[A Child's Prayer \(2013\) | The Tabernacle Choir](#)

Heavenly Father, are you really there?  
And do you hear and answer ev'ry child's prayer?  
Some say that heaven is far away,  
But I feel it close around me as I pray.  
Heavenly Father, I remember now  
Something that Jesus told disciples long ago:

"Suffer the children to come to me."  
Father, in prayer I'm coming now to thee.  
Speak, he is list'ning.  
You are his child;  
His love now surrounds you.  
He hears your prayer;  
He loves the children.  
Of such is the kingdom, the kingdom of Heav'n.

**Judy Note: HELP!!! This is an urgent plea to President Trump and the White Hats to immediately save Kaitlynn Hunter and her mother Jeannine Larrick from the Guernsey County Sheriff who abducted them under false pretenses today, **Mon. 25 Aug. 2025.****

**Kaitlynn and her mother Jeannine Larrick are witnesses to child endangerment, beatings and rape in the Ohio CPS system and are in grave danger.**

**I urge readers to call, email or write Guernsey County Ohio Sheriff Jeffrey D. Paden or Detective Bill Patterson and demand their release.**

**601 Southgate Parkway Cambridge Ohio 43725    740-439-4455**  
[contactus@guernseysheriff.com](mailto:contactus@guernseysheriff.com)

**Jeannine Larrick & daughter Kaitlynn Hunter** were both **ARRESTED** this evening

Arrested: 8/25/2025 @ 6:02 PM

Jeannine presently being held at:  
Guernsey County Sheriff's Office  
Address: 601 Southgate Pkwy, Cambridge, OH 43725  
Phone: (740) 439-4455

**Detective Bill Patterson** & 5 other officers made the arrest. They arrested Jeannine while outside on her own property of 37 acres, then they entered her house, searching for Kaitlynn, found her and arrested Kaitlynn as well. We cannot find Kaitlynn and do not know right now where they've taken her.

**!! NO WARRANT WAS PRODUCED before entering the home !!**

Charge listed as Probation Violation (see attached) although we are not aware of any probation that Jeannine was on since 2021.

We called the Guernsey County Jail at 10:20 PM and spoke to a Correction Officer on duty named **Tim Reasoner**

Officer Tim Reasoner stated that she is on a 48 hour felony hold but did not know what the felony was that Jeannine committed. Officer Tim Reasoner stated that we would have to call tomorrow and speak to the detectives to see what felony they were going to charge her with. **NO BOND** right now.

Attached also are just a few photos of the severe physical abuse that Kaitlynn has had to suffer in the care of the State of Ohio, who now again have custody of her, as of this evening.

**FYI ... while unlawfully in their custody, the state of Ohio LOST THIS CHILD 3X.** Kaitlynn has had to run for her life to protect herself from the severe physical and psychological abuse she has been forced to live within the foster homes and group homes in which the state of Ohio placed her in throughout the years.

For anyone who is unaware, a few years ago Jeannine was assaulted by officers in her own home and her 2 children were stolen by Guernsey County CPS. It all started because Jeannine chose to home school her children. The story is detailed here, including the police bodycam video of the horrific assault by Guernsey County Sheriffs Deputies and the trauma filled abduction of her children by CPS:

[Child Protection or Government Tyranny?](#)

**Please keep Jeannine and Kaitlynn in your prayers as well as Jeannine's mother Betty who is very, very sick and on oxygen in a wheelchair. My fear is that the state now can go in and try to probate her and assign her a guardian and steal her 37 acres of beautiful land.**

God Help Us All!

**Judy Note: Below are articles** that give a background to the cases showing Kaitlynn's extreme abuse, beatings and rape while in foster care. She was placed in CPS care because she was being home schooled, yet never received proper schooling while in foster care.

**These two are guilty of nothing but trying to expose the abuse of Ohio Foster children** – which is huge, ongoing and appears to be tied to the international Child Sex Trafficking Ring run by the Vatican.

**Neither has committed a crime.** They are being held on false charges (of violating probation when neither has been on probation) and are in extreme danger as they are witnesses to rape, murder and abduction of Ohio Foster Care children.

**They are trying to expose the Child Sex Trafficking Ring** run by Ohio CPS. Absolutely no help has been given to the two by the Ohio Governor's office, Attorney General's office or anyone in Ohio law enforcement during their many years of abuse by the state of Ohio – not even from Vice President Vance who was once a Senator from Ohio. Why?

**Judy Note: Below is an article I wrote back on Sun. 17 Nov. 2024,** the last time I had contact with Kaitlynn. She later escaped from her foster care prison (where she received no medical treatment) and has been in hiding ever since.

**Ohio Foster Child Kaitlynn Hunter remains in critical condition with untreated injuries from a beating twelve days ago. Her whereabouts** are unknown to anyone but her Ohio Child Protective Services workers and Dayton police who took her from the Dayton Childrens Hospital in the middle of the night last **Sat. 16 Nov. 2024** where she was under observation for a head injury.

- **It is strongly felt that Kaitlynn's life was in danger. As of Thurs. 21 Nov. 2024** Kaitlynn has gone fifteen days without medical treatment for serious injuries including a brain concussion suffered in a beating on **Wed. 6 Nov. 2024.**
- **Kaitlynn claims another resident** beat her while caretakers at the Dayton Dimensional Phases Group Home (under contract with CPS) where she resided not only encouraged the beating and sat by while it happened, but also egged it on.
- **CPS took away her phone and took her to an unknown location.** At the time of the abduction Kaitlynn overheard CPS workers say they were thinking of taking her out of state, perhaps to Indiana.
- **Kaitlynn is presently in critical condition,** suffering head trauma, continuous pressure on her brain, pain and needle feelings in her skull, has a brain fluid leak, two knots on her skull, has trouble pronouncing, can't spell and slurs words; is highly agitated; left eye has turned brown; for the past several years she has suffered Dissociation as a result of past trauma such as being starved for a year where she lost 60 pounds and denied prescribed nutrition to regain her health. Eyes have been dilating for the past few years as a result of past beatings. She is in need of an

eye operation from a prior beating months ago. She has been without her clothes, schooling and glasses since last Sept. She has been raped and abused throughout her six year stay in Ohio Foster Care and has tried to commit suicide several times. All the while she has been denied contact, or was only able to have little contact with her one support person, her mother Jeannine Jarrick.

- **A critically ill Kaitlynn Hunter is being held by** the Ohio Child Protective Services in an unknown location without the ability to contact anyone for help. That alone could be considered psychological torture.
- **CPS also took away her phone**, even though several days ago she was told by a Protective Services Worker she could have her phone for such an emergency.
- **Ohio CPS** haven't allowed her contact with her mother Jeannine Larrick since the beating incident on **Wed. 6 Nov. 2024**.
- **One would wonder why?** The answer could be that Kaitlynn's mother Ms. Larrick has mounds of evidence as to Kaitlynn's torture and abuse over the last six years Kaitlynn has been in Foster Care, plus has evidence of torture, starvation and abuse of other youths in the Ohio Foster Care system. See pictures and documents in this article: [Alert! Alert! Alert! God's Children Are Not for Sale! Rescuing Ohio's Foster Children from International Trafficking - A Cry for Help! - amg-news.com - American Media Group](#)
- **Kaitlynn was to be a court witness** to CPS abuse of herself and other youth in the Ohio Foster Care System – which was strongly suspected to be running a Child Sex Trafficking Ring. CPS appears to be trying to prevent Kaitlynn from testifying against them.
- **The now 16 year-old** was placed in Ohio Foster Care at age 11 because her mother Jeannine Jarrick was homeschooling her. Ms. Larrick has been fighting the court system and CPS ever since to get her back.
- **After my readers badgered Ohio authorities** for several days, CPS finally took Kaitlynn to the Dayton Childrens Hospital for a CAT Scan and diagnosis, which she had twice been denied over the past nine days since the beating.
- **Jessica Barnes, who works at the Dimensional Phases Group Home** where Kaitlynn was beaten said that in the early morning hours of **Sat. 9 Nov. 2024** when Kaitlynn was at the Dayton Children's Hospital, the Dayton Police and Guernsey County Child Protective Services forced their way into the Dimensional Phases Group Home without a warrant and demanded Kaitlynn's things, which they then removed from the home.
- **It was around one am on that same Sat. morning 16 Nov. 2024** when those same police and CPS workers suddenly showed up at the Dayton Children's Hospital and took Kaitlynn. She was in the hospital for a CAT scan, diagnosis and treatment and was to be observed overnight.

- **CPS claimed they had no medical records** on her and as a result she suffered an allergic reaction to medication in the hospital – that was only understood after the mother Jeannine Jarrick told them of her past medical history. Ms. Larrick was denied information as to her present medical condition and has not been allowed to talk to Kaitlynn since the beating incident.
- **I believe Kaitlynn is being groomed for a Child Sex Trafficking Ring.** I had word from a very reliable source as to details of that, yet it cannot be disclosed to the public at this time.
- **I have no where to send that intel. To my knowledge** there has been no investigation opened on Kaitlynn’s case from any of the many government agencies notified by myself and many others since the beating. I have gotten the run a round from federal agencies and also from, as could be expected of a Protective Services government agency accused of abuse of many children, the local Child Protective Services and police.
- **- which isn’t surprising. The Guernsey County CPS** has had two Foster Children die since **2019** when Kaitlynn was placed in foster care for the ridiculous charge of being home schooled.
- **You can contribute to the Kaitlynn Hunter Wants To Go Home Go Fund Me Account.** The money will be used to reunite her with her family after six long years of abuse, starvation, rape and torture while in the Ohio Foster Care System. [GiveSendGo | Kaitlynn Marie Hunter wants to go HOME!](#)

**D. Mon. 25 Aug. 2025 INTEL DROP BREAKING! On September 1st, Trump will begin a \$150 trillion Gesara operation, which will return stolen elite wealth to the people, causing Deep State panic. ...Q on Telegram**

- **The countdown has started as of August 20, 2025.** In order to overthrow globalist economic dominance and restore stolen wealth to the American people, President Donald J. Trump will launch a \$150 trillion financial operation on **September 1**. The National Endowment Directive, which Trump approved under full constitutional and military authority, will release mineral resources buried beneath U.S. federal land that have been purposefully concealed for more than a century by globalist policies.
- **Large reserves of gold, silver, copper, lithium, uranium, and rare earth elements**—worth more than the combined GDP of all countries—are found on more than 250 million acres of land, primarily in the western states. They weren't "protected lands." In order to keep Americans impoverished and reliant while elites made money overseas, they were blockades that were sealed by fictitious environmental laws. That fraud is coming to an end. With profits going into the Unified Treasury Reclamation Fund and being disbursed to verified citizens via the Quantum Financial System, Trump's directive guarantees that these resources are recovered under U.S. control.

- **Phase One starts on September 1st**, with land leases prohibited from foreign ownership, mineral surveys made available to American teams that have been vetted, and QFS-driven payouts known as "Repatriation Royalties" already showing up in pilot programs. What used to be theory is now working.
- **Long ridiculed and suppressed, GESARA is being carefully implemented:** IRS regional offices are quietly closing, internal ledger corrections have zeroed out student loan and tax debts, QFS nodes have activated gold-backing infrastructure, and Treasury-issued asset-backed currency is getting ready to replace the fiat dollar. The change is already in motion, but none of this was intended to go public until it was secure.
- **The Globalists are obviously in a panic.** Desperate to stop Trump's mineral release, WEF leaders convened in Geneva last weekend with more than 300 private jet arrivals. If the United States switches back to asset-backed currency, the IMF has warned of "catastrophic instability." In an effort to advance its digital yuan before the dollar resets, China is dumping US bonds out of desperation rather than strength. However, it's too late.
- **The Federal Reserve Act stole monetary sovereignty, wars enriched contractors while bankrupting nations,** energy independence was sacrificed to foreign cartels, patents were buried, and land rich in resources was locked away. The elites began manipulating the system in 1913. Every action was intended to divert American wealth. That system is being reversed by Trump.
- **September 1st is the catalyst, not a symbolic date.** Following that, the pace of wealth transfer quickens through direct QFS-linked payments to citizens, tax abolition, grant-based business assistance, and zero-interest lending. This is actual compensation that is backed by gold and linked to physical assets; it is neither scrap nor subsidies.
- **Americans will get what has always been theirs for the first time in modern history.** The globalist myth that there was "never enough to go around" is coming to an end. Donald J. Trump is at the helm of the largest wealth transfer in history, and it is about to get underway. Still standing, still carrying out, still taking back what was rightfully ours all along, despite being silenced, attacked, and imprisoned.
- **The first day is September 1st.** Furthermore, nobody can stop what is about to happen.

#### **E. Global Financial Situation:**

- **Mon. 25 Aug. 2025:** The US suddenly withdraws its troops from two military bases in Iraq ahead of schedule.

**F . Mon. 25 Aug. 2025 EXPOSING THE LIE: THEY OWE YOU \$495,000 – THE HIDDEN WEALTH OF AMERICA AND THE SILENT FINANCIAL COUP – \$169 TRILLION MISSING. YOU WERE NEVER IN DEBT — YOU WERE THE COLLATERAL ...Nesara Gesara Exposed on Telegram**

- **You were never in debt.** You were the collateral. \$169 trillion in hidden wealth, \$495,000 owed to every American — and a rigged system now exposed. The Strawman is collapsing. Justice is coming.
- **THE NUMBERS THAT ENSLAVE:** The U.S. Debt Clock looks like a blur of digits spinning out of control. But it isn't a technical display — it's a hypnotic screen hiding the largest financial illusion in modern history. Behind the "national debt" sits a secret ledger: \$169 trillion extracted and funneled into private vaults, while Americans were told to live with austerity and endless debt. Distributed evenly, this stolen wealth would equal nearly half a million dollars per citizen.
- **AMERICA THE CORPORATION:** In 1871, the District of Columbia Organic Act transformed the United States into a corporate entity. Citizens became assets, not sovereigns. **By 1933**, after default, Roosevelt's gold confiscation liquidated private wealth and replaced it with fiat currency — printed at will and backed by nothing. From that moment, Americans themselves became the collateral propping up a fraudulent economic empire.
- **THE STRAWMAN SCAM:** At birth, a secondary legal fiction — the "Strawman" — is created in your name, represented in all capital letters. Your birth certificate isn't just an identity document, but a bonded financial instrument traded globally through CUSIP numbers. Your labor and life potential were securitized without consent, used to collateralize government debt. Each time you sign a contract, file taxes, or appear in court, you are acting as agent for this corporate fiction. The real you — flesh, blood, spirit — remains sovereign.
- **HIDDEN WEALTH — THEFT OF A NATION:** Where did the \$169 trillion go? It wasn't lost. It was deliberately siphoned through taxes, inflation, debt schemes, and currency debasement into the hands of central banks, global institutions, and political puppets. While Americans were told they were broke, their labor and identity backed wars, surveillance, and endless enrichment of the elite. The lie was simple: "You owe." The truth? They owe you.
- **THE COMING JUBILEE:** A Debt Jubilee is no longer fantasy. It will expose the fraud, dissolve debt slavery, and redistribute stolen wealth. This won't be charity — it will be reclamation. A rebalancing where human labor, natural resources, and decentralized trade replace fiat lies. The awakening is spreading: people are realizing they are creditors, not debtors.
- **BLOCKCHAIN, AI, AND THE NEW VALUE SYSTEM:** As the old system collapses, blockchain and tokenized assets are laying rails for a transparent financial order. Gold-backed digital tokens like XRP and Rainbow currencies are immune to manipulation. AI is now exposing fraud in real time, tearing down the veils Wall Street relied on for decades. Power is shifting back to the people.
- **TRUMP SIGNALING THE STORM:** Donald J. Trump has been the only leader bold enough to attack the Federal Reserve head-on. By demanding asset-backed money and exposing fiat inflation as theft, he positioned himself as the central threat to the financial Deep State. This is why the attacks against him are relentless: if he wins, their system ends.
- **THIS IS ABOUT YOUR BIRTHRIGHT:** At the root, this isn't about money — it's about identity. You weren't born to be collateral. You are not a Strawman. You are sovereign. That's why movements like NESARA and GESARA resonate — because people sense the

truth: the system is broken, justice is overdue, and humanity is ready to reclaim what was stolen.

## **G. Restored Republic**

- **Mon. 25 Aug. 2025:** “The Globalist’s plan for World domination revolved around collapsing the fiat dollar by flooding the World with trillions of fiat paper dollars, plus additional trillions of non-asset-backed digital dollars in computer banks – all that was thwarted when President Trump won the 2016 Election. If Trump had lost we would have had hyperinflation beginning in late 2017, followed by a series of worldwide viral pandemics in 2018 and a nuclear detonation in a major US city in the Fall of 2019. The final punch would have been a series of permanent changes in the way different countries conducted their elections so they could be controlled and fraudulent.” ...Juan O Savin

## **H. Mon. 25 Aug. 2025: EBS RED ALERT! Trump to Trigger Full Disclosure — Fake Presidents, Underground Tunnels, CIA Black Operations, Stolen Elections, Bioweapon Labs, and What 9/11 Was Really Covering Up! [EBS RED ALERT! Trump to Trigger Full Disclosure — Fake Presidents, Underground Tunnels, CIA Black Operations, Stolen Elections, Bioweapon Labs, and What 9/11 Was Really Covering Up! - Gazetteller](#)**

- **There’s a reason the media has gone quiet.** A reason the big names aren’t talking. A reason things feel off — in your gut, in the energy, in the headlines that don’t match the reality around you. Because while most of the country is waiting for a signal, those who are paying attention know it already started. Trump didn’t come back to “play politics.” He came back with a mission — one that was years in the making — and August 2025 marks the final stages of its rollout. This is the cleanup phase. And it’s moving fast.
- **Trump Is in Full Command** — and Running Operations Outside the Public View. Since retaking office on January 20, 2025, President Trump has been operating through an entirely separate command structure, coordinated directly with military intelligence, constitutional legal teams, and handpicked federal auditors. (More Info on [gazetteller.com](#))
- **The Department of Justice**, as it stood under Biden, is essentially non-functional. Over 60 senior DOJ officials have been removed since March. Some resigned. Others were quietly taken into custody. The Office of Legal Counsel is being gutted. Its internal advisory memos were used to justify mass censorship and illegal pandemic policies between 2020–2023.
- **Devolution protocols** remain active in certain federal zones — meaning that while civilian agencies appear operational, military oversight has quietly taken the lead in several sectors. Treasury, Energy, Defense, and Veterans Affairs have all been moved under temporary national security controls. (More Info on [gazetteller.com](#))

- **You won't see this on paper.** But the ripple effects are visible: Budget freezes across major alphabet agencies. Non-renewal of top-level contracting programs. Sudden revocations of security clearances. This is containment.
- **EBS System – Not Just Ready. Already Embedded Into the Grid.** We're now able to confirm several key facts about the Emergency Broadcast System (EBS), and they're not theories — they're sourced from direct infrastructure reports, telecom insiders, and quiet briefings from defense contractors who helped build the system.

#### **Key EBS Updates as of August 25, 2025:**

- **Command nodes have been rerouted:** The primary EBS command has been transferred from FEMA coordination centers to military communication bunkers in Cheyenne Mountain (Colorado) and Raven Rock (Pennsylvania). These are hardened underground facilities immune to EMP and cyberattacks. (More Info on [gazetteller.com](http://gazetteller.com))
- **Starlink satellites are now integrated** into the backup alert system. In the event of a full internet blackout or hostile network interference, the EBS will piggyback off space-based satellite relays to deliver audio-visual messages directly to civilian receivers.
- **On August 18, internal test signals were sent through 5G towers across Florida, Georgia, and South Carolina.** Flagged as “seismic early warning test,” the packets were in fact Tier 3 authentication pings tied to emergency override scenarios.
- **The final authorization key** — a three-code secure signal generated by NORAD, USSTRATCOM, and the Office of the President — was logged as “live” in the EBS confirmation system on August 21.
- **In plain English?** Everything is in place. The infrastructure exists. The signal paths are verified. The broadcast content has already been secured and backed up across six hardened locations.
- **The only thing left is timing.** What Will Be in the Broadcast? We've now confirmed through multiple data leaks and briefings what content will be included in the first EBS wave.

#### **Expect this:**

- **Full release of January 6th Capitol** surveillance footage: Over 9,000 hours, uncut, showing staged entries, planted agitators, and direct coordination between select lawmakers and Capitol security.
- **Declassified memos from Operation Crimson Mist:** Documents showing intelligence officials planning real-time behavioral influence operations via social media — using AI-driven scripts during COVID and post-election riots.
- **Footage and audio from child trafficking hubs across U.S. borders,** including previously unseen drone recordings of UN-accredited NGOs transporting children through unmarked white vans, and military thermal imaging of late-night air transfers at off-grid airstrips.

- **Audio from federal task force intercepts confirming that election data from Georgia and Michigan was transmitted via unsecured server routes to Germany and Serbia on November 3, 2020.** (More Info on [gazetteller.com](http://gazetteller.com))
- **Documents proving financial coordination between Pfizer, the CDC, and a PR firm (Weber Shandwick) to blacklist, defund, and censor dissenting doctors through licensing boards and hospital partnerships.**
- **All of this is** video-verified, chain-of-custody certified, and digitally watermarked for legal release. They've been building this case since 2017. Now it's complete.

**L. Mon. 25 Aug. 2025:** CDC WHISTLEBLOWER | SPIKE PROTEIN EXPOSURE IS REAL ...The 17th Letter (JFK Jr.) on Telegram

- **The COVID vax** unleashed a chronic disease tsunami — and they knew. This was not healthcare. This was a biological psyop.
- **THE SPIKE PROTEIN – A MOLECULAR SABOTAGE:** The so-called vaccine was a genetic payload delivery system. It ordered the body to produce the very toxin responsible for disease: the spike protein. Not harmless. Not short-lived. It lingers. It embeds. It rewrites.
- **It crosses into the brain, embedding in neurons.** It colonizes the heart, triggering myocarditis. It hijacks hormonal systems, striking ovaries, testes, thyroids. It reaches bone marrow, corrupting immune production. The result: systemic, compounding biological damage leading to illness, disability, and death.
- **THE COVER-UP: A CDC insider** confirms what frontline doctors screamed: they lied, manipulated trials, and buried evidence. Internal emails show “spike protein toxicity” flagged in redacted files from 2020. Adverse reactions were re-coded. Whistleblowers were silenced, doctors stripped of licenses, and the media weaponized to crush dissent.
- **Why? Power, profit, population control.** Pharma giants cashed in billions while humanity lined up for an injectable time bomb.
- **CANADA AND AMERICA UNDER ATTACK:** Hospitals filled with sudden strokes, seizures, cardiac arrests in healthy young adults. Insurance companies recorded historic surges in deaths. Obituaries exploded with “died suddenly” while official records were scrubbed.
- **This was not healthcare.** It was ritual sacrifice in a white coat.
- **THE FALLOUT – JUST BEGINNING:** The immune system was rewritten, leaving millions vulnerable. Now we see: – Chronic vasculitis leading to clots and necrosis – Neuro degeneration, memory loss, rapid dementia – Autoimmune disorders, new syndromes with no names – Myocarditis and pericarditis scarring even children – Turbo cancers doubling in size in weeks – Sudden Adult Death Syndrome — sanitized code for mass mortality. This isn’t anecdotal. It’s happening at scale. No accountability. No justice.
- **FINAL VERDICT:** They injected humanity with untested genetic code, triggered production of a lethal spike agent, and turned the medical system into an enforcement arm of globalist pharma power. Now the bodies pile up — and no one is coming to save you.
- **It is up to us to expose it.** And to never let it happen again.

**N. Mon. 25 Aug. 2025 FULL DISCLOSURE: THE COLLUSION WAS REAL — BUT IT WAS THEIRS. TRUMP SIGNS EXECUTIVE ORDER FOR TOTAL DECLASSIFICATION AS HILLARY CLINTON NEARS PRISON AND THE DOJ & FBI FACE FINAL JUDGMENT ...The 17<sup>th</sup> Letter on Telegram**

- **President Trump has signed an Executive Order** declassifying all Crossfire Hurricane documents. The Russia hoax is shattered. Obama, Biden, Hillary and their intel machine are exposed for orchestrating political treason. Durham's findings prove the entire operation was a lie. The DOJ and FBI are unmasked as political hit squads. The mask is gone. No one escapes.
- **This is not just paperwork. It is a nuclear strike against the Deep State.** Every document, memo and briefing tied to Crossfire Hurricane is now public domain. No more redactions. No more hiding behind "ongoing investigations." Trump ripped the cover off the lie.
- **It was never about Russia.** It was about power. And the truth is unchained.
- **Obama, Biden, and Hillary knew.** Brennan briefed them in the Oval Office about Clinton's plan to fabricate a Russia scandal. They all knew it was fake. They let it proceed. They let a lie become a weapon against Trump because he could not be bought. That is not incompetence. It is conspiracy.
- **The Steele Dossier was not intelligence. It was fiction.** Paid for by the Clinton campaign, laundered through Perkins Coie and Fusion GPS, fed to the FBI, and used to justify spying on American citizens. 80 percent of Crossfire Hurricane relied on Danchenko's fabricated claims. None of it was verified. Yet it was used to attack a sitting President.
- **Durham confirmed the Clinton Plan was real.** He confirmed Obama, Biden and the intelligence community were briefed. He confirmed the FBI ignored its own protocols. They had their narrative. They had their orders. Not a single piece of the Steele Dossier was ever verified. These were not mistakes. These were crimes.
- **And when Trump declassified the proof, they panicked.** The binder of evidence vanished. Then came the FBI raid on Mar-a-Lago. They did not come for nuclear codes. They came to bury the evidence of their own treason. They feared what Trump knew.
- **Now the world knows too.** The walls are closing in — not on Trump, but on the traitors who tried to destroy him. Investigations will reopen. Criminal referrals are coming. Trump is not just vindicated. He is rearmed.
- **This is not the end.** This is the beginning of justice.

**O. Mon. 25 Aug. 2025: FULL DISCLOSURE: THE COLLUSION WAS REAL — BUT IT WAS THEIRS ...Barron Trump The Chosen One on Telegram**

- **President Donald J. Trump has signed the Executive Order** that detonates the Russia hoax once and for all. All Crossfire Hurricane documents are declassified. The DOJ, FBI, CIA, Obama, Biden, Hillary — every name tied to the greatest political lie in U.S. history — exposed. This is not a document dump. It is a death blow to the Deep State.

- **THE EXECUTIVE ORDER:** Trump's order demands immediate release of all memos, FISA applications, communications, and internal notes. No more redactions, no "ongoing investigation" excuses. For the first time, the truth becomes public domain. This order rips the mask off intelligence agencies and proves they operated as a political hit squad, not a shield of justice.
- **OBAMA, BIDEN, HILLARY — THEY KNEW: August 3, 2016.** CIA Director John Brennan briefs Obama and Biden: Hillary Clinton's campaign had hatched a plan to fabricate Trump-Russia collusion. They knew it was false — and they allowed it anyway. They didn't warn the public, didn't tell the agents, didn't inform the FISA court. They weaponized a lie to destroy Trump before he ever took office.
- **THE STEELE DOSSIER:** The entire case leaned on Igor Danchenko — a proven liar — whose "intel" became the Steele Dossier. Paid for by Hillary's campaign, laundered through Perkins Coie and Fusion GPS, spoon-fed to the FBI. They knew it was fake. They used it anyway. A campaign smear became state-sanctioned espionage.
- **DURHAM'S PROOF:** Special Counsel John Durham confirmed it all. The "Clinton Plan" was real. Obama and Biden were briefed. The FBI ignored its own rules. And not one piece of the Steele Dossier was ever verified. They ran a multi-year coup against a sitting President on fiction — and called it justice.
- **THE MAR-A-LAGO RAID:** Why did the FBI really raid Trump's home? Not for "nuclear codes." Not for classified papers. They were hunting the binder of declassified documents exposing their own treason. The raid was a cover-up, a desperate attempt to steal back the evidence of their crimes.
- **WHAT HAPPENS NOW:** The walls are closing in — not on Trump, but on the traitors. Investigations will be reopened. Criminal referrals will follow. The outrage of the people will ignite into political firepower.
- **Trump is not only vindicated. He is rearmed.** This is not just about clearing his name. It is about tearing down the lie that poisoned America.

**P. Mon. 25 Aug. 2025: THE GREAT RESET OF THE GREAT RESET — TRUMP'S AMERICA FIRST REVOLUTION: ...Glenn Beck on Telegram**

- **For over a decade, Davos sold the illusion of inevitability: the world must centralize, nations must die, sovereignty must fade, and unelected bodies like the WEF, IMF, and WHO would dictate the future.** Their message was simple — obey, comply, surrender. They masked it with "sustainability," "equity," and "climate justice," but beneath the branding was contempt for freedom.
- **Then came Trump.** Then came the shock. Then came the American Answer. Glenn Beck was right — this is the Great Reset of the Great Reset. Not a cosmetic rebrand, but a total counterstrike. Schwab's reset meant submission. Trump's reset means resurgence. It is national power instead of global rule, real production instead of managed decline, earned value instead of digital scoring systems. It is a sledgehammer, not a tweak.

- **The Globalists wanted centralized control, industries shut down in the name of “carbon neutrality,”** populations conditioned by endless cycles of fear. But Trump flipped the script. His doctrine is simple: bring industries back home, rebuild energy dominance, secure trade on fair terms, resist CBDCs, and restore currency sovereignty. This isn’t “instability” as the media claims — it’s a systemic correction after decades of offshoring and sabotage. Friction isn’t failure. It’s fuel.
- **That’s why they fear him.** Their power always depended on inevitability — convincing the world there was no alternative. Trump shattered that illusion by showing another way: strength, independence, and national pride. Every treaty that overrides sovereignty, every energy bill designed to punish independence, every tech platform that silences dissent — all of it is part of their war. But this time, there’s a commander willing to confront it head-on and dismantle it piece by piece.
- **The elites call him dangerous because he is.** Not just to them, but to the very system they built. This isn’t politics anymore. It’s warfare — cultural, economic, psychological. The globalist machine is breaking apart, and the American Reset is unstoppable. Davos failed. Their slogans failed. Their inevitability failed. What rises now is stronger, freer, and unapologetically American.
- **This is the Great Reset of the Great Reset.** This is the revolution. And this time, we fight to win.

**V. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. Today Tim continues to dismantle child trafficking rings and save children in South America. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. **X. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

**Update Fri. 22 Aug. 2025:**

I am in FCI Englewood waiting for oral arguments on appeal of my federal conviction for securities fraud. I was found guilty by a jury in a trial where my Federal Public Defenders called no witnesses to the stand, the Utah State Attorney General's Office interfered with the only witness being called in my behalf, and the Federal Public Defenders presented very little physical evidence.

Following my conviction, the Utah State Attorney General filed a civil suit against me and a non-existent entity, by the Utah State Securities Commission in an administrative court to collect the restitution money awarded by the jury in my federal conviction, plus penalties for the State of Utah. After months of court filings and conference calls, the Commission filed a Motion for Summary Judgment. On Thursday August 14, 2025, the Utah State Securities Commission held a public meeting to consider the Motion against me.

Months before my trial, and under suggestion of my Federal Public Defenders, I made two cashier's checks: one directly payable to one "victim" and one payable to my personal civil attorney's trust account until the Federal Public Defenders negotiated settlement with the other "victim." An email was sent to inform all Federal Public Defenders of the payments, which I did not owe. They failed to negotiate settlement and never addressed the payments with the court or the jury at trial.

Now the judge for the Utah State Attorney General, who I originally appealed to for assistance and protection, is going to issue an order for default judgment, for a debt that wasn't owed and yet was paid long before being found guilty by a tampered jury. It's pretty ironic and just another example of a casualty of injustice, from the office of a man who railed on the corruption of his predecessors, during his election campaign.

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*
