**Evidence has emerged that Biden, the FBI, US Attorney & Jack Smith conspired to frame,
arrest, prosecute and imprison Donald J. Trump, thereby attempted to overthrow the
Constitutional Republic of the United States.**

New Gold-backed Global Financial System Active

Banks Collapsing

Though, With Our Fake News, No One Knows It

***This week Trump federalized the National Guard to confront crime in major cities, then he
deployed a FBI War Unit to operate with Military Intelligence, Space Force, Cyber Units, U.S.
Marshals & Global Allies to take down the Deep State Cabal worldwide. They launched Mass
Arrests, were dismantling the global blackmail Child Sex Trafficking network, have activated
Military Tribunals, while supplying evidence to prosecute Clinton, Obama, Soros, Gates,
Schiff, Comey, Brennan, Clapper & the entire Shadow Government.***

“God loves you, everyone, every creature, everything. He doesn’t love you less if you fail, nor more if you succeed. His love for you will never cease and if you follow His example, His principles, His advice of Loving and Forgiving each other, you will find eternal happiness.”

Judy Note: There was evidence that a criminal conspiracy existed between the Biden White House, the FBI’s Washington Field Office, prosecutors from the U.S. Attorney’s Office in Washington, D.C., and Special Prosecutor Jack Smith — planned, approved, and executed Operation Arctic Frost with the intent to frame, arrest, prosecute and imprison Donald J. Trump, thereby attempting to overthrow the Constitutional Republic of the United States.

Operation Arctic Frost has now been officially referred to [@FBI Director Kash](#) and [@AG Pam Bondi](#) for criminal investigation and prosecution.

According to whistleblower disclosures confirmed by Senator Chuck Grassley and Senator Ron Johnson, Operation Arctic Frost ultimately formed the basis of Jack Smith’s false elector case, under which President Donald Trump — and electors, no less — were later charged with conspiracy to defraud the United States, the very mechanism by which the 2020 election resulted in the overthrow of the U.S. government.

Senators Grassley and Johnson: “We have obtained additional Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) communications through legally protected whistleblower disclosures that show a conspiracy among anti-Trump FBI agents and prosecutors in setting up and advancing the Arctic Frost investigation. As we have explained in our previous correspondence, Arctic Frost was the codename for the investigation that ultimately became Jack Smith’s elector case against President Donald Trump.” In other words: 18 U.S.C. § 241 — the federal “conspiracy against rights” statute — applies.

At the 15 August 2025 Alaska Summit Presidents Trump and Putin met to finalize the opening phases of GESARA — the gold-backed system that was dismantling the Cabal’s empire of debt, fraud and endless war – to decide on the final steps to take in a worldwide military operation that has been in motion for years.

For peoples of the World GESARA actually began its initial implementation back in **2016** when Trump first took office. **Now the new Quantum Financial System was live and you were using it without being told.** Every payment in recent weeks has touched QFS nodes hidden in plain sight. Currency values were shifting overnight in small nations.

Debt erasure has quietly begun as well as restoring stolen wealth. The Federal Reserve was obsolete, while IRS field agents were reassigned duties. Major banks were undergoing forced realignments as their fiat credit systems collapsed. New “federal ID systems” being issued were in reality, Quantum Access Cards.

And then, at the appointed hour, the broadcast — the announcement no one can mute. President Trump will send out over TV, Radio and cell phones worldwide the message that there has been a reset of civilization. He will announce the gold-backed dollar and confirm NESARA for all Americans. Debts wiped. Taxes gone. The Republic restored.

It will be announced that for all the peoples of the World, GESARA funds the release of MedBeds, free energy and cures buried for generations.

The Ukraine scam began to collapse when Vance called Putin on Tues. 19 Aug. 2025 early morning after the so-called “diplomatic meeting” with Zelensky, Macron, Meloni and von der Leyen. Billions laundered through fake aid, defense contracts, and shell companies — gone. NATO-backed bioweapons labs, seized. Aid packages as kickbacks funneled through CIA contractors, no more, as was Child Trafficking under cover of refugee relocation.

The war was never about borders. It was about trafficking, biolabs and blackmail. NATO cannot interfere. The UN cannot spin it. The WEF cannot stop it. The Ukraine war ends not because they want it to — but because Trump decided it’s over.

On Tues. 19 Aug. 2025 Trump deployed a FBI War Unit to operate with Military Intelligence, Space Force cyber units, U.S. Marshals and global allies with a mission to take down the Cabal from the Vatican to Davos.

Also on Tues. 19 Aug. 2025 while Trump was ending the Ukraine War, the shadow government of Obama, Pelosi and Holder were in Martha’s Vineyard, plotting the destruction of the Republic by rigging the 2016 Election. Martha’s Vineyard was a hub wired with surveillance grids, satellite uplinks and encrypted channels feeding data to rogue EU intelligence.

Their weapon? CIA-built algorithms, fed with stolen social data from Apple, Google, Meta. Their goal? Erase conservative districts, digitally and physically, before 2026. Their funding flowed from Qatar, WEF fronts, Rothschild shells and Clinton-linked “charities.”

But Trump was ten steps ahead. Military satellites tracked their transmissions for days. The DOJ was armed with sealed indictments. The White Hats watched every move. The “summit” was their own trap. They wanted control of the people’s voice. But they’ve already lost. The Republic was rising. Trump was in command. The Cabal was cornered – and patriots were taking it all back.

He appointed Missouri Attorney General Andrew Bailey as co-Deputy FBI Director to join Attorney General Pam Bondi, FBI Director Kash Patel and Bongino to launch Mass Arrests, dismantle the global blackmail and Child Sex Trafficking network, activate Military Tribunals. They will prosecute Clinton, Obama, Soros, Gates, Schiff, Comey, Brennan, Clapper and the entire shadow government.

Why now? Because the Epstein files were coming out. They contained names—judges, politicians, CEOs, royals, sitting members of Congress – those who ordered assassinations, wars, and child trafficking.

Bill Gates is again genetically modifying our food without telling us.

Half a mile long, fifty feet deep, lined with steel, pressure sensors, sonar-deflective alloys, encrypted hubs, solar grids, modular bays for cargo — and not a single human trace. This wasn't a cartel passage. It was a war corridor built with global supply chains and ghost money.

D. Fri. 15 Aug. 2025: BOOM: TRUMP AND PUTIN JUST TRIGGERED GESARA FROM A U.S. MILITARY BASE ...Quantum Financial System on Telegram

- **The August 15 summit at Joint Base Elmendorf–Richardson in Alaska** was not a photo-op. It was the trigger moment the Deep State feared most. President Trump and Vladimir Putin met under military protection, far from globalist interference, to finalize the opening phases of GESARA — the gold-backed system that will dismantle the cabal's empire of debt, fraud, and endless war. This wasn't diplomacy. It was the public unveiling of a military operation that has been quietly in motion for years.
- **Trump activated GESARA protocols** during his first term through executive orders, sealed indictments, and military codes buried in plain sight. When the Deep State screamed about “insurrection” on January 6, what they were truly panicking over was the silent seizure of authority by U.S. Military Intelligence and Space Force command. Now, in August 2025, the charade of Biden's puppet presidency is dead. Trump is back in full command, and the system is shifting in real time — even if the CIA-controlled media refuses to show it.
- **Debt erasure has already begun quietly across multiple states** under the cover of “legal corrections” and “settlement programs.” Over \$400 billion in student loans and

mortgages have been marked “in dispute” inside federal databases. IRS field agents are being reassigned to audit divisions reporting directly to Space Force contractors.

- **Major banks undergo forced realignments as their fiat credit systems collapse.** This isn't theory. It's GESARA's debt jubilee unfolding step by step.
- **The Federal Reserve is obsolete.** Treasury and military command are now the core of U.S. financial authority. Fort Knox has been transferred under Space Force control, with convoys moving seized gold and assets reclaimed from Vatican vaults, royal cabal estates, and BIS-linked banks.
- **At the same time, over 1,300 institutions are already running QFS compliance tests.** New “federal ID systems” being issued are in reality Quantum Access Cards — sovereign wallets tied to asset-backed digital currency.
- **What comes next is historic. Trump's alliance has cleared nearly every obstacle: cartel money networks, CIA protection grids, Vatican strongholds, and rogue courts.** The final triggers are now only weeks away. Once the grid threats and last resistance inside intelligence are neutralized, expect Trump to go live, announce the gold-backed dollar, and confirm GESARA for all Americans. Debts wiped. Taxes gone. The Republic restored. The storm is no longer coming — it's here.

E. Thurs. 21 Aug. 2025: THE GREAT SILENCE BEFORE THE SIGNAL ...QFS on Telegram

- **For months the surface world has seen only flickers — terminals freezing, satellites shifting, power grids dipping into shadow before rushing back.** To the untrained eye these are glitches. To those who know, they are not mistakes. They are signals of the new system that already hums beneath your feet.
- **This is the rise of the Quantum Financial System.** It is not theory. It is not a distant promise. It is already alive, tested in silence, running parallel while the old fiat corpse tries to imitate life. The banks you walk into today are shells. The real flow has already shifted into quantum settlement — incorruptible, transparent, asset-backed. Every payment in recent weeks has touched QFS nodes hidden in plain sight. You are using it without being told.
- **QFS is not just about money. It is the reset of civilization.** It erases the slavery of debt. It restores stolen wealth. It funds the release of MedBeds, free energy, and cures buried for generations. It is incorruptible code aligned with universal law. This is why the silence feels so heavy. Once the system takes full command, the old order collapses in a single stroke.
- **The signs are written into the air if you know how to watch.** Government buildings falling dark without warning. Anchors losing their voices live on air. Currency values shifting overnight in nations dismissed as irrelevant. And then, at the appointed hour, the broadcast — the announcement no one can mute.
- **Remember this when it begins. You are not waiting for the storm. You are standing inside it already.** What you await is the signal of transition — the public revelation that

the Quantum Financial System is no longer hidden. It is here. It is irreversible. It is the foundation of the world that follows.

Restored Republic

F. Thurs. 21 Aug. 2025: BOMBSHELL! THE FILES THEY NEVER WANTED TRUMP TO SEE: Zelensky Just Handed Over the Evidence That WILL Collapse Everything — And the Globalists Know It!

- **The puppet media calls it a “summit,”** but what happened in Washington was judgment day. Trump didn’t meet Zelensky — he summoned him. The defiance was gone. The sweatshirt vanished. Zelensky walked into Trump’s domain like a defeated servant, carrying not demands, but dread.
- **Behind closed doors, the globalist war machine cracked.** Bank records, names, trafficking routes, biolab funding — Zelensky handed it over. The stolen aid, the IMF slush funds, the war profiteering all laid bare.
- **Trump looked him in the eye and made it clear:** “The war is over. The scam is exposed. Your protection is gone.”
- **\$400 billion in shadow funding is now under audit and seizure.** Trump isn’t playing politician — he’s waging battlefield justice. The media distracts with staged smiles.
- **The regime is panicking over something far more dangerous:** The Trumpinator Bobblehead. Not because it’s plastic. Because it’s a weapon. Every one sold is a symbol they can’t erase. Everyone on a desk, dashboard, or nightstand is a signal: We see you. We’re awake. We will not surrender.
- **That’s why they’re hunting it.** Shipments “lost.” Materials “short.” Platforms banning keywords. DHS whistleblowers confirm the same AI once used to censor COVID “misinfo” is now tracking Trump-linked merchandise. Why? Because a bobblehead terrifies them more than missiles. It proves the people have already won.
- **The elites understand symbols.** They burned books, seized pins, and now they want this gone. They know it represents Trump’s return, the collapse of fiat tyranny, sealed indictments, and GITMO tribunals.
- **Patriots know it too.** That’s why Trump rallies flood with Trumpinators. Veterans carry them. Patriots mail them to corrupt governors with notes: “We know. We remember. We win.”
- **This isn’t a collectible.** It’s a declaration of war. It’s psychological warfare, and the regime is losing. Each Trumpinator sold is another knife in the heart of the Deep State.
- **The elites are desperate.** They want it gone because it represents the collapse of their system. But patriots are holding the line. Trump is in the White House. The storm is here. And this bobblehead is the warning shot.
- **We are the storm.** Hold the line.

G. Thurs. 21 Aug. 2025: The Deep State Removal Process: The Next Seven Days

...Wikileaks Database on Telegram

- **The federalization of Washington, DC, initiated through executive directives on August 8, 2025,** marks a pivotal fracture in the entrenched power matrix, stripping away layers of autonomy that shielded Deep State operatives from accountability.
- **This maneuver, deploying federal oversight across key agencies including the DEA, FBI, US Attorney's Office, Metro Police, US Marshals, Pre-Trial Services, Court Services and Offender Supervision Agency, and ATF, dismantles localized corruption hubs,** paving the way for a broader reconfiguration of governance, economy, and disclosure protocols. Backchannel assessments indicate this is no isolated crime crackdown but a strategic precursor to reinstalling foundational structures long suppressed by globalist influences.
- **Integration with The New Republic Framework:** DC's status as a federal enclave under Article 1, Section 8 of the Constitution has been exploited for decades as a semi-sovereign entity, enabling unchecked operations by entities like the Council on Foreign Relations and Bilderberg affiliates. Federalization reasserts direct presidential authority, aligning with blueprints for a New Republic a restored constitutional order where the District reverts to a pure administrative seat, free from corporate municipal overlays established in 1871.
- **Historical precedents trace to the Organic Act of 1871,** which transformed DC into a corporation beholden to foreign banking interests; reversing this through federal control initiates the dissolution of that charter, enabling a republic-wide audit of federal lands and assets. Insiders project this leads to the formal declaration of a New Republic by Q4 2025, where states reclaim sovereignty over unceded territories, echoing George Washington's vision of a people's governance model.
- **Key interconnections:** With Epstein-related testimonies commencing in September 2025, federalized courts in DC expedite prosecutions under unified jurisdiction, targeting figures like Obama, Brennan, Comey, and Clapper for treasonous acts tied to the 2016-2020 interference operations. This purges remnants of the old guard, installing interim councils drawn from military and civilian patriots to oversee the transition.

K. Tues. 19 Aug. 2025 MASSIVE LEAK! Obama's Vineyard Summit EXPOSED – Secret Coup to Rig 2026 Elections ...Carolyn Bessette Kennedy on Telegram

- **On Tues. 19 Aug. 2025** — while Americans struggle to rebuild from decades of engineered collapse — Obama, Pelosi, and Holder were locked away on the shores of Martha's Vineyard, plotting the destruction of the Republic.
- **This was no fundraiser.** It was a covert command summit disguised as “redistricting.” But the truth is clear: maps are being weaponized not for representation but for absolute control. This is the cartel's last stand against Trump, against the people, against the Republic itself.
- **Martha's Vineyard was no vacation spot.** It's a fortress. A hub wired with surveillance grids, satellite uplinks, and encrypted channels feeding data to rogue EU intelligence. Obama isn't “retired.” Pelosi isn't powerless. Holder isn't gone. They never left power. They were the shadow government all along.

- **Trump's return in January 2025 shattered their machinery.** Military tribunals are underway. Sealed indictments are waiting. The swamp is bleeding out. Their operations — Eclipse, Red Net, Five Eyes infiltration — are collapsing. That's why they're huddled now in secret. Redistricting is camouflage. What they're really doing is carving up America before their empire collapses.
- **Massachusetts was their testing ground.** No Republican voices in Congress, even though a third of voters supported Trump. That's not democracy. That's tyranny by design. And they plan to export it to Texas, Florida, and every red stronghold still standing. Their weapon? CIA-built algorithms, fed with stolen social data from Apple, Google, Meta. Their goal? Erase conservative districts, digitally and physically, before 2026.
- **Funding flows from Qatar, WEF fronts, Rothschild shells, and Clinton-linked "charities."**
- **Data was funneled through a hidden AT&T hub near Obama's compound,** streaming behavioral profiles of red-state patriots into their predictive systems. They're mapping out resistance before it even happens.
- **But Trump was ten steps ahead.** Military satellites tracked their transmissions for days. Vineyard communications were under surveillance. DOJ was armed with sealed indictments. The White Hats watched every move. The "summit" was their own trap.
- **August 19th, 2025 marked the parasite retreat.** They wanted control of the people's voice. But they've already lost. The Republic is rising. Trump is in command. The Cabal is cornered. And patriots are taking it all back.

L. Wed. 20 Aug. 2025 RED ALERT! Trump Deploys FBI WAR UNIT – Bailey Joins Bongino to Launch Mass Arrests, Activate the TRIBUNALS, and Unleash the JUSTICE MACHINE for Historic Prosecutions of Clinton, Obama, Soros, and the Entire Global Network! ...Carolyn Bessette Kennedy on Telegram

- **August 20, 2025 — The walls are closing in on the corrupt shadow government.** Trump isn't just back—he's striking with full force. Elites are in panic.
- **Missouri Attorney General Andrew Bailey** has been appointed as Co-Deputy Director of the FBI alongside Dan Bongino – an unprecedented move signaling the takedown phase. This isn't bureaucracy. This is war. Military-level coordination is now inside the FBI to dismantle the global blackmail and trafficking network.
- **Trump's team is activated. Kash Patel, FBI Director with Military Intelligence ties. Pam Bondi, Attorney General with sealed indictments. Dan Bongino, ex-Secret Service insider on Deep State ops. And now Bailey—combat vet, prosecutor, corruption destroyer.** In Missouri he obliterated protection rings, dismantled trafficking pipelines, indicted politicians, and smashed Soros-funded schemes. That firepower is now under Trump's command.
- **Why Bailey now? Because the Epstein files are coming out.** They contain names—judges, politicians, CEOs, royals, sitting members of Congress. Those who ordered

assassinations, wars, and child trafficking. Bongino already clashed internally over the Epstein server files—now decrypted under military protection in the Midwest. Clinton and Gates vanished from public view. Obama canceled appearances. They know what's coming.

- **This is not about reforming the FBI. It's about building a prosecution strike force under Trump's direct supervision.** The two-tier system is ending. Biden's regime buried Epstein cases. Trump's return changed everything. His orders are clear: prosecute traitors, deport invaders, jail the corrupt.
- **Bailey is deployed to prosecute Obama, Clinton, Schiff, Comey, Brennan, Clapper and others tied to the coup and cover-ups.** Trump is operating with restored Military Intelligence. Space Force cyber units, U.S. Marshals, global allies—all engaged in the full-spectrum takedown.
- **What comes next? Expect raids on trafficking rings, sudden DOJ resignations, leaked depositions confirming children traded for leverage.** This isn't just about America—it's global. The rot is being burned out from the Vatican to Davos.
- **Bailey's appointment is the signal.** The real war for America's soul has entered its final phase. The Epstein files are surfacing. The traitors are cornered.
- **And Trump's justice machine?** It's just getting started.

M. Thurs. 21 Aug. 2025: TRUMP DEPLOYS RED STATE GUARD TO D.C. AS MUTINY LOOMS ...Nesara Gesara QFS on Telegram

- **President Trump has summoned National Guardsmen** from West Virginia, South Carolina, and Ohio to reinforce the capital. Officially, they are to assist the 800 already on the ground. But the real reason runs deeper.
- **West Virginia is sending 400, South Carolina 200, and Ohio 150.** Yet 1,900 D.C. Guardsmen remain idle. Why import reinforcements when Trump could activate them instantly? The answer is chilling: he doesn't fully trust them.
- **According to a West Wing insider, Trump fears certain D.C. Guard commanders are conspiring with traitors.** Reports to the Inspector General allege officers in the 74th Troop Command and the 257th Army Band are plotting rebellion—waiting only for Bowser's nod to strike federal agents tasked with clearing illegals from the streets.
- **Letters from Guardsmen describe overheard conversations of "rebellion" and a plan to "tackle ICE and liberate Farmville."** Farmville is the nearest internment center, housing some of the most violent alien criminals—murderers, rapists, drug lords.
- **Trump knows the danger.** Friendly forces from loyal states are being brought in not only to secure D.C., but to watch the D.C. Guard itself. Who watches the watchers? Trump does.
- **The insider admitted some could have grudges,** but the odds of multiple soldiers from separate units fabricating identical claims are slim. Every accusation is under investigation. If evidence proves conspiracy, those officers will face the ultimate penalty: death for mutiny.

- **This is no small matter. A rebellion within the Guard** would not be random disobedience—it would be war from inside the wire. A betrayal from those sworn to protect.
- **Trump is moving first. He will not be caught off guard.** The capital is now fortified with men loyal to the Republic. Red state warriors stand ready to face not just external threats but possible treachery from within.
- **Make no mistake: this is history unfolding.** Mutiny whispers are circulating. Military justice hangs heavy. And President Trump is positioning pieces on the board before the Deep State can unleash its next strike.

Wars and Rumors of Wars:

N. Tues. 19 Aug. 2025 — the day the Deep State lost Ukraine. TRUMP DROPS THE HAMMER ...Carolyn Bessette Kennedy on Telegram

- **Trump detonated the Deep State's war machine in broad daylight.** While globalist puppets scrambled, Trump dropped the hammer: a Putin–Zelensky meeting is already in motion, within two weeks. Not through NATO, not the UN — through him. The actual President of the United States, Donald J. Trump.
- **This was the moment the Ukraine scam began to collapse.** Billions laundered through fake aid, defense contracts, and shell companies — gone. The war was never about borders. It was about trafficking, biolabs, and blackmail. Trump blew it wide open.
- **The so-called “diplomatic meeting” with Zelensky, Macron, Meloni, and von der Leyen wasn't diplomacy. It was damage control.** They knew what was coming. They didn't expect Trump to grab the phone and call Putin in front of them. That single move shattered the façade and exposed the true purpose of the war: NATO-backed bioweapons labs, now seized and catalogued.
- **Aid packages as kickbacks,** funneled through CIA-controlled contractors.
- **Child trafficking under cover** of “refugee relocation.”
- **Black sites launching covert drone strikes,** blamed on Russia.
- **Trump knows it all: The trilateral summit will crush the narrative.** Once Trump stands with Putin and Zelensky, the globalists lose control. NATO cannot interfere. The UN cannot spin it. The WEF cannot stop it.
- **Zelensky was cornered.** Macron panicked. NATO exposed as irrelevant. Internal NATO files detailing covert drone ops are already in Trump's possession, held as leverage to block interference.
- **Trump's A-Team — JD Vance, Marco Rubio, Steve Witkoff — aren't politicians. They are operators in a silent war.** Rubio said it best: “The ONLY leader in the WORLD that can bring both sides to the table is Donald J. Trump.”
- **Why now?** Because Trump has the files. Money trails from Ukraine to DC NGOs. Child trafficking routes disguised as aid. Biotech shipments containing engineered viral payloads. This is the collapse of the war economy.

- **When the peace deal lands:** Billions in laundering pipelines vanish. NATO stripped of purpose. NGOs exposed. Ukraine's fake leadership replaced. Trafficking corridors shattered.
- **This isn't just peace. This is dismantling.** The Great Reset's war slammed into the Trump Wall. And it broke.
- **The Ukraine war ends** not because they want it to — but because Trump decided it's over.

Q. Thurs. 21 Aug. 2025 This is an ENORMOUS CHILD TRAFFICKING ring. This is so much bigger than people can even comprehend, and once again, the CLINTONS are at the top. ...Wikileaks Database on Telegram

- **November 2009 Laura Silsby founded a non-profit** named "New Life Ministries," with an ironic slogan that says, "Ending Child Sex Trafficking." You can already guess that they ended up doing the exact opposite. 2x. That we know of.
- **January 29, 2010, Silsby was arrested** for attempting to traffick 33 "orphan" children out of the country with NO documentation. Come to find out later that the children were not orphans at all and also all had families. So they were, in fact, kidnapped.
- **After the arrest, Hilary Clinton requested** to be sent email updates regarding Silsby's case via Huma Abedin and others and was building a legal defense. Why would Hilary Clinton be concerned about this woman and this case and want to defend her actions and pay for it?
- **This was the 2nd time Silsby was caught trafficking children.** Silsby was caught by Haitian police trying to traffick 40 children out of the country prior to the first arrest. A week after her 2nd arrest, with the 33 children whom Hilary was getting updates about, on February 7, 2010, former President Bill Clinton appointed Silsby a lawyer by the name of "Jorge Puella," who succeeded in getting Silsby's sentence reduced to 6 months.
- **The lawyer appointed to Silsby by Clinton got arrested** as well for operating an international sex trafficking ring involving women and underage girls, children, out of Central America and Haiti. Jorge's wife was also arrested on the same charges.
- **Then 2011 Silsby got a new job** and then was promoted to president of marketing for, wait for it... Amber Alerts, whose main function is to alert the public in the event of kidnapped children. You just can't make this stuff up. This is how you know everything is corrupt. No one would hire someone with 2x child trafficking charges. Sounds like an easy way for someone to "accidentally" forget to report some children that got missing.

- **In 2015, Silby married Norman Gaylor** and changed her name to Laura Gaylor. Finally to top it off, during her trials for child trafficking there were multiple wealthy people who also owned non-profit organizations who "help" children in distress in other countries to put in a good word for her. Guess who these people are associated with?
- **Max McCabe, who's associated with NPH USA** and is good friends with none other than JAMES ALEFANTIS from COMET Ping-Pong and is known for child abuse and the center of PIZZAGATE. Also, Frank Giustra from the Ratcliffe Foundation and who is on the board of directors for the Clinton Foundation and who is also a known child abuser and works for an organization who uses the known FBI pedo triangle symbol for their logo. The writing is ON THE WALL.
- **If your wondering why arrests are taking so long**, it's because this entire child trafficking pedo cult is global and involves so many organizations, wealthy elite, and people across the world and is literally what is making this world go around by means of blackmail, money laundering, extortion, murder, racketeering, you name it. This is extremely complex, and you want the cases to stick with the maximum sentences or worse, and clean out the corrupt judges, DAs, agencies, etc.
- **Some people have been working on these cases for years.** Have faith. Justice is coming, and it's closer than you think. Remember, there are no coincidences. End child trafficking.

S. Thurs. 21 Aug. 2025: Here we go again: Bill Gates invests \$50 million dollars to create a new category of biologically modified crops ...EBS Activated with Barron Trump on Telegram

- **RNA will be used to modify plants** and change their naturally occurring compounds, "Our EPA has already given it the green light"
- **"Bill Gates biological beans.** Well, turns out, looks like they're coming. I just got a report that Bill Gates has donated \$50 million to a new company called Tarana

Biosciences. And they're going to create a new category of biologically modified crops. One of their first targets is soybeans.

- **But you won't know that you're buying a modified soybean** from this Bill Gates technology because our EPA has said that it is, quote, naturally occurring compounds and is not gmo. What am I talking about?
- **It's taking RNA from a virus** and using it to insert whatever gene they want into whatever crop they want. Once the RNA is inside the plant, it replicates and it gives it different features. And the company brags that they can create whatever feature they want.
- — **It will not be labeled as gmo.** But Bill Gates is betting on making profit by genetically modifying our food without telling us.

T. Thurs. 21 Aug. 2025 **BREAKING! Gigantic Jet Over U.S. EXPOSED – Deep State Weapon Malfunction Sparks Global Panic** ...Charlie Ward and Friends on Telegram

- **The so-called “gigantic jet” spotted this month by astronaut Nichole Ayers** from the ISS was not a natural event. It was a rupture caused by a classified directed energy program gone out of control. The elites have been running orbital weather warfare, and their grid glitched in real time.
- **This was no accident.** It was a malfunction in their covert atmospheric strike system, a signature failure that ripped open the skies. Whistleblowers confirm the blast was triggered by interference between HAARP’s ELF arrays in Alaska and an ESA based orbital reflector tied into NATO’s SKYNET framework. The strike was aimed at domestic resistance zones in the Midwest but misfired into U.S. airspace.
- **Telemetry from Cheyenne Mountain** intercepted irregular pulses in the 7.83 Hz range, overlapping with Earth’s Schumann Resonance. That is the fingerprint of a directed energy system collapse. The jet was not a spark in the clouds—it was a ripple in the frequency lattice that holds atmospheric stability together.
- **This comes right after Trump signed Directive 54 Q**, ordering full declassification of electromagnetic weapon programs used for weather and seismic manipulation over the last 25 years. Think that timing is coincidence? It was a forced reveal. The Deep State got exposed mid-operation.
- **Reports say SpaceX**, aligned with Trump, cut power to one of their satellites days before the strike to block globalist overrides. This was a defensive counterstrike, not a malfunction. The mainstream media calls it a “rare atmospheric event.” Lies. The same cabal has run plasma based weather warfare since Operation Popeye in Vietnam. Now they deploy scalar grids, chemtrail ionizers, and D Wave simulations to weaponize the skies.

- **The truth is undeniable.** They attempted a coordinated atmospheric energy strike. It backfired. The evidence is written across the heavens. And now the world sees the signature of their hidden war.

U. Thurs. 21 Aug. 2025 EMERGENCY ALERT: GAVIN NEWSOM'S DEEP STATE COUP ...Ezra Cohen on Telegram

- **The mask is off.** Gavin Newsom has gone from a puppet of the elites to a full-blown operative leading a coordinated coup to sabotage President Trump's 2026 takeover. This isn't "redistricting." It's a deliberate seizure of power designed to hand Democrats control of the House before the elections even begin, burying the Epstein files, GITMO tribunals, and JFK documents forever.
- **At the center of this coup is the so-called "Election Rigging Response Act."** Behind the name lies a plan to redraw congressional maps in California with no citizen oversight, no commission review, and no democratic legitimacy. The goal is to flip up to 48 House seats—locking in a five-seat net gain for Democrats and erasing Trump's chance to dismantle the Deep State through the House majority. This bill is being rammed through using Newsom's dirtiest trick—gut-and-amend—hijacking an existing bill and rewriting it in secret, bypassing public scrutiny and silencing dissent.
- **Republican lawmakers have filed an emergency lawsuit,** rushing to the California Supreme Court to stop it before the August 22 deadline. If the court fails to act by September 18, the coup is locked in, cemented on the November ballot. Even Arnold Schwarzenegger, who once helped design the independent redistricting commission, has denounced Newsom's move as betrayal. The elite media calls it a "response." In truth, it is extortion—a hostage negotiation where congressional seats are traded for power.
- **But this operation runs deeper than California.** This is a globalist counteroffensive to Trump's return in January 2025. They know QFS is expanding. They know GESARA reform is creeping into place. They know GITMO tribunals are pulling child trafficking networks tied to Epstein out of the shadows. They know Trump and the patriots are restoring the Republic while the Fed has already been absorbed into the Treasury. California has become their fortress, Newsom their willing servant, and redistricting their last firewall against the storm coming in 2026.
- **The distractions are obvious:** engineered hurricanes, staged parades of Biden's shadow government, and Silicon Valley's quiet rollout of digital health ID implants. Meanwhile, the real war is happening in legislative backrooms, where manipulated maps are being drawn to erase the people's voice. Rogue elements inside the DOJ remain silent, Obama-era operatives stall Trump's purge, and the same intelligence parasites still run interference. Yet signs of panic are everywhere—over 200 sealed indictments moving through courts since June, major trafficking networks quietly dismantled in multiple states, and secure Starlink systems rumored to be preparing a quantum voting network for election restoration.

- **This is why they fear 2026 more than 2024.** Because 2026 is when the full reckoning comes. JFK, 9/11, COVID, the Vatican, Epstein's true client list—all of it stands on the brink of disclosure. Their only chance is to sabotage Trump's House majority before the floodgates of truth open.
- **We are at DEFCON 1 of electoral warfare.** The ballot has become the battlefield. Gavin Newsom has fired the first shot. But the people are awake, the military is watching, and President Trump is already ten steps ahead. This coup will collapse under its own illegal weight, and when it does, the demand for clean elections, full audits, and total transparency will ignite nationwide.
- **Newsom may have launched** the attack. But Trump will deliver the final blow.

V. Thurs. 21 Aug. 2025 BREAKING! Federal Reserve Governor Lisa Cook Exposed in Multi-State Mortgage Fraud Scheme Tied to Deep State Real Estate Laundering — Trump Demands Immediate Resignation as QFS Audits Confirm Elite Financial Crimes!

- **August 21, 2025 — The noose is tightening. The Lisa Cook scandal** is not just about one corrupt Fed Governor — it's about a financial crime network planted under Biden's fake regime and protected by globalist handlers. Now, with Trump restored to the White House and QFS audits tearing through the system, the mask has slipped.
- **Cook didn't make a mistake.** She ran textbook mortgage fraud, claiming two "primary residences" within weeks of each other — one in Michigan, another in Georgia — then hid the rental income in her disclosures. This wasn't sloppy paperwork. It was calculated theft by a sitting Federal Reserve official. And while Americans were crushed by soaring mortgage rates, she played the system for elite profit.
- **Bill Pulte, now running the FHFA after Trump's cleanup, filed the criminal referral straight to DOJ.** Investigators confirmed Cook lied for favorable terms and buried income records from 2022 and 2023. Worse, her filings linked to shell companies in Georgia and Illinois — the same corridors flagged in QFS backtrace operations, tied to laundering hubs and even overlapping with Dominion server audits. Finance, fraud, and elections — all part of the same machine.
- **Trump wasted no time:** "Cook must resign, now!!" he declared on Truth Social. He already knows the depth of this rot. Insiders confirm Cook's name had been red-flagged in QFS audits months earlier, her fraud only the tip of a massive laundering pipeline. What looks like one case is actually the surface of an Obama-era financial network using real estate as a laundering tool, the Fed as cover, and nonprofits as pass-throughs for IMF-backed property grabs.
- **And the timing is no accident.** With NESARA protocols moving quietly forward, the QFS now fully integrated under Treasury oversight, and Gitmo tribunals expanding, every elite pawn is being exposed. Cook's defenders call it bullying. But this isn't bullying — it's exposure. You signed. You lied. You profited. And you thought immunity was forever. That age is over.

- **Lisa Cook is just the beginning.** How many more Fed board members are complicit? How many foundations, trusts, and banks are part of this web? These questions will not remain unanswered. The real audits are live, the tribunals are waiting, and the era of untouchable elites is collapsing.
- **Cook must resign.** Then she must face indictment. This is step one in the dismantling of a Babylonian tower built on debt, fraud, and globalist immunity. The reckoning has begun.

W. Thurs. 21 Aug. 2025: MILITARY INTEL BREAK — SUBTERRANEAN WARFARE BEGINS AT THE ARIZONA BORDER ... The 17th Letter (JFK Jr.) on Telegram

- **The U.S. has shut down a major section of the Arizona border after discovering what officials now call a Level 5 breach:** a military-grade infiltration tunnel. Half a mile long, fifty feet deep, lined with steel, pressure sensors, sonar-deflective alloys, encrypted hubs, solar grids, modular bays for cargo — and not a single human trace. This wasn't a cartel passage. It was a war corridor built with global supply chains and ghost money.
- **Detection teams used deep-soil resonance mapping,** orbital drones, and thermal sweeps to confirm what they first thought was an anomaly. But the profile was perfect — straight, reinforced, designed for heavy movement. Trolley tracks inside. Blast-resistant ceilings. Anti-sonar lining seen before only in submarine R&D. No heat leakage. Zero surface signatures. Whoever built this didn't just want to smuggle contraband — they wanted to move forces, data, or human cargo undetected, staging beneath U.S. soil.
- **Intel units traced the funding through crypto pools,** offshore accounts, and shell corporations across Panama, Singapore, and Serbia. No fingerprints. No DNA. No electronic trails. Even animals were used in test runs to mask heat and vibration signatures. This was ghost-built by operatives trained in insurgency warfare. Doctrine: deny everything, leave nothing.
- **Now all eyes are on Tren de Aragua,** the Venezuelan syndicate turned paramilitary hybrid. Once written off as thugs, they now recruit children, embed inside migrant flows, and operate like state proxies. They've spread across 18 U.S. states and adopted encrypted field orders. Former DEA intel officers admit openly: "They're not street gangs anymore. They're insurgents." Washington has just declared them a Tier-1 transnational hybrid threat.
- **Within 48 hours, Congress activated emergency tunnel defense protocols.** A new Subterranean Threat Division under DHS is being fast-tracked, with funds diverted from surface fencing to deep-ground anomaly detection. The doctrine has changed: control above and below. Because the battlefield has changed. The enemy no longer scales walls. They burrow under them. They don't carry rifles across the desert. They carry encrypted drives through corridors the size of bunkers.
- **And here's the final word: this tunnel was not a smuggling route.** It was a systems test. They were measuring how long it would take us to detect, to respond, to shut down.

Logging timestamps, studying the delay, learning how slow America moves when the threat comes from below. They didn't fail. They succeeded. They came for data, for staging, for proof of concept — and they got it.

- **The next one won't be in Arizona. It will be deeper, faster, more advanced.** Maybe beneath a military base. Maybe beneath a city. And if we don't adapt, we won't catch it in time. The war has gone subterranean. The question is whether America is ready to fight it.

Zb. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

Zd. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zf. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zi. Judy Note: Please do not think I am ignoring your emails. I am only one person without a staff and work 8-10 hours each day on the Update. I have close to 4,000 emails I have not had the time to even read. In answer to many of the inquiries: I do not know any more about the time and date of the GCR than what has already been printed in my updates. I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Keep in mind the Quantum Computer has all your information gathered and likely knows of your changes of address, emails, etc. Any questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

Zj. Judy Note Please Be Aware: Although there are several platforms on Telegram published under my name of Judy Byington, understand that I do not have a platform on Telegram under my name. They are imposters and advertise false information. The problem is: I don't know who puts it up, runs the site, nor who responds to the inquiries. I have tried several times to get access to the site but have been denied. I don't even know what it says in there and certainly don't endorse it. If you have insight into this, please email: info22faces@yahoo.com. Thanks, Judy Byington

For the past several weeks the following has been published about me on several big Telegram platforms. It reads: **THEY TRIED TO SILENCE HER. NOW MILLIONS LISTEN. *What Judy Byington reveals can't be unseen.** Ritual abuse. Government coverups. Forgotten children. Her posts are raw. Real. Forbidden. **FOLLOW the truth they never wanted you to read:** <https://t.me/JudyByington> <https://t.me/+YmtWDB7BXCowYzJk>

Zk. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: “You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which

they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
