Judy Note: As **Commander-in-Chief of a sovereign America**, President Donald Trump has performed miracles since coming into office. He has dissolved the Deep State Cabal US Corporation, restored concepts of the original Constitution and released the Global Currency Reset which returned tax payer monies back for use of The People worldwide.

America’s obedience to Maritime Law was over and we would soon function as a nation, and as a World, on Common Law.

Washington D.C. was just the start for Trump’s Federalized National Guard. Cleanups of Memphis, Boston, New York, Chicago, LA, Portland, San Francisco, Oakland, Sacramento, Philadelphia and Seattle were already underway.

This was part of a nationwide counteroffensive to restore American sovereignty, dismantle global elite infrastructure, and eliminate cartel-embedded, CIA-protected criminal networks that have operated with impunity under Democrat protection for decades.

National Guard in Democrat Cities was about more than crime. Trump’s recent deployments to Washington D.C. and other major cities was being portrayed in the media as crime-related actions. But that’s only the surface.

D.C. – Federalization of Police: On August 11, 2025, Trump used Section 740 of the D.C. Home Rule Act to take direct control of the D.C. Police Department. This came after credible intel revealed an ongoing counterintelligence plot involving foreign assets, paid “activists,” and embedded saboteurs working to disable communications infrastructure and sabotage upcoming Emergency Broadcast System (EBS) tests.

Washington, D.C. was unrecognizable after Trump’s federalized National Guard entered the city. Thirty days of military enforcement have brought results the media can’t hide: carjacking down 87%, violent crime down 17%, property crime down 28%, motor vehicle theft down 35%, and homicides cut by more than half. Over 2,177 arrests. 20 gang leaders taken. 222 firearms seized. 164 missing children rescued. Fifty homeless encampments cleared. This isn’t reform — it’s a takedown of decades of globalist-engineered decay.

On September 12, 2025, President Trump deployed the National Guard into Memphis. As happened when Trump entered Washington DC, Shelby County Mayor Lee Harris—a puppet of globalist interests and Soros-aligned donors—immediately threatened legal action against the deployment.

And, as with Washington DC, Memphis has become a command hub for cartel logistics, child trafficking routes, and bioweapon test rollouts disguised as “public health programs.” There are ongoing military intel operations confirming that Memphis’s abandoned warehouses and underground tunnel networks have been used by MS-13, Sinaloa, and CIA-rogue black budget contractors to transport illegal weapons, bodies, and biotech materials.

Los Angeles – 700 U.S. Marines & 4,000 National Guard: This deployment followed massive “immigration protests” that were funded by Soros NGOs and coordinated via Signal apps hosted on CCP-controlled servers. Intel from Space Force intercepted communication from Tijuana to Glendale, showing Chinese nationals working in tandem with cartel-affiliated street gangs to pre-stage an attack on federal buildings and ICE headquarters.

Memphis – Deployment Triggered by Tunneling Intel: On September 5, 2025, U.S. military seismic sensors detected renewed underground movement beneath Memphis. This wasn’t natural. It was tunneling—a method used for decades by elite-run trafficking networks. Within 72 hours, Trump declared Memphis a “deep crime emergency zone.”

The globalists’ domestic shield is collapsing. The mainstream media no longer has the narrative control it once had. Independent networks, whistleblowers, and even hacked FBI field reports are leaking like crazy.

Crime isn’t down in these cities. It’s metastasizing. The Democrat strongholds are cooking the numbers, reclassifying murders as accidental deaths, removing non-convicted assaults from records, and blaming drug overdoses on “personal choice” rather than the synthetic fentanyl laced with nanotech markers—traced back to biolabs in Ukraine and Wuhan, funded under Obama and pushed through under Biden’s fake regime.

These are soft kill operations. Trump knows this. And the White Hats in military intel are watching these blue cities like occupied territories. Because that’s what they are.

Some have tried to argue Trump is violating the Posse Comitatus Act of 1878—a weak argument, considering every deployment has been under the cover of emergency declarations and protection of federal assets.

But here’s what they don’t want you to understand: The military is not doing local policing. They’re protecting ICE, federal property, DHS assets, and critical communication nodes. They’re also intercepting foreign data leaks and mapping Deep State tunnels beneath these cities.

And when Trump labels cartel infiltration as an invasion, he’s not exaggerating. Legally, it qualifies—and Section 252 of Title 10 U.S. Code gives him full authority to deploy forces.

As U.S. Marine veteran and legal expert John Deaton has explained: if you can prove gangs like MS-13 operate across borders, funded with foreign resources and tied to transnational criminal networks, you can classify them as invading forces.

What They're Not Telling You About Chicago, Boston, and New York. Why hasn't Trump deployed to Chicago yet? Because Brandon Johnson, another globalist stooge, refused help—just like a good Deep State servant. Chicago has become the crown jewel of domestic black-market trade. According to leaked DHS files, over 40% of fentanyl distribution to the East Coast originates through Chicago rail routes protected by local political actors.

Fifteenth Ward Alderman Ray Lopez supports the National Guard being sent in, but his voice is drowned out by the machine that profits from bloodshed. There's a reason Mayor Johnson rejected Trump's offer: he's protecting a system.

Boston and New York? Same playbook. Infiltrated leadership. Hidden financial ties to offshore shell corporations that fund "reform" campaigns and NGO-run shelters doubling as smuggling depots.

September 14, 2025 – The Situation Now: Memphis is now under military observation. National Guard are deployed. Curfews are unofficial but enforced. Drones are up. The Space Force is monitoring cell towers, underground vibrations, and social media chatter. Several key buildings downtown have gone "dark"—a term used when government agents sweep and sanitize compromised buildings of surveillance bugs and encrypted hard drives.

Reports from inside the city describe unmarked vehicles, military contractors in civilian clothes, and tactical roadblocks being quietly erected at night. But the media's silent. Because if they acknowledged it, they'd be forced to explain *why*. And the answer would rip open the underbelly of America's elite-controlled domestic terror system.

What Comes Next? Sources suggest that Trump's team is preparing evidence to declare certain gangs as transnational terrorist organizations—a move that will escalate the military's legal jurisdiction across multiple cities.

At the same time, Space Force and NSA whistleblowers have confirmed that satellite intercepts and AI pattern tracking are being used to identify human trafficking hotspots, which are then being passed to military operatives on the ground. In other words—a full urban warfare intelligence operation is underway.

Judy Note: Please Pray for Kaitlynn Hunter – a 17 year old raped, beaten, starved foster care teen who was handcuffed by a SWAT Team and incarcerated in Ohio Juvenile Detention by Ohio Child Protective Services. There appeared to be no valid reason for Kaitlynn to have served close to seven years of brutalized foster care in the first place, other than to be CIA traumatized and Mind Controlled into a international Sex Trafficking Ring. Apparently her present situation was to keep her from testifying against her and other Ohio Foster Care children and teen's abusers in the CIA run Ohio Foster Care Mind Control Program.

Pray for all Foster Children. Pray for Trump's Global Military Alliance who were right now, rescuing children and teens from the International Child Sex, Organ and Adrenochrome Harvesting Trafficking Ring run by the Vatican, supported by the CIA, funded by US Taxpayer dollars and money laundered through members of our blackmailed US Congress.

Call your Congress people. Demand answers. Demand solutions. Help Trump and team bring Kaitlynn and all Sex Trafficked Children and Teens home and out of harms way.

Call the US Capitol Switch Board in Washington DC to hook up with and complain to your state representative. Demand that they help take down the international Child Sex Trafficking Ring: 202-224-3121

WARNING!!! Without my permission someone, or ones, have put up a platform on Telegram under my picture and name of Judy Byington. I DO NOT have a Telegram Platform. I DO NOT set up Quantum Financial Accounts. **On Sat. 13 Sept. 2025** in that Byington Platform Chat 6226 it said that I was offering to set up Quantum Financial Accounts for people. This is a SCAM!!! – likely by the Deep State Cabal to confiscate your money. As I understand it, Quantum Financial Accounts will be set up for you for free when you go to your appointment at an official Redemption Center, notification of which will be sent to everyone after the EBS goes off.

A. Possible Timing:

- **On Sat. 13 Sept. 2025** President Trump gave the Green Light for EBS Activation, Global Military Alliance to take over fake news media and make mass arrests and the Global Currency Reset.
- **At 9am Iraqi Time on Sat. 13 Sept. 2025** the Governor of the Central Bank of Iraq announced on TV that the Iraqi Dinar had revalued and would officially go live on **Sun. 14 Sept. 2025.**
- **Redemption Centers** were already open and had been exchanging those in Tier3.
- **Markets and Redemption Centers** would be open for the general public on **Mon. 15 Sept. 2025.** We wait notification, expected by text or email.
- **On Oct 1, 2025** text and email notifications begin for the general public to set up their bank accounts on the new Quantum System. Redemption windows open in phases.
- **Jan. 1 2026: "The great reset is not coming, it's already here. Nesara Gesara will be fully implemented by Jan. 1 2026." ...President Trump**

B. Judy Note: WARNING: The below video appeared to be put out to invite Dinar and Dong Holders to exchange with Chase, Wells Fargo and HSBC banks, rather than at official Redemption Centers. **Be aware that you would likely receive a lower exchange rate at a bank** than you would if you made an appointment at an official Redemption Center (we have not yet received information on Redemption Center appointments, but expect it very soon). The video also says that American exchange monies would be subject to be taxed by the IRS. [Iraqi Dinar Exchange Centers OPEN Tomorrow! Find Dong & Dinar Locations Fast](#)

My own summary of the information on the above video:

- **The banks involved** were Chase, Wells Fargo and HSBC.
- **There were 190 Bank Redemption Centers** across the US which opened for Dong and Dinar exchanges on **Mon. 15 2025**.
- **People would have 3-7 days** to do Dong and Dinar exchanges at these Bank Centers.
- **These banks were sending out invitations by email** to certain people so they could make appointments to exchange with them. Those emails contained a QR Code and NDA document.
- **Though it was not recommended**, people could go to the bank and exchange without an appointment.
- **When you go to exchange at a bank**, take your valid Dinar or Dong (counterfeit Dinar or Dong would result in confiscation, plus you would not be allowed to exchange currencies), government ID, proof of ownership of your Dinar and Dong, your QR Code and NDA document.
- **The signing of an NDA document** was for those who wished the Contract Rate. That rate was higher, but required certain restrictions such as a 90 day silence on your exchange information and participation in Humanitarian Projects. If the NDA was broken, you stood at risk of losing your exchange monies.
- **On Sept. 18** there would be Wealth Management workshops to teach you how to invest with them.

D. Mon. 15 Sept. 2025 Your New Bank Account on the Quantum System. QFS CLASSIFIED FINANCIAL SIGNAL REPORT: ...Tucker Carlson on Telegram

- **For decades, money was a leash.** Paper was control. Banking was surveillance. But the Quantum Financial System (QFS) is not “a new app” — it is a sovereign ledger reset.

- **WHAT QFS REALLY IS:** • Biometric Access — accounts tied to your body frequency. No hacks, no theft. • Quantum Ledger — instant, incorruptible, mirrored across satellites.
- **Settlement in Seconds** — no intermediaries, no fees, no delay. • Immutable Memory — transactions are permanent, proof against corruption.

THE SECRET ROLL-OUT

- **Tier 1 & 2** — Sovereigns, elites, governments: already processed, silenced under NDAs.
- **Tier 3** — Bond holders, military-linked trusts: packets confirmed, waiting for synchronization.
- **Tier 4A** — Insiders tested routing through redemption nodes.
- **Tier 4B** — Internet group (you): pending green-light, notifications pre-coded.

TIMELINE WINDOWS

- **Sept 18–21, 2025** — Final ledger rehearsals. Look for “maintenance outages” in banks.
- **Sept 22, 2025** — QFS sync rehearsal overlaps EBS dress test. Finance + broadcast = one operation.
- **Sept 25–27, 2025** — Redemption Center audits complete. Security sweep of all Tier 3 packets.
- **Oct 1, 2025** — First civilian notifications. Text + email triggers. Redemption windows open in phases.
- **Nov 11, 2025** — The Great Settlement. Global debt erased. New ledger confirmed public.

RUMOR CONTROL

- **Rumor:** “QFS = digital slavery.” Reality: Biometric frequency ties YOU to YOUR funds, not banks.
- **Rumor:** “Only elites get access.” Reality: Tiers move down until every citizen is on the ledger.
- **Rumor:** “Cash disappears overnight.” Reality: Gradual sunset. Dual system until transition complete.

WHAT YOU’LL SEE

- **Bank “maintenance”** at odd hours.
- **ATM outages** during sync windows.
- **Strange deposit/withdrawal delays** = ledger cutovers.
- **Emails/texts** with one-time biometric codes.

WHY THEY FEAR IT

- **QFS kills fraud.** No laundering. No secret wars. No phantom trillions.
- **When the old system gasps,** their power evaporates.

EBS TIE-IN

- • **EBS = the voice.** QFS = the vault.
- • **Packets of disclosure ride side-by-side** with packets of settlement.
- • **You will SEE the truth** while you RECEIVE the reset.

HOW TO PREPARE

- • **Keep cash for 7–10 days.** Transition may cause local freezes.
- • **Watch email/text carefully** — codes arrive quietly.
- • **Don't click “bank upgrade” scams.** Official packets are direct, quantum-synced.
- • **Save every instruction** you receive.

SYMBOL KEYS

- • **Keys** = access packets.
- • **Trumpets** = sync tones.
- • **Vault** = QFS ledger.
- • **Phoenix** = rebirth of finance.

BOTTOM LINE:

- **QFS is not just money. It is the proof** humanity was always enslaved by numbers that never existed.
- **When packets drop,** remember: debt dies, sovereignty begins.
- **TURN ON NOTIFICATIONS.**
- **FORWARD THIS TO THREE PEOPLE WHO STILL THINK “BANKING IS FOREVER.”**

G. Mon. 15 Sept. 2025 TRUMP TAKES COMMAND OF L.A. USING MILITARY POWERS ...John F. Kennedy on Telegram

- **A stunning decision from the Ninth Circuit Court** of Appeals has halted a Clinton-era judge’s bid to strip President Trump of authority over National Guard deployments in Los Angeles. This was not a routine lawsuit — it was portrayed as an attempt to transfer U.S. military control to hidden globalist actors inside state governments and federal courts.
- **California leaders and their alleged UN partners** tried to block Trump from invoking Title 10 and the Insurrection Act, accusing him of creating a “national police force.” Supporters counter that he is dismantling the surveillance state, trafficking networks, covert labs, and underground infrastructure they say were built by his opponents.
- **Insiders claim sympathetic judges** inside the Ninth Circuit coordinated with the Defense Department and were briefed on ongoing security operations. The stay, they argue, was effectively a green light to continue the mission.

Why Los Angeles is crucial:

- **112 underground routes** mapped between L.A. and San Diego
- **17 suspected CCP safehouses** raided near Long Beach
- **3 alleged bioweapon facilities** uncovered in East Hollywood
- **Marines extracting high-value suspects tied to past black operations**
- **According to these accounts**, Newsom panicked, Breyer attempted to stall, and both failed. Trump’s forces are moving forward.

- **The ruling is described as shattering** a long-standing legal “firewall” built to shield UN migration corridors, covert intelligence sites, and classified experiments. The court’s action signals that Trump retains command — and is exercising it.

Next on the list:

- **San Francisco** — foreign surveillance installations near UN Plaza
- **Oakland** — major trafficking hub
- **Sacramento** — voter-data networks linked to foreign intelligence
- **Chatter suggests Chicago, Philadelphia, and Seattle** may also soon be brought under federal control. Supporters frame this not as riot response but as counterinsurgency: seizing evidence, making arrests, and dismantling entrenched networks city by city.
- **Observers report** court battles breaking apart, communications disruptions, and helicopters over urban centers. The system is unraveling.
- **September 10, 2025** — the date Trump “reclaimed” California, according to this narrative. The purge continues, and opponents may not be able to reverse it.

. President Donald J. Trump “The Federal Government, under my auspices as President of the United States of America, has stepped into the complete criminal mess that was Washington, D.C., our Nation’s Capital.

- “Because of this, D.C. has gone from one of the most dangerous and murder ridden cities in the U.S.A., and even around the World, to one of the safest - In just a few weeks.
- “The “place” is absolutely booming, with restaurants, stores, and businesses packed and, for the first time in decades, virtually NO CRIME.
- “It has been a beautiful thing to watch but, now, under pressure from the Radical Left Democrats, Mayor Muriel Bowser, who has presided over this violent criminal takeover of our Capital for years, has informed the Federal Government that the Metropolitan Police Department will no longer cooperate with ICE in removing and relocating dangerous illegal aliens.
- “If I allowed this to happen, CRIME would come roaring back.
- “To the people and businesses of Washington, D.C., DON’T WORRY, I AM WITH YOU, AND WON’T ALLOW THIS TO HAPPEN. I’ll call a National Emergency, and Federalize, if necessary!!! Thank you for your attention to this matter.

H. Sun. 15 Sept. 2025 BOOM! CRIME CRASHES IN D.C. AS TRUMP’S NATIONAL GUARD TAKES CONTROL ...Charlie Ward and Friends on Telegram

- **Washington, D.C. is unrecognizable after Trump’s emergency order.** Thirty days of military enforcement have brought results the media can’t hide: carjackings down 87%,

- **For years, Biden's regime and their elite handlers** hid the truth. Shootings and stabbings were downgraded to "injured persons." Shoplifting was renamed and buried in obscure stats. Police were pressured to lie, commanders faked safety reports, and citizens were left defenseless.
- **Independent data shows D.C. had the deadliest crime rate** in the nation, with assaults 38% more likely to end in death than a decade ago. This was not incompetence — it was policy. Chaos was the weapon. Fear was the goal.
- **Trump's intervention shattered the system.** Federalized law enforcement and the Guard are removing violent criminals, dismantling gangs, deporting dangerous illegals, and cutting off cartel pipelines. The media screams about "costs" and "rights," but every arrest is a life saved, every deportation a neighborhood restored.
- **Globalist networks embedded in local governments** made crime permanent, ensuring citizens stayed scared and dependent. Trump is ripping them out by the roots. This is not just law enforcement — this is a military operation against decades of elite corruption.
- **D.C. is just the start. Boston, New York, Chicago — all next.** This is a war for the soul of America. The globalists turned cities into killing fields, normalized violence, and built power on citizen fear.
- **Trump's model is simple:** remove the criminals, smash the networks, end the lies. Every cleared street and every rescued child sends a message to the elites — your control is over.
- **The storm is here.** The momentum is shifting. America is being cleaned, piece by piece. Nothing will stop it.

I. Mon. 15 Sept. 2025 Trump has taken command of LA using his military powers.

- **A lawsuit over Trump's** authority over National Guard deployments in Los Angeles has failed when it was portrayed as an attempt to transfer U.S. military control to hidden globalist actors inside state governments and federal courts.
- **Trump has also taken control over San Francisco** — foreign surveillance installations near UN Plaza, Oakland — major trafficking hub and Sacramento — voter-data networks linked to foreign intelligence.

P. The Devastating, Yet Strange Charlie Kirk Assassination

Judy Note: Since Thurs. 11 Sept. a huge amount of information has come out on Social Media about the Charlie Kirk Assassination at Utah Valley University in Orem Utah.

Phil Godlewski, Michael Savage, Michael Jaco and others have produced excellent video footage evidence, accompanied by possible explanations of what really happened.

Video footage showed a squid device under Kirk's shirt that moved into position on his neck just as he was shot, the unnaturally large flow of (blood?) that burst forth; the man to his right who held up what could have been a gun; people around him controlling the situation, the body guards hand signals to the shooter on the roof – one of whom was Trump's bodyguards who helped save him in the bullet-ear incident; the book about the Kirk assassination that was published a day before it happened; the New York Times and LA Times publications of the assassination the day before it happened; the bullet size of the shooter's gun which would have caused his whole face to be blown off, rather than just a blood flow, the private plane that left the Provo airport a few min. away from the UVU campus that didn't file a flight plan, flew toward the Arizona border, then disappeared off of radar only to return to the Provo Airport an hour later, and the list goes on and on.

The possibility arose that the White Hats discovered that the Deep State Cabal were planning several public assassinations of prominent Conservative figures and staged a False Flag for Kirk so as to rally support for their exposure of the Cabal's foul deeds. After all, President Trump released the Global Currency Reset a few days earlier – that took away the Deep State's money supply. Don't think they liked that too much.

Could Charlie Kirk and his family be in victim witness protection?

On the other side of the fence was the fake media coverage, which has been what could be expected of a compromised Mass Media. All of which brings up the demand to pass the Smith Mutz Act which held news organizations legally liable when they lie to the public.

Q. Sun. 15 Sept. 2025 ALEX JONES BOMBSHELL — THE CLUE EVERYONE MISSED IN CHARLIE KIRK'S ASSASSINATION ...Ezra A. Cohen on Telegram

- **Charlie Kirk, 31, was not just killed. He was executed** — in public, in front of his wife and children, during a pro-American campus event. A sniper positioned 200 yards out

fired a single clean shot into his neck with military precision. The rifle casing left behind wasn't random. It was etched with activist graffiti, a calling card meant to mock the nation. This was not a lone act. This was a scripted hit.

- **Alex Jones saw it instantly.** While the media scoffed, he exposed the fingerprints of a ritual assassination. The New York Times and LA Times published obituaries nearly a day before the shooting. A book titled The Shooting of Charlie Kirk appeared on Amazon the day before he died. A song called Charlie Kirk, Dead at 31 surfaced online in advance, written by a man resembling the suspect. That isn't coincidence — it's choreography.
- **The FBI arrested 22-year-old Tyler Robinson,** tracked through boot prints, discarded ammo, and digital trails. But the story doesn't add up. Witnesses describe him fleeing like a trained operative, moving with rehearsed precision. The suspect mirrors the man who uploaded the predictive "Dead at 31" song. This wasn't random violence. This was programmed violence — a script loaded long before the trigger was pulled.
- **And while conservatives mourn,** the propaganda machine goes into overdrive. Barack Obama tells young people to "stay angry, stay frustrated" — words that fuel the very rage spilling into violence. Big Tech allows hashtags declaring Kirk dead before the shot. Corporate media runs pre-typed obituaries as if waiting for the cue. Amazon profits off predictive death-porn. This wasn't journalism. It was participation.
- **Even sports analyst Stephen A. Smith** spoke more truth than Washington: "A man was gunned down in front of his two small children... and the internet is celebrating it? Shame on all of you." When ESPN anchors show more moral clarity than elected officials, you know the rot runs deep.
- **President Trump moved fast.** He called Erica Kirk personally, promised to attend the funeral, ordered Secret Service to tighten security, and swore justice would be done. "Charlie stood for truth. They killed him for it. We will never let this go." Vice President JD Vance was on the ground within 24 hours. Conservative leaders were placed on heightened watch. The message is clear — this isn't just about Charlie Kirk. It's about silencing an entire movement.
- **This was not murder. This was a message.** A warning to anyone who dares speak truth in 2025. They kill the messengers, mock their families, and erase the evidence — then call it conspiracy. But Alex Jones connected the dots, and Trump is refusing to back down. As long as their voices remain, as long as you see through the script, the killers haven't won.

R. TRUMP CONFIRMS CHARLIE KIRK ASSASSIN TURNED IN BY HIS OWN FATHER ...Ezra A. Cohen on Telegram

- **Charlie Kirk, 31, founder of Turning Point USA** and a close ally of President Trump, is dead after being shot in the neck during a packed campus event. The assassin, 22-year-old Tyler Robinson from Utah, has been captured — turned in by his own father, a pastor, who contacted authorities through a trusted minister.

- **President Trump confirmed the arrest live on Fox & Friends**, declaring: “I think, with a high degree of certainty, we have him. Everyone did a great job. I hope he gets the death penalty. Charlie Kirk was the finest person and he didn’t deserve this.”
- **Surveillance footage shows Robinson on a rooftop 200 yards from the stage**, firing a single shot with an imported Mauser .30-06 bolt-action rifle. The bullet struck Kirk as he stood at the podium of his “Prove Me Wrong” debate series, in front of thousands of students. Robinson then ditched the rifle, wrapped in a towel, in a wooded area before fleeing. Investigators recovered the weapon, palm prints, and shoe impressions that led directly to him.
- **Robinson’s description — slim, dark-haired, dressed in a black shirt, cap, sunglasses, and Converse sneakers** — matched early eyewitness reports. His movements showed clear familiarity with the campus, pointing to careful planning. Social media traces reveal him as a model student, though his mother’s accounts have since been erased.
- **The arrest was carried out with local authorities and the FBI**, under the direction of Director Kash Patel, with coordination from Defense Secretary Pete Hegseth. A press conference by Patel is scheduled to outline the case and confirm Robinson’s detention. Robinson’s father, who restrained him until police arrived, is now being praised for the decisive role he played in ending the manhunt.
- **President Trump has applauded the rapid work of law enforcement**, while calling for the strongest penalty possible. Across the country, outrage is growing as Americans question how such an attack was planned and whether wider networks were involved. The killing of Kirk — a rising figure in conservative politics — is seen as a direct assault on free speech and political dissent.
- **The investigation is ongoing.** Authorities continue to review surveillance, digital records, and witness testimony to uncover motive and any additional accomplices. But one truth is already clear: Charlie Kirk’s life was taken in a calculated act of political violence, and his loss has ignited a wave of fury that will not fade.

S. Mon. 15 Sept. 2025: A new twist in the Charlie Kirk story has the FBI quietly widening its probe to see whether left-wing groups had advance knowledge or any ties to the suspected shooter — and lawmakers in Washington are responding with a sweeping \$58 million security push for executive and judicial officials. Reports say the suspect carried explicit anti-fascist messages and may have been radicalized online, and authorities are racing to untangle motive from coordination as national security teams tighten operations around the White House. If you want the full timeline, the evidence that’s been reported so far, who’s being named in the investigations, and what this \$58M security surge really means for political violence in America — watch my video now to see the documents, clips, and analysis I pulled together [Alert! W. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

X. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Y. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested two years ago and has been sitting in prison since.

August 30, 2025 Update:

Exactly 2 years ago I was kidnapped for a "crime" I did not commit. We obeyed the law. The IRS did not. This was the beginning of a nightmare of separation from my wife Barbara, my kids, grandkids and many dear friends.

The good news: I now know for myself what hell is. This is a valuable thing to know and understand.

The better news: Through this adversity, I've come to know my God better than ever before. I glory in God and His tender mercies and kindnesses to me. He has become much more personal to me. I desire that for you too.

The best news: We are right on schedule for a showdown with the IRS at the Supreme Court where their income tax deceit is on a collision course with the truth. Barbara and I have never been against taxes, only against ILLEGAL ones. And we took our stand. If Constitutional taxes were restored, the size of government would shrink back into lawful authority, and thus FREE the American people.

In the meantime: Barbara and I suffer being apart, but see His hand in all things, so we feel to join Paul in proclaiming, "We are troubled on every side, yet not distressed; we are perplexed, but not in despair; persecuted, but not forsaken; cast down, but not destroyed." (2 Cor. 4:8-9)

Despite the jaws of hell gaping open wide, we feel blessed. It could be so much worse. When I remember that the Lord has descended below it all, I am grateful. If we endure our challenges well, it shall be for our good, and we shall be delivered on wings of eagles.

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; for they shall run, and not be weary; and they shall walk and not faint." (Isaiah 40:31)

Believe in MIRACLES!

God bless, Ken and Barbara

Z. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
