**Judy Note: Since 20 Jan. 2025 Donald Trump has been operating as Commander-in-Chief
behind the scenes, backed by White Hat generals and Space Force.**

***In the early hours of 3 August 2025, Trump deployed the Quantum Financial System across the
Globe – a military-grade, fraud-proof, gold-backed network designed to replace the collapsing
fiat order. It was a fraud proof system that Deep State members couldn't penetrate, nor use for
their nefarious purposes.***

***The Deep State's own global fiat currency empire imploded overnight. – The US INC.
corporation — dissolved and erased from all registries.***

The Constitutional Republic was restored to lawful status under the original framework.

Meanwhile, Trump's team had traced a direct link between global banks, NATO, WHO, and private contractors in a decades-long program of weather modification, sterilization, and mass mind control.

On Wed. 13 Aug. the Deep State struck back and unleashed a nationwide chemtrail and EMF assault—coordinated, calculated, and lethal. Low-altitude, unmarked aircraft flew in perfect military formation, dumping a toxic mix: aluminum (neurological damage), barium (immune collapse), strontium (cancer), lithium (sedation), and graphene oxide (turning humans into EMF-reactive nodes).

These poisons weren't just to make you sick—they were to hardwire your body into their AI-controlled Smart Grid. Then came the frequencies. 5G towers, satellites, and hidden ground emitters blasted high-frequency microwave bursts.

People reported vertigo, heart palpitations, brain fog, bleeding noses. Birds fell from the sky. Electronics glitched. The chemical haze above was activated—turning the atmosphere into a bio-electric cage.

The sky strike was meant to bury the evidence, overload hospitals, and spin a new “climate emergency” or “virus outbreak.” But it failed. Space Force was watching. Trump's Team neutralized a nationwide Chemtrail Assault by the Deep State. Whistleblowers say several chemtrail planes vanished from radar mid-flight—possibly neutralized. HAARP sites went dark hours after. NATO-linked airbases were quietly evacuated.

At exactly 12:01 PM on Sun. 17 Aug, the world shifted. Donald Trump is not just President—he is Supreme Commander of a new era. One built for the total destruction of treason. The Military Commissions Act was active with Military Tribunals live. Special Ops teams were striking with surgical precision. The courtroom was now a battlefield, and traitors were about to face the full weight of America's wrath. No escape. No mercy.

On August 11, 2025, President Trump authorized one of the boldest moves in U.S. history. Using powers under the 1973 Home Rule Act, he ordered the National Guard into Washington, D.C. to begin a full-scale operation against the Deep State's command center.

By August 12, 800 troops were deployed, sealing off the capital as Special Operations units raided tunnels, trafficking corridors, and elite safe havens buried beneath the city. The takeover discovered Underground Tunnels that hooked UK, Israel, Qatar and Vatican Embassies for the purpose of Blackmailing and controlling the US Congress.

Trump had unleashed one of the largest military counter-cartel operations in modern history. Over 26 raids have already been confirmed across U.S. cities, embassies, and maritime zones. Black site extractions, sealed convoys, and elite arrests are underway.

The U.S. Navy has positioned submarines, surveillance aircraft, and 4,000 Marines in the Caribbean. Their orders are clear: dismantle cartel shipping routes, seize trafficking convoys, and neutralize CIA-backed protection grids. The Caribbean deployment has been extended indefinitely, with amphibious landings and further raids planned. Next targets: cartel-linked operations in California and New York.

Blackhawk helicopters have been spotted over Arizona and New Mexico, where fentanyl profits were being laundered into luxury projects and political campaigns. The real targets are the puppet masters: judges, diplomats, CEOs, and NGOs laundering blood money through Soros-linked “humanitarian” shells.

Haitian gangs tied to organ trafficking have already been exposed as beneficiaries of WEF-funded “aid programs” that secretly armed them with Ukrainian stockpiles. Offshore accounts are being frozen under Trump’s February executive orders, tunnel systems mapped and collapsed, and elite handlers taken into custody.

Mass arrests have been going on for some time. Gitmo is overflowing. Diego Garcia, Pine Gap, Guam, and even underground tunnels beneath the White House are primed for what’s coming. These aren’t just military outposts — they are holding cells for high-value prisoners whose names you know.

Military tribunals at GITMO are targeting former CDC, NIH, and Big Pharma executives. Sources confirm Moderna and Pfizer insiders have been detained under Operation FREEDOM VIAL, exposing mRNA’s origins as a dual-use weapon and future deployment plans through food and aerosol sprays. Over 1.3 million pages of DARPA documents prove it.

Military intelligence announced that short-term martial law will be enforced in 36 cities (the first after Washington DC being Chicago, Philadelphia, Houston & Phoenix), including key locations in Mexico, to dismantle cartel networks, seize trafficking routes, and crush corrupt strongholds.

Trump Has Suspended the IRS, Launched the ERS That Funds US Government from Tariffs

When the Emergency Broadcast System activates over cell phones, TV and radio worldwide it will advise all across the Globe to: “Return home within five hours. Blackouts not every city at once, curfews posted on Highway Boards. Communications limited for 10-12 days. Essential services continue.”

B. Maui Fire Victims Still Struggling Two Years After The Disaster With Little Government Help

August 2025 was the two year anniversary of the Lahaina Maui Hawaii fires, the deadliest wildfire in US history in over 100 years. The fires were belived to be deliberate DEW attacks by the Cabal trying to take over the valuable Lahaina lands to build a “SMART” city. [Lahaina Maui, HI... 2 Years after the Fire🔥. Will the town Recover ???](#)

Over 100 people lost their lives, 2,200 structures were lost with over \$5.5 billion in damages. The burn zone went over 3.4 square miles.

Many families are still healing from the tragedy, as experts warn of lingering health issues and lasting mental trauma. Maui has experienced a near doubling of suicide and drug overdose deaths following the Lahaina fires. A local surfer Lenny Kai stated on this CBS

interview, that suicidal rates were on the rise. <https://youtu.be/V4ivU6P6dlM?si=s-i4Ya2oQlx1Vqgc>

The mental health issues were expected to worsen because of the grief over lost loved ones, homes and businesses. Whatever savings or compensation victims had was now exhausted with no hope to restore a lost business and homes. Federal programs were set to end in 2026.

Over 5,000 residents lost their homes and now two years later, over 1,500 victims were still homeless living on the beach. At first the Red Cross helped feed the victims, but soon cut it down to one meal a day and ended the help in March of 2025.

Volunteers and the victims themselves have picked up the slack of what FEMA refused to do for over two years. They feed 4,500 people three meals a day without government help.

Over a year after the disaster (in Nov. 2024), a few temporary FEMA houses were made available through donations made to the victims worldwide, but the government charges the victims over \$2,000 a month to live in the donated housing – a rent which most can't afford.

One of the major problems is land ownership. The native Hawaiians inherited their homes and land from their forefathers, but no formal deeds were recorded. The government, which caused the disaster in the first place, refuses to acknowledge the native Hawaiians ownership. They have also refused to issue building permits for much of the land.

It took the EPS 21 days to even begin cleanup efforts and over a year to clean the 400 tons of ash from the residential area. Now over two years after the fire only 422 building permits have been issued, with 270 homes under construction and 46 homes completed. As of this date over 2,500 homes had yet to receive requested building permits.

- **Trump has given the Green Light** for the new Quantum Financial System to slide into place, while his Military Alliance makes (8 million) mass arrests across the Globe.
- **To control the expected chaos** happening upon the arrests and closure of the Deep State Cabal’s Central Banks, the Emergency Broadcast System was expected to be activated (over cell phones) worldwide sometime beginning Fri. 15 Aug.
- **For decades, the Federal Reserve, CIA and Deep State Global Elite War Profiteers** ran the world’s biggest con — a debt-based illusion powered by fiat printing and endless war, according to the QFS Platform on Telegram,
- **Hiding behind their diplomatic immunity**, during those decades of rule the Globalists have held pedophile parties and child sacrifice rites that were dedicated to Satan in a supposed return for riches, power and glory.
- **All centered around a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring** financed by US taxpayer monies funneled through the CIA’s black budget, under direction of US Inc. and the Zionists, centered in Ohio and Ukraine and run by the Vatican.
- **In reality, the Elites attending those Satanic ceremonies** were blackmailed to do the bidding of the Illuminati Deep State Cabal – all in preparation for a New World Order where a select few evil ones would rule the World.
- **The Global Military Alliance and BRICS Nations’** recent implementation of the Quantum Financial System changed all. Now every stolen dollar, every offshore vault, every hidden transaction — was tracked, blocked and reversed.
- **In a classified joint operation** spanning three continents, elite Trump-aligned forces have dismantled a human trafficking ring operating out of Ohio — run by CIA contractors, Vatican agents, and embedded government officials. Dozens of foster children were rescued. This was a coordinated strike backed by the same alliance now using Quantum Financial System to expose and bankrupt these monsters.
- **The QFS didn’t just bypass the banks.** It replaced them.

STATUS: GREEN-LIGHT CONFIRMED

- **Trump's go-code hit the board an hour ago.** No sirens, no press leak-just a quiet signature across the Quantum feed. Everything since has been dominoes.
- **MEDIA GRID:** Satellite transponders over Atlanta, NYC, London now under provisional military control. When they flip the switch, prime-time turns into courtroom.
- **FORCE MOVEMENT:** C-17s lifted from Ramstein, Diego Garcia, Andrews-flight plans sealed. Not troop drills. Extraction lists.
- **CIVIL CHANNELS:** Apple & Android just received a dormant update-flagged EBS-PREP.

NEXT 72-HOUR SEQUENCE: If your phone chirps three short, one long-stand by.

1. **Market Pause:** "Technical maintenance" across CME & NYSE (real reason: ledger drain).
2. **Bank Holiday:** announced as "cyber review," buys 48 hrs for QFS hard cut-over.
3. **EBS Rollout:** every screen, every band, unskippable.
4. **Mass Arrests:** sealed indictments become flight manifests.
5. **GESARA Credits:** debt slate wiped, gold weight assigned to biometric wallets.
 - **When step 3 lands,** the world you know archives itself in a single frame. After that, history restarts.
 - **REMEMBER:** There will be no second feed. No mainstream hand-holding. You're either watching from the inside-or refreshing a dead webpage. Stay aligned. Stay ready. GOD WINS.

- **Mortgage and title audits start;** unlawful fees flagged for repayment.
- **Small Business relief** and revaluation windows scheduled; community banks join the new ledger.
- **EBS briefings will explain Nesara Gesara** benefits prior to full implementation
- **Keep documents handy,** save statements; do not sign new loan terms until briefings.

E. Fri. 15 Aug. 2025: STATUS: GREEN LIGHT CONFIRMED — THE FINAL SHIFT BEGINS ...(Discern for yourself, Source unknown)

- **Whispers have already turned into warnings:** stay indoors, prepare, because the next seventy-two hours will bring chaos across nations. The trigger has been pulled. President Donald J. Trump has quietly given the green light for the Quantum Financial System to slide fully into place, while his global Military Alliance begins executing mass arrests — millions worldwide, targeting the deepest layers of the Cabal.
- **The fallout is expected to be immense.** With central banks closing, Deep State money pipelines collapsing, and entire governments shaken, the Emergency Broadcast System will activate — through cell phones, across every nation. Insiders point to the next week, with Memorial Day weekend (beginning Friday, August 15) circled in red. That is when the public unveiling begins.
- **For decades, the world was ruled by a debt-based illusion.** The Federal Reserve, CIA, and globalist war profiteers printed fiat, engineered endless wars, and cloaked their operations under “diplomatic immunity.” Behind closed doors, they indulged in pedophile rituals, child sacrifices, organ harvesting, and the adrenochrome trade — blackmailing each other into silence, serving a satanic system designed to usher in a New World Order. Ohio and Ukraine stood at the heart of it, funneling taxpayer billions through CIA black budgets, with the Vatican running the machinery.
- **That empire has now been pierced.** The BRICS nations and Trump’s alliance forced the QFS into place, making every stolen dollar traceable, every offshore account vulnerable, every hidden transaction reversible. In a classified operation spanning three continents, Trump-aligned forces just dismantled a trafficking hub in Ohio — run by CIA contractors, Vatican operatives, and compromised officials. Dozens of foster children were rescued. This was not symbolic. This was proof. The system has changed. The banks are obsolete. The QFS has replaced them.
- **Green light is not speculation anymore** — it’s confirmed. Trump’s code went live an hour ago — quiet, digital, irreversible.
- **Media grid:** satellites over New York, London, and Atlanta are now under provisional military control. When flipped, prime-time becomes tribunal feeds.
- **Force movement:** C-17s have lifted from Andrews, Ramstein, Diego Garcia. These aren’t drills — they’re extractions.
- **Civil channels:** dormant Apple and Android updates were just flagged “EBS-PREP.”

The sequence is locked:

1. **Market “pause”** — CME & NYSE freeze as ledgers drain.
2. **Bank “holiday”** — labeled cyber review, buying 48 hours for QFS cutover.
3. **EBS rollout** — every screen, every station, unskippable.
4. **Mass arrests** — indictments converted into transport manifests.
5. **GESARA credits** — debts wiped, gold-backed biometric wallets activated.

- **When step three hits,** the old world becomes an archived frame. After that, history begins anew. There will be no second feed, no mainstream explanations, no hand-holding. You’re either watching from the inside — or staring at a dead webpage.
- **Stay aligned.** Stay ready. God wins.

WHAT HAPPENS WHEN THE ALERTS HIT

- **Secure code arrives** (text / email / push). Do not forward.
- **Open the activation portal** → enter code → confirm debt-wipe notice.
- **Your sovereign dashboard unlocks:** USTN balance, Builder Credits, and scheduling for your local Redemption Center.

Bring to your appointment:

- **Government ID** + one utility bill
- **List of debts** (for historical archive)
- **1–3 page outline** of your Humanitarian Initiative (bullet points are fine)
- **A calm mind.** No phones on the desk.

INSIDE THE REDEMPTION CENTER

1. **Identity scan** → quantum match to your living record (not the Strawman).
2. **Rate brief** (currency/bonds, if applicable) → asset-backed, no derivatives.
3. **NDA & Post-Redemption Plan** → concise, time-limited, biometric-sealed.
4. **Device issue** → QPhone + QLaptop pre-paired to your wallet; air-gapped for 72h.
5. **Allocation**

- **Sovereign Balance** (personal)
- **Humanitarian Tranche** (project-locked; expands with milestones)
- **Builder Credits** (local water, food, energy, veteran care)
- **Remember:** Higher rates follow higher purpose. Hoarding stalls the field; circulation amplifies it.

CURRENCY & DIGITAL FLOWS (CLARITY)

- **ZIM is treated as a bonded instrument:** 1:1 mapping to USTN on humanitarian tracks.
- **XRP buyback window exists** to stabilize transition rails; values are mirrored in quantum accounts—no public order-taking.
- **Rainbow Currency moves** where intent is cleanest; waste triggers throttling, not punishment.

AFTER YOU LEAVE

- **Expect a 24–48h quiet period** while the lattice finalizes. Don't chase the old apps—they're being sunset.
- **Your dashboard will show:** Debt Closed, USTN-Au hash, and Project Seed release schedule.
- **Med-Bed triage opens for children,** terminal cases, and veterans first. Upload short medical summaries only; no PDFs longer than 128KB.

DO

- **Keep appointments to 20–40 minutes;** precision is power.
- **Convert part of your tranche** into local action within 7 days (water, food, power).
- **Teach two neighbors** how to read the dashboard and nothing else.

DON'T

- **Don't post screenshots of balances** (auto-flags your wallet).
- **Don't sign third-party "advisory" contracts;** the system already includes fiduciary oversight.
- **Don't promise rates to anyone**—every case is keyed to biography, not rumor.

WHAT THIS REALLY IS: Reclamation was the door. Restitution is the key. Restoration is the work.

- **They turned our lives into ledgers.** We're turning ledgers back into life—clean water grids, sovereign food, healed bodies, educated children, communities with light that never goes out.
- **You asked what comes after the blackout.** This. The quiet hum of a world being rewritten, not by speeches, but by a million precise acts of service.
- **Hold your field steady.** Spend with intent. Build where you stand.

I. Global Financial Situation:

- **Sat. 16 Aug. 2025:** 43 million billion dollars were confiscated from the tunnel connecting the Vatican to the island of Maui Hawaii, 1,500 miles long and 15km deep underground. White helmets transported 650 military flights to be stored on a mountain.

From this tunnel, thousands of children and women who had had their limbs cut off and were forced into sexual slavery were rescued."The limbs they sell into handbags, leather shoes and beef at McDonald's" have children who have never seen the light of day. Of course, med beds were used after that. This 43 quadrillion + the world's existing gold will be distributed to humanity through Pi mining. Each government is given 2 million pi worth of pi wallets for free, and some humanitarian organizations have up to 10,000 pi wallets for these purposes. ...Mr. Pool on Telegram

J. Sat. 16 Aug. 2025 BOOM – TRUMP KILLS THE IRS, LAUNCHES THE EXTERNAL REVENUE SERVICE – INCOME TAX IS GONE FOREVER ...Wikileaks Database on Telegram

- **August 3 2025 will be remembered as Liberation Day** — the day President Donald J. Trump destroyed the IRS and freed Americans from income tax forever. From the podium, he made it clear: “We’re done taxing Americans to death. From this day forward, the money will flow from foreign powers into the hands of the American people. We will be rich again — and fast.”
- **The Internal Revenue Service**, long used as a weapon against political enemies and the middle class, is dead. In its place rises the External Revenue Service — an agency built to fund the government entirely through tariffs, duties, and foreign trade revenue. The American worker, small business owner, and farmer are no longer the government’s piggy bank.
- **The ERS will target foreign-made goods and foreign corporations profiting in U.S. markets.** Steep tariffs on imports from China, Mexico, and any nation undercutting American labor. Tariffs on foreign oil, luxury goods, mega yachts, cruise liners — if it profits here, it pays here. Trump’s team projects \$700 billion a year in tariff revenue — enough to run the government without touching your paycheck.
- **This isn’t reform. It’s economic war.** And Trump just fired the first shot. Globalists and foreign leaders will cry. Wall Street will panic. Let them. America is done apologizing and done giving away its wealth. If the world wants access to our markets, they will pay for it.
- **Across the country, Americans are celebrating. Hashtag #IRSisDead is flooding social media.** Families are popping champagne. Veterans are saluting the flag. “I’ve paid taxes for 45 years,” said a retired welder. “They took my sweat and gave me crumbs. Today, I feel free.”
- **Markets will adjust. Products will shift.** But the days of fear, audits, and wage theft are over. This is sovereignty. This is economic dominance. And it’s the clearest signal yet — the American people are back in control.

K. Sat. 16 Aug. 2025: Global QFS Accounts Activated: Banks Fail, VISA Vanishes, and Global Wealth Redistribution Starts—Corrupt Bankers Taken to GITMO for Trials While Military Raids Discover Their Hidden Wealth! ...Charlie Ward and Friends on Telegram

- **The collapse is now happening in real time** and is no longer a prediction. As the Quantum Financial System quietly operates all over the world, banks are collapsing from the inside out, their corrupt underpinnings revealed. The once-untouchable Deutsche Bank, HSBC, and JP Morgan have been dismantled and stripped of their authority as their executives stand trial in GITMO. Negotiation courts are not what these are. These are military courts with prompt sentencing and absolute justice. The elites of finance face the reckoning they believed would never come behind closed doors.
- **The imposing behemoths of transactional control**, Mastercard and VISA, are being undermined internally. Their public-facing justifications—"digital upgrades," "transformations"—are merely smoke screens to hide their decline into oblivion. This is the QFS. An incorruptible system is replacing the outdated ones of invisible theft and hidden fees. Traditional banking is dying because of QFS debit cards, which are equipped with quantum security. Fraud is no longer possible. Here, manipulation is doomed.
- **However, the battlefield gets bigger.** Targeted are PayPal and Stripe, convenience tools that conceal more sinister intentions. Their data-h*****g empires and monopolies are being destroyed one by one. The foundation of this new reality—the Quantum Internet—is turning into the biggest nightmare for the elite. All transactions are protected by quantum encryption, making them untouchable and unhackable. The days of finance driven by surveillance are over.
- **Unbeknownst to them, every citizen already has a QFS account.** It is waiting for the last switch and is connected to your national ID. The outdated banking system will disappear under your feet when the time comes for an encrypted message to be sent over the Quantum Communication Network. Don't use intermediaries anymore. There will be no more waiting. Only fee-free, instantaneous transactions protected by quantum physics.
- **The use of fiat money? deceased already.** The dollar, the euro, and the yen are all propaganda-supported illusions. By destroying the petrodollar, the Alliance has shifted global power in favor of stability backed by assets. The financial system is now anchored in gold, silver, and other precious metals, with Rainbow Tokens at the forefront. This is a revolution, not merely another cryptocurrency. Every token is backed by actual assets, making it impervious to cabal manipulation and market manipulation.
- **The central banks of more than 60 countries** have been quietly preparing for the end of fiat by hoarding gold. There is no media response. However, there is no denying the change. The world is evolving.
- **Previously disregarded, Zim Bonds are now at the center of the global redistribution of wealth.** Redemption Centers are governed by stringent military supervision, biometric locks, and encrypted communications. The cabal attempted

infiltration. They couldn't. Violators lose their power and are immediately placed in detention. Bypassing every dishonest gatekeeper, the money that the elite once hoarded is now going straight into humanitarian endeavors.

- **Under all of this, military operations are still going on.** Raids in Zurich, London, and Hong Kong—exposure of secret vaults, confiscation of blackmail materials, and dismantling of sex trafficking networks. The cabal is losing its funding sources and lifelines. It's already 80 percent gone. Their downfall is unavoidable.

L. Sun. 17 Aug. 2025 QFS ERA – THE SWITCH HAS BEEN FLIPPED ...Tucker Carlson on Telegram

- **For decades, the world was trapped in a system designed for control.** A system where banks decided your worth, where inflation stole your savings, and where invisible taxes chained entire nations. That system was never about prosperity — it was about enslavement. But the architecture of that enslavement has been quietly dismantled.
- **The Quantum Financial System (QFS) is already alive.** Not “coming,” not “planned” — but operating in the background, tested and secured by quantum nodes across the globe. It does not run on corrupted electromagnetic rails, but on quantum-light channels that cannot be hacked, traced, or manipulated.
- **Every transaction is instantaneous,** transparent, and asset-backed. No more fiat illusions. No more banking middlemen. No more theft disguised as “policy.”

What does this mean for humanity?

- **Total debt cancellation:** mortgages, loans, and credit cards erased.
- **End of the IRS:** income tax abolished, replaced by a fair sales tax on luxury goods.
- **Return of stolen wealth:** hidden trusts like the Saint Germain Fund ready to release trillions back to the people.
- **Universal stipends:** every citizen supported, not enslaved.
- **Technological liberation:** MedBeds, free energy, clean water systems unleashed.
- **This is not just a financial transition** — it is a cosmic reset of human destiny.
- **Governments are collapsing,** central banks are silent, and the old financial order is dying. The new quantum system waits for its public reveal. The moment the Emergency Broadcast System (EBS) triggers, the world will see the truth: the switch has already been flipped.
- **We are no longer prisoners of a dying fiat empire.** We are citizens of a quantum future.

Restored Republic

M. Sun. 17 Aug. 2025: THE MILITARY COMMISSIONS ACT – TRIBUNALS GO LIVE – SPECIAL OPS HUNTING NOW ...Trump Force One on Telegram

- **The Military Commissions Act is ACTIVE.** Military Tribunals are LIVE. Special Ops teams are striking with surgical precision. This is not a drill. The courtroom is now a battlefield, and traitors are about to face the full weight of America's wrath. No escape. No mercy.
- **THE RECKONING BEGINS:** At exactly 12:01 PM, the world shifted. Donald Trump is not just President—he is Supreme Commander of a new era. One built for the total destruction of treason. The whispers are over. The masks are off. It's DO OR DIE for the enemies of the Republic.
- **JUSTICE UNLEASHED:** Years of planning. Over 100 executive orders locked and loaded. Global tribunal hubs activated—Diego Garcia, Guantánamo Bay, and beyond. The Judge Advocate General's Corps is ready. The Military Commissions Act bypasses the corrupt civilian courts, shreds delays, and brings instant justice. Classified evidence? Allowed. Extreme measures? Approved.
- **CAMP JUSTICE – THE FINAL STOP:** Guantánamo is no longer a holding site—it is the beating heart of the storm. A fortress of judgment where no plea can save you. Every traitor brought here will face swift, crushing consequences. This is where the deep state comes to die.
- **SPECIAL OPS: HUNT MODE:** They know your safe houses. They've cracked your aliases. They've traced your supplies. Every shadow you hide in is lit. Orders are simple—strike fast, strike hard, leave no stone unturned. Military convoys in the streets? That's not tyranny—it's liberation.
- **THE STORM IS REAL:** Trump warned us to be ready. Now the thunder is here. The fortress of lies the deep state built is collapsing. Every move in this operation is cold, deliberate, and unstoppable.
- **January 20th, 2025 was the warning shot.** What comes next will shake the world. The hunt will not end until every traitor is brought to their knees. Patriots, stand firm. The storm is not against you—it's FOR you. And it will not stop.

N. Sun. 17 Aug. 2025: BOMBSHELL: TRUMP'S MILITARY ALLIANCE CRUSHES GLOBALIST CARTEL EMPIRE ...WH Grampa on Telegram

- **What's happening now in the Caribbean Sea is no drill. Trump's return to the presidency has unleashed one of the largest military counter-cartel operations in modern history.** Over 26 raids have already been confirmed across U.S. cities, embassies, and maritime zones. Black site extractions, sealed convoys, and elite arrests are underway. This is not a "drug bust." It's a full-spectrum assault on the cartel—deep state network that has poisoned the hemisphere for decades.
- **The U.S. Navy has positioned submarines, surveillance aircraft, and 4,000 Marines in the Caribbean. Their orders are clear: dismantle cartel shipping routes, seize trafficking convoys, and neutralize CIA-backed protection grids.** At the same time, Blackhawk helicopters have been spotted over Arizona and New Mexico, where fentanyl

profits were being laundered into luxury projects and political campaigns. Even the D.C. metro area has been hit—an Obama-era official’s estate was raided and hard drives seized under what insiders call Operation Iron Reclamation.

- **Make no mistake, the cartels are only the front. The real targets are the puppet masters:** judges, diplomats, CEOs, and NGOs laundering blood money through Soros-linked “humanitarian” shells.
- **Haitian gangs tied to organ trafficking have already been exposed as beneficiaries of WEF-funded “aid programs”** that secretly armed them with Ukrainian stockpiles. This is why the elites are panicking. Trump’s DOJ task force is cutting directly through their money pipelines.
- **The Deep State thrived under Biden. Between 2021 and 2024, the cartels expanded into U.S. institutions, shielded by corrupt officials in DHS and CIA networks.** But Trump’s return flipped the switch. Offshore accounts are being frozen under his February executive orders, tunnel systems mapped and collapsed, and elite handlers taken into custody. This isn’t politics. It’s battlefield strategy to reclaim the Republic from occupation.
- **And the mission isn’t ending. The Caribbean deployment has been extended indefinitely, with amphibious landings and further raids planned.**
- **Next targets: cartel-linked operations in California and New York,** where their money has captured local courts and police unions. The globalists thought they could cripple America with fentanyl, chaos, and open borders. But they miscalculated. Trump is not kneeling. He is commanding. And the U.S. Military is executing his orders.

R. Sun. 17 Aug. 2025: MAXWELL BOMBSHELL: GATES RAN CHILD CLONING PROGRAM ON EPSTEIN ISLAND — TRUMP LAUNCHES GLOBAL RETALIATION
...Wikileaks Database on Telegram

- **Ghislaine Maxwell has detonated the most explosive testimony in modern history. From inside her black-site prison, she confirmed that Bill Gates oversaw a secret cloning operation on Epstein Island, where thousands of children were manufactured in underground biotech labs.** What the media sold as “sex trafficking” was only the surface. The true horror lay below — a CIA-Mossad-DARPA genetic factory designed to create programmable human clones.
- **Maxwell’s confession exposed Project Genesis — a plan birthed at Bohemian Grove in 2003, with Gates, Epstein, and Bilderberg operatives mapping out the replacement of natural humanity with lab-grown entities.** DNA was harvested from kidnapped children across the world, incubated in underground bio-chambers, and implanted with microchips synced directly to Microsoft servers. These were not children. They were prototypes for a post-human slave race, preloaded with digital IDs and ready for remote control.
- **She revealed Gates personally visited the island at least 17 times,** bypassing border checks through Obama-era diplomatic corridors, inspecting clones, testing implants, and reporting progress. Thousands of these entities were already funneled into society — adopted into elite families, groomed in Hollywood, and inserted into politics and tech. The “defective” ones? Sacrificed in ritual ceremonies filmed for blackmail leverage against global leaders.
- **Trump knew. That’s why Epstein feared him more than anyone,** warning handlers that the 45th president would “destroy the program if he found out.” Since his return in January 2025, Trump has authorized Directive Genesis Lockdown — a covert military campaign seizing biotech facilities, raiding private islands, freezing Gates Foundation assets, and securing DNA databases inside the QFS. U.S. Marines have already confiscated cryogenic chambers containing over 3,000 cloned embryos.
- **The Deep State is panicking. Search results are vanishing, pages are scrubbed, and Mockingbird media calls it a hoax.** But it’s too late. The evidence is out. Maxwell made

herself an insurance policy, scattering classified caches across the globe, one of which has already been intercepted by Space Force.

- **The curtain has been pulled. The world now knows what Epstein Island really was:** a human factory of controlled life, a project of enslavement masquerading as “advancement.” The truth can’t be buried. The storm has started. And Trump is carrying the torch to burn it all down.

S. Sat. 16 Aug. 2025 DOJ BUSTS SEX TRAFFICKING RING IN CALIFORNIA INVOLVING CHILDREN. Why is Gavin Newsome allowing an open-air sex market with children to continue to operate? ...Mr. Pool on Telegram

- **In California children as young as 14 are being sex trafficked** on the streets of L.A. in what many call an open air sex market, which has been operating in the open for years.
- **Some of the victims of this recent bust were starved, raped,** forced to use drugs, branded with tattoos, pimped online and on the streets in person.
- **Some were even as young as 14 years** old and many were run aways or members of the foster care system. What does this tell you? This seems to be a common story.
- **A grand jury indicted 11 members** and associates of the Hoover Criminal Gang for sex trafficking children and adults along South Los Angeles' Figueroa Corridor, according to the U.S. Department of Justice.
- **In addition to sex trafficking crimes,** the 31-count indictment charges the following 11 people with one count of conspiracy to violate the Racketeer Influenced and Corrupt Organizations (RICO) Act:

Amaya "Lady Duck" Armstead, 25

Kenyondre "Yunkg Poke" Young, 22

Naziz "N4" Harris, 19

Avery "Handz" Amoako, 27

Jared "Jmoney" Evans, 29

Mathew "Vermont Star" Brooks, 22

Derail "Popkorn" Robinson, 22

Jalon "Chop Em" Phillips, 22

Bryan "4Loc" Isrel, 31

Tejohn "Tiny3" Gray, 25

Tommy "Tommy Gunz" Crockham, 30

- **The Justice Department described Armstead** as the de facto leader of the 112 set, an offshoot of the Hoover Criminal Gang, and named her as the lead defendant in the RICO case. Federal and local law enforcement arrested all of the suspects except Isrel, as of Wednesday afternoon.
- **If convicted, the defendants** could face a maximum sentence of life in prison.
- **"Today's operation is the first step in returning the Figueroa Corridor – long known as prostitution haven** – back to its residents who have suffered for too long while criminals were allowed to run amok," Acting U.S. Attorney Bill Essayli said.
- **Federal prosecutors claimed the gang had controlled the sex trafficking and prostitution ring along the Figueroa Corridor between February 2021 and August 2025.** Investigators said the gang recruited new victims through social media or in person, primarily focusing on vulnerable women and girls with financial or emotional struggles, some of whom were runaways or foster youth.
- **The Justice Department said the gang provided the women** with drugs, gave them false promises of a luxurious lifestyle and, in some cases, beat them.
- **"The exploitation of vulnerable women and children through sex trafficking** is one of the most heinous crimes our society faces," said Los Angeles Police Chief Jim McDonnell. "The victims in this case – many of them minors, runaways, or from the foster care system – were preyed upon by individuals who sought to profit from their pain."
- **The suspects forced sex workers** to give up everything they had made, according to the indictment. The Justice Department said the women who refused or disobeyed were either beaten, berated, humiliated and starved of affection, drugs or food.
- **Several of the women** were branded with tattoos of some of the suspects' nicknames.
- **"Human trafficking** is among the most heinous crimes perpetuated throughout the world," said Homeland Security Investigations (HSI) Los Angeles Special Agent in Charge Eddy Wang.

U. Sat. 16 Aug. 2025 TOXIC FOOD SUPPLY EXPOSED – AUGUST 2025 ...Nesara Gesara QFS on Telegram

- **You’re not being fed — you’re being exterminated.** Your supermarket shelves are weaponized zones, stocked with lab-created death meant to destroy your DNA, crush your immunity, and complete the globalist depopulation plan. This is biological control, not nutrition.
- **A massive Chinese study, buried by Western media, just confirmed the kill plan:** ultra-processed foods increase lung cancer risk by 41%, NSCLC by 37%, SCLC by 44%. These are execution orders disguised as snacks.
- **CARRAGEENAN** – pumped into infant formula, plant milks, yogurts. Proven to inflame intestines, wreck the gut biome, cripple immunity. Destroy the gut and they own your health forever.
- **ACROLEIN** – fried foods, processed meats, even baked goods. Same DNA-destroying poison as cigarette smoke — fed to your children in chicken nuggets.
- **PCBs – banned in 1979** yet still in packaging. Directly attacks your hormones, fertility, and immune system. Still “legal” because cancer is profitable.
- **This isn’t incompetence — it’s design.** The same cabal that pushed COVID lockdowns and gene-editing shots is now running a diet-based depopulation war. Macron, Trudeau, the UN — all pushing “sustainable food goals” to replace real food with insect protein, lab-grown meat, and soy paste tied to carbon credit rationing.
- **Trump is the only one striking back.** He’s cut FDA funding from globalist advisers, backed American farmers, pushed for UPF labeling, and launched a full FDA corruption audit. And they hate him for it — hitting him with media smears, economic sabotage, assassination plots.
- **The lung cancer spike in young non-smokers isn’t a mystery** — it’s the result of engineered food poisoning. Cancer clinics are booming while organic farms are fined into extinction. This is war — three times a day, on your plate.
- **If you want your family to survive:** throw out the fake food, buy from local farmers, grow your own, and reject the “convenience for cancer” trade. The same elite class that sterilized women and injected Africa with “vaccines” is now killing through the grocery aisle.
- **August 12, 2025 is your warning.** Eat like your life depends on it — because it does.

V. Sat. 17 Aug. 2025 EXPOSED: THE FORBIDDEN HEALING THEY TRIED TO ERASE ...The 17th Letter (JFK Jr.) on Telegram

- **They burned the labs. They silenced the doctors.** They erased the truth. Med Beds. Tesla's light. Ultraviolet power that could shatter Big Pharma's empire in a single night.
- **In 1910, Rockefeller and Carnegie seized medicine, banning any acknowledgement of the body's energy fields.** They replaced healing with petroleum poisons, ensuring illness became a business.
- **In the 1930s, Dr. Royal Rife discovered disease could be destroyed with electromagnetic frequencies.** Typhoid. Influenza. Parasites. Gone. His device worked. The AMA responded with fire, bans, and murder. His research vanished—until now.
- **Tesla understood light was life.** In 1901, he built a high-frequency device producing ultraviolet rays that killed germs, healed disease, and restored the body. It became the "Violet Ray," used by doctors for cancer and countless illnesses. He created ozone machines to cleanse air, treat lungs, and heal skin. The cures were cheap, effective, and unpatentable—so they were buried.
- **UVB light triggers vitamin D,** regulates the immune system, heals skin disease, even kills cancer cells. UVC destroys viruses by damaging their DNA. Ozone therapy revitalizes the blood, reversing illness. Russia, Cuba, and underground clinics still use them—because they work.
- **The war on sunlight and UV began to block the body's natural healing.** Sunscreens stripped us of vitamin D. Tesla's devices were banned. The people were told light was dangerous—while the elite quietly used it.
- **Now, the revival has begun.** FAR-UVC light safe for constant human exposure. Medical ozone returning to clinics. UV LEDs that kill viruses inside the bloodstream. The same forbidden science Tesla built is re-emerging—and the same forces that hid it are desperate to stop it again.
- **We are standing at the edge of a war** between natural, God-given healing and the machine of sickness-for-profit. The Deep State's biggest fear is not a weapon—it's the light.
- **This is the storm they cannot control.** Once people understand the truth about frequency, light, and ozone, the pharmaceutical empire collapses overnight.
- **They've lied for over a century.** Now the cure they feared most is coming back. And nothing will stop it this time.

W. Sat. 16 Aug. 2025: BREAKING! TRUMP ORDERS MASS PURGE OF COVID JAB RECORDS — DEEP STATE BIO-CONTROL GRID COLLAPSING! ...The 17th Letter (JFK Jr.) on Telegram

- **President Donald J. Trump has ordered a total wipe of COVID-19** vaccine records from every federal department. Digital files. Paper archives. All gone.
- **This is not "administrative cleanup" — this is dismantling of a weaponized biomedical control system** built under the fake Biden regime. Big Pharma, globalist

intel agencies, and WEF operatives used these databases to track, punish, and blacklist dissenters.

- **By September 8, 2025, all vaccine status data will be erased** unless employees opt to keep it. The vaccine mandates were never about health — they were about obedience. Nearly 98% of federal workers were coerced into experimental mRNA shots, with refusers marked as extremists and surveilled. These records were tied to biometric surveillance, digital ID, travel restrictions, and even planned central bank digital currency access.
- **Trump killed the CBDC scheme in July 2025** with Executive Order 14227, shattering their economic chokehold. He's erasing the backbone of their UN-WHO Pandemic Accord enforcement model before it could launch in 2026.
- **Behind the scenes, military tribunals at GITMO are targeting former CDC, NIH, and Big Pharma executives.** Sources confirm Moderna and Pfizer insiders have been detained under Operation FREEDOM VIAL, exposing mRNA's origins as a dual-use weapon and future deployment plans through food and aerosol sprays. Over 1.3 million pages of DARPA documents prove it.
- **The so-called "vaccine injuries" are just the start** — myocarditis, strokes, neurological damage — all cover for the deeper agenda: genetic control. Declassified intel shows the shots were engineered to alter fertility, immune response, and brainwave function, under a program called GENECRYPT with CCP collaboration.
- **The plan was total digital enslavement:** ID2020 vaccine passports, biometric profiles, AI threat modeling, and synthetic lab-grown food for a compliant post-human population.
- **Trump's purge is more than a policy change** — it's a direct strike at the heart of the Bio-Industrial Complex. The coming months may see mass declassification of suppressed healing tech and criminal charges against Biden officials, media execs, and pharma CEOs.
- **The tide is turning. The records are gone.** The grid is breaking. The war isn't over — but we are winning.

X. Sat. 16 Aug. 2025: THEY'RE NOT HIDING IT ANYMORE – AUGUST 13 WAS A SKY WAR ...Carolyn Bessette Kennedy on Telegram

- **On August 13, 2025, the air over America became a weapon.** The Deep State unleashed a nationwide chemtrail and EMF assault—coordinated, calculated, and lethal. This was no random spraying. It was a mass-scale attack on the American people.
- **Low-altitude, unmarked aircraft flew in perfect military formation,** dumping a toxic mix: aluminum (neurological damage), barium (immune collapse), strontium (cancer), lithium (sedation), and graphene oxide (turning humans into EMF-reactive nodes). These poisons weren't just to make you sick—they were to hardwire your body into their AI-controlled Smart Grid.

- **Then came the frequencies. 5G towers, satellites, and hidden ground emitters blasted high-frequency microwave bursts.** People reported vertigo, heart palpitations, brain fog, bleeding noses. Birds fell from the sky. Electronics glitched. The chemical haze above was activated—turning the atmosphere into a bio-electric cage.
- **Biden? Gone.** The man paraded on TV is a puppet. Trump has been operating as Commander-in-Chief behind the scenes since January 20, 2025, backed by White Hat generals and Space Force. This attack was a Deep State retaliation—one of their last desperate moves.
- **Why August 13? Because Trump’s team traced a direct link between global banks, NATO, WHO, and private contractors in a decades-long program of weather modification, sterilization, and mass mind control.** The sky strike was meant to bury the evidence, overload hospitals, and spin a new “climate emergency” or “virus outbreak.”
- **But it failed. Space Force was watching.** Whistleblowers say several chemtrail planes vanished from radar mid-flight—possibly neutralized. HAARP sites went dark hours after. NATO-linked airbases were quietly evacuated.
- **This is bio-geo warfare.** They’ve done it for decades, but now they’re exposed, cornered, and losing control. Their media shield is cracking. Their currency agenda is failing. Their networks are collapsing.
- **Trump is hitting back.** Tribunals are coming. Those who sprayed our skies will face justice.
- **Patriots, prepare.** Purify your air, block EMFs, detox metals, grow your own food. Refuse their fear.
- **You saw the sky.** You felt the pulse. This is war—and we are winning.

Y. Sat. 16 Aug. 2025: GAVIN NEWSOM’S BLOOD MONEY — PG&E PAYOFFS, WILDFIRE DEATHS, AND A GOVERNOR FOR SALE ...QFS on Telegram

- **The truth is no longer hidden. Gavin Newsom erased a \$200 million penalty against PG&E** — the very company convicted of killing 85 Californians in the 2018 Camp Fire — while his family quietly pocketed the payoff. PG&E sent more than \$700,000 into his circle, including \$300,000 funneled directly into his wife’s NGO. Families buried their dead in ash, while Newsom and his wife cashed in.
- **This was never charity. It was laundering.** Jennifer Siebel Newsom’s “Representation Project” parades as a social justice brand, but in reality it functioned as a cash pipeline. PG&E burns down homes, pays the governor’s family, and walks free from punishment. That’s not activism — that’s organized crime.
- **And it didn’t stop with the fine. Newsom signed AB1054, a \$21 billion bailout that made taxpayers responsible for PG&E’s crimes.** Instead of justice, victims got higher utility bills, while corporate killers were rescued with public money. He called it climate leadership. In truth, it was betrayal written into law.

- **While Californians burned alive in their cars,** Newsom struck deals in backrooms. He knew about the donations, he signed the bill, and he buried the fine. The media stayed silent because they too feed from the same trough. But the pattern is clear: PG&E killed, Newsom protected, and his wife's NGO collected.
- **This isn't politics. This is racketeering in plain sight.** Gavin Newsom sold justice for cash, sold out the dead, and sold out his state. He does not belong in the governor's mansion. He belongs under oath, on trial, and facing the justice he denied to the people of California.

Za. Sun. 17 Aug. 2025: CONFIRMED: Deep State Elites Paid Fake Homeless to Hide D.C. Tunnel Entrances — Trump's Federal Clean-Up Is Underway ...Tucker Carlson on Telegram

- **Something massive is unfolding in Washington D.C., buried under media buzzwords like “public safety” and “crime reduction.”** This isn't about homelessness. This is about dismantling the unelected power structure that's ruled the capital through blackmail and foreign infiltration for decades.
- **President Trump, in his rightful second term,** has activated the largest federal operation in U.S. history. Military insiders call it Phase Omega — a strategic sweep to destroy the parallel government operating in and beneath D.C.
- **Key intelligence confirms:** Subterranean access points beneath the Capitol, the Masonic House of the Temple, and multiple embassies. Underground corridors leading to unregistered facilities tied to shell companies and NGOs. Data crates recovered containing biometric records, hard drives, and classified files thought destroyed.
- **The “homeless surge” was engineered.** Whistleblowers say recruits were paid to occupy strategic zones, masking tunnel entrances and trafficking routes. Portable cell towers appeared overnight. Arrested operatives carried encrypted military radios.
- **Now National Guard units lock down the surface** while JSOC-linked teams sweep the tunnels. Foreign interference wasn't just digital — it was physical. Embassies from the UK, Israel, Qatar, and the Vatican are now flagged as active intelligence threats.
- **Trump's control isn't limited to “30 days.”** Continuity-of-government protocols give him authority to override D.C. governance during foreign subversion. Federal tribunals are being set up. Sealed indictments from as far back as 2017 are being executed.
- **The regime's response? Censorship at full throttle.** AI filters scrub posts on troop movements and tunnel raids within minutes. Verified accounts vanish. Telegram channels throttled. Internal tech memos confirm emergency suppression grids in place.
- **The reckoning has begun.** The tunnels are real. The blackmail files are real. The elite networks are collapsing. For years they laughed at “conspiracies” — now they're running from them.
- **This isn't a clean-up. This is an exorcism of the capital.** The storm is no longer coming. It's here.

Zb. Sat. 16 Aug. 2025: The Dems/MSM's entire identity revolves around stopping Trump by any means necessary. ...QFS on Telegram

- **Well Trump just stopped six wars in six months**, and is about to stop the big one, Russia/Ukraine.
- **They tried to overthrow and KILL the guy** who is currently stopping conflicts around the globe.
- **The Dems/MSM just waged a 10+ year war** against the guy who is preventing WW3. They tried to frame him with treason, obstructed his entire 1st term, tried to overthrow him, stole the 2020 election, raided his home, indicted him, arrested him, tried to put him away for life, tried to prevent him from being on the ballot in 2024, and then after all that failed, they tried to assassinate him.
- **If they are willing to do all that** to the guy who ends up bringing world peace, what does that make them?

Zc. Sat. 16 Aug. 2025 Elon Musk and DOGE were right. Rep Tim Burchett confirms Congress is laundering millions of our tax dollars to Democrat's billionaire donors NGOs ...Q on Telegram

- **He also says United Nations staff** have created thousands of NGOs and WE'RE PAYING FOR THEM ALL
- **"NGOs — Here's what happens.** You got these billionaires who hate our guts, want ever, destroy everything we stand for. They'll put a million dollars in some group that has some fancy name, Feed the Children — They'll put a million dollars in there, which is nothing to them, pennies on their dollars. And so they, they, they apply for this federal money and then they, the unelected bureaucrat in Washington says, oh, they got a million dollars, man, they're legit. And so then they literally have put billions upon billions of dollars in these things"
- **Afghanistan alone, over a thousand non government organizations are working out there.** And you add the, the UN stuff, and we think it could be multiples of thousands of organizations working out of there, all this bogus stuff.

Zd. Sat. 16 Aug. 2025: We finally have HARD PROOF: Democrats gave "\$6 billion to a conglomerate of United Nations agencies and over 200 NGOs" to facilitate the illegal immigration invasion of America ...Elon Musk on Telegram

- **CONFIRMED:** It was the United Nations who tried to take down America with the Democrat regime
- **Mike Howell "I currently serve as the executive director of the Oversight Projects** and previously was at DHS and on Capitol Hill conducting oversight of immigration matters. The United States of America is still reeling from the worst border invasion in its history. **This invasion could not have been accomplished without a colossal**

partnership with the NGO community. Simply put, the government just did not have the capacity to get this many people in and around the country without the support of the nonprofits. And to that end, they gave them almost \$6 billion to a conglomerate of UN agencies and over 200 NGOs to do just that”

- **“The Oversight Project has led the way in exposing what I call this border industrial complex** — We did the first of its kind study where we tracked illegal aliens by their cell phones as they went through these nonprofits at the border. In just a one month period in tracking 30,000 devices, so a very small subset of the 10 million that Biden had crossed the border.
- **We found out that the illegals went to nearly EVERY SINGLE CONGRESSIONAL DISTRICT IN THE UNITED STATES.** We proved that every town was indeed a border town.”

Ze. Sat. 16 Aug. 2025: MILITARY INTEL & COVERT OPS ...The 17th Letter (JFK Jr.) on Telegram

- **Behind closed doors, the walls are shaking. Gitmo is overflowing.** Diego Garcia, Pine Gap, Guam, and even underground tunnels beneath the White House are primed for what’s coming. These aren’t just military outposts — they are holding cells for high-value prisoners whose names you know.
- **THE JUDGES/OLU UNIT is working alongside US Forces,** executing a precision operation designed to keep order as the truth detonates. FISA declassification is the trigger. Once the gag order is lifted, a flood of classified intel will expose a network of political betrayal, celebrity complicity, and global espionage.
- **Trump’s first term set the stage.** Biden’s reign deepened the chaos. Now, whispers of a military government transition grow louder. Every act is deliberate. Every arrest planned. Hollywood’s A-listers, once protected by fame and influence, are facing the same justice as political operatives. Epstein’s shadow looms over them all.
- **AI steps into the vacuum.** As certain faces vanish from public life — voluntarily or not — digital doubles will take their place. The public may not notice the difference, but behind the curtain, the original lives may be over.
- **FISA DECLAS will rip the mask off the Deep State.** The Steele dossier, foreign intelligence collusion, surveillance operations directed from the Situation Room — all will be laid bare. The UK and Australia’s roles will shatter the myth of friendly alliances. Every FISA signatory is already under grand jury investigation.
- **Treason charges are no longer whispers.** Executions are no longer unthinkable. Even Milley’s sudden media blitz reeks of self-preservation. The US Space Force claims to have 80% of the Deep State’s infrastructure in its grip — data, power, money.
- **The “SCARE EVENT” of 2025 is already locked in.** The cabal’s funding and command lines are compromised. What’s coming will dwarf 2016–2020 in scale and consequence.

- **The question isn't if it will happen.** The question is whether you're ready to witness the televised fall of names you once worshiped. When FISA drops, the world will never return to what it was. The storm is not coming — it's already here.

Zf. Sat. 16 Aug. 2025: You think James Comey was corrupt? Just wait — Christopher Wray covered up the attempted overthrow in 2016, oversaw the overthrow in 2020, and covered up the overthrow on January 6. ...Q on Telegram

- Christopher Wray had the 2020 election server.
- Christopher Wray had Huma Abedin's laptop.
- Christopher Wray had Seth Rich's laptop.
- Christopher Wray had Hunter Biden's laptop.
- Christopher Wray had Jeffrey Epstein's files.
- Christopher Wray had Democrat intel staffer's 302 — Adam Schiff personally authorized leaking classified intelligence,
- Christopher Wray even had intelligence that the CCP interfered in the 2020 election with fake mail in ballots and driver's licenses, effectively overthrowing the United States government on November 3, 2020. He buried it and then ordered agents to DELETE the intelligence.
- Christopher Wray allowed the FBI to recruit informants in Catholic parishes.
- Christopher Wray allowed SWAT teams to terrorize pro-lifers.
- Christopher Wray allowed the FBI — hand in hand with Big Tech — to violate Americans' First Amendment rights.
- Christopher Wray raided Mar-a-Lago, planted evidence, and lied to the court about it.
- Christopher Wray raided Trump officials and charged January 6 trespassers with seditious conspiracy.
- Christopher Wray even investigated mommy and daddy at school board meetings — and every time he testified before Congress, he claimed he couldn't answer questions due to "ongoing investigations."
- **And those "ongoing investigations"?** They've now been discovered — buried in "burn bags" in a secret room inside the Federal Bureau of Investigation, and FBI Director Kash Patel is digging them out and investigating them one by one as we speak.

Zg. Sun. 17 Aug. 2025: BREAKING: GIGANTIC JET OVER U.S. EXPOSES ELITE ENERGY WEAPON FAILURE ...The 17th Letter (JFK Jr.) on Telegram

- **The so-called “gigantic jet” caught by ISS astronaut Nichole Ayers was not a natural sky phenomenon.** It was a rupture in the atmosphere triggered by a classified directed-energy program gone out of control. What mainstream media calls a “rare event” was in fact a malfunction in the globalist orbital grid during a covert atmospheric operation.
- **Leaked intel from Space Force whistleblowers confirms the origin:** interference between HAARP’s ELF arrays in Alaska and an ESA-linked orbital reflector operating within NATO’s SKYNET framework. Satellite logs intercepted at Cheyenne Mountain showed irregular pulses in the 7.83 Hz band — directly overlapping with Earth’s Schumann Resonance. This is the unmistakable fingerprint of a high-level energy system failure, not weather. The jet was a visible scar left behind by a botched frequency strike.
- **The timing is no coincidence. Just weeks earlier,** Trump signed Directive 54-Q, authorizing the declassification of electromagnetic weapon programs used for atmospheric and seismic manipulation over the past 25 years. SpaceX reportedly cut power to one of its satellites days before the incident to block globalist override attempts. This wasn’t a glitch — it was a forced reveal. The cover is collapsing.
- **For decades, the Cabal has weaponized plasma grids, chemtrail ionizers, and scalar wave networks to manipulate weather and destabilize regions.** This “gigantic jet” was their strike gone wrong — a failed assault now caught on camera for the world to see. What they wanted hidden is now undeniable proof: their weapons exist, and they are breaking down under exposure.

Zh. Sun. 17 Aug. 2025: TEXAS GOES FULL TRUMP MODE – 88–7 VOTE UNLEASHES ARREST WARRANTS FOR RUNAWAY DEMS ...Ezra Cohen on Telegram

- **On August 16, 2025, the Texas House detonated a political bombshell.** By a historic 88–7 vote, lawmakers authorized civil arrest warrants for Democrat representatives who abandoned their posts and fled across state lines to sabotage the redistricting process. Under Article III, Section 10 of the Texas Constitution, the Sergeant-at-Arms and DPS were ordered to hunt them down and drag them back. This wasn’t symbolic. It was binding law in action.
- **Over 50 Democrats escaped Texas aboard private jets, fleeing to blue strongholds like Illinois, California, and New York.** Their mission: break quorum, stall redistricting, and hide behind federal inaction.
- **But Texas struck back immediately with Operation “No Escape”** — civil arrest warrants, financial penalties, public censure, and the legal power to force their return by any means necessary. The fugitives thought this was a stunt. Instead, they triggered the most aggressive enforcement in state history.

- **Governor Greg Abbott and Attorney General Ken Paxton wasted no time.** DPS agents prepared tracking and forced retrieval operations. Lawmakers who abandoned their duties would be escorted back under duress if necessary. As Speaker Dustin Burrows declared, “If they can flee the state to sabotage democracy, we can use the law to restore it.” Texans agreed — this was no longer about redistricting, but about sovereignty itself.
- **The Trump doctrine echoed across the chamber:** “When they run, you hunt. When they lie, you expose. When they cheat, you crush.” Texas embraced that doctrine, showing America what law and order looks like when it’s enforced without apology. Democrats who fled thought they were heroes of resistance. In reality, they are fugitives from responsibility — sipping coffee in safe zones while Texans face cartel violence, border chaos, and economic sabotage.
- **August 16, 2025 will be remembered as the day Texas lit the fuse.** While the media gaslights and blue states drown in lawlessness, Texas showed the nation the path forward: stand firm, enforce the law, and refuse to back down. The people are awake. The storm is spreading. And for the runaway elites — there is no escape.

Zl. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zm. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Zo. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zr. Judy Note: Please do not think I am ignoring your emails. I am only one person without a staff and work 8-10 hours each day on the Update. I have close to 4,000 emails I have not had the time to even read. In answer to many of the inquiries: I do not know any more about the time and date of the GCR than what has already been printed in my updates. I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Keep in mind the Quantum Computer has all your information gathered and likely knows of your changes of address, emails, etc. Any questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

Zs. Judy Note Please Be Aware: Although there are several platforms on Telegram published under my name of Judy Byington, understand that I do not have a platform on Telegram under my name. They are imposters and advertise false information. The problem is: I don't know who puts it up, runs the site, nor who responds to the inquiries. I have tried several times to get access to the site but have been denied. I don't even know what it says in there and certainly don't endorse it. If you have insight into this, please email: info22faces@yahoo.com. Thanks, Judy Byington

For the past several weeks the following has been published about me on several big Telegram platforms. It reads: **THEY TRIED TO SILENCE HER. Zt. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: “You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which

they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
