Slow Down - Sissel (2019 Pioneer Concert with The Tabernacle Choir)

In the midst of my confusion  
In the time of desperate need  
When I am thinking not too clearly  
A gentle voice does intercede

Slow down, slow down, be still  
Be still and wait, on the Spirit of the Lord  
Slow down and hear His voice  
And know that He is God

#### **RFK JR. NAMES THE MONSTER: BIDEN'S GOVERNMENT EXPOSED AS THE ENGINE BEHIND AMERICA'S CHILD TRAFFICKING NETWORK**

- **Robert F. Kennedy Jr. has dropped** the most explosive charge of our time. He claims Biden's HHS became the backbone of a child trafficking empire that swallowed over 300,000 minors. Not "lost." Not "misplaced." Systematically discarded. Fed into the shadows with the help of federal agencies. The media says nothing. But the silence is its own admission.
- **Kennedy cites whistleblowers**, buried records, and suppressed reports. Children were handed to unvetted adults and "sponsors." No checks. No oversight. No follow-up. Just disappearance. The government designed a pipeline of flesh disguised as a humanitarian program. HHS didn't protect — it distributed. A gatekeeper turned trafficker.
- **This is more than corruption.** It is the mutation of government into a predator that feeds on its own people. A republic that can lose 300,000 children without an emergency hearing or task force has ceased to exist. What remains is an organism that exists only to shield itself — suppressing evidence, silencing dissent, erasing truth.
- **The betrayal splits America in two.** On one side: the ruling class — politicians, bureaucrats, media, corporate enforcers. On the other: the people — parents, citizens, patriots who will not forgive or forget. The old battle of left vs. right is dead. The new battle is predator vs. parent, Deep State vs. humanity.
- **And into this war steps an unlikely alliance.** Trump and RFK Jr. — outsiders from different worlds — now stand aligned in one cause: exposing the child trafficking machine buried inside the federal government. This is not theater. It is war strategy. A populist President and a Kennedy warrior smashing the illusion that elites can sell children with impunity.

- **The media blackout proves complicity.** If RFK had warned of melting ice caps, every outlet would amplify. But accuse Biden's HHS of trafficking children? Silence. No denials. No rebuttals. Just omission. When journalists refuse to ask where 300,000 missing children went, it's because they already know.
- **Whistleblowers are breaking ranks.** Leaks are surfacing. Grand juries are being cornered. RFK warns this is only the beginning — a confrontation that will rip open the Republic's darkest vaults.
- **For decades they mocked patriots as conspiracy theorists.** But the truth always outlives the lie. The children were never forgotten. Their names echo in the storm. Kennedy has sounded the alarm. Trump has reignited the fire. The people are awake. And now the reckoning begins.

#### ***A. What We Think We Know as of Mon. 1 Sept. 2025:***

- **On August 28 the integration of Starlink, the Quantum Financial System, and the Stellar Blockchain was completed.** For the first time in history, a secure and transparent global flow of gold-backed assets and information is operational. The QFS is ready for full activation once the Emergency Broadcast System goes live.

Those resisting are now facing military pressure, banking shutdowns, and engineered collapse. GESARA will end fiat slavery, IRS theft, and central bank domination.
- **THE IRS IS A CRIMINAL ENTERPRISE:** The 16<sup>th</sup> Amendment was never ratified - \$330 Trillion stolen from US Taxpayers. The biggest theft in American history has been exposed. A confidential 1985 letter from a sitting IRS Commissioner just confirmed what we've

been screaming for decades. That means every income tax dollar you've ever paid was illegal theft — and the IRS has been a criminal extortion cartel from the start. Trump knows and has said that the IRS must be abolished. ...Gesara Nesara QFS on Telegram

- **On Sat. 30 Aug. 2025 President Trump signed Barack Hussein Obama's Arrest Warrant**, charging the former US President with High Treason. humans? The good news is the poison injection has to be kept below 87 degrees before injection or the complex weapon degrades and is not as deadly. We also know that around 70% of the shots given to humans were just salt water. - **We know that something powerful will take down the Mossad Media satellite.** This will cause a worldwide communications blackout, transitioning us to a Quantum System. This is called PROJECT ODIN. In essence, it provides a reason to activate Military EBS.
- **Star Link is up** and seemingly ready for the Army to activate the worldwide Emergency Broadcast System.

- **This will release the NESARA/GESARA funds** and then we the people will begin to rebuild. This event is truly biblical.
- **What are some of the larger Satanic Illuminati Sites in the world?** Q showed us things like: Vatican, Buckingham Palace, Whitehouse x 2 (USA, Germany), 3GD in China, CERN at Swiss/French Border possibly, Big Pharma in Wuhan = Israel, Israel/ Khazarians control CCP, Communication etc., 34 Satanic buildings and dams will fall

- **To convert to GESARA/Greatness, they must play this fake World War 3 scenario** to sound the sirens in each National Military Command Center. This is to justify to the entire planet many things that have taken place.

- **The GESARA Military Law was implemented** which included Secret Military Tribunals, Confessions, executions etc. As usual, all armies will be there to help build new things.

- **We have achieved freedom**, saved our children and freed the world of corrupt governments and enslavers.

**E. Sat. 30 Aug. 2025 EBS System – Not Just Ready. Already Embedded Into the Grid. We’re now able to confirm several key facts about the Emergency Broadcast System (EBS), and they’re not theories — they’re sourced from direct infrastructure reports, telecom insiders, and quiet briefings from defense contractors who helped build the system. ...Quantum Financial System on Telegram**

#### **Key EBS Updates as of August 25, 2025:**

- **Command nodes have been rerouted:** The primary EBS command has been transferred from FEMA coordination centers to military communication bunkers in Cheyenne Mountain (Colorado) and Raven Rock (Pennsylvania). These are hardened underground facilities immune to EMP and cyberattacks.

- **Starlink satellites are now integrated into the backup alert system.** In the event of a full internet blackout or hostile network interference, the EBS will piggyback off space-based satellite relays to deliver audio-visual messages directly to civilian receivers.

- **On August 18, internal test signals were sent through 5G towers across Florida, Georgia, and South Carolina.** Flagged as “seismic early warning test,” the packets were in fact Tier 3 authentication pings tied to emergency override scenarios.

- **On 21 August the final authorization key** — a three-code secure signal generated by NORAD, USSTRATCOM, and the Office of the President — was logged as “live” in the EBS confirmation system.

- **In plain English? Everything is in place.** The infrastructure exists. The signal paths are verified. The broadcast content has already been secured and backed up across six hardened locations.

- **The only thing left is timing.** What Will Be in the Broadcast? We've now confirmed through multiple data leaks and briefings what content will be included in the first EBS wave.

#### **Expect this:**

- **Full release of January 6th Capitol surveillance footage:** Over 9,000 hours, uncut, showing staged entries, planted agitators, and direct coordination between select lawmakers and Capitol security.
- **Declassified memos from Operation Crimson Mist:** Documents showing intelligence officials planning real-time behavioral influence operations via social media — using AI-driven scripts during COVID and post-election riots.
- **Footage and audio from child trafficking hubs across U.S. borders,** including previously unseen drone recordings of UN-accredited NGOs transporting children through unmarked white vans, and military thermal imaging of late-night air transfers at off-grid airstrips.
- **Audio from federal task force intercepts confirming that election data from Georgia and Michigan** was transmitted via unsecured server routes to Germany and Serbia on November 3, 2020.
- **Documents proving financial coordination between Pfizer, the CDC, and a PR firm** (Weber Shandwick) to blacklist, defund, and censor dissenting doctors through licensing boards and hospital partnerships.
- **All of this is video-verified, chain-of-custody certified, and digitally watermarked for legal release.** They've been building this case since 2017. Now it's complete.

- **As of today more than 9.7 trillion dollars** have been frozen from Cabal-controlled bank accounts. These funds will be reallocated into NESARA and GESARA humanitarian programs immediately after the Tribunals. Social Security, veterans' benefits, and stolen pensions will be restored to the people.
- **The signal is clear. The arrests are real.** The tribunals are scheduled. The Emergency Broadcast is the trigger. The storm has begun. The Cabal is cornered. The hammer is falling.

**G. Sat. 30 Aug. 2025 FULL DISCLOSURE: TRUMP REACTS TO THE 900 BANKERS WHO TRY TO KILL NESARA WITH SECRET RAIDS ON THE ELITE FINANCIAL CARTEL, GLOBAL MASS ARRESTS, AND MILITARY TRIBUNALS**

- **The conflict is no longer concealed. It is taking place in tribunals, bunkers, quantum servers, and across continents.** A final-ditch effort to undermine the Revaluation and prevent NESARA/GESARA from ever activating took place in May 2024 when more than 900 central bankers and deep-state financiers convened under the pretense of a "currency summit."
- **What were they unaware of? Already inside was Trump's Earth Alliance.** They infiltrated the summit. Their schemes were revealed. A financial war spanning time, frequency, and code ensued.

**CONFIRMED NEW INTEL — JULY 15, 2025:**

- **The US Space Force neutralized three DUMBs:** Taiwan, Uruguay, and the Alps. AI servers with predictive NESARA-delay code were located on these bases. Globalists with ties to NATO were eradicated.
- **Greenland's secret tribunals have been activated.** WEF AI developers and leaders of the EU Central Bank are among the high-value detainees. Trump-aligned military factions secured the facility.
- **On July 3, Alliance cyber teams ended an IMF and BIS "Quantum Coin" project** that aimed to take over QFS optics.

- **In February, Biden's phony administration was disbanded** in accordance with Continuity of Government procedures.
- **On March 4, Trump was re-sworn at Fort Bragg** under military authority. Classified ceremony. No press attention.
- **More than 312,000 sealed indictments have been processed** since the banker summit failed. More than 140,000 arrests have been made globally. Targets include NGO infiltration nodes, biotech depopulation executives, Vatican agents, and NATO leaders.
- **A pharmaceutical plant in Brussels that produced adrenochrome** compounds laced with graphene oxide was stormed on June 23. It was directly connected to Pelosi's offshore accounts and the Clinton Foundation. Every asset is frozen and redirected to the Treasury of the People.
- **On July 9 the U.S. military raided CNN's Atlanta AI server facility**, which is the source of Mockingbird 2.0. Financial disinformation, election scripts, and pandemic propaganda were all confiscated. The BBC, CBS, and NBC are all under military surveillance. For EBS override, Starlink QFS Broadcast is prepared.

## **FINANCIAL LIBERATION IS NOW IN MOTION AND NOT JUST A THEORY.**

- **Tier 1 exchanges** are now offering gold-backed U.S. Treasury Notes.
- **Quantum Access Cards (QACs)** linked to biometric, sovereign, debt-free accounts are issued in South Africa, Florida, Texas, and Serbia.
- **MedBed Zones** were introduced in the United States, Romania, and Japan; veterans and rescued children were given priority access.
- **Project Phoenix** now permits emergency access to suppressed healing sciences, Tesla-grade energy systems, and regenerative technology.
- **On July 4 Trump approved Phase 3 of the Earth Restoration Directive.** Final QFS sync + EBS activation. Uncovering the mass indictment during "Disclosure Days." Complete implementation of MedBed, free-energy, and anti-aging infrastructure.
- **No vote will be held.** No authorization. No debate on television. This is a complete overthrow, not political reform.
- **The web of Rothschild is falling apart.** The accounts of the IMF and Blackrock have been quantum-frozen. Major American cities have military forces stationed there for transitional protection rather than for war.

**H. Sat. 30 Aug. 2025 QFS 2025 DECODED: The Gold-Backed, AI-Controlled Financial System Silently Replacing the Old World Order ...Quantum Financial System on Telegram**

- The corrupt age of fiat, debt, and invisible chains is ending. Its replacement is not theory. It is here. The Quantum Financial System is live, gold-backed, AI-controlled, and already shifting global power. What was mocked as conspiracy is the quiet revolution of the century.
- QFS does not run on blockchain. No mining, no fiat dependency. It is immune to hacking, self-validating, and every transaction is linked to physical value. Gold, silver, oil, resources — every token is real. No counterfeits. No inflation. No fractional reserve fraud.

**I. The Transition Has Begun. Insiders confirm QFS has been quietly active since early 2025. Evidence is undeniable:**

- **Test transfers** between central banks using QFS protocols
- **Silent issuance** of asset-backed currencies like the USN
- **Replacement of SWIFT** channels for sovereign transactions
- **Currency recalibration** known as the Global Currency Reset
- **Over 130 nations** have already signed transition frameworks. This is concealed to avoid panic and block Deep State sabotage.
- **Gold-Backed and Unstoppable:** QFS transactions are tied to real collateral. Every unit carries a unique digital signature. Fraud is impossible. Manipulation is dead. By mid-2025, parallel use of USD and USN will give way to full conversion.
- **AI + Photonic Technology:** QFS uses light-speed photonic data, not electricity. Transactions are GPS-authenticated and AI-validated in real time. Fraud isn't reviewed later. It is instantly blocked. No intermediaries. No frozen accounts. Just direct sovereign flow.
- **Banks Are Already Crumbling:** Since Q1 2025, over 6,000 executives have resigned or vanished. "System outages" are cover for legacy collapse. IMF, BIS, SWIFT — forced to restructure or be erased. The shadow system cannot survive transparency.
- **Final Verdict:** This is not speculation. Fiat is dying. Fractional banking is collapsing. Corruption is being erased by code. QFS is the economic rebirth of humanity, built on truth and sovereignty.
- **The deniers will be left stunned.** The awakened will thrive.
- **QFS is real.** QFS is live. And 2025 is the tipping point.

**K. Sun. 31 Aug. 2025 BILL GATES' NIGHTMARE PLAN EXPOSED ...Quantum Financial System on Telegram**

- **Bill Gates has unveiled a project so grotesque** it chills the soul. Hidden beneath the mask of “AI medical research,” the Gates Foundation is now pushing to embalm newborn babies who die in neonatal intensive care units and harvest their organs for experimentation. This is not about compassion or science. This is about reducing human life to raw material.

- **Reports confirm that the project relies on a process called plastination**—a method that embalms bodies with polymers so tissues remain intact for dissection and surveillance research. In plain terms, Gates is funding the preservation of dead infants to slice them apart and feed their remains into AI-driven systems. The stated goal is to “advance medicine,” but anyone who has followed Gates’ history of population control knows the truth: this is the commodification of human life at its most vulnerable stage.

- **Pro-life advocates** and ethical experts are warning that this is the normalization of infant body farming under the guise of progress. Gates has poured billions into abortion-related causes, and now his foundation is financing projects that treat deceased newborns as test subjects. Families who lose their children in NICUs may never even know their loved ones are being targeted for dissection. Where is the consent? Where is the dignity?

- **Critics are raising the alarm:** if the remains of newborns can be preserved, cut, and scanned without accountability, what comes next? Organ markets disguised as research? Mass harvesting in the name of “science”? This is not theory—it is happening now, with Gates at the center.

- **Every detail emerging points to a carefully crafted agenda.** The dead are no longer allowed to rest. The most innocent are being transformed into tools for elite experiments. The Gates Foundation’s silence on these concerns only confirms the suspicions: transparency is not part of their plan.

- **This is more than an ethical crisis.** It is a warning shot to humanity. If they can do this to newborns, they can do it to anyone. The line has been crossed. The commodification of life has begun. And Gates is leading the march.

**L. Sun. 31 Aug. 2025 BOOM! CDC DIRECTOR FIRED — TRUMP AND RFK JR.  
CRUSH THE GLOBAL VACCINE CABAL ...Nesara Gesara QFS on Telegram**

- **In one day that will be remembered as the beginning of the end for the biomedical dictatorship,** CDC Director Susan Monarez was forcibly removed from her position. This was not a resignation, not a quiet exit, but a purge executed with precision and a clear historic purpose. Within 24 hours, the entire upper command of the Centers for Disease Control collapsed like a house of cards. Senior officials who had enforced the agenda of the pharmaceutical cartel fled, realizing there was no more cover, no shield, no protection.
- **The reason is devastating.** Monarez openly refused a direct order from Robert F. Kennedy Jr. to revoke the Emergency Use Authorization for COVID-19 vaccines. That EUA was the golden ticket—the key that allowed Big Pharma and the WHO to bypass safety trials, silence critics, and inject experimental compounds under the label of “public health.” Monarez wanted the door left open. RFK Jr. slammed it shut.
- **With that act, the dominoes fell.** Debra Houry, Chief Medical Officer, resigned. Demetre Daskalakis, head of immunization, walked away. Daniel Jernigan, leader of zoonotic diseases, fled as well. They didn’t leave out of principle. They left because they knew the purge had begun.
- **This was never about office politics.** This was about dismantling an unelected regime that operated not as a health body, but as an arm of a global depopulation machine. The CDC had become the enforcement wing of corporate interests, funneling billions into Pfizer contracts and extending the reach of Davos, Geneva, and Beijing. Under Trump and RFK Jr., that structure is collapsing.
- **The press called it “restructuring.”** Bureaucratic code words like “policy disagreements” were used. But the truth is clear: Monarez was removed because she defied Trump’s health doctrine and RFK Jr.’s mission to end pharmaceutical tyranny.
- **The timing was exact. On August 27, RFK Jr. revoked the EUA.** Hours later, Monarez was fired. Minutes after, her deputies resigned. By August 28, Pfizer announced new shipments—blocked under the new rule requiring full doctor authorization. The “Stratus Variant” panic, meant to relaunch the mRNA pipeline, collapsed instantly.
- **This is only the first strike.** Trump and RFK Jr. are now targeting the CDC Foundation, BARDA, and NASEM—organizations that funneled experimental tech and published false “consensus statements” during the pandemic. Monarez was just one node. The whole grid is being dismantled.

- **For decades, elites called this science.** But the truth is clear: it was control, not health. A weaponized system designed to break freedom. Now the empire is being ripped out by the roots.
- **America is no longer under Pfizer, WHO treaties, or unelected czars.** The biomedical regime is falling. Trump has unleashed RFK Jr. as his hammer. The era of forced compliance is finished, and justice is finally on its way.

**M. FAUCI'S BIO-WEAPON IS STILL KILLING AMERICANS EVERY SINGLE DAY – Trump Finally Exposes the Elite's COVID Lies That Poisoned the Nation and Destroyed Millions of Lives! ...Nesara Gesara on Telegram**

- **Fauci may have been pushed out of the spotlight, but his shadow still looms over the silent war raging inside the human body.** What began in late 2019 was never a pandemic but a biological attack, carefully engineered and unleashed by technocrats, pharma cartels, and intelligence agencies. They weaponized fear, forced compliance, and rewired humanity's biology—and here on August 29, 2025, the fight is still unfolding.
- **Trump's declassified files prove what millions suspected:** the virus wasn't natural. It didn't come from a bat. It was engineered in a bioweapons facility and released under the cover of a "lab leak." Signals intercepted as early as October 2019 showed Beijing scrambling to contain what U.S. insiders already knew—a controlled release buried under Fauci's chains of command. Meanwhile, contractors stockpiled mRNA technology and lipid systems years before the outbreak, preparing for a "compliance event" disguised as public health.
- **But the deeper truth runs beyond spike proteins.** The real weapon is ceramides—a hidden biochemical parasite woven into food, water, pharmaceuticals, and hygiene products. They dismantle brain barriers, suffocate mitochondria, fuel diabetes and cancers, and block regeneration. Worst of all, they replicate—turning every meal, booster, or aerosol intake into a self-feeding prison. This is why chronic illness, sudden collapses, and neurological decline keep spiking even now. Fauci and his allies distracted the public with lockdowns and mask theater, while burying evidence of lipid-based vectors fused into vaccine patents months before the first "case."
- **Trump has been dismantling the system since his return in January 2025**—revoking DARPA contracts, auditing NIH funding, expanding GITMO, and unleashing tribunals. Yet the mainstream will never report it, because the real war isn't political—it's biochemical. The next phase of their agenda isn't even respiratory. It's neuro-degenerative. Not designed to kill you, but to rewire who you are. And they've already been testing it through boosters, processed food oils, and chemtrails over major U.S. cities.
- **This isn't fearmongering**—it's recognition of reality. You cannot vote your way out of cellular occupation. You cannot mask or boost your way to freedom when the enemy is inside your bloodstream. The first step to survival is purification—flushing the ceramides, detoxing lipid debris, restoring cellular pathways. Independent researchers and Trump-aligned doctors are building these protocols now, quietly, away from pharma's grip. Terms like "ceramide flush" and "mitochondrial defense" are appearing in whispers across digital backchannels.

- **The warning is final:** time is short. The toxins are everywhere. The occupation is within. The question isn't if you'll act—the question is whether you'll wake up before your biology is rewritten. Keep your eyes on the skies, your mind sharp, and your body cleansed. This war is inside your blood. And until it's won, none of us are free.

O. Sun. 31 Aug. 2025 RED ALERT! Trump Sends U.S. Warships to Surround Venezuela — Military Seizes Deep State Biometric Vaults, Captures Rockefeller Escape Cargo — QFS Freezes Elite Funds, GESARA Triggers Global Bank Collapse! ...The 47<sup>th</sup> President of the United States on Telegram

- **They've lost control. The U.S. military is now executing the most strategic, wide-scale takedown of globalist infrastructure in recorded history**—and it's happening under full command of President Donald J. Trump, the rightful Commander-in-Chief and leader of the American Republic.
- **Eight U.S. warships, including destroyers and a nuclear submarine, are deployed off Venezuela**—not for optics, but for obliteration of elite black sites, AI weapon hubs, and biometric cloning centers used for trafficking and identity fraud.
- **This is tied to the Quantum Financial System**—humanity's greatest leap forward. Unlike SWIFT, the QFS cannot be hacked or bypassed. Elites tried smuggling biometric templates to clone identity chains, but the QFS tracks and destroys synthetic access in real time.
- **Before operations launched, Trump's command purged compromised Navy leadership. Admiral Lisa Franchetti was removed under direct presidential order for obstructing indictments linked to NATO bio-trafficking and child exploitation.** Admiral Daryl Caudle now leads, tasked with exposing rogue deep-sea trafficking routes and vaporizing elite AI labs under CIA contracts. These orders are active now.

- **Parallel to this, GESARA is being deployed**—debt cancellation, sovereign finance, restoration of lawful governments. Forty-two nations have signed compliance treaties. Those resisting are now facing military pressure, banking shutdowns, and engineered collapse. GESARA will end fiat slavery, IRS theft, and central bank domination.
- **On August 21, U.S. forces intercepted cargo container #773-X. Inside was not cocaine, but shielded biotech hardware from a Rockefeller shell port:** forged QFS ID packages and AI modules for quantum escape. It failed. The QFS burned the data instantly. The military now has proof of elite attempts to hijack post-GESARA finance.
- **GITMO is expanding again**—this time for biotech war criminals. Scientists captured in underground labs across the Americas are locked under Level 7 Biosecurity. They were working on gene weapons, trauma-frequency engineering, and synthetic DNA grafting. Now in custody. Soon exposed through Trump’s Emergency Broadcast System.
- **But the elites fear something even greater—the Healing Wave.** First detected during Med Bed sessions, this regenerative frequency spread without machines. Human bodies are transmitters. People near activated individuals are spontaneously healing—reversing arthritis, trauma, cancer, even childhood damage. The wave spreads silently, body to body, beyond elite control.
- **Hospitals obsolete. Pills powerless.** DNA manipulation erased. The elites built empires on fear and sickness. The Healing Wave ends it. Trump declared: “They invaded our bodies. Now we take them back.”
- **The Healing Wave is the uprising.** GESARA is the reset. QFS is the sword. And Trump’s America is leading the charge.
- **The storm has landed. The purge is active.** The frequency is spreading. You are not just watching history—you are living its victory.

- **The Department of Justice has placed Barack Obama under federal criminal investigation for espionage and conspiracy tied to Russiagate, illegal FISA operations, and Deep State surveillance networks.** Sources confirm the charges carry life in prison. Obama is directly linked to the Obama Comey Brennan scandal — a coordinated assault against Trump’s 2016 campaign. The shield of power is gone. Justice is coming.
- **Obama is accused of orchestrating illegal surveillance, weaponizing intelligence agencies, and authorizing falsified FISA warrants to sabotage Trump.** DOJ insiders confirm he faces prosecution under the Espionage Act and Conspiracy Against Rights. These charges are not symbolic. They are federal, constitutional, and carry lifetime imprisonment.
- **Whistleblowers and recovered memos confirm Obama’s direct involvement.** He was briefed repeatedly by Brennan and Comey on illicit operations targeting Trump, based on fabricated intelligence. Oval Office meetings tied him to the scheme. Evidence now shows the entire Russiagate saga was a coordinated act of sabotage against the Constitution, financed through foreign channels and executed under Obama’s executive command.
- **DOJ insiders say indictments are imminent.** Federal prosecutors are finalizing a multi-count package: espionage, conspiracy, abuse of power, obstruction. If foreign collusion is

confirmed, military tribunal jurisdiction will be activated. Obama's silence is deafening. His legal team issues sterile statements while panic spreads behind closed doors.

- **Trump responded with clarity:** "No traitor to this country will walk free — no matter how high they once stood." The Trump administration is preparing deep audits of federal agencies and purges of embedded Deep State actors. The system is being rebuilt under fire.
- **This is not politics. This is battlefield justice.** A former president now stands accused of treason and internal warfare against America. The illusion of elite immunity is dead. There will be no mercy, no pardon, no escape. Obama will face the full weight of justice.

**T. Fri. 30 Aug. 2025: BOMBSHELL! Trump has officially launched the military purge of Chicago. Secret UN bases, CCP agents, and globalist tunnels are being raided as you read this. Thousands of troops are mobilized. Mass arrests are imminent. The Deep State’s urban command is collapsing in real time. ...The 17<sup>th</sup> Letter on Telegram**

- **When Trump said “Chicago is next”** after the D.C. operation, it was not a joke. It was a coded declaration of war against the strongholds of globalist filth. And now it’s happening.

- **Military and DHS leaks confirm:** Trump has authorized full-scale intervention in Chicago. Not just National Guard. Active duty troops, intelligence strike teams, and joint command are coordinating from a secure Illinois bunker. This is America’s internal battlefield—Trump’s war on global elites, Democrat-run safe havens, and black-budget labs of control.

- **Chicago was never just mismanaged.** It was weaponized. CIA fronts use migrant communities as human shields. UN-linked child trafficking runs through abandoned shelters. Biometric labs experiment on the homeless. Cartel warlords are protected by “sanctuary” politicians bought off by Soros networks. Trump’s military knows it.

- **JSOC has activated Guard units in Illinois and Indiana** for “urban stabilization, high-profile detainment, and suppression of foreign intelligence-connected activity.” Translation: they’re going in hot. CCP and Mossad-linked operatives, shielded by city officials, are being hunted.
- **In the last 90 days: – Three sabotage attempts on energy grids stopped by military cyber units.** – A shipping container with counterfeit 2026 ballots intercepted at the Port of Chicago. – A rogue biotech lab caught running gain-of-function experiments in Englewood.
- **Trump’s team isn’t targeting “crime.”** They’re dismantling covert war operations on American soil.
- **Tier-1 ICE units with biometric scanners are already moving.** Hidden operatives with forged identities—protected by activist fronts, churches, even public libraries—are being targeted. Yes, libraries. Progressive hubs were scraping child data and feeding it to WEF-linked contractors. Federal raids will expose trafficking, espionage, and cultural sabotage dressed up as charity.
- **The Deep State is panicking.** Their media pawns call this “terrorism.” Projection. They know what’s coming. Chicago is the launchpad for ballot fraud, FedNow rollouts, and pre-EBS sabotage. With boots on the ground, Trump can seize election servers, refugee trafficking evidence, offshore financial trails, and hidden Pfizer archives.
- **This is not martial law. It’s surgical sovereignty restoration.** Chicago is only the beginning. San Francisco and New York are next. Twelve target cities are mapped for takedown. Fast strikes. High-value arrests. Blackouts of corrupt courts.
- **Final warning to traitors: your time is up.** The C-130s at O’Hare are not “exercises.” August 2025 will be remembered as the month Trump’s liberation force went local. America is being reclaimed block by block. And nothing can stop what’s coming next.

**U. Sat. 30 Aug. 2025: IT’S HAPPENING! Epstein Estate FORCED to Hand Over ALL Files — Trump’s Team Moves to EXPOSE Global Pedophile Blackmail Ring Protected by Intelligence Agencies and the Deep State Elite! ...Nesara Gesara QFS on Telegram**

- **August 26, 2025 — This is no stunt. The doors to Epstein’s operation are being forced open,** and the timing isn’t random. Trump is back, and the gloves are off.
- **Chairman James Comer has subpoenaed the Epstein estate** for unredacted files—emails, flight logs, communications, every shred of buried evidence. These are the same files intelligence agencies kept locked for decades to shield elites. Names, threats, bribes—everything.
- **This was never just a trafficking ring. Epstein’s empire was a global blackmail machine.** Cameras in his mansions recorded every guest. Politicians, bankers, scientists, royals,

celebrities—all trapped, leveraged, controlled. That insurance is now in the hands of House Republicans.

- **Comer is also dragging Alexander Acosta back**—the man who gave Epstein his sweetheart deal. Acosta admitted years ago he was told Epstein “belonged to intelligence.” But whose? CIA? Mossad? MI6? Or a deeper shadow network that engineered wars, collapses, pandemics, even presidential takedowns?
- **Trump knows. That’s why they tried to destroy him.** That’s why Epstein “died” in 2019. Too much was at stake. Now the tables have turned.
- **Patriots inside government are dismantling the deep state brick by brick, and the Epstein files are the wrecking ball.** Written declarations are being forced out of Gonzales, Holder, Sessions—sworn under penalty of prosecution. If they lie, they go down. If they tell the truth, the dominoes fall.
- **The names are already damning:** Clinton’s two dozen Lolita flights, Prince Andrew’s scandals, Barak’s visits, Gates meeting Epstein after conviction. None faced accountability. That changes now.
- **The estate is cooperating because the power structure collapsed.** CIA is under purge. DARPA and NIH are under criminal probe. Vatican silent. Bilderberg inactive. The old guard is shattered.
- **Expect revelations of trafficking routes** through diplomatic channels, blackmail used to bend U.S. and E.U. laws, neuro-control experiments on children, and ties to Silicon Valley labs harvesting DNA. This isn’t just Epstein. This is the core of globalist control.
- **Media silence proves their panic.** They’re complicit. But patriots know: the storm has arrived.
- **Watch September 8 for file delivery and September 19 for Acosta’s testimony.** These aren’t just dates—they’re triggers. If the files surface, everything changes.
- **The pedophile elite thought erasing Epstein erased their crimes.** They were wrong. Their time is up.

**V. Sat. 30 Aug. 2025: WORLDWIDE MILITARY RAIDS EXPLODE! 71 NATIONS HIT, 2,900+ EXECUTIONS CONFIRMED, GITMO OVERFLOWING, TRIBUNALS RUNNING NONSTOP, ROTHSCHILD BUNKERS SEIZED, HUMAN-HYBRID LABS EXPOSED, AND STARLINK LOCKED ON EVERY ESCAPE ATTEMPT! ...Charlie Ward and Friends on Telegram**

- **The mission is accelerating** more forcefully than before, not slowing down. As of August 2025, the global military operation is well underway under President Trump's reclaimed leadership. This is just the beginning of the ongoing reckoning.

- **Children are being released, names are being recorded, bunkers are being breached hourly, and tactical units are rolling day and night.** With intelligence dropping in more quickly than they can be processed, the tribunals are overflowing. With Alaska, Diego Garcia, Greenland, Iceland, and Svalbard operating as active black sites, sealed and underground, processing interrogations and executions without interruption, GITMO has grown into a hub.
- **The scope has expanded. The purge includes fourteen oceanic bases and seventy-one countries.** A subterranean command post connected to biometric identification systems was neutralized in Papua New Guinea. SEALs raided Epstein continuation files, cloning archives, and hormone labs in the Seychelles. DARPA biocontainment pods, some of which contained children who had been trafficked, were seized in Iceland. Rothschild yachts with AI systems and nuclear backup plans were intercepted in the Black Sea.
- **Project EIDOLON, the cabal's quantum control system, was destroyed in the middle of launch.** It was intended to use graphene feedback to connect vaccinated populations into an obedience grid. Encrypted neural panels, biometric slave codes, and complete genetic maps of Americans were taken by military forces. On July 23, Elon Musk gave the go-ahead for the Starlink Orion array to sterilize the EMP before activating it.
- **Arrests are increasing. In Montenegro, a NATO intelligence chief was arrested for operating trafficking routes for organs.** An elite BlackRock ESG analyst was discovered using AI models intended to reduce the population. A UNICEF official was exposed for connecting vaccine routes to farms that produce adrenochrome. Two Rothschild emissaries were apprehended at a Masonic excavation base in Jordan.
- **Cryogenic pods that housed more than 130 children,** some of whom had been missing since the 1980s, have been discovered in new Vatican tunnels. DNA-modification tables connected to bloodline extractions and ritual books encoded with Vatican treasure records. There are six tunnels connected to the Vatican, four of which have already been neutralized. Underwater domes and cloaked craft are being tracked by Starlink's new Dark Zone Protocol.
- **These days, tribunals are mobile.** Pharma-extraction networks are being processed in Kazakhstan. Trials for maritime trafficking are being held in the Canary Islands. Silicon Valley and Hollywood elites are being handled by Alaska. More than 2,900 high-ranking officials have already been eliminated. Instead of slowing down, executions are speeding up.
- **Trump is leading the strikes** and is no longer hiding in the background. His status as Active Civilian Commander of Starlink Warfare and the Quantum Combat Grid was confirmed by Space Force Command on July 24. He is in charge of tactical Starlink deployment AI warfare, and surveillance. Lt. Gen. Michael Flynn, General Eric M. Smith, and civilian advisors connected to GESARA and financial repossessions are all members of his war
- **This isn't ending.** Air, sea, land, deep earth, and orbit are all experiencing an increase in the purge. There are more bases mapped. More kids were spared. More secrets come to light.

- **On August 26, 2025, what we are witnessing is not politics. It's the final stage of a military operation designed for decades.** Trump is not simply deploying National Guard units for crime. He is executing a coordinated, multi-state mission to dismantle criminal networks, seize rogue federal agencies, and restore American sovereignty hijacked by global elites.
- **Every one of the 4000+ troops is under classified federal coordination.** The public cover story: immigration support and crime control. The reality: containment and neutralization of embedded enemies across media, judiciary, intelligence, and foreign-backed financial networks.
- **The Guard is active, armed, and authorized to enforce federal law.** In D.C. they have arrest authority. In Texas and Florida they've detained cartel-linked terror suspects. Each unit carries biometric processors, drones, access to ICE grids, and urban combat clearance. A new Rapid Response Task Force is airborne-ready within 60 minutes. That is not riot control—it is preparation for mass arrests.
- **Reports confirm former DHS, CDC, IRS, and DOJ officials are already under military observation.** Pentagon aircraft tracked to Colorado, Nevada, and GITMO expansion zones signal black site transfers. Globalist law firms are purging servers, offshore accounts tied to Clinton and Obama networks are being liquidated. Panic is spreading.

- **Trump does not need a public Martial Law declaration. It is already functional.** Legal authorities from 2020–21 allow domestic deployment, surveillance, asset seizure, and tribunals. JAG officers are embedded with DOJ prosecutors. That only happens when military justice is coming.
- **Nineteen states are the beginning.** The next wave targets Illinois, New York, California, Pennsylvania—elite sanctuary hubs. Chicago is already flagged. Silence from the Pentagon confirms active planning.
- **The blackout is deliberate.** The media protecting elites cannot report their own downfall. Executive producers at major networks have already been implicated in classified trafficking and foreign contracts. Trump’s operation is exposing a coup decades in the making.
- **This is not law and order—it is the reclamation of a nation.** Military tribunals are imminent. Treason, sedition, crimes against humanity—justice will not come from corrupted courts but from the military itself.
- **Trump commands the military.** He is the legitimate President. The storm is no longer coming.
- **It has begun.**

#### **Y. Sat. 30 Aug. 2025 RED ALERT: GEN. FLYNN EXPOSES THE GLOBALIST COUP AGAINST AMERICA**

- **Gen. Michael Flynn has broken the silence.** Once targeted and silenced, he has returned with classified-level revelations that rip the mask off Soros, USAID, the CIA, and their globalist NGO network. What he exposed is clear: a full-spectrum coup against America that began in 2014 and ran straight through Ukraine, Russiagate, and the stolen 2020 election.
- **Flynn lays it out: George Soros funneled billions through fake “humanitarian” NGOs,** USAID became the soft arm of CIA regime-change ops, and Obama and Biden provided the political cover. Ukraine was never a revolution. It was the testing ground. The Maidan uprising was a foreign-backed color operation, designed to show how sovereign nations could be hijacked, digitized, and enslaved. That same model was then unleashed on America.
- **Russiagate was not about Russia.** It was a smokescreen to bury evidence and cripple Trump. Flynn himself was removed not for lying, but because he knew too much. The 2020 election? A digital battlefield flooded with NGOs in ballot harvesting, data manipulation, and media narrative control. USAID and foreign intel partners worked behind the curtain, with Soros cash flowing into every layer. The coup wasn’t just overseas — it came home.
- **But the script has flipped.** Tulsi Gabbard, now Director of National Intelligence, is not part of their club. Flynn confirms the clean-up has started: whistleblowers are flooding out from CIA, DOJ, NSA, DHS, and State. Burn bags weren’t destroyed — they were archived. Funding trails are being traced. Names are being named. Evidence is now protected and weaponized.

- **The final phase is underway.** Trump is leading the executive counteroffensive. Flynn is back on point, coordinating the hidden battlefield. Gabbard is inside the system, flipping circuit breakers from within. Together, they are dismantling the globalist empire — not with speeches, but with declassified ops, indictments, and military strategy.
- **The message to Soros, Obama, Biden, Schwab,** and every globalist operative is simple: you failed. You tried to hijack America, but you underestimated the loyalty of patriots, the awakening of the people, and the return of a commander who never surrendered.
- **Trump is back in the White House.** Flynn is back in the field. The people are awake. The globalist coup is collapsing.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/

unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

**Zd. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **Zf. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

### **Update Fri. 22 Aug. 2025:**

I am in FCI Englewood waiting for oral arguments on appeal of my federal conviction for securities fraud. I was found guilty by a jury in a trial where my Federal Public Defenders called no witnesses to the stand, the Utah State Attorney General's Office interfered with the only witness being called in my behalf, and the Federal Public Defenders presented very little physical evidence.

Following my conviction, the Utah State Attorney General filed a civil suit against me and a non-existent entity, by the Utah State Securities Commission in an administrative court to collect the restitution money awarded by the jury in my federal conviction, plus penalties for the State of Utah. After months of court filings and conference calls, the Commission filed a Motion for Summary Judgment. On Thursday August 14, 2025, the Utah State Securities Commission held a public meeting to consider the Motion against me.

Months before my trial, and under suggestion of my Federal Public Defenders, I made two cashier's checks: one directly payable to one "victim" and one payable to my personal civil attorney's trust account until the Federal Public Defenders negotiated settlement with the other "victim." An email was sent to inform all Federal Public Defenders of the payments, which I did not owe. They failed to negotiate settlement and never addressed the payments with the court or the jury at trial.

Now the judge for the Utah State Attorney General, who I originally appealed to for assistance and protection, is going to issue an order for default judgment, for a debt that wasn't owed and yet was paid long before being found guilty by a tampered jury. It's pretty ironic and just another example of a casualty of injustice, from the office of a man who railed on the corruption of his predecessors, during his election campaign.

Where there is smoke, there is fire!

**Jenny Hill and I spent 20 years writing her biography, “22 Faces”** to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

**“22 Faces” explains how childhood torture separates a young developing brain’s** thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

**When the first edition of “22 Faces” was released** the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

**Through these Satanist’s negative comments** and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

**“22 Faces” was now re-published** and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

**It would be most appreciated** if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

**The more we can expose those Satan worshipping perpetrators** who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

**Zi. Judy Note:** Please do not think I am ignoring your emails. I am only one person without a staff and work 8-10 hours each day on the Update. I have close to 4,000 emails I have not had the time to even read. In answer to

many of the inquiries: I do not know any more about the time and date of the GCR than what has already been printed in my updates. I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Keep in mind the Quantum Computer has all your information gathered and likely knows of your changes of address, emails, etc. Any questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

**Zj. Judy Note Please Be Aware:** Although there are several platforms on Telegram published under my name of Judy Byington, understand that I do not have a platform on Telegram under my name. They are imposters and advertise false information. The problem is: I don't know who puts it up, runs the site, nor who responds to the inquiries. I have tried several times to get access to the site but have been denied. I don't even know what it says in there and certainly don't endorse it. If you have insight into this, please email: [info22faces@yahoo.com](mailto:info22faces@yahoo.com). Thanks, Judy Byington

Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

**If you see the following message on your Telegram or any other account, please realize it was likely a Scam:** "You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

**Apparently the TRB so-called "Trump Gold Products" Scam** is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

**I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information,** to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

**Unknown persons using my legal name of Judy Byington** were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
