***Please Pray For the Safety of the Ohio Foster Care Children***

**Judy Note:** *On Tues. 29 July I ran a story on severely abused and raped Ohio Foster Teen Kaitlynn Hunter (see summary of her story below), who is presently in hiding from what was believed to be a Child Sex Trafficking ring run by the CIA. She is a prime witness to the Ohio Government severe abuse of Ohio Foster Children, hundreds of whom have disappeared.*

*A few days later on Thurs. 31 July I was excited to read an entry from Mr. Pool on Telegram that said, "Ohio CPS Scandal explodes. Arrests sealed. An internal email dump shows Ohio foster placements funneled to private care networks were fronts for pedo logistics. Twelve caseworkers in federal custody, names sealed until the EBS drops."*

*I'm assuming, or at least hoping, Pool was revealing that Trump's Global Military Alliance was making arrests on the very corrupt Ohio government officials, law enforcement and Child Protective Services which was believed working with the CIA to mind control Ohio Foster Children in order to feed them into a very lucrative International Child Sex Trafficking Ring out of the Vatican.*

*It was Pedophile President Clinton who gave CPS agents incentives to kidnap for foster care (\$4,000 to \$6,000 per child) by passing the Safe Families Act.*

*Also on Thurs. I was pleased to find an entry from Ghost of Ezra Livestream that predicted, "Vice Presidential Resignation for family reasons."*

*I have been very frustrated over the non-response of US VP Vance to a host of referrals to him on Kaitlynn and other abused Ohio Foster Care children. After all, he served as Ohio Senator during those six years Kaitlyn has been abused in foster care and must have known about, or at least should have looked into the hundreds of Ohio Foster Care teens who disappeared, likely into the Child Sex Trafficking Ring run by the CIA and Vatican in Ohio.*

*Kaitlynn Hunter had been in unwarranted Ohio Foster Care for six years – having been placed there because she was being home schooled. While in Foster Care she received very little schooling, but did receive numerous beatings, was put in a multitude of placements due to running away from sexual and physical abusive situations and lost 60 pounds in one year from lack of being fed. She has various untreated concussions. She can't see past six feet ahead of her and needs long overdue eye surgery. Even before this last injury she complained of dizziness and headaches. CPS has never allowed her medical checkups or treatment. She was forced to have a birth control chip implanted and then was raped. She has a crippled finger from a beating and because CPS refused her medical treatment, it has resulted in a permanent condition. She has been unable to access medical care for serious injuries received during her six year unwarranted Foster Care confinement. Last November her foster care workers kidnapped her from the hospital in the middle of the night. Two weeks later she was able to run away from her captors. For the last nine months the seventeen year-old has been in hiding while Ohio Child Protective Services has been hunting for her. Kaitlynn believes CPS was preparing her, as they have other teens in Ohio Foster Care who have disappeared to enter an International Child Sex Ring of the Elites run by the Vatican.*

- **From fake politicians to Hollywood style inaugurations you’ve been watching a scripted movie** while the real war for your mind rages behind the scenes – it’s a war for humanity’s future.
- **For decades, we’ve been told we live in “democracy,” that what we see on TV is real politics, real government. But it’s NOT.** Every major “event,” every “historic moment,” is pre-written and executed like a blockbuster movie – designed to keep you asleep.
- **The operation was designed to fool the masses while a handful of awake people could spot the patterns:** Contradictions in speeches, impossible coincidences, staged photo ops that felt off. This “political reality” has always been a movie, a carefully scripted psychological operation to control your thoughts and emotions.
- **For decades, the CIA’s Operation Mockingbird controlled mainstream media worldwide.** Your entire worldview was scripted, repeated thousands of times until you believed it was “truth.” They told you what to think, what to fear, who to love, who to hate. Your entire life was a TV show you didn’t know you were in.
- **On January 20, 2021 millions watched Joe Biden’s “inauguration” live.** The sun shone brightly on camera – yet official weather archives show it was cloudy. People standing 6ft tall casting 10ft shadows at noon. The math doesn’t lie. This was not reality. It was a studio production broadcast as “history.”
- **Castle Rock Studios Hollywood played the White House.** A Secret Service insider reportedly admitted: that inauguration was NOT filmed in D.C. It was filmed at Castle

Rock Studios in Culver City, California – a Hollywood set built to replicate the White House. Your “Commander-in-Chief”? A stage actor on a fake set.

- **Glitches, fake scenes, CGI hands and camera errors.** The “girls in pink” who disappeared between camera angles. Biden’s hand phasing through microphones during press events – a clear CGI mistake. A funeral cannon salute at his so-called inauguration instead of the traditional presidential salute. The production was sloppy because they never thought you’d notice.
- **330 plus million minds were being programmed and deprogrammed** with information, perception, and psychological control. The puppets you see are distractions while the real battle is fought behind the curtain for control of humanity’s future.
- **How do you remove traitors embedded in every branch of power without triggering civil war?** You create a controlled movie. A step-by-step awakening process to guide people from blind trust in the system to realization of the truth. This “movie” is the only thing standing between order and full-scale chaos.
- **Q warned, “You cannot tell the people the truth – you must show them.”** The full truth would have shattered reality overnight. Billions of people would have had mental breakdowns realizing they were living in a lie. Instead, the awakening had to be staged – slow enough for the masses to digest, brutal enough to eventually force action.
- **Executive Orders 13818 & 13848: The Military holds the Trump Card.** These orders, signed quietly, gave the U.S. military legal authority to seize assets of foreign and domestic traitors, prosecute election interference, and take over mass media if necessary.
- **Trump’s “Central Casting” clue was hidden in plain sight.** Trump repeated this phrase endlessly: “They’re straight out of Central Casting. Central Casting is a Hollywood agency that supplies background actors. What if many “politicians,” “experts,” and “victims” on the news are literally paid actors playing roles in this global script?
- **Biden Body doubles** – different faces, different behavior. Sometimes his earlobes are attached, sometimes not. One Biden whispers like a child, another walks stiff like a robot. Multiple doubles, masks, stand-ins – the real Biden is not the one you’re watching.
- **Refuse the script, end up at GITMO.** Michael Protzman revealed it clearly: Bad actors who refused to follow the script, who wouldn’t cooperate with the silent operation, were eliminated. “Gitmo garden fertilizer” – their fate for betraying humanity.
- **It’s not just Biden – This is Global.** Countless celebrities, politicians, even media anchors have been replaced, cloned, or masked. We’ve seen “Version 2.0” everywhere. Not everything you see on TV is real. The truth is only emerging now because the population is finally ready to see it.

#### **H. GESARA activated as of Tues. 29 July 2025:**

- **The GESARA Military Branch has activated** top-secret procedures intended to pay off debt, dismantle globalist organizations, purged international media, shutdown UN, indictments from biotech tribunals, dissolution of the World Bank and BIS.
- **Recovered stolen wealth exceeds \$150 trillion.** The Central Banks are losing money. The quantum-ledger system is operational, avoiding corrupt systems and carrying out financial justice instantly.
- **Protocol #1: Debts permanently erased that are associated with banking**, such as credit cards, loans and mortgages.
- **Protocol #2: The elimination of income taxes.** No more wage theft, no more IRS raids. A flat tax of 14% on luxury goods only would take its place. Food, medicine, and housing are protected and exempt from taxes.
- **Protocol #3: The IRS is closed.** Instead of being corporate fiat enforcers, its agents were reassigned to oversee equitable taxation under Treasury authority.
- **Protocol #4: The Federal Reserve is being dismantled.** It no longer has a monopoly on creating money. It was replaced by Rainbow Currency, which is backed by gold, silver, and platinum and is impervious to printing theft and manipulation.
- **Protocol #5: Restoration of Constitutional Law.** Secret international courts and admiralty law are abolished. The United States regains its sovereignty.

- **Protocol #6: Within 120 days, hold new elections.** Every earlier regime was declared invalid. No more votes that have been stolen. Unhackable, trackable, and equitable, blockchain-verified QFS voting systems are being deployed.
- **Protocol #7: Citizenship will be revoked for Americans who have foreign allegiance.** Foreign agents and dual-loyalty traitors in politics, technology, and the media are eliminated by the reinstatement of the Title of Nobility Amendment.
- **Protocol #8: National emergencies that were proclaimed during earlier puppet governments are revoked.** Constitutional civilian governance replaces military rule.
- **Protocol #9: Restoring financial privacy.** No more spying, no more tracking. Foreign banks and rogue agencies cannot access Treasury-issued accounts under QFS.
- **Protocol #10: More than 6,000 patents** that have been suppressed are being released, ranging from medical innovations to free energy. Big Pharma will fail, the energy monopoly will be destroyed, and humanity's stolen future will be restored thanks to this technology.
- **Protocol #11: Funding for humanitarian relief is being used.** Global initiatives will be driven by citizens rather than NGOs. Real wealth and infrastructure are being used to address issues like food insecurity, homelessness, and the collapse of education.
- **Protocol #12: ZIM and other sovereign bonds are honored.** Parts for rebuilding the world, parts for personal use.
- **Protocol #13: The military-grade blockchain-enforced, fraud-proof new QFS Voting System takes precedence.** Voting is restricted to verified participants only. No more ballot manipulation. No more voters who are dead.

Antarctica is home to untold reserves of oil, natural gas, coal, and precious minerals. Geologists have long speculated that its ice sheets conceal some of the richest untapped resources in the world. If these resources were exploited, they could disrupt the global economy, shift the balance of power, and make nations or corporations unimaginably wealthy. But here's the twist: the Antarctic Treaty explicitly forbids the extraction of these resources. Why? On the surface, it's about protecting the environment. In reality, it's about controlling who gets to decide the future of those resources. The treaty locks the continent in a frozen state, allowing governments and corporations to quietly plan their moves without public interference. When the time is right, the ice won't just melt—it will shatter under the weight of greed.

*Even professionals who worked with Satanic Ritual Abuse Survivors and dealt with their perpetrators – police, sheriffs, investigators, therapists, social workers – found Satan Worship hard to digest. They either believed it, denied it, or were part of it.*

*No matter, they all seemed to want to cover it up. Yet, doing so kept the children’s pain silent and allowed their torture to continue.*

**V. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

***“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.***

***When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.***

***Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.***

***“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.***

questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

**I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam.
