Judy Note: As of Wed. 27 Aug. 2025 Kaitlynn Hunter remained in critical health and grave danger at the hands of her abductors, the Ohio Child Protective Services. A SWAT Team consisting of six police cars and 13 police abducted Kaitlynn and her mother Jeannine from their home on Tues.

Kaitlynn is a witness to other foster children's rapes, beatings and disappearances in the hands of Ohio Foster Care. It is strongly believed CPS was preparing Kaitlynn and other foster care teens to enter an international Child Sex Trafficking Ring. Kaitlynn turns 18 on 12-12-2025, but with the health condition she is in, Jeannine fears for her life and safety, moment by moment. She needs to be in witness protection immediately and returned home.

On Tues. 26 2025 she was placed in juvenile detention after being ripped again from her home that she had run to from her abusive foster care where she was raped, tortured and beaten over seven years. Kaitlynn remains suffering from untreated head injuries from beatings and a year of starvation in foster care. CPS has put her in juvenile detention many times, and several six month stays in mental wards.

On Wed. 27 Aug. her mother Jeannine was charged in court with Obstructing Justice and Custody interference. She was released on her own recognizance with forced reported probation, ordered a mental health evaluation at a counseling (forcing more unnecessary costs). She was given a no contact order with Kaitlynn. She was given an order not to have any contact with CPS and not allowed on the property.

Kaitlynn was originally placed in foster care because she was being home schooled. Over seven years in foster care she has been a victim of inadequate schooling, beatings, rapes and starvation for a year where she lost 60 pounds. Kaitlynn attempted suicide three times while in Ohio Foster care. Kaitlynn has run for her life to protect herself from rapes and severe physical and psychological abuse in which she was forced to live.

In court on Wed. the magistrate allowed everything CPS requested and nothing Jeannine requested, including a request to see the arrest warrant, which she claims has never been given to her. Jeannine is going to demand a jury trial. Court is scheduled in November. Attorneys so far, won't go against these guys. Jeannine has been working on the case, by herself.

Jeannie said, "We've been denied seven years of holidays, birthdays, life, liberty and the pursuit of happiness. On Kaitlynn's 16th birthday she won a \$2000 award in an all city writing contest. She spent it on food for herself and foster sister. Both had lost over 60 lbs and were malnourished. <https://t.co/M5Wc0aekRq>

In other news on Wed:

Trusted by militaries worldwide in a Global Military Alliance and as head of the Q Movement, President Donald J. Trump was in the middle of executing a mission that would reshape not just the United States, but the entire global order: purging a treasonous evil elite group that has had control of US Taxpayer monies and our Global Monetary System since 1913.

Trump's Q Movement in the Global Military Alliance was literally fighting a War of Good Against Evil.

Trump has activated his Wartime Powers as Commander in Chief of the Worldwide Military Alliance and deployed the US Military and a coalition of 300,000 troops worldwide to make mass arrests of treasonous Global Elites.

There was no need to publicly declare Martial Law. Trump deployed National Guard units under DHS and crime authority, by using standing definitions of insurrection and emergency. Trump was federalizing infrastructure, expanding surveillance of compromised assets, seizing funds under military audit, and releasing declassified drops in real time. His administration now holds power to seize assets, monitor communications and prosecute traitors through Military Tribunals.

A big part of worldwide operation dealt with freeing People of The World from Cabal control of our Global Monetary System – which had put us in deep debt while running on fiat currency. This was in the works via a Global Currency Reset. There were 209 nations converting their currencies to gold/asset-backed that would trade at a 1:1 with each other.

In preparation Trump has been taking back US owned gold from around the World – the largest find was 650 plane loads from beneath the Vatican.

Rumor was that Trump will announce activation of NESARA/GESARA on **Mon. 1 Sept. 2025.**

The Emergency Broadcast System on Telegram stated: Once 90% compliance is reached — expected by September 15, 2025 — citizens will be publicly transitioned into the QFS.

On August 21 the final authorization key for the EBS went live – watch for Sept. 11. Be prepared for worldwide Emergency Alerts, Blackouts and ten days of communication darkness.

By August 26 Trump had triggered the final stage of a military operation planned for years. It was designed to dismantle entrenched criminal networks, seize control of rogue agencies, and restore the sovereignty of a nation hijacked by global elites.

Over 4,000 National Guard troops have been deployed across 19 states. Officially, they are aiding immigration and urban crime enforcement. In reality, they were neutralizing domestic enemies embedded in media, judiciary, intelligence and finance.

“The United States is no longer united” according to Robert F. Kennedy “The nation is split into two irreconcilable halves. On one side stands a ruling class — political, corporate, bureaucratic — who censor speech, manipulate data, and cling to power through deception and

fear. On the other side: a betrayed population, no longer willing to accept polite lies. The line of battle runs directly through the hearts of missing children, forgotten in basements, black sites and untraceable networks funded by tax dollars.”

- **Wed. 27 Aug. 2025 Tucker Carlson: “One could argue that the Dems are engaged in an actual insurrection by refusing to police crime in their cities.** Trump deploying US MIL and federalized NG to crime-ridden cities, kind of sounds EXACTLY like the Insurrection Act. It’s like we are in a soft state of emergency. It’s like Trump is putting the US MIL in position BEFORE he makes the official order. Trump even said himself he can declare an emergency at any time and move his troops in without approval of Dem governors or mayors. Surely he must have been referring to the Insurrection Act. We are witnessing an actual insurrection, and Trump is going to stop it.”
- **Wed. 27 Aug. 2025: “The United States is no longer united”** according to Robert F. Kennedy and millions who now echo his warning, “the nation is split into two irreconcilable halves. On the other side: a betrayed population, no longer willing to accept polite lies or manufactured consent. E. Wed. 27 Aug. 2025 BOOOM! Trump Launches Emergency Economic Restoration Plan — QFS Is Now Replacing the Entire Central Bank System, Vatican Gold Seized, GESARA Activated, and Fed & IMF Facing Total Collapse ...QFS on Telegram

- **The Quantum Financial System is no longer a theory. As of August 27, 2025, QFS is live** — deployed worldwide under President Donald J. Trump's Emergency Economic Restoration Plan, secured by the U.S. Military and Space Force.
- **The era of fiat slavery is ending.** Central banks are collapsing in real-time. The Bank of Japan is insolvent, the euro has sunk to 30-year lows, and the Federal Reserve has admitted it has no control left. Germany froze pensions, the UK capped withdrawals —

the last spasms of a dead order. QFS is the replacement, designed to erase manipulation and restore sovereignty.

- **Under QFS oversight, trillions in shadow funds have been seized** from globalist elites. Over \$97 trillion linked to trafficking, war, and Big Pharma has already been rerouted into Redemption Center wallets. Central bank gold reserves, including secret Vatican holdings, are under military control. Every transaction is now quantum-tracked — no loopholes, no laundering, no escape.
- **GESARA is being enforced through QFS compliance.** Bank charters are revoked, private institutions placed under trusteeship, and illegal debts prepared for liquidation. The IRS has been dismantled. A flat, consumption-based QFS tax model is coming online. This is not reform — it is the end of financial slavery.
- **At the heart of this shift stands SHI** — the Sovereign Human Initiative token. Unlike crypto, SHI is quantum-recognized, gold-backed, and permanently linked to each person's biometric Quantum Access Card. Already in pilot circulation across U.S. Redemption Centers, SHI represents the new standard: incorruptible, transparent, and immune to theft.
- **Space Force and Starlink secure the backbone of QFS.** Every global transaction now routes through orbital quantum nodes, immune to sabotage. White Hat intercepts have blocked hundreds of elite payouts. Offshore trusts and Rothschild accounts are empty. NGOs, foundations, and UN fronts exposed as laundering networks are cut off permanently.
- **The elites are in open panic.** Their access is gone. Their vaults are drained. Their “Project Vault Zero” evacuation plan has failed — because QFS biometric blacklisting makes it impossible to hide.
- **The next step? Global onboarding through the Emergency Broadcast System. Once 90% compliance is reached — expected by September 15, 2025 — citizens will be publicly transitioned into QFS.** All savings, property titles, and accounts will be recalibrated through quantum audits. Debt erased. Value restored. Freedom returned.
- **This is why Trump came back.** Not to play politics — but to destroy the old system and lead the world into QFS. The age of central bank manipulation is over. The age of quantum sovereignty has begun.
- **QFS is here.** QFS is live. QFS is the future.

F. Wed. 27 Aug. 2025 FULL TECHNICAL FUNCTIONALITY: HOW QFS WORKS [QFS 2025 DECODED: The Gold-Backed, AI-Controlled Financial System That's Silently Replacing the Old World Order - amg-news.com - American Media Group](#)

Here's how QFS functions, based on technical data shared by military-linked developers and leaked transition documentation:

- 1. Quantum Engine** QFS uses true quantum hardware to process trillions of transactions per second, eliminating latency and risk.
- 2. Not Blockchain** No mining. No forks. No gas fees. All validations are instantaneous and immutable, done through AI algorithms.
- 3. Asset-Backed Tokenization** Every digital “unit” of currency is directly tied to a physical asset — held, verified, and unforgeable.
- 4. Digital Serialization** Each currency unit has a **unique signature** and cannot be duplicated, moved anonymously, or erased.
- 5. Geolocation + Authentication** Transactions only process if **GPS-confirmed by QFS satellites**. This prevents unauthorized remote access or spoofing.
- 6. Photonic Encryption** No electricity-based data. **Light-speed data transfer** ensures zero-lag, zero-interference communication.
- 7. Currency Reset Mechanism** QFS has a built-in protocol to **recalculate all national currencies** to fair, asset-based market value.
- 8. National Sovereignty Layer** Each country’s financial system in QFS is tied to **its own natural resources** — ensuring no globalist override or manipulation.

H. Wed. 27 Aug. 2025 RED ALERT! Trump Launches Largest Domestic Military Operation in U.S. History: 4000 Troops Deployed Across 19 States as Martial Law Goes Live, Secret Arrests Begin, and Deep State Cities Fall Under Military Control ...The 17th Letter (JFK Jr.) on Telegram

- **On August 26, 2025, President Donald J. Trump triggered the final stage of a military operation planned for years.** This is not politics, not optics. It is a coordinated, multi-state protocol designed to dismantle entrenched criminal networks, seize control of rogue agencies, and restore the sovereignty of a nation hijacked by global elites.
- **Over 4,000 National Guard troops have been deployed across 19 states.** Officially, they are aiding immigration and urban crime enforcement. In reality, they are neutralizing domestic enemies embedded in media, judiciary, intelligence, and finance.
- **Each unit is armed, active, and authorized to enforce federal law.** They carry biometric processing systems, tactical drones, and access to federal intel grids. A new National Rapid Response Task Force can be airborne in 60 minutes to any city. This isn't for riots. It's for resistance when arrests begin.
- **Behind the blackout, Biden-era officials from DHS, CDC, IRS, and DOJ are already under military observation,** some detained for questioning. Encrypted flights have been tracked to Colorado, Nevada, and reactivated black sites near GITMO. Panic is spreading through elite law firms and offshore banks tied to Clinton Foundation and Obama-era contractors as accounts are liquidated. This is financial warfare under military command.
- **Trump doesn't need to declare Martial Law publicly. It's already functional. By deploying Guard units under DHS and crime authority,** by using standing definitions of insurrection and emergency, his administration holds power to seize assets, monitor communications, and prosecute traitors through military tribunals.
- **JAG officers are already embedded with federal prosecutors** in Washington and key deployment states. That is the telltale sign of tribunals incoming. Civilian courts cannot handle crimes of treason, sedition, and crimes against humanity — only military justice can.
- **The first wave covers** Alabama, Arkansas, Florida, Georgia, Idaho, Indiana, Iowa, Louisiana, Nebraska, Nevada, New Mexico, Ohio, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, and Wyoming. These states were chosen not only for border and crime factors, but for controlled facilities, secure communications, and governors who will not obstruct.

- **The second wave will hit** Illinois, New York, California, and Pennsylvania — sanctuary hubs for fugitives, cartel logistics, and foreign intelligence operations. Chicago is next. The Pentagon’s silence confirms it.
- **The media blackout is deliberate.** Legacy networks are tied to the very contractors and intelligence groups now being targeted. Executive producers in major outlets were named in leaked DOJ memos as participants in classified trafficking operations. Their silence is not ignorance — it is protection. What they dismiss as “manufactured crisis” is in fact the reversal of a coup that stole America decades ago, replacing sovereignty with foreign rule through banks, cartels, and compromised officials.
- **Trump is reclaiming it. Military and legal fusion is underway.** The coming steps will federalize infrastructure, expand surveillance of compromised assets, seize funds under military audit, and release declassified drops in real time. This isn’t about neighborhood crime. It’s preparation for the purge of an elite system that thrived on treason.
- **He is the legitimate President, trusted by the military,** executing a mission that will reshape not just the United States but the entire global order. The storm is not approaching. It has already begun.

I. Key EBS Updates on the EBS as of August 25, 2025 ...E on Telegram

- **EBS System – Not Just Ready. Already Embedded Into the Grid.** We’re now able to confirm several key facts about the Emergency Broadcast System (EBS), and they’re not theories — they’re sourced from direct infrastructure reports, telecom insiders, and quiet briefings from defense contractors who helped build the system.
- **Command nodes have been rerouted:** The primary EBS command has been transferred from FEMA coordination centers to military communication bunkers in Cheyenne Mountain (Colorado) and Raven Rock (Pennsylvania). These are hardened underground facilities immune to EMP and cyber attacks.
- **Starlink satellites are now integrated into the backup alert system.** In the event of a full internet blackout or hostile network interference, the EBS will piggyback off space-based satellite relays to deliver audio-visual messages directly to civilian receivers.
- **On August 18, internal test signals were sent through 5G towers** across Florida, Georgia, and South Carolina. Flagged as “seismic early warning test,” the packets were in fact Tier 3 authentication pings tied to emergency override scenarios.
- **The final authorization key** — a three-code secure signal generated by NORAD, USSTRATCOM, and the Office of the President — was logged as “live” in the EBS confirmation system on **August 21.**
- **In plain English? Everything is in place.** The infrastructure exists. The signal paths are verified. The broadcast content has already been secured and backed up across six hardened locations.

- **The only thing left is timing.** What Will Be in the Broadcast? We've now confirmed through multiple data leaks and briefings what content will be included in the first EBS wave.
- **Expect Full release of January 6th Capitol surveillance footage:** Over 9,000 hours, uncut, showing staged entries, planted agitators, and direct coordination between select lawmakers and Capitol security.
- **Expect Declassified memos from Operation Crimson Mist:** Documents showing intelligence officials planning real-time behavioral influence operations via social media
- **Expect Footage and audio from child trafficking hubs** across U.S. borders, including previously unseen drone recordings of UN-accredited NGOs transporting children through unmarked white vans, and military thermal imaging of late-night air transfers at
- **Expect Audio from federal task force** intercepts confirming that election data from Georgia and Michigan was transmitted via unsecured server routes to Germany and Serbia on November 3, 2020.
- **Expect Documents proving financial coordination** between Pfizer, the CDC, and a PR firm (Weber Shandwick) to blacklist, defund, and censor dissenting doctors through licensing boards and hospital partnerships.
- **All of this is video-verified,** chain-of-custody certified, and digitally watermarked for legal release. They've been building this case since 2017. Now it's complete.

J. Wed. 27 Aug. 2025 EBS RED ALERT! Trump to Trigger Full Disclosure — Fake Presidents, Underground Tunnels, CIA Black Operations, Stolen Elections, Bioweapon Labs, and What 9/11 Was Really Covering Up! ...Charlie Ward and Friends on Telegram

- **There's a reason the media has gone silent.** A reason the headlines don't match reality. Because the storm is already underway. Trump didn't return for politics. He came with a mission, years in the making, and August 2025 marks the final stage.
- **This is the cleanup phase. And it's moving fast. Trump in Full Command. Since January 20, 2025,** Trump has been running a parallel command structure with military intelligence, constitutional teams, and federal auditors.
- **Over 60 senior DOJ officials are gone.** The Office of Legal Counsel gutted. Military oversight has taken over Treasury, Energy, Defense, and Veterans Affairs. Budget freezes, revoked contracts, sudden clearance losses — containment is here.
- **EBS System Embedded:** The Emergency Broadcast System is not "coming" — it's already operational. **Watch September 11.** Once the EBS hits, the world will be forced to confront the crimes committed against humanity. Command rerouted to Cheyenne Mountain and Raven Rock, immune to EMP and cyberattack. Starlink satellites tied into the grid for blackout-proof communication. Test signals ran through 5G towers in the southeast this month.
- **On August 21 the final authorization key went live.** The infrastructure is in place. The content is secured. The timing is all that remains.

- **What Will Be Shown: Expect uncut January 6th surveillance** exposing planted agitators. **Declassified memos** from Operation Crimson Mist showing AI-driven social manipulation. **Drone and thermal footage of trafficking hubs. Audio proving election data was routed** overseas in 2020. **Documents exposing Pfizer's collusion** with the CDC to silence doctors. Every piece certified and watermarked for legal release.
- **Global Collapse Accelerating:** The World Economic Forum lost major backers in July. IMF emergency sessions admit loss of U.S. cooperation. Eleven nations pulled from the WHO treaty just days ago. Elite power structures are disintegrating. Over 2,000 sealed indictments have already been opened in U.S. courts. Food conglomerates tied to WEF subsidies now face criminal probes.
- **Indicators of the Shift:** The sudden death of French Health Minister Jean-Luc De Vries before testimony. CIA station logs in Ukraine going dark. Farmers freed from forced ESG. Blackouts, resignations, sealed courts — all tied to the same storm.
- **Final Word: This is not speculation. It is the endgame. Trump is acting under military authority.** Everything is happening for a reason. Stay alert. They thought they could bury the truth. But now the world will see everything.

L. Wed. 27 Aug. 2025: Barack Obama covertly funneled \$1.2 billion through USAID that was supposed to go to Pakistan for “humanitarian aid,” but instead laundered it to the Cayman Islands to help overthrow the Cuban government. ...Emergency Broadcast System on Telegram

- **Similarly, USAID funneled \$27 million to “rent-a-riots”** terrorist group Black Lives Matter through the Tides Foundation—a George Soros-backed terrorist organization—that helped overthrow the United States government leading up to the 2020 presidential election.
- **Mike Benz discussed how Obama funded a social media platform** — a Twitter clone — that would be used to push propaganda in Cuba, inspire protests, and then use that

funding to train and deploy “rent-a-riots” for protests aimed at overthrowing governments.

- **Mike Benz: “A scandal during the Obama USAID era.** We were running a number of rogue USAID operations in Cuba at the time.
- **USAID pumped \$1.2 billion in,** and we sponsored these activist groups and these civil society organizations to learn how to use Facebook, learn how to use Twitter, lose, learn how to use hashtags, learn how to coordinate street protests so that everyone knows where to go, what street to show up on, what kind of slogans to know, to use in order to create the pro-democracy predicate for it.”
- **“You're using Cayman Islands bank accounts.** You're saying it's, you're earmarking it for Pakistani aid.” But the money was never sent to Pakistan, it was sent to the Cayman Islands to fund this whole operation.”

N. Wed. 27 Aug. 2025 FOLLOW THE TUNNELS: \$21 TRILLION HEIST EXPOSED: UNDERGROUND EMPIRE COVERED. ...Nesara Gesara Exposed on Telegram

- **Pay attention to the money. They buried the money rather than losing it.** You lost \$21 trillion to them. Not forgotten. Not "miscalculated" stolen.
- Then, they used it to create a world beneath your feet, complete with D.U.M.B. cities (Deep Underground Military Bases), secret havens for the same elite planning the end of the world. They disappear below, safe, fed, and armed, while you suffer.
- **They didn't construct shelters.** Without you, they created a civilization of trains powered by Maglev. Energy at zero point. food that has undergone genetic engineering. cities that are sealed.
- **All of them were buried from scrutiny,** protected by military secrecy, black-budgeted by organizations like HUD and DoD, and paid for with your taxes.
- **The whistleblower was a former high-ranking official named Catherine Austin Fitts,** not a theorist. She revealed how \$21 TRILLION was laundered into projects so classified that they were removed from the books using "missing" government funds. It's not missing," she stated bluntly. The thing was moved.

- **From 1998 to 2015, federal ledgers bled trillions** into darkness, as confirmed by economist Mark Skidmore. Not a road. No educational institutions. There are no hospitals.
- **What did they build?** A separate civilization. for them. not you.
- **These off-grid, resourced, and protected D.U.M.B.s** are found across continents. They ride maglev trains beneath the oceans, eat from AI-run hydrofarms, and get ready to watch the world burn — from below — while you deal with poison food and phony elections.
- **This is not a survival situation. It's dominance.** While they wait it out under your destroyed cities, they used your money to make sure you don't survive what's coming.
- **And they will close their doors** and disappear into the underground empire you purchased when the surface collapses due to pandemics, wars, or starvation.

P. Wed. 27 Aug. 2025 BREAKING: THE BANKS ARE SCREWED AFTER TRUMP JUST DROPPED THE FED THE FINAL BLOW! THE GOLD STANDARD IS BACK!
...Nesara Gesara QFS on Telegram

- **While the media is spreading fear,** the truth is much more serious. Canadian steel and aluminum imports are now subject to 25% tariffs. Patriots are motivated to safeguard their gold and silver wealth as a result of this action, which increases the value of American metals. The elite tried to trap you in worthless paper, but people are waking up — and nothing is hotter than Trump Gold Stars, assets already backed by real gold and immune to manipulation.
- **President Trump unveiled the Trump Gold Star,** a representation of America's return to sound money, on January 20, 2025, during his historic inauguration. These stars are actual, palpable, and historically significant, in contrast to fiat money. As gold regains its position as the cornerstone of world wealth, their value is expected to soar. It's more than

just an investment; it's a piece of history, evidence that America has returned and that true wealth is at last within reach of patriots.

- **Chaos broke out overseas in the meantime.** The 15% export tax on precious metals and stones was suspended by Zambia's finance minister on February 18, 2025, with effect from January 1. This caused chaos in the world's gemstone market. Zambia provided elites with tourmalines, amethysts, and emeralds for many years. These days, billionaires and multinational corporations are hoarding them, pushing prices to all-time highs and excluding regular people.
- **Trump, however, anticipated it.** He protected the Trump Gold Stars' value while the rest of the market crashed by acquiring them prior to the price explosion. These stars are accessible to Americans directly, even on monthly installments, unlike traditional gold investments that are enmeshed in red tape and banks. This gives the working class a unique opportunity to acquire valuable assets before the elites seize what's left.
- **At the same time, as export restrictions** lead to international bidding wars, the price of diamonds and other gemstones is rising. In a desperate attempt to gain control, billionaires are flooding the auctions in Dubai, Geneva, and Mumbai. However, Trump Gold Stars are stable and unaffected by market volatility, providing a haven in a manipulative world.
- **The banks are restricting access,** corporations and foreign investors are flooding in, and regular Americans are being shut out of the game. However, Trump's vision produced a safeguard: the Gold Stars provide citizens with direct access to actual gold, historical records, and collapse protection. Their value is expected to soar in tandem with the growing demand for silver, which is already outperforming conventional gold investments.
- **This has nothing to do with jewelry or collectibles.** The goal is to survive. By accumulating metals and stones for themselves, the elites created decades of financial slavery. The U.S. tariffs on Canadian metals, Zambia's abrupt change, and international auction frenzy are all indications that their system is currently collapsing.
- **The counterstrike is Trump's Gold Star.** An opportunity for regular Americans to experience the world of tangible assets prior to the full reset. More than just wealth, it serves as a safeguard against the demise of fiat because it is backed by actual gold, has a finite supply, and is impervious to manipulation.
- **Already, the smart money is in motion.** The question is straightforward: will you follow along with it or stand by and watch as the elites seize what's left?

Q. Wed. 27 Aug. 2025 BlackRock and Private Equity Firm housing scam EXPOSED ...Q
on Telegram

- **They are buying up entire new housing developments,** sometimes 500 units. They'll buy the houses at \$300k per home. They won't sell it right away, they'll keep the area looking like a construction zone for a year.

- **Let's say there are 3 different models of homes** in the community they bought, then a year later they'll sell 3 of those houses that they bought for \$300,000 to themselves in another fund for \$700,000.
- **That creates 3 comps** in the neighborhood. They do one of each of the models, and now the entire neighborhood, each house is valued at \$700,000.
- **Then they're going to turn them into obscene rentals** and simultaneously they're going to have a 2.5x value on that portfolio to borrow against "And every American in that community was just priced out of everything around that community."

R. Wed. 27 Aug. 2025 GLOBAL FINANCIAL SITUATION – THE COLLAPSE OF THE OLD ORDER ...QFS on Telegram

- **On Mon. 25 Aug. 2025 the U.S. abruptly withdrew its troops from two military bases in Iraq ahead of schedule** — a move that signals more than military strategy. It marks the unraveling of the globalist financial-military complex, as the very system that enslaved Americans for over a century is now being exposed.
- **THE HIDDEN WEALTH OF AMERICA** You were never truly in debt. You were the collateral. Behind the hypnotic blur of the U.S. Debt Clock lies the greatest financial illusion in history: \$169 trillion siphoned into private vaults while citizens were told to accept austerity and endless taxes. Distributed evenly, that missing wealth equals nearly \$495,000 per American. The truth is simple: they never owed Wall Street. Wall Street owed them.
- **AMERICA THE CORPORATION** The fraud began in 1871, when the District of Columbia Organic Act transformed the United States into a corporate entity. By 1933, after Roosevelt's default and gold confiscation, Americans themselves became collateral for fiat currency printed at will. Every birth created a "Strawman" — a corporate fiction in all capital letters. Your birth certificate is not identity. It is a bond, a CUSIP-traded instrument monetized without your consent. Every contract, tax filing, or court appearance feeds this legal fiction while your sovereign, living self remains hidden.
- **THE STRAWMAN SCAM AND THEFT OF A NATION** This is how generations were deceived. Your labor, your potential, your very life force securitized and sold. Taxes, inflation, and currency debasement drained families of real value while wars, surveillance, and elite enrichment were financed on your back. The lie was "You owe." The truth is "They owe you."
- **THE COMING JUBILEE** A Debt Jubilee is no longer fantasy. The fraudulent edifice is cracking, and the demand for reclamation is rising. This will not be charity, but justice — dissolving debt slavery, restoring stolen wealth, and replacing fiat deception with value grounded in labor, resources, and truth. Humanity is awakening to its real role: not as debtor, but as creditor.
- **THE NEW VALUE SYSTEM** As the fiat order collapses, blockchain, AI, and asset-backed digital currencies are already laying rails for transparency. Gold-backed tokens,

XRP-like instruments, and Rainbow currencies will replace fractional banking. AI is unmasking fraud in real time, making Wall Street's old games impossible. For the first time in centuries, value is shifting back to the people.

- **TRUMP SIGNALING THE STORM** Donald J. Trump is the only leader who has dared to strike at the heart of the Federal Reserve. By exposing inflation as legalized theft and demanding asset-backed currency, he positioned himself as the central threat to the financial Deep State. That is why their attacks are relentless: if he wins, their system dies.
- **THE VERDICT** The U.S. withdrawal from Iraq, the unraveling of hidden ledgers, the exposure of the Strawman, and the calls for Jubilee are not random. They are coordinated signs of collapse. The old system is crumbling. The awakening is irreversible. And the storm is already here.

V. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

W. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Y. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Update Fri. 22 Aug. 2025:

I am in FCI Englewood waiting for oral arguments on appeal of my federal conviction for securities fraud. I was found guilty by a jury in a trial where my Federal Public Defenders called no witnesses to the stand, the Utah State Attorney General's Office interfered with the only witness being called in my behalf, and the Federal Public Defenders presented very little physical evidence.

Following my conviction, the Utah State Attorney General filed a civil suit against me and a non-existent entity, by the Utah State Securities Commission in an administrative court to collect the restitution money awarded by the jury in my federal conviction, plus penalties for the State of Utah. After months of court filings and conference calls, the Commission filed a Motion for Summary Judgment. On Thursday August 14, 2025, the Utah State Securities Commission held a public meeting to consider the Motion against me.

Months before my trial, and under suggestion of my Federal Public Defenders, I made two cashier's checks: one directly payable to one "victim" and one payable to my personal civil attorney's trust account until the Federal Public Defenders negotiated settlement with the other "victim." An email was sent to inform all Federal Public Defenders of the payments, which I did not owe. They failed to negotiate settlement and never addressed the payments with the court or the jury at trial.

Now the judge for the Utah State Attorney General, who I originally appealed to for assistance and protection, is going to issue an order for default judgment, for a debt that wasn't owed and yet was paid long before being found guilty by a tampered jury. It's pretty ironic and just another example of a casualty of injustice, from the office of a man who railed on the corruption of his predecessors, during his election campaign.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Keep in mind the Quantum Computer has all your information gathered and likely knows of your changes of address, emails, etc. Any questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: “You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which

they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
