of Judy Byington, understand that I do not have a platform on Telegram under my name. They are imposters and advertise false information. The problem is: I don't know who puts it up, runs the site, nor who responds to the inquiries. I have tried several times to get access to the site but have been denied. I don't even know what it says in there and certainly don't endorse it. If you have insight into this, please email: info22faces@yahoo.com. Thanks, Judy Byington

For the past several weeks the following has been published about me on several big Telegram platforms. It reads: **THEY TRIED TO SILENCE HER. NOW MILLIONS LISTEN. *What Judy Byington reveals can't be unseen.** Ritual abuse. Government coverups. Forgotten children. Her posts are raw. Real. Forbidden. **FOLLOW the truth they never wanted you to read:** <https://t.me/JudyByington> <https://t.me/+YmtWDB7BXCowYzJk>

Zm. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: "You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment.

Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
