“Freedom is never more than one generation away from extinction. It must be fought for, protected and handed on for them to do the same.”

...President Ronald Reagan

Judy Note: (The below paragraph came from a source called US of Secrets and could not be verified):

“Tomorrow I meet face-to-face with Vladimir Putin. Fake News says it’s about “Peace Talks and Ukraine.” WRONG. Putin is coming to lock in his country’s place in the Global Currency Reset. **On Jan. 1 2026** the US Dollar collapses. The old banking system dies. A new gold backed system – powered by NESARA GESARA Gold Coin – takes over. When it hits there will be total financial chaos. Banks freeze. Markets crash. Fortunes are wiped out – and new ones are made overnight.” ...US of Secrets

On August 3, 2025, in anticipation of re-establishing the Constitutional Republic and taking back control of America, Trump rolled out the Quantum Financial System worldwide, collapsing the Deep State’s fiat empire.

Military task forces had seized gold from central banks, Vatican vaults, and Rothschild accounts to the tune of over \$97 trillion in black funds tied to child trafficking, war profiteering, and Big Pharma corruption. The new gold-backed global token, SHI (Sovereign Human Initiative), is here.

The Clinton Foundation accounts were frozen. WHO, UN, and Gates-backed NGOs have been exposed. There were 650 plane loads of gold taken back from the Vatican that has been transferred into Quantum Humanitarian Trusts. Trump was not reinstated to campaign — he was placed to dismantle the beast.

With 89% of nations now QFS-compliant, once critical mass hits on August 15, 2025, the EBS will trigger. That means the Federal Reserve abolished, GESARA public, SHI global, Quantum Access Cards deployed, and illegitimate debt wiped clean.

Your savings, titles, and accounts will be reissued in gold-backed, fraud-proof QFS form. This is the rebirth of the Republic.

This re-established Constitutional Republic was badly needed. Washington D.C. was a covert globalist empire born from the Act of 1871, when the U.S. government was converted

into a private corporation controlled by the Crown, the Vatican, and elite banking families. The so-called “Federal Government” was nothing more than a foreign-owned front disguised as democracy.

As Commander-in-Chief of a reactivated Constitutional Republic, Trump has dissolved the corporate charter of Washington DC. and declared Martial Law for 30 days to clean up the city.

Crimes in D.C. = Engineered Chaos Murders, stabbings, drug markets—funded by laundered NGO money—were designed to mask trafficking routes and create ungoverned corridors for Deep State logistics. Space Force analysts uncovered foreign radio frequencies in homeless zones, linked to Kiev, Frankfurt and Geneva. Homeless “camps” hid couriers, encrypted flash drives, and biometric scanners.

Seven known subterranean passageways run beneath major landmarks like the IMF, State Department, and Capitol covered up child trafficking. Trump’s intel team is mapping these tunnels, unsealing indictments, and removing judges who shielded traffickers. Military police have replaced Marshals in certain courts.

Over 300 federal employees with dual citizenship—Ukraine, Israel, China, Canada—have been flagged for espionage, leaks, and sabotage. DHS confirms street crime is just the cover for deep infiltration.

Capitol Police and Secret Service leadership are undergoing loyalty audits. A planned false flag, meant to frame patriots and justify U.N. occupation, was intercepted by NSA Q-Group cyber operatives. Mass arrests for child exploitation cover-ups. RICO charges for Obama- and Bush-era officials. Unsealed Epstein files linking to D.C. foundations. Asset seizures from foreign-controlled media. Military tribunals for crimes against the Republic.

FEMA just informed Pacific Palisades fire victims that structural upgrade costs of rebuilding their homes will run into the millions, making it impossible for anyone to rebuild. The Global Elite plan to build a ever-controlling-of-the-population “Smart City” on the property – just as they planned for Maui.
- **As the gold/asset-backed Quantum Financial System activates**, which it did the first week of August, the fiat currency of Deep State Global Elite banks fail, VISA vanishes, PayPal and Stripe monopolies disappear and corrupt bankers are taken to GITMO. Central Banks of more than 60 countries have been quietly preparing for the end of fiat by hoarding gold.
- **The same ideology that fueled Al Qaeda’s 9/11 attacks**, devastating New York just 24 years ago, now threatens to seize America’s largest city through election to Mayor of New York Mamdani—a Muslin Brotherhood scion groomed for this moment, ready to ascend the global Islamic stage. America must awaken to this calculated nightmare before it’s too late.
- **More than 100,000 Americans have applied to join ICE.** New recruits can get up to \$50,000 in bonuses and benefits such as student loan forgiveness.
- **The Deep State Cabal’s BlackRock, Vanguard, and State Street are BUYING AMERICA.** These corporate giants are swallowing single-family homes, inflating prices, and forcing you into permanent rent slavery. By 2030, they could control 60% of all U.S. homes.
- **RFK’s Chemtrails Task Force** drops a historic leak: Most “cancer” cases since the early 1990s are actually a slow-burn illness caused by engineered atmospheric particles. New air tests detect a never-before-seen airborne toxin drifting over America — the implications are catastrophic.

- **The Alerts on EBS (over phones) and EAS (over tv and radio)** could come out as early as **Fri, Sat or Sunday Aug. 15, 16, 17**. The broadcasts could last up to ten days. They will not be 8 hours a day, but a series of notifications.

C. Tues. 12 Aug. 2025: NESARA & QFS REDEMPTION – THE PROCESS BEGINS

...The 17th Letter (JFK Jr.) on Telegram

- **The NESARA and QFS Plan is no longer theory — the RV Redemption process has started.** This is where the financial reset becomes real, where Redemption Centers replace the role of banks for the general public, and where the protocols of NESARA/GESARA are applied in full.
- **Redemption Centers are not ordinary banks.** Here, higher exchange and redemption rates are offered, along with QPhones, QLaptops, Quantum Access Account Cards, Rainbow Currency, debit cards, and even temporary trusts for those with approved Humanitarian Initiative Trusts. Those prepared with the standard template — approved during the Trump administration — are positioned to benefit immediately.
- **The 4 R's define this process. Reclamation** restores what the cabal and banking elites stole over generations. **Restitution and reparation** compensate for unconstitutional taxes, interest, and debts used to bind us as chattel through birth certificates, social security numbers, and other bonds. **Redemption** comes in two forms: currency and ZIM bond exchanges at high gold-backed rates, with part allocated to humanitarian projects; and the XRP buyback, with a God-given fair market value of \$1,000,000 per token already mirrored into Quantum Accounts.

The RV process is structured in phases.

- **First comes preparation** — assembling your documents, proof of address, IDs, project plans, banking info, and clear goals for your first 30, 60, and 90 days.
- **Then comes notification**, with appointment details sent securely by email or announced through trusted intel sources.

- **Once booked, you present yourself at the Redemption Center** to sign NDAs, complete post-redemption plan documents, and receive your allocations.
- **This is not just about money — it is about justice, sovereignty, and restoring what was stolen.** The Redemption Centers are where the reset moves from talk to action, where God's plan for abundance meets the readiness of those who came prepared. The door is opening, and those who are ready will step through first.

Global Financial Situation:

D. Wed. 13 Aug. 2025 BOOOM! QFS IS LIVE — TRUMP'S EMERGENCY ECONOMIC RESTORATION PLAN DEPLOYS AS GESARA ACTIVATES, VATICAN GOLD SEIZED ...QFS on Telegram

- **August 3, 2025 marks the start of the final war on the global financial elite.** Under military oversight, Trump has rolled out the Quantum Financial System worldwide, collapsing the Deep State's fiat empire. The Bank of Japan is bankrupt, the euro is in freefall, and the Fed has frozen forward guidance — these aren't cycles, they're death throes.
- **Military task forces have seized gold from central banks, Vatican vaults, and Rothschild accounts.** Over \$97 trillion in black funds tied to child trafficking, war profiteering, and Big Pharma corruption has been intercepted and rerouted into Redemption Center wallets. GESARA is no longer theory — it's in motion. Nations are cancelling debt, dismantling corrupt private banks, and conducting biometric audits under QFS, all while military tribunals oversee the process. The IRS has been dismantled, and illegal taxes are being erased.
- **The new gold-backed global token, SHI (Sovereign Human Initiative), is here.** Quantum-verified, DNA-bound, and impossible to steal, it's already in circulation in Texas, Arizona, Nevada, and Alaska — used by protected military whistleblowers and Tier 3 operators. Starlink satellites serve as QFS command nodes, with Space Force holding encryption keys. Every major transaction now routes through Cheyenne Mountain, with over 430 elite assassination payments already blocked.
- **Clinton Foundation accounts are frozen. WHO, UN, and Gates-backed NGOs have been exposed. Vatican gold has been transferred into Quantum Humanitarian Trusts.** Trump was not reinstated to campaign — he was placed to dismantle the beast. With 89% of nations now QFS-compliant, once critical mass hits on August 15, 2025, the EBS will trigger. That means the Federal Reserve abolished, GESARA public, SHI global, Quantum Access Cards deployed, and illegitimate debt wiped clean.
- **Your savings, titles, and accounts will be reissued in gold-backed, fraud-proof QFS form.** This is the rebirth of the Republic. The Deep State's money machine is dead — and their time is up.

E. Wed. 13 Aug. 2025: Global QFS Accounts Activated: Banks Fail, VISA Vanishes, and Global Wealth Redistribution Starts—Corrupt Bankers Taken to GITMO for Trials While Military Raids Discover Their Hidden Wealth! ...Nesara Gesara QFS on Telegram

- **The financial collapse is now happening in real time** and is no longer a prediction. As the Quantum Financial System quietly operates all over the world, banks are collapsing from the inside out, their corrupt underpinnings revealed. The once-untouchable Deutsche Bank, HSBC, and JP Morgan have been dismantled and stripped of their authority as their executives stand trial in GITMO. Negotiation courts are not what these are. These are military courts with prompt sentencing and absolute justice. The elites of finance face the reckoning they believed would never come behind closed doors.
- **The imposing behemoths of transactional control, Mastercard and VISA, are being undermined internally.** Their public-facing justifications—"digital upgrades," "transformations"—are merely smoke screens to hide their decline into oblivion. This is the QFS. An incorruptible system is replacing the outdated ones of invisible theft and hidden fees. Traditional banking is dying because of QFS debit cards, which are equipped with quantum security. Fraud is no longer possible. Here, manipulation is doomed.
- **However, the battlefield gets bigger. Targeted are PayPal and Stripe,** convenience tools that conceal more sinister intentions. Their data empires and monopolies are being destroyed one by one. The foundation of this new reality—the Quantum Internet—is turning into the biggest nightmare for the elite. All transactions are protected by quantum encryption, making them untouchable and un-hackable. The days of finance driven by surveillance are over.
- **Unbeknownst to them, every citizen already has a QFS account.** It is waiting for the last switch and is connected to your national ID. The outdated banking system will disappear under your feet when the time comes for an encrypted message to be sent over the Quantum Communication Network. Don't use intermediaries anymore. There will be no more waiting. only fee-free, instantaneous transactions protected by quantum physics.
- **The use of fiat money? deceased already.** The dollar, the euro, and the yen are all propaganda-supported illusions. By destroying the petrodollar, the Alliance has shifted global power in favor of stability backed by assets. The financial system is now anchored in gold, silver, and other precious metals, with Rainbow Tokens at the forefront. This is a revolution, not merely another cryptocurrency. Every token is backed by actual assets, making it impervious to cabal manipulation and market manipulation.
- **The central banks of more than 60 countries have been quietly preparing for the end of fiat by hoarding gold.** There is no media response. However, there is no denying the change. The world is evolving.
- **Previously disregarded, Zim Bonds are now at the center of the global redistribution of wealth.** Redemption Centers are governed by stringent military supervision, biometric locks, and encrypted communications. The cabal attempted infiltration. They couldn't. Violators lose their power and are immediately placed in detention. Bypassing every

dishonest gatekeeper, the money that the elite once hoarded is now going straight into humanitarian endeavors.

- **Under all of this, military operations are still going on.** Raids in Zurich, London, and Hong Kong—exposure of secret vaults, confiscation of blackmail materials, and dismantling of t*****g networks. The cabal is losing its funding sources and lifelines. It's already 80 percent gone. Their downfall is unavoidable.

F. Tues. 19 Aug. 2025 GLOBAL FINANCIAL SITUATION NESARA GESARA ...Nesara Gesara QFS on Telegram

- **Planet Earth is entering The Great Shift of Consciousness — The Great Awakening into Unity Consciousness.** Mother Earth is returning as a sacred planet and taking with her all who choose to go. A Golden Age beyond imagination is dawning, bringing global prosperity, peace, and an end to poverty, hunger, and debt.
- **GESARA (Global Economic Stabilization and Recovery Act),** as ratified by all 209 sovereign nations under the 2015 Paris Agreement, is now set to launch alongside NESARA (National Economic Stabilization and Recovery Act) in the restored Republic of the United States. Together, they will reshape economies, laws, and daily life worldwide.
- **Under NESARA, all credit card, mortgage, and bank debt will be canceled** — a true “jubilee” — due to decades of illegal banking and government practices. Federal income tax will be abolished in the U.S., replaced by a 17% flat sales tax on new non-essential goods only, exempting food, medicine, and used items. The IRS will be dismantled, its employees reassigned to the Treasury’s national sales tax division. Constitutional Law will be fully restored, all judges and attorneys retrained, and all unconstitutional officials and members of Congress removed from office.
- **GESARA extends these transformations globally,** integrating the new quantum-secure financial system. The IMF will announce a global gold-standard monetary system, converting all remaining fiat currencies into gold-backed digital money. National debts will be erased, taxes lowered, and paper money gradually phased out. This quantum-hosted system has been online for months, immune to hacking and unauthorized access.
- **The release of suppressed technologies — some hidden for over 70 years — will slash energy costs,** provide free energy, clean the planet, and revolutionize transportation, medicine, and daily living. A new health system will enable organ and limb regeneration, age reversal, and the eradication of disease. With replicators, free energy, and advanced transport, humanity will no longer be enslaved to scarcity. People will have the freedom to create, grow their own food, and contribute in ways that bring meaning, joy, and purpose.

G. Thurs. 14 Aug. 2025 CLASSIFIED! TOP SECRET GCR PLAN: 90+ NATIONS IN A TWO-PHASE GLOBAL CURRENCY RESET FOR STABILITY AND GROWTH ...QFS
on Telegram

- **Two leaked documents marked TOP SECRET reveal a coordinated, military-precision plan to reshape the global financial system.** The Global Currency Reset (GCR) is structured in two phases, bringing over 90 nations into a unified framework designed to stabilize currencies, protect economies from collapse, and create a fair, transparent trading environment. The mission is clear: end currency manipulation, deliver rapid relief in crises, and build a 21st-century system where every nation, large or small, trades on equal terms.
- **Phase 1 introduces a diverse range of nations** — from resource-rich exporters like Peru and Kazakhstan to service-driven hubs like Singapore and Spain, alongside countries with histories of inflation, debt crises, and fragile infrastructure. This early group is the proving ground, ensuring the GCR can operate across vastly different economies. By integrating even the most underdeveloped states directly into modern digital trade networks, the plan aims to leapfrog decades of slow reform.
- **Phase 2 brings in economic heavyweights and geopolitical wildcards.** Gulf oil powers join forces with European industrial leaders, while Canada, Japan, South Korea, and Switzerland enter alongside island nations and tourism economies. The final wave sees the United States step in last — a deliberate move to guarantee the system is tested and stable before the world's largest economy commits. This staged approach minimizes market shock and maximizes trust.
- **The GCR's promise is transformative:** emergency relief without currency losses, trade fairness between developed and developing nations, secure investments in emerging markets, and sovereignty preserved through financial stability. No nation loses control of its policy — but all gain protection against currency wars and speculative attacks.
- **This plan was kept under wraps to avoid premature market panic.** Now that it has surfaced, the question is no longer if but when. If executed, the GCR could become the most significant economic reform in modern history — a financial system where a farmer in Malawi and a manufacturer in Japan trade under the same secure rules. One system, two phases, ninety nations. A single future.

I. Wed. 13 Aug. 2025 BOOM! TRUMP UNLEASHES FBI SHOCK TROOPS IN D.C. — SECRET TUNNELS, CHILD TRAFFICKING HUBS, AND GLOBAL ELITE COMMAND CENTERS BEING RAIDED RIGHT NOW ...Barron Trump The Chosen One on Telegram

- **Washington D.C. was never just politics. It was the beating heart of a covert globalist empire born from the Act of 1871, when the U.S. government was converted into a private corporation controlled by the Crown, the Vatican, and elite banking families.** The so-called “Federal Government” was nothing more than a foreign-owned front disguised as democracy.
- **Trump’s latest move is the reversal of that coup. With the corporate charter dissolved, he acts as Commander-in-Chief of a reactivated Constitutional Republic.** His deployment of FBI agents is not law enforcement—it’s the occupation of enemy territory.
- **Crimes in D.C. = Engineered Chaos Murders, stabbings, drug markets—funded by laundered NGO money—were designed to mask trafficking routes and create ungoverned corridors for Deep State logistics.** Space Force analysts uncovered foreign radio frequencies in homeless zones, linked to Kiev, Frankfurt, and Geneva. Homeless “camps” hid couriers, encrypted flash drives, and biometric scanners.
- **Child Trafficking Cover-Ups:** Seven known subterranean passageways run beneath major landmarks like the IMF, State Department, and Capitol. Equipped with panic rooms, biometric locks, and military HVAC systems—perfect for trafficking, not governance.
- **Trump’s intel team is mapping these tunnels, unsealing indictments, and removing judges who shielded traffickers.** Military police have replaced Marshals in certain courts.
- **Foreign Assets Embedded in Government** Over 300 federal employees with dual citizenship—Ukraine, Israel, China, Canada—have been flagged for espionage, leaks, and sabotage. DHS confirms street crime is just the cover for deep infiltration.
- **Security Purge Capitol Police and Secret Service leadership are undergoing loyalty audits.** A planned false flag, meant to frame patriots and justify U.N. occupation, was intercepted by NSA Q-Group cyber operatives. Trump has rebuilt his protection under full military encryption.
- **What’s Coming Mass arrests for child exploitation cover-ups.** RICO charges for Obama- and Bush-era officials. Unsealed Epstein files linking to D.C. foundations. Asset seizures from foreign-controlled media. Military tribunals for crimes against the Republic.
- **Trump isn’t reacting. He’s executing the final stage of the plan.** This is warfare. The capital is no longer theirs. We are taking it back.

K. Thurs. 14 Aug. 2025 THE BOMBHELL THEY COULDN'T BURY — FDA ADMITS IT: mRNA VACCINES CAUSE “EXTREMELY HIGH” RISK OF PERMANENT HEART DAMAGE ...Tucker Carlson on Telegram

- **The FDA has now officially labeled mRNA COVID-19 vaccines as carrying an extremely high risk of myocarditis and irreversible heart damage — especially in young men.** This is not rumor. This is not theory. It is regulatory fact.
- **For years, Americans were silenced for saying these words: “These vaccines are dangerous.”** Careers destroyed. Platforms wiped. Families mocked. Yet in July 2025, under President Trump's restored constitutional leadership, the FDA was forced to update all mRNA vaccine labels with the chilling warning: “EXTREMELY HIGH RISK of myocarditis, particularly in young males, with real potential for irreversible heart damage.”
- **Pfizer's Comirnaty. Moderna's Spikevax.** Once worshiped as saviors — now officially branded as potential death sentences for our youth.
- **THE DATA THEY HID:** The updated FDA findings confirm that 1 in every 37,000 males aged 12–24 develops myocarditis or pericarditis after mRNA injection. This is not a temporary inflammation — it's permanent structural heart damage. Scans reveal scarring, electrical abnormalities, weakened pumping, and ongoing inflammation months later. These were athletes. Honor students. Future fathers. Sacrificed on the altar of profit and control.
- **TRUMP'S FDA BREAKS THE SILENCE:** Dr. Vinay Prasad, the new Chief Medical and Scientific Officer, addressed the nation with slides, data, and medical records: “The risk is clear, quantifiable, and injuries are often lasting. The label update was mandatory.” No spin. No denial. Just truth.

- **THE COVER-UP: From 2021–2024**, Biden’s regime buried adverse reports, threatened doctors, smeared parents, and blocked informed consent. They knew. They lied. And children paid with their lives.

JUSTICE IS COMING: With Trump back, demands grow for:

- **Full criminal investigations** into vaccine approvals
- **Declassification of all internal FDA/CDC** communications under Biden
- **Prosecution of officials** and executives who hid the danger
- **Immediate compensation** for the injured and bereaved
- **Total halt to all mandates** and experimental vaccines
 - **This is not just a label change. It is an admission of guilt.** They hoped the truth would come too late. But we saw. We remember. And we will not forget. And now, the world will watch what happens next.
 - **The dominos are falling** — one admission, one leak, one prosecution at a time. History will not remember the excuses, only the crimes. To the architects of this deception: your reckoning is not coming... it has already begun.

L. Thurs. 14 Aug. 2025 Military Tribunal Found Fauci Guilty of Treason, Mass Murder, Will Hang on 19 April 2026 ...WH Grampa on Telegram

- **The tribunal found Anthony Stephen Fauci GUILTY of treason, mass murder, crimes against children, and conspiracy to overthrow President Trump.** Vice Adm. Darse E. Crandall told the panel JAG had more evidence on Fauci than any Deep State detainee in history—financial, medical, and criminal.
- **Four sworn affidavits from NIADS staff revealed Fauci privately warned them to avoid the very vaccines** he pushed on the public. They feared retaliation from a man with unimaginable resources. Offshore records showed \$14 million in kickbacks from Pfizer, Moderna, and Johnson & Johnson immediately after FDA approvals—blood money for shots proven to cause death and miscarriage.
- **A US Army Medical report confirmed 87 spontaneous abortions** among servicewomen and dependents within 21 days of receiving the clot shot. Every major media outlet buried it. Fauci scoffed—Crandall ordered him gagged.
- **Then came the charges of child molestation.** A licensed PI testified to following Fauci with multiple young boys. One victim, now 14, gave sworn testimony that Fauci assaulted him during private outings after promising help. His words: “I hate that bastard. I hope he rots.”
- **Financial betrayal, medical genocide, sexual abuse**—the panel had heard enough. A Marine Major announced unanimous guilt and recommended the maximum sentence.

- **Vice Adm. Crandall delivered it:** “Anthony Stephen Fauci, you are hereby sentenced to hang by the neck until dead. Sentence to be carried out 26 April 2025.”
- **Fauci was dragged from the chamber**, gag muffling his curses. The storm that’s been building for years just claimed one of its biggest prizes—and this is only the beginning.

M. Thurs. 14 Aug. 2025 SKY POISON BOMBSHELL — RFK TASK FORCE EXPOSES CANCER HOAX AND CHEMTRAILS’ DEADLIEST SECRET ...The 17th Letter (JFK Jr.)
on Telegram

- **RFK’s Chemtrails Task Force** drops a historic leak: Most “cancer” cases since the early 1990s are actually a slow-burn illness caused by engineered atmospheric particles. New air tests detect a never-before-seen airborne toxin drifting over America — the implications are catastrophic.
- **THE ENGINEERED DISEASE** For decades, the medical establishment sold the lie that cancer is random, genetic, or bad luck. The Task Force says this was deliberate deception. The majority of post-1990 diagnoses are not traditional cancers but an aggressive illness triggered by particles sprayed into our skies. This is not bad genetics. This is a coordinated attack.
- **THE DIAGNOSTIC LAUNDERING** The new illness mimics cancer symptoms, making it easy to mislabel. Patients are then funneled into toxic, expensive treatments for a disease they don’t have. The motive: Keep “cancer” rates high to secure billions in research grants, pharma contracts, and charity funding. The cancer industry doesn’t want cures — it wants customers.
- **CHEMTRAIL CONNECTION** Post-1990, aerosol composition changed. Air samples show nano-structured particles that penetrate lung tissue, synthetic fibers never before seen, and spikes in “rare cancer” diagnoses in downwind populations after heavy spraying. The Task Force calls it “an open-air delivery system hiding in plain sight.”
- **SUBSTANCE X** The leak’s most explosive finding: A completely unknown, engineered airborne compound — biologically active, designed for lung absorption, capable of bypassing immune defenses, and meant to accumulate in organs over years. This is no health crisis. This is biowarfare.
- **THE NETWORK** The Task Force links the operation to military contractors in aerosol tech, aerospace labs working on nano-delivery systems, and Big Pharma companies adapting drug portfolios to manage — not cure — the illness. Every victim becomes a lifetime revenue source.
- **THE NEXT MOVE** RFK’s team is preparing congressional hearings, international legal action, and citizen-led air testing to expose ongoing dispersals. Their warning is clear: “If we wait for official channels, it will be too late.”
- **CONCLUSION** Millions may have been systematically poisoned, misdiagnosed, and financially drained. While we’ve been told to fight cancer on the ground, the real weapon has been falling from above. The sky is no longer just weather. It’s a battlefield. And we are all in the kill zone.

N. Wed. 13 Aug. 2025 TODAY: Grant Cardone was contacted by FEMA and can CONFIRM the Pacific Palisades is a land grab. Democrats are burying the homeowners in “structural upgrade costs”...Truth Social on Telegram

- **The crazy part, 3 months ago Adam Carolla predicted this is EXACTLY how Los Angeles would steal the land.** He was right. “California is a Land Grab. Just informed by FEMA in California if your home was affected by fires and required to spend more than 50% of previous homes value you will be forced to raise the entire property structure to new “flood water” requirements. I will be forced to raise a perfectly good property 3-4 feet at a cost of \$40-50M.
- **This will make it impossible for anyone to rebuild** adding years to completion. Everything the California govt suggested about coastal approvals, fast tracking etc was a lie.” - Grant Cardone
- **Adam Carolla explains how the Los Angeles, California Coastal Commission is going to require \$3-\$5 million dollars in ground upgrades** to EACH of these Malibu homes lost in the Pacific Palisades fire before rebuilding
- **In simple terms. They’re going to take this land** “People need to understand is everything here is on septic. Nothing is on a city sewer system. Every dwelling in Malibu has a separate septic system. And these houses in front, many of them were built in the 40s and the 50s and the 60s, and the codes were almost non existent. So they have septic systems that are in place now that are completely unacceptable in 2025, which when they rebuild, not that they'll rebuild in 2025, (more like) 2055 when they rebuild.
- **And they’re going to have to update the septic system,** which means Coastal Commission, Ocean Sierra Club, dig it all out. And because of the proximity of the ocean, they're going to have to build seawalls so that erosion won't take their septic system.
- **So they're going to be several million dollars into stuff that's buried in the ground.** A seawall not above the ground, but a seawall that's in the ground so that the storm and the erosion can't get to it. New septic system, I mean, they may be \$3-\$5 million dollars into it before one piece of 2x4 is even put up in terms of framing the new house.
- **Do you know how much bureaucracy, red tape and permits worth of nightmare this is going to be?** Because regardless of whatever the mayor says, whatever the governor says about expediting this stuff, a septic system is a septic system. The code is the code, the seawall is the seawall. And they're all going to have to happen.”

O. Wed. 13 Aug. 2025 MILITARY INTEL & COVERT OPS — CELEBRITIES, ELITE UNITS, GITMO, DIEGO GARCIA, AND THE FISA TIME BOMB ...Ezra A. Cohen on Telegram

- **In the world of power and espionage, secrets are the ultimate currency** — and when the Gag Order lifts, the consequences will be seismic. The coming DECLAS of FISA documents is set to detonate the political landscape, pulling together threads that run from

Hollywood's red carpets to the deepest, most secure military installations on Earth. Gitmo, Diego Garcia, Pine Gap, and Naval Base Guam are not just strategic outposts — they are alleged holding grounds for high-value detainees, some of them household names.

- **Whispers within military channels point to The Judges/Olu Unit — an elite force operating alongside U.S. military command** — as orchestrators of a controlled but irreversible unraveling. Their mission: maintain civil stability while quietly reshaping the power map. Under Trump's first term, covert infrastructure was expanded. In Biden's tenure, political turbulence only deepened the divide. Now, under a military government framework, operations are aligning for a decisive exposure. This isn't politics-as-usual — it's the execution of a long-game plan.
- **Hollywood is a battlefield in this war.** The entertainment industry's most vocal anti-Trump figures — some with alleged Epstein and Adrenochrome ties — stand at the edge of an unprecedented reckoning. Imagine a broadcast where A-list celebrities, long adored by liberal America, appear not in interviews but in tribunal courts, or worse. While mainstream outlets have yet to confirm such allegations, the AI era offers a chilling twist: as physical figures vanish, digital doubles could remain. Bruce Willis's 2021 deepfake licensing was only the beginning. Soon, artificial personas may replace the living presence of stars whose real-world images can no longer be maintained.
- **Yet the epicenter of this storm is the FISA declassification. The web stretches beyond U.S. borders, implicating the UK and Australia** in backchannel surveillance under the direction of Brennan and Clapper. Rod Rosenstein's role in overseeing this process places him under a spotlight he cannot evade, with Inspector General Horowitz racing to review sensitive elements before the full release. All FISA signatories are under grand jury scrutiny. The Steele dossier — the foundation of the warrants — could prove to be the lever that collapses the entire structure.
- **This is a collision of military intelligence, international espionage, celebrity culture, and political vengeance.** When the last seal breaks, Gitmo and allied facilities will be ready. The White Hats have been patient. The stage is set. And once the files go public, no fortress — be it in Washington, London, Canberra, or Hollywood — will stand untouched.

P. Thurs. 14 Aug. 2025 SCOOP — THE URANIUM LIE EXPOSED ...Quantum Financial System on Telegram

- **For years they screamed “Trump–Russia”** while the real traitors hid in plain sight. Hillary Clinton's State Department approved the sale of 20% of U.S. uranium to Russia's Rosatom — for \$145 million in Clinton Foundation cash. Now Kash Patel has uncovered private Clinton emails with Chinese officials discussing uranium deals. The projection is over. The evidence is here.
- **THE \$145 MILLION SELL-OUT** This wasn't a minor deal — this was strategic U.S. uranium, critical to national defense, sold off to a foreign adversary. Payments flowed

into Clinton Foundation coffers from Uranium One shareholders. Hidden. Unreported. Protected by Obama's DOJ, Comey's FBI, and a compliant press.

- **THE REAL RUSSIAGATE** Remember when Trump took millions from Russian interests? No — that was Hillary. Remember when Trump's ally got \$35 million from the Kremlin? No — that was Podesta. Remember when Trump pocketed \$145 million from uranium shareholders? No — that was Hillary. Remember when Trump sent \$150 billion to a sworn enemy? No — that was Obama.
- **OBAMA'S GREEN LIGHT** No uranium sale happens without the President's approval. Obama's CFIUS panel — chaired by Clinton — rubber-stamped the deal while the FBI already had evidence of Russian bribery and extortion. Instead of stopping it, they buried it.
- **THE COVER-UP CREW** Comey ensured Hillary paid no price for smashed phones, BleachBit servers, and destroyed evidence. Podesta deflected all attention to Trump. CNN, NYT, and WaPo became bodyguards for the Clintons, smothering every fact about Uranium One under propaganda.
- **2025: THE RECKONING August 12, 2025** — Trump's back. Kash Patel is unsealing the buried evidence: • Clinton emails with Chinese officials on uranium logistics and payments • State Department memos outlining undisclosed Rosatom deal terms • Financial ledgers tracking \$145 million in “donations” tied to the sale. Subpoenas are flying. Warrants are active. The Deep State's comfort zone is gone.
- **FINAL VERDICT** Every accusation against Trump was a confession of their own crimes. They screamed “TREASON” because they committed treason. This is no longer a scandal — it's a case file. The cover is blown. The jury is the American people. Case closed. Treason confirmed. Justice incoming.

Q. Thurs. 14 Aug. 2025 Washington, D.C., has one of the Highest Rates of Crime in the World, more than many of the most violent Third World Countries. Melania Trump on Telegram

- **The City's Homicide Rate is higher than places notorious for their violence**, such as Mexico City, Bogota, Islamabad, and Addis Ababa — Almost ten times higher than Fallujah, Iraq. If D.C. were a State, it would have the highest Homicide Rate of any State in America.
- **The Violent Crime Rate in D.C. has worsened**, and the Murder Rate has essentially DOUBLED in just over a decade — But these are only the “official” statistics released by corrupt City Officials. The REAL numbers are many times worse.
- **In fact, a Precinct Commander was just suspended** for allegedly manipulating the Violent Crime Statistics, and the D.C. Police Union, likewise, says the real numbers are much higher.
- **Because the Democrat Government of D.C. has largely stopped investigating, arresting, and prosecuting most Crime**, the published statistics don't even capture a fraction of the actual Violence. No one is arrested for shoplifting. Citizens living in fear

have largely given up on calling the Police, instead choosing not to walk the streets after dark, essentially becoming captive prisoners in their own City. Stores lock up their merchandise behind glass walls.

- **Gang Youth Violence is so common it goes largely unreported.** Vehicle Theft in D.C. is more than three times the National Average. Schools are completely dysfunctional. Citizens are afraid to speak up or, call the Police, lest they be targeted. The REAL Crime Rates are probably five to ten times what has been reported.
- **D.C. has been under siege from thugs and killers, but now, D.C. is back under Federal Control where it belongs.** The White House is in charge. The Military and our Great Police will liberate this City, scrape away the filth, and make it safe, clean, habitable and beautiful once more!

R. Thurs. 14 Aug. 2025 WARNING: BlackRock, Vanguard, and State Street are BUYING AMERICA. ...Wikileaks Database

- **These corporate giants are swallowing single-family homes,** inflating prices, and forcing you into permanent rent slavery. By 2030, they could control 60% of all U.S. homes. This is not capitalism. This is economic warfare.
- **RFK Jr. has sounded the alarm:** “There’s three giant corporations: BlackRock, State Street, and Vanguard.” They aren’t just in the market — they ARE the market. Their mission is total control, total ownership, total dependence. If you don’t wake up now, you will own nothing.
- **This is a coordinated assault.** They’re outbidding Americans by up to 50% over asking, buying entire neighborhoods before families can even make an offer. If you rent, they decide how much you pay. If they own the homes, they make the rules. And they are just getting started.
- **BlackRock controls \$10 trillion in assets.** Vanguard holds \$8 trillion. State Street, \$4 trillion. They don’t need banks, loans, or approval — they cut a check and take the property, then rent it back to you at their price.
- **This ties directly to the World Economic Forum’s Great Reset plan:** “You will own nothing and you will be happy.” Larry Fink of BlackRock sits on the WEF board. This is economic enslavement, a neo-feudal system designed to lock you and your children into lifelong renting, forever under their thumb.
- **Trump knows these are America’s real enemies.** They own the banks, the media, and the politicians. They will stop at nothing to strip you of your right to own property.
- **We are running out of time.** Every day, they buy more homes. If you want to stop this: Spread the word — wake up your neighbors. Pressure lawmakers — demand an end to corporate homeownership. Invest locally — starve Wall Street of your money. Get politically involved — the elites count on your silence.
- **This is a final warning: homeownership rates** are collapsing while corporate control skyrockets. If we do nothing, our children will never own a home. They will work for corporate landlords until death.

- **America belongs to its people** — not Wall Street. Stand up. Speak out. Fight back. Now.

S. Thurs. 14 Aug. 2025 BREAKING: FBI TRAITORS PURGED — GITMO PHASE II IS LIVE ...Charlie Ward and Friends on Telegram

- **The war is no longer covert. On August 12, 2025, the mask fell.** An open letter from “The Steady State” — ex-FBI and CIA loyalists — is a panic cry from the Deep State’s collapsing core. They see the storm and know they can’t stop it.
- **Kash Patel, appointed FBI Director by President Donald J. Trump** — the rightful Commander-in-Chief — has launched a surgical purge exposing decades of treason, blackmail, foreign infiltration, and domestic targeting of patriots. Dan Bongino stands at his side.
- **These aren’t “political firings.” This is military-grade cleanup.** Brian Driscoll, Michael Feinberg, and Walter Giardina were removed for:
 - Covering up Jan 6 black-ops, framing Trump supporters.
 - Burying Epstein-Maxwell elite trafficking evidence.
 - Running foreign-backed FISA surveillance on Trump’s circle.
 - Compiling MAGA supporter dossiers for detainment ops.
- **Giardina’s Brennan-Clapper ties gave him access to the same systems used to spy on Trump’s campaigns.** Driscoll met with MI6 and Canadian intel at Davos while “investigating” Jan 6. They weren’t protecting America — they were guarding the cartel.
- **The “Steady State” is nothing but a shadow government cell** — Bush, Obama, Clinton, and fake Biden operatives — now pretending to be “concerned citizens” while crying about politicization. They weaponized every agency, shielded Big Pharma’s COVID crimes, and ignored 15,000+ whistleblower affidavits on rigged elections and poisoned vaccines.
- **Patel has already shut down Project Oracle** — the NSA-FBI spy grid feeding biometric data to Deep State contractors to monitor Trump rallies and churches. Agents are resigning in droves as White Hats cut cables, wipe servers, and lock away evidence under Trump’s Continuity of Government.
- **GITMO expansions are complete.** Tribunals are ready for Phase II — judges, CEOs, bureaucrats — all under sealed indictments. Elite flights to safe havens have surged 700% since June.
- **Trump is in full command.** The Quantum Financial System is live. Bankers laundering U.S. tax dollars through offshore NGOs are being arrested. The FBI purge is only the beginning.
- **To the traitors: your time is up.** You are not the “steady state.” You are the rotting foundation of a dying empire — and the wrecking crew has arrived.

T. Thurs. 14 Aug. 2025 Muslim Brotherhood to Control New York?

Mamdani-A Brotherhood Agent Poised to Conquer by Brigitte Gabriel, ACT For America

The same ideology that fueled Al Qaeda's 9/11 attacks, devastating New York just 24 years ago, now threatens to seize America's largest city through Mamdani—a Brotherhood scion groomed for this moment, ready to ascend the global Islamic stage. America must awaken to this calculated nightmare before it's too late.

Nearly my entire life, I've battled the Muslim Brotherhood in all its insidious forms, from its devastation of my homeland, Lebanon, when I was a child, to its malignant growth into Hamas within the Palestinian community. I've sounded the alarm to America for years, knowing their cunning mindset, their coded rhetoric, and their chilling endgame. The barbaric October 7, 2023, attacks exposed their savage hatred for "infidels" like us, exposing their true capacity for unthinkable violence and savagery, screaming their true intentions to the entire world.

Now, the Brotherhood stands on the brink of their ultimate triumph: seizing New York City, a conquest they'll claim as eternally Muslim, defended with fanatic zeal. The horrifying reality is that Zohran Mamdani, a son of the Brotherhood, molded for this very moment, is poised to lead this takeover.

Zohran Mamdani, a Ugandan-born Democratic Socialist and New York City mayoral candidate, has ignited a firestorm with his radical affiliations and actions, raising serious questions about his eligibility to lead America's largest city. Having been a U.S. citizen for only six years since his naturalization in 2018, Mamdani's rapid rise in politics, coupled with his troubling ties to extremist organizations and rhetoric, has led to calls for his citizenship revocation and deportation. Critics argue that his background and actions reveal a dangerous agenda that threatens the constitutional foundations of the United States and the economic vitality of New York City.

Zohran Mamdani, raised in a devout Muslim Communist family, was profoundly influenced by his father, Mahmood Mamdani, a scholar whose book 'Good Muslim, Bad Muslim' defends suicide bombers. Mahmood's history as a Muslim Brotherhood activist, including his role in co-founding a Muslim Brotherhood-affiliated Muslim Student Association and the Makerere Institute of Social Research, points to a radical ideological upbringing. Zohran amplified these concerns by co-founding the Bowdoin College chapter of Students for Justice in Palestine (SJP), which threatened Jewish students, occupied IVY league school buildings, and supported Hamas and the Sabbath Massacre, a group that is a direct offshoot of the Muslim Brotherhood. His participation in a pro-Hamas march in New York on October 8, 2023, just one day after Hamas's brutal attack on Israel, where supporters chanted "One solution, intifada revolution" and "Globalize the Intifada," further underscores his extremist alignment. Instead of condemning Hamas's terrorism, Mamdani accused Israel of "genocide" by October 13, undermining U.S. foreign policy and national security.

Such actions and affiliations raise serious questions about how someone with these values was granted U.S. citizenship, casting doubt on the integrity of his naturalization process, *and that of his parents for that matter!*

This has prompted a concerted effort to challenge Mamdani's citizenship. Republican Congressman Andy Ogles of Tennessee has led the charge, calling for Mamdani's deportation and denaturalization. In a June 26, 2025, letter to Attorney General Pam Bondi, Ogles argued that Mamdani's 2017 rap lyrics expressing support for the "Holy Land

Five”—convicted for funneling money to Hamas—suggest undisclosed affiliations with terrorist groups during his naturalization process. “If Mr. Mamdani concealed relevant associations, that concealment may constitute a material misrepresentation sufficient to support denaturalization under federal law,” Ogles stated. He further labeled Mamdani an “antisemitic, socialist, communist who will destroy the great City of New York,” urging immediate action. The New York Young Republican Club echoed this sentiment, invoking the 1954 Communist Control Act to demand Mamdani’s citizenship revocation, stating, “The radical Zohran Mamdani cannot be allowed to destroy our beloved city of New York.”

Mamdani’s campaign, built on communist promises, is a smokescreen for a broader, destructive agenda rooted in his communist ideology and the Muslim Brotherhood’s strategy to infiltrate American politics. His anti-Trump tour across New York boroughs distracts from these concerns, exploiting anti-Trump sentiment to garner support, much like New York Attorney General Letitia James did. Yet, his opponents, including incumbent Mayor Eric Adams running as an independent, have been criticized for their lackluster response to Mamdani’s grassroots momentum. If unchecked, Mamdani’s vision could radicalize New York voters, transforming the city into not just a socialist stronghold but a symbol of global Islamic dominance, akin to the “Islamization” of cities like London.

New York City, a colossus of human ambition, its skyline a testament to dreams forged in steel and sweat, now stands at a chilling crossroads.

The ghosts of 9/11—when towers fell, skies choked with ash, and grief carved scars into the soul of this city—whisper a warning.

- Will you, New Yorkers, surrender to the creeping shadow of a global intifada, born from the same malevolent force that turned your streets to rubble and your hearts to mourning?
- Will you let the Muslim Brotherhood, through whispers like Mamdani’s, claim dominion over this beacon of global might, a city they’ve long sought to shatter?
- Or will you rise, haunted yet unyielding, from the embers of that dark day, to defy those who would drape your streets in chains of fear and ideology?

X. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Y. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Za. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make

people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

***It would be most appreciated** if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

***The more we can expose those Satan worshipping perpetrators** who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*

It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal

information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
