Please Pray For the Ohio Foster Care Children, and For All Children's Safety

Judy Note: We are in a war of Good Against Evil – and it's all about *Saving The Children*.

The morning of 20th of January 2016, just before Trump first took office, he paid a visit to CIA headquarters and declared a war on Child Sex Trafficking.

For the last several days I have been reporting on Ohio foster child Kaitlynn Hunter, who had no need to be placed in foster care seven years ago (for being home schooled). Yet, Kaitlynn has been made to endure seven years of brutal beatings, rapes, emotional and educational abuse and was deliberately starved for over a year where she lost 60 pounds. She tried to commit suicide and ran away several times.

Last Monday 25 Aug. an eleven man SWAT Team ordered by Ohio CPS, kidnapped Kaitlynn from her loving home and placed her in Juvenile Detention. The problem was that she was a witness to her own and other Ohio children's like abuse. She was thoroughly convinced that Ohio CPS was running a Child Sex Trafficking Ring, and was about to tell on them if she could get someone in authority to listen.

Kaitlynn's mother Jeannine Larrick reported, "Kaitlynn was arrested like a criminal only because in December 2024 she fled for her life from Dayton Ohio Royal Roses teen girl group home in Dayton, Ohio – a city full of crime and high child trafficking rate. She ran into the dark streets alone. She heard gunshots and hid behind a church and slept in abandon structure overnight for safety.

"Kaitlynn is presently in need of medical attention for her years of neglect, medical neglect and many concussions. Her health is too fragile to be in juvenile detention, mental ward or residential group homes warzones (cps only option for her). Juvenile records by cps states that she is too fragile for a family.

"CPS records also stated she was getting behavior therapy in the NYAP."

Judy Note: The National Youth Alliance Program, was a suspected Child Sex Trafficking Ohio CPS Contractor.

Kaitlynn was not the only one who believed there was a corrupt Ohio Judicial System:

On Thurs. 28 Aug. 2025 Mr. Pool on Telegram reported that among classified records that have just been unsealed, there was information about secret hearings in Virginia that exposed Project Serpent – a network of tunnels beneath cities, beneath family courts. There were 2,341 foster children listed as “missing” who were connected to the program. They told you these were runaways. <https://t.co/S8vzJO789V> <https://t.co/1gNn9HIJNv>

Cryogenic pods that housed more than 130 children, some of whom had been missing since the 1980s, have been discovered in tunnels beneath the Vatican according to the Global Military Alliance.

The Alliance also found that the UN was linked to Child Trafficking tunnels that ran through abandoned homeless shelters.

Elon Musk reported on Telegram that the Biden-Harris Administration was deep into Child Sex Trafficking – claims substantiated by US Border Czar Tom Homan: “They allowed a DEAD PERSON to take 1,600 children. WHISTLEBLOWERS: In one case, 11 young girls were released to a single male. In another case, 1 dead man sponsored over 1,600 children. Homan warned that if they opened up the CBP1 App, it would create a massive human trafficking network... and that’s exactly what it did.”

I have done a whole series of articles on children caught in this International Child Sex Trafficking Ring run by the Vatican, which I will report on this week. [Judy Byington - Bio Page | Before It's News](#)

What can you do to help trafficked children? Let’s start with Kaitlynn. **HELP!!!** Ohio CPS has received more than a hundred calls concerning Kaitlynn from readers since last Tuesday, and those calls were greatly appreciated.

This is an urgent plea for readers to continue to call, email or write to express your concern, not only for Kaitlynn, but for other Ohio Foster Care Children:

Sat Sept 6, 110 to 2 pm

Part Two: "Uncovering the Secret Combinations from the Q Movement to the Restored American Republic"

A. What We Think We Know as of Fri. 29 August 2025:

- **Trump has given the Green Light for Military Protocol Activation:** National Guard federalized and mobilized to 17 major cities.
- **Trump has authorized full-scale intervention in Chicago.** Not just National Guard. Active duty troops, intelligence strike teams, and joint command are coordinating from a secure Illinois bunker. This is America's internal battlefield—Trump's war on global elites, Democrat-run safe havens, and black-budget labs of control. **Chicago was never just mismanaged.** It was weaponized. CIA fronts use migrant communities as human shields. UN-linked child trafficking runs through abandoned shelters. Biometric labs experiment on

the homeless. Cartel warlords are protected by “sanctuary” politicians bought off by Soros networks. Trump’s military knows it.

- **The EPA has ignored their own study** on the dangerous quality of air condition in East Palestine Ohio and put citizens at risk.
- **Obama is under federal criminal** investigation for Treasonous Acts.
- **In Washington DC** the Democrat-run police department has been extensively hiding crime statistics, going so far as reporting homicides as "accidents instead of murders."
- **End the Fed:** An unelected body dictating debt and markets is not capitalism — it is tyranny. Trump and his allies are preparing the axe.
- **The Cabal has used HAARP and RF transmissions to weaponize** the ionosphere, steering storms, creating droughts, triggering lightning and infernos. The skies are filled with Chemtrails that spread, haze and rain down metallic nanoparticles — aluminum, barium, strontium. Nanoparticles penetrate brain tissue, disrupt neurological function and are tied to Alzheimer’s, autism, cancer and respiratory collapse. By saturating the sky with reflective particles, sunlight is blocked. The result: suppressed rainfall, collapsed agriculture, extreme droughts, forests fried under UV radiation. Soil is poisoned, bees vanish, trees weaken, oceans die. Nations can be starved, economies sabotaged, entire regions destabilized at will. Billions of particles are now inside every one of us. This is not an accident. This is chemical warfare.
- **Washington State Democrats slashed \$780 million from Medicaid** — stealing directly from the sick, the disabled, and the elderly — while voting themselves pay raises.
- **Once the National Guard is in place across major cities**, not only will crime plummet, but Trump will hold a permanent deterrent — a shield ready to contain any backlash when the wave of high-profile arrests begins. From Russiagate conspirators to the architects of the grand coup, justice will not be stopped.
- **A CONFIDENTIAL 1985 letter from a sitting IRS Commissioner** just confirmed what we've been screaming for DECADES: THE 16TH AMENDMENT WAS NEVER LEGALLY RATIFIED. That means every income tax dollar you’ve ever paid was ILLEGAL THEFT — and the IRS has been a CRIMINAL EXTORTION CARTEL from the start.

B. Possible Timing:

Judy Note: Except where indicated otherwise, the below about the Global Currency Reset and EBS is in my opinion only and may or may not be accurate. The information has been gathered from my years of reporting on the Global Currency Reset and Restored Republic. We are in this together. It is my understanding that the below would apply to foreign currency, Zim holders and our worldwide population.

- **On Sun. 17 Aug. 2025 a Top Secret Global Currency Reset (GCR)** began rolling out that was decades in the making & designed to stabilize currencies & unite over 90 nations under a fairer financial system. The U.S. will be last.
- **On Wed. 27 Aug. 2025 Banks like Chase** began exchanging the Dong and Dinar, although at very low adjustable rates and not the higher rate you would be rewarded at a official Redemption Center. **Wed. 27 Aug. 2025:** [Iraqi Dinar & Dong Breaking Update](#) [Bank Screens LIVE – Exchange Appointments Open!](#) [Chase Bank's Dinar Exchange: Daily Limits & Payouts Explained](#) **Wed. 27 Aug. 2025:** [BOOOM! Trump Launches Emergency Economic Restoration Plan — QFS Is Replacing Entire Central Bank System, Military Seizes Vatican Gold, GESARA Goes Live, and Fed, IMF & ECB Are Facing IMMINENT Collapse! - Gazetteller](#)
- **Thurs. 28 Aug. MarkZ:** several bond holders have *“disappeared and are off spending money.”* While they aren’t allowed to give specifics, their silence is telling. They’re upbeat, even giddy. **September 1st** is the day *everyone* is watching. MarkZ says his gut, and his sources, point to that date as highly significant. He’s not alone—chatter from multiple intel sources, rumors from groups, and even political moves all seem to converge there.
- **Mon. 1 Sept. 2025: Trump has said that on Mon. 1 Sept.** “All Hell will break loose.” Trump will announce release of NESARA funds. **“On Mon. 1 Sept.** Trump will begin a \$150 trillion Gesara operation, which will return stolen elite wealth to the people, causing deep state panic.” ...Q on Telegram
- **Thurs. 11 Sept. 2025** Once the EBS hits, the world will be forced to confront the crimes committed against humanity. Trump is acting under military authority. Everything is happening for a reason. Stay alert. **Watch September 11.**
- **On Mon. 15 Sept the general public** will begin setting up their money accounts on the new Quantum Financial System at Redemption Centers Worldwide.

C. Thurs. 28 Aug. 2025: CLASSIFIED! TOP SECRET GCR PLAN: 90+ NATIONS IN A TWO-PHASE GLOBAL CURRENCY RESET FOR STABILITY AND GROWTH — PHASE 1 AND PHASE 2 ...First Lady of the White Hats on Telegram

- **Two leaked TOP SECRET documents** have revealed a phased Global Currency Reset (GCR) — decades in the making and designed to stabilize currencies, deliver emergency relief, and unite over 90 nations under a fairer financial system. Stamped with high-level clearance and mapped with military precision, the plan outlines a two-phase rollout that could reshape the world economy.
- **THE LEAK THAT SHOOK THE FINANCIAL WORLD** The mission is clear: stabilize fragile economies, streamline global trade, and create a resilient system for the 21st century. The deeper aim? End currency manipulation, prevent collapses, and level the field for both developed and developing nations.

PHASE 1 — THE STRATEGIC FOUNDATION

- **Countries 1–10:** Peru, Chile, Finland, Kazakhstan, Papua New Guinea, Paraguay, Uruguay, Spain, Singapore, Croatia. These nations test adaptability — from resource-rich South America to European trade hubs.
- **Countries 11–20:** Philippines, Bhutan, Malawi, Venezuela, Nigeria, Mali, New Guinea, Western Sahara, Sudan. Nations long plagued by inflation and debt — stabilized through integration into the reset.
- **Countries 21–30:** South Sudan, Eswatini, Somalia, São Tomé, Gambia, Comoros, Madagascar, Gabon, Mozambique, Equatorial Guinea. African states with limited banking infrastructure leapfrog into digital trade networks.
- **Countries 31–44:** Mauritania, Togo, Lesotho, Eritrea, Djibouti, Liberia, Guinea-Bissau, Benin, DRC, Central African Republic. Fragile states often reliant on aid gain liquidity and protection from currency manipulation.

PHASE 2 — THE POWER INTEGRATION

- **Countries 45–55:** Argentina, Bahrain, Costa Rica, Cape Verde, Saudi Arabia, Germany, Czech Republic, France, Dominican Republic, Portugal, Bulgaria. Oil-rich Gulf states and European powers anchor credibility.
- **Countries 56–65:** Trinidad & Tobago, Jamaica, Canada, Cuba, Afghanistan, Belarus, Iran, Moldova, Finland, Panama. A mix of rivals and allies proves the GCR bridges deep political divides.
- **Countries 66–75:** South Korea, Japan, Luxembourg, Netherlands, England, Ireland, Morocco, Hawaii, Antigua & Barbuda, Switzerland. Financial giants unite with Pacific and Caribbean islands, merging high-volume trade with small-market resilience.
- **Countries 76–90:** Norway, Monaco, Northern Ireland, Guatemala, Hungary, Austria, United States of America, Spain, Panama.

- **The U.S. enters last**, ensuring the system is stress-tested before the largest economy commits.

THE PROMISE OF THE GCR

- **Rapid Crisis Response:** Emergency relief delivered instantly without conversion losses.
- **Trade Fairness:** Equal terms for both advanced and emerging economies.
- **Investment Security:** Stable currencies attract sustainable global investment.
- **Economic Sovereignty:** Nations retain control while gaining protection from currency wars.

FROM SECRECY TO STRATEGY

- **The secrecy was meant to prevent panic** and market sabotage. Now exposed, the blueprint sparks debate on how to implement the reset for maximum stability and fairness.

THE DAWN OF A NEW ERA

- **The GCR is not about domination but coordination.** It ensures that a farmer in Malawi and a manufacturer in Japan can trade on equal footing. If successful, this could become the greatest economic reform of modern history.
- **One system.** Two phases. Ninety nations. One future.

E. Thurs. 28 Aug. 2025 THE GREAT FED FRAUD EXPOSED — \$37 TRILLION STOLEN FROM THE AMERICAN PEOPLE, RESTITUTION COMING ...First Lady of the White Hats on Telegram

- **From 1913 to 2025, the Federal Reserve enslaved America** with debt and siphoned \$37 trillion in assets from the people. Gold, silver, land, stocks, and now the most valuable resource of all — data. Every dollar you spent, every transaction, every breath of labor — recorded, owned, and weaponized. Debt was for us. Assets were for them.
- **Here's the truth: the Fed was never federal. It's a private corporation.** And like every corporation, when it collapses, the debt can be wiped away — while the stolen assets must be recovered. Think Bernie Madoff on a global scale. The fraud doesn't disappear. Restitution follows.
- **The elites know what's coming.** Generations have been looted, dreams bled dry, futures mortgaged. But restitution means exactly this: the gold, silver, land, and wealth hoarded in the Fed's vaults does not belong to them. It belongs to the American people.
- **For over a century — under Wilson, FDR, Obama, Biden — the Fed was untouchable,** worshiped like a sacred idol while it drained the Republic in silence. But Trump has ripped away the curtain. His mission is clear: America First means the end of the Fed's monopoly of theft. This is not reform. This is revolution.
- **The verdict is written. The Fed is finished.** The century of fraud ends in 2025. The people will not beg — they will demand. And Trump will not ask — he will act. Every stolen ounce, every stolen dollar, every stolen acre will be returned.
- **From 1913 to 2025, the Fed ruled as an invisible dictator.** But now the truth is out. The lie is collapsing. The people are awake.

F. Thurs. 28 Aug. 2025 BOMBSHELL DOSSIER | FINANCIAL RECKONING REPORT
 ...EBS on Telegram

- **Trump has turned the central bank cartel into rubble.** The Federal Reserve trembles as Jerome Powell bows toward rate cuts, Canada surrenders its tariffs, the deficit is slashed by \$4 trillion, FBI whistleblowers return, Bolton is raided, and the whispers of ending the Fed now roar inside the White House. The Deep State's financial temple is collapsing.
- **THE FED BLEEDS UNDER TRUMP'S HAMMER:** For over a century the Fed ruled as an unelected government, dictating interest rates, crushing economies on command, and enriching Wall Street while ordinary citizens drowned in debt. Now, for the first time in modern history, the Fed is forced to kneel. Powell's hint at rate cuts wasn't policy — it was surrender. The Dow surged to record highs, but behind the numbers is the reality: Trump has cracked the whip, and the cartel is breaking.
- **CANADA WAVES THE WHITE FLAG:** The shockwaves moved beyond Washington. Canada, once a loyal lapdog of globalist trade blocs, dropped its retaliatory tariffs in humiliation. This isn't a minor trade deal — it is proof that under Trump, America dictates terms. No more concessions. No more bleeding wealth to satisfy elites. America First is law.
- **THE \$4 TRILLION TARIFF FURY:** The Congressional Budget Office admits the unthinkable: tariffs slash the deficit by \$4 trillion over the next decade. What the

establishment mocked as “dangerous” is revealed as America’s weapon of sovereignty. Every dollar once funneled to China and foreign parasites is clawed back to rebuild the Republic.

- **FED CORRUPTION EXPOSED:** Inside the Fed itself, scandal erupts. Governor Lisa Cook is under investigation for mortgage fraud. A crime syndicate in suits is now exposed. If she falls, Trump gains another opening to install loyalty and accountability in the very heart of the system.
- **BOLTON RAIDED:** At the same time, the traitor John Bolton finally felt Trump’s justice. Accused of hoarding classified documents, raided by federal agents, Bolton now serves as a warning: betrayal has consequences. The media cries “political retribution.” Patriots call it overdue justice.
- **FBI CLEANSING BEGINS:** Whistleblowers silenced under Biden are being reinstated under Trump, with pay and dignity restored. The message is clear: truth-tellers will no longer be punished. The FBI is being forced back toward the people.
- **ENDING THE FED — TABOO NO MORE:** For decades, “End the Fed” was dismissed as conspiracy theory. Today it is an open discussion inside the White House. An unelected body dictating debt and markets is not capitalism — it is tyranny. Trump and his allies are preparing the axe.
- **MEDIA IN MELTDOWN** The legacy press spins and denies, but their screams no longer matter. The people see it. The markets feel it. The cartel knows it: the illusion of central bank supremacy has been shattered.
- **FINAL STRIKE** For more than a century the Federal Reserve stood as America’s untouchable temple of money. That temple is crumbling. Trump forced Powell to bend, humiliated Canada, crushed the deficit, exposed Fed corruption, restored whistleblowers, and sent Bolton to the wolves. The whispers are now thunder. The reckoning is here. The battlefield is global. And Trump is winning.

Restored Republic

G. Thurs. 28 Aug. 2025: WORLDWIDE MILITARY RAIDS EXPLODE! 71 NATIONS HIT, 2,900+ EXECUTIONS CONFIRMED, GITMO OVERFLOWING, TRIBUNALS RUNNING NONSTOP, ROTHSCHILD BUNKERS SEIZED, HUMAN-HYBRID LABS EXPOSED, AND STARLINK LOCKED ON EVERY ESCAPE ATTEMPT!

- **The mission is accelerating more forcefully than before, not slowing down. As of August 2025, the global military operation is well underway under President Trump's reclaimed leadership.** This is just the beginning of the ongoing reckoning. Children are being released, names are being recorded, bunkers are being breached hourly, and tactical units are rolling day and night. With intelligence dropping in more quickly than they can be processed, the tribunals are overflowing. With Alaska, Diego Garcia, Greenland, Iceland, and Svalbard operating as active black sites, sealed and

underground, processing interrogations and executions without interruption, GITMO has grown into a hub.

- **The scope has expanded. The purge includes fourteen oceanic bases and seventy-one countries.** A subterranean command post connected to biometric identification systems was neutralized in Papua New Guinea. SEALs raided Epstein continuation files, cloning archives, and hormone labs in the Seychelles. DARPA biocontainment pods, some of which contained children who had been trafficked, were seized in Iceland. Rothschild yachts with AI systems and nuclear backup plans were intercepted in the Black Sea.
- **Project EIDOLON, the cabal's quantum control system, was destroyed in the middle of launch.** It was intended to use graphene feedback to connect vaccinated populations into an obedience grid. Encrypted neural panels, biometric slave codes, and complete genetic maps of Americans were taken by military forces. On July 23, Elon Musk gave the go-ahead for the Starlink Orion array to sterilize the EMP before activating it.
- **Arrests are increasing.** In Montenegro, a NATO intelligence chief was arrested for operating trafficking routes for organs. An elite BlackRock ESG analyst was discovered using AI models intended to reduce the population. A UNICEF official was exposed for connecting vaccine routes to farms that produce adrenochrome. Two Rothschild emissaries were apprehended at a Masonic excavation base in Jordan.
- **Cryogenic pods that housed more than 130 children, some of whom had been missing since the 1980s,** have been discovered in new Vatican tunnels. DNA-modification tables connected to bloodline extractions and ritual books encoded with Vatican treasure records. There are six tunnels connected to the Vatican, four of which have already been neutralized. Underwater domes and cloaked craft are being tracked by Starlink's new DarkZone Protocol.
- **These days, tribunals are mobile.** Pharma-extraction networks are being processed in Kazakhstan. Trials for maritime trafficking are being held in the Canary Islands. Silicon Valley and Hollywood elites are being handled by Alaska. More than 2,900 high-ranking officials have already been eliminated. Instead of slowing down, executions are speeding up.
- **Trump is leading the strikes and is no longer hiding in the background.** His status as Active Civilian Commander of Starlink Warfare and the Quantum Combat Grid was confirmed by Space Force Command on July 24. He is in charge of tactical Starlink deployment, AI warfare, and surveillance. Lt. Gen. Michael Flynn, General Eric M. Smith, and civilian advisors connected to GESARA and financial repossessions are all members of his war council.
- **This isn't ending. Air, sea, land, deep earth, and orbit are all experiencing an increase in the purge.** There are more bases mapped. More kids were spared. More secrets come to light. An additional nail in the cabal's coffin is each sealed file that is cracked open.
- **Since it's already here, nothing can stop it from happening.** Furthermore, it is far from complete.

H. INTEL DROP BREAKING! On September 1st, Trump will begin a \$150 trillion Gesara operation, which will return stolen elite wealth to the people, causing deep state panic.

- **The countdown has started as of August 20, 2025.** In order to overthrow globalist economic dominance and restore stolen wealth to the American people, President Donald J. Trump will launch a \$150 trillion financial operation on September 1. The National Endowment Directive, which Trump approved under full constitutional and military authority, will release mineral resources buried beneath U.S. federal land that have been purposefully concealed for more than a century by globalist policies.
- **Large reserves of gold, silver, copper, lithium, uranium, and rare earth elements—worth more than the combined GDP of all countries—are found on more than 250 million acres of land, primarily in the western states.** They weren't "protected lands." In order to keep Americans impoverished and reliant while elites made money overseas, they were blockades that were sealed by fictitious environmental laws. That fraud is coming to an end. With profits going into the Unified Treasury Reclamation Fund and being disbursed to verified citizens via the Quantum Financial System, Trump's directive guarantees that these resources are recovered under U.S. control.
- **Phase One starts on September 1st,** with land leases prohibited from foreign ownership, mineral surveys made available to American teams that have been vetted, and QFS-driven payouts known as "Repatriation Royalties" already showing up in pilot programs. What used to be theory is now working.
- **Long ridiculed and suppressed, GESARA** is being carefully implemented: IRS regional offices are quietly closing, internal ledger corrections have zeroed out student loan and tax debts, QFS nodes have activated gold-backing infrastructure, and Treasury-issued asset-backed currency is getting ready to replace the fiat dollar. The change is already in motion, but none of this was intended to go public until it was secure.
- **The globalists are obviously in a panic.** Desperate to stop Trump's mineral release, WEF leaders convened in Geneva last weekend with more than 300 private jet arrivals. If the United States switches back to asset-backed currency, the IMF has warned of "catastrophic instability." In an effort to advance its digital yuan before the dollar resets, China is dumping US bonds out of desperation rather than strength. However, it's too late.
- **The Federal Reserve Act stole monetary sovereignty,** wars enriched contractors while bankrupting nations, energy independence was sacrificed to foreign cartels, patents were buried, and land rich in resources was locked away. The elites began manipulating the system in 1913. Every action was intended to divert American wealth. That system is being reversed by Trump.
- **September 1st is the catalyst, not a symbolic date.** Following that, the pace of wealth transfer quickens through direct QFS-linked payments to citizens, tax abolition, grant-based business assistance, and zero-interest lending. This is actual compensation that is backed by gold and linked to physical assets; it is neither scrap nor subsidies.

- **Americans will get what has always been theirs for the first time in modern history.** The globalist myth that there was "never enough to go around" is coming to an end. Donald J. Trump is at the helm of the largest wealth transfer in history, and it is about to get underway. Still standing, still carrying out, still taking back what was rightfully ours all along, despite being silenced, attacked, and imprisoned.
- **The first day is September 1st.** Furthermore, nobody can stop what is about to happen.

I. Thurs. 28 Aug. 2025 BREAKING! TRUMP SEIZES CONTROL OF THE FEDERAL RESERVE IN MILITARY OPERATION. QFS FULLY ACTIVATED, GESARA ENFORCEMENT UNDERWAY, \$97 TRILLION IN DEEP STATE FUNDS FROZEN, VATICAN GOLD CONFISCATED, SHI TOKEN DEPLOYED UNDER SPACE FORCE COMMAND

- **On July 25, 2025, Donald J. Trump walked into the Federal Reserve not as a politician, but as a wartime President.** Backed by the U.S. military, Space Force, and the Quantum Financial System, he seized control of the most corrupt institution in American history. For over a century the so-called "Federal" Reserve was nothing more than a globalist laundering machine. That era is over.
- **The operation is now public.** QFS has been activated, GESARA enforcement is underway, and the military has frozen \$97 trillion in shadow funds tied to child trafficking, war profiteering, and Big Pharma racketeering. These assets are now being transferred into encrypted Redemption Center wallets, ready for distribution to the people under Treasury oversight.
- **The Fed's \$2.5 billion "renovation" was exposed as a panic bunker:** fortified vaults, hidden servers, and biometric escape corridors. Trump's visit was a battlefield inspection. Tribunals are being prepared in real time, with White Hat DoD units decrypting thousands of Fed documents linking Powell's institution to Ukraine laundering, WEF shell companies, and DARPA biowarfare projects. The Fed is no longer a bank — it's a crime scene.
- **Simultaneously, the Vatican's financial empire has collapsed.** Pope Francis is dead, a fact concealed by mainstream media, and Vatican gold ledgers tied to Nazi wealth and trafficking routes have been seized. Those assets are now secured in Quantum Humanitarian Trusts monitored by Pentagon Joint Command. Religious, judicial, and financial shields of the elite are crumbling at once.
- **The digital SHI token — Sovereign Human Initiative — has been deployed.** Bound to gold, secured by biometric Quantum Access Cards, and unhackable, SHI is already in use at Redemption Centers in Texas, Arizona, Nevada, and Alaska. Space Force's Starlink grid provides quantum encryption for every transaction. If a transfer doesn't pass through Space Force verification, it is blocked. This is total control of the financial battlefield, and it belongs to Trump.
- **Central banks worldwide are collapsing structurally,** not metaphorically. Japan is insolvent. The euro is at historic lows. Germany froze pensions. The UK halted high-net

withdrawals. Over 430 elite escape payouts have been intercepted in Monaco, Singapore, and Tel Aviv. Their gold is gone. Their authority is gone. Their illusion is gone.

- **Over 130 nations are already in GESARA biometric compliance.** IRS offices are shutting down. Student loan and tax debts are being erased via quantum ledger corrections. Consumption-based taxation is replacing the corrupt income system. Every account, property title, and investment will be quantum-audited. Fraudulent entries wiped. Legitimate ones preserved.
- **The Emergency Broadcast System will trigger once 90% of global compliance is secured.** Expect public announcements: the end of the Federal Reserve, confirmation of GESARA rollout, activation of SHI as the global token, biometric onboarding, and Quantum Card distribution. Savings and wealth will be restored under quantum law. Illicit assets will be erased.
- **Trump did not return for politics. He returned to annihilate the central banking system,** dismantle globalist slavery, and restore sovereignty to humanity. The elite's money is frozen. Their escape routes destroyed. Their gold seized. Their time is over.
- **QFS is live. GESARA is active. SHI is real.** And those who enslaved humanity with debt and lies will not survive what comes next.

J. Thurs. 28 Aug. 2025 THE GREAT SILENCE BEFORE THE SIGNAL: QFS Live as of Sun. 17 Aug. 2025 ...Emergency Broadcast System on Telegram

- **The Quantum Financial System (QFS)** is no longer a concept locked in secret halls. It breathes. It pulses. It's being tested in shadows while the old fiat corpse still pretends to be alive.
- **For months, the system has been whispering.** Bank terminals flicker. Satellites "recalibrate." Power grids stutter for seconds, then return as if nothing happened. To the untrained eye — glitches. To those who know — signals. What you're witnessing is not chaos. It's the final rewiring of the global network.
- **Every transaction you've made in recent weeks** already passed through nodes you were never told exist. The "banks" you still see on the street are facades, like empty shells of a dead organism. Inside the core — quantum settlement, asset-backed transfers, incorruptible code.
- **And what comes with QFS? GESARA. NESARA.** Debt release. Restoration of stolen wealth. Funding for suppressed technologies — MedBeds, free energy, hidden cures. This is why the silence feels so heavy. Because once the switch flips, there will be no turning back.
- **Watch for these markers:** • Lights cutting out in government buildings for minutes at a time. • News anchors "losing" audio simultaneously across networks. • Sudden revaluation of currencies in small, "insignificant" nations. • An unexpected global message, looping across every screen.

- **When it hits, remember this:** the storm isn't coming. The storm is already here. You're just waiting for the broadcast.
- **On Sun. 17 Aug. 2025 a Top Secret Global Currency Reset (GCR)** began rolling out that was decades in the making & designed to stabilize currencies & unite over 90 nations under a fairer financial system. The U.S. enters last, ensuring the system is stress-tested before the largest economy commits.

K. Thurs. 28 Aug. 2025 EBS RED ALERT! Trump to Trigger Full Disclosure — Fake Presidents, Underground Tunnels, CIA Black Operations, Stolen Elections, Bioweapon Labs, and What 9/11 Was Really Covering Up! ...Wikileaks Database on Telegram

- **There's a reason the media has gone silent.** A reason the headlines don't match reality. Because the storm is already underway. Trump didn't return for politics. He came with a mission, years in the making, and August 2025 marks the final stage.
- **This is the cleanup phase.** And it's moving fast.
- **Trump in Full Command. Since January 20, 2025,** Trump has been running a parallel command structure with military intelligence, constitutional teams, and federal auditors. Over 60 senior DOJ officials are gone. The Office of Legal Counsel gutted. Military oversight has taken over Treasury, Energy, Defense, and Veterans Affairs. Budget freezes, revoked contracts, sudden clearance losses — containment is here.
- **EBS System Embedded The Emergency Broadcast System is not "coming" — it's already operational.** Command rerouted to Cheyenne Mountain and Raven Rock, immune to EMP and cyberattack. Starlink satellites tied into the grid for blackout-proof communication. Test signals ran through 5G towers in the southeast this month. On August 21 the final authorization key went live. The infrastructure is in place. The content is secured. The timing is all that remains.
- **What Will Be Shown Expect uncut January 6th surveillance exposing planted agitators.** Declassified memos from Operation Crimson Mist showing AI-driven social manipulation. Drone and thermal footage of trafficking hubs. Audio proving election data was routed overseas in 2020. Documents exposing Pfizer's collusion with the CDC to silence doctors. Every piece certified and watermarked for legal release.
- **Global Collapse Accelerating The World Economic Forum lost major backers in July.** IMF emergency sessions admit loss of U.S. cooperation. Eleven nations pulled from the WHO treaty just days ago. Elite power structures are disintegrating. Over 2,000 sealed indictments have already been opened in U.S. courts. Food conglomerates tied to WEF subsidies now face criminal probes.
- **Indicators of the Shift** The sudden death of French Health Minister Jean-Luc De Vries before testimony. CIA station logs in Ukraine going dark. Farmers freed from forced ESG. Blackouts, resignations, sealed courts — all tied to the same storm.
- **Final Word** This is not speculation. It is the endgame. Once the EBS hits, the world will be forced to confront the crimes committed against humanity. Trump is acting under

military authority. Everything is happening for a reason. Stay alert. Watch September 11. They thought they could bury the truth. But now the world will see everything.

O. Thurs. 28 Aug. 2025 CLASSIFIED MILITARY INTEL LEAKED: THE DIMMING EXPOSED ...First Lady of the White Hats on Telegram

- **The sky has been weaponized.** What you see above your head is not nature. It is the largest covert operation in human history. The military industrial complex has turned the atmosphere into a battlefield — and humanity into test subjects.
- **They call it "climate protection." In truth, it is climate warfare.** High bypass jet engines cannot produce lasting contrails, yet the skies are filled with trails that spread, haze, and rain down metallic nanoparticles — aluminum, barium, strontium. Patents prove it. Lab tests confirm it. These aren't clouds, they are chemical operations.

- **The goal is dimming. By saturating the sky with reflective particles, sunlight is blocked. The result:** suppressed rainfall, collapsed agriculture, extreme droughts, forests fried under UV radiation. This is not about cooling the planet. It is about controlling it. Weather was used as a weapon in Vietnam. Now it has been perfected, classified, and globalized. Nations can be starved, economies sabotaged, entire regions destabilized at will.
- **The health toll is catastrophic.** Nanoparticles penetrate brain tissue, disrupt neurological function, and are tied to Alzheimer's, autism, cancer, and respiratory collapse. Soil is poisoned, bees vanish, trees weaken, oceans die. Billions of particles are now inside every one of us. This is not an accident. This is chemical warfare.
- **HAARP and RF transmissions weaponize** the ionosphere, steering storms, creating droughts, triggering lightning and infernos. When combined with aerosol particulates, entire climates can be manufactured — drought in one region, floods in another, fake snow to deceive the public. Even polar ice is artificially nucleated to mask the collapse.
- **Silence is enforced through gag orders** on meteorologists, surveillance of whistleblowers, and collusion with media. Trillions vanish into black budgets while corporations pose as "green." The truth: we are sprayed like insects while elites build bunkers underground.
- **This is the true climate emergency** — engineered, weaponized, denied. If we stay silent, we die silently. If we speak, we become dangerous. But if we act, we become unstoppable.

P. Thurs. 28 Aug. 2025: CLINTON FOUNDATION unloaded FEMA's formaldehyde contaminated trailers to victims in Haiti. ...Nesara Gesara on Telegram

- **After the earthquake that devastated Haiti,** the Clinton Foundation raised a total of \$14 billion dollars and new shelters were supposed to be built.
- **Instead, to "save money," they took the trailers** that were contaminated with formaldehyde from FEMA and gave them to the schools and people in Haiti.
- **The problem is they knew these trailers were contaminated** and the construction itself was supposed to be all new.
- **The people of Haiti received less than 2.8% of** the \$14 billion dollars raised for them.
- **The same situation is happening now with the donations from the "wildfires" in Hawaii and California.** The donations are not going to the people directly like they advertised. This is called money laundering 101.

Q. Thurs. 28 Aug. 2025: Trump is unleashing federal force on Chicago as crime spirals out of control. Meanwhile, Alex Jones confirms a grand jury investigation into John Bolton. Corrupt elites, fake data, mass illegal immigration, and systemic betrayal — all exposed in real time. ...47th President of the United States on Telegram

- **TRUMP TARGETS CHICAGO** President Trump has declared war on lawless cities, starting with Chicago. With violence raging, he prepares to send the National Guard — a move local leaders fear more than criminals. Instead of cooperation, Chicago's mayor rages, allegedly signaling resistance. This is rebellion against America itself.
- **DC CRIME COVER-UP** Murder rates hidden, crimes downgraded, the people lied to. Federal whistleblowers confirm multiple cities deliberately underreported crimes to the FBI. Under Trump, crime dropped. Locals know it. The silence of fear is breaking.
- **THE RACE DECEPTION** Agencies allegedly record non-white suspects as white to twist statistics and fuel propaganda. This is data warfare designed to fracture the nation.
- **AMERICA OVERRUN** Over 105 million foreign nationals now inside the U.S. — 55 million on visas, 50 million undocumented. In Chicago, Black communities are being displaced by illegal immigrants given housing and payouts while natives are forced from their homes. Residents claim collusion between landlords and government to erase entire neighborhoods.
- **ALEX JONES STRIKES** Jones confirms grand juries are forming. High-profile arrests are on the horizon. John Bolton sits at the top — war hawk, traitor, saboteur. But insiders warn prosecutions are blocked by the DOJ and FBI, protecting elites while Americans rot in cells for nothing.
- **TRUMP THE DARK KNIGHT** When mayors act as mob bosses and agencies shield criminals, Trump stands alone to restore order. He's the only leader cleaning up the streets abandoned by the left.
- **THE EDGE OF COLLAPSE** RFK Jr. and others state it openly: the U.S. government is now the largest child sex trafficking operation in history. The system protects itself, not the people. America is split — patriots awake versus an oligarchy clinging to power through lies and censorship.
- **TREASON CHARGES LOOM** Biden's regime is guilty of betrayal — borders open, sovereignty destroyed, citizens expendable. The solution is clear: shut the borders, end foreign aid, prosecute the traitors, reclaim the nation.
- **FINAL STRIKE** The elites lie. The media covers. The justice system shields. But the walls are cracking. Trump rises. Alex Jones speaks. Patriots listen. The reckoning is not coming. It's here.

R. Thurs. 28 Aug. 2025 MORE HIGH PROFILE PROSECUTIONS on the table as FBI exposed leaking classified intel during Trump's first term. ...47th President of the United States of America

- **New intel expected to drop from the DOJ** confirms that agents within the FBI during Trump's first term leaked classified intel and documents to mainstream media and other individuals without proper clearance.
- **Everything transpiring** and being exposed now was mostly exposed during Trump's first term, but our infiltrated agencies and government in general, protected and shut down any and all investigations into them and the government officials involved.

- **Now that the Trump administration** has been cleaning out our entire government of bad actors from top to bottom and throughout every single agency, will we finally see the people committing these treasonous illegal acts held accountable?
- **We, the people, demand accountability** with severe consequences, and with the current precedent that this administration is setting, it's looking like this will become a reality.
- **Nothing will change until everyone is held responsible.** Trust will be reborn when these individuals are held accountable. Justice must and will be served. The clock is ticking, and they know it.

S. Thurs. 28 Aug. 2025 EMERGENCY REPORT: DEMOCRATS STOLE \$780 MILLION FROM MEDICAID, ABANDONED THE SICK AND ELDERLY — THEN CASHED IN WITH PAY RAISES ...First Lady of the White Hats on Telegram

- **Political crime in broad daylight:** Washington State Democrats slashed \$780 million from Medicaid — stealing directly from the sick, the disabled, and the elderly — while voting themselves pay raises.
- **THE CRIME BEHIND THE CURTAIN** For years Democrats preached empathy, morality, and “social justice.” But behind closed doors they wielded the knife, gutting the very system that kept the vulnerable alive. According to the Office of Program Research, their budget stripped \$780 million from Medicaid over two years — cuts that hit the elderly relying on long-term care, the disabled dependent on basic support, and low-income citizens for whom Medicaid was the last line of defense. Ninety-five percent of cuts struck these groups. Not corporations. Not bureaucracies. Real people. Real lives.
- **THE METHOD: THEFT DISGUISED AS POLICY** In public, Democrats wept crocodile tears and blamed the federal government. In private, they signed budgets that closed hospitals and cut treatment programs. And while patients lost care, they voted themselves pay raises. A firefighter starting a fire for overtime is scandalous. But here the fire is human life — and the arsonists are lawmakers.
- **THE RESULTS: A SYSTEM COLLAPSING** Hospitals shuttered as funding disappeared. Families plunged into debt just to see a doctor. Patients in terminal stages abandoned treatment. All while bureaucrats collected bonuses and declared “progress” on paper. This isn’t health policy. It is slow-motion execution of the poor and elderly.
- **THE MEDIA: SILENCE AS COVER** When Republicans talk about budget cuts, corporate media screams “genocide.” When Democrats rob the vulnerable, CNN, MSNBC, Politico, and the Washington Post stay silent. Because the crime comes from inside their own ranks. Because the betrayal destroys their narrative. Because truth burns.
- **THE SOLUTION: TRUMP AND JUSTICE** Under Donald J. Trump, these crimes will not vanish in silence. Every official who lined their pockets while stealing from Medicaid will face investigation. Every diverted dollar will become evidence in federal court. Because America does not belong to bureaucrats. It belongs to the people.
- **THE VERDICT: A MORAL WAR, NOT POLITICS** This was no budget decision. It was deliberate theft, a conscious betrayal of the sick and the elderly for personal gain.

This is systemic rot, and only Trump has the will to dismantle it and expose the traitors who call it “progress.”

- **What the Democrats did is not governance. It is political genocide.** And America must never forget who signed the papers.

T. Thurs. 28 Aug. 2025 BOMBSHELL: TRUMP DROPS THE HAMMER — AUTOPEN PARDONS ARE WORTHLESS. VOID THEM ALL. PROSECUTE EVERYONE. ...First Lady of the White Hats on Telegram

- **Donald J. Trump has declared Biden’s autopen pardons fraudulent and worthless.** Not flawed. Not questionable. Worthless. “These were given to very bad, very unpatriotic, very evil people,” Trump said. His demand was absolute: void every single one and prosecute every recipient.
- **THE FRAUD OF THE AUTOPEN** At the core of the scandal is a machine — the autopen — used to duplicate a president’s signature. For Trump, this device is the very symbol of betrayal. A pardon is not a memo. It is an act of ultimate executive authority. If that act is reduced to a robotic scribble in the shadows, it is no longer law. It is forgery disguised as clemency.
- **LEGITIMACY ON TRIAL** If pardons are worthless, then every criminal freed under Biden’s mechanical pen remains guilty. Their “freedom” is a legal fiction. Trump’s solution: void them all, drag them back to court, and restore real justice. In Trump’s words: the presidency cannot be outsourced. If the President does not personally deliver a pardon, it does not exist.
- **TRUMP VS. THE MACHINE STATE** This fight is larger than signatures. Trump is attacking the shadow culture of unaccountable government — where bureaucrats and handlers rule without presence, without responsibility. By shredding the validity of these pardons, he takes a direct strike at the Deep State’s way of doing business.
- **THE PEOPLE’S DEMAND FOR JUSTICE** Ordinary Americans don’t get autopen forgiveness. Farmers, veterans, and workers face the full weight of the law. Why should elites and insiders walk free on phantom pardons signed by a robot? Trump speaks for the people: no more fake mercy for the connected while the honest suffer.
- **VOID THEM ALL. PROSECUTE THEM ALL.** Trump’s command is clear: erase the fraud, prosecute the guilty. This isn’t about legal nuance — it is about legitimacy. Fake pardons cannot stand. Fraud cannot survive. Justice means action, not symbolism.
- **THE FINAL VERDICT** Pardons signed by a machine are not pardons. They are crimes. They are deception. They are an insult to the Republic. And Trump has promised: they will not stand. Every fraudulent pardon must be voided, every recipient prosecuted, every illusion burned away.
- **This is bigger than paperwork. This is about the soul of the presidency, and the soul of America itself.** Trump has drawn the line: no more fake justice, no more machine signatures, no more worthless pardons.

U. Thurs. 28 Aug. 2025 BOMBSHELL! Trump has officially launched the military purge of Chicago. Secret UN bases, CCP agents, and globalist tunnels are being raided as you read this. Thousands of troops are mobilized. Mass arrests are imminent. The Deep State's urban command is collapsing in real time. ...Ezra A Cohen on Telegram

- **When Trump said “Chicago is next” after the D.C. operation,** it was not a joke. It was a coded declaration of war against the strongholds of globalist filth. And now it's happening.
- **Military and DHS leaks confirm:** Trump has authorized full-scale intervention in Chicago. Not just National Guard. Active duty troops, intelligence strike teams, and joint command are coordinating from a secure Illinois bunker. This is America's internal battlefield—Trump's war on global elites, Democrat-run safe havens, and black-budget labs of control.
- **Chicago was never just mismanaged.** It was weaponized. CIA fronts use migrant communities as human shields. UN-linked child trafficking runs through abandoned shelters. Biometric labs experiment on the homeless. Cartel warlords are protected by “sanctuary” politicians bought off by Soros networks. Trump's military knows it.
- **JSOC has activated Guard units in Illinois and Indiana** for “urban stabilization, high-profile detainment, and suppression of foreign intelligence-connected activity.” Translation: they're going in hot. CCP and Mossad-linked operatives, shielded by city officials, are being hunted.
- **In the last 90 days:** – Three sabotage attempts on energy grids stopped by military cyber units. – A shipping container with counterfeit 2026 ballots intercepted at the Port of Chicago. – A rogue biotech lab caught running gain-of-function experiments in Englewood. Trump's team isn't targeting “crime.” They're dismantling covert war operations on American soil.
- **Tier-1 ICE units with biometric scanners are already moving.** Hidden operatives with forged identities—protected by activist fronts, churches, even public libraries—are being targeted. Yes, libraries. Progressive hubs were scraping child data and feeding it to WEF-linked contractors. Federal raids will expose trafficking, espionage, and cultural sabotage dressed up as charity.
- **The Deep State is panicking.** Their media pawns call this “terrorism.” Projection. They know what's coming. Chicago is the launchpad for ballot fraud, FedNow rollouts, and pre-EBS sabotage. With boots on the ground, Trump can seize election servers, refugee trafficking evidence, offshore financial trails, and hidden Pfizer archives.
- **This is not martial law. It's surgical sovereignty restoration.** Chicago is only the beginning. San Francisco and New York are next. Twelve target cities are mapped for takedown. Fast strikes. High-value arrests. Blackouts of corrupt courts.
- **Final warning to traitors: your time is up.** The C-130s at O'Hare are not “exercises.” August 2025 will be remembered as the month Trump's liberation force went local. America is being reclaimed block by block. And nothing can stop what's coming next.

Y. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Z. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Many have wanted to start a petition drive to President Trump to pardon us. Therefore, Raland Brunson just prepared a new website where people can sign that petition to President Trump at this link: <http://www.kencromar.site/>

If the Petition link is not available go to: <https://www.miraclesingodwetrust.us/contact/>

Zb. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Update Fri. 22 Aug. 2025:

I am in FCI Englewood waiting for oral arguments on appeal of my federal conviction for securities fraud. I was found guilty by a jury in a trial where my Federal Public Defenders called no witnesses to the stand, the Utah State Attorney General's Office interfered with the only witness being called in my behalf, and the Federal Public Defenders presented very little physical evidence.

Following my conviction, the Utah State Attorney General filed a civil suit against me and a non-existent entity, by the Utah State Securities Commission in an administrative court to collect the restitution money awarded by the jury in my federal conviction, plus penalties for the State of Utah. After months of court filings and conference calls, the Commission filed a Motion for Summary Judgment. On Thursday August 14, 2025, the Utah State Securities Commission held a public meeting to consider the Motion against me.

Months before my trial, and under suggestion of my Federal Public Defenders, I made two cashier's checks: one directly payable to one "victim" and one payable to my personal civil attorney's trust account until the Federal Public Defenders negotiated settlement with the other "victim." An email was sent to inform all Federal Public Defenders of the payments, which I did not owe. They failed to negotiate settlement and never addressed the payments with the court or the jury at trial.

Now the judge for the Utah State Attorney General, who I originally appealed to for assistance and protection, is going to issue an order for default judgment, for a debt that wasn't owed and yet was paid long before being found guilty by a tampered jury. It's pretty ironic and just another example of a casualty of injustice, from the office of a man who railed on the corruption of his predecessors, during his election campaign.

Where there is smoke, there is fire!

Tom Fairbanks (Under Duress)

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Ze. Judy Note: Please do not think I am ignoring your emails. I am only one person without a staff and work 8-10 hours each day on the Update. I have close to 4,000 emails I have not had the time to even read. In answer to many of the inquiries: I do not know any more about the time and date of the GCR than what has already been printed in my updates. I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Keep in mind the Quantum Computer has all your information gathered and likely knows of your changes of address, emails, etc. Any questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

Zf. Judy Note Please Be Aware: Although there are several platforms on Telegram published under my name of Judy Byington, understand that I do not have a platform on Telegram under my name. They are imposters and advertise false information. The problem is: I don't know who puts it up, runs the site, nor who responds to the inquiries. I have tried several times to get access to the site but have been denied. I don't even know what it says in there and certainly don't endorse it. If you have insight into this, please email: info22faces@yahoo.com. Thanks, Judy Byington

For the past several weeks the following has been published about me on several big Telegram platforms. It reads: **THEY TRIED TO SILENCE HER. NOW MILLIONS LISTEN. *What Judy Byington reveals can't be unseen.** Ritual abuse. Government coverups. Forgotten children. Her posts are raw. Real. Forbidden. **FOLLOW the truth they never wanted you to read:** <https://t.me/JudyByington> <https://t.me/+YmtWDB7BXCowYzJk>

Zg. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: “You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
