Putin Warns of Covid Jab as a Bioweapon: ...White Hats on Telegram Sun. 24 Aug. 2025

According to the White Hats, Putin has given Trump a 25,000-page dossier exposing mRNA vaccines as bioweapons.

The core accusation: Pfizer and Moderna's injections were not medicine—they were tools of war. At the center of it all stands Bill Gates. "Time to arrest him."

Russian scientists, biochemists, and intelligence units carried out a years-long forensic investigation of Pfizer and Moderna's programs. Their findings: The vaccines share the structural and operational profiles of military-grade biological agents, not civilian health treatments.

Deployment was synchronized with Western intelligence, citing DARPA as a shadow command center. The operation was hidden under corporate branding, propaganda, and censorship to simulate a pandemic response while carrying out a controlled biological strike.

The result: 25,000 pages of documentation, now in Trump's possession that proves mRNA vaccines were a result of a Globalist coup in chemical form. According to the dossier, the injections were part of a non-kinetic biowar campaign designed to weaken, track, and control populations.

Three pillars of the operation:

Biotech Fronts – Pfizer and Moderna as civilian covers for military tech, tied to secretive government labs and DOD contracts.

Intelligence Links – DARPA and allied agencies engineered mRNA vectors long before the pandemic narrative began.

Globalist Funding – BlackRock, Vanguard, Microsoft, Google, and Gates poured money and influence to enforce worldwide compliance.

The report concludes: "The mRNA injections were a coup d'état—disguised as medicine." The dossier places Gates at the core, tied to every level of planning, funding, and narrative control. He leveraged WHO and GAVI to lock nations into vaccine-only policies, financed mRNA years before COVID, and deployed censorship tools to crush dissent. The final judgment: Gates is not a philanthropist—he is the architect of chemical submission.

White House insiders confirm Trump is preparing decisive action. A task force will review the dossier under national security protocols. Legal frameworks for international tribunals are already being mapped out. Charges may target Gates, Pfizer, and Moderna executives.

Behind closed doors, Trump's words were chilling: "They poisoned the world. And they're going to pay for it."

B. Possible Timing:

THE GREAT SILENCE BEFORE THE SIGNAL: QFS Live as of Sun. 17 Aug. 2025

- **The Quantum Financial System (QFS)** is no longer a concept locked in secret halls. It breathes. It pulses. It's being tested in shadows while the old fiat corpse still pretends to be alive.
- **For months, the system has been whispering.** Bank terminals flicker. Satellites "recalibrate." Power grids stutter for seconds, then return as if nothing happened. To the untrained eye — glitches. To those who know — signals. What you're witnessing is not chaos. It's the final rewiring of the global network.
- **Every transaction you've made in recent weeks** already passed through nodes you were never told exist. The "banks" you still see on the street are facades, like empty shells of a dead organism. Inside the core — quantum settlement, asset-backed transfers, incorruptible code.
- **And what comes with QFS?** GESARA. NESARA. Debt release. Restoration of stolen wealth. Funding for suppressed technologies — MedBeds, free energy, hidden cures. This is why the silence feels so heavy. Because once the switch flips, there will be no turning back.

Watch for these markers:

- Lights cutting out in government buildings for minutes at a time.
- News anchors "losing" audio simultaneously across networks.
- Sudden revaluation of currencies in small, "insignificant" nations.
- An unexpected global message, looping across every screen.
- When it hits, remember this: the storm isn't coming. The storm is already here. You're just waiting for the broadcast.

D. Sun. 24 Aug. 2025 CLASSIFIED! TOP SECRET GCR PLAN: 90+ NATIONS IN A TWO-PHASE GLOBAL CURRENCY RESET FOR STABILITY AND GROWTH — PHASE 1 AND PHASE 2 ...QFS on Telegram

- **Two leaked TOP SECRET documents** have revealed a phased Global Currency Reset (GCR) — decades in the making and designed to stabilize currencies, deliver emergency relief, and unite over 90 nations under a fairer financial system. Stamped with high-level clearance and mapped with military precision, the plan outlines a two-phase rollout that could reshape the world economy.
- **THE LEAK THAT SHOOK THE FINANCIAL WORLD** The mission is clear: stabilize fragile economies, streamline global trade, and create a resilient system for the 21st century. The deeper aim? End currency manipulation, prevent collapses, and level the field for both developed and developing nations.

PHASE 1 — THE STRATEGIC FOUNDATION

- **Countries 1–10:** Peru, Chile, Finland, Kazakhstan, Papua New Guinea, Paraguay, Uruguay, Spain, Singapore, Croatia. These nations test adaptability — from resource-rich South America to European trade hubs.
- **Countries 11–20:** Philippines, Bhutan, Malawi, Venezuela, Nigeria, Mali, New Guinea, Western Sahara, Sudan. Nations long plagued by inflation and debt — stabilized through integration into the reset.
- **Countries 21–30:** South Sudan, Eswatini, Somalia, São Tomé, Gambia, Comoros, Madagascar, Gabon, Mozambique, Equatorial Guinea. African states with limited banking infrastructure leapfrog into digital trade networks.
- **Countries 31–44:** Mauritania, Togo, Lesotho, Eritrea, Djibouti, Liberia, Guinea-Bissau, Benin, DRC, Central African Republic. Fragile states often reliant on aid gain liquidity and protection from currency manipulation.

PHASE 2 — THE POWER INTEGRATION

- **Countries 45–55:** Argentina, Bahrain, Costa Rica, Cape Verde, Saudi Arabia, Germany, Czech Republic, France, Dominican Republic, Portugal, Bulgaria. Oil-rich Gulf states and European powers anchor credibility.
- **Countries 56–65:** Trinidad & Tobago, Jamaica, Canada, Cuba, Afghanistan, Belarus, Iran, Moldova, Finland, Panama. A mix of rivals and allies proves the GCR bridges deep political divides.
- **Countries 66–75:** South Korea, Japan, Luxembourg, Netherlands, England, Ireland, Morocco, Hawaii, Antigua & Barbuda, Switzerland. Financial giants unite with Pacific and Caribbean islands, merging high-volume trade with small-market resilience.
- **Countries 76–90:** Norway, Monaco, Northern Ireland, Guatemala, Hungary, Austria, United States of America, Spain, Panama. The U.S. enters last, ensuring the system is stress-tested before the largest economy commits.

THE PROMISE OF THE GCR: Rapid Crisis Response: Emergency relief delivered instantly without conversion losses.

- **Trade Fairness:** Equal terms for both advanced and emerging economies.
- **Investment Security:** Stable currencies attract sustainable global investment.
- **Economic Sovereignty:** Nations retain control while gaining protection from currency wars.

FROM SECRECY TO STRATEGY: The secrecy was meant to prevent panic and market sabotage. Now exposed, the blueprint sparks debate on how to implement the reset for maximum stability and fairness.

THE DAWN OF A NEW ERA: The GCR is not about domination but coordination. It ensures that a farmer in Malawi and a manufacturer in Japan can trade on equal footing. If successful,

this could become the greatest economic reform of modern history. One system. Two phases. Ninety nations. One future.

E. Sun. 17 Aug. 2025: QFS ERA – THE SWITCH HAS BEEN FLIPPED ...Quantum Financial System on Telegram

- **For decades, the world was trapped in a system designed for control.** A system where banks decided your worth, where inflation stole your savings, and where invisible taxes chained entire nations. That system was never about prosperity — it was about enslavement. But the architecture of that enslavement has been quietly dismantled.
- **The Quantum Financial System (QFS) is already alive.** Not “coming,” not “planned” — but operating in the background, tested and secured by quantum nodes across the globe. It does not run on corrupted electromagnetic rails, but on quantum-light channels that cannot be hacked, traced, or manipulated.
- **Every transaction is instantaneous,** transparent, and asset-backed. No more fiat illusions. No more banking middlemen. No more theft disguised as “policy.”
- **What does this mean for humanity?** Total debt cancellation: mortgages, loans, and credit cards erased.
- **End of the IRS:** income tax abolished, replaced by a fair sales tax on luxury goods. Return of stolen wealth: hidden trusts like the Saint Germain Fund ready to release trillions back to the people.
- **Universal stipends:** every citizen supported, not enslaved.
- **Technological liberation:** Med Beds, free energy, clean water systems unleashed.
- **This is not just a financial transition** — it is a cosmic reset of human destiny.
- **Governments are collapsing,** central banks are silent, and the old financial order is dying. The new quantum system waits for its public reveal. The moment the Emergency Broadcast System (EBS) triggers, the world will see the truth: the switch has already been flipped.
- **We are no longer prisoners of a dying fiat empire.** We are citizens of a quantum future

Restored Republic

F. Sat. 23 Aug. 2025 TRUMP ADMIN. CLEANING OUT THE DEEP STATE. ...Dan Bongino on Telegram

- **Their time is up and they know it.** Some of the biggest threats that the Trump administration and we the people face are in our own government. From the FBI, the CIA, the DOJ, all through out our courts and within the Pentagon itself, there are officials actively running operations against a sitting president.
- **The firing of corrupt FBI special agents Walter Giardina, Brian Driscoll, and Steven Jensen** are the latest officials to be removed along with DNI Gabbard recently revoking 37 security clearances from other intelligence officials.

- **Sen. Grassley** is seeking records relating to current and former Department of Justice (DOJ)/FBI officials who may have committed serious misconduct by mishandling and destroying federal records, particularly related to Special Counsel Mueller's investigation into the now-discredited Trump-Russia hoax.
- **According to Freedom of Information Act** disclosures, former Mueller team member Andrew Weissman deleted all of the data on his government phone multiple times over the course of the Mueller investigation.
- **Additionally, whistleblowers allege the following of Special Agent (SA) Walter Giardina**, who played a significant role in the investigation and prosecution of Trump advisor Peter Navarro, as well as Arctic Frost, Crossfire Hurricane, Special Counsel Mueller's investigation, and the Dan Scavino, Roger Stone and Hillary Clinton cases:
- **SA Giardina** was an initial recipient of the Steele Dossier and falsely said that the report was corroborated as true.
- **SA Giardina** stated openly his animosity toward President Trump and made known his personal motivation to investigate Trump.
- **SA Giardina** electronically wiped the laptop he was assigned while working for Special Counsel Mueller outside of established protocol for record preservation, raising the possibility that he destroyed government records. The destruction of the laptop was reported to the DOJ Office of Inspector General.
- **SA Giardina** instructed agents to use false Emolument Clause predication on President Trump to "dig around."
- **SA Giardina** was a case agent assigned to the Crimson River case, later changed to Red Maasari. This case was leaked, by whom it is not known, to the Washington Post in August 2024, roughly 90 days before the presidential election, in an attempt to falsely discredit President Trump.
- **There is a process** that must be completed before major moves are made. People in certain positions must be removed before the trigger is pulled or this entire operation is for nothing when specific individuals are held accountable.
- **The law must be followed** and respected during this process and will lead to other crimes. It's all connected. Think logically.
- **These people are being identified and removed.** Promises made, promises kept. The deep state is actively being removed from power.

G. Sat. 23 Aug. 2025: BREAKING! TRUMP SEIZES CONTROL OF THE FEDERAL RESERVE IN MILITARY OPERATION. QFS FULLY ACTIVATED, GESARA ENFORCEMENT UNDERWAY, \$97 TRILLION IN DEEP STATE FUNDS FROZEN, VATICAN GOLD CONFISCATED, SHI TOKEN DEPLOYED UNDER SPACE FORCE COMMAND ...Trump Insider on Telegram

- **On July 25, 2025, Donald J. Trump walked into the Federal Reserve not as a politician, but as a wartime President.** Backed by the U.S. military, Space Force, and the Quantum Financial System, he seized control of the most corrupt institution in American history. For

over a century the so-called “Federal” Reserve was nothing more than a globalist laundering machine. That era is over.

- **The operation is now public. QFS has been activated, GESARA enforcement is underway, and the military has frozen \$97 trillion in shadow funds tied to child trafficking, war profiteering, and Big Pharma racketeering.** These assets are now being transferred into encrypted Redemption Center wallets, ready for distribution to the people under Treasury oversight.
- **The Fed’s \$2.5 billion “renovation” was exposed as a panic bunker:** fortified vaults, hidden servers, and biometric escape corridors. Trump’s visit was a battlefield inspection. Tribunals are being prepared in real time, with White Hat DoD units decrypting thousands of Fed documents linking Powell’s institution to Ukraine laundering, WEF shell companies, and DARPA biowarfare projects. The Fed is no longer a bank — it’s a crime scene.
- **Simultaneously, the Vatican’s financial empire has collapsed.** Pope Francis is dead, a fact concealed by mainstream media, and Vatican gold ledgers tied to Nazi wealth and trafficking routes have been seized. Those assets are now secured in Quantum Humanitarian Trusts monitored by Pentagon Joint Command. Religious, judicial, and financial shields of the elite are crumbling at once.
- **The digital SHI token — Sovereign Human Initiative —** has been deployed. Bound to gold, secured by biometric Quantum Access Cards, and un-hackable. SHI is already in use at Redemption Centers in Texas, Arizona, Nevada, and Alaska. Space Force’s Starlink grid provides quantum encryption for every transaction. If a transfer doesn’t pass through Space Force verification, it is blocked. This is total control of the financial battlefield, and it belongs to Trump.
- **Central banks worldwide are collapsing** structurally, not metaphorically. Japan is insolvent. The euro is at historic lows. Germany froze pensions. The UK halted high-net withdrawals. Over 430 elite escape payouts have been intercepted in Monaco, Singapore, and Tel Aviv. Their gold is gone. Their authority is gone. Their illusion is gone.
- **Over 130 nations are already in GESARA biometric compliance.** IRS offices are shutting down. Student loan and tax debts are being erased via quantum ledger corrections. Consumption-based taxation is replacing the corrupt income system. Every account, property title, and investment will be quantum-audited. Fraudulent entries wiped. Legitimate ones preserved.
- **The Emergency Broadcast System will trigger once 90% of global compliance is secured.** Expect public announcements: the end of the Federal Reserve, confirmation of GESARA rollout, activation of SHI as the global token, biometric onboarding, and Quantum Card distribution. Savings and wealth will be restored under quantum law. Illicit assets will be erased.
- **Trump did not return for politics.** He returned to annihilate the central banking system, dismantle globalist slavery, and restore sovereignty to humanity. The elite’s money is frozen. Their escape routes destroyed. Their gold seized. Their time is over.
- **QFS is live. GESARA is active. SHI is real.** And those who enslaved humanity with debt and lies will not survive what comes next.

H. Sat. 23 Aug. 2025: EXPOSING THE LIE THEY OWE YOU 495000 ...QFS on Telegram

- **You were never in debt.** You were the collateral. One hundred sixty nine trillion dollars in hidden wealth stolen from the American people. Four hundred ninety five thousand dollars owed to every citizen. The Strawman system is collapsing and the silent coup is finally being exposed.
- **THE NUMBERS THAT ENSLAVE:** The U.S. Debt Clock isn't just a blur of digits. It is a digital siren, a hypnotic illusion designed to convince you that you owe something. In truth it conceals a hidden ledger showing how generations of labor and wealth were extracted from the nation's bloodstream into private vaults. Citizens weren't participants in a republic. They were units of capital on a balance sheet.
- **AMERICA THE CORPORATION:** In 1871 the District of Columbia Organic Act transformed the republic into a corporate framework. From then on rights became conditional, interpreted by policy not principle. In 1933 Roosevelt seized private gold and replaced real assets with fiat currency backed by nothing but trust. Your birth certificate became a bond your labor the collateral.
- **THE STRAWMAN SCAM:** At birth a legal fiction was created in your name. The entity in all capital letters is not you but a financial trust. Through CUSIP numbers and hidden markets this Strawman is traded and pledged as security for national and global debt. Every contract every tax filing every signature reaffirms its existence. You are flesh and blood. The Strawman is corporate fiction. Yet for a century they blurred the line to ensure your captivity.
- **WHERE DID THE WEALTH GO:** Wealth of this magnitude does not vanish. It was funneled through taxation inflation debt instruments and endless printing into the hands of globalist institutions and central banks. While you were told to tighten belts they built empires of war surveillance and control. The greatest trick was the lie repeated daily—you are broke and the system must save you. The truth is the opposite. You are the creditor and your wealth has been stolen.
- **THE DEBT JUBILEE:** An awakening is spreading. Debt was never about irresponsibility. It was the chain of enslavement. A true Jubilee will not just cancel loans. It will expose the fraud dissolve the Strawman fiction and return wealth to its rightful source—the people who created it.
- **THE NEW ARCHITECTURE:** Blockchain AI and tokenized assets are not gimmicks. They are the rails of a new economy where value is transparent and theft is impossible. Ripple XRP and sovereign token networks are signals of what comes next. AI is exposing fraud in real time. The old architecture is cracking.
- **TRUMP AND THE FINANCIAL WAR:** Donald J. Trump is the only modern leader to openly confront the Federal Reserve cartel. By demanding asset backed money and calling out the inflation scam he positioned himself as the greatest threat to the financial Deep State. That is why the attacks against him never stop. If he wins their game ends.
- **YOUR BIRTHRIGHT:** This is not only about money. It is about identity. You were not born to be collateral. You are not a Strawman. You are sovereign. The reset that is coming is

not survival—it is reclamation. NESARA GESARA and the global financial awakening are not fantasies. They are reflections of a deeper truth. The system is wrong. Justice is overdue.

N. Sun. 24 Aug. 2025 USAID FILES KEY TO INTERNAL DEEP STATE WEB. Electronic files currently encrypted from Trump administration gaining access. ...Carolyn Bessette Kennedy on Telegram

- **The USAID files will expose every NGO**, front company, donor, associate, and individual against President Trump and the American people themselves.
- **USAID has been a front for the financing of Deep State** and rouge agency operations and regime changes across the world and even right here in the U.S.
- **USAID has financed not only stay behind special operators** to topple governments through covert ops like CIA project "Operation Gladio," but are also responsible for censorship or pushing narratives throughout media and social platforms, riots, protests, propaganda throughout colleges and schools or whatever clandestine agenda or operation is necessary for over 60 years.
- **USAID is also the only government agency** to refuse access to the Trump administration, even when ordered through the courts.
- **The internal workings**, communications, and all the files that would expose the largest taxpayer funded money laundering operation against the American people and President Trump himself and is currently encrypted behind security access codes that were not given to the Trump administration.
- **DNI Tulsi Gabbard** has the authority to declassify just about any file from the CIA, but currently can not access any USAID files at all, whatsoever, and are currently working on a solution to gain access.
- **Many physical files** were shredded and burned to hide as much illegal activity as possible before USAID went completely down.
- **The amount of protection**, hassle, and security they're putting the Trump administration through, just to get into these files should tell you everything you need to know about how important the inner workings, communications, and files really are.
- **These files will bring down** the entire house of cards.

O. Sun. 24 Aug. 2025: Your FBI has more updates for you on our efforts to defend the homeland and protect the American people. ...Dan Bongino on Telegram

- **Today in the southern district of California, a jury found Jinchao Wei**, a naturalized US citizen from China and a U.S. Navy sailor, guilty of espionage. Wei lied when he took his oath to defend the United States to become a sailor. Prior to celebrating his U.S. citizenship, Wei sent U.S. national defense information to a Chinese intelligence officer.
- **Wei admitted he knew his actions to help China** would be viewed as spying and affect his pending citizenship. Still he decided to STEAL military information, secretly transmit it to China, and cover his tracks until he got caught by the FBI and our partners. Wei risked everything...and he LOST.

- **China's intelligence officers AGGRESSIVELY target U.S.** military members with and without clearances. ANYONE can be a target of China's Communist Party under the right circumstances.
- **-If anyone offers you money** or compensation for ANY kind of military information, whether it belongs to the U.S. or our allies, this is suspicious and you should report it.
- **-If someone offers to pay you** for your opinion, pictures of military facilities, screenshots of military documents, names, or information about other military members, this is suspicious and you should report it.

China's intelligence officers WILL hide their true affiliation. Here are some red flags to look out for:

- **-A former colleague** reaches out to you, maybe out of the blue, and asks questions about sensitive programs that you're working on.
- **-They introduce you** to a foreign national who shows interest in your work.
- **-Someone you don't know** contacts you to write a paper about sensitive work-related topics.
- **-They want to move conversations** to private messaging channels like Signal or WeChat.
- **-At first, they might only ask for publicly** available information, but gradually insist on more sensitive or classified information.
- **-Offer to pay you MORE money** for NON-PUBLIC information.
- **-Want you to recruit others** with more or different access than you have.
- **-You try to cut off contact**, but they keep messaging you.
- **-They ask you to sign** a receipt for payment.
- **The disclosure of national defense information** could place the national security of the United States at risk. It can reveal our country's security posture against foreign invasion, endanger our military personnel, erode our economic security, undermine U.S. intelligence operations, and take away our negotiating advantage.

P. Sun. 24 Aug. 2025 DECLASSIFIED BOMBHELL: CLINTON FOUNDATION EXPOSED — FBI WANTED FULL INVESTIGATIONS BUT OBAMA'S DOJ SHUT IT DOWN — JUST RELEASED BY KASH PATEL ...The 17th Letter (JFK Jr.) on Telegram

- **A newly declassified FBI memo** proves multiple field offices were investigating the Clinton Foundation for bribery, pay-to-play, and foreign influence schemes — until Obama's DOJ killed the case. The corruption metastasized. Kash Patel just detonated the truth.
- **DECLASSIFIED DOSSIER — THE CLINTON COVER-UP:** Dated October 17, 2017, the internal FBI work memo was never meant to see daylight. It reveals the FBI was circling the Clinton Foundation on all sides. Washington, New York, Little Rock, Los Angeles — all had evidence pointing to the same rotten core: the Clinton Foundation wasn't a charity. It was a global money-laundering machine.

- **For years, Americans were told it was “conspiracy.”** The media mocked anyone who questioned Clinton Cash. But the memo confirms the reality: the FBI wanted to nail the Clintons. The case was real. Then Obama’s DOJ ordered it buried.
- **CLINTON CASH — THE ROADMAP TO TREASON** The memo names it outright: allegations at the heart of “Clinton Cash.” Dictators, oligarchs, and foreign governments poured money in. In return, they bought access, deals, uranium, weapons, and favors from America’s highest office. The evidence was there — financial records, testimony, foreign bribes disguised as donations. The roadmap was ironclad.
- **Yet every time agents moved forward,** DOJ lawyers stepped in. Every time evidence stacked higher, DOJ officials dismissed it. The order from the top: “Shut it down.” This wasn’t law enforcement. It was sabotage of justice at the highest level.
- **THE SHIELD THAT PROTECTED THE CLINTONS:** Obama’s DOJ acted not as prosecutors but as bodyguards for the Clinton crime syndicate. By killing the cases, they buried the Republic under systemic corruption. And the Clintons laughed, enriched, expanded global ties, and escaped accountability — because they knew the system was rigged in their favor.
- **THE ENTIRE ARSENAL OF PROOF:** FBI field offices in multiple states. Leads tied directly to Clinton Cash. Foreign bribes documented. DOJ obstruction on record. This isn’t a smoking gun. It’s the entire arsenal.
- **KASH PATEL — LIGHT IN THE DARKNESS:** Patel ripped down the wall of secrecy. As FBI Director, he declassified the evidence the Deep State thought would never surface. His act is more than transparency. It is a direct strike against the Clinton machine and the DOJ traitors who shielded it.
- **FINAL VERDICT:** The Clinton Foundation was not a charity. It was a global crime syndicate. The FBI knew. Obama’s DOJ buried it. But now the file is public. The people have the arsenal. The Clintons cannot run. The DOJ cannot hide. With Kash Patel leading the charge, the days of Clinton impunity are numbered.

Q. Thurs. 21 Aug. 2025 BOMBHELL REPORT – ANTHONY WEINER’S LAPTOP EXPOSED ...Quantum Financial System on Telegram

- **The leaked video from Anthony Weiner’s laptop isn’t just scandal. It is horror beyond imagination.** What investigators uncovered doesn’t belong in politics. It belongs in the darkest corners of hell. This was not a sex scandal. This was the exposure of depravity so vile it shattered even hardened FBI agents.
- **This laptop, seized during the Clinton email probe,** contained a file so grotesque it shook those who saw it to the core. The whispers call it “Frazzledrip.” Linked directly to Weiner and Huma Abedin, Hillary Clinton’s closest ally, it allegedly depicts ritualistic acts so monstrous they defy comprehension. Sources describe scenes “worse than any horror film,” enough to leave lifelong trauma.
- **FBI insiders reported that hardened law enforcement** broke down after viewing it. Some left the force. Others required psychological treatment. These were not rookies—they were

men and women used to blood, crime, and terror. Yet this was different. This was evil laid bare.

- **Huma Abedin has remained silent**, her name forever shadowed. Anthony Weiner's career is long dead, but this ensures his legacy will be one of filth, corruption, and unspeakable crime. He was not simply reckless. He was a vessel of the Deep State's sickness.
- **The implications stretch far beyond Weiner.** Clinton's inner circle is implicated. Elites tied to child trafficking, ritual abuse, and global blackmail networks. This is not rumor—it is the kind of evidence that shakes entire governments. The system's silence proves its complicity. If the truth was ever shown to the public in full, society itself might fracture.
- **Legal battles swirl, but the real war is psychological and spiritual.** This laptop obliterated what little trust remained in our institutions. How many in power are compromised? How many are part of the cult that thrives on secrecy, suffering, and blood?
- **The public's morbid curiosity fuels discussion**, but this is not entertainment. This is the smoking gun of a satanic elite empire. Every revelation cuts deeper into the illusion of democracy. Every leak exposes another crack in their fortress of lies.
- **The world must face the reality:** these are not just corrupt politicians. They are predators. They are monsters hiding behind smiles and titles. The Weiner laptop stands as undeniable proof that the fight is not about left or right. It is about survival against forces that consume innocence and worship evil.

R. Sat. 23 Aug. 2025: The Rothschild family rose to prominence in the late 18th century through Mayer Amschel Rothschild, a banker in Frankfurt, Germany. ...Lost Civilization on Telegram

- **He established a powerful financial dynasty by sending his five sons to major European cities—London, Paris, Vienna, Naples, and Frankfurt—**creating a banking network that allowed the family to move capital across borders with unprecedented speed and security. This structure enabled them to fund governments and monarchies during times of war and peace, particularly during the Napoleonic Wars, when they gained enormous influence by financing both sides of the conflict and ensuring their own profits regardless of the outcome.
- **By the 19th century, the Rothschilds were synonymous with wealth and international finance.** They played key roles in developing Europe's railways, industrial enterprises, and even major infrastructure projects like the Suez Canal. The London and Paris branches became especially dominant, and their discreet yet vast operations made them instrumental in shaping European economies. Their power was rooted not just in money, but in information—they maintained sophisticated courier and intelligence networks that gave them financial advantages over competitors and governments alike.
- **Despite their enormous influence, the Rothschilds maintained a relatively private profile**, which, over time, led to speculation and controversy. Their prominence in banking made them targets of anti-Semitic conspiracy theories and exaggerated claims about global control. While the family's financial influence has declined since the early 20th century due to wars, nationalizations, and changing markets, they remain involved in banking,

philanthropy, and wine-making. Their historical legacy is a blend of real economic power, strategic brilliance, and mythologized intrigue.

S. Sat. 23 Aug. 2025 REVEALED! BIDEN’S AUTO-PEN PARDONS EXPOSED

...Quantum Financial System on Telegram

- **Joe Biden didn’t leave office quietly. He left behind a weapon.** On August 20, 2025, leaked emails confirm it — Biden’s team unleashed a flood of fake pardons using a machine, not his hand. The “autopen” was their tool to free killers, traitors, and elites in the final 72 hours before Trump’s return.
- **Two different autopen signatures** pushed through thousands of clemency orders. This wasn’t executive authority. It was digital forgery on an industrial scale.
- **Who did it protect? Fauci**, the architect of medical tyranny. Milley, who colluded with China. J6 conspirators who framed patriots. Even Biden’s family. All shielded. All pardoned. And none of it legally signed by a president.
- **Whistleblower emails prove Biden never approved the final list.** His aides — Tanden, Zeints, Feldman and others — changed names, added operatives, and fed the papers into machines while Biden was absent. They acted for global handlers who knew their puppet was finished. The National Archives was forced to release internal records confirming the operation.
- **This was not political sloppiness. It was sabotage.** The timing aligned with Trump’s Quantum Voting System rollout and the Davos elite’s plans for “civil unrest in America.” While Trump prepared to secure elections, Biden’s handlers unleashed chaos by freeing violent offenders — even child killers and cop murderers.
- **Emails show DOJ warnings were ignored.** Victims’ families were silenced. The process was hijacked, objections overruled. This was an elite-engineered prison break designed to destabilize Trump’s second term.
- **Every forged pardon was a chess move.** Every release a sleeper operation. Every fake signature a smoking gun.
- **Now, Trump’s DOJ and military must void every autopen order.** These pardons are not valid. They must be ripped apart, the criminals re-arrested, the traitors dragged to tribunals. Fauci, Milley, the J6 conspirators, Biden’s handlers — none can escape wartime justice.
- **August 20, 2025 is the line in the sand. Biden wasn’t in charge. He was the fall guy for a foreign-run machine that tried to bury America in chaos.** But patriots are awake. The criminals are still walking free — and it is now the duty of Trump, the U.S. military, and every awakened American to bring them down.
- **They used a machine to bury the truth.** Now, we bury the machine — and every traitor it protected.

T. Sept. 23 Aug. 2025 IT’S OVER: TRUMP SHATTERS THE FED, EXPOSES POWELL, AND LAUNCHES THE ECONOMIC WAR PLAN. ...Ezra Cohen on Telegram

- **For decades, the Federal Reserve sold itself as a neutral steward of stability.** In reality, it is a private banking cartel weaponized against the American people. At its helm sits Jerome Powell, whose refusal to cut rates has driven families into bankruptcy and locked millions out of homes. Housing is in crisis. Corporate failures are soaring. Powell's "neutrality" is sabotage.
- **Trump ripped away the veil.** By demanding immediate rate cuts, he exposed Powell as a frontman for Wall Street elites, not a guardian of the Republic. While Powell stalls with jargon and fear, Trump strikes with clarity: tariffs against foreign adversaries, tax relief for American families, sovereignty as the prize.
- **And his victories extend beyond the economy. In Ukraine,** Trump forced Europe and Zelensky to the table without spending American lives or treasure, saving thousands weekly while dismantling the globalist war machine. At home, his "911 effort" reframes election integrity as national security, targeting mail-in ballots and machines before 2026. Without paper ballots, he warns, America ceases to be a Republic.
- **The contrast could not be clearer.** Trump delivers plans, victories, peace, and hope. Powell delivers paralysis, pain, and collapse.
- **At Jackson Hole, Trump confronted Powell in the elites' own temple,** turning a bankers' retreat into a battlefield. The myth of the Fed's independence died there. The people saw the truth.
- **Conclusion: Trump has broken the Fed's aura,** exposed Powell as a globalist pawn, ended a foreign war without bloodshed, and declared total war for America's future. He is not just a politician. He is strategist, patriot, and commander-in-chief of the new economic war.

U. Sat. 23 Aug. 2025: Your birth certificate was turned into a bond, given a CUSIP number, and traded without your permission. ...Nesara Gesara Exposed on Telegram

- **A secret system started working** around you as soon as you were born. It may look like a birth certificate, but it's not a document of life. It's a financial tool made to make money off of your life. The state registered you as property and added your name to a corporate web of debt and ownership behind the celebration of your arrival.
- **It should have been clear** that your parents were alive when they gave you a certificate of live birth. Instead, it was put in the Department of Commerce, not the Department of State. That change made you a line on a ledger, not a free person. Registered meant land. Freedom would have meant recognition.
- **Assigning a CUSIP number**, which is the same number used for stocks and bonds, was the next step. Your birth certificate was turned into a security, based on the work you would do over your life, and used as collateral. Banks and foreign governments bought treasury bonds that were backed by your future income. This put you in the national debt without your permission. You didn't get freedom; you got financial servitude.
- **The system made the "Strawman,"** which is your name in all capital letters, to make this structure work. This made-up business name is what the courts, tax agencies, and

government use to hold you to contracts and fines. You confirm their game every time you respond to it. If you claim it, the real you—the living, free person—stays outside of that legal fiction.

- **People didn't question this scam**, which lasted for more than a hundred years. The U.S. Corporation got its power from this silent slavery, which was hidden behind legal language and made to look like governance. The structure is falling apart now that fiat money is failing and secret contracts are being revealed. The birth bond scam is falling apart along with it, and the republic that has been buried under corporate rule for a long time is coming back to life.
- **You were born free. They still sold you.** But the lie only worked because it was kept a secret. Now that you know, they can't own it. Your name isn't worth anything. Your life is not a bond. And you can't sell your future. Knowledge ends the contract, which means they lose control.

V. Sat. 23 Aug. 2025: THE WEINER LAPTOP would topple the Clintons, some of the most prominent officials, elites, and the U.S. government itself. ...Q on Telegram

- **The Weiner laptop** was found by the NYPD during the Anthony Weiner investigation in October of 2016 for sex crimes against a minor but also was found to contain some of the most horrific crimes in American history.
- **David Collum appeared on Tucker Carlson** and stated that if the contents of Anthony Weiner laptop were ever exposed, it would bring down the entire U.S. government.
- **The laptop contained** actual kill switches or "evidence" of crimes so horrific that the NYPD had to literally leave the room and 9+ officers ended up "suicided" after allegedly viewing the laptop and threatened to go after the Clintons and others officials involved.
- **What many people do not understand** is that when the Clinton email scandal and the Weiner laptop exposed a lot more than just classified documents.
- **It exposed child trafficking**, abuse, Epstein, connections to the Clinton Foundation and other high ranking officials in our government even including presidents of the United States itself.
- **Some of the crimes** are now being exposed in real time. This is why the Russia Collusion Hoax is so important.
- **The most important question** you have to ask yourself is why now? What does this tell you about where we stand when it comes to accountability?
- **Some of the crimes** found on Weiner's laptop related to the Clinton Foundation exposed:
 - **Money laundering**
 - **Child exploitation**
 - **Sex crimes with minors**

- Perjury
- Pay to play access through the Clinton Foundation
- Obstruction of justice
- And many other felony crimes

Y. The World is Changing From Dark to Light:

- **Get Ready For Three Days of Communication Darkness and Ten Days of Disclosure.** The power to the entire World could switch off briefly to install our new Starlink Satellite Internet. Shutdowns will occur, but only in certain areas. Banks will close. ATMs and Credit Cards will stop working. Have at least a month's supply of food, water, cash, medicine and essential items on hand for yourself, your family and to share with others in case of emergency. If you're unprepared, don't worry. The Military will

supply what you need. Nonstop education will be broadcast, teaching everyone about the true principles of Freedom and Justice.

Z. Help The Children: Former ICE Director Tom Homan is igniting a nationwide crusade:
He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call:1-866-347-2423**

Look For:

- **Children who are in places they shouldn't be**—factories, shady businesses.
- **A terrified child** with a controlling adult.
- **Kids who NEVER play outside**, or don't go to school, are hidden and/or isolated.
- **Over-controlled children** – the adult will not let them communicate with others.
- **Children** who are always silent or fearful.
- **A child who is not allowed to, or is afraid** to interact with others.

Za. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zb. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Zc. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in prison since.

Ken is able to receive regular mail now – envelopes. Remember that all mail is opened and read by a prison employee. No stickers, glitter, 'add-ons' of any kind. Please send to: Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

Zd. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Update Fri. 22 Aug. 2025:

I am in FCI Englewood waiting for oral arguments on appeal of my federal conviction for securities fraud. I was found guilty by a jury in a trial where my Federal Public Defenders called no witnesses to the stand, the Utah State Attorney General's Office interfered with the only witness being called in my behalf, and the Federal Public Defenders presented very little physical evidence.

Following my conviction, the Utah State Attorney General filed a civil suit against me and a non-existent entity, by the Utah State Securities Commission in an administrative court to collect the restitution money awarded by the jury in my federal conviction, plus penalties for the State of Utah. After months of court filings and conference calls, the Commission filed a Motion for Summary Judgment. On Thursday August 14, 2025, the Utah State Securities Commission held a public meeting to consider the Motion against me.

Months before my trial, and under suggestion of my Federal Public Defenders, I made two cashier's checks: one directly payable to one "victim" and one payable to my personal civil attorney's trust account until the Federal Public Defenders negotiated settlement with the other "victim." An email was sent to inform all Federal Public Defenders of the payments, which I did not owe. They failed to negotiate settlement and never addressed the payments with the court or the jury at trial.

Now the judge for the Utah State Attorney General, who I originally appealed to for assistance and protection, is going to issue an order for default judgment, for a debt that wasn't owed and yet was paid long before being found guilty by a tampered jury. It's pretty ironic and just another example of a casualty of injustice, from the office of a man who railed on the corruption of his predecessors, during his election campaign.

Where there is smoke, there is fire!

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zg. Judy Note: Please do not think I am ignoring your emails. I am only one person without a staff and work 8-10 hours each day on the Update. I have close to 4,000 emails I have not had the time to even read. In answer to many of the inquiries: I do not know any more about the time and date of the GCR than what has already been printed in my updates. I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Keep in mind the Quantum Computer has all your information gathered and likely knows of your changes of address, emails, etc. Any questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

Zh. Judy Note Please Be Aware: Although there are several platforms on Telegram published under my name of Judy Byington, understand that I do not have a platform on Telegram under my name. They are imposters and advertise false information. The problem is: I don’t know who puts it up, runs the site, nor who responds to the inquiries. I have tried several times to get access to the site but have been denied. I don’t even know what it says in

there and certainly don't endorse it. If you have insight into this, please email: info22faces@yahoo.com. Thanks,
Judy Byington

For the past several weeks the following has been published about me on several big Telegram platforms. It reads: **THEY TRIED TO SILENCE HER. Zi. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: "You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
