Judy Note: Due to recent health, computer and internet challenges, my report is not complete today. Sorry. This is a battle of Good Against Evil and the bad guys don't seem to like my reports.

The biggest news on Monday was that Putin successfully exposed Israel's massive international Child Sex Trafficking Network run by the Vatican, connected to the CIA and centered in Ukraine. Throughout these last couple of years as a result of Putin and Trump's Global Military Alliance millions of tortured children have been rescued across the world.

On Mon. 4 Aug. 2025 the second biggest headline was that the Chinese Elders released the Global Currency Reset redemption process, beginning in Zimbabwe and expected to spread throughout the World by **Tues. 5 Aug.**

This included GESARA debt relief for all Worldwide as gold, precious metals and tax monies have been taken back from the Deep State Cabal and returned to People of the World.

A. What We Think We Know as of Tues. 5 August 2025:

- **As of Tues. 29 July 2025** GESARA was activated worldwide with procedures intended to pay off debt, dismantle globalist organizations, purged international media, shutdown UN, expose indictments from biotech tribunals, dissolution of the World Bank and BIS.
- **On Mon. 4 Aug.** the Global Currency Reset Redemption process was released by the Chinese Elders with instructions to begin in Kaspar, then Zimbabwe and on to countries worldwide.
- **In Operation Hellstorm** Putin's Forces busted Israeli Child Trafficking Tunnels behind Ukraine front lines. The discovery was followed by a massive cover up campaign by Israeli forces worldwide.

B. Global Currency Reset

- **On Mon. 4 Aug.** the Global Currency Reset Redemption process was released by the Chinese Elders with instructions to begin in Kaspar, then Zimbabwe and on to countries worldwide.
- **Mon. 4 Aug. 2025 Wolverine:** "It started today with the Bondholders. Hold on."
- **Mon. 4 Aug. 2025 TNT Tony:** Tony says we missed the window for today but there is another window starting at 1:00 a.m. tonight. The Venezuelan Bolivar showed up on Forex today, for the first time. The bolivar was showing at .008 with a future value of .33. The IQD is trading up and down, (as we know).

There are "global" events happening and unsure how this may affect us. Hamas. Iran. China/Taiwan. To stay in power (I believe he was referring to Xi), he might have to do a "Netanyahu," starting a war so he is not ousted. Re Iran, some things have to happen before the Prince can come back into power, and this will affect us. Our allies are choosing sides and not doing what Trump wants.

Tony received a call. Two more 3-letter confirmations re the start time tomorrow. (He already said Wealth Managers and Private Bankers have set appointments for clients to exchange tomorrow and were told what time they could set the appointments for.) The dinar is now tradeable. It is shown as a strong buy!

Tomorrow is supposed to be a great day! Some banks will start making appointments

tonight. Tony says, based on that, he should get the 800 number tonight. He should get the numbers at least 2 hours before we get started. They are telling Tony they want to get through our appointments by the 10th.

C. Mon. 4 Aug. 2025 Wolverine released a speech by Marco's eldest son (signatory of the M1 files) on the redemption process. ... translation by Nerd Picker

- **Today is a special day.** This is the last declaration we will have to achieve our goal. We will begin the course of redemption. First Kaspar, then Zimbabwe. Then all the other currencies. Followed by the coffers.
- **This is the beginning and the start of the redemption program.** But it has to be with us. They can't do it without us, because the money is in our accounts. We will achieve all our goals in every central bank and every premium bank. We will create capital markets for you and only for you. Now we have everything ready.
- **We have reached an agreement with every intelligence agency,** with every department, with every country. Now is the end of everyone's suffering, including countries and kingdoms. Of course.
- **We will begin by operating the QFS system.** We will implement NESARA and Gesara. And we will also reset the currencies. All of this will be followed by everyone. It doesn't matter if you are a small, medium-sized, or large country.
- **This is now the beginning of our great future.** Everyone agrees that we will cooperate with one another. So now you are truly declaring war on poverty? We are declaring war on famine. We are declaring war on suppression. Now is the time for us to come together to serve humanity. God bless you. And may there be power to each of you. Thank you.

Summary:

- Marco's eldest son is the speaker and the signatory of the M1 files.

E. Mon. 4 Aug. 2025: OPERATION HELLSTORM: PUTIN'S FORCES BUST ISRAELI CHILD TRAFFICKING TUNNELS BEHIND UKRAINE FRONT LINES ...Mr. Pool on Telegram

- **BREAKING – Russian special forces uncovered a vast underground child trafficking and adrenochrome facility behind enemy lines in Ukraine.** Dozens of tunnels. Medical labs. NATO-backed supply chains. Hundreds of children rescued. Israeli agents among the dead. Media silence is deafening. The system is hemorrhaging.
- **THE WAR BENEATH THE WAR:** While the world watches missiles, Russia struck a deeper target. Beneath the scorched earth near the Ukrainian front, elite Russian units breached what looked like abandoned infrastructure. What they found wasn't military—it was monstrous.
- **A network of tunnels**—climate controlled, fortified, shielded by NGO fronts—was hiding emaciated, drugged, and imprisoned children in steel containers. Some as young as toddlers. Some marked with chemical tags. Others barcoded. This wasn't trafficking—it was harvesting.
- **CHAMBERS OF HORROR Inside the complex:** surgical rooms. Bio-tracking equipment. Shipment crates labeled for diplomatic transport. Plasma processing machines. Adrenochrome synthesis stations. Walls etched with occult symbols. Logs of VIP clients. This was a factory built for extraction, not survival.
- **Among the bodies:** Israeli operatives carrying encrypted comms, biometric keys, and links to Tel Aviv black-sites. Forensic analysts traced financial routes back to Zurich, Singapore, and Manhattan—laundered through "humanitarian" funds.

THE COVER-UP BEGINS: Within 72 hours:

- Multiple European officials resigned
- Fire wiped out servers tied to the facility

- Tel Aviv doubled military guards at biotech labs
- Intelligence agencies launched coordinated "fact-checking" ops to erase every trace
 - **But the children exist.** The labs were real. The silence is their confession.
 - **OPERATION HELLSTORM IS JUST THE START What Russia uncovered wasn't a Ukrainian op. It was a global machine**—run by black budgets, protected by NGOs, and shielded by diplomatic immunity.
 - **Every tunnel.** Every chamber. Every scream behind steel walls—was bought and paid for by elites who feed on innocence and vanish behind lies.
 - **THIS IS THE STORM** The West is scrambling. Their networks are exposed. Their monsters are in the light. This is the purge. This is the reckoning. This is war. **THE CHILDREN COME FIRST. EVERYTHING ELSE BURNS.**

G. Mon. Aug. 2025: GESARA activated as of Tues. 29 July 2025: ...Nesara Gesara on Telegram

- **The GESARA Military Branch has activated top-secret procedures** intended to pay off debt, dismantle globalist organizations, purged international media, shutdown UN, indictments from biotech tribunals, dissolution of the World Bank and BIS.
- **Recovered stolen wealth exceeds \$150 trillion.** The Central Banks are losing money. The quantum-ledger system is operational, avoiding corrupt systems and carrying out financial justice instantly.
- **Protocol #1:** Debts permanently erased that are associated with banking, such as credit cards, loans and mortgages.
- **Protocol #2:** The elimination of income taxes. No more wage theft, no more IRS raids. A flat tax of 14% on luxury goods only would take its place. Food, medicine, and housing are protected and exempt from taxes.
- **Protocol #3:** The IRS is closed. Instead of being corporate fiat enforcers, its agents were reassigned to oversee equitable taxation under Treasury authority.
- **Protocol #4:** The Federal Reserve is being dismantled. It no longer has a monopoly on creating money. It was replaced by Rainbow Currency, which is backed by gold, silver, and platinum and is impervious to printing theft and manipulation.
- **Protocol #5:** Restoration of Constitutional Law. Secret international courts and admiralty law are abolished. The United States regains its sovereignty.
- **Protocol #6:** Within 120 days, hold new elections. Every earlier regime was declared invalid. No more votes that have been stolen. Unhackable, trackable, and equitable, blockchain-verified QFS voting systems are being deployed.
- **Protocol #7:** Citizenship will be revoked for Americans who have foreign allegiance. Foreign agents and dual-loyalty traitors in politics, technology, and the media are eliminated by the reinstatement of the Title of Nobility Amendment.
- **Protocol #8:** National emergencies that were proclaimed during earlier puppet governments are revoked. Constitutional civilian governance replaces military rule.
- **Protocol #9:** Restoring financial privacy. No more spying, no more tracking. Foreign banks and rogue agencies cannot access Treasury-issued accounts under QFS.
- **Protocol #10:** More than 6,000 patents that have been suppressed are being released, ranging from medical innovations to free energy. Big Pharma will fail, the energy monopoly will be destroyed, and humanity's stolen future will be restored thanks to this technology.

- **Protocol #11:** Funding for humanitarian relief is being used. Global initiatives will be driven by citizens rather than NGOs. Real wealth and infrastructure are being used to address issues like food insecurity, homelessness, and the collapse of education.
- **Protocol #12:** ZIM and other sovereign bonds are honored. Parts for rebuilding the world, parts for personal use.
- **Protocol #13:** The military-grade blockchain-enforced, fraud-proof new QFS Voting System takes precedence. Voting is restricted to verified participants only. No more ballot manipulation. No more voters who are dead.

J. Mon. 4 Aug. 2025: BOMBSHELL: FBI DOCS EXPOSE CIA SATANIC CHILD TRAFFICKING RING – GUNDERSON WAS RIGHT ...Trump Force One on Telegram

- **The CIA. Child sex trafficking. Satanic ritual abuse.** It's all real. It's all documented. And it's all been buried—until now.
- **Former FBI Chief Ted Gunderson** blew the whistle decades ago. After leaving the Bureau, he uncovered a nationwide CIA-run child kidnapping operation—infants taken, abused, sacrificed. He named the Finders cult, a front used by the CIA. His files were ignored. He died in 2011. Now the FBI has declassified the Finders documents, and everything Gunderson warned us about has exploded into full view.
- **The Finders were caught red-handed.** In 1987, two men were arrested in a Tallahassee park with 6 abused, bug-bitten children. They claimed to be "taking the children to Mexico for school." The FBI stepped in. Pages 4–10 confirm the group was caught multiple times, but prosecutors REFUSED to charge them. Page 41 shows DOJ blocked prosecutions, and Page 68 confirms a CIA employee was part of the cult.
- **Page 50 shows something even darker**—the entire Child Porn and Protection Unit was WIPED OUT during a government "reorg." Page 69? The FBI's European contact's evidence disc was intercepted and erased.
- **The system covered it all up.** Page 225 admits the CIA had "vested interest" in stopping local police from exposing the Finders. They even claimed jurisdiction to keep everything buried.
- **McMartin Preschool:** In 1983, dozens of children told police about underground tunnels, rituals, animal sacrifices. Skeptics laughed. But Pages 48–49 CONFIRM tunnels, bones, and pentagrams were found—just as the kids described. The evidence was buried. The children were drugged. Their memories dismissed as "hysteria."
- **This is how they operate.** Senators like Nancy Schaefer and Linda Collins-Smith tried to expose CPS and its connection to this Satanic network. Both ended up dead.
- **CPS is the vehicle.** Funded by government quotas, CPS kidnaps children from loving families and funnels them straight into the trafficking system—run by corrupt officials, protected by intelligence agencies, and funded through fake Christian churches.
- **Gunderson knew.** Assange confirmed it with Pizzagate. The FBI files prove it.
