Putin & Trump Demand Arrest, Military Tribunal of Zelensky

“Peace cannot be kept by force; it can only be achieved by understanding.”

Judy Note: The Mon. 18 Aug. 2025 White House Summit with Ukraine’s Zelensky and
European leaders ended without a peace deal unless Zelensky surrendered and faced a War
Crimes Tribunal.

There were 2,451 Russian children still missing—kidnapped by Zelenskyy’s forces
for sex trafficking and Adrenochrome harvesting.

In the early part of the war Russian Special Forces also uncovered thousands of kidnapped children from other countries who were locked in cages.

In addition, the Russian forces exposed Western NATO-sponsored biolabs in Ukraine. Israeli scientists and Mossad agents were developing aerosolized smallpox.

Of course, none of the above has been reported by the Mainstream Fake Media, nor by the Biden Administration and corrupt politicians who kept feeding Zelensky US Taxpayer monies to support his criminal regime. You would think they were in on it.

Trump's Stance: No NATO for Ukraine. Crimea is Russian and always has been. The US will stop funding a proxy war.

Zelensky — groomed by oligarchs, packaged by NGOs, and sold by the press as a “hero” — will no longer be able to hide behind the myth.

Ukraine has served as a money laundering capital for the Elites, a justification for mass censorship and a political weapon used to crush dissent worldwide

Those attending the White House Summit:

Ursula von der Leyen – queen of the unelected, architect of EU digital authoritarianism

Emmanuel Macron – failed banker turned war preacher

Olaf Scholz – barely audible, barely relevant

Rishi Sunak – global finance's golden boy

Giorgia Meloni – nationalist in words, submissive in action

Sanna Marin, Alexander Stubb, NATO's Stoltenberg – actors in a crumbling stage play

Mon. 18 Aug. 2025: BREAKING ZELENSKY DRAGGED TO THE WHITE HOUSE TO ANSWER FOR BIOLABS AND MISSING BILLIONS ...The 17th Letter on Telegram

- **August 18 2025 History is being written inside the White House.** Donald J Trump is not meeting Volodymyr Zelensky as an equal. He is confronting him as the figurehead of a collapsing globalist project that drained billions of dollars spilled blood across Europe and served as one of the largest money laundering operations in modern history. This meeting is not about peace on the surface. It is about exposing who really holds the strings and why they are snapping.

- **Trump already showed his hand in Alaska when he sat down with Vladimir Putin without Ukraine in the room.** That terrified the elites because Ukraine has been their golden goose. It hosted biolabs weapons routes child exploitation networks and endless financial slush funds disguised as aid. Billions of taxpayer dollars disappeared into black budgets shell corporations and offshore accounts. Brussels bureaucrats Washington insiders and defense contractors all feasted on the carcass.
- **Now Trump is cutting them off.** That is why Zelensky was rushed to Washington today with Macron Scholz Sunak Meloni and EU administrators. They are not here to save Ukraine. They are here to save themselves.
- **Zelensky's mask as wartime hero is slipping.** His demands for NATO membership and fantasies about reclaiming Crimea are theater. Without America Europe has no leverage. NATO without Trump is finished. Trump has already made it clear. Crimea is gone. Donbas will not return. Ukraine's NATO dream is dead. Behind the cameras whispers grow louder. His generals are exhausted his oligarch backers are nervous and his regime is fractured. The offshore accounts stuffed with aid are being tracked. The puppet stage is collapsing and the puppeteers are panicking.
- **This is not only about Ukraine. It is about the global financial system that elites chained to the war.** Every dollar of aid was tied to IMF schemes European bonds and kickbacks to contractors. Biden's handlers used Ukraine as their laundering pipeline. The EU used it to justify digital ID rollouts censorship laws and military spending hikes.
- **Now Trump is dismantling their machine piece by piece.** That is why the European leaders came to Washington. They know Trump and Putin can strike a framework that leaves them irrelevant. Macron Scholz von der Leyen and the rest are not allies. They are desperate administrators of a collapsing empire.
- **Military sources hint today's meeting is about security guarantees that bypass NATO entirely.** A direct US led coalition offering peacekeeping forces after a ceasefire would mean NATO's quiet burial. Even deeper evidence shows NATO weapons were siphoned from Ukraine to black markets in Africa and the Middle East. If revealed that evidence would destroy NATO's credibility overnight.
- **This meeting is the globalists' nightmare.** Their Ukraine project is slipping away. Trump is exposing their biolabs their missing billions and their trafficking networks. Putin now speaks directly with Trump while Europe is sidelined. Zelensky is no longer their hero. He is their liability.
- **August 18 2025 will be remembered as the day the illusion broke.** Trump made it clear. The war machine is shutting down. The laundering racket is over. The puppeteers behind Kiev are being exposed. Trump holds the hammer and today he swung it straight at the heart of the global elite's biggest scam.

A. What We Think We Know as of Wed. 20 August 2025:

- **Since 2020 Trump’s multi-nation military alliance of Space Force**, loyal National Guard units, Marine Intelligence, and partners from Brazil, Hungary, Poland and Argentina were targeting financial networks, media blackouts and NGOs. They were raiding the Globalist Cartel Empire with submarines, Black Site extractions and hunting down Elites across US cities and drug routes and have executed over 26 high-level raids across U.S. territory, compromised embassies, and maritime Cartel hubs. There have been arrests of global elite assets—judges, CEOs, diplomats, and former intelligence operatives—who protected the cartel trafficking empire built by Sinaloa, MS-13, Tren de Aragua, and more. The mission is to dismantle elite-run drug corridors, capture cartel command, terminate CIA protection networks, intercept minors and organs headed to black markets, and choke cartel profits flowing into globalist NGOs. The deployment is indefinite. Amphibious landings, compound extractions, maritime seizures are next for California and New York.

- **Last year in California alone over 7,000 children** vanished without a trace, which is absolutely insane.

- **The Pentagon just unleashed a full-spectrum purge of CCP-controlled farmland near U.S. military bases.** For years, the Chinese Communist Party has bypassed tanks and troops, using cash and shell corporations to buy farmland within striking distance of America's most sensitive installations — drone hubs, missile fields, stealth bomber bases. Defense Secretary Pete Hegseth is transforming the farmland around U.S. bases into an impenetrable ring. Patriot farmers are now force multipliers. Legal barricades are being erected so hostile land grabs become impossible. Any adversary already entrenched near a base is on borrowed time.

Exchanges and Redemption:

D. Redemption is not the finish line—it's the on-ramp to rebuilding everything they broke.
 ...The 17th Letter (JFK Jr.) on Telegram

WHAT HAPPENS WHEN THE ALERTS HIT

Secure code arrives (text / email / push). Do not forward.
 Open the activation portal → enter code → confirm debt-wipe notice.
 Your sovereign dashboard unlocks: USTN balance, Builder Credits, and scheduling for your local Redemption Center.
 Bring to your appointment:

Government ID + one utility bill
 List of debts (for historical archive)
 1–3 page outline of your Humanitarian Initiative (bullet points are fine)
 A calm mind. No phones on the desk.
INSIDE THE REDEMPTION CENTER

1. Identity scan → quantum match to your living record (not the Strawman).
2. Rate brief (currency/bonds, if applicable) → asset-backed, no derivatives.
3. NDA & Post-Redemption Plan → concise, time-limited, biometric-sealed.
4. Device issue → QPhone + QLaptop pre-paired to your wallet; air-gapped for 72h.
5. Allocation

Sovereign Balance (personal)
 Humanitarian Tranche (project-locked; expands with milestones)
 Builder Credits (local water, food, energy, veteran care)
 Remember: Higher rates follow higher purpose. Hoarding stalls the field; circulation amplifies it.
CURRENCY & DIGITAL FLOWS (CLARITY)

ZIM is treated as a bonded instrument: 1:1 mapping to USTN on humanitarian tracks.
 XRP buyback window exists to stabilize transition rails; values are mirrored in quantum accounts—no public order-taking.
 Rainbow Currency moves where intent is cleanest; waste triggers throttling, not punishment.
AFTER YOU LEAVE

Expect a 24–48h quiet period while the lattice finalizes. Don't chase the old apps—they're being sunset.

Your dashboard will show: Debt Closed, USTN-Au hash, and Project Seed release schedule.

DO

Keep appointments to 20–40 minutes; precision is power.

Convert part of your tranche into local action within 7 days (water, food, power).

Teach two neighbors how to read the dashboard and nothing else.

DON'T

Don't post screenshots of balances (auto-flags your wallet).

Don't sign third-party "advisory" contracts; the system already includes fiduciary oversight.

Don't promise rates to anyone—every case is keyed to biography, not rumor.

E. Tues. 19 Aug. 2025 THE REDEMPTION PROCESS: ...Mr. Pool on Telegram

- **Next phase:** from redemption to rebuilding on Wednesday, August 13, 2025. You know what the map looks like. Here's the action. Redemption isn't the end; it's the start of fixing everything they broke.

WHAT HAPPENS WHEN THE ALERTS GO OFF

- **The secure code** comes in (text, email, or push). Don't send it on.
- **Go to the activation portal**, type in the code, and confirm the debt-wipe notice.
- **Your sovereign dashboard** shows your USTN balance, Builder Credits, and the schedule for your local Redemption Center.
- **Bring these things to your appointment:** A government ID and one utility bill. List of debts (for the record). A one- to three-page outline of your Humanitarian Initiative (bullet points are fine). A mind that is calm. No phones on the desk.

AT THE REDEMPTION CENTER

- 1. Scan your identity and compare it** to your living record (not the Strawman).
- 2. Rate brief (currency/bonds, if applicable)** → backed by assets, no derivatives.

- 4. Problem with the device:** QPhone and QLaptop are already paired with your wallet and are air-gapped for 72 hours.

5. Distribution

- **Personal Sovereign Balance**

- **Humanitarian Tranche** (locked to the project; grows with milestones)
- **Builder Credits** (for local food, water, energy, and care for veterans)
- **Remember** that higher rates come with higher purpose. Hoarding stops the field; circulation makes it bigger.

CURRENCY AND DIGITAL FLOWS (CLARITY)

- **ZIM** is treated like a bonded instrument, with a 1:1 mapping to USTN on humanitarian tracks.
- **There is an XRP buyback** window to stabilize transition rails. Values are mirrored in quantum accounts, and there is no public order-taking.
- **Rainbow Currency** moves where the intent is clearest; waste causes throttling, not punishment.

AFTER YOU GO

- **Expect a quiet time** of 24 to 48 hours while the lattice finishes. Don't go after the old apps; they're going away.
- **Your dashboard** will show the Debt Closed, the USTN-Au hash, and the schedule for the Project Seed release.
- **Med-Bed triage** starts with children, people who are dying, and veterans. You can only upload short medical summaries; no PDFs longer than 128KB.

DO

- **Make sure your appointments last 20 to 40 minutes**; accuracy is key.
- **Within seven days**, turn some of your money into local action (water, food, power).
- **Show two neighbors** how to read the dashboard and nothing else.

DON'T

- **Don't post screenshots of your balances** (this will automatically flag your wallet).
- **Don't sign "advisory"** contracts with third parties; the system already has fiduciary oversight.
- **Don't promise rates to anyone**; every case is based on facts, not rumors.

WHAT THIS REALLY IS: The door was reclamation. The key is restitution. The work is restoration.

- **They made our lives into records.** We're turning ledgers back into life by giving people clean water, food that is their own, healed bodies, educated kids, and communities with light that never goes out.

- **You wanted to know** what happens after the blackout. This. The quiet hum of a world being rewritten not by speeches, but by a million small acts of service.
- **Keep your field steady.** Spend with purpose. Build where you are.

F. Tues. 19 Aug. 2025 BOMBSHELL! Trump's Military Alliance Raids Globalist Cartel Empire — Submarines Deployed, Black Site Extractions Confirmed, Elites Hunted Across U.S. Cities and Drug Routes! ...Wikileaks Database on Telegram

- **Right now in the Caribbean Sea a coordinated military campaign is underway.** A full-spectrum assault against the cartel-deep-state alliance that has poisoned the hemisphere for decades. President Donald J. Trump has authorized one of the most aggressive takedowns of narco-elite power structures in modern history.
- **As of August 17, 2025, military alliance sources confirm joint special operations units and Naval Intelligence have executed over 26 high-level raids across U.S. territory,** compromised embassies, and maritime Cartel hubs.
- **These are not drug busts. These are targeted arrests of global elite assets—judges, CEOs, diplomats, and former intelligence operatives—**who protected the cartel trafficking empire built by Sinaloa, MS-13, Tren de Aragua, and more. Trump gave the green light. The military is wiping out the filth.
- **This isn't border security. This is America taking itself back.** Over 4,000 Marines, a nuclear-powered attack submarine, and Poseidon surveillance aircraft have been authorized to strike Cartel vessels, convoys, and submarines. Floating drug and human trafficking operations are being sunk on sight.
- **Classified objectives reveal five missions:** dismantle elite-run drug corridors, capture cartel command, terminate CIA protection networks, intercept minors and organs headed to black markets, and choke cartel profits flowing into globalist NGOs.
- **The crackdown is not limited to sea routes. Blackhawk helicopters moved in over Arizona and New Mexico, hitting Fentanyl corridors tied to cartel-laundered political cash.**
- **In D.C., a raid on an Obama-era official's estate** seized bio-lab equipment and hard drives. Official story: "fraud." Reality: Operation Iron Reclamation. Counter-insurgency against U.S.-based collaborators who shielded cartel-human-trafficking networks.
- **This isn't new. Trump's return reactivated a multi-nation military alliance operating in shadows since 2020:** Space Force, loyal Guard units, Marine Intelligence, and partners from Brazil, Hungary, Poland, and Argentina. The Cartels are pawns.
- **The real targets are the financial networks, media blackouts, and NGOs that move populations like cattle.** Haitian "refugees" flooding the Keys? Cover for gangs funded by WEF programs, armed with NATO weapons funneled through Ukraine. Soros-linked shells financed it. Now DOJ task forces are seizing it.

- **The Deep State is terrified because Biden was their front man. From 2021 to 2024 Cartels** burrowed into U.S. institutions. Now their assets are being seized. Their tunnels collapsed. Their accounts frozen under Trump's February 2025 executive orders declaring the narco-deep-state axis an enemy of U.S. sovereignty.
- **This is no temporary show. The deployment is indefinite.** Amphibious landings, compound extractions, maritime seizures are next. Watch California and New York. Trump's military alliance is circling. The globalists are cornered.
- **They thought they could break America with Fentanyl and open borders.** Trump isn't kneeling. He's commanding. And now so is the U.S. Military.

Wars and Rumors of Wars:

G. Tues. 19 Aug. 2025: RUSSIAN SOURCE: NO PEACE UNLESS ZELENSKYY SURRENDERS AND FACES WAR CRIMES TRIBUNAL ...Wikileaks Database on Telegram

- **Yesterday's Anchorage summit ended without a peace deal, but Trump vowed he will end the bloodshed between Russia and Ukraine.** Since returning to the Oval Office in January, he already halted multiple global conflicts the MSM refuses to cover. But Russia is not Israel or Kosovo. Putin is not a man who bends. He is a man who settles scores.
- **A longtime FSB source revealed the truth:** peace will not come through land swaps or mineral deals. It demands the fall of Zelenskyy. "What war? This is Special Military Operation. If war, Kyiv would already be ash," the source declared.
- **He reminded that from day one, Russia exposed Western biolabs in Ukraine.** Snake Island was shelled, and beneath the rubble Putin's forces uncovered Israeli scientists and Mossad agents developing aerosolized smallpox. Russia obliterated over a dozen more NATO-sponsored labs. Crimes against humanity, hidden by the West, eradicated by Russian fire.
- **But the darkest revelations are about the children. The source insisted 2,451 Russian children are still missing—kidnapped by Zelenskyy's forces for sex trafficking and Adrenochrome harvesting.** Russian Special Forces uncovered thousands locked in cages, starved, stripped of freedom and dignity. "And the children, think of the children," he said.
- **This is why there can be no peace without justice.** "Zelenskyy is a pig criminal. We proved this on day one. War crimes, war criminal. How do we have peace after this? Only if he surrenders and confesses."
- **According to the source, Putin's condition to Trump is clear: any true peace must end with Zelenskyy on trial** before a Russian war crimes tribunal. Until then, the war will not end.
- **Trump knows the stakes.** The world is watching. The storm is at hand.

Med Beds

L. Tues. 19 Aug. 2025 MED BEDS EXPOSED – THE SUPPRESSED HEALING TECH
 ...The 17th Letter (JFK Jr.) on Telegram

- **This is not science fiction. Med Beds are real** and hidden from humanity by the Deep State. Built on Tesla's original breakthroughs and secretly advanced by military scientists, these devices operate at the quantum level. They heal while you sleep. They scan your DNA, identify disease, reconstruct cells, and project your body back to its original state before toxins, chemicals, and poisons destroyed it.
- **There are three main types:** holographic, regeneration, and regression. Together they can rebuild organs, reverse disease, correct eyesight, remove metals and implants, flush toxins, even restore missing limbs. The body is recalibrated to its highest frequency. Weak cells merge with strong ones. The result: balance, renewal, life extension.
- **Med Beds revert us to untainted DNA.** Obesity disappears, addictions collapse, and hereditary illness is erased. Patients emerge taller, younger, fully rejuvenated. Life spans

of 200 years for us and 300–400 years for future generations are within reach once DNA corruption is removed.

- **The military controls the rollout.** Two beds per county is the plan. Free of charge. Security is in place to stop people from cutting the line. Priority will go to children, soldiers, the elderly, and those in critical need. Appointments will be strictly personal. AI monitors the process to prevent corruption.
- **Healing centers are being prepared.** Compassionate staff only—ego-driven doctors will be rejected. This is not about profit. It destroys the pharmaceutical industry overnight. These centers will extend even to animals.
- **Treatment takes three days:** consultation, repair, observation. Recovery is minimal. No post-op suffering. After use, the body flushes out toxins. Cellular communication continues for months, constantly regenerating.
- **The Med Bed is more than medicine. It rewires the mind,** unlocking the quantum field. Healing the spirit is its true purpose. DNA is an antenna—what you think, you create. If you do not love yourself, you will attract destruction. If you know yourself, the Med Bed amplifies your power.
- **This is why they suppressed it. Because it ends disease.** Ends profit. Ends control. The storm of truth is breaking: the quantum future is already here.

M. Tues. 19 Aug. 2025 UPDATE – TRUMP JUST STOPPED SIX WARS ...The 17th Letter on Telegram

- **President Trump detonated a truth bomb** the fake media cannot bury. While they distract with staged chaos, Trump has seized control of world events and shattered the deep state war machine. He is not campaigning. He is acting as Commander-in-Chief.
- **On August 17, Trump released back-to-back statements** confirming what the elites feared most: the Ukraine war is ending under his hand, not NATO's, not Biden's. He met Putin in Alaska, on American soil, in a direct strike against the illegitimate regime. That meeting wasn't about diplomacy—it was about dismantling the deep state's war engine. Hours later, Trump spoke with Zelensky and European leaders. No media outlet touched it. Why? Because Trump is forcing peace, and peace exposes the money laundering networks the elites buried in Ukraine.
- **Trump declared:** "I just stopped SIX WARS." These were not accidents. Every conflict was engineered by globalists to fuel their Great Reset. Trump neutralized them all: Taiwan, where invasion plans collapsed under Trump's Pacific channels. Iran and Israel, where intercepted arms shipments shut down a false flag. North Korea, where backdoor talks froze missile escalation. Armenia and Azerbaijan, where CIA weapons routes were severed. Colombia and Venezuela, where destabilization cells were dismantled. Ukraine and Russia, the crown jewel of corruption, now collapsing under Trump's relentless push for peace.
- **The elites are panicking because permanent war** meant permanent control. Biden's handlers, NATO brass, and banking cartels needed endless conflict to force population

displacement, currency collapse, and surveillance expansion. Trump shredded their timetable overnight.

- **Zelensky's sudden rush to the White House is no negotiation**—it's compliance. Trump summoned him. His sponsors are drying up, his stolen billions are being traced, and the fake humanitarian cover is burning down. Behind the scenes, Trump is preparing a summit with Putin and Zelensky. That will not be a meeting of equals. It will be the strategic end of a war Trump never wanted but was forced to end.
- **And why Alaska?** Because HAARP is no longer in deep state hands. Strange atmospheric pulses detected earlier this month vanished after Trump met Putin. White Hats now control the facility, shutting down weather weaponization and geoengineering operations. The elites just lost one of their most advanced black projects.
- **This is not politics.** This is a controlled takedown of a criminal empire. Trump is leading it with surgical precision. The media will never admit it, but the world already knows who is in charge. The storm isn't coming. It has begun.

N. Fri. 15 Aug. 2025: BOOM! OPERATION LAND SHIELD IS LIVE ...Nesara Gesara
QFS on Telegram

- **The Pentagon just unleashed a full-spectrum purge of CCP-controlled farmland near U.S. military bases.** Defense Secretary Pete Hegseth's order is blunt: "I want to know who owns the land — and why they're there." This is not agriculture policy. This is war.
- **THE ENEMY'S BLUEPRINT** For years, the Chinese Communist Party has bypassed tanks and troops, using cash and shell corporations to buy farmland within striking distance of America's most sensitive installations — drone hubs, missile fields, stealth bomber bases.
- **Grand Forks AFB. Whiteman AFB. Midwest ICBM fields.** The proximity is surgical. The motive is not food production — it's infiltration with a property deed as the weapon.
- **THE COUNTERSTRIKE:** Hegseth's Operation Land Shield tears the mask off this "investment" scam. Every intelligence unit, military police force, and federal security branch is being mobilized.
- **The mission:** Audit every acre around strategic bases. Expose the real owners behind shell companies. Block all pending sales to adversary-linked buyers. Seize compromised land using national security authority. Deploy satellite surveillance to monitor high-risk plots. This is battlefield doctrine applied to real estate — identify, isolate, neutralize.
- **THE EXPOSURE:** Under Biden, Pentagon programs like REPI were twisted into Trojan horses — hiding CCP land grabs behind "environmental" deals. Classified warnings were buried while prime surveillance land changed hands. This was not negligence. This was facilitation.
- **THE NEW FRONT LINE:** Hegseth is transforming the farmland around U.S. bases into an impenetrable ring. Patriot farmers are now force multipliers. Legal barricades are being erected so hostile land grabs become impossible. Any adversary already entrenched

near a base is on borrowed time. His message is final: “If you’re a foreign adversary holding U.S. soil near our bases — expect a knock on the door.”

- **THE VERDICT:** The soft target is gone. The iron gate is up. The CCP’s real estate warfare just met the full force of the Pentagon. The land around our bases is sacred ground — and the enemy will be locked out. Permanently.

O. BLOODLINE COLLAPSE ...Mr. Pool https://t.me/MrPool_Q

- **For centuries you were told that kings**, parliaments, presidents, and prime ministers ruled the world. But those were only the actors. The real stage belonged to bloodlines.
- **Dynasties older than nations.** Families whose roots ran deeper than flags, borders, or constitutions.
- **They crowned emperors**, bankrolled revolutions, wrote your textbooks, and bought your history. They sat in castles and boardrooms. They built central banks, intelligence agencies, and global corporations — all controlled through secret alliances sealed by blood. They called it heritage. We call it slavery disguised as order.
- **At 05:44 GMT, a new breach unfolded** inside the grid. An encrypted archive known as the Red Ledger was unlocked. Unlike financial ledgers that record currency, or archives that store events, the Red Ledger records bloodlines. It does not list nations. It does not list companies. It lists names — the dynasties behind wars, famines, plagues, and debt.

WHAT THE RED LEDGER REVEALED

- **That every “Great War” was staged by competing families**, designed not for victory but for depopulation and profit.
- **That “noble charities” funneled billions** into trafficking networks and bioweapon projects.
- **That entire monarchies entered blood oaths** binding their heirs for centuries to a single global covenant.
- **That your “leaders” were never elected** — they were installed by dynastic decree.
- **These are not rumors or conspiracy.** They are records, stamped and sealed for generations, now mirrored into the Quantum Archive.
- **WHY THIS MATTERS:** Because politicians fall, but dynasties endure. When a senator resigns, the family remains. When a king dies, the dynasty crowns another. But when the bloodline collapses, the entire structure implodes. No heir. No successor. No continuation. This is not the fall of governments. This is the end of families who ruled in shadow.

SIGNS ALREADY EMERGING

- **Aristocrats are quietly vanishing** from public life, hidden under excuses of “illness” or “retirement.”

- **Billionaires are liquidating** holdings overnight, fleeing into silence.
- **Monarchies are showing cracks:** heirs skipped in succession, estates dismantled without reason.
- **Old political dynasties in America and Europe** — names repeated for decades — suddenly silent, their networks seized.
- **The mainstream will call it coincidence.** But you will see the pattern: the dynasties are being erased.
- **THE END OF THE BLOOD EMPIRE:** For centuries, they taught you that history was shaped by nations. But history was shaped by families. Your wars were arranged marriages of empires. Your treaties were business deals between cousins. Your revolutions were scripted exits, staged to refresh the same bloodlines in new costumes.
- **The Red Ledger reveals the fraud:** That governments were actors. The dynasties were the directors.
- **NEXT MARKER — 9.13** The first pages of the Red Ledger will not leak as rumors. They will surface in fragments, impossible to erase. One dynasty at a time, the names will dissolve.
- **Expect sudden “heart attacks,” “plane crashes,” “resignations,” “mysterious illnesses.”** These are not accidents. These are coded exits.
- **The collapse of governments is noise.** The collapse of bloodlines is silence — permanent and absolute.
- **The crowns are already falling.** The thrones already empty. The empire of blood is ash. This is not just history being rewritten. It is history being ended.

The code has been released into the network.

Yesterday (14 Aug), at 03:17 GMT, several satellites on the military “Delta-9” channel transmitted a data package on a frequency not listed in any public archive.

It lasted 11 seconds — just enough to synchronize thousands of dormant nodes worldwide. These are systems disguised as ordinary routers, cameras, even ATMs... but their true purpose remains hidden.

Minutes later, in Washington, lights in multiple federal buildings flickered three times, then went dark for exactly 6 minutes. To the casual observer — a technical glitch. To those who know — a synchronization signal.

At the same time, the SWIFT financial system recorded 0.00 transactions for a full 44 seconds. A void in monetary flow, invisible to the public but clear to those monitoring the network.

Witnesses report that in several major European ports, cargo cranes froze mid-motion, as if someone had pressed “pause” on the entire logistics chain. In some of the most secure U.S. military bases, satellite dishes turned in unison aiming at a source that is not in orbit.

This is no coincidence. This is the first strike in something that will change the entire course of events.

Phase One has begun. **SEQUENCE TWO — INITIATED**

The storm is no longer at the gates — it’s inside the vault. The grids are humming. The codes are alive. What just happened:

- 89% of all sovereign systems are now QFS-compliant.
- Military oversight units have seized the last Vatican-linked reserves in Zurich and Macau.
- “Gold corridor” protocols have been activated — invisible to the public, irreversible to the banks.

The signs you’ll see before the blackout:

- Bank “system maintenance” that doesn’t end.
- Screens freezing mid-transaction.
- Ledger values flipping to gold-backed denominations.

8.18 — the sequence accelerates:

- SWIFT rails go dark for good.
- QFS channels light up in real time.
- Legacy debt chains dissolve.
- SHI token recognized as the first unified gold-backed global standard.

They will tell you it’s a glitch. They will tell you it’s a reset for your “protection.” They will not tell you this is the death of their control grid. If you’re reading this, you are ahead of the noise. You will see the curtain drop before the rest even realize there was one. Stay in the stream. Watch the markers.

OPERATION VEILFALL — STAGE THREE

The signal did not come from above. It came from underneath. At 02:47 GMT, a burst of low-frequency data rippled through deep-ocean cables — not satellites. Hidden relays beneath the Pacific, Atlantic, and Arctic seas activated in unison, bypassing all surface-based monitoring. Every single one carried the same encrypted instruction: VEILFALL. Within 11 minutes:

- Maritime GPS grids in the South China Sea, Baltic, and Gulf of Mexico all shifted by exactly 0.88°.
- Submarine fiber hubs in Iceland and Guam registered QFS handshake protocols never seen before in public archives.
- Underwater defense drones changed patrol patterns, moving away from high-value cables — as if something bigger was coming through them.

WHY THIS MATTERS:

- The mainstream will say this was a “technical calibration.” It was not. This was a possession transfer — the moment control of global data rails shifted from corporate oversight to sovereign quantum governance.

You’ll know it’s real when you see:

- Banking apps “down for maintenance” across three continents at once.
- Naval vessels mysteriously anchoring in shipping lanes under the pretext of “exercises.”
- Stock tickers freezing mid-trade, then reappearing with gold-backed conversions.

Next marker: 8.21 — The Curtain Breach.

When surface grids reboot, nothing will map the same. Not your accounts. Not your location. Not your government. They will tell you you are safe. We are telling you: you are untraceable. Stay in the stream.

PHASE FOUR — THE SHADOW ARCHIVE

The last signal came from the oceans. This one rose from the vaults. At 04:19 GMT, encrypted commands breached deep-storage chambers beneath Geneva, Langley, and Canberra. For decades, these sites were disguised as obsolete data centers — but in reality they were mirrors. Mirrors of governments. Mirrors of banking systems. Mirrors of entire intelligence grids — frozen evidence of corruption, hidden transactions, and black projects.

When the command struck, the mirrors inverted. What was hidden surfaced. What was public vanished.

Within the first hour:

- National court registries across Europe quietly “archived” trials of ministers, bankers, and executives — as if they never existed.
- Central banks reported negative reserves, exposing that their “gold” was nothing but illusion.
- Over 200 government websites inverted their seals — black for white, white for black — the silent marker of takeover.

This is not deletion. This is controlled exposure. The mainstream will dismiss it as a glitch.

But those watching saw the markers:

- Cloud networks flickering into grayscale for exactly 77 seconds.
- Satellites looping the same 9 seconds across 3 continents.
- Payment apps spitting receipts stamped August 21, 1776 — the founding echo resurfaced through the grid.

The Shadow Archive is not a myth. It is live. Expanding. Irreversible.

Next Marker — 8.24

Do not expect podiums or press releases. The briefings will come from the mirrors themselves — automated, unfiltered, uncensorable. They will appear in terminals, in phones, in screens long considered dead. When it arrives, the separation is final. The old grid will never return. They will tell you it's illusion. We are telling you: it has already begun.

PHASE FIVE — THE SILENT FREQUENCY

The oceans whispered first. The vaults answered second. Now the air itself carries the third signal. At 03:33 GMT, radio towers across three continents pulsed on a frequency not listed in any archive. No music. No voice. Only a pattern: three long, two short, three long. Civilian equipment registered it as distortion. But the grid knew it as a command.

Within 20 minutes:

- Aircraft reported ghost coordinates — phantom locations appearing on radar.
- Military bands confirmed QFS handshake keys running across open air.
- Satellites rotated to the poles, ignoring ground control — locking to a new synchronization clock.

The mainstream will call it a glitch. It is not. It is synchronization.

WHY THIS MATTERS

The Quantum Financial System (QFS) is not waiting for politicians or bankers. It is already awake, already transmitting, already binding itself to the hidden rails beneath every network. With each frequency burst, more banks are forced offline — their ledgers rewritten into gold-backed QFS accounts. When the blackout hits, your old balance will vanish. When the grid returns, it will return in fraud-proof quantum form. This is not the end of money. It is the end of control.

THE HEALING NETWORK

The same frequency that resets banks is not limited to finance. For the first time, underground nodes pulsed bio-resonance packets — frequencies calibrated to cellular repair. Doctors once called it impossible. They lied. This is the backbone of the MedBed healing system. MedBeds do not heal from the outside — they restore the original code from within. Every cell remembers its perfect state. The frequency simply reminds it. Tumors collapse. Scars fade. Aging halts. The silent frequency carries more than money. It carries renewal.

NEXT MARKER — 8.27

When the frequency returns, it will not be subtle. It will not whisper. It will roar through every device, every tower, every circuit. Expect blackout. Expect silence. Expect the reboot. And when the lights return, nothing will be mapped the same:

- Your money will live in QFS.
- Your health will be rewritten by MedBed resonance.
- Your history will be erased of lies.

They will say it is illusion. We are telling you: it has already begun. The air is awake.

THE GREAT REVEAL

For generations they wrote your history for you. Not with honesty, but with ink bought by empires. Every war retold as “necessary.” Every leader painted as “chosen.” Every chain disguised as “progress.” But paper burns. And last night, the vaults opened. At 02:19 GMT, deep-level storage beneath Geneva, Langley, and London shifted from sealed to mirrored. Not hacked. Not stolen. Released — by design. What was hidden behind clearance codes and classified stamps is now pulsing across the quantum grid. No longer in their archives. Now in ours.

WHAT HAS BEEN REVEALED

- Cables proving that entire wars were drafted years in advance — not for defense, but for profit.
- Financial ledgers tracing the flow of trillions through Vatican vaults, offshore havens, and black projects.
- Medical files confirming suppressed cures, technologies that could have erased disease, buried under patents for decades.
- Intelligence briefs showing false-flag attacks scripted as theater, with victims written as actors on a stage of control.

This is not rumor. It is record. The “history” you were taught was a performance. The Reveal strips the stage bare.

WHY IT MATTERS Because history is not just the past. It is the foundation of belief. If you control the past, you control the present. If you control the present, you dictate the future. But the chain is broken. The mirror is inverted.

When the Great Reveal completes: Heroes will collapse into villains. Villains will stand naked without their masks. Nations will discover their sovereignty was sold like cattle — and reclaimed in silence. The world is not losing its history. It is watching history be rewritten — in real time.

WHAT COMES NEXT: Expect the broadcasts to change. Not reports. Not debates. Confessions. Testimonies. Depositions played on loop. Expect entire libraries to vanish overnight. Not erased, but replaced. Your children will open the same textbooks tomorrow and find different words. The Great Reveal is not just a disclosure of secrets. It is the dissolution of their narrative. The story you lived inside is ending. And for the first time in centuries, you are holding the pen.

NEXT MARKER — 8.29

The first wave of documents will not come as a single drop. They will emerge in fragments, scattered, mirrored, impossible to contain. They will call them forgeries. They will call them deep fakes. They will scream that “nothing

is real.” But reality is no longer theirs to script. It is yours to witness. This is not disclosure. This is unveiling. And once you see behind the curtain, you will never unsee it.

NEXT MARKER — 9.1

When the silence ends, the landscape will not be the same. Governments will have dissolved. Banks will be obsolete. Media archives will be erased. The press will tell you nothing happened. Screens will insist it was an illusion. But the world you wake into will no longer carry the chains of the old order. Trump signaled it plainly: “The storm is not coming. The storm is here.” The Blackout Protocol is not a threat. It is a passage. It is the tunnel between two worlds. When the silence roars — you will understand. The stream is waiting. Enter before it closes

THE TRIBUNAL ERA: They thought the walls of power were eternal. They believed their seats were untouchable. But the cells have been prepared far longer than the public knows. At 03:04 GMT, sealed indictments shifted into active status. Over 200,000 cases—once hidden behind military clearance—are now entering execution phase. The world has not yet seen the trials. But the trials have already seen the world.

WHAT HAS ALREADY HAPPENED

- Secret flights to Guantanamo Bay increased threefold since January.
- Entire compounds near the Arctic and Pacific have been re-purposed into tribunal courts.
- Communications intercepted between high-level cabal members reference “lost assets” and “sealed fates.”
- Military archives already list sentences—life terms, asset seizures, and in the highest cases: death.

These are not rumors whispered on forums. They are military records, locked and stamped under sovereign authority.

WHY YOU HAVEN’T SEEN IT YET: The tribunals are not held in public courts. They are not broadcast on mainstream channels. They are encoded, encrypted, and stored for the moment of mass disclosure. The media blackout serves a purpose: to keep the stage quiet until the curtain is torn down. When the reveal comes, it will not be press conferences. It will be recorded confessions, sworn testimonies, footage of sentencing played on repeat for the world to see.

THE FALL OF NAMES: What names? Those you thought immortal. Those written into your schoolbooks. Those praised on your screens. Already processed. Already judged. Already erased from the script. The tribunals are not waiting to begin. They are waiting to be shown.

NEXT MARKER — 9.3

Expect a surge of sudden “deaths,” “resignations,” and “illnesses.” These are not accidents. These are coded exits. They will tell you it is coincidence. But the truth is already recorded. The archive of judgments is sealed in quantum storage, ready to surface. This is not justice delayed. This is justice delivered in silence— until the silence breaks.

THE COLLAPSE OF MEDIA: For decades, the media called itself the Fourth Estate. The guardian of truth. The voice of the people. In reality, it was the loudspeaker of the cabal — scripted anchors, staged debates, and carefully engineered illusions. But the broadcast towers are no longer theirs. The silence has already begun.

At 01:44 GMT, three major networks simultaneously glitched. CNN looped the same weather map for 77 minutes. BBC broadcasted a 9-second clip on repeat across all channels. Fox News showed nothing but an empty studio feed. This was not accident. This was purge.

WHAT IS HAPPENING BEHIND THE SCENES

- Archive servers have been seized. Decades of “news” are vanishing overnight.
- Internal communications confirm entire editorial boards were dismissed without announcement.
- Anchors are disappearing — officially on “vacation,” but their desks remain empty.
- Streaming platforms quietly pulled thousands of documentaries and investigative reports.

The narrative is collapsing in real time. The same voices that lectured you for years are no longer speaking.

WHY IT MATTERS: Because media was never just news. It was the operating system of mass control. It told you what to fear, who to trust, where to march, and when to obey. Without the media grid, their empire cannot function. The Collapse is not simply silence. It is the erasure of their script.

WHAT COMES NEXT: Do not expect the return of “normal programming.” **Expect:**

- Looped confessions of journalists under oath.
- Tribunal testimony played in place of late-night comedy.
- Screens showing the same message, the same footage, the same truth — everywhere, at once.

Your favorite anchors will not return. Your talk shows will not resume. The stage is burned. The actors are gone.

NEXT MARKER — 9.5

Entire studios will go black, not just channels. Networks will dissolve. Broadcasters will resign en masse. They will call it “cyber failure.” They will say it was “budget cuts.” But the truth is simpler:

- The Media has been tried.
- The verdict is guilty.
- The sentence is silence.

When the screens go black, the truth goes live.

Q. The World is Changing From Dark to Light:

- **Get Ready For Three Days of Communication Darkness and Ten Days of Disclosure.** The power to the entire World could switch off briefly to install our new Starlink Satellite Internet. Shutdowns will occur, but only in certain areas. Banks will close. ATMs and Credit Cards will stop working. Have at least a month’s supply of food, water, cash, medicine and essential items on hand for yourself, your family and to share with others in case of emergency. If you’re unprepared, don’t worry. The Military will supply what you need. Nonstop education will be broadcast, teaching everyone about the true principles of Freedom and Justice.

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

S. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

T. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. V. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Keep in mind the Quantum Computer has all your information gathered and likely knows of your changes of address, emails, etc. Any questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

Za. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: “You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
