To Attack & Arrest Out Of Control Criminal Elements

Trump’s Global Military Alliance Has Overtaken Underground Deep State Facilities in Cities Worldwide, Including Washington D.C., London & Berlin.

They Were Headed For 36 Major Cities Such As New York, Chicago & Los Angeles. Their List Included Drug Cartels Throughout Mexico.

Expect A Worldwide Blackout To Come in Rolling Waves – Not Every City At Once Accompanied By A Martial Law Overlay to Keep Streets Quiet.

[He Lives in You, from The Lion King - Alex Boyé & The Tabernacle Choir](#)

“Go confidently in the direction of your dreams. Live the life you have imagined.”

...Henry David Thoreau

Judy Note: On what Trump dubbed “America’s Liberation Day Mon. 11 Aug. 2025,” the US President federalized Washington DC, stripped it of its sovereign corporate status under the Act of 1871, declared Martial Law for 30 days and began cleaning up the city.

Trump had already killed the independently owned by Satan worshipping, Child Sacrificing Pedophile foreign bankers' Federal Reserve, along with their illegally weaponized collection arm, the Internal Revenue Service. America would now be financed by the External Revenue Service of tariffs on foreign goods.

Under Trump America was now rejecting Maritime Law and it's loyalty to the Satan worshipping UK Crown. The country was returning to the original concepts of the Constitution under Common Law.

America had already taken control of it's wealth from the Satan worshipping Vatican, and given it back to The People by placing it in the new US Treasury.

Trump, with help of the Global Military Alliance, was well on his way to taking down the Satan worshipping Illuminati Deep State Elite and making America again, at last and forever, a Sovereign Nation Under God – By The People, For The People.

Dan Bongino: This morning, the Deep State's grip on Washington shattered. President Donald J. Trump has seized full control of the D.C. police, activated the National Guard, and launched precision military operations on elite underground command centers. Obama-linked operatives caught. Trafficking rings exposed. GITMO tribunals already underway.

Trump stood flanked by Defense Secretary Pete Hegseth and Attorney General Pam Bondi, invoking Section 740 of the Home Rule Act to federalize the Metropolitan Police without congressional approval. In that instant, the puppet strings snapped.

800 National Guard troops are now on D.C. streets — not for petty crime, but to shield a deeper mission. Leaks confirm coordinated raids on tunnel systems long whispered to be trafficking corridors, black-site labs, and elite meeting hubs. Doors kicked in. Secret chambers found. Hard drives, documents, and victims recovered.

The media blackout is deafening — because their masters are hiding in those bunkers. Congress is in recess until September 3rd. Trump has an open operational window to burn out the rot.

High-level sources reveal New York, Los Angeles and Chicago are already on standby for similar takeovers. These are not drills. They are scorched-earth strikes on criminal power networks hiding behind politics, corporations, and the press.

Federal teams are breaching tunnels mocked for years as “conspiracy.” Whispers say decades-old black sites tied to globalists are being uncovered — Cold War-era infrastructure hiding trafficking and experiments in plain sight.

The takeover was executed without warning. Local brass replaced. Military advisors in control. Strategic zones secured before Trump even spoke. Orders verbal. Mission live.

Sealed indictments are rumored to be opening. Grand juries are moving. Trump is reported to be in closed-door war planning with military and intelligence leadership.

The capital now belongs to Trump — fully, decisively. And with control comes revelation.

The next 48 hours will decide everything. The National Guard isn't patrolling for show. They're guarding the secrets the Deep State thought would never see daylight.

A. What We Think We Know as of Thurs. 14 August 2025:

- **Central Banking, Federal income tax and corporate tax** will be ending with the now in motion Global Currency Reset of 209 sovereign nations whose gold/asset-backed currencies to trade at a 1:1 with each other.
- **Edward Griffin explained what the Federal Reserve System actually is:** "It's a cartel. It's not a government agency, it has the appearance of it being a government agency."
...Dan Bongino on Telegram
- **The House's Oversight Committee's investigation** of Biden's Autopen Scandal was expected to expose the unelected power structure that ran the nation in secret during his presidency.
- **It's time for Barack Hussein Obama** to face justice for his orchestrated war crimes, scandals, murder of SEAL Team 6, Drone killings, Libya's destruction, Green scams, economic sabotage, weaponizing of the IRS, elevation into power of radical extremists, betrayal of Israel and destruction of America's moral and economic backbone.
- **FBI Dir. Kash Patel announced that under President Trump's leadership,** the FBI rescued over 4,000 child victims. Including 19,000 arrests, 1,600 for crimes against children, and 270 child traffickers.
- **On August 12, 2025,** acting under direct orders from President Donald J. Trump, a multi-agency federal strike dismantled a hidden trafficking hub in the heart of Nebraska.
- **Trump just delivered a precision strike against the Deep State's climate-control machine.** The NASA Orbiting Carbon Observatories — the satellites watching every breath you take — are being shut down in the 2026 budget. This isn't a "cut." This is a decapitation of the globalist eye-in-the-sky.
- **We finally have HARD PROOF:** Democrats gave "\$6 billion to a conglomerate of United Nations agencies and over 200 NGOs" to facilitate the illegal immigration invasion of America.

Possible Timing:

B. Wed. 13 Aug. 2025 Global EBS Countdown Begins ...Q on Telegram

- **Underground Operations:** Military units have overtaken underground DS facilities in major cities worldwide, including Washington D.C., London, and Berlin. These strongholds, full of surveillance equipment and servers, are now under control. For the first time, the cabal's backbone has been crushed.
- **Media Blackout:** Major news networks, tech giants, and social media are under military control. Propaganda will be wiped out, making way for unfiltered truth. CEOs in these networks have resigned or vanished in the past few weeks, knowing what's coming.
- **Strategic Power Outages:** The power grids in urban centers are primed for controlled shutdowns, ensuring DS operatives can't use backup systems to interfere with the broadcast. Expect intermittent outages—these aren't accidents; they're steps to secure EBS integrity.
- **What Will the EBS Uncover?** Revealing the Cabal's Operations: The EBS will broadcast hidden files—over 50 terabytes of classified documents, eyewitness testimony, and more. You'll see evidence of how the WEF, Bilderberg, and other elite circles manipulated global economies and governments for their sinister goals.
- **Human Trafficking Networks:** Shocking truths will expose global trafficking rings. Tunnels beneath major cities, similar to those near Epstein's properties, were uncovered. Military raids in locations like Ukraine, Haiti, and Antarctica have saved thousands. Get ready for sickening details the DS tried to bury.
- **Election Manipulation Unveiled:** Evidence of 2020 election fraud will be revealed, showing the DS's reach in rigging elections and keeping Trump from office. The same people behind this have also been meddling in elections worldwide. Some are already in custody as we speak.
- **Pandemics as Control Tools:** EBS will expose documents proving pandemics were engineered by DS-linked groups like the WHO and CDC to keep the world in fear. Bio-labs have been uncovered—proof of lab-created viruses used to enforce lockdowns and strip away freedoms.

Mass Arrests and Tribunals Begin

- **High-Profile Arrests:** Since Trump's return, arrests have escalated. Military tribunals are underway, with over 500 DS figures detained. Justice is imminent.
- **Financial Kingpins Seized:** Elite families, including Rothschilds and Rockefellers, have been captured, facing charges from currency manipulation to funding black ops. Their role in market crashes and laundering will be exposed.
- **Hollywood's Collapse:** Executives, directors, and actors have been implicated in DS rituals. With evidence seized, Hollywood's web of deception is disintegrating.
- **Global Takedown Underway:** Leaders from DS-aligned countries, like Canada, Australia, and Germany, are under investigation, some reportedly under house arrest. Military takeovers are happening quietly, ensuring DS networks crumble.

- **EBS Launch Imminent:** The world will momentarily go dark, but soon 10 days of unfiltered truth will broadcast to every home. Prepare for a cascade of revelations that will change everything.

Military Action for Secured Transition

- **Neutralizing Bio-Labs:** Special forces are actively dismantling hidden labs preparing bioweapons. Labs in Eastern Europe and Asia have already been seized.
- **Cybersecurity Dominance:** Military hackers have seized DS servers, nullifying their grip on stocks, crypto, and infrastructure. Digital warfare is under control.
- **Preventing Civil Unrest:** Military checkpoints will prevent organized DS-led riots. Patriots, remain vigilant—this is a temporary but necessary action for safety and order.
- **Stay Alert.** The Final Storm Is Here.

C. Global Currency Reset:

- **Tues. 12 Aug. 2025 Report from Mr Salvage, leader of German Bastidas from the Pentecostal Group:** has finally received the notification for delivery of the blessings he said that he is going to try to finish the project in one month. It means most of the people will be receiving the funds and also finish other projects. He gave thanks to God because he will finish, proud of himself and his projects.
- **Tues. 12 Aug. 2025: Majeed Says Iraqi Banks are Lining Up For GCR:**

 - Trump was doing a cleanup of 37 cities, which may take another few weeks or so.
 - A SS representative said there may be an increase in SS as early as **Wed. 13 Aug.**
 - There was an unannounced bank holiday in Iraq **Mon-Wed.**

 - Tier4b (Us, the Internet Group) could get notification for appointments the same day that the new dinar rate shows up on the Forex.
 - Money is moving into Bond Holder accounts, but they do not have access yet.

D. Global Financial Situation:

- **Mon. 11 Aug. 2025:** On the same day Trump federalizes Washington DC, stripping it of its sovereign corporate status under the Act of 1871, the Vatican is rocked by explosive allegations of a “skeleton key” money laundering scheme that could alter SWIFT

E. Wed. 13 Aug. 2025 THE U.S. DEBT CLOCK JUST EXPOSED THE FUTURE OF THE FINANCIAL SYSTEM — TRUMP HOLDS THE KEY TO THE GOLDEN AGE ...QFS
on Telegram

- **The U.S. Debt Clock has quietly triggered one of the most significant alerts in modern economic history.** Federal income tax and corporate tax have vanished from its display. Dogecoin and taxpayer savings now appear in their place. This isn't a design tweak — it's a signal. The old debt-based model is dying, replaced by a wealth-driven, asset-backed system that decentralizes control and returns financial sovereignty to the people.
- **President Trump's strategy is no accident.** Executive orders, crypto reserves, and blockchain integration have been positioned for years to dismantle the Federal Reserve/IRS complex and transition the U.S. toward a Treasury-issued, gold-backed dollar. This shift is powered by blockchain, AI, and quantum technology to create a fraud-proof, transparent financial structure — one free from inflationary fiat manipulation.
- **The Federal Reserve's century-long control through debt slavery is collapsing.** Globally, nations are breaking from Western central bank dominance, moving to real-asset-backed currencies and decentralized finance. Trump's policies are accelerating America's role as the center of this new economic order.
- **The new U.S. Treasury Dollar will be backed by tangible value** — gold, silver, strategic resources — not promises. DeFi platforms and blockchain networks like the XRP Ledger and Axelar will provide instant, secure, borderless transactions, eliminating the middlemen who profited off your labor.
- **The age of centralized banking is ending.** The question is not whether this will happen — it's how prepared you are to live in a system where your wealth is self-custodied, tax-free, and inflation-proof. The U.S. Debt Clock has shown the roadmap. Trump is holding the keys. The Golden Age is no longer a distant idea — it's forming in real time.

F. Wed. 13 Aug. 2025 REVEALED: THE SAINT GERMAIN TRUST – THE TRILLION-DOLLAR WEAPON BEHIND NESARA, GESARA & THE GLOBAL RESET ...Tucker Carlson on Telegram

- **The Saint Germain Trust is not a myth.** It's the most suppressed financial weapon in history — trillions in gold, stolen from humanity, hidden by the elite. In 2025, the lock breaks. NESARA/GESARA isn't a dream. It's a war plan — and the cabal can't stop it.
- **THE WORLD'S MOST POWERFUL TRUST FUND** Buried beneath centuries of debt and deception lies a real, legally structured, multi-trillion-dollar trust designed for one purpose — to rebuild humanity after economic slavery. It powers NESARA in the

U.S. and GESARA worldwide. For decades, the Fed, IMF, Vatican, and intelligence agencies have sabotaged it, smeared it, and blocked its release. Why? Because the moment it's unleashed, their control evaporates.

- **ITS PURPOSE IS TOTAL RESTITUTION:** Eliminate all debt. Restore stolen generational wealth. Fund humanitarian tech, med beds, clean energy, real education. End fiat slavery with asset-backed currency. Deliver monthly stipends and sovereign governance. This isn't aid. It's justice.
- **WHY NOW?** Because the military is moving. Gold-backed currency tests are live. QFS integration is rolling out. Vatican wealth clawbacks are in motion. Corporate seizures under EO 13848 are consolidating assets. This isn't theory — it's a timeline.
- **2025: THE YEAR THE LOCK BREAKS** Signs are everywhere: BlackRock stumbling. USTN tied to real gold. ISO 20022 systems in place for disbursement. Foreign tax systems collapsing.
- **ACTIVATION MEANS:** Instant global debt cancellation. Monthly stipends during transition. Humanitarian funding release. Shutdown of fiat systems and IRS extortion. Public disclosures in waves
- **THE CABAL FAILED TO STEAL IT:** They infiltrated. They assassinated. They buried proof. But the structure held. The codes are secured. The assets are protected. In 2025, they lose everything.
- **This is a financial coup for the people.** If you're waiting for mainstream confirmation, you'll be the last to benefit. You were never meant to be free. Now you will be — not because they allow it, but because we take it back.

G. Wed. 13 Aug. NEXT PHASE: FROM REDEMPTION TO REBUILD ...Nesara Gesara
QFS on Telegram

- **You've seen the map. Here's the movement.** Redemption is not the finish line—it's the on-ramp to rebuilding everything they broke.

WHAT HAPPENS WHEN THE ALERTS HIT

- **Secure code arrives** (text / email / push). Do not forward.
- **Open the activation portal** → enter code → confirm debt-wipe notice.
- **Your sovereign dashboard unlocks:** USTN balance, Builder Credits, and scheduling for your local Redemption Center.

Bring to your appointment:

- **Government ID** + one utility bill
- List of debts (for historical archive)
- 1–3 page outline of your Humanitarian Initiative (bullet points are fine)
- A calm mind. No phones on the desk.

INSIDE THE REDEMPTION CENTER

1. **Identity scan** → quantum match to your living record (not the Strawman).
2. **Rate brief** (currency/bonds, if applicable) → asset-backed, no derivatives.
3. **NDA & Post-Redemption Plan** → concise, time-limited, biometric-sealed.
4. **Device issue** → QPhone + QLaptop pre-paired to your wallet; air-gapped for 72h.

5. Allocation

- **Sovereign Balance** (personal)
- **Humanitarian Tranche** (project-locked; expands with milestones)
- **Builder Credits** (local water, food, energy, veteran care)

Remember: Higher rates follow higher purpose. Hoarding stalls the field; circulation amplifies it.

CURRENCY & DIGITAL FLOWS (CLARITY)

- **ZIM is treated as a bonded instrument:** 1:1 mapping to USTN on humanitarian tracks.
- **XRP buyback window exists** to stabilize transition rails; values are mirrored in quantum accounts—no public order-taking.
- **Rainbow Currency** moves where intent is cleanest; waste triggers throttling, not punishment.

AFTER YOU LEAVE

- **Expect a 24–48h quiet period** while the lattice finalizes. Don't chase the old apps—they're being sunset.
- **Your dashboard will show:** Debt Closed, USTN-Au hash, and Project Seed release schedule.
- **Med-Bed triage opens for children**, terminal cases, and veterans first. Upload short medical summaries only; no PDFs longer than 128KB.

DO

- **Keep appointments to 20–40 minutes;** precision is power.
- **Convert part of your tranche into local action** within 7 days (water, food, power).
- **Teach two neighbors** how to read the dashboard and nothing else.

DON'T

- **Don't post** screenshots of balances (auto-flags your wallet).

- **Don't sign third-party** “advisory” contracts; the system already includes fiduciary oversight.
- **Don't promise rates to anyone**—every case is keyed to biography, not rumor.

WHAT THIS REALLY IS: Reclamation was the door. Restitution is the key. Restoration is the work.

- **They turned our lives into ledgers.** We're turning ledgers back into life—clean water grids, sovereign food, healed bodies, educated children, communities with light that never goes out.
- **You asked what comes after the blackout.** This. The quiet hum of a world being rewritten, not by speeches, but by a million precise acts of service.
- **Hold your field steady.** Spend with intent. Build where you stand.

Restored Republic

H. Wed. 13 Aug. 2025 IMMINENT ...Nesara Gesara QFS on Telegram

- **You are watching the surface.** I am watching the hand beneath it. For weeks the grid has been whispering the same pattern: banks “pause,” satellites “recalibrate,” tickers “glitch,” courts “seal,” anchors “out sick.” That's not noise. That is staging.

WHAT IS COMING

- **Worldwide blackout** in rolling waves. Not every city at once. It will look random. It is not.
- **Martial Law overlay** to keep streets quiet while the old rails are drained.
- **Mass arrests that will appear as resignations,** illnesses, flight delays, cancelled pressers.
- **Global Currency Reset** that flips value from paper promises to asset weight.
- **Freedom from Cabal debt** as legacy ledgers convert to zero or fulfilled.

WHAT YOU WILL SEE FIRST

1. **Local power flickers followed by identical “maintenance” notices** across unrelated providers.
2. **News channels looping the same frame.** No live panels. No call-ins.
3. **Payment apps timing out at login,** then reopening with a “new terms” screen.
4. **Airport boards that show “ON TIME”** while terminals are held at the gate.
5. **A short tone on radio and TV,** then a quiet screen. Do not panic. That is the bridge.

WHAT IT MEANS: The blackout is the curtain so the crew can change the set. Martial Law is the lock so no one runs the old tricks. The arrests are the receipts that everything you suspected was not only real, it was systemic. The currency reset is the power cord finally plugged into the right outlet. Debt freedom is the first breath after years underwater.

HOW TO MOVE THROUGH IT

- **Charge devices now.** Screenshot critical info. Keep one device in airplane mode.
- **Turn off auto-updates** after the first tone. You do not need a surprise patch mid-sequence.
- **Cash on hand for 72 hours.** Water, light, calm.
- **Do not chase rumors.** Markers will be simple and public.

MARKERS I WILL POST

- **Market feeds** that return “DATA VOID” for more than 6 minutes.
- **Government portals** that show 888.88 or 0000.00 in place of numbers.
- **The first tribunal docket timestamp.** You will know the names.
- **QFS wallet** prompts that pair to biometric identity without SSN.
- **GESARA** credits labeled “reconciliation” or “fulfilled.”

AFTER: When screens return, balances will not look like yesterday. Student debt and revolving credit show closed. Mortgage entries say fulfilled or reconciled. Pension values float to a gold index instead of dollar inflation. You will feel the room change before you understand why.

I. Sun. 10 Aug. 2025 Jessica Rojas on X (US): “I don’t care if you believe me. I care if you’re ready. Better to prepare for nothing than be blindsided by everything. I’m sharing word for word what my deeply loved family member who has a high ranking position in the Military just told me. “Listen... I don’t have much time, and I can’t give you details. But you need to hear me. Things are moving fast! faster than I’ve ever seen. They’re prepping bunkers, moving supplies, checking systems that haven’t been touched in years. Something big is coming. I’ve been told to make sure my own family is ready. For the first time in my career, I was explicitly told - “if your family lives anywhere near the coast, move inland.” No explanation. Just “do it.” When I pressed for more, I got shut down with, “That’s not your concern. Just take the advice.” I don’t know if it’s days, weeks, or months away, but it’s enough to put the entire upper chain on edge. I’ve never seen them like this. You need food, water, cash in hand, and a plan. No one’s going to sound the alarm for you until it’s too late.”

J.Wed. 13 Aug. HOME SIGNAL: PRE-LOCK BRIEF “When the paper government ends, the lights don’t go out - the scripts do.” ...Mr. Pool on Telegram

What just changed:

- D.C. corporate charter: archived
- IRS rails: paused → ERS transition
- Treasury seal: updated across .gov (look for the color invert)

The home signal (EBS) lands first. It won't ask permission. It gives you a clock.

If you're inside the grid, expect

- Biometric pairing prompt → wallet sync → "Debt: fulfilled"
- Curfew notices via highway boards, not press briefings
- Briefings looped on every screen, ten minutes apart

If you're outside, you'll see

- Newsrooms replay the same nine seconds
- Payment apps time out, then return with new terms
- Airport gates "on time" while runways go quiet

Markers that confirm we're in the tunnel

1. C-SPAN cuts to a silent seating chart
2. Gold spot displays 888.88 for exactly one minute
3. DMV/State portals show "Service by Treasury" instead of state logos

Do this, not that

- Do charge devices, screenshot essentials, keep one phone offline
- Do turn off auto-updates after the first tone
- Don't chase rumors or drive to "see what's happening"
- Don't reset routers when the feed goes still, that stillness is the bridge

After the tone

- Tribunal docket 01 publishes
- GESARA credits drop when pairing completes
- Legacy tax withholding suspended; statements reissued under Treasury

M. Wed. 13 Aug. 2025 The CLINTON-WEINER LAPTOP CONNECTION.

- **What did the NYPD Special Victims Unit find that was so horrific on the Weiner laptop that once former FBI Dir. James Comey saw,** he was immediately forced to act and open up an investigation into the Clintons that led to the bizarre "suic*des" of over 9 NYPD officers, and the complete cover up of the Clintons, their foundation, and the contents on the Weiner laptop?
- **Another bizarre portion of this case was NYPD Chief Silks,** who was also "suic*ded" just one month away from retiring, who was involved in the Weiner case and directly responsible for overseeing all evidence associated on the Weiner laptop.
- **NYPD Chief Silk stated, "The contents on that laptop made my stomach turn."** He also stated that there was enough evidence on the laptop to put the Clintons and other high ranking and elite individuals away for life, and if the FBI doesn't act, he will personally send the evidence to Wikileaks and hold a press conference himself.
- **Unfortunately, Silks was then found dead** with an alleged self-inflicted gunshot wound to the head in an unmarked patrol car wearing civilian clothes. Silks and others were all alleged to make copies of the Weiner laptop hard drive before the bizarre "suic*des" of over 9 NYPD officers, who were associated with the case.
- **What was in the Weiner laptop's "Life Insurance" folder** that was so dark and disturbing that could put multiple people away for life and cause the alleged deaths of of over 9 NYPD officers? Better yet, who has the copies of the Weiner hard drive? There are no coincidences.

N. Wed. 13 Aug. 2025 TRUMP'S FEDERAL AGENTS RAID NEBRASKA HOTELS – CHILD TRAFFICKING HUB EXPOSED, 10 MINORS RESCUED, \$565K SEIZED

...WH Grampa on Telegram

- **On August 12, 2025, acting under direct orders from President Donald J. Trump, a multi-agency federal strike dismantled a hidden trafficking hub in the heart of Nebraska.** Four hotels in Omaha and Bellevue — AmericInn, The Inn, New Victorian, and Roadway Inn — were raided in a coordinated sweep backed by military intelligence. What appeared to be ordinary lodging was in fact a network for forced labor, sex trafficking, drug pipelines, and the production of fake IDs.
- **Ten children and seventeen adults were freed from conditions that can only be described as modern-day slavery.** The arrested — Kentakumar Chaudhari, Rashmi Ajit Samani, Amit Prahladbhai Chaudhari, Amit Babubhai Chaudhari, and Maheshkumar Chaudhari — were not random criminals. They were mid-level operatives connected to international handlers, moving people and cash through one of America's busiest trafficking corridors.
- **Nebraska's strategic location along the I-80 route** made it an ideal node linking Canadian border channels to deep-interior U.S. cities. Under Biden, this network thrived under protection, masked by fake NGOs, beauty salons, and staged robberies to exploit U

Visa loopholes. These tactics allowed traffickers to legalize sleeper agents under the guise of “victim status.”

- **The operation seized over \$565,000 in cash**, significant quantities of drugs, burner phones, forged documents, and transport manifests — evidence of a large-scale distribution system. Officials confirm that fourteen business fronts, two residential safehouses, and multiple laundering pipelines were hit in the same wave.
- **This was not a PR stunt.** It was part of a broader state-by-state takedown of Deep State trafficking infrastructure. The message is unambiguous: under Trump’s restored command, the safe zones are gone, and the war against the hidden trade in children is entering a new and relentless phase.

O. Wed. 13 Aug. 2025 TRUMP'S FBI ARRESTS HISTORIC NUMBER OF CHILD TRAFFICKERS and suspects for crimes against children....Dan Bongino on Telegram

- **FBI Dir. Kash Patel announced under President Trump's leadership**, the FBI rescued over 4,000 child victims. Including 19,000 arrests, 1,600 for crimes against children, and 270 child traffickers.
- **The FBI has also seized enough fentanyl to kill 115 million Americans**, totaling a staggering 1,500 kilos of fentanyl throughout the U.S.
- **You never hear about the accomplishments** and the enormous amount of progress, especially against child trafficking because the mainstream media rarely reports on it.
- **Actions and accountability with arrests.** This is what the American people deserve, especially the children being trafficked. Godspeed.

P. Wed. 13 Aug. 2025 This is an ENORMOUS CHILD TRAFFICKING ring. This is so much bigger than people can even comprehend, and once again, the CLINTONS are at the top. ...Wikileaks Database on Telegram

- **November 2009 Laura Silsby founded a non-profit named "New Life Ministries,"** with an ironic slogan that says, "Ending Child Sex Trafficking." You can already guess that they ended up doing the exact opposite. 2x. That we know of.
- **January 29, 2010, Silsby was arrested for attempting to traffick 33 "orphan" children** out of the country with NO documentation. Come to find out later that the children were not orphans at all and also all had families. So they were, in fact, kidnapped.
- **After the arrest, Hilary Clinton requested to be sent email updates** regarding Silsby's case via Huma Abedin and others and was building a legal defense. Why would Hilary Clinton be concerned about this woman and this case and want to defend her actions and pay for it?
- **This was the 2nd time Silsby was caught trafficking children.** Silsby was caught by Haitian police trying to traffick 40 children out of the country prior to the first arrest. A week after her 2nd arrest, with the 33 children whom Hilary was getting updates about, on February 7, 2010, former President Bill Clinton appointed Silsby a lawyer by the name of "Jorge Puella," who succeeded in getting Silsby's sentence reduced to 6 months.

- **And guess what the lawyer appointed to Silsby by Clinton** got arrested for as well? You guessed it, operating an international sex trafficking ring involving women and underage girls, children, out of Central America and Haiti. Jorge's wife was also arrested on the same charges.
- **Then 2011 Silsby got a new job and then was promoted to president of marketing for, wait for it... Amber Alerts**, whose main function is to alert the public in the event of kidnapped children. You just can't make this stuff up. This is how you know everything is corrupt. No one would hire someone with 2x child trafficking charges. Sounds like an easy way for someone to "accidentally" forget to report some children that go missing.
- **In 2015, Silby married Norman Gaylor** and changed her name to Laura Gaylor. Finally to top it off, during her trials for child trafficking there were multiple wealthy people who also owned non-profit organizations who "help" children in distress in other countries to put in a good word for her. Guess who these people are associated with?
- **Max McCabe, who's associated with NPH USA and is good friends with none other than JAMES ALEFANTIS** from COMET Ping-Pong and is known for child abuse and the center of PIZZAGATE. Also, Frank Giustra from the Ratcliffe Foundation and who is on the board of directors for the Clinton Foundation and who is also a known child abuser and works for an organization who uses the known FBI pedo triangle symbol for their logo. The writing is ON THE WALL.
- **If you are wondering why arrests are taking so long, it's because this entire child trafficking pedo cult is global and involves so many organizations, wealthy elite, and people across the world** and is literally what is making this world go around by means of blackmail, money laundering, extortion, murder, racketeering, you name it. This is extremely complex, and you want the cases to stick with the maximum sentences or worse, and clean out the corrupt judges, DAs, agencies, etc.
- **Some people have been working on these cases for years.** Have faith. Justice is coming, and it's closer than you think. Remember, there are no coincidences. End child trafficking.

S. Wed. 13 Aug. 2025 EXPOSED: THE FORBIDDEN HEALING THEY TRIED TO ERASE ...Tucker Carlson on Telegram

- **They burned the labs. They silenced the doctors.** They erased the truth. Med Beds. Tesla's light. Ultraviolet power that could shatter Big Pharma's empire in a single night.
- **In 1910, Rockefeller and Carnegie seized medicine**, banning any acknowledgement of the body's energy fields. They replaced healing with petroleum poisons, ensuring illness became a business.
- **In the 1930s, Dr. Royal Rife discovered disease** could be destroyed with electromagnetic frequencies. Typhoid. Influenza. Parasites. Gone. His device worked. The AMA responded with fire, bans, and murder. His research vanished—until now.
- **Tesla understood light was life. In 1901**, he built a high-frequency device producing ultraviolet rays that killed germs, healed disease, and restored the body. It became the "Violet Ray," used by doctors for cancer and countless illnesses. He created ozone machines to cleanse air, treat lungs, and heal skin. The cures were cheap, effective, and unpatentable—so they were buried.
- **UVB light triggers vitamin D**, regulates the immune system, heals skin disease, even kills cancer cells. UVC destroys viruses by damaging their DNA. Ozone therapy revitalizes the blood, reversing illness. Russia, Cuba, and underground clinics still use them—because they work.
- **The war on sunlight and UV began to block the body's natural healing.** Sunscreens stripped us of vitamin D. Tesla's devices were banned. The people were told light was dangerous—while the elite quietly used it.
- **Now, the revival has begun. FAR-UVC light safe for constant human exposure.** Medical ozone returning to clinics. UV LEDs that kill viruses inside the bloodstream. The same forbidden science Tesla built is re-emerging—and the same forces that hid it are desperate to stop it again.
- **We are standing at the edge of a war** between natural, God-given healing and the machine of sickness-for-profit. The Deep State's biggest fear is not a weapon—it's the light.
- **This is the storm they cannot control.** Once people understand the truth about frequency, light, and ozone, the pharmaceutical empire collapses overnight.
- **They've lied for over a century.** Now the cure they feared most is coming back. And nothing will stop it this time.

T. Wed. 13 Aug. 2025 WORLDWIDE MILITARY RAIDS ERUPT – 71 NATIONS, GITMO OVERFLOWING, ROTHSCHILD BUNKERS SEIZED, HYBRID LABS DESTROYED ...Barron Trump The Chosen One on Telegram

- **The storm is not slowing—it's accelerating.** As of August 2025, Trump's restored command is driving a nonstop purge of the global elite. Tribunals run day and night. GITMO has expanded into black sites in Alaska, Greenland, Iceland, Diego Garcia, and Svalbard. Executions are surging past 2,900.

- **71 nations and 14 hidden oceanic bases** are now under active military purge. Targets include Papua New Guinea's underground UN trafficking hub, Seychelles hormone and cloning labs, Iceland's DARPA biocontainment pods, and Rothschild AI-yacht networks in the Black Sea—all located and hit via Starlink precision tracking.
- **Project EIDOLON**, the cabal's quantum AI-control grid, was seized mid-activation in a Swiss-Dutch tunnel. Recovered: neural control panels, 48,000 petabytes of biometric slave code, and a "Tier-3 Obedience Grid" of the US population. Musk greenlit Starlink EMP sterilization—obliterating their control matrix.

In the last 48 hours alone:

- **NATO intel chief** seized in Montenegro for Balkan organ trafficking oversight.
- **BlackRock ESG analyst** captured running climate "kill switch" AI.
- **UNICEF executive** caught linking vaccine depots to adrenochrome farms.
- **Two Rothschild envoys** taken at a Jordanian ritual excavation base.
 - **New Vatican tunnels from Peru to Uruguay uncovered**—130+ children in cryo-pods, ritual books tied to ancient bloodline rituals, and DNA-mod tables linked to Merovingian elites. Six Vatican-linked tunnel systems remain; four neutralized.
 - **Starlink's DarkZone Protocol** now detects submerged domes and cloaked craft—destroying an escape vessel from Patagonia mid-flight and tracking CIA assets in orbital habitats.
 - **Mobile tribunals operate in Kazakhstan**, the Canary Islands, and Alaska, processing pharma networks, maritime child depots, and Hollywood elites. Executions continue without pause.
 - **Trump's war council**—Gen. Eric M. Smith, Lt. Gen. Flynn, and black ops GESARA advisors—directs every strike. Space Force, Starlink warfare, and the Quantum Combat Grid are under his sole command.
 - **This is not the end. It's mid-mission.** The cleanse is expanding. The enemy is bleeding out—and nothing can stop what's coming.

U. Wed. 13 Aug. 2025 NEUTRALIZED! TRUMP SHUTS DOWN NASA'S CLIMATE SPY GRID ...Barron Trump The Chosen One on Telegram

- **Trump just delivered a precision strike against the Deep State's climate-control machine.** The NASA Orbiting Carbon Observatories — the satellites watching every breath you take — are being shut down in the 2026 budget. This isn't a "cut." This is a decapitation of the globalist eye-in-the-sky.
- **From the start, OCO was never about "science." It was built to enforce Agenda 2030, track every molecule of CO₂, crush industries, starve farmers, and justify digital carbon passports.** This was the backbone of the climate police state — feeding live data to the UN, WEF, and global banks for carbon credit enforcement and ESG blackmail.

- **Now it ends. As of August 2025, Trump controls the board.** Funding is gone, the surveillance feed is dead, and America will no longer be chained to foreign climate treaties. The elites are panicking. They're begging NASA to hand these satellites over to foreign handlers. Trump's team is blocking it under national security laws.
- **The truth? These satellites were never for weather.** They were part of a global AI network designed to ration energy, ban fertilizers, and trigger "climate lockdowns" at will. Without OCO, they lose the ability to justify geoengineering, aerosol spraying, and fake "emergency" alerts. Their propaganda machine just lost its brain.
- **Inside NASA, redacted communications from 2016–2019** openly discussed "carbon compliance systems" tied to the World Bank and European technocrats. This was economic warfare disguised as environmental protection.
- **Now the climate cartel is in freefall.** No more using U.S. satellites to impose foreign taxes. No more manipulated images to sell fear. No more fake graphs to justify food plant shutdowns.
- **This is bigger than space.** This is about control of Earth itself. And Trump just took their weapon away.
- **The satellites are falling.** The lies are collapsing. The globalists are blind. Tick tock

V. Wed. 13 Aug. 2025 FBI PURGE — KASH PATEL'S WAR INSIDE THE BUREAU ...NESARA GESARA QFS on Telegram

- **In an unprecedented move, FBI Director Kash Patel** has executed the largest internal purge in modern Bureau history. Three senior officials — each tied directly to the politically charged January 6 investigations — have been terminated on the spot and escorted out under armed watch.

The Targets:

- **Brian Driscoll** — 20-year veteran, former acting Director, removed after refusing Patel's demand for a full roster of FBI personnel involved in Jan. 6 probes. His defiance ended with an immediate termination and security escort.
- **Steven Jensen** — Head of the Washington Field Office, seen as a pillar of the old guard. Appointed just months ago, now removed for refusing reform demands.
- **Walter Giardina** — Veteran special agent with deep access to Jan. 6 files. Clearance revoked before leaving the building.
 - **This was no reshuffle — it was a takedown.** Sources confirm the terminations were coordinated to send a message: the era of untouchable FBI elites is over.
 - **Driscoll openly resisted**, stating in writing he "regrets nothing." Jensen's farewell urged agents to "be the FBI" — a line Patel's allies see as code for clinging to the old system. Giardina left silently, stripped of access before departure.

Patel's plan is surgical:

- **Full audits of all politically sensitive cases** from the last decade.
- **Chain-of-command accountability** for Jan. 6 decisions.
- **Counterintelligence sweeps** to crush leaks.
- **Replacement of compromised brass** with battle-tested field agents loyal to mission, not politics.
- **Agents inside say the atmosphere has shifted overnight.** Corrupt leadership is in panic mode, while rank-and-file morale is climbing. One insider put it plainly: “For the first time in years, the bad guys inside the Bureau are scared — not us.”
- **The purge is ongoing. More dismissals are expected,** targeting mid-level enforcers who acted as political muscle in controversial probes. This is not cosmetic reform — it’s a structural dismantling of the FBI’s weaponized hierarchy.
- **Patel has drawn a red line:** Defy the Constitution, and you’re gone. Whether you’ve worn the badge 4 years or 40, no one is beyond reach.
- **MISSION STATUS: CLEANUP IN PROGRESS.** The FBI is being rebuilt from the inside out — and under Patel’s command, the reckoning has only begun.

W. Wed. 13 Aug. 2025: AMERICA CUTS UKRAINE FUNDING — TRUMP’S ALASKA SUMMIT WITH PUTIN TO TRIGGER QFS RESET ...The 17th Letter (JFK Jr.) on Telegram

- **On August 10, 2025, Vice President J.D. Vance made it official:** “America is done with the funding of the Ukraine war.” No more billions disappearing into the black hole of “foreign aid,” no more taxpayer money laundered through a battlefield controlled by globalist elites. This announcement comes just days before President Donald J. Trump meets Vladimir Putin in a closed-door summit in Alaska — a meeting the media is locked out of, and one where Ukraine’s President Zelensky hasn’t even been invited. The exclusion is deliberate. The war machine’s favorite puppet is no longer part of the plan.
- **This is more than ending a war. It is dismantling the last pillar of a post-WWII order built on permanent conflict.** Ukraine was never a charity case — it was a money-laundering hub disguised as a democracy project. Behind the “humanitarian aid” were U.S. biolabs, foreign energy deals, and trafficking routes shielded from exposure by NATO and the UN. Now, with funding cut, those pipelines of money and power are collapsing. Military tribunals are reviewing classified Ukraine files at the newly expanded GITMO, and whistleblower testimony points to DARPA-linked bioweapon research and bio-data harvesting from children in facilities Russia struck in 2024.
- **Zelensky’s panic is visible. Insiders say his movements are now monitored by his own security detail, many aligned with U.S. and Russian intelligence.** The Alaska summit is set for August 15, but this isn’t a handshake photo-op — it’s the staging ground for a negotiated surrender that will see Eastern Ukraine return to Russia in exchange for dismantling biolabs and shutting down trafficking corridors. Military

aircraft movements into Fairbanks confirm this is a controlled operation, with Space Force assets on-site. And while Putin gains strategic security, Trump gains the leverage to shut down the war economy that has fueled globalist control for decades.

- **At the heart of that leverage is the Quantum Financial System.** Activated quietly in spring 2025 and backed by recovered gold from Vatican vaults, Ukrainian caches, and African reserves, the QFS is already replacing the SWIFT network. Once the Alaska deal is signed, Russia and Eastern Ukraine will shift to QFS compliance, cutting Rothschild-linked banks out of the region entirely. With nations like Hungary, Brazil, and India preparing to join the GESARA framework, the end of fiat-based war financing is no longer theory — it's happening. The Ukraine funding cut is not just policy. It is the trigger for a full-scale reset that will break the back of the globalist order and replace it with a sovereign, gold-backed system they cannot manipulate.

X. Wed. 13 Aug. 2025 YESTERDAY: Trump takes federal control of the DC police for 30 days, deploys the NG to secure DC, SecDef has unnamed “specialized military units” on standby. ...The 17th Letter on Telegram

- **TODAY: Trump notifies Smithsonian** he will be reviewing their collections. This means that Trump will have access to the Smithsonian tunnels beneath the National Mall, while he just so happens to have military presence and full control of DC. These tunnels could be used to mask the movement of troops, perps, equipment, etc.
- **I find the timing of Trump** conducting a “comprehensive internal review” of the Smithsonian museums to be a little suspicious to say the least.

Y. Wed. 13 Aug. 2025 BREAKING: CONGRESS MOVES TO NULLIFY BIDEN'S PROTECTION OF FAUCI, MILLEY, SCHIFF — TRUMP BACKS THE STRIKE ...Kash Patel on Telegram

- **Washington just took a direct hit.** The House Oversight Committee is gathering evidence to OVERTURN Biden's pardons shielding Dr. Anthony Fauci, Gen. Mark Milley, Rep. Adam Schiff, and other Deep State loyalists. President Trump has unleashed his full support — calling it the long-overdue reckoning.
- **BIDEN'S COLLAPSE EXPOSED** Leaked accounts from his own aides paint a picture of a president slipping into chaos — losing his train of thought mid-sentence, forgetting decisions, relying on scripts like a hostage to a teleprompter. If Biden wasn't making the calls, then WHO WAS? If mechanical autopen signatures were used without his consent, every pardon becomes legally radioactive.
- **THE AUTOPEN SCANDAL** Investigators are targeting evidence that, in Biden's final months, key documents — including these pardons — were signed by machine while Biden was absent or incapacitated. If proven, it shatters the legality of: Fauci — shielded from probes into pandemic crimes and funding pipelines. Milley — protected from chain-of-command violations and secret foreign contacts. Schiff — insulated from fallout

over falsified intel and political leaks. Nullification would drop them all back into the line of fire.

- **TRUMP’S WAR ORDER** “Every pardon signed by a compromised president is a betrayal,” Trump declared. “We will drain the swamp, expose the puppeteers, and restore the rule of law.” His backing turns this probe into a political demolition charge aimed straight at the Deep State’s bunker.
- **THE PLAN OF ATTACK:** Subpoena all White House staff tied to these pardons. Forensic audit of signature devices. Medical testimony proving Biden’s incapacity. Full chain-of-custody analysis for every immunity grant.
- **THE STAKES** If this lands, it won’t just revoke corrupt pardons — it will expose an unelected power structure running the nation in secret. For Fauci, Milley, and Schiff, the word “GITMO” may suddenly feel very close. For the American people, it’s the first chance in modern history to watch political immunity shatter in real time.

Z. Wed. 13 Aug. 2025 NEW: Democrats cut the water off to California ranchers with no warning. ...Elon Musk on Telegram

- **“We just found out we're not going to be able to get any irrigation water,** which shuts us down as ranchers. We're just kind of looking at just having to go out of business, you know, because that's what we do here is raise cattle. And if we don't have any water, that's going to be taken away from us. We'll go dry. What do you do with dry land that you can't grow anything on? We're all going to have to go out of business”
- **Save the Potter Valley Project,** sava Lake Pillsbury . Save our water, our homes, our farms.”
- **Democrat officials like Governor Gavin Newsom** and Congressman Jared Huffman, who represents the region. Huffman, a former attorney for the Natural Resources Defense Council, has supported environmental restoration efforts, including fish-friendly diversions, which align with dam removal advocacy.
- **Local advocates argue that Democratic leadership prioritizes** environmental goals over rural communities’ water needs, with some pointing to PG&E’s political donations to Newsom and Huffman as evidence of influence.

Za. Wed. 13 Aug. 2025 Obama’s Hidden Truths: The Crimes You’re Not Supposed to Question ...Carolyn Bessette Kennedy on Telegram

- **Barack Hussein Obama must face justice for his orchestrated war crimes,** scandals, and relentless assaults on American principles. The time has come to demand accountability for the uncountable misdeeds that tarnish his legacy and endanger the foundation of freedom.
- **The Murder of SEAL Team 6:** The suspicious deaths of SEAL Team 6 members following the Bin Laden raid raise unanswered questions. Who ordered their deaths? Why was this elite team targeted? The public deserves the truth, not a cover-up.

- **Drone Killings: Judge, Jury, Executioner:** Obama's infamous "kill list" transformed him into an executioner. Civilians, including a 16-year-old American citizen Abdulrahman Al-Awlaki, were obliterated without trial. This isn't national security—this is tyranny.
- **Libya's Destruction: A War of Choice:** Under Obama, Libya was reduced to rubble, all under the guise of humanitarian intervention. Gaddafi's assassination, cheered by Hillary Clinton, destabilized an entire region, creating a breeding ground for extremism.
- **Obama's "Green Scams" and Economic Sabotage:** Remember Solyndra? Billions of taxpayer dollars vanished into Obama's failed "green energy" initiatives. These were nothing but payouts to political allies while ordinary Americans suffered.
- **Operation Fast & Furious:** Obama's administration armed Mexican cartels with weapons that later killed Americans. This botched operation wasn't incompetence—it was deliberate chaos to push gun control.
- **Weaponizing the IRS:** The IRS was turned into Obama's personal gestapo, targeting conservatives and silencing opposition. This wasn't just abuse of power—it was an assault on the First Amendment.
- **An Administration of Radical Extremists:** From appointing unapologetic communists to elevating Islamist sympathizers, Obama's administration was a haven for dangerous ideologies. Why were these extremists given the reins of power?
- **The Unforgivable Betrayal of Israel:** Obama isolated Israel, America's closest ally, while emboldening Iran. His policies were nothing short of treasonous.
- **Wake Up, America! This isn't just about politics—it's about survival.** Obama's calculated destruction of America's moral and economic backbone demands outrage. Share the truth. Demand justice. We can't let this betrayal go unanswered.

- **Dive into White Hats INTEL's** latest analysis on Putin's cryptic remarks and the chilling mysteries surrounding Antarctica. Explore the rumors of deep underground bases, secrets buried in Cheyenne Mountain, and a hidden war raging in the frozen south!
- **Putin's words in his recent interview with Tucker Carlson** peeled back the curtain on secrets beyond imagination—a conflict of power, technology, and hidden truths that have been buried from the public eye.
- **What's really lying beneath Antarctica's icy depths?** Could it hold the key to altering our entire understanding of reality? Imagine cutting-edge technology, ancient mysteries, and world-shaking power struggles colliding in one place. This isn't science fiction; this is the fight for the future.
- **The Agenda Exposed:** Putin didn't need to spell it out to reveal the horrifying scale of the deep state's control. In just a few choice words, he exposed the true shadow forces lurking within the highest ranks of government worldwide. But why does he hold back names? Because these aren't just politicians—they're powerful military elites, globalists who play in the dark, pulling strings from hidden fortresses.

- **Antarctica isn't what they've told us.** Below the ice lies technology—massive, unidentified aerial phenomena harnessing zero-point energy, something that defies everything we've been told. These tools could alter reality itself, and they're not here for the benefit of humankind.
- **This isn't about power alone.** What lies beneath the ice is supernatural. The technology there can transcend dimensions, bridging communication to realms beyond. Biblical and other ancient mysteries are tied to this force, guarded fiercely by those who have understood its power for centuries.
- **The deep state cabal is hiding a lot more than a few military bases.** Their intent? Domination, a thirst for control that dates back generations. Underground installations, a war for supremacy—they'll stop at nothing to exploit these powers.
- **While presidents and world elites tour Antarctica,** searching for hidden knowledge, the white hats in the military are gearing up for an ultimate showdown. The elite cabal won't go down easily, holding resources and powers that stretch beyond this world. But the white hats are closing in, armed with truth and resolve.
- **The battle unfolding now is more than just a conflict—it's a fight for humanity's very essence.** The revelations coming soon will change everything. We're standing on the edge of a new era where everything we thought we knew is about to be turned upside down.
- **The shadows are dark,** but the light is rising. In Antarctica's frozen silence, a power waits—not to be feared, but to be understood and liberated.
- **This is a journey through hidden truths,** a call for accountability. The forces of light and darkness are preparing for a final showdown. When the dust settles, the truth will emerge, and the world will never be the same.

Zf. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

Zg. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Zi. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That

Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zk. Judy Note: Please do not think I am ignoring your emails. I am only one person without a staff and work 8-10 hours each day on the Update. I have close to 4,000 emails I have not had the time to even read. In answer to many of the inquiries: I do not know any more about the time and date of the GCR than what has already been printed in my updates. I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Keep in mind the Quantum Computer has all your information gathered and likely knows of your changes of address, emails, etc. Any questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

Zl. Judy Note Please Be Aware: Although there are several platforms on Telegram published under my name of Judy Byington, understand that I do not have a platform on Telegram under my name. They are imposters and advertise false information. The problem is: I don't know who puts it up, runs the site, nor who responds to the inquiries. I have tried several times to get access to the site but have been denied. I don't even know what it says in there and certainly don't endorse it. If you have insight into this, please email: info22faces@yahoo.com. Thanks, Judy Byington

For the past several weeks the following has been published about me on several big Telegram platforms. It reads: **THEY TRIED TO SILENCE HER. NOW MILLIONS LISTEN. *What Judy Byington reveals can't be unseen.** Ritual abuse. Government coverups. Forgotten children. Her posts are raw. Real. Forbidden. **FOLLOW the truth they never wanted you to read:** <https://t.me/JudyByington> <https://t.me/+YmtWDB7BXCowYzJk>

Zm. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: “You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
